

Local Chamber kicks off "Munday Blooms" project

The Munday Chamber of Commerce is once again sponsoring the "Munday Blooms!" project as they did last year. The project uses pansies to add color to businesses and homes in Munday.

The pansy blooms through April, and is a good flower for the area. Delivery date will be late October, which will give everyone plenty of time to have them planted before Homecoming, November 5.

The flats will be available in many colors, including mixed,

yellow with blotch, white with blotch, and purple with blotch. Dillon Greenhouse will grow the flowers.

Kerri Urbanczyk, Chamber president, encourages everyone to decorate their homes and business planters with these beautiful winter flowers.

All orders must be in by June 25. Payment needs to be made when ordering the pansies. An order form can be found in an ad elsewhere in this week's Courier.

Physician Assistant student training under Dr. Barretto

Rene Halbert of Arlington will become a familiar face around the Knox County Hospital and clinics in Munday and Knox City. She will be here for eight weeks working under Dr. Shirley Barretto to receive her required hours of family practice to become a Physician Assistant.

After working eight years as an assistant, or "go-pher", in the medical practice, Rene decided to go to school and become certified. She is a student at the University of Texas Southwestern Medical Center in Dallas.

The Knox County Hospital has an agreement with the university to accept students as part of their curriculum. By doing so, it will perhaps encourage the students to start a practice in a rural community by showing them the advantages and needs of small towns.

According to Rene, this is her

first time to experience small town living. She was born in Okinowa where her father was stationed while in the Air Force. They lived all over the United States until she married in 1983 and settled down in Texas. She is currently living at the hospital where she can be close to the emergency room. "I feel like royalty. My meals are prepared, room cleaned, and I only have to wash my clothes! I have felt very welcome here. Everyone has been really nice," she said.

Myron Halbert, Rene's husband, is from a small town in Nebraska with a population of 400. He was raised on a farm and worked with cattle, something he would like to do again some day, she said. They have two daughters, Kimber who is 10, and Kristen, 6.

Rene will be take the National Board Exam in October, and will work in Health Under Serve Areas in Dallas County.

Welcome to Knox County, Rene!

Firemen sponsor Bass Tournament at Millers Creek

The Munday Volunteer Fire Department Bass Tournament drew 53 entries Sunday, June 12, at Millers Creek Reservoir. The weather could not have been better, with sunny skies and light wind.

Brad Dubert of Aspermont was the big winner of the day. His three fish, weighing a total of 11.79, won him \$649.25. He also won the optional Big Bass pot with a 5.33 bass, adding \$250.00 to his earnings.

Jay Friemel of Canyon placed second with a stringer totaling 10.31. He received a check for \$389.55.

Third place went to a Seymour man, James Morris. James weighed in three fish totaling 9.66, and took home \$259.70.

Bob Hood of Booker placed fourth with a 9.58 total, and John Myers of Munday was close behind, placing fifth with 9.56.

Charlie Pankhurst of Munday was the lucky winner of the fish cooker, his name being drawn from all the tournament entries.

There was lots of activities on Saturday, June 11, at the boat dock. The Munday, Goree and Knox City volunteer firemen and their families joined in games of horse-shoe pitching, fire hose racing, and water polo, followed by a hamburger cookout. Benjamin VFD was also invited, but they were unable to attend.

It was a fun weekend for all involved.

Extension office plans pressure canner testing clinic

The Texas Agricultural Extension Service will be offering a free pressure canner check (for canners with dial gauges) on the following dates:

Monday, June 10 - 1:00 p.m. - 4:00 p.m. and Tuesday, June 21 - 9:00 a.m. - 12:00 noon in the Knox County Extension office in Benjamin.

It is recommended that pressure canners with dial gauges be checked annually for gauge accuracy. This is a quick, simple procedure and the canner lid with dial gauge is all that is needed for the check.

Free materials with up to date food preservation information and guideline is also available through the Extension Service.

For more information contact Jane Rowan at the Knox County Extension office - 817-454-2651.

Golf Clinic for youth to begin June 20th at Lake Creek Course

A Golf Clinic will be held June 20-24 at Lake Creek Golf Course for all boys and girls ages 10 and up.

The boys will play each morning from 8:30 to 9:30, followed by the girls from 9:30 to 10:30. The cost is \$25.00.

For more information or to sign up for the classes, call 422-4746 or 422-4080.

MUNDAY NURSING CENTER representatives were honored at a banquet in Dallas May 23 for earning another E-Award for 1993. Pictured standing are President of Beverly Enterprises David Banks, Area Manager Wayne Gray, Sandy King, Dietary Service Manager in Munday, and Vice President Carolyn Burns; sitting, Joyce Hardin, Administrator of Munday Nursing Center, and Charlotte Welch, RN, Director of Nurses.

Nursing Center earns award for excellence

Munday Nursing Center has received the prestigious E-Award for the second year in a row.

The E-Award is given by Beverly Enterprises for excellence in quality care in every department. They received another large plaque to add to their collection.

A banquet was held May 23 in Dallas for the thirty-one homes of Beverly Enterprises receiving the E-Award. Attending from Munday were Joyce Hardin, administrator, Charlotte Welch, RN and Director of Nurses, and Sandy Smith, 24 Karat Team Leader and Dietary Service Manager.

On June 7, an E-Award Dinner was held at the Branding Iron in Rochester for all employees of the local nursing home. They chose to have a small celebration this year and donate the remaining funds to the Weaver family in memory of Maegan Weaver.

Stay cool and save energy during hottest part of year

The long hot days of summer are upon us. When temperatures reach the 90s, you wonder how to stay cool and save energy at the same time. West Texas Utilities Company offers these tips to help use energy wisely during this hottest part of the summer.

*Check air conditioning filters each month and replace them at least every 30 days. Dirty filters cause the equipment to work harder and use more electricity.

*For economy, set the air conditioner thermostat no lower than 78 degrees. Each degree below that adds to the cost.

*Use portable and ceiling fans whenever possible to help circulate air and reduce the amount of air conditioning required.

*Set thermostats at a higher temperature when away from home. The air conditioner won't cycle as often while you're out.

*Perform heavy housework chores in the cooler time of the day. This includes washing dishes, baking and laundry work, chores which create heat and moisture that put an extra strain on the air conditioner. Vent clothes dryers to the outside and use kitchen exhaust fans to get rid of excess heat.

