Look To The East

by Aaron Edgar

(This Look to the East column was taken from the August 30, 1973 issue of the Munday Courier.)

"If I were a robin, I'd prefer not to get shot!"

This is another little quip that came over the airwaves and prompted us to snatch up a piece of paper and copy it before it escaped our memory.

It seems that somewhere within our wave length, there were a whole batch of robins that were happy, contented birds for a long spell. They were a harmless lot, it seemed, and were content to feed upon the harmful insects that infested the grain crops of the area.

We guess they were not able to combat the rapidly producing insects - and farmers took it upon themselves to spray their crops to rid them of the insects.

The innocent little birds found themselves going hungry because their "main dish" had been deprived them.

They began foraging the grain fields and eating the grain as a means of survival. If they could not have their best in foods, second best was the next step in keeping a tiny robin's tummy from rubbing its edges together.

This angered the farmers, who had just ridden their fields of the No. 1 enemy, only to find their feathered friends had turned against them and had invaded their fields by the tens of thousands.

The farmers armed themselves with shotguns and had themselves into the fields to do battle with, or try to annihilate, the harmless appearing robin. And this brought about the commentator's statement above.

After some thought, we decided one can't blame the little robin for having his preference. It would appear to be within the realm of common sense for any bird, any animal, any human or any creature to "prefer not to get shot".

If I were a dove, I'd prefer not to get shot.

Dove actions throughout the years have proven this statement to us. Any dove that has been groomed in the art of survival will tell this story by its actions.

A dove may be flying a straight-as-an-arrow pattern, headed for a favorite water hole or maize patch, but when it sees a hunter rise up from hiding with a firearm in his hands, the dove's flight pattern changes.

It will zig here, zag there, gain altitude, take a nose dive or pick up speed - any number of antics familiar to a dove that are designed to throw the hunter off his mark. As far as we're concerned, these actions have saved a number of doves from almost sudden death when we've gone afield.

With the dove season opening, the doves had better polish up their deceptive actions. Hunters will be taking to the fields and watering places in an effort to have a mess of birds by sundown. Many a harmless little bird will be gracing someone's tables, in spite of the fact that they preferred not to get shot!

If I were a quail, I'd prefer not to get shot!

This little bird tries to protect its existence more by its feet and legs than by its wings. But if startled or pressed too closely, it will take to the air - which spells their doom in lots of cases.

The quail will run sheltered trails and hide in sheltered areas - but that's not always safe for them. The hunter who has fed a mangy bird dog all spring and summer without reward will press the animal into service. Old Sport, or Butch, or Josh, or Lady, or Lassie, will range ahead in a semicircle to find the trail, then smell out the tiny quail for the hunting bosses. It's called sport - but in almost all cases of sport someone or something must be the victim.

If I were a soldier, an airman, a marine or sailor, I'd prefer not to get shot! Yet, the shooting goes on promiscuously in many parts of the world.

As for me, I'd prefer to forget about the whole matter. Think I will.

Moguls Rack Up 39-0 Victory Over Trojans

The Munday Moguls scored twice in a matter of minutes on their way to a 39-0 victory over the Windthorst Trojans at Windthorst Friday night.

Windthorst won the toss of the coin and elected to receive the kickoff. The Moguls' stubborn defensive line recovered a Trojan fumble on their second play of the game, and the clock had ticked off one minute and five seconds of play when Quincy Adams crossed the goal line from 24 yards out for the first of his five scores. Tim Collier ran the PAT.

The Trojans turned the ball over again on their next possession when quarterback Dale Atchley came out passing. The alert Mogul defense was ready, as Ronny Lowrance intercepted the ball on the Windthorst 26-yard-line. Two plays later, Adams raced off tackle 25 yards for his second touchdown. The point after attempt was wide.

Speed, power and outstanding defense were combined by the fighting Moguls

during the remainder of the first half, as Adams scored three more times on runs of 20, 76 and 1 yards, giving the Moguls a comfortable 32-0 lead going into the dressing rooms at halftime. The defense allowed Windthorst only 22 offensive plays throughout the first half, with the host team gaining a total of 8 yards rushing and completing one pass for 7 yards.

Munday couldn't get untracked when the third quarter began. Plagued by penalties and controlled by Windthorst at the line of scrimmage, the Moguls could only muster one first down during the quarter. Play execution was not sharp, as the team seemed to let up somewhat.

The fourth quarter started with an exciting play as Munday sophomore quarterback Dent Offutt tossed a 75-yard touchdown pass to wide receiver Kent Josselet. Jesus Ramirez kicked the point after.

Coach Jim Edwards used his bench strength for the rest of the game. As the contest ended, Scotty Jackson intercepted a Trojan pass on the Mogul 26-yard-line with 11 seconds left on the clock.

Statistics for the night showed Quincy Adams rushing for 199 yards, Dent Offutt with 66, Tim Collier with 34, Robert Hemphill 24 and Ronny Lowrance 9 yards rushing. Todd Thompson caught a pass for 12 yards and Kent Josselet received a pass for 75 yards and a touchdown.

Local 4-H'er Places In State Contest

Julie Partridge of Munday placed third in the Gardening and Horticulture division of the 1983 State 4-H Record Book Award Program, according to Jane Lockname, Knox County extension agent in economics.

Julie's winning entry consisted of records of activities compiled over her years in 4-H. She placed first in district record book competition held earlier this summer.

Julie is a senior student at Munday High School, and is the daughter of Mr. and Mrs. Wendell Partridge.

Also competing in the state record book contest in the beef division was Doug Brown, son of Mr. and Mrs. Stanton Brown of Benjamin.

