## Wagon Train Arrives Soon

The Sesquicentennial wagon train that is traveling throughout the state will arrive at Cactus Farms near Benjamin at approximately 5 p.m. Sunday, June 1. Everyone is invited to a barbecue supper, catered by B&D Pit Barbecue of Knox City, and to hear the musical entertainment.

The train will stay at the ranch all day Monday, and will leave early Tuesday morning, June 3. Monday's activities will include booths, games for youngsters, old-fashioned horse races and other entertainment.

About 100 acres of land is needed for the wagon train encampment, and various other expenses will be incurred. Accounts have been set up at the First National Bank in Munday and Citizens State Bank in Knox City for donations to help feed the wagon train travelers and stock and to defray other expenses. Proceeds left over will be donated to the Knox County Historical Museum which is being arranged on the third floor of the Knox County Courthouse in Benjamin.

All county residents are encouraged to take advantage of this once-in-a-lifetime occurrence and attend all the activities relating to the wagon train's stop in Knox County.

## City Council Holds 1986 Budget Hearing

The first 1986 budget hearing for the Munday City Council was held Monday, March 31. Members present for the special session were aldermen Garon Tidwell, Richard Albus, Jessie Andrade and Jessie Tucker. Mayor Doris Dickerson and alderman Von Marr were absent.

Tidwell, mayor pro-tem, called the meeting to order and explained the purpose of the public hearing. No one other than the councilmen appeared at the meeting.

The budget, which includes revenue sharing funds and all other city funds for the fiscal year April 1, 1986 to March 31, 1987, was prepared by the city administrator and examined by Mayor Dickerson. It is based largely on last year's experience and the known obligations for this fiscal year. After examination, the Council agreed that it is a close budget, but due to local economic conditions, no increases, other than some minor changes, will have to be made.

The budget will be approved, or the Council will direct that further hearings be held, at the regular Council meeting set for Tuesday, April 8.

## Youth Watch Fingerprinting Program Slated At M-System

Parents of children in the Munday area can take advantage of a unique opportunity on Friday and Saturday, April 18 and 19, when the Munday M-System will offer a fingerprint and identification program. Youth Watch I.D. is sponsored by KSEY, KXOX and KVRP radio stations and by the Pepsi Company.

Trained volunteers will be fingerprinting children accompanied by an adult or those old enough to fill out the information cards. On these cards, along with spaces for fingerprints, are blanks for such information as eye and hair color, height, weight, birthdate, doctor's name and identifying medical information.

Each person who presents himself for fingerprinting will be weighed, measured for height and photographed, and the picture will be placed on the card. The card will then be laminated and returned to the owner.

Clint Gibson, district supervisor for Pepsi, said the entire process should take about ten minutes. And it is not limited to children; any adult wishing to obtain one of the fingerprint/identification cards is

THIS GROUP OF Munday High School academic standouts will travel to Abilene later this month to participate in the regional UIL academic contest. The students qualified for regional by placing in the top three in their respective events at the district contest held last week. Pictured from left are Tony Wilde, Kathy Hun-

ter, Jay Donoho, Lynette Norman, Howard McPherson, Salwa Choucair, Douglas Schumacher, Laura Myers and Kelly Wren. Kathy is a sophomore, Jay, Howard and Douglas are juniors and the other students are MHS seniors.

## IN UIL ACADEMICS

### Nine Munday Students Qualify For Regional

Munday High School won second place in the district UIL academic meet last week with a total of 148 points. Knox City, on the strength of several wins in the journalism event, won the contest with 192 points. Harrold was third with 125. Other teams competing were Benjamin, Chillicothe, Crowell, Northside, Rochester and Weinert.

Advancing to regional competition from Munday were Salwa Choucair, first in Lincoln-Douglas debate and first in persuasive speaking; Laura Myers, second in informative speaking; Kathy Hunter, first in journalism feature writing; Kelly Wren, first in calculator applications; Lynette Norman, second in ready writing; Howard McPherson, second in science and first in literary criticism; Douglas Schumacher, first in spelling; and Jay Donoho and Tony Wilde, second and third, respectively, in literary criticism.

Other places won by Munday students were fourth in team debate, Mark Brown and Chad Bordovsky; sixth in prose interpretation, Kathy Hunter; second alternate in editorial writing, Salwa Choucair; second alternate in number sense, Neil

Waggoner; second alternate in science, Glen Reid and Jay Donoho; tie; and fifth and sixth, respectively, in spelling, Alexis Bordovsky and David Hertel.

The Weinert debate team of Darla Griffis and Stacia Adams took first in that contest, while second and third were won by Mondy Mayfield-Kevin Messenger and Wesley Tibbets-Andrew Garza. Other area results included Karen McGuire, Weinert, second, and Barry Walker, Weinert, fourth, in Lincoln-Douglas debate; Amy Castillo, Weinert, second alternate, informative speaking; Sonya Nixon, Weinert, second alternate in persuasive speaking; Buster Redwine, Benjamin, third in science, Becky Griffith, Benjamin, second in spelling.

Also counting in the point total for Munday was the district-winning one-act play, "The Girl in the Mirror."

Regional UIL competition is slated for April 25-26 at McMurry College in Abilene.

## Something To Think About

We all gripe about the prices of nearly everything we have to buy, so it's always a real eye-opener to hear about the unbelievable costs of items overseas.

Bill Fitzgerald, who is serving another term of missionary duty in northern Nigeria, recently wrote to some home folks and informed them that the price of tires there had come down to \$400 each. A local tire distributor said that Fitzgerald had bought tires to take home with him a couple of years ago when the price was \$600 a tire. Tubes, Bill added, are now \$50. And remember, the roads these tires have to be used on weren't exactly built by the Texas Highway Department.

