Sunrise Service Set for 6:00 A.M. Easter Sunday

Designed as an inspiring supplement to regular Easter Day observances in the various churches of Knox City, the annual community-wide Sunrise Easter service will be held Sunday, March 25, at the local First Christian Church, beginning at 6:00 a. m.

"To begin Easter Day in this manner—worshipping at sunrise—is a source of profound satisfaction to Christian people," Mrs. Mabel Pyeatt, program chairman, said in urging the public to attend.

Mrs. J. M. Bradberry and Mrs. George Zachary will provide a piano and violin prelude, followed by the congregation singing "The Old Rugged Cross."

Rev. C. W. Parmenter, pastor of the First Methodist Church, will give scripture and prayer. Rev. E. V. Becker, pastor of the First Baptist Church, will deliver the Easter message and Judge L. M. Williams will pronounce the benediction.

A musical reading by Mrs. Rip Collins and Mrs. Pyeatt will precede a moment of silent prayer. Special music will be provided by members from the First Baptist Church and the Methodist Church.

Just before the benediction, the congregation will participate in the hymn, "Must Jesus Bear the Cross Alone."

Everyone in Knox City and in nearby towns and communities was invited to attend the Easter Sunrise Service and receive inspiration.

YOUNG PEOPLE CONDUCT REVIVAL IN O'BRIEN

Young people are taking all leading parts in the revival now in progress at the Baptist Church in O'Brien, according to the pastor, Rev. C. A. Powell, although the revival is for all members of the church, rather than a "youth revival."

The meeting began Sunday and will continue through Sunday, March 24, with services each evening. There are also morning services for the young people at 8:00 a. m., with those attending going directly to school from the meeting.

Evangelist is Jack Jeter, of Wayland College at Plainview. Singer is Royce Dowell, also of Wayland College. Lois Jean Coates of O'Brien is pianist and Mickey Johnston of H-SU, son of Mr. and Mrs. O. S. Johnston, is acting pastor.

"This young evangelist is bringing stirring messages," Rev. Powell said, "and the services are inspirational and enjoyable."

Everyone in this area was invited to attend the remainder of the services.

PALLMEYER ON DUTY AS NEW COUNTY AGENT

W. C. (Bill) Pallmeyer arrived in Knox County Friday to assume his duties as County Agricultural Agent of Knox County.

Mr. Pallmeyer replaces Kenneth O. Lewis, county agent for the past two and a half years, who was recently recalled to active duty in the Air Force. Mr. Lewis re-entered service as a first lieutenant, and is now stationed at Sheppard Air Force Base, Wichita Falls.

Pallmeyer comes from Wichita County where he has served as assistant county agent for the past two years.

Pallmeyer is a 1948 graduate of Texas A & M, with a degree in Agricultural Engineering. Prior to the war, he attended Texas Tech at Lubbock and John Tarleton at Stephenville.

The new agent is a native of Meridian, Bosque County, Texas, and is a veteran of the past war, having served in the Pacific theater in the Signal Corps and Infantry.

The plan of work that Pallmeyer plans to follow in Knox County is as follows: Continue the work that Kenneth Lewis had started plus any new programs that the people of the county have need for, keeping in mind that the job of the County Agent is to assist the people of the county with their problems, and strive for better agriculture and livestock in the county.

The O'Brien volleyball team completed a very successful season when they defeated the Knox City girls in the finals of the district tournament at Weichert last week end, with scores of 15-11 and 15-9. Earlier in the tournament they had defeated Paint Creek, 15-4 and 15-2, and Mattson, 15-8 and 15-2. Previously, the O'Brien girls

had won the district double round robin. They were defending champions, having won the tournament and round robin last year.

During this season they played 22 games and lost only three. In the past three years they have lost only eight games.

Left to right in the above picture are: Kathleen Hayes, Di-

ana LaDuke, Faye Lowrey, Marvelene Manning, Betty Sue Johnston and Bobby Stephens. Also on the squad, but not in the photo, are Lura Johnston and Betty Cook, who have been valuable additions to the team, and Joan Alired and Melba Hutchison.

