Frankly, we are disappointed. Discouraged and disillusioned, too. Excited; and, maybe, running a little scared!

We speak, not only for ourself, but for members of the Munday Historical Committee. Our concern is Munday's history books.

As we were trying to determine the number of books to be printed, our publisher said: "The first batch will move quickly. After that they will slow down some."

This proved to be true. Our problem was that not enough of the first batch moved before they began to slow down. Now, we find that we have more history books on hand than we need to have.

And not enough money to get us out of a financial bind!

In our contract with James McCrain, we paid the publishing expense in three installments: The first installment was when the contract was signed; the second came when the final proof was submitted for reading; and the final installment was when all of the books were

What we need is more people to purchase history books. More local people, that is, for it seems that a lot of them fully intend to buy a book, or books, but just haven't done so.

Then there are more people from other climes who still have roots in Munday and who have yet to experience the enjoyment of sitting down and perusing the pages of "My Home

Town". When the books were first introduced last March, Mr. McCrain was interviewed on television. We remember well one of the things he said: "The story 'Memories of Munday' written by Margaret Cousins is well worth the price of this history book!"

Then, there's the picture of the first passenger train to arrive in Munday. It pulled up to the station at 6 p.m. on the 6th day of the 6th month in the 6th year of the new century. Uncle George Reeves, who was celebrating his 66th birthday, mounted the locomotive cab. and pulled the whistle cord, giving six toots on the whistle.

Harvey Lee's story of how he and others of his ilk built the running gears of a buggy into a sail-vehicle and took it on its maiden voyage when a stiff norther was blowing. They soon found that the vehicle had more sail power than brake power, so they came noisily through town and across Main Street, causing much confusion before being able to stop the contraption.

The law officer's comment was, "Get that danged thing out of town!"

Walter Cousins' poem, "Old Times in Munday", is also in the book. We printed it several times in The Munday Times. C. L. Mays would suggest it be printed, then forget it, and ask for it again. Three times, we think, this hap-

"Life and Customs in Early Munday" is another gem well worth the price of "My Home Town".

These, and others, plus many earlyday pictures of the town and its pioneers, of businesses and schools, of progress of the town, all climaxed by some 200 family histories, make the history book priceless.

The book is one that should grace the

libraries of every home in the area. In view of the fact that other history books are now selling for twice the amount, we think our committee "goofed" by setting the price too low!

Still we need to move more books! We'd like to make trips to the bank, now, to pay back the borrowed money! Won't you help us?

If you've had the notion in the past of buying a copy of "My Home Town", now's the time to follow through and help the committees out of a very tight oind!

Do it now, today!

## Administrator Named For Hospital

Dan Powers, manager of Knox County Hospital, recently announced the appointment of Randy Abernathy of Lubbock to the position of Knox County Hospital administrator.

Mr. Abernathy was reared on a ranch in Santa Fe, New Mexico, and is a 1972 graduate of Texas Tech University, majoring in business. Since 1972 he has worked in the management consulting business.

He is married and has a son age 11 and a daughter age 4. He and his family are in the process of purchasing a home in Knox City, and will move as soon as possible.

IT'S A-OKAY: That's the good news announced by Joe Billy G. Johnston, Sheriff James Redwine, County Slater, second from right, as he presented a Certificate Judge Homer T. Melton, Philip Homer and Bobby Roberson.

## County Jail Meets State Requirements Years of planning, study and hard work on behalf of Knox County Com-

It was on that date that Joe Slater, supervising inspector for the Texas Commission on Jail Standards, made the final inspection of the jail's facilities and presented county officials with a certification of compliance. This meant. that the Knox County jail now meets all conditions for approval of the Texas

missioners and the Sheriff's Department

and others resulted in fruition last Mon-

Commission. During the presentation, which occurred at 2 p.m. Monday, Mr. Slater made the following statement:

"On behalf of the Commission on Jail Standards, the Knox County officers--Judge Homer T. Melton and the county commissioners, Sheriff James Redwine and his staff are to be commended on this splendid accomplishment.

"This is not due to any one person, but to all working together. The taxpayers should be proud to have elected officers who have been able to achieve this result at minimum costs.

"Having achieved compliance with the Texas minimum jail standards, and with continued operation at this level, you can be assured frivolous complaints and lawsuits will not be looked upon favorable by the federal courts.

