WATCHING A WINNER was this group of avid sport fans at the game Friday night between the Munday Moguls and Windthorst Trojans. A very exciting game was witnessed as the defense of the Moguls held Windthorst to a big zero on the scoreboard. Offensively the

Mighty Moguls scored two touchdowns in the 14 to 0 contest. Munday will travel to Rule Friday night to take on the Class B powerhouse Bobcats. Game time 8:00 o'clock.

Mogul Defense Stifles Trojans, Travel To Rule Friday Night

Munday Mogul punter, Larry Welch, came through for his team by booting the pigskin deep into Trojan territory on fourth downs to keep the rivals out of scoring range. Defensive plays by the Moguls forced four fumbles and five interceptions in their 14-0 win over the Trojans from Windthorst.

Windthorst won the toss and elected to receive. After moving the ball to the Munday 12 yard line a fumble halted the drive. The Moguls moved the ball to their own 20 yard line and one fourth down Welch went to work and punted the ball to Windthorst's 43 yard line.

After a six yard return on the punt Windthorst lost the ball on downs. Three plays later the Moguls were looking at 4th and 2. Welch again dropped back in punt formation and boomed a 41 yarder to put the Trojans on their own 6 yard line.

After three plays Windthorst was in punt formation and tackle Mike Wilde sliced a 17 yarder out-of-bounds on his own 31. Halfback Isom Murray went over the left side for 13 yards and a Mogul first down on the Trojan 12 yard line. Quarterback Randy Routh then passed to end Larry Welch for the Moguls first TD of the game. Welch added the one point PAT.

On the next series Mogul Douglas Michalik intercepted a Steinberger pass on his own 40 yard line. After a first down and three more plays Munday again punted with Welch sending it 34 yards to the Trojan 20 yard line with a 10 yard return. First and ten on the thirty the Trojans moved the ball to the Mogul 39 yard line before being forced to punt on 4th down. Munday took over on their own 12 yard line. Moving the ball 5 yards in three plays again it was punt time. Taking the ball on their 44 yard line, time in the second quarter expired

with a loss back to their 43.

Johnny Dockins returned the kickoff 11 yards to the Mogul 35. Three attempts by Isom Murray failed to gain a first down and the punt followed. Windthorst gained 3 yards on three plays and then punted. The Moguls fumbled the ball on the next play and Windthorst took over on the Mogul 21 yard line. A pass play from Steinberger to back Terry Anderle put the ball on the 7. A fumble by Charles Veitenheimer was recovered by the Moguls on their 7 yard line. Moving the ball to the 16 yard line Welch then punted a 37 yarder with a return to the Mogul 36. Losing 2 yards to the Mogul defense a punt followed. Moving the ball from the 21 to the 24 on three plays Welch had his best punt of the night a whopping 51 yards.

Again the Mogul defense went to work as Ronnie Phillips picked off another Trojan pass on the 35. After a clipping call, Munday was forced to punt with the touchback coming out to the 20 for the Trojans. After a 2 yard gain Mogul Monti McAfee picked off a pass and returned it five yards to the Trojans 25. After a gain of 2 yards and 4th and 8 Munday attempted a field goal from the 23 and was wide left.

A punt by the Trojans, a fumble by Munday, again Windthorst was held and forced to punt. Nine yards in two plays and a loss of 2 forced another Munday punt for 37 yards. A fumble by Windthorst was recovered by Johnny Melton on the Trojan 20 yard line. A personal foul by Windthorst gave the Moguls first and ten on the 9 yard line. On fourth and 2 Murray was stopped short of a TD by a tough goal line stand by the Trojans. Larry Welch then intercepted another Trojan pass on the opponents 27 yard line setting up the next play where Johnny Dockins raced 27 yards for the TD and Welch kicking the PAT.

The first play after the kick off Douglas Michalik intercepted his second pass of the night on his own 25. Fourth and 2 Munday punted again. Time ran out on the Trojans on their 45. Final score Munday 14, Windthorst 0.