Bill said he hopes the hometown people realize how fortunate they are to have farm supplies and vehicle spare parts at their fingertips and at such cheap prices. He invites all the gripers to come over there for a quick cure!

If there's a moral to this story, guess it's just that no matter how bad off we think we are, we can always look around and find somebody who is much less fortunate. Humbling, isn't it?

## Incumbents, Tidwell Win School Election

Byron Gass and Ronnie Stewart retained their seats on the Munday Independent School District board of trustees, and a third seat was won by Joe Tidwell in Saturday's school and city elections in Munday.

Gass topped the balloting with 168 votes and Stewart followed with 164. Narrowly losing his bid to win a school board seat was Bob Therman, who received 158 votes. Bill Longan garnered eight write-in votes.

Tidwell won the two-year unexpired seat with 177 votes, defeating Judy Wilde, who received 55, and Dr. A. Dale Selzer, with 38.

Mayor Doris Dickerson, running unopposed, received 270 votes. Gene Brown had 170 for councilman, and incumbent Richard Albus received 144. Write-in votes were polled by Jack Stewart, Doug Parker and Jim Way, one each.

In Goree, two persons were written in to win school board seats. James Peek won 55 votes and Gayle Hudson received 44. Peek was one of the two incumbent candidates who had not filed for re-election. Raymond Allen, who was unopposed for an unexpired term, had 52 votes.

Goree city councilmen Bob Pres-

nall, Margie Allen and W.D. Robinson Sr. were elected with 59, 56 and 54 votes, respectively. All were incumbents.

A runoff election will be needed in Benjamin to decide a third city council seat. Incumbents Buddy Tolson and Sarah Meinzer, with 66 and 58 votes, respectively, retained their seats, and Henry Rogers and Weldon Gideon will face off in the runoff. The two men earned 42 votes each Saturday. Other candidates were Dickie McCanlies, 41 votes, and Randy Hibdon, 30 votes.

Billy Ben Benson and Davey Oxford, incumbents, and Tracy Cartwright were elected to the Benjamin City Council.

Three incumbent councilmen were re-elected in Knox City. Larry Staggs led the voting with 113, Jonathan Godsey had 102 and Frankie Baker 96. Challenger Luther Clemons received 84 votes.

Jimmy Tankersley and Terry Carter won the school board election unopposed.

## Elementary School Conducting Survey

The Munday ISD is conducting a survey to determine the number of pre-kindergarten eligible students residing in the district.

If your child will be four years old on or before September 1, 1986, is unable to speak and comprehend the English language and/or comes from a family at or below subsistence level, the school would like to obtain information concerning these children.

This information should be brought to the elementary school office any school day.

## C Of C Banquet Unfolds Tonight

For a delicious meal, good entertainment and an interesting program, be sure to attend the Munday Chamber of Commerce and Agriculture banquet, set for 7 p.m. Thursday (tonight), April 10, in the high school gym.

Gary Decker, chamber president, will be master of ceremonies, and at the end of the evening he will turn his gavel over to Lyndle Reeves, who has been elected president for the 1986-87 year. Ernestine Michels of the Shamrock Cafe will cater the meal, and if past banquets are any indication, the dinner alone will be worth the ticket price.

The Imitation Stats of Seymour will provide musical entertainment, and the Honorable David Neil Perdue, Knox County Judge, will address the audience on the past, present and future of Munday. The highlight of the night, as always, will be the announcement of the Citizen of the Year, for which honor many nominations have been examined.

Tickets can be obtained from any chamber director or by calling the Chamber of Commerce.

SET FOR JUNE 27-28

## Vegetable Festival In Planning Stage

Dates for the 1986 Knox County Vegetable Festival are June 27 and 28, and plans are being made to create the biggest and most successful festival ever. Jan Zeissel, general chairman, recently announced chairmen for the various festival activities.

Kathy Bowen has accepted the job of publicity chairman, Phillis Urbanczyk will plan and direct the Vegetable Festival pageants, which will be held June 28, David Nagel is in charge of the producers market, Jim Dillon is chairman of the fruit and vegetable judging, Dayle Kuehler is chairman of the baked and canned goods show, and the Munday Garden Club will again sponsor the flower show.

Carol Cottingham is chairman of the arts and crafts sale, and Kerri Urbanczyk will handle the arts and crafts display. Callie Ann Combs and the Chamber of Commerce will take care of promotional items, and Jean Leflar will chair the antiques and history division. Entertainment will be under the direction

of Mickie Hutchinson.

A new entry in this year's festival will be a stew cookoff, and chairmen of this committee are Mary Groves and Judy Perdue. Persons in the county who feel they can really whip up a good pot of stew should be on the lookout for further information about this cookoff.

Poster contests in the Goree and Munday schools will begin shortly, and the winning posters will be placed in store windows to advertise the festival.

Any individual or organization wishing to sponsor a food booth should call Jan Zeissel or Callie Ann Combs, and anyone interested in volunteering to help with any part of the festival is urged to contact Mrs. Zeissel or Kathy Bowen. More information on all the activities will be released in future Courier articles.

Promotion Day for the 1986 festival will be Saturday, June 21. Among the activities planned are a parade, races, gymnastics exhibition and the Anything Goes competition.

