VOLUME 53

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, JULY 17, 1958

NUMBER 33

Chas. E. Silk presented certificates last week to three Knox City school bus drivers, Guy Robinson, Steve Reyes and Dickie Marion, for their accident-free records during the last school year. The award program is sponsored by the Texas Safety Association.

## Council Amends Ordinance Banning Burr Burning

The City Council this week amended an ordinance regulating the disposal of gin waste after officials of two local gins, Paymaster and Brazos Valley, had protested that the regulations were too stringent.

The original ordinance, passed April 7 after the proposal had been submitted to the voters in a referendum, banned the burning of cotton burrs within the city limits and required gins "to maintain suitable equipment for preventing dust and lint from being blown into the air and scattered in the neighborhood of such gins, and shall, as far as practicable, prevent or reduce the amount of dust and lint blown or allowed to escape into the air from such gins."

The latter provision was stricken from the amendment, leaving the measure confined strictly to burr burning. The amendment as amended says:

Section 1.—It shall hereafter be unlawful for any person, firm or corporation to burn or destroy any of the combustible matter, such as cotton burrs, waste matter or rubbish resulting from the ginning of cotton, within the corporate limits of the City of Knox City, Texas.

Section 2.—Any person, firm or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed One Hundred Dollars (\$100.00). Each day during which any violation of this ordinance may occur shall constitute a separate offense.

## 12 FATAL ACCIDENTS IN DISTRICT FIRST SIX MONTHS OF 1958

Highway Patrolmen investigated a total of 171 accidents during the first six months of 1958 in the Haskell substation area comprised of Baylor, Dickens, Haskell, King, Kent, Knox, Stonewall, Throckmorton, and Young Counties. Sergeant Frank Jirick announced today.

Of this total, 12 were fatal accidents, 54 personal injury accidents, and 105 property damage. Sergeant Jirick reported a total property damage of \$162,243.00 with 106 persons injured and 18 killed. This is an increase of 82 accidents and increase of eight deaths for the same period last year.

Jirick said the Patrolmen in

## Ed Kirk Named ACHS Head Coach

Ed Kirk, formerly of Benjamin, has been named head coach at Abilene Christian High School, it was announced last week.

Kirk, who coached at Benjamin several years, has been a member of Abilene Christian College Campus School faculty three years and was junior high coach last year. Besides his coaching duties he will be assistant principal and will teach science courses.

## Two R.A. Camps Slated at Lueders

Royal Ambassador camps for boys are coming up next on the schedule for the Lueders Baptist Encampment youth camps of District 17.

The Intermediate RA camp is slated for July 21-24 and the Junior RA camp, July 28-31.

Rev. Grady Allison, pastor of the First Baptist Church of Munday will be director for both camps. Ages of the Intermediates are 13 through 16 years of age, of Juniors, 9 through 12 years of age.

For the Intermediate camp, Rev. DeWitt Chandler of Clyde will be camp pastor and Rev. J. E. Moss of "Venezuela, Missionary.

Sports director will be Vonze Walters of Cross Plains; Music director, Bill Keck of Haskell; and pianist, Edwin Peoples of Abilene.

The mission book teachers will be Milton Thompson of Hawley; B. F. Risinger of Munday; Edwin Peoples of Abilene; and Bill Beatty of Anson. Ranking class instructors will be Claude Slate of Rule; Billy Burke of Girard; L. D. Regeon of Haskell; and Avery Sullivan of Sweetwater.

The day's program will include swimming in the new swimming pool, camp fire service by the river; baseball, track, crafts, during the recreation period.

A recognition service will be held on Wednesday evening at 8:30 p. m. Films and slides and missionary services will be a part of the evening programs. The camp pastor will preach at 11 a. m. Mission study and ranking classes will be held each morning.

## Knox School Bus Drivers Receive Safety Awards

Three Knox City school bus drivers, Guy Robinson, Steve Reyes and Dickie Marion, received certificates of commendation last week for their accident-free records during the last school year.

The presentation was one of the last official acts of Chas. E. Silk as superintendent of the Knox City Schools, before moving to Abilene and a new position with the schools there.

Mr. Silk commended the three drivers and said, "We are grateful to these men for their dependability, their cautiousness and their keen responsibility in safeguarding the lives of our children."

The awards program, sponsored and conducted by the Texas Safety Association in cooperation with local schools, is designed to give public recognition to school bus drivers with accident-free records.

The certificates were signed by Mr. Silk, President A. Ross Rommel and General Manager J. O. Musiek, both of the Texas Safety Association.

