THURSDAY, SEPTEMBER 17, 1987

Council Approves WTU Rate Hike, '87 Tax Roll

The City Council of the City of Munday, Texas met in regular session September 8 at the Munday City Hall.

Members present included Mayor Doris Dickerson and Aldermen Richard Albus, Garon Tidwell, Jessie Tucker, Gene Brown and Jessie Andrade.

Mayor Dickerson called the meeting to order. Minutes of the August 11 meeting were read. Tidwell moved minutes be approved as written. Andrade seconded; all in favor.

A proposed ordinance was read in regard to West Texas Utilities rate increase request. Since cities are required to act by September 21, Tidwell moved the ordinance be passed based upon granting a company-wide increase of \$18,841,360 which is the amount recommended by our consultants. Albus seconded the motion to pass the ordinance. Voting for were Tidwell, Albus, Tucker, Brown and Andrade. Motion carried. Full text is to be filed in WTU ordinance files of the City.

The Council next examined the 1987 tax rolls. Real property value was \$13,751,180; personal property value was \$1,721,270; total \$15,472,450. Albus moved the 1987 City of Munday tax roll be approved as submitted by the Knox County Appraisal District. Tucker seconded the motion. All members voted in favor.

Next the Council examined a bid or offer for City Hall floor care. Since the cost was unbudgeted, the Council instructed the City Administrator to utilize our own employees to care for City Hall as well as they can at this time.

A progress report was made on three projects by the City Admin-

istrator: 1. Metal removal from dump ground is approximately 85% done; 2. Drainage work one block east of tower is under construction at this time; 3. North Park drainage work is staked and will begin as soon as the first two items are finished.

The Council discussed insect and rodent control at the City Hall and Fire Station. Andrade moved the City Administrator check with at least two reliable exterminating companies, secure prices of two or more, and make an agreement for no more than one year for this service. Brown seconded; all in favor.

The Council next discussed present property and liability insurance and also a new proposal recently submitted by another carrier. Bids are being sought and insurance will probably be purchased for one year in a special council session about the end of September.

Next discussed was a phone call returned by Riley Fletcher, Texas Municipal League attorney. Information is being secured regarding dump ground purchase; also additional information was secured regarding an enforceable junk car, ordinance. More information is needed in both instances.

The Council considered Reinhart Redder's airport lease of farmland; also runway shredding. Tidwell moved the lease be officially approved for the '87-88 crop year, lease to expire June 10, 1988; on the same terms and conditions as the '86-87 crop year. Tucker seconded; all for.

Mayor Dickerson briefed Council on (1) a request for funds for a veterans memorial at Dallas fair grounds (the Council tabled at this time); (2) radio controlled lighting (See City Council, Page 2)

TWO BRUISED AND BANGED-UP teams met Friday night at Knox City for the county's Class A bragging rights. Five-time winners since 1984 the Moguls kept their record unblemished with a 14-0 win over the rival Greyhounds, but not before they gave their fans some anxious moments. After suffering through an error-filled first half, the Moguls finally got untracked with the assistance of speedy Anthony Stinnett, who scored the first touchdown with a 75-yard burst. Moguls identified in the above pile-up are No. 12, Chad Bordovsky; No. 61, Jeremy Hutchinson; No. 23, Marc Andrade; and No. 78, Doug Tidwell.

FRIDAY AT COMMUNITY CENTER

New Donors Needed For Red Cross Bloodmobile

Because of the increasing population of the United States and advances in medical and surgical techniques, the need for blood donors is constantly growing. Although small rural communities often have little in common with urban areas, this is a relentless similarity - the need for donated blood is real and growing more important every day.

Munday area residents will have an opportunity to donate blood Friday, September 18, when the Red River Regional Red Cross Bloodmobile is at the Munday Community Center. The hours are from 2:45 until 6:30 p.m., and donors from this area are responsible for a 60-pint quota.

Despite much experimentation, there is still no substitute for human blood, and without volunteer donors, the supply of blood would be used up rapidly. The American Red Cross blood services program supplies half the whole blood and blood products used in the United States.

