

by Joyce Beecher Greenwood

It's hard to believe in 90° temperatures that Halloween is less than a week away, but any kid can remind you of that fact. Next to Christmas, little kids seem to plan on Halloween more than any other time.

For two weeks they've been planning the perfect costume. "Freddie" from the *Nightmare* movies seems to be one of the most popular as is "Jason" from the equally popular - equally revolting - *Friday The 13th* films. Dracula is still in the running along with witches and vampire queens.

In the midst of all the scary characters, one little first grader, missing his two front teeth, looked at me with his serious brown eyes and said, "I think I'll be Snoopy." I wanted to plant a kiss on his little fat cheek.

The older kids will probably engage in egg fights and wrap toilet paper around all the bushes and shrubs in town, causing some people to complain how kids are "just flat going to the dogs". Some of the ones who complain loudest, however, are those who have never told who was responsible for the outhouse that mysteriously appeared in the middle of the football field all those years ago.

Halloween is a time for practical jokes and tricks - some funny, some verging on vandalism. I don't suppose kids take other kids "snipe hunting" anymore. Remember when some of us actually fell for that one and ended up sitting on a box to keep the snipes from escaping while we watched the tail lights of somebody's car disappear, leaving us miles out in the country. They did come back for us eventually, but we were the laughing stock of the entire school for the rest of the year.

Tommy's older brother was famous for his not so practical jokes at Halloween - or any other time he could find a victim - and I became the perfect victim. The rest of the family had stopped falling for his tricks by the time I entered the family, eighteen and vulnerable. I had grown up with my cousin, Charles, so I knew about practical jokes, but Charles' pranks were just mischievous - never diabolical.

At first the pranks were fairly simple. We'd come home to find all the furniture re-arranged or we'd be in a deep sleep in the wee hours of the morning when rocks would suddenly begin to rain down on the tin roof where we slept in our old farmhouse. Then, a car would speed away into the night.

"It's just R.W.," Tommy would explain and promptly go back to sleep while I'd lie awake and wonder what kind of person hits people's houses with rocks in the middle of the night.

There was the first meeting with a relative at a family gathering when he sidled up to me and told me the reason I had never met this particular cousin was because he had spent most of his life locked up in the state hospital.

"Tommy didn't tell me that," I said. "It's because he's embarrassed. But, you'd better watch out for him. He becomes violent just all of a sudden for no reason."

I watched the poor man like a hawk for the rest of the day and not until we started home did I learn I had fallen for another of my brother-in-law's jokes.

There was the Christmas after he found out I am afraid of anything with feathers when he wrapped a half-grown rooster in a tinsel covered box and handed it over so carefully to me with a wish for a merry Christmas. The rooster flew out as soon as I removed the lid, of course, almost as hysterical as I.

His meanest trick - his grand finale as it turned out, because he sort of grew up after that one - was on one bitterly cold Halloween night. We had been to Woodson to a football game and returned home late. Fortunately, Tommy went into the house first to turn on the light. There was a startled yell as the lights went on, followed by several expressive utterances. He stopped me at the door as I started in behind him, looking like he had seen a ghost.

"Don't be scared," he said, his voice (Continued on Page 2)

Turn Clocks Back

Standard Time Returns Sunday

If you're still trying to get over the hour of sleep you lost last spring when daylight savings time went into effect, you'll have the opportunity to regain that hour this weekend.

Daylight Savings time officially ends for another year at 1:59 a.m. Sunday, October 29, and Central Standard Time comes back into effect one minute later.

Those of you who may not want to get up in the middle of the night to set your clocks back can do the chore before retiring Saturday night.

Forget to make the change and you'll be early for all your Sunday appointments.

MHS Bandmen Earn Jazz Band Honors

Five members of the Munday High School Purple Cloud band recently earned recognition in the Region II all-region jazz ensemble sponsored by the Texas Music Educator's Association.

Tryouts were held Saturday, October 14 in Eastland with approximately 45 students from schools in A, AA, and AAA competing for places. Those students making the ensemble attended a four-hour clinic in the afternoon and performed in an concert in the evening.

Munday bandmen receiving the honor were freshman John Michels on alto sax; junior Chris Burnett on trumpet; freshman Ronnie Whitfield on trumpet; freshman Philip Bowen on trumpet and senior Kathy Wilde on trombone.

"This is the inaugural year for the regional jazz band program and the kids should be commended for their outstanding work," MHS band director Rodney Bennett commented.

Moguls Blast Matadors; Take On Dragons Next

The Munday Moguls blasted their way through the Motley County Matadors Friday night by a score of 63-14, to remain undefeated in district play this season.

The Matadors were unable to slow the offensive machine of Munday as the Moguls scored with ease. Racing to a 21-0 lead at the end of the first quarter, and a lead of 42-0 at halftime, the Mogul defensive unit held Motley County to a minus 14 yards rushing and only 15 yards passing in the first half. Spearheading the defense were the front seven Brett Bruce, Bobby Dockins, Jeff Herring, Dwayne Redder, David Wilde, Brian Latham and Jerry Branam.

It took only six plays for the Moguls to drive 64 yards to score after receiving the opening kickoff. Terry Collier crossed the goal line on a 10 yard run with only two minutes, 20 seconds lapsed on the clock. Bobby Dockins was good for the extra point.

Other scores for Munday came on runs of 27, 1 and 49 yards by Terry Collier and brother Perry scored three times on runs of 3,11 and 65. Bobby Dockins added two scores from 1 and 16 yards out, and was good for 9 of 9 extra points kicks during the night.

Tyler Thompson and David Owens were back at full speed after missing several games because of injuries.

Coach Edwards, with a 42-0 halftime lead, began to substitute early in the third period. Gaining good game experience were Chris Key, Chris Scott, Jayson Morgan, Tony Hunter, Andrew Serrato and Jimmy Guerrero.

The Moguls travel to Paducah this Friday to take on the Dragons in what is expected to be a very exciting contest. The Dragons are 3-1 in district play.

COACH EDWARDS COMMENTS

I thought we played an excellent game

LATREACE LANE was honored Monday, October 23, at the local Bloodmobile for her 20 years of service to the American Red Cross as bloodmobile coordinator for Munday. Pictured with Latreace is Gayle Newton, registered nurse at the Wichita Falls Red Cross Chapter headquarters. In addition to the cake, Latreace was presented a 20-year pin and a plaque of appreciation.

Volunteer Worker Honored At Monday's Bloodmobile

Latreace Lane, a 20-year volunteer for the American Red Cross Bloodmobile program, was honored for her service at the local Bloodmobile Monday.

Gayle Newton, registered nurse at the Wichita Falls Red Cross Chapter headquarters, presented Latreace a 20-year pin and plaque of appreciation. Other well-wishers expressed their appreciation to Mrs. Lane for her unselfish service to the community.

Festivities did not get in the way of the business at hand, as 41 potential donors presented themselves as candidates to give blood. A total of 37 pints were collected during the afternoon,

which registered 23 pints short of the quota set for Munday.

Four local residents registered as first-time donors. They were Kim Brockett, Lynn Fitzgerald, Sharon Cypert and Stephen Kuehler. Donors who reached the gallon mark on Monday include Charles Baker, five; Bill Williams, four; LaRue Patton, three; and James Williams and Doug Donoho, one gallon.

Leon Sellers and James Merrell helped unload equipment upon arrival of the Red Cross truck and M.M. Booe, Spike Bryan, Stan Decker and Stephen Smith helped reload the truck before its departure.

Registration duties were handled by Anita Hosea and Virginia Cary and Ernestine Dickerson was in charge of donor bags. Trained personnel assisting Red Cross workers included Pam Reed, Marsha Hale and Betty Hamilton.

Providing food and other items to the canteen were Janice Merrell, Melissa Josslet, Gloria Herring, Olga Reid, Elizabeth Thompson, Rita Hughes, Carmen Munoz, Susan Gulley, Dolores Lambeth, Sarah Offutt, LaRue Reeves, Ruby Myers, Joann Norman and Jinx Burnison and Almeda Blair, Marie Smith and Elaine Gulley were busy serving refreshments to those who donated blood.

As always, Mrs. Lane expressed her appreciation to all the donors and workers, thanking them for taking time for their everyday duties to help in this community project.

Applications For 1989 Disaster Assistance Now Being Accepted

The Knox County Agricultural Stabilization and Conservation Service is currently accepting applications for the 1989 Disaster Assistance Program. Farmers have until April 2, 1990, to apply for payments on their 1989 crop production losses caused by drought, excessive moisture and other perils.

Knox County ASCS Executive Director John Rector reminds farmers of a provision under the disaster program which reopened the opportunity to request advance deficiency payments for program crops. "Farmers who previously did not request advance payments on wheat, corn, grain sorghum, barley, oats, upland cotton, and rice have until November 1, 1989 to request these payments," John said.

He said it is possible that the final payment rates determined for these crops will be less than the advance rate. "If this occurs, producers who suffered a loss because of a 1989 disaster will not be required to refund the amount of advance payments which represents loss of crop production on up to 35 percent

of their normal production with crop insurance," said John, "or 40 percent of the total expected from production without 1989 crop insurance." To be eligible for this refund forgiveness, farmers must sign up under the Disaster Assistance Program.

The 1989 crop disaster payments compensate farmers who suffered crop losses in 1989 because of damaging weather or related conditions in 1988 or 1989. Farmers who receive disaster payments for a portion of their program crop will be required to refund the advance deficiency payment for that portion of the crop, according to Rector.

"It is important that farmers contact our office no later than November 1, to request an advance deficiency payment. If they qualify for disaster payments they will not be required to refund the advance deficiency payments that qualify for forgiveness," the ASCS official said.

A bachelor is a man who never makes the same mistake once. -Ed Wynn

Band "Tunes-Up" For UIL Marching Contest

A large group of parents and other fans is expected to follow the Munday High School Purple Cloud Band to Wichita Falls Saturday for the 1989 University Interscholastic League fall marching contest. The band was in Wichita Falls on Monday night of last week for a band festival, allowing the musicians to practice on the turf.

The competition will be held at Memorial Stadium on Southwest Parkway. Class A and AA bands will begin marching at 8:26 a.m. sharp and will continue until noon, after which a break continues until 2:15. Class AAA, AAAA, and AAAAA bands will march in the afternoon. The reason for the break, according to Munday band director Rodney Bennett, is that judges for the larger bands will be working the south zone contest in Abilene that morning, and they will switch with the north zone judges in Wichita Falls after lunch. This year, the break will not be as long as in the past, due to the fact that Midwestern State University has a home game scheduled for Saturday evening, and the marching contest must be over earlier than in recent years, Bennett said. For that reason, judges are being flown from Abilene to Wichita Falls, thus saving several hours.

Knox City will be the first Class A band to perform at 8:26, followed by

Crowell at 8:39, Windthorst at 8:52, Throckmorton at 9:05, Munday at 9:18, Petrolia at 9:31, and Paducah at 9:44. Announcement of ratings will be made immediately following the Class A portion of the competition.