The team is coached by Wm. Mann. (Herald Photo)

Johnston Tool Co. Locates Here

Champ Clark, district manager of the Johnston Oil Field Service Corporation, has announced the opening of the company's branch in Knox City.

The Johnston company will service oil wells within a fifty mile radius of Knox City, principally fields in Knox, Haskell and King Counties. In addition to their open hole or formation tests they will also run casing and shooting tests.

Johnston has acquired by lease the property formerly occupied by Dan Caram's Service Station at 201 Central Ave. The residence at the rear of the lots was also leased for personnel.

Jimmy Harper of Wichita Falls has moved to Knox City with his wife and will serve as local manager for the company. Mr. Harper will be assisted by Robert Hurley, who hails from Jacksboro.

In speaking of the company's decision to locate here, Mr. Clark said, "We were simply trying to keep up with the development that is going on in the area and the future development that is bound to come. We want to get situated here before the big rush gets under way and facilities become more critical. We are glad to be in Knox City and appreciate the courtesies shown our representatives. We are installing telephones today and have everything in order to carry on our business."

Pfe. Sammy Tankersley of San Antonio spent Saturday here with his parents, Mr. and Mrs. J. W. Tankersley, and other relatives and friends.

O'BRIEN H-D CLUB TO STAGE AMATEUR CONTEST

Members of the O'Brien Home Demonstration Club said this week they could still use a limited number of contestants in the amateur contest which will be held in the O'Brien School auditorium next Thursday night, March 29. The show is sponsored by the H-D Club.

Any kind of entertainment act can be used, the ladies said. A team from the local square dance club, The Hayloft Hoofers, was invited to exhibit a set, and the Negro students who performed for the local March of Dimes show are expected to enter. Solos, musical numbers, quartets, readings, monologues, skits and anything else an audience will enjoy are wanted.

Included in the contestants already entered are a square dance team from the Haskell club, entertainers from Rochester, and many acts by O'Brien residents.

First place winner will receive \$500, and cash prizes of \$300 and \$200 will go to second and third place winners. Mrs. W. W. Hines, president of the sponsoring club, said.

Anyone desiring to enter an act may call 2061, Knox City, or see Mrs. Dwight Gothard in O'Brien.

ATTEND CONVENTION IN MINERAL WELLS

Mrs. B. B. Campbell and Mrs. J. M. Averitt attended the 3-day convention of the First District, Texas Federated Clubs, in Mineral Wells this week.

Carol Ann Hitchcock was guest artist for the club's banquet at the Baker Hotel. Carol furnished dinner music during the banquet.

Funeral Held for Former Resident

Mrs. Alf M. Gray, 63, of Weichert died at 6:50 p. m. Sunday in a Haskell hospital after suffering a stroke.

Mrs. Gray was the mother of Eli Gray and Mrs. G. S. Foshee of Knox City, and lived on a farm west of town for a number of years.

She was born Eliza Pearl Grant on Oct. 11, 1887 in Deport, Texas, and married A. M. Gray in October of 1903.

A member of the Church of Christ for 30 years, she had lived in Weichert the past ten years.

Funeral services were conducted Sunday at 2:00 p. m. in the Weichert Church of Christ with O. O. Newton of Roysce City officiating.

Burial was in the Weichert cemetery under direction of Mahan Funeral Home of Munday.

Among the survivors, besides Mr. Gray and Mrs. Foshee, are the husband, two sons, George Gray of Weatherford and Connie Gray of Morton, and three daughters, Mrs. Ira Hudson of Brownfield, Mrs. Eva Channey of Ft. Worth, and Orvetta Gray of Ft. Worth.

LODGE TO HAVE ANNUAL EASTER SERVICES

The Knights Templar of the Haskell Commandry No. 49 will have their annual Easter service at the First Christian Church in Haskell on Sunday, March 25 at 6:30 p. m., W. M. Rowan, commander, said Wednesday.

All Knights Templar are invited to be present and to bring their families. Those with uniforms may wear them, Mr. Rowan said.

George Hardberger, Long-Time City Officer, Resigns

City Marshal George Hardberger refuses to say how old he will be on his next birthday, March 27, but says he is "old enough to quit."