"Your compliance with the laws of the State of Texas serves to protect you, as these rules and statutes have been tested and upheld on numerous occasions by the federal courts.

"My personal congratulations to these officials. It has been a pleasure to have worked with them."

Signed: Joe Slater. Mr. Slater stated that his first inspection of the county jail was in 1977, when a total of some 42 items were found in non-compliance. Some of these were minimum, but for others it meant quite a bit of work and expense, extending over a period of almost four years.

It was some two years ago that county officials decided to locate the sheriff's office in the jail building. This was the final project to be completed.

But it's all done now. Even the final swath of the paint brush has been made, and all are excited over a project well

Mr. Slater said that the Knox County Jail is one of the 98 jails in the state to be in complete compliance,

## Moguls Lose Thriller To Rule's Bobcats

It has been like this through the years! The Rule Bobcats have always proven to be strong opponents for the Munday Moguls, even though they are non-

conference games. But Friday night's game was one of the thrillers of the era--and the winner wasn't determined until every second of regulation play had been ticked off.

Rule's Leon Greeson made the tying touchdown just before the timeclock showed all zeroes on its face. But the game could not be ended that way. The Bobcats were entitled to a PAT try-and this spelled victory for them.

Both teams went into the non-district contest with clean recoreds. It so happened that Munday's record was smeared after the clock ticked its last tick! There were some who averred that the Moguls lost by their own errors. Be that as it may!

The Bobcats drew first blood, getting on the scoreboard in the first period after taking a Mogul punt on the Bobcat 37-yard line. Greeson gained 16 on a QB sneak to set up Rhoads' 35-yard run after 3:50 of play. Greeson added the extra

Each team missed on other scoring opportunities during the second half. Rule got inside the Munday 20 on two occasions, but an interception by Hunter and a quarterback sack by Gary Adams stopped the Bobcats. Kittley then picked off a Mogul pass in the fourth quarter to stop a Munday drive.

Munday gained its 19-7 lead on two third-quarter TDs. Moses Dena scored the Moguls' second touchdown on a four-yard run, but Doyle Mitchell blocked the extra point kick attempt.

On Munday's next series, Lawrence Collier scored on a 19-yard sprint behind fine blocking on the right side. This time the try for two extra points (a pass play)

## New Ambulance Ordered-To Be Off Assembly Line October 21

Almost from the time it was deternined to reap the final funds for the new ambulance from individuals, donations have been received by Bobby Hutchinson and it is now over the top!

Prestige Vehicles of Arlington, the same company from which the present ambulance was purchased, has been contacted by Mr. Hutchinson. He very loyfully placed his official order for a 1981 Ford, and was advised it would be off the assembly line October 21, and bould be delivered to Munday soon afgrwards. It was then time for Mr. Hutminson to explain that, technically, all e money would not be available until ovember 4, the date the certificate of eposit matures. He was assured there as no problem - assignment could be eren on the CD and the vehicle could edelivered at the earliest possible date. Mr. Hutchinson stated, "We really perienced a tremendous week last cek. Before The Courier came out we received \$200.00. After The Courier as read, our donations were received in amount of \$200.00 on Thursday and on Friday, with one of the callers

saying she wanted to finish it off meaning the \$477.00 originally needed; \$25.00 on Saturday; \$500.00 on Monday of this week; and \$25.00 on Tuesday of this week.

"I began to explain to the prospective contributors that we actually had the needed amount for the vehicle and would only need supplies. Each time their response would be, 'Then I will give it to go on needed supplies.' We really appreciate their attitude and will use the money to equip the vehicles with the needed items."

A run-down of what will be received for the money includes the vehicle at \$19,500.00 with floor and squad bench storage, 373 rear end and 460 engine; a Fesno 30TC cot with mattresses at \$585.00; oxygen cylinder, \$145.00; oxygen regulator, \$70.00; electric vacuum, \$60.00; decals, \$76.00; and a four passenger hangar, \$46.00, making a total of \$20,482, without the supplies.

Any funds not used immediately to supply the new ambulance will be placed in a passbook savings account to be used for future needs.

Give the Lions time to inventory out the merchandise, however, before you appear to make purchases!

Bernard Pang, who is general manager of this year's sale, says everything is in readiness. He has named team managers for every section of the town, and every member of the club has been assigned to one of the five teams.