*Block out direct sunlight as much as possible. Close curtains, shades and blinds to hold down the temperature inside the house. Consider light-colored roofs, outside wall material, drapes and solar screens that reflect the heat.

*Weather-strip doors and windows to prevent expensive air

leaks. Make sure all windows and doors are closed when the air conditioning unit is operating.

*The attic should be properly ventilated to prevent excess heat build-up which causes a cooling system to work harder.

*Insulation is very important and can pay for itself by lowering cooling costs by as much as 20 percent. Use insulation with a high "R" value. WTU energy experts suggest R-30 to R-38 for ceilings, R-16 for outside walls and R-19 for use under raised floors. Also, an 11.0 or higher Seasonal Energy Efficiency Ratio (SEER) is preferred for air conditioning units and heat pumps.

*Air conditioning and heat pump equipment should be inspected and serviced each year to operate at maximum efficiency.

*If you have a fireplace, be sure the damper is tightly closed.

*Keep furniture and draperies away from air vents inside the house. Air should be allowed to flow freely throughout the home.

*Shrubby growing against the outside walls, as well as trees that shade the roof, act as a barrier against the sun and can reduce the amount of energy required to cool a home. However, keep shrubbery trimmed away from the outdoor compressor unit so that there is ample room for good air circulation.

These tips can help the homeowner make it through the upcoming "dog days of August" while using energy wisely around the house.

Heritage Festival Roping is Saturday

Munday may look like a ranch town Saturday morning when pickups pulling horse trailers start arriving, all headed to the Brazos Valley Roping Arena to sign up for the big team roping contest.

The first Munday Heritage Festival Team Roping is expected to kick off at 10:00 sharp Saturday morning, June 18. The books will open at 8 a.m. and close at 9:30 a.m., so anyone interested in entering better not be late. First to enter will be the last to rope.

This is a #4 novice four-head roping. Each team, consisting of a header and a heeler, will pay \$60 per entry. Once you miss your steer, you're out of the running, so most of the participants will enter more than once. The team with the best combined time at the end of the day will win the top prize, a two-horse trailer for each team member. Second prize will be two Double J Saddles, third place - two breast collars, and fourth place - two Frontier buckles. Sixty percent of the entry money will also be awarded.

There will be food booths and soft drinks for sale at the arena. The Munday volunteer firemen will be selling hamburgers and red beans, the Men's Fellowship

All Star Teams to be announced Thursday, Friday

This is the last week of the regular baseball season. Now it's time to choose All Star teams and see how they stand up to players from other towns.

Thursday night, June 16, the Little League All Stars will be announced following the match between the Red Sox and the Cardinals. That game starts at 8:15. Also on Thursday the T-Ball games will end with the Mighty Ducks and the Bullfrogs playing at 5:00.

On Friday, the girls' softball All Stars will be announced, as will the Pee Wee All Stars. The 9 and 10 year old Little League players will play the Pee Wee All Stars. The Pee Wee All Stars will also be playing in a tournament against Knox City and Seymour at a future date.

All 9 year olds and up need to take their birth certificates to Beverly Crownover by Wednesday (today) to be eligible for the All Star teams.

OSCAR CYPERT, in center, made a hole-in-one on #18 at Lake Creek Golf Course Saturday afternoon. On hand to witness this great feat were Raymond Carden, on left, Jeff Anderson, on right, and Alvin Michalik (not pictured). Congratulations Oscar!

of the Assembly of God Church will have burritos and possibly Mexican barbecue, the MHS cheerleaders will sell all kinds of dessert, and the 4-H members will be selling drinks.

For more information call Larry Thompson at 817-422-4938, Jay Hart at 817-422-5208, or the Munday Chamber of Commerce at 817-422-4540.

Immunization Clinic offering free shots through August 31

The Texas Department of Health will hold an immunization clinic Monday, June 20, at the Knox City Community Center from 10 a.m. to 3 p.m. They will remain open through lunch.

There will be no charge for shots regardless of income through August 31.

Adult Tetanus-Diphtheria shots will also be available. A parent or legal guardian must accompany minor children.

Vacation Bible School continues at Munday Methodist Church

First United Methodist Church in Munday is holding Vacation Bible School all this week. Their theme is "Beneath the Storytelling Tree", Parables Jesus Told.

There's a place for your children beneath the Storytelling Tree! If your child is age 3 through 6th grade, send him/her to the First United Methodist Church each morning from 9 to 11:30. Bible School will continue through Friday, June 17.

There's always room for one more!

Funeral services held Thursday for Louise Amerson

Louise Amerson of Munday died Tuesday, June 7, 1994, in an Abilene hospital.

Services were held at 10 a.m. Thursday, June 9, at First United Methodist Church with Rev. Don Whetsell, pastor, officiating. Burial was in Johnson Memorial Cemetery under the direction of McCauley-Smith Funeral Home.

Pallbearers were Wendell Partridge, Lee Bruce, James Williams, Jessie Andrade, Frank Dutton, and David Key.

Born June 25, 1912, in Haskell County, she moved to Knox County in 1946 and was a homemaker. She was a member of First United Methodist Church and the Munday Garden Club. She married James Howell Amerson November 20, 1932, in Stamford. He preceded her in death November 28, 1984.

Survivors include two sons, Glenn of Houston and James of Munday; a sister, Floye Rice of Orlando, Florida; and three grandchildren.

Communications Network Established for Midwest

Local man on Steering Committee

A new regional organization called the Texas Midwest Community Network (TMCN) has been designed to provide a means of communication and networking among communities in the 20 counties surrounding Abilene.

The establishment of TMCN will provide a means for community leaders throughout the region to work together on concerns such as regional marketing, leadership training, community development, industrial development, and representation on governmental boards and agencies.

After 11 months of study and planning, community leaders from thirteen Big Country area towns have completed the organizational structure and launched the membership drive. Jim Slayton, Munday City Administrator, is a member of the steering committee of the TMCN.

The effort began last July at a Big Country Development Forum hosted by *Abilene Reporter-News*, Abilene Chamber of Commerce and West Texas Utilities. Representatives from surrounding towns met to discuss common concerns and departed with a decision to move forward with an effort to pull together as a region.

State agencies and officials agree that regional efforts are the essence of creating healthy economic conditions throughout the state.

If you have any questions about the TMCN, contact Nicki Harle of Baird, Field Representative, or Jim Slayton.

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

Q: Is witchcraft real?

