Judge Perdue Makes Changes In County Voting Locations

County Judge David N. Perdue has announced three polling place changes and the realignment of voting precincts for Knox City and Benjamin only.

In Knox City, all registered voters will remain in the same voting precinct. The locations will be changed to the Knox County Aging Center, from the Community Center and City Hall, which were used in the past. The Aging Center will be divided inside with Precinct 1 on the south end of the building and Precinct 2 on the north end of the building. All will enter the west door of the center.

In Benjamin, the Memorial Building will be used instead of the County Courthouse.

All other precincts in the county will remain the same.

These changes became necessary to comply with the Voting Accessibility Act for the Elderly and Handicapped, which became effective January 1, 1986.

1986-87 Budget Is Adopted By Council

The City Council of the City of Munday, Texas met Tuesday, April 8, at the Munday City Hall in regular session.

Members present were Mayor Doris Dickerson and Aldermen Von Marr, Jessie Andrade, Garon Tidwell, Jessie Tucker and Richard Albus. Aldermen-elect Gene Brown was also present.

Mayor Dickerson called the meeting to order. Minutes of the March 11, 1986 regular meeting and March 31, 1986 budget hearing were read. Marr moved listed minutes be approved as written with no alterations. Tucker seconded; all in favor.

First business was examination of election returns of the April 5, 1986 city officers election. Election returns were examined with the following results tabulated: for mayor: Doris Dickerson, 170 votes; Bill Logan, 1 vote; for aldermen: Richard Albus, 144 votes; Gene Brown, 170 votes; Jack Stewart, 1 vote; Doug Parker, 1 vote; Jim Way, 1 vote.

Andrade moved the following persons be declared elected: Doris Dickerson, mayor; Richard Albus and Gene Brown, aldermen. All three are two year terms. Tucker seconded the motion; all in favor.

Mayor Pro-Tem Tidwell read oaths of office with Mayor Doris Dickerson and Gene Brown repeating, and Dickerson and Brown were duly sworn into office. Mayor Dickerson read oath of office with Richard Albus repeating, and Albus was duly sworn into office.

Mayor Dickerson asked Gene Brown if he wished to begin his tenure at this point in the meeting. Alderman Marr requested he do so. Mayor Dickerson expressed sincere appreciation to Alderman Marr for his many dedicated hours as Police Department alderman. Marr left the meeting and Brown began his tenure. Mayor Dickerson then designated Alderman Brown Police Department alderman.

Mayor Dickerson next informed the council that the final hearing for the April 1, 1986 to March 31, 1987 budget is in session. No one, other than listed Council members, were present. Mayor Dickerson stated that he recommended passage of the budget as presented. The budget shows a deficit, he said, however delay of some capitol items might be possible. After budget review, Tidwell moved the April 1, 1986 to March 31, 1987 budget be adopted. Brown seconded the motion. All members voted for.

Child Abuse Seminar Set For Tuesday

Munday citizens are urged to attend an important public education seminar set for 7 p.m. Tuesday, April 22, in the Munday Community Center. The meeting is sponsored by the Knox County Child Welfare Board.

Jean Lyons, an Abilene counselor, will speak on the subject of sexual abuse in children and what happens to the offenders. The contrasting effects of imprisonment and probation with therapy will be explored.

As this is a growing problem in Knox County and in the rest of the country, area residents are asked to attend the seminar and learn what they can do to curb this epidemic.

recognition for the Sesquicentennial group for the fine job done on the City Hall lawn. The Council voted unanimously that an expression of appreciation be published in the Munday Courier.

Tucker next moved payment for the GTE maintenance contract be delayed until the council determines if an adjustment in charges is to be

made. Brown seconded; motion carried (should know in 30 to 60 days).

The following letters were read: (a) West Texas Utilities Company in regard to a proposed rate adjustment due to lower cost of fuel; (b) from Texas State Health Department in regard to sanitary landfill operations variance; (c) from North

Central Texas Municipal Water Authority in regard to possible future rate changes. No action was required on any of these items at this time.

After discussion, the City Council decided unanimously not to make a 1986 application for Texas Department of Community Affairs Block grant.

Liability and property insurance premiums were discussed. Any change will be delayed until October 1, 1986 when the present carrier (T.M.L.) coverage expires. In the interim, alternatives are to be investigated.

A letter was read in regard to "Operation Boot Strap." This letter commends past programs for elderly persons and suggests new approaches. This may be discussed further later.

A letter from Steve Carriker, State Representative, thanked Munday for its concern in regard to the insurance crisis. Possible future contacts by mail or phone may be needed, he said.

A new advisory reminded the Council about a new prompt payment law for City bill payment. It must be complied with or interest must be paid on past due accounts.

Mayor Dickerson informed the council that M.M. Booe has resigned from the library board. A Council member is needed, he said, to fill this job. After discussion, Mayor Dickerson appointed Garon Tidwell to serve on the Munday City-County Library board.

Tidwell moved bills be paid as follows: from airport fund, \$54.07; from ambulance fund, \$323.29; from operating fund, \$13,372.92. Andrade seconded; all in favor.

Meeting adjourned following a move by Brown with second from Albus.

Eligible persons must present identification before receiving these commodities.

May 12 Chosen County Cotton Planting Date

At a meeting held April 7, Knox County cotton producers unanimously selected Monday, May 12, as the uniform cotton planting date. The meeting was co-sponsored by the Knox County Boll Weevil Association and the Knox County Crops Committee.

Larry Smith, chairman of the crops committee, presented the date of May 12 to the producers as the planting date recommended by the crops committee and boll weevil association. The date selected is a week earlier than usual, so as to encourage all Knox County producers to participate in this proven boll weevil control program.