## School Trustees Hire 2 Teachers; Principal Resigns

Two new teachers were elected by the Knox City Board of Education at a meeting July 8, Supt. E. A. Youngblood announced this week.

The resignation of Donald R. Waldrip of Chillicothe, who had been elected principal, was accepted and the faculty lacks a principal and second grade teacher being complete, Youngblood said. Waldrip has accepted a similar position at Olton.

Named Homemaking teacher was Mrs. Jean Schwadlenock. A graduate of NTSC, Mrs. Schwadlenock has been teaching at Aspermont the past two years. Her husband is employed by Cities Service Oil Co. at the gas plant west of Knox City.

Mrs. Charles Reed of Knox City will teach the seventh grade and coach girls' basketball. Mrs. Reed, the former Faye Lowrey, is a graduate of McMurtry College, Abilene.

The Board set the school calendar for the next school term. Registration will be on August 29, and the first day of classes will be September 1. Other dates set were: November 11, Veterans Day holiday; November 27 and 28, Thanksgiving holidays; December 19, classes dismiss for Christmas; December 29, classes resume; January 1, New Year's holiday; March 6, teachers district meeting; March 26, classes dismiss for Easter; March 31, classes resume; May 19, school closes.

Supt. Youngblood said improvements at McGee Ward school have been completed. Work included adding a room and installing folding partitions between the two old class rooms.

Dressing rooms at the athletic field should be completed by August 1, he added. The 30x60 ft. building, with eight showers, has been constructed with lumber from the old cafeteria, and will be plastered.

Mr. and Mrs. John Waddell returned home Saturday from Dallas with their new son, Scott, who was born in a Dallas hospital July 5. Their other son, Stuart, is visiting Mrs. Waddell's mother, Mrs. Neil Shaw, in Brownwood.

## Big Turnout Expected at Political Rally Friday Night

A political rally, highlighted by speakers for senatorial candidates Ralph Yarborough and Wm. A. Blakely, will be held at the city tennis courts tomorrow (Friday) night at 8 o'clock.

The affair is sponsored by the Knox City Study Club, and similar affairs staged by the club in past election years have met with the approval of both voters and candidates. As far as is known

here, it will be the only political rally in the county this year.

Speakers will include the three candidates for state representative, incumbent E. Cloud, Donnell Dickson and Leroy Resell. The three-way race is creating a great deal of interest in the 83rd District.

County Judge L. A. Parker and his opponent, Marvin Chamberlain, have both indicated they

will be present, as have W. F. Snody and Ed Thompson, candidates for county treasurer, and W. E. Lovelace and John G. Robin, candidates for Justice of the Peace in this precinct.

Members of the sponsoring club will sell home made ice cream, cake and lemonade. Mrs. C. J. Reese, secretary-treasurer, said. Plans for the rally were made last Thursday at a call meeting of the club. Mrs. Joe Roy Smith is president.

Mrs. Reese urged every voter in the area to attend the rally and hear each candidate. "Show your interest in your government by hearing these men, so you will be able to vote more intelligently," she said. "And bring the children along and enjoy home made ice cream and other refreshments."

## H-SU FUND DRIVE LAUNCHED AT DINNER MEETING HERE

The Hardin-Simmons University financial campaign for a new chapel auditorium and student center opened here Monday night at a kick-off dinner at Roddy's Cafe.

Speakers included W. Truett Walton, H-SU vice president, President Evan Allard Reiff and Dr. Fred Swank, pastor of the Sagmore Hill Baptist Church in Fort Worth.

Walton traced the history of the University through the lives of its presidents. Dr. Reiff spoke on the future of H-SU.

"I believe the present time is the most critical in higher

education history with the possible exception of the Civil War era, when most institutions were bankrupt," Dr. Reiff said.

"Now there is money, but the question is: is there money for Christian education?" Reiff asked.

Dr. Swank, an H-SU alumnus, said, "The only money I have ever saved is the money I have invested in my church, my school, and in the lives of people."

He said the last five years have seen the greatest scholastic growth in the history of H-SU.

Campaign officials announced that the current funds raised total \$455,646. Fund drives are now underway in Abilene, Fort Worth, Wichita Falls, San Angelo, Hamlin, Eastland and Knox City.

The Rev. James Hester, pastor of the North Ridgeland Hills Baptist Church in Fort Worth gave the benediction. Mrs. Donald Tankersley and Sam Reed, University trustee were in charge of the meeting. Truett Latimer, alumni director, was master of ceremonies.

