KNOX COUNTY HERALD FRIDAY MARCH, 28, 1920

NUMBER 11

Knox City Leads In Interscholastic Meet

GEORGE MOFFETT FOR REPRESENTATIVE 114 DISTRICT

The Knox County Herald is authorized to announce the candidacy of George Moffett, of Hardman County, for Representative in the State Legislature, from the 114th District, which is composed of Knox, King, and Hardeman Counties. Mr. Moffett states that if elected he will work untiringly for the interests of the people in the 114th District. He believes that lawmakers should indulge in too many frills, nor too many drastic laws, but should try to give the people an honest and business like administration, with special emphasis on economy in government, and should constantly keep a careful eye on the situation, to the end that the latter become less burdensome.

Mr. Moffett was born and reared on a farm near Chillicothe, Texas, a graduate of the A. & M. College, engaged in the farming and stock raising business at Chillicothe, West Texas has always been home to him and always will be. He pledges himself if elected to faithfully and fairly represent the interests of the people of this section in our State Legislature. He holds that the larger cities of Texas have had entirely too large a voice in shaping the laws of our State to suit their own ends, without due regard for the welfare of the small towns and the rural communities. And if elected, he expects to lift his voice at every opportunity to bring about a change in this condition of affairs. He hopes to meet every citizen in Knox County and earnestly solicits your consideration and support.

We are glad to say that we attended college with Mrs. Moffett at the A. & M. in Denton. She is a splendid young woman. Mr. Moffett also was a pal of one of our young men during his years in A. & M. These facts give us a greater appreciation of Mr. Moffett for we feel that we know his ability, his true worth.

RENEWS SUBSCRIPTION

Tuesday J. W. Green was in the Herald office to renew his subscription to the Herald. While in the office, we asked him how the wood cutting and grubbing day came out. He had some time back. He stated that several men came out that day and worked well but that he had only more tree stumps that will be for wash wood etc, and will be glad to give it to those who need it. They will go to his place and grub it out. That is a chance for those who need wood to get it for only the work of getting it.

James M. Craft was also in the office Tuesday and renewed his subscription.

UNION GROVE NEWS ITEMS

A. A. Nicholson, Reporter
We understand that W. H. Cornett has purchased the John Henderson farm and will move on it this week. We hate to lose Mr. Henderson and family but are proud to learn that Mr. Cornett is placing his interests in our community.

Mr. Alma Smith was a visitor in the Union Grove Community Sunday.

Farming is moving along slow, the fruit in this community is not killed yet. We hope that it will not get cold enough again to both.

The singing Sunday night was good, the attendance being good.

The Primitive Baptist people here had a man from Childress who reached Monday night.

Mr. Lankford has been real sick the past few days but is improving.

Knox City was visited with a four inch snow last night which was new. Prospects are good for more rain.

One Year Ago This Week

In looking over our file of last year, we found an interesting article worthy of comment. You will remember that at this date last year, L. B. Hammock was publisher and Editor of the Herald. The article he published that has attracted our attention was a letter written by one of our local bankers. The piece not only hit the nail on the head last year, but it also holds true now; it is most appropriate. With the permission of the writer we here give the article in full as it appeared one year ago to this week.

Local Banker Discusses Sound Community Economics

Business gradually changing and coming to attention of those that are interested in taking advantage and fortifying themselves in time.

If we all start now saving and stay out of debt this year if possible and have our crops come to us this fall with as small debt as practical with economical living, then we can pay all we owe and have some money to start the NEW YEAR and pay cash for our supplies the entire year.

Banks are strong enough to take care of the legitimate loans for the enterprises that are for the best interest and advancement of the community, and are always ready to make moderate loan to a customer that is getting ahead and putting some of his earnings aside for use should misfortune come to him.

We are fortunate to be living in one of the best farming districts in Texas, and by using what the farms yield out to us properly, we will have plenty to spare, much scientific and better ground preparation for crop planting is very noticeable and commendable, a well diversified system carried out on the farm giving time and forethought to the by-products of the farm will certainly add to the income column of figures.

