Look To The East

By AARON EDGAR

Several years ago, when a convention of the West Texas Press Association had concluded in Midland, Bridge and the then editor headed southward through Rankin and on to the little town of Iraan.

By previous arrangement, we were to visit Mr. and Mrs. Robert Nixon and family that Saturday night. Mrs. Nixon (Peggy Jean) was the daughter and only child of our oldest brother, and we hadn't seen her in quite some spell.

As we visited in the home, we were quick to make friends with their oldest child, a son, Bobby, who we guess was about five years old at the time. After a while, we decided to go down to the Red Barn Grocery, which Bobby's father owned and operated.

Bobby was plumb willing to act as our "tour guide" along the way. As we reached the main street and row of business houses, we passed a doctor's office.

"That's Dr. Watson's office," Bobby said with noticeable pride. "He's my friend!"

Just last May, at our family reunion, we again met Bobby and renewed acquaintances with him. We reminded him of the incident when we passed the doctor's office.

"That was very true," the now mature young man said. "He was always my very dear friend!"

And we were reminded that this is what "family practice" doctors were, and should be, in a very, very small town. This has been our experience with doctors, too, since all the towns we've lived in have been small, or very small.

This personal friendship is what endears the doctor-patient relations toward each other. It gives the patient a secure feeling of confidence that "our good doctor" will do everything he can for us; and, when he's not sure what ails us, he's always ready to direct us to someone who knows.

It is a relationship that means a lot! To suddenly realize that it's gone causes a distinct feeling of loss.

Tuesday evening of last week, as we waited for the town hall meeting to begin, we formed the acquaintance of a new friend, Pete Brockett.

In our conversation we said: "I have lived in Munday for about 43 years, and this is the first time I've ever been without a doctor." And true it is.

When we came to Munday, there were five doctors very well within our beck and call. We had Chase Eiland and R. L. Newsom, both of whom became the friends like Bobby's Dr. Watson. Then, there was the pioneer, Dr. A. A. Smith, whom everybody loved and took pride in calling friend.

Within a short distance were two other devoted and beloved family doctors, Drs. E. F. Heard and W. M. Taylor of Goree.

Dr. Newsom was the last to retire from his duties, and there are many who continue to be proud to call him friend as he occupies Leisure Lodge in Munday.

We then relied on Dr. R. G. Howell to diagnose and treat our ailments. Now that he has relinquished his practice at Knox City, we feel the tragedy of being without a real doctor-friend after all these years.

That's why it's important to us, and many, many others in the Munday area, to make every effort possible to secure the services of a "family type" doctor in Munday. If you were at the town hall meeting August 11, you know the need as well as many of us do. You know the efforts that have been put forth by the Medical Search Committee for the past two years.

You also know what needs to be done to make a doctor's residence here more inviting. If you don't then you should learn by contacting the Chamber of Commerce and members of the search committee.

Then search your heart and determine what you should do to help the cause. Do it now!

Area Schools Announce Details On Meal Program

Munday, Goree and Weinert Schools offer students nutritious meals every school day. These three schools have announced the prices of students' meals and the guidelines for free or reduced meals.

Munday students may buy lunch for 50¢ in elementary, 55¢ in Jr. High and High School. Breakfast can be purchased by all ages students for 20¢.

Goree students' lunches will be 50¢ with breakfast for 15¢.

Regular student lunches in Weinert will be 60¢ and breakfast is 30¢.

Children enrolled in these schools who are from families whose income is at or below the level shown on the scale below are eligible for free or reduced-price meals. If the children are eligible for free meals they are also eligible for free extra milk.

School officials have adopted the following family size income criteria for determining eligibility:

Family Size	ANNUAL	
	Free Meals	Reduced-Price Meals
1	\$0 - 5,600	\$ 5,600 - 7,970
2	0 - 7,400	7,400 - 10,530
3	0 - 9,190	9,190 - 13,080
4	0 - 10,990	10,990 - 15,630
5	0 - 12,780	12,780 - 18,190
6	0 - 14,570	14,570 - 20,740
7	0 - 16,370	16,370 - 23,290
8	0 - 18,160	18,160 - 25,840

Each Additional Family Member \$1,790 \$2,550

Children from families whose income is at or below the level shown on the scale may be eligible for either free meals or meals at a reduced price. Reduced prices in Weinert school are 15¢ for lunch and 10¢ for breakfast. Munday School reduced price is 10¢ for lunch and 10¢ for breakfast. Goree School will set their reduced price this week.

To apply any time during the year for free or reduced-price meals for children, parents may pick up an application at

their respective school.

If, during the school year, there are changes in the family size or substantial changes in your income, you should report such changes to the school's officials in order that appropriate eligibility adjustments be made.

In certain cases, foster children are also eligible for these benefits. All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of race, sex, creed, color or national origin.

If you do not agree with the school's decision, you have a right to a fair hearing. This can be done in Munday by calling or writing Mr. Douglas Myers, superintendent, Box 300, Munday, Texas 76371. The telephone number is 422-4241.

In Goree, you may contact Mr. George K. Cotton, P. O. Box 156, Goree, Texas 76363 or telephone 817-436-2501 or 436-2211.

In Weinert, you may contact Superintendent H. L. Guess by writing him at P. O. Box 8, Weinert, Texas 76388, or calling 674-2401.