Giving blood is a safe and simple procedure that takes less than an hour and involves no risk to exposure of disease. The process begins with a confidential medical interview, followed by a "mini-physical" which includes taking temperature, pulse and blood pressure. A small sample of blood is taken to determine the donor's hemoglobin content.

The actual giving of blood usually takes from five to ten minutes. Approximately one pint of blood is drawn into a plastic container. The average adult has anywhere from eight to twelve pints of blood, and research shows that a healthy person can easily spare a pint; the body replaces the volume in a few hours. The donor rests briefly after his or her contribution, enjoys some light refreshments and then is free to continue normal activities.

Before a donor's blood is given to a patient, it is carefully examined. Sophisticated testing procedures, involving at least four hours of testing per unit, ensure that blood is safe for use.

The tests include those for blood group and type, hepatitis B and syphilis, as well as to detect the antibody HTLV-III, which is presumed to cause Acquired Immune Deficiency Syndrome. Blood is also tested for red cell antibodies, which may cause problems when transfused to certain patients.

A healthy person can donate blood every eight weeks, and many local citizens are "regulars" at the

Bloodmobile visits in Munday, which are held twice a year with the exception of emergency calls, such as one made this summer. These regular donors are important to the Bloodmobile, but new donors are needed at each visit. Because of the volunteer donors in our community, everyone in the community is eligible to receive this blood.

This attitude of community responsibility only costs an hour or so of time twice a year and results in the donation of one of the most powerful gifts anyone can give - the gift of life.

IN SECOND HALF

Munday Rallies To Shut Out Knox City

History does seem to have a way of repeating itself, and the Munday Moguls and the Knox City Greyhounds have a history of hard-fought, surprising ballgames. The last time the two football teams met in Knox City, in 1985, Munday won 14-0; a group of different players repeated the game Friday night, with the same outcome.

"Sloppy" was how Munday coach Ron Steele termed it. "We survived" was closer to how Mogul fans felt after the game ended in the hot, dusty night air. Both teams could be described as "walking wounded," as each squad was missing key players who were injured in previous contests this season. Penalties also played a big part in the game, with the Moguls penalized 12 times for 85 yards and the Hounds ticketed eight times for 58 yards.

The Moguls, who did not punt in their season opener against Haskell, were forced to punt five times in their second outing, but they made their opponents punt seven times. Munday also fumbled twice and lost two passes to interceptions, while Knox City had only one turnover.

On the plus side, Munday doubled the number of first downs made by their opponents, and had 260 yards rushing compared by 96 for the Hounds. Neither team threatened with their passing game, although Knox City attempted 11 tosses. Only two of them were completed.

The driving offense that moved steadily through the Haskell line a week before seemed noticeably absent during the first half, as senior tailback Anthony Stinnett sat out two quarters with a leg injury. In the

first half, when Knox City had possession considerably longer than Munday, the Greyhounds moved the ball more easily than the Purple and Gold, but penalties and stalled plays kept them from gaining access to the goal.

Both teams had drives stopped by interceptions in the second quarter. Rance Marion picked off a Marc Andrade pass inside Greyhound territory, then Terry Collier made his third interception in two games to stop a Knox City drive as the half ended.

When Munday fumbled the second half kickoff, it looked as though Mogul fans were in for more agony, but Stinnett entered the game on their next possession, and things changed very quickly. On a first down play at his own 25 yard line, Stinnett took the handoff and reversed through the left side of the line, then outran everybody on the field all the way to the goal. Lowell Hutchens kicked the extra point, and the Moguls finally took a 7-0 lead.

Munday lost another pass on their next series, when Billy Large stepped in front of the ball on the 40 and returned it to the Mogul 11. But the Hounds couldn't make any yardage on the ground, and Large's passes fell incomplete, and Munday took over again at the 13.

Three five-yard penalties on one series eliminated any forward progress Munday could make, and both defenses stood head to head for most of the remaining fourth quarter. But with two minutes left, Stinnett carried the ball for two back-to-back first downs, gaining 40 yards down to the Knox City one yard (See Moguls, Page 2)

Munday Cross Country Team Victorious In First Meet

For the first time, Munday High School is fielding a girls' cross-country team, and the girls surprised everyone by winning their first meet, held Saturday at Henrietta. The team is under the guidance of coach Gina Farmer.

