

Pay Your Poll Tax Before Feb. 1

BLACK & WHITE GROCERY SOLD TO RULE GROCER

T. E. Sollock of Rule closed a deal last Saturday for the Black and White Grocery, owned by J. R. Alexander of Olney and managed by Lynn Waldrip. This grocery was established about two years ago and was in charge of Harry Garrison until about six months ago, when Waldrip assumed the management. Mr. Sollock is owner of a grocery store and market in Rule and has been in business there for a number of years.

This store will be managed by Mr. Hayden Fortenberry of Rule who is well known to the people of Knox City, having been reared here. Mr. Fortenberry has already moved his family to Knox City. The firm has a half page ad in the Herald today and have some real hot prices. They ask the buying public to read the ad, and will solicit a portion of the business in this trade territory.

Mr. Waldrip has not yet announced his plans, but will probably remain in Knox City.

BONDHOLDERS MUST BE PAID

Power of the federal government to force payment of municipal bonds to bondholders has been illustrated at Brownsville, according to press reports from Houston where Federal Judge T. M. Kennerly ruled that holders of "about \$1,500,000 bonds of the City of Brownsville, for which the city budget makes no provisions are entitled to relief."

Included in Brownsville's outstanding indebtedness is \$742,000 due on a municipal light plant, says the latest issue of the Texas Bond Reporter. Judge Kennerly requested attorneys for a bondholders committee to confer with R. A. Dunderberg, Brownsville city attorney, on a decree which would be satisfactory to both sides.

The City of Brownsville set aside this year \$1.62 of its \$2.50 tax rate for operating expenses, and only 88 cents for serving bonds.

Dunderberg told the court that servicing of all outstanding bond and warrant debts of the city would require a tax rate of \$2.55, or five cents more than the constitutional limit.

T. E. Elcock, chief attorney for the bondholders, said he thought more than 88 cents of the total rate should be applied to bonds. It was on this question that the judge requested attorneys to reach an agreement.

In addition to having the maximum tax rate allowed under the laws of Texas, the 1938 report of the Federal Power Commission shows that the highest electric rate for towns in its population bracket (10,000 to 50,000) in the state. The City of Brownsville operates both light and water systems without competition.

TOURNAMENT AT O'BRIEN

We have been requested to announce that there will be a Junior Boys Basketball Tournament in O'Brien Friday and Saturday, February 3 and 4. Play will start promptly at 6:30 p. m. Friday.

Trophies will be awarded to winners of each division.

E. O. Jamison was transacting business in Abilene Tuesday.

ATTEND FUNERAL IN SEYMOUR

Mrs. George Stubbs and daughter, Georgia Mae, attended the funeral services of their cousin, Mrs. Maggie Robertson, in Seymour Tuesday afternoon.

Mrs. Robertson had been in ill health for some time, having spent several weeks in the Knox County Hospital. She had made friends of many people in this community. She was 74 years of age and had resided on a ranch south of Seymour since 1887. Mr. Robertson died 30 years ago.

Others from Knox City who attended the funeral were Mr. and Mrs. O. W. Causey, Dr. and Mrs. T. S. Edwards and Mrs. Ansel Waldrip.

TEXAS MUSIC EDUCATORS TO MEET IN HOUSTON

Approximately 2,500 Texas music students and directors will be in Houston on February 2, 3 and 4 for the annual convention and clinics of the Texas Music Educators Association.

The three divisions of the association—band, orchestra and choral—will hold three-day "short course" clinics through which both pupils and directors will benefit from discussions by nationally known conductors.

The conductors will include: Band clinic, Raymond Dvorsak, band director at the University of Wisconsin, and Gerald Prescott, director of bands at the University of Minnesota; orchestra clinic, Henry Sopkin of the American Conservatory of Music, Chicago; choral conductor, Noble Cain, choral director of the National Broadcasting Company, Chicago.

Two 90-piece bands, made up of outstanding school musicians of the state, will give demonstration work at the band clinic. Selection is in charge of C. R. Hackney of the Sam Houston State Teachers College, Huntsville. A joint concert by the bands will be given Friday night, Feb. 3. On the following night, a joint concert by the all-state chorus and all-state orchestra will be presented. Radio programs will be broadcast throughout the course of the convention.

A 90-piece all-state orchestra will do demonstration work for the orchestra clinic. Selection of players is in charge of W. Gibson Walters of the Texas College for Women, Denton. A 200-piece all-state choir for demonstration in the choral clinic will be chosen by Robert Hopkins of Baylor University.

BIG DANCE AT MUNDAY

We have been requested to announce that the annual President's Birthday Ball will be held Monday night in the Grammar School building in Munday. Arrangements have been made to entertain all who care to attend. Various games may be indulged in by those who do not desire to dance. The management urges all people, regardless of age, to come and enjoy the occasion. The proceeds will be given to sufferers of infantile paralysis. There will also be a big dance staged at Benjamin Saturday night.

Druggist T. P. Frizzell and Roy Baker were transacting business in Abilene Tuesday.

DON'T BE DISFRANCHISED

Make up your mind now to pay your poll tax before January 1 if you expect to vote this year. There are several important elections coming up this year and you will regret it if you are not armed with a poll tax. The constitutional amendments, and there will be several of them, are coming up and you will want to vote on them. The old age pension amendment is sure to be submitted to the voters and we would suggest now that you qualify as a voter before it is too late. February 1 is the deadline.

NEW GROCERY STORE OPENED HERE MONDAY

SISTER SHIP OF LINDBERGH PLANE IS FLOWN AGAIN

One of the most difficult tasks facing property men working on "Men With Wings" was to find a duplicate of the famous "Spirit of St. Louis," in which Charles A. Lindbergh made his non-stop flight from New York to Paris in 1927.

Officials of Washington's Smithsonian Museum, where Lindy's plane has been reposing these last ten years, were unwilling to risk lending it to a film crew, and so William A. Wellman, producer and director of the Technicolor aviation epic, coming Tuesday and Wednesday, Jan. 31 and Feb. 1, to the Roxy Theatre in Munday, Texas, started a nationwide search to find a "sister ship" of the "Spirit."

After combing the country, studio research men found just the plane they wanted in an old hangar at Glendale, California. An authentic Ryan J-2, it was then marked with Lindy's famous symbol, "NX 211" and piloted through the air by one of California's leading aviators, Paul Mantz, technical advisor to the late Amelia Earhart.

The sequence in "Men With Wings" in which the "Spirit of St. Louis" appears reconstructs the start of the race from New York to Paris for the Orteig prize of \$25,000. Fred MacMurray, the ace in the picture, enters the race.

BRIDAL SHOWER

On Thursday, January 19, Mrs. W. R. Hertel of Benjamin was hostess at a lovely bridal shower honoring Miss Lillian Rae Hudson, popular bride-elect, whose wedding will be an event of January 31.

Games provided entertainment for the guests, who remembered the honoree with an attractive assortment of gifts.

Refreshments consisting of sandwiches, cake and coffee were served to the following:

Mmes. Joe Clark, Joe Hudson, White Hudson, Ike Hudson Jr., Ike Hudson Sr., Odie Claburn, Bob Burton, Buster Redwine, Harvey Duke, J. Hertel, C. J. Hertel, Theo Hertel, William Hertel, Walter Jungman, J. A. Hertel, T. B. Hertel, W. E. Brown and C. E. Hull, and Misses Edna Hudson, Nell Nix, Rose Ann Kreitz, Theresa Jungman, Pauline Homer, Helen Homer, Martha Brown, Rose Brown and Lillian Verhalen.