Mr. Hardberger has tendered his resignation to the city commission, effective March 27, but adds that if it is the desire of the commission he will continue to serve until the new commission is sworn in after the coming city election.

George has been an officer of the law most of the time since April of 1917, when he was appointed deputy sheriff. He first went to work as city marshal of Knox City in the early twenties, and served twelve years. This time, he has held the office for six years.

The retiring officer—who even looks like a West Texas peace officer—is well known in this section for his abilities. He has been "shot at" more than once, and has participated in his share of thrilling adventures.

One of his most exciting

chases was the time he captured a trio who had robbed a bank in Oklahoma. Spotting the robbers driving through, George chased them almost to Rule before he made the arrest. En route he had a flat tire and commandeered a car driven by Hob Smith of Rochester.

The trio, two men and a woman, surrendered without a fight, although they had a small arsenal in the car. The reason they didn't fight, one of the men said, was because the marshal had the drop on them and "looked like a man who would shoot."

Old timers also recall the time George tracked down and arrested five men who had burglarized practically all of the Knox City business district, after tying up the nightwatchman, Jim Finley. The marshal had little to go on besides the "make of car the burglars were driving and the fact that it had a faulty muffler, but by shrewd "detecting" he traced the men

to Wichita Falls and Ft. Worth, where the arrests were made. The day after the burglary, it is recalled, a local posse trailed a car with tire markings similar to those on the car used by the burglars. The trail led to a pasture near Buzzard Peak in King County, and there the posse discovered they had been chasing two local men out for a quail hunt.

George has an unusual memory for stolen articles, and many times has recognized and recovered articles that were stolen many months previously.

The marshal has farming and cattle-raising interests here and on the Plains, but says it isn't "pressing business matters" causing him to retire—it's just that he wants to "take it easy."

In tendering his resignation, the marshal expressed his appreciation for the splendid cooperation he has always received from the city government as well as the citizens of Knox City.

A great step toward relieving Knox City's housing shortage was made this week when Roy Tankersley broke ground for a twenty-unit apartment project just west of his home in south Knox City.

Construction work has already begun, and Mr. Tankersley expects the units ready for occupancy in about three months. Silas Ward, local contractor, is in charge of construction.

The project will consist of twenty apartments laid out in horseshoe shape, with 12 units facing east, four north and four south. The open side of the horseshoe will be to the east.

Each of the units will have floor space 16 feet by 24 feet, with a bath, kitchenette and ample closet space. The living room-bedroom in each unit will be 16'x16'. The baths will be of masonry tile, and Mr. Tankersley says the entire apartments will be nicely finished inside and out.

In addition to the regular apartment units, there will be two extra rooms, on the northwest and southwest corners, that can be rented as extra bedrooms with two apartments. Then, within the horseshoe, there will be a unit containing bachelors' quarters—two rooms with baths, but no cooking facilities.

Outside of all buildings will be of Graham rock veneer.

Mr. Tankersley plans to install nice furniture in the apartments, including—if the renter wants it—cooking utensils, dishes, cutlery and linens. "I'm going to rent them any way the renter needs them," he added. "I'll rent them fully furnished, barely furnished or unfurnished."

Also included in the project is a playground equipped with a merry-go-round, swings, seesaws, slides, etc., for the children living in the apartments.

In addition to the apartment buildings, extensive additions are being made to the Tankersley home, already one of Knox City's finer residences. The dining room is being enlarged and will have a fireplace with an 18-foot stone mantel, and a huge picture window with stone plant box underneath. Also being added to the house are another bathroom and a third garage.

Nine In Race for School Trustee

There'll be a big slate of candidates for the two Knox City School Board positions to be filled in the election Saturday, April 7, according to County Judge J. B. Eubank, Jr.

Twelve names have been filed by petition, Judge Eubank said, but three men have asked that their names be withdrawn, leaving nine names to appear on the ballot.

Names on the ballot will be Roy Day, Walter Thomas, Eddie B. Shaver, Jr., J. R. Hitchcock, Alton Fitzgerald, Neil Perdue, Lawrence Conway, J. Tidwell and B. Hendrix.

