

# Knox County Herald

KNOX COUNTY HERALD FRIDAY, OCTOBER 3, 1930

NUMBER 14

## Houston W. Sweatt

Was born in Hunt County Texas January 29th, 1894, and died at the home of his parents, Mr. and Mrs. L. C. Sweatt, near Knox City, Texas, September 26th, 1930, and was laid to rest in Gillespie Cemetery September 27th 1930. Funeral services were conducted by Reverend J. H. Hefner, pastor of the Baptist church, assisted by Reverend Stovall, pastor of the Baptist church of Knox City, and pastor of the Methodist church of Munday, after high services at the Masonic Lodge of Munday returned the last ceremony in laying out the body of their deceased father, according to their usual customs and rites.

Brother Houston Sweatt was reared in early boyhood in Knox County where he was well known and loved. He was a member of the Gillespie Baptist Church and a member of both I. O. O. F. and F. & M. of Munday. The beautiful offering of the host of mourners, and the solemnity of the services in which Brother Houston participated held in this community.

He was survived by his wife, Mrs. H. W. Sweatt, nee Miss Nell Ellis; three sons, Mr. and Mrs. J. H. Sweatt, Knox City; four sisters, Mrs. A. A. Nicholson, Knox City; Mrs. E. D. Herndon, McKinney; Mrs. Bertha and Flora Sweatt, Knox City; and four brothers, Verlan; Cecil, Brownfield; Munday and Gordon Silverton, Texas, desire to express their appreciation of the courtesies, assistance and floral offerings of all who in any way rendered service to their sad bereavement.

Contributed by a friend.

## OCTOBER 5 TO 11 FIRE PREVENTION WEEK

The week of October the 5th to 11th has been designated as Fire Prevention Week through the north America continent. The Knox City Fire Department is joining the national wide fire program and ask the cooperation of the citizens of the town and community. There will be a program in the school building the first of next week.

Following are a few estimates of the loss by different fire hazards:

The total fire loss in Texas caused by "Matches-Smoking" since 1925 to 1929 inclusive, approximates \$2,064,826.00. The total loss in Texas caused by "Defective Chimneys and Flues" for the same date, approximates \$2,222,519.00. Total fire loss in Texas caused by "Furnaces and Stoves" approximates \$3,298,356.00. Total loss in Texas caused by "Gas and Gas Stoves" for the same period of times approximates \$788,140.00. Total loss in Texas caused by "Electricity" approximates \$4,601,165.00.

There are huge sums of lost in Texas in other fires the total of which would be astastishing. It is an agreed fact that "Carelessness" is the principal cause of a great percent of these fires hence the importance of the people of Texas practicing care in their daily use of matches, gas, electricity etc.

Who pays the cost of this loss? The people pay the cost and for this reason the people of Texas should practice more care in the use of things which cause fires.

Join the Knox City Fire boys in this weeks program and help them make the week a success.

Mr. and Mrs. Clyde Smith are the proud parents of a new baby girl, Alta Alvinelle. The little lady arrived Saturday, September 27th. Mrs. Smith is a sister to the Hamm boys and girls and her baby was named for both Alta and Alvin.

Mrs. J. W. Enlow enjoyed a family reunion in her home Sunday. Floyd Enlow of Oklahoma, Guy of Montana, Mrs. O. A. Roberts of Duncan Oklahoma and Mrs. L. P. Jones of Benjamin were present, all children of Mrs. Enlow.

Those from Knox City who attended the District Epworth League Conference held over Saturday and Sunday in Seymour were Misses Mable Clonts, Elsie Graham and Sydna Edwards, Kenneth Edwards, Chad Wilson and Mr. S. M. Clonts.

Mr. and Mrs. S. A. Byrant of Memphis Texas spent the first of the week here with their daughter, Mrs. O. L. Jamison.

## Knox City, Situated In Sandy Loam Belt, Is Thriving Town

Abilene Reporter-News  
KNOX CITY, Sept. 27—Located in the richest sandy loam belt of West Texas, Knox City is the leading small town of the west.

It is so situated between other cities that it has its own, select, progressive trade territory. It serves a territory known and noted as a dependable place for diversified farming. The soil, a rich sandy loam level to gently rolling, is ideal for cotton, feed, poultry and live stock.