Munday, Goree, Weinert and Benjamin schools offer students nutritious meals every school day. These four schools have announced the prices of students' meals and the guidelines for free or reduced meals.

In Benjamin School, kindergarten through sixth grade may buy lunch for 80¢ and breakfast for 50¢; seventh through twelfth grade students may purchase lunch for \$1.00 and breakfast for 50¢. Adult lunches are \$1.50. Reduced meal prices are 40¢ for lunch and 30¢ for breakfast.

Mr. Ben Grill is superintendent at Benjamin, and he can be written to at Box 166, Benjamin, Texas 79505. You can call him at 454-2231, and he will be happy to review the decision with any parent.

Sheriff And Constable Fees Set By Commissioners Court

Knox County Commissioner's Court met in regular session on Monday, August 10, 1981, at 10 a.m. All members were present at the meeting.

Minutes of the last meeting were read and approved. Motion was made by Bobby Roberson and seconded by Lee Patterson to pay all bills as approved by the court. All voted yes.

Billy G. Johnston made a motion and Lee Patterson seconded to purchase a washer and dryer for the Knox County Jail. Bids were received as follows: West Texas Utilities, Knox City - \$922.00; White Auto Store, Knox City - \$739.90; Munday Tire and Appliance, Munday - \$759.90. All voted to accept bid from White Auto Store, Knox City, for Hot Point washer and dryer to be installed in county jail for \$739.90.

Motion was made by Billy G. Johnston and seconded by Philip Homer and commissioners unanimously voted yes to ask for Knox County's pro rata portion of the Lateral Road Fund to be used on Knox County lateral roads for construction and improvement.

Fees were set to be charged for services by the offices of Sheriff and Constable as passed by the 67th Legislature. An order was passed with a motion by Lee G. Patterson and seconded by Philip F. Homer whereas the Commissioners Court is of the opinion that the following fees are reasonable and should

be established for service of civil process in Knox County effective September 1, 1981, to remain in effect until further orders of the Court.

The order reads: For each person, corporation or legal entity, on whom service of citation, subpoena, summons, or process not otherwise provided for, is performed or attempted and return made, including mileage, if any, the Sheriff and Constable shall receive a fee of \$10.00 - Small Claims Courts; \$15 - Justice Courts; and \$20.00 - Other Courts.

For executing or attempting to execute each writ of garnishment, injunction writ, distress warrant, writ of attachment, writ of sequestration, writ of execution, order of sale, writ of execution and order of sale, or writ not otherwise provided for, and making return thereon including mileage, if any, the Sheriff and Constable shall receive a fee of \$27.00 for Small Claims Court, Justice Courts, and all other courts.

A complete wording of the order is on record at Knox County Courthouse, County Clerk's office.

In other business, the Commissioners Court unanimously agreed not to purchase carpet now for the county jail living quarters.

Motion was made by Bobby Roberson and seconded by Billy G. Johnston to Home Building Center, Munday, for \$675.00, for additional work on the county jail roof that was not in the contract. All voted yes.

With no other business, motion was made by Bobby Roberson and seconded by Philip Homer to adjourn. All voted yes.

At Town Hall Meeting

People Strengthen Efforts To Secure Doctor In Munday

(By Aaron Edgar)

In response to an urgent plea made by the Munday Chamber of Commerce and members of the Medical Search Committee, a representative crowd assembled at the Munday Community Center Tuesday night, August 11, to learn of further steps being taken to secure a medical doctor in Munday.

Approximately 150 people were in attendance, and many were active in the question and answer period at the close of the meeting.

M. L. Wiggins, president of the Munday Chamber of Commerce, opened the meeting and made a few remarks in explaining the purpose of calling the people together--that of getting their views and getting support in securing a local doctor, as we look toward the future.

W. O. Smith then presided, and he gave a brief but detailed report of work done by the Medical Search Committee for the past two years; that of hope, promise, disappointments and frustrations. "During these two years," he said, "the committee had learned its lessons, made mistakes, and finally realized we must come to grips with the problem and started advertising in various state and national medical journals, expressing our needs for a "family practice" doctor.

"We have sent out letters to all those in charge of training family practice doctors, and received limited response. Recently the journals listed some 20 doctors who might be interested--most of whom have one thing in common: They expect to make a good living for their family, and they want some assurance."

Recently, Smith said, the committee met with the Knox County Hospital Board and asked for financial help in securing the services of a Doctor Placement Service. The Board agreed to share this expense, and this service was engaged. The service fee of \$8,000.00 is to be paid when a doctor is secured, and with the town of Munday and the Hospital Board sharing equally in this expense.

Four leads on prospects have been received, W. O. announced; and, without fail, all want a guaranteed income for the first year. They are reluctant to pull up stakes, move one thousand or more miles, establish a new home and a new business without some knowledge that "they can make it."

Charts that had been prepared and displayed were explained by Mr. Wiggins, showing that a doctor with 23 patients five days a week, with a \$10.00 office call charge, plus \$5.00 for shots, lab fees, etc., on 50 percent of them, should earn \$89,700.

Twenty-four patients under the same circumstances should gross \$93,600; and by the same projection, a 30-patient load could amount to \$112,000.

In his remarks, Gary Schur said, "What we need, and what we must do, to

get a doctor is to offer a guarantee." Most prospects ask for a guarantee of \$5,000 per month, or \$60,000 per year.