Emory Boring, Extension Service entomologist, pointed out that peak boll weevil emergence generally oc-

curs the last week of May or the first week of June. Research has shown that overwintered boll weevils typically line from 10 to 22 days after they emerge.

Selecting May 12 as the planting date will delay production of first one-third grown squares. Squares less than one-third grown are not large enough for developing boll weevils to survive. Only surviving female boll weevils are able to deposit their eggs in first one-third grown squares.

Early planting will provide early egg laying sites. This can result in the production of an additional weevil generation and larger weevil populations during the 1986 cotton production season.

SATURDAY TRACK ACTION

Munday To Be Host For District Meet

The district track meet will unfold here Saturday, April 19, with both boys and girls from junior high and high school teams entered. Activities at Phillip McAfee Track will begin at 9 a.m. with the preliminary competition, and finals will start at 1 p.m.

Teams entered include Munday, Knox City, Goree, Benjamin, Weiner, Rochester, Crowell, Chillicothe, Harrold and Vernon Northside.

Also scheduled is the dedication of the track in memory of the late Phillip McAfee, which will be held at 12:45 p.m., according to superintendent of schools Doyle Lowrance.

At the Pied Piper Relays in Hamlin last Saturday, the Moguls placed fifth overall. Breckenridge won both boys' and girls' divisions of the meet. Winning points for Munday were Adam Campos, who placed second in the mile run with a time of 4:55; Anthony Stinnett, who long

jumped 21'5" for second place; Jerry Shields, who ran a 22.45 for third place in the 200 meter dash;

Also, Tim Collier, who placed fourth in the 100 meter dash with a time of 11.25 and had another fourth in the high jump with a leap of 5'10"; the mile relay team of Jerry Shields, J.B. Jones, Anthony Stinnett and Curtis Taylor, which ran a 3:25.5 for fourth; Dent Offutt, who placed fourth in the 300 meter hurdles with a time of 41.4; and David Hertel, sixth in the same event, with 42.18.

Little League Meeting Set Tonight

Persons interested in helping with the summer youth baseball program in Munday are urged to attend a meeting of the Little League Association at 7 p.m. Thursday (tonight), April 17, at the Chamber of Commerce meeting room.

Plans for the 1986 Little League season will be discussed.

PLAYSCHOOL HELD THREE DAYS at the Munday home economics department was attended by Larinda Smith, Brian Urbanczyk, Michael Josselet, Miranda Zeissel and Amanda Myers, shown left to right. With them are homemaking students Mendie Stewart, Angel

Dockins, Leann Oustad, Althea McCrary and Elaina Morgan. Other children attending the special classes were Nicole Urbanczyk, Will Logan, Cody Cottingham, Amber Reed, Robert Dockins, Matt and Marc Way, Eric Beaty, Amber Hosea and Brant Reed.

KELLY EARP

News Items From Weinert School

Kelly Earp, a senior at Weinert High School, won medalist honors at the girls' district golf tournament held April 10 at the Knox City golf course. Kelly shot a score of 93.

She will participate in the regional golf tournament April 29 and 30 at Maxwell Municipal golf course in Abilene.

In other Weinert school news, cheerleaders for the 1986-87 school year were recently elected. Chosen were Sonya Nixon, senior, granddaughter of Mrs. Jessie Couch; Kelly Watkins, junior, granddaughter of Mrs. Thelma Edwards; Tina Briscoe, junior, daughter of Bill Briscoe; and Tina Herricks, freshman, daughter of Mr. and Mrs. Rex Herricks. The girls are selling Weinert Bulldogs caps and visors this week to raise money to attend cheerleader camp this summer.

The Weinert High School awards banquet has been set for 7:30 p.m. Friday, May 2, in the high school gym. A Sesquicentennial theme will be used. Tickets will go on sale Thursday, April 17.

CHAMBER BANQUET
(Continued from Page 1)

who will serve the chamber for the next year. In addition to Reeves, they include Jan Zeissel, vice-president; and Dolores Lambeth, treasurer. Mrs. Callie Ann Combs, longtime manager, received a standing ovation from the audience when Decker welcomed her back to work after an illness has kept her sidelined for several weeks.

Chamber directors for the coming year are J.E. Amerson, Don Buntin, Jim Cottingham, Gary Decker, Perry Kuehler, Lyndle Reeves, Dan Sloan, Gordon Smith and Dolores Lambeth. Area directors are Ronnelle Cude, Goree; Jan Zeissel, Rhineland; and Jo Heard, Gilliland. Directors retiring from the board this year are Ronnie Baker, Maynard Moore and Dub Moon.

In making the Citizen of the Year announcement, Decker said Mrs. Schur was yet to learn the word "no" when she is asked to perform a civic duty. "No job is too tough for her," he stated, "and she is always the first person on the scene and the last to leave."

Among Mrs. Schur's accomplishments are chairing the United Fund Drive in Munday in 1980, during which 101 percent of the goal was raised. She has served on the United Fund board of directors and is also on the City-County Library board. In 1984, she was publicity co-chairman of the revitalized Knox County Vegetable Festival, and she was general chairman of the 1985 festival. She is currently one of a three-member group representing Munday on the Knox County Sesquicentennial committee and has been involved in the landscaping project at the new City Hall.

Knox County Judge David Neil Perdue was guest speaker for the banquet. He addressed the audience in a humorous vein, at the same time outlining some of the changes facing Knox County's government in the future. Many of these changes are state-mandated and will prove a financial burden to the county.

Perdue then narrated a series of slides depicting Munday scenes both old and new and some of the better known citizens, including some of the Chamber directors at work. The judge encouraged those attending to take and preserve pictures of our town and life as it is today, saying such pictures will be priceless in the years to come.

Lyndle Reeves took over as president and presented Gary Decker with the past president's plaque in recognition of his service to the chamber. The benediction by Ray Hunter brought to a close the gala evening of entertainment and recognition of some of Munday's most industrious and useful citizens.

