WITH IMPORTANT TRACK WINS

Munday Leaves Mark On Regional Contest

THE MUNDAY MOGULETTES track team is a little large for everyone to reach the top of the winner's stand, but the trophy gets the point across - they won! In fact, the girls won decisively, scoring 129 points in the regional track meet in Abilene Saturday and running away with the team championship. Several of the girls will compete in the state track meet May 13-14 in Austin. Pictured in back row are, from left, Rosalinda Castillo, Cheryl Bunton, Esther Escamilla, Denise Kuehler, Jae-Jae Reneau and Kacy Longan (crouching); in front row are Angie Offutt, Alicia Cook, April Offutt, Mindy Myers, Eva Campos, Kathy Wilde and Robin Reneau.

No one who attended the regional Class A track meet in Abilene Friday and Saturday could deny that the Munday Moguls and Mogulettes left a big impression! Following their sweep of the district meet two weeks ago, the local teams scored an identical victory on the regional level, leaving their competition far behind.

The Mogulettes, paced by three first place medals for Mindy Myers, two for Kathy Wilde and a perfect three for the relay teams, scored 129 points, completely overshadowing the rest of the field. Irion County came in a distant second in the girls' bracket with 40 points.

Almost as dominant, the Moguls got gold medals from both relay teams and another pair from Anthony Stinnett on their way to scoring 96 points, way ahead of runner-up Roscoe's 44.

Competing in the state track meet, set for May 13-14 in Austin, will be Mogul relay runners Terry Collier, Trey Thompson, Perry Collier and Anthony Stinnett. In addition, each of these athletes will compete in at least one other event, and Lowell Hutchens rounds out the list of qualifiers.

On the girls' side, Angie Offutt, April Offutt, Alicia Cook and Eva Campos will participate in relays only, while Mindy Myers and Kathy Wilde will be extremely busy, running on relay teams and entering a variety of individual events.

"I was very satisfied," said a happy coach Gina Farmer after the meet. "The kids just put out a super effort. Our relay teams couldn't have performed better. Our young kids were nervous but really came through."

Farmer had commented earlier that two relay victories would help her team's effort at state, but three would make her feel even better about the Mogulettes' chances for a championship. She still feels that way this week. "I feel really comfortable with my mile relay team, and I think the others will do well for us, too. And Mindy and Kathy should score lots of points for us. We should have a shot at the state title."

About the regional meet, she continued, "It was just an excellent day for us. The weather cooperated and everybody ran well. We got a bad handoff in the 800 relay prelims and went into the finals in fifth place, but Angie ran a great leg and we cut our time down to win. Mindy had a personal best in the 800, and our mile relay team time went down, too."

Boys' coach Jim Edwards said, "We did exactly what we hoped to do. I was impressed with the way the kids competed, and more impressed with the comments we drew from other coaches about our conduct and the way we prepared ourselves to compete. I'm proud that we're able to represent Munday in a way that is beneficial to the community and at the same time bring home the championship."

Edwards judged the competition at Abilene to be very good and also said his team has a good chance to win more gold medals in Austin. "Karnack won the boys' and girls' meet last year, and they look to be our strongest competition. We'd like to duplicate their feat this year." He added that 65 points or more should win the meet in the boys' division, but Farmer will feel better if her team can rack up more points than that. "Most years a score in the 60's will win it, but we scored 69 last year (Karnack had 74) and got second, so we would like to improve on that."

Since the MHS band will be in Austin this weekend, neither coach has set plans for participating in a state qualifiers' meet.

'88 Honor Graduates Announced At MHS

The top eighth grade graduates of 1984 have been named valedictorian and salutatorian of the 1988 senior class at Munday High School. Alexis Bordovsky won the right to deliver the valedictory address, ending her four years at MHS with a grade average of 96.11. Right behind her with a 95.67 average is salutatorian Corey Moore.

The pair will join the remainder of their class in receiving diplomas on Friday night, May 27, in this year's commencement exercises. Sponsors for the 1988 seniors are Dan Sloan and Jacquita Welch.

Alexis, daughter of Gail Breeland and David Bordovsky, has been active in the band and annual staff

and serves as an officer in her class and in the National Honor Society. A participant in the one-act play, she was voted band queen, football sweetheart and Miss Merry Christmas during this school year. She plans to attend Texas A&M University.

The son of Maynard and Carolyn Moore, Corey is president of the National Honor Society and is a class officer. He was named to the basketball All-District team this year and was a member of the district champion doubles team in tennis. He has received a Carr Academic Scholarship from Angelo State University, where he will enroll in the fall.

Other honor students for the senior class and their grade averages are Glen Reid, son of Jim and Marilyn Reid, 94.77; Russell Reddell, son of Jimmy and Linda Reddell, 92.51; Sam Hunter, son of Johnny and Martha Hunter, 92.27; Deborah Brown, daughter of Bernard and Frances Brown, 90.92; and Annette LeFevre, daughter of Steve and Patsy LeFevre, 90.29.

Farm Statistics Needed By Mid-Year

Beginning June 1, representatives from the Texas Agricultural Statistics Service will be contacting farmers and ranchers across the state to help set the 1988 planted acreage estimates and mid-year livestock inventories.

"These surveys are very important this year because they will be the first measure of the impact of the changes in the 1988 national farm program," state statistician Dennis Findley explained.

"Information from these surveys will provide Texas producers with solid facts and figures they can use when making their production and marketing plans in light of these changes."

