

M. E. CONFERENCE MAKE APPOINT- MENTS

The North-west Texas Conference of the Methodist Episcopal Church, South, closed its seventy-first Annual Session at Sweetwater Sunday night with Bishop Hiram A. Boaz, Houston, reading pastoral appointments at the evening service, at the conclusion of a sermon delivered by Dr. J. W. Hunt, Abilene, president of McMurry College. Dr. Hunt was re-elected.

The appointments resulted in a general shakeup in the conference. The next conference will be held in Vernon.

Officials declare the conference was one of the most successful ever held in West Texas, estimating that 3,000 persons attended services Sunday in Sweetwater churches, all pulpits in the city being occupied by visiting Methodist pastors.

Bishop Boaz ordained deacons at the close of the morning service and ordained elders preceding the memorial services in the afternoon, at which Dr. J. T. Griswold, Childress, officiated.

Appointments announced by Bishop Boaz were as follows:

Abilene District
E. E. White, presiding elder: Abilene, First Church, J. H. Hamblen; Abilene, St. Paul's Church, J. Richard Spann; Abilene Oak Street, J. E. Harrell; Albany, T. J. Rea; Anson, B. W. Dodson; Anson, Circuit, Earl M. Nowlin; Avoca-Leuders, Joe S. Strober; Baird, M. S. Leveridge; Blair Circuit, Margin Williams; Caps, E. L. Naugle; Clyde, Raymond Van Zandt; Clyde Circuit, W. V. O'Kelley; Cross Plains, C. C. Armstrong; Dreesey Circuit, G. C. Williams; Hawley Circuit, Hawley F. Mason; Lawn Circuit, Adrain Rea, supply; Merkel, E. L. Yeatts; Moran, C. H. Ledger; Putnam, Cecil Fox; Trent, U. S. Sherrill; Tuscola, O. B. Herring; Tye-Stith, L. H. Davis.

President McMurry College, J. W. Hunt; professor, McMurry, College, F. Darcy Bone; professor, Weatherford College, J. V. G. Anderson; student in S. M. U., J. E. Kirby; conference evangelist, W. B. Morton.

Rev. Cal. C. Wright, former pastor of the Baird Methodist Church, was returned to Snyder, where he has been for the past year.

Rev. T. W. Brabham, former pastor at Cross Plains, was returned to Pampa.

Rev. J. B. Baker, former pastor at Putnam, was sent to Lamesa Circuit.

Rev. John W. Price, a former pastor at Putnam, was sent to Petersburg.

Rev. Ray Lee, who was pastor of the Clyde Church last year, was sent to Blackwell.

Rev. W. J. Mayhew, a former pastor at Baird, was sent to Esterline.

Rev. Tom C. Willett, who formerly lived at Tecumseh, and who was pastor at Merkel last year, was sent to Hamlin.

Rev. O. B. Annis, a son of the late Rev. J. T. L. Annis, who was a pioneer Methodist preacher in this section, was sent to Texline.

Mrs. J. M. Tucker Dies At Strawn

Mrs. J. M. Tucker, formerly of Putnam, died at her home in Strawn Wednesday at 12 o'clock. Funeral services were held and burial made at Strawn yesterday afternoon at 3 o'clock.

Mr. and Mrs. Tucker lived at Putnam for a number of years, where Mr. Tucker served the Texas & Pacific Railway as agent and some years ago he was transferred to Strawn, where the family have since made their home.

Mrs. Tucker was a most lovable woman and many friends in this county will learn with sorrow of her death. She has been ill for some time and has been confined to her bed since June.

When President Roosevelt took his first ride in an automobile in 1902 at Hartford, Conn., a horse drawn vehicle followed to serve in case of emergency.

Wednesday Club Entertained By Putnam Study Club

The Putnam Women's Study Club entertained the Wednesday Club of Baird, Monday afternoon at the Mission Hotel. Shaded windows, autumn foliage, lights here and there gave a beautiful fairy land setting for the meeting.

Mrs. Cook, the president of Putnam Women's Study Club gave a cordial welcome address, expressing the desire that the visiting club should feel it was a pleasure to provide all they could for their comfort.

Mrs. Blackburn, president of the Wednesday Club responded in a happy vein declaring the meeting was a consummation of a much desired wish. Each president expressed the desire that out of this meeting might grow a county federation.