By 8:00 a.m. Tuesday, these teams will have their vehicles well loaded with merchandise, and will "take off to the four winds" to virtually cover each section of the town in their house-to-house canvas. Human errors do exist, however, and some homes may be missed.

In this event, you are urged to come by sales headquarters at the city hall square and make your purchases. A member of the Lions Club and the caravan manager will be on hand to

Products will consist of various types of brooms and mops, oven mits, dish cloths and towels, lawn rakes, rugs and mats and a number of miscellaneous

This has been one of the leading fundraising efforts of the Munday Lions Club during years past, and it is hoped that this year's effort will be just as successful as the others.

Proceeds will go to benefit the blind caravan, Texas Lions Camp at Kerrville, and other worthwhile projects sponsored annually by the club.

It is hoped that the citywide canvas will be completed by the noon meeting Tuesday; however, some afternoon hours will be worked in, if necessary.

### Funeral For Mrs. Kinnibrugh Held At Vera

Mrs. Essie M. Kinnibrugh, 85, well known resident of the Vera community, passed away last Saturday in a Wichita Falls hospital.

She was born on November 1, 1895, in Navarro County, and married Jim Kinnibrugh on August 8, 1915, in Vera. The couple lived there all of their married life.

Mrs. Kinnibrugh was a loyal member of the First Baptist Church of Vera.

Funeral services were held at 2 p.m. Monday from the First Baptist Church in Vera with Rev. Junior Callahan of Abilene and Jimmy Rodgers, lay minister and football coach in Knox City High School, officiating. Burial was in Vera Cemetery under direction of Seymour Memorial Funeral Home.

Surviving her are her husband; four sons, Orville of Vera, Levoy of Seymour, Sylvin of Floydada and John of Gilliland; three daughters, Marie Coffman of Stamford, Doris Thomas of Wichita Falls, and Bonnie Crownover of Hamilton; one brother, Earl McCuiston of Lubbock; three sisters, Mabel Erwin of Lubbock, Ruth Sain of Prairie Hill and Mildred Brandon of Sacramento, Calif.; 16 grandchildren and 21 great-grandchildren.

#### Garden Club To Meet October 6

The Munday Garden Club will meet at 11:30 on Tuesday, October 6 in the fellowship hall of the First United Methodist Church for a salad luncheon.

This will be the club's first meeting of their new year. Any new member or visitor is cordially invited to attend.

TAKING A BREAK on Saturday, September 26 at the Mayfield Grocery in Weinert were the new owner, Joey Yates, at left, and John A. Mayfield, owner and operator of the store for almost 35 years. Mr. Vates took over the operation officially Monday, September 28. Area customers and friends dropped by and enjoyed refreshments throughout the day Saturday.

## Weinert Store Ownership Changes After 35 Years

During a public reception on Saturday, September 26, coupled with a pleasant day of visiting, area people made their last purchase of groceries from the John A. Mayfields of Weinert. As of January 27, 1982, Mr. and Mrs. Mayfield would have operated the business 35 years. They have sold the Mayfield Grocery and Cafe to Joey and Caron Yates of Weinert. The Mayfields, both reared in the Weinert area, purchased the store from the M. L. Raynes, now residents of Munday.

Mr. and Mrs. Mayfield reared a son and two daughters during the years they operated the store, all sharing in the work at the store, market and cafe. Their three children were present on Saturday.

was located in the old business part of the downtown section. At that location the business grew and Weinert residents, including high school boys and girls were needed as extra help.

During the first seven years, many staples were sold in bulk, hand slicers were used in the market, cookies and candy were sacked by hand and weighed for the customers, and no grocery baskets were used.

destroyed the building and contents. After this, the Mayfields built a new store adjacent to the highway and have operated a more convenient shopping place, even adding a cafe. Expansion included frozen food storage and ice cream and soft drink Mrs. Gary Cure and Julie of machines. Many hardware Garland; Mr. and Mrs. items were added and more Guindell Ritchie of Las employees were needed. Mr. Cruces, N.M.

Mayfield stated, "I have had very pleasant experiences with my employees. A number of the students worked after school on a part-time basis and then full time in the summers. Several faithful employees have served twelve, eighteen and twentyeight years, and served well. We appreciate them very much and couldn't have done without them."

Many pleasant and joyful memories will linger with the Mayfields, prosperous times and hard times both for themselves and their customers, but they were survived together. Credit has always been extended and no big problem has ever arisen. To the contrary, customers have expressed their appreciation to the Mayfields for "Carrying them through Actually, the first store rough times" and have also appreciated the convenience of having a monthly charge account.