RIGHT ON TARGET! Todd Thompson gained 12 yards for the Moguls when he gathered in this pass from quarterback Dent Offutt in Friday night's 39-0 win over the Windthorst Trojans. Thompson and Offutt are among several fine sophomore players on the team.

County Rivalry To Come Alive When Moguls Visit Knox City

A long-standing Knox County rivalry will be renewed this Friday night when the Munday Moguls travel to Knox City to face the Greyhounds in a non-district game. Kickoff time is at 8 p.m.

Knox City, a state semi-finalist in 1982, is ranked high again this year, but is playing without the services of all-district quarterback Dwayne Watkins, who suffered a knee injury playing basketball. After losing their first game to Albany, the Greyhounds had little trouble defeating Seymour 19-7 last Friday. Wayne Hutchinson, a prime candidate for post-season honors, and Otis Lockhart, a transfer from Rule, looked impressive in the Seymour game, scoring all the Knox City TD's.

Munday's coaches are expecting a tough game from the Hounds, who

should have their hands full containing Mogul back Quincy Adams, who has rushed for over 350 yards and scored 10 touchdowns in his first two outings this season.

Munday was the victor in last year's game, and there should be a long line of vehicles travelling to Knox City to support the Moguls in their quest for another win. We urge all local fans to attend this game. It will surely give the coaches and players a big lift to look up and see the visitors' stands full of cheering Mogul supporters.

Scattered Showers Bring Little Relief From Heat

Thunder clouds rolled in over Knox County Sunday afternoon dropping much needed rain on thirsty crops and land prepared for wheat and winter grain.

Reports of 1.25 inches of rain fell in Munday around 4 p.m. Sunday. Cecil Welch reported 2 inches north of Munday, but Edwin Johnson had only .40 west of town. The gauge of Goodson Sellers, Munday's official U.S. Weather Observer, showed .92 of an inch. Goree reported one inch of moisture, and the showers were scattered over the Rheinland area, with reported amounts varying from .80 at Zeissel Fertilizer and Seed to 1.50 at the Julius Pennartz place.

High winds accompanied the rain, but no damage was reported. The parched ground soaked up all the rainfall, with paved streets in Munday showing the only signs of running water. The Brazos riverbed is still dry.

Last week the Courier received reports of farmers dry sowing wheat and oats hoping for needed rain to bring them up. Much more rain will be needed if ranchers are going to have sufficient grazing for cattle this winter.

Taxes, Insurance Discussed By Hospital Board

The August Board of Directors meeting was called to order at 8:15 p.m. Thursday, August 25, 1983 by the board president, Vernal Zeissel.

Members present: Vernal Zeissel, Bernard Brown, David Perdue, Ray Lynn Hardin and Buster Lowery.

Members absent: Stanton Brown and Richie Smith.

Others present: Richard Wheeler, Oscar Mangis and Dan Powers.

The minutes of the July board meeting were read by Richard Wheeler and approved as read.

Old business discussed was the bid requirements for the Hospital District. After a lengthy discussion it was decided that a professional opinion letter should be obtained to settle the matter.

New business discussed was the ad-valorem tax rate. Oscar Mangis explained the ad-valorem tax rate and answered questions pertaining to the tax rate. After a discussion about the tax rate, Ray Lynn Hardin moved the board adopt a new tax rate. This motion seconded by David Perdue passed without opposition.

The board then engaged in a discussion about the hospital insurance. After a discussion at length Buster Lowery made the motion that the hospital insurance should be put up for bid within the county. This motion was seconded by Bernard Brown and passed unanimously.

A financial report of the hospital was then given by Richard Wheeler, followed by a list of May accounts payable to be approved. Ray Lynn Hardin moved the accounts payable be approved and paid as listed. Bernard Brown seconded the motion. The motion passed with no opposition.

Vernal Zeissel then addressed the Board concerning the Ladies Auxiliary. He expressed his gratitude for all the work they have done and all the equipment they had paid for through their diligent and selfless efforts.

With no further business to discuss, Buster Lowery moved the meeting close. Ray Lynn Hardin seconded the motion. The motion passed and the meeting adjourned at 10:30 p.m.

Local Schools To Take Fingerprints

The U.S. Department of Health and Human services report that nearly 1.8 million children disappear every year. While the majority are runaways, over 100,000 are never found. More tragically, an average of 2,500 children are buried each year without ever being identified.

Munday Schools will cooperate with the local police department and the National Child Safety Council in a child fingerprinting program. The school will be asking for parental permission to fingerprint students in the near future. The fingerprinting charts will be sent home and will remain in possession of the parents.

FOOTBALL ACTION in the Munday-Windthorst game shows Quincy Adams second from left, gaining yardage on a sweep. Adams, who was picked last week by the Abilene Reporter News as the District 4-AA Player of the Week, has amassed over 350 yards and scored 10 touchdowns in two games. The Moguls have a 2-0 record going into this week's game with Knox City.

THE 1983 MUNDAY Mogul junior varsity is pictured above. Team members are, in top row from left, Hollis Adams, Brandon Saffel, Jeff Bruce, Howard McPherson, Russell Smith, Jeff Vinson, Ryan Wright, Reggie Tucker and Jimmy Sqsa. In middle row are David Hertel, Jim Earl Dockins, Scott

Jackson, Jay Donoho, J. B. Jones, Adam Campos and James Gass; bottom row, Ricky Taylor, Richard Toliver, Johnny Castillo, Douglas Schumacher, Shawn Cude and Chris Baker. Randy Kuehler is not shown.