LARRY WELCH

Larry Welch Honored As Player-Of-The-Week By Abilene

Senior Larry Welch was selected as eleven man player-of-the-week by the Abilene Reporter-News for his performance against Windthorst Friday night at Munday.

He scored the first touchdown for the Moguls on a 12 yard pass from quarterback Randy Routh. One pass interception, 10 punts aver-

aging 37 yards and two extra points by kicking were also a factor in his being nominated for the award. This was the first award of the season to be bestowed by the paper.

Welch plays offensive and defensive end for the Moguls.

Larry's parents are Mr. and Mrs. Don Welch of Munday.

PP&K Registration Deadline Sept. 28

The 18th annual Punt, Pass and Kick competition is being sponsored by Bill Wilson Motor Co. of Haskell for boys and girls ages 8 to 13 in the trade area. The contest is set for Saturday, October 7, 10:00 a.m. at Indian Stadium in Haskell.

Boys and girls will be testing their skills against and competing with others their own age. Winners will receive a PP&K trophy and a chance to compete in higher levels of competition. The finals will be held at the NFC championship game to be played on January 7, 1979.

Interested and eligible boys and girls may register by coming into the dealership with your parent or guardian.

A free PP&K tips book will be available when you sign up. Tips from the pros are contained in this publication. It is hoped these tips will improve your skill and prepare you for the PP&K competition.

Registration deadline has been set for Friday, September 28.

Hurry to your Ford Dealer in Haskell and sign up for the competition.

FHA Emergency Loans Available

Emergency loans for farmers, ranchers, or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA). Joe T. Boone, FmHA county supervisor, said today.

Boone asked that those who need farm credit as a result of drought from February 28, 1978 through August 2, 1978 and heavy rain August 3 and 4, 1978, make their needs known at the Farmers Home Administration office at 1101 East Main Street in Knox City, Texas.

Application for assistance in the disaster stricken counties will be accepted by Farmers Home until May 21, 1979 for physical losses and August 23, 1979, for production losses.

FmHA loans covering actual physical and production losses may be used to

replace installations, equipment or buildings, (including homes) lost through this disaster. Funds may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming or ranching operation.

"Funds can also be used for essential operating and living costs," Boone said.

Loans covering actual losses are made at an interest rate of three and five percent and are scheduled for repayment as rapidly as feasible, consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending on the purpose of the loan.

The interest rate for

short-term loans for farm operating purposes is 8 1/2%. Long-term loans are being made at an interest rate of 8 1/2% also.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based on the emergency designation can be used to reorganize the farm for greater efficiency and better production.

Changes Take Place At The Courier

The Munday Courier took on a new look and a few changes this week. None that you'll be able to notice by looking at the newspaper.

Since August of 1976 Gail Bordovsky has been our typesetter. Beginning this week she moved to the front office to become the "Social Editor". Taking her place in the back room is Linda Beth Jackson. Although the equipment is new to Linda Beth, she is an old hand at working in a newspaper office. She worked for the paper back in the days when it was The Munday Times.

So the next time you walk in the Courier office don't leave thinking you went in the wrong door.

WARREN NEWELL ...with FHA

Newell Is New FHA Assistant

Warren Lee Newell has been assigned to the Assistant County Supervisor position at Farmers Home Administration in Knox City. Formerly with FmHA in Brownfield, Newell received his degree in Range Science from Oklahoma State University and began work with this agency in February 1976 at Stanton.

He is a native of Cheyenne, Oklahoma and has lived in Modesto, California and Stillwater, Oklahoma.

He assumed his duties here August 28 and replaces Larry McDaniel who was recently assigned to the Snyder FmHA office as County Supervisor.

Mr. and Mrs. Paul Williams from Clinton, Okla. visited her brother and family Mr. and Mrs. Edgar Morgan for the weekend.