**ON TWO HIGHWAYS**  
The town is on highway 51, a good graded road and which will be paved in the very near future. It is connected with highway 30 by twelve miles of the best graded road in the west. It is served by the Santa Fe railroad and two daily motor coaches.

One of the latest and most valuable additions made to the town is the county hospital. The Knox County Hospital is located in Knox City. A two story, with basement, brick building attended by excellent local surgeons and physicians with graduate nurses in charge gives the people of the Knox City and surrounding territory a service that is equivalent to only the service found in large cities. This hospital has had patients within the last year from California to Philadelphia.

**FOR 20 PATIENTS**  
The hospital has fifteen bed rooms with equipment for twenty patients. In addition to these rooms there is a spacious lobby and office, two completely equipped operating rooms and closets, a dining room with a diet kitchen on the second floor and a bed room, laundry room and heating system in the basement.

In addition to the unexcelled service given in the hospital the grounds about the building are well kept. The building is surrounded by a lawn with a grove of young paradise trees to the rear.

**IRRIGATION PROJECT**  
Knox City is working on an irrigation project as one of the sites specified by the state and federal boards of water engineers for a great dam on the Brazos river sixteen miles west of the city. These boards have surveyed this site and estimated that a dam can be built at the place for about seven and one half million dollars. The water impounding would irrigate most of the land in Knox, Haskell and Baylor counties. It is one of the biggest projects now under consideration by the state.

**SCHOOLS AND CHURCHES**  
This city has two large brick school buildings with 18 teachers in charge serving an enrollment of 403. The schools have standard affiliation with state colleges, holding a high record in this and surrounding counties.

A view into the study hall reveals eight loving cups which have been won by the school, four of which are permanent property of the school.

There are five churches in the town. The population is made up of enthusiastic, Christian people.

**BANKS, BUSINESS FIRMS**  
Knox City has two strong, substantial banks whose deposits for the last twelve months exceeds three and one half million dollars. In line with these banks the business houses are leading for towns in the west. They operate upon a sound, progressive system having stocks and supplies as displayed only in better places. The merchandise is standard, being the latest always.

Five gins serve the cotton growers of the Knox City territory. The oldest newspaper of the county, The Knox County Herald, is in Knox City. It serves the town and territory in an unusual way, carrying home news and an excellent display of advertisements by the local business houses.

**CHAMBER OF COMMERCE**  
One of the most active chamber of commerce of the west is that in Knox City. The organization functions in a most harmonious, progressive way, having its meetings in the form of luncheons. It was this group of energetic business men who largely put over the erection of one of the best small hospitals in the state and other features of the town.

All modern conveniences are had in Knox City. These include electric lights, furnished by the West Texas Utilities, an excellent municipal water system, giving as good water supply found in the west, with thoroughly equipped fire fighting department, sewer system, natural gas and telephone exchange.

Knox City has an ice factory and a produce and cold storage plant. Ice is sent from this factory to a number of small communities around Knox City. The produce and cold storage is a large well equipped concern taking care of the produce for the territory.

**HOPE OF THE FUTURE**  
Knox City has a future second to none in all West Texas. Its citizenship, made up of high minded, full blooded Americans, hold for the town a substantial development. It is now one of the most favorable locations for an up to date hotel, which addition the town is looking forward to with great interest. Business men of Knox City state that anyone interested in building a modern hotel in this progressive city will meet with much encouragement and an attractive proposition with reference to site and assistance.

## KNOX CITY GIRL WINS IN ABILENE ESSAY CONTEST

Pauline Benton Gets Third Place

Miss Pauline Benton, Knox City girl attending McMurray College in Abilene, won third place in Abilene Fair Essay Contest held recently. There were fifty entries. Miss Benton's essay with the other 49 winning essays, was published in the Abilene paper. Following is her essay.

"Abilene is known as 'The Capital of West Texas'. This may be an insignificant phrase to some people but if you are truly an Abilenean you will surely show loyalty for that which has stood the test of time by buying and wearing an Abilene Loyalty badge. Think how loyal the old pioneers were who made an Abilene possible.

We can show that we are proud of Abilene's educational, moral and cultural developments, by buying and wearing an Abilene Loyalty badge.