## Funeral Held At Truscott for Former Resident

Funeral services for Mrs. J. W. Rutherford, 78, former Truscott resident, were held in the Truscott Baptist Church Tuesday afternoon at 3:00, conducted by the pastor, Rev. Jack Davis, assisted by Rev. Bill Hall, pastor of the Gilliland Baptist Church and Rev. David Stevens, pastor of the Truscott Methodist Church.

Mrs. Rutherford died in the Foard County Hospital Monday morning, following a serious illness of several weeks. She had been in ill health for a number of years. She made her home with her children until she went to live in the rest home in Crowell this year.

Pallbearers were Jim Jones and Bryant Bate of Truscott; Harry Traweck of Crowell; Carl Haynie, J. B. Eubank, Jr., and John Bullion, all of Truscott.

Ora Frances Rutherford was born in Piedmont, Alabama to Martha and Joe McClung on July 1, 1880. In 1898 she was united in marriage to J. W. Rutherford, who preceded her in death on August 12, 1950. To this union was born six daughters: Mrs. Myrtle Jones of Benjamin, Mrs. Glennie Collier of Thalia, Mrs. Elba Traweck of Foard City, Mrs. Lona Noron of Midland, Mrs. Laverne Holmes of Roswell, New Mexico, and Mrs. Opal Caddell of Truscott; and one son, Willard Rutherford of Gilliland.

At an early age she joined the Baptist Church in Coleman County. At the time of her passing she was a member of the Truscott Baptist Church.

The Rutherford's lived on Antelope Flats, near Truscott, and lived in Knox City for several years.

Survivors are her seven children: one brother, Joe McClung of Marlow, Okla.; two sisters, Mrs. Winnie Studdard, Piedmont, Alabama; 32 grandchildren and 32 great-grandchildren.

Burial was in the Truscott Cemetery beside her husband. Womack Funeral Home in Crowell was in charge of the arrangements.

## Two Knox Youths Now in Germany

Army privates George Davis Jr. and Bobby D. Bible, both of Knox City, recently arrived in Germany and are now members of the 534th Armored Field Artillery Battalion. They are wiremen in the battalion's Headquarters Battery.

The boys attended Knox City High School and entered the Army together in October 1957. They were stationed at Fort Sill, Okla., before shipping to Europe. Davis' parents are Mr. and Mrs. George Davis.

## C of C Seeks F - M Paving

Paul Hoge and Joe Roy Smith were in Childress Wednesday to confer with the district highway engineer in an attempt to get the road running south of the Knox County Hospital paved. The pavement would intersect the new farm-to-market road being constructed east of O'Brien.

The paving is a project of the local Chamber of Commerce. Hoge and Smith are two members of a committee recently appointed to work on the project. The other committee member is W. P. White.

George Houston, secretary of the C of C, said Herbert Cunningham, resident engineer of Munday, encouraged the committee on the proposed project.

## R.A.'s Leading Little League

The R.A.'s, winners of the first half of Little League play, are leading the league in the second half, going undefeated in the three games played thus far.

Last Thursday night the R.A.'s downed the Cardinals 9-1 on eight hits off Cardinal pitchers Shaver and Reyes. Don Reeves, R. A. pitcher, allowed only one hit, according to the official scorekeeper.

Tuesday night the R.A.'s kept their record spotless with a 17-0 drubbing of the Tigers. The losers failed to get a hit off pitchers Anderson and Rodriguez, while Logsdon and Marion of the Tigers allowed seven.

The Tigers beat the Braves last Thursday night, 6-2, with all scoring done in the first inning. The winners collected four hits off Braves pitchers Wilcox and Brooks, and the Tigers' Logsdon also allowed four.

Tuesday night the Braves downed the Cards with 15 runs on 11 hits off pitchers Shaver and Tankersley. The losers collected four hits off the Braves' Wilcox, but went scoreless.

Tonight (Thursday) the Tigers and R. A.'s will meet in the first game, followed by the Braves and Cards. Next Tuesday night the Braves will clash with the R.A.'s and the Tigers will meet the Cards.

## Mrs. Hallmark, Knox Pioneer, Dies Wednesday

Mrs. Maude Hallmark, 71, pioneer Knox County resident, died at 3 p. m. Wednesday in Knox County Hospital after suffering a heart attack at her home Monday.

Mrs. Hallmark moved to Knox County with her widowed mother and family in 1898, settling six miles west of Knox City on the Moore Ranch, now known as Henderson land.

With the origination of Knox City in 1903, the family moved into town.

