Cut In Telephone Rates Demanded

Business Firms Almost Unanimous Demand For Cut

Lower telephone rates are demanded in a petition that has been circulated here this week by a group of business men, and which has been signed by practically every business concern in the city, and in addition the signatures of many individual subscribers have been secured, and it is stated that there are a few business concerns that have not yet been presented with the petition.

The petition demands that monthly rental on business telephones be reduced from \$3.50 to \$2.00 and that the monthly rental charge on residence phones be reduced from \$2.50 to \$1.50.

The petition sets out that in view of the fact that present rates are prohibitive, unless the reductions are granted the signers have pledged themselves to discontinue their telephone service at the conclusion of the present month, and remain without the service until rates are reduced to (Continued on back page.)

Funeral Rites For Miss Opal Maples Friday Afternoon

Funeral services for Miss Opal Maples, who died in the Methodist Hospital at Colorado Springs, Colorado Tuesday afternoon, will be conducted at the Methodist church here Friday afternoon at 3:30 with the Rev. John H. Crowe, pastor, in charge of the services.

Miss Maples succumbed to tuberculosis, from which disease she had suffered for several years, and during the past two years she had been a patient in the Methodist Hospital at Colorado Springs.

News of the passing of this young lady brought universal sorrow to the citizenship of this community, where she was born and reared, and where she was universally loved by all who knew her. Even after being stricken with the dreaded disease, she was always cheerful and optimistic, always wearing a smile and with an energy possessed by but few, she fought a valiant fight for life, and everything that a devoted family could do for her was done, but without avail, and the spirit of this fine young woman was taken from the frail and suffering body at 4:20 on Tuesday afternoon.

Her mother, Mrs. H. T. Maples was with her at the time of her passing.

Deceased was born in Munday on Dec. 8, 1905, and grew to young womanhood in this city. She was a faithful member of the Methodist church and was completely reconciled to the inevitable victory that the grim reaper was destined to claim.

In addition to her parents, Mr. and Mrs. H. T. Maples, of this city, she is survived by two sisters, Mrs. J. D. Kethley and Mrs. P. V. Williams, of Munday, and three brothers, Carl Maples of Haskell, Roy Maples of Spearman, and Avis Maples of Munday.

The remains arrived on the afternoon train Thursday and were carried to the Maples home, while Mrs. Maples was driven through from Colorado by her son, Roy Maples.

Interment will be in Johnson cemetery.

We join the many friends of this estimable family in extending our sincere sympathy. We know that their hearts are heavy at the irreparable loss and great sorrow that has come to their home, and if kind words of condolence and deeds of kindness could in any measure appease their sorrow and lift their burden, we know that these things would be done.

Dates For Tourney Again Changed To Week June 11-17

After switching dates for the Tri-County Golf tournament last week to the week beginning June 18th, the dates were switched back to the dates originally set, June 11-17, at a meeting of local golfers here Monday evening, which was attended by representatives of other clubs in the association, and it was definitely decided that the tournament was to start on June 11th.

The change in dates has been made (Continued on back page.)

Tax-Payers Make Strong Demand For Rigid Economy

Tax Relief Meet Asks Economy In Government Costs

Without making any specific demands a meeting of citizens here Saturday afternoon, assembled under a call from W. W. Coffman of Gore, county chairman of the Knox County Tax Relief association, held a very enthusiastic meeting, during the course of which interesting talks were made by A. J. Bunts, J. D. Henderson, Peter Loran and others, all of whom expressed the opinion that the cost of government must be reduced by some means if the property owner is to avert having his property confiscated for taxes.

A committee was named to draft resolutions to be presented to the county-wide meeting of the association at Benjamin June 7th, and the following committee was named by O. W. Lee, who was chosen by Mr. Coffman as local chairman: J. E. Edwards, C. L. Mayes and J. A. Kennedy, and after hearing the discussions, the committee brought in the following recommendations, which were adopted:

We, your committee on recommendations to the county-wide meeting of the Knox County Tax Relief association, to be held in Benjamin on Tuesday, June 7th, beg to make the following recommendations:

We recommend that no stone be left unturned in affecting the strictest economy in the administration of the county's affairs, and we strenuously urge that our commissioner's court go thoroughly into the expenditures of the county and take such action as they may deem best in affecting strict economy where such action will not hinder the proper and efficient conduct of the county's affairs.

We recommend that strong resolutions be drawn favoring the passage of the Brooks bill introduced at the last session of the legislature proposing that a portion of the gasoline tax be diverted to the various counties for the liquidation of outstanding highway bonds, and that a copy of such resolutions be sent to our representative, senator and to Governor Sterling.