All citizens of Abilene should be justly proud of the many achievements and the promotions or higher ideals for Abilene by wearing an Abilene Loyalty Badge. Show that you have pride for your town and yourself.

It was Lincoln who said: 'I like to see a man who is proud of his city and lives that his city is proud of him.'

The hard times depression is caused by people constantly thinking and talking hard times. So wear an Abilene Loyalty Badge to show you are forgetting hard times and want people to come and have a good time with you at the West Texas Fair. Let folks don their badges and go to the fair to show the world where life spots is found."

## MRS. CRAFT HEADS GLAD HAND CLASS

Last Sunday being the day for promotion and class re-organization at the First Baptist Sunday School, the Glad Hand Class elected the following officers for the ensuing year:

- President, Mrs. J. M. Craft
- 1st Vice Pres. Mrs. W. P. Clarke
- 2nd Vice Pres. Mrs. J. M. Averett
- 3rd Vice Pres. Mrs. Claude Stovall
- Secretary, J. M. Averett
- 1st ass't Sec. Mrs. E. F. Branton
- 2nd ass't Sec. B. B. Lee
- 3rd ass't Sec. O. L. Jamison
- Treasurer, J. D. Horton
- Reporter, Mrs. O. L. Jamison

This class is most interestingly and instructively taught by Uncle Joe Smith and we cordially invite new members and visitors to meet with us.

Miss Nell Brummett resigned her place in the county hospital Tuesday saying that she was California bound. Miss Cecelia Albus took Miss Brummett's place.

## Hospital Notes

Those in the hospital this week are Mrs. J. J. Morgan of Rule, Mrs. L. C. Sweatt of Munday, Mr. Joe Simmons of Knox City, Mrs. Leroy Lowrey and daughter, Ernestine, who came Monday of Rochester, Mrs. L. J. Draper of Munday, Mrs. C. R. Elliott of Benjamin, Mr. J. M. Bell of Rochester, Mrs. Julian Macole of Truscott S. H. Bohannon of Knox City, Travis Melton also of Knox City and Mrs. Laura Sparks of Crowell.

Those who have been recent patients in the hospital and have returned home are Dorothy McReynolds, Mr. T. A. Bryant of the Burk Burnett Ranch, Mrs. Phillips of Goree, Mrs. G. B. Branton of Knox City, Baby Weinert of Weinert, Mrs. Carl Haney of Truscott and W. H. Melton of Knox City.

Mrs. Dr. Taylor of Goree visited patients in the hospital Monday.

Mr. W. D. Baker of Dallas visited his mother, Mrs. P. B. Baker, last week.

Mrs. Baker states that there were an unusually large number of guests at the hospital over Sunday.

## MISSIONARY SOCIETY ENTERTAINS

The Missionary Society of the Methodist Church met with Mrs. Holt Moseley and Mrs. Lee Smith, in the home of the latter, last Monday afternoon.

Several very enjoyable contests and other games were played. Mrs. T. S. Edwards and Mrs. L. L. Davis were fortunate in winning prizes.

Mrs. Edwards then presented Mrs. Mann and Mrs. Hodge each with a box of lovely handkerchiefs for having the most perfect record in attendance for the past six months. Refreshments consisted of red glazed apples topped with marshmallows, faces, tunc sandwiches, potato chips and hot tea.

Everything throughout the afternoon suggested Halloween. We wish to thank Mrs. Smith and Mrs. Moseley for one of the very nicest social hours ever spent by this society.

## RULE FAIR BOOSTERS VISIT US

Tuesday several cars of boosters from Rule visited Knox City about eleven a. m. They approached the city with continous honking and gathered themselves and a good bunch of local citizens in the middle of main street. Two numbers were given by the colored orchestra from the All American Shows and an announcement made about the Rule Fair which opened the second and will last through the third and 4th.

Travis and Hershell Melton were hurt Saturday night at the carnival. Both have their left arm broken. They were taken to the hospital following the accident.

Charter No. 7853  
REPORT OF CONDITION OF THE

### First National Bank

Knox City, in the State of Texas, at the Close of Business on September 24, 1930

## 22 BALES HANDLED IN ONE DAY IN KNOX CITY

Frank Oneal, manager of the local branch office, is receiving hearty cooperation. The approval of his classifications is demonstrated by the daily increase of new members. Approximately 1500 bales from this locality have been marketed through the Association to date, 322 of which were received September 29th.