Individual reports will be combined with other reports to set state estimates. Results of the confidential interviews, conducted by telephone or in person by field enumerators, will be published later this summer. The 1988 acreage forecast will be published July 12, and the mid-year cattle inventory will be published July 29.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since one report represents similar operations of the same size and type. Our estimates can be no better than the numbers producers provide," Findley added.

Public Service Announcement

A representative of the Vernon Social Security office will be at the Munday City Hall from 9:30 until 11:30 a.m. Wednesday, May 11, to assist local citizens in filing for Social Security retirement, disability, survivors, Medicare and Supplemental Security Income benefits.

Nursing Center Announces Mothers Day Open House

Munday Nursing Center will hold an open house from 2-4 p.m. Sunday, May 8, in conjunction with the annual Mothers Day program. Sunday is also the first day of the nationwide Nursing Home Week.

Mothers who reside in the nursing center will receive special recognition at 2:30 p.m. and the regular Sunday afternoon worship services are planned at 3.

Refreshments will be served throughout the open house, and all family members and friends of residents are urged to drop by for a visit.

Festival Pageant Entry Deadline Is Approaching

Kerri Urbanczyk, organizer of the Knox County Vegetable Festival beauty pageant, has announced that the deadline for entering the pageant is Tuesday, May 10. Any girl age 3-6 or 14-18 who is a resident of Knox County is eligible to enter the June 17 contest.

Annette LeFevre, Andrea Brown and Krisi Harlan are the reigning queens from the 1986 festival, and they will crown their successors

during the upcoming pageant. Preschool and kindergarten girls will model dresses onstage and introduce themselves to the audience, and a Little Miss Vegetable Festival and two runners-up will be chosen in each age division.

High school entries will meet with the judges on Friday afternoon prior to the contest that evening. Then they will model evening gowns onstage and ten finalists will be selected. The new vegetable festival queen and two runners-up will be crowned from that field of ten.

Any girl meeting the entry requirements who is interested in entering the pageant or any business willing to sponsor a contestant should call Kerri Urbanczyk at 422-5137 or Kay Looney at the Chamber of Commerce office, 422-4540.

Hospital Gets More Medicare Money

Knox County Hospital administrator Dick Stout has announced continued good news as a result of the action taken recently by the hospital board of directors. In addition to the thousands of dollars returned to the hospital from the Medicare program as reported in the Courier last week, the facility has received an additional \$5,428.50, bringing the total amount recouped to \$91,967.

The money has been received by the hospital during the last two weeks, and along with the original Medicare overcharge of more than \$29,000, represents a net adjustment of \$121,240 in the hospital's favor to settle the 1985-86 fiscal year-end cost report.

The additional money is "a much needed boost to a tight budget," Stout commented.

City, School Elections Are This Saturday

It can be said over and over and still not repeated enough - Saturday, May 7, is election day for cities, schools and special districts in Texas. In Munday, voters will choose two city councilmen, four school trustees and two hospital directors.

Names on the city council ballot are incumbents Gene Brown and Richard Albus and challenger David Booe and Gary Howry. Choices for a two-year unexpired term on the MISD board of trustees are Larry Smith and Floyd Reed Jr. Running unopposed for their seats are trustees Dan Offutt, Joe Tidwell and John Reneau. The full school board terms are for three years, while city councilmen are elected for two years.

Also unopposed on the ballot is Munday mayor Doris Dickerson.

Incumbent Vernal Zeissel, appointee Jerry Williams and challenger Roland Marion are opponents for two positions on the Knox County Hospital board of directors.

In Goree, only two persons, Barton Carl and Bob Presnall, filed for three city council seats, so one councilman will be elected by write-in vote. Darrell Patterson and Richard Hutchens are running for a pair of seats on the Goree school board.

Polls open at 7 a.m. Saturday and close at 7 p.m. and anyone who is interested in how the city and school are governed - and that should be everyone - needs to take a few minutes to go to City Hall and cast a vote.

Goree Fun Day Is Scheduled May 14

The Goree Mothers' Club is planning a fun day on Saturday, May 14, on the Goree football field, weather permitting. Events will begin with a horseshoe tournament at 2 p.m.

A variety of contests, including a three-legged race, sack races and a greased pig chase, will start about 4 o'clock. A crazy hat contest will be judged at 7 p.m., and a men's leg contest will follow. A musical program will be held after the other events have been completed. A concession stand will be available for contestants and spectators.

Ribbons will be given for first, second and third places in all the races and contests, and trophies will be awarded in the horseshoe tournament.

Bloodmobile Set May 16

The second 1988 visit of the Red River Bloodmobile will be held here from 2:45-6:30 p.m. Monday, May 16, at the Munday Community Center. A goal of 60 pints needs to be met, according to volunteer chairman Latrace Lane.

Civic responsibility means neighbors helping neighbors. Healthy persons should donate their blood because family, friends and neighbors need it at some time, whether it is now or tomorrow. Volunteer contributions create a practical solution for meeting community blood needs through shared responsibilities. A successful bloodmobile visit ensures all citizens an adequate and safe blood supply when they are in need of that lifesaving gift.

Munday, Goree and Rhineland residents are urged to join this "people helping people" activity by donating blood May 16.

Booe Is Candidate For City Council

The Courier offers apologies to David Booe, whose name was inadvertently left off the election article which appeared in last week's paper. Booe is a candidate for a city council spot.

It should be noted that Munday voters have more choices on the ballot this year than usual. Four persons are running for two city council seats, and two others are vying for an unexpired term on the school board. Both these positions require a great deal of time, and the persons willing to be elected to the city council or school board deserve commendations for their dedication to providing better city government or quality education.

