#### HOW TO USHER OUT MR. DEPRESSION

(By Cassie Thompson)

I wonder if there exists anywhere any one in this fair country of ours who has not heard of this word depression? Why even the young ones have their ideas as to its meaning. The word doesn't mean the same to every one. But one thing that it means to all is a lack of the material things which we perhaps could enjoy more than at present. One man may think, even utter aloud, surely nobody has had such tough luck as I have. I've lost my land, business, automobile and can't collect what I do have out on credit. What can be worse? Surely I can think of many things worse.

Now really, to come down to brass tacks, aren't we all making mountains out of mole hills? Things could be I am happier than I've been in my er had less money than I have right now. But I can truthfully write, that I am happier than I've been in my (brief) sojourn in this wonderful earth. And while we are here we owe a debt to our fellow beings to be at

cherful in their presence as possible. They have troubles of their own; why make them feel worse by voicing yours? Make life brighter by being pleasant and thoughtful. Leave the dark shadows locked up in the attic, and scatter a little sunshine as you travel this pathway of life. Live each day as it comes; let tomorrow's trials and worries take care of themselves. Come what may, be strong enough and brave enough to bear the battles.

Help the less fortunate (not by giving large sums of money) for few of us have as much as \$2.00 in cash ahead, for the giving of your money is not the only way of scattering grip if the hand, a bouquet of beautiful flowers plucked from various gardens, a nice kind letter in time of trouble and sorrow. In other words, help your brother and sister neighbor to see and understand that you love them and what you have to offer can't be bought with such an insignificant item as money.

Life is just what we make it to a certain extent. It can never be a nice bed of roses. God didn't intend for it to be so. And the sooner we mere mortals learn this why the better off we will be. The things we have to sacrifice for are the things which mean the most to us, whether we believe it or not. We who are ambitious don't want success to come too easily. Success must be gained not acquired and here is a young lady who firmly, honestly believes this depression, as we call it, was sent upon us by the Supreme Being who does all things well because we had grown careless, cold, indifferent, and were beginning to forget Him. Let's come down to earth and prove to God that He can

depend upon us to carry His word forward. Wake up, we've slept and stumbled enough. Do something for someone today. You'll feel better and I believe you'll banish Mr. Depression.

Editors note:

We believe Miss Thompson's philosophy excellent and join her in the "waking up" idea. We appreciate her contribution this week and invite other readers to contribute articles on any current subject, "depression" or what not.

Guy Milford is quite impressed with Press Hitchcock's "close communion" this week. Guy says Press is so "close" that he, Press, does not want Guy's files teat with his so a nice new partition has been erected between the City Barber Shop and the Confectionary. Press says Guy's possessions might "fall from grace".

#### TEXAS COWBOY REUNION TO FEATURE OLD FIDDLERS

Stamford, June 1. The old fiddlers contest, one of the popular features of the Texas Cowboy Reunion each year, promises to have a larger entry list and keener competition than ever during the third annual Reunion which will be held in Stamford July 4, 5 and 6. The fiddlers' contest will be held one day only, Tuesday, July 5, the second day of the Reunion, beginning at 9 a. m.

Cash prizes totalling \$30 will be awarded. No entry fee will be charged and spectators will be admitted free to the City Auditorium, where the contest will be held. R. F. Jackson is chairman of the committee in charge of this feature of the Reunion.

Only fiddlers fifty years of age or over, are eligible for the contest. Each fiddler will be limited to two break-down tunes of his own selection. He may play alone or choose his own second. Five judges will decide the winners of the following prizes: First prize, \$15; second, \$10 third, \$5.

Entry blanks must be signed and filed before 6 p. m. Monday, July 4.

Another feature of the reunion, reminiscent of old days in the West, is the cowboy square dance which will be held in the City Auditorium each night. Judge Cas. E. Coombs, former president of the West Texas Chamber of Commerce is in charge of this feature.

The dance in the past has been held on an open-air pavillion. It is being changed to the auditorium this year to give larger floor space for the dancers and for the greater convenience of spectators.

Other features of the reunion include the meeting of pioneer cowboys and cattlemen, the big cowboy rodeo for the younger blood, selection of most typical cowboy under 55 years of age and the one over 55, selection of the most attractive girl sponsors from surrounding cities, and the big daily street parade.