Cross-country runners race two miles across various terrain. Individual winners are recognized, as are the teams with the highest point totals. Munday won in this category, and sophomore Mindy Myers came in third in the individual competition. Julie Dodd of Prairie Valley was first, and a Windthorst runner finished second, so small schools in the area held their own against the bigger teams.

"The girls ran real well," said their coach, "especially for their

first meet. They had to go up a pretty big hill, and it was really hard for them as we hadn't practiced on hills. They still have to learn to pace themselves for this type of distance running. I thought we had the potential for a good cross-country team, but I was really elated that they did so well."

Members of the team are Mindy Myers, Robin Reneau, Alicia Cook, Kacy Longan, Jae-Jae Reneau, Angie Offutt and April Offutt. The junior varsity team, which consists of Maria Castillo, Rosalinda Castillo, Eva Campos, Denise Kuehler, Christy Williams and Chris Burnett, also won first place in their division.

The teams will compete in a meet hosted by Abilene Christian High School Saturday in Abilene.

THE MUNDAY MOGULETTE varsity cross-country team shows off the trophy the squad won at its first cross-country meet Saturday in Henrietta. Running a multi-terrained two-mile course against more experienced teams from larger schools, the Mogulettes captured the first place team trophy and placed an individual runner in the top three finishers. Shown from left are Angie Offutt, April Offutt, Kacy Longan, Munday girls' coach Gina Farmer, Alicia Cook, Jae-Jae Reneau, Mindy Myers and Robin Reneau.

Hospital OK'ed By Patients, Medicare

If business isn't exactly booming at the recently re-opened Knox County Hospital, officials are nevertheless greatly encouraged at the steady patient population they've seen since the first admission September 2. With three patients on September 14, the facility has had an average of five patients per day hospitalized through the past two weeks and hasn't been empty at all. That number, according to administrator Dick Stout, is what is needed to be able to reduce the tax rate and still keep the hospital open.

A big step in better hospital service was made last week. The hospital passed the fire safety code inspection September 8, and Medicare officials inspected the facility September 10 and 11 and found it to be in complete compliance with no major discrepancies. Now the hospital and physicians will

be reimbursed for Medicare patients treated before the inspection.

"The Health Care Financing Administration will be notified that we have been re-certified for Medicare payments," Stout said. "Then we will be issued another provider number," a process he said would probably take about 60 days. The hospital can't process Medicare filings until the number is obtained, but they will be paid retroactively for prior claims.

"I think we probably got re-certified about as quickly as is possible," the administrator said proudly.

In addition to the patient load, the hospital's emergency room has been busy also. Stout stated that everything is running smoothly, though, and that the reduced number of personnel on duty is still ample to provide quality service to all patients.

Attendance Low At Firemen's Gathering

A disappointingly small group of teams from area fire departments was in town Sunday afternoon for the 109th semi-annual West Texas Firemen's and Fire Marshals' Association convention. But a number of local residents were on hand to watch the hose races and sample free watermelon slices.

Heat and high humidity made the onlookers more than a little uncomfortable, but the youngsters in the crowd had a wonderful time splashing through the water and getting as close to the hoses as they dared. Archer City won the water polo contest, followed by Iowa Park and Wichita West fire departments. The Electra department took the honors in two-man, two-woman and six-man hookup races. Teams from Scotland and Windthorst also

competed. Members of the local department set the pattern on the men's races, and the women's auxiliary did the same for the women's contests.

Other departments represented were Knox City, Bowie, Vernon and Crowell. At the business meeting held at the Munday High School auditorium, Roland Marion of Knox City was named president of the association for the new organizational year.

The ladies' auxiliary of the local department served a hamburger lunch to several out-of-town firemen and to many local residents, and Munday firemen sponsored a late-afternoon meal of barbecued brisket and sausage, beans, potato salad and peach cobbler for the visitors and other invited guests.