"Our immediate need," Schur said, is for \$12,000 to be available the moment we make a deal with a doctor. This involves rent on Dr. R. L. Newsom's clinic, \$4,000 for the placement fee, and around \$4,000 on the doctor's moving expenses.

"We are also short of funds for paying travelling expense for any prospective doctor to come meet with us and look over the prospective area."

Schur then passed out "agreement cards", on which each person present

may indicate the amounts he, or she, would give to meet immediate needs of \$12,000. On the other side was a form to be filled out indicating the amount and manner of payments on the guarantee.

Those who have experienced such an agreement are unanimous in reporting that on very, very rare occasions have they ever been called upon to "boost" a doctor's income to meet the guarantee.

Many of those present filled out their commitment cards, some stating "there's more money if you need it"; while others desired to give more thought to the matter.

Really, this appears to be the time when we must "do or die!"

Varsity To Travel To Abilene On Friday

Scrimmage With Rotan Proves Good Work-Out For Moguls

By Coach Rogers Lankford

The Varsity Moguls will travel to Elmer Gray Stadium on the campus of Abilene Christian University in Abilene to scrimmage Abilene Christian High School at 5:30 p.m. on Friday, August 28. This will be our second scrimmage.

The Moguls hosted Rotan last Friday night and both teams received a very good work-out.

The scrimmage ended in a 1-1 tie on Varsity and a 0-0 tie with the Junior Varsity teams. Our varsity moved the ball well on our first possession of the night. However, they failed to score at that time.

Offensively we were not completely pleased with our execution but feel it will progress in the days ahead. On defense we played very well. Rotan was unable to move the ball consistently against us. They had one good drive that got down to our five yard line. In four plays from our five, Rotan eventually lost six yards.

Rotan's one score came on a 40-yard bootleg pass which fooled our defensive halfback. The Moguls' scoring came on

a 65 yard run by Lawrence Collier.

Moses Dena, Robert Murray and Lawrence Collier all had a good night carrying the ball. Chris Moore executed well, but our timing on passes still needs improvement.

Lester Adams, Victor Shields, Bryan Kuehler, Gary Adams, Junior Ramirez, Terry Hendrix and Johnny Collier did a fine job opening holes for the backs.

We had close to 200 yards rushing. The scrimmage profited us a knowledge of things we need to work on, particularly offensively. Defensively we got a good look at our personnel and they performed well.

Manager Employed For Hospital

Members of Knox County Hospital Board hired Dan Powers as manager of Knox County Hospital at a meeting held Monday night, August 24.

Mr. Powers is managing hospitals in Brownfield, Spearman and Muleshoe. He is married, and has two children.

According to a spokesman for the Board, Mr. Powers will employ an administrator at a later date who will work directly under Mr. Powers.

The new manager will assume his duties effective August 31.

Hearing On Budget

The budget and admissions committee of the Munday Area United Fund will hold its budget hearing on Wednesday, September 2, 1981, in the Chamber of Commerce meeting room.

Any agency wishing to be included in the 1982 campaign should call for an appointment not later than August 31, in order for the committee to complete its time schedule.

Watermelons Are Free Tonight!

Members of the Munday Lions Club have everything in readiness for the free watermelon feed to be held Thursday, August 27 (tonight), at the east end of the football field.

Melons have been secured and are in the cooling tank, just ready to be consumed. Starting time is 7:30 p.m.

To be honored and recognized will be new teachers in the Munday schools and all "new-comers", those who have moved to the area within the past year. The event is for everybody, however, and all are invited.

Bring yourself and family, a friend, and your appetite for melons!

Munday CF Chairman Selected

The Lone Star Chapter of the Cystic Fibrosis Foundation announces the appointment of Sandra Christensen as Chairman of its 1981 Breath of Life Campaign in Munday.

The Campaign will be held to provide the community with information about Cystic Fibrosis and to raise funds to support research, education and care programs for CF patients.

The number one genetic killer of children, Cystic Fibrosis is inherited and incurable - claiming three lives each day. An estimated one in 20 Americans is a symptomless carrier of the recessive CF gene. Currently, half of all children born with CF will die before reaching their 20th birthday.

The Authority Of Jesus

Many of the great and moving experiences in the lives of the people which are related to us in the Bible took place on a mountain. It was on Mt. Sinai that Moses received the 10 commandments from God. According to Matthew, Jesus taught the disciples on a mountain. We are also told that Jesus took Peter, James and John up on a mountain where it was revealed to them the true place of Jesus in God's kingdom. This is called the "Mount of Transfiguration" (Matthew 17:1-9).

Because many of the experiences that brought the people close to God took place on a mountain, we have come to call those times when we experience a special closeness with God "mountain-top experiences." These may come on a mountain that is a part of the topography of the land, but they may simply be times when our spirits soar to new heights as we experience the presence of the Lord. At such times the reality of God's presence calls forth in us the desire for celebration.