The secretary of the Wednesday Club, Mrs. V. E. Hill was called to the table and she took charge of the program. After the program delicious refreshments were served and a social hour was enjoyed. During the social hour music by Buck Hughes, pianist and Miss Shirley Cunningham, vocal soloist, was much appreciated. It was a wonderful meeting.

A. D. Sunday School Bazaar

The A. D. Sunday School of the Baptist Church will give their Annual Bazaar, Cooked Food Sale and will also serve lunch at the E. Cooke building on Saturday, Nov. 22nd.

A cordial invitation is extended to all to attend.

With Baird Baptist

We enjoyed having a number of visitors last Sunday. We are always glad to have people visit with us at our church. We insist on their coming back just every time they can.

Bro. Royce Gilliland, wife and baby, Nettie Elvira, Mrs. Mayes and Bro. Black, pastor at Putnam, all went with me in my ford to Amarillo to the convention. We certainly had a nice time and I think it will be an easy matter to get the same crowd to go the next time.

We invite you brother, sister, to come to the service next Sunday morning, here is the text. "We are laborers together with God." First Cor. 3:9. The subject for the evening service "Fishing for Jehovah."

It is a custom here, and I like it fine, to dismiss our Sunday night service and go welcome the new pastor of any other church in town. A little while ago when that was observed in honor of the new Presbyterian pastor we were first so we could not well dismiss that night, but we want to say just here that the Baptist church is loyal for that. Now we will dismiss next Sunday night week and go to the Methodist Church to greet the new pastor, by so doing we will give the Presbyterian a chance to have their service, as they just have preaching two Sundays each month, and at the same time it will give the new Methodist preacher a Sunday to get acquainted with his own folks. So let's all be in our places next Sunday and Sunday night and the next Sunday we will go visit our new preacher.

Juniors take notice, we want you every one at Junior's B. Y. P. U. at 3:00 P. M. next Sunday.

We are looking for you and will be disappointed if you are not there. 150 for Sunday School next Sunday is our watch word.

Joe R. Mayes.

Honor Roll Admiral School

The following named pupils of the Admiral Public School made the honor roll the past month:

Fifth Grade: Ray Black and Fairy Beth Fowler.

Sixth Grade: Eddie Louise Davis and Lilly Bell Smith.

C. W. Fowler is principal of the Admiral School; Miss Nannie Perry head of the Intermediate Department and Mrs. C. W. Fowler, head of the Primary Department.

The photoelectric cell is used to sort colors of cigars, check vehicle traffic, as a burglar alarm, and scores of other uses.

CALLAHAN CITIZENS TO ASK FOR HIGHWAY BOND ELECTION

At a meeting called for the purpose of discussing a proposed Million Dollar County Wide Bond Election held yesterday at the Chamber of Commerce Building, it was voted to petition the Commissioner's Court to order the election at the earliest date possible. About fifty representatives from several parts of the county were present at this meeting.

Under the proposed plan approximately \$357,000.00 would be available for the construction of Lateral Roads; \$292,000.00 for the Retiring of Outstanding Bonds in Road Districts One and Four; \$350,000.00 for the purpose of construction of a hard surface highway from Cross Plains to Baird. If the Bond Issue carries, the \$357,000.00 for Lateral Roads should be available by February and would take care of the present Unemployment Situation in the county. Only Citizens of Callahan County would be used on these roads, and the Highway Commission will be asked to insist that unskilled labor on the designated highway be Callahan County Citizens where practical. It was also planned that the Lateral Road Money will be Deposited in the different Banks Throughout the County and the division of the money for the building of the lateral roads will be divided equally with the Four Commissioner's Precincts.

Many who have heretofore been against a bond election of this kind, are favoring this proposition, due to the fact, It Will Give Employment, To Those of the County who have failed to make crops on account of the usual drouth and are unable to obtain financial assistant, or work. Also due to the fact that the money will be deposited throughout the county and dividing equally, the money in the Four Commissioner's Precincts, making it strictly a county wide affair.

Under the plans laid out at the meeting yesterday, \$80,000.00 more will be available for Lateral Roads than under the plans submitted last election.

Ace Hickman was elected as chairman of a General County Road Committee, and the committee will be appointed within the next few days. E. D. Priest, Cross Plains, elected chairman of the Finance Committee, and James Asbury, secretary of the committee.

BIG CROWD AT-SOUTHLAND GRAY- TEND OPENING OF THE SIGNAL

The Signal Theatre was opened last night, a full house being present for the opening number.

