KEEP MUNDAY MONEY IN MUNDAY

Texas Company Building Rig and Getting Materials For Test On J. O. Bowden Farm

Two Cars of Casing, Rig Materials and Other Equipment For Drilling Here, and Well Will Be Ready to Spud Within Two Weeks

Rig materials have arrived, and rig builders are busily engaged in building the rig for the Texas Company on the J. O. Bowden farm two miles south-east of Munday, and it is believed that the well will be ready to spud in within the next two weeks.

The big steel derrick is on the ground and workmen are engaged in laying the heavy timber for the foundation, digging a slush pit and making other preliminary arrangements for the erection of the derrick. The boiler has arrived and has been hauled to the location, as well as the cable and other materials, and two cars of casing have already arrived for the well.

The location is 340 feet from the south line and 750 feet west of the Bowden 148-acre tract, section 115, block 46, H. and T. C. survey.

The Texas Company is putting down another test well about eight miles west, and these two wells and that of the Goode No. 1 of the Humble Oil Producing Company are in a direct line, which would indicate that the oil fraternity believes very strong in the formations throughout this particular section.

The eyes of the oil fraternity have been watching closely the developments in the Goode No. 1 during the past several days, as strong flow of gas was encountered some days ago, and first of this week salt water was encountered at a depth of less than two thousand feet.

Three tests are now being made on the south side of the Brazos river in Knox county, and about five are being made on the north side of the river, which would indicate that the surface formation in this county offers many indications of being producing territory, and practically all of the county has been placed under lease and acreage is still in good demand at prices ranging from \$2.00 to \$10.00 per acre, and it is reported that much royalty has been changing hands in the Gorie section following the discovery of gas in the Goode well at prices ranging as high as \$40.00 per acre.

Seventh Grade Will Present Comedy Drama On Saturday Evening

The seventh grade class of the Munday Public Schools will present a comedy drama, "Getting Acquainted With Madge," on Saturday evening, May 28th, in the city hall auditorium.

The seventh grade has always been famed for presenting good plays and we are assured that this is no exception to the rule, as a matter of fact this will be one of the best plays staged in Munday this year. Come out and see this play and have a good laugh.

Following the presentation of the play some fifty diplomas will be presented students in this class, which will possibly be the largest entrance into high school in the history of the school.

The cast which will present this play is as follows; all of whom represent students in Broxton University:

Arthur Tilden—Hubert Isbell; Sam Farbus—Caz Lansford; Randall Graham—Aristle Thompson; Frank Garner—John R. Rayburn; Harry Neville—Paul Pruitt; Burton, Arthur's servant—Joe Edd Duval; Dr. Ornsby Ridgway—Gilbert Myers; Mrs. Alvie Ridgway, his wife—Madeline Spele; Madge, his daughter—Louise Atkinson; Jerry Sanders, Madge's cousin—Margaret Campbell; Aunt Minnie, Arthur's aunt from Montana—Lillian McGlothlin; Lizzie, the Ridgway servant—Louise Aycok.

BOUGHT HIDES IN THIS COUNTRY 32 YEARS AGO; BACK FOR VISIT

W. M. Dobbs of Weatherford was here Saturday visiting his half-brother, R. C. Dobbs on route 2, and was enroute to Dickens county to visit a brother who is ill, and accompanied by R. C., he continued his journey on Sunday.

Mr. Dobbs is a pioneer Texan, having arrived in Texas in 1858 from Tennessee, his native state, and has been a resident of Parker county ever since. Some thirty two years ago he made a trip by wagon over the now famous Knox prairie for the purpose of buying hides from the cattlemen, who then held sway throughout this section, and his visit to Munday on Saturday was the first that he had made to this section since that time.

In speaking of the growth of Munday, Mr. Dobbs stated that on the occasion of his previous visit here there were some half dozen scattering homes here and hides were plentiful, and that he secured his load of hides and hauled them back to Weatherford to market.

While a man of 76 years, Mr. Dobbs would be taken for a man many years younger, and his appearance is that of the typical pioneer Texan—quick in step and an interesting conversationalist. He is a life-long friend of Capt. Goodnight of Clarendon, Texas.

Fifth Sunday Meeting With Brushey Church Begins Friday, May 27

The Fifth Sunday meeting of the Haskell Association will be held with the Brushey church beginning on Friday evening, May 27th and continuing until Sunday afternoon. Following is the program of the meeting which will be held at this time:

Friday Program
7:45 P. M. Song and devotional—George Tidwell.
8:00 The Coming Revival (sermon)—I. E. Frazier.
Saturday Program
9:45 A. M. Special music—W. M. Free.
10:00 The Importance of Evangelism—V. W. Tatum.
10:30 Divine and Human Power in Revivals—Bro. Mason.
11:30 Sermon, New Testament Evangelism—C. A. Ball.
Dinner
1:0 P. M. Song service—Bro. Free.
1:15 Revival: That Win and Wear—Bro. Cury.
1:45 Importance of Singing in Revivals—Claude Stovall.
2:15 Ladies' Work arranged by Mrs. J. O. Bowden.
3:30 Board meeting.
7:45 Special music arranged by George Tidwell.
8:00 Sermon—Bro. Whatley.

Sunday Program
9:45 A. M. Evangelistic Opportunities in Haskell Association—Bro. Read.
10:15 Sunday school.
11:00 Sermon—P. D. O'Brien.
2:30 P. M. Singing for everybody.

Graduation Exercises for Munday High School Will Be Held Sunday and Monday

Twenty-three Graduates Will Receive Diplomas At Graduation Ceremonies on Monday Evening At Community Auditorium

The graduation exercises will be delivered by the Rev. R. B. Freeman, pastor of the First Methodist church of this city, and on Monday evening the school terms in the history of the institution will be held on Sunday and Monday. On Sunday morning at the eleven o'clock hour at the community auditorium the baccalaureate service will be held, at which time the baccalaureate sermon will be delivered by the Rev. R. B. Freeman, pastor of the First Methodist church of this city, and on Monday evening the graduation ceremony will take place, at which time the address will be made by Dr. Godbold of Howard Payne College, Brownwood.

The program for each of these services follows:

COMMENCEMENT PROGRAMS

Baccalaureate Sermon, Sunday Morning, Eleven o'Clock, Community Auditorium

Processional	Holy, Holy, Holy
Invocation	Rev. P. D. O'Brien
Give Of The Best To The Master	Choir
Sermon	Rev. R. B. Freeman
Consecrated, Lord, To Thee	Choral Club
Benedictory	Abide With Me

Graduation Ceremony, Monday Evening, Eight-thirty o'Clock, Community Auditorium

Processional	God Of Our Fathers
Invocation	Rev. James M. McLean
Salutatory Address	Lois Wyche
O Lovely Night	Choral Club
Class Prophecy in Poem	Lillian Milam
Violin Duet	Misses Paxton and Lowery
Address	Dr. Godbold, Howard Payne
Presentation of the Key of Knowledge	
Class Song	
Valedictory Address	Chase Eiland
Presentation of Diplomas	Supt. J. Horace Bass

Pressure Cooker to Be Given As Prize In Garden Contest

Mamie Maxwell, Co. H. D. A.