People who know some "mountain-top experience" usually want to perpetuate it and keep it alive. There is nothing wrong with this except that, almost always, that desire includes maintaining the current atmosphere and location. This was apparently the thinking of Peter when he said, "Lord, it is well that we are here: if you wish, I will make three booths here, one for you and one for Moses and one for Elijah." (Matt. 17:4, RSV) When Peter said this a cloud covered them and God spoke to them indicating that staying on the mountain was not what he wanted. Like the disciples, we must face the world and allow our faith to make its impact on our world. We must come down from the mountain and make our witness in the world by being God's people, doing God's will and allowing His radiance to shine in and through us. The Authority Of Jesus Was Established On A Mountain

It was a glorious experience for Peter, James and John as they were on the mountain that day with Jesus. Moses and Elijah were talking with Jesus about God and his kingdom. The disciples were moved and Peter, being a man of action, wanted to do something; so right off the "top of his head" he suggested the three booths. But God said to them, "This is my beloved Son, with whom I am well pleased; listen to him." (Matt. 17:5)

The authority of Jesus is established for us as we experience his presence on a "mountain". It may be in a group as God's Spirit permeates activities and discussions. It may be that the warmth and love of God is expressed through one of the leaders in such a way that our hearts are warmed. Like Peter, we may want to "jump right in" to perpetuate the situation, but a cloud will surely overshadow us, and we will hear God speak, telling us that we must not try to run ahead of Him, but that we, too, must "listen to him."

Accepting The Authority Of Jesus Gives Us An Assurance In Our Witness

In the second Letter of Peter, the writer witnesses with authority because he was an eye-witness to the Lord's majesty. (1 Peter 1:16-21) Peter tells his readers that he was with Jesus on the mountain when the Master talked with Moses and Elijah. Being an eye-witness gives added validity and authority to what is said. So Peter is saying that knowing the presence of the Lord Jesus Christ had a tremendous impact upon him. It helped him understand that God's message is like a lamp that is lighted in a dark place, that gives light to everything around it. God's message gives light to all who believe.

Knowing the personal presence of Jesus Christ is like being an "eye-witness" and strengthens our witness. We know what it is to be an eye-witness to some event, and the eye-witness is always desirable, and sometimes in demand.

How are we able to be "eye-witnesses" to the glory of our Lord and Saviour Jesus Christ? We were not present with Jesus on the "Mount of Transfiguration" long ago.

I believe we become eye-witnesses as the warmth of God's love prepares our hearts to see the glory of the Lord. This experience may come in a great conference as God's Spirit permeates the mundane and routine affairs and the Lord Jesus Christ becomes real for us - he is "transfigured" before us. But the heart-warming experience may come as we meditate privately and allow the Holy Spirit to come in and take control of our living.

But whatever the place or whatever the circumstance, as we experience the warmth of God's presence, we have an assurance of sins forgiven and our witness for Christ is strengthened.

The warmth of God's presence in Jesus Christ is a glorious experience indeed.

Window Shades For Cooler Homes

Window shades can make homes cooler and lower utility bills for summer, says a housing and home furnishings specialist with the Texas Agricultural Extension Service, Texas A&M University System. One study shows that window shades can reduce summer cooling costs by an average of \$100. Opaque (no light can get through), light-colored shades deflect the sun's solar rays away from windows, reducing heat buildup in the home as much as 60 percent. Less heat buildup means less air-conditioning to cool the home.

THE LADY BUG ladies softball team is pictured above after a very successful season. They played about 40 games and only lost five. Out of six tournaments entered, the group won four first places and one second place. Pictured on back row, from left, are Susan Kuehler, Darla (Punk) Myers, Kay Graham and Delores Stewart. In the front row, from left, are Lisa Zeissel, Pam Caram, Janet Yates, Cindy Reynolds, Linda Stewart and Kenna Cotton. RECEIVES DOCTORATE: Rev. H. B. Graves, Jr., chaplain and assistant manager of Golden Age Personal Care Center in Graham, has received his Doctor of Theology Degree from Trinity Theological Seminary in Newburgh, Indiana. He and his wife, Mildred, were present for the commencement program held in the Ramada Inn in Evansville, Ind. Dr. Graves has been a Baptist minister for 33 years and served as pastor of the First Baptist Church in Munday for 11 years. He has devoted full time study towards this degree since February, 1981.

Young Men Required To Register When Eighteen

Young men who reach their eighteenth birthday are required by law to register with selective service at any U. S. Post Office.

Registration is a simple process. Within 30 days of his 18th birthday, a man fills out a registration form which asks only for name, address, phone number, social security number and date of birth.

The purpose of registration is to have available on a computer the names of men born in 1960 and later years, who could be contacted quickly if there ever were a national emergency and congress were to declare an induction.

Peacetime registration will save the United States at least 4 weeks time in mobilizing its manpower in an emergency. This is especially important with today's all volunteer

force. There are only 2 million men in the Armed Services today, but we would need many more men quickly should an emergency arise - for example, in World War II we had 10 to 16 million men bearing arms depending upon the stage of the conflict.

Registration and revitalization of the selective service do not signal a return to a draft. They are simply emergency preparedness measures. President Reagan is firmly committed to making the all volunteer force a success, supporting incentives to recruit and retain volunteers.

To date, nearly 6 million men have registered. Failure to register is a felony, punishable by a maximum penalty of a \$10,000 fine and/or five years in prison.

Visiting Mrs. Oma Watson during the week while J. C. and Elizabeth Watson were in Colorado, were Winnie Howry, Doris Routon, Mutt Chamberlain, Gladys Lambeth and Doris Lane, all of Goree; also her brother, Silas Kee, and son-in-law, James, of Midland visited.