A: The English Bible has several references to "witchcraft" or "sorcery". In the original languages of the Bible these terms can mean anyone who uses supernatural powers other than from God or they can mean the use of psychotic drugs.

Satan is a real being with unusual powers. Such people as the fortune teller of Acts 16:16ff can be given special abilities. But use or attempted use of these powers is sin. In fact, witchcraft is listed among such sins as murder in the Bible (Galatians 5:20-21; Revelation 22:14-15).

Christians are expressly forbidden to use sorcery. This sin includes using magical spells, using mind-affecting drugs, seeking to contact the dead, foretelling the future except learning from God's prophets. The most popular sorcery in America today is astrology. This is specifically condemned in Deuteronomy 18:10-11. In fact, Isaiah 47:13-14 makes it clear that

astrology is a hoax.

If you have a question for Larry, write him c/o Box 211, Munday, Texas 76371.

Bridal shower for Amanda Gulley is held Sunday

A bridal shower was held Sunday afternoon, June 5, in the home of Mrs. Doug Parker for Amanda Gulley, bride-elect of Jonathan Smith. Greeting guests at the door was Frances Parker.

In the receiving line with Amanda were her mother, Nancy Brueggeman, and the groom's mother, Shirley Smith. Other family members in the receiving line on this special occasion were Susan Gulley, Elaine Gulley, Grace Smith, Lenora Booe and Penny Winchester. Natonia Anderson and Sherry Booe assisted with the registration of guests.

Amy Crabtree, Lynn Finley and Ann Thomock served raspberry punch and mints from the crystal laden table topped with Battenburg lace and linen. An assortment of cake squares and cookies was placed on footed antique stands to complete the table decoration.

Gifts were beautifully displayed throughout the home.

Hostesses for the shower were Mrs. Buford Berryhill, Mrs. Gene Brown, Mrs. Lee Bruce, Mrs. Don Bunton, Mrs. Bobby Burnett, Mrs. Keith Bumison, Mrs. Al Cartwright, Mrs. Johnny Cook, Mrs. Doris Dickerson, Mrs. Terry Diggs, Mrs. Doug Donoho, Mrs. Byron Gass, Mrs. Philip Homer, Mrs. Jerry Hutchinson, Mrs. David Key, Mrs. Bill Kingston, Mrs. David McGaughey, Mrs. W. R. Moore, Mrs. Douglas Myers, Mrs. Dan Offutt, Mrs. Danny Owens, Mrs. C. D. Parker, Miss Becky Ratliff, Mrs. W. O. Ratliff, Mrs. Jimmy Reddell, Mrs. Floyd Reed, Mrs. John Rencau, Mrs. Dan Sloan, Mrs. Tony Shawver, Mrs. Bob Therwhanger, Mrs. Jerry Wilde, Mrs. Bill Williams and Mrs. Charles Yost.

VERA NEWS

By Mrs. Thelma Coulston

(LAST WEEK'S NEWS)

Kevin and Dara Trainham of Moran visited Saturday with his family, the Jerrell Trainhams.

Edith Beck spent the weekend visiting her sister, Carol Brooks, in Floydada.

Bill Townsend, accompanied by his sister, Blanche Mixon of New Camey, visited Thursday and Friday with their brother, Mr. and Mrs. Albert Townsend in Blauket.

Visiting the Carl Coulstons during the weekend were Jim and Nelda Coulston of Sour Lake and Jim and Vicki Berrier and Jennifer and a friend, Matt, of Lubbock.

Maurine Parris and Leola Hardin of Seymour visited Tuesday with Madge Boyd, Bobbie Gore and Alma Shawver in the Texhoma Christian Care Center in Wichita Falls.

Nina LaFrance, Tiffany, Michael and Justin, of Grand Prairie, are spending two weeks in the home of Ernest D. and Doris LaFrance.

Brenda Campbell of Hart visited her sister, Mr. and Mrs. Randal Kinnibrugh, and family last week. Beverly, Kyle, Sarah and Brenda spent Wednesday through Saturday on a vacation trip to San Antonio and the San Marcos area. Beverly and Sarah attended a Girl Scout Camp at Copper Breaks recently.

Marguerite Beck of Seymour spent last week in the home of her son, the Jerry Beck family.

Wayne and Jane Sutton visited Saturday in Wichita Falls with a

daughter, Fred and Becky Wilson, who then accompanied them to Irving where they visited in the home of Frances McManus and attended high school graduation exercises for a grandson, Jeffery McManus. They returned home Saturday night.

Visiting Mr. and Mrs. Carl Coulston Sunday afternoon were Bob Martin of Stamford and his brother, John B. Martin of Austin. The Martin brothers lived at and attended the "Cold Corner" school back in the early 1930's.

The Jim Coulstons of Sour Lake visited her parents, the Ferman Dows.

Aleitha Beck accompanied the Edward Marak family of Wichita Falls to Dallas Friday and Saturday where they attended a soccer tournament Saturday. Jason Marak played on the Wichita Falls team.

Letter to the Editor

Dear Editor:

I remember the *Munday Times* years ago when I lived there in Rhineland.

My sister Rose called me yesterday and said our brother Joseph Decker visited your office recently and there is a 'write up' in your paper again. Would you please send me the paper?

Joe (as we call him) is 10 years older than I am. I'll be 92 in November. He will be 102 in December this year.

Send the cost of a year's subscription.

Lena (Decker) Haggard

Mrs. Reeves is guest speaker at Weinert 4-H Club meeting

by Myrtle Phemister

The Weinert Family and Community Education Club met on Tuesday, June 7, in the home of Agnes Winchester for a program entitled "Make a Difference with a Renewable Home for the Handicapped".

Mrs. LaRue Reeves of Munday was guest speaker, and she based her talk on some of her own experiences when her husband suddenly went from a healthy person to a wheel-chair patient because of an accident.

She demonstrated how to lift an invalid from a wheel-chair into a car, using a belt, and stated she had to learn the technique before he could be dismissed to Home-Care. And as Home Health has specific requirements, many things in her home had to be altered and changed.

Mrs. Reeves showed photos of her home and some of the changes that were made, beginning with a ramp they installed under the patio/carpport which was the first necessity. It was built with a handrail on each side of the ramp, which is an aid to the patient in helping him-

self entering or leaving the house.

Another requirement is a door into the bathroom wide enough to accommodate a wheel-chair; a shower stall wide enough for a shower chair, with hand bars inside and outside the shower stall.