Late Tax Payments Costly

Paying taxes late can be an expensive decision, the Internal Revenue Service says.

The current interest rate of 10 percent, compounded daily, plus a late payment penalty of one-half of one percent per month, is added to late payments.

If your tax return is more than 60 days late, a penalty of the smaller of \$100 or 100 percent of the tax due will be assessed.

An American is a person who yells about the government spending too much and then asks for a hand-out for his community.

Increased Rebate Checks Boost City, County Treasuries

County tax rebates are still on the upswing, according to statistics sent by the office of State Comptroller Bob Bullock, who recently mailed checks totaling \$50.6 million in local sales tax rebates to the 1,015 cities in Texas that levy the one-percent city tax. The April checks represent taxes collected on sales made in February and reported to the comptroller's office in March.

Munday's check for \$2,291.51 was almost \$500 larger than last year's April rebate. Our 1986 total is \$14,989.68, 7.74 percent more than at this point in 1985.

Knox City received a check for \$4,053.13, an increase of less than \$100 from last year's check. But their four-month total of \$26,725.68 is still more than 20 percent ahead of this time last year, although it is predicted that a slump in oil production will begin to show up in Knox City's economical outlook before long.

Knox County has now received \$45,229.01 in tax rebates in 1986, which is an increase of 21.43 percent over 1985.

Local Residents Lend Helping Hand

Once again Munday area residents have shown how they will help out when there is a need. When Wendell Partridge had to have an emergency triple bypass surgery on Saturday, March 29, friends joined together to shred stalks, tandem the ground, list the soil and do other things needed to prepare it for planting.

Men who left their own fields without being asked to come help were Howard Myers, Slick Myers, Bill Myers, J.E. Hunter, J.L. Hunter, Johnny Hunter, James Amerson, Joe Tidwell, Danny Gulley, Robert Ford, Joe Warren, Don Hawkins, Dale Bloxham, Jimmy White, Melvin Vojkufka, Herbert Partridge, Victor Vasquez, Mike Aguayo, Tony Aguayo and T.J. Partridge.

Others would have helped if they had learned of the special deed, but most of the work was done before some people even knew about it. It should make us feel thankful to live in such a caring community.

Incidentally, Wink is home now, and reported to be recovering very well.

Beauty Pageant Entries Due May 15

The Knox County Vegetable Festival beauty pageant is set for June 27, 1986, according to chairman Phillis Urbanczyk, who is also co-chairman of the festival. She has announced some changes in the pageant structure.

Two Little Miss Vegetable Festival queens will be chosen this year. The two age divisions are three and four-year-olds and five and six-year-olds. Judges will not interview the entrants as in the past; instead, girls in each division will gather for a half-hour play time at which judges will talk to the girls on an informal basis and watch them at play.

Changes have been made in the Miss Vegetable Festival pageant plans, as well. Lists of all eligible girls in Munday and entry forms have been taken to each business in town, and every business is urged to choose one of the girls to sponsor.

The age division for the older girls is 14-18, and in both pageants, the contestants must fall into the age ranges as of June 17, 1986. The older girls will be interviewed by judges before the pageant. Any age-eligible girl in Knox County is invited to enter either pageant.

Entry fees for the Little Miss pageant are \$10 per contestant, and a \$30 fee will be charged for the older contestants. Little Miss candidates may be sponsored by a business or parent, and Miss Vegetable Festival contestants must be sponsored by a business. Businesses or parents of girls 3-6 years old who wish to sponsor a contestant should contact Phillis Urbanczyk at 422-4368 before May 15.

The blessing in being poor is that a woman can pay \$1.98 instead of \$25 for a \$1.98 hat.

THREE EVENT CHAIRMEN for the 1986 Knox County Vegetable Festival are shown above. Kerri Urbanczyk, at left, will direct the judged arts and crafts contest. Carol Cottingham shows a sample of the handiwork that will be available at the festival arts and crafts sale, and Phillis Urbanczyk serves a dual role, being chairman of the beauty pageant as well as co-chairman of the entire festival. The festival will be held in Munday on June 27 and 28.

New Feature In Vegetable Festival Arts, Crafts Show

Entries for the Knox County Vegetable Festival's arts and crafts display are being sought by Kerri Urbanczyk, chairman of the event. The display will be shown in the building next to West Texas Utilities.

Divisions in the event include photography, arts and crafts, art, decorative painting, textiles and a new category, the grandparents' brag corner. Individual or group snapshots - not professional photographs - will be accepted for this division, and area grandparents are urged to be looking for or taking really original pictures of their

grandchildren.

Prize ribbons in each category will be given to winners in three age groups - children, grades 1-5; youth, grades 6-12; and adults. Entries should be turned in on Friday afternoon, June 27, and will be judged that night or the next morning, after which the display will be open to the public.

Watch for more details in later issues of the Courier.

★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

Mrs. Dorothy Myers and Mrs. Larue Reeves of Munday visited Mr. and Mrs. Curtis Casey Sunday, April 6. They presented Mrs. Casey with a certificate for her 25 year membership in Delta Kappa Gamma.

Mr. and Mrs. Paul Bullion and granddaughter, Crystal, and Mrs. Margaret Bullion Daniel attended a Bullen-Bullion reunion at Georgetown, Texas Saturday and Sunday.

Former Truscott residents also attending were Murry and Shelley Bullion and sons of Plano, Sam and Wanda Bullion and sons of Lubbock, Kelly and Frankie of Odessa, Jack Bullion of Lorenzo and Mr. and Mrs. Clyde Bullion Jr., of Austin, with their daughter, Larue Fisher, her husband and two daughters.

Murry's twin sons, Matthew and Marek, returned to Truscott with their grandparents, Mr. and Mrs. Paul Bullion, for a few days.