We heartily endorse any move that will bring about a reduction in taxes and maintain our integrity.

The following were named as delegates to the county-wide meeting at Benjamin: John Ed Jones, C. L. Mayes, Emmett Partridge, J. A. Reid, W. E. McNeill, J. D. Henderson, R. S. Barton, G. R. Eiland, J. A. Kennedy and A. J. Bunts.

Thinking Out Loud

By J. A. K.

Occasionally there are little tragedies at which we laugh. In fact, we have tried to cultivate the habit of laughing for the past few years, but somehow we just can't get much of a crackle out of the depression jokes.

But, please don't get the idea that I'm laughing at tragic incidents.

Prinstance, a traveling man was leaving town one day this week, and just as he was leaving the north-east corner of the square for the highway and his car bumped into a lamp post with sufficient force to seriously damage his car.

Certainly there was nothing about that to agitate anybody's ticklebone. But, when we learned that the driver of the car had contacted the south end of a beer headed north squarely between the eyes, and in his effort to get more distance between himself and the beer he had turned his steering wheel loose, we couldn't keep from smiling just a little, even in the face of the tragic incident.

And another similar incident that we recall. Last summer TOL was fishing with Editor E. L. Covey of The Gore Advocate, and since neither of us can be classed with the intelligentsia in the matter of angling, we resorted (Continued on back page.)

Why Is It?

Munday-Rochester Game Goes Twelve Innings To A Tie

Possibly one of the most hectic games of the season in the Brazos Valley League was that at Rochester Sunday afternoon when the Rochester team, leaders in the league battled with the Munday team for twelve innings to a 7-7 tie, after which the game was called on account of darkness.

Munday took a substantial lead in the first inning, and maintained a small lead until the 7th inning, when Rochester tied the score, and the score was 1-1. The game stopped, neither side being able to shove over the wicket during the remaining five innings.

Abbott, Munday's principal reliance as pitcher, was rebuffed in the third inning and the remainder of the game McGraw performed in a most gratifying way for the locals.

Some confusion was experienced throughout the game by inability of the umpires to keep fans back off the field, and the players have expressed themselves as being hopeful that they may not have to play another game under such trying conditions, and visiting teams are assured that they will not be subjected to such a condition when they play in Munday.

Judge Overshiner Of Abilene Here Meeting Knox County Citizens

Judge E. M. Overshiner of Abilene, candidate for Associate Justice Court of Civil Appeals at Eastland, was here Saturday in the interest of his candidacy, and spent a greater portion of the day shaking hands with citizens of Munday and vicinity.

Judge Overshiner is one of the pioneer attorneys of Abilene and plans to make an intensive campaign for the office, however, as the district is very large he states that he will not be able to see any great percentage of the voters.

Pioneer West Texan Dies On Swenson's Throckmorton Ranch

THROCKMORTON, Texas, June 6.—George Kennedy, 75, pioneer West Texan, died at Swenson's ranch in Throckmorton county at 3 o'clock Saturday morning. Funeral services were held here Saturday afternoon.

Mr. Kennedy came to Texas from Mississippi in 1876 and had been in the employ of Swenson Brothers 32 years. W. G. Swenson and two sons were here for the funeral. Six cowboys from the ranch acted as pallbearers. Many cowmen over this section were in attendance. Mr. Kennedy was the last but one of a family of 11. Mrs. Kate Kennedy Stewart, a sister, his only survivor, resides here.

Munday-Rochester Tie Will Be Played Here Wednesday Afternoon

Announcement was made by Manager Howell Burton of the local team that the tie game between Munday and Rochester would be played off here on next Wednesday afternoon at 3:30. President Orb Coffman of the Brazos Valley League had ruled that the game should agree on playing at either of the two places, and Skipper Burton has made an agreement with the Rochester manager to play the game here on the above date.

This game will be played to determine the winner in Sunday's game at Rochester in which the Munday and Rochester teams battled to a twelve-inning tie, when the game was called on account of darkness.

Baseball Game Canning Plant Are Planned By C. of C.

The Munday baseball team will likely face the hardest competition of the season when they face a picked team from the Munday Chamber of Commerce, which game will likely take place at an early date, as a committee composed of Mat Dillingham, W. H. Atkinson and E. J. Roberts was named by R. B. Davy, president of the chamber of commerce at a meeting of the directors on last Friday afternoon to arrange for an exhibition game with a view of raising funds for the organization. The committee was also designated as a membership committee.