Mr. and Mrs. Sigal have spared no work and expense on preparing for the opening of the theatre and are delighted with the reception given the reopening of the show.

The opening picture was "Follow Thru" with Buddie Rogers and Nancy Carroll.

Mr. and Mrs. Sigal returned Wednesday night from Dallas, where they have booked their pictures for some weeks ahead. They will show only the best pictures, such as the Paramount, Fox and Metro. They have also booked a number of the best special pictures.

See their ad on another page of this paper for their program for the next week.

Buck Hughes, of Putnam Seriously Hurt

CISCO, Nov. 19.—Favorable report was had from the Graham sanitarium here tonight on the condition of Buck Hughes, employe of the West Texas Utilities company at Putnam who was injured when the truck in which he was riding overturned near that place.

A. C. Britton and "Lefty" Girpatrick sustained slight bruises when the truck slipped from the wet pavement into a ditch and overturned. The men were pinned beneath the machine.

Hughes received severe bruises about the chest and other body injuries. Physicians said he would recover.

The accident occurred this morning as the three men were enroute to town from their home on Utility hill near Putnam.

Dr. and Mrs. Dodson Leave for New Home

Dr. and Mrs. B. W. Dodson left yesterday for their new home in Anson. Dr. Dodson being assigned the pastorate of the Methodist Church at that place by the conference.

Dr. Dodson has very ably served the Methodist Church in Baird as pastor the past year and Mrs. Dodson has filled her place in the work of the church equally as well and we regret to have them leave us. We wish them every happiness in their new home.

Members of club will serve as hostesses for the three day showing, which will be held each afternoon from 2 to 6 o'clock.

GRIGGS HOSPITAL NEWS

Floyd Woods, was a patient Friday for the amputation of a part of his little finger, which had been severely bitten by a hog, which he was loading into a truck.

Mrs. Justin Anderson, who was operated on for appendicitis Monday night, is doing fairly well at this time.

Clarence Aeoff, who was operated on for appendicitis, Monday night is in a serious condition.

Baby, of Mr. and Mrs. R. H. Collins, underwent a minor operation Tuesday morning.

Walter Miller, was a patient Wednesday, for the removal of tonsils.

Lois Nowlin, 4 year old daughter of Mr. and Mrs. C. G. Nowlin, was a medical patient several days this week.

UNION SCHOOL NEWS

All the teachers attended the Institute at Baird and reported a very enjoyable time.

Tuesday was a holiday in the school here and a big day with the community. A big picnic and barbecue was here on the school grounds. A big crowd and plenty to eat. Judge Clyde White and Supt. Johnson, from Baird, were the speakers of the day. The boys and girls both played ball with Scranton, the scores going to the visitors.

Mr. and Mrs. Rankin entertained the ball boys and girls with a party Friday night. Everyone reported a good time.

P. T. A. met Friday night in regular session. No program was rendered, as it was a business meeting. Mrs. Johnson will go to San Angelo to the P. T. A. Convention.

Miss Ledger spent the week-end in Sweetwater at the Methodist Conference.

Miss Holmes returned to her school work Wednesday from Gatesville, where she was called home on the account of her father's death.

Mrs. Williams was shopping in Cisco, Saturday.

All the teachers are to take birthday dinner with Mrs. Rankin today. The small baby of Mrs. Dunaway is better.

Mr. and Mrs. Rankin attended the dinner in honor of Mr. and Mrs. E. Duncan's 50th Anniversary, in Cisco, Wednesday night.

Miss Holmes spent the week-end in Cisco, in the home of Mr. and Mrs. Nick Miller. Mrs. Miller and Miss Holmes were girl friends in Gatesville, Texas.

Magnolia Station Has New Manager

Frank Hammons is now manager at the Magnolia Station in East Ham, having succeeded O. E. Eastham.

Some improvements in the way of a wash rack, etc. have recently been added and it is now one of the best equipped Stations in the city.

Mr. Hammons will appreciate a share of your patronage.

It is now possible to photograph the bullet as it leaves the barrel of the pistol.

LOWE-BARKER IS SHOWING NEW CHEVROLET

The Lowe-Barker Chevrolet Co., are showing the new Chevrolet car, which is the most talked of car in this section just now. The new car is a two-door sedan of a beautiful brown color.

