RICHARD A. MOORE
...completes basic training

Completes Basic Training

Airman Richard A. Moore was selected for instruction in the civil engineering mechanical and electrical field at Sheppard AFB, after completing basic training at Lackland AFB. He is the son of Mr. and Mrs. Leonard L. Moore of Munday.

During the six weeks at Lackland, the airman studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Richard is a 1977 graduate of Munday High School.

Munday Rating Too Low For Qualification In HUD Program

In a letter received by Mayor Dale Selzer from Leo Garrett, Director of Community Planning and Development Division, the City of Munday's application for a Community Development Block Grant to the Department of Housing and Urban Development did not qualify under the rating program set forth by HUD.

The letter stated, "We regret to inform you that we are unable to invite a full application from you for Fiscal Year 1978 Small Cities (Discretionary) Grant Funds. All pre-applications received were grouped according to the competition category of funds and rated in accordance with HUD's national rating system. The minimum rating required for funding and your application rating are shown on the attachment to this letter."

Coaches Attend Houston School

Five Munday coaches left early Monday morning for coaching school in Houston. The school is held each year in preparation for the coming athletic season.

Coaching techniques and all phases of sports are covered in the session.

Coaches will attend an all star football and basketball game while attending the school.

Those attending from Munday include: Steve Rodgers, head coach and assistant coaches, John Poulos, Danny Diggs, Bill Dennis and Scot Barton.

Munday All-Stars Defeated By Sheppard AFB In Seven Innings

Munday All Stars lost a hard fought game to the Sheppard AFB All Stars 10-9 in an extra inning at Crowell Monday night in the District playoffs.

Sheppard jumped off to an early lead by scoring five runs in the top of the first, compared to Munday's one in the bottom. The second inning proved to be a different story as Munday blasted their opponents 7-1 in the scoring column. Sheppard tied the score in the third 8-8. A home run by Kahn of Sheppard put them on top in the fourth where they remained until the bottom of the fifth when Tracy Wallace scored on a single by Paul Mints. With the score tied 9-9 going into the sixth and no runs scored in the inning an extra inning had to be played to decide the winner. Evans of Sheppard playing second base was safe at first on bad throw from 3rd to first. With one out and a runner on first Pezanosky hit a double to score Evans breaking the 9-9 tie. The next two batters were thrown out bringing Munday to bat in the bottom of the seventh with the score 10-9 in favor of Sheppard. The next three batters for Munday came to bat with

Tracy Wallace and Frankie Stinnett being thrown out at first. Greg Urbanczyk then popped up to the pitcher and the side was retired with Sheppard winning 10-9.

Jessie Ramirez pitched an outstanding game for the

Munday All Stars giving up 10 runs on 6 hits with 10 strikeouts and 8 base on balls. He was hit in the mouth early in the game on a hard hit ball that loosened a tooth and busted his lips. After a brief rest, with the

action stop for injury, Ramirez returned to the mound determined to pitch the best he could.

To single out one or two players in the game as leaders of the team would be unjust. All the members including the ones who played and the substitutes, who did not see action in the game, gave all their support and efforts to a fine ball club. They played the best they could and showed the true sportsmanship throughout the series whether they won or lost.

Team members seeing action in the final game were: Paul Mints, catcher; Kip Cotton, centerfield; Quinn Smith, rightfield; Jessie Ramirez, pitcher; James Vasquez, shortstop; Pat Angerer, 3rd; Wally Roberts, 1st; Frankie Stinnett, 2nd and Greg Urbanczyk, left field. Substitutes Tracy Wallace, 1st and Robert Hemphill, 3rd also saw action in the game. Other members of the team include John Gray, Brad Angerer and Jeffrey Ramirez.

The second game of the night saw Graham defeat Stamford. Graham will now meet the Sheppard All Stars Tuesday night, July 25, to decide who will represent the district at Cisco next week for the regional playoff.

Softball Tourney Scheduled

A women's softball tourney has been scheduled in Munday for August 17, 18 and 19.

Team entries are being taken for the tourney at this time.

If you wish to enter you can by calling Jessie Andrade at 422-4022. Andrade said, "We hope to have at least twelve teams and maybe sixteen."

Knox County History To Be Re-Published

The Knox County History, a treasure of facts and stories about Knox County collected by the Knox County Historical Survey Committee in 1966, is being republished and will be available in early September, according to the publisher, Nortex Publishing Company of Quanah.