Coach Edwards Comments

We played a better game against Windthorst than we did against Anson. Our defense did a great job, and each player showed some improvement. After viewing the game film, the coaches feel there was a tremendous effort in all aspects of the game.

Quincy Adams is our Mogul of the Week again, after his outstanding performance. Johnny Collier is the defensive player of the week, Greg Urbanczyk is our choice for offensive lineman, and our Headhunter of the Week is Pat Angerer. Our young quarterback Dent Offutt also had a good night against Windthorst. We got a little sloppy toward the end of the game and received some penalties, but they were "hustle" penalties, when

the boys were trying too hard; they weren't caused by loafing around. Our game this week will probably answer a lot of questions about our strengths and weaknesses. Knox City has an outstanding team, and this will be a rough, hard-hitting game. I think the Moguls have the ability to win the game. We hope the fans will turn out in large numbers for the Knox City game. It will be an important one for us and we need plenty of support.

Stinnett And Junior High Run Over Throckmorton

Anthony Stinnett led Munday Junior High players and scored four touchdowns

as Munday defeated Throckmorton 28-14 in the first game for both teams last week.

Both seventh and eighth grade teams were to open their season with contests against Throckmorton last Thursday. At the request of the Throckmorton coaches, the two teams were combined and only one game was played.

Munday coaches cited outstanding performances from all the players, and especially praised the seventh graders for a fine defensive effort in their introduction to competitive football. Coach Edwards stated, "These teams have already shown a lot of improvement, and we are expecting them to have a good season."

Both junior high teams will host Knox City-O'Brien players for games beginning at 5 p.m. Thursday (today), September 15. Members of the seventh grade team are Eli Dena, Chad Bordovsky, Ricky Bejar, Michael Waggoner, David Dena, Lowell Hutchens, Ronald Edrington, Brad Burleson, Donald Edrington, Michael Huckabee, Doug Tidwell, Kyle McAfee, Heath Ward, Brian Ramirez and Scotty Hutchens. Eighth grade players are

Corey Moore, Manuel Sepeda, Chad Yost, Gary Hamilton, Anthony Stinnett, Trey Thompson, David Leija, Sam Hunter, Kerry King, Glen Reid, Gary Welch, Russell Reddell, Ernest Escamilla, Jeremy Hutchinson and Joseph Stinnett.

The Munday junior varsity team suffered their second loss of the season as Crowell defeated them 18-6. Coach Edwards said turnovers hurt the team in this game, but the players are still improving and becoming more aggressive each week.

The JV will also play Knox City on the home field this week. The game will begin at approximately 7 p.m. after the junior high games on Thursday, September 15.

Sunset Graduates Plan Reunion

The 1932 graduating class of Sunset Consolidated School will hold their annual class reunion at the Munday Community Center on Sunday, September 25, 1983. Registration will begin at 9 a.m., and a basket lunch is planned by class members. Visitors are cordially invited to attend.

The Sunset Homecoming is held on a three year basis, but this class, the first to graduate from the then-new school, has chosen to hold an annual reunion. Most of the remaining members and some of the ex-teachers are expected to attend. Myrtle Partridge Everett is the current president of the class and any inquiry concerning the reunion may be directed to her at 817-422-4020.

Engagement Announced

Mr. and Mrs. John Loyd Lambeth of Munday are announcing the engagement and approaching marriage of their daughter, Angela, to Phil Bailey, son of Mr. and Mrs. Jack Bailey of Grand Prairie.

The bride-elect is a graduate of Goree High School and Baylor University. She is employed by the Mansfield Independent School District. Her fiance graduated from Grand Prairie High School and Texas Tech University. He is employed by the Cedar Hill ISD.

The couple will exchange wedding vows on Saturday, November 26, 1983, in the First Baptist Church in Munday.

Local Firemen Attend Convention At Knox City

Several Munday volunteer firemen and their families attended a fire convention at Knox City on Sunday, September 11.

Winning second place in the two-man hook-up contest was the Munday team of Bill Williams and Mark Reed. The duo of Janet Williams and Cherie Welch won second place in the ladies' hook-up competition. The local team also won fourth in water polo but did not receive a trophy.

Eight teams competed in the contests, and around 15 cities were represented at the convention. Attending from Munday were Mr. and Mrs. Mark Reed and daughter, Mr. and Mrs. Bill Williams and girls, Mr. and Mrs. Buford Berryhill and girls, Karen Caram, Mr. and Mrs. Jessie Andrade and son, Ray Lynn Hardin, Bill Longan, James Merrell and Charlie Cooks.

Mr. and Mrs. Lonnie Offutt and their children and grandchildren, Mr. and Mrs. George Offutt, Brad and Brian of Abilene; Dr. and Mrs. Frank Eggleston and Camille of Houston; Mr. and Mrs. Dan Offutt, Dent, Angie and April, of Munday; and Mr. and Mrs. Joe Offutt, Aaron and Jacob, of Arlington, all gathered at Lake Granbury last weekend for a family reunion. They celebrated birthdays of three grandsons, Brad, Brian and Aaron, with cakes and all the trimmings.

Local Golfer Shoots Hole-In-One

Not many golfers ever have the thrill of shooting a hole-in-one, but if his witnesses are to be believed, a young Munday man did just that.

Phil Johnson recently accomplished this feat on the 18th hole of the Lake Creek course. He was using a Spalding 5-iron and a Wilson K-28 + ball.

Those who watched in surprise were Randy Waggoner, Oscar Cypert, Red Hurst and Richard Albus. Phil probably experienced a mild shock himself!

Directors Of Area PCA Attend Conference

Directors of the Rolling Plains Production Credit Association (PCA) joined approximately 70 other farm credit officials at the 1983 PCA Directors Conference held last week in Fort Worth.