The matter of purchasing equipment for a community cannery was discussed and a committee composed of D. T. Mauldin, W. A. Baker and E. D. Atkinson was named to make purchase of the necessary equipment and work out plans of operating same. A room has been provided for the plant in the city hall and it will be operated under the supervision of Miss Grace Nelson, county home demonstration agent, with the assistance of local members of the home demonstration club.

This equipment is being purchased by the chamber of commerce with a view of providing everyone in the Munday trade territory with facilities for canning their vegetables, meats, etc., and it will be at the disposal of anyone wishing to use it, and there will be at the disposal of everyone a lady experienced in the canning of foods. This action has been taken with an idea of preserving every bit of food produced in the territory and a plan will be worked out whereby those wishing to do so may leave a small percentage of foods canned in the plant for distribution through the community chest. It will also be the aim of the chamber of commerce to (Continued on back page.)

Knox Tax Relief Ass'n. Holds Meet At Benjamin Tues.

In response to a call issued by W. W. Coffman, county chairman of the recently organized Knox County Tax Relief association some fifty citizens from all parts of Knox county met in the district court room at Benjamin on Tuesday afternoon for the purpose of discussing plans and means of reducing county expenses.

The chair called for reports from the various communities represented on meetings held in the various precincts, and the only report made was that of the Munday meeting, however several stated that the matter had been discussed and the unanimous opinion of those present was that every possible measure of economy should be adopted by the commissioners of the county with a view of reducing taxes.

Judge J. W. Melton read a communication received by the court from the commissioners court of Jones county urging the Knox commissioners to pass resolutions urging that Gov. Sterling call a session of the legislature and enact the Brooks bill, or a similar bill, which would divert one cent of the gasoline tax collected by the State Highway Department to a fund to be used in liquidating county and precinct bond issues representing obligations for the building of State designated highways. Judge Melton stated that the court had failed to take any action in the matter.

Representative George Moffett of Chillicothe was present at the meeting, having stated that he was present purely as one interested in tax matters, stating that his pioneer father had acquired some land in the Chillicothe country and that taxes had mounted to the point that he was not producing sufficient revenue from the property to pay taxes, and he was vitally interested in finding a way (Continued on back page.)

Gaynor Kendall Gets Appointment In Office of Attorney General

Gaynor Kendall, son of Mr. and Mrs. J. S. Kendall of this city, who on last Monday evening received his Bachelor of Laws degree from the University of Texas, did not return home with his parents who went to Austin to attend the commencement, but remained in Austin in the office of Attorney General James V. Allred, having been appointed to a post in the department presided over by Judge Bruce Bryant, former district judge of The Haskell district. Gaynor was one of the five students graduating from the school of Law with highest honors, and the appointment, which pays a salary of \$1,800 per year, was given him largely through recognition of his achievement as a student, and will open to him an almost unlimited channel for gaining experience and knowledge in his chosen profession.

Miss Arlene Kendall, who is also a law student in the University, did not return home, but will remain in Austin during the summer months and continue her studies.

Another student upon whom the Bachelor of Arts degree was conferred by the University was Miss Mary Grace Milam of Seymour, who is a native of Knox County, having been born at Benjamin. She is a daughter of Mrs. J. H. Milam, and her father, the late Judge J. H. Milam was for many years County Judge of Knox County, and later served as District Judge of the 50th Judicial District, having been an occupant of that office at the time of his death.

Still another former Mundayite listed among those receiving degrees was James Horace Bass, B. A., M. A., who received the degree of Doctor of Philosophy, the highest degree conferred by the University of Texas. Mr. Bass was for a number of years superintendent of the Munday Public Schools, and is remembered as one of the most able school men to have ever been associated with our schools. For several years Mr. Bass has been dividing his time between teaching and attending the University, and his many good friends will be glad to know that he has finally achieved one of the ambitions of his life in the conferring of the degree at Austin Monday.

Judge Williams Here In Interest of His Race For Congress

Judge W. Erskine Williams of Fort Worth, candidate for Congress-at-Large, place No. 1, was here on Friday afternoon of last week in the interest of his candidacy, and while in the city he was introduced to the citizens by the Rev. W. H. Albertson and W. T. Burton. While here Judge Williams named M. F. Billingsley as his local chairman of the "Erskine Williams for Congress Club."

Judge Williams is a long-time resident of Fort Worth, having been a lawyer there for more than 30 years and is now for the second time vice-president for Texas of the American Bar Association. He also has just completed a year's term as President of the Fort Worth and Tarrant County Bar Association, and last fall delivered a series of lectures at Southern Methodist University on the United States Constitution.