Corps Of Engineers Inspect Drainage Ditch

Terry Bachim and Norman Brown of the Corps of Engineers, Ft. Worth, accompanied by W. O. Smith, president of Knox County Drainage District # 1 and Walter Hertel, City Administrator of Munday, made a complete survey of the four mile long drainage ditch constructed under the supervision of the Corps, Wednesday, September 13. The inspection was made to determine drainage ditch erosion damage after the recent 8 inch rains in Munday and the heavier amounts in the Thorpe Community that run into the west end of the ditch.

of damage incurred and how well the ditch performed in elevating the flooding capabilities of such a rainfall. They estimated Munday was saved from flood damage almost the amount it cost to construct the ditch, one million dollars.

Recommended repair was to hire a bulldozer to fill dike and bank washes on the south bank, immediate fill around one partially washed out concrete chute, cleaning of drainage waterways washed and plowed in and raising dikes in some areas for short distances.

Smith stated, "Funds for the bulldozer would be paid by the Drainage District."

Hertel said the City would furnish trucks, grader and some personnel would be made available to complete the required work.

Estimated time for completion of all parts was seven to ten days, with dozer use to be approximately 2 to 3 days.

The Drainage District and the City of Munday have a written commitment to maintain the ditch and the foregoing action is required to fulfill that agreement.

Work has already commenced and should be completed very soon if the weather permits.

Knox City Airport To Celebrate Tenth Anniversary, Sunday

A team of skydivers from Abilene will open the show itself, followed by radio controlled model aircraft demonstrations, glider demonstrations, experimental aircraft flyers, and climaxed with the performance of R. E. "Bob" Carmichael of Dallas, World Ace Aerobatic. Bob has just returned from Czechoslovakia, where he competed and was awarded 7th place in the world. The U. S. team came in second in competition.

Pilot participation trophies will be given for first arrival, first woman pilot, youngest pilot, oldest pilot, smallest plane, largest

plane, oldest plane, farthest traveled distance and a spot landing contest. Pilot should contact tower on arrival.

Ten free helicopter rides will be given, courtesy of Christensen Aviation, Inc., preceding the festivities. Anyone may register for the drawing at Knox County News, Jones Pharmacy or the Chamber of Commerce.

Tickets for the barbeque may be purchased for \$3.00.

A WALK-A-THON sponsored by First Baptist Church was held this past weekend to support State Missions. The Royal Ambassadors accompanied by Pastor Jack Mints trekked 6 miles to earn over \$700. Pictured here (from l to r) back row: Scott Jackson, Neil Waggoner, Mark Brown, Rev. Mints, and Glenn Reid; front row, Russell Reddell, Jeremy Hutchinson, Michael Waggoner, Gary Welch and Chad Yost.

DEFENSE at its best was seen in the game between Munday and Windthorst Friday night in Munday. Montie McAfee, 83, has just picked off a Steinberger pass and returned it five yards. Blocking for McAfee are 88 Larry Welch, 60 Johnny Melton, 65 Wayne Mints. The Mogul defensive intercepted five Trojan passes during the game.

Coaches Comments

by Coach Rogers

The team played harder more aggressive football this week. We felt that our defense with Johnny Melton, Y Rameriz, Otis Adams as our down defensive middle had a better game. Our outside and inside linebackers made up of Larry Welch, Keith Sanders, Wayne Mints and Ronnie Phillips are working more like a unit now. The secondary consisting of Kevin Herring, Billy Welch, Isom Murray, Doug Michalik and Montie McAfee are going after the ball, which a good secondary must do.

The coaches felt that our offensive line and backfield were improved from last week. This group of young players made up of Bobby Therwanger, Phil Johnson, Ricky Sosa, Lenny Welch, Mark Kuehler, Randy Waggoner, David Johnson and Larry Welch are improving as an offensive line. The backs are working hard and should keep improving. This group consists of Doug Michalik, Craig Paylor, Isom Murray, Johnny Dockins, Kevin Herring, Otis Adams, Randy Rounton and Omar Choucair.