The Purple Cloud will be trying for its sixth consecutive first division rating in marching and hoping to win its fifth appearance at the regional contest.

"If we do our job on Saturday, nobody will be able to touch us - we'll be ok," Bennett said.

Provided the band earns the first division rating, they will tie a record set by the 1959-64 MHS bands under the direction of Jack Guymon, Bobby Brooks, and John Hoaldrige.

Varsity twirlers, senior Alicia Cook and junior Angie Offutt and junior varsity twirlers Kammie Haynie and Sheila Morgan will compete in the District UIL twirling competition being held in conjunction with the marching contest. Junior high twirlers competing include Laura Burnett, Heather King, Andrea Longan, Mandy Moore and Farrel Selzer.

Admission to the contest is free and anyone who likes to hear good band music and see spectacular shows presented by young musicians is urged to attend.

Halloween Carnival To Feature "Parade of Spooks" Tuesday

The Munday Chamber of Commerce Halloween Carnival and Spookhouse is sure to be a treat for young and old alike, so grab your costume and make plans to be at the Brazos Valley Young Farmers Show Barn on Monday and Tuesday night, October 30 and 31.

The carnival and spookhouse will be open from 7 to 10:30 each night. On Tuesday, Halloween night, a special "lights on" Spookhouse will be featured, so that younger children and maybe a few adults can make a trip through the "house" without too much fear. Prizes will be given to the group or organization who has the scariest room in the house.

Also on Halloween night, a special "Parade of Spooks" will begin at 8 p.m. Everyone in costume, children and adults alike, is encouraged to participate in the parade. All participants will receive a prize.

Renew Your Courier Subscription Early

Most Courier subscriptions are due in November, therefore we are asking subscribers to renew your paper early and help us avoid the rush in November.

You can tell if your subscription is due by looking on the bottom of your address label. If it has 89/11/04 on it, yours will be due next month. We also have a list of October subscriptions due now.

Postal regulations require us to mail only paid subscriptions, so pay yours early so you won't miss a single issue.

Weather Report

Following is the weather report for seven days ending Monday, October 23, 1989, as compiled and recorded by Goodson Sellers, local U. S. weather observer.

	TEMPERATURE	
	HIGH	LOW

October 18	63	42
October 19	62	27
October 20	81	30
October 21	89	44
October 22	94	62
October 23	90	50

Rainfall year to date 25.43

The annual Turkeywalk, sponsored by the Knox County Division of the American Heart Association, will be giving lots of turkeys away on Saturday, November 4, according to Turkeywalk co-chairperson Dr. Larry Fitzgerald. That's when over 25 Munday area residents are expected to participate in the 10 kilometer walk.

Each walker is expected to sign up sponsors for the walk-a-thon who will donate money per kilometer for those participating in the walk. Everyone who raises \$100 or more will receive a free turkey. The biggest dollar earner will be placed in a special drawing for free airline tickets to anywhere in the continental United States, compliments of American Airlines. Other prizes from area merchants will also be given, according to Debi Sellers, who is serving as the other co-chair.

"So many people are affected by heart disease, either personally or within their immediate families," said Fitzgerald. "That's why I'm proud to support this and other efforts to help combat the disease."

"Also, I'm impressed with the American Heart Association because it only spends seven percent of its total funds in administration. All other funds go into research, communications, etc. Few other organizations can make that claim," Fitzgerald said.

three octaves higher than normal. "R.W.'s been here."

There, stretched out in our living room was a dummy, complete with jeans, boots, and even a belt. Protruding from the chest of the dummy was a large kitchen knife with what must have been a whole bottle of ketchup surrounding it to make the gruesome scene even more realistic. I sat in the car with the kids while Tommy disposed of the "body", and wondered again what kind of person plants ketchup-covered dummies in people's living rooms.

Practical jokes can be fun - especially on Halloween - as long as they don't hurt anybody, but with changing times and all the crime in the world, it could be dangerous to go slipping up to someone's house in the middle of the night. Most people are usually good natured about non-destructive practical jokes even though they don't find them funny - especially while scrubbing ketchup off white tile floors. Some people might shoot intruders, no questions asked. Cake walking and bobbing for apples can be just as much fun and a whole lot safer.

So, have a safe and happy Halloween and watch out for all the little *Jasons*, *Freddies*, *Draculas* or *witches*.

And one little "Snoopy".

Methodist Church To Observe Special Day

Sunday, October 29 will be Retired Minister's Sunday at the First United Methodist Church in Munday. Rev. Ivan Allen of Childress, former pastor of the local church, will be guest speaker.

A covered dish luncheon will be held at noon with drinks, bread and dessert furnished by the church.

A special service will be held at 2 p.m. in Johnson Cemetery honoring the Rev. Bateman with a United Methodist Circuit Rider plaque.

Loren Gardner, pastor of the local church, invites the public to attend all phases of the special day's activities.

The same wind snuffs candles yet kindles fires; so where absence kills a little love, it fans a great one.

-La Rochefoucauld

A MATADOR DEFENDER stops No. 22 Perry Collier in this play during Friday night's game against Motley County, but Collier couldn't be stopped for long, as he carried eleven times for 129 yards and three touchdowns. A strong Mogul defense held Motley County to only 14 points in the night's contest, while the super Mogul offense put 63 points on the board.

Benjamin News

By Mrs. Gladene Green

Aliene Groves is a patient in the Wichita General Hospital at this time. According to reports, she will very likely undergo surgery today, Monday. The nature of Aliene's illness has not been determined as yet, and certainly we ask you all to remember her and her family in your prayers. And take a minute to send her a card. Either send it to the hospital or her home here. She will get it either way, and I know she would appreciate it.

Audrey Nolan was in Abilene Wednesday for eye surgery. She had already had one done and this has fixed her up as far as her sight goes. She's doing real good and continues to read everything she can get hold of and is doing lots of handwork these days also, and really enjoying it.

Betty Lyles underwent surgery today (Monday) at Bethania Hospital in Wichita Falls. We got the report a while ago that she's doing fine and will return home this afternoon. That's good news.

Homer T. Melton has been a patient in Methodist Hospital in Lubbock for ten days. He has pneumonia. Reports are that he may be dismissed on Friday. He is in room S 690.

We may have more on the sick list that I'm not aware of. There are lots of us with our usual aches and pains, but as far as I know we don't have anyone else hospitalized. If so, I apologize for not knowing it in time to report it.

This has been another very busy weekend for Benjamin folks. Friday and Saturday the county H.D. clubs held their annual achievement day at the Memorial Building. The Benjamin club fared well, won about 16 ribbons in the different categories. At the program on Saturday, the Little Ole Hens of Benjamin were awarded a plaque for 100% attendance. Pretty good, I'd say.

Then on Saturday night the county-wide fund raiser for the aging was held also at the Memorial Building. Lots of fun was had by everyone attending and while having that fun, we were helping

a good cause with our cake walk money, auction money and the cash we spent at the concession stand. Appreciation was expressed by those in charge for the cake donations and all who came to help make this annual event very successful.

HD CLUB MEETS

The Little Ole Hens Home Demonstration Club met Tuesday in the home of Virginia Griffith. Jane Rowan, Knox County Home Demonstration agent, gave the program on "Understanding Depression and Stress".

Refreshments of finger sandwiches, orange-sherbet punch and pumpkin cookies were served.

Attending were Eunice Friday, Bea parks, Pearl Ryder, Louella Tolson, Louise Hall, Mrs. Rowan and Mrs. Griffith.

The firemen are busy nightly hammering, sawing, re-wiring and doing all it takes to get the Spookhouse ready for everyone's enjoyment. They tell me it's going to be quite different from years past but still full of thrills and chills. It will be open Saturday night, October 28, after the school carnival and on Halloween night, October 31. Come on out and enjoy the fun with everyone. A concession stand will be nearby. On Saturday night just drinks will be available, but on Tuesday there will be sandwiches. So you can eat supper then tour the spookhouse and have a "real evening out"! I'll see you down there.

HERE AND THERE

Nora Duke, along with Mary Hertel and Mary Urbanczyk of Munday, returned home Friday from several days visit with relatives. They visited Johnny and Katherine Hertel in Fillmore, Oklahoma and Mrs. W.E. Brown in Paris, Ark. Nora said it was pretty in those parts this time of year but it did get cold while they were there.

Clodell Duke was in Wichita Falls last week to see her doctor. While in that area she visited daughter Sue McCarthy and family in Iowa Park and also visited Aliene Groves in the General Hospital.

Bridal Shower Held Sunday Honoring Debra Birkenfeld

A bridal shower was held Sunday, October 22, 1989, at the community center in Munday honoring Debra Birkenfeld, bride-elect of Ricky Graf, both of Vernon.

Guests were greeted by Mrs. Peggy Myers and introduced to the honoree, her mother, Mrs. Ethel Birkenfeld of Goree, and the mother of the groom-to-be, Mrs. La Vera Graf of Vernon.

Registering guests was Mrs. Connie Kuehler of Munday.

Refreshments were served from an appointed table covered with white cloth with a lace overlay, and a blue and white flora arrangement and white candles served as a center piece. Serving guests were Mrs. Connie Birkenfeld of Seymour and Mrs. Teresa Pennartz of Vernon.

Hostesses for the occasion were Mary Birkenfeld, Barbara Bowman, Annette Brown, Frances Brown, Ruthie Brown, Thersia Bruggeman, Beverly Decker, Arleta Decker, Mina Fetsch, Valera Hertel, Betty Kuehler, Connie Kuehler, Dulah Lambeth, Dot Myers, Peggy Myers, Stannie Orsak, Vlasta Orsak, Geneva Pennartz, Teresa Pennartz, Ilene Redder, Jeanene Redder, Reba Redder, LuRose Schumacher, Madalyn Speer, Trudy Trainham, Margaret Urbanczyk, Annette Welch, Jeanette Zeissel and Mary Zeissel.

The couple will be married November 18 in St Joseph's Catholic Church in Rhineland.

Nursing Center News

By Virginia Williams

Mrs. Norma Pape directed the Bible study Monday afternoon.

Pearl and Penn Moore of Red Springs visited Ruby E. West on Wednesday.

Linnie West, who has been a patient in a Wichita Falls hospital for several days, returned to the Nursing Center last Wednesday.

The women of the First Baptist Church of Munday held the birthday party for the ones having birthdays in October which included Ruth Baker, Tommie Hall, Audrey Gulley, Lillie Parker, Opal Guffey and Ruby West. After refreshments were served, several songs were sung.

Mrs. Frances Condover of Arizona is visiting her mother, Ruth Hammons. Also visiting were Emily Rhoten of Fritch, a granddaughter, Richie Gray of Amarillo, and a sister, Estelle Rinehat.

Millie Smith brought the Bible study Monday afternoon.

Lee Patterson visited Helen Hutchinson Monday afternoon.

Gypsey McMullins of Sweetwater visited her mother, Florence Decker, on Sunday.