The Martin school, of which Miss Edna White is teacher closed for the year Friday of last week. Miss White will teach the Martin school again

Mr. and Mrs. Raney and Jeff attending the District Abilene this week as from the Knox City

check, Principal of the Rochelle high school, is in town this week. He will go out to Tech to receive his A. B. Degree with the June class next Monday. Jesse will be at Rochelle again next year.

The members of the Freshman class enjoyed a party last Friday night at the home of Mrs. I. T. Simmons. After spending the evening playing active games they enjoyed the refreshments of cake and ice cream very much.

Mrs. Nellie Mae Withrow and daughter Joe Nell and Grandmother Withrow motored to Haskell Sunday where they visited with Mrs. Sara Roberts and family. Miss Lucille Roberts returned home with Mrs. Withrow for the week.

#### JOSEPH THE WORKER

Genesis 41:46-57

Joseph, the son of Jacob, had a great variety of training. The eleven brothers thought they were through with him and the implications of his dreams when those Midianite merchants led the Canaanites onward from Dotham in upper Palestine to far away Egypt. He had seen the caravans proceed around to Egypt and had longed to know what might be the outcome. It is fine to see how plain, practical common sense can work out to real personal advantage.

There was no trouble in marketing such a slave. He finds himself in a better class home. The Hebrew lad soon rose to local prominence but this very success from hard work caused him to become the center of a plot by the despising wife in that home (Genesis 39:1-20).

Whatever Joseph sought to do it was done well. When the two prisoners that were also confined were discussing their dreams, Joseph gave them the interpretations. One would be free while the other would meet death. The butler promised under these circumstances that he would say a good word for Joseph. Follow this promise made to its final conclusion.

Joseph now stands before Pharaoh. Leaving he tours the land, Egypt was to have seven plentiful years when an abundant harvest would be gathered. He now assembled all the food, which were as the sand of the sea.

Trusty, honor, faith kept Joseph pure and true. It carried him through and will accomplish the same for you.

#### SOME BIBLE FACTS

Dr. Thomas Horne, an English Bible scholar and critic who died in 1862, devoted several years to compiling interesting facts about the Bible, among them being the following:

The Bible is composed of 66 books containing 1,189 chapters, 41,173 verses, 774,746 words, and 3,566,489 letters. The longest verse is John 11:35 and contains only the two words, "Jesus wept." The longest verse is Esther 8:9.

The word "Lord" occurs 1,853 times; "Jehovah" 5,845 times; "everlasting fire" is found twice; the word "girl" only twice; while words "everlasting punishment," "eternity" and "reverend" occur only once each.

Several verses are duplicater thus four verses of the 107 Psalm are identical, and the 36th chapter of Isaiah and the 19 chapter of II Kings are exactly alike.

No original manuscript of any portion in the Bible is in existence. The oldest manuscript known, a fragment of the 11th chapter of the Psalms, thought to have been written in the third century, is preserved in the British Museum. The Bible as we know it has come down to us through many translations, the first complete English translation having been made by John Wycliffe, who died in 1384, and his fellow workers, Nicholas and Purvey.

William Tyndale was the first to print the Bible in English, beginning in 1525. He printed all of the New Testament and a small portion of the Old, but his translations came under the displeasure of the ecclesiastical authorities. After 15 months imprisonment he was tried and burned at the stake for heresy on October 5, 1536.

Mr. and Mrs. M. D. Metts spent Tuesday in Wichita Falls.

Miss Margaret Reeder will arrive home the last of the week from Texas Christian University in Fort Worth.

Although the youngsters in the Rythm Band had a hard time staying awake to perform for their huge audience Wednesday night, they gave an evening of excellent entertainment.

Mrs. W. E. Raney happened to the misfortune of sticking a nail in her foot Monday and spent several days this week on the bed.

#### GIVE MUSICAL TRAVELOGUE

Monday evening of this week two music pupils of Mrs. E. Q. Warren gave a musical travelogue in the school auditorium.

Misses Mary Louise Hoge and Yvonne Jamison presented in play-let form the travelogue. The two paid excellently. They showed much musical talent and their teacher is looking forward with much pleasure to their accomplishments during their high school years. Both girls are graduating from to seventh grade this year.

Mrs. Everett Kelly of Waco and Mrs. O. B. Paulsel of Fort Worth are here this week visiting their parents. Mr. and Mrs. W. H. Benedict and Mr. and Mrs. T. A. Brown, respectfully, Mrs. Kelly and Mrs. Paulsel were accompanied here by Mr. Grady Taylor of Forney who is visiting in the D. W. Davis home.