Directors representing the association were W. J. Boykin of Northfield, W. H. Williams of Spur, B. H. DeBusk of Anson, Dan Henard of Wellington, and Garon Tidwell of Munday.

R. C. Cobb, president, also attended. The purpose of the conference, held annually, is to update members of Produc-

tion Credit Association boards of directors on matters concerning farm credit. Featured speaker for the occasion was Peter J. Carney, president of the Federal Farm Credit Banks Funding Corporation. Carney explained how the Farm Credit System obtains the funds eventually passed along to the nation's agriculture industry.

Rolling Plains PCA is one of 30 member-owned Production Credit Associations in Texas. Collectively they serve more than 16,000 of the state's agricultural producers. Last year more than \$2 billion was loaned through Texas PCAs.

Winter Pastures Offer Quality For Profit

Winter pastures are high quality, are expensive and offer a potential for profit if managed properly.

Wheat, oats, barley, triticale, rye or ryegrass are all high in protein and digestibility during their vegetative growth period. It's not unusual for the leafy growth of these plants to be 25 percent crude protein and over 65 percent digestible.

Winter pastures are also highly palatable to livestock. With their high quality and acceptability, winter pastures have the potential for a high rate of gain.

Winter pastures are expensive pastures because they have to be planted yearly. Current budgets show from \$70 to \$110 per acre as the

cost of winter pastures, including seed, fertilizer, labor, equipment and land rent. At a sale price of 60 cents per pound of gain, 117 pounds of gain per acre are required to pay the \$70 per acre cost while 183 pounds of gain would be needed to repay the \$110 cost. Additional gain would be required to pay livestock expenses and any interest charges.

However, winter pastures do show the potential for profit. Stocker calves commonly gain 2 pounds per day on winter pastures. These calves are grown from 400 to 750 pounds on winter pasture. With a constant stocking rate of 1 to 1.5 calves per acre, a profit can be realized.

Using winter pastures for cows calls for a different approach. Stocking at one cow per acre and continuously grazing would result in a cost of 49 to 69 cents per day per cow. Limiting grazing cows can reduce this cost. By limiting grazing cows for two hours per day with four head per acre, the cost is reduced to 12 to 17 cents per head per day.

With limit grazing, cows get all their protein and mineral needs but do not get an adequate energy supply. So they should have standing dry forage or hay available while off the winter pasture.

Winter pastures are extremely useful to livestock producers. They furnish high quality forage that all classes of livestock can use and perform well on. While they are relatively expensive because

they require yearly establishment, winter pastures can be profitable to livestock producers willing to use them effectively according to the type of animal being grazed.

Area Grid Roundup

HASKELL GRABS WIN FROM CISCO

The Haskell Indians improved their season's record to 2-0 after a hard fought 21-10 victory over the Cisco Lobos.

Cisco quarterback Joe Perry ran for 87 yards in the first half to give his team a 7-0 lead at halftime, but a well-balanced offensive attack by the Indians accounted for 260 yards and three touchdowns in the last two quarters.

Carl Dever ran 75 yards for Haskell's first score, then a fumble recovery by Cisco resulted in a Lobo field goal. That was all the scoring the Indians would allow their opponents, however, as Haskell began to control the game and scored two quick unanswered touchdowns.

PIED PIPERS BLANK MERKEL

Merkel's Badgers held the Hamlin Pied Pipers scoreless through most of the first quarter of their game, but the roof fell in. Six first half touchdowns spelled doom for the Badgers, and Hamlin added two more scores in the second half for a final tally of 57-0.

Eddie Bolden had three

touchdowns, finishing the night with 243 yards on 17 carries in three quarters. Monty Grissom kicked five extra points, and Coy McGee, Bobby McGee, Jimmy Woods and Jerry Woods also had touchdowns for Hamlin.

KNOX CITY DOWNS SEYMOUR

Wayne Hutchinson ran for two touchdowns and Otis Lockhart added another as the Knox City Greyhounds took a 19-7 win over their hosts, the Seymour Panthers.

Knox City scored first, but Seymour came right back to tie the game 7-7 on a run by Billy Beamon. Hutchinson broke the tie in the third quarter, and a second third quarter score meant defeat for the Panthers.

Lockhart led all rushers with 194 yards, while Seymour's Beamon had 93 yards.

PADUCAH BATTLES CROWELL TO TIE

Paducah had more first downs and yardage than the Crowell Wildcats, but had to settle for a 6-6 tie in their non-district game Friday night.

Both scores came on pass plays. Crowell drew first blood with a 17-yarder from Billy Henry to Darren Criss,

and kept the lead until late in the game when Greg McClen-don scored for the Dragons on a pass from Richard Gregory.

Paducah held a statistical edge but just couldn't muster up the scores. Coach Jerry Arnold said his team did not play well.

In other area action, Rotan defeated Anson 13-0, and Electra fell to Graham by 32-7.

Downey Rites Held In Corpus Christi

Reba P. Downey, R.N., of Corpus Christi, sister of a local resident, died Thursday, September 1, in Spahn Hospital after a long illness.

She was born in Harrold and had lived in Corpus Christi for the past 31 years. A registered nurse for 43 years, she had been head nurse for different hospital wards until her retirement in 1981. She was a member of St. Pious X Catholic Church.

Rosary was recited Sunday, September 4, at St. Patrick's Catholic Church in Corpus Christi. Concelebrated funeral mass was held at 2 p.m. Monday, September 5, at St. Patrick's Church. Entombment was in Seaside Mausoleum.