Book And Bake Sale To Benefit Library

The City-County Library in Munday will sponsor a book and bake sale on Saturday, May 7, in front of the Munday Chamber of Commerce office. The sale will begin at 9 a.m. and continue until the items have been sold.

Mrs. Joann Norman, librarian, said that donations of baked goods to be sold will be gladly accepted. Proceeds from the sale will help maintain and implement the library's programs for Knox County citizens; therefore, the support of patrons and other interested persons will be appreciated.

Mogulette Is State 3-Point Goal Champ

Munday High School sophomore
Mindy Myers, an athletic standout
in girls' basketball and track, has
won the Texas Association of Bas-
ketball Coaches' three-point
shooting contest for Class A. A
record of all the three-point shots
attempted and made during the 1988
basketball season was compiled by
TABC, and Mindy's average of 69
percent was the highest among Class
A girls.

In addition, the Munday Mogul-
ettes won the team trophy with a
team three-point shooting average
of 61.3 percent. "Most of those
shots came from Mindy," said
Mogulette coach Gina Farmer.
Mindy and the school received nice
trophies to add to their collection of
awards.

The daughter of Billie Jake and
Dot Myers, Mindy was named the
most valuable player in Munday's
basketball district and is currently

mance in the state track meet in

pion in the 800 meter run.

MHS Seniors Enjoy Parties Hosted By Local Churches

Munday seniors enjoyed special
meals at the First United Methodist
and First Baptist churches, adding
to the excitement of their final
weeks in school.

The Methodists used a Hawaiian
theme to decorate the fellowship hall
for the April 11 supper. A meal of
fried chicken, green beans,
potatoes, fruit salad and dessert of
brownies, ice cream and chocolate
sauce was enjoyed by the seniors
and their guests as Hawaiian music
was played in the background.

The highlight of the evening was a
hula contest, for which each table
produced a contestant. Students
participating in the impromptu dance
were Glen Reid, Jeremy Hutch-
inson, David Leija, Nickie Collier
and Annette LeFevre, and sponsor
Jacquita Welch also joined in the
fun. Glen Reid won the contest, and
all the dancers received prizes.
Favors for the seniors were flower
leis presented by additional hula
dancers.

Other entertainment at the dinner
included watching a Football Folies

video tape and reading fortunes
from fortune cookies.

From the island of Hawaii the
seniors moved to the big top for the
Baptist supper April 18. The dining
room was strung with streamers to
form a tent effect, and balloons and
posters helped carry out the circus
theme. Tables were covered with
multi-colored cloths and featured
more balloons.

The students ate their fill of
chicken fried steak, corn and pota-
toes, helped themselves to a salad
bar and added homemade ice cream
for dessert. Randy McLelland of the
First Baptist Church in Haskell was
guest entertainer, and he presented a
musical program with a short con-
cluding speech.

In addition to the 26 MHS
seniors, invited guests at the supper
were Mr. and Mrs. Doyle Low-
rance, Dr. and Mrs. Bill Kingston,
Mr. and Mrs. Dan Sloan and Mr.
and Mrs. Lloyd Don Welch, as well
as the pastors and their wives.

Ya'll have a nice day!

Loran-Wood Vows Pledged In Rhineland Nuptial Mass

Jimmie Sue Wood and James Anthony Loran were united in marriage at three-thirty in the afternoon on Saturday, April 30, at St. Joseph's Catholic Church in Rhineland. Rev. Vincent Redder, cousin of the groom, officiated, and celebrants were Rev. Harry W. Fisher of Sacred Heart Catholic Church in Seymour and Rev. Robert L. Strittmatter of St. Joseph's.

Parents of the couple are Mr. and Mrs. Joe W. Wood of Seymour and Mr. and Mrs. F.J. Loran of Windthorst. Mrs. Mary Redder of Rhineland is the groom's grandmother.

Vows were repeated before an altar flanked with heart-shaped candelabras decorated with silk grape ivy and white flowers and bows. Lisa Myers was organist for the ceremony and Carlen Guerrero, vocalist, sang *A Long and Lasting Love* at the beginning of the service and *On This Day, O Beautiful Mother* while the couple lit the unity candle.

Given in marriage by her father, the bride wore an Alfred Angelo design of white silk satin featuring a Victorian neckline and puffed sleeves edged with French embroidered lace sprinkled with tiny pearls and iridescent sequins. Lace trim was repeated on the bodice, and the sheer back was fastened with tiny covered buttons. The full skirt was bordered with wide lace and embroidery and flowed into a chapel length train. Her fingertip veil was held by a band of flowers with sprays of smaller blossoms falling back over the veil. She carried a cascade bouquet of white roses, small spring flowers, mauve rosebuds and heart-shaped pearls encircled with lace and complemented by streamers of white and multi-color ribbons.

In keeping with tradition, the bride carried her fiancé's great-grandmother's prayer book for something old; her wedding dress was something new; her mother's engagement ring was something borrowed; and her grandmother's blue handkerchief was entwined in her bouquet.

MRS. JAMES ANTHONY LORAN
formerly Jimmie Sue Wood

Jody Smith was matron of honor and bridesmaids were Rita Mooney and Marquita Brooking, sisters of the groom, Cathy Loran, sister-in-law of the groom, and Pam Davis. They wore matching full length gowns of polished cotton in a watercolor floral print styled with close-fitting bodices, slightly lowered basque waistlines, deep V-backs and short ruffled sleeves. Each carried a long-stemmed mauve tea rose accented with pink baby's breath and ribbons and wore spring flowers in her hair.