Moguls

(Continued from Page 1)

line. From there, Chad Bordovsky plunged over for the score and Hutchens lined the ball through the up-rights again for the extra point. With their team more comfortably ahead, many Munday fans began heading for their cars.

Stinnett finished the game with 156 yards rushing on 15 carries. Unofficially, Bordovsky carried 15 times for 85 yards.

This week the Moguls will host the Archer City Wildcats, losers to Windthorst and Quanah this season. The Mogul junior varsity, which battled to a scoreless tie with Knox City, will play Thursday night at Archer City, as will the seventh and eighth grade teams. Games there begin at 5 p.m. and kickoff for the varsity contest Friday night is 8 p.m.

Coach's Comments

by Coach Ron Steele

It was a very sloppy game. We played hard, but we made so many stupid mistakes, and some of those mistakes could have cost us the game. Knox City has a good team, and I think a few weeks down the

road, when we have all our injured players back and Knox City has Oudems and Saxton again, if these teams played it would be a head-to-head match.

It was really a different story when we brought Anthony in. He is completely healed and could have played the entire game; we just didn't want to take any chances. He is a team leader, and his running has improved greatly from last year. We'll be glad to be able to start him again.

I don't know what happened to the team mentally. It was a comedy of errors, but it is nice to win in spite of the mistakes - when you try to beat yourself and don't! The lapses in concentration, when players don't know where they are and what's going on, those mistakes can be ironed out. As long as we play hard, we can work on and correct the mental errors.

For the most part, our offensive line did a good job, and Chad Bordovsky looked good at fullback and linebacker. Ronald Edrington had as good a game as anybody - he only missed one block all night on offense and did a great job at linebacker.

In all, it's hard to be happy about such a sloppy game, but it goes down as a "W" irregardless.

Archer City will be tough. We haven't seen any films of their games this year, but looking back to the film of our game last fall, they played very well fundamentally. We won that game on speed, and we may still have some edge in that department. But our guys had better be ready for a war, because I think it will be one.

We are getting ready for three different kinds of offense - the wishbone, wing T and veer. They have used each one in their previous games. They have two good defensive tackles, and other coaches say their quarterback, Nicky McCorkle, is a big player who throws well and is hard to bring down.

Trey Thompson will not be ready to play this week, and we don't know if Sam Hunter will be able to see any action or not. Glen Reid is not working out early this week, and Donald Edrington will see only limited action. We hope to get these injuries out of the way and healed up by the time our district games start.

The JV is still playing super defense, but they just can't get their offense untracked because of injuries. This team has not had its entire backfield together a single time. We are looking forward to seeing the junior high teams play this week; I think they will be competitive.

City Council

(Continued from Page 1)

at the airport runway (other lights would not be affected). Item number 2 has been tabled because there are no Texas Association of Counties funds available for the state portion.

The Knox County Appraisal District has asked for nominations in regard to directors. After discussion, the City Administrator was instructed to notify the Appraisal District that the Munday City Council nominates the present board of directors without change.

The Council next examined two recent bankruptcy filing notices; also one Attorney General's notice of an approximate \$34 loss of sales tax for the City being filed on by the State. No action needed on bankruptcy filings now; Bobby D. Burnett, city attorney, is to be requested to write a letter stating Munday's intention to join in the sales tax suit.

Mayor Dickerson has been appointed to the Texas Municipal League resolutions committee. He informed the Council that he probably should attend at least the first day of the October Ft. Worth meeting. Munday submitted a resolution for consideration regarding state tax on garbage fees and new fees on almost every service we have; also cities get no gasoline tax for that burned on City streets. The Council agreed that necessary expenses be paid by the City for the mayor; also the administrator will attend if he can.

Andrade moved bills be paid as follows: from airport funds, \$202.22; from ambulance funds, \$573.98; from swimming pool funds, \$6.00; from operating funds, \$10,762.25. Brown seconded; all for.

Tidwell moved meeting adjourn. Andrade seconded; all for.