LEADING THE SENIOR CLASS at Munday High School this year are the above officers. From left are Neil Waggoner, reporter; Kelly Wren, treasurer; Gregg Sanders, president; Salwa Choucair, secretary; and Mark Brown, vice-president. Parents of these students are the Marion Waggoners, Jerry Wrens, Kenneth Sanders, Mrs. Selma Choucair and the Gene Browns.

### SPRING WEED CONTROL IN LAWNS

Spring weeds are off to a "blooming" start thanks to the early warm temperatures. The most prominent weeds I have seen in lawns are henbit, dandelion and wild lettuce. These weeds usually come out first and this year beat most of the premerge applications.

What can be done to get rid of these pests? All of the weeds I have

listed are broadleaf weeds. The two easiest methods to control established broadleaf weeds in lawns are chemical or mechanical.

There are several herbicides available to control broadleaf weeds in lawns. Herbicides available locally include Weed-B-Gon by Ortho and Wipe-Out by Greenlight. Some products cannot be used on St. Augustine and other types of grasses but most are safe for bermuda grass. Always read and follow label instructions before applying any chemical.

The second but oldest method to control broadleaf weeds in lawns is by hand or hoe - "mechanical." These methods may be cheapest if you don't have a heavy weed problem. The mechanical control of henbit, dandelions or wild lettuce can be difficult and unsuccessful due to the long tap root common for these weeds. When using a hoe or your hands be sure to remove the crown and as much of the tap root as possible to prevent regrowth.

These early spring weeds not only spoil the looks of a nice lawn but they also rob important nutrients from the soil. The new grass of spring can compete against the faster growing weeds. This will result in slower growth and a less healthy lawn.

Help your lawn get off to a good start this spring by getting rid of those spring weeds.

## Local's Grandson Earns Eagle Award

Craig Patrick Vaughn, son of Joe and Carla Vaughn of Carrollton and grandson of Carl Booe of Munday, received his Eagle Scout award in court of honor ceremonies on Monday, March 31, in the First United Methodist Church of Carrollton. The Eagle award is the highest honor presented by the Boy Scouts of America.

Scoutmaster George Etier was in charge of the ceremony, with assistance by other adult leaders in the troop. Rev. Dr. Paul L. Morell, senior pastor of the church, said the invocation, and John Scarbrough, a fellow member of the troop, voiced the benediction. Presentation and retiring of colors was done by Troop 121, of which Vaughn is a member. Vaughn began scouting in 1974 and advanced through the ranks, serving in several leadership capacities. He has earned 21 merit badges as well as the Scout Lifeguard designation. His Eagle project consisted of planning and coordination of several Scouts in the erection of playground equipment for the Carrollton Christian Academy.

He is a senior at Newman Smith High School in Carrollton, where he is a member of the National Honor Society and president of the vocational club. He is also a member of the First United Methodist Church in Carrollton, where he is active in the choir, Sunday school and youth activities.

Vaughn will attend Texas A&M University this fall.

## Preparing For Flower Show Is Topic At Garden Club Luncheon

Members of the Munday Garden Club enjoyed a salad luncheon on Tuesday, April 1, at the Munday Church of Christ. Mrs. Joe Roberts, president, was in charge of the business meeting.

A report on the Yard of the Week contest was given. Program leader for the meeting was Marie Kirschner. Guest speakers were Iris Roberts and Flora Howard of Quana, who spoke about preparing for a flower show, giving several helpful pointers for a successful show.

Floralee Floyd made arrange-

ments for the program, and all the members contributed table arrangements. Hostesses for the meeting were Mmes. Dan Offutt, Sam Stone, Grady Phillips, R.L. Latham, Nolan Phillips, and Lonnie Offutt.

Paul Richwine was a guest, and members attending were Mmes. Weldon Floyd, Mickey Jackson, Wes Kirschner, R.L. Latham, Dick Moore, E.H. Nelson, Dan Offutt, Lonnie Offutt, J.T. Offutt, Norene Hawkins, Joe Roberts, Bill Smith, L.L. Wise and Louise Amerson.

## Hosts Sought For Exchange Students

If you are interested in seeing the world and learning about different cultures and customs, Internation Student Exchange, Inc., can help you meet the world in your own home.

This organization is seeking host families for foreign exchange students from Brazil, Mexico, Japan, England, Spain, Germany and New Zealand. These students, ages 15-19, will live as a member of the host family and attend the local high school. These students are carefully screened, covered by medical insurance and provide their own spending money.

Many foreign students are eager to experience the American way of life and share their own culture. Anyone who would like to participate in this unique experience should contact Internation Student Exchange, Inc., P.O. Box 58, Fort Jones, California 96032, phone 916-468-2264.

MR. and MRS. BOBBY JOE LAIRD

## Wedding Vows Unite Couple March 29 In Vera Ceremony

Minka D'Ann Trainham and Bobby Joe Laird were united in marriage at 7 o'clock in the evening, Saturday, March 29, in the Vera Baptist Church. The Rev. Delmar McBeath, pastor of the church, officiated at the ceremony.

Parents of the bride are Mr. and Mrs. Jerrell Trainham of Vera and the groom's parents are Mr. and Mrs. Elmer Laird of Midwest City, Okla.

Traditional wedding music was furnished by Mrs. Carl Coulston.

The bride was given in marriage by her father. She wore a formal gown of white silk organza fash-

ioned with a sweetheart neckline framed in lace, a tufted bodice and puffed sleeves. The skirt was adorned with bows and tucks at the hemline. A tiara of roses and pearls held a fingertip veil of illusion net and she carried a nosegay of silk flowers in spring colors accented with baby's breath.