## Needmore News Knox City 4 Rochester 5

Little Angelene McReynolds had her tonsils removed last Thursday and is doing fine.

Mrs. Eloin Bingham went to Union Grove Sunday.

Mrs. Pearl Kanton has been ill but we are glad to report her feeling better.

Mr. and Mrs. Ross Oliver spent Monday with her brother, Joe Smith, who is in the Knox County hospital.

Nealy Hicks of Commerce was in our community last week.

Tony Holland left for the Rio Grande Valley Saturday.

Employees of the local telephone exchange were numbered among those present at the "company fish fry" at Lake Kemp Monday. The local bunch joined Mr. and Mrs. Charley Massey of Kule here and drove to Wichita Falls.

Knox City lost another heart breaker last Sunday. The old saying goes a good start makes a bad ending is true with us, seemed for awhile we had the game on ice but as usual some costly errors and the game is over in the other fellows favor.

Mr. and Mrs. Press Clarke and children spent Friday night of last week here with Mr. Clark's brother. Saturday noon they were guest in the home of Mr. and Mrs. J. A. Wilson. Saturday afternoon they drove to Wichita Falls were Mrs. Clarke and children plan to spend the summer with her mother. Mr. Clarke returned to his work in Albany.

O. L. Jamison reports the wheat harvest at Benjamin as being in full sway this week. Wheat there is averaging 20 bushels to the acre and harvesting is proving quite buoyant to the spirit of the town and surrounding territory. Many people have been given work and a little money is getting into circulation. Jamison states that Knox City farmers could have had a good harvest of wheat if they had only chosen to have more wheat and less cotton. This use to be a god wheat country but it seems that every one has gotten "cotton minded".

Quite a crowd enjoyed supper at the Benjamin lake Tuesday evening, the party being made up of Knox City and Benjamin families with guests from other cities. Following are at least some of those who were present: Mr. and Mrs. E. O. Jamison, Mr. and Mrs. S. L. Favor, Mrs. Ferguson, Mrs. Carpenter, Mr. and Mrs. Vance Favor and children, Dr. and Mrs. T. P. ## Cooperative Use Pays Well

Here is a lesson in the value of co-operation.

Time was when every community had its own small, isolated electric power plant — if it had any electric service at all.

That was before it was technically possible to link up groups of towns and provide them with power through widespread systems of electric transmission lines.

Today many communities share each power plant. Thus they utilize the facilities more efficiently and receive a higher grade of service at a much smaller cost. The small town's new industrial importance is a direct outgrowth of this improvement in power supply.

The West Texas Utilities Company is rendering this dependable, inexpensive and elastic type of power supply to 125 progressive West Texas cities and towns.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

One would be free while the other would meet death. The butler promised under these circumstances that he would say a good word for Joseph. Follow this promise made to its final conclusion.

Joseph now stands before Pharaoh. Leaving he treads the land, Egypt was to have seven plentiful years when an abundant harvest would be gathered. He now assembled all the food, which were as the sand of the sea.

Faith, honor, faith kept Joseph pure and true. It carried him through and will accomplish the same for you.

#### SOME BIBLE FACTS

Dr. Thomas Horne, an English Bible scholar and critic who died in 1862, devoted several years to compiling interesting facts about the Bible, among them being the following:

The Bible is composed of 66 books containing 1,189 chapters, 41,173 verses, 774,746 words, and 3,566,489 letters. The longest verse is John 11:35 and contains only the two words, "Jesus wept." The longest verse is Esther 8:9.

The word "Lord" occurs 1,853 times; "Jehovah" 5,845 times; "everlasting fire" is found twice; the word "girl" only twice; while words "everlasting punishment," "eternity" and "reverend" occur only once each.

Several verses are duplicator thus four verses of the 107 Psalm are identical, and the 36th chapter of Isaiah and the 19 chapter of II Kings are exactly alike.

No original manuscript of any portion in the Bible is in existence. The oldest manuscript known, a fragment of the 11th chapter of the Psalms, thought to have been written in the third century, is preserved in the British Museum. The Bible as we know it has come down to us through many translators, the first complete English translation having been made by John Wycliffe, who died in 1384, and his fellow workers, Nicholas and Purvey.