Jessica Atchley, niece of the groom, was flower girl. She was

dressed to match the bridesmaids in a watercolor print tea length dress and spring flowers in her hair, and she carried a basket of multi-colored flowers and mauve tea roses.

Charles Jacob Atchley, nephew of the groom, served as ringbearer. He wore a tuxedo matching those of the groomsmen and carried a heart-shaped pillow with white ribbon streamers.

John Loran attended his brother as best man, and groomsmen were Dr. Gary Wood, brother of the bride, Michael and Joe Loran, brothers of the groom, and Ray Mooney, brother-in-law of the groom. Ushering guests were Nat Oechsner, also the groom's brother-in-law, and John Winter Jr.

The groom wore a pearl grey cutaway tux with matching vest and bow tie and a white rosebud accented with small multi-colored flowers in his lapel. His attendants were dressed in pearl grey tuxes with grey ties and cummerbunds complemented with mauve rosebud boutonnieres.

Acolytes were Tony Loran, brother of the groom, and Fred Redder, his cousin. Charles Redder, uncle and godfather of the groom, served as lector.

During the ceremony, the bride presented long-stemmed mauve roses to the couple's mothers and the groom's grandmother.

The newlywed couple and their parents hosted a reception, dinner and dance at the Knights of Columbus Hall after the wedding. Decorations were in spring colors with mauve accents. Dinner tables were decorated with silk grape ivy, double hearts, spring flowers and multi-colored ribbon. The bride's bouquet and the flowers carried by her attendants during the wedding were used on the head table.

The bride's table was covered with a white lace cloth and centered with a floral arrangement in a crystal and silver bowl. The three-tiered cake was iced in white with accents of mauve satin bows and silk flowers and topped with a pair of white doves inside a lace heart. A

silver punch bowl completed the table setting.

The dark brown covering for the groom's table was overlaid with an ecru cloth crocheted by the groom's mother. The wildlife centerpiece featured a resting deer surrounded by greenery and candles. The chocolate cake was iced in pale chocolate and decorated with two entwined hearts bearing the couple's names and the wedding date. Coffee was poured from a brass coffee service.

Registering guests were Ashley Nicole Wood, niece of the bride, and Joan Atchley, sister of the groom. Julia Oechsner and Christine Brooking, sisters of the groom, and Natalie Paige Wood, the bride's niece, served wedding cake and punch, and Patty Williams, cousin of the groom, and Julie Davis presided at the groom's table. They all wore white tea rose corsages trimmed in white ribbon with small pearls. Distributing mauve rice bags were Michelle Loran, niece of the groom.

The rehearsal dinner was held April 29 at the Knights of Columbus Hall in Rhineland.

After a four-day cruise to the Bahamas, the couple will reside in Seymour.

Pre-nuptial showers included a pounding hosted by Julia Oechsner and Christine Brooking in Wichita Falls and a bridal luncheon given by the matron of honor and bridesmaids at Uncle Lynns in Wichita Falls.

★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

The Divide is still needing rain. The cool weather has helped the wheat, but it may be holding back tomatoes and other garden plants. Watermelon farmers in southern Oklahoma fear they may have to replant because of the cool soil temperatures. The cool weather has been good for the wheat and grass though.

The monthly supper for the Gilliland community center will be held this week, Saturday, May 7 at 7 p.m. After supper there will be table games.

J.C. Langston is in Bethania Hospital following heart by-pass surgery last Wednesday. He is reported to have been moved to a private room and doing well.

Kristy Kimmell went to a postal meeting in Lubbock April 19.

James, Vicky and Tamisa New of Boerne visited her parents, Mr. and Mrs. Finn Caussey, at Seymour, and his mother, Mrs. Corinne New at Gilliland recently.

Nancy M. New, granddaughter of Mrs. Corinne New, has been named an "Outstanding College Student of America" for 1988. She will graduate from Texas A&M May 13. Nancy is a member of the American Association of School Administrators, the American Association for Counseling and Development and the American Library Association.

Thirteen stockholders were present at the annual Farmers Co-op Elevator meeting at the Truscott Community Center Saturday. Jack Brown, Louis Baty and Lee Whitley were elected directors. The auditor's report was read by Borden Duffel of Abilene.

Visiting the Glen McGuire Sunday afternoon were Otis Cook and Doyle and Loretta Davis of Wichita Falls.

Sunday dinner guests with Mrs. Vanta Horne were Dud Ellis and his son-in-law.

Newell and June Looney and granddaughter Farrah Looney of Lubbock attended the annual Looney reunion at Dublin Saturday and Sunday. Also attending were Kay Gray and children, Andrew and Emily, of Vernon.

The Truscott Church of Christ gave a farewell dinner Sunday for Dennis and Diane Saucier. He has been minister of the Truscott Church for almost two years while completing work on a master's degree. They are moving to Las Cruces, N.M., where he will serve as campus minister for a Church of Christ congregation there.

Bill Brown of Brownfield will be taking a girls' track team to state for the second year in a row. The Brownfield team won first at the regional 3-A meet at Odessa Saturday and will enter four events at state. They won second at state in 3-A events last year.

Clifford Ohr Sr. of Abilene and

Mr. and Mrs. Elmo Glasscock and son of Dallas ate with the Truscott senior citizens last Tuesday. They left generous donations to the cemetery fund. May has become the traditional month for an informal drive for cemetery donations. Checks can be sent to the Truscott Cemetery Committee, Truscott, Texas 79260. An effort is being made to build up the fund now to ensure the maintenance of the cemetery in years to come.

