

Moguls Defeat Haskell, 21-14 In Season Opener

KENT LATHAM (#45) brings down another Indian to slow Haskell's drive for a touchdown. Also on the move for the Moguls were David Tidwell (#73) and Bobby Dockins (#30). Munday defeated the Class A team, 21-14, in their first game of the season.

Bloodmobile To Visit Monday, September 16

The Red Cross Bloodmobile will visit Munday on Monday, September 16, from 3:00-6:30 p.m. at the fellowship hall of the church of Christ at 330 North Third. (The Community Center, where the drive is usually held, is unavailable due to remodeling.) Exciting things have been happening at the Red Cross. Many changes are being made to better serve the ever-increasing demands of today's complex, highly technical, environment. During the next two years, all 53 Red Cross blood centers will be scheduled to temporarily suspend blood collecting activities on a planned rotating basis for a short period of time to facilitate changes required in centralization of their laboratory and computer facilities.

Red River Red Cross collections have been closed during the months of June and July while the region is being merged with the Oklahoma Region centered in Tulsa. Ultimately, the American National Red Cross will be served by several centrally located laboratories and one national computer system.

Testing for infectious diseases and blood type will be conducted in eight to ten national laboratories, rather than in each blood center. Each center will send blood samples to a lab by express delivery. The samples will be tested and the results relayed back to the center by computer. The laboratories will be operated by national headquarters, although they may be located in blood centers. Consolidation of testing will allow procedures to be standardized and enhance the safety of the blood supply.

As this merger is being completed, our area hospitals have been receiving blood recruited by other Red Cross regions, but delivered as usual by the Red Cross staff in Wichita Falls.

When the transformation of the

system is completed, all blood centers will offer certain patient services now available only in some regions. These services include the processing and distribution of donated bone and tissue and a procedure which allows the return of a patient's blood during surgery.

Munday has not been visited by the Bloodmobile since January of this year. The scheduled April drive was canceled due to an outbreak of hepatitis and the rescheduled July visit was called off due to the reorganizational procedures in Wichita Falls. Thus, local blood donors have lost several opportunities to donate this year.

This Monday, September 16, you can help make up for lost time by visiting the Bloodmobile at the Munday Church of Christ. There you may have the satisfaction and peace of mind of knowing that you gave the "gift of life"..... you never know when you might need the favor returned.

Quarterly Report Reveals Increase In County Sales

The State Sales and Use Tax Analysis Report for the first quarter of 1991 reveals an increase in sales in Knox County over the first quarter in 1990.

Gross sales for all industries in the county showed an 8.6% increase. This year's figure of \$11,772,379 is a \$932,387 jump from last year's \$10,839,992. The number of industries reporting declined from 119 to 106.

In the retail trade division, there was a 7.7% increase since last year's report. This year's \$4,363,045 was a \$312,120 improvement over the 1990 figure of \$4,050,925. Sixty-two retail outlets reported this year, as compared to 68 last year.

It was not the game of the week, but the Munday Moguls came away with a 21-14 victory over the Haskell Indians Friday night.

Gone are the days of breakaway speed. It's going to be ball control, time of possession and hard-nosed play in the trenches that win ballgames for Munday this year.

Mistakes can be costly, but Haskell could not take advantage of their opportunities. On the third play of the game, Bobby Dockins fumbled at the 39-yard line. A 15-yard pass interference penalty against the Moguls put the ball on the 29, where Haskell's Cody Josselet then carried for nine yards. On the next play, Chris Scott stopped Josselet for a five-yard loss. Daniel Serrato then intercepted an Indian pass to stop Haskell's first scoring opportunity.

Three plays later, quarterback Mike Bunton and center Matt Angerer did not connect and fumbled at the Mogul 19. However, with Jay Kingston and Freddie Sosa leading the Mogul charge, Munday was able to stop another Indian scoring opportunity.

Chad James moved the Moguls downfield 29 yards on runs of 6, 16, and 7, before turning the ball over on the Indian 38-yard line.

Haskell then had two first downs before the Munday defense held. A 15-yard penalty against Haskell and two first downs later, Dockins fumbled on the Indian 25, with Haskell's Brant Breeden recovering.

Unable to move the pigskin, the Indians were forced to punt. From their own 37-yard line, it took Munday eleven plays to light up the scoreboard for the first time. With 35 seconds left in the half,

Wanted: Floats For The Homecoming Parade

With Homecoming '91 just four short weeks away, it's time to plan your class float for the parade.

Parade chairmen Annelle Welch and Cherie Hutchinson stated that all school classes (past and present), organizations, clubs and businesses are encouraged to enter the competition. At the 1988 homecoming, there were more than 40 entries in the parade... perhaps the largest Munday has ever seen. This year's Homecoming Parade could be even bigger! It's all up to you. The out-of-town Munday Exes depend on locals to get the ball rolling. Think of the fun and fellowship involved in building and decorating a float! Get your group together soon and start making plans for the best float in the Homecoming Parade.

There is no cost to enter and cash prizes will be awarded for the best floats. For more information call Cherie at 422-4065 or Annelle at 422-4561 from 9:00 a.m. to 5:00 p.m. or 422-4828 after 6:00 p.m.

Chad James scored on a three-yard run. The two-point conversion, a pass tipped by Kingston and caught by Serrato, was good for an 8-0 Mogul lead going in at halftime.

After an exchange of punts, Haskell scored with 5:30 left on the clock in the third period. Cody Josselet got the touchdown on a 7-yard run, but an attempted pass try for extra points failed, making it an 8-6 ballgame.