The bride's maid of honor was Stephanie Crooks of Seymour. She wore a white eyelet gown accented with shades of orchid ribbon. She carried a single long-stemmed silk rose with orchid ribbon streamers to match the gown.

The groom's best man was Timothy Guy of Midwest City, Okla. Ushers were Toby Crooks, brother-in-law of the bride, of Seymour, Luther Laird, brother of the groom, and John Dimasi, both of Midwest City, Okla.

A reception was held at the home of the bride's parents following the ceremony. The bride's table was covered with a white eyelet lace table cloth. A silver candelabra trimmed with orchid silk flowers centered the table. The wedding

cake was decorated with spring colors and topped with a bride and groom. The groom's table was covered with an orchid checked cloth, and chocolate sheath cake was served.

The bride is a graduate of Seymour High School and attended Vernon Regional Junior College. The groom is a graduate of Midwest City High School. The couple plan to make their home in Plano where he is employed by Ace Backhoe and Trenching.

Out-of-town guests attending the wedding were Mr. and Mrs. John Dimasi, Shannon Dean, Donice Laird, Deborah Laird, Luther Laird, and Mr. and Mrs. Elmer Laird, all of Midwest City, Okla., Mrs. Georgia Forkner of Amarillo, Mr. and Mrs. Royce Young of Plano and Mrs. Evelyn Balis of Knox City.

## Engagement Announcement

Mr. and Mrs. Charles R. Hicks of Hawley and Mr. and Mrs. Roy W. Frazier of Goree are proud to announce the engagement and approaching marriage of their daughter, Cambie Jean, of Munday, formerly of Hawley, to Waymon Dale Alexander, son of Mr. and Mrs. H.D. Alexander of Munday.

The bride-to-be is an employee of Allsup's Convenience Store in Munday and the prospective groom is employed by the M-System Super Market in Munday.

The couple will live in Munday after a June wedding.

### WATER HAS HIDDEN SODIUM

Those whose doctors have told them to follow a low-sodium diet, find sodium comes from more places than just the salt shaker.

There's sodium in drinking water. Most people don't think about the sodium content in drinking water. The Journal of the American Dietetic Association reports adults can get 10 per cent of their daily intake of sodium from the two and a half quarts of water that most adults drink each day. Other "hidden sources" of sodium include distilled and bottled water and carbonated water in soft drinks.

Prevent snagging of knitted garments when laundering by first closing all fasteners and zippers and by turning the garments inside out.

### SHOPPING THE GARAGE SALES

You can tell it's spring - the garage sale signs are popping up all over! If you're planning on shopping these sales for clothing items, don't forget to take along a tape measure and a list of measurements of clothes that fit you and other members of your family. Since you typically can't try on the clothes at a garage sale, getting the right size is important.

Clothes that are the same size can measure differently in the chest, waist and hips. That's why your list of measurements and a tape measure will come in handy. Measure before you buy - even when the item is marked for size, so you can make sure you're not wasting your money on something that won't fit.

### ALL ABOUT PRETZELS

How Did The Pretzel Get Its Shape? In 610 A.D. a European monk wanted to find something to do with the leftover ends of some bread dough. His solution? To roll them out and fold the dough into the shape of a child's arms folded in prayer. He's give the goodie to children as a reward for learning their prayers.

How Did The Pretzel Get Its Name? Some say the monk called his treat a "bracellea" (Latin for "little arms"). Other believe he called it "pretiola" (Latin for "little reward"). Who to believe? An Old Wedding Custom!!!

A few hundred years ago, the pretzel was part of some wedding ceremonies. The bride and groom would each make a wish, and while at the altar, play tug-of-war with a pretzel. The pretzel would tear, and the person with the larger piece would have the wish come true.

### Senior Citizens See Early-Day Clothing

Virginia Cary

A program on early-day clothing in Texas was given by county Extension Agent Jane Lockname in honor of the state's 150th birthday at the regular meeting of the Munday Senior Citizens held Thursday, April 3. Rennie Patterson, president, was in charge of the business meeting.

Euris Reid voiced the opening prayer, and all members recited the Pledge of Allegiance. Minutes of the March meeting were read and approved, and the treasurer's report was accepted as given.

Upon hearing a report by the singing committee, several expressed willingness to have singing nights again. A song night was set for April 24, and game nights for the group are April 10 and 17.

Grace for the noon meal was said by Grace Hutchinson. Everyone enjoyed a delicious covered dish lunch, followed by a period of fellowship. The meeting adjourned until 10:30 a.m. Thursday, May 1. All senior citizens are welcome at these meetings, which are held at the Community Center.

### Wellington Man Announces Candidacy

Doug Seal of Wellington has announced his candidacy for the 13th U.S. Congressional District seat to be filled in the general election next fall. Seal's name will be on the ballot in the May Democratic primary.

A farmer-rancher and businessman in Collingsworth and Childress counties, Seal has served as a member of the state Democratic executive committee, as Collingsworth County Democratic chairman and as chairman of the Democratic Agriculture Caucus.

### Savings Bonds Sales Up 40% In Texas

Sales of U.S. savings bonds during January 1986 in Texas amounted to \$28,095,341, an increase of \$5,163,035 for 39.9% over the January a year ago, T.J. Morrow, district director for U.S. Savings Bonds Division in Dallas, announced recently. These sales represent 7.6% of the state's 1986 assigned dollar goal of \$370,000,000.

Sales of Series EE Bonds amounted to \$3,660 during January, 1986 in Knox County, according to M.L. Wiggins, volunteer county chairman. These sales represent 1.4% of the county's 1986 assigned dollar goal.