After we have made plenty money from our years operation what have we gained for our labor if all is spent and gone from us? We must study living conditions and first learn how to live and pay as we go, and if we have money the year round it will take some planning ahead.

The Banks are much more interested in helping a customer make money, than just merely loaning him or her money to spend. Let us all resolve to make our own living and pay as we live and when we do that we will have prosperous conditions, a happy citizenship, big bank deposits and not ashamed to see our reports published.

Large bank deposits and small volume loans are the best evidence of a prosperous community.

Let us strive to make ours the best place to live and be happy.

E. O. Jamison, Pres.
First National Bank.

Tarleton Station included in the enrollment of John Tarleton College, which this year represents 128 counties in Texas, three states, and one foreign country, is one student from Knox county.

The states represented, besides Texas, are Oklahoma and Louisiana. The foreign country is Cuba. The total enrollment is 1915, which is the largest in the history of the institution.

The student from Knox county is Hazel Frosard, Knox City.

A good number of the Knox City Baptist church ladies attended a meeting held Monday in Rochester. The ladies were anxious to have an attendance large enough to win the banner but they missed the number by three.

Christian Church Members To Meet At Benjamin

The Baylor and Knox County Christian Churches will meet with the First Christian Church at Benjamin on next Sunday, March the 30th for an all-day meeting. Brother S. J. Shettlesworth of Breckenridge, C. R. Forrester of Haskell and Harry Sims of Wichita Falls will be speakers for the occasion.

Dinner and supper will be served free by the Benjamin Church. They invite all to be there who can.

We hope Knox City will be well represented and return home with an interesting report.

CHRISTIAN SUNDAY SCHOOL TO BEGIN EARLY SUNDAY

The First Christian church will begin the Sunday School hour a few minutes early Sunday so as to disperse in time for the membership to drive to Benjamin in time for the eleven o'clock preaching service. Sunday School will begin Sunday at 9:45 and dismiss at 10:30. This is a thirty minutes for the drive and it is hoped that Knox City will be well represented at the meeting in Benjamin.

J. E. Clarke

Baptist Church

The Knox County Singing Convention which was held Sunday at the Baptist Church here was the best the convention has ever had. The attendance was larger with more people from out of Knox City than has been here before. A number of quartets were present all of which contributed liberally to the singing. As a body, the singers participated in a more enthusiastic way than heretofore. Knox City is well pleased with the new interest.

Both preaching services Sunday were good; however, the attendance for Sunday School was just a little low.

The church voted Sunday to cooperate with the other local churches in the Easter program and a committee of three, Mrs. Press Clarke, Press Hitchcock and W. W. Hyde was appointed. This committee hopes to meet with the committees of the other churches at an early date, probably Monday night.

P. T. A. TO ELECT NEW OFFICERS

Delegates Go To District Meeting

The Parent Teacher Association will meet Wednesday, April second at which time new officers will be elected. All the members are urged to be present for this election as the selection of officers should be the work of the entire membership.

At this meeting further plans for sending delegates to the District meeting at Electra will be made. Those asked to represent the Knox City P. T. A. at the district meeting are Mrs. T. S. Edwards, Mrs. John Wilson, Ms. C. C. Hoge, Ms. Henry Jones and Mr. J. W. Cloud. Others will probably be selected at the next meeting.

Don't forget the date of the next meeting, April 2 and please be present.

LAST MEETING ONE OF INTEREST

At the last meeting of the P. T. A. which was on March 19th, the members enjoyed a most interesting and worth while program. The attendance was unusually good and the program on "Spiritual Training" included talks by Reverend Stovall, Reverend Mann, Mr. Dickerson and a reading by Constance Browning. Mr. Dickerson, of Monday represents the West Texas Utilities and made a most interesting talk in regard to safety.

The P. T. A. programs this year have all been most interesting and worthy of the members who compose the organization. Many helpful suggestions have been made and the parents and teachers problems with the child are being more easily solved as a result of this study.

It is hoped that a good crowd will be present for the next meeting, which will be election day.