Posts to be filled are those held by Walter Thomas and Bill Lankford. Mr. Lankford has declined to seek reelection, although his name was filed by petition.

Holdover members of the board are Barney Arnold, president, Rip Collins, John Smith, J. V. Denton and L. C. Teague.

J. A. Kilgore and Burns Ray are on the ticket for election to the Benjamin School Board. One position, formerly held by B. P. Haman, is to be filled.

In the Sunset community, M. L. Verhalen and E. C. Clayburn are candidates for the one vacant post.

MRS. WARD NAMED HEAD OF BENJAMIN RED CROSS

BENJAMIN, March 19.—Mrs. W. T. Ward has been appointed as chairman of the 1951 Red Cross drive in the Benjamin community, it was announced this week.

The quota for Benjamin is \$235, and residents of the community are asked to contact Mrs. Ward if she fails to see them, in an effort to raise the quota as soon as possible.

A number of friends showed up Tuesday with fourteen tractors to lend a helping hand to Frank Woodall, ex-service man who is soon to undergo an operation and is not physically able to put his land in shape for spring.

The tractors and men made short work of cutting stalks and putting up the land on the 160-acre Woodall farm three miles southwest of O'Brien.

And to top it off, several ladies were on hand to help Mrs. Woodall prepare lunch for the volunteer workers.

Those present to help with the farming operations were: Rev. Floyd Bailey, Earl Watson, Cecil Saunders, Chester Alvin, Leon, Archie, Cleon, J. F. and T. P. When You Need Us—We Are Ready

Licensing of slaughter and processing plants (of which we are one) is now complete. We are ready to give you the entire details of what is required of home-slaughtered livestock, as it relates to what is required of you and of us.

First: let us say that we are in full compliance with the regulations. When you require our services, we are ready to serve you.

Second: let us repeat—the regulations are fair, even liberal, to folks in communities like ours. Do not be concerned for a moment that any fair-minded person cannot obey them, and utilize slaughter and processing plants like ours to the same extent as always.

Come in and let us explain any or all of the regulations to you. We can say, truthfully, that a licensed and properly operated slaughter and processing plant is more important to you than ever and we want our customers to understand the regulations, and help us to comply with them. Do not mind asking us questions—it is our business, and privilege, to answer.

An Invitation

The church of Christ in Knox City extends an invitation to each reader of the Knox County Herald to study with us each week a portion of God's word.

Beginning next week, we will have an article each week in the Herald dealing with a Bible subject. We humbly ask each person who reads these articles to take his Bible and investigate our plea. We believe "the truth shall make you free" Ino. 8:32, and Christ said in a prayer to His Father, "thy word is truth" John 17:17. Therefore we believe in speaking where the Bible speaks and being silent where it is silent.

In the word of God is contained the "gospel". Paul says in Rom 1:16 that the gospel is "God's power unto salvation."

Therefore, our desire in these articles is to preach the truth in love, that men's souls might be saved.

We beseech you to read each word, and then we beg you to criticize them, realizing that we are human beings and are subject to mistakes just as all human beings are. Send all of your comments and questions to Box 351, Knox City, Texas.

We invite each of you to listen to a radio program sponsored by the churches of Christ in this area, Monday through Saturday, at 11:00 a. m. daily. The Knox City congregation has the program each Monday morning. The radio station is KDWT, Stamford, and is 1400 on your dial.

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Graveling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chances for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

CHURCH OF CHRIST PLANS VACATION BIBLE SCHOOL

The Knox City Church of Christ this week announced definite dates for their Vacation Bible School this summer. The school will begin on May 28, and will continue for two five-day periods, through June 3. During the two weeks, there will be class periods each morning, Monday through Friday.

"Plans are in the making to strive to have the best school we ever had," Stanley Shipp, minister of the church, said. "We invite every child through high school age now, and will give more definite invitations later on."

THIRTY-TWO PRESENT FOR FRIENDSHIP CIRCLE MEET

Thirty-two children were present at the Methodist Church Monday afternoon for the regular meeting of the Friendship Circle.

Working with the children on the mission study and during the activity period were Mmes. C. W. Parmenter, Guy Robinson, Cypert, and Neal Logan.