Those who have lost their copies and those who failed to get one at the first publication in 1966, will be given another opportunity to obtain the book. The re-issue will contain the same text as the original, in addition it will have indexes of surnames and subjects which have been compiled by a Truscott history committee.

This project is a continuation of the Truscott Bicentennial project to work for the publication of material on Knox County History.

There have been a growing number of requests for the book which the original committee sold out within a short time of publication. It was bought up so fast by residents and former residents, that even major Texas history libraries, such as the Southwest Collection at Tech, failed to get copies.

The last known sale of the book was in early 1978 when a collector called the former publisher of the Haskell Free Press, which published the book, and bought his last copy, at three times the original price.

"We spent hundreds of hours and used thousands of cards to work out the indexes," says Mrs. Virginia Casey, chairman of the Truscott committee. "We hope it will be helpful to everyone interested in Knox County history."

"Everyone in the county," she added, "should be grateful to the group of women headed by Mrs. C. C. Hoge which put the book together with Mrs. Josephine Hooper Campbell acting as publications chairman. They recorded 'priceless material which would not be available today, only 12 years later, because so many of the early settlers and their families are gone.'"

Index committee members discovered such community names as Cold Corner, Kasoga, Maud, Orient, White Flat and Coyote.

The importance of freighting, by wagon was indicated by numerous references to area towns such as Seymour, Stamford, Quanah, and Wichita Falls to get supplies or to sell cotton or wheat.

They realized anew the loneliness of the empty prairie when reading how Bud Holt, of the Goree area, came to the school house on the opening day with a sulky plow, and plowed a furrow

across the prairie for his children to follow home.

An index reference to "entertainment" covers everything from community picnics and camp meetings to watching the cattle drives and freight trains.

Especially interesting to the committee, but sure to cause arguments, is the index of firsts. They indexed two incidents of first cotton in Knox County, eight years apart!

It's in the book," the indexers say, but they wonder if the original committee didn't take a similar turn by saying, "That is how it was turned in. You decide." County history can get sticky, especially when some of the participants or their descendants are still around.

Other firsts are first white child, first cars and first gins. A shorter listing of lasts includes the last buffalo and last wild horses in the county.

Land prices, land filing, dugouts, log cabins, cisterns, and cotton prices are other references which will interest readers.

The newly indexed Knox County history books are available through the committee for a pre-publication price of \$13.00 plus \$1.52 per copy for mailing and tax. The books will be delivered in September.

Those wishing a copy may write Knox County History, Truscott, Texas 79260.

Munday Jaycees Win Two In Donkey Baseball

The thrills, spills and fun started at 8:00 p.m. Monday night for the spectators in attendance at the Munday Jaycees sponsored Donkey Baseball game.

In the first of two games the Munday Jaycees finally defeated the Knox City Jaycees in the three inning

Band School Will Begin Aug. 14

Munday band students will begin summer school Monday, August 14 for the 1978-79 school year.

The school will consist of two sessions a day. The first beginning at 8:00 a.m. and lasting until noon. At 6:30 p.m. the second session of the day will begin and finish at 8:30 p.m.

Band director, Jerry Frazier, requests that any new band students call him before the summer school begins. If you have moved to Munday after the close of the last school term and wish to be in the Mogul Band please call 422-4840.

MUNDAY WEEVIL team members shown above as they finished second in the Munday tourney. This past week they added another trophy to their collection by bringing home another second in the Knox City Double Elimination Softball Tourney. Shown (l to r bottom row) are: Daron Parker, Freddie Caram, Jerry Skelton, Terry Bufkin, (top) Haney Hardin, Billy Welch, Danny Diggs, Buddy Cypert, Paul Stovall, Doug Robinson and Jerry Walling. Not shown are John Ed Nelson, Bob Walker, Robby Thompson and Mark Coffman who played in the KC tourney.

Weevils Take Second In Tourney

Munday Weevils softball team finished second in the tournament held this past weekend at Knox City.

Munday drew a bye in the first game and defeated Seymour Firestone 12-2 second game. Seymour Goodyear lost the third game to the Weevils 15-5. O'Brien Co-Op handed the Munday team their first loss in the fourth game 14-12. Munday came back in their fifth game of the double elimination tourney to defeat a very strong Seymour Merchant team 15-14. The win over the Merchants put the Weevils in the championship bracket against O'Brien Co-Op, who had handed the team their only

defeat so far in the tournament. When the dust settled and the game ended O'Brien had downed the Weevils again by a score of 11-4 to give Munday second in the tourney.