She was born Minnie Maude Herring in Hillsboro February 27, 1887. She married J. A. Hallmark, a barber in Knox City in 1930, and lived here since that time except for short residences in Abilene and Fort Worth.

Mr. Hallmark and a son, Sam A., preceded her in death.

Funeral will be held at 2 p. m. in Knox City Baptist Church, of which she was charter member.

The Rev. R. G. Harthcock of Waco and Rev. Billy Frazier of Idalou, former pastors, and the Rev. R. L. Dodson, pastor, will officiate. Burial will be in Knox City Cemetery under the direction of Pinkard-Smith Funeral Home.

Survivors include one son, Edwards L. of Houston; three brothers, David Herring of Anson, Miller Herring of California, and Frank Herring of Center Point; two sisters, Mrs. Nancy Turner of Gainesville and Mrs. Lela Milford of Knox City; five grandchildren and five great-grandchildren.

## Bible School at Truscott Closes

The Annual Truscott Community Vacation School which was held at the Truscott Methodist Church closed Friday night, July 11, with a program by each department.

At noon Friday the group enjoyed an annual picnic.

The following ladies worked in the Bible School: Mrs. Felix Taylor was in charge of the Primary group and her helpers were Miss Mary Ann Brown, and Mrs. David Stevens; Mrs. Tommy Tapps was in charge of the Beginners and her helpers were Misses Jeanette Jacobs, Linda Caddell and Mary K. Chowning; Mrs. N. L. Looney was in charge of the Nursery and her helpers were Mrs. Billy Smith, and Mrs. Edmund Tomaneck; Mrs. Harrold Eubank was in charge of the Juniors and her helpers were Mrs. Jenny Eubanks and Mrs. David Stevens.

Mrs. Curtis Casey was pianist, and Mrs. N. L. Looney was song leader. Rev. David Stevens, pastor of the Methodist Church, was in charge of the Bible School.

## ENROLLS IN TEXAS TECH

Bobby Day left Sunday for Lubbock to enroll in Texas Tech for the second summer session. He is staying with his brother, Kenneth, who will be a senior student in the college this fall. Kenneth's major is accounting. Both are sons of Mr. and Mrs. Roy Day.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, Texas — In 1876 a wagon team of oxen was good transportation in Texas. But on today's city streets and super-highways, the ox wagon would be just a traffic bottleneck.

Some Texans now are saying Texas' 82-year-old, ox-wagon-era Constitution is a bottleneck on the road to development of dynamic 20th-century government.

Constitution revision is not one of the currently sizzling campaign issues. But, quietly and patiently, numerous people in government, in the bar, in professional and civic groups, the press and in private and public educational institutions are plugging away in a make-haste-slowly campaign. Principal objective now is to get Texans thinking about what they want and need in a state constitution today.

Their campaign gained official blessing last year when the Legislature passed a resolution instructing the Legislative Council to do research on the subject and report back in 1959. An 18-member citizens advisory committee was appointed to counsel with the legislative study group. Dean Robert G. Storey of the SMU Law School is chairman; C. Y. Mills of Mission and Mrs. Horton Wayne Smith of Austin, vice chairmen; and Dan Moody Jr. of Austin, secretary.

Next meeting of the advisory group is to be held in September. Right now, one member admits that progress toward revision is itself moving at an ox wagon pace. Reason is that those concerned feel strongly that any action should be preceded by an exhaustive, professional research job. This takes money.

Legislative Council, with a staff of seven, and 11 studies under way, can't go all-out on this one thing, but is doing some fact gathering during the summer. Both Council and committee hope to get money for the work, perhaps by next year, from

the Legislature and/or some private foundation.

Advocates of Constitutional revision advance these points, among others, as reasons for concern:

1. It's a staggering document, 47,000 words long, patched up with 133 amendments. If nine more proposed amendments are approved next November, it'll be 54,000 words. Much of it is regarded by lawyers as properly belonging in the statutes rather than in a basic document like the Constitution. Much is cited as totally useless, such as provisions for repelling Indian raids.

2. Like Topsy, Texas' huge conglomeration of agencies, departments, commissions and divisions, "just grew." It's all so loosely put together, say critics, that folks don't know who to blame when things don't suit them. Same indictment is applied to the fiscal set-up. It's a billion-dollar-a-year business, but control is minicameated among many. State has more than 100 special funds, representing about 85 per cent of state revenue. These can't be touched by the Legislature, even if they are not needed for the purpose for which they're earmarked and are desperately needed elsewhere.