Valeria Hertel and daughter, DeeAnn, called bingo for the residents Thursday afternoon and gave out prizes to all the winners.

Visiting Irene Barton on Sunday were her daughter and family, Mr. and Mrs. Garland Howard and Scott, of Amarillo.

Jim and Maxine Grammer of Lamesa visited her mother, Mrs. G. R. Eiland, during the weekend.

Reuben Bates of Wichita Falls visited his mother, Daisy Bates, on Saturday.

Johnnie Fritz Quisenberry of Seymour visited Mrs. Mason Patton and Mrs. Irene Barton during the weekend.

The Saturday Sing-Along was held by D. E. Whitworth, Eunice Raynes, Maggie Gaines and Virginia Cary during the afternoon.

Rev. and Mrs. K. E. Woolley came for Friday afternoon Bible Study. Dovey Partridge led the singing.

The First Baptist Church of Munday conducted Sunday afternoon church services for the residents.

BIRTHDAY PARTY

The First Baptist Church of Goree hosted the August birthday party. Residents having birthdays were Dr. R. L. Newsom, August 17, and Betty Montgomery, August 14. Delicious homemade

cake and punch were served to 29 residents. Afterwards, several children from the church sang songs for the residents.

Special thanks go out to all our many volunteers.

Dove Season To Open Here Tuesday, Sept. 1

Trigger fingers of nimrods in Knox County, and over all of the area for that matter, are becoming itchy as they look forward to opening of the 1981 dove hunting season.

And that date is fast approaching. It will be next Tuesday, September 1, for the Munday area.

While dove hunters are oiling and shining their shotguns in preparation for a jaunt into the fields and to stock tanks in anticipation of securing their bag limits quickly, there's one thing they will need for sure:

A valid hunting license. These are usually renewed in August, so there will be no hitch. Hunters will then have no fear of meeting a game warden--at least in this respect!

Worth Gafford, who has sold hunting licenses for Munday for around 20 years, recently announced that he has retired from this job and no licenses can be secured at his barber shop.

James Luster at James Auto Salvage, located on Highway 277 just south of Munday's business district, has been appointed to succeed Gafford. He has all the necessary forms for hunters to fill out in order to secure their permits.

So far as it is known at the Courier office, there has been no change in the hunting season--September 1 through October 30--for this year.

Shooting hours for mourning doves will remain the same--30 minutes before sunrise until sunset. The bag limit of 10 birds per day and 20 in possession also remains the same.

Guns must be plugged to the usual three-shell capacity, and they must not be larger than 10-gauge. Hunting with rifles is prohibited.

Mr. Luster urges local sportsmen to secure their licenses ahead of opening date, if possible, and thus avoid a waiting line at the "license depot".

And don't try to rush the season, folks. Recent reports from other areas bear out the fact that hunting ahead of season can be very expensive!

Goree Title I Parents Urged To Meet

The Goree Parent Advisory for Title I students will meet Thursday (today), August 27, 1981, at 7:30 p.m. in the school cafeteria, according to J. D. Hawthorne, superintendent.

All Title I parents and other interested persons are urged to be present; as the guidelines for Title I and Migrant Programs will be given and the plans for Title I and Migrant Programs in the school system will be discussed. Refreshments will be served.

A Japanese proverb: One kind word can warm three winter months.

Gullies Caused By Runoff Water Destroys Croplands

Productive cropland, valued at several hundred dollars an acre, can be destroyed and scarred by gullies "eating" their way into fields. These gullies are caused where water courses are taking rainfall runoff into river channels such as the Brazos and Wichita Rivers. Gullies of this nature also occur where cropland borders along "badlands" throughout the country.

Sometimes these gullies can be stopped by building terraces and waterways or by shaping and establishing to vegetation. Unfortunately, this is not always the case. Due to the lay of the land and the amount of drainage coming into the gully, a Grade Stabilization Structure may be needed in order to stop the erosion. The most common, and one of the cheaper Grade Stabilization Structures, is a dam with a pipe through the embankment to draw the water down. The elevation of the pipe is set at the same elevation as the headcut in the gully.

These type of structures are designed where the emergency spillway around the end of the dam should only function about one time every 25 years. Pipe sizes vary depending on storage and drainage area in front of the dam. These pipe structures are made out of corrugated metal pipe and in this area vary in size from 12" to 54" in diameter.

If you have a problem like the one mentioned above and want to get it stopped before it destroys any more valuable cropland, please stop by the Soil Conservation Service office. Cost share is available to install Grade Stabilization structures as well as other erosion control structures. The Wichita-Brazos Conservation District provides technical assistance through the Soil Conservation Service located at Knox City.

August Is No. 1 Month For Births

August is the most popular month for having babies, reports the American Council of Life Insurance.

In 1980 there were some 330,000 births in August, 5,000 more than runner-up October.

THIRTY-FIVE KINDERGARTEN children arrived on the scene Monday morning at Munday Elementary and were left in the very capable care of Mrs. Nell Sloan, teacher, and Mrs. Frances Cypert, aide. The first day was a completely new experience for some, while others had attended early childhood classes and migrant program classes last year. While on the playground,

Mrs. Sloan and Mrs. Cypert were being confronted with statements such as "I'm hungry," "I'm thirsty", "My shoe is hurting my foot," and various other comments which from one or two might not seem so time consuming, but remember they are mothering and teaching a total of 35 boys and girls.