Five Women's Home Demonstration Clubs have entered a garden contest.

One member in each club is using nitrate of soda as a fertilizer, while the other members use whatever fertilizer they want, if they desire to fertilize. Each member plants at least four or more new vegetables that she has never planted before.

A garden show will be held in each club in which every member will bring from six to twelve vegetables of everything she raises.

The scoring is based on quantity, quality and variety of vegetables and the number of different ways each vegetable has been served.

The Dixie Canning Co. of Little Rock, Ark., has given an 18 quart Pressure Cooker for first prize to the winning club. Suggestive ways of serving vegetables:

- Beans—boiled, creamed, buttered, dutch, succotash, soups, salad.
- Beats—boiled, buttered, escalloped, salad, relish, beet sauce, creamed.
- Cabbage—salad raw, baked, creamed, escalloped, stuffed, boiled, soups.
- Carrots—Raw, salad, boiled, soups, creamed, buttered, soufflé, marmalade, cutlets.
- Corn—Creamed, showder, fritters, escalloped, omet, pudding, fried, cob.
- Pears—Buttered, creamed, escalloped, soups, soufflé, salad.
- Onions—Salad, buttered, baked, creamed, escalloped, sauted.
- Potatoes—Buttered, creamed, mashed, escalloped, sauted, dutch, salad, baked, pudding.

TO CONTESTANTS IN FLOWER BOOK AND BIRD HOUSE WORK

The boys and girls who wish to make entries in the flower book and bird house contests will please have their exhibits at the home of Mrs. H. F. Barnes on the afternoon of June 2nd at 4:30 o'clock to compete for the prizes, and the winner in this contest will compete in the county contest as a representative of the Munday Study Club.

B. Y. P. U. WILL HONOR MRS. MAUDE MANN WITH SOCIAL THURS. EVENING

On Thursday evening of this week Mrs. Maude Mann will be given a farewell social picnic by the Adult B. Y. P. U. of the Baptist church, and the affair will be held under the trees at the Munday Golf Club grounds.

Those attending are requested to bring well filled baskets and to be at the Baptist church in sufficient time to leave the church at 6:30 o'clock. Those who cannot get to the church by that time may come on to the golf club grounds.

County Agent W. O. Logan of Benjamin was here looking after his work Wednesday.

A PLEDGE SUGGESTED FOR SCHOOL GRADUATES

State Superintendent of Public Instructions, S. M. N. Marrs suggests that graduating students repeat the following pledge as a part of the commencement exercise:

"The public school is the bulwark of the American Nation. I acknowledge the obligation that I owe to the State and to this community for the training which I have received and as an expression of my gratitude I here and now, in the presence of these assembled witnesses, cheerfully and unreservedly pledge myself ever to give such support to the public schools as my financial ability will permit and always to exert my influence as a citizen of Texas to uphold their ideals and to increase their usefulness in the preparation of the boys and girls of today to be the men and women of tomorrow."

TOM MOORE DIES AT HIS HOME AT WICHITA FALLS

Mrs. A. F. Huskinson and others from here went to Wichita Falls on Monday to attend the funeral services of Tom Moore, who was the father of Mrs. A. M. Huskinson of Bomarton, and who was known to many of our older citizens.

Deceased was about 60 years of age and died after an illness of about a week's duration, and his death was attributed to appendicitis.

ART EXHIBIT AT STUDIO FRIDAY AND SATURDAY

The art exhibit of Miss Shelley Lee's students will be held at her studio on Friday and Saturday of this week, and the patrons of the school and the public in general is extended a cordial invitation to attend.

"BORN TO THE WEST" SETS NEW HIGH FILM STANDARD

In "Born to the West," Paramount's picturization of Zane Grey's story, which comes to the Peoples Theatre Saturday night for its premiere showing admirers of Jack Holt declare that the role of "Colorado Rudd" is one of the finest he has ever given to the screen.

Holt is essentially a Zane Grey type. His superb horsemanship, ruggedness and human physique fit finely into this story of early Colorado. It tells of two boys who fought at school, marked each other for life and carried the scars of hatred up through manhood.

Grey has shown that he can combine charming romance with the outdoors, for there is a romantic love theme with Margaret Morris taking capable care of the feminine end of it.

The comedy relief is borne by Raymond Hatton, remembered for his stealing work with Wallace Berry in "Behind the Front." In "Born to the West" Hatton is a comedy cowboy, Jack Holt's buddy, and there is much hilarity wherever he is to be found. Arlette Marchal, Paramount's beautiful French player, is adorable as a dance hall girl and has many big dramatic moments. The picture is filled with action.

"Born to the West" is the first directorial effort of John Waters. The production vindicates the faith Paramount had in Waters when they elevated him to the post. Lucien Hubbard is responsible for the screen play.

Dr. Joe Davis was called to Austin on Monday by a telegram advising him that his son, Kingsley Davis, who is a student in the University of Texas, had been stricken ill and that an operation for appendicitis would be performed.

D. M. Wadlington and daughters, Misses Lura and Oval, are visiting relatives and friends at Sulphur, Oklahoma.

FINIS BRATCHER DIES

Mr. Finis Bratcher, 34, son of Mr. and Mrs. W. M. Bratcher of Vera, died Wednesday morning at 2:00 o'clock at the county hospital, after an illness of about a week. Death resulted from pneumonia and complications.

Funeral services were held yesterday afternoon at Vera, conducted by Rev. C. E. Cogswell. A large crowd of sorrowing friends accompanied the remains to their last resting place.

Mr. Bratcher leaves a wife and three children to mourn the loss of their loved one and protector. He was the only son but is survived by two sisters, one of them being Mrs. W. F. McGuire. The death of this splendid young man has thrown a shadow of grief over the community in which he has lived.—Seymour Banner.

T. C. Richardson, field editor of Farm and Ranch, was a visitor to Munday on Saturday of last week, and while here gathered data for an article to be published in that paper concerning the cooperative plan on which the Farmers Union Gin here is operated. Mr. Richardson is a pioneer in the cooperative ownership idea, and Farm and Ranch is doing much toward bringing ideas to farmers throughout the state which will create a sentiment among them to own their gins, threshing machines and other equipment necessary for the handling of their products.

Mr. and Mrs. Tom Haney have a baby daughter in their home, she having arrived on the scene of activity on Friday of last week.

Mrs. Grace Bass of Florida is here this week visiting in the home of her son, J. Horace Bass.

GLORIA SWANSON'S "FINE MANNERS" AT PEOPLES

Do "fine manners" make "fine ladies?"