Kenith Parker of Atlanta, Georgia visited his mother, Lillie Parker, on Thursday and took her out to dinner.

St Ann's Mother's Society held bingo Thursday afternoon. Calling the numbers were Theresa Bruggeman and Emma Fetsch. Everyone appreciated receiving the prizes.

Everyone enjoyed the Saturday afternoon singing. Mrs. Archie Struck and Ruby Myers each sang solos, and Virginia Cary held the devotional. Helping with the group were Mr. and Mrs. Archie Struck, Ruby Myers, Virginia Cary, Eunice Raynes, Anna DeLain, L. O.

Chamberlain, Ella Gresham, Mutt and Ponis Chamberlain, and Lillie Wardlow of Denton, Mr. and Mrs. Dick Wardlow of Seymour. After the singing, they all visited Mrs. Brook Campsey, Ruth Hammons, Fred Jones and others.

Sunday afternoon church services were held by Father Gary Geurtz of St. Joseph's Catholic Church in Rhineland, and his friend, Father Jose of Dallas who is visiting him. Lara Alexander was the organist, and several members lead the singing.

Marie Smith and Sue Bryan called bingo last Tuesday. Everyone enjoyed the games, fellowship and the good cake and ice cream.

Maxine Sanders and Francis Pendleton visited Nina Pendleton on Tuesday. They are from Wichita Falls.

Edwin and Jan Ellis of Graham visited Nina Pendleton on Sunday.

COACH SLOAN issues last minute instructions to runners at Monday's District Cross Country Meet held at Lake Creek Golf Course. The Munday girls were victorious in the meet, earning their third district championship. In the boys division, the Moguls came in second behind Lueders-Avoca. Both Munday teams will participate in the Region Meet to be held in Lubbock on November 4.

Cross Country Teams Earn Trip To Regional Meet In Lubbock

A large number of fans converged on Lake Creek Golf Course Monday afternoon, October 23, as the Mogul and Mogulette Cross-Country teams hosted the District 9A meet.

The Mogulettes finished as district

champions for the third consecutive year and the Moguls came in second in the boys division as Lueders-Avoca won their first district championship.

Both teams will participate in the Region 1 meet to be held on November 4 at Lubbock.

The times and finish positions for the Mogulettes were: Mindy Myers, first, 12:53; Kacy Longan, second, 12:58; Robin Reneau, third, 13:07; Bridgett Beaty, fifth, 14:13; Alicia Cook, sixth, 14:19; Kathy Wilde, seventh, 15:54; and Brandy Branam, 8th, 17:30.

Times and places of finish for the boys were: Isias Campos, fourth, 19:21; Mike Yzaguirre, fifth, 19:36; Kevin Myers, sixth, 20:24; Marc Andrade, seventh, 20:37; Bryan Latham, eighth, 20:55; Kenny Forehand, tenth, 22:02; and Andy Dancer, twelfth, 29:13.

Coach Sloan expressed his thanks to the many volunteer helpers at the meet and to the fans present. "The enthusiasm from the community has certainly helped these young people to be successful this year, and we appreciate all the support," he said.

LOCAL

Major Michael D. Putnam and son, Jared, were in Munday last weekend to visit Dorothy Putnam.

The Lord's Corner

by Dr. Peie Bradfield, Pastor
First Baptist Church

"Plan ahead - it wasn't raining when Noah built the ark!"

That humorous motto stresses the importance of short - and long-range planning. There are many services for God you can render on a moment's notice: witnessing to a friend, visiting a shut-in, extending hospitality to a stranger. But there are many more acts of service that demand planning and long-range goal setting.

Presumptuous living in the future is wrong, but careful planning for the future is right. Why not plan a get-together this evening with your spouse, or roommate, to set at least one new goal in your church or community for God.

See you next week, and remember: Those who fail to plan, plan to fail.

Weekend Revival To Be Held In Weinert

The Weinert Foursquare Church will be holding a weekend revival Saturday and Sunday, October 28 and 29. Saturday services will begin at 7 p.m., and Sunday services will be held at 11 a.m. and 6 p.m.

Joe Hall of Waldron, Arkansas, a former pastor at Knox City and Stamford back in the 40's, will be the speaker, and will be ministering this weekend in music and the word.

Rev. Paul Chambers, pastor of the Weinert Foursquare Church, invites everyone to attend these special services.

Plan Now For End Of Year Retirement

If you plan to retire at the end of the year, you should contact social security now about filing a retirement benefit application, says Frances Braden, resident representative of the Vernon Social Security office.

Social security retirement applications can be filed up to four months in advance. Most applications can be processed very quickly, but sometimes there are delays in locating necessary documents such as a birth certificate.

If you do not have a birth certificate or religious record of your birth, the social security office can furnish the address where you can write to obtain a record of your birth. Other documents can be used to prove your date of birth if no birth record exists.

A good summary of the information you will need about retirement is available from social security by calling 1-800-234-5772. Ask for the leaflet Retiring? Remember Social Security.

The Vernon Social Security office is located at 1701 Cumberland. The office is open from 9 a.m. to 4:45 p.m.

W. G. Party Held Saturday

Pauline Morrow hosted the October W. G. party. The group dined out at the Dairy Queen Saturday evening, and then met in the home of Viola Cude for dessert, business, exchange of gifts and games.

Attending were Viola Cude, Juanita Massey, Ruth Griffith, Allene Beaty, Elaine Gulley and Dorothy Putnam.

Honor Roll Announced

Seventy-nine students in Munday Secondary School were listed on the first six-weeks honor roll released this week. This figure represents more than one-third of the secondary school enrollment.

The largest group of scholars came from the eighth grade, with 17, followed by the freshman class with 16 and the senior class with 15.

Included on the honor list were:

A Honor Roll

Seventh grade - Joe Bunton, Donny Browning, Jeff Dunnam and Keith Myers.

Eighth grade - Michele Berryhill, Michelle Wilde, Laura Burnett, Danette Owens, Kole Sanders, Jason Bowman.

Juniors - Beth McPherson and Dixie Reid.

Seniors - Jenni Bowman, Christy Wilde and Kathy Wilde.

B Honor Roll

Seventh grade - Keith Kuchler, Dionne Kingston, Ryan Cottingham, Doug Edrington, Kelly Jo Munoz, Nathan Herring, Brady Smith and Christian Sanchez.

Eighth grade - Toni Morgan, Melissa Berryhill, Andrea Longan, Mandi Moore, Cissy Zaeske, Heather King, Kerri Smith, Nora Bejar, Aaron Kiser, Lupe Diaz, Brandon Milhoan.

Freshman - Caroline Anchondo, Phillip Bowen, Brandi Crawford, Andrew Dancer, Arthur Garza, Kammi Haynie, Sherita Jones, Jay Kingston, John Michaels, Chad James, Jason Zeissel, Jai Reed, Brandon Cottingham, Freddie Sosa, David Tidwell.

Sophomore - Chris Key, Kent Latham, Missy Reneau, Susan Whittemore, Tonya Kuehler, Misti Zeissel, Kathy Welch, Bridgett Beaty.

Junior - Kacy Longan, Chris Burnett, Angie Offutt, April Offutt, Jae-Jae Reneau, Brett Bruce, Jayson Morgan, David Wilde, Jason Brown.

Senior - Marc Andrade, Anthony Garza, Jesse Hernandez, Neomi Hernandez, Jeff Herring, Bryan Latham, Mindy Myers, David Owens, Ann Parker, Robin Reneau, Shawna Simpson, Lisa Steedley.

LOCAL

Visiting Lala Morgan last week were her granddaughter and husband, Elaine and Ronald Reece of Germany, her brother, Otis Spann, Melton Morgan, Gerald, Gayle, Jayson and Tony Morgan, all of Munday, her daughters, Neva Biggs of Austin and LaQuita Johnson of Alvarado.

Lala and her daughters went camping Monday and Tuesday night at Palo Duro Canyon State Park. The park was beautiful, and both days were sunny and nice. The had a real good time in spite of the cold wind and rain that hit Tuesday night.

The girls also visited their uncles and aunts in Munday, Otis and Louise Spann and Ursel and Nolan Phillips, and Melton's family. The girls returned home Thursday.

It's when you're safe at home that you wish you were having an adventure. When you're having an adventure you wish you were safe at home.

ANGIE OFFUTT AND ALICIA COOK pose for this snapshot in their newest twirling outfits, designed especially for their role as feature twirlers for the Purple Cloud Band. The girls will participate along with junior varsity and junior high twirlers in the District UIL twirling contest Saturday in Wichita Falls. These young ladies are the daughters of Dan and Becky Offutt and Johnnie and Stacia Cook.

Tax Representative To Visit Munday

A representative of the state comptroller's office will be in Munday on Tuesday, November 7, to answer questions about Texas taxes and assist taxpayers with paperwork and problems.

Christina Tompkins, Enforcement Officer from the Wichita Falls Field Office will be at the City Hall from 10 a.m. to 12 p.m. The public is welcome and there is no charge for the services.

"I don't want to see state taxes turn into a burden for folks who can't get to a field office. Our visits are a service we're happy to provide to Texas taxpayers," Comptroller Bob Bullock said.

Munday area taxpayers who can't attend the November 7 seminar can receive individual tax assistance by calling the Comptroller's toll-free num-

ber, 1-800-252-5555, from anywhere in Texas.

The Wichita Falls office serves Archer, Baylor, Clay, Childress, Cottle, Foard, Hardeman, Jack, King, Knox, Montague, Wichita, Wilbarger, and Young counties.

Daisy Gaiter returned home last Sunday from a two week visit with her son, Leon Looney and family, her nephew, the Gerald Mayos of Garland, and her sister-in-law, Lillian Mayo of Copeville.

When a woman tells you her age, it's all right to look surprised, but don't scowl.

We grow neither better nor worse as we get old, but more like ourselves.

Vera News

By Mrs. Thelma Coulston

Mr. and Mrs. Jerrell Trainham were recent visitors in the home of their friends, Mr. and Mrs. Bill Martin in Seneca, Missouri. The Martins accompanied Jerrell and June to Branson, Missouri where they spent the night and enjoyed a musical stage show featuring Christy Lane. They then drove to Mulberry, Arkansas where they visited June's uncle, Mr. and Mrs. Norval Wilson. Enroute home Monday they stopped for a visit with Louise Trainham and Mr. and Mrs. Hal Fowler and son Jeff in Honey Grove.

Mrs. Frances McManus and son Jeff of Irving and Mrs. Loreta Sutton of Grand Prairie were weekend guests in the Wayne Sutton home. Also visiting in the Sutton home Saturday were Mr. and Mrs. Fred Wilson of Wichita Falls.

Mr. and Mrs. Claudell Bratcher, Mr. and Mrs. Weston Parris and Mr. and Mrs. Ernest Beck Jr. attended memorial services for Peggy Albright at Hampton-Vaughan Funeral Home Saturday afternoon. Interment was in Crestview Memorial Park cemetery. She is survived by her husband Sam and two daughters, Larissa and Deborah. The entire community of Vera extends their heartfelt sympathy to Sam, who was reared in the Vera community, and the two daughters and their families and Peggy's parents, Mr. and Mrs. George Robason and Oliver and Mary Lou and their family in Red Springs.