Nationally, January 1986 sales of Series EE Bonds totaled \$575 million, an increase of 39% over 1985 sales, the highest January total since 1979. Savings bonds held by the public topped \$80 billion in January, increasing \$451 million in the month to \$80.25 billion.

Much of the growth in sales is due to savings bonds' new market-based rate which was effective November 1, 1982. This rate is adjusted on May 1 and November 1 each year. Bonds held at least five years earn 85 percent of the average rate on five-year Treasury securities or 7.5 percent, whichever is higher. The current rate for the six month period ending April 30, 1986, is 8.36 percent. The average rate for the period November 1, 1982 through April 30, 1986 is 9.69 percent. Bonds held less than five years earn interest on a fixed, graduated scale.

The latest information on bonds can be obtained by calling toll-free 1-800-US BONDS.

### Sesquicentennial Meeting Planned

A meeting of the Knox County Sesquicentennial steering committee will be held at 7:30 p.m. Wednesday, April 16, in the assembly room of the county courthouse in Benjamin.

Proceeds from sales of the Knox County history book should be turned in at that time. Interested citizens are invited.

### Check Frozen Dinner Labels For Fat And Sodium Contents

People who are trying to cut back on salt and fat in their diets should carefully read the labels on the frozen plate dinners and entrees they buy, says a Texas A&M University Agricultural Extension Service (TAEX) nutritionist.

According to Mary K. Sweeten, a recent study by the U.S. Department of Agriculture shows that

store-bought frozen dinners and entrees have high levels of fat and sodium.

Sodium content ranged from 900 to 1164 milligrams in the five national brand products tested, while 1100 to 3300 milligrams of sodium is estimated to be a safe and adequate daily intake for adults, she explains.

The fat content of frozen dinners included in the study ranged from 14 to 24 grams per serving for dinners and 2 to 16 grams per serving for the entrees. The lighter entrees contained 2 to 5 grams of fat per serving.

This amount of fat in frozen dinners and entrees represents a substantial part of the recommended 65 to 75 grams for persons consuming about 2000 calories a day, she adds.

"Judging the nutritional adequacy of frozen plate dinners and entrees is no easy task, even with the help of nutrition labels," says Sweeten. "But it's especially important that people on low-sodium or low-fat diets make the effort."

The TAEX nutritionist suggests that consumers use nutrition labels to make comparisons among the products.

"Look for those that contain higher percentages of the Recommended Dietary Allowances for the most nutrients," she advises. Also look for products that contain fewer grams of fat, or a lower percentage of total calories as fat, and fewer milligrams of sodium."

When you buy a convenience product that is low in certain nutrients or higher in fat or sodium, you can compensate by adjusting what you eat during the rest of the day, says the nutritionist.

"She also recommends comparing the nutrient content of the frozen meal to the foods you typically eat.

If the convenience product contains about the same amount of meat, vegetable or fruit, and rice or pasta you normally eat at a meal, it probably will make a similar nutritional contribution to your day's food intake, Sweeten remarks.

### Eye Health Is No Accident: Observe Safety Precautions

Eye injuries are all too common. They happen everywhere--at home, at work, at school, at sports. As a result, nearly one million Americans have to get along with impaired vision.

Most of these eye injuries could have been prevented. The Texas Medical Association says nine out of every 10 needn't have occurred.

Every year more than 5,000 eye injuries are caused by mishaps in the yard and garden. Pruning bushes, using lawnmowers, chopping wood, and using chain saws require precautions. Chemicals in pesticides, herbicides, and fertilizers can severely burn your eyes.

Read thoroughly all package labels and instruction sheets that go with gardening tools and chemicals. Keep others away when you're mowing the lawn. And wear goggles or safety glasses while doing yard work.

Sports and recreational activities result in 34,000 eye injuries a year. The majority of these accidental injuries happen during competitive games like baseball, tennis, racquetball, basketball and football. Other recreation-related eye accidents are associated with bicycling, shooting BB guns and archery.

Observe the safety rules when you play. Wear special eyewear for sports activities. Eye protectors for people not requiring corrective lenses are available at sporting goods stores and sports facilities or through many ophthalmologists (eye doctors) and opticians. If you require corrective lenses, have your prescription made up in safety glasses.

More eye injuries -- some 42 percent-- happen around the house than anywhere else. Cleaning agents are very often the cause. Oven cleaners, drain cleaners, furniture cleaners, and bleaches contain harsh chemicals that can produce serious eye injury or blindness.

Read labels and instructions thoroughly before using cleaning products. Before you use a spray, be sure the nozzle is directed away from you. Wear special goggles to protect your eyes from dangerous substances.

About 35,000 eye injuries occur annually in the home workshop. Eye injuries can be caused by sparks, plaster dust, nails and screws, and by paints, varnishes and adhesives.

Have your tools in good repair. Know the chemical composition of your materials. Observe all the suggested precautions for their use. Always wear goggles or safety glasses when you work.

### HOME FROM HOSPITAL

Virginia Griffith returned home last Wednesday after several days stay in the St. Mary's of the Plains Hospital in Lubbock. She underwent surgery on Wednesday, March 26 and is doing real well since her return home.

Jim Bohannon is a patient in the Humana Hospital in Abilene undergoing tests. He entered the Abilene hospital on Friday after several days in the Knox County Hospital.

We visited with Homer T. and Kathleen Melton Friday evening. Homer is still sort of "out of commission" but seemed to be feeling some better and is in a pretty good mood.

Shari Parker returned home Sunday after a few days in the Haskell Hospital. She's much better and is back at school today.