3. Another argument made is that increasing concentration of government in Washington can be halted only if state governments are sufficiently vigorous and adaptable to meet people's changing and growing needs. Some suggest that Texas' present Constitution may be a "straight jacket" on state government.

**HIGH COST OF DRIVING** — Texas drivers will have to "pay the piper" next year in higher auto insurance.

State Insurance Board has announced that, effective August 1, auto insurance rates will be substantially higher in most parts of Texas. Average hike will be 32 per cent on comprehensive coverage, 19 per cent on liability and 17 per cent on collision. In Dallas County for example, a policy which now costs \$108 will jump to \$142.

Premiums paid on the old rate schedule have not nearly met accident claims, said Penn Jack

## Cottonseed Meal Now Good for Swine Rations

**COLLEGE STATION.** — Cottonseed meal can now be used in swine rations with excellent results.

This statement was not true a few decades ago. In fact, early results from the feeding of cottonseed meal to hogs indicated that one might never be able to feed it in practical hog rations.

However, newer methods now available for processing and evaluating the protein quality and gossypol content have provided a way to make cottonseed meal that can be used safely in complete feed mixtures or in protein supplements for swine.

The Texas Agricultural Experiment Station has just released a bulletin on this subject. It is entitled "Use of Cottonseed Meal in Swine Rations."

When the complete ration for hogs contains not more than 0.01 percent free gossypol, the pigs will make good gains, according to the bulletin. No pigs have died nor have any shown the slightest symptoms of cottonseed meal injury in these experiments when the ration contained 0.01 percent or less free gossypol.

The bulletin states that this means cottonseed meals containing 0.04 percent or less free gossypol are safe for swine feeding. The rations fed contained

## Streams In Desert Places

By Ozelle Stephens

A conscience, purified by faith, made free by wholehearted forgiveness and the pure love of God is the greatest possession of man. With such a possession the heart is filled with wonderful delight and a powerful joy that makes life full of rich enjoyment. Every day is a new experience, revealing the deep truths of God, of wisdom, knowledge, and understanding. A free conscience generates a living faith that brings man into the glorious blessings of God's promises. He can know, "God is able to do exceedingly, abundantly above all that we ask or think, according to the power that worketh in us." (Eph. 3:20)

son, chairman of the Insurance Board. He attributed the insurance companies' "tremendous losses" to four factors:

1. An increasing number of collisions.
2. Higher cost of repairing today's swanky cars.
3. Higher cost of hospital and medical care.
4. Generosity of juries in awarding damages to claimants.

Auto owners, said Jackson, must realize they set their own insurance rates by the way they drive.

**WATER FUTURE** — Hope for an ever-more-prosperous Texas is found in the recently completed state-federal survey of Texas' water resources and needs.

Contents of the study were made public by U. S. Senator Lyndon B. Johnson who requested the survey a year ago. Texas Board of Water Engineers and three federal agencies collaborated in compiling data.

Each major river basin was studied and the possibility of switching floodwaters from one basin to another discussed at length.

"The scope of the economic impact of large-scale water exchange in Texas is impressive," said the report. "If exploited to its logical conclusion, there is solid evidence to indicate that the increase in Texas income would be of great magnitude."

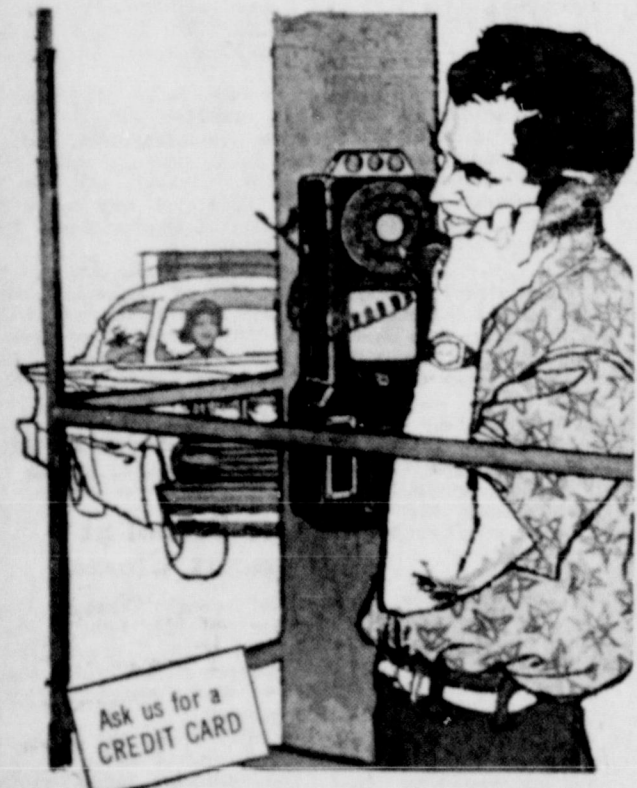

HANDS OFF — State Board

of Education has gone on record as officially—and positively—opposing any plan to tamper with the permanent school fund.