Dockins took the kickoff at the 15-yard line and returned it to the 40. Five plays later, he broke off tackle behind the blocking of the right side of the line for a 42-yard scoring play. PAT was wide, leaving the score 14-6.

Next, Jay Kingston picked a pass off of Mart Guess on Haskell's 40-yard line. One play later, the scoreboard read 20-6, as Bobby Dockins duplicated his previous touchdown with a 40-

(Continued On Page 2)

Make Munday Sparkle!

Get ready to make Munday sparkle and shine! The Munday Sparkle Clean-Up Day is set for Saturday, September 21, just in time for Homecoming '91.

As on the last clean-up day, trucks will be available to receive your refuse on the west parking lot of City Hall. All items will be accepted, with the exception of batteries and tires.

If you're expecting company for the homecoming activities, this will be a good chance to get rid of all those unwanted items cluttering your extra bedroom, carport, garage, etc. Let's show some "Munday Pride" and spruce up for all of our out-of-town visitors.

School Board Adopts Budget And Sets Local Tax Rate

At recently held meetings, the Munday I.S.D. Board of Trustees adopted the 1991-92 budget and set the local tax rate.

A budget in the amount of \$2,273,110 was approved at the regular board meeting on August 13. This is an increase of \$82,384 over the amended 1990-91 budget.

In a called meeting on Thursday, September 5, the board set a local tax rate of \$0.55 per hundred dollar valuation for 1991-92. This rate, combined with the County Education District's rate of \$0.58, results in a total tax rate of \$1.13 for 1991. The 1990 rate was \$1.278 and the 1989 rate was \$1.30. The C.E.D. rate will have an automatic increase for the next three years as mandated by the action of the state legislature.

A typical taxpayer with an appraised value on their home of \$30,000 and \$3,000 of personal

CHAD JAMES hits the turf as he is brought down by a Haskell Indian in Friday's game. Chad had a great night, scoring Munday's first TD of the season. Other Moguls pictured include Ray Hernandez (#33) and Ronnie Whitfield (#15). The Moguls travel to Holliday this Friday night for an 8:00 p.m. kickoff against the Eagles.

Firemen To Host Open Bass Tournament At Miller Creek

The Munday Volunteer Fire Department will host a Two-Man Team Open Bass Tournament at Miller Creek Reservoir on Sunday, September 29, from 7:00 a.m. to 3:00 p.m.

Registration will be open at the boat ramp parking lot from 12 noon to 8:00 p.m. Saturday, September 28, and from 5:00 to 8:00 a.m. on the day of the tournament. Entry fee is \$60 per team and total weight is a five-fish stringer.

A \$100 prize, donated by the Super 7 Convenience Stores in Seymour and Stamford, will be

given for the biggest fish weighed in before 10:00 a.m. There will also be a one-fish, 100% payback Calcutta with a \$5 pledge.

First place winner of the tournament will receive a \$1,050 cash prize and a large fishing vest donated by Haskell Marine. Other prizes include \$420 for second, \$315 for third, \$210 for fourth and \$105 for fifth. These estimates are based on a 50-team, 70% payback.

A concession stand will be available at the site.

Sponsors for the event include Sandy Creek Marina of Breckenridge, Super 7 Convenience Stores, Haskell Marine, Aladdin House of Haskell, Snack and Tackle of Miller Creek, and Zeissel Brothers Fertilizer of Rhineland.

For more information about the tournament contact Dayid Booe at 422-5248 or Randy Cypert at 422-4212 (work) or 422-4083 (home).

Funeral Services Held For Rex Herricks, 50

Jimmy Rex Herricks, 50, of Weinert passed away Sunday afternoon, September 8, in Wharton, Texas.

Funeral services were conducted Tuesday, September 10, at 2:00 p.m. in the Weinert Four-square Gospel Church. Rev. Paul Chambers and Rev. Blaine Heron officiated. Burial was in Weinert Cemetery under the direction of Holden-McCauley Funeral Home of Haskell.

Mr. Herricks was born January 1, 1941, in Weinert and was a lifetime resident of the community. A farmer, he was a member of the Weinert Foursquare Gospel Church, where he served on the church board. He was also a former member of the Weinert School Board.

He and Tinka Greer were married October 28, 1958 in Grandfield, Oklahoma.

Survivors include his wife; one son, Todd Herricks of Weinert; two daughters, Tammy Kimmel and Tina Herricks, both of Weinert; his father, Roy Herricks of Weinert; a sister, Shirley Hudgens of Rochester; and three grandchildren.

Serving as pallbearers were Ed Murphy, Jerry Walker, Melvin Vojkufka, Wayne Stout, Jim Bridwell and Ronnie Adams.

The family requests memorials be made to the American Heart Association.

Calendar Of Events

Thursday, September 12 - School board of directors meets. Football, Munday vs. Holliday, here, junior high at 5:00 p.m. and JV at 7:30 p.m.

Friday, September 13 - Munday Moguls vs. Holliday Eagles, there at 8:00 p.m.

Monday, September 16 - Bloodmobile visits Munday Church of Christ from 3:00-6:30 p.m.; Tri-County Genealogical Society meets at Foard County Library at 3:00 p.m.; Munday Volunteer Fire Department meets.

Munday Defeats Haskell
(Continued from Page 1)

yard run. Dockins then kicked the PAT for a 21-6 lead.