Mrs. Violet Patterson has been visiting her sister, Mrs. Tommie Crawford in Munday, who underwent gallbladder surgery recently in the Seymour hospital.

Mr. and Mrs. Ferman Dowd were recent visitors in the home of a daughter, the Jim Coulston family in Sanger, and accompanied them to Texas Stadium where they attended the Cowboy-Forty-Niners game.

Punk Jennings of Idabel, Oklahoma visited in the home of his sister, the George McKinneys, last Thursday. George and Bertha Faye and Mrs. Willie Jennings of Rule accompanied him home for a weeks visit.

Mrs. Ola Mae Nichols spent Sunday in the home of a daughter, Mr. and Mrs. Bruce Sutton and boys in Loving.

Mr. and Mrs. Bill Townsend are spending a few days in the home of a daughter, Mrs. Barbara Coulston and Aimee in Odessa.

Mrs. Sabra Rice returned home Wednesday from a two weeks visit in the home of a sister, Mrs. Kathryn Tilton in Milford, Ohio. Mrs. Rice re-

ports an enjoyable flight out of, and back into, DFW Airport in Dallas.

Mr. and Mrs. Joe Alford of Colorado Springs, Colorado visited Saturday and Sunday in the Harold Beck home.

Mr. and Mrs. Billy Daniels of Crowell spent Friday and Saturday in the Keith Beck home and entertained Kimberly, Clint and Kerri while their mother, Judy, accompanied friends Sharon Hertel and Suzanne Jones of Seymour to Abilene Saturday where they attended a craft bazaar in the Wylie 4-H gymnasium.

Mr. and Mrs. Billy Kinnibrugh attended the State Soil Conservation Service convention in McAllen this week.

Clyde Beck was a patient in Bethania Hospital in Wichita Falls after being admitted last Friday.

Mr. and Mrs. Bill Miller, Gidget and Heidi, of Seymour visited Sunday with Christy's mother, Mrs. Violet Patterson. Bill is employed at Senora and was home for the weekend. Also visiting Violet was a cousin, Vera Craddock of Bogota.

Mrs. Sabra Rice and Mrs. Jerrell Trainham accompanied Mrs. Toby Crooks of Seymour to Stephenville on Thursday to visit with Stephanie Crooks and help celebrate her 19th birthday. Stephanie is a freshman at Tarleton State University. Jerrell and June were business visitors in Vernon Friday and were accompanied by their grandson, Jerrell Wendell Laird, who spent the weekend with them. Another grandson, Bret Crooks, of Seymour also spent the weekend with them. Other visitors in their home were Bobby and Minka Laird of Vernon, Toby and Eva Ann Crooks of Seymour and Kevin, Dara and Stony Trainham of Moran. Mr. and Mrs. Ronald Lee Tullis of Hale Center visited a while Sunday in the Trainham home. They were enroute home from a visit with their daughter, Mr. and Mrs. Dennis Wright and family and had visited with the Randal Murrays in Hawkins.

Mr. and Mrs. Harold Beck visited her brother, Allen McGaughey of Knox City, who is a patient in Bethania Hospital in Wichita Falls.

His hair is red,
His eyes are green,
Our sweet little nephew
Is turning eighteen!!

Generic Drug Fact Sheet: For the Patient

Dear Patient,

Recent news about problems at the Food and Drug Administration (FDA) and fraud by generic drug manufacturers has raised questions about the safety and quality of generic drugs.

As your pharmacist, I hope this information will be of help to you. If you have any questions, please feel free to ask me.

Don Bunton, Pharmacist

Q What is a generic drug?

A It's a copy of a brand-name drug whose patent has expired. A generic is sold under a common or "generic" name for that drug, not the brand name. For example, the brand name for one well-known tranquilizer is Valium, but it is also available under the generic name diazepam.

Generics often become available for sale shortly after the patent on the brand name product expires.

Q Who makes generic drug?

A There are more than 200 manufacturers of generic drugs in the United States. Some companies make only generic drugs. And some generic drugs are made by divisions of major brand-name companies.

Q Why would I take a generic drug instead of a brand-name product?

A Generic drugs are usually less costly than brand-name drugs yet work just as well.

Q Why are generics getting so much attention in the news?

A For one thing, it was recently found that some companies used another company's brand-name drug instead of their own generic drug in tests for FDA approval. As a result, some generic drugs were never properly tested for safety and efficacy.

The products involved in these incidents have been withdrawn from the market.

Also, three FDA chemists who review generic drugs for approval admitted they accepted illegal gifts from generic drug companies to speed up the process for approving their drugs.

Now the FDA has expanded its inspection of generic companies and their products to look for other problems. More than 1,000 products have been tested so far. Of these, 99% show no problems.

Q Are generic drugs as reliable as the brand-name product?

A All drugs sold in the United States must meet strict FDA requirements. A generic drug that can be safely used instead of the brand-name drug gets a special rating. As your pharmacist, I select only those products I know have met the FDA requirements. I also review the quality of the manufacturers and the availability of the product.

Q How do I know if I'm taking a generic product?

A If you have a question about a specific prescription, please feel free to ask me. More than a third of the time, pharmacists give patients generic drugs rather than brand-name drugs. This is because generic drugs cost less and save patients money, yet they achieve the same medical results. So it's possible that your prescription is a generic product.

Q How can I be sure my generic drug product is safe?

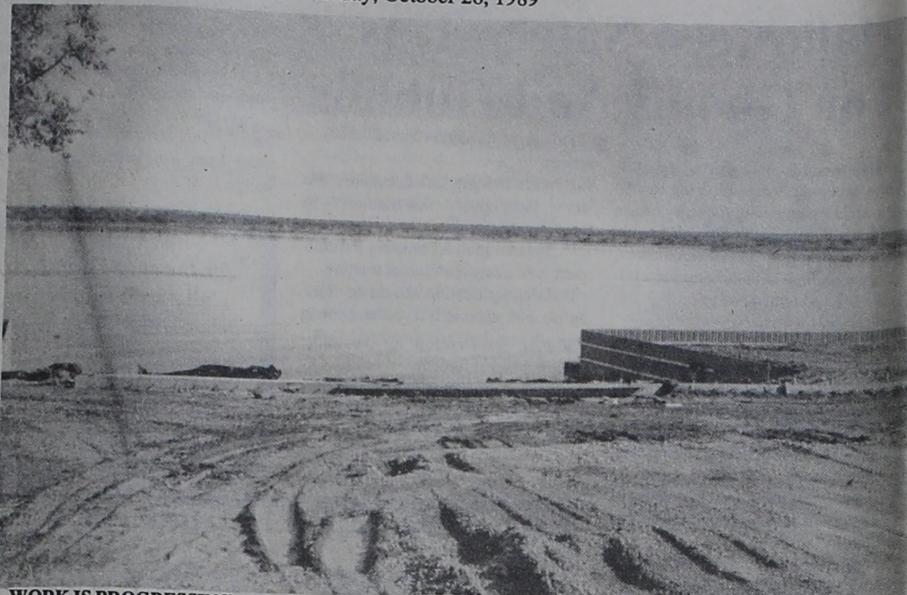

A If you're concerned about a drug you're already taking, ask me about it. I get bulletins from the FDA and my national pharmacy associations that keep me up-to-date on drug products and recalls.

If there is a serious problem with a drug—either brand-name or generic—I remove it from my pharmacy right away. If the drug you are taking seems to be working and you have no unexpected side effects, you shouldn't worry. However, if you have side effects or think the drug isn't working as well as it should, consult your physician.

Remember, if you have a prescription medicine that you are supposed to take until it is gone, do not stop taking it without checking with your physician or pharmacist.

Your pharmacist is an information resource. If you have any questions about drugs you're taking, stop in and ask me or call me at: 422-4552

WORK IS PROGRESSING as planned on the Miller Creek boat ramp project, according to Dolan Moore, Water Authority manager. The project, sponsored by the North Central Texas Municipal Water Authority, is located southwest of the dam along the waterfront on the northwest side of the lake. Other improvements at the lake will include the four-lane boat ramp, two docks and parking facilities. Targeted completion date is late November or early December.

FARM AND RANCH REPORT

By Donnie Peters

CHECK CHIMNEY BEFORE COLD WEATHER ARRIVES

With cold weather expected in many parts of the state soon, homeowners should check out their chimneys before using them.

Wood-heating accounts for more fires, more fire deaths and greater property damage than any other type of heating fuel, the Consumer Product Safety Commission has reported.

Most wood heating fires involve ignition of creosote inside the chimney. Creosote is a black tar-like substance that builds up inside the chimney in normal use. The creosote comes from burning green wood or soft wood like pines or cedars.

While most of these fires are contained within the chimney and cause no damage to the house, there's still much

cause for concern since a potential hazard exists.

Homeowners who have a wood burning stove or fireplace should check the chimney for any damage that may have occurred in the past heating season. A local "chimney sweep" or dealer can help with this effort. Any damage should be repaired and unnecessary changes should be made to avoid future damages.

Causes of home fires involving chimneys can be avoided. They include:

- * Improper chimney installation too close to wood framing.

- * Installation of thermal insulation too close to the chimney.

- * Improperly passing the stovepipe or chimney through a ceiling or wall, causing ignition of wood framing.

- * Structural damage to the chimney caused by the ignition of creosote.

Statistics Service Begins Crop And Livestock Survey

The Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1989 acreage, yield and production totals and end-of-year livestock and poultry inventories.

"Adverse weather conditions this year have certainly had an impact on Texas agriculture, and these surveys should help us summarize where the industry stands at the end of 1989," state statistician Dennis Findley explained.

"Information from these confidential surveys conducted by mail, telephone or in person will also help producers make their plans for the coming year."

"Sound production and marketing decisions require good, reliable information and some advanced planning, and our reports provide producers with solid facts and figures they can incorporate into their plans," Findley added.

As always, the Texas service will be trying to keep survey costs at a minimum, so Findley is urging producers to return their mailed questionnaires as soon as possible to avoid follow-up contracts.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since one producer represents similar operations of the same type and size. Our estimates can be no better than the numbers producers provide," Findley noted.

Results of the surveys will be published in early 1990. Copies of the results can be obtained from the Information Section, Texas Agricultural Statistics Service, P.O. Box 70, Austin, Texas.

Loan Rates For 1990 Grain Program Show Slight Decrease

Although the 1990 feed grain program contains the same acreage reduction requirements as in 1989, Haskell County ASCS official Glenn Brzozowski says target prices and loan rates for next year's corn, sorghum, barley, and oats will be slightly lower.

Local farmers enrolled in the 1990 feed grain program will be eligible for target price protection at \$2.75 per bushel for corn, \$2.61 for sorghum, \$2.36 for barley and \$1.45 for oats. Nation average price support loans per bushel are 1.57 for corn, \$1.49 for sorghum, \$1.28 for barley, \$0.81 for oats and \$1.33 for wheat.

