Mrs. Ivey Hostess Dead Dog Returns After Three Years

A little spotted dog belonging to O. H. Conlee disappeared from his home three years ago. Conle inquired here and there and finding no trace of the dog, decided he must have been stolen or met with a fatal accident. Tuesday while working in his garden, Mr. Conlee uncovered a small grave where the dog had been buried, only a few days ago. Where had the dog been these three years? Why should anyone bring the dog back and bury him in the garden? Mr. Conlee is mystified, and would like to know what did happen to his little spotted dog.

Every view...every test...every ride...proves is the most Beautiful BUY of all

The most Beautiful BUY for Styling

Look at this exciting new Chevrolet from any point of view-inside and outside, front, side and rear-and you'll agree it's the smartest-looking automobile of this new year. For it alone, of all low-priced cars, brings you the distinguished beauty and luxury of Body by Fisher-the body featured on highest-

The most Beautiful BUY for Comfort

Settle into the deep, soft, form-fitting seats. Notice the extra-generous head, leg and elbowroom of the Super-Size Interior. Ride in this "car that breathes" -with an advanced heating* and ventilating system that inhales outside air and exhales stale air-giving comfort beyond compare! *(Heater and defroster units optional at extra cost.)

The most Beautiful BUY for Driving and Riding Ease—with new Center-**Point Design**

Most sensational of all the advancements in this thrilling new Chevrolet for 1949 is the entirely new kind of driving and riding ease which it introduces into the low-priced field. New Center-Point Design-including Center-Point Steering, Center-Point Seating, lower Center of Gravity and Center-Point Rear Suspension-brings you driving and riding results heretofore found only in more expensive cars. The difference is so great-and so pleasing-that it's no exaggeration to say it is proving a revelation to all who drive or ride in this car. Remember-only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful BUY for Performance

What thrills you'll have when you drive this car! It's the only low-priced car with a Valve-in-Head engine
—the engine which more and more makers of higherpriced cars are adopting-because it gives a much finer combination of performance, economy and dependability. And Chevrolet's world's champion Valve-in-Head engine holds all records for miles served and owners satisfied.

The most Beautiful BUY for Safety

The drama, etched against a colorful panorama of big city life, packs enough excitement for a pair of films.

> Virginia Mayo plays a society girl, whose gambling activities their loyalty. get her into considerable trou-Opposite her is Bruce Bennett, who departs from his usual screen heroics to essay the dramatic assignment of an ace gambler. He promises to make good the losses of his patrons at his swank gambling establishment after a hold-up, and it is this opening incident which tees off the rapid-fire flow of

Murder also enters when Miss Mayo's young brother, played by Robert Hutton is killed off. He is trailed by Bennett's henchmen following a rush operation on the ruthless gambler, and killed when he heads for the police to report the case. From here on the drama takes on added punch when Miss Mayo turns on Bennett and plots to avenge her brother's untimely death, also another killing in which she has indirectly figured. Tappedwires also figure in the film.

Richard Bare's direction is smooth. The climax in particular is high-geared excitement. Bennett in a last-minute act of chivalry hoves Miss Mayo out "Unless a herd is known to of the way to escape a deadly be free from this infection, only ambush.