Team members included: Daron Parker; Freddie Caram; Jerry Walling; Buddy Cypert; Jerry Skelton,

Goree; Doug Robinson; Terry Bufkin; Danny Diggs; Billy Welch; Haney Hardin; Seymour; John Ed Nelson, Seymour; Bob Walker, Wichita Falls; Robby Thompson; Paul Stovall and Mark Coffman, Goree.

In season league play at Seymour, the Weevils finished second with a 9-3 record.

Citizens Donate Fifty-Two Pints

The Red Cross Bloodmobile collected 52 pints of the 62 quota Monday at the Community Center.

Fifty-three citizens of Munday and the surrounding area signed up with only one deferral in those registering. Even though the quota was not reached these donors are to be congratulated for their response to this life saving activity.

Working to make the project a success were co-chairmen Dortha Awalt and Latreace Lane. Other ladies helping with the registration and collection activities were: Helen Homer, Rene Reed, Joye Baker, Margaret

Moore, Robbie Baker, Wynners Matthews, Jean Allen and Allene Koenig.

Six of the donors who gave blood specified their donations for Mark Brown. He is in the hospital at Houston where he had open heart surgery. Those donating to this specific cause included: Buddy Cypert, Gary Cypert, Billie Paul Cypert, Vera Tomlinson, Larry Tomlinson and Danny Brown.

Robbie Baker, Jeanette Therwhanger, Anna Andrade, Alice Andrade, Andrea Walling, Vera Tomlinson, Nancy Shahan, Gail Bordovsky, Gary Cypert and Patsy Hutchinson made up the ten first time donors for the bloodmobile. Reaching the one gallon donor level were Ray Moore and James Jackson. Leo Koenig was the only two gallon donor. Tony Shawver made the 3 gallon donor and Freddie Caram made the 4 gallon list.

With the list of new donors and the past record of donors in the Munday area, there is no reason you can not surpass the allotted quota the next time the bloodmobile is in Munday.

Barton Joins Mogul Staff

Scot Barton of Pecos has joined the coaching staff of the Munday Moguls.

He is a 1978 graduate of Texas Tech and attended Pecos High School where he lettered in football, basketball and track. He worked for Caterpillar Corp. six years before obtaining his college degree.

Scot was all intramural in football and softball at Tech and made the dean's honor list two years.

Scot is 29 years old and married. His wife, Branda and two sons, Dusty age 7 and Cory age 3 have moved into the housing on south 13th street.

In announcing the addition of Barton to the Mogul coaching staff coach Rodgers stated, "We are very fortunate to have Scot join our staff and we're looking forward to a successful year with the help from him and our other staff members."

TODD MEERS, left, AND KEVIN HERRING, right, attended the 50th Anniversary Convention of the Texas Association of Future Farmers of America.

FFA 50th Anniversary Celebrated At Convention

The 50th Anniversary Convention of the Texas Association of Future Farmers of America, was held July 11-14, at the San Antonio Convention Center. Attending the convention from Munday were Kevin

Herring, president of the local chapter, and Todd Meers, treasurer of the local chapter. Kevin is the son of Mr. and Mrs. C. H. Herring, and Todd is the son of Mr. and Mrs. Boyd Lynn Meers.

More than 6,000 persons attended the four day convention, the highlight of the year's activities in FFA. Some 1,600 voting delegates representing 828 chapters in the state were on hand to elect officers for the coming year and to honor outstanding members of the organization.

Texas is the state with the largest membership in FFA. There are more than 60,000 members and the national organization has drawn many of its national officers from the ranks of the Texas membership. The current national FFA president is J. Ken Johnson from Nacodoches.

The convention, which celebrated the 50th anniversary of FFA, had as its theme "FFA at 50: A Golden Past and A Brighter Future." Created in 1928, the

Food Stamp Participants To Work For Stamps In Pilot Projects

Assistant Secretary Carol Tucker Foreman today announced publication by the U. S. Department of Agriculture of proposed regulations for 14 pilot projects in which food stamp participants will "work off" their food stamp benefits.

Foreman said that the Department is also publishing a Notice of Intent soliciting applications from political subdivisions to conduct the projects in their local areas. The projects, known as workfare, are mandated by the Food Stamp Act of 1977 and will be administered under the joint authority of USDA and the Department of Labor.

The Food Stamp Act specifies that the projects should be conducted in one urban and one rural area in each of the seven administrative regions of USDA's Food and Nutrition Service. Cities, counties, states or other political subdivisions may apply to USDA to operate the projects.