BOY SCOUTS TO DISBAND

The Troop committee of the Boy Scouts met in called session March 25. On account of the inability to secure a Scoutmaster that could give sufficient time to the organization it was voted to disband for the time being. When a new Scoutmaster has been secured the Scouts will be notified for reorganization.

N. S. KILGORE ASKS ELECTION TO OFFICE OF COUNTY JUDGE

The Herald is authorized to announce the candidacy of N. S. Kilgore for the office of County Judge of Knox County, subject to the action of the democratic primaries.

Judge Kilgore has served the county as county judge in years gone by and rendered very capable service in this capacity. He has been a resident of this section of Texas for some thirty-five years and was for a number of years engaged in teaching in the public schools of Texas, and is in every respect qualified to discharge the duties of the office in an efficient manner.

In making his announcement for this office Judge Kilgore, requests that we state to the citizenship of the county that if elected he will use his very best efforts in keeping the expense of operating the affairs of the county to a minimum and will urge that all unnecessary expense be eliminated.

Being one of the pioneer residents of the county, he needs no introduction to a majority of the citizens, and he asks that his qualifications be given consideration at the hands of the voters and assures each and every one that if they can give him their support it will be greatly appreciated.

EPWORTH LEAGUE PAGEANT WELL ATTENDED

The pageant given Sunday night at the Methodist church by the members of the Epworth League was well attended. The crowd was one of the largest the church has enjoyed this year.

The boys and girls taking part in the pageant did their parts well. It is not so difficult to take a part in a school play but a church play is different. The latter calls for something deeper, something finer it calls for boys and girls who acknowledge Christ, who are not ashamed of the fact that they go to church and Sunday school.

The pageant was an inspiration to all those in attendance. It showed the work of the Epworth League, how the social and religious portions of their lives are cared for by the church.

Mrs. Joe Averett is sick this week.

TOTALS 212 1/2 POINTS

GET TWO CUPS FOR KEEPS

In the Interscholastic meet held over Friday and Saturday in Gorse and Benjamin, Knox City schools won the largest number of points winning the three major events so far as was determined Tuesday. Knox City totaled 212 1/2 points while our nearest rival totaled 174 points. The total points are as follows:

Knox City, Nearest Rival
Literary events, 57 1/2, 52

These points were definitely known Tuesday, however, there was one other event which was not graded, that is, the essay writing. Paulene Benton entered the essay writing and Tuesday the papers were not yet graded. If we win first place there, it means that we lead with a good margin in the literary events; if we win second in this, we still will lead with a point of two. Ward school literary events, 10* to 95.

All athletic events, 190 to 95.
Totals, 212 1/2 to 174 points.

These winnings gave Knox City two cups, the all around championship school and the Tennis cup. Knox City has won both these cups for three consecutive years this being the third, and now the schools keeps the cups. We also won the literary cup this year. This cup has been won by our school a number of times but never three years in succession; however, the school is still working toward that goal.

Following are the names of those boys and girls who entered events in the meet and won:

Literary Events

Debate, the girl's team, Loretta Branton and Daphna Humphries, won first place. The boys team, Jack Clarke and Milford Lee, tied for second and third places.

Extemporaneous Speaking

Ruth Hammock entered and won first place.

Declamation

Senior girl, Mary McCaskey won 4th place. Senior boy, Richard Bright, won second place. Junior girl, from Ward school, Winnell Edwards, won first place, from Grammar school, Florence Wilson, won second place.

Junior boy, Herbert Finley, won second place. Sub Junior girl, Ruth McGee, won third place.

Spelling

High school spellers, Alice Reese and Wilma Evans, won third place. Junior spellers, Joella Russell and Stella Bradley, won third place. Sub Junior spellers, Joneell Trimmer and Lelaine Davis, also won third place.

Music Memory

Knox City had two teams in the Music Memory contest, one from the Ward school, or the 6th and 7th grade, represented by Beulah Dearing and Marlin Herrin, with Lois Huntman as substitute and one team from the Grammar school or the 5th grade, represented by Yvonne Jamison and Lora Joab Propp, with Mary Leon Hoge, substitute. These six girls entered the contest and each made perfect papers. They will go to the district meet.