The first Bullen-Bullion family has been able to find was a William, whose son, Elijah, came to Texas in the 1860's. Three of his brothers came and one stayed in Alabama. Elijah had eight daughters and one son, the Joseph Bullion who lived in Truscott. The spelling Bullion was not used until after the move to Texas, and not all the relatives adopted the new spelling.

The marriages and name changes of Joseph Bullion's eight sisters became lost over the years and it was less than three months ago that the Burnett and Williamson county relatives and the Knox County relatives made contact.

Ila Mae Bullion and Margaret Daniel have been working on the family history and got quite a bit of material at the reunion. They also informed the other relatives about Laura Bullion, one of the families more interesting ancestors who has been mentioned in several volumes of western history.

Mr. and Mrs. Bill James of Abilene visited Mr. and Mrs. Sydney Alexander Sunday.

The Rev. and Mrs. Claude Harris of Abilene visited Mr. and Mrs. Curtis Casey Sunday. They were on the way to visit their son at Ft. Collins.

Edna Eubank of Crowell visited in the Casey home here Monday.

Edgar Jones, Vernon Jones, and Mrs. Clara Brown attended the wedding of their granddaughter and niece, Tonja Lee of Vernon, to Greg Wilkinson of Devol, Okla., at Devol on Saturday.

Also attending their cousin's wedding were Ruth Brown Mescal and son, Alexander of Bayton, Bill Brown of Brownfield, and Jacquelyn Brown of Houston. They spent the weekend with their parents, Mr. and Mrs. Jack W. Brown, and also visited their grandmother, Mrs. Vivian Brown. Ruth and Alexander stayed for a longer visit.

Norma Lee of Vernon and Joyce Williams of Floydada visited in the Jack Brown and Edgar Jones homes Sunday afternoon.

Harold Barry is at home and recovering well from his foot surgery, according to a phone conversation with Harold and Carrie last week. Their telephone number is 512-659-0582 and their mailing address is Rt. 6, Box 48, Seguin, Texas, 78155. They hope to be back home in a few weeks.

The Truscott Extension Homemakers will have a program Thursday, April 17, on "Calcium in the Diet". Everyone is invited to the program at 2 p.m. which will be presented by the agent, Jane Lock-

nane.

The Knox County Sheriff will present a program on rural crime prevention at the Truscott community center at 7 p.m. on April 24.

Hot, dry southwest winds had wheat farmers worried Sunday afternoon, but a norther blew in Sunday night and Monday morning temperatures were in the 40's.

Paul Bullion and the Bullionaires will play at the Crowell rest home from 7-9 p.m. Thursday night, April 27.

REPUBLICAN PRIMARY POLLING PLACES

Knox County will have three voting places for the Republican primary May 3. Truscott, Gilliland, Vera, and Benjamin voters will vote at the Benjamin Memorial Center in the conference room, according to Knox County Republican chairman, Clara Brown.

Knox City and Sunset voters will vote at the Knox City Community Center and Munday and Goree voters will cast their Republican ballots at the Munday Elementary school.

This will be the first year the county has had three Republican voting places. Those wishing to vote absentee in the Republican primary should contact the county clerk.

Munday Man Re-Elected To Rolling Plains PCA Board

Rolling Plains Production Credit Association directors Dan Henard Jr. of Wellington and Garon B. Tidwell of Munday were re-elected to three-year terms at the stockholders annual meeting held in Stamford April 5. Other board members are chairman W.J. Boykin of Northfield, vice-chairman W.H. Williams of Spur and B.H. DeBusk of Anson.

John S. Rike III has been named president to succeed R.C. Cobb at his retirement May 1, 1986. Other officers will remain the same.

In the board report, Tidwell discussed implications of the 1985 Farm Credit bill. He also noted that Rolling Plains PCA's surplus and provision for loss accounts have more than doubled in the past six years, while at the same time maintaining competitive interest rates.

The nominating committee report was presented by chairman Larry Smith of Munday. Elected to serve on the 1987 nominating committee were L.H. (Jack) Felton, Childress; Johnny Scott, Matador; Walter Heller, Stamford; Kenneth Sanders, Weinert; and Lance Morris,

Crosbyton.

Retiring president R.C. Cobb gave the report from management and discussed the annual financial report in detail.

Humorist Dale Minnick of Oklahoma entertained the gathering with a laugh-filled monologue which also contained inspirational moments.

The Association maintains offices in Childress, Matador, Munday, Spur and Stamford.

Extension Service Issues "Wanted Alive" Announcement

In recognition of the many accidental injuries occurring to children, the following "WANTED ALIVE" announcement is issued by Dr. Gary Nelson, a safety specialist with the Texas Agricultural Extension Service.

The pair wanted are male and female between the ages of 5 and 10 (more or less) and stand belt high (more or less). Their eyes are brown,

blue, green or hazel and they go by aliases such as "princess, sweetface, good buddy and champ."

Their general habits dictate close supervision as they are attracted to such things as water and may be found around ponds and tanks. They beg to ride tractors and other dangerous power equipment. They're occasionally found climbing tall trees or on buildings. They have been known to play with matches and could cause problems where poisons are stored.

The pair were wanted at school for questioning regarding the completion of their studies. They are wanted at home to enjoy family meals, do homework and be hugged by parents.

Approach with caution. The pair are known pranksters and may be armed with bubble gum, sticky fingers and even an occasional sling shot. On their persons may be found rubber bands, small rocks, live pet bugs and numerous other seemingly innocent items. They are often found running in gangs; you should always expect the unexpected from them and their cohorts.

If found, hug daily. Supervise their activity. Teach them how to avoid childhood dangers. Be a good example. Set and enforce safe limits. And let them know they are loved and "wanted alive."