C. A. Hull, who lives five miles east of town, was greeting friends on the street Tuesday for the first time in several weeks. Mr. Hull has been suffering from arthritis for the past three months and is still taking treatments, although much improved.

BARBER SHOP OPENS

Helen Ruth Marr had as her guests Saturday the following out-of-town young folks: Buford Bush, Rochester; Armitte Benton, Yates Benton, Curtis Kelly and M. D. Fulbright of Sagerton; Fred Barr, Milton Yarborthy and Dorothy Johnson of Rule.

Mr. and Mrs. W. L. Garner spent the week end with their sons, B. E. and C. C. Garner and families in Ranger. They also visited friends in Strawn and Mineral Wells.

You will find a page ad in this issue of the Herald announcing the opening of the Jamison-Clonts grocery store. This firm has been in business in Knox County for more than sixteen years and have friends in all sections of this trade territory. Read the announcement and call around and visit with them regardless of whether you buy or not. They are always glad to see their old customers and friends.

HOSPITAL NOTES

Patients in the Knox County Hospital this week are: Tom Baker, Munday; Miss Lura Waddington, Munday; Zelma Hooper (Col.) Munday; W. P. Caudle, Sagerton; Mrs. Jack Idol, Benjamin; Emma Lee Dixon (Col.) Haskell; Mrs. Ona Tidwell, Goree; Mrs. Jno. Bates and baby, Goree.

Patients dismissed from the hospital since last week were:

Mrs. Vesta Jacobs, Benjamin; Mrs. Lillian Broach, Munday; Alva Bivins, Benjamin; Baby Laverne Cartwright, Benjamin; Doris Pentecuff, Munday; Charles Hollobough, Vera; Baby Gerald Reynolds, Munday; Mrs. W. B. Miller, Rule; Frank McAuley, Knox City; Mrs. Francis Apple, Knox City; Mrs. Rueben Crenshaw and baby, Benjamin.

Births:
Born to Mr. and Mrs. Rueben Crenshaw, Benjamin, a son, January 24.

Born to Mr. and Mrs. John Bates, Goree, a son, Jan. 26.

SAVED MONEY BY READING THE ADS

A lady called at our office last week and subscribed for the Herald for one year. She had not been taking the Herald for some time and was given one by her neighbor. She informed us that after reading the ads last week she saved \$2.19 on a fourteen dollar grocery bill.

This is more evidence that the housekeepers are cooperating with the breadwinners in reducing expenses. If a person will read the ads each week for specials they will probably save in one week enough money to pay for the paper one year. In this day and time it is absolutely necessary that a business man keep his name before the public if he expects to keep pace with modern civilization.

The Herald regrets to announce that Holt Mosley and wife will soon move to Melrose, N. M., where they will enter the tailoring business. Holt owns a good farm there and desires to be near his property.

Big Ed Bateman of the B-Bar Ranch was here Saturday and ordered the Star Telegram and Knox County Herald mailed to his daughter in Vernon.

The C. W. A. meets this 5th Sunday at the Central Christian church. Every member of the Missionary Society is urged to be present.

ATTEND LIONS MEETING

Rev. C. E. Cogswell, Heavy Karr and G. E. Steen attended the district meeting of the Lions International at Roscoe Tuesday night.

White Hudson spent Sunday in Littlefield with friends.

SO SAY WE ALL

BAPTIST CHURCH TO BE DEDICATED HERE SUNDAY

On Sunday, Jan. 29, the First Baptist Church of Knox City will dedicate its building. It was built in 1924 during the pastorate of Rev. Woodie Smith of Fort Worth, who will preach the dedication sermon.

Since the erection of this building the following ministers have been pastors: Rev. Smith, Rev. Joe S. English, Rev. C. B. Stovall, Rev. W. D. Green and Rev. H. E. East, present pastor.

Everyone is invited to come and bring a well filled basket and enjoy a great day of songs, preaching and fellowship.

The following program will be carried out as nearly as possible:

- 9:45—Sunday School.
- 10:15—Devotional, Mrs. J. J. Justiss.
- 10:25—Welcome Address, C. C. Hoge.
- 10:35—Response, T. E. Robbins.
- 10:45—Special Music.
- 10:50—Church History, Joe S. Smith.
- 11:05—Framing of Church Note.
- 11:15—Congregational Singing and Special Music.
- 11:30—Dedication Sermon, Rev. Woodie Smith.
- 12:00—Basket Dinner.
- 1:30—Song and Praise, Press Hitchcock.
- 1:40—Devotional, Rev. C. E. Dick.
- 1:55—Special Music.
- 2:00—Sermon, Rev. Claude Stovall.
- 2:25—Special Music.
- 2:30—Sermon, Rev. Charles Powell.
- Adjourn Afternoon Session
- 6:30—Sing Song, Press Hitchcock.
- 6:45—Bible Lesson, Rev. Joe English.
- 7:20—Young Peoples Program
- 7:45—Sermon, Rev. W. D. Green.

CONNALLY ASKS FOR SURPLUS COTTON FOR MATTRESSES FOR WPH

Washington, D. C., Jan. 24.—United States Senator Tom Connally of Texas gave immediate attention to his arrival in Washington for the opening of Congress to a plan for resolution of the cotton surplus.

"The accumulation of the cotton surplus on account of government loans is a colossal load that is keeping down the price of cotton," Senator Connally asserted, adding: "The surplus must be reduced. The government now has on hand more than eleven million bales of cotton and by August will possibly have two additional million bales."

Continuing, Senator Connally said:

"I propose that the government turn over to the Community Credit Corporation and the WPA three million bales of surplus cotton with directions that the same shall be manufactured into cotton mattresses and other cotton articles for home consumption and be distributed to families on relief and to indigent persons who make a showing as to need for same."

Stressing this feature of the plan, Senator Connally observed:

"Many persons who spend their lives raising cotton are in need of many simple home necessities, which could be supplied by the utilization of surplus cotton. Of course, the WPA or other distributing agent would establish a standard as to applicants who may be worthy so as not to disturb the market supplied by manufacturers and dealers. To give a mattress to one who is not able to purchase one would not in any wise interfere with such market. The tremendous cotton surplus must be reduced. The government already has on hand this cotton for which it has paid. We are spending many hundreds of millions for relief purpose. Why not spend some of this cotton and serve the noble purpose of affording relief and also reduce the cotton surplus."

"The surplus must be reduced if we are to have any success with the cotton program," Connally concluded.

Senator Connally's action is based on information and advice received from many people while spending the last several months in Texas giving attention to various problems coming before Congress with especial reference to agriculture. He travelled over 14,000 miles, going into every section of the state and contacting thousands of people in an effort to be of aid.

I GIVE YOU TEXAS . . .
By Boyce House

In Austin for the inauguration but unable to obtain a room in the crowded hotels, this observer was given shelter by Tom King, the genial State Auditor. We grew up in Tennessee and therefore enjoyed a talk about scenes and characters in Memphis on the bank of the rolling Mississippi—as we sat before the crackling flames of the big fireplace in King's cabin in the hills in the edge of the capital city.

In the fading light of day one could glimpse through the branches of the trees, green even in January, the silver of Lake Austin. Amid the quiet of the primeval forest, I sank to sleep to the lullaby of wind, fragrant with cedar and laurel. Next morning the song of a lark was the "alarm clock" that awakened me.