Other things Mrs. Reeves mentioned were an elevated commode seat; a firm mattress; a "touch" lamp by the bedside, or the chair, or possibly a light switch by the bed.

She had to remove all the lounge chairs, the throw-rugs, and other furniture that might hinder the wheel-chair. She now uses the Queen Anne chairs which are easier to get up from, and floor coverings that are easy to maneuver on.

She had parallel bars and exercise pullysets installed as well as an exercise bicycle, because after only three days in bed a patient loses much of his muscle tone and must exercise to regain his strength.

After Mrs. Reeves' interesting and informative talk, the Club members answered roll call with

"What I need installed in my house right now". Things mentioned ranged from a step-in shower stall to hand-rails on the porch.

The president announced there will be no council meeting in June, and that July will be the vacation month the Club had voted to observe.

Mrs. Yates announced the Weinert 4-H Club will disband and members will merge with Haskell and Munday Clubs. The Club members regret the decision, but expressed appreciation for the dedication of the years of service Mrs. Yates and Mrs. Murphy have been our leaders.

Next Club meeting will be August 2 with Jinny Weinert as hostess.

Mrs. Winchester served refreshments of delicious finger sandwiches, ice-box cherry pie, veggie strips and lemonade.

Learn how to start and finance a new business at workshop

The Abilene Chapter of the Service Corps of Retired Executives (SCORE) will conduct a workshop on "Starting and Financing a Small Business" Thursday, June 16, at the Royal Inn, 569 South 1st, Highway 80, Abilene.

Registration begins at 8:30 a.m. and the program will conclude at 3:30 p.m. There will be several speakers and topics discussed.

The \$12 pre-registration fee includes a noon meal, coffee breaks, and materials. Registration at the door on Thursday will be \$16. Pre-registration is encouraged. Checks payable to Abilene SCORE should be mailed to: Abilene SCORE, 341 Pine Street, Abilene, TX 79601.

For more information or registration forms, call 915-677-1857.

Amanda Gulley is honoree at bridal luncheon

On Saturday, June 4, a salad luncheon and kitchen Shower was held in the home of Mrs. Doris Dickerson for Amanda Gulley, bride-elect of Jonathan Smith.

The bride's chosen colors of burgundy, mauve, and forest green decorated places for 12 people. Deanne Cartwright greeted guests as they arrived and each registered in the bridal book. Also assisting with the luncheon were Frances Parker, Amy Crabtree, Lynn Finley and Ann Thornock.

Guests included Lenora Booe and Sherry Booe of Oklahoma City, Kathleen Diggs and Natonia Anderson of Haskell, and Grace Smith, Elaine Gulley, Penny Winchester, Shirley Smith, Rhonda Smith and Melissa Berryhill of Munday.

As Amanda opened gifts she read a favorite recipe that was attached to each.

HAVE A NICE DAY!

Truscott-Gilliland News

By Mrs. Clara Brown

(LAST WEEK'S NEWS)

Curtis Casey visited Margaret Todd at a rest home in Abilene on May 28. She asked about everyone at Truscott and says hello. Curtis also visited his sister Frances Carroll. Her son, Kenny, was visiting from Houston and they went to see the new home Frances is having built.

Roy C. Daniel, a MHMR Specialist II with the Adolescent Youth Program at Vernon State Hospital, has been named "Psychiatric Aide of the Year" for 1994. He was selected from 11 nominees for the honor. His nomination described him as a "caring, generous, and selfless individual who has donated his time, money, and supplies for the patients' off-campus activities".

Daniel has made his ranch available for horseback riding, fishing, picnics and barbecues. He is also pursuing the possibility of establishing a ranch-type facility for Vernon State Hospital adolescent patients after their discharge.

Ruth Mescall, Alex, Meagan, Rachel and Thomas, of Baytown arrived May 27 for several days visit with her parents, Jack and Clara Brown, her grandmother, Vivian Brown, and her grandfather and his wife, Edgar and Opal Jones of Vernon.

Visiting the Louis Batys during the weekend were Steve Baty of Dumas and his children, Jennifer, James and Tina, and friends, Beverly and Kim, of Amarillo.

Jimmy Hord of Corsicana spent Saturday night with his parents,

Darrell and Vula, and his brother. Florence Miller is going to Munday two or three times a week to see her husband, Ob. Dooney and Virginia Whatley of Crowell visited Florence at Gilliland Sunday night.

Children living on farms, ranches face special risks

Growing up on a farm or ranch can be a rewarding experience, but it also carries risks not normally associated with childhood.

Eighteen percent of Texas farm and ranch fatalities in 1990, the latest year figures are available, involved children 16 years and younger, Agriculture Commissioner Rick Perry said.

Heavy machinery, while essen-

tial to agricultural production, presents special dangers to children who live and play around it. "One study found three out of four fatal accidents were caused by tractors or other farm machinery," Perry said.

Potential hazards also include pesticides, electricity, fire, ponds, silos and manure storage pits.

Perry said farmers and ranchers

should set aside time with their children to discuss and demonstrate these and other risks. He gave the following suggestions to prevent accidents:

- Never allow a child on a tractor as an extra rider.
- Set aside a special outdoor play area away from farm equipment, stock ponds, chemicals and livestock.
- Assign work chores on the basis of a child's age and maturity. Instilled early with the work ethic, farm children often take on responsibilities beyond their years that may jeopardize their safety.
- Store pesticides and other toxic chemicals in their original containers under lock and key. Store fertilizer and treated seed securely.
- Ensure that young people who drive tractors or operate other farm machinery are adequately trained. The State Association of Young Farmers of Texas offers driving safety courses in some communities.

"Above all, be a positive role model," Perry said. "Children imitate what they see. Farmers and ranchers who observe safety precautions are likely to have children who also observe them."

Ann Thornock on Dean's Honor Roll at ACU

Ann Parker Thornock, daughter of Doug and Frances Parker of Munday, was one of 700 students at Abilene Christian University named to the Dean's Honor Roll for the spring 1994 semester. Thornock is a senior nursing major.

To make the Honor Roll, a student must complete at least 12 semester hours for grades and earn 3.45 or higher grade point average.

Ann is a 1991 Munday High School graduate.

Fun is like life insurance: the older you get, the more it costs.