Last Legislature voted to take 1 per cent of the permanent fund available annually for current expenses. State Auditor C. H. Cavness has proposed making part of future income from school lands available for pressing present needs and putting only part into the multi-million-dollar school trust fund. But the school board declared the fund should be "inviolable."

At the same meeting the Board learned the school fund had run \$6,091,905 in the red for 1957-58.

### New Senate Hand Aided Democrats

When William A. Blakley was appointed to the U. S. Senate in 1957, he was a political unknown in Texas. But Washington awaited his arrival with great interest. So close was the party balance in the Senate that Blakley's vote was the difference between Democratic and Republican control.

True to his Democratic tradition, Bill Blakley voted with his fellow Democrats. They have been in control ever since.

Now Bill Blakley seeks his first elective term in the U. S. Senate. A vote for Blakley is a vote for sound, Democratic government.

### Mrs. Reed Observes 92nd Birthday

A shower of greeting cards and visits and gifts from members of the Woman's Missionary Society of the First Baptist Church highlighted Mrs. G. B. Reed's 92nd birthday July 4.

Mrs. Reed, who has been ill the past six years, sits in her wheel chair when she is not lying down. A week after her birthday she fell and now has to be lifted in and out of her chair. She lives with her son, Claud, and his family.

A native of Arkansas, she is the only living child of the ten children of Mr. and Mrs. Gilbert Smith. She married Mr. Reed December 25, 1887 in Arkansas. Her husband died April 26, 1926.

She moved to Knox County two years after her husband's death. She is the mother of 13 children, seven still surviving. They are Claud and Mrs. W. M. Rowan of Knox City, Mrs. Earl Peoples of Malvern, Ark.; Mrs. Tom Frazier of Arkadelphia, Ark.; Mrs. L. M. Hobson of De Queen, Ark.; Mrs. Marvin Roper of Grand Junction, Colo.; and J. Reed of Munday. She has 30 grandchildren and 38 great-grandchildren.

Mrs. Reed has been a devout christian and a member of the Baptist Church for 81 years. She was active in church work until her health failed six years ago.

### WTCC Directors To Meet July 21 At Wichita Falls

Bruce Campbell, District III Vice President of the West Texas Chamber of Commerce, announced today that a meeting of board members living in this area will be held in Wichita Falls on July 21 at 2:00 p. m., in the Assembly Room of the First National Bank.

He said the meeting was one of a series of district meetings being held for WTCC directors in which the program of work for the coming year will be outlined for board approval.

Plans call for WTCC president B. E. Godfrey of Fort Worth and the regional chamber's executive vice president, Fred H. Husbands of Abilene, to present the tentative program of work for the directors' suggestions, additions and approval, he stated.

The work program, which was developed in recent sub-committee meetings, includes the West Texas Chamber's activities in the fields of agriculture and livestock, public information, industrial development, state affairs, water resources, national affairs, community services and member relations.

In addition to planning next year's activities, he stated that particular emphasis has been placed, in recent months, on national affairs, including taxation and legislation.

The WTCC's activities in national affairs won a national merit award from the Chamber of Commerce of the United States recently for "outstanding achievement in stimulating congressional action." The award was one of only three given state or regional chambers.

The counties to be represented in the district meeting for this area include Archer, Baylor, Childress, Clay, Cottle, Foard, Hardeman, Haskell, King, Knox, Stonewall, Throckmorton, Wichita, Wilbarger, and Young.

Mr. and Mrs. Sonny Hughes left Tuesday night for Plainview where Hughes will enter the annual Plainview Golf Tournament. They will be guests of Mr. and Mrs. Alton Leach.

Mrs. Bobby Williams and children of Graham spent the week end with her parents, Mr. and Mrs. Abe Watson, and Tommy Abe.

### Youngsters Have Money Troubles

COLLEGE STATION — From the time a youngster hears the first coin clink into his piggy bank he begins to have money trouble.

Mrs. Eula Newman, extension home management specialist, says the problem may be only a penny-size one at first, but by the time he reaches his fifteenth or sixteenth birthday, dollars have become one of his biggest problems.