## **Goree Declares** October 5-10 As City Clean-up Week

October 5 through October 10 has been declared city clean-up week in the town of Goree. Citizens are asked to stack their trash, brush, old refrigerators, etc. where it can be picked up. Trucks will be available to haul it away free of

charge on Saturday, October 10. Each family is asked to meet at the City Hall at 8:30 a.m. on October 10 to pitch in and help get the job done.

Anyone needing extra help at their home in order to have their junk ready may call Margie Allen at 422-5112 or Candy Estes at 422-5268. These ladies will see that assistance is provided to these residents.

There will be tractors equipped with mowers to clean vacant lots.

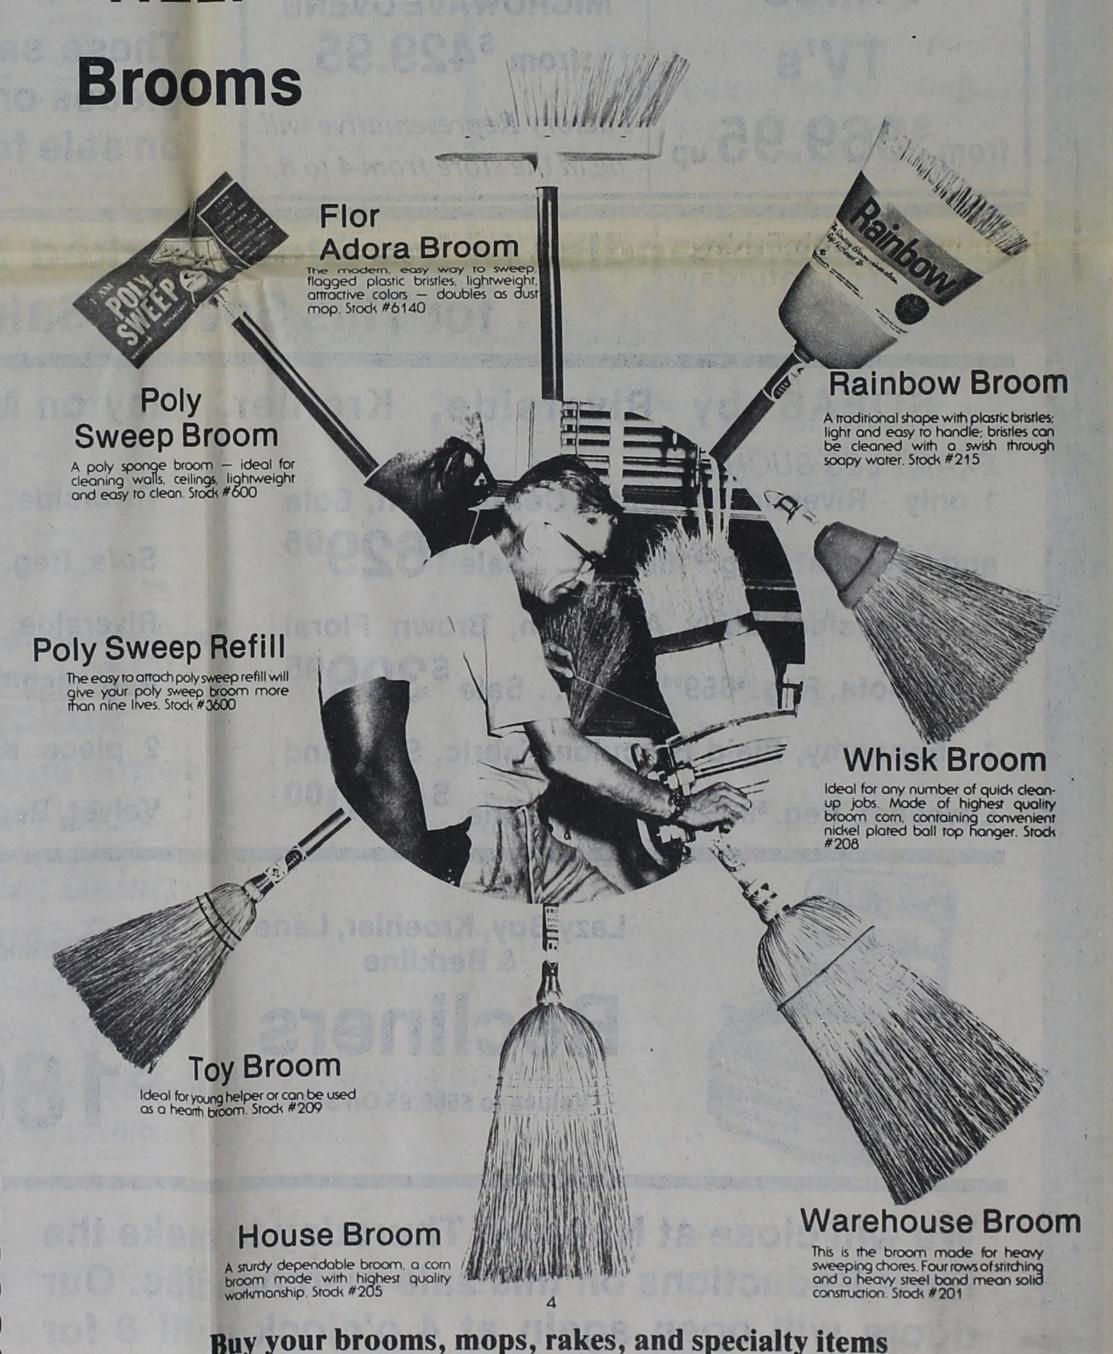

The plea is out to all residents of Goree to cooperate in this effort and help make Goree a neat place to be proud of. Don't forget to be a volunteer worker on October 10.

Sandwiches and drinks will be served to the workers at the Memorial Building.

## 4-H Project Leaders **Benefit From Service**

The job of a 4-H project leader is a challenging and rewarding one. 4-H project leaders can be a positive force in the lives of the 4-H club members, points out April Stamps, county extension agent with the Texas Agricultural Extension Service, Texas A&M University System. They help youth develop into mature people so they can function effectively in a rapidly changing world.

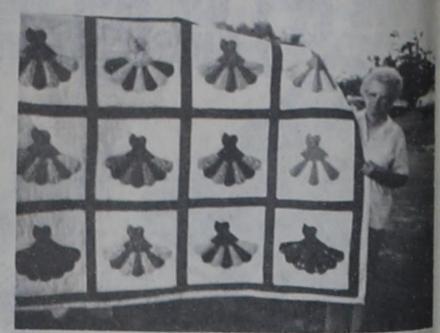

Because of changing values, ideas and ways of life, young people today need more than ever before a worthwhile contact with adults. Youth need adults who are sincerely interested in their welfare and will give time to them. They also need adults who will accept and respect each person and will help each one accept and respect himself.