Under the pilot projects, food stamp recipients who are required to register for employment will also be subject to a requirement to work in the workfare project if their household's monthly food stamp benefits are greater than their household's monthly earned income. Such recipients will be required to perform work, without additional wage compensation, in return for their food stamp benefits. The food stamps themselves, will be considered the compensation for the work.

The number of hours a recipient will be required to work will depend on the size of his or her household's food stamp benefits. Each hour worked will earn the recipient an amount of food stamps equal to the hourly rate for the federal minimum wage.

Failure to comply with the workfare requirements will result in suspension from the food stamp program. Under the proposed rules, each time that a recipient fails to fulfill workfare requirements, the recipient will be removed from the program for one month.

Congress determined last year that the 14 pilot projects should be conducted so that workfare in the food stamp program could be thoroughly studied.

Workfare projects now Future Farmers of America has had almost a million members since its inception. In its first half century, the organization has been noted for its distinguished contributions to youth, leadership, agriculture and vocational education. Current FFA programs encompass every phase of agriculture from livestock production to development of leadership to agricultural economics.

At the convention, outstanding FFA members were recognized for significant achievement in FFA programs including supervised farming, agribusiness and leadership. Also, more than \$300,000 in college scholarships was presented to 70 FFA members by nine organizations that are long time supporters of FFA.

The boys were accompanied by Jim McCright, local Vo-Ag teacher.

exist in some areas in "general assistance" or "general relief" programs. Food stamp workfare will operate on similar principles to these projects but will differ in that compensation will be paid in food stamps rather than cash. Also, most food stamp recipients will be working fewer hours (usually less than half-time) because food stamp benefits are generally lower than general assistance benefits.

The proposed regulations appeared in the Federal Register on July 12.

Public comments should be sent to Nancy Snyder, Acting Deputy Administrator for Family Nutrition Programs, Food and Nutrition Service, U. S. Department of Agriculture, Washington, D. C. 20250. These should be received by August 12. Proposals to sponsor the project should be received no later than 30 days following publication of final regulations for the workfare project. The work-

fare sites selected will be published in the Federal Register subsequently.

Former Munday Resident Dies In Graham

Pierce Scores Twice In Six Man All Star Game

The West Six-man All Star football team defeated the East All Stars by a score of 57-46 in Saturday's contest at Stephenville.

Keith Pierce of Benjamin, Ivan Krecji of Highland, and Lonnie Salmon of Marathon scored two touchdowns a piece to lead the West to their victory. The West, coached by Benny Grill of Benjamin, lead 21-8 after the first quarter.

Outstanding back honors went to Krecji for his performance in the game. He

rushed 127 yards on 29 carries, and scored on runs of one and five yards. Salmon's scoring runs covered five and 41 yards. Pierce plunged over from the one yard line for both of his scores during the game.

Mike Avery of Marathon was Outstanding Lineman.

Brian Homes of May gained 145 yards and threw a 34 yard TD pass to Carl Frazier of Strawn. Frazier also scored on two other touchdowns and Larry Gates of Harrold scored on an 11 yard dash for the other scores in the game.

Pierce threw an 18 yard pass to Bryan Andrade of Blackwell for one other touchdown and Larry Gates of Harrold scored on an 11 yard dash for the other scores in the game.

Student Returns From National Meeting

Joy Shawver, daughter of Mr. and Mrs. Tony Shawver, recently attended the Future Homemakers of America annual National Leadership meeting in Bal Harbour, Florida, July 17 - 21. Joy is a junior at Munday High School.

"Recognition: A Better You" was the theme of this year's meeting at which there were about 1400 young men and women in attendance. They participated in workshops designed to help them determine which forms of recognition mean the most to them and to gain a better understanding of how others want to be recognized for their achievements. Additional workshops focused on teen-age concerns such as teen parenting, nutrition, dual careers, teen suicide, leadership training and child abuse. At the end of each

day there were "Spark Plug Sessions" to help the delegates apply new meeting ideas to their chapters back home.

Joy participated in an "I Never Knew That" session lead by national officers Wednesday morning of the conference. Joy got involved in finding ways to expand the FHA/HERO image through effective public relations.

Police Report

July 10 - July 23

Thank you for your co-operation Tuesday and Wednesday, July 18 and 19 turning your outside water off. There was no water shortage, but we did have a well pump out and the Mayor wanted to take precautions. I stopped at over 20 residences having outside sprinklers running, covering the entire town block by block and everyone was super nice.