That's the question asked in Gloria Swanson's latest film, "Fine Manners," which arrives at the Peoples Theatre on Monday and Tuesday. Gloria is seen as a dancer in a burlesque music hall. With a brother, who jealously tries to guard her from the world's tawdry influences, she lives in a tiny tenement apartment.

Then—Fate—or call it what you will, has her meet a young, socially bored, society scion. He immediately falls in love with this veritable child of nature. Thinking to improve, and make her well-nigh perfect, the youth tells his sweetheart that

Those who will receive diplomas at the conclusion of the final ceremony are: David Chase Eiland, Lois Wyche, Helen Elizabeth Smith, Clara Webb, James Lloyd Bowden, James Price Tolson, Conway Owen McKenzie, Stanley W. McCarty, Lois E. Bowden, Earnest Salman

Ameen, Jaunita Reid, Jewel Rosevelt Stephen, Kate Ledbetter, Cecil L. Blanton, Nolley Craft Farrington, Walter David Counts, Alvin Taft Hughes, Margaret Ann Keele, Lillian Milam, Charles Welton Parker, Clyde Mitchell Brewer, Charles Wain McGlothlin.

Those who have already seen "Fine Manners," say that Gloria has never been better. Richard Rosson directed for Paramount. Eugene O'Brien plays the part of the fiance.

Dan Weaver returned the latter part of last week from a

trip to Corpus Christi and south Texas, and states that cotton throughout that section of the state is looking good, but that the grain crop is very short. He states that the truck growers in South Texas have had a very bad year and are all in a critical condition financially.

Mr. and Mrs. Cecil Barton are the proud parents of a fine girl, who made her arrival on Saturday of last week.

U. B. Whitty

If You Want to Know a Man Go Fishing With Him

If you want to appreciate a neighbor, do some business with him.

Closely associated, each neighbor knows the other's capabilities and characteristics, hence is in position to serve or be served efficiently.

BANK AT HOME is not a matter of personal friendship—it is a logical proposition; those who know each other best are able to work together best.

THE FIRST STATE BANK

"There is no substitute for Safety"

it Pays to pay by check

HAVE you ever had the experience of having a bill presented to you the second time—and could not prove that you once paid it? Many of us have.

Most of us have had this displeasure and a second unnecessary payment was made to avoid any possible lawsuit or repeated calls by collectors.

If you have had such an experience and wish to avoid it in the future, may we suggest a Checking Account in this strong Bank? Beside the assurance of safety here you are given the convenience of an account as well as the added prestige which reflects favorably upon you.

START THAT CHECKING ACCOUNT IN THIS BANK TODAY!

Chapel Program

The school body assembled in the community auditorium last Friday afternoon and were entertained by a forty-five minute discussion of the world war given by a Lieutenant of the Eighty-ninth division. He briefly but graphically described life in the camps, on the transport, and in France. After his discussion, he displayed the flags of various countries fighting on the side of the Allies during the war. Lastly, he displayed our own flag and with a prayerful wish that it might lead the world, not in war, but peace. His picture might have been a trifle overdrawn, his talk a little too sentimental, but I considered it well worth the while of every listener.

Our Seniors

"Where are the grave old Seniors? Safe in the wide, wide world."

Stanley McCarty and his Ford coupe entered school here September morn, 1925. Stanley is a Junior and the coupe as a nervous wreck. Stanley was a Westerner, coming from Knox City High school. He is a good student and has an excellent record here. Stanley has one year of science, one of Latin and two of Spanish to his credit. Where he will attend school next year and what he will do remains to us a mystery, but, really, he would make a thrilling chauffeur—Oh! girls.

Charles McGlothlin came to Munday after Christmas last year. Charles is a true Irish comedian, and, if he doesn't do something else, he is sure to go on the stage. He has two years Latin and three years of science to his credit. At the age of sweet sixteen, Charles has not yet decided where he will attend school next year.

Conway McKenzie entered school here this term. He is the proud owner of two credits

in both Latin and science. Conway transferred here from Bomarton, and was, for that reason, ruled ineligible for the basketball tournament. Connie was full-back on the football squad, and pushed the pigskin thru the line full many a yard. He plans to attend Texas University next year.

Weldon Parker, our weather prophet and otherwise scientific man entered the sixth grade of Munday Public school in 1919, coming here from Burk Burnett. Weldon has four credits in science. He intends to attend Texas Agricultural & Mechanical College next year.

Jim Tolson entered school here at the beginning of the term, transferring here from Bomarton. Jim has three credits in science, and one in Latin. He was a member of this year's football squad. Jim plans to attend Junior College at Wichita Falls next year.

Last, but not least, is Lois Wyche, who entered Munday Public school in the sixth grade in 1920 and except for a one-half term at Anson, has since attended school here. She is a brilliant student, graduating as Salutatorian, and is one of the most popular girls in school. Lois is an accomplished pianist, and is class reporter for this section. Lois will attend the College of Industrial Arts, at Denton next year, where she will major in music.

This Seniors, completes your life histories, and if brevity is the soul of wit, they certainly must have been funny. I suppose that is here proper to give you a little advice, if you will trust the advice of a man in difficulty. In the first place, I would advise you to walk the straight and narrow path, especially if you become a stock wire artist. Another thing, I is always best to play safe, not to give things a close shave and let them go—unless, of course,

some of you gentlemen become lady barbers. When you go down to your respective colleges, work hard—that's the only way to harden your hands and heads as well as to soften your hearts, (but I would not advise some of you to work very much on account of the latter statement). Do not work too hard and do not burn the midnight oil—use electric lights, you know how a flickering lamp light affects the eyes.

When, after you have tried the world and found mankind "an uncut' squad," you decide to settle up and then settle down, think of this bit of advice: If you have been straight, when you look for a mate—why choose a parallel. She will always play straight with you, honor and obey you, never will cross you—rah! rah! Einstein! It may be moonlight on the Ganges, but it's moonshine on the heart of the famous Knox Prairie. Seniors, so tonight, tomorrow, always—here's to your health, wealth and happiness.

Junior-Senior Banquet

The climax of the season's social affairs of the High School was reached in the Junior-Senior banquet, given Friday evening, May 13, at the Masonic hall. It has been customary for a number of years for the Junior class of the High School to honor the graduating class just before their commencement with a banquet.

The Juniors and their sponsor, Miss Frances Dashner, are to be highly praised upon the success of the entertainment. Everything from start to finish was as it should have been. Upon entering the banquet room one was immediately impressed with the scene before him. At the windows were draperies of red and white, Senior class colors. In the center of the long table was a miniature university with administration building and dormitories, electrically lighted, surrounded by a well-kept campus, with neat gravel walks and shrubbery. At each place was a miniature suit case, also suggestive of the going away of the honored guests to college or university in the near future. The mint-filled suit cases bore the names of the guests on the tags and served as very attractive favors.

The first course consisted of pressed chicken, potato chips, tomatoes, olives, red and white bread-butter sandwiches, and iced tea. A delicious salad of red and white fruits was then served. The third course was cherry pie a-la-mode.