Ambulance Crew Gains Volunteers

Four local residents were among ten county volunteers who took their final Emergency Medical Technician exam in Haskell August 20. Pam Reed, Pat Hutchinson and Mickie Sanders of Munday and Marsha Hale of Gore are now certified EMT's and will formally join the Munday ambulance crew.

The EMT school was sponsored by the West Central Texas Council of Governments. Jan Rolston of Benjamin also received her certification, as did five Knox City residents. The school consisted of 100 hours of classroom training and 20 hours of practical observation in a hospital.

The Munday Emergency Medical Service is fortunate to now have ten trained EMT's volunteering for ambulance duty. In addition, ambulance coordinator Bobby Hutchinson, Jeanie Carden, Reba Redder and Betty Hamilton have been attending an EMT special skills course and will take their test soon.

The tidal wave caused by the eruption of a volcano on the island of Krakatau in 1883 reached as far as England.

Munday School Lunchroom Menu

Sept. 21-25, 1987
BREAKFAST
Monday - Cereal, juice, milk.
Tuesday - Cinnamon toast, juice, milk.
Wednesday - Sweet rolls, juice, milk.
Thursday - Toast, jelly, juice, milk.
Friday - Cereal, juice, milk.
LUNCH
Monday - Corn dogs, Ranch style beans, salad, fruit, milk.
Tuesday - Meat and bean chulapas, salad, peaches, peanut butter cookies, milk.
Wednesday - Roast and gravy, mashed potatoes, green beans, hot rolls, cake, milk.
Thursday - Tacos, pinto beans, lettuce and tomato salad, cobbler, milk.
Friday - Cheeseburger with trimmings, potatoes, fruit, milk.

Happy Belated Birthday!
We love you,
From your Darling Daughters!

The Lord's Corner

by Dr. Pete Bradfield
Pastor, First Baptist Church

"It is costing too much to run our church!" a chronic complainer said. "Yes," said another, "But I want to tell you a story of my own life. Some years ago a baby was born into our home and from that time he cost me something. I had to buy food, clothing, and medicine. After a while, I had to buy him some toys and a puppy dog."

more, and more. He started dating the girls, and that really cost me a lot.

"Then in his senior year in college he suddenly died, and since then he has not cost me a penny."

If your church is alive and vital and serving the community it costs something.

See you next week and remember: it costs nothing to operate a dead church!

"When he started to school, it cost me more, and more, and when he went to college I still had to pay

Thank you

We would like to say thank you to each one who sent flowers, cards, and food during the loss of our loved one. We appreciate everything that was done for us, every word of encouragement and also your prayers. It made this time a little easier for us to bear.

May God bless you.

County Population Increases Slightly

With not too many exceptions, Knox County residents feel this is a great place to live, and it is good news that the county's population is increasing. The U.S. Census Bureau released mid-decade census figures last week, and Knox County's population of 5,300 in 1986 is up .03 percent from that of 1980.

Of course, that is a very small increase, but a population jump is the exception, not the rule in our area, according to the Census Bureau statistics. Most counties in this region experienced decreases. State-wide, 11 Texas counties are among the 35 fastest growing counties in the United States.

Other census figures of interest to area readers are: Baylor County, 4,600, down 5.7 percent; Haskell County, 7,200, down 7.2 percent; Foard County, 1,800, down 14.6 percent; King County, 400, down 3.8 percent; Cottle County, 2,600, down 13.4 percent; Stonewall County, 2,300, down 4.1 percent; and Throckmorton County, 2,100, up 3.5 percent.

Wichita County saw a 5 percent increase to 127,100, and Taylor County also jumped to 125,900, an increase of 13.5 percent.

The fastest speed at which a giant tortoise can crawl is about five yards a minute.

FINDING LOWER INTEREST CREDIT CARDS

Bankcard Holders of America have taken the work out of finding low interest credit cards. Simply write to them at 333 Pennsylvania Avenue, S.E., Washington, D.C. 20003.

Enclose \$1.00 for a current listing of the institutions offering credit cards with interest rates lower than 16.5%. Enclose \$1.95 for a current listing of those institutions offering no-fee cards.