The meeting closes the missionary unit on friends at home, including Mexicans, Orientals, Indians and Negroes.

Children less than 12 years old are invited to attend, and all Methodist children are urged to attend each meeting.

The annual Easter Egg Hunt will be Friday afternoon at 3:00 p. m., near the home of Mr. and Mrs. Jeff Graham. The hunt is for all children in Sunday School, Friendship Circle, or Evangelism Class.

STREAMS in Desert Places

By OZELLE STEPHENS

During this season many are asking the questions, Who is this Un-forgettable Character of Easter? How may I find Him? How may I become a Christian and follow Him? We find the answers to these and many other questions in the Bible. Often we find the welcome words, "Come Unto Me." By coming to Christ, you can become a Christian and follow Him.

First, recognize that you are not a Christian because you are good, for God's word declares, "There is none that doeth good, no, not one." (Rom. 3:12).

Recognize that you are not a Christian because you are doing the best you can, for God's word declares, "All have sinned, and come short of the glory of God" (Rom. 3:23).

Recognize that you are not necessarily a Christian because you are a member of some church, for God's word declares that "Many have a form of godliness, but deny the power thereof; from such turn away" (II Tim. 3:5).

Confess that you are a guilty sinner in God's sight, for you have broken His commandments, and all the world has become guilty before Him (Rom. 3:19).

Confess that you cannot save yourself, for "by grace are you saved through faith; and that

not of yourselves; it is the gift of God" (Eph. 2:8).

Confess that you are lost and under condemnation without Jesus Christ as your personal Saviour (Luke 19:10).

Believe the good news that Christ died for the ungodly (Rom. 5:8). He therefore died for you and settled your sin debt on Calvary's Cross.

Believe the glorious news that Christ was raised from the dead, and by power of God is now able to save all who will come unto God by Him (Heb. 7:25).

Call on the name of the Lord Jesus, with a sincere desire to be saved from your sins, for God has promised that "Who-soever shall call upon the name of the Lord shall be saved" (Rom. 10:13).

Rely on God's sure promises, not upon your feelings, and by faith declare you are saved by the blood of Jesus Christ, shed for the forgiveness of sins, and openly confess Him with your mouth as your Saviour and Lord (Rom. 10:9, 10).

By obeying these words of God, you may become a son of God. Every promise in the Bible is your very own, for the word says, "If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you" (John 15:17). He will walk beside you daily, even through the valley of the shadow of death, and you shall fear no evil, for He will lift you up and you may drink from the Living waters of life for evermore.

NOTICE TO THE PUBLIC
The Knox County Commissioners Court urgently requests your cooperation in protecting our lateral roads, especially those traveled by rural carriers and school buses, from being damaged by plowing. We refer you to a letter received from the Post Office Department, Washington, D. C., as follows: Gentlemen:
It has been reported to the Department that some roads on the lines of rural routes in the Knox County area have been made impassable for travel by the rural carriers due to the plowing up of these roads by tractor-farming patrons of the routes.
In order that efficient and satisfactory service may be afforded, it is essential that roads on the lines of rural routes be maintained in such condition as to be easily and safely passable for the carrier. When a road traveled by a rural carrier becomes impassable or dangerous to travel, the Department has no alternative but to suspend service over the neglected road temporarily or withdraw it permanently, as the circumstances may warrant.
It is earnestly hoped that sufficient interest will be taken by the persons benefited to keep the roads in good condition so that it will not be necessary to withdraw service.
Sincerely yours,
V. C. Burke
1st Asst. Postmaster Gen.

LOCAL CHURCH TO SUPPORT MINISTER IN MILAN, ITALY
Stanley Shipp, minister of the Knox City Church of Christ, reported this week that the church will support with \$125 each month, Bro. Fausto Salvoni in Milan, Italy.
"The group of preachers who have been in Italy," Mr. Shipp said, "have done much good. One of the men, brother Cline Paden, has spoken in Knox City about the Italian work, and has been in Italy some three years now, being supported by the Brownfield, Texas, church of Christ."
Salvoni will be supported completely by the local congregation, and the elders here will have the oversight of his conduct there, Shipp said.