Besides his work in the legal fraternity, Judge Williams has been an active leader in the Methodist Church and for four years was President of its General Board on Layman's work and wrote the first constitution for that organization. He is at present a member of the Board of Missions for the Southern Methodist church and was appointed a member of the State Commission for the celebration of the George Washington Bicentennial and has delivered a number of lectures in that connection.

Mr. and Mrs. Dorse Rogers, who have been visiting in Wellington, have returned home.

Mr. and Mrs. Dorse Rogers, who have been visiting in Wellington, have returned home.

Judge J. W. Melton of Benjamin was here Saturday shaking hands with the voters of this section of the county.

Judge J. W. Melton of Benjamin was here Saturday shaking hands with the voters of this section of the county.

SOCIETY

Mrs. F. L. Decker Honoree at Study Club Luncheon

Tuesday at high noon at the home of Mrs. E. M. Ammons, club president, was most assuredly a gala event for Munday Study club members.

Mrs. F. L. Decker, who was soon to leave for her new home at Childress, prompted this gay affair. Every member came garbed in cotton and bringing a covered dish. All dishes were kept secret and it was decided that if all brought salad, why salad should be eaten. But my, when the dishes were uncovered and placed on the large dining table there were heaps of fried chicken, golden brown home made rolls, steaming hot potatoes, peas, asparagus, olives, beets, potato chips, pie, iced tea, cake and cream.

The members, seated at individual tables (which, too, were gay in their paper covers of pink and white), first sang a welcome to Mrs. Decker, Mrs. Kethley at the piano and Mrs. Reynolds leading. Mrs. J. H. Crowe asked the blessing and then all were bidden to partake of the bounteous repast.

Laughter and pleasant conversation mingled with a touch of deep loss at the thought of Mrs. Decker's leaving continued throughout the noon hour.

Mrs. Decker expressed so beautifully what Munday Study club had meant and always would mean in her life. Mrs. Ammons responded, expressing the entire club's great loss.

Mmes. R. D. Atkinson, H. F. Barnes and D. T. Mauldin assisted Mrs. Ammons and planned this pleasant affair.

Those present were Mmes. Decker, R. D. Atkinson, H. F. Barnes, J. C. Borden, J. D. Kethley, H. H. Langford, D. T. Mauldin, Jack Mayes, M. H. Reeves, W. E. Reynolds, Lyle Stodghill, Effie Alexander, Tom Haney, A. A. Smith, Florence Williams, J. A. Kennedy, F. M. Dickerson, John Crowe, O. F. Greer, and Ammons, Miss Grace Nelson, and guest, Mrs. G. H. Craig.

Sheriff Elliott Will Be Rodeo Judge At Texas Cowboy Reunion

STAMFORD, Texas, June 7.—Adjutant General W. W. Sterling of Austin has accepted an invitation to serve as one of the judges in the cowboy rodeo to be held in connection with the Texas Cowboy Reunion in Stamford July 4, 5 and 6.

General Sterling has a national reputation in judging rodeo contests, having judged in Madison Square Garden, New York, Soldiers' Field, Chicago, and numerous other rodeo performances. He declined a number of other invitations in order to come to Stamford this year.

The judging staff will also include Sheriff C. R. Elliott of Knox County and Frank Rhodes, Throckmorton cattleman, both of whom are experienced in appraising rodeo contests. The fourth judge is still to be secured.

Two rodeo performances will be held daily during the Reunion, afternoon and night. Contests will be held in bronco-busting, calf-roping, steer riding, and wild-cow milking, with over \$1,200 in cash prizes offered. The champion cowboy in roping events will receive a \$150 saddle. Another saddle of the same value will be awarded to the winner of the oldtime cowboys' calf-roping contest, which is open to cowhands over 55 years of age.

The rodeo arena has been improved this year with the installation of four additional floodlights for the night performances and the laying of a water line for sprinkling the ground. Chutes and corals also have been improved with a view of speeding up the performance.

In The District Court of the United States For The Northern District of Texas—Wichita Falls Division.

No. 624. In Bankruptcy.

In The Matter of Phillip Herman Bruggeman, Bankrupt.

Notice of Meeting of Creditors on Discharge.

WHEREAS, a petition for discharge, properly verified, has been filed in said Court and in the above cause by said Bankrupt who was therefore adjudged bankrupt, which has been referred to me under the orders of this court, to give the statutory notice, hear and make report.