When the price of eggs dropped a dime a dozen in Austin some two weeks ago, it was explained that farmers had been saving up the eggs and were marketing them to pay their expenses to the inauguration.

There has been talk heard in the hotel lobbies of Austin that the new Governor would not serve two years. Such talk was heard months before he took office. Probably some of the listeners in the throng of fifty thousand were reminded of this rumor when outgoing Lieutenant Governor Walter Woodul declared:

"Coke Stevenson will make a great Lieutenant Governor. He would make a great Governor

if anything happened to W. Lee O'Daniel"—and then he added hastily, "which God forbid."

One outgoing official was praised so highly that a friend of mine said he was reminded of the story of the village pot who died. The preacher had just moved to the town and, knowing nothing of the man's life, described him as a devoted father, a noble husband and an outstanding citizen. Finally, the widow nudged the oldest daughter and said:

"Sally, go up there and look in the coffin; they're burying the wrong man!"

Some philosopher has said, "Even a fish wouldn't get in trouble, if he kept his mouth shut."

If it takes a clock eight seconds to strike 8 o'clock, how long does it take to strike 12 o'clock? The answer is 12 5/7 seconds. See if you can figure out why. (Somebody had to tell me. It's good practice before starting to work out your income tax report.)

Mark Twain's best known observation was, "Everybody talks about the weather but nobody does anything about it." Similarly, everybody talks about economy in government—but at last, here is somebody who does something about it. Dynamic Jerry Sadler has been in office only a few weeks but the new State Railroad Commissioner (with the co-operation of Chairman Lon A. Smith and with Ernest O. Thompson concurring) has taken the first real economy move in the memory of the oldest inhabitant—the abolition of 70 jobs. These are not to be filled; they are being done away with, with a saving to the taxpayers of around \$150,000 a year.

In doing this, there was the risk of antagonizing some members of the legislature who might have constituents in these places and there was the danger of displeasing groups who were anxious to retain a government bureau in their respective towns but if the cost of government is going to be lowered, somebody has to start it. Let's hope that other departments will follow the example set by the Railroad Commission since Jerry Sadler became a member.

Entry in our "oldest joke" contest: A man telephoned his lawyer about a matter. "They can't put you in jail for that."

Knox City Hatchery

PORTER LOWERY, Manager

Television At N. Y. World's Fair

Model of building where television will be introduced to the public at the New York World's Fair 1939.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The art of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's, sold at all drug stores.

DOAN'S PILLS

RESPONDING to the rapidly mounting interest in the advent of public television, which is expected to coincide with the opening April 30 of the New York World's Fair 1939, the Radio Corporation of America has announced a decision to almost completely revise its exhibition plans at the Fair in order to increase the scope and effectiveness of the television presentation.

Original plans for the RCA exhibit building at the Fair, drawn up more than a year ago, provided six ground-floor rooms where television was to be viewed under conditions simulating those of the home. Because these accommodations are now looked upon as inadequate, it has been decided to redesign the ground floor arrangement to greatly enhance the utility of the available space. With architects working in collaboration with radio engineers, a style of television presentation wholly different from and far more comprehensive than the one at first contemplated is expected to evolve.

While detailed information about the new plans will not be available for several weeks, it is known now that two of the original viewing rooms will be retained for the purpose of presenting the Television Living Room of Today and the Radio Living Room of Tomorrow. The television living room will feature the type of home furnishing in common use today, but centering around a television receiver of the kind that will be available this Spring. The Radio Living Room of Tomorrow, decorated with the most advanced styles in modern furniture, will present in one cabinet means for receiving sound broadcasting, television, facsimile broadcasting, and for phonographic recording and phonographic record playing. This idea is from five to ten years in advance of present-day practicalities.

The RCA exhibit building, which has just been completed, is shaped like a huge radio tube affixed to a base and the whole lying on its side. Surrounding three sides of the building are beautifully landscaped gardens, where mobile television units, a motor yacht equipped with radio devices for communication and safety at sea, and a 250-foot radio antenna tower will be exhibited.

NEW RECIPES DEMONSTRATED

At World's Poultry Congress

Demonstrations and lectures on how to best use poultry products successfully in the diet will be stressed at The World's Poultry Congress, Cleveland, July 28 to August 7, 1939. Although it may be news to some people, the egg is almost a perfect food. How to use it best will be carefully brought out. The proper preparation and serving of poultry meats of all kinds will be another feature of the Congress program. Everyone who attends will have the opportunity to secure new recipes and will see these recipes demonstrated. There will be something for everyone at the Congress including the housewife.

THE HERALD SNAPSHOTS

A Free Man Again—The bitter cup of 22 years in San Quentin prison becomes sweeter as Tom Mooney once again sips his morning coffee in luxurious leisure. He is shown here with his lawyer, George T. Davis, reading some of the thousands of congratulatory messages.

Beauty and Her Best—Judith Barrett, the Venus from Venus, Tex., and her wire-haired terrier, Poi, are inseparable companions. Even when she goes swimming, the dog takes a dip too.

Pleasure rides are doubly pleasurable when the car you ride in is a new Buick "Special" and has been awarded to you because you completed a simple sentence satisfactorily. There will be sixty winners of cars in the new series of Ivory Soap contests being held from January 22, 1939 to March 4, 1939. Nice going, especially since 1,000 gallons of gasoline are provided with each car. There are cash prizes too—600 of them of \$10 each.

One of Hollywood's Chosen—Sheila Darcy, of York, Pa., who was chosen by Hollywood as one of its ten leading beauties.

Headed for Ski Trails—Paris—For the young lady who likes winter sports, this all-knit ski costume in brown and white is ideal.

Radio Veteran's Success Story—Radio personalities come and go and are soon forgotten, but the Voice of Experience's amazingly consistent growth in popularity continues to astonish the radio fraternity. It was over one station that the Voice took to the airways in 1922, now heard over 87 stations, he will soon be heard over one hundred stations in the U.S. and Canada, the largest network to ever carry a program of this kind. A tribute indeed to one of radio's best-known veterans of the crystal set days . . . remember?

Questions and Answers on O'Daniel's Transaction Tax Bill

Austin, Jan. 19.—Of what did W. Lee O'Daniel's plan to pay pensions consist?

A. Of a constitutional amendment proposed for submission to a vote of the people June 3, 1939, and a bill which would make provisions of the amendment effective, if adopted by a majority vote.

Q. Did O'Daniel ask the legislature to provide \$30 pensions for everybody over 65?

A. No.

Q. For whom did he ask pensions?

A. For those in need.

Q. What is his definition of need?

A. A person who does not have an income of \$30 a month from the combined sources of his own labor, personal property and real property is in need.

Q. How much money does he propose to pay those in need?

A. Enough from state and federal funds to bring their income up to \$30 per month.

Q. Where did he suggest that the Legislature get the money?

A. From a transaction tax.

Q. What is a transaction tax?

A. It is a tax on any commercial deal.

Q. What is included?

A. Any sale of real estate, food, clothing, supplies, lumber goods, or any commercial service.

Q. What is exempt?

A. Salaries, professional fees first sale on farm and ranch products, street car fares up to 10 cents and street sales of newspapers.