Pallbearers were Noella Caldwell, R.N., Betty Snell, R.N., Windy Scallorn, R.N., Gail Willhite, R.N., Emilly O'Keefe, R.N., and Angela Pollack, R.N.

Survivors include her husband, Cecil L. Downey; one daughter, Nancy Beth Huth of Austin; one son, Rev. Donald Downey of Corpus Christi; three sisters, Cletha Jones of Corpus Christi, Hazel Cypert of Munday and Lois Rucinski of Philadelphia, Pa.; one brother, Loyd F. Pittman of Beeville; and one grandson.

Services For W. C. Hertel Held Sunday

W. C. (Bill) Hertel, 77, of Seymour died Friday, September 9, in a Wichita Falls hospital.

He was born March 30, 1906, in Knox County and married Elizabeth Michels on February 21, 1928, in Rhineland. A retired farmer, he was a member of Sacred Heart Catholic Church, the Knights of Columbus and the Sons of Hermann.

Rosary was at 8 p.m. Saturday, September 10, at Seymour Memorial Funeral Home. Funeral mass was held at 2 p.m. Sunday, September 11, at Sacred Heart Catholic Church with Rev. Harry Fisher officiating. Burial was at Rhineland Cemetery under the direction of Seymour Memorial Funeral Home.

Pallbearers were Mark and Greg Hertel, Chris and Jeff Styles, Randy Coltharp and Alvin Jungman.

Survivors include his wife; a son, William H. of Seymour; a daughter, Henrietta Styles of Seymour; two brothers, Carl of Rule and Johnny of Fillmore, Okla.; a sister, Nora Duke of Benjamin; five grandchildren and five great-grandchildren.

Mrs. Beverly McGaughey and Mrs. Louise Moore attended the District 13 annual meeting of the American Cancer Society held Friday, September 8, at the Kiva Inn in Wichita Falls. They also had dinner there.

After the meeting, they visited Mr. and Mrs. Aaron Edgar. The Edgars are reported to be doing fine.

REUNION HELD

On Sunday, September 4, the children and grandchildren of the late Mr. and Mrs. Frank Yeager met at Ft. Richardson near Jacksboro for the annual Yeager reunion.

The day was spent recalling their younger days, sharing photos of each other's families and lots of "plain ole visiting". The noon meal consisted of anything anyone wanted and was thoroughly enjoyed by all.

Those attending were:

Glenn and Elizabeth Yeager, Jack and Maxine Nelson and Sandra Nelson of Ft. Worth, Ruby Wynn and Rickie, Diane, Jeff and Justin Herring of Munday, Troy and Margie Yeager of Goree, Bruce Yeager of West Texas State University at Canyon, Charles and Bonnie Yeager, David and Steven, of Lubbock, Gladene Green of Benjamin, Gordon and Debbie Taylor, Becky, Melissa and Cody, of Paducah, Glenda and Norris McNeely and Jeff of Denton, Michael and Tracy Fisher of

Sanger, Billy and Marsha Yeager and Kelly of Wautauga, Shirley and Elbert Seale and Stephanie and Missy Foster of Arlington, Bill and Carolyn Stevens, Alan, Greg and Shari, of Saginaw, and Shelby Wall of Wills Point.

CLOWER GATHERING

On Saturday, September 3, the family of C. B. Clower had an enjoyable day at Mansfield Park. Those present for the reunion were Robert and Martha Clower of Houston, Cathy Tomlinson and children of Seymour, Tat Bivens of San Angelo, Lisa Powers, Bill and Lorene Powers and Danny and Christine Robertson and children of Midland, Dee and Leta Powers of Thalia, Rex and Maretha Patterson, Leroy and Gloria West and Clarence and Maudie Clower of Benjamin, Linnie Evans, Jewell Clower, Vernon Clower, and Johnnie Clower of Alvord, Betty Parker of Aspermont, Lee and Margaret Bivens of Stamford Lake, Carol, Glenn, Robbie and Paula Large of Knox City, Donna Woodall and grandchildren, April and Heather, of Odessa, Janie, David and Linda Reid of McLeon, Bud Clower and Debbie Lloyd of Dallas, Rosa, Claude and Cindy Reynolds of Haskell and Jeff Clower and family of Jacksboro.

SOROSIS CLUB MEETS

The Benjamin Sorosis Club met Saturday morning in the club house for the first meeting of the year. President Lucille Moorhouse called the meeting to order and welcomed the rest of the members. Christine Patterson gave the program on "A Trip Around the World With International President, Jaunita Bryant".

RECOVERING

Jennifer Pierce, 12 year old daughter of Beth Pierce, underwent extensive surgery last week in Scottish Rite Hospital in Dallas. Jennifer returned home Friday and will be having an in-home service teacher for 6 weeks before returning to public school. She is in a cast from the waist down and probably seeing some mighty long days. Why not sent her a card or cheery note to help lighten the load of being "housed-in". Her address is Jennifer Pierce, 3147 Grayson St., Dallas, Tex. 79224.

HERE AND THERE

Gene Hall of Kerrville visited the Van Greens one day last week. Visiting the Greens Sunday were Rickie and Diane Herring of Munday.

RECOVERING

Recent guests of Dutch and Imogean Young were the Butch Youngs of Grand Prairie, J. D. and Dee Ann Lamb and Wayne Young Jr., of Wichita Falls, and Nile and Joe Bryant of Floydada.

LABOR DAY WEEKEND

Labor Day weekend guests of Frank and Bertha Driver

were Trent Driver of Knox City and Sherry and Danny Speck and children of Aledo.

Julia Waldron of Burkburnett visited briefly in Benjamin one day last week.