The fourth quarter was all Haskell, as they recovered two Munday fumbles and kept the ball most of the period. From Munday's 44-yard line the Indians moved downfield, aided by a 15-yard pass interference penalty, to score their second TD. Cody Josset picked up the score for Haskell with a two-yard run. Guess then passed to Johnny Rodriquez for the PAT, making it a 21-14 ballgame.

The Moguls travel to Holliday this Friday night to take on the Class 2A Eagles on their home turf at 8:00 p.m.

COACH'S COMMENTS

We played real hard against Haskell. We completely dominated the game, but had to hang on to win because of our own mistakes. We had a hard time on the center exchange and we really can't figure out why. But you can bet we will work extra hard on it this week.

I was not pleased with the offensive turnovers, but was very proud of our defense. We gave up 160 yards of total offense with Haskell in fourth down territory most of the night.

Chad James had a great first game at fullback and I thought our line blocked very well. The offensive line is composed of Ronnie Whitfield, Chris Scott, Charlie Terrill, Matt Angerer, Chris Key, Junior Masias and Jay Kingston. We didn't throw the ball much. We need to air it out a whole lot more to make our running game effective.

Defensively, Daniel Serrato played very well, as did our entire secondary. They only completed four of 19 passes and we intercepted three passes. Chris Scott and Chad James played well at defensive ends, along with Christopher Clem. David Tidwell and Jay Nuckols played defensive tackle and pursued the ball well.

As far as this week's competition is concerned, Holliday is a tough, veteran team who likes to physically dominate a game. We need to eliminate offensive mistakes and be more disciplined on defense. We must use ball control so we can come up with the big play.

Birthdays And Anniversaries

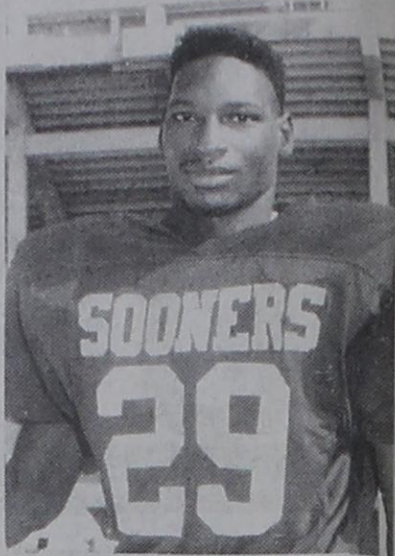

September 12 - Bill Smith, Lois Beaty, Nelta Reeves; David and Carla Key, M.M. and Ruby Booe.

September 13 - Kim Moore, Nickie Sellers, Ronnie Stewart, Shawnda Moore.

September 14 - Troy and Faye Stone.

September 15 - Crystal Whitley, Elaine Gulley, Gerard Kuehler.

September 16 - Angie Stone, Barbara Zeissel, Dorse Collins, Jan Wilson, Melissa Berryhill, Michele Berryhill.

PERRY AND TERRY COLLIER, former Mogul standouts, are now playing football for the University of Oklahoma. Terry got in some playing time in last week's game and completed an 11-yard run, one of the longest of the day for his team. The boys are the sons of Mr. and Mrs. Lonnie Collier of Munday.

Goree Wildcats Fall To Moran, 49-13

The Goree Wildcats started their season on a down note as they fell to Moran, 49-13.

The Wildcats held their own in the first quarter, when they scored all of their points. The score at halftime reflected a close game, as Goree trailed by only three points, 16-13.

However, Moran's Richy Edgar took over the scoring in the second quarter, making two TD's in both the second and third quarters.

Goree's next game will be this Friday night at 8:00 p.m. in Lueders-Avoca.

VRJC Schedules First Aid Course

The Continuing Education Division of Vernon Regional Junior College has scheduled a course entitled *First Aid* which will give instruction in life-saving techniques. This course will be held on the VRJC main campus in Vernon.

First Aid is scheduled to meet from 6:00-10:00 p.m. on Tuesday and Thursday, September 24th and 26th. The course will cover all areas of general first aid and films and instructional demonstration will be included. The fee for the course is \$25. Jean Clark will be the instructor.

For further information or registration forms, contact the Continuing Education office at 552-6291. Pre-registration is necessary.

A two-day gazelle can outrun a full-grown horse.

Benjamin Mustangs Defeat Paint Creek Pirates, 40-0

After a four-year absence from the sport, the Benjamin Mustangs resumed football play Thursday night against the Paint Creek JV. The new beginning was a successful one for the Mustangs, as they defeated the Pirates by a score of 40-0.

The first score of the game came on a two-yard plunge by fullback Tres Pierce. The try for extra points was no good, making the score 6-0. Benjamin scored a second time when Jimmy Barrientez ran 51 yards from scrimmage. The PAT was good for one point, giving the Mustangs a 13-0 lead. The third touchdown was also made by Barrientez, who intercepted a pass and ran it in for the score. The Mustangs went to the locker room at halftime with a 19-0 lead over the Pirates.

The second half was a continuation of the first, with Benjamin dominating the game. Jason Redwine started off by scooting around right end for a 46-yard touchdown run. The attempt for extra points was good, making the score 27-0.

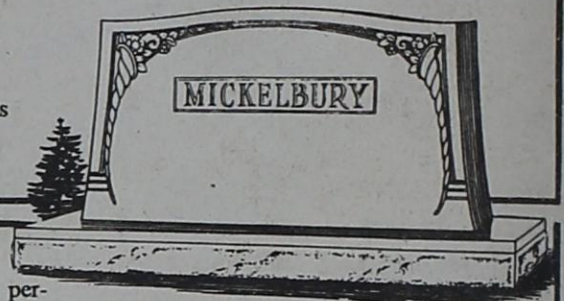

Barrientez went on to add two more TD's, giving Benjamin a 40-0 win over the Pirates.