Brzozowski says malting barley will not be exempt from acreage reduction requirements, and barley and oat bases will be split for the 1990 crop.

"Except for oats, feed grains will be subject to limited cross compliance revisions," he said. Under cross compliance, the acres planted for harvest on a farm may not exceed the crop acreage bases to be eligible for program benefits. The program does not contain land diversion or marketing loan provisions. Signup for the 1990 feed grain program begins January 16 and ends April 3, 1990.

Stinnett Reports For Duty In California

Navy Seaman Apprentice Gwendolyn Stinnett, daughter of Ida Jo Stinnett of Munday, recently reported for duty at Naval Air Station, Lemoore, California.

Stinnett, a 1987 graduate of Munday High School, joined the Navy in October, 1988.

Direct Deposit Offers Advantages To Social Security Beneficiaries

People who will be applying for social security benefits should have their bank information handy when they call or visit social security because direct deposit is now the normal way to make benefit payments. It's also the best way for most people to get their benefits.

Why the emphasis on direct deposit? Well, safety is one reason. People who receive their benefits in the mail sometimes find that the check has been stolen from the mailbox. Occasionally, a check is reported as lost.

With direct deposit, benefit payments are deposited electronically into a savings or checking account. That means the check is not sent through the mail where it may spend several hours or longer unprotected in the beneficiary's mailbox. And there is no paper check which could become lost.

A second reason is convenience. Beneficiaries do not have to set aside part of a day to make a trip to the bank to deposit the check. This gives them additional free time to do the things they would most prefer doing. This might mean an opportunity for a trip with the grandchildren; for another, a day of activities with long-time friends. If those opportunities come on payment day,

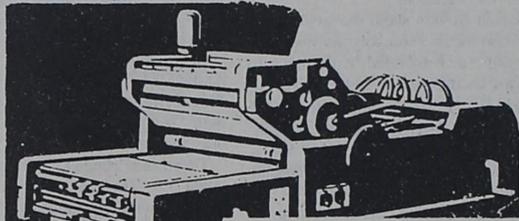

there is no problem for the direct deposit beneficiary because the check goes right into the bank account, making a trip to the bank unnecessary. This offers greater freedom for busy individuals.

Another reason is its reliability. Every month on payment day, the money is credited to the beneficiary's account. The beneficiary is then better able to plan for payment of purchases knowing that the money to pay for them will be in the bank account by a certain time each month.

For the Government, direct deposit has advantages too. It costs 25 cents less to make payment by direct deposit instead of by paper check. That is because there are no costs of processing and mailing paper checks. This represents substantial savings to the Government.

So, in a nutshell, direct deposit makes sense. It also saves cents. If you're going to be applying for benefits, or if you're already getting benefits but are still receiving them in the mail, why not try direct deposit? Just contact social security. In addition to your name and social security, you'll need to give them bank account information which can be found on one of your personal checks or your savings account passbook.

Weinert News

By Mrs. Myrtle Phemister

The temperature dropped to a record low for our part of the Big Country, as we saw it drop to below freezing last week, and some unofficial report gave a 20° reading.

The cotton farmers had some help from Mother Nature, as they were busy defoliating their crops anyway. Now the harvest will really get into fast gear.

We extend sincere sympathy to the Leonard Mahan family as they mourn the passing of their son-in-law, John Scott Sadler, who died on Friday, October 20, in M. D. Anderson Hospital in Houston after a 6 month battle with leukemia. His wife, Michelle Mahan Sadler, remained at his bedside throughout the ordeal, and his three daughters, Tabitha, Malorie and Megan, have resided in Weinert with their grandparents.

The Mahans, with Donald, were in attendance at his memorial services, held in Mineral Wells at the First Baptist Church on Sunday. They were accompanied by Mr. and Mrs. Weldon Walling, who helped with the services.

Francis Mahan has spent the past two weeks in Phoenix, Arizona, at the bedside of her sister, Celia Parker, who suffered a massive heart attack and is at the point of death. She is in a coma, and doctors give the family no hope for her survival.

We share the grief of the whole Mahan family.

The Weinert Gin employees were delighted with a visit from a lady from Rhode Island who dropped by for a first hand look at the gin last week. She is an artist, and is touring the country, and Brenda Sanders, secretary, and Steve Morren, gin manager, were pleased she chose Weinert to visit, and hosted her to

a tour of the gin's facilities and friendly Weinert people.

She told about her stay at an Indian Reservation in Arizona, which was an experience. Perhaps she is gathering material for a book, as well as pictures for her "palette".

Erma Liles and Mr. and Mrs. Paris Barton of Haskell, spent several days in Ruidosa, NM last week for an "end of summer" vacation.

Helen Boykin spent the weekend in Vernon with her son, Raymon and Janie Boykin, and traveled with them to Bowie for the football game where they were met by her brother, Hugh and Norma Phemister. Helen's granddaughter, Shelly Boykin, is a cheerleader for the Vernon football team.

Rex and Tinka Herricks were in Lubbock on Tuesday for Rex's checkup from his heart doctor. Rex is doing well.

Mr. and Mrs. Ivoston Greer, Tinka's parents, have been to Weinert for a visit in the Herricks' home.

Jo and Roy Luker of San Angelo spent the weekend with her sister, Helen and Buck Turnbow.

D. I. and Mattie White were in San Antonio last week to be with her family as her brother, Donald Ray Jones, underwent heart surgery at the hospital there. He is doing well.

Mildred and Alton Sanders had quite a scare last week as Jewel Havran, Mildred's mother, had a reaction from having some dental work done and they feared it was a heart attack and they rushed her by ambulance to the hospital. She is doing well, it was not her heart, fortunately, and we are glad.

Wayne and Linda Phemister of McAllen flew in for the Haskell

homecoming and spent some time in Weinert with his parents. They are both on the faculty of McAllen High School, where Wayne serves as principal to 1,400 freshman students. There are over 3,400 students in the high school, and he says it's a completely new "ball-game" from being principal at Leuders-Avoca where they served the past few years.

Marvin and Myrtle Phemister returned to McAllen with them, and will attend the state convention of Soil and Water Conservation Districts to be held in McAllen October 22 - 25th.

Denise Carroll, Shanna Murphy and Kole Sanders are part of the Munday Mogul Band, and traveled to Wichita Falls on Monday evening where the band practiced for the marching contest to be held this Saturday, October 28.

Chet and Jean Forchard were in Abilene on Saturday to be with the Mogul cross-country runners, of which their son, Kenny, is one of the outstanding athletes.

Tiffen and Erlinda Mayfield returned home on Thursday after a week's vacation in the Washington, D. C. area. They flew from Dallas, and boarded the tour bus there, for a foliage tour of the east coast, and an enchanting three days spent in Williamsburg, Virginia.

They spent some time in Jamestown, and in Yarktown, where the last battle of the war for independence was fought, and it was almost like a trip in a time machine back to that era of our history.

This trip was a gift from a dear friend of the Mayfields. They are truly deserving people!

Kenneth and Brenda Sanders and Kole were in Denton Saturday night for the ball game of the TSU Eagles against Sam Houston State University.

They were met there by their son, Kent, from Texas A & M in College Station where he is a freshman student, and they all enjoyed watching Kregg help defend the Eagles' goal.

Doris Carroll and Douglas, Brenda Sanders and Mary Murphy were in Wichita Falls last week for the band marching practice for district competition to be held there Saturday, October 28. The Mogul band will compete.

Coming soon: Birthdays for Teddy Graciano, Cherie Hutchinson, Walter Patton, Angela Hager and Tandy J. Yates. Happy Birthday, all!

Anniversary congratulations to Rex and Tinka Herricks!

The Weinert School Carnival, October 31 at 6 p.m.. Everyone invited. Weinert Extension Homemakers Club, 2 p.m., November 7, in the home of Alice Yates.

January issue of *The Progressive Farmer*, which will feature "our own" Imo Brockett. Congratulations!

Election Day - November 7, at the Weinert school, where decisions will be made that will affect our community for years to come. This is something that I feel children should not decide - they may go to school wherever they choose. I pray that voters will be able to look to the future and keep our county intact.

Do vote you conscience - but vote!

Correction: Mr. and Mrs. Bill Hager celebrated their 68th wedding anniversary instead of 60 as was reported in last week's column! More congratulations!

Halloween Safety Tips For Ghouls And Goblins

Halloween is almost here, and children everywhere are preparing for the big night by searching for scary masks and spooky outfits. Although having fun and filling up those trick-or-treat bags are foremost in their minds, children need to remember to follow safe practices.

Parents should keep in mind the following safety tips, provided by Scott and White Memorial Hospital in Temple.

- * Make costumes short enough so the child won't trip when going up and down stairs.

- * Use white colors or big patches of white on the costumes to ensure good visibility.

- * Use fire-retardant fabric for the costumes or treat the material with a chemical fire-retardant.

- * When making masks or hoods, cut out holes in them that are large enough to assure easy breathing and good vision. Using makeup or face paints instead of masks is an even better idea.

- * If face paints are used, make sure that they are designed specifically for this purpose, they are non-poisonous and that the paint can be washed off

easily.

- * When lighting Jack O'lanterns, use small flashlights -- not candles -- in order to prevent fires.

- * Have an adult accompany the children while they are trick or treating.

- * Trick or treating should be done before dark, especially if you have young children. Set a curfew for the older children and enforce it.

- * Instruct the children to stay in their own neighborhood and to call on only people they know and trust.

- * Give each child a flashlight and remind him or her not to shine it into

anyone's eyes, especially someone driving an automobile.

- * To prevent falls, remind children to use sidewalks instead of cutting across yards and vacant lots.

- * If your child gets sick, try to find out exactly what he or she ate and where it came from. Call your doctor immediately.

Take the chill out of winter heating bills.

With winter just around the corner, WTU has these suggestions for lower energy bills.

1. Caulk and weatherstrip around windows and doors to help prevent excessive heat loss.
2. Check the attic for adequate insulation; R-30 is recommended.
3. Clean or replace filters monthly in your heating unit.
4. Tightly close the damper in the fireplace when not in use.
5. Set the thermostat at 68° or lower.
6. Open drapes and blinds during the day to let in sunlight and close them at night to hold in warm air.

For a more comfortable home and an electric bill that won't give you a chill, contact your local WTU office for more conservation tips.

DISCOURAGEMENT: The Devil's Favorite Sport

The only way to conquer despair is to beat Satan at his own game!

Reasons for discouragement are all around us. We teach for years and nothing seems to happen. We sing in the choir, go out visiting, hand out tracts, but no blessing seems to result.

Dyson Hagus, an English minister-writer and chaplain, tells of visiting the hospital ward of dying soldiers. One of the men asked him to write his Sunday School teacher and tell her he would die a Christian - and through her teaching. A few weeks later, Hagus received a letter from the Sunday School teacher. She wrote:

"May God have mercy on my soul! Only last month I resigned my Sunday School class, for I felt that my teaching was doing no good. Then your letter came telling how my teaching had been the means of winning a soul to Christ. I have gone back to the superintendent and asked for my class back."