Ila Mae Bullion and Clara Brown have started the survey at the Truscott cemetery. They are trying to list the parents, brothers and sisters and children of each person buried at the Truscott cemetery, along with other information. If you have relatives buried at Truscott for whom this information is not listed in the family story in Between the Wichitas, you might contact them as this is one more chance to get this information on the record.

Social Security Provides Financial Help For Disabled

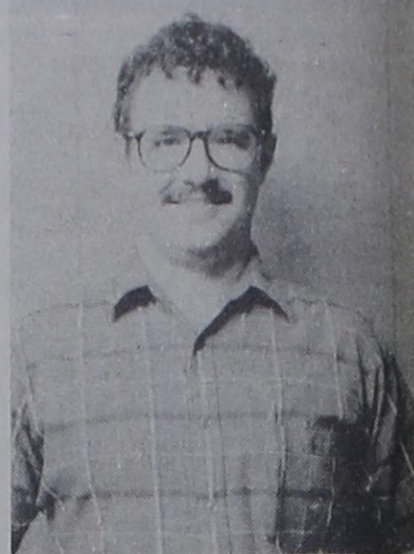

A common concern of parents with disabled children is whether there will be enough money to support them throughout their lives. The Social Security and supplemental security income (SSI) programs can do much to lessen this concern. These two programs can assure some economic security to disabled children of all ages.

Under Social Security, children under 18 may be eligible for monthly benefits if one of their parents receives Social Security benefits or dies. But what happens to disabled children when they reach 18 or 30 or 45 and a parent retires, becomes disabled, or dies? The answer is childhood disability benefits.

To be entitled to childhood disability benefits, the child's disability must have started in childhood -- before the age of 22. A child over 18 whose disability began in childhood can start getting benefits when a parent (stepparent, adoptive parent or grandparents, in some cases) dies or starts receiving benefits. For example, a worker covered by Social Security dies, leaving behind a 38-year-old mentally retarded daughter. That daughter can be entitled to childhood disability benefits.

The SSI program is different than Social Security. It pays monthly benefits to disabled people with limited income and resources. The age at which the disability started has no bearing. Disabled people of any age -- young or old -- can receive checks.

Disabled children under 18 who live with their parents can qualify for SSI payments only if the income and resources of the parents are limited. However, once a child turns

DONNIE PETERS and his family have recently moved to Knox County, where he assumed the duties of county extension agent on May 2. Peters is a graduate of Sunray High School and Panhandle State University and has worked with the Wichita County Extension Service for the past four years. His wife grew up in Seymour and the couple has a small daughter.

18, the parent's income and resources no longer count. Children with little income and few resources may be able to get SSI checks.

If you have a disabled child who may be eligible for either Social Security or SSI benefits, call the Social Security office. The people there will be glad to give you more information or take an application.

CANCER SOCIETY...

Several services are available to Knox County cancer patients, according to Knox County service/rehabilitation committee chairman Tommie Crawford. With written permission from the patient's doctor, the American Cancer Society will provide loan equipment, basic information and referral services and a variety of rehabilitation programs.

Loan equipment available includes hospital beds, wheel chairs, commode chairs and walkers, as well as expendable items such as dressings, hospital gowns, bed pads, pillows, etc. On the list of services are the Reach to Recovery program for mastectomies, esophageal speech lessons for laryngectomies, ostomy rehabilitation and related patient and family groups.

"The concept for these rehabilitation programs is the volunteer-to-patient relationship," Mrs. Crawford said. "We have many volunteers who are themselves former patients and who are specifically trained by the society to help other patients and their families adjust to living with cancer."

For more information on these services, contact Mrs. Crawford at 422-4062 or 422-4537 after 2 p.m.

Senior Citizens And Guests Enjoy Songs

The Minor Chords were also guests and provided several special songs. Thanks were expressed to Mrs. Christ and Leona Elliott, who accompanied the singers on the piano, and to those who led the singing.

The date of the next singing will be printed in a later issue of the Courier.

Local HSU Student Earns Scholarship

Munday High School graduate Wilda Smith has received a Ben O. Grant Memorial Scholarship for \$1,000 at Hardin-Simmons University. Miss Smith, a senior at HSU was one of six students at the college who received scholarships at a special ceremony held early last month.

The awards were presented by Dr. B.W. Aston, chairman of the HSU department of history, at the annual Phi Alpha Theta (international history honor society) banquet. The Munday honoree is the daughter of James and Millie Smith of Munday.

CARD OF THANKS

We would like to take this opportunity to thank our friends and relatives in the Munday area for their kind expressions of sympathy during the illness and loss of our loved one. The flowers, food and memorials were deeply appreciated, and the spirit of your prayers was with us throughout those difficult days. We especially thank the members of Gillespie Baptist Church for the meal prepared for the family and Rev. Byard for conducting the service.

JO'S DOLL SHOW

Jo Etta Cartwright has many, many dolls in her doll collection and she was kind enough to get them out, dust them off, wash and iron all their clothes and display them for viewing last week. Enjoying the show were the retired teachers of Knox County and the third and fourth grades here in Benjamin. Then before she put them back in storage, she called several here in town to come see them. I went and never have I seen such a variety in one place! All kinds, including heads of states, movie stars, singers, dolls of porcelain, china, rubber, crocheted dolls. Just everything you can imagine! She said she had over 300 and I believe it! I asked about the money involved and they said they had no idea how much money had been spent but that the collection is now priceless. It was a good show - very enjoyable and we appreciate Jo Etta and W.T. letting us see their dolls!

HERE AND THERE

Jack Idol, who has been undergoing medical treatment in Abilene, was in Benjamin last Thursday to attend to some business. His daughter-in-law, Mary Idol, brought him home for the day. He is doing lots better but did return to Abilene to stay until he is stronger.