No matter how much money youngsters have, it always seems too little. They would like to have more, either in the form of bigger allowances or from a part-time job. They feel the need to meet the spending competition of fellow students and have some left over to save.

Money management has to be learned as does reading, writing and arithmetic, reminds the specialist. If your child begs and teases for nickels, dimes and quarters, you likely need to change your money management with him.

Many of the questions parents and youngsters ask about these problems are answered in the 4-H leaflet, "WHERE DO YOU GET YOUR MONEY," by Mrs. Eula J. Newman, home management specialist, and C. H. Bates, farm management specialist.

Get a copy from your county extension agent's office. Call a family conference and help your youngsters improve their plan for spending.

Mr. and Mrs. Chas. O. Turner and children have been visiting Mrs. Turner's parents, Dr. and Mrs. T. S. Edwards. The family flew from Dallas to Los Angeles, Calif., for a visit with Mr. Turner's brother, A. S. Turner, before flying back to their home in Lexington, Va. Tuesday.

Mr. and Mrs. Joe Murray Clonts and Diane left Wednesday for Dallas to attend the Southwest Furniture Show.

Miss Glenda Turner returned to her home in Abilene Sunday after a visit here with her uncle and aunt, Mr. and Mrs. C. S. Woodward, and Mr. and Mrs. C. E. Woodward.

Mrs. Zelma King returned Wednesday to her home in El Paso after a visit here with Mrs. Bertha Perry.

### Legion Auxiliary Elects Officers

Mrs. Gay Robinson was re-elected president of the American Legion Auxiliary at a meeting Tuesday night.

Other officers elected are Mrs. W. N. Lewis, vice-president; Mrs. O. M. James, secretary-treasurer; Mrs. Paul Fitzgerald, historian; Mrs. C. S. Woodward, sergeant-at-arms; Mrs. E. R. Carpenter, chaplain; and Mrs. Loyce Teague, reporter.

A joint meeting of the Legion and Auxiliary was held to hear reports from the local representatives to Boys State and Bluebonnet Girls State held recently in Austin. The reports were given by Truman Barnett to Boys State and Charlotte Cornett to Girls State.

Their reports were in the form of a round-table discussion and question and answer period.

There were 358 girls at State, which was held at State School for the Blind State had 500 citizens held at the University of Texas.

Mrs. Dan Steakley and Temple are visiting her mother and Mrs. C. C. Hoge, who last week in Temple with daughter, returned home with them.

## Social Security Due On Domestic Workers

Social security reports on domestic workers for the May-June quarter are due in July. Erton F. Tate, manager of the Wichita Falls social security office announced today.

Under the present law, most domestic employees, such as gardeners, cooks, maids, and housekeepers, are covered under social security. Employers of these and other household workers must report the cash wages paid and remit the social security tax of 4 1/2 per cent of the employee's wages. In cases where the domestic employee has earned less than \$50 cash in the quarter, the employer does not have to make any report.

Mr. Tate stressed the point that these wage reports are extremely important to the domestic employee, since old-age, survivors, and disability insurance benefits under the social security are figured on the basis of the amount of earnings credited to a person's account.

The form used in making the return on household employees requires only a few minutes to complete and may be obtained from the office of the District Director of Internal Revenue in Dallas, Texas.

## Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

Them Congressmen has been arguing fer six months over a bill to keep billboards off them new Federal highways they is fixing to build. The fellers at the country store Saturday night decided they'd put the subject on the barrel-head fer one evening. Farmers can often decide things better in one evening than Congressmen can in six months.

Ed Doolittle allowed as how it would set education back 20 years to do away with billboards. He says the magazines is all talking about Johnny can't read much no more on account of this new progressive education system we got in the schools. Ed's magazine information ain't too up to date on account of the only magazines he ever sees is the ones his old lady fetches home from the beauty parlor. But he claims the only reason Johnny can read the stop sign at a railroad crossing is from what he picks up from them billboards while he's riding the school bus back and forth. He's in favor of billboards 100 per cent as a education measure.

Jim Clodhopper didn't agree with Ed. He says everything else has gone scientific and he can't see no reason why Johnny can't git a education without learning how to read and write. He thinks Johnny peeping at them billboards is bad fer education under the new system we got now of educating a kid without learning him nothing.

I sided with Ed in the argument. I've lived a full life, Mister Editor, a long span of years, from the days when folks had a plain cabin to now when they

got a cabin plane, and things is gitting too scientific. What little schooling I got was when they supervised a kid while he worked and turned him loose when he played. Now they supervise him while he plays and if he does any work I ain't heard a-bout it.