Kin Hubbard

Pathways

by Randy White, pastor
First Baptist Church

I'm too young to remember what happened 50 years ago this past June 6. I've heard of D-Day many times in history classes and television shows. It is something to remember. It was the beginning of a great victory.

Sometimes great victories come at great expense. D-Day stands as an everlasting memory of the cost of victory. The only thing more expensive is the cost of defeat.

Those who fought in D-Day are now aging heroes. They rightly deserve the honors given them over these 50 years. However, those World War II veterans I've met are really quite common folk. Though they fought in great and important battles, they would not consider themselves brilliant strategists, brave warriors, or mighty conquerors. They would consider themselves ordinary men.

Sometimes in the course of life, ordinary men are called upon to do extraordinary things. Such was the case 50 years ago. Ordinary men fought bravely, securing the safety and freedom of millions of world citizens.

I salute the ordinary men who bravely did an extraordinary deed.

I remind the rest of us ordinary men: Sometimes in the course of life, ordinary men are called upon to do extraordinary things.

"Lord, give me the vision to see through to the end, and the courage to give extraordinary service to my God, my country, and my family. Amen."

P. S. - I've gone to 92 homes to date in my goal to knock on "every door in '94". Soon I'll knock on your door!

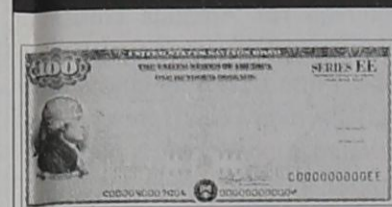

If it's happening out there somewhere, *The Munday Courier* wants to know about it. If you are sponsoring an event, teaching a class, having a meeting, organizing a trip or just want people to know something, send your announcement to *The Munday Courier*, P.O. Box 130, Munday, TX 76371. If you have questions, call 422-4314.

Social Security conducts test mailing of earnings and benefit estimates statements

by Patti Brandt, Resident Representative in Vernon

Don't be surprised if you find a statement from Social Security in your mailbox showing your earnings record and giving you estimates of the benefits for which you and your family might qualify, both now and in the future, says Patti Brandt.

The Social Security Administration (SSA) is sending Personal Earnings and Benefit Estimate Statements to approximately 600,000 randomly selected persons between 25 and 64 who are not currently receiving Social Security benefits. This mailing began in early April and will continue into early June.

Mrs. Brandt says the purpose of the test mailing is to gauge the resources needed to manage future earnings and benefit estimate mailing work-loads, and to obtain early public reaction to the statements.

Next year, Social Security will begin mailing annual earnings and benefit estimate statements to approximately 6.7 million people who are 60 or older and not receiving Social Security benefits based on their own earnings record. In each year from 1996 through 1999, Social Security will send statements to individuals as

they reach age 60.

And beginning in the year 1999, about 123 million people of all ages - the majority of the American work-force - will receive an earnings and benefit estimate statement from Social Security every year. The information contained on the statement can be of great value in financial planning. Workers can see the level of financial protection immediately available for themselves and their families should they die or become disabled and unable to continue working.

The statements also allow workers to make retirement plans based on a knowledge of what Social Security benefits they will receive and what additional income they will need to supplement those benefits.

"Anyone can request a Personal Earnings and Benefit Estimate Statement by calling Social Security's toll-free number 1-800-772-1213," says Mrs. Brandt. "Call anytime. This service is available 24 hours a day."

Mrs. Brandt noted that it's also a good idea for workers to check their earnings information at least once every three years to verify that what has been reported for their record is correct.

Former Munday teacher honored at retirement

Juracy Jones McCall, a fourth grade teacher at Bessie Haynes Elementary School in Pecos, was honored recently with a retirement party hosted by the school.

Mrs. McCall began her teaching career in 1950. She and her husband, Jack, taught school in Munday from 1954-58. They moved to Pecos-Barstow-Toyah ISD in 1970 where she has taught elementary grades the past 23 years.

She was presented several awards and honors at the festivities, including a Certificate of Service Plaque, a lovely brass tray depicting her lifetime membership in NSTA, as well as a rose and an original poem read for her years of support, work, and sharing with the schools she came in contact with at the Pecos schools.

Over 200 guests attended the social occasion, and many gifts, bouquets and plants were sent from friends, associates and family. The staff presented her with a money gift and a silk arrangement that was on the serving table.

Mrs. McCall has earned many awards and honors during her career. She was recognized in Who's Who in Education, nominated Teacher of the Year at Bessie Haynes in 1990, and recognized as a charter member and first president of the Odessa chapter of Gamma Kappa Iota National

JURACY McCALL was recently honored at a retirement party held at Bessie Haynes Elementary School in Pecos. Mrs. McCall was a teacher at Munday ISD in the 50's, and is retiring after 43 years of service in Texas public schools. Pictured with Mrs. McCall is her daughter, Debe Booker.

Teacher Organization. She is presently serving as corresponding secretary of the Gamma Mu Chapter of Delta Kappa Gamma Society.

She has served as president and vice-president of the Parent Teacher Association and is a mem-

ber of the First Baptist Church where she serves as Director of Adult 5. But of all the honors and awards she has received, she says the very best is when a former student comes by and says "Thanks, you made a difference."

The McCalls have one daughter,

ter, Mrs. Grady Booker (Debe) of Dallas who, together with her husband, were on hand to help her mother celebrate this joyous occasion.

DPS advises travel safety during summer vacations

It's vacation time and time to start thinking about our summer travel plans. Trooper Joe Clement with the Texas Department of Public Safety says, "With a little bit of forethought, our summer travels can be made easier and a lot safer."

Basic planning includes a vehicle safety check of belts, hoses, fluid levels, lighting, treadwear and air pressure of tires, cooling and ventilation system and safety belts. Drivers should be rested and free of alcohol and strong medications. Drivers should be familiar with highway numbers and speed zones they will be traveling.

When traveling, be sure to use your safety belts, be alert for dangerous drivers and road conditions. Trooper Clement encourages motorists to use headlights day and night to see and be seen. Frequent breaks are also recommended to relieve stress.

Motorists entering large cities should plan their trips to avoid rush hour traffic and watch for farm implements and other slow moving machinery in rural areas.

Trooper Clement reminds Texas motorists that many people lose their lives within 25 miles of departure and/or destination. This fatal fact is due in large part to excessive speeds and not wearing safety belts. Remember to buckle up, be alert and have a great vacation this summer.