You are therefore hereby notified that if you wish to oppose the granting of said discharge by the Judge, you must file with me at my office, 714 Staley Building, in the City of Wichita Falls, Texas, on or before the 5th day of July, A. D. 1932, at ten o'clock in the forenoon, your appearance in writing, stating therein that you appear for the purpose of opposing said Discharge and file with me within ten days thereafter at said place, specifications in writing, of the grounds or grounds of your opposition.

Hectic Days—Sleepless Nights

TOO MUCH work, too much mental strain, too much worry... then "NERVES". How they torture you, tire you, keep you awake nights!

"NERVES" make you irritable, restless; give you Headache, Indigestion... "NERVES" make you look and feel old... weaken resistance and pave the way for serious nervous or organic trouble.

J. M. Foster, a druggist, suffered tortures from Over-wrought Nerves. He had dozens of so called "Nerve Remedies" in his store. One by one he tried them without relief until... But let Mr. Foster tell his experience in his own words.

"I think Dr. Miles' Nervine is the best nerve medicine made, and that a better one cannot be made. Dr. Miles' Nervine was the only medicine on the shelf or in the prescription case that put me on my feet." J. M. Foster, Druggist, Marysville, Ohio.

J. M. Foster

A World's Record

MORE than three thousand births without a single loss of either mother or child! That is the official Platt County record of Dr. W. B. Caldwell, in fifty years' family practice in Illinois.

No wonder mothers have such entire confidence in giving little ones Dr. Caldwell's Syrup Pepsin!

If you have a baby, you have constant need of this wonderful preparation of pure pepsin, active senna, and fresh herbs. A child who gets this gentle stimulant for the stomach, liver and bowels is always healthier. It keeps children's delicate systems from clogging. It will overcome the most stubborn condition of constipation. It builds them up, and is nothing like the strong cathartics that sap their strength and energy.

A coated tongue or bad breath is the signal for a spoonful of Syrup Pepsin. Children take it readily, for it is really delicious in flavor. Taste it! Take Syrup Pepsin yourself, when sluggish or bilious, or you are troubled with sick headaches and no appetite. Take some for several days when run-down, and see how it picks you up.

It is a prescription preparation which every drug store has ready; in big bottles, just ask anywhere for Dr. Caldwell's Syrup Pepsin.

Locals

The Rev. and Mrs. John H. Crowe have as their guest, Rev. Crowe's mother, Mrs. E. S. Crowe, of Waco, Texas.

Mesdames J. O. Bowden and Leland Hannah and Miss Lela Brock attended the Worker's Conference of the Baptist church at Rule on Tuesday of this week.

Oscar Spann left last week for Lawton, Oklahoma, where he has accepted a position with the government in construction work at Fort Sill.

Arnell Speke went down in the De Leon country this week after dewberries and other fruit.

Miss Naomi Bowden, after spending a week here with her parents, Mr. and Mrs. B. L. Bowden, has gone to Denton, where she will attend the summer session of North Texas State Teachers College. Miss Naomi has just completed her fourth year as teacher in the public schools of Wichita Falls and has been re-elected for another year, which would indicate that she has given universal satisfaction.

J. B. Reneau went to Stephenville first of the week to accompany his son, J. B. Jr., who is entering John Tarleton College for the summer term.

Mrs. Pat Tallaferrio has returned from San Antonio, where she has been a student in Westmorland College during the past school year.

Mr. and Mrs. E. S. Barton went to Seymour Sunday to attend the annual family reunion of the Campsey family, which was held in the beautiful city park there, and they report a most enjoyable day with a bounteous feast. Other members of the Campsey family from this county were Mr. and Mrs. Ed Capsey and Mr. and Mrs. Brooks Campsey of Knox City, and members of the family were there from Jack county, and widely scattered points, some coming from New Mexico to attend the reunion, at which were present about forty members of the family.

FEDERAL LAND BANK LOANS

5 1/2 - Per Cent - 5 1/2

A long term loan with the option to pay at any interest date, provided the payment to be made is out of one's own funds. And contrary to the general belief, THIS LOAN DOES NOT CARRY ANY LIABILITY ON YOUR FARM, OTHER THAN YOUR OWN LOAN.

This loan offers a saving of \$10.00 on the \$1,000.00 over any loan offered by any Loan Company in Texas.

The Munday National Farm Loan Association

JOHN ED JONES, Secretary-Treasurer
PHONE No. 109 MUNDAY, TEXAS

Shannon Layne, pioneer citizen of Munday, now residing at Roswell, New Mexico, is here this week visiting his brother, E. O. Layne and other relatives. Shannon spent his boyhood days in Munday, but having been away from here more than twenty-five years, he can see but few of the Munday people that he knew.