William Tyndale was the first to print the Bible in English, beginning in 1525. He printed all of the New Testament and a small portion of the Old, but his translations came under the displeasure of the ecclesiastical authorities. After 15 months imprisonment he was tried and burned at the stake for heresy on October 6, 1536.

Mr. and Mrs. M. D. Metts spent Tuesday in Wichita Falls.

Miss Margaret Reeder will arrive home the last of the week from Texas Christian University in Fort Worth.

Although the youngsters in the Rythm Band had a hard time staying awake to perform for their huge audience Wednesday night, they gave an evening of excellent entertainment.

Mrs. W. E. Raney happened to the misfortune of sticking a nail in her foot Monday and spent several days this week on the bed.

#### GIVE MUSICAL TRAVELOGUE

Monday evening of this week two music pupils of Mrs. E. Q. Warren gave a musical travelogue in the school auditorium.

Misses Mary Leone Hoge and Yvonne Jamison presented in playlet form the travelogue. The two paid excellently. They showed much musical talent and their teacher is looking forward with much pleasure to their accomplishments during their high school years. Both girls are graduating from the seventh grade this year.

Mrs. Everett Kelly of Waco and Mrs. O. D. Paulsel of Fort Worth are here this week visiting their parents. Mr. and Mrs. W. H. Benedict and Mr. and Mrs. T. A. Brown, respectively, Mrs. Kelly and Mrs. Paulsel were accompanied here by Mr. Grady Taylor of Forney who is visiting in the D. W. Davis home.

## Needmore News Knox City 4 Rochester 5

Little Angelene McReynolds had her tonsils removed last Thursday and is doing fine.

Mrs. Eloin Bingham went to Union Grove Sunday.

Mrs. Pearl Keaton has been ill but we are glad to report her feeling better.

Mr. and Mrs. Ross Oliver spent Monday with her brother, Joe Smith, who is in the Knox County hospital. Nealy Hicks of Commanche was in our community last week.

Tony Holland left for the Rio Grande Valley Saturday.

Employees of the local telephone exchange were numbered among those present at the "company fish fry" at Lake Kemp Monday. The local bunch joined Mr. and Mrs. Charley Massey of Rule here and drove to Wichita Falls.

Knox City lost another heart breaker last Sunday. The old saying goes a good start makes a bad ending is true with us, seemed for awhile we had the game on ice but as usual some costly errors and the game is over in the other fellows favor.

Mr. and Mrs. Press Clarke and children spent Friday night of last week here with Mr. Clark's brother. Saturday noon they were guest in the home of Mr. and Mrs. J. A. Wilson. Saturday afternoon they drove to Wichita Falls where Mrs. Clarke and children plan to spend the summer with her mother. Mr. Clarke returned to his work in Albany.

O. L. Jamison reports the wheat harvest at Benjamin as being in full sway this week. Wheat there is averaging 20 bushels to the acre and harvesting is proving quite buoyant to the spirit of the town and surrounding territory. Many people have been given work and a little money is getting into circulation.

Jamison states that Knox City farmers could have had a good harvest of wheat if they had only chosen to have more wheat and less cotton. This use to be a god wheat country but it seems that every one has gotten "cotton minded".

Quite a crowd enjoyed supper at the Benjamin lake Tuesday evening, the party being made up of Knox City and Benjamin families with guests from other cities. Following are at least some of those who were present: Mr. and Mrs. E. O. Jamison, Mr. and Mrs. S. L. Favor, Mrs. Ferguson, Mrs. Carpenter, Mr. and Mrs. Vance Favor and children, Dr. and Mrs. T. P. ## Cooperative Use Pays Well

Here is a lesson in the value of co-operation. Time was when every community had its own small, isolated electric power plant — if it had any electric service at all. That was before it was technically possible to link up groups of towns and provide them with power through widespread systems of electric transmission lines.

Today many communities share each power plant. Thus they utilize the facilities more efficiently and receive a higher grade of service at a much smaller cost. The small town's new industrial importance is a direct outgrowth of this improvement in power supply.

The West Texas Utilities Company is rendering this dependable, inexpensive and elastic type of power supply to 125 progressive West Texas cities and towns.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

## UNITY

By Alfred Noyes  
Heart of my heart, the world is young;

Love lies hidden in every rose! Every song that the skylark sung  
Once, we thought, must come to a close;

Now we know the spirit of song, Song that is merged in teh chant of the whole.