The "Famous Knox Prairie," with its rich sandy loam soil, is proving its value again this year as a dependable farming territory. Even under the adverse weather conditions experienced this season farmers are harvesting a fair crop of cotton and feed. At the present rate of harvesting, it is the opinion that several thousand bales will be marketed through the Knox City office of the association.

## P-T-A TO HAVE TAG DAY

Saturday week, October the 11th will be "Tag Day" for the Knox City Parent-Teacher-Association.

With the beginning of the new year the association will have a membership campaign. This campaign officially begins Saturday. The following Saturday, the eleventh, will be P-T-A tag day.

Everyone will be expected to wear a tag. Paid up memberships or donations will be appreciated and tags will be given therefor.

## B. A. U. ELECTS NEW OFFICERS

New officers elected Sunday night in the Baptist Adult Union were as follows:

President, Byron B. Lee  
Vice President, C. W. Armstrong  
Secy., Mrs. Joe Denton Jr.  
Cholster, Press Hitchcock  
Pianist, Mrs. Byron Lee  
Group Leader, No. 1, Mrs. Press Clarke  
Group Leader, No. 2, Mrs. Joe Averett

This Union meets at 7:00 p. m. each Sunday. We will be glad for all who can to come and meet with us.

—Reporter

## NOTICE TO EXHIBITORS AT HASKELL FAIR

All those contemplating exhibiting both dairy and beef cattle at the Haskell County Fair on October 16, 17 and 18th are urged by the association to bring in their cattle on the 14th and 15th so that they may be tested. The association will have a State Veterinarian on hand and will do all possible to cooperate with both the exhibitor and the State Department so that the fair will be the success that we all expect it to be. And that we may live up to the law which requires this test.

Telephone the Hammer Plumbing Shop for service. Number 122.

**TO FARMERS AND RANCHMEN OF KNOX COUNTY**

Farmers and ranchmen desiring to take advantage of the reduced rates on feeds to be shipped into or from one county to another, in the drought relief section of Texas should see the railroad agent of the County Agent at once and secure the information necessary. These rates will expire October 31, 1930.

This reduction is also given on livestock shipped out of the designated drought county by cause of the drought. This does not apply to livestock sold to regular markets or in regular marketing channels, but to other farmers or purchasers.

All people interested in turkeys are requested to meet the county agent at the court house in Benjamin Saturday, at 3:59.

**GRIFFITH-WHITTON**

Last Wednesday Hollis Griffith and Miss Doyle Whitton were united in marriage, the ceremony taking place in Oklahoma.

Hollis is the son of J. F. Griffith and Doyle the daughter of W. P. Whitton. The couple are living in the Boyd house in east Knox City.

**FRESHMEN ORGANIZE**

The Freshmen class of the Knox City High School had a class meeting Tuesday, September 24 and elected the following officers:

President, Jonell Robbins  
Vice President, H. C. Armstrong  
Sec. and Treasurer, Addie Short  
Reporter, Faye McAuley  
Mothers, Mrs. Edwards and Mrs. McCarty.

Father, Mr. Wall and Rev. Stovall  
Spencer, Mr. Underwood.

**MOTHER LEAVES CHILDREN AND FACES DEATH**

**SAYS FAREWELL HARD, BUT RECOVERY EASY DUE TO CRAZY WATER**

In Mar, 1929, I was critically ill with Rheumatism; in fact, I was an invalid and had to be helped around. My husband decide to bring me to Mineral Wells as, it look as if there was no hope for me if I remained at home. But I had no confidence in Mineral Wells; in fact, I did not believe that anything or any place would relieve my suffering. You can imagine how I felt when I told my children "Good-Bye," when I did not expect to see them again.

I arrived in Mineral Wells on May 16th, last year and in one week of the Crazy Water Treatment, I was able to walk and thirty days from the time I arrived I was well again, only a little weak.

I heartily recommend to everyone suffering from diseases caused by faulty elimination that they spend a few days rest at the Crazy Water Hotel in Mineral Wells, Texas, the home of Crazy Water.