This is the third consecutive year Knox City has gone to the district meet in Music Memory. The two previous years the school won at the district meet and the team this year is looking forward again to winning there. One team of two will be selected from the six girls.

Picture Memory

The Ward school won third place in the picture memory contest, being represented by Corine Shaw, Mamye Shaver, Ruth Darr and Lois Huntman. The Grammar school won 4th place with Clyde Graham, Florence Wilson, Mary Olive Tidwell and Price Trimmer as contestants.

Athletic Events

Senior boys track
In the senior boys track Knox City had the high point man, Lynn Waldrip who made a total of 15.

**MRS. HOGE ENTERTAINS
MISSIONARY SOCIETY**

Tuesday afternoon the Missionary Society of the Methodist church was entertained in the home of Mrs. C. C. Hoge. The first of the afternoon was given to Mrs. John Smith, Mammy Smith and Mrs. Hoge for reports from the Missionary Council which the three attended in Amarillo last week. The reports were very interesting.

Following a unique contest was held in which Mrs. W. E. Benedict and Mrs. Swift tied. The contest consisted of minute personality descriptions read by Ms. Sweeney. The guests guessed the names of the ladies as the descriptions were read. The society presented pot plants to Mrs. Bridges and Mrs. Graham honoring their birthdays.

Mrs. Hoge was assisted by Mrs. Sweeney, as joint hostess, in serving refreshments of chicken salad, pickles, potato chips, cake and iced tea to the twenty-one guests.

The society will meet next Monday at the church.

DORIS ELAINE'S BIRTHDAY PARTY

Last Thursday, March the 20th little Miss Doris Elaine Clonts entertained a number of her friends with a birthday party. Lawn games were played, supervised by Mrs. Clonts and Mrs. Joe Averett. Ice Cream and cake were served to twenty guests.

Doris Elaine received many nice little presents in honor of the day.

GUESTS HONORED AT BRIDGE

Mrs. Den Davis entertained last week with a bridge party honoring three housewives of Knox City women. The guests are Mrs. Bryant and daughter Elizabeth, mother and sister to Mrs. O. L. Jamison, of Memphis, Mrs. Byron Gist of Amarillo, sister of Mrs. Jamison and Mrs. Everett Kelly of Fort Worth, sister of Mrs. V. H. Pyeatt.

Covers were laid for sixteen guests. A two course luncheon was served.

**MRS. BOYD AND MRS. JONES
HONOR GUESTS**

Mrs. Russell Boyd and Mrs. Henry Jones entertained last week in

the home of Mrs. Boyd honoring the guests of Mrs. O. L. Jamison. The occasion was a night bridge party with six tables of players. Delicious refreshments were served.

**"GLAD-TO-SEE-YOU" CLASS
ENTERTAINED**

Mrs. Mercer Armstrong entertained the "Glad To See You" Sunday School class of the First Christian church Monday night. Forty-two was played throughout the evening. Mr. W. V. FAVOR and Mrs. T. E. Bolt tied for high score. After the games were won and lost a delicious salad plate was passed to Mesdames and Messers. Roy Smith, Benton Anderson, J. C. Reeder, Lester Stevenson, T. C. Bolin, O. D. Reed, Dr. T. P. Frizzell and Mrs. Carpenter. The Misses Mable Hoorehouse, Mary Reeder, Alta Cassel, Leslie Lolin and Lena Waller.

Mrs. Victor Pyeatt is recovering from her recent illness.

The knowing woman no longer submits meekly to regular, systemic suffering. For this kind of pain is relieved by Bayer Aspirin just as readily as an occasional headache, twinge of neuralgia, or the more intense pain of rheumatism. **More
Available
Labor**

Wherever the electric transmission line extends, there is instantly available an army of servants to shoulder the burden of human labor.

Housework, farm chores, commercial activities and industrial operations are thus speeded and made easier. The productivity of electric servants is greater than human labor on the farm and ranch, in the home and in the factory.

By thus increasing the productive power of its customers, the West Texas Utilities Company is contributing to the prosperity of the area which it serves and adding to the material comfort of the people.