The toastmaster for the occasion was Gaynor Kendall, who managed the program in a very pleasing manner, telling the right joke at the right time, and making things "go" so to speak. At the conclusion of the last course Otis Burnett, Junior class president, made the welcome address, which called forth a response from the Senior class president, Chase Eliland. In the course of his talk he reviewed the activities of the two classes, the harmony existing between them the good will of the Seniors for the Juniors, and the appreciation of the graduating class for the Juniors and the splendid banquet.

Following this address a prophecy, very cleverly written in poetry by Miss Claudia Hodge, was read by Oneta Blanton, and if any of the Seniors were in doubt as to their future they had it settled for them at that time.

Delphine Hendrix then read in her usual pleasing way, "In the Usual Way". Following Delphine's reading, Gaynor called on Mr. Rhodes, who gave an unusual talk on "Building a Navy." In this navy, he told his hearers, there are several ships, some of which are Leadership, Follow-ship and Fellowship-ship. He developed his speech in a very interesting way, urging the importance of building such a navy—and of what it would mean to all in life.

Lois Wyche in a brief talk paid tribute to the Junior Class, following which Mr. Bass delivered a short but effective talk. He asked if he might increase Mr. Rhodes' navy and stated that he would add a Love-ship.

"During the years I have spent in Munday," he said, "I have built me a Love-ship, and I have put all of you in it and intend to keep you there."

He then expressed his appreciation for the students assembled and his regret at leaving them.

Sub-Junior

We regret much our losing Nabih Ameen, who left last Monday for Adah, Oklahoma. The teachers admit that they miss the noise that he made in the study hall.

Charlotte Williams has been quarantined against scarlet fever which has been raging for the last week. We are sorry to have Charlotte leave us, especially since she's going to leave for her home in Tennessee and may not return.

The Latin club was disappointed Saturday night when it began to rain. They were already at Leuders and were almost ready to "turn in" when they decided to come back home. Maybe it won't rain next time.

This is the last week of real school work. Next week will be confined to reviews and examinations. We can't say anything now but after it is all over—well, we had better wait till then.

Juniors

On last Saturday afternoon two of the members of the Junior class went to Leuders with the Latin Club. They do not take Latin but were members of the Latin Club last year, and were therefore allowed to belong this year.

As there is only one more week of real school work, the Juniors have decided to study. From all indications each Junior will be a Senior next year, and we hope they will all remain in Munday to complete their high school work.

It has been the custom of the past four or five years for the Junior class of Munday High School to give the Senior Class a banquet. On last Friday night, May 13, the banquet was given.

When everyone arrived they were ushered into the banquet room where they found their places around the table. The room was decorated in the Senior colors, red and white. In the center of the table was a small university consisting of three buildings.

The program was as follows: Toastmaster—Gaynor Kendall. Invocation—Mr. Bass. Welcome Address—Otis Burnett.

Response—Chase Eliland. Prophecy—Oneta Blanton. Talk—Lois Wyche. Talk—Mr. Rhodes. Reading—Delphine Hendrix. Talk—Mr. Bass.

'N We Laughed

Sebern: "Father, what is a suicide?"
"A suicide, my son, is a person who has reached college without finding that there was no Santa Claus."

Mr. Bass: "Charles, do you believe in the transmigration of souls?"
Charles: "Well, no sir. I likes 'em fried in the ordinary way."

Wife: "Next time you spend an evening at the club, please let me know if I'm to keep breakfast waiting for you."

Lillian (listening to college quartette): "Oh, Lois, wouldn't you like to have those boys for your first four husbands?"
Dolly: "Do you own your own home?"

MY HUSBAND SAYS I'M PRETTY--

Davis Drug Company, Sweetwater, Texas. Gentlemen:

"I have the most wonderful testimonial but am afraid it will be spoiled because I just cannot sign my name to it. My husband would die of mortification if he knew I was writing about my health, something I have never done before.

But I simply must tell someone, and if you will not use my name you are at liberty to publish this—what to me is a confession.

For three solid years I suffered untold agonies with my stomach; I dieted and tried every known remedy but I continued to lose weight and, what is far worse, the love of my petulant husband. I grew pale, thin, was unhappy, discontent and thoroughly discouraged. I could just see my husband's affections for me waning and, then, a very dear friend recommended Laxatone. Oh, what a perfectly wonderful medicine.

I took three bottles and am a new little lady; am back to normal weight, can eat anything I like and, well, you wouldn't understand, but my husband thinks I am pretty again and—we are so happy.

I spent \$3 for your remarkable Laxatone and wouldn't take three million for the results. That's what you business men would call a splendid investment."

What more could be said? Is it any wonder this great Medicine is proving a sensation?

Gaaduation Gifts

We have a large assortment of Graduation Gifts for the young man or young lady, and will appreciate a visit from you.

We have just received a number of very beautiful sets of Pyralin ware, which will make a most appropriate graduation gift for the young lady graduate.

Texas Company Building Rig and Getting Materials For Test On J. O. Bowden Farm

Two Cars of Casing, Rig Materials and Other Equipment For Drilling Here, and Well Will Be Ready to Spud Within Two Weeks

Rig materials have arrived, and rig builders are busily engaged in building the rig for the Texas Company on the J. O. Bowden farm two miles south-east of Munday, and it is believed that the well will be ready to spud within the next two weeks.

The big steel derrick is on the ground and workmen are engaged in laying the heavy timber for the foundation, digging a slush pit and making other preliminary arrangements for the erection of the derrick. The boiler has arrived and has been hauled to the location, as well as the cable and other materials, and two cars of casing have already arrived for the well.

The location is 340 feet from the south line and 750 feet west of the Bowden 148-acre tract, section 115, block 46, H. and T. C. survey.

The Texas Company is putting down another test well about eight miles west, and these two wells and that of the Goode No. 1 of the Humble Oil Producing Company are in a direct line, which would indicate

Seventh Grade Will Present Comedy Drama On Saturday Evening

The seventh grade class of the Munday Public Schools will present a comedy drama, "Getting Acquainted With Madge," on Saturday evening, May 28th, in the city hall auditorium.

The seventh grade has always been famed for presenting good plays and we are assured that this is no exception to the rule, as a matter of fact this will be one of the best plays staged in Munday this year. Come out and see this play and have a good laugh.

Following the presentation of the play some fifty diplomas will be presented students in this class, which will possibly be the largest entrance into high school in the history of this school.

The cast which will present this play is as follows; all of whom represent students in Broxton University:

Arthur Tilden—Hubert Isbell; Sam Farbusch—Caz Lansford; Randall Graham—Aristle Thompson; Frank Garner—John R. Rayburn; Harry Neville—Paul Pruitt; Burton, Arthur's servant—Joe Edd Duval; Dr. Ornsby Ridgway—Gilbert Myers; Mrs. Alvie Ridgway, his wife—Madeline Spele; Madge, his daughter—Louise Atkinson; Jerry Sanders, Madge's cousin—Margaret Campbell; Aunt Minnie, Arthur's aunt from Montana—Lillian McElthorn; Lizzie, the Ridgway servant—Louise Aycock.