Miss Winnie Lankford and Mrs. Whitt Smith and little son of Dallas are here visiting in the home of their parents, Mr. and Mrs. H. H. Lankford, and Miss Winnie, who is a teacher in the Dallas schools, will spend the vacation months here.

Mr. and Mrs. U. S. Rogers went to Dallas county last week for a visit with relatives and friends in the community in which they resided prior to coming to Knox county. Mrs. Rogers states that this is the first time they have closed up their home and gone visiting during their married life, and they enjoyed their visit very much.

The Times family is indebted to Chas. Thompson for a couple of fine Bermuda onions and a like number of squash from his garden. One might not think that a couple of onions or squash made an ample meal for the squash eating members of the editor's household, and the two onions have survived a fishing trip, and still there remains a full onion in our pantry, and onion is our favorite fruit.

TO PARENTS:

I have the promise of sixteen children to come to my house to study a part of the time this summer. Would be glad to have sixteen others. My work begins June 8 and closes Aug. 30. I will be at home all day—Every day except on Saturdays and Sundays. See me. My charges are reasonable.

MRS. JIM LEWIS,
Corner 3rd block east of depot.
(11)

CARD OF THANKS.

We wish to express our sincere thanks to every one who made and sent us the beautiful friendship quilt.

E. M. PARRAMORE,
And Children.
Dallas, Texas.

Have good milk cow, 2 hogs, also a few pigs, will be interested in good young heifers or good wagon.

C. C. JONES, 1 1/2 miles southwest of town.

as provided in General Order XXXII of the Supreme Court of the United States in Bankruptcy.

Dated this 2nd day of June, A. D. 1932.

WALTER NELSON,
Referee in Bankruptcy As Special Master.

Cartwright

Due to our showers farmers keep very busy with their work. Health is very good with exception of a few cases of whooping cough.

Mr. and Mrs. C. N. Smith entertained the young people with a little party last Monday night.

Oats are being cut in this community this week.

Mr. and Mrs. Whitt Gulley made a business trip to Olney last week-end.

Mr. and Mrs. Homer Wordlow of Childress visited his mother, Mrs. J. D. Wordlow and family last week.

Miss Braley from Abilene visited her parents here last week.

Several from this place attended singing at Union Grove last Sunday.

Here's Simplified Cooking

Actually, cooking consists of only three fundamental operations: preparing the foods... putting them in the oven... and placing the meal on the table.

But so many more are required by old-fashioned methods! So much pecking, tasting and seeing is necessary! So much time is wasted on these unnecessary, tiresome tasks!

With a modern Electric Range, cooking is reduced to its three fundamentals. You merely prepare your meal, place it in the oven, set the Time and Heat Controls, and forget the actual cooking! All the work is done automatically... requiring none of your time or attention—and leaving you free to enjoy happy leisure hours!

And this Freedom is only one advantage of modern Electric Cookery! Foods cook better, taste better and are more beautiful. In fact, there are so many advantages you'll wonder how you managed with old-fashioned, inefficient methods!

Call us for an individual investigation of your use of electric service, to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

they gave their services, and for whom they made such a sacrifice.

Indeed they are not bums' but hungry American holdiers, and possibly it is because of this fact that our generous government has failed to heed their cry. Our president made a name for himself during the war-time by his administration of the task of feeding the people of starving nations, and now it seems a pity our boys aren't hungry Armenians instead of hungry Americans.

CRAZY CRYSTALS

"We want to let you know how much CRAZY CRYSTALS have done for us. My husband has been sick for one year and a half with rheumatism and his father for six months with the same. I was the only one able to work. I was beginning with pains in my knees, then we heard over the radio about CRAZY CRYSTALS, so we got one box. They helped me a lot. I feel better than I have for a long time. My husband feels better than he did when he took baths and medicine. His father is 70 years old, but feels better than he has for three or four winters. We are going to get another box tomorrow. Signed: Mr. and Mrs. Tschida, 1534 Adrian Street, St. Paul, Minn.

Lloyd Bowden Leads Munday Ball Club In Swatting The Ball

The following is the batting averages of the various members of the Munday ball club up to and including Sunday's game, which shows that the club has made an average of 234 in hitting during the season. Lloyd Bowden, with a percentage of 400, is leading in swatting the ball, however, he has only been at bat 5 times, getting two hits.

"To be of no church is dangerous. Religion, of which the rewards are distant and which is animated only by faith and hope, will glide by degrees out of the mind unless it is invigorated and reimpresed by external ordinances, by stated calls to worship and the salutary influence of example."—Milton.