Heralded as "the great American value," the new car boasts a two-inch increase in wheelbase, larger and roomier bodies by Fisher with mohair or broadcloth as optional trimming, and scores of refinements in appearance and performance despite the new prices which bring the level for the 1931 car to a far lower figure than any Chevrolet, four or six, has ever sold.

Dealers throughout the United States put the new models on exhibition nearly two months in advance of the customary date for the showing of the annual new car. This move in advancing the announcement date, it was felt by Chevrolet officials, would render a distinct contribution to the cause of general business revival by insuring extraordinary activity during the normally dull months for the 200,000 people throughout United States who depend directly upon Chevrolet for their livelihood.

Fundamentally the new model embodies the same basic features which, since the introduction of the Chevrolet Six, enabled it to achieve a popularity exceeding Chevrolet's former four-cylinder model and four times as great as any other six-cylinder car. However, scores of improvements and refinements have been made this year—every change designed to increase the smartness, performance, safety or durability of this latest General Motors model.

Among the improvements are a fully insulated front compartment, easier steering, more durable clutch, smoother and quieter transmission, and liberal use of rustless chromium plate on exposed bright parts. Four Lovejoy hydraulic shock absorbers, and fully enclosed, weatherproof four-wheel brakes continue as standard equipment.

In the line of nine body types are three open models—the roadster, phaeton and sport roadster, and six closed models—the coach, sedan, special sedan, the three window coupe, the five window coupe and the sport coupe.

All sport models come equipped with the new and popular chrome-plated radiator grills. All models have smart new wire wheels, with 4.75 by 19 tires, as standard equipment. Hubs are very large, of the concealed bolt type, with hub caps of gleaming chromium plate set off by a black ring circling the Chevrolet emblem in the center. Wheel finishes harmonize with the wide variety of body combinations.

Head lamps and tail lamp are full chrome-plate in the new car. Chrome-plated parking lamps attached to the cowl are standard equipment with all sport models and the sedan has front fenders with wells for the two spare wheels. The models equipped with one extra wheel carry the spare in the rear.

Safety factors stressed in the new cent in torsional strength, continuous include a frame increased 50 per cent of the gasoline tank in the rear away from the heat of the engine, and inclusion of a flame arrester in the air cleaner.

The two inch increase in wheelbase has been utilized throughout the line to increase the roominess and comfort of the new bodies. Smart new Duco color combinations, the addition of decorative body features and a head-on appearance extensively changed from the 1930 car combine to make the 1931 model decidedly finer in appearance than any of its predecessors.

The radiator has a larger cooling capacity this year, and is improved in both efficiency and appearance. A new treatment of the shell makes it appear much higher and the side appear to have more curvature. At the bottom of the shell is a black enameled beaded panel surrounding the starting crank hole, which enters through the radiator instead of the splash pan as formerly.

Cotton Report

B. L. Russell, Jr., gives us the following cotton report as sent out by the government: 2532 bales prior to Nov. 1, 1930, as compared with 6222 bales same date last year.

There were no English Sparrows in America until 1850.

ment if tendered her. She would succeed Mrs. Jane Y. McCollum if named to the position.

Mrs. Lee was defeated by Congressman Thomas L. Blanton in a special election held to select a representative from the 17th Texas district to fill out the unexpired term of her late husband. During the recent democratic primaries she was active in support of Mr. Sterling and devoted much of her time to furthering his campaign particularly among club women, among whom she had wide acquaintanceship because of her leadership in their organizations.

STRANGE CASE OF LUBBOCK MAN SPEAKS FOR CRAZY WATER

Thought To Be Hopeless Yet He Lived to Tell His Story

Three weeks ago today, I came to the Crazy Water Hotel on a stretcher from the city of Lubbock, Texas, with what the doctors called Typhoid Spine, and they told me that there was no medicine that would cure me. I started drinking Crazy Water and taking the baths, and on the 12th day after arriving, I took to the wheel chair and on the 17th day I started walking on crutches and can now walk without them, so I feel if Crazy Water will do that for me I cannot say enough for it.

"All Texans for all Texas"

Construction Increases

According to F. W. Dodge Corporation new building and engineering construction in Texas for September was over three million dollars more than in August, the total being about thirteen million dollars. Approximately six million of this was for residences. If figures prove anything these show that Texas is going ahead satisfactorily and that the people are spending money liberally for better homes.

Radio's Popularity

Ten years ago the radio was new—a starting novelty. Manufacturers of receiving instruments are now among America's largest advertisers. Prices of sets and terms given attract many buyers even among people who can not afford luxuries. The radio has perhaps become the country's cheapest, if not the best form of home education and entertainment.