Hand in hand as we wander along, What should we doubt of the years that roll?

Heart of my heart, we can not die! Love triumphant in flower, and tree,

Every life that laughs at the sky Tells us nothing can cease to be;

One, we are one with a song to-day, One with the clover that scents the world,

One with the Unknown, far away, One with the stars, when earth grows old.

Heart of my heart, we are one with the wind, One with the clouds that are whirled o'er the sea,

One in many, O broken and blind, One as the waves are at one with the sea!

Ay! when life seems scattered apart, Darkens, ends as a tale that is told  
One, we are one, O heart of my heart  
One, still one, while the world grows old.

## Abilene Lady Honored With Party

One of the most astute surprises known here in some time was the surprise birthday party given Friday by Mrs. G. T. Hardberger honoring a charming Abilene lady, Mrs. J. E. McPherson.

Mrs. McPherson, accompanied by her daughter Mrs. Boyd King and her grandson, Billie Edgar King, motor-ed to Knox City on Friday May 27th for a visit with her sister, Mrs. Hardberger. Mrs. McPherson found the Hardberger home a bower of cut flowers and was greeted by a host of old and new friends who cheered her with the melody "Happy Birthday to You". Mrs. McPherson's surprise was immense but her pleasure genuine.

After a few minutes of happy excitement the honoree was greeted with a toast by Mrs. C. J. Reese who spoke as representative of the older friends of Mrs. McPherson. A second toast was given by Mrs. C. B. Stovall new friend of Mrs. McPherson and a climax of true love was reached in the rendering "The End of a Perfect Day" by Mrs. Roy Smith and Miss Mary Reeder.

The happy tension of the hour was broken by a loud rap at the door and the entering of a peddler. Upon showing here "wares" the peddler proved to be a friend, Mrs. Victor Pyeatt, presenting to Mrs. McPherson an array of dainty, useful gifts. But in the meantime little Billie Edgar King had stolen into the pantry and emerged from the same wagging two large birthday cakes for his grandmother. The cakes, hand decorated, were presented by Mrs. J. W. Smith and Miss Mary Reeder.

Refreshments of carmal ice cream and prune cake were served, plate favors being miniature corsages.

Mrs. Sammie Carpenter of Hart Texas and Mrs. H. C. Ferguson of Amarillo are here for the summer with their parents, Mr. and Mrs. S. L. Favor. S. L. says the girls are here for as long as the chickens last.

Mrs. Holt Mosley and Mrs. Lee Smith entertained the Bridge Club Tuesday afternoon. Following the games the four tables of player enjoyed refreshments of chicken salad sandwiches, frozen fruit salad, individual pie and iced tea.

Miss Mae Birdwell of Mankins was here the first of the week with her sister, Miss Dixie Birdwell. Mae returned home with Miss Lucille Williams, sister of Mrs. M. D. Metts, of Crosbyton who spent the first of the week with Mrs. Metts.

Virgil Stephens and Homer Stephen arrived home Wednesday from Rosewell New Mexico. They were accompanied by Mr. Evert Stanley who will spend the week here. Mr. Stanley is a teacher in the Dexter school in New Mexico.

## When TEETHING makes HIM FUSSY

One of the most important things you can do to make a teething baby comfortable is to see that little bowels do their work of carrying off waste matter promptly and regularly. For this nothing is better than Castoria, a pure vegetable preparation specially made for babies and children. Castoria acts so gently you can give it to young infants to relieve colic. Yet it is always effective, for older children, too. Remember, Castoria contains no harsh drugs, no narcotics—is absolutely harmless. When your baby is fretful with teething or a food upset, give a cleansing dose of Castoria. Be sure you get genuine Castoria with the name:

## Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels.

When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement.

The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary!

Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

Deep in Oklahoma lie the producing sands of the Cambrian and Ordovician Ages—in some places more than a mile below the surface. Out of these sands Sinclair takes the rich Cambro-Ordovician crude oil which it refines and blends into Sinclair Opaline Motor Oil—a product of 80 million years of Nature's mellowing and filtering treatment. In process of manufacture Sinclair Opaline is de-waxed and freed from petroleum jelly at as low as 60° F. below zero. Try a crankcaseful of Opaline—note how it lasts in the heat of hard driving.