Discouragement is the devil engaged in the business of slandering. It takes several guises. The great accuser, Satan, is engaged in the work of slandering. He slanders God to man, as in the case of Eve, questioning God's goodness in withholding the forbidden fruit from her. He slanders man to God, as in the case of Job, whom he charged with being pious only because God paid him with prosperity. He slanders man to man when he can get us to say untrue things about another. Then he slanders man to himself when he keeps urging, "You're no good. You're not making a success of things. You're a failure."

Someone said, "For every look at ourselves, we should take 10 looks at God." By seeing His greatness and goodness, by hearing Him say, "Look at Me; let Me handle it entirely; let Me take care of this," faith will replace discouragement.

Discouragement has been called one of the strangest, strongest, subtlest, sneakiest of sins, a sort of gnawing, gradual, simmering, growing, insidious, low-grade spiritual fever. As it builds up, you slow down. The reason people don't deal with it is because in their spiritually drugged condition they do not accept it as a form of self-indulgence, self-pampering, self-pity.

Discouraged people cry on the Lord's shoulder while deceiving themselves into thinking they are leaning on His everlasting arms. Discouragement must be recognized as sin, death with and refused, with no place given to it.

Satan, a fable goes, held a conference with his demons to announce that discouragement really stops Christians. Discouragement, he said, was the easiest, most effortless, yet most devastating weapon. So one little demon thought he'd try it out.

Landing on the shoulder of a Christian, he whispered, "You're discouraged!"

The Christian admitted, "Yes, I guess things aren't going too well."

A second and a third time the demon's voice said, "You're discouraged!" The Christian had a dark cloud of gloom hanging over his head and wondered how he could ever get through the day.

Hurrying back to headquarters, the little demon gleefully reported that it worked. He said, "It worked so well I merely suggested to the Christian that he was discouraged, and soon he really was." He decided to try it again.

This time he came to a believer who really knew God's Word and the need for persevering and not fainting. When he suggested, "You're discouraged," the Christian stood erect and replied, "Me discouraged? I should say not!"

Taken back a little, the demon tried again. "You're discouraged and you know it!"

The believer retorted, "Me? Never! I have an all-powerful Father. My Saviour is ever with me by His Holy Spirit. And I will say of the Lord that He is my refuge and my fortress; my God, in Him will I trust. Me discouraged? Not for a moment!"

Back at headquarters the little demon was asked how he made out. He reported what had happened, then moaned, "Now I'm discouraged!"

Triumphant Christians turn the table on the devil.

Phillippians 4:13 - "I can do all things through Christ, who strengtheneth me."

A colony of honeybees may be composed of as many as 90,000 individual bees.

I will file your MEDICAL INSURANCE and MEDICARE for you or answer any questions you may have.

WINNERS IN THE DINOSAUR POSTER Contest held recently included (left to right) Aricia Dena, first; Lacy Myers, third; and Jayson Key, second. The contest, sponsored by local postmaster Dolores Lambeth, was held in conjunction with National Stamp Collecting month.

During Stamp Collecting Month Local Postmaster Sponsors Dinosaur Coloring Contest

Second grade students at Munday Elementary recently participated in a poster contest sponsored by Dolores Lambeth, local postmaster, during October - National Stamp Collecting Month.

Mrs. Lambeth visited second graders and talked to them about stamp collecting, emphasizing the Dinosaur Stamps. Second graders were also studying dinosaurs in their classwork at that time. Mrs. Lambeth introduced a challenge to the students to enter a poster contest to draw and color a dinosaur. Posters were placed in the service lobby of the post office.

Senator Carriker Honored For Health Initiatives

Senator Steve Carriker of Roby was recently presented a special award by the Texas Association of Community Health Centers in recognition of his work on rural health legislation during the 71st session of the Texas Legislature.

Senator Carriker was instrumental in passing House Bill 18 and sponsoring several other measures important to rural health centers, according to Jose E. Camacho, executive director of the association.

Previous recipients of the honor include the late Helen Farabee and Lt. Gov. Bill Hobby.

Birthdays And Anniversaries

October 26 - Charles Pankhurst; Johnnie and Stacia Cook.

October 27 - Chalmer Hobert, Juston Reames; Kenneth and Mary Denise Groves.

October 31 - Bill Kingston, Amy Huffman, Henry Ramirez, James Gass.
November 1 - Ashley Aryn Herring.

Munday School Lunchroom Menu

October 30 - November 3, 1989
BREAKFAST

Monday - Cereal, juice, milk.

Tuesday - Toast and jelly, juice, milk.

Wednesday - Cheese toast, juice, milk.

Thursday - Cinnamon toast, juice, milk.

Friday - Cereal, juice, milk.

Monday - Steak fingers, mashed potatoes, blackeyed peas, hot rolls, cake, milk.

Tuesday - Tacos, lettuce, pinto beans, cobbler, milk.

Wednesday - Macaroni and meat, green beans, carrot sticks, hot rolls, peanut cluster, milk.

Thursday - Turkey and dressing, cranberry sauce, green beans, hot rolls, fruit, milk.

Friday - Hamburgers with trimmings, potatoes, fruit, milk.

Sarpalius Announces CRP Agreement

U.S. Rep. Bill Sarpalius has announced that an agreement has been reached to insure farmers' Conservation Reserve Program (CRP) payments are not affected by the Gramm-Rudman budget cuts currently in effect.

Sarpalius said the agreement, between the U.S. Department of Agriculture and the Office of Management and Budget, means all CRP payments will be made on schedule. Any payments already past due will be released immediately. The CRP is one of the nation's largest farm programs.

The CRP program had been scheduled to suffer \$48.7 million in cuts under the Gramm-Rudman law, which has been in effect since October 16. Those cuts might have been rescinded in several weeks, if Congress were to pass a budget reconciliation bill approving alternative cuts to those mandated by Gramm-Rudman.

USDA officials appeared uncertain how best to handle the CRP question during this period when no one knows for sure if the Gramm-Rudman cuts will be permanent.

The Gramm-Rudman law was passed in 1985 as a way to force Congress to deal more responsibly with the federal budget deficit. According to the law, Congress has until October 15 of each year to reach specific deficit targets or automatic cuts are made across-the-board.

If Congress fails to pass a budget reconciliation bill this year, \$8.1 billion will be cut from defense programs and another \$8.1 billion from non-defense programs. Sarpalius said that the recent agreement guarantees "that not one penny of those cuts will be made at the expense of the CRP program."

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

FOR APPOINTMENT CALL 422-4222

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50% five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

The American Cancer Society has established guide-

lines for mammography in asymptomatic women (women who have no symptoms of the disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and the American College of Radiology. Those guidelines are:

I. 35-40 years of age - One baseline mammogram.

II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.

III. 50 years of age and over - An annual physician examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previ-

ous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

The charge for the screening mammogram is \$60.00. The Unit accepts cash, check, Visa, Mastercard & American Express.

Available for on-site locations for corporations allowing 10 minutes for their employees' health. For information call (915) 561-8888.

To make an appointment, call 422-4222.

Thursday, November 2
American Cancer Society
Munday, Texas

The unit will park on the west side of the City Hall in the parking lot.

United Way Fund Drive In Full Swing Locally

The Munday area United Way Fund Drive is in full swing and workers are concentrating efforts on reaching the \$6,175 goal.

Neighborhood workers for the campaign include Vickie Branam, Marie Caram, Donny Cypert, Virginia Burnison, Dorothy Brown, Johnnie Pearl Smith, Ruth Griffith, Margaret Hill, Wanda June Kane, Carla Key, Clyde Yost and Paul Pendleton and Helen Patterson in the south residential area and Dorothy Myers, Marguerite King, Nancy Beatty, Pat Smith, Laurie Dobson, Cindy Thompson, Cheryl Berryhill, Cathy Albus, Pansy Koenig, Beckie Ratliff, Dean Nuckols, Beverly McGaughey and Norene Hawkins in the north residential area.

Business division workers are Ronnie Cude, Jan Eilliams, Leon Sellers, Bobby Sosolik, Dianna Moore, Ronnie Baker and Dub Moon and rural workers include Shirley Gass, Nancy Whittemore, Brenda Brown, Barbara Zeissel and Mozelle Smith.

Dr. Dale Selzer, chairman for this year's campaign, urges individuals to give generously when these volunteers call, remembering that the funds are used by local groups and organizations which are a vital part of the Munday community.

Additional agencies who benefit from the United Way Fund are:

DEPT. OF HUMAN RESOURCES CHILD WELFARE BOARD

Established in 1984 by the Knox County commissioners, the nine-persons board represents each community in the county in developing child welfare and child protective services. The board was formed as a support system to develop policies, raise money and direct the implementation of the Department of Human Resources.

The board's goal is prevent child abuse and neglect through education and to be available to meet the needs of abused children and their families.

Most of the money allotted by United Fund goes into a special Christmas fund, established in 1984, to help provide gifts for abused and neglected children. In recent years the board has held workshops dealing with self-destructive behavior among teens, education on the treatment of child sexual abuse offenders, parental training to handle child rearing problems and recognizing signs of child abuse and neglect.

Financial services provided by the board include medical and dental costs, clothing, food, transportation, housing, education and therapy for child abuse or neglect victims. The board receives no state aid, therefore depends totally on donations to support these services.

MUNDAY EMS VOLUNTEERS

Perhaps the most important factor following a serious injury or sudden illness is the time it takes to begin medical treatment. The fastest way to receive this needed attention is to call an emergency medical service (EMS).

Monies received by the Munday EMS volunteers are placed in a special fund which is used by the volunteers to purchase small equipment, bandages, blankets, tubes, masks, and other miscellaneous supplies to keep the ambulance properly equipped to meet state and federal guidelines. The EMS volunteer fund receives no other financial aid other than what is raised through donations, memorials, and fund raising activities.

Munday is very fortunate to have the services of several well-trained and

competent emergency services personnel who volunteer for duty with the Munday Ambulance Service. They include ECA's Sherry Baker and Carol Cottingham; EMT's Melvin Cypert, Marsha Hale, Pat Hutchinson, Mickie Sanders, Mickey Jackson, Pam Reed, Beverly Crownover, Ann Birkenfeld and Scott Jackson; and EMT-Special Skills, Jeanie Carden, Betty Hamilton, Reba Redder and Bobby Hutchinson, ambulance coordinator.

KNOX COUNTY AGING

Better known in the county as "Meals on Wheels", most of the work of the Knox County Aging Services centers on feeding the aging residents of the county.

Meals are served at the Knox City Aging Services Center every day for any senior citizen in need of a hot meal. A suggested donation of \$2 per meal is requested. If an individual cannot pay the \$2, any contribution is accepted; however, no one is ever turned away if they cannot pay.