RESOLUTIONS ADOPTED AT CALLED MEETING OF THE CITIZENS OF THE KNOX CITY TEXAS TRADE TERRITORY MARCH 17, 1930.

WHEREAS it has become apparent that the economic welfare of the cotton growing states of the South depend upon the judgement they exercise in planting the coming cotton crop;

AND WHEREAS, it is clearly evident that one of the two major and imperative needs is for an improved quality of staple in the coming crop, if the South is to win back her cotton supremacy of the world, which she has long held but is now rapidly losing;

AND WHEREAS, it is likewise evident that a drastic and material reduction in cotton acreage is the second imperative need vital to the best interests of the cotton south, as is conclusively proven in the following statements issued by the Federal Reserve Bank of Dallas on February 17th, 1930:

"It is a well known fact, as well to the cotton growers themselves, as to the business men and banker, that a small crop of cotton brings in more actual dollars than a large one, and that the surplus of any commodity determines the price of the entire production. For example; in 1926 the record cotton crop in the United States of 18,000,000 bales sold for \$982,000,000 while the 10,000,000 bale crop of 1923 brought the producers \$1,600,000,000. This means that the cotton farmers in 1926 picked 8,000,000 bales of cotton and not only gave them to the world free of charge, but in effect, paid \$6,000,000 for the gracious privilege of doing so."

NOW THEREFORE BE IT RESOLVED, by a meeting of Farmers and Business Men of the Knox City Trade Territory, March 17, 1930, at Knox City, Texas, that we strongly recommend and urge the planting of better stapled seed, capable of producing at least 7-8 to 1 inch staple, such cotton as may be recommended by the State Agricultural Experiment Stations, and which is adapted to that particular area and climate and growing season; and that we as strongly urge the complete abandonment of all seed varieties that produce untenderable staple lengths or anything shorter than 7-8 inch staple; and that we likewise warn against the planting of any extra long staple which is not adapted to our season;

AND BE IT FURTHER RESOLVED, that whereas the practice of buying cotton on a hog-round basis is doing more to encourage and to prolong the planting of short staple cotton, we recommend that every glinner in the Knox City Territory who buys cotton beginning this coming season will buy on grade and staple entirely;

AND BE IT FURTHER RESOLVED, that it is the sense of this meeting that a reduction in cotton acreage for this year's crop of not less than 15 per cent is absolutely essential to the economic interests of the Knox City Territory, and we hereby urge it unqualifiedly;

AND BE IT FURTHER RESOLVED, that all Citizens of this territory, as well as County Agents, Home Demonstration Agents, Chamber of Commerce, and Farm Bureau organizations be urged to assist in carrying out the above program.

Respectfully submitted,

COMMITTEE.

HAPPY TO TELL ALL THE WORLD ABOUT KONJOLA

St. Louis Citizen Found New Medicine To Be Only One That Made Good

MR. THOMAS J. BIRGE

After all is said and done, every medicine must meet this test: Does It Make Good? Konjola has made good in so many cases when all else tried has failed that it is the most talked of medicine in America today. Take the case of Mr. Thomas J. Birge, 2632 Chateau street, St. Louis, for instance. Read what he says about this master medicine:

"I am sixty years old, and most of my life at least as long as I can remember—I had stomach trouble, and nothing helped me until I found Konjola. Imagine my astonishment when the very first bottle of this wonderful remedy started me on the road to complete recovery. Today I can eat whatever I like, no matter how rich and heavy the food, without the least discomfort. Fact is, I feel like a new man, and many of my friends to whom I recommended Konjola are as enthusiastic about it as I am."

Konjola is sold in Knox City at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

SAME PRESCRIPTION HE WROTE IN 1892

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as today. People lived normal lives, ate plain, wholesome food, and got plenty of fresh air. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings. The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe bowel stimulant. This prescription has proven its worth and is now the largest selling liquid laxative. It has won the confidence of people who needed it to get relief from headaches, biliousness, distention, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds, fevers. At your druggist, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

The Merchant Who Doseen't Advertise and That Word "Afford"

The merchant who does not advertise usually says, "I cannot afford it," yet he pays the advertising bills of merchants who do advertise. Profits he would have made on lost sales is what his competitors' advertising costs him.