BOUGHT HIDES IN THIS COUNTRY 32 YEARS AGO; BACK FOR VISIT

W. M. Dobbs of Weatherford was here Saturday visiting his half-brother, R. C. Dobbs on route 2, and was enroute to Dickens county to visit a brother who is ill, and accompanied by R. C., he continued his journey on Sunday.

Mr. Dobbs is a pioneer Texan, having arrived in Texas in 1858 from Tennessee, his native state, and has been a resident of Parker county ever since. Some thirty-two years ago he made a trip by wagon over the now famous Knox prairie for the purpose of buying hides from the cattlemen, who then held sway throughout this section, and his visit to Munday on Saturday was the first that he had made to this section since that time.

In speaking of the growth of Munday, Mr. Dobbs stated that on the occasion of his previous visit here there were some half-dozen scattering homes here and hides were plentiful, and that he secured his load of hides and hauled them back to Weatherford to market.

While a man of 76 years, Mr. Dobbs would be taken for a man many years younger, and his appearance is that of the typical pioneer Texan—quick in step and an interesting conversationalist. He is a life-long friend of Capt. Goodnight of Clarendon, Texas.

TOM MOORE DIES AT HIS HOME AT WICHITA FALLS

Mrs. A. F. Huskinson and others from here went to Wichita Falls on Monday to attend the funeral services of Tom Moore, who was the father of Mrs. A. M. Huskinson of Bomarton, and who was known to many of our older citizens.

Deceased was about 60 years of age and died after an illness of about a week's duration, and his death was attributed to appendicitis.

ART EXHIBIT AT STUDIO FRIDAY AND SATURDAY

The art exhibit of Miss Shelley Lee's students will be held at her studio on Friday and Saturday of this week, and the patrons of the school and the public in general is extended a cordial invitation to attend.

"BORN TO THE WEST" SETS NEW HIGH FILM STANDARD

In "Born to the West," Paramount's picturization of Zane Grey's story, which comes to the Peoples Theatre Saturday night for its premiere showing admirers of Jack Holt declare that the role of "Colorado Rudd" is one of the finest he has ever given to the screen.

Holt is essentially a Zane Grey type. His superb horsemanship, ruggedness and heroism physique fit finely into this story of early Colorado. It tells of two boys who fought at school, marked each other for life and carried the scars of hatred up through manhood.

Grey has shown that he can combine charming romance with the outdoors, for there is a romantic love theme with Margaret Morris taking capable care of the feminine end of it.

The comedy relief is borne by Raymond Hatton, remembered for his stinging work with Wallace Berry in "Behind the Front." In "Born to the West" Hatton is a comedy cowboy, Jack Holt's buddy, and there is much hilarity wherever he is to be found. Arlette Marchal, Paramount's beautiful French player, is adorable as a dance hall girl and has many big dramatic moments. The picture is filled with action.

"Born to the West" is the first directorial effort of John Waters. The production vindicates the faith Paramount had in Waters when they elevated him to the post. Lucien Hubbard is responsible for the screen play.

Dr. Joe Davis was called to Austin on Monday by a telegram advising him that his son, Kingsley Davis, who is a student in the University of Texas, had been stricken ill and that an operation for appendicitis would be performed.

D. M. Waddington and daughters, Misses Lura and Onal, are visiting relatives and friends at Sulphur, Oklahoma.

Fifth Sunday Meeting With Brushy Church Begins Friday, May 27

The Fifth Sunday meeting of the Haskell Association will be held with the Brushy church beginning on Friday evening, May 27th and continuing until Sunday afternoon. Following is the program of the meeting which will be held at this time:

Friday Program

10:15. Sunday school.

11:00 Sermon—P. D. O'Brien.

2:30 P. M. Singing for everybody.

GLORIA SWANSON'S "FINE MANNERS" AT PEOPLES

Do "fine manners" make "fine ladies?"

That's the question asked in Gloria Swanson's latest film, "Fine Manners," which arrives at the Peoples Theatre on Monday and Tuesday. Gloria is seen as a dancer in a burlesque music hall. With a brother, who jealously tries to guard her from the world's tawdry influences, she lives in a tiny tenement apartment.

Then—Fate—or call it what you will, has her meet a young, socially bored, society scion. He immediately falls in love with this voracious child of nature.

Thinking to improve, and make her well-nigh perfect, the youth tells his sweetheart that

Graduation Exercises for Munday High School Will Be Held Sunday and Monday

Twenty-three Graduates Will Receive Diplomas At Graduation Ceremonies on Monday Evening At Community Auditorium

The graduation exercises will be delivered by the Rev. R. B. Freeman, pastor of the First Methodist church of this city, and on Monday evening the graduation ceremony will take place, at which time the address will be made by Dr. Godbold of Howard Payne College, Brownwood. The program for each of these services follows:

COMMENCEMENT PROGRAMS

Baccalaureate Sermon, Sunday Morning, Eleven o'Clock, Community Auditorium

Processional	Holy, Holy, Holy
Invocation	Rev. P. D. O'Brien
Give Of The Best To The Master	Choir
Sermon	Rev. R. B. Freeman

Those who will receive diplomas as at the conclusion of the final ceremony are: David Chase Eiland, Lois Wyche, Helen Elizabeth Smith, Clara Webb, James Lloyd Bowden, James Price Tolson, Conway Owen McKenzie, Stanley W. McCarty, Lois E. Bowden, Ernest Sulman

trip to Corpus Christi and south Texas, and states that cotton throughout that section of the state is looking good, but that the grain crop is very short. He states that the truck growers in South Texas have had a very bad year and are all in a critical condition financially.

Mr. and Mrs. Cecil Barton are the proud parents of a fine girl, who made her arrival on Saturday of last week.

Pressure Cooker to Be Given As Prize In Garden Contest

Mamie Maxwell, Co. H. D. A. Five Women's Home Demonstration Clubs have entered a garden contest. One member in each club is using nitrate of soda as a fertilizer, while the other members use whatever fertilizer they want, if they desire to fertilize. Each member plants at least four or more new vegetables that she has never planted before.

A garden show will be held in each club in which every member will bring from six to twelve vegetables of everything she raises.

The scoring is based on quantity, quality and variety of vegetables and the number of different ways each vegetable has been served.

The Dixie Canning Co. of Little Rock, Ark., has given an 18 quart Pressure Cooker for first prize to the winning club. Suggestive ways of serving vegetables:

Beans—boiled, creamed, buttered, dutch, succutash, soups, salad.

Beats—boiled, buttered, escalloped, salad, relish, beet sauce, creamed.

Cabbage—salad raw, baked, creamed, escalloped, stuffed, boiled, soups.

Carrots—Raw, salad, boiled, soups, creamed, buttered, soufflé, marmalade, cutlets.