Q. What is the rate of the tax?

A. It is 1.6 per cent of the value of the transaction.

Q. Could the same article be taxed several times?

A. Yes.

Q. What is an example?

A. A rancher sells a cow to a jobber. That transaction is

exempt. The jobber sells to a butcher. A transaction tax is due on the sale. The butcher sells the hide to a jobber. Another transaction tax is due. The jobber sells to a tanner. Another transaction tax. The tanner manufactures the hide into shoes and sells them to a wholesaler. Another transaction tax. The wholesaler sells to a retailer. Another transaction tax. The retailer sells to a customer. Another transaction tax.

Q. What is the difference between a sales tax and a transaction tax?

A. The transaction tax is much broader. A sales tax is a tax on one transaction, usually final sale of goods. A transaction tax includes all sales.

Q. Are natural resource sales included?

A. They are.

Q. Is the 1.6 per cent transaction tax in addition to the present 2 3-4 per cent oil tax?

A. It is.

Q. Is rent included?

A. It is.

Q. Will there be tokens such as are used in states that have a sales tax?

A. Yes.

Q. How else will the state's signify payment of the tax?

A. By printing stamps, which must be attached to every deed filed for record.

Q. What would be the denomination of tokens?

A. Sixteenth-hundredths of a cent.

Q. How big a transaction will that take care of?

A. A transaction involving 10 cents.

Q. What if I buy a nickel cup of coffee?

A. You'll just have to pay sixteenth-hundredths of a cent anyhow. It's the smallest token provided for.

Q. How much money would be raised by the tax?

A. Mr. O'Daniel estimates it will raise 45,000,000.

Q. Would all the money be applied to the old age pension?

A. No.

Q. How would it be divided?

A. Between old age pensioners, Confederate pensioners, teachers retirement fund and fund for destitute children.

Q. Where do the needy blind come in?

A. They would have to be aided from general funds.

Q. Would the transaction tax replace any other tax?

A. Yes. It would replace the late ad valorem tax on real estate, which would be abolished.

Q. What would the schools receive to replace their part of the state ad valorem tax?

A. All of the cigaret tax.

Q. Suppose I am over 65 and have an income of \$30 a month. Would I get a pension?

A. No.

Q. Suppose I had an income of \$15 a month. What would I get?

A. Enough to make your monthly income \$30, which would be an additional \$15.

Q. Who would administer the pension?

A. County Judges.

Q. Who would collect the transaction tax?

A. The comptroller.

Q. How would I apply for a pension under the O'Daniel plan?

A. By filing a statement verified by affidavit of four people who know you and will say that you have truthfully filled out the statement.

Q. Suppose I have relatives able to support me. Would that bar me from the pension?

A. No.

Q. Suppose I own a \$5,000 home, but get no revenue from it. Would that bar me?

A. No.

Q. Would the federal gov-

ernment continue to match the state's pension payments?

A. O'Daniel believes it will.

Q. What is the most the state can pay any one person?

A. Fifteen a month from state funds, plus whatever the federal government will add.

Itemized below are surplus commodities disbursed through the Knox County Case Worker for the month of December.

712 persons received commodities in the amounts listed below:

Dried Apples, 350 lbs; Lima Beans, 545 lbs; Butter, 942 lbs; Corn Meal, 810 lbs; Flour, 5435 lbs; Grapefruit Juice, 196 cans; Dry Skim Milk, 54 lbs; Dried Prunes, 562 lbs; Raisins, 562 lbs; Syrup 84 cans.

122 families received clothing. 633 garments were issued.

NOTICE TO BANKING CORPORATIONS

State of Texas, County of Knox.

Notice is hereby given to all banking corporations in Knox County, Texas, that the Commissioner's Court of said County will on the second Monday in February, same being the 13th of said month, receive proposals from any banking corporation of the county aforesaid that may be desired to be selected as a depository of the funds of Knox County, Texas, and also as depository for the trust funds of the District Clerk and the County Clerk of said County and as a depository for the funds of the permanent school funds of said county and the funds of the Common school districts of said county. Said proposals shall be delivered to the County Judge of Knox County at his office in Benjamin, Texas on or before 10 o'clock A. M. on the 13th day of February, 1939. Said proposals shall be for the term from the time of such bid till the selection of a depository on the second Monday in February 1941.

Each bid shall be accompanied by a certified check payable to the County Judge of Knox County, Texas in the sum of \$1,000.00 the same being not less than one half of one per cent of the county revenue of the preceding year as a guarantee of good faith on the part of the bidder, and that if his bid shall be accepted said banking corporation will enter into and give the required bond. Upon the failure of the banking corporation that may be selected as such depository to give the required bond the amount of said certified check shall go to the county as liquidated damages.

This notice is given in compliance with Chapter Two, Article 2544, Revised Civil Statutes of Texas.

E. L. Covey, County Judge, Knox County, Texas

Mr. and Mrs. Ed Weeks returned to their home in Canyon Sunday after a visit of a few days here with Mrs. Weeks' sister, Mrs. Howard Griffith, and family.

Formerly Gard of Strawn was here on business Tuesday and Wednesday and called at the Herald office.

Star Theatre's Comedy
Find of the Year

Rightly enough, radio stars are probably the most real people in the entire entertainment world. Of course, when it comes right down to it, scratch almost any celebrity and you'll find "real folks" underneath, but radio stars seem to have kept their sense of balance exceedingly well. Most of them, because of the nature of their work, have stuck pretty much to the microphone and real homes.

Speaking of the real folks touch, Barbara Luddy, diminutive leading lady of those popular First Nighter dramas, plays a host of sophisticated roles, has appeared on the stage from San Francisco to New Zealand and is a veteran of the silver screen—but her spare time is spent making hooked rugs at home.

Another believer in the simple life is glamorous Betty Winkler, star of Girl Alone, who actually spends her spare time crocheting since friend Gale Page brought the new fad back from Hollywood.

Jack Smart, pertly comic on the Bob Hope program, was explaining to your interviewer the reason for his rotund figure. "I got that way," said Smart, "because of my daily doesn't."

You might not guess it from his sophisticated background, but Paul Whiteman's secret passion is cow-boy outfits and he'll go "western" on the slightest excuse.

Albert Phillips
Musical Comedy

Albert Phillips, Dr. Gramby of the Big Sister air-dramas, is drawing rave notices for his creation of the role of Stephen Douglas in the stage show, "Abe Lincoln in Illinois."

Shortest audition on record is that of Joan Tompkins, who won her role in Your Family and Mine after reading two lines.

Like Orson Welles, John Hench, juvenile lead of Those Happy Gilman, was educated in Illinois but went to the British Isles to break into the theatre. His brashness won him a place with the famous Birmingham repertory company and his talent kept him there until he returned to this country and radio.

Which reminds us that Ray Noble, whose swell arrangements preceded him to the country when he was one of England's favorite handmen, is one of the few foreign dance band men to become just as popular here. In turn, Ray likes us so well he decided to remain and become an American citizen. You hear him with Burns and Allen as both conductor and stooge.

NOTICE

We are moving our Tailor Shop from Knox City. Saturday, Jan. 28th. will be the last day we will be open for business.

We will appreciate it if our customers will get their clothes by said date and see about accounts.

Thanks for your patronage

THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

Overcoming nervousness can make you old and hardworking looking, weary and hard to live with—without being you. You wake nights and rob you of good health, good friends and fun.