Nora Hertel was a recent visitor of her daughter and family, the Daniel Albuses, and her son, Charles Hertel, in Lubbock.

Pat Barton was back in Wichita Falls Friday to check with her doctor following her recent surgery. She got an encouraging report and will go back in six weeks for another checkup.

Bill Benson remains a patient in the Seymour Hospital. He is much improved and may get to return home on Tuesday. We wish him a speedy recovery.

Sue Moorhouse has been returned to the Seymour Hospital. We also wish Sue a speedy and complete recovery.

A revival is in progress at the First Baptist Church in Benjamin. Rev. Jimmy Griffith, pastor of the First Baptist Church in Paducah, is conducting the services. Song leaders are Gary and Jackie Sides of Victoria. Everyone is invited to attend any of these services which begin nightly at 8 p.m.

Peggy Dillard of Lubbock was home for the weekend visiting Virginia Griffith and her mom, Audrey Nolan, in the care home at Knox City.

Don't forget to vote in the local elections coming up Saturday, May 7. Remember if you don't vote, you shouldn't gripe about how things are going!!

Social Security Limits Amount Of Delayed Benefits

People who delay applying for Social Security retirement or survivor benefits for some time after they become eligible may miss out on some checks. This is because the number of months for which back payments can be made is limited, according to Vernon Social Security representative Frances Braden.

In general, people who apply for retirement or survivor benefits after they reach 65 can get back benefits for up to six months before the month they apply, but not before the month of their 65th birthday. People who apply for reduced benefits before 65 generally cannot get benefits for any month before the month they apply.

Those applying for benefits because they are disabled -- workers, adult children, widows and widowers -- can get benefits for up to 12 months before the month they apply if they are eligible in all other ways.

Applicants can save time when they do apply for benefits if they have the necessary documents ready, Braden said. This includes the person's Social Security card or record of the number, birth or baptismal certificate, W-2 forms and self-employment tax return for the past year and marriage and death certificates, if appropriate.

More information about applying for benefits can be obtained at the Vernon Social Security office, located at 1701 Cumberland, Vernon, Texas. The telephone number is 817-552-9346. The employees there can suggest other documents if those listed are not available.

Texas Nursing Home Week Is Announced

May 8-14 has been designated Texas Nursing Home Week by Governor Bill Clements. When Courier readers notice this proclamation, they are urged to remember the residents of the Munday Nursing Center and take time to visit the nursing home during this special week or at any other time. Visitors are always welcome.

OFFICIAL MEMORANDUM STATE OF TEXAS

OFFICE OF THE GOVERNOR
As the life span of Americans grows longer, the total round-the-clock care provided by licensed nursing homes in Texas becomes more essential than ever to the well-being of an increasingly larger number of our senior citizens.

These facilities offer their residents services ranging from basic nursing care and special therapies to providing a wide range of activities for the residents to help enrich the quality of their lives.

Each year, the Texas Health Care Association sponsors Nursing Home Week. During this week, facilities open their doors and invite the general public to visit with residents and to gain a better understanding of the vital role nursing homes play in today's health care system.

It is fitting that we recognize the importance and significance of the licensed nursing home in our society and commend them for the services they provide for the elderly citizens of our state.

Therefore, I, William P. Clements Jr., Governor of Texas, do hereby designate May 8-14, 1988, as Nursing Home Week in Texas and urge appropriate recognition thereof.

W.P. Clements Jr.
In official recognition whereof, I hereby affix my signature this 3rd day of March, 1988.

Local Board Leads Efforts To Prevent Abuse of Children

(Editor's note: The following information was provided by the Knox County Child Welfare Board in its ongoing effort to educate area citizens about the dangers of child abuse and neglect.)

The Knox County Child Welfare Board cares about children. The staggering statistics of child abuse are now a problem our community must face and help treat.

Thousands of children in Texas, including some in Knox County, are abused physically, sexually or emotionally and suffer physical and emotional neglect. The abuse and neglect occurs in all neighborhoods, at all socioeconomic levels and among all races. Children are most often abused by a parent or someone living in the child's home. About 90 percent of abusive parents hate themselves for harming their children. They vow to stop, but they don't. They may love their children, but they can't change without outside help.

Help is available! Anyone who needs help personally or who suspects abuse or neglect of a child should call the Department of Human Resources at 817-658-3524 or the child abuse hotline number, 1-800-252-5400.

Child Abuse Prevention Week is April 24-30. It shouldn't hurt to be a child.

The struggle to re-open our hospital has been won. The struggle to keep it open is going on now. I want to help win that struggle.

I have one year of experience on the board. Thank you for your consideration Saturday, May 7.

★ Weinert News ★

By Mrs. Myrtle Phemister

We received a nice shower of rain the past week, but the wind has been so hard we can scarcely see the evidence of the shower.

We will be congratulating Henry and Gwen Ejems as they celebrate their wedding anniversary!

Those celebrating birthdays are Ed Murphy, Ricky Harlan, Donald Griffis and Bennie Horan. Happy Birthday, all!

We are happy to report that Freddy Horan is improving daily, and will be up and out soon.

W.C. and Coleen Nance were in town for the weekend, and she has improved so much they are taking a month's vacation in Hawaii. They were guests of her parents, Pud and Susie Brackett, as were Jo Coffman of Goree and Pete and Imo Brackett with their daughter, Kim Taylor, and children, Renee, Justin and Jimmy. It was an early Mother's Day and Susie was given a VCR to be shared with Pud.