Mrs. F. M. Hillard, Tulla, Texas.

Mr. and Mrs. W. E. Berry and daughter and Mr. J. H. Berry of California visited Mr. and Mrs. W. H. Benedict Tuesday. The guests were enroute home after visiting in Oklahoma and here. The elder Mr. Berry, (J. H.) use to live here, being one of the first settlers on the plains. He is now 86 years old. He and his son and wife have been 2000 miles on this trip and he is making the trip fine. Many of the older citizens of Knox City remember Mr. Berry.

**KONJOLA DID MORE FOR ME THAN ALL ELSE**

**New Medicine Proves Real Boon To San Antonio Housewife Earns Eager Praise**

MRS. T. G. MOORE

"Three years ago I began having trouble with my liver," said Mrs. T. G. Moore, 314 Madison Street, San Antonio. "I was sluggish, my complexion was bad and I had dark blotches on my face. I was troubled with constipation and forced to use laxatives and purges almost daily. These conditions made me very nervous and I did not sleep well. I felt thoroughly down and out."

"My husband and I decided to give Konjola a trial. After trying this medicine out for a few days I found it different than anything I had ever tried before. Now, after taking Konjola for a month, I am feeling better than I have for a long time and am more than pleased with the result it has brought. It has done more for me than all else I tried and I am glad to endorse it."

Although Konjola does work quickly, it is best to take this medicine over a six to eight week period in the average case. Its record has made Konjola a household word in

thousands upon thousands of American homes.

Konjola is sold in Knox City, at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

**WILSON BABBY BURIED**

The two weeks old baby of Mr. and Mrs. Jim Wilson died Sunday and was buried Monday afternoon in the Old Fellow Cemetery. The baby's death was due to pneumonia.

Dr. Emory's father and brother of Fort Worth were here last week. Tom Bolln bought a half interest in the Club Cafe Tuesday.

Mr. and Mrs. C. H. Keck spent Sunday in Seymour.

Mrs. Hunt of Munday visited in Knox City Sunday.

Mrs. J. H. Darnell and little son spent Tuesday in Haskell. 122 is the number of the Hamner Plumbing Shop, Telephone 122.

Mr. and Mrs. John Sulth visited in Margaret Friday of last week.

Miss Lulu Pearl Puckett spent the week end in Rochester with Mrs. Roy Baker.

Mr. and Mrs. A. C. McElath of Weleet were guests of Mr. and Mrs. J. D. Smith Sunday.

Tom Newman of Abilene bought a new Chevrolet Coach which he bought at Ashcroft's.

Miss Hazel Pinnegan of Weleet spent Sunday here with Mr. and Mrs. Ford Waldrip.

Mr. and Mrs. C. A. Eiland of Munday and niece were guests of Mr. and Mrs. Henry Jones Sunday.

Mrs. Dickerson, night nurse at the hospital, left this week and Mrs. Tanner, graduate nurse, is now night nurse.

Reverend and Mrs. J. C. Mann and children and Mrs. M. A. Reaster spent Tuesday and Wednesday with friends and relatives in Estelline.

Mrs. Shirley Farke was hostess to the Social Club last Friday afternoon. Following games of 42, a salad course was served.

Mrs. J. H. Dutton was hurt Saturday afternoon late when a cow ran over her. Tuesday she was doing very well.

Mr. and Mrs. W. E. Watkins of Rochester spent Saturday night and Sunday with their daughter, Mr. and Mrs. Holt Moseley.

The Hamner Plumbing Shop does your work. Telephone 122.

**What Will you do When your Children Cry for It**

There is hardly a household that has heard of Castoria! At least five million homes are never without it. If there are children in your family, there's also daily need of its comfort. And any mother may find you very thankful there's a bottle in the house. Just a few drops and that colic or constipation is relieved or diarrhea checked. A vegetable diet; a baby remedy, meant for you folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicine is dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name and remember to buy it. It may save you a sleepless, anxious night. Always ready, always safe to use in emergencies, or for everyday ailments. Any hour of the day or night that becomes fretful, or restless, Castoria is today, every druggist has it.