What you may need is a particularly good woman's tonic—and could you ask for anything whose benefits are better proved than James Lloyd B. Phillips' "Feminine Compound"? Let the whole world know and more help nature build up more physical resistance and thus help you to resist nervousness, give more energy and make life worth living again.

More than a million women have reported benefits—why not let Phillips' Compound help YOU, too, to get "smiling" again? Try it for 10 to 15 other "nerve" symptoms. For the tonic it gives—don't IT MUST BE GOOD!

LATE NEWS FROM COUNTY CAPITOL

BY REGULAR CORRESPONDENT

Mr. and Mrs. Lee Coffman were in Murray Tuesday evening.

J. L. Graham and daughter, wife of F. J. Graham, were celebrating birthday in the court house last Thursday.

Seymour visited in Bowie Sunday.

Judge Covey and three of the county commissioners, George Solomon, Ed Jones and G. L. Patterson, went to Austin Tuesday on county business, returning home Thursday.

ANNIVERSARY DINNER

Dr. and Mrs. G. H. Beavers gave a six o'clock dinner Monday evening in honor of their forty-third wedding anniversary.

The table was beautifully laid and everything that makes a turkey dinner complete was served.

Dr. and Mrs. Beavers were among the first citizens here when the country was new, and many are the acts of kindness they have done for the people of this country.

Those present for the occasion were Mr. and Mrs. C. H. Burnett, Mr. and Mrs. Clyde Gibson, Mr. and Mrs. Walter

Rice, and Mrs. D. J. Brookerson. Wishes were extended for many more years of wedded life.

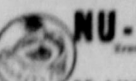

Prostate Sufferers

Dr. W. H. Smith, a new invention which enables any man to manage his Prostate Gland in the privacy of his home. It often brings relief with the first treatment and most help or it costs you nothing. No Drugs or Medicines.

Free Booklet Explains Trial Offer With MIDWEST PRODUCTS CO. 8-1911, Kalamazoo, Mich.

NU-PLATE

RE-LINING LOOSE FALSE TEETH PLATES

Your plate then holds because it fits! No more messy plate powder. Few minutes to apply. One application lasts for weeks without changing, and each package contains enough NU-PLATE for ten months of plate comfort, because it fits the mouth—and stays put. A hard material and long on your old plate.

Send One Dollar (check or M.O.) to Farhan's Nu-Plate Dental Co., Inc. 21 Federal St. Stamford, Conn.

Lloyd Waldrip of Rotan was here Tuesday on business and visiting his parents.

"FINGERPRINTS"

The play "Fingerprints" is to be presented by the Senior class on January 27.

The play is a three act comedy. Ned Thornadyke and Jimmy Lee are owners of the Thornadyke ranch. Ned's sister, Amelia, comes to spend her vacation on the ranch and brings with her the rich and elegant Whitney family. Roger Whitney has heard rumors of rich oil deposits and has made up his mind to buy the place. He falls in love with Ned's daughter, Pamina. He suddenly disappears, leaving them to think he has committed suicide, but reappears just as suddenly when he discovers Roger about to kiss Pamina. The Whitney's pay an enormous price for the ranch only to find that the oil rumor was false.

The price of admission will be 15 and 25 cents. The Seniors cordially invite everyone to come.

ASSEMBLY PROGRAM

The Seniors sponsored the assembly program last Friday morning. The program consisted of songs by a group of Senior girls and a talk on "Ambition" by Judge E. L. Covey.

The entire school enjoyed the talk immensely, because Mr. Covey made us realize the value of our ambitions for the future. We invite Mr. Covey to return again for another program in the near future.

JUNIOR REPORT

"Memorize this by tomorrow." "Everyone in class must know that by Friday." "Know your declinations, your spelling words, the countries that

claimed Oregon at the beginning of the 19th century, Lincoln's Gettysburg Address, and the types of bacteria."

The teachers seem to think there is no limit to our mental capacity. How can they think we can accumulate so much knowledge in one week, plus the regular mischief?

Since the excitement of the mid-term exhibits is dying down, the Junior boys and girls in American History class are preparing several interesting projects for demonstration at the next exhibit.

SOPHOMORE NOTES

The Sophomores are heaving great sighs of relief. Mid-term exams are over and so is the mid-term exhibit, which means the school year is half over.

The Sophomores did their best work, and many Sophomore notebooks and projects were on exhibit.

Our study in English has changed this second semester from Literature to Grammar, much to the disgust of the class.

SCHOOL EXHIBIT

Last Friday afternoon the halls of the schoolhouse were flooded with the work of the students. The exhibit showed the fine quality of work that the students are doing. Each class had an exhibit, each of which showed excellent scholarship, but the exhibit that was of surprising quality to most of the visitors was the Sophomore Literature department. In the center of the exhibit was a small guillotine that had been made by members of the class when "A Tale of Two Cities" was being studied.

ment was between Sunset and Swenson. The game was fast and kept the fans on the edge of their seats. At the half the score stood 6-5 in Swenson's favor. Finally the Sunset boys started flinging the goal and the game ended with Sunset 23 and Swenson 17. Immediately after the final game, medals and trophies were awarded. The first medal went to J. E. Roesa of O'Brien for having made 19 out of 24 free pitches. Second, Melvin Dutton of Knox City received a medal for making 17 out of 25 free pitches.

Monday morning the Junior and Senior girls in the Home Economics II class organized a "Future Homemakers Club." The following officers were elected: Margaret Hardie, President; Hallie Phine Clark, Vice President; Virginia Parkhill, Secretary and Treasurer; La Verne Bumpas, Parliamentarian; and Juanita Hunter, Reporter. After the president was elected, Miss Gray turned the meeting over to her and Margaret chose Dorothy Garrett, Virginia Parkhill and Katie Bell Sweatt for the social com-

LATE NEWS FROM COURT

BY REGULAR CO

Mr. and Mrs. Lee Coffman were in Munday Tuesday evening.

J. L. Graham and daughter Vada of Truscott were transacting business in the court house last Wednesday.

Fire was discovered early Wednesday morning in the Propps Garage, but quick action of the volunteer fire department prevented much damage.

Miss Ruth Pettit of Throckmorton is now helping in the office of the Haskell Telephone Company. She was formerly employed in the office at Throckmorton.

Mrs. Jack Idoi, who has been in the Knox County Hospital for treatment the past week, has improved sufficiently to be brought home.

The small son of Mr. and Mrs. Darr Jackson visited in the home of his grand parents, Mr. and Mrs. Long, in Wichita Falls last week.

Miss Bertha Mae McKinney, who has been employed by the Haskell Telephone Company, is visiting with home folks at Knox City.

Mr. and Mrs. Thomas Hudson are now residents of the home town. Thomas has been employed for the last six years in the State Hospital at Wichita Falls. There he met and married his wife, who was also an employee of the State Hospital. They have an apartment here and we are glad to welcome them home.

Mr. Dal Fowler of Throckmorton was in town Friday on his regular rounds for the mill "Bozo" Melton visited over Sunday in Knox City with his grandmother, Mrs. Andy Gore.

Wayne Dolan of Hico, the nephew of our fellow townsman of the same name, is visiting his uncle at the McFaddin Ranch.

Mr. and Mrs. Clyde Gibson and Johnnie and Mr. and Mrs. W. C. Cunningham were in Wichita Falls Saturday.

L. A. McCandlish of Colorado Springs, Colo., was visiting with Charlie Hamilton Saturday and meeting the ranchers of this locality. Mr. McCandlish buys cattle on northern orders.