UNDERSTANDING LIFE INSURANCE

The basic idea of insurance is simple, yet many people find the

details -- and vocabulary -- to be very complex. In simple terms, life insurance is a risk-sharing plan that enables a person to cover financial loss experienced by survivors of his or her death.

The three basic types of life insurance are term, whole life and endowment. These types can be combined and modified to provide hybrids to meet the needs of all kinds of households. Over the next several weeks this space will be devoted to defining the different types of insurance. Let's start with "term insurance."

DEFINING TERM INSURANCE

Term insurance pays benefits only at the death of the insured. This is the least expensive type of insurance available. It is most useful when a large amount of coverage is needed or income is low. Term insurance provides coverage for a certain period of time -- five years, 10 years, 20 years -- or to a certain age. Most term policies are for five year periods, after which they can be renewed for another five year period at a higher premium.

Term insurance has many variations. A convertible term policy can be converted to a whole life policy without a medical examination. Level term insurance premiums stay the same over the life of the policy, but these premiums are higher than with straight term in early years and lower in later years.

With decreasing term, the amount of coverage decreases each year while the premium stays the same. Mortgage insurance is a form of decreasing term insurance, decreasing to keep pace with the principle balance on your mortgage loan.

Next week we will take a look at whole life insurance.

Electra Game Tickets Available At School

Munday High School principal Bill Kingston has announced that tickets for the Munday Mogul - Electra Tiger football game on September 25 are now available. The game will be played at Tiger Stadium.

Advance tickets are \$3 for adult and \$1 for students. At the gate, adult and student tickets will be \$3, so anyone wishing to save money on student tickets should purchase them now at the principal's office. The tickets will be on sale until the day of the game.

Local Woman's Kin Enjoys Game Shows

Many people watch such popular TV game shows as "Wheel of Fortune." Most of them have wondered, at least once, what it would be like to be a contestant on such a show, and what you have to do to get chosen for an appearance. Myrtle Sullivan of Munday has better first-hand information than most of us - her daughter-in-law is a veteran game-show contestant.

Paula Sullivan has appeared on "Wheel of Fortune," "The Newlywed Game," "\$25,000 Pyramid" and "Card Sharks." "Pyramid" was her favorite. The Abilene resident's game-show career began 17 years ago when an aunt sent in her and her husband's names for entry on "The Newlywed Game." They won a consolation prize on the show. Her winnings increased to \$2,300 on "Wheel of Fortune" six years ago and \$1,100 on "\$25,000 Pyramid" three years later. But Lady Luck really came through on her recent "Card Sharks" appearance - she won \$10,500 in cash and a brand new Subaru.

Mrs. Sullivan's next goal is to be on "Password," but the networks stipulate that a person can appear on only three game shows in ten years, so she will have to wait a while.

She says becoming a game show contestant is easy. "You just call the network and tell them you'll be in California on such-and-such date and you'd like to interview for such-and-such. When you get there, you go in for a series of interviews with about 300 people, and if you keep getting picked you finally play the game for the producer." An acceptance or rejection letter arrives in the mail weeks later.

The shows are "serious business" to the people connected with them, Mrs. Sullivan said. "You were just a prop for entertainment purposes and they just wanted you to follow the rules." Those rules include not talking about any other game shows or doing "anything that looks like you're going to cheat."

(Editor's note - The information for this article was taken from a September 8 column in the Abilene Reporter-News by Showcase Editor Danny Reagan.)

Vera Residents & Exes Celebrate Homecoming

Labor Day weekend took on a double meaning as Vera community celebrated its ninth homecoming since the closing of its school in 1959. An estimated crowd of approximately 550 to 650 people gathered to renew old friendships.

At 10 a.m. Saturday, September 5, friends and family of the late Loran Patterson gathered for a flag raising ceremony. The pole was given to the community center in memory of Loran by his wife Violet. The VFW presented the American and Texas flags, and an impressive ceremony was provided by Post 7871 of Seymour.