Edrington on Dean's Honor Roll at OSU

Donald Edrington, a student at Oklahoma State University, has been named to the Dean's Honor Roll for the 1994 spring semester. To be named to the Dean's Honor

Roll, a student must carry at least 12 credit hours, make a 3.2 grade point (B average) or higher, have no grade below a C, and no incomplete courses.

A 1989 Munday High School graduate, Donald is the son of Collis and Ernestine Michels of Munday.

Assistance available on health benefits for senior citizens

Are you a senior citizen who needs information about or assistance with health insurance and public benefits? The Area Agency on Aging of the West Central Texas Council of Governments can provide free confidential help with Medicare, Medicaid and other health insurance and public benefits.

This program is called HICAP and it provides health information, counseling and assistance for older Texans. A Benefits Counselor provides help in understanding and solving problems related to health insurance coverage, such as Medicare and Medicaid.

Volunteers are trained to assist individuals 60 and over to better understand Medicare, Medicaid benefits, explore Medicaid eligibility and apply for benefits.

If you need help with your benefits or feel that you might be eligible for assistance but do not know how to apply, the Area Agency on Aging can put you in contact with a volunteer benefits counselor in your area. For more information about the program please contact Jena Price, Benefits Counselor, at 915-672-8544.

Former resident Billie Louise Harlan dies in Muenster

Billie Louise Harlan, 60, of Saint Jo died Wednesday, June 8, 1994, in a Muenster hospital.

Funeral services were held Friday at Saint Jo Assembly of God Church with Rev. Eddie Ray Mitchell and Rev. Clarence Russell officiating. Burial was in Mountain Park Cemetery under the direction of McCoy Funeral Home of Saint Jo.

Mrs. Harlan was born February 9, 1933, in Munday. She was a homemaker and attended Saint Jo Assembly of God Church. She married Ellis E. Harlan October 25, 1963, in Munday.

Survivors include her husband; son, Sam Lee of Saint Jo; a sister, Betty Miller of Arlington; and three brothers, Thomas Wayne Belcher of Little Elm, Homer Lee Belcher, Sr. of Denton, and Derwood Lee Belcher of Saint Jo.

The unaided human eye can distinguish ten million different colors.

Excerpt from the By-Laws of B-K Electric Cooperative, Inc.

ARTICLE IV DIRECTORS

SECTION 4.01. NUMBER AND GENERAL POWERS. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors. The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members.

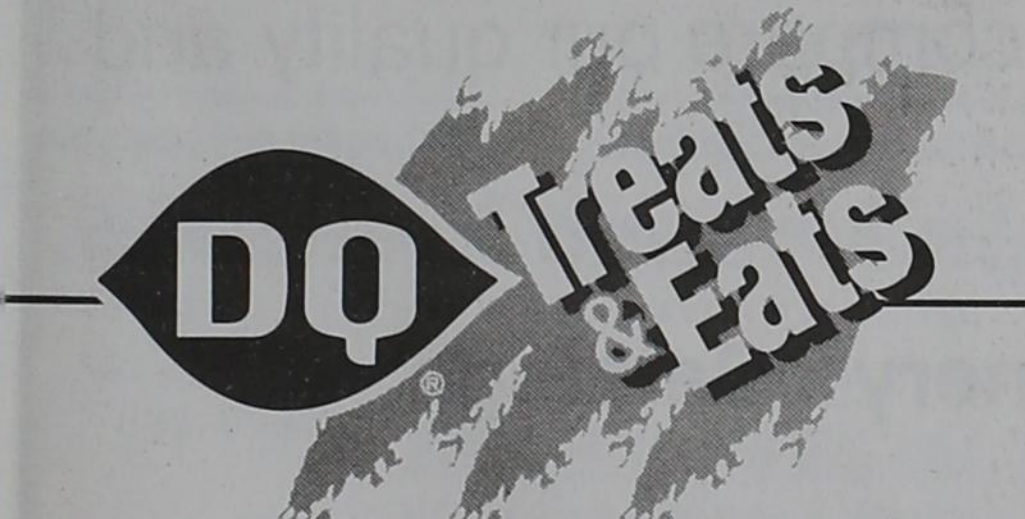

SECTION 4.02. QUALIFICATIONS. No member shall be eligible to become a director or to hold any position of trust in the Cooperative who is not a member receiving service from the Cooperative at his primary residential abode in the area served by the Cooperative, or is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to the members of the Cooperative, and no person shall take or hold office as a director who is the incumbent of or candidate for an elective public office in connection with which a salary is paid. When a membership is held jointly by a husband and wife, either one, but not both may be elected as director, provided however, that neither one shall be eligible to become or remain a director or to hold a position of trust in the Cooperative unless both shall meet the qualifications herein above set forth. Any director who shall miss three (3) Board of Directors' meetings in a row, without an excuse duly accepted and noted by the Board, shall lack eligibility to further serve and it shall be the duty of the Board of Directors to remove him from the Board. No former employee whose employment has been terminated by the Cooperative may be eligible to serve as director. Any employee who resigns or retires from employment by the Cooperative shall not be eligible to serve as a director for a period of ten (10) years following such resignation or retirement. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

In the event an incumbent director, having served on the Board of Directors a minimum of six years, ceases to meet the requirement of receiving service from the Cooperative at his primary residential abode, such incumbent director shall nevertheless be qualified to continue to serve as director so long as he remains a member of the Cooperative and his primary residential abode is located within the area served by the Cooperative, or in close proximity thereto.

SECTION 4.03. ELECTION. At each annual meeting of the members, directors shall be elected by secret written ballot by the members and from among those members who are natural persons; provided however, that when the number of nominees does not exceed the number of directors to be elected, and if there is no objection, secret written balloting may be dispensed with and voting may be conducted in any other proper manner. Directors shall be elected by a plurality of the votes cast unless the members in advance of any balloting resolve that a majority of the votes cast shall be required to elect, and this Bylaw provision shall be drawn to the attention of the members and explained to them prior to any balloting. Drawing by lot shall resolve, where necessary, any tie vote.

SECTION 4.04. TENURE. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors which shall exercise all of the powers of the Cooperative except such that are by law, or by the Articles of Incorporation of the Cooperative, or by these Bylaws conferred upon or reserved to the members. Beginning with the Annual Meeting of the members of the Cooperative held on August 21, 1954, two (2) members of the Board of Directors shall serve for a period of one year, two (2) members shall serve for two years, and three (3) members shall serve for three years, and that lots be cast as to the length of time each director shall serve; and beginning with the Annual Meeting of the members held in 1954, those directors whose terms expire, such vacancy shall be filled for a period of three years.