Corn—Creamed, shouder, fritters, escalloped, omelet, pud-

TO CONTESTANTS IN FLOWER BOOK AND BIRD HOUSE WORK

The boys and girls who wish to make entries in the flower book and bird house contests will please have their exhibits at the home of Mrs. H. F. Barnes on the afternoon of June 2nd at 4:30 o'clock to compete for the prizes, and the winner in this contest will compete in the county contest as a representative of the Munday Study Club.

B. Y. P. U. WILL HONOR MRS. MAUDE MANN WITH SOCIAL THURS. EVENING

On Thursday evening of this week Mrs. Maude Mann will be given a farewell social picnic by the Adult B. Y. P. U. of the Baptist church, and the affair will be held under the trees at the Munday Golf Club grounds.

Those attending are requested to bring well filled baskets and to be at the Baptist church in sufficient time to leave the church at 6:30 o'clock. Those who cannot get to the church by that time may come on to the golf club grounds.

FINIS BRATCHER DIES

County Agent W. O. Logan of Benjamin was here looking after his work Wednesday.

Mr. Bratcher Leaves a Wife and Three Children to Mourn the Loss of their Loved One and Protector. He was the only son but is survived by two sisters, one of them being Mrs. W. F. McGuire.

The death of this splendid young man has thrown a shadow of grief over the community in which he has lived.—Seymour Banner.

T. C. Richardson, field editor of Farm and Ranch, was a visitor to Munday on Saturday of last week, and while here gathered data for an article to be published in that paper concerning the cooperative plan on which the Farmers Union Gin here is operated. Mr. Richardson is a pioneer in the cooperative ownership idea, and Farm and Ranch is doing much toward bringing ideas to farmers throughout the state which will create a sentiment among them to own their gins, threshing machines and other equipment necessary for the handling of their products.

Mr. and Mrs. Tom Haney have a baby daughter in their home, she having arrived on the scene of activity on Friday of last week.

Mrs. Grace Bass of Florida is here this week visiting in the home of her son, J. Horace Bass.

If You Want to Know a Man Go Fishing With Him

If you want to appreciate a neighbor, do some business with him.

Closely associated, each neighbor knows the other's capabilities and characteristics, hence is in position to serve or be served efficiently.

BANK AT HOME is not a matter of personal friendship—it is a logical proposition; those who know each other best are able to work together best.

THE FIRST STATE BANK
"There is no substitute for Safety"

it Pays to pay by check

HAVE you ever had the experience of having a bill presented to you the second time—and could not prove that you once paid it? Many of us have.

Most of us have had this displeasure and a second unnecessary payment was made to avoid any possible lawsuit or repeated calls by collectors.

If you have had such an experience and wish to avoid it in the future, may we suggest a Checking Account in this strong Bank? Beside the assurance of safety here you are given the convenience of an account as well as the added prestige which reflects favorably upon you.

START THAT CHECKING ACCOUNT IN THIS BANK TODAY!

First National Bank

Can you afford to spend 25¢ a week — to save 50¢?

It is reliably estimated that it costs on the average \$20 per year for removing carbon from a six-cylinder motor. This does not include the cost of necessary repairs due to the wear and tear which carbon causes.

That's why you save money when you use Conoco Ethyl Gasoline even though it costs 3c more per gallon than ordinary gasoline. It costs you about 25c more a week—\$13 a year—but it saves you double this amount by reducing carbon removal and wear and tear bills. Isn't that wise economy?

PUBLISHED WEEKLY EVERY THURSDAY

E. P. Dodson of Rogers, Arkansas, came in Wednesday for a visit with friends here and to look after his interests here.
Little Miss Bettie Joe Newton of Happy, Texas, is here for a visit with her aunt, Mrs. S. E. McStay, while Mrs. Newton is in a sanitarium at Glen Rose for treatment.

W. R. Hill of Burkburnett was here over the week-end visiting his parents, Mr. and Mrs. W. C. Hill. Mr. Hill has recently returned from a trip with a party of Lions Club members on which they visited Mexico and other points of interest.
Mr. and Mrs. W. H. Chapman went to Winters on Tuesday to attend the funeral services of W. A. Pace, a lifelong friend, who died from injuries received when he was run down by an automobile driven by a small boy. Mr. Pace was 60 years of age and had visited the Chapmans here. They were accompanied home by Miss Kathleen Johnson of Winters, who will visit with them for some days.

home of her daughter, Mrs. W. J. Ford.

Mrs. W. E. Kimery and little son of New Mexico are here visiting her mother, Mrs. J. F. Bolander.

Mr. and Mrs. Lee Haymes and children were guests Sunday and Monday of her sister, Mrs. A. W. Wyatt, in Wichita Falls.

Rev. P. D. O'Brien went to Rule on Monday afternoon, where he delivered the commencement address at the closing exercises of the Rule High School.

Miss Blanche Bass and brother, Frank Bass, of Floydada, were here first of the week visiting their brother, J. Horace Bass. Miss Blanche was formerly a teacher in the Munday public schools and has a large host of friends here, who are always glad to welcome her. She is now County Home Demonstration Agent of Floyd county.

Mrs. W. F. Coffman and children of Abilene were weekend guests of her sister, Mrs. J. W. Wiley.

Mrs. A. J. Birdsong has returned from an extended visit with her sons in California. She was met at Waco by Mr. Birdsong.

Mrs. A. F. Huskinson, W. M. Huskinson and Mrs. John Spann went to Wichita Falls Saturday to attend the funeral of Mr. Moore.

W. T. Burton left Friday for an extended visit with his children in various towns in West Texas, and will be gone for some time, as he will visit at Abilene, Lorraine, Baird and Floydada.

Miss Eula Crawford departed on Monday for her home at Weatherford, that portion of the school which she presided over having come to a close. Miss Crawford has been affiliated with the schools here for the past three years and her services have been most satisfactory and her many friends will be pleased to know that she will return again next year.

Postmaster John B. Reneau went to Wichita Falls the latter part of the last week to attend the annual convention of Texas Postmasters, and mix and mingle with the powers that be.

Miss Ida Mae Spann, who has been teaching in the public school at Rule, has returned to her home here for the summer.

Mrs. G. C. Spann left Sunday for Abilene, where she will spend some days visiting in the

Whittemore, Winnifred Warren, Barbara Eiland, Ida McMahon, Mary Hope Smith, Myrie Lowe, and Helen Phillips.

Missionary Society Entertained
Mesdames E. Duval, E. B. Bowden and G. H. Craig were hostesses to Methodist ladies on Monday afternoon from four to six in the home of Mrs. Duval. The first hour was spent in bible study on the structure of the book of Isaiah, conducted by our efficient leader, Mrs. H. T. Maples. Then followed a short business session, after which we were favored with two piano selections, given by Madeline Craig, greatly enjoyed by all. J. B. Duval gave two splendid readings. Mrs. E. B. Bowden sang for us the "House-keeper and Her Troubles," which brought forth a hearty laugh from all.
Delicious sherbert and angel food cake were served to about twenty. Guests were Mesdames W. S. Bailey, Annie Newsum and C. F. Barger.