Leading the team in tackles was Tres Pierce, followed by Jimmy Barrientez. Barrientez also had two interceptions in the game. Leading receiver was Bo Welch, who had three receptions for a total of 42 yards. Quarterback Ricky Trepanier completed six of 11 passes.

The Mustangs next game will be at Patton Springs this Friday, September 13, at 7:30 p.m.

VERA NEWS

By Mrs. Thelma Coulston

Mr. and Mrs. Dorwin Ogden of Kansas City, Kansas, are spending two weeks in the home of her daughter, Ricky, Myra and Brooke Busby.

Charles and Fran Hamilton of Austin visited Friday in the home of their friends, the Carl Coulstons. They were enroute home from a vacation trip in their travel trailer to points of interest in Colorado and New Mexico.

Randy and Kelly Millican of Cedar Hill spent Thursday through Saturday with her father, Duward and Wanda Richards.

Chad Weiss and two friends, Steve and Ryan of Carrollton, spent the weekend with Chad's grandparents, Paul and Teresa Weiss, and enjoyed dove hunting.

Visitors of J Winston and Robbi Feemster have been Corinne Parrish of Franklin, Bobby Frank, Wendy and Tanya of San Angelo, and Pete and Beckie Feemster of Amarillo. They also visited the Clyde Feemsters.

Fred and Becky Wilson of Wichita Falls visited her parents, the Wayne Suttons, and enjoyed some dove hunting.

Mr. and Mrs. Harold Beck were business visitors in Lubbock and spent Friday and Saturday night with her sister, Ray and Carol Brooks, in Floydada.

Angie Clark spent the weekend with her parents, the Ronnie Clark family. Angie was enroute to her home in Cedar Hill from a visit with her sister in Olton.

Visitors of R.J. and Lula Grace Trainham have been Billy and Penny Trainham and daughter, Cindy, and a friend of El Paso, Carol and Jewel Murphree, Dixie and Donne Murphree, John and Nell Murphree and Jay and Shanna Orcutt and two children of Midland, Charles and Delores Trainham of Wichita Falls, Mrs. Mae Trainham of Santo and Robye Hill of Stephenville.

Labor Day visitors in the Claudell Bratcher home were Mr. and Mrs. Burt Tara and Jeff Young of Conroe, Mr. and Mrs. Rob Bratcher and Lauryn, Mr. and Mrs. Larry Bratcher, Elizabeth and Heather, and Landon Schaffner of Seymour.

Guests in the Carl Coulston home during the Labor Day weekend were the Benny Coulston family and Ian Soukpa of Lake McQueeny, the Jim Coulston family and Tim Henry of Sanger, the Jim Berier family, Stephen Coulston, Tom and Carla Crawford of Lubbock, Lyndal and Patricia Hughes of Eules, Don and Christy Kay Norris of Austin, Lynn David and Mary Hughes of Lewisville, Ron Hughes of Ft. Worth and Gerald and Paul Nixon of Olton.

Helen Randolph of Abilene and Beatrice Talbott of Ballinger were guests of Mrs. Maurine Parris.

Smith Family Enjoys Labor Day Reunion

The children of the late B.E. and Stella Smith gathered at Maricopa Ranch Resort at Canyon Lake for a Labor Day family reunion.

On hand for the festivities were Nelda and William Browning of Lyford, their daughter, Kathe and children, Angela and Chuckie of Denton; Edward and Mozelle Smith and their son, Larry and Linda Smith, Brady, Tyler and Larinda, all of Munday; and James and Millie Smith of Munday and their daughter, Leslie, of Lubbock.

Also, Jesse and Jean Smith of Hurst and their daughters, Karen Long of Temple, Marsha and Tom Caven, Caitlin and Andrew of Austin, and Lisa and Mike Thrasher and Elise of Fort Worth; Joel and Doris Smith of Medina and their daughters, Cheryl and Bart Reneau and Cody of El Paso, Vanessa and Jerry Floyd, Jennifer and Amanda of Arlington, and Laura and Randy Bailey, Jonathan and Jordan of Amarillo; and Maidee Tunstall of San Antonio, her daughter-in-law, Carol Edrington, D.J., Amber and Adam of Lockhart, and her daughter, Dana and Scott Clement, Tasha and Travis of Mexico.

The average human body has 20 square inches of skin, 9,000 tastebuds, five million hairs and 13 billion nerve cells.

Parker-Finley Exchange Vows In Local Church Ceremony

Lynn Parker and Kevin Finley exchanged wedding vows Saturday, August 17, 1991, at 6:00 p.m. in the Munday Church of Christ. Ben Zickefoose of Abilene officiated the ceremony.

Mr. and Mrs. Doug Parker of Munday are parents of the bride. The groom's parents are Mr. and Mrs. Glen Finley of Kansas City, Missouri.

Amy Crabtree of Clifton was her sister's matron of honor. Serving as maid of honor was Ann Parker, also sister of the bride. Bridesmaids were Joyce Crabtree of Dublin, Kim Holden of Austin, Amy McDaniel of El Paso and Stephanie Talley of Waco.