Local's Daughter In Korean Exercise

Army Capt. Katie M. Crumpton, daughter of Jack and Hilda A. Crumpton of Munday, has participated in Team Spirit '86, a Republic of Korea/United States Combined Forces Command sponsored exercise held in South Korea.

Team Spirit '86 was the eleventh in an annual series of combined/joint field training exercises staged to increase the defensive posture of Republic of Korea and U.S. combat and support forces.

The exercise involved forces stationed in South Korea, as well as U.S. forces from other locations within the Pacific Command and the continental United States.

Crumpton is a medical specialist with the 25th Infantry Division at Schofield Barracks, Hawaii.

WATCH FOR RUSSIAN WHEAT APHID

The Russian wheat aphid is a new pest facing Knox County wheat producers. Emory Boring, Extension Entomologist, has found a few of these aphids in the county.

They are easily distinguishable from other aphids common to this area. It is only about two millimeters long, has very short antennae, is green, and has a distinctive projection above the cauda, on tail,

which gives it a "double tail" appearance.

The Russian wheat aphids are found in the newest growth in rolled up leaves. After the leaves unroll the aphids disappear.

According to Boring, uninfested headed wheat is not likely to become infested. The infested plants are being found in spots three to five feet in diameter.

The aphid does its damage by injecting a toxin into the plants as it feeds. Infested plants turn purple, can have white streaking on the leaves and, when heavily infested, may make the tillers lie almost parallel to the ground.

Fields where these aphids are found should be inspected. The percentage of the field infested should be considered when determining the need for chemical control. An economic threshold has not been established. If chemical measures are needed parathion or methyl parathion might be combined with a systemic insecticide such as dimethoate or disulfoton.

Knox 4-H Livestock Meetings Scheduled

All Knox County 4-H members who plan to have any type of livestock project must attend one of the following meetings:

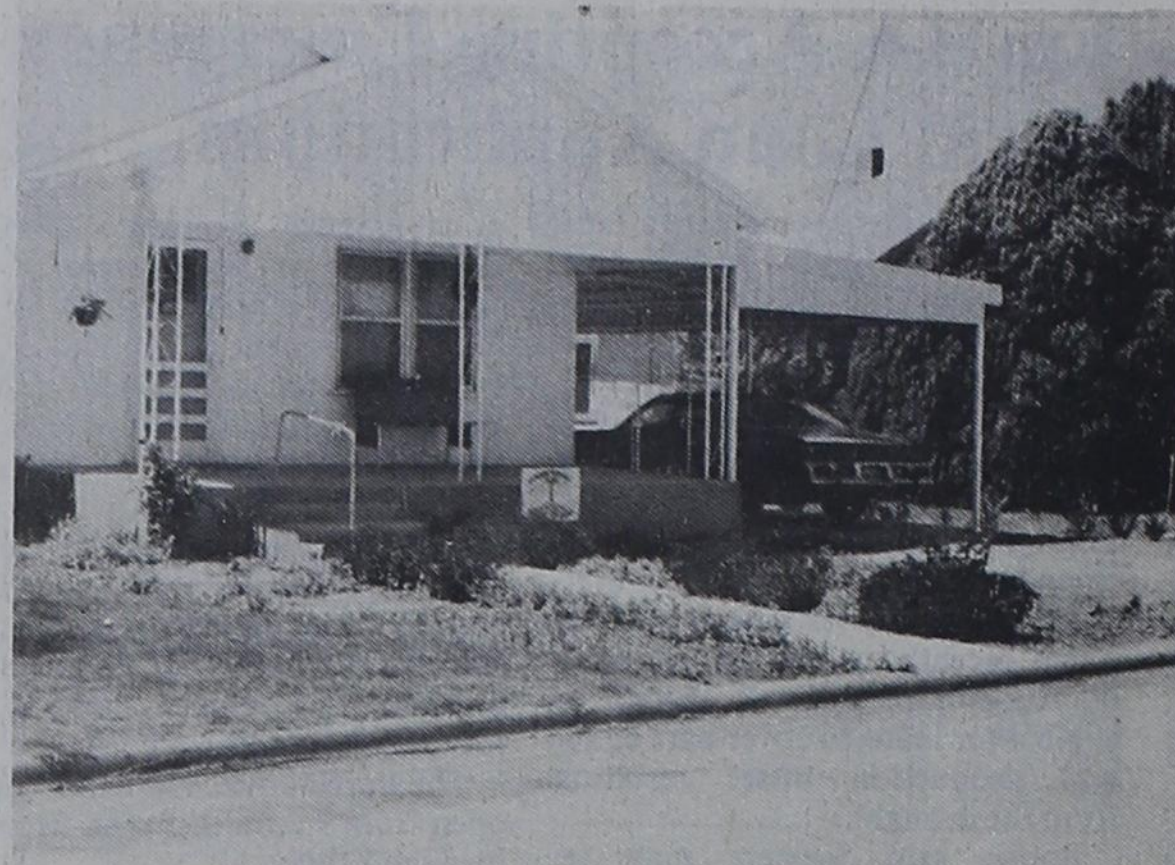

7 p.m. Tuesday, April 22, First United Methodist Church in Munday;

7 p.m. Thursday, April 24, vocational agriculture building in Knox City;

7 p.m. Monday, April 28 - Knox County courthouse in Benjamin.

4-H'ers interested in lamb, poultry, horse, steer, heifer, pig or rabbit projects must attend one of these meetings. Parental attendance is also requested.

Any questions regarding these meetings can be answered by the county Extension agent at 454-2651.

BUNCHES OF SCARLET blossoms brighten the yard of Ike and Ella Gresham at the north end of 7th Street in Munday. The Greshams moved this house in not long ago, and diligent yard work has created a pleasant scene from a patch of dry, barren ground. Some iris and other blooms are also dotted in the yard, and hanging baskets accent the porch area.