Fitzgerald Shows Slides On Nigeria

Rev. Bill Fitzgerald, who is home on vacation after spending three years as a missionary to Nigeria, showed a very interesting and informative slide presentation of his work there to members of the Munday Lions Club in a recent meeting.

Bill, who said his official title was Director of the Agricultural Development Program, began with pictures of the area's topography. Much of the brushy area has

been cleared off by fire and made in small farming plots.

"The dry season there," he said, "is October through May, and the wet season is May to October. During the wet season, vehicles with 4-wheel drive are necessary in travelling, although the government began a program of improving roads in 1980.

"There are all kinds of farm land, and such products as grain sorghums, tomatoes, the yam (which is a potato

much like our Irish potatoes, but much larger) and others are grown. However, pottery is also made by the natives. Water is the main problem in Nigeria."

Churches are very small, he said, although the natives show much interest in learning of Christ. Some of the best qualified people have been taught in Bible schools.

Although school attendance became mandatory in 1978, Fitzgerald said there are few schools and all of them are small. Oftentimes, classes meet under the trees, as there are no buildings. A "Chief" is the community leader, and he has much influence over the village people.

Mosquitoes present quite a problem there. An attempt to control them is made by starting smoke fires inside the huts or homes, and people even herd their cattle into circles at

night and build smoke fires in the center of these circles. "Grass huts are much cooler than the conventional homes in summer," he said.

Lions listened attentively, and many remained overtime, as the speaker told of his efforts to minister to the spiritual, agricultural, and often medical needs of the people.

LOCALS

Cecil Fitzgerald of Austin, longtime resident of Munday, visited his son and family, Rev. and Mrs. Bill Fitzgerald, and other relatives and friends in the area several days during the weekend.

Mr. and Mrs. Goodson Sellers, who were joined by their grandson, Jeff Marugg of Midland, spent the weekend with Mr. and Mrs. Glen Marugg in Woodward, Okla.

Mrs. Houston Replaces Retiree Thelma Wirges

Mrs. Elaine Houston of Pampa, Gray County agent for the Texas Agricultural Extension Service since 1974, has been appointed a district Extension director in the Rolling Plains District, effective Sept. 1.

Houston will fill the vacancy being created when Thelma Wirges, current district Extension director, retires August 31.

In announcing the appointment, Dr. Daniel C. Pfannstiel, director of the Texas Agricultural Extension Service, said Houston will coordinate activities of all county Extension agents in the nine-county area for which she is responsible, as the agents plan and carry out educational programs for clientele. The clientele includes ranchers, farmers, agri-business people, consumers, 4-H and other groups.

Her counties include Archer, Baylor, Haskell, Knox, Shackelford, Throckmorton, Wichita, Wilbarger and Young.

Houston, in cooperation with her new co-worker, Edwin T. Garnett, will recruit and train agents for the Rolling Plains District and cooperate with other Extension administrators in planning and implementing educational programs for area citizens, Pfannstiel added.

Houston has been with the Extension Service about 10 years, having served in Llano County before taking the position in Gray.

Houston grew up in Hale County and during her 10 years in 4-H leadership activities, clothing and foods, she won a number of major awards. She was named winner of the District 2 Texas Extension Homemakers Council scholarship.

She earned a B. S. degree in clothing and textiles from Texas Tech University and an M. S. in agricultural education from Texas A&M University.

She is a member of the Board of Directors of the Gray County Heart Association and also has been a member of the State By-Laws Committee of the Home Economics Agents Association.

Banvel herbicide can beat any bindweed it tangles with.

When it comes to controlling bindweed and tough perennial weeds, nothing offers the advantages of Banvel® herbicide.

Every year, perennial weed problems such as bindweed, blueweed, lakweed and silverleaf nightshade become more of a problem—proof that past control measures have not been doing their job. Turn to Banvel herbicide to stop spreading perennial weed problems.

An application of Banvel herbicide after harvest kills tough perennial weeds before they can go into winter remission. Banvel tackles bindweed and other perennial weeds on stubble... fallow or other cropland.

You can apply Banvel this season—and still return land to production on schedule. (See the Banvel label for application rates and instructions.)

Bindweed, blueweed, lakweed and silverleaf nightshade need not take over your fields. Check its proven results... check its reasonable cost... And you'll ask for Banvel herbicide.

Sunday School Held In Homes

Renovation In Progress At First Baptist Church

Work was begun several weeks ago, and is making progress on the renovation of the complete structure of the First Baptist Church in Munday. The project should be completed in six months, according to those in charge.

The project includes completely new heating and air-conditioning, remodeling of the auditorium, a new bride's room, a new sound system and sound control room.

Larry Dennis of Rule is serving as construction manager. He will supervise all the work, as authorized by the church's building committee.

While work is in progress, Sunday School classes are held in the homes of members on Sunday mornings.

Beginning next Sunday, the worship services will be held in the high school auditorium. Wednesday prayer services and adult choir practices will be held in

the Community Center.

Rev. Jim Way, pastor, reports that the work is progressing very well, and the congregation is excited about having the church renovated and ready for services. A number of local members are pitching in and doing their share of the work in areas where professional work is not a necessity.