Mike Finley of Kansas City, Missouri, brother of the groom,

was best man. Groomsmen were Jonathan Butts of Kansas City, Missouri; Troy Caraway of Abilene; Corky Cox of Fort

Worth; Mark Pratt of Atlanta, Georgia and Jerrod Vanlandingham of Memphis, Tennessee. Groomsmen also served as ushers.

Choral selections were provided by the Haskell Church of Christ Singers. Amanda Gulley registered guests and handed out programs.

A reception was held following the ceremony in the bride's home. Bridesmaids served at the bride's table, while Melissa Webb of Kansas City, Missouri, cousin of the groom, served at the groom's table. Reception assistants were Mary Cartwright, Ernestine Dickerson, Bill and Sammie Kingston, Leona Partridge and Penny Winchester.

Glen and Diane Finley, the groom's parents, hosted the rehearsal dinner at the Perry Patton Community Center on Friday night.

Following a Caribbean cruise, the couple will live in Abilene, where both are students at Abilene Christian University.

The ancient Chinese were the first people known to acquire more than one name. The Emperor Fushi is said to have decreed the use of family names, or surnames, about 2852 B.C.

More than 500 languages are spoken on the Pacific Island of Papua New Guinea.

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

Q: Who or what is the "abomination of desolation" mentioned in Matthew 24:15?

A: This is better translated "desolating sacrilege" (as in the Revised Standard Version). It comes from Daniel (9:27; 11:31; 12:11) and refers to any idol or symbol of false religion set up on the site of God's physical temple. The fulfillment of Daniel 11:29 was when Antiochus undertook his assault against God's covenant upon his return from Egypt and is chronicled in the non-biblical apocrypha book of 1 Maccabees. In about 167 B.C. he set up a pagan altar to Zeus at the site of the temple. This is also mentioned in 2 Maccabees 6 and in Josephus' Antiquities 12.

After this event, there were several instances which resulted in false items of worship being placed on the temple site. Matthew and Luke's account (quoting Jesus) probably refer to the Roman ruler Titus (not related to the Titus who received Paul's letter). When Titus marched against Jerusalem, as Jesus predicted he would, the Christians were warned

to flee the city quickly (Matthew 24:16ff). This was against the common response to siege which was to go for the safety of the city and its walls. As it turned out, those who stayed within Jerusalem endured the worst of nightmares. The Christians who followed Jesus' advice and left as soon as they saw the armies found safety. Titus did not send out soldiers to hunt them down as a normal invader would have done. Fortunately, this did not happen on a sabbath (Matthew 24:20) since the city gates would have been closed to prevent sabbath travel violations. These events are chronicled in Eusebius' Church History 3.

Ever since Titus destroyed the third temple and set up the Roman ensigns/idols and sacrificed to them over the temple site, there has never been a Mosiac temple in Jerusalem. Currently, it is the site of the Dome of the Rock, Islam's only idol/religious symbol. In the Christian era God does not dwell in temples; that is why God tore the temple curtain at Jesus' death (Matthew 27:51).

"The God who made the world and everything in it, being Lord of heaven, does not live in shrines made by man" (Acts 17:25). God prefers the temples of our bodies and hearts in service to Him (1 Corinthians 3:16; 6:19; 2 Corinthians 6:16; Ephesians 2:16-22, etc.)

If you have a question for Larry, write him c/o Box 211, Munday, Texas 76371.

MRS. VENTA HORNE

Knox County Woman Celebrates 69-Year TEHA Membership

Venta Cook Horne never realized when she joined the Gilliland Home Demonstration Club that one day she would not only be the eldest member of the Texas Extension Homemakers Association in Knox County, but would also celebrate 69 years as a TEHA member.

Mrs. Horne joined the Gilliland Club as a charter member in 1922 under the guidance of Extension Agent Bessie L. Gillis. She remembers making the frame for a hat and covering it with blue chiffon as one of the first supervised activities of the organization. She also recalls pressuring and sealing beef in cans as one of the projects directed by the county agent.

She was born February 26, 1902, in Indian Territory near

Comanche, Oklahoma. In 1905, her family moved to a settlement in northeast Knox County, which established a post office and took the name of Gilliland in 1907. She married Arthur Horne in 1918 and they had two children, a son and a daughter. After the death of her sister, the Hornes took her infant daughter and a son into their home to raise as their own.

Following her two-year-old grandson's recovery from polio, Mrs. Horne became chairman of the Gilliland drive for the March of Dimes. In that capacity, she planned many benefit events and received a 25-year service award.

Mrs. Horne remains active, due in large part to her hobbies of cooking and sewing. She worked in the school lunchroom for more than 25 years and has made countless pies for benefits, as well as for family and friends. In the last five years she has made more than 25 quilts for her children, grandchildren, nieces and nephews.

The Gilliland Club and community are proud of Mrs. Horne and her many accomplishments and pleased to honor her as the eldest TEHA member in Knox County.

Benjamin News

By Mrs Gladene Green

Football season got underway this past week. Congratulations to Benjamin, Knox City and Munday, who all won their games!

Following the Benjamin game Thursday night, the Methodist Church hosted a fellowship. Almost all of the teenagers attended and enjoyed hot dogs and the trimmings and a good time!

CORRECTION
It's hard to believe, I know - but I made another mistake in last week's news. Concerning Gertrude Brannan's company...I said her grandson, Johnny Cox and his wife of Maryland had been here. Well, Johnny had been here, but he's not married! The "Johnny and his wife" who were here were the Johnny Brannans of Lubbock. Are you more confused now than ever? I hope not, but the bottom line is that John Cox, the son of John B. and Barbara Cox, is not married, but he is the one planning to go to A&M!!