I ain't belittling science in general. It can do a heap of things. Fer instant, I know we're living twicet as fast as we did 50 year ago but it takes a woman twicet as long to git to be a old maid. That's science. It's mighty hard these days to tell how old a woman is if she uses these beauty things, paint and lipstick, just right. Personally I feel about the same toward 'em as I do a used car. I git mighty suspicious if the pain job looks too good. Yes, I know beauty parlors has got a lot to do with holding up the old maid situation. I don't know what's holding up the billboard situation in Washington.

I see by the papers where Senator Talmadge from Georgia says those hidden taxes is eating people up. It'll be plenty of time fer me to worry about them hidden taxes after I can git them out-in-the-open taxes paid.

Your truly,  
Uncle Ben

## Blakley Story Is Typically Texan

The typical American story is of the poor boy who made good through his own efforts. This is the story of Bill Blakley, born in a covered wagon while his parents were on their way to homestead in Oklahoma territory. He has come a long way in 59 years. Said the Austin American-Statesman, when William A. Blakley announced for the Senate:

"... He was a top-hand cowboy; he was a crackerjack bank clerk; he was an exceptionally good accountant and lawyer. We have an idea that he is going to be a refreshing, able political candidate. He would make a great United States Senator."

Vote for Bill Blakley on July 26 - an able man whose only ambition is to serve all of Texas.

**Bulletin Available On Small Grains**

COLLEGE STATION.—Small grains occupy a unique place in Texas agriculture because they are suited to so many uses and are grown from the 50-inch rainfall belt and mild climate of Southeast Texas to the 15-inch rainfall belt of Northwest Texas where winter temperatures are often very severe.

They are used extensively as grain and forage crops in Texas. The combined acreage of wheat, oats and barley generally exceeds six million.

Statewide small grain tests have been conducted to provide information on the best varieties to grow in the several areas, and to provide a means for final testing of experimental strains before they are named new varieties and distributed to growers.

Because of the wide diversity of climate under which the crops are grown and tests conducted, the state is divided into seven areas.

Results and conclusions derived from these tests are summarized in a bulletin just released by the Texas Agricultural Experiment Station entitled "Performance of Small Grain Varieties in Texas, 1946-47."

Yields of experimental strains are not included in the bulletin—only yields of commercial varieties are covered.

Some of the topics included are growing areas and test locations; climatic conditions and soil types; field design of tests and experimental data. It contains information on barley, oats, and wheat. The 19-page bulletin may be obtained upon request from the Agricultural Information Office, College Station, Texas. Ask for bulletin 899.

**\$213.94 CALVES FROM WEATHERFORD**—An indication of how things have changed in the livestock business was the strength of prices in the double-header cattle sales at Fort Worth July 10-11. These calves were consigned by Herman Carr, left of Weatherford and were grand champion feeders of the show. They weighed 563 pounds and sold at \$38 per hundred to gross \$213.94, a record for the year in Texas. A total of 1,304 calves averaged over \$144 straight across in the sale. Also shown are Charles Nebbett Jr., Stephenville, and D. Burns, Guthrie, the judges and salesman Charles Tadlock. The cattle sold to Phil Weaver and Sons, Fort Worth order buyers for shipment to the cornbelt.

**Special Milk Program Will Be Extended**

President Eisenhower has signed into law a bill providing for continued operation of the Special Milk Program, which makes more milk available to children. The program will be available to the more than 5,000 summer camps, day camps, recreation centers and other child-care institutions, and schools which plan to participate in it this summer. It will serve three-quarters of a million children. This includes the schools which hold regular summer sessions as well as schools which operate during the summer to make up for the time lost during the harvest season.

Enactment of the bill, which extends the program for three years, also makes it possible for school administrations to make

**Sure-footed Man Serves Texas**

The colorful language of the ranch and trail seems to fit Bill Blakley, who made his start in life as a working cowhand. He still rides and ropes with the hands on his ranch at roundup time.

Speaking of Blakley's service as U. S. Senator in 1957, the Dallas News said: "... if he was as unassuming as an old boot, it was nevertheless a well polished boot that never wobbled or wandered from its purposeful path. For this man Blakley is a sure-footed man who knows exactly where he stands and what he believes."

Texas will vote to return William A. Blakley to the Senate on July 26 because he truly represents the spirit, traditions and views of all Texas.

**PERSONALS**

Mr. and Mrs. Bill Baker and children of Mattson visited his grandmother, Mrs. T. P. Frizzell, Sr. during the week end. Mr. and Mrs. Baker are attending the summer session at McMurry College in Abilene.