**The Electric Man Recommends Safety and Convenience Lighting**

"Do you know, I think one of the most convenient uses of lighting is the garage light, the driveway light and the yard light.

"More than likely you've noticed this type of lighting equipment, and have made up your mind to install it at some future date.

"Don't deny yourself such an important convenience—when it costs so little. Under the new rate system, this lighting is possible at a cost of only 4c per kilowatt-hour—3c where service is also used for heating or cooking—and will increase your monthly bill only a few cents; not enough to counterbalance the advantages of good lighting.

"With the new *Home Comfort* rate, your normal use of service should absorb the first two rates, placing all additional consumption on the low rate.

"You are sure to appreciate the many advantages that Safety and Convenience Lighting will bring you—and now at such low cost, you cannot afford to be without these advantages."

*And Remember—You Can Make Your Own Average Rate*

Initial rate 12c  
2nd rate 7c  
Low rate 4c 3c

OLD FOLKS SAY  
DR. CALDWELL  
WAS RIGHT

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he used in his practice. It treated constipation, biliousness, indigestion, mental depression, indigestion, stomach and other indispositions by means of simple vegetable oils, herbs and roots. These are the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other herbs, with pepsin. It is a simple life remedy for constipation, safe for the child and for you. You can get results in a mild way by using Dr. Caldwell's Syrup Pepsin, why take chances with other drugs? It will last several months, and you can use it. It is pleasant to the taste in action, and free from pain. Elderly people find it ideal. Drug stores have the generous bottles. Write "Syrup Pepsin," Dept. BB, Chicago, Illinois, for free trial bottles.

**Knox County Herald**  
Oldest Paper in Knox County  
PUBLISHED WEEKLY

Mrs. H. B. Sweeney, Editor  
H. B. Sweeney, Publisher

Entered in the Postoffice at Knox City, Texas for transportation through the mails as second class matter.

One Year 1.50  
Six Months .75

Mr. Harris of the Review in Rule who was among the Fair visitors Tuesday, made a very pleasant visit in the Herald office.

Mr. S. A. Bryant made a friendly visit to the Herald office Monday afternoon. Mr. Bryant is an old news paper man but left the work to go to Austin as a representative. We enjoyed his visit Monday.

We understand that C. B. Elliott has arranged to take care of the new

dy people this winter with his turnip green patch around the courthouse in Benjamin. At least one of the county officers proved himself qualified to receive a mess of the greens by being numbered among the needy.

Mr. Elliott has had turnip greens sowed over most of the grounds at the court house, more we suppose to keep the weeds from growing, and now they are ready to eat. He had them sowed at different dates to as one patch grows off another will come on. He has greens three different ages. He says that most every morning there are a number of people out picking them.

The patch, Mr. Elliott says belongs to the county and that every one is welcome; however, he requests that this privilege not be abused and the greens wasted. Our readers will doubtless think that Knox City people will not partake of the greens since they are of the distance they

are but it is probably interesting to know that Mrs. P. B. Baker, at the hospital, says the greens are "simply fine."

Benjamin people are getting ready for district court which will begin Monday, October 6th. Monday September the 29th the highway crew pitched tents in Benjamin and began work on highway 24. The contract calls for grading and drainage.

Well, The Knox City page ad in the Abilene Reporter-News came out Sunday, also quite an extended write up for the town. We have been asked by several if we thought we would ever get forgiveness for some portions of that story. Well, we don't want forgiveness for a matter of fact that story was correct in every detail. All information given in that story has come from authority. This included the bank deposits within the last twelve months too. Those figures were taken from books kept by both banks and the immense sum as due to circulation.

That same page ad is appearing in his issue of the Herald. Read every ad on that page. You will also find the booster write up on the front page of this paper. Read it.

**ARGOTANE IS HELPING WICHITA FALLS FAMILY**

The General Family Take Argotane for Preventative Against Flu and General Tonic

Mrs. E. C. Damarrall, residing at 1614 Magnolia St. came into Allison's Drug Store, recently for another bottle of Argotane, and while talking with Argotane's nurse said:

"My sister recommended Argotane to me, she had been taking it for the flu and it helped her so I came into the store for another bottle to keep away the flu. My two children were very badly constipated and had indigestion, I gave them Argotane and they are completely relieved."