The announcement that a \$7,000,000 corporation will likely be formed at San Antonio to manufacture radio receivers shows the magnitude of the business in the Southwest.

Thousands of people who can hardly afford the high price charged for a seat at a football game are getting reports of the games in quiet comfort in their homes and in many cases enjoying this more than they would if they attended the games.

Reducing Railway Fares

The Texas-Pacific Railway has just secured permission to reduce its day coach fares between Ft. Worth and Big Spring to two cents a mile to meet competition of highway transportation. The railroads are paying a big part of the cost of highway building and maintenance and thus assisting in building up competition that may eventually force them out of business.

Employment Situation

The San Antonio Chamber of Commerce says that it has secured employment for all laborers who really want work. There is now a big demand for labor in harvesting the vegetable and fruit crops in South and Southwest Texas and the greatest trouble is in getting laborers into the fields. To a large extent the unemployment situation in Texas is a hobo hubbub.

Helping The Jobless

Captain J. F. Lucey, of Ft. Worth, wealthy oil man, has been appointed by President Hoover to supervise the Southwestern section of the country in "unemployment relief work." Now that the financial situation seems to be clearing up a bit in the natural order of events, there seems to be a fine opportunity for playing some masterful politics of the look-what-we-did kind.

Turkey Trotting Again

The Cuero Record says that Cuero never abandoned its novel "Turkey Trot," which made the town famous almost overnight, but to keep it from getting monotonous decided to make it a triennial event, whereupon Brady gobbled up the idea; that Brady, re-

**OLD FOLKS SAY
DR. CALDWELL
WAS RIGHT**

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice.

He treated constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other mild herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to the taste, gentle in action, and free from narcotics. Elderly people find it ideal. All drug stores have the generous bottles, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

cognizing the ethics of the situation, stables, a largely increased acreage has now abandoned its venture, and having been planted. Early shipments that Cuero is to get back its lost pres-of radishes seem to bear out that tige by continuing to trot its turkeys, claim, and to hold a National reputation for turkey growing as well as turkey trotting. Good for Cuero! THE FIDDLERS

It was at a concert in New York where a celebrated teacher of the violin was exhibiting his pupils. A boy of eighteen stepped on the stage and began to play. A hush fell over the room. His face, his fingers, every move and look proclaimed an embryo artist.

With an easy assurance, in which was no trace of effort, he played one number after another, the audience urging him on with enthusiastic applause. Each of us felt the thrill of personally discovering this new star in the musical heavens. The concert over, a gentleman rushed forward to congratulate the teacher.

"You must be wonderfully proud of that brilliant boy!" he exclaimed.

The teacher was unresponsive. "Not very proud," he said.

"But surely he will be a master."

"No. He will probably be a fiddler in a restaurant."

The man was a bit indignant. Was this coolness born of professional jealousy—the envy of an older man for the brilliant youth? The teacher did not leave him long in doubt.

"The boy could be a master," he explained, "but he never will. Some of the others who performed less well today you will hear from later. But he—no. He will be a fiddler. It comes too easy; he will not work."

If you have read much of biography you know that the teacher is right. Nothing is more impressive than the infinite pains which great men have taken, not merely to achieve position, but to keep it.

Emerson tells of a letter from an artist friend describing Michaelangelo's huge mural painting of the Last Judgement, which the friend "had opportunity of seeing very near, and was astonished at the minute finish of muscles and nerves, finished like a miniature." No detail was too small for the artist whose shoulders were bent by the long effort of finishing his immortal pictures under the dome of St. Peter's.

Booth, the great actor, was never satisfied. One night, after a performance in which he seemed to the audience to have surpassed himself, a went to congratulate him.

He "found Booth with his head in his hands in the deepest dejection, from which not even the praise of an old friend could arouse him, disgusted at having given so miserable a performance."

Whether the great success is worth what it costs or whether mediocrity is a happier state are debatable questions. But there is no secret about the formula. Eternal work is the difference between the artist—and the fiddler.

Cotton On Subscription

The Elgin Courier generously offers to accept 30 pounds of clean seed cotton for a year's subscription and let subscribers pay for as many years as they wish at that rate. This is equivalent to allowing about 15 cents a pound for ginned cotton. A good offer, this.