The Country Store made its debut Saturday evening and was such a success that it will probably be a regular feature at future homecomings. Area residents donated their time and talent to provide such items as pies, cakes, kolaches, breads, jelly and candy and great arts and craft ideas. The activity committee kept the kitchen and store in control with their expertise.

The musical jamboree started at 8 Saturday evening, with area talent leading the way. Mrs. Bill Miller sang a selection of songs, and Mrs. Randal Kinnibrugh, accompanied by Mrs. Bob Morton on the piano, performed a medley of songs we all grew up singing.

The masters of ceremony were Jim Coulston of Sanger and Sandy Gore Davidson of Amarillo. They did an excellent job of keeping the program going smoothly and were able to adapt to last minute changes without effort.

Everyone was spellbound as the Imitation Stats of Seymour sang in perfect harmony. Equally amazing was Royce Miller's ability to auctioneer. The audience responded actively to the quilt, donated by Mrs. Harlan Boone of Jacksboro. Billy Wade Patterson of Phoenix was high bid and carried the beautiful quilt off into the sunset of Arizona. Don Welch of Munday and his band entertained the group with foot-tapping country swing, such as "In The Mood" and many others. Fellowship continued all night.

Closing into the midnight hour, Carol McGaughey Brooks shared some golden memories on 8mm movies of Vera's football games and other special activities. Everyone laughed as former students Donnie and Travis Bradford used their wit and charm to interpret each event.

Early Sunday morning alumni gathered at the community center for a brunch served by Phillis Flowers and Viola Gore. Coffee and homemade donuts were enjoyed by all.

The Masonic Lodge of Seymour dedicated the building at 11:30 with a brief but meaningful ceremony. Masons from near and far participated. Fellow Masons who had passed away were respectfully remembered. Larry Dan Gore of Wichita Falls presided over the dedication.

Special recognition was given to those who attended Cold Corner, Cottonwood, Red Creek and Vera Consolidated schools. Herman Moore of Springdale, Ark. boasted of being the oldest man present and Mrs. Lola Scott of Seymour carried the honor of being the oldest woman. Mrs. Virginia Patterson of Palmdale, Calif. traveled the longest distance.

A drawing was held to give away a ceiling fan donated by Bill Rutledge of Vera, a duffle bag donated by Paul Weiss and a special quilt donated by Mrs. Nettie Johnson of

Seymour. The fan was won by Frances Kuchan of Vera, the duffle bag by Leroy (Bud) Roberts of Tulia and the quilt by Lois Robertson of Duncanville.

The winner of the bowl of candy, donated by Randal Kinnibrugh, was Ryan Coulston of Albuquerque, N.M., for guessing the closest to the amount in the bowl.

We wish to thank all the committee members who worked so hard to make this homecoming the success it was. The invitation committee met several times to organize and address postcards. The supply committee was busy setting up chairs, water, etc. The catering committee was responsible for the delicious meal served at a reasonable price. The activity committee designed the program format and organized the country store. Plans are already being discussed for Vera's tenth homecoming to be held in two years.

Those attending from out of town were Keith and Janice Hardin, Ernest and Agnes (Branch) Nesbitt, Graham; George C. Wages, Palestine; Mr. and Mrs. Jack Timberlake, Roy Finis McGuire and Allora McGuire, Levelland; Loran and Wanda Patterson, R.O. Englis and Wanda (Murphree) Cox, Burkburnett; Barbara Hodges, Hackett, Ark.; Cecilia Carter and Charles and Liz (Couch) Clowdus, Irving; Bill and Melba Parham, Bart and Monty, Idalou; Cora Norman, Lorenzo; Eudell Patterson and Clyde (Boss) Murphree; Snyder.