### HERE AND THERE

Easter guests of Bertha Driver were Mike, Brenda and Blake Driver of Albuquerque, N.M., the Driver's son, Heath, remained in Albuquerque for a soccer game, Stella Roberson of Quanah, Tibb and Georganne Burnett of Austin, Billy and Penny Trainham of El Paso, Gary and Janet Kirk of Dallas and Mrs. Floyd Bailey of Knox City.

Rex and Maretha Patterson visited the C.B. Clowers at Midland

during the weekend. The Clowers are spending some time with their daughter and family, the Bill Powers.

Visiting the Leroy Wests Sunday were her uncle and aunt, Mr. and Mrs. Jack Smith of Carlsbad, N.M., also Jewel Ford of Knox City.

Mr. and Mrs. Thomas Sitton of Lubbock visited briefly with their niece, Gladene Green and Van.

Van and Gladene Green attended the Little Miss Paducah and Miss Cottle-King Pageant in Paducah Saturday night. Their granddaughter, Melissa Taylor, was a contestant in the Miss Cottle-King division. She was one of the five finalists but failed to make the top three.

Kim Trepanier spent the weekend with her sister, Kathy Tovar, in Burkburnett.

Jack and Iva Dell Barnard of Wenatchee, Washington have been visiting her brother, Butch McCannell, and other relatives and friends.

Dub and Jo Cartwright spent a few days this past week with their son and family, the Terry Cartwrights, in Lakewood, Colo. and getting acquainted with their new grandson, Philip Chase.

## Three New Members Inducted Into Area Teachers' Society

The regular meeting of Delta Kappa Gamma's Beta Chi chapter was held Saturday, April 5, in the First United Methodist Church of Aspermont with 32 members in attendance.

Dorothy Myers, president, called the meeting to order. During a short business meeting, Ina Cowan's written request to change her membership from active life to reserve life status was presented and approved by the members.

Beta Chi's new award, a certificate of appreciation in recognition of 25 years or more of service to the society, went to the following: Virginia Casey, Hazel Weaver, Madalin Hunt, Gretchen Colehour, Erma Liles, Iva Palmer, Ina Cowan, Mary Holden, Sammie Carpenter, Exa Faye Penman, Rozelle Wilkinson, Willie Geer, Mabel Derr, Marie Ward, Grace Mullen, Mauryse Stone, Maxine Klump, Thelma Smith, Alice Partridge, Margie Lott, Faye Woodson, Mary Martin, Georjane Meadows and Norma Robbins.

The Beta Chi project for the year was to complete a written history. Each member's history and recommendation for membership form were organized in a notebook in the order that they are listed in the club yearbook. The notebook was covered with red and white quilted gingham checks and edged with white eyelet lace, and the words Beta Chi were monogrammed in red on the front. The membership expressed appreciation to Janice Dutton for making the beautiful cover and for helping Mrs. Myers organize the material.

Christie Stapleton read a memorial service in honor of past presidents Jonnye Pumphrey, 1947-1949, and Hazel Long, 1976-1978. Marie Ward and Lillian Logan shared memories of these women as teachers, friends and dedicated members of Beta Chi, and Marie Ward read a poem, "When I Must

Leave You," by Helen Steiner Rice. Linda Chapman closed the ceremony with a piano presentation of *The Lord's Prayer*.

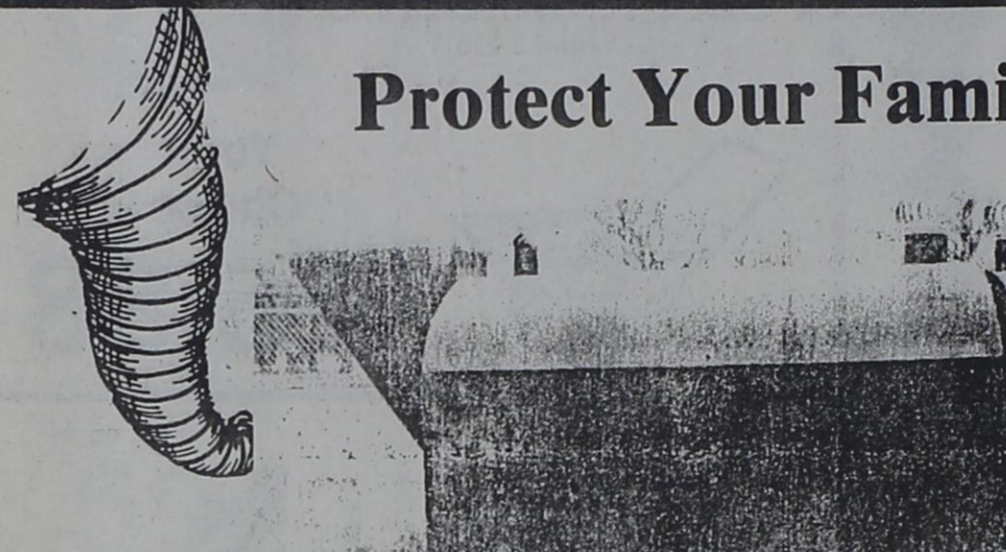

Betty Sanders, ceremonies chairman, and other chapter members conducted an initiation ceremony for three new active members, Lynda Burris of Haskell, Deana Mitchell of Aspermont and Debbie Wilson of Munday. Mary Martin, accompanied by Linda Chapman on the piano, led the members in singing the Delta Kappa Gamma song.

Zoy Risinger of Knox City extended a welcome to all to attend the May 3 Beta Chi luncheon meeting in Knox City.