A special guest of the Bracketts last week was Lyla Price Connel, daughter of Ennis (Young) Price and granddaughter of Mr. and Mrs. Taylor Young, former residents of the country north of town.

Lyla came by to see the "old home place" where she was born and renew old acquaintances. She lives in Lubbock and was accompanied by her granddaughter, Kimberley Whitmon, and her great-granddaughter, Destiny, both of Shallowater, Okla.

Tammy Offutt of Wichita Falls spent the weekend with her grandparents, the Eddie Sanders and the Bud Offutts, and attended the worship services at the First Baptist Church with them on Sunday. She was accompanied by a friend, Brent Proffitt, of Wichita Falls.

Mike Smith of Muleshoe was a house guest of Brenda and Kenneth Sanders for the weekend, having come from North Texas State with their son, Gregg. Mike and Gregg are classmates and are making plans to share an apartment next semester. They all attended First Baptist Church on Sunday.

Sallie Sanders has returned from a visit to Daingerfield to visit her daughter, Sue and Butch Cox and children.

A granddaughter, Brenda Sartain and son Casey, accompanied her home and spent a few days in Weinert and Haskell.

Jeanene Perry has returned to her home in Stanton and took her parents, Buck and Helen Turnbow, home with her for a few days. Helen is improving and her broken arm is less painful now. A cast could not be put on the arm because of the place where it was broken being too close to the shoulder.

Becky (Perez) and Jessie Ruiz have purchased a home in Rochester and have moved there with their young son. Jessie is employed by George Mullino. We are happy for them, but we will miss them.

Ann Glasscock with her children, Jackie, LaDonna, Billy, Johnny, Rusty, Amanda, Taunya and Cody, of San Angelo, spent the weekend with her parents, Roy and Leta Phemister, and attended worship services with them at the Church of Christ on Sunday.

Mattie White, Faye Jetton, Helen

Boykin and Myrtle Phemister attended the brunch hosted by the ladies of the Stamford Church of Christ and heard two lectures by Dr. Marilyn Lewis of Abilene Christian University.

Dr. Lewis' subject was titled "Joy in Hospitality" and "Joyful Christianity in the 80s". She quoted Abe Lincoln when he said, "Most people are as happy as they make up their minds to be." She urged to audience to have a merry heart (Proverbs 15:15), and remember that laughter is a medicine, and we should strive to retire each night with a joyful attitude for health's sake and arise each day determined to radiate cheer to those we come in contact with.

Kelly Earp was honored with a basket shower in the home of Kerri Urbanczyk of Munday on Sunday. Lauri Hester was co-hostess and welcomed guests. Kelly will be married soon to Wayne Hutchinson of Knox City. They are both students at Angelo State University.

We extend sincere congratulations to Stacia Adams, daughter of Mr. and Mrs. Elmer Adams, and Kevin Ray Leach of Knox City who were married in a beautiful ceremony held at the First Baptist Church on Saturday, April 30, at 6 o'clock in the evening. Steve Peace, former pastor of the church, officiated at the wedding. The couple will make their home in Haskell, where they are both employed.

Grades one through eight will enter the UIL meet to be held in Munday on Tuesday afternoon. This will be the second part of the meet.

Weinert was well represented at the district soil and water awards banquet held at the Haskell Civic Center on April 28. Winning students in the conservation poster contest, their teachers, parents and siblings were honored guests.

Winners were Jeremy Harlan, son of Ricky and Karen; Alisa Garza, daughter of Anita Garza; David Crump, son of Don and Debbie; Nick Jimenez, son of Nick and Eva; Daniel Castorena, son of Raymon and Lupe; Heather Guess, daughter of Hal and Cindy.

Teachers honored were Mary Murphy and Caren Yates. Marvin Phemister serves as district director for Weinert.

Locals' Granddaughter Is Married In Ennis Ceremony

Sheryl Ann Spann and Mark Norakas exchanged wedding vows at six o'clock in the evening on Saturday, March 19, in the First United Methodist Church of Ennis. Rev. Allen Goss, pastor, performed the double ring ceremony, assisted by Rev. Jeff Smith of Texas Wesleyan College.

The bride is the daughter of Mr. and Mrs. George S. Spann Sr. and the groom's parents are Mr. and Mrs. Jerrald P. Norakas, all of Ennis. The bride's grandparents are Mr. and Mrs. Chester Lain and Mrs. Bera Spann, all of Munday.

Arrangements of blue flowers and brass urns of sonia gerbera daisies, gladioli, cream freesia, lephtha and wood fern decorated the sanctuary. Spiral candleholders and potted ferns accented the setting, and family pews were marked with fresh gerberas, freesia, leather leaf and satin bows.

Mrs. Bonnie Graff provided organ selections. Bera and Bobby Boyd of Hereford, aunt and uncle of the bride, sang *We've Only Just Begun*, *There Is Love* and *The Lord's Prayer*.

Given in marriage by her father, the bride wore a white satin wedding gown with a fitted bodice covered with hand-sewn pearls and sequins. The rounded neckline was edged in scallops, and the long sleeves puffed at the shoulders, then tapered to fit closely at the wrists and featured cutouts heavily encrusted with pearls and sequins. The hand-sewn beadwork was repeated on cutouts around the hem of the full skirt and on the semi-cathedral train. A halo of silk flowers and pearl sprays held her finger-tip length veil, and the bride carried a bouquet of fresh cattleya and dendrobium orchids, white freesia and English ivy with white lace and satin accents.