Volunteers deliver Meals on Wheels to Munday and Goree on Monday, Wednesday and Fridays and to Benjamin and Truscott on Tuesdays and Thursdays. Volunteers also deliver meals to the homes of those elderly persons who are not physically able to get to the center.

Funding for Meals on Wheels comes from local fund raisers, memorials and the United Way. Additionally, the program receives 5% of their budget from the state and 34% is federally funded.

Ruby Cockerell of Rochester, coordinator for Meals on Wheels, said the program is always in need of volunteers and contributions and all help is sincerely appreciated.

HEADSTREAM MEMORIAL CENTER

The Headstream Memorial Center is a tri-county mental health facility, located in Haskell.

In September 1987 the Headstream Memorial Center became 1 of 13 outreach centers covering a 20-county area.

The purpose of Headstream Mental Health Center is to provide mental health services close to home and to prevent, whenever possible, psychiatric hospitalization. The charge for these services is figures on a sliding income scale.

Headstream Memorial Center provides psychological testing, state hospital screening, alcohol and chemical abuse counseling, behavioral, relationship, family and marriage counseling. Group therapy programs, case management and psychiatric consultation to residents in Haskell, Knox and Stonewall counties. The facility's services are also offered for children to the elderly and further services include a 24-hour crisis hotline number for calls made before 8 a.m. and after 5 p.m.

The center has a staff of three full-time and four part-time personnel. In the past 19 years it has served over 2,000 people from Haskell, Knox and Stonewall counties. The center has an average of 25 monthly screenings and referrals to other resources.

BOY SCOUTS OF AMERICA

A member of the Northwest Texas Council of Boy Scouts of America, the Munday Boy Scout Troop 76 was chartered in 1988 by the First United Methodist Church. Also a part of the Northwest Texas Council is the Cub Scout organization whose chartering organization is the Munday Lions Club.

With the help of volunteer leaders

and den mothers, Bill Rogers as scoutmaster and Mark Tibbitts as cubmaster, devote many hours to the scouting program and to the 38 boys who are a part of the program.

Cub scout den mothers include Carla Key, Marilyn Coffman and Brenda Brown and Tiger Cub coordinator is Judy (Mrs. Jerry) Lowe. Scout leaders include David McGaughey, Glenn Herring, Monte Booe and David Booe.

The contributions of youth organizations such as the Boy Scouts have been well-documented throughout the year and they are generally thought of as great assets to a community.

Goree Honor Roll

Officials of the Goree Independent School District has announced honor roll students for the first six-weeks of the 1989-90 school year.

Recognized for maintaining all A's during the grading period included:

First grade - Danny Barrera, Ociel Castorena, Jai Fernandez, and Irma Reyes.

Second grade - Latricia Garber.

Third grade - Hardy Coffman, Anna Waldrip.

Fourth grade - Crystal Huffman.

Fifth grade - Sheri Wilson.

Sixth grade - Mike Hernandez.

Seventh grade - Shea Trainham.

Junior - Kelly Jo Moore.

Senior - Jamie Peek.

Students earning a place on the A&B honor roll were:

First grade - David Fulbright.

Second grade - Kandice Crumpton and Katherine Mitchell.

Third grade - Melisa Bradley and Sandra Nunez.

Fourth grade - Delores Jacques.

Fifth grade - Leslie Hale and Laisha Allen.

Sixth grade - Minnie Nava.

Seventh grade - Mandie Bradley.

Freshman - Mary Helen Castorena.

Sophomore - Scott Castillo, Keri Williams.

Junior - Becky Castorena.

Goree News

By Mrs. Grace Smith

HOSPITAL NOTES

Dewitt Green was in Wichita Falls on Tuesday for a medical checkup.

Wallace Roberts was at the Veterans Hospital last week for a medical checkup.

CHURCH NEWS

Rev. Willie Smith of Hodges preached at both services at the First Baptist Church on Sunday.

ATTENDS BIRTHDAY PARTIES

Mrs. Virginia Land attended a birthday party in Seymour this week honoring her great-granddaughter, Whitney Walling, on her third birthday.

Mr. and Mrs. Felton Jackson and Mrs. Joey Gray and Angie attended a birthday party and ice cream supper at the Terry Gray home in Rhineland on Friday evening honoring Kayla on her second birthday.

HERE AND THERE

Visiting Ethel Birkenfeld on Sunday were Marsha Scott and Amanda of Snyder, Sylvia StClair, John and Melissa, Janet Evenson and Kane, and Ann Birkenfeld, Dwayne and Cheyenne, all of Seymour, and Debra Birkenfeld and LaVeta Gras of Vernon.

Rev. and Mrs. Virgel Smith of Haskell were dinner guests in the Marshal Gass home last Sunday.

While in Dallas last week, Mr. and Mrs. Wallace Roberts visited his daughter and family, Mr. and Mrs. Michael Laney and Angie. They also visited Mr. and Mrs. B. J. Roberts in Arlington.

Mr. and Mrs. Mutt Chamberlain visited her son, Mr. and Mrs. Jimmie Rouston and family, in Lubbock last Thursday. They went on to New Mexico where they visited relatives and friends for several days.

Visiting Mr. and Mrs. Johnny Moore recently were Athol Stratton of Ft. Worth and Donald Stratton of Vista, California. Also visiting in their home were Jimmie Del Moore of Athens and Anna Marie

Latta of Lakeland, Florida.

Jinks Burnison and Mary Reynolds of Munday and Ballie Cooksey visited their sister, Lucille Smith, at the Anson nursing home Saturday afternoon.

Visiting Mrs. Mable Jacobs and Jeanette on Sunday were Mr. and Mrs. Cloyce Mithcell and Misti of Wichita Falls and Mrs. Bea Mitchell of Munday.

Mr. and Mrs. Jack Steward attended the soccer game at Haskell Friday night to watch their granddaughter, Jacy Cypert, play. Their grandchildren, Cody, Jacy and Kristin Cypert, returned home with them for a weekend visit. The children's parents, Mr. and Mrs. Buddy Cypert, came after them on Sunday and visited in the Steward home.

Mr. and Mrs. Charles Atkinson visited Mr. and Mrs. Wayland Jones in Floydada last week. They went to Edmonson for a visit with Junior and Frances McAnally, then on to Lamesa for a visit with his son and family, Mr. and Mrs. Jerry Atkinson, Matt and LeAnn. LeAnn returned home with her grandparents for a visit.

Mr. and Mrs. Jackie Howry, Melanie and Beckie of Wichita Falls spent the weekend visiting his mother, Mrs. Winnie Howry.

Steve and Diane Bevels of Austin visited Mrs. Gladys Lambeth last Friday. Mrs. Lambeth accompanied them to Lubbock on Saturday for a visit with her son and family, Mr. and Mrs. Billy Lee Lambeth and Joe David.

Dave and Marcie Oaks and son, Robert Neil, of Lubbock visited her parents, Mr. and Mrs. Gary Hale, Donna and Leslie, and her grandmother, Mrs. Elizabeth Watson, during the weekend.

Mrs. Goldie Brown visited a few days last week with her sister, Mrs. Allen Parham and Jeanette, in Wichita Falls.

Mr. and Mrs. Ruby Hammons visited their daughter and husband, Ward and

Ginger Cooksey, in Throckmorton on Saturday.

Visiting Mr. and Mrs. Johnny Moore during the weekend were Mr. and Mrs. Dale Burris of Childress, Mr. and Mrs. Greg Melton, Taylor and Brady of Haskell, and Mr. and Mrs. Tom Turner of Abilene.

Terry Turner of Ft. Worth visited Mr. and Mrs. Grady Williams last Monday. While in Wichita Falls last Tuesday Mr. Dewitt Green visited his daughter and family, Mr. and Mrs. Charles Horry and Steven.

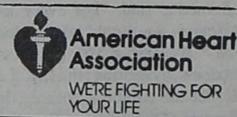

Mrs. Felton Jackson and Mrs. Stacia Pearce of Olney, visited in the Bob Imi home in Megargel Sunday afternoon.

Mr. and Mrs. Billy Lee Lambeth and Joe David visited his mother, Gladys Lambeth, last Wednesday and Thursday.

Truscott-Gilliland News
By Mrs. Clara Brown

Last week was clear and crisp but the weather warmed up over the weekend and is supposed to be clear and warm for most of this week. Wheat farmers and ranchers are wanting a good slow rain.

This writer's vacation from this column was a busy time taken up with being a wheat sowing gofer and flying to Houston to play grandma. Jack had his fingers crossed all through the wheat sowing at Antelope Flat for fear the call would come before those widely scattered fields out there were finished. But baby Rachel was very accommodating, timing her arrival for the exact day predicted and after the Antelope Flat sowing was done, although it was before all the fields at the home place were finished.

One other change has been made in the Brown family. Brown International Airport on the west side of China Creek was closed last week when Jack surprised himself by selling his Cessna 150 to a Tipton man. He has flown since 1976, so is still going through a mourning period. He thought the man was a "looker", but the "looker" came with a cashier's check and flew away before Jack could change his mind.

Jack wasn't nearly as sad the next day when Moorhouses bought the fall calves and carried them off, but he is still wailing over the plane.

Weekend visitors in the Elmo Shaw home were Tracy and Ken Smith of Graham and their children Becky Jo and Terry and Chris and Jim Lynn Shook of Lillian and their children, Cody, Shane, and Lynn.

Pat Van Dyke of Madison Heights, Michigan, spent October 3-13 visiting in Truscott with her mother, Mrs. Clara Owens. They spent the weekend visiting in Cisco and Pat flew home from Abilene October 17. The first weekend she was here Sharon and Kevin Arnold of College Station visited.

At the Foard County 4-H awards banquet Saturday night, recognition was made of Truscott 4-H members Crystal Dishman and Michael Carroll. Crystal received pins for foods and nutrition and clothing and certificates of completion for swine and rabbit projects. Michael received certificates for beef show and horse judging.

November 2 will be the date for a meeting at the Truscott Community Center to plan the Grandma's Sunday Dinner for November 12.

Ila Mae and Paul Bullion were in Lubbock last Wednesday to Sunday. They visited Sam and Wanda Bullion and Mary and W.C. McClurg.

While there Ila Mae presided at a Thursday meeting of Colonial Dames. The speaker was Dr. Mina Lamb, retired home economics profession from Texas Tech, who spoke on the history of buttons and displayed items from her collection. She also told of once finding an 18th century American button in a cluttered mess of items in a Lubbock second hand store.

On Saturday the Colonial Dames exhibited examples of colonial handwriting as part of a Lubbock Heritage Festival at the Garden and Arts Center put on by area heritage organizations.

Rachel Ruth Messall was born September 28, 1989 to Ruth and Stephen Messall at Baytown. She weighed seven pounds and seven ounces when she came

to Texas to join her brother, Alex, and sister, Meagan.