SECTION 4.05. NOMINATIONS. It shall be the duty of the Board of Directors to appoint, not less than sixty (60) nor more than ninety (90) days prior to the date of a meeting of the members at which directors are to be elected, a Committee on Nominations, consisting of not less than five (5) nor more than eleven (11) members of the Cooperative who are not existing Cooperative employees, agents, officers, directors or known candidates for director, who are not close relatives (as hereinafter defined) or members of the same household of such existing employees, agents, officers, directors or known candidates for director, and who are so selected so as to give equitable representation on the committee to the geographical areas served or to be served by the Cooperative. The Committee shall prepare and post at the principal office of the Cooperative at least thirty (30) days prior to the meeting a list of nominations for directors to be elected. Any fifteen (15) or more members of the Cooperative, acting together, may make additional nominations in writing over their signatures, listing their nominee(s) in like manner, not less than twenty (20) days prior to the meeting, and the Secretary shall post such nominations at the same place where the list of nominations made by the Committee is posted. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days prior to the date of the meeting, a statement of the names and addresses of all nominee(s) showing clearly those nominated by the Committee and those nominated by petition, if any. The chairman at such meeting, after all nominations so made have been duly announced, shall call for additional nominations from the floor. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

Hamburger Safety Tips

The safety of hamburger meat has been making the headlines recently. More than 400 persons in the Northwest became ill after eating under-cooked hamburgers containing E. coli, a rare strain of bacteria which is particularly dangerous to the very young and old.

The United States Department of Agriculture recommends against eating raw or under-cooked ground beef since harmful bacteria could be present. But safe food handling is important in preventing food-borne illness.

Here are some hamburger safety tips from the home economists at the Meat and Poultry Hotline:

- * At the store, be sure to choose a package that's not torn and that feels cold. If possible, enclose it in a plastic bag so juices won't drip on other foods. Make ground beef and other perishables your final purchase of the trip.

- * After leaving the store, get perishables home quickly and refrigerate or freeze them immediately. If the trip home is more than an hour, pack them in an ice chest.

- * When handling raw ground beef, don't let its juices contaminate foods that won't be cooked. Wash your hands with soap and hot water before and after handling ground beef to make sure you don't spread bacteria from raw meats to other foods.

- * Don't reuse any packaging

materials. Use soap and hot water to wash utensils and surfaces which have come into contact with the raw meat. When taking hamburgers off the grill, don't put the cooked hamburgers on the same platter which held the raw patties.

- * Avoid the "danger zone". Bacteria multiply rapidly in the "danger zone" between 40 and 140 degrees. To keep bacterial levels low, store ground beef at 40 degrees and use or freeze it within two days. Ground beef kept frozen at 0 degrees will maintain its quality up to four months.

- * Keeping meat cold while it is defrosting is essential to prevent the growth of bacteria. Never leave ground beef, or any perishable food, out on the counter for more than two hours. Thaw it in the refrigerator.

- * To be sure bacteria are destroyed, cook hamburgers to 160 degrees F. or until the center is no longer pink and the juices are clear.

- * When cooking out, do not partially grill extra hamburgers to use later. Once you begin cooking hamburgers by any method, cook them until completely done to assure that bacteria are destroyed.

- * Refrigerate hamburgers promptly after cooking. Any left out at room temperature for more than two hours should be discarded. After cooking, ground

beef can be stored in the refrigerator for three to four days or frozen up to three months.

- * When reheating full cooked patties, be sure their internal temperature reaches 165 degrees F. or they are not hot and steaming.

- * At restaurants, order your hamburger cooked to "medium" or "well done" and check for doneness when it is served.

For further information about handling and cooking hamburgers safely, call USDA's Meat and Poultry Hotline at 1-800-535-4555 weekdays from 10 a.m. to 4 p.m. Eastern time or the Knox County Extension office at 817-454-2651.

Former Weinert resident, Margaret Bruton, dies June 11

Margaret Gertrude Bruton, 91, of Decatur, died Saturday, June 11, 1994.

Services were held at 2:00 p.m. on Monday, June 13 at the First Baptist Church in Weinert with the Rev. Paris Barton of Haskell officiating. Burial was in the Weinert Cemetery.

Mrs. Bruton was born February 12, 1903. She was a long time Weinert resident, moving to Decatur in 1979.

Survivors include two sons, Elwood Bruton and Durwood Bruton, both of Dallas; and two grandsons.

Serving as pallbearers were Truman Therwhanger, Johnny Earp, Boyd Lynn Meers, Elmer Adams, Eddie Sanders and Tiffen Mayfield.

Funeral services held Friday for former Benjamin resident

Virginia Perez Castillo of Wichita Falls died Wednesday, June 8, 1994. She was 76.

Services were held Friday, June 10, at Our Lady of Guadalupe Catholic Church with Father Ivor Koch, priest of Sacred Heart Catholic Church, officiating. Burial was in Sacred Heart Cemetery under the direction of Owens & Brumley Funeral Home.