A SEA OF IRIS bordered with bluebonnets caught the attention of judges looking around for a likely Yard of the Week candidate. The purple, yellow and white iris and the deep blue of our state flower give plenty of color in the yard of Porter and Leona Blankenship at 710 N. 3rd Avenue, and contrasts beautifully with the sparkling white frame house.

### Mrs. Warren Dies In Nursing Center

Margaret Jewel Warren, 84, died Saturday, April 5, at the Munday Nursing Center. Services were at 10 a.m. Monday, April 7, at the First Baptist Church in Munday with Rev. Jim Way, pastor, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Serving as pallbearers were Charles Baker, Bobby Hutchinson, Dorse Collins, Garon Tidwell, John Phillips and Gene Brown.

She was born March 22, 1902, in Cooke County and married Arnold Blaine Warren December 23, 1917 in Munday. He preceded her in death in 1978. A resident of Munday since 1917, she was a member of the First Baptist Church.

Survivors include a daughter, Lois Duke of Munday; three sisters, Juanita Dunnam and Inez Mobley of Haskell and Elizabeth Burton of El Paso; a brother, Walter Medley of Haskell; a granddaughter and two great-grandchildren.

### Notify Postal Service And IRS Of Address Change

If you move after filing your federal income tax return and you are expecting a refund, notify the post office serving your old address as soon as possible, the Internal Revenue Service says.

Also, notify in writing the IRS Service Center where your return was filed of the address change to help the IRS forward your tax refund. When informing the IRS of your address change, your Social Security number must be included in the correspondence.

### METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

## What If You Had To Pay For Your Electricity WHEN You Used It?

## You'd Realize All That Goes Into Your Monthly Bill.

What if you had to pay for the electricity it takes to run a television set every time you wanted to watch T.V.? Or if you had to pay before you could flip on a light switch? Or before you could use a coffee maker or electric can opener?

Because you pay for your electricity MONTHLY, it's easy to forget all that goes into your electric bill. That is, easy to forget UNTIL a bill comes around to remind you. Even then, if you will divide the amount billed for electricity by the number of days in that billing period, you

will see how little it costs to supply your home with electric energy for one day.

The amount you pay per day for electricity enables you to heat and cool your home, cook meals, run stereos, clocks, door bells, hair dryers, mixers, toasters, ceiling fans, and much more! All without having to pay WHEN you flip a switch.

When you consider all the things that go into your monthly electric bill, you'll see what a good bargain your electricity really is!

Remember REDDY Supplies the energy—  
but only YOU can use it wisely!

## Services Held For Lifetime Resident

Willie Mittie Weaver, 83, died Saturday, April 5, in the Munday Nursing Center. Services were at 2 p.m. Tuesday, April 8, at the First United Methodist Church in Munday with Rev. Russ Byard, pastor, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Pallbearers were Robert Beck, Ricky Harlan, Gary Eggleston, Jody Garber, Gabriel Sanchez and Grady Weaver.

A lifetime resident of Knox County, Mrs. Weaver was born here April 13, 1902, and was a member of the First United Methodist Church. Survivors include two sons, Don J. Weaver of Gautier, Miss., and Glynn Weaver of Goree; a daughter, Beatrice Simmons of Houston; ten grandchildren and 17 great-grandchildren.

It has been estimated that about 2.5 billion copies of the Bible have been sold in the world since 1816.

ADAM JEFFREY COOKE

Hi There World!

I am Adam Jeffrey Cooke (call me A.J.), and I arrived at 3:24 a.m. Monday, March 17, at the Knox County Hospital. I weighed 5 lbs. 8 oz., and was 20 inches long.

Talk about proud! My parents, Jeff and LaJuana Cooke of Knox City, are the only people to ever have a kid. They won't ever come out of the clouds!

I will have lots of aunts, uncles, cousins and grandparents to spoil me. Mr. and Mrs. Norman Tolleson of Munday, Mr. and Mrs. Lane Davis of Knox City and Mr. and Mrs. Don Hudson of Seymour are my grandparents, and Mr. and Mrs. Grant Clark of Mapleton, Utah, D.W. Putman of Sulphur Springs and Mrs. Ida Mae Vaden of Seymour are my great-grandparents. I even have two great-grandmothers, Mrs. Clarence Wade of Mt. Pleasant and Mrs. Oma Vaden of Seymour.

**THESE YOUNG MEN** tried their hand at cake-baking last week in a swap with homemaking students. Besides baking, the ag boys cooked breakfast and did some mending jobs, and instructor Mrs. Penny Winchester said they did very well. Shown from left are Bill Walker, James Gass, Ricky Taylor, Jerry Shields, Hollis Adams, John Paul Browning and Leandro Hernandez.

**JUNIOR CLASS OFFICERS** at Munday High School posed for a shot during lunch hour one day. In the rear are Chris Baker, student council representative, and Jay Donoho, class president. In front are, from left, Jeff Bruce, reporter; Douglas Schumacher, treasurer; Howard McPherson, vice-president; and Jimmy Sosa, secretary. These young men are the sons of the Kenneth Bakers, Doug Donohos, Lee Bruces, Albert Schumachers, Jim Edwards and Salvador Sosas.

**Band Calendar Orders Due Soon**

Remember that Munday Band Booster calendar order form you stacked with the rest of your mail, or put in the drawer, or stuck underneath a stack of bills?

You still have time to mail the form in - but not much time! Orders

for calendars or requests for name and anniversary listings are due April 30, and the calendar won't be complete unless it has YOUR name on it.

If you did not receive a form or have misplaced it, there is a copy in this edition of the *Courier*, and you can cut it out and mail to the Band Boosters. Remember, time is running out!