Those from Benjamin attending the funeral of Bill Hertel in Seymour Sunday were: Don and Louise Hertel, Nora Duke, Dennis and Pam Duke, Rex and Maretha Patterson and Leon and Olga Bivens.

Recent guests of Julia Propps and Mabel Moorhouse were Ann Allen, Jimmie Smotherman, and Dee Barton of Amarillo, Karen Allen and Vickie Stephens and daughters, Shelley and Lauralee of Plano. They were here for the funeral of Irene Barton in Munday. Those from Benjamin attending the funeral were Mr. and Mrs. Joe Barton, Jan Rolston, Mr. and Mrs. Togo Moorhouse and Julia Propps.

Earlene Meinzer, accompanied by the Archie Strucks of Goree, Mabel Jacobs of Munday and a brother, Neal Cole of Oklahoma, visited relatives in Dimmitt, Labor Day weekend.

Mr. and Mrs. Bobby Roberson, the Clyde Feemsters and Lona Feemster attended the funeral of a nephew and cousin, Truman Shipman, in Mineral Wells Saturday.

Ray and Shirley Jordan of San Antonio visited her parents, the Lee Snailums, several days last week. They were enroute home from a vacation in Iowa. Also visiting the Snailums and Lou Leaverton were Ricky and Janis Leaverton of Denver, Colo.

Visiting Don and Virginia Griffith over the weekend were Sipe and Doyle Griffith of Knox City, who were returning home from a four months stay in Ruidoso, N.M., and David Griffith of Austin.

Veta Campbell is visiting her daughter and son-in-law, Dean and Bill Anderson, in Kerrville a few days. She will visit relatives and friends in Big Lake, San Angelo and Wichita Falls before returning home.

It's A Girl

Mr. and Mrs. Larry Hertel of Lubbock are very happy to announce the arrival of a baby girl on Tuesday, August 16, 1983. Kristi Diane weighed seven pounds, fifteen ounces and was twenty inches long.

Kristi has a big brother, Greg, who is very proud of his little sister.

Grandparents are Mr. and Mrs. Walter Hertel and Mr. and Mrs. H. D. Alexander, all of Munday. Kristi has two uncles, Tim Hertel and Waymon Alexander, and an aunt, Brenda Clark, who are all waiting to spoil her. Everybody is very excited since this is the first girl in both families.

Rep. Carriker And Others Seek Reversal Of Tractor Ruling

State Representative Steve Carriker (D-Roby) met with Highway Department officials this week seeking clarification of that department's interpretation of new Federal and State laws dealing with over-width vehicles as those laws apply to farm implements. Portions of the Surface Transportation Assistance Act of 1982 (the Federal

"nickel gas tax") and state compliance legislation, HB 1602, have been interpreted to mean that tractors and other farm equipment which have historically been exempt from width restrictions can no longer be moved on public highways if their width exceeds 8 1/2 feet. Officials say this regulation will go into effect September 19 of this year.

"This is a ridiculous situation," said Carriker. "It is obvious that neither the Congress nor the Legislature meant to restrict farm machinery on the highways. The only interest was to make truck widths uniform at 102 inches nationwide."

Carriker also met with State Agriculture Commissioner Jim Hightower. "Hightower shook his head in disbelief at this ruling," reported Carriker, "then immediately set his legal staff to work searching for possible remedies."

A call from Carriker's office to the Federal Department of Transportation revealed that that agency will soon issue a regulation which will clearly allow the exemption of farm machinery. The remaining problem will be with state law, according to Carriker, which is somewhat vague on the subject. Officials are hopeful that the State Highway Commission will be able to deal with the problem administratively and thus solve the problem with-

out resorting to legislative remedy, although Carriker has a bill readied to restore the exemption if needed. "We're working with everyone from the Governor's office on down on this matter and hope to bring about satisfactory results as soon as possible," Carriker said.

Registration For New Brownie Girl Scouts

Girls in the first grade that want to be Brownie Girl Scouts must be registered Monday night, September 19, in the home of Dr. and Mrs. A. Dale Selzer. The address is 311 West Avenue M and registration time is from 6 to 7 p.m.

A parent or guardian must register the prospective Brownie. Come prepared to pay for registration and a Brownie T-shirt. If your daughter would like to join Brownies or if you have a question, please contact Mrs. Martha Selzer at 422-4393.

The first meeting will be held the following afternoon, Tuesday, September 20, at 4:30 p.m. in the Selzer home. Come, have fun, make friends, do wonderful things.

Vera Couple's Son Dies September 7

Truman C. Shipman, 69, son of a Knox County couple, died Wednesday, September 7, in a Dallas hospital.

He was born May 1, 1914, in Vera, and had lived in Mineral Wells since 1964. He owned Shipman's Dry Cleaning. He served in the Army in World War II and was a member of Veterans of Foreign Wars.

Services were held at 11 a.m. Saturday, September 10, in Baum-Carlock-Bumgardner Funeral Home in Mineral Wells with Rev. R. B. Shiflet, pastor of 11th Avenue Nondenominational Church, officiating. Burial was in Woodland Park Cemetery.

Survivors include his wife, Evelyn; two sons, Mark of Plano and Gill of Mineral Wells; his parents, Mr. and Mrs. Sam Shipman of Vera; a brother, J. D. of Midland; and two sisters, Irene Sutton and Sammie Lou Chapman, both of Seymour.

HOSPITAL NOTES

Mr. and Mrs. Merle Lambeth were in Lubbock Monday for Mrs. Lambeth to have a medical check-up.

Mr. and Mrs. Jim Cooke were in Ft. Worth on Friday for Mr. Cooke to have a medical check-up. He also had an eye check-up in Dallas.