Mrs. D. J. Brookerson and Miss Francis Diersing were in Knox City Saturday.

The Senior Sorosis Club is sponsoring a dance Monday night in the Beavers building, in honor of the President's birthday, also on Saturday night a tournament in the assembly room at the court house. Everyone is cordially invited to attend both of these events and enjoy themselves, and in so doing help a wonderful cause. Music will be furnished for the dance by talented musicians.

Mrs. W. C. Cunningham and Mrs. Glen Burnett took the Rhythm Band to Lockett last Friday, where they gave a program in the auditorium. The band was accompanied by 17 of the children's mothers. This little band is doing some good work and it would be of great interest to see them in action Friday night at the Senior play.

Miss Loraine Albright, who is employed in the County Superintendent's office, spent Sunday with her parents in Vera.

Miss Iva Dell McCanlies is in Austin, where she is working as a stenographer in the House of Representatives.

Ben Goode and son of Kim, Colo., visited Saturday with M. T. Chamberlain and many old friends around the court house. The Goodes were formerly of Goree.

Jerry Coltharp, our courteous beautician, visited her parents in Guthrie Sunday.

Mat Verhalen from south of the river was meeting his friends in town Monday.

Mr. and Mrs. Orvel Caphart and family were in Mineral Wells Friday and Saturday. Mr. Caphart is our capable chief deputy sheriff.

Mr. and Mrs. Louie McWilliams have moved to the J. C. Patterson building on the south side of the square.

Mrs. Fred A. non spent several week at the B-l her parents, M Bateman.

SUNSET TOURNAMENT

Thursday night the tournament given by the Eagles in the Sunset gym started in a big way.

There were ten schools represented in this tournament. They were as follows: Knox City, Bomarton, Truscott, Benjamin, Munday, Goree, Seymour, O'Brien, Swenson and Sunset.

Thursday night Bomarton and Truscott were scheduled to play the first game, but due to the fact that Truscott could not be here, the Sunset B team played the Bomarton boys and played a nice game, which ended 35 to 29 in Bomarton's favor.

The second game of the evening was between the Sunset Eagles and the Knox City Greyhounds. Both teams came out on the court full of fighting spirit, but when the play started it seemed that the Sunset Eagles were on and the Greyhounds very badly off. When the final whistle blew the score stood 59 to 16 in the Eagles' favor.

The third and last game of the night was between Munday and Benjamin. The teams were very evenly matched and the game ended 18-17 in favor of Benjamin.

Friday night brought Knox City and Truscott together for the Consolation trophy. The Knox City team showed their best play and were victorious by a large number of scores.

The next game Friday night was between Goree and Seymour. Both teams played nice ball and Goree won by a score of 29 to 26.

The third game was between Bomarton and Sunset. Bomarton held Sunset to a small lead during the first half, but at the end of the game the Eagles led by a score of 41 to 15.

The fourth and last game of Friday night was between O'Brien and Swenson. All during the game the scores remained close and each team played excellent ball. The game ended in a tie. An extra period of time was played and Swenson was winner by a score of 29-27.

Saturday morning brought up the eighth game of the tournament. This game was between the boys from O'Brien and Seymour. The game ended with O'Brien in the lead with a score of 24-23.

There was also another game Saturday morning between the Munday Moguls and the Knox City Greyhounds. These teams were very sincere in their efforts to win consolation. Knox City won this game.

The next game was played Saturday evening by the Goree and Swenson teams. Swenson came out winner by a score of 36 to 29.

The next game was played by Sunset and Benjamin. Sunset won by the score of 29 to 13.

Saturday night brought the final games both in Consolation and the first prize.

The first game was between O'Brien and Knox City in the finals for Consolation. Both of the teams played their best and no one could tell which way the game was going until the final whistle, when O'Brien won by a three point lead. The scores were 28-25.

The last game of the tournament was between Sunset and Swenson. The game was fast and kept the fans on the edge of their seats. At the half the score stood 6-5 in Swenson's favor. Finally the Sunset boys started running the goal and the game ended with Sunset 23 and Swenson 17.

Immediately after the final game, medals and trophies were awarded. The first medal went to J. R. Reeves of O'Brien for having made 19 out of 24 free pitches. Second, Melvin Dutton of Knox City received a medal for making 17 out of 25 free pitches.

Next medals were awarded to the all-tournament team that was selected from the various teams. This team consisted of Kennerner of Swenson, Leflar of Goree, Reeves of O'Brien, Shannon of Sunset and Strickland of Sunset.

The most outstanding man of the tournament also went to Strickland of Sunset.

We, the Senior Basketball boys of Sunset, wish to take this space to express our appreciation for the sportsmanship shown by the visiting teams. We enjoyed having each team here and enjoyed playing each game we played. We invite every team back some time and hope we shall be able to give another tournament next year.

NEWS AMONG THE GRADES

The first grade pupils have finished an igloo and have made some sleds and dogs. They have finished their "Eskimo Book." The children are also thrilled over seeing some Kodak pictures of real Eskimos.

The third grade is enrolling two new pupils this week. They are Elvin Mincey, who comes from O'Brien, and Dorothy Nell Miller of Munday.

The sixth grade pupils are glad that mid-term exams are over, and they are going to work harder next semester. They are glad to have Lorene Nicholson as a pupil and hope she will enjoy working with them.

SOPHOMORES WRITE NEWS ARTICLES

In World History the Sophs have been studying about the explorations of Magellan, De Gama, and Columbus. They have also been writing newspaper articles about these people, pretending that their discoveries have just been made.

SENIORS ON PARADE

Mamie Tankersley has been selected as this week's subject for discussion in the Senior class.

Mamie was born at Alexander City, Ala., on June 7, 1920. She started to school at New Providence, Ala., and stayed in that school until she completed the fifth grade. She next attended the Hackneyville High School where she completed the sixth grade.

The Tankersley family then moved to Texas, where Union Grove was Mamie's next source of knowledge. At Union Grove, she was forced to enter the eighth grade, because the seventh grade was not taught that year. She completed the eighth grade and again moved.

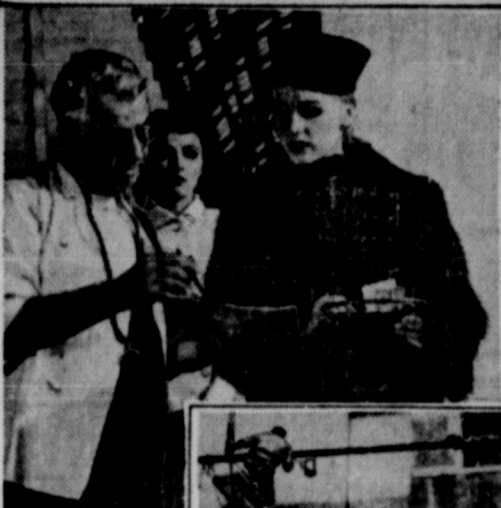

The next school, Sunset, caused Mamie to return to the seventh grade and graduate from grammar school. After this, she came back into high school and has finally advanced to the Senior year. She is planning to take a business course soon after completing her high school work.

Her favorites are: Song, "I Want To Be A Cowboy's Sweetheart"; colors, blue and pink; sport, hiking; subject, Math; movie star, Mickey Rooney.