New Railroad Charter

Texas has granted a charter to the North Plains and Santa Fe Railway to build a line north from Amarillo 100 miles through Moore, Sherman and Dallas counties to the north line of Dallas county. Next year will be an unusual amount of railroad building in Texas if only the authorities at Washington will permit it. The Interstate Commerce Commission should not keep brakes on Texas progress.

Fall Potato Crop

The fall crop of potatoes—spuds, if you prefer to call them that—around Eagle Lake is reported exceptionally fine, and the growers are hoping that there may be no frost until they ripen enough for the market, which should be soon. Many farmers are learning that potato growing pays better than cotton.

Materials may now be plated with rubber, the same as table knives are plated with silver. Metal in that way may be protected against many actions which destroy it.

Radio studios in the east type the speeches to be made and hang them over the microphone. This forces the speaker to hold his head up and aids in delivery.

Civet and Ambergris have been used for more than a century in making perfumery.

PRESENTING

THE NEW CHEVROLET SIX

Today the Chevrolet Motor Company presents the Bigger and Better Chevrolet Six, a new model of the six-cylinder car which has enjoyed such wide popularity.

In both the chassis and body of this new six-cylinder Chevrolet you will find expressed, as never before, Chevrolet's well-known policy of progress through constant improvement.

For—without departing from the basic features which have won the enthusiastic approval of over 2,000,000 buyers—Chevrolet has produced a six-cylinder car which represents an entirely new standard of quality, value and refinement in the low-price field.

Your first impression of the new Chevrolet will be one of striking fleetness, grace and beauty. The car is longer, lower and modernly smart. The radiator has been deepened and its appearance enhanced by a curving tie-bar and chrome-plated parabolic headlamps. The long

hood lines sweep back unbroken to blend gracefully into the new Fisher bodies. And never was Fisher's fine craftsmanship more evident than in the bodies of the new Chevrolet Six!

Not only are the smart, graceful, new bodies roomier and more comfortable, but as you study them you will discover many gratifying new features and pleasing refinements—many examples of that painstaking attention to detail which is the basis of true quality.

Mechanically, too, the new Chevrolet Six is a better automobile. The wheelbase is longer. The frame is stronger. The steering is easier. The clutch is more durable. There is a smoother, quieter, easier shifting transmission. In fact, wherever finer materials and more advanced design could add to Chevrolet quality or increase Chevrolet's traditional economy of ownership—improvement has been made. See the new Chevrolet Six—and you will agree that here is the Great American Value!

» » AT NEW LOW PRICES « «

Chevrolet has long been one of the lowest priced cars in the world. Yet due to the savings of volume production and increased manufacturing efficiency, the Bigger and

Better Chevrolet is offered at new low prices. Come in today. See and drive the new Chevrolet Six. Learn the new economy of owning a modern, fine quality, six-cylinder automobile.

Subscribed to and sworn to before me, this the 12th day of November, 1930.

S. E. Settle, County Clerk,
Callahan County, Texas.

The State of Texas,
County of Callahan.

I, S. E. Settle, Clerk of the County Court, and Ex-officio Clerk of the Commissioner's Court of said County, do hereby certify that the above and foregoing is a true and correct copy of the Treasurer's Quarterly Report, as submitted by Mrs. Will McCoy, County Treasurer, and as approved by the Commissioners' Court, of date November 12th, 1930, as appears from the original Report thereof, and the original order approving same, now on file in my office.

Given under my hand and the seal of said Court, in Baird, Texas, this the 18th day of November, A. D. 1930.

S. E. SETTLE,
County Clerk and Ex-officio Clerk of the Commissioners' Court of Callahan County, Texas.

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crueler pains of colic, or constipation, or diarrhea; effective, too, for older children. Free million bottles were bought last year.

DR. REA OF MINNESOTA

The P. T. A. met in a social meeting at the school building on the afternoon of Nov. 13. The meeting opened with a song by all, "America the Beautiful." Roll call was answered by each one with a verse from the Bible. The first number on the program was a piano solo by Mary Francis Satterwhite. Reading, "How do I look," by Estella Pearce. Speech, "Ignorance," by Milton Heslep. Song, "Down the River of Golden Dreams," by Opal Heslep and Dolores Brandon. Play, "How a Woman Keeps a Secret," High School girls. The following new members were added to the roll, Mrs. Pete King, Mrs. E. C. Elzey, F. P. Shackelford, Mr. and Mrs. W. H. Norred.