Other team members that are doing an excellent job on the specialty teams are Ralph Hernandez, Kenny Brown, Jeff Decker and Ernie Valencia.

We feel that the players work as a team and everyone on the team is

important to our success. This week we face a good Rube team that has a good defense and very potent offense with a mixture of passing and running. This game will be a good test and help our team improve for our district schedule.

by Scott Barton

The Jr. Varsity played their first football game last Thursday night against the Archer City Jr. Varsity. Both coach Dennis and myself were pleased with the performance of our kids.

The game was an excellent learning experience for our men and we will continue to improve throughout the season.

We felt especially good about the performances of Joey Kuehler, Rupert Martinez and Moses Dena. They played an excellent ball game.

Our next game will be against the Seymour J.V. in Seymour. We would like to invite all Mogul fans that would enjoy seeing a group of hitters to come and support the Mogul J.V.

Members of the 1978 Mogul J.V. are: John Mints, Stan Decker, Gary Adams, Allan Brown, James Beaty, Lester Adams, Kevin Smith, Joey Kuehler, Steven Schumacher, Greg Norman, Moses Dena, Rupert Martinez, Stephen Kuehler, Robert Murray and Henry Sosa.

by John Poulos

Last Thursday the Jr. High had its first game of the season with the 6th and 7th grades combined with the 8th grade to defeat Archer City here in Munday 12-8.

I am very pleased with the discipline and desire these young men have, and each one represented the team, the school, and the community with sportsmanship. I was happy that the eighth grade held in on defense when it counted so the younger 6th and 7th boys would be able to play. The 6th and 7th boys showed promise for the future.

The names representing the eighth grade squad include: Danny Hertel, Chris Moore, David Hernandez, Jr. Rameriz, Steven Smith, Charles Idol, Craig Wilde, Danny Sloan, Dave Hunter, Lawrence Collier, Terry Hendrix, Benny Little, James Tidwell, Bryan Kuehler, Tim Kuehler, and managers, Charles Fetsch, Ramon Sandoval and Ruben Escamilla.

Weinert Blasts Divide

Brian Adams ran wild in scoring five touchdowns to lead the Weinert Bulldogs to a 42-24 victory over the team from Divide.

Weinert led going into the fourth quarter by a score of 34-8.

Popio Munoz and David Chappa were the team leaders for Divide.

Grid Results

HASKELL DOWNS PIED PIPERS

The Indians defense lead the way for the victory over Hamlin with two interceptions that left the Pipers stalled on two key scoring drives.

Hamlin's defense held Vonnie Hise to no points but allowed him 89 yards on the ground. His brother lead the way for the Indians with 92 yards rushing, one TD and threw a pass for 6 more points.

Haskell 27, Hamlin 12.

SEYMOUR RIPS CROWELL 42-0

The Crowell Wildcats were overpowered by the Seymour Panthers in Friday nights action to the tune of 42-0.

Seymour amassed 318 yards rushing to Crowell's 98. Nearly all the backfield of the Panthers scored in the contest.

Crowell is now 0-2 in season play.

KNOX CITY VICTOR OVER ALBANY

Knox City scored 14 points in the fourth quarter to assure them a win over the Lions by a score of 26-10.

The Greyhounds rushed 317 yards and completed 7 of 10 passes.

Record wise the Greyhounds are 2-0 for the season.

BOBCATS ZAP HORNETS

Quarterback Rick Kittle of Rule lead the attack that downed the Aspermont Hornets 22-0 in Friday night competition.

The Bobcats are now 1-1 in season play and completed 15 of 23 passes for 167 yards. Rushing yardage was 111.

Aspermont hit six passes for 110 yards and rushed 97 yards.

PADUCAH BEATS SPUR

The Paducah Dragons won their second game of the season when they defeated the Spur Bulldogs 27-20 at Spur Friday night.

Dragon halfback Vance Porter scored three times on runs of 18, 70 and 18 yards for the Paducah team. Clay Timmons added the Dragons other score on a 60 yard run.