FUTURE HOMEMAKERS CLUB ORGANIZED

Monday morning the Junior and Senior girls in the Home Economics II class organized a "Future Homemakers Club." The following officers were elected: Margaret Hardin, President; Hallie Phine Clark, Vice President; Virginia Parkhill, Secretary and Treasurer; La Verne Bumpas, Parliamentarian; and Juanita Hunter, Reporter. After the president was elected, Miss Gray turned the meeting over to her and Margaret chose Dorothy Garrett, Virginia Parkhill and Katie Bell Sweet for the social com-

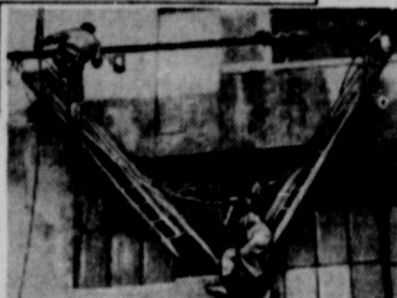

PICTURE HIGHLIGHTS

Group medicine is more expensive than it pretends to be, charges Dr. Morris Fishbein in his reply to Look's Open Letter to the American Medical Association.

"What will become of the refugees?" is one of the world's big problems today. These two little ones have been living in a no-mans-land between Hungary and Czechoslovakia.

Edward S. Graback, amateur photographer, was lucky to catch this scoop shot of a breaking scaffold at a manufacturing plant in South Bend, Ind. The two painters were rescued.

Prizefighting is sport's most vicious racket, charges the current Look magazine, submitting photographs of punchdrunk brains contrasted to normal ones. "For every Joe Louis, there will be 10,000 has-beens paid off in battered bodies and scrambled minds."

This little beauty is one of the girls who model the new season's bathing suits in the current Look Strapless suits are featured heavily.

Before purchasing dresses, women should bend their arms and arch their backs to be sure that material will be loose (but not baggy) under the arms to eliminate strain on seams.

mittee; Louise Gray, Winters Groves and Cieta Jones for the program committee; Juanita Hunter, La Verne Bumpas, and Mary Herring for the finance committee, and Cieta Jones was chosen song leader by acclamation.

The club will meet twice a month and the dues will be paid at each meeting.

PEACE AND CONTENTMENT FOR THE BABY

When sour risings indicate an upset stomach, babies naturally will be cross and sleepless, they will cry because they feel miserable. To restore their sunny disposition, give them McGee's Baby Elixir. It is made of mild ingredients that will soothe the stomach, aid digestion, and help to check simple diarrhea. It tastes good and is a big step toward restful sleep and better food assimilation. Price 35c and 60c a bottle.

Mr. O'Daniel campaigned on two promises to the people. One was to pay every one 65 years old \$30 a month. The other was to bring industries to Texas.

He had a platform of the ten commandments and a slogan of the Golden Rule. Immediately after going into office he offered a triple barreled tax proposition, not to give every person 65 years old \$30 per month, but to make up to \$15 a month and ask the federal government to furnish the other \$15, and the money to go only to those in need.

A person receiving \$16 a month under the present setup would get \$14 a month more, if everything ran to order. A person in need earning a little money would get the difference in what was earned and \$30 per month—provided the federal government kicked in.

The tax will eventually be paid by the working man, tripled and quadrupled in some instances to amount not to 1.6 but to 5 and even 10 per cent. And put on in such a manner as to discourage manufacturers and industries from coming to Texas.

With three or four taxes to be put on a manufactured article before it reaches the consumer what industry would wish to move into Texas to start with a 5 per cent handicap of competition with manufacturers outside the state?

Some concerns might be tempted to move across the state line and use that handicap in the keen competition of today. The thing, the more you think about it, works in ways to be of grave concern.

Suppose a man made a note at the bank for \$100 for ninety days. He must pay the state \$1.60. Every time he renews that note he must pay \$1.60 again. Almost as much as the interest he pays the bank on the transaction. Thousands of parallel cases could be cited.

The thing becomes pyramided. It reminds us of "one grasshopper jumping up on another grasshopper's back" until the back of the bottom grasshopper is broken.

We were reminded that Townsend said give me a 2 per cent transaction tax and I

REGULAR FELLERS

Privilege

By Gene Byrnes

will pay everyone \$2.00 per month. Mr. O'Daniel says give me 1.6 and I will pay you \$15 and ask the federal government to give you \$15 more, provided you are in need and are not making anything by your own efforts. The ramifications of his proposal are almost endless.

The simpler system of sales taxes in other states are mild by way of comparison, and he offers as bait doing away with the ad valorem tax, a mite compared with the proposed transaction tax. And doing away with the ad valorem tax would free insurance companies and a number of concerns outside the state from paying taxes in Texas.

It appears to this corner that the crack flour salesman is about to sell Texas a white elephant.

A sales tax is coming to Texas. That is beginning to be generally admitted. For it is about the only way to get an equal distribution of payment of our way out of the hole we are in.

But why not a simple sales tax? probably because the people have heard so much opposition to it from men like the preceding governor that prejudice has been built up. But this plan appears too complicated, and its possibilities to become a great burden too numerous. We are not hot for the ad valorem tax, but this proposal coming as it does, if we wished to think something mean, we might say that the voice is that of O'Daniel but the hand is that of ——. The matter should be given sober thought before action is taken.

The message of Governor O'Daniel was a disappointment to a great many people of Texas, but one thing can be said to his credit, he did not mince words when he told the legislature what he wanted them to do. Of course it will be impossible for the legislature to pass the proposed transaction tax and it means that if the old age pension is paid there will have to be a sales tax levied on the people. For the past ten years the sales tax bobs up in the legislature and has always been defeated, but now the pension must be paid and as we see it the only way to care for the old people is with a sales tax. This editor has always opposed a sales tax but will be forced to give in as the old people must be cared for. We regret that Governor O'Daniel backed down on his promise to the people as now he only wants to pay those who are in need. This is not in accordance with his campaign promise and this editor served notice on our readers last year that it was impossible to pay all over 65 years of age a pension of \$30 a month.

FOREST SERVICE REPLANTS SHELTERBELT

Wichita Falls, Jan. 18.—275 miles of replanting was completed by the end of the year, reported State Director Webb, as he left for the field recently. Approximately 660,000 cottonwood, Chinese elm, honey and black locust, desert willow, and several other species were used in this planting. Planting began the first week in December and will continue to the end of March. All trees were raised in the government leased nurseries at Plainview and Vornon.

District officers at Vernon, Childress, and Shamrock expressed deep satisfaction over the progress of the work, particularly with the advent of the heavy rains over the past ten days. Whereas prior to the rains all planting was being confined to the lighter sandier soils, it is now possible to plant all soils approved for shelterbelt work. Recent reports from the field indicate that replanting is proceeding at the rate of one to two miles per crew per day.

Although the majority of planting completed to date consists of replanting on belts where portions of last year's planting failed to come through, new planting is also underway. The Forest Service is examining sites for shelterbelt planting as fast as new applications are received. Local concerns, including banks, stores, and newspapers, are receiving applications for shelterbelts to facilitate the work.

The Forest Service will provide and plant the trees as long as the farm owner and tenant will not only promise, but actually cultivate and protect the trees. Cultivation is exceedingly important the first few years of the shelterbelt life, particularly during dry weather. The most successful belts are those which have been adequately cultivated by machine or hand. These belts show the highest survival and greatest growth, and the benefits to be derived from them will come much earlier than those shelterbelts which have received little or no cultivation.