In addition, youth need adults that will understand that every person is different and respect these differences by letting each one be an individual. Adults are needed who understand a young person's desire to be independent and allow each one to assume as much responsibility as he can handle.

4-H is aimed at developing each boy's and girl's potential. It provides opportunities for this development through projects which serve as the foundation of the informal educational program.

4-H'ers can choose from more than 50 subject areas and more than 100 individual projects. Adult project leaders are needed to work with small groups in Mrs. Betsy Zeissel called

Foods and Nutrition project groups are the next project groups coming up. If you are interested in being a project leader for the foods and nutrition project groups, contact April Stamps, County Extension Agent, at 454-2651, or Box 22, Benjamin, Texas 79595. There will be a leader training for leaders who are interested in the F&N groups on Tuesday, September 29 at 4:30 p.m. in the Assembly Room of the Courthouse. For more information contact the County Extension Office.

## **FFA Members Active** In Community Projects

Two different groups of FFA members of the Munday High School Chapter are involved in projects to help the community. They are under the direction of Greg

Rawdon and Casey Clark. Mr. Rawdon's group of Ag III boys, Brand Cude, Robert Boyd, Steven Smith, Abel Sanchez, Derek Cypert and Lawrence Collier, have started painting the play equipment at Munday City Park. Their plans are to repair the equipment, paint it, install new wire on the backstop of the baseball diamond located near the

Jim Way First Baptist Church

At a meeting of psychologists and psychiatrists a noted expert in that field told the group that he believed ninety-five percent of the people in our country have an inferiority complex. Another prominent psychiatrist interrupted to disagree. He said he believed the figure was ninety-five but one hundred percent!