Spur scored on runs of 65 and 3 yards by Fred Reed.

Gorillas Overpower Mustangs

Benjamin scored 13 points against the Trent Gorillas but were unable to claim the victory as their opponents put 36 points on the scoreboard Friday night.

Benjamin's scores came on a three yard run by Mark Oxford and 13 yards by Joey Pierce.

Trent's fullback, Hubert Beaver, lead the Gorilla attack with four TDs on runs of 36, 43, 13 and 15. Gilbert Beaver scored on a 65 yard run and Lloyd Williams kicked three Pats.

Stretch your energy dollars- Install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Because when correctly installed in a properly insulated home, the heat pump produces two units of heat for each single unit of electricity it uses. It transfers heat that's always present in sun-warmed outside air into your home during the winter. And reverses the process, pumping heat outdoors during the summer.

If you have plans to buy, build, or remodel, or are looking for a new heating and cooling system for your home, call a local FACTORY CERTIFIED heat pump dealer or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you. Learn more about the easy-to-install, economical electric heat pump - your most energy-efficient heating and cooling system buy.

Remember REDDY Supplies the energy - but only YOU can use it wisely!

Home Ec Takes On A New Look

As the new school year begins, you can always expect to see new faces and new changes. One of the new faces in the halls of MHS is that of Miss Pattie Moody. She is presently completing her practice teaching in Home Economics to become a certified teacher.

Miss Moody is a native of Grand Prairie and graduated from South Grand Prairie High School in 1974. She continued her education at Mountainview Jr. College in Dallas before transferring to Abilene Christian University. Pattie graduated from ACU in August.

Pattie will be here at MHS through October 27. While she is here she is living with Mr. and Mrs. Bob Brown.

Besides her many talents in the home ec field, Pattie enjoys singing. She has sang with several groups and organizations throughout her college years and has become a favorite of her classmates while singing at their weddings.

All of us here wish to welcome Pattie to Munday

Goree Homecoming Set For Oct. 7

The Eighth Goree School homecoming will be held on Saturday, October 7th at the Goree High School.

Registration for the event will begin at 9 a.m. A general assembly will be held in the gym at 2 p.m. The master of ceremonies will be Charles Heard of Odessa, Texas. Mr. Heard is the son of the late Dr. and Mrs. E. F. Heard.

The catered barbeque dinner will be served at 5 p.m. Dinner reservations may be made by sending \$3.50 per ticket to Gaylon Hord, Goree, not later than Sunday, October 1. Reserved dinner tickets may be picked up at the registration table, October 7th; however, no tickets will be sold at that time.

A bonfire and pep rally will be held on Friday night, October 6th; afterwards, there will be an entertainment program, directed by Mrs. Jerry Underwood, in

the school gym at 8 p.m.

Homecoming activities will be highlighted Saturday evening when the Goree Wildcats meet the Rochester Steers for a football game at 7:30 p.m. During halftime, a Homecoming Queen and a Coming Home Queen will be crowned.

A concession stand sponsored by the Ex-Students Association will be open on Saturday, beginning at 9 a.m.

All ex-students, faculty and friends are invited to attend this homecoming.

NEW EXTENSION FORESTRY SPECIALIST - Dr. Michael J. Walterscheid has assumed the position of forestry specialist and forestry project leader for the Texas Agricultural Extension Service. He will be giving leadership to statewide educational programs in all phases of forestry.

Smaller Crop Brightens Cotton Price

Prospects for a smaller cotton crop than was expected earlier this year have improved the price outlook despite sagging demand.

With deteriorating crop prospects in West Texas and California, U.S. production may be down to about 11 million bales instead of the 11.8 million estimated by the U.S. Department of Agriculture Crop Reporting Board on Aug. 1. The 1977 crop totaled 14.4 million bales.