SCHOOL SPIRIT

The year is rapidly rolling away. The students can hardly realize that mid-term is already over. Our exams struck like a whirlwind, swamped us for a minute, and then were gone. Some of us are still dazed. But everyone came out victorious, and we are still pursuing the daily run of events and turning out stellar work in effortless routine fashion. It doesn't seem like school anymore. Instead, we come to look upon school as one of the fountains of knowledge to be drunk from, thus enriching ourselves to the limit with the facts of life.

We have what is termed "School Spirit." All of our lives we have been acquainted with those two words, but they have been more or less a term that we accepted without truly analyzing what they meant. Just what is school spirit? I can only give you a rather poor description of what I think is spirit. It is an inward feeling, something which no one, I believe, can fully describe. A feeling of elation comes from acquiring the modern school spirit. A general rise in spirits, a feeling of wanting to excel in activities of the school are thus derived. Spirit is something that cannot be found or bought. It can be obtained only by putting forth your efforts to bring about the trait desired most in students, achievement. You can not be one of those who sit back and wait for the select few to achieve what needs to be done. Achievement awaits everyone for the taking, but to achieve you must give your all to what you undertake. Of course this does not mean that you must work night and day, bending your body to your chosen task. It only means that you must take interest in your work and make that interest pay with benefit.

It will not be long until the annual county meet begins. It will be then that we will be given the opportunity to show our mettle. For it is then that we will be given the chance to undertake various enterprises and try to excel in them. Every year there are only a few who show a reasonable amount of interest in the respective events in which the county students are brought together to compete both physically and mentally. However, this year will witness a drastic change. Every one will want to compete in the various events that take place, in order to win awards for our school. We are proud of our school and want to uphold it to the utmost. But to do this, we must each and everyone take it upon ourselves to enter some sort of activity in which to excel, and to excel in what we undertake; we must employ every recourse of mental training that we have experienced and utilize them to the greatest advantage. When

we do this, we will heap honor upon our school and thus add to its worth both to us and to the community. Just keep in mind, "In this, what I have undertaken, let me do my utmost to excel, upholding my standards as well as my school's, of which I am a part." Then we can truly say that we have fulfilled our mission.

—Glenn Huntsmar

A SENIOR PERSONALITY

By Geneva Walker

Wynette Farmer

Wynette is the daughter of Mr. and Mrs. B. M. Farmer. She was born January 19, 1922, at Knox City. Wynette has brown eyes, brown hair, weighs one hundred and twenty and is five feet and three inches tall.

Wynette's favorite color is red; her favorite song is "It Makes No Difference Now"; her favorite sport is swimming; her hobby is collecting books; her favorite actor is Spencer Tracy; her favorite actress is Margaret Sullivan; and her favorite saying is "bucket." She dislikes catty remarks more than anything else.

After graduation Wynette plans to attend Texas Tech and study to become a Home Economics teacher.

CARD OF REGRET

It is with our deepest regret that we write and publish this article. It is the fact that Miss Oleta Cole, our Home Economics teacher, is taking leave of the Knox City High School. We wish to take this opportunity to express how much we have enjoyed the close relation and advice Miss Cole has left with us. She is leaving with us this motto: "Education is what we have left after we forget all we have learned." We students of her classes and the many others who do not have her as a teacher, hope that in the near future we will be honored with a visit back to Knox City High School.

Miss Cole leaves Knox City to assume her duties as Home Management Supervisor with headquarters in Littlefield.

SPORTS BY SPUTTERS

Thursday night, Knox City went to play Sunset for the opening game of the Sunset tournament. Never before have the Greyhounds played such a poor game. Sunset outplayed the local team in every respect. The final scores of the game were 59-16.

Knox City next played Truscott and was the winner, 39-15. This put the Greyhounds against O'Brien for Consolation. This game was one of the most exciting games of the tournament. The Greyhounds and the Bulldogs battled up and down the court with neither team ever far in the lead. For a short

THE ONLY ONE

period during the game Knox City held a lead of 7 points and during the last minutes of play it looked as if the Greyhounds might be able to take the scores. The Greyhound made a last goal and the score became 23-26 and remained there until the end of the game. The team played an excellent game, and should receive credit for their good work.

One of the Knox City players, Melvin Dutton, received recognition for personal ability. Dutton received a medal for second place in the free shots. Reeves of O'Brien received first place with a score of 19 out of 25 free shots. Dutton made a score of 17 out of 25.

A WELCOME

Miss Patricia Ann Reagan will arrive in Knox City Wednesday afternoon. She graduated from Springfield, Missouri, high school as valedictorian in 1935. She is a graduate of C. I. A., and is gifted in piano, voice, shorthand and typing. She is twenty-two years old and a member of the National Honor Society of High Schools. She is five feet and seven inches tall and weighs 130 pounds. She will be here to observe Thursday and Friday and will assume her responsibilities Monday morning. We wish to take this opportunity to welcome our new teacher and hope she will enjoy her work at Knox City. All of the students wish to join together to help make her and her achievements a big success.

KNOX CITY BAND INAUGURATES O'DANIEL

It was a happy but weary group of bandmen who re-

turned to their homes early Wednesday morning after having participated in the inauguration of Governor O'Daniel.

The band left Knox City Monday, January 16, at noon, to go as far as Georgetown for the night. They arrived in Georgetown about 9 o'clock Monday night, hungry and tired, but still with that gleam of prospective pleasure in their eyes. They spent the night at Hotel Sherman, where to their surprise they were visited by Mr. and Mrs. Lloyd Davis and Mr. and Mrs. J. H. Atterbury of this city.

Tuesday morning they woke to find it raining, but this did not dampen their enthusiasm, which they showed by walking to town in the rain for breakfast. About 6:30 a. m. they marched a few blocks to get warmed up, and then started on their way to Austin.

The band arrived at the Memorial Stadium about 8 o'clock, where they were assigned two escorts from the Texas University Longhorn Band. They formed marching ranks and were led by their two guides around the cinder track before a crowd of about 50,000 people. Afterwards they were led to special assigned seats in the northeast end of the stadium. The band members then relaxed, and were very pleased and surprised when Mr. and Mrs. Davis and Mr. and Mrs. Atterbury presented them with hat bands bearing the inscription "Knox City" in behalf of the Knox City Lions Club.

The band was thrilled when at 9:45 a procession of automobiles, preceded by the state police, escorted the inaugural party to the south end of the stadium. They were even more

College Receives N.Y.A. Aid to Build Long-Awaited "Chapel in the Woods" for Informal Student Worship

Fulfillment of the dreams of students and officials at Texas State College for Women for a little "Chapel in the Woods" came when President Franklin D. Roosevelt signed a grant for aid from the National Youth Administration, to be administered by State Director J. C. Kellam (left). Work will begin immediately on the Chapel, which according to Dr. L. H. Hubbard (right), president of TSCW, is to be a place where students can find peace for meditation and worship.

Materials for the \$25,000 structure will be furnished by the college, and labor contributed by N. Y. A. A \$15,000 donation made by W. E. Nicholson of Longview last June climaxed the long campaign for funds, and students and ex-students are still working to raise the complete sum necessary for furnishings and decoration. Windows and metal fixtures for the building, for which the above model was designed by architect O'Neil Ford of Dallas, are being done by art students. Full construction except special contract work will be done by H. T. A. here, according to Ann D. Grier, C. B. Leary.