NEW ARRIVAL
Bo Milson was proudly announcing the arrival of a new grandson this week. Little Tanner Magee Milson was born Tuesday, September 3, in Dallas. No more info yet on him, except that he is the son of David and Val Milson. Bo is planning a trip down that way soon. So, upon her return, a more detailed report will be given.

CONCERNING THE SICK
Jane Gideon returned home this week after several days in a Dallas hospital. She is not in tip-top shape as yet, but is getting there. She's not sure when she may be able to resume her regular daily activities, but hopefully soon.

Betty Lyles came home Tuesday after knee surgery in Oklahoma City. She's making good progress and should be pretty well "back up to par" before long.

Nora Duke has been having a few problems, but said today that she believes she's some better. Virginia Griffith is still having her problems, but keeps in pretty good spirits. She is just having so much trouble regaining her strength, as her appetite has not returned since radiation therapy.

James Klutts was in Big Spring Wednesday to see his doctor. His wife, Jimmie, made the trip with him.

Louise Hall is having some dental work done. Something we all dread, but have to have sooner or later.

Our prayers go out to all these friends.

DUMPSTER DILEMMA
The "dumpster dilemma" continues. The main question is "When am I going to get mine?" My answer is "I don't know!" Some have already been put out, but there are still several that have not. The rain has slowed the distribution, so hopefully with a few days of good weather, they will all be placed next week. Maybe by the time this paper is out, everyone will have one...let's hope so!

HERE 'N THERE
Jim and Barbara Pratt spent Labor Day with their son and family, the Troy Pratts in Lubbock.

Gloria and Leroy West enjoyed a weekend at Possum Kingdom with their daughter and family, the Roger Parkers of Aspermont.

Little Gina McCaillies spent the weekend with her grandparents, E.O. and Irene Reid in Gilliland.

Recent guests of Nora Hertel were Britt and Shawna Glenn of Albuquerque, New Mexico. ter and family, the Jack News at Leander last week.

Word was received here last week that former Benjamin resident, Nora Hale, who was injured in an automobile accident several months ago, is doing well. She is at the home of a daughter in the Ft. Worth area.

Weekend guests of Odessa Cox were Reba and Charlie Morrill of Humble and Linda Cox of Silver City, New Mexico.

Judie, Rhonda and Jay Whitten met their daughter and sister, Christi Whitten, in Edmund, Oklahoma, Saturday for the Central University of Oklahoma and Northwest Missouri University football game. Christi is an NWMU Bearcat Sweetheart and was also covering the game for her school paper. The Whittens returned home Sunday.

GENE AND DOROTHY BROWN OF 210 SOUTH FOURTH STREET have created a small paradise with their many beautiful flowers, including rose cockscomb, periwinkle, perennial flox and petunias. The porch swing, old timey dinner bell and mail box simply add to the charm of this week's Yard Of The Week.

Mrs. Wallace Honored With Birthday Celebration

Mrs. Lawson (Cecil) Wallace, formerly of Munday, was honored on her 87th birthday with a beautiful cake to help her celebrate this special birthday. In honor of the occasion, she was presented a money tree by her family.

Everyone enjoyed visiting, picture taking and lots of good food and homemade ice cream. Several grandchildren and great-grandchildren were present to join in the celebration.

Mrs. Wallace still lives alone, manages her household and is in good health. She and her husband, the late Lawson Wallace, resided in Munday for many years.

Attending the celebration were Floyd and Nell (Hudson) Powell, Don and Jacquelin Wallace and Loyd Powell, all of Stephenville; Tom and Syble Cloud and Jimmy and Donna (Struck) Huggins and Rusty, all of Granbury; Pat and Brenda (Hudson) Terry and Elaina and Tim and Susan Terry and Monica, all of Irving; Ray Hudson of Goree; and Peggy (Struck) Johnson, Angilia and Rhonda of Burlison.

Mrs. Wallace is blessed with five generations of family who hope to celebrate with her again next year.

Former Munday Man Named Citizen Of The Year In Azle

Scott Allred, a native of Munday, was recently honored as the 1991 Citizen of the Year in Azle.

Allred graduated from Munday High School in 1959 and went on to attend Midwestern University in Wichita Falls. Following a job as cost accountant for an oilfield products firm in Wichita Falls, he joined Southwest Investment Company and began a nine-year tenure that took him to Carlsbad, New Mexico and Fort Worth.

Allred became associated with Continental National Bank in Fort Worth and with Southwest Bancshares in 1972. He worked there until 1977, when he left the organization as a senior vice-president at the company's Port Arthur bank. He went on to the First National Bank of Weatherford as executive vice-president in '77 and was elected president in 1980. It was that bank's holding company that chose to form the First National of Azle in 1981, which drew Allred to Azle to start the new bank. Since that time, he has served as president of the bank, leaving only briefly during a change of ownership in 1985. He helped bring the bank under local ownership in September, 1987, when he and a group of Azle investors bought controlling interest of the organization from the First State Bank of Abilene. Under his guidance, the deposits have grown from \$1.2 million to

more than \$30 million at mid-year 1991.

Allred has been a driving force in the community of Azle since his arrival there. His list of accomplishments are many, including president of the Chamber of Commerce in 1982-83, involvement in the Chamber's Ad Hoc Committee for long-range city planning and Ambassadors. He currently serves as chairman of the Azle Pastoral Counseling Center board of directors and is past president of the Azle Rotary Club, past chairman of the Eagle Mountain Boys Club board of directors and past president of the Azle Division of the American Heart Association.