The Dept. issued 10 citations and 17 warnings. We assisted 3 motorists having car trouble. We delivered 1 emergency message and assisted with the traffic at 1 funeral.

We worked for some time on a reported kidnapping. We decided from investigation that the report was false.

One person was jailed in Benjamin over night on a traffic warrant, the subject pleaded guilty before Judge T. Omar Cure the next morning and paid his fine and was released.

Bad check charges were filed on one subject, and the check was paid off.

One car was reported stolen and one person was turned into the police as a shoplifter. One undesirable male was escorted out of town.

Haskell Area Crusade Plans Finalized

Dwight Thompson, nationally known evangelist, recording star, and television personality, and the Signs of Peace choir from Waxahachie, will team up to lead the Haskell Area Crusade nightly at 8:00 p.m., July 30th through August 2nd.

The evening meetings will be held in Indian Stadium in Haskell. Nursery accommodations will be provided by participating churches in Haskell. If you would like to come to the crusade and do not have a way, area churches have promised buses to pick up and take home. Call Jimmy Griffith at East Side Baptist Church in Haskell. He can tell you what church in your town is bringing a bus and how to obtain transportation.

Counselor training sessions are scheduled this Thursday the 27th. The session will begin at 7:45 p.m. in the chapel room of the First Baptist Church in Haskell.

The Signs of Peace from Southwestern Assemblies of God College in Waxahachie, Texas, have a unique music ministry to both the hearing and the deaf. They communicate the gospel message through their hands as well as vocally. The group is under the direction of Tommy Thompson and is traveling extensively throughout the southwest. This will be their third appearance in Haskell.

Call up your friends, encourage your church to pray, load up your car and come on over and enjoy the fellowship and the excitement of God's family gathered in His presence.

WG's Meet On July 15

The WG's were entertained in the home of Viola Cude Saturday night, July 15. Everyone brought a salad and Viola furnished the dessert of home made ice cream. It was a wonderful salad supper.

Gifts were exchanged and then games were played. All members were there except Mary Welsh and Vera Killian.

A nice time was reported by all. Reporter, Vera Killian.

Mr. and Mrs. Buddy Gafford of Vashti spent Sunday with his parents, Mr. and Mrs. Worth Gafford.

HERE'S THE NEW LOWEST-PRICED KODAK INSTANT CAMERA!

\$39.95

It's so easy to handle. Just open the back and load with PRIO KODAK Instant Print Film. Crank out the safety sheet. Aim. Click. Crank. And a print appears from the top of the camera and becomes a beautiful color print with SATINLUXE™ finish in minutes.

- Distinctive features make picture-taking simple:
 - The hand grip makes it easy to hold, easy to use, easy to take along.
 - A 2-element, 100mm f/12.7 coated lens, a no-fuss fixed focus (from 4 feet to infinity), and an electronic shutter with speeds from 1/300 to 1/15 second.
 - An automatic electric-eye exposure control with a manual override adjustment to lighten or darken prints.
 - The optical, projected-frame viewfinder makes photo composition easy. The rectangular image lets you frame shots horizontally or vertically.
 - A red low-light signal appears in the viewfinder to indicate when flash is needed.

And of course his grandparents, Mr. and Mrs. Arthur Hargrove of Goree are very proud of him also.

SBA Opens Six More Offices To Assist Farmers

Congressman Omar Burleson advises that although nearly 2,400 Texas farmers have either interviewed or filed drought loan applications totaling approximately \$28 million the SBA Regional Office announced the opening of six (6) more offices to serve those Texas farmers who have not yet applied.

For farmers who suffered drought damage and resultant financial hardship, the filing deadline is October 11, 1978, which is unchanged from the original date established when the disaster was declared. "Before the deadline occurs doubtless there will be more applications filed and the SBA is therefore moving some of the existing offices and opening new locations as well in an effort to be as accessible as possible to the 220 counties that are eligible for drought disaster loans," said Burleson, "including 29 in the 17th Congressional District."

The Disaster Offices will be located in Dallas, Houston, San Antonio, Harlingen, Lubbock, Temple, Laredo, Amarillo, Pecos, Marshall, and Abilene. The Laredo, Pecos, and Abilene Offices opened July 5. Each office will be open from 8:00 a.m. to 4:30 p.m. daily, Monday thru Friday.