COME TO B. Y. P. U. BAPTIST CHURCH EVERY SUNDAY EVENING 7:30
Subject for next Sunday evening will be, Missionary Meeting—Historical Survey of Southern Baptist Foreign Missions. Our B. Y. P. U's, are growing, have good interest and interesting programs.
If you are interested in B. Y. P. U. work, make us a visit next Sunday night, but we had much rather you would come and be one of us. We have a place for everybody to work—big, little, old or young. Remember the time—7:30 o'clock every Sunday evening.
A member.

TIME not WORDS proves a tire's value

EVERY NEW TIRE LOOKS GOOD.
Dunlops not only look good, but they make good—over rocks and gravel, and ruts and sand.
Thirty-nine years of experience has shown Dunlop how to design a tread that gives maximum traction and slow, smooth wear.
This Dunlop tread is the toughest development of rubber known. And this same tough tread-rubber is carried clear around the sidewall to give maximum protection against rut wear.
You get the full benefit of all this extra tread-mileage because each Dunlop is built with the famous trouble-free cable-twist Dunlop carcass, to provide the high-strength and elasticity so vital to long tire life.

We recommend you put Dunlops on your car

 Freshman Class Reporter: Chandler Hughes
 Sophomore Class Reporter: Joe Aycock
 Junior Class Reporter: Oneita Blanton
 Senior Class Reporter: Lois Wyche

Several of our teachers have resigned their positions here in order to seek their fortunes elsewhere. The loss of these teachers is a great blow to the school, and we are sure that their positions will be hard to fill. We believe that the faculty which we have had this year by far excels any we have ever had here, and one as good as any faculty anywhere.

It has certainly been a pleasure to have been associated with the members of the faculty thru this, and thru previous years. There has been more harmony between the students and their instructors than during any previous term. In fact, we are sure that we will always look back on the record of the Munday Public Schools for 1926-27 with pride.

Mr. J. Horace Bass has, for the past five years been Superintendent of the Munday Public Schools. The school has, under his direction, grown from a much smaller school to what it is now. He has selected faculty after faculty and since practice makes perfect, in helping select the present faculty, he reached a height of perfection. Mr. Bass has accepted the Superintendency of the Haskell Public Schools for next term, and we can only congratulate Haskell on their receiving a fine man as well as an excellent instructor.

Mrs. J. H. Bass came here from Cleburne two years ago where she taught before she received her Mrs. degree. Mrs. Bass specializes in primary work, and is an excellent teacher. Mrs. Bass attended North Texas State Teachers College.

Miss Frances Dashner of Wichita Falls received her A. D. degree at Trinity University in 1925. She has for the past two years taught the students of Munday High School all she knew about English—and still, she laments, we know very, very little. Miss Dashner has accepted the position as English instructor in the Junior High School of another little city, Wichita Falls, Texas, for next year.

Miss Claudia Hodge of Bonham, Texas, attended college at Baylor, Belton, before she came here. For the last two years, Miss Hodge has taught in the elementary department of our schools. She intends to attend North Texas State Teachers College this summer as well as next term. Miss Hodge is an excellent teacher.

Miss Hattie Lucile Paxton of Rotan, Texas, came here two years ago from Newcastle. She is an exceptionally good teacher, and is an excellent Latin instructor. She will attend the North Texas State Teachers College, as well as the College of Industrial Arts, from which she will receive her A. B. degree this summer.

Mr. A. D. Starling has been for the past two years principal of the Grammar schools here. He is an excellent teacher and during the time he has been here he has endeared himself to all his pupils. Mr. Starling has accepted the position of Superintendent of the Bomarton Public Schools for next year.

Mr. F. E. Starling of Denton became a teacher in the elementary department of the schools here last year. He was assistant coach in football and basket ball during the past season. Mr. Starling will attend North Texas State Teachers College at Denton, where he will receive his A. B. degree next year.

Sub-Juniors

This is the last week of school and some of the Sophs are certainly glad to get a vacation (not all of them though. The whole year has been one for some.) We are indeed sorry to learn that we lose three mighty fine teachers and we regret it very much.

Charlotte Williams is back in school this week after being quarantined a week. We are certainly glad to see her back in her place.

There may be several Sophs of '27 leaving us and going elsewhere but the original Soph class will have a warm spot for them. We may also welcome some newcomers, next year.

We are now getting ready for examinations and reviews. 'Twill be to the sorrow of some and happiness to others. 'Tis as Mr. Rhodes said, "It is the last lap and it won't be long now."

Freshmen News

Miss Constance Browning of Canton, Texas, was in Munday last week-end visiting Vela Phillips. While she was here she visited our class, and reported that we had a fine bunch here.

Vivian Rogers is absent today, Monday, on account of illness, but we hope by the time you read this, she will have been back in school with us. When she is out of school things just don't seem right. Here's hoping she recovers soon.

Farewell

We, the Sophomore Class of '27 bid you, the Senior Class of '27, a fond farewell. We wish for you the best of luck and may your future be one of the most successful ever known. We hate to miss the spirit of '27 but to miss that means a future for you.

If there has been any misunderstanding between us let it be a thing of the past and remember us as your friends, the Sophs of '27.

Welcome

We, the Sophomore Class of '27, bid you, the Junior Class of '27, welcome as our dignified Seniors of '28. We are glad, as Juniors of '28, to have you as our leaders and hope that you will prove worthy as a class of high ideals and aspirations.

And Teachers Also

To Misses Paxton and Dash-

omore Class of '27 and the Freshmen Class of '26, bid you a farewell that may seem a bit "stingy" as we do not want to let you go, but as you must, we are indeed sorry to see you go. We want to thank each of you for your splendid attention to us as students, and also we might add, for your patience with us. We feel that we are greatly indebted to you for helping us plan and getting us ready for a future.

We wish you the best of luck and hope that while you are elsewhere you will think of us once in a while.

Seniors

The Seniors have been enjoying themselves immensely during the past two weeks. The time has come when the class of '27 must say good-bye, and its friends have been saying good-bye in a most pleasing manner. First came the Junior-Senior banquet, which was the best and most enjoyable banquet ever given by a high school class in Munday. Some of our class members have attended four of the banquets and they are willing to bear out this statement.

Next came the 84 party given by two Senior girls, Lois Wyche and Lillian Milam. We were next entertained by Mrs. Bass, Misses Paxton and Dashner, with another 84 party. We had a very enjoyable time at each of these parties. After the party at the home of Mr. and Mrs. Bass, we serenaded to town and back, as several peo-

ple who do not sleep very soundly, can testify.

But lest you get the idea that we have been doing nothing but having a good time, let us remind you that our note books are up in good shape. We hope to graduate 100 per cent strong, leaving none behind because of inferior work. It must be admitted, however, that we can't tell about that yet, since we haven't taken the examinations, but here's hoping.