He also serves on the city of Azle's Industrial Development Authority and is active in supporting the Azle senior citizens' organization. In addition, he chairs the board of directors of Harris Methodist Northwest Hospital. That involvement led him to a position on the board of Harris Methodist Affiliated Hospitals, the Fort Worth organization that governs affiliated hospitals in the Harris system. He has held this position for two years.

An accomplished distance runner, Allred regularly competes in 10K events around the metroplex, such as the Cowtown Marathon and the Azle Lake Run. He has competed in both events since he started running in 1984, with the

exception of two years.

His wife, Barbara, taught at Tarrant County Junior College for 18 years, where she helped establish the dental hygiene program at the Northeast Campus. She currently works part-time for two dentists.

Attending the banquet where Mr. Allred received the award were his mother, Opal Allred of Munday, his mother-in-law, Opal Haygood of Dallas, his sons, Joe of Arlington and Jeff of Weatherford, and grandchildren, Casee, 6 and Josh, 5.

Texas Cookbook Wants Your Favorite Recipes

Texas cooks are invited to submit their favorite original Texas recipes in a new contest announced by Golden West Publishers.

Golden West, specialists in cookbooks, are sponsoring this contest in search of recipes to be included in "The Best Of Texas Cook Book", to be published soon.

Recipe categories include breakfast, lunch and dinner dishes, as well as side dishes and desserts. Outdoor events, camping favorites and unusual family-tradition recipes are also encouraged. The contest seeks recipes which reflect the true flavor of Texas cooking.

Contestants should include titles for their recipes, indicate number of servings, list the ingredients (as they appear in the directions), and write clear instructions. Winners will receive a copy of the cookbook upon publication.

Official recipe contest entry blanks are available now from Golden West Publishers, 4113 N. Longview Avenue, Phoenix, Arizona 85014. Recipes must be received no later than September 1, 1991.

Munday, Goree Loren Gardner, pastor

ARE WE "WHOLLY" PROFANE

Jesus said... "what comes out of the mouth proceeds from the heart..." "for out of the abundance of the heart the mouth speaks..." and "Blessed are the pure in heart, for they shall see God." (St. Matthew 15:19; 12:34; 5:8 NRSV).

As we look at the Third Commandment of the "Ten", "You shall not make wrongful use of the name of the Lord your God..." (Exodus 20:7a NRSV), we find that how we talk about God reveals what we feel about God. The truth is that our conversation gives indication as to what is important to us and how we really feel about things. (Note Jesus' words quoted above.)

It follows that if "our heart is pure," our language will "be as our heart", and if our heart is not pure, our language will give testimony to that fact. When we be-

GOREE NEWS

Guests in the home of Mrs. Pauline Beecher on Sunday were Rev. and Mrs. Lynward Harrison of Merkel.

Mr. and Mrs. E.B. Hosea visited Irene Stewart in Stamford on Saturday.

Mr. and Mrs. Taylor Allen visited Mrs. Linda Allen and children in Abilene last Wednesday. They visited in Baird on Thursday.

Visiting Mr. and Mrs. Mutt Chamberlain during the weekend were Mr. and Mrs. Jimmie Routon of Lubbock. Mr. and Mrs. Russell Routon and daughters of Merkel visited in their home on Saturday.

Mrs. Mary Bowman of Munday visited Mrs. Winnie Lambeth Tuesday afternoon. Tanya and Heather Greenwood of Seymour visited in her home Saturday afternoon.

Miss Kelly Jo Moore, who is attending San Angelo State University, spent the weekend visiting her parents, Mr. and Mrs. Dolan Moore.

Mr. and Mrs. David Fitzgerald of Midland were weekend visitors of Mrs. Lorene Hunt.

Mr. and Mrs. W.D. Cunningham spent the weekend visiting their sons, Mr. and Mrs. Scott Cunningham, Tyler and Jordan, and Mark Cunningham, in Lubbock.

Mr. and Mrs. Clem Wilde of Atwater, California, and Mrs. Fannie Belle Lambeth and Mrs. Lois Howard visited Mrs. Gladys Lambeth last Monday. Her daughter, Mrs. Ron Hardin of Wichita Falls was also a visitor in her home.

Visiting Mr. and Mrs. Ruby Hammons on Saturday was her nephew, J.H. Wetsel of Lubbock.

Mr. Les Jameson attended the funeral of his niece, Mrs. Sandra Hale, in Matador on Sunday.

Visiting Mr. and Mrs. Dewitt Green on Sunday were Mr. and Mrs. Don Ray Davis and Danielle of Newcastle.

Mr. and Mrs. Johnny Moore attended the Yates reunion in Abilene on Saturday.

Among those attending the Holder reunion at the Vera Community Center over the weekend were Mr. and Mrs. Curtis Seale and Mrs. Ina Scarborough of Goree; Mr. and Mrs. Fred Seale, Jay, Melissa and Josh, and Melissa Milliken, all of Shallowater; Mr. and Mrs. Jim Seale of Arlington; Mr. and Mrs. Stephen Seale and Britney of Broken Arrow, Oklahoma; and Julia and Ashley Johnson of Kentucky.