That may seem outrageous to us, but with some thought we might see their point. These men suggested that the primary reason for problems in inter-personal relationships was the inferiority feelings of the individuals involved. Criticism and guilt cause

us to have these feelings. The question is not, "Will we have them?" It is instead. "How will we handle them?" The world's way of handling criticism and guilt is to blame others. When one is criticised, he responds by criticising or blaming someone else. The root problem is a failure to accept one's self. When a person does not love or accept himself he is always expecting others to not love or accept him. He cannot accept disagreement or criticism and responds by lashing out at others. He must continually be praised and assured of his worth or else he is insecure and hard to get along with. Knox County 4-H Clubs These inferiority complexes cause us to spare nothing (not family, health, etc.) to become an achiever, Participants were: Doug believing the next success will Brown, Ronnie Brown, prove our worth and bring security; to fantasize about ourselves and escape reality even if it takes alcohol or Shane Simmons and Brand drugs to do it; or, finally, to become psychotic where we On the winning list were: can no longer distinguish between reality and fantasy.

What we really need is to Partridge, first place Angus be secure about ourselves so that the criticism or praise of others will not shake our foundations. The only way to really do that is to know ho we are in relation to God. The Bible teaches that we are the creation of God - He made us. He did so with a special plan and purpose in mind. We have sinned and our lives have become marred, but God has provided forgiveness and new life through His son receives Jesus as Savior and Lord his sins are forgiven. He has a clean slate and a new chance because he is a new creature in Christ. God has a plan for that person that no one else can fulfill. He loves and uses each of us. What security to know that your sins are forgiven and you are loved and accepted by the God of all the universe! That sets us free from things to establish our worth because our worth is found in who we are in relation to God. This enables us to see others in a different light. They are no longer threats to us and competitors. They become people whom we can accept and love as God does

It is my prayer that you may discover life in its fullest in a personal relationship with Jesus Christ and that you will be set free from the common plague of the inferiority complex.

## State FFA President Visits Here

Rafe Foreman, state FFA president, visited the FFA members of Munday High School and their teachers Monday, September 28. Foreman resides in Idalou and is traveling to each of the schools to encourage FFA members to be active in the organization. He was especially sharing his enthusiasm with the Ag I class members in Munday.

A state president carries on his duties one year (from July to July). After his tenure in office is ended, Foreman will attend Texas Tech Univer-

## 1932 Sunset Graduates Have Enjoyable Day

1932 of Sunset Consolidated School held their annual reunion last Sunday, September 27, at the Munday Community Center. Nine of the eleven living members of the class were present. The two absent were George Gaines of Yuba City, Calif., and Elizabeth Shannon Hargis of Dennard, Arkan-

Classmates in attendance were: Myrtle Partridge Everett, of Munday; Arnold Land and Pete Beecher, Goree; Sadie Moulder Smith, Sinclair, Wyoming; Ira Read Lee and Christine Clowdis Barnes, Abilene; Ora Mae Read Thompson, Anson; Mae Lawrence McGregor, Lamesa; and Lillian Verhalen, Knox City. Husbands and wives of the classmates attending were: Bill Everett, Pauline Beecher, Virginia Land, Elton Smith, Herbert Barnes and Felix Thompson.

Ex-teachers present were Mr. T. W. Harber, Dallas; Mr. Esten Day, Lubbock; Mrs. Katherine Rike Post, Haskell; Mrs. J. S. Shannon, Munday; Mrs. Cecil Burton, Seymour; Mrs. Frances Strickland Smith, Goree.

The graduating class of Husbands and wives of the teachers present were Gladys Harber, Rosewyn Day and Chester Smith.

The day began with registartion at 9:30 a.m. A period of visitation and a short sing-song followed. The group then continued "remember when" talk and reviewed old pictures and relics still in posession from school days. The meal was provided by

the members. Following a lunch of abundant food. there was a short business meeting. Christine Barnes, the class president for this year, conducted the meeting. She called for election of officers for next year. Myrtle Everett was voted to be the class president for 1982. Other officers were unchanged. Following the business meeting, each class member was asked to give a brief resume' of their life after graduation. Some of the teachers then gave a talk about their tenure in the school. Mr. Harber quoted some of the questions students had asked when he was their teacher, such as Arnold Land asking him why water was wet, and Pete Beecher asking why all

planets were round. Harber said he hadn't figured those answers out yet, but he didn't think the scientists had either.