FmHA Accepting Emergency Farm Loan Applications

Applications for emergency farm loans for losses caused by hail, high winds, excessive rainfall and abnormally low temperature between May 19, 1985 and December 12, 1985, are being accepted at the Farmers Home Administration (FmHA) office in Knox City, FmHA county supervisor Joe T. Boone said Friday.

Knox County is one of 15 in Texas recently named by Secretary of Agriculture John R. Block as eligible for loans to cover part of actual production losses resulting from the drought.

Boone said farmers may be eligible for loans of up to 80 percent of their actual losses, or the operating loan needed to continue in business, or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate on the first \$100,000 borrowed is 5 percent; interest is 8 percent on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow from FmHA, the interest rate is 13.75 percent.

As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan, Boone said. Farmers participating in the PIK or federal crop insurance programs will have to figure in proceeds from those programs in determining their loss.

Applications for loans under this emergency designation will be accepted until December 3, 1986, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and

possibly carry over into the new farming season, Boone stated.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens, and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Knox City is open from 9 a.m. to 5 p.m. Monday through Friday.

Munday Play Wins Area Competition

"The Girl in the Mirror" and "Asylum", one-act plays done by students at Munday and Harrold high schools, won area honors at competition held Saturday, April 12, at Vernon. The two casts will now advance to the regional contest at McMurry College in Abilene April 26.

Kathy Hunter, who portrays a troubled teenager in "The Girl in the Mirror", won Best Actress recognition at the area contest, duplicating her winnings at zone and district. All-Star cast honorees from Munday were Russell Smith and Mark Brown, and Alexis Bordovsky won honorable mention.

The play is directed by Mrs. Karen Longan.

Two Gym-Dandeez Are State Champs

Ten Munday Gym-Dandeez competed in the state meet in Levelland on Saturday, April 12. Each of these youngsters had qualified for the state competition by placing in the top four gymnasts in their division at the district meet.

Approximately 500 gymnasts competed in the floor exercises, and 300 were in the trampoline competition. Divisions were ranked first through ninth, and those winning one of the top nine places have the distinction of being among the top gymnasts in their division in the state of Texas.

Two Knox County gymnasts, Nicole Urbanczyk, daughter of Mr. and Mrs. Jimmy Urbanczyk of Munday, and Dusty Bradley, son of Mr. and Mrs. Max Bradley of Knox City, won their respective divisions. Nicole was first in tumbling and second in trampoline in her age division, and Bradley was first in floor exercises, second on trampoline and second on the double mini-trampoline competition.

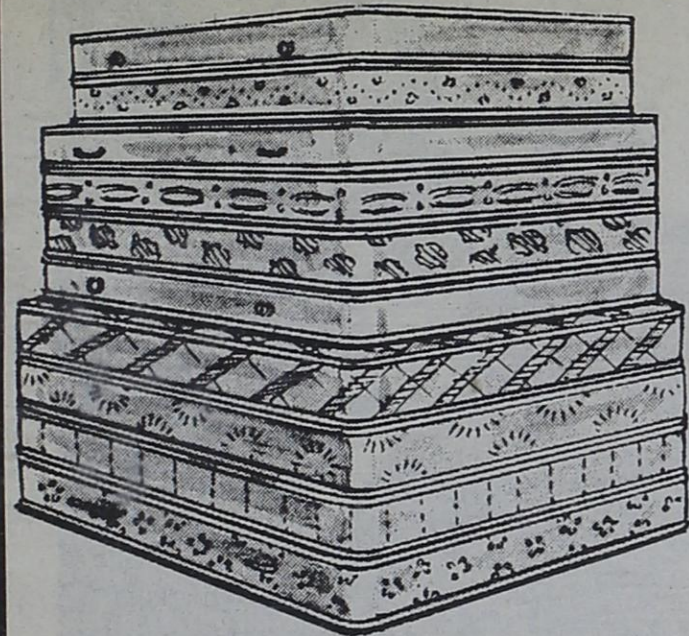

Other Gym-Dandeez placing were Doug Edrington, fourth in trampoline and fifth in tumbling; Will Dutton, fifth in tumbling; Cody Jones, sixth in tumbling; Haley Hutchinson, eighth in trampoline; Jennifer Yates, eighth in tumbling; and Lanasa Wilson, ninth in tumbling.

Mindi Zeissel and Dannette Owens received participant ribbons in tumbling and trampoline.

These youngsters are to be commended for achieving such a high level of excellence in their sport.

The only fool bigger than the person who knows it all is the person who argues with him.

SLEEK AND SIMPLE

Advances in appliance surface materials and decorative trims provide manufacturers with numerous design options, but European influences are shaping the consumer's concept of a high fashion appliance. A recent issue of Appliance magazine identified several style trends that consumers can expect to see in major home appliances, particularly in top-of-the-line models.

*Simple lines, free of elaborate embellishment or overbearing design.

*Rounded edges instead of sharp corners.

*Less graphics, resulting in a cleaner, uncluttered look.

*Subdued woodgrain accents and trim.

*Stylish numbers and lettering.

*Less use of chrome and bright metallic plating in knobs and dials, and a brushed metallic look in nameplates and panels instead of shiny metal.

*Panel fronts in interesting new woodgrain patterns and warmer tones, all integrated with the kitchen's wood cabinetry.

chen's wood cabinetry.

PLANNING LOW-COST, HIGH PROTEIN MAIN DISHES

Protein foods add important nutrients to our diets. So even if you're trying to save money, you'll want to keep these foods in your diet.

But there are some things you can do to plan low-cost protein main dishes:

*Use more low-cost protein foods, such as dry beans, eggs, peanut butter, turkey and chicken. Hamburger and liver are good buys in red meats.