Mrs. Doris Lane is receiving medical treatment in the Seymour hospital.

CEMETERY ASSOCIATION MEETS

The Goree Cemetery Association met last Thursday evening for their regular meeting. Jack Beaty, president, presided over the meeting. Mrs. Merle Moore, secretary, read the minutes of the last meeting. A motion was made and seconded that the minutes be approved as read; motion carried. A financial report was made by the treasurer. As there was no old or new business to be discussed at this meeting, a motion was made to adjourn the business meeting. A period of fellowship followed, which was enjoyed by everyone present. The next meeting will be held on Thursday evening, October 13, 1983.

ATTENDS WEDDING

Mr. and Mrs. Ruby Hammons attended the wedding of their grandson, Scotty Cooksey, and Miss Cindy Phelps in San Antonio Saturday evening.

grades; Cadettes, seventh, eighth and ninth grades; and Seniors, tenth, eleventh and twelfth grades.

Without volunteers the Girl Scout Program cannot exist. The leader's enthusiasm is what makes the spirit of Girl Scouting come alive for the girls. A Girls Scout Leader can also offer the girls the opportunity to grow and develop into good caring citizens now and for the future. Remember, a Girl Scout Leader is a very special person who devotes her time unselfishly to helping girls. Why not volunteer today to help our younger citizens?

If you, as an adult, are interested in having fun and sharing your time and energy with the girls in Munday, they need your help now. Please contact Kay Wilde at 422-4426 after 5 p.m.

The Munday Courier sells office supplies and furniture.

Girl Scouting is a value-rooted, people-centered movement. This movement means working toward some desired aim. Its aim is better people; not better knot tiers, not better fire builders, not better artists, but better people.

Girl Scouting can be fun for the adults as well as the girls. The need for Girl Scout leadership is always there. We need leaders, assistant leaders, troop committee members, program consultants and other interested adults who are willing to take time out of their schedules to help the young girls in our community.

Girl Scouts are Brownies, first, second and third grades; Juniors fourth, fifth and sixth

LARRY SWAN
MUNDAY CHURCH OF CHRIST

What Is Truth?

What is truth? This was a question that Pilate asked Christ in Jh. 18:38. Truth is a precious commodity. Solomon wrote, "Buy the truth and sell it not" (Pr. 23:23). It's my prayer that people will love the truth more than parents, churches, preachers and traditions. We live in a society where "earning a buck" is more important than telling the truth. Just watch the commercials on TV.

Some feel that it doesn't make any difference what you believe. They say we are all trying for the same place. It's not my intention to get down on any denomination but to suggest to you that it does make a difference what you believe. Also some will say you have your interpretation and I have mine. Yet the Bible says no scripture is of private interpretation (2 Pet. 1:20). Still some say that doctrine is not important anyway, just as long as you believe in God! But the Bible says, "Take heed to thyself and the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee" (1 Tim. 4:16). Eph. 4:16ff, "That henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive; But speaking the truth in love . . ."

People want the truth when it comes to society and government. Could we not say the same thing about churches? In the Bible we learn about God's people and how He dealt with them. In Mt. 15, Jesus spoke to the scribes and Pharisees at Jerusalem saying, "Why do thy disciples transgress the tradition of the elders? For they wash not their hands when they eat bread." (v. 3) But he answered and said unto them, Why do ye also transgress the commandment of God by your tradition?" In verse 9 notice how their worship was vain, and how they were not teaching truth but tradition. Is this not unlike churches today? I think it's high time to see it does make a difference what is taught and practiced in the church. In verse 7 Jesus called them hypocrites, and we know that hypocrites will not enter the kingdom of heaven (Mt. 6:5ff). So Christ taught that it did matter what you teach and what you believe. I don't think we have a multitude of hypocrites in churches today, but we have become lazy in our zeal for truth. We need to check our beliefs and make certain they parallel with scripture. In Jer. 37:17 it was said, "Is there a word from the Lord?" Jesus said,

"Ye shall know the truth and the truth will make you free." (Jh. 8:32).

Now, does the truth make a difference? Sure it does! Jesus said, "Thy word is truth." (Jh. 17:17). Sometimes people become satisfied with religion and not with truth! It is my hope that churches will search for truth. It made a big difference to Adam and Eve. Satan said, "The day you eat of this fruit you will NOT surely die." As a result of them believing a lie, they were separated from God. Yes, we need to love the truth. Paul says to the Thessalonians that some would perish because "they received not the love of the truth, to be saved," (II Thess. 2:10).

It seems that every church has its own doctrine and its own theology, but among all this confusion, can every doctrine be right? It's fine for one to have his own opinion, but not right to let his opinion out-weigh scripture.

One major premise of the Church of Christ is to believe and obey the Word of God. The Hebrew writer puts it this way, "Though he were a Son, yet learned he obedience by the things which he suffered; And being made perfect, he became the author of eternal salvation unto all them that obey Him" (Heb. 5:8, 9). Jesus says, "If you love me, you will keep my commandments," (Jh. 14:15). The proof of our love for God is: do we obey his word of truth; not opinion, religion, or tradition, but the word of truth! There is much false teaching today and it is up to us to search the scriptures for truth. John writes, "Beloved, believe not every spirit, but try the spirits whether they are of God, because many false prophets are gone out into the world," (Jh. 4:1).

Now let us notice scripture versus opinion.

(1) Opinion: One church is as good as another. Just choose the church of your choice. (a) Truth: There is one church body. Eph. 1:22, 23, "And hath put all things under his feet, and gave him to be the head over all things to the church, (23) Which is his body, the fullness of him that filleth all in all."