Visitors begin arriving between 1:15 and 1:30 p.m. and a very good crowd of visitors came to be with the class. Before the group disbanded for the day, Kathy Everett Morgan and her daughters held a reception for the ex-teachers.

1982 will be the year for the Sunset Homecoming, which is held on a three year basis. The class of 1932 plan to merge their annual reunion with the Homecoming. 1982 will also mark the 50th year since graduation, or in other words, the Golden anniversary of the first group of seniors to graduate from the then-new Sunset Consolidated School.

Visiting Mr. and Mrs. Earl McNeill and attending homecoming were Mr. and Mrs. Hazen E. Carlson of Dallas, Miss Bertha McNeill of Wichita Falls, and Alice and Mary Jo Moore of Garland.

Mr. and Mrs. Hank Matthews visited their son and family, Mr. and Mrs. Dowell Matthews, Brandi and

Brenda Hargrove of Eliot, Maine, became the bride of Henry V. Etchells on September 5 in an evening candlelight ceremony at the Phillips Exeter Academy Church in Exeter, Maine. The double ring ceremony was performed by Rev. J. Raymond Sikkel.

The bride is the daughter of Mrs. Earnest Ridgely, formerly of Eliot, Maine, and Leon Hargrove of Elk City, Oklahoma. The bridegroom's parents are Mr. and Mrs. Norman Etchells of West Warwick, Rhode

Given in marriage by her mother and step-father, the bride wore an empire gown featuring a Queen Anne neckline with bishop sleeves, full skirt and a cathedral train of silk chiffon and trimmed in silk Venise lace. She wore a matching mantilla veil and carried a cascade of white gardenias, roses, baby's breath and steph-

anotis. Michele Howard of Kittery, Maine was maid of honor, wearing a gown in daphne rose with a cape bodice trimmed in lace. She carried a small hand bouquet of mini carnations, silk roses and baby's breath.

Sharon Hargrove, sister of the bride, was bridesmaid, dressed identical to the maid of honor and carrying a small hand bouquet of mini carnations, silk roses and baby's breath.

Parental Advisory Group Meets

The Parental Advisory Committee for the Title I and Migrant programs in the Munday schools met Thursday, September 24 in the elementary school and elected Mrs. Roy Welch chairman for the 1981-82 school

Committee members received a report concerning a recent visit to our reading program by representatives of the Texas Education Agency.

Although no written report FOR SALE: 1976 Del Magic 16 ft. ski boat, 115 Mercury has been received, team outboard motor; drive-on members indicated that the program was being carried out according to guidelines in 49-4tp our consolidated application.

Purpose of the Title I program is to provide supplementary help to those students who are having difficulty reading on their grade

The Migrant program likewise is providing help for students who sometimes fall 50-1tc behind in school work because their parents are required to move from place to place during the school

**PADUCAH RINGS** THE BELL AGAIN!

Led by Verice Walker's 154-yard running effort, the Paducah Dragons scored in every quarter Friday night on their home field to defeat Spur by a score of 39-6. Paducah is now 3-1 for the

In addition to Walker's rushing effort, Jeff Walker added 50 yards on 11 carries, and Lonnie Jones racked up 60 yards on 11 tries.

Spur scored its only six points in the fourth period, on a five-yard run by Ray Kelly.

#### GOREE TRIPS **BRYSON TEAM**

Playing on their home field, the Goree Wildcats took the lead in the second period and remained ahead all the time to win a 31-19 victory over Bryson's sixman team.

Goree scored on a 22-yard pass, Virgil Reagans to Robert Arismendez; a 62yard run by Joe Bob Gray and a 31-yard dash by Bucky Decker to keep interest up during the first half.

Closing the half with 18 points, the Wildcats added another 13 in the second period.

#### SHAMROCK'S IRISH DEFEAT THE INDIANS

The Shamrock Irishmen invaded Quanah Indian territory Friday night, and went home with a 14-6 victory over their hosts.

The Indians lone score came when David Whitfield

Shamrock's one-yard line and dashed into the end zone.

Shamrock opened the scoring with a 13-yard touchdown run by Scott Barefoot, followed by the extra point kick by Willie Wright. This was the only scoring in the first half.

The Irish now have a 3-1 season, while the Indians have lost all four of their games.