"Argotane has proved a wonderful medicine in our case. It is keeping us all in tip-top shape. We shall con-

tinue taking it as long as it helps us. My husband, who is a marblecutter, does pretty hard work, and needs some kind of medicine to keep him in condition. Argotane has certainly proven its worth to all of us and I am glad to say a good word for it. I think so much of it, I am telling all of my friends about it and we, my family, will continue taking it as long as it helps us."

Genuine Argotane may be bought in Knox City at the Orient Drug Store.

**ACKER SCORES FOR SUL ROSS**

Leslie Acker, Knox City student in Sul Ross, made a 27 yard run off a touchdown Saturday in a game between Sul Ross and a team from San Angelo. The final score was 6 to 7 favoring the San Angelo team.

Mr. and Mrs. Jesse Hitchcock will leave the last of the week for their school in Bomerton. Their school has been turned out for two weeks for cotton picking.

**800 LAYING HENS THIS WEEK**

This week laid 3,094 eggs received 26 cents per dozen or a total of \$67.95 feed costs for week was \$24.00 clear profit \$43.95.

200 laying hens on your farm will pay your living expenses above the feed you have to buy. Decide now that you will have at least 200 hens for next year.

We are all subject to colds. But they need not cause us suffering. Bayer Aspirin breaks a cold in a hurry. Or taken in time, heads it off entirely. You can avoid other suffering the same way. Headache, neuritis or rheumatism, yields to Bayer Aspirin. It always helps; never harms; does not interfere with the heart. Genuine Bayer Aspirin has Bayer on the box and on each tablet.

**I**N temporary periods of slump in bur-  
ness conditions, brought about by any  
causes, it is well to remember that ad-  
versity develops resourcefulness that con-  
tinued prosperity dulls one's productive  
activities.

Such sectional drouths as have oc-  
cured this past year cannot retard  
the progress of so great an Empire  
as West Texas, truly the "Land of  
Opportunity."

Company**

## Knox City

### The Center of Agriculture

Serving a territory known and noted as a dependable place for  
diversified farming. The soil is a very rich sandy loam from level  
to gently rolling and is ideal for cotton, feed and truck farm-  
ing. Poultry and livestock also play a big part in the development of  
this section.

Farms are in such demand on the "Famous Knox Prairie" that  
it is said there are none for rent and the only way you can get one  
is to buy it. A crop failure is almost unknown in the Knox City ter-  
ritory, because the soil is of such a nature that it nearly always  
produces a crop, even when other sections of West Texas fail. A  
wonderful feed crop was made this year and the cotton crop is al-  
most up to normal. It is estimated that from eight to ten thousand  
bales of cotton will be ginned in Knox City this season. The normal  
crop ginned here is 10,000 bales.

### Knox City Has:

Population over 1000, 402 scholastic, Two brick school buildings,  
Five Churches, Live chamber of commerce, Luncheon Club 65 men,  
bars, Splendid city water system, Excellent city sewer system, Knox  
County Hospital, Ice Factory, Five cotton gins, Produce and cold  
storage plant, Santa Fe Railroad, Motor Bus, service, Electric ser-  
vice supplied by West Texas Utilities company and Natural gas for  
domestic and commercial use.

### And 87 Business Firms

### Knox City Needs A Modern Hotel

Knox City is perhaps the largest city in West Texas without mod-  
ern hotel facilities. Traveling men are forced to travel from 14 to  
25 miles to find modern hotel accommodations. Any hotel man or any-  
one seeking a safe investment will find a wonderful opportunity and  
an attractive proposition in Knox City.

### County Owned Hospital Located In Knox City

Built by a \$65,000.00 bond issue, voted by Knox County citizens,  
the Knox County Hospital is the pride of the county. It is located  
in Knox City. This thoroughly modern hospital is a two story, fif-  
teen-room building, attended by excellent surgeons and physicians,  
with graduate nurses in charge.

Located on State Highway number 51, Knox City is looking for-  
ward to the day when this will be a paved highway. It is now gravel-  
led. Knox City is also just 12 miles west of Highway number 49 and  
connected by graded road and bus service four times a day.

For further information on Knox City, write O. L. Jamison, Sec-  
retary of Chamber of Commerce, Knox City Texas