(2) Opinion: All you have to do is believe. (A) Truth: Mt. 28:20, "teaching them to observe all that I commanded you . . ." (Heb. 5:8, 9; Mt. 7:21, ff; James 1:22, James 1:14)

(3) Opinion: You don't have to be baptized to be saved. (A) Truth: Acts 2:38, "Then Peter said to them, Repent, and let each one of you be baptized in the name of Jesus Christ for the forgiveness of you sins; And you shall receive the gift of the Holy Spirit."

(Note: I don't know of any church that teaches that Repentance is not necessary to salvation. Now re-read the verse and notice if you do one for salvation, would it not follow that you would do the other, Repent and be Baptized.)

(4) Opinion: I think instruments should be allowed in the worship. They used it in the old, so we can use it in the new. Besides that, Jesus Christ is the same yesterday, today, and forever. (A) Truth: Eph. 5:19, "Speaking to one another in psalms and hymns and spiritual songs, singing and making melody with your heart to the Lord".

(Note: God allowed polygamy by some of the O.T. Saints. Does it follow, that we are allowed to? No. Read I Cor. 7. What about music with instruments - Not commanded!)

(5) Opinion: Baptism has nothing to do with salvation. It is your option. Also, choose sprinkling or burial. (A) Truth: 1. I Pet. 3:21, "The like figure whereunto even baptism now saves us . . ." 2. Jh. 3:3, ". . . Except a man be born again, he cannot see the kingdom of God." 3. Rom. 6:4, "Therefore we are buried with him by baptism . . ."

Finally, one must realize that there is truth to be found, and we are to search the scriptures for it (Jh. 5:39, Acts 17:11). I have mentioned just a few well established opinions versus the word of God. We need to prove every doctrine with a "thus saith the Lord". Paul says in Galatians 1:8ff, "But though we or an angel from heaven preach any other gospel unto you than that which we have preached unto you, let him be accursed. (V. 10) For do I now persuade men, or God? or do I seek to please men? for if I yet please men, I should not be the servant of Christ." Verse 7 says that some would pervert the gospel. This is exactly what Satan did in the garden. He perverted the word of God. It's my hope that we will not let Satan fool us too. What is Truth?

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolition of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

Band Boosters Plan Bake Sale

Munday Band Boosters met Monday, September 12, for their monthly session. Among the business items handled was the formation of a telephone committee to call parents and remind them of band booster meetings and other activities.

Plans were made for a Thanksgiving bake sale to be held at the Munday M-System on November 23. More details concerning the sale will be announced later.

The Boosters also voted to provide drinks for the band and pep squad on the bus trip to Forsan September 23.

The next meeting will be held on Monday, October 3, at 7 p.m. in the Munday band hall. A special reminder is extended to parents of sixth grade band members, who are invited to take part in planning sessions and other club activities.

Visiting Mr. and Mrs. Lonnie Offutt during the weekend were Mr. and Mrs. Curtis Harrison, missionaries from Papua, New Guinea.

"Have a nice day!"

jurisdiction and to county courts.

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewer laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que aparecerán en la boleta el día 8 de noviembre de 1983. PUBLIC NOTICES BECAUSE THE PEOPLE MUST KNOW

PUBLIC NOTICE OF INTENT TO CHANGE RATES

Notice is hereby given that San Miguel Electric Cooperative, Inc. (the "Utility") intends to change rates for electric utility service effective October 4, 1983, or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. The Utility owns and operates an electric generating plant providing electricity to one class of customers comprised of South Texas Electric Cooperative, Inc. (STEC) and Brazos Electric Power Cooperative, Inc. (Brazos). STEC and Brazos are affected by the proposed rate changes. 27 other electric cooperatives and 7 cities receive power from STEC and Brazos for distribution to retail customers in Texas. The Utility expects an additional 14% in revenues as compared to adjusted revenues for the period July 1, 1982 through June 30, 1983.

Implementation of the proposed changes is subject to approval by the Public Utility Commission. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas.

Earnest Casstevens Attorney for the Utility 47-4tc

City of Munday, Texas
James W. Reid, Mayor 47-2tc

INVITATION FOR BIDS

The Housing Authority of the City of Munday, Texas (hereinafter called the Local Authority) will receive sealed bids for the single construction contract for the construction of nine dwelling units (three buildings located on two sites) all site work, landscaping, plumbing, heating, electrical, and all work specified and/or shown on the

drawings until:

Tuesday, September 27, 1983, at 2:00 p.m., the office of the Housing Authority, 131 Cisco, Munday, Texas.

at which time and place all bids will be publicly opened and read aloud.

Proposed forms of contract documents; including plans and specifications are on file and available for inspection at the office of the Housing Authority of the City of Munday (hereinafter called the Local Authority) and at the office of Cameron Alread, Architect Inc., 209 W. 8th St., Fort Worth, Texas.

Copies of the documents may be obtained by depositing \$100.00 with the Architect for each set of documents so obtained. Such deposits will be refunded on return of the plans, specifications and other documents in good condition within 10 days after bid opening.

A certified check or bank draft, payable to the Local Authority, U.S. Government Bonds, or a satisfactory bid bond executed by the bidder and acceptable surety in an amount equal to five (5%) percent of the bid shall be submitted with each bid. The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

Attention is called to the provisions for Equal Employment Opportunity as set forth in these documents.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the specifications must be paid on this project.

The Local Authority reserves the right to reject any or all bids and to waive any informalities in the bidding.

No bid shall be withdrawn for a period of ninety (90) days subsequent to the opening of the bids without consent of the Local Authority.

Housing Authority of the City of Munday, Texas