Collins Mobil Makes A Change

Collins Mobil Station is no more - but wait - Dorse and Jean are still in business. They have only changed their name. The business is now Collins Fina Station.

The present structure that houses Mr. Collins' business was built in 1930 on a

lot from C. B. Jones. The service station operated under the name of Magnolia until the 1950's when it was changed to Mobil Oil Corporation.

Former operators include Tom Rigsby, Jasper Beavers, H. D. Warren, L. L. Huckabee, Buel Bowden, Mr. McGlothlin, James Gaither, Don L. Ratliff, H. D. Wardlaw, R. J. Anderson, Hank Matthews and Freddie Caram.

Mr. Collins began working at the station for Don L. Ratliff in the late 1930's while he was still in high school. After graduating from high school in 1940, Mr. Collins was called into the service. When he returned home, he drove the wholesale truck for Mr. Ratliff.

Mr. Collins took over the wholesale gas service in 1952. He has been operating the station for about thirteen years under the Mobil sign.

It can easily be imagined that after so many years a slip of the tongue would be understandable when Dorse and Jean say what company they are with. This will no doubt hold true for the public as well, since Magnolia and Mobil have been the two words associated with the station for over 50 years.

IN HOSPITAL

Grace Snailum is a patient in Plano General Hospital at present. She was slated for surgery on Tuesday, August 25. According to a member of the family, she will very likely be hospitalized for several days. Anyone desiring to send her a card or note of encouragement may send it to: Grace Snailum, Plano General Hospital, Room 438, Plano, Texas 75074.

PTO PICNIC

The annual Parent-Teacher Organization picnic will be held on Thursday, September 3, at 7 p.m. in the Benjamin Memorial Building, according to Barbara Pratt, PTO president. As always, bring a covered dish and get re-acquainted with the year's plan of activities. A business meeting will follow.

ATTEND RODEO

Among Benjaminites who were in Wichita Falls last Friday and Saturday for the Ranch Roundup were:

Pete, Kay and Mitzie Lindsey, Karen and Ronnie Patterson and family, Lewis, Gay and Shane Spinks, Jim, Barbara and Troy Pratt, Kynn and Trenna Patterson, Dorothy and Bill Spikes, Bobby and Philomae Robertson, Togo and Lucille Moorhouse and Sue and Tom Moorhouse.

HERE 'N THERE

Mr. and Mrs. Gerald Kilgore and family, Richard and Christine, of Des Moines, Iowa, and Willie Cunningham of Hereford visited their mother, Ozelle Kilgore, and

son, Galen, during the weekend. They also attended the Draper reunion at the Community Center in Munday. They reported about 80 persons were in attendance.

Mr. and Mrs. Van Green visited his mother, Mrs. Allie Green, in Denton over the weekend. They also visited other relatives in the Denton-Dallas area.

Tommy Benson of Clyde was an overnight guest of his mother and brother, Laura Benson and Carl Benson, on Wednesday night of last week.

Leisa Suggs Receives Degree

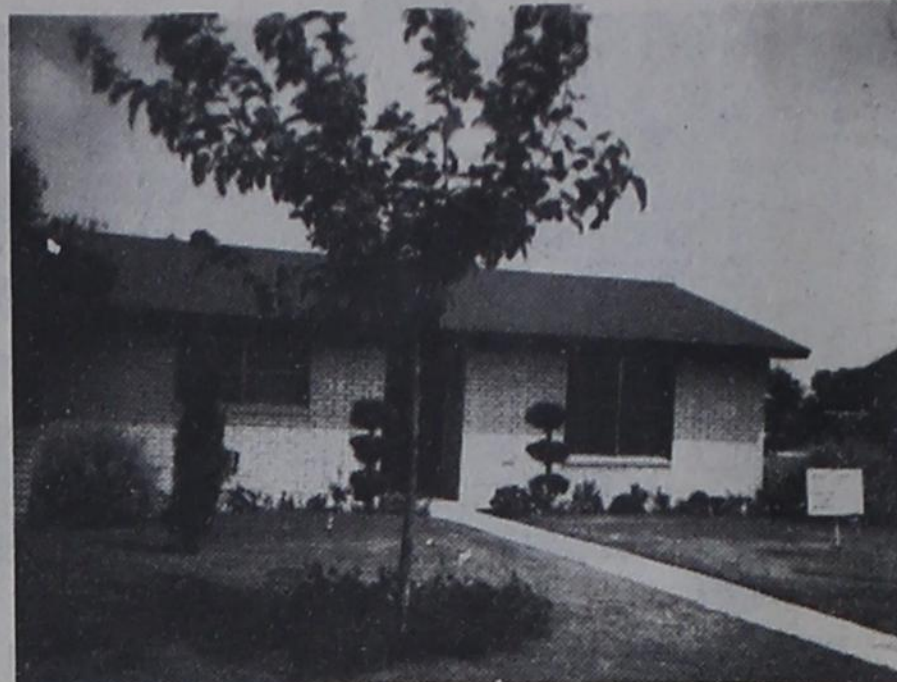

Elizabeth (Leisa) Diane Suggs graduated from Texas Woman's University, August 15, with a Bachelor of Science degree in medical technology. She completed her clinical year at St. Paul Hospital School of Medical Technology in Dallas.