"The shortfall points to a price level somewhat higher in the second half of 1978 than the average of 49 cents per pound received by Texas producers during the first half of the year," notes Dr. Carl G. Anderson, cotton marketing specialist with the Texas Agricultural Extension Service. "However, supplies are expected to be adequate to meet disappearance. This means that carryover of cotton at the end of the 1978-79 season will be only slightly less than the 5.4 million bales on hand when the season started."

While the close balance between production and takeoff will cause the market price to be sensitive to news about any changes in worldwide production, the overall price increase will likely be small. Due to the sluggish demand, a much larger drop in production than now anticipated will have to develop to trigger a substantial jump in price, believes Anderson.

Even though planted acreage in Texas is close to that of last year, the crop is suffering from lack of moisture and hot weather. So it may fall short of the 3.7 million bale crop estimated by the Texas Crop and Livestock Reporting Service in early August. This compares with 5.5 million bales last season and 3.3 million bales in 1976. However, production prospects are better in other major cotton growing areas. "The higher price earlier this year has apparently encouraged foreign produc-

ers not to reduce cotton acreage as much as planned earlier," notes Anderson. "Foreign production is expected to slightly exceed the 49.3 million bale crop estimated for the 1977-78 crop year."

Foreign consumption is also expected to change little and will likely exceed production by about 5 million bales during the present year. That would be about the same size as the gap in 1977-78 and should maintain a strong export market for U.S. cotton, believes the marketing specialist. Cotton consumption in foreign countries is lagging as slow economic growth and a high rate of inflation are reducing the purchasing power of consumers, especially in Japan and several European countries.

"In the U.S. mill consumption of cotton continues to shrink while use of man-made fiber is increasing," reports Anderson. During the first 10 months of this season, mill use was 5.3 million running bales, 4 percent less than in the same period a year earlier. During the same period consumption of man-made fibers by mills with cotton system spindles totaled 1.71 billion pounds, up 8 percent from the year before.

"Economic conditions will likely continue to curtail the demand for cotton in the year ahead," says Anderson. "Current indicators point to a sharp slowdown in U.S. economic growth. An esca-

lating inflation rate suggests less capital spending and a slackening in personal income growth that will dampen economic activity." In the past, an economic downturn has resulted in a slump in demand for fiber, notes the specialist. The Gross National Product in constant dollars decreased 1.4 percent in 1974 and 1.3 percent in 1975 from the level in the preceding year. At the same time, total fiber consumption fell 13 percent in 1974 and another 4 percent in 1975 before rebounding in 1976 along with the upturn in economic activity.

HAY SITUATION BECOMING CRITICAL - With most of the state still dry, time is running short for hay making. Hay supplies will be extremely short this fall, with production down as much as 50 percent in some areas, notes a forage specialist with the Texas Agricultural Extension Service. Hay is available in other states but the cost is high. Grain supplies are good and the cost should be reasonable. Winter pastures can also help take the pressure off hay feeding. Producers will also want to cull their herds closely before winter sets in.

State Cancels Four Per Cent Tax On Residential Utility Bills

The state's four per cent sales tax on utility bills for residential customers will be dropped after Oct. 1, but an overlap for billing periods beginning during the month of September will cause the tax to appear on all bills received during October and on some received in November.

Fred Foy, supervisor of statistics and state taxes for West Texas Utilities Co., said that instructions issued by the State Comptroller are

specific on how the recently approved tax exemptions are to be applied.

"A lot of people apparently think that October billings will not include the tax," Foy said, "but this is not the case."

The law states that the exemptions shall apply to each regular monthly billing period beginning on or after Oct. 1. This means that if we bill a customer for service from any time prior to Oct. 1, the four per cent sales tax will be applied to the total bill.

Citing an example, Foy said that if a meter is read on Sept. 29, that particular customer will be taxed on the bill he received in October and also on the bill he receives in November, since his November bill is for service from Sept. 30-Oct. 29.

The tax exemption was enacted during the special session of the Legislature this summer and applies to residential use of electricity and natural gas. Residential use is defined as "a family

dwelling, a multi-family apartment, a housing complex or building or portions of a building occupied as home or residence."