ON TO WASHINGTON.

As this is written thousands of ex-service men are enroute to Washington, and several thousand have already assembled there to push their claim for the full payment of the soldier bonus.

These are the boys who marched away some years ago to fight against a foe whose aim and ambition was seemingly to subjugate the civilized world. They journeyed to training camps and thence to assembling points and on to France, where they fought like heroes. Some entered the navy, where on the high seas they knew not at what minute they might be blown into eternity, yet they sacrificed everything at home and went to the defense of their country.

Now these fellows are anarchists, soldiers or ordinary bums, as they have been referred to, but the same boys who wrote glorious pages into the history of our country during the World War. They are the same boys whose patriotism and courage was acclaimed in song and shouts only a few short years ago. They are the same boys whose great sacrifices were pointed out to us who stayed at home in the various drives for the sale of Liberty bond. They were the same boys whose very presence on foreign soil created a feeling of helplessness among the foe, and brought about the peace for which we had longed, and whose return home was as a grand triumphant march to the glare of hands and shouts of joy from multiplying thousands.

Indeed these boys have witnessed a frantic effort on the part of the government to meet years to relieve every conceivable ill of the business world. They have witnessed the spectacle of the United States Senators raising their own salary from \$10,000 to \$12,000, and leaving intact all the trimmings. They have witnessed the appropriation of countless millions to pay the cost of new and useless boards and bureau which have left the country in a state of depression never before equaled.

Is it, therefore, any wonder that these boys, deprived of an opportunity to earn an honest living by the sweat of their brow, should look toward the same Uncle Sam to whom

Tax Relief

(Continued from front page.)
Mr. Moffett told of some of the obstacles encountered in getting the Brooks bill over at the last session of the Legislature, and after its passage it was vetoed by Governor Sterling.
E. L. Covey of Goree explained that the move asking for a one-day session was not practical, as a law passed at such a session would not be constitutional inasmuch as no bill can be introduced within three days of the final day, hence it would require at least four or five days to enact such a law even though the members of the legislature were agreed upon all the details of the bill.
John Rice, acting for a committee named by Mr. Coffman, gave a detailed statement of the salaries and ex-officio salaries drawn by the various county officers during 1931, which revealed that a majority of the salaries are fixed at a comparatively small figure and that the fees of the various offices in many instances constitute a major portion of the income derived by public officials. It was also pointed out that the salaries of some of the officers are fixed by law and could not be changed except by voluntary action on the part of an official in

office, and for a candidate for any office to agree to serve for a term below that prescribed by law would be unlawful.
Sheriff C. R. Elliott was among the county officials present, and he explained that the salary of his office was fixed at \$1,000 per year, and the fees of the office during the past year, had amounted to a little more than the salary. Sheriff Elliott stated that a complete record of all fees collected by his office were kept and were subject to inspection by any citizen of the county at any time, and he pointed out that he had saved the county much money in the matter of operating the jail, showing that a large portion of the prisoners held in the jail at the county's expense had either entered pleas of guilty or had been convicted of the crime with which they were charged and had been held at county expense.
A motion prevailed that the committee appointed to look into the salaries and expenditures of the county officers be retained to confer with the commissioner's court with a view of reducing, if possible, the salaries and other expenses of the county. A committee was also appointed to urge the court to take action on the requested resolution on the Brooks bill.

Both state and federal governments came in for condemnation from various speakers throughout the meeting for having brought about a continued increase in the cost of government through extravagance in the expenditure of public funds, and many farmers in the meeting stated that with the mounting tax rate and low price of farm commodities they were facing bankruptcy unless some relief was had, and they asked that the salaries of county officials be cut to somewhat near the level of income in which they were of necessity having to get along.

Baseball

(Continued from front page.)
afford the people of the community a market for their canned foods through the local merchants and when the plan has been worked out it is the aim of the organization that housewives may purchase home canned vegetables, fruits and meats from their grocer instead of buying a product that has been canned in the north or east.
At this meeting Miss Maxine Pennington was designated as Munday's entry in the Texas Cowboy Reunion to be held at Stamford on July 4-5, and she will go as "Miss Munday." Miss Maxine was designated as "Miss Munday" in a contest at the Box Theatre here some weeks ago, and she will enter into the competition with representatives from other West Texas towns at the reunion, and the ancient squatter that she is, in honor of Munday's being well represented in the contest.
The vacancy on the board of directors caused by the removal of F. L. Decker to Childress, E. J. Roberts, Sr., was named as a member of the board to fill the vacancy.