*Shop the sales for red meats. If you find a good buy in a large roast, you can cut it up and use it in different ways for more than one meal.

*Include meat combined with other foods so it goes further. Spaghetti and meat sauce, beef stew, chicken and dumplings and tuna casserole are some ways to stretch your meat.

*Use less tender cuts of meat, including blade steak, chuck and arm roast. Make them tender by moist, slow cooking or using a marinade.

*Figure the cost per serving of meat to save money. As a general rule, meat with no bones has four servings per pound. Meat with some bones has two to three servings per pound. Meat with lots of bones has only one serving per pound.

*Serve eggs as a main dish. Two eggs provide the same amount of

protein as an average serving of meat.

WHAT'S NEW IN MICROWAVE OVEN COOKWARE?

A stroll through the microwave oven cookware department of a retail store will reveal a new type of cookware - disposable/reusable plastic cookware designed primarily for use in microwave ovens.

According to manufacturers, this new cookware can be used once and discarded, or reused up to 50 times. Although the cookware's designed for the budget-conscious microwave oven buyer, it offers several advantages in addition to low price.

-It can be used in conventional ovens up to 400 degrees F (unless directions state otherwise).

-It's lightweight and ideal for toting lunches to school or work, yet inexpensive enough to discard, like at picnics.

-It's designed for freezer-to-oven use.

Is disposable cookware just a fad or an emerging trend? It's too soon to tell, manufacturers say.

4-H's Invited To Local Workshop

4-H's wishing to enter public speech, method demonstration or illustrated talk competition this year need to begin working on these projects. A workshop will be held at 5 p.m. Tuesday, April 22, in the basement of the First United Methodist Church in Munday to assist youngsters interested in these fields.

The workshop will cover the basics of these presentations and answer any questions as well as providing help with the presentations. It would be helpful if 4-H's choose their topics and begin working on them before the workshop.

Interested 4-H's are invited to attend the session. For more information call the Knox County Extension office at 454-2651.

Goree's Reagins Receives Wayland Athletic Scholarship

Vincent Mason and Virgil Reagins of Clarendon College have joined Wayland Coach Mark Adams' list of basketball recruits, signing Pioneer athletic scholarship agreements to become the second and third recruits of the year.

Reagins, a 6'5" junior forward, tied for the individual scoring lead in the Western Junior College Athletic Conference this year, averaging 23 points per game. The first team all-conference selection also averaged eight rebounds per game.

Reagins averaged 20 points per game as a senior at Goree High School, leading the team to a 20-5 record. He is the son of Johnny and Vergue Reagins of Goree.

"Virgil is a great all-around player who can play defense as well as score," said Adams, who guided the Pioneers to their second straight national tournament appearance this year. "He is an outstanding offensive player who will give us more scoring punch at the forward position. Virgil is a quality addition to our team."

Both Mason and Reagins will graduate from Clarendon College in May and will be eligible to play for the Pioneers in the 1986-87 season.

400 meter relay - Rohn Kingston, Terry Collier, Marc Andrade and Perry Collier, first, 47.73.

Munday Honor Grad Earns Acceptance In MSU Mortar Board

Elaine M. Brown, daughter of Mr. and Mrs. Walter Brown of Munday, was inducted into the Cap and Gown chapter of Mortar Board at Midwestern State University on April 6, 1986.

Membership in this prestigious honor society is based on superior scholastic ability, outstanding and continual leadership, and dedicated service to the university community.

"It is a distinct honor to be tapped for membership by Mortar Board," said MSU's Dean of Students R. Dale Martin. "Unlike most honor societies, Mortar Board is an active society that holds regular monthly meetings and is involved in both service and social events. It is that willingness of the selected members to make the commitment to continue to serve that differentiates an honor society from an honorary."

A junior accounting major minoring in business administration, Miss Brown is also a member of the MSU Chapters of Alpha Lambda Delta and Alpha Chi and the Catholic Campus Ministry. She was a Clark Scholar nominee in 1985, and maintains a 3.85 grade point average.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Visiting in the home of Mr. and Mrs. K.B. Ritchie have been her brother, Mr. and Mrs. Calvin Hardin of Phoenix, Ariz., LaMoine Ritchie of Lubbock, Bill Parham of Idalou and Bart Parham of Henrietta.

Mrs. Lynda Herrington of Abilene came Sunday for a visit with her parents, Mr. and Mrs. George McKinney. On Monday, Lynda took George and Bertha to Wichita Falls where George received a medical check-up by his doctor.

A bridal tea honoring Mr. and Mrs. Bobby Laird was held at the First United Methodist Church Saturday afternoon, April 12, from 2 to 3:30 p.m. Hostesses for the tea were Mmes. Clyde Beck, Quel Hughes, Claudell Bratcher, Delbert Montgomery, Loran Patterson, Paul Weiss, Gaylon Scott, Armon Smith, Ruben Richard and Carl Coulston. Mrs. Laird is the former Minka Trainham.

Mr. and Mrs. Harold Beck and Mr. and Mrs. Ernest Beck Jr. were in Dallas Thursday to be with their sister-in-law, Mrs. Clyde Beck, who underwent open heart surgery early Thursday morning at Baylor Hospital. Aleitha is reported to be recovering nicely.

Mrs. Jerrell Trainham accompanied a daughter, Mrs. Toby Crooks and Stephanie of Seymour,

to Plano on Sunday where they visited in the home of Mr. and Mrs. Royce Young and family. They were accompanied home by Mrs. Sabra Rice who had been a visitor in the Young home.

Mr. and Mrs. Bill Miller and two girls, Gidget and Heidi of Perryton, have now moved to Vera and are living in the house formerly owned and occupied by the late Mr. and Mrs. E.C. Hardin, north of Vera.

Mr. and Mrs. George McKinney are boasting a new little granddaughter, De'ana Marie, daughter of Mr. and Mrs. Jerry McCarty of Houston.