For something old and borrowed, the bride wore a cross necklace which had been the seventh birthday gift to her mother. Something new was her wedding gown and something blue was the traditional blue garter made of satin and lace. She also wore a string of pearls, a gift from the groom.

Caryn Spaniel served as maid of

MRS. MARK NORAKAS

honor, and bridesmaids were Leah Smith and Dawn Norakas, sister of the groom. They wore identical formal gowns of royal blue tiana satin featuring sweetheart necklines and short puffed sleeves with lace ruffle insets. The fitted bodices were overlaid with lace and large satin bows adorned the back waistlines. The fully-gathered skirts swept back to trains accented with lace inserts. Matching lace gauntlets and hair clips of sweetheart roses and gypsophila completed their ensembles, and they carried natural stemmed sonia roses and fern foliage tied

with satin and lace.

Chris Macon was best man, and Rodney Butler and Brent Clark were groomsmen. Candlelighter and ushers were George Spann Jr.,

brother of the bride, and G.B. Buxton, uncle of the groom. The bridegroom wore a grey tuxedo featuring a white pleated wing-tip shirt, matching bow tie and vest with sonia roses in his lapel. His attendants were dressed in matching silver grey tuxes with bow ties and cummerbunds and white rose boutonnières.

The bride's mother chose a tea-length mauve dress, and the groom's mother wore a tea length dress in pink. Their corsages were white cattleya orchids.

The reception was held at Lakeside Country Club with Leigh Lain of Knox City, the bride's cousin, registering guests. She also distributed satin rice roses to guests before the bride and groom left.

The bride's cake was a four-tiered creation supported by columns above a fountain of blue water. Cascades of white silk flowers were entwined around the layers, and a miniature porcelain bride and groom stood on the top layer. Judy Lain of Knox City, aunt of the bride, and Stephanie Caperton served.

The groom's cake was a chocolate replica of a Hertz Penske truck, and a silver coffee service and punch bowl complemented the table setting. Vicky Ware and Cathy Cousins served at the groom's table.

The rehearsal dinner was hosted by the bridegroom's parents in their home.

The bride is a graduate of Ennis High School and is employed by Ennis Business Forms. The groom, a graduate of Ennis High and Texas State Technical Institute, is employed by Hertz Penske of Waxahachie. After a wedding trip to Florida, the couple is residing in Bardwell.

Continuing our series on back care, this week we will look at caring for the back when standing and sitting.

If you suffer from back pain you have a lot of company. Back pain is as common as the common cold. However, unlike a cold that normally runs its course within a week, back pain can be a nagging lifetime problem. But by paying attention to posture and body alignment it's possible to prevent back strain and also protect your back from injury.

Let's start with some standing postures to avoid. Never stand with your lower back arched or swayback. Also avoid standing with your upper body stooped, your lower back arched or swayback and your abdomen sagging. Both these positions put unnecessary stress on your lower back.

Instead, to minimize stress on your lower back, follow the advice you surely heard from your mother. Stand tall with your stomach pulled in, your buttocks tucked under and your knees slightly bent. This position minimizes the mechanical stress on your lower back.

If you're going to be standing for long periods of time, put one foot on a stool, a chair rail or anything available that is between 5 to 6 inches high. This is called "unloading" the back, since putting one foot up tends to reduce stress on the back by flattening out the lower back and counteracting swayback. You should alternate putting your left and right feet up and avoid holding any one position for too long a time.

The heels of your shoes can also make a big difference to back com-

fort. The higher your heels are, the greater they sway and strain your lower back. So wear low heeled shoes for everyday and reserve the high heel spikes for special occasions when you won't be doing a lot of standing.

Now let's talk about proper sitting posture. Try to avoid soft chairs - the kind your sink down into. Instead, choose a chair that's firmly padded. And select a chair that has a tall enough back to provide support for your back. A third factor to consider is the height of the chair. Ideally, the chair should be low enough for your knees to be slightly higher than your hips when both feet are on the floor. At the same time, the chair should also be high enough for the seat to give support to your thighs.

If the chair is not "ideal" height you can modify it by putting your feet up on a footrest. If you don't have a footrest, you can use a turned over wastebasket, an empty carton or whatever is handy. The key posture guideline to remember, as in all body positions, is to eliminate swayback. Having your knees a little higher than your hips tends to round out your lower back and reduce swayback.

When you're working at a desk or table, keep your neck and back in as straight a line as possible with your spine. In other words, bend your upper body forward from the hips as a total unit instead of merely bending your head and neck.

And last, don't sit too long at any one time. Get up occasionally to stretch and move around.

CARD OF THANKS

Thanks for the memories! To the ladies in our birthday club, I offer my gratitude for the going-away party I was honored with recently. You made this such a special event, and I will never forget a single moment of it.

But most of all, thank you for being loyal friends all these years. I will miss you but will carry the memories of happy times with me to my new home for the days when I feel homesick.

I love you all.

ATTENTION KNOX COUNTY VOTERS

I am seeking election for a seat on the BOARD OF DIRECTORS for the

KNOX COUNTY HOSPITAL DISTRICT

My only concern is keeping this Hospital open and not letting it resort back to being used as a First Aid Station. We NEED OUR Hospital!! We need babies being delivered here regularly and routine surgeries performed here, not out of town. Our loved ones do not need to drive out of town to visit us when we are hospitalized.

I have had a close working relationship with the Hospital for nine (9) years as a Special Skills-Emergency Medical Technician with the Knox City EMS. I am also the Knox City Fire Marshall, I conduct Fire Safety Inspections at the Hospital every three (3) months.

I am asking for your consideration on SATURDAY (May 7) and I THANK YOU.