While in Texas Woman's University, she was the president of Beta Beta Beta Biological Honor Society, Delta Epsilon Chapter.

She is now employed at the Gainesville Memorial Hospital.

Leisa is the daughter of Jack and Lila Suggs of Timbercreek Ranchettes, Gainesville, and the granddaughter of Mrs. Mason Patton of Munday.

Regina and Gwinn Jones have returned home after spending the summer in Dallas.

GARDEN CLUB JUDGES awarded **YARD OF THE MONTH** to Mrs. Dude Coffman. The judges admired the lovely verbenias encircling the tree. Also, the beautiful white round privet bush is an unusual accent to the colorful yard. Red and green caladiums also add to the beauty. The tiff grass is thick and green, making a lovely foreground for the variety of growth.

Graduating Class of 1931 Plans Reunion

According to R. Gilbert Myers of Austin, the 1931 graduating class of Munday High School is planning a 50th anniversary homecoming in connection with the Munday Homecoming planned for September 19.

Mr. Myers is encouraging all former classmates to bring their scrap books and picture albums so the group may review their high school experiences.

The group will be guests in the Nolan Phillips home on September 19 for a time of visitation. The exact time will be determined at a later date.

Recent guests in the home of Mr. and Mrs. Joe B. King were: Mr. and Mrs. R. W. Hightower of Mabank; J. E. Womble of Moorland, Okla.; and Mrs. Sharla Eticheon and granddaughter, Sarah, and Miss Suzanne Hightower, all of Dallas.

Singing For Senior Citizens Is Tonight

The senior citizens group is sponsoring a singing at the Munday Community Center on Thursday (tonight), August 27 at 7 p.m.

Groups of singers from area towns are expected to be here. Everyone is invited to attend and join in the singing or come and enjoy the entertainment.

Locals Attend Olney Singing

Several persons from the Munday Senior Citizens group attended the singing held at Olney last Thursday night. There were Mr. and Mrs. Tuck Whitworth, Mr. and Mrs. Porter Blankenship, Mr. and Mrs. Nolan Phillips, Maggie Gaines, Frankie Ponder, Ruby Roden and Virginia Cary.

Dovie Partridge has recently returned from Westfield, Mass. where she attended the International Celebration of Stanley Home Products fiftieth year in business.

Couples Enjoy Travel Trailer Vacation Tour Of The Mid-West

Six couples of Vera and Seymour have returned from a two weeks' tour of colorful Colorado. They are: Mr. and Mrs. Wayne Sutton, Mr. and Mrs. Paul Weiss, Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. Clelan Russell and Mr. and Mrs. Carl Coulston, all of Vera, and Mr. and Mrs. Ruben Richard of Seymour, former Vera residents.

Their first stop was at Clayton, N. M., for the night, then on to Raton for a cold, pleasant night on Raton Pass, which made everyone respect the fact that they had found a way to beat the Texas heat! Traveling together with their trailers, all made it to Golden Lanes Travel Park, which was the central location for all the exciting tours of Colorado Springs.

First on the agenda was a trip to the Royal Gorge. Walking across the bridge and viewing the exciting scenes was a great experience, and some rode the railway tram to the bottom of the gorge—a breath-taking adventure. Nellie Russell chickened out, and did not go.

After all had gotten their breath, a drive was made through the scenic trails to Cripple Creek. Beautiful scenes of walls of colorful rocks and pines were enjoyed for 35 miles. Cripple Creek, an old town of mines and buildings which were restored, was a thing of beauty.

It was getting late, so the visit was cut short. All left with the intention of going back to do some pan mining

PUBLIC NOTICES

BECAUSE THE PEOPLE MUST KNOW

PUBLIC NOTICE

Notice of Expiration of Livestock Brand Certificate
In accordance with the provisions of Section 6899J of the Marks and Brands Act Civil Statutes of Texas you are hereby notified that your Marks and Cattle Brands certificate filed under Articles 6899J revised Civil Statutes of Texas 1925 shall become null and void after August 30, 1981, unless you re-register after this date and before March 1, 1982, complying with the above chapter and requirements.

House Bill 1550 did not pass. This would have required re-registration of livestock brands and marks in 1981, 1990, and every ten years thereafter and would have required county clerks to publish a newspaper notice of the requirement and in addition to send individual notice at least twice. 45-1tc

CARD OF THANKS
I would like to say thank you to everyone who has been so nice to me since my return from the hospital in Wichita Falls. I will always appreciate everything: the cards, flowers, telephone calls, the food brought to my home, and your prayers.
Thank you,
Mavis Wren

CARD OF THANKS
I am home now after being a patient in Knox County Hospital, and I thank all of you for the many kindnesses shown me.

I appreciate so very much the prayers, cards and visits. They all meant so much to me. I thank the doctor and nurses for the wonderful care they gave me. All of you together made my days much easier. May God bless each of you.
Mrs. Joe Blake

CARD OF THANKS
I thank all of you for the prayers, lovely cards and beautiful flowers during my surgery in Harris Hospital in Ft. Worth.

With such wonderful and dear friends like you, it has surely made it much easier.

I am now in the home of my daughter and family, Mr. and Mrs. Kenneth Stubblefield, in Hurst. I will be here until I am able to return to my home.
Opal Brewer

Thank You