Her grandmother, Clara Brown, spent two weeks in Baytown and reports that Rachel has a good set of lungs, which she will probably need to chase after Alex and Meagan. Grandma learned all over again how to play London Bridge, hide and go seek, read bedtime stories, start the VCR for "Winnie-ah-Pooe", and check the view in the backyard every three minutes. (Grandfather Jack Brown stayed home to finish sowing wheat.)

Gail Whitley was in Wichita Falls last Monday to see Crystal and other Crowell band members perform at a band festival. The band's performance and marching were critiqued in preparation for the district contest this week on October 28.

June, Newell, and Lee Looney attended homecoming activities at ACU in Abilene Saturday with Adam Guynn Looney.

Last Wednesday night Crystal Dishman attended the Mexicana Folklorico program at Wichita Falls with other members of the Crowell school district's gifted and talented group.

Phil Cook of Mesquite visited his parents, A.L. and Francis Cook, last weekend and this past weekend their other son, Fred, visited the Cooks.

Aline Groves is a patient in Wichita General Hospital.

The weekend of October 14 Faye and Mahlon Mitchell of Richardson visited Venta Horne. Aline Groves joined them for Sunday dinner.

Bill Brown and Staci Harkness of Brownfield brought Clara Brown home from Lubbock upon her return from Baytown. Bill's freshman football team had a 6-0 record at that time. Staci saw her first branding while here.

Mammography Unit Schedules Visit To Munday November 2

Have you ever wished for more control over the events that shape your life? Most women at one time or another wonder about the threat of breast cancer and feel helpless as they contemplate the consequences of the disease should it ever strike them. Fortunately, there is good news about early detection of this disease that is found in one out of every 10 American women - the use of the routine mammogram.

Area women will have the opportunity to take advantage of this service when the Mobile Breast Screening Detection Unit from Odessa Women's and Children's Hospital comes to Munday on Thursday, November 2. The unit will be parked on the west side of City Hall.

Mammography is a form of x-ray examination that can aid in the detection of breast tumors long before they can be discovered through physical examination either by the physician or the woman herself. The x-ray procedure can usually pick up a cancer an average of two to three years before a physical exam reveals a lump. Furthermore, when detected early, breast cancer can be treated in a way that preserves a woman's breast.

Most health organizations, including

Cub Scouts Attend Day Camp Saturday

Pack 76 Cub Scouts, chartered by the Munday Lions Club, traveled to Perkins Reservation near Burkburnett on Saturday, October 21, for a day camp of Intergalactic Games.

Attending were James Phillips, Tyler Smith, Rigo Nunez, Deshaun Hamilton, Kevin Tibbets, Danny Caram, Hardy Coffman and Chad Tibbets.

Den Leader Marilyn Coffman and Cub Master Mark Tibbets accompanied the boys to the camp. Larry Smith also attended and helped with the traveling.

Goree VFD Needs Your Donated Items

The Goree Fire Department will once again sponsor a garage sale on Saturday, November 4, to help raise money for a much needed fire truck. This will be a sack sale on clothes.

If you have any items you would like to donate, just bring them over to the sale. They would be greatly appreciated.

Veterans Day Parade Plans Underway

Plans are in the making for a Veterans Day Parade to be held in Munday on Saturday, November 11.

All military veterans are invited to participate in the event, which is being planned by members of the local VFW Post 1035.

More details of the parade and day's activities will be printed next week.

Singing Tonight

The Munday Senior Citizens will hold their monthly singing from 7-9 p.m. Thursday, October 26, (tonight) in the Perry Patton Community Center.

Light refreshments will be served following the activities and the public is welcome to attend.

KNOX COUNTY KONNECTIONS

By Jane Rowan
County Extension Agent

If you have a complaint about your: clothes washer and dryer, dehumidifier, dishwasher, food waste disposer, freezer, microwave oven, range/oven, refrigerator, room air conditioner, trash compactor - follow these four steps:

First, read the Use and Care Booklet that came with the appliance. Also, check the plug as well as fuses, pilots and controls. You may find the answer to the problem yourself.

Second, call your local dealer or service agency authorized to fix the brand you own. They have the training and equipment to deal with appliance service problems.

Third, if you still aren't satisfied, contact the manufacturer's main customer relations office. You will find the address and phone number in your use and care booklet. (Make certain you contact the manufacturer before contacting MACAP.)

Fourth, if none of these steps solves your problem, then write:

MACAP
Major Appliance Consumer Action Panel
20 North Wacker Drive
Chicago, IL 60606

HOW YOU COMPLAIN CAN MAKE A DIFFERENCE

Be sure to provide all pertinent information concerning your problem: your name, address and daytime telephone number; the type of appliance, brand, model and serial numbers; the purchase date and price of your appliance; the name, address and telephone number of your dealer and/or repair service; copies of all letters you have written or received about your complaint; copies of all service receipts; a clear description of your problem and what you think is a reasonable solution.

COUPON SHOPPERS
Are coupon shoppers better shoppers?

The evidence is mixed. In a comparison of coupon shoppers by income level and education, the results were inconclusive. Higher income households receive more coupons than lower income households. Higher income households also are more likely to purchase the brands that issue coupons and therefore are more likely to redeem more coupons.

It is better to burn the candle at both ends, and in the middle, too, than to put it away in the closet and let the mice eat it.
-Henry Van Dyke

Look Who's Here!

Jacy Haynie of Visalia, California is delighted to announce the arrival of her new baby sister, Baleigh Nikole. She arrived at 3:15 a.m. on Sunday, October 1, at Visalia Community Hospital, weighing in at 8 pounds, 15 ounces and measuring 21 inches long.

Dad and Mom, Jay and Paula Haynie, are pretty thrilled with the new baby, too, and can't wait to bring her to Texas to show her off to everybody, including grandparents, Mr. and Mrs. Gene Haynie of Munday, John Averitt and Barbara Averitt of San Antonio; great-grandparents, Mr. and Mrs. W. W. Walsh and Mr. and Mrs. W. B. Greenwood, all of Munday, and Mr. and Mrs. R. G. Averitt of Granite Shoals; and great-great-grandmother, Mrs. W. H. Clonts of Knox City.

What Jesus Taught

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

After last week's column, several questions have come in concerning the Bible. Any questions you have can be addressed to the Church of Christ, Attn. Larry Fitzgerald, Box 211, Munday, Texas 76371. You may remain anonymous if you wish. This week's question concerns music in worship.

Q: Why do churches of Christ not use (instrumental) music in worship when I read about it in the Bible such as in Psalms 57:8?

A: Instruments of music are indeed authorized and used in worship of the Old Testament. BUT the Old Testament, which was the first major contract between God and his nation, has been replaced by a new contract (Testament). That is why the Bible is divided into two sections (Old and New Testaments). Back in the Old Testament worship, they did several things that are not in New Testament worship (i.e. the killing and burning of animals). Read the following passages concerning the passing of the Old Testament: Matthew 5:17; Galatians 3:24-27; Colossians 2:14; Hebrews 8:6-7; 9:15-17; 10:9-10.

The church uses a Cappella music which is singing without instrumental accompaniment. The original, literal meaning of this Latin term is "of the church" pointing to the fact that for many centuries from the very first century of the New Testament church, instruments were not used and severely condemned. The reason why the church established by Jesus did not use instruments is because the New Testament has spiritual counterparts to Old Testament physical items. Under the Old Testament there was a temple (or tabernacle) built of stone and wood. For example, in the New Testament, the temple is your body (I Corinthians 3:16-17; 6:19; 2 Corinthians 6:16). Under the Old Testament physical circumcision was required, the New Testament requires spiritual circumcision of the heart (Philippians 3:3; Colossians 2:12; Romans 2:29).

The New Testament also authorizes singing (Colossians 3:16; Ephesians 5:19). That is why when Roman Catholic Pope Vitilian I in the year 670 A.D. introduced a musical instrument in worship he was removed from office (American Encyclopedia Volume 12, pages 688ff).

And because of the New Testament, many early denominational scholars are opposed to instrumental music in worship services.

Consider these quotes: "Musical instruments in celebrating the praises of God would be no more suitable than the burning of incense, the lighting of lamps, and the restoration of the other shadows of the Law (Old Testament)," John Calvin, primary founder of the Presbyterian Church.

"I have no opposition to the organ in our chapel provided it is neither seen nor heard," John Wesley, founder of the Methodist Church.

Adam Clarke, a great Methodist scholar said: "...the use of instruments of music...is without sanction and against the will of God; they are subversive of the spirit of true devotion, and they are sinful..." (Both Wesley's and Clarke's quotes are found in Clarke's Commentary, Vol. Four, page 684.)

Outstanding Baptist preacher Charles Spurgeon said: "I would as soon pray to God with machinery as to sing to God with machinery." (Girardean's Music in the Church, page 176.)

God is not so concerned with what sounds good to man's ear but with the song of man's heart.

We must be careful about attempting to add to God's commands (read Duet. 4:2). In the Old Testament God kindled a fire for use in the tabernacle's sacrificial service (Leviticus 9:24). This fire was to be kept burning (Lev. 6:12-13) for the purpose of burning the animal sacrifice. God did NOT say NOT to use other fire, BUT the intent was there. Therefore when two sons of Aaron attempted to use fire from another source (probably kindled by themselves), they were consumed by fire from God (Lev. 10:1-2). Let's not risk the same sort of disobedience over something as small as the use of instrumental music in our worship of God.

Community Calendar

October 26 - Senior Citizens singing, 7-9 p.m., Patton Community Center; junior high and junior varsity vs. Paducah, here, 6 and 7:30 p.m.

October 27 - Moguls vs. Paducah Dragons, there, 7:30 p.m.

October 30 - Spookhouse sponsored by Munday Chamber of Commerce.

October 31 - Spookhouse and Carnival sponsored by Munday Chamber of Commerce.

The family of Melburn Morse is deeply grateful for your concern for Melburn, and your many expressions of sympathy to us.

Melburn was encouraged and strengthened by all the thoughtful things you did for him during his long illness, whether he was in hospitals or at home.

Your prayers, visits, telephone calls, cards, letters, pictures and food buoyed him daily.

The family is deeply grateful for your expressions of sympathy, including the comforting service and dinner following.

For all your various thoughtful deeds, we say Thank You!

Mrs. Melburn Morse
Elywynn Morse
Glenda Morse Fort

The Munday Senior Class would like to thank everyone for support of the magazine sales, hamburger supper and can collection. We appreciate M-System, Mrs. Kegley, Jerry Decker, Jim Cottingham and especially the parents for the various things they did to make our projects a success.

The seniors will not collect cans after October 31, but the juniors would like for people to save their cans for them.

The Senior Class 1990
Ann Therwhanger
Mark Dobson

CARD OF THANKS

We would like to thank all my dear friends for your calls, kind words, cards, visits, memorials and food brought to my home, which was so graciously served.

A special thanks to Rev. Randy McClellan of Haskell, to Lyndle Reeves who sang so beautifully, to Richie Smith, and to each pallbearer. Also a big thanks to the Munday Ambulance Service who helped us so many times.

Munday is full of wonderful people whom we will always cherish.

The family of Dick Moore