**THE WORKINGS OF THIS MOTOR** may be very familiar to students in the ag shop, but they were a mystery to the group of Homemaking III girls who traded places with the ag boys last week. As well as the crash course in mechanics, the young ladies also cooked the meat for a luncheon held to conclude the swap. Steve LeFevre, ag teacher, said, "These girls may not be learning anything, but we sure are having fun!" Pictured under the hood are Althea McCrary, Donna Welch, JoAnn Hamilton, Lynette Norman, Elaine Morgan and Ann Kuehler.

**Farmers Grain Ups Storage Capacity**

An addition to the storage tanks at Farmers Grain Co-op in Munday will give the business a capacity of about 700,000 bushels, according to Maynard Moore, manager.

The tank, a twin to the one built in 1983, will hold 125,000 bushels. It is being constructed by Bradley Grain Storage of Winters. It is adjacent to the other tank, and grain will still be loaded and unloaded from the existing elevator.

It would take a combination of a

bumper wheat crop and a shortage of railroad cars for the tanks to get completely full with the additional storage capacity, although Moore said he has about 460,000 bushels of government wheat on hand and doesn't know when he will be able to get rid of it. He said the tanks stored 550,000 bushels at one time last year, when the elevator took in a record of over 900,000 bushels of wheat.

The projected completion date for the new storage tank is May 20, which should be just in time for the 1986 harvest.

## CARD OF THANKS

Thank you all for the many kindnesses shown me while I was in the hospital and since I have returned home. For the beautiful flowers, the cards, telephone calls, visits and most of all, your prayers, I will always be grateful. May God bless each of you. Maudie Clower

## CARD OF THANKS

I want to express my thanks for all the kindness shown during my stay in the hospital and since my return home. The flowers, cards and visits were day-brighteners, and your concern was greatly appreciated. Special thanks go to those who helped take care of my children. It's great to have such wonderful friends. Paula Nuckols

## PUBLIC NOTICES "BECAUSE THE PEOPLE MUST KNOW"

### NOTICE OF SHERIFF'S SALE

The State of Texas, County of Knox. Know all men by these presents: Whereas, on the 6th day of November, 1985, Rolling Plains Well Service, Inc., a Texas Corporation acquired judgment in the 50th District Court of Knox County, Texas, in Cause No. 7084 against Defendant, Lennis Tibbets ("Tibbets") for the sum of \$3,807.50 plus \$1,000.00 attorney's fees with interest thereon from the 6th day of November, 1985 at 9% per annum, and all costs of suit; and

Whereas, Rolling Plains Well Service, Inc. has abstracted said judgment in the Real Estate Records of Knox County thereby placing a lien on property owned by Tibbets in Knox County; and

Whereas, to secure payment of said judgment Rolling Plains Well Service, Inc., has requested the undersigned to sell the working interest owned by Tibbets in what is commonly known as the Benedict oil, gas and mineral leases situated in Knox County, Texas, as more particularly described in Exhibit "A", attached hereto and incorporated herein by reference, (herein the "Property"), and to apply the proceeds to amounts due under said judgment.

Now, therefore, notice is hereby given that on Tuesday, the 6th day of May, 1986, between the hours of 10:00 o'clock a.m. and 4:00 o'clock p.m., I will sell the property at the door of the Knox County Courthouse, Benjamin, Texas, to the highest bidder, for cash, all in accordance with the provisions of the Texas Rules of Civil Procedure and the Texas Revised Civil Statutes.

Witness my hand this 31st day of March, 1986.

## EXHIBIT I: ENVIRONMENTAL REQUIREMENTS

"The Farmers Home Administration (FmHA) has received an application for financial assistance from the Town of Gore. The specific element of this proposed action is to replace the existing wastewater treatment facility. Improvements will include one facultative lagoon, two wastewater stabilization ponds and necessary piping and flowmeter, to be located on and adjacent to the site of the existing facility.

FmHA has assessed the potential environmental impacts of the proposed action and has determined that it will not significantly affect the quality of the human environment. Therefore, FmHA will not prepare an environmental impact statement for this project.

Any written comments regarding this determination should be provided within fifteen (15) days of this publication to Mr. Charles B. Hart, Community Programs Loan Officer, Farmers Home Administration, 101 South Main Street, Suite 102, Temple, Texas 76501, telephone 817-774-1306."

FmHA will make no further decisions regarding this proposed action during this fifteen day period. Requests to review the FmHA environmental assessment upon which this determination is based or to receive a copy of it should be directed to the above address. 27-2tc

## IN TENNIS

### Girls' Doubles Team Advances

Several Munday High School athletes were in Knox City Monday afternoon for the zone tennis competition. Salwa Choucair and Laura Myers won fourth in girls doubles and advanced to the district contest in Vernon on Wednesday, April 9. Coach David Milson was to accompany the team.

The team of Choucair and Myers defeated the Rochester #2 team in their first match. The girls then lost to Bateman and Fry of Knox City and to the Rochester #1 team in a marathon set. Their scores were 3-6, 7-5, 8-6.

In other tennis action, Jay Donoho and Chris Baker were defeated 7-5, 6-1 by Rochester, and a Rochester girls' team beat Holly Jackson and Angie Partridge. Lewis and Escamilla of Knox City defeated Ryan Offutt and Jeff Bruce.

In singles games, Ricky Wupperman of Knox City beat Corey Moore, and Jerry Gutierrez, also of Knox City, defeated John Paul Browning. Also competing in the match were Weinert and Benjamin teams. \*\*\*\*\*