T. O. L.

(Continued from front page.)
trot-line fishing for nigger bass.
Deep into the night we were running our lines when from the commo-i-u down the line we concluded that we had hooked the daddy of the lot but as we eased our boat gently toward the position we found that we had merely hooked a feeble-minute turtle, and judging from his "L.L." he was evidently in his dotage.
We gently lifted the moss-covered veteran out of the water and against the side of the boat, and with our deep-sea special attempted to form a gillotine between the knife blade and boat in removing the head. The knife wasn't sharp and the turtle didn't take kindly to the operation, so we just lifted him in the boat and out the line instead.

Covey wasn't much concerned about the new occupant of the boat until it came out of its sulking spell and started briskly toward his end of the boat. Indeed, it is still a mystery to us what the turtle thought about Covey, but we do know that Covey concluded without the slightest hesitation that the boat wasn't large enough for the both of them, and was about to leave the boat when the turtle was persuaded to go into another sulking spell. It might have been a tragedy, but we laughed just the same.
T.O.L. may be a little different from most folks, but we never heard a snort-in-law joke that tickled with us. We have never heard a depression joke that sounded funny. Yet, sometimes we get a chuckle out of a tragic incident.

Golf Meet

(Continued from front page.)
with a view of allowing members of the association to participate in other tournaments, but since it will be impossible for others to participate in the tournament on the dates mentioned last week it was decided that the time be left as originally set.
Tom Haney was named as chairman of the entertainment committee, and everything possible will be done for the entertainment of the visiting golfers, and an attractive premium list will be hung up for the entrants to shoot at. It was definitely decided that the entry fee for the tournament will be \$1.00 instead of \$1.50, as has been the custom, and a large number of entries are expected.
Qualifying rounds will begin Saturday of this week and those desiring to qualify may do so on Saturday, Sunday or Monday. Match play will start on Tuesday and continue through Wednesday and Thursday, with finals on Friday, June 17th. All match games must be 18-hole matches, and all finals 36-hole.

Seventy Democrats In State Races

DALLAS, June 7.—More than 70 aspirants to state office had filed notice of their candidacies in the Democratic primaries when the time limit expired last midnight.
Other announcements were in the mails, on their way to the secretary or the chairman of the state executive committee. Among these was the gubernatorial announcement of Wright Morrow of Houston.
The last day for filing brought forth an additional candidate for each of the three places as Congressman-at-large. Friends filed for Cullen Thomas of Dallas for Place No. 1, B. D. Sartin of Wichita Falls for Place No. 2, and A. H. King of Throckmorton for Place No. 3.
The candidates, as of Johnson's records, are:
For Governor—E. S. Sterling, Houston; Miriam A. Ferguson, Austin; George W. Armstrong, Fort Worth; Tom F. Hunter, Wichita Falls; M. H. Wolfe, Dallas; C. A. Frakes, Fort Arthur; J. Ed Glenn, Geopier; Frank Putnam, Houston; Wright Morrow, Houston; W. K. Hopkins, Gonzales; Roger Q. Evans, San Antonio.
For Lieutenant Governor—Edgar E. Witt, Waco.
For Attorney General—Cyril Culberson, Amarillo; James V. Allred, Wichita Falls.
For State Comptroller of Public Accounts—George Sheppard, Sweetwater.
For State Treasurer—Charley Lockhart, Austin.
For State Superintendent of Public Instruction—L. A. Woods, Waco; C. N. Shaver of Huntsville.
For Commissioner of Agriculture—J. E. McDonald, Waxahatchie; K. Terrell, Floydada.
For Commissioner of General Land Office—J. H. Walker, Covington.
For State Railroad Commissioner—J. J. "Jack" Patterson, San Antonio, (six year term); Roy I. Tuzant, Austin (six-year term); Ernest O. Thompson, Amarillo (unexpired term); C. V. Terrell, Decatur (six-year term); Ed T. Murphy, Livingston (unexpired term); C. A. Dewars, Brenham (unexpired term); Lee Satterwhite, Odessa (six-year term); W.

To The Merchants And Other Citizens of Munday

Having sold the Home Bakery in Munday to Mr. J. C. Elliott, I wish to extend my sincere thanks to the merchants and other citizens of Munday for the liberal patronage and loyalty to us during the ten years we were engaged in business in Munday. Our business relations have been most pleasant, and it is with regret that we sever these pleasant relations, and it is our sincere hope that our successor may enjoy the same pleasant relations and loyalty that has been given to us.

Gratefully,
F. L. DECKER.