Mrs. Robert Nix of Munday visited her mother, Mrs. Henry Patterson, Friday. Other visitors of Mrs. Patterson on Sunday were Mr. and Mrs. Rex Patterson of Benjamin.

Mr. and Mrs. Gaylon Scott visited Mr. and Mrs. Clyde Beck in Dallas on Sunday where Aleitha is a patient at Baylor Hospital.

Mr. and Mrs. Elmer Laird and two daughters, Doncie and Deborah of Midwest City, Okla., were visitors in the Jerrell Trainham home and attended the bridal tea for Minka and Bobby.

It always pays to smile in the morning, because later in the day you may not feel like it.

WTU Customers To Get Second Refund

West Texas Utilities Co. has received permission from the Public Utility Commission of Texas to refund more than \$9 million in over-collected fuel costs to its retail customers.

The PUC's action was in response to a request filed March 17 by WTU. The total amount to be refunded includes \$9,146,092 in actual fuel costs savings which have accumulated since the current fuel rate for WTU was set by the PUC last August, plus \$215,837 in interest.

The refunds will be made through one-time credits on bills customers will receive in May. The typical customer should receive about \$22.

Also approved was WTU's proposal to reduce its fuel rates, technically known as the Interim Quarterly

Fixed Fuel Factor, for the three-month period beginning in May. WTU officials estimate that fuel charges to customers will drop by 8.2 percent during that period. Base rates for kilowatt-hours used have not changed since 1984 and will remain the same.

WTU's fuel costs have declined for two years in a row, largely due to a softening natural gas market. Utility companies are allowed to pass the fuel costs to customers. Adjustments for over-collections or under-collections formerly were made automatically each month, but since 1983 utilities in Texas have collected fuel costs through fixed factors, which have necessitated refunds. This will be WTU's second refund within a year.

CARD OF THANKS

We would like to express our thanks to our friends and relatives in Munday for the thoughtfulness and caring shown at the loss of our loved one. The cards, flowers, food, memorial gifts and prayers were greatly appreciated. Special thanks to the ladies of the First Baptist Church for preparing the meal for the family and to Bro. Jim Way for the beautiful service. We will always remember each expression of sympathy and concern.

May God bless each of you,
The family of Jewel Warren

CARD OF THANKS

We would like to take this opportunity to extend a special Thank You to the staff and management of the Munday Nursing Center for their loving and attentive care of Jewel Warren. Employees at the Nursing Center should be commended for their devotion to their patients. We are indeed grateful.

The family of Jewel Warren

CARD OF THANKS

We want to thank all our friends and neighbors for the floral gifts and memorials and for the food, calls and visits made to us during the loss of our mother and grandmother. We personally want to thank Rev. Russ Byard for his visits and calls, the First United Methodist Churches in Munday and Goree for the meal served to the family, the Munday Nursing Center for their care and Richie and Kevin Smith for their compassion and understanding of our needs.

It makes a time like this easier to bear, knowing that you care. May God richly bless each of you.

The family of Mrs. Willie Weaver

CARD OF THANKS

Words cannot express my many thanks to all my customers and friends who showed concern and patience while I was out of the shop due to illness. Thanks for the calls, visits, food, flowers, cards, and your special thought and prayers that helped me recover faster. May God richly bless each and everyone.

Looking forward to being back in the shop this week. My family wants to thank you, too.

NOTICE TO RECEIVE BIDS

The Knox County Commissioners court will accept bids for asphalt seal coating on two miles in Precinct No. 4. Bids will be accepted until 10:00 a.m. on April 28, 1986.

For details of specifications contact Lee Patterson, Commissioner Precinct 4 at AC 817-422-5280. The Commissioners Court has the right to accept or reject any or all bids submitted. Bids should be submitted to County Judge, P.O. Box 77, Benjamin, Texas 79505. 29-2tc

CARD OF THANKS

Many, many thanks to all our family and friends for your love, help and concern since our accident. The prayers, phone calls, visits, cards, flowers and food were greatly appreciated.

We feel we have been blessed in so many ways, especially with a wonderful family and good friends. Our fervent prayer is that God will bless each of you in a very special way.

Texas Boys Choir To Stop In Seymour

The Texas Boys Choir will be presented in two concerts on Saturday, April 26, in the Seymour High School auditorium. The 3 and 7:30 p.m. concerts are sponsored by the Seymour/Baylor County Sesquicentennial Committee.

The Fort Worth group consists of 26 young Texans and two boys from South Australia, which is also celebrating its 150th birthday this year. After presenting several Sesquicentennial performances in Texas, the choir will depart for a tour that will include concerts in Hawaii, Japan, South Australia and various stops in Europe, as well as several performances in the continental United States.

Advance tickets for the Seymour performances are available for \$7. Tickets at the door will be \$8. For advance tickets, write Mrs. Mary Ruth Higgins at Route 2, Box 47, Seymour, Texas 76380, and specify either the afternoon or evening performance. *****

Letter To The Editor

Dear Friends:

Enclosed is my check for another year of home town news. I really look forward to my paper each week. Even though I've been away from that area since January, 1956, it's still home to me. I was born in the Hefner Community in 1911, and lived in Hefner, Goree, and Munday all my life until moving to Irving.

Yours truly,
Ruby B. Wickham

Knox County Physician Recommends HIB Vaccine

Dr. Shirley Barretto, who has offices in Knox City and Munday, is announcing her recommendation that children between the ages of two and five years old receive an HIB vaccination.

This vaccine is for the Hemophilus influenzae type organisms, which are the most common cause of bacterial ear infections, respiratory infection and more serious and life threatening infections that affect the lining of the brain in children in this age group.

She recommends that parents consult their physicians about immunizations with this vaccine. *****