#### **BENJAMIN'S MUSTANGS DEFEAT McCAULLEY**

Having the advantage of their home field, Benjamin's Mustangs clobbered the Mc-Caulley Eagles to the tune of 44-16 in their six-man classic.

Mustang Troy Oxford scored 3 TDs and four PAT kicks. Ancel Redder, Eric Redder and Troy Pratt each added a TD to the score.

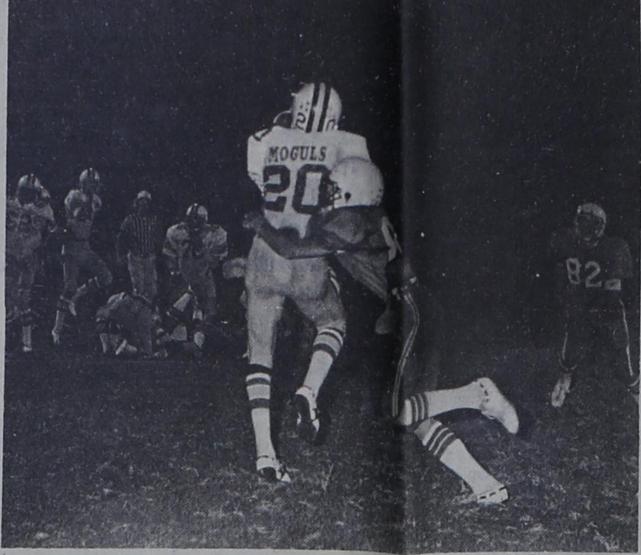

Scoring for McCaulley were Doby Mortan, Danny Benevides, with Todd Jeffrey adding the PATs.

#### HASKELL'S BENAVIDES SAVES HASKELL HONORS

Joe Benavides burst into the end zone from the twoyard line with 1:47 left in the game, then added two extra points to save the scalps of Haskell's Indians Friday night as they toppled Stamford's Bulldogs by the score of 8-7.

Stamford opened the scoring when Ray Alvarez hit Wayne Crenshaw on a 20yard pass in the first quarter, and the extra point was good.

Benavides' two-point tally recovered a fumble on that saved the day was on a

### Quanah Storm **Stops Games**

by Coach Bill Dennis We traveled to Quanah last Thursday and were only able to play one complete game before foul weather brought the contests to a close.

In the 7th grade game, which was completed. Quanah defeated us 16-0. Our boys' effort was good. Our execution wasn't all that a bolt of lightning struck good, however. They are learning every time they line up and get on the field.

storms were coming in from the south and southwest and lightning prevailed. My verbal opinion to the Quanah coach was that we would go in if it became worse. We were able to finish the game. however, and to begin the 8th grade game, but the storm was coming closer.

We took the opening kickoff in the 8th grade game and drove 80 yards in about 8 plays. It was finalized by a pass from Dent Offutt to Tony Wilde. The try for two failed and the game was 6-0 in our favor.

The storm drew nearer and on about the fifth or sixth play of Quanah's possession. close enough that I felt we needed to leave the field. Even though it upset the Before the game began, Quanah players, the Munday

boys realized the importance of being off the field.

Coach Jim Woods of Ouanah made the final decision to preserve the field and not jeapordize the welfare of the boys. A mutual agreement was made to cancel the 8th grade and the Junior Varsity game which was to follow.

The games will not be rescheduled, but Quanah will come to Munday to play three games on October 15 as planned. We travel to Electra Thursday (today).

The new Insured Tax-Free All-Savers Certificate is available as of October 1, 1981. The new tax bill makes every American eligible for tax-free savings certificates. Savers are allowed up to \$2000 tax-free interest on a joint return and \$1000 on an individual return. This tax-free advantage, combined with the 12.61% rate, yields the equivalent taxable interest rates as shown below:

If your family income is:	Your tax bracket is approximately:	The interest rate you'd have to receive to net 12.61% after federal income tax is:
\$20,000 or less	25%	16.83%
\$25,000	30%	18.03%
\$35,000	40%	21.20%
\$50,000 or more	50%	25.22%

The above figures are approximate and are based on 1981 tax tables. The 12.61% interest rate is equal to 70% of average investment yield on one year U.S. Treasury bills as of 9/3/81 auction date

\*The 12.61% yield is effective for All Savers Certificates issued October 1, 2 or 3. After that the actual one-year certificate yield will be based on the most recent auction price of the 52 week U.S. Treasury Bills, at the time