Intelligent advertising pays for itself, leaves an immediate EXTRA profit, creates new business and larger profits afterwards, so it costs the merchant nothing--rather it costs not to advertise.

Can You Afford to Pay Again in 1930?

Your own books and bank statements will answer that question quickly and conclusively. Think It Over!

points. Knox City also had the second high man, Aulele Stephens who totaled 45 points. Lynn won first place in both the high and low hurdles, first in high jump and third in both the shot put and 100 yard dash. Aulele won first place in both the discus and the 440 yard dash. These boys entered five events and won a place in each event.

Morris Denton won first place in the broad jump and third in the high jump, the only events he entered.

Dennis White three second place each in 1/2 mile run, javelin throw and the broad jump.

Ox Fleming won first place in the 1/2 mile run, the only event he entered. Richard Heiligt won first place in the pole vault.

Kenneth Edwards won second place in both the low and high hurdles and third place in the discus.

Bill White won third in javelin throw, 4th in both the shot put and discus.

Fred Moody won first in mile run.

Leiton Huntsman won second in the mile run. The school won second place in the mile relay being represented by Morris Denton, John Hyde, Leiton Huntsman, and Ox Fleming.

In tennis the senior boys, doubles, Jack Wilson and Charlie Rice, won first. Boys single, Panny Farmer, also won.

Junior and Senior Girls Track

Daphna Humphries won the single girls tennis.

The senior girls won third place in Volly ball. The Junior girls won first place in play ground ball. These Junior girls had to beat three teams to win this championship and the entire eleven that the feat was glorious.

Junior Boys Track

The Junior boys in the ward school won first place in their track events, those entering were H. C. Armstrong, Bob Jones and Glover McCarty.

Good Work

The school is certainly to be commended for winning such a large percent of the points. According to the points won in the county meet, the Knox City school will have the largest number of representative to attend the district meet of all the schools in Knox county.

Knox City was well represented by "rooters" at these events. Parents and friends of the children turned out in large numbers to see and hear all the events. The literary events were held in Gorce on last Friday and the athletic events were held in Hoffman on Saturday.

Another Wichita Man Testifies

Wife Gains On Orgotane (Argotane) Wouldn't Be Without It He Says

Still another well-known Wichita Falls man comes forward with his unqualified endorsement of Orgotane (Argotane). This time it is J. H. Terry, who resides at 1926 Bond Street, that City.

"My wife actually improved so much since she started taking Orgotane (Argotane) that it is almost unbelievable," said Mr. Terry in an interview and has been benefited so much in every way that I am glad to make this statement which I hope will be the cause of others who may be suffering as she did getting relief.

"She had been in such a run down condition for the past fifteen years that she felt like she should have been in bed most of the time. She was subject to frequent attacks of dizziness and sick headaches. She also suffered intense pain from the gas on her stomach and she was habitually constipated. She had a tired aching feeling, all the time which left her so weak she could hardly stand up.

"She had been wonderfully benefited by Orgotane (Argotane) in fact I consider it remarkable the way she has been built up, for she is almost like a different person. She has been relieved entirely of stomach trouble headaches, and that aching feeling. I am delighted more than I can be with what Orgotane has done for us and we would not be without it, for anything. It is by far the best medicine she has ever taken."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

Makes Life Sweeter

Children's stomachs sour, and acid condition—correct it with a spoonful of Phillips Milk of Magnesia!

When tongue or breath tells of acid condition—correct it with a spoonful of Phillips Milk of Magnesia! Most men and women have been comforted by this universal remedy for their children. It is a pleasant thing to take, yet neutralizes more than the harsher things too often played for the purpose. No habit should be without it.

Phillips is the genuine, professional product physicians endorse for use. The name is important. Phillips Milk of Magnesia has been the U. S. Government trade mark of the Charles H. Phillips Chemical Co. and its predecessor since 1875.