SBA Disaster Office Managers are recommending that the farmers come in person to pick up an application and then return it in person. This assures that the application is complete, which in turn expedites processing of the loan. The following information should be submitted with application for drought loan assistance.

• A copy of the legal

description of land, i.e., deed, mortgage, real estate contract, etc., (if real estate is to be offered as security).

• Copies of tax records. The applicant should keep the originals as file copies.

• A copy of the latest ASCS notice (Form 476) for allotments and yields.

• If claiming a loss on pasture, indicate type of pasture (timber, grass, good improved, or excellent improved) and the number of months of normal grazing and pasture produced.

• If land is rented crop share, indicate percentage division (i.e., 50/50, 60/40, etc.) and list only your share among the share of the acres.

Burleson explained that there are other items required if the applicant is in a partnership or corporation which is another reason why coming in person to the offices to initiate the loan application is recommended.

The Physical Disaster Loan Program for farmers will include unrecovered production costs on 1977 crops at 3% for the first \$250,000 and 6 5/8% thereafter.

Three of the 29 eligible Texas counties within the 17th District are Knox, Baylor and Haskell.

The address in Abilene is: County Judges Office - 2nd Floor, 300 Oak Street, Abilene, TX 79602.

Services Held For Former Knox Resident

Funeral services for Mrs. G. W. (Mary) Tidwell, 87, of Seagraves and formerly of Eastland County, who died at 2:15 p.m. Wednesday in a Lubbock nursing home after a lengthy illness, were held at 10 a.m. Friday in First Baptist Church in Seagraves.

The Rev. Danny Lucas, pastor, officiated. Burial was at 4 p.m. in Hefner Community Cemetery near Goree, directed by Connally Fun-

eral Home. Born Jan. 20, 1891, in Eastland County, she married George Tidwell May 25, 1913, in Knox County. She was a member of the Baptist Church and had lived here 27 years, moving from Knox County.

Mr. Tidwell preceded her in death.

Survivors include a son, Dane of Seagraves; two daughters, Margaret Miller of Garland and Mrs. Horace Woodward of Lubbock; a brother, Gene Payne of O'Donnell; six grandchildren; and 11 great-grandchildren.

BECAUSE THE PEOPLE MUST KNOW

AN ORDINANCE
Amending an ordinance dated May 13th, A. D., 1969 duly passed and adopted entitled:

AN ORDINANCE
Declaring it a misdemeanor or to allow a dog to run at large within the corporate limits of the City of Munday, Knox County, Texas: Providing for impounding such dogs; providing for the impounding of dogs which have bitten any person; providing penalties; and declaring an emergency.

Be it ordained by the City Council of the City of Munday, Knox County, Texas that:

After the effective date of this Ordinance it shall be unlawful for any person to allow any dog of dangerous, vicious, fierce, or mischievous propensities or tendencies and any female dog in heat to be allowed upon any street, avenue, highway, alley, sidewalk, parkway, park or other public place within the city, whether such dog is under the control of the owner or any other person, either by leash, cord, chain or otherwise. Any such dog so found upon any of the public places shall be taken up and impounded and shall not be released except upon the approval by the chief of police; provided however, that if any dangerous, vicious, fierce or mischievous dog so found cannot be taken upon and impounded with reasonable safety for the person attempting the same, such dog may be slain by any

policeman.
If any dog bites or attempts to bite any person while such dog is at large, then such dog shall be conclusively presumed to be a dangerous dog and a dog of dangerous propensities and tendencies.
If any dog attacks or attempts to attack any other dog or other animal while such dog is at large, then such dog shall be conclusively presumed to be a vicious dog and a dog having vicious propensities and tendencies.
If any dog at large overruns a securely covered garbage container, or removes any garbage from any such securely covered container, then such dog shall be conclusively presumed to be a mischievous dog and a dog of mischievous propensities and tendencies.
Be it further ordained that the violation of any provision of this Ordinance shall be deemed a misdemeanor and any person guilty of such violation may be fined not to exceed the sum of One Hundred (\$100.00) Dollars.
Be it further ordained that the provisions of this Ordinance shall control and govern, should there be any conflict with the provisions of this Ordinance and the provisions of any other Ordinance now in effect.
It being found by the City Council that an emergency

exists, and further, that it is necessary for the immediate preservation of public health and safety, that this Ordinance take effect immediately, an emergency is hereby declared and this Ordinance shall become effective as of its first reading and adoption.
READ, PASSED and ADOPTED, this the 11th day of July A. D. 1978
A. Dale Selzer, D.D.S. Mayor.