Mrs. Tom Wingo, Mrs. Cus Brandon, Mrs. C. S. Turner and Mr. Willis Hodges. Everyone spent an enjoyable afternoon and especially during the refreshment period when pumpkin pie and hot coffee were served. The next regular meeting day falls on Thanksgiving, so it was decided to meet on Thursday following Thanksgiving day which will be Dec. 4, at 3:30 o'clock. All parents are extended an invitation to come and join the P. T. A. and in this way help the school in its onward progress to a successful term.

A tasty chicken dinner was prepared and given Miss Bertha Buchanan in the home of her parents, Mr. and Mrs. W. A. Buchanan in honor of Mrs. O. W. Hampton and daughters, who left Monday for their new home in Artesia, New Mexico. Those enjoying the hospitality of Miss Buchanan were: The honorees, Mrs. O. W. Hampton, Misses Dorothy, Maxine and Laverne Hampton, Thelma Everett, Neal Moore, Mr. and Mrs. George Buchanan and Mr. and Mrs. W. A. Buchanan.

Say! listen to this. I wonder how many people in and around Putnam realize we have an ideal school I know that the old building may not look so good, but is it really the buildings that count? If you want to see how well the school is progressing and know what your children are doing, why not visit some of the chapel exercises? You would be greatly surprised, but very proud to know that we have orators, readers and singers in the school. If this is hard to believe go to the next chapel exercises and find out for yourself-ex-student.

Thomas Harold Culwell, eight year

old son of Mr. and Mrs. Willie Culwell, of this place, was seriously hurt during the noon hour at school on Monday. He was climbing over a merry-go-round and in some way lost his balance and fell a distance of several feet to the ground striking on his shoulder and head. He was taken to the Graham Sanitarium at Cisco, where an X-Ray examination was made. Physicians found that his skull was fractured and that he was otherwise hurt about the neck and shoulders, but is expected to recover.

Women's Study Club Entertains Baird Wednesday Club

Members of the Putnam Women's Study Club entertained here Monday afternoon for the Wednesday Club of Baird, which presented an interesting and instructive program for the occasion. The spacious banquet hall was artistically decorated. Autumn leaves of golden and brown tints, with red berries inter-twined formed a wall along the corridors and the massive windows of the room were beautiful with drapes of balsam vine also inter-twined with dainty red berries. Many huge baskets and pots of home grown Chrysanthemums and roses were in evidence. These with the soft shaded electric lights, made a beautiful setting for the program of the day. On arriving the members of the Baird Club were presented to the members of the Putnam Club by the acting hostesses, Mrs. W. H. Norred, Mrs. F. P. Shackelford and Mrs. John Cook. The president of the Putnam Club, Mrs. Fred Cook, called the house to order and after extending a cordial welcome to the Baird Club presented Mrs. L. L. Blackburn, pres-

ident of the Wednesday Club. After responding to the welcome, Mrs. Blackburn called for the program, omitting the business session.

Mrs. Ace Hickman opened the discussion of the subject, "Texas Steers" by calling for the following: How Steers were First Marketed, Mrs. George; Spring Round-up, Mrs. S. E. Settle; On the Trail, Mrs. Rupeert Jackson; What is a Stampede, Mrs. H. H. Shaw; By What Means were Stampedes Prevented?, Mrs. W. C. White; Qualities of Cow boys, Mrs. Lidia; Aspects of Cow boys Character that have been misrepresented, Mrs. Ross; How the Cow boy was clad, Mrs. Brightwell; Routine of the Trail, Mrs. Hill; Why was the Southwest opened up so rapidly?, Mrs. Cook; Difficulties and Hardships of Early Ranchers, Mrs. Farmer. These brief discussions were to the point and each member gave a most vivid description of her subject.

"Texas Cattle in Free Grass Days" was an interesting paper given by Mrs. Short. "Cattle of Today", by Mrs. Blackburn. The concluding number, "Cowboy Songs" was beautifully rendered by Mrs. Holmes, accompanied by Mrs. Hrightwell, who also composed the music to these old ballads.

The meeting was then turned back to the hostesses and after formal adjournment, the women enjoyed a social hour during which they were served a refreshment plate of turkey salad, zwieback pie and hot coffee. Miniature turkeys, mounted on boxes of mints, were the favors. During the hour the clubs were entertained by two Putnam artists, Mrs. Buck Hughes, pianist, and Miss Shirley Cunningham vocal soloist, gave selections.