The Legislature provided a local option on the one per cent city sales tax on utilities, but most of the towns in the West Texas Utilities service area have indicated they will continue the tax. Foy said that so far, Junction is the only WTU town which has announced it would abolish the tax.

"Our company will continue to collect the tax for the cities that wish to keep it," Foy said.

According to Walter Hertel, City Administrator, the city council has voted to retain the one per cent tax.

R-PEP Plans Annual Meet In October

The annual meeting of the Rolling Plains Economic Program, known as R-PEP, will be held at the Vernon Regional Junior College on Friday, October 20, 1978, from 8:30 until 3:00 announced R. C. Couch, Jr., Chairman of R-PEP, recently.

R-PEP is composed of all farmers and ranchers in a 29 county area of the Rolling Plains of Texas. There are no dues or assessments whatsoever. This organization is for all who are interested in the promotional, economical, and educational welfare of agriculture in Texas.

R-PEP is sponsored by the Texas A & M University Extension Service with Mr. Ed Garnett, District 3 Extension Agent as coordinator and a staff of specialists at the Research Extension Center near Vernon.

Officers include: R. C. Couch, Jr., vice-chairman of the Board & Senior Trust Officer-Haskell National Bank, chairman; Gary Mathis, co-manager of Swenson Land & Cattle Co., Stamford, vice-chairman; Bill Benson, Vernon, secretary; and Norman Britts, Vernon, advisor.

The meeting will be for all agriculturists in the Rolling Plains area.

A well-rounded program of experts in Texas Agriculture will be condensed down to one day of food, fun, and education.

Everyone is invited to attend for current updated information on the future in agriculture.

History Publication

Due to a publishing delay, the "Knox County History" will be available at the pre-publication price of \$13.52 through October 1, according to Mrs. Curtis Casey.

The drawing for a four coin Knox County memorial coin set will be extended to that date also. An antique silver memorial Knox County coin will be awarded to one of every 25 book orders placed by that date.

The book has been promised for Labor Day delivery, but press problems delayed the publication.

A free brochure about the second edition of the Knox County history has been published and may be obtained by writing Knox County History, Trussett, Texas, 79260. The book is exactly the same as the 1966 edition except that a 58 page index of surnames and

subjects has been added. The brochure describes the book, "stories, which tell that journey through time from 1870 to 1960's, are recorded in the Knox County History. In this book are priceless stories and facts, many of which could not be duplicated today, little more than a decade since the book was first published, because so many of the persons who contributed to it are gone...The subject and surname indexes point the way to any name mentioned in the book plus references to land prices, mules, dug outs, Indians, ranches, cotton and cotton growing, storms, railroads, schools, salaries, economic changes, etc.

Those wishing a book should send a check for \$13.52 to Knox County History, Trussett, plus \$1.00 for postage for each book.

REAL REFRESHMENT—With warmer weather ahead, nothing could be as refreshing on those balmy spring days than a cool, delicious salad made of wholesome Texas rice and plump turkey. Serve with milk or lemonade, vegetable sticks and fresh fruit for a lunchtime treat, suggests Texas Department of Agriculture home economist Cindy Coleman.

From the TAP Kitchen

RICE-TURKEY SALAD

4 tsp. lemon juice
 1 1/2 cups avocado, diced
 1 1/2 cups cooked turkey, diced
 1 cup cooked rice
 1/2 cup chopped celery
 1/2 cup green pepper, chopped
 1 tsp. onion, finely chopped
 2 Tbsp. mayonnaise
 2 Tbsp. sour cream
 1 tsp. salt
 6 crisp lettuce leaves

Pour lemon juice over avocado, and set aside. Combine turkey, rice, celery, green pepper, onion, mayonnaise, sour cream and salt. Toss all ingredients lightly, then chill thoroughly. Serve in lettuce leaves. Makes 6 servings.

For additional recipes write Commissioner Reagan V. Brown, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.