Dove hunters from the Dallas-Ft. Worth area visiting in the home of Mrs. and Mrs. Wallace Roberts during the weekend were Jim Roberts, Reuben Millsap, Terry

May, Bobbie Tarks, Ken Alles, Edd Levell, Gary Fox, Ray Gordon and Dan Dooley.

Mr. and Mrs. Wallace Roberts took Mrs. Ina Roberts to Abilene last Wednesday for an eye check-up. They were accompanied by Mrs. Genevieve Tyler, who visited her daughter, Mrs. Joyce Crane, in Baird and her sister-in-law, Mrs. Jane Hendricks, and other friends in Clyde.

Visiting Mr. and Mrs. Jack Beaty during the weekend were Bob Beaty and a friend of Ft. Worth. Mr. and Mrs. Ruby Hammons visited in the Beaty home on Sunday. Other visitors in their home during the week were Mrs. Ruth Hutchens of Munday, and Rev. and Mrs. Tony McGee and

family and Mrs. Elizabeth Watson, all of Goree.

Mr. Beaty was in Wichita Falls last Tuesday for a medical check-up.

Visiting Grace Smith on Sunday and attending services with her at the Baptist Church was her grandson, Billy Simaichl of Seymour.

Soccer Registration Today In Haskell

Registration for the Haskell Soccer Association for the 1991-92 school year will be held Thursday, September 12 (today), at 6:30 p.m. in the Haskell Elementary cafeteria.

Anyone interested in coaching and/or refereeing needs to contact Mike Cook at 864-8010 (nighttime) and 864-2226 (daytime).

Noah Project-North Holds Meeting

Noah Project-North Advisory Committee met at the East Side Baptist Church in Haskell. Paul Cheatham, chairman, directed the business meeting and treasurer, Bill Thomas, presented the new 1991-92 budget.

Donna Sue Anders, outreach coordinator, reported the Noah Rape Crisis Seminar had a good turnout and was successful. David Rodriguez, Stamford Police officer, spoke to the Rotary of Haskell about the Noah Project.

On Friday, September 13, Noah Advisory Committee will share a new noon meeting date and "Pot Luck" lunch.

The Noah Project-North will hold its monthly volunteer meeting in the jury room of the Haskell County Courthouse on Thursday, August 29. All Crisis line volun-

teers are urged to attend. The toll free hotline number is 1-800-444-3551.

Some 98% of American households contain at least one television set.

September 1, 1991

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 5, 1991

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retarda-

tion institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law, and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect out of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interests and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of unsurveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent to land had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

on dissolution, the assets remaining after the discharge of the corporation's indebtedness will be transferred to an entity providing water supply or wastewater service, or both, which is exempt from ad valorem taxation. The transferred assets must be property that is reasonably necessary for and used for water supply and wastewater services.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing a state lottery."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$800 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interests.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$800,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que aparecerán en la boleta el dia 5 de noviembre de 1991. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8883 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

The Lord's Corner

by Dr. Pete Bradfield, pastor
First Baptist Church

When it comes to dieting, some people will go to great lengths to maintain their great widths. When it comes to hard work, some people will stop at nothing. And when it comes to personal revival, some will go through bread to mend their ways. ... because it's easier - and less painful - to opt for halfhearted compromise than to pay the price of wholehearted commitment to God.

Think of your life as a shiny new penny. You can spend it any way you wish, but you can only spend it once. And you cannot spend half a penny - it's an all-or-nothing transaction. Find a penny and hold it in your hand as you talk to God about your life...and how you will invest the remaining years of it in His service.

See you next week, and remember: Christianity is the total commitment of all I know of me to all I know of Jesus Christ.

ASCS News

Advance Payments
 ASCS participating producers who did not originally sign up for advance payments can do so through September 16.

Summer Seeded Crops
 Crops planted after the July 15 final certification date can be certified through September 15.

Seymour Aquifer Project

A special water quality project is being developed at the present time to improve the quality of water in our underground water supply - the Seymour Aquifer. The program will be strictly voluntary on a cost show basis for agricultural producers. Practices offered will include all practices currently included in the Agriculture Conservation Program (ACP), plus others. The special program is applicable only to a part of Knox County that lies south of the Brazos River and a portion of Haskell County. More details will be announced concerning this project as the program guidelines are developed and approved.

1992 Wheat Program

The announced set-aside (ACR) for wheat for the 1992 crop is 5% of the base. Please remember, even if you plant less than your permitted acres, you still must make set aside on the base - not on the planted acres.

As far as we know, flex and 0/92 are still in effect for 1992 for wheat, but you will not have the option of taking the 12 month average on wheat deficiency payments. With 15% flex and 5% set-aside, the pay acres will be 80% of the base under the regular program (providing that you plant at least 80% of the base) and 73.6% of the base if you go 0/92. The maximum that you can plant and still be in the program is 95% of the base, unless you flex acres from another crop.

The target price for 1992 wheat remains at \$4.00 per bushel.

1991 Grain Sorghum Loans

Grain sorghum produced on farms enrolled in the grain sorghum program is eligible to be placed under CCC loan at \$2.78 per cwt. in Knox County. The loan rate will vary from county to county. The loan may be either farm stored grain or on grain stored in a CCC approved warehouse. Warehouse stored loans must have storage paid thru maturity which is nine months following the month in which the loan is disbursed. ***

The sun is 1.41 times as dense as water.

Thank You!
 We are humbled at the graciousness of all our friends after Gaylon's recent accident. We will always remember your thoughtfulness and treasure your friendship. May the Lord bless and keep you in his care. With all our love,
 Gaylon & Joyce Scott