This will be the last report we will have in "The Roundhouse" so we regretfully wish you a kind farewell.

—Seniors '27

'N We Laughed

Oneita: "She sure has a masculine laugh, hasn't she?"
 Ruby: "How's that?"
 Oneita: "He-he-he."

Maid: "O, Deacon, you shock me."

Deacon: "By Joe! I didn't think I was such a live wire."

Frances: "They say she is sophisticated."

W. A.: "That's too bad. She ought to try eating prunes for breakfast."

Jim: "Was it a case of love at first sight?"

Lois: "Absolutely! The first time I saw him in his Rolls Royce."

Otis: "Can I treat you to a banana sundae?"

Fern: "What's the matter? Do you need a whole week to

save up for a banana?"

Little Boy: "Say, mister, can you make me a pair of rubber pants?"

Shopkeeper: "What for?"
 Little Boy: "So that when my daddy spansks me his hand will bounce back and hit him in the eye."

"I'm so proud, my daughter won a beauty contest."

"Is that so?"

"Yes, she got the first prize for having the most handsome goitre."

He: "If you refuse me, I'll blow my brains out."

She: "Really? I didn't think you had such a powerful breath."

Ali Mirza, a Turk who was the famous mosque of St. once wealthy, killed himself in Sophia at Constantinople.

CLUB NEWS

The Munday Club boys met last Friday afternoon and organized. Mr. Logan was present and gave a talk on one of the earliest of modern club boys, "Jack Turner."

His talk was as follows: "Jack Turner became a club boy at the age of 15 or 16 years. The first time that a National livestock judging contest was held at Atlanta, Georgia, he was a member of the Texas livestock judging team. "The Texas team won the championship of the United States in livestock judging and Jack Turner was high point man. After winning the National championship they went to Europe and there the Texas team won the world's championship in stock judging."

"After graduating at A. & M. College, Jack became associated with a cattle company at Ft. Worth and has made a success. The Grand Champion fat stock shown at the Ft. Worth Fat Stock Show this year was fed by him. This shows how farm club work benefits even after you leave club work."

On June 20-21, a short course in scientific agriculture will be held here at Munday under the supervision of the Extension Service of A. & M. College. Several successful men will be present to give lecture and demonstrations on modern agriculture.

The Club Boys also began to make preparations for all to attend the Boys Encampment and District Judging contest at Leanders on July 13-14.

After all business was transacted the club boys elected leaders. Preston Childers was elected President; Earl Proett, vice-president and Paul Pruett, secretary. Then we adjourned until the next meeting in June.

—Reporter.

W. M. U. MEETING

On Monday afternoon, May 23 the W. M. U. of the Baptist church met in their business and social meeting in the beautiful home of Mrs. M. O. Burnett, with Mrs. Elbert Hughes and Mrs. Hendrix as assisting hostesses.

During the business session the secretary's report was given by Mrs. Hannan, and a collection of towels, linens and cash offering was taken for the sanitarium work. A very interesting story of Job was told by Mrs. Lair. We were then dismissed in prayer by Mrs. Stodghill and went into one of the most enjoyable social hours we have spent together.

Delicious refreshments were served to about 20 members.

We were indeed glad to have Mrs. E. H. Stodghill back with us again. We take this method of letting her know just how much we have missed her during the illness of her father. We hope she can be with us often from now on. We were also glad to have Mrs. Bass, mother of J. H. Bass, of Floydada with us as a visitor.

—A member.

CARD OF THANKS

We wish to express our sincere thanks to the many good friends in Munday and vicinity for the kind words of consolation, the floral offerings and other tokens of esteem bestowed upon us upon the occasion of our great sorrow, and our fervent prayer is that God's richest blessings may rest upon each of you.

Mrs. Maude Mann,
Truman Mann
Nancy Eaton.

In Re: Guardianship of the estate of Pearl Jones, a Person of Unsound Mind. Number 371.

In the County Court of Knox County, Texas.

Notice is hereby given that I, W. R. Jones, guardian of the estate of Pearl Jones, a person of unsound mind, have this day filed my application in the above entitled and numbered cause for an order of the County Judge of Knox County, Texas, authorizing me as guardian of the estate of said ward to make a mineral lease or leases upon such terms as the court may order and direct, of the wards one-eighth interest in the following described real estate, to wit:

55 acres of land out of and being the South West One-Fourth of Section Number Thirty-Five (35) Block Number Two (2) D. & W. Ry. Co. Lands in Knox County, Texas, and being the entire S. W. 1/4 of said Section less 5 acres out of the N. W. Corner of said S. W. 1/4.

Which said application will be heard by the County Judge of Knox County, Texas, at the Court House at Benjamin, Texas, on the Sixth day of June A. D. 1927.

W. R. JONES,
Guardian of the estate of Pearl Jones, a person of unsound mind.

TO THE PUBLIC
I was in a run-down condition, nervous, could not sleep at night, felt as tired when I got out of bed in the morning as if I had worked all day—no life, no pep—and irritable, I knew something was wrong but I did not know what to do. A friend of mine recommended Dr.

Leaches Lemon Lasatone, and I sincerely say that before I had finished taking the first bottle I began feeling better than I had in years, and am now enjoying health.

Yours truly,
M. L. KUYKENDALL.

Estate of W. A. Fitzgerald, Deceased, No. 362 in the County of Knox County, Tex.

Notice is hereby given that I, C. A. Eiland, administrator of the estate of W. A. Fitzgerald, deceased, have heretofore, to wit: On the 18th day of May A. D. 1927, made application in writing in the above entitled and numbered cause for an order of the County Court of Knox County, Texas, authorizing me as administrator of the estate of W. A. Fitzgerald, deceased to make and execute a mineral lease or leases upon such terms as the court may order and direct upon the following described lands belonging to said estate of the said W. A. Fitzgerald, deceased, to wit: The South 122 8-100 acres of land out of sub-survey Number one, Original Survey Number

seven, D. G. Burnett lands, in Knox County, Texas.

71.35 acres of land out of the Southeast one-fourth of Section Number 123, Block Number 45 H. & T. C. Ry. Co. Lands in Knox County, Texas, known as the Parramore Land.

45.50 acres of land or thereabouts, out of Section No. 34, Block Number 2, D. & W. Ry. Co. Lands in Knox County, Texas and a part of said 45.50 acres being what is known as Block 172 Munday Development Co. Addition to the City of Munday, Texas, and being in said Section No. 34, as aforesaid and adjacent to said acreage above set forth, all located in N. W. 1-4 of said Section No. 34.

Said Application will be heard by the County Judge of Knox County, Texas, on May 30th, A. D. 1927, at the Court House in the town of Benjamin, Texas, and all persons are hereby notified to be present and interpose any objection, if they so desire.

C. A. EILAND,
Administrator of the estate of W. A. Fitzgerald, Deceased