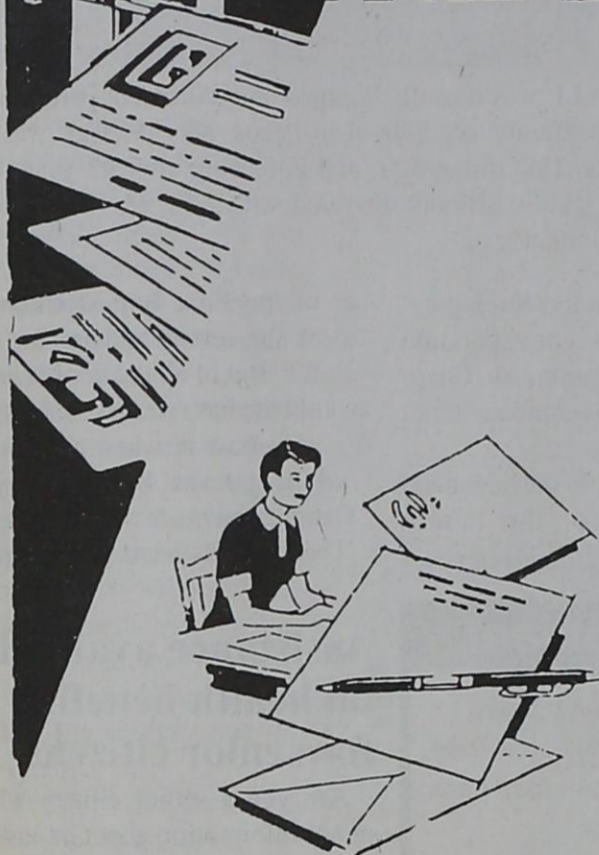

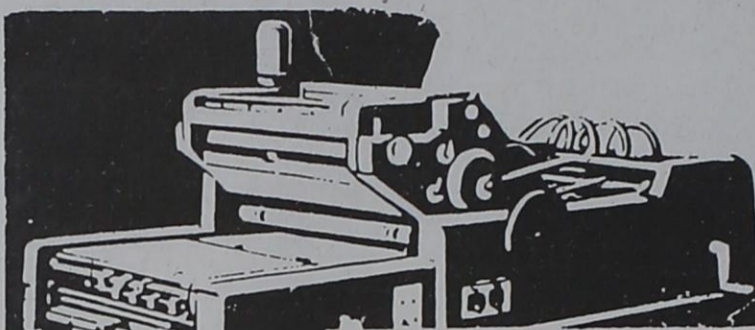

Mrs. Castillo was born September 23, 1917, in Benjamin. She was a homemaker and a member of Our Lady of Guadalupe Catholic Church.

Survivors include two sons, Macario and Jesse, both of Wichita Falls; two daughters, Eloisa Sarabia and Mary Sue, both of Wichita Falls; a sister, Sara Diaz of Wichita Falls; six grandchildren and two great-grandchildren.

The first typewriter, invented by Charles Thurber in 1843, was slower than writing by hand. The first practical machine was not constructed until 1867.

Men still required to register with Selective Service

The U.S. House of Representatives voted on May 23 to continue the requirement for all men to register with Selective Service upon reaching age 18. The members considered a proposed amendment to the Defense Authorization Bill, H.R. 4301, that would have ended registration. The amendment was rejected 125 to 273.

Although there has been no need to draft men for military service during the past 21 years, the nation has maintained the capability to reinstate a draft in a major crisis. Since July 1980, draft registration has been an obligation of virtually every man, ages 18 through 25. Federal law requires that every man must register within 30 days of his 18th birthday. Each man completes a short

form to provide Selective Service with his name, date of birth, address, phone number and Social Security number. Registration forms are available at any post office. Most men also receive a registration reminder in the mail a few months before reaching age 18, and they may use it to register by return mail. The Selective Service System has a telephone line dedicated to answering questions about registration: 708-688-6888.

Men who don't register are in violation of Federal law. Non-registrants can be prosecuted, and they are ineligible for Federal student aid, most Federal jobs, and job training. The law applies to male immigrant aliens, 18 through 25 years old, as well as male citizens.

Paul D. Edwards dies Thursday in Abilene hospital

Paul D. Edwards, 69, passed away Thursday, June 9, 1994, in an Abilene hospital.

Funeral services were held Saturday, June 11, in the Elliott-Hamil Funeral Home Chapel of Faith with Pat Stephenson and Paul Hayes officiating. Burial was in Elmwood Memorial Park.

Mr. Edwards was born in Paducah and graduated from Abilene High School. He was a U.S. Navy veteran of World War II, a member of the Abilene Fire Department for 35 years, and a member of 279 Church of Christ in Brownwood. He married Jimmie Goza in 1945 in Merkel.

Survivors include his wife, Jimmie of May; three sons, Jimmy W. of Midland, Rod of Kingsland and Dan of Horseshoe Bay; one daughter, Brigitte Eichler of Granbury; one brother, Thomas E. of Lamed, Kansas; one sister, Altha Jacques of Replap, Alabama; 13 grandchildren and several nieces and nephews.

Memorials may be sent to West Texas Rehabilitation Center, 4601 Hartford, Abilene, Texas 79605.

"On A Wizer Note"

by Paul Weiser
Knox County Extension Agent - Ag.

Boll Weevil numbers are beginning to decline in traps throughout Knox County. Don't let this fool you. Average number of boll weevils per trap on June 8, 1994 was 166. This is down somewhat from 277 per trap on June 1. However, this is still quite high compared to 1993. June 4, 1994 registered 63 per trap and June 11 caught 47. 1994 numbers are looking very similar to 1987 - June 1987 averaged 250.7 boll weevils per trap per week.

Some of the earlier planted cotton should be squaring in the very near future, if these fields have not already begun. Scouting for weevils will become very important and traps can help detect movement into a field.

Hopefully, many of these boll weevils coming out of their overwinter homes will begin dying off. These weevils can only survive about 15-18 days without pollen from young squares.

I will be happy to help anyone set up some traps or give out any numbers from the eight traps I have or the two traps being run by the Seymour Aquifer Project.

Another pest to be watching for is the pecan nut casebearer. These critters can wipe out a pecan crop rather easily. Information was released earlier this month. If more information is needed please notify the Extension office.

Some producers have questions about the use of Hormone Herbicides in Knox County. Knox County is a hormone herbicide regulated county. This means that certain times of each year one must obtain a permit to apply hormone herbicides.

In Knox County there is a section which is not regulated. This section is defined as being north of the Brazos River from the King County line to it's intersection of longitude 99° 35' (north/northeast of Goree). The line then moves due north to latitude 33° 42' (near the south Wichita River). From here the line goes west to Highway 6 and up highway 6 to the Foard County line.

If wishing to apply a hormone herbicide in the area that is regulated a permit from the Texas Department of Agriculture is required. This may be obtained by contacting the Lubbock office at 806-799-8555 or Billy Henderson at 915-692-8602.

Hormone herbicide applied from October 1 through March 31 - in any part of the county, is not regulated and does not require a permit.

This can be quite confusing. There are maps available through the Extension office in Benjamin.

One short note on 4-H. King County will be conducting an in-

vitational Trap Shoot June 25. Anyone interested in participating may receive more information by contacting Paul Weiser in the Knox County Extension office at 817-454-2651.

HAVE A NICE DAY!

LOOK AT THE NUMBER ON YOUR STICKER!

If your safety sticker has the number

"6"

on it, you'll need a new one before the month is over. Let us safety inspect your vehicles and install stickers *before* the time runs out.