Also, L.V. and Neva Joyce Fisher, Hurst; Burt, Roz, Tim and Tara Bratcher and Lynette (Fuller) Jaggers, Conroe; Allene Johnson and Doris (Hurd) Shields, Corpus Christi; Randal Gore, Mansfield; Lois Jennings, Bryson; Dot Reynolds, Mineral Wells; Rudy Gore, Cedar Hill; Charles Roberson, Glenna Johnson Hoagg, Mr. and Mrs. Dick Patterson, Glenn (Bill) Craker, Cynthia Mannefeld and Tommie Roberson, Plano; Allen McGaughey, Knox City; Cecil and Maxine Welch, Anson;

Also, Ron Hughes, Mr. and Mrs. J. Lyndal Hughes and Louise and Bobby Trainham, Euless; Mr. and Mrs. Oga D. Murphree, Tricia and Jessica, Christy Murphree and Keith Black, Katy; Gary and Shirley Weiss, Carrollton; Garland Bradford, Texarkana; Velma (Neal) Stone and Bill Stone, Dickens; W.V. and Jackie (Timberlake) McAlpin, Sudan; Rosalie (McKinney) Myers, Carlsbad, N.M.; Carroll Murphree and Jewel Murphree, Fort Stockton; Cindy Kaluznaik, Karen and Colby, Keller; Douglas and Marie Gore, Trent; Benny Carl and Diane Coulston and Ryan, Albuquerque, N.M.; R.J. Pack and Mozelle, Scotland;

Also, Howard and Betty Hurd, Brownfield; Ralph and Lula (Hurd) Loken, Petersburg, Neb.; George McNeill, Cleburne; Jonathan Coulston, Jim and Nelda (Dowd) Coulston, Michelle Coulston and Tim Henry, Sanger; Cloris Reeves and Ruth (Crump) Hailey, Clyde; Harlan and Martha Boone, Jacksboro; Nina Claire (Gray) Perry, Wilbur (Bill) Perry and Mr. and Mrs. Robert Burkett, Olney; Mr. and Mrs. Tony Ray Boone, Runaway Bay; Ann and Roger Boone, Matthew and Bea, Carbon; Peggy (Jackson) Woods and Zeke Woods, Longview; Donnie Bradford, Denver City; Gerald and Paula (Allen) Nixon, Olton; Mary (Murphree) Barker, Perrin; Elmer and Elizabeth (Brown) Schoenhals, Perryton;

Also, Raymond and Peggy Carroll, Lawton, Okla.; Collins and Fayteen Moorhouse, Mr. and Mrs. Harold Welch and Oleta Welch, Benjamin; Emory Hardin, Fort Worth; Johnny and Camille (Carter) Baker, Smyer; Leroy (Bud) Roberts, Sharon Roberts, Curtis McNeill and Willie Richards, Tulia; Moxelle Norris, Loretta Sutton, Joyce (Dowd) Howe, Brenda Depue, Troy and Joel, Dana Picketts and Amy, Randolph and Doris

Lewis, Nellie Trainham, Leslie Sutton, Ruby McPheeters, Delores Wood and Irene Schuck, Grand Prairie; Joe Wayne Roberson, Paulette Richards and Billy Dan Richards, Garland; Joe and Leota Cardwell, State College, Miss.; Reba Nix, Albert Parham, Lloyd Don Welch and family, Ray Lynn and Joyce Hardin, Don Welch and Ruby Gulley, Munday; Verna Belle Grimes, Clota J. Clinton, Vivian Rutledge and Elmer Rutledge, Weatherford;

Also, Mr. and Mrs. Loyd Robertson, Oliver and Mary Lou Albright, Maribelle LaFrance, Marie (Hatter) Parker, Wilma Beck and Mr. and Mrs. Norman Clark, Red Springs; Janice P. Cummins, Eldorado; Wanda Partridge, Jordan Jones, Patsy (Hollabaugh) Solais, Lera Hollabaugh, Bobbie (Christian) Bentley, Katherine (Christian) Patterson, Robert and Paulette Wilbanks and Robie and Jerry Solais, Arlington; Mae Trainham, Santo; Verna V. McInroe, Mingus; Vonda Streif, Brandy and Cory, Katherine Robertson Williams, Toni and Cody Fox and Ashley Williams, Ranger; Lois Kinnibrugh and Marianne (Coffman) Rollins, Denton; Mary Alice (Vehon) Mooney, Proctor; J.H. and Odessa Adkisson, Goree;

Also, Mr. and Mrs. Bob Parker, Comanche; Robert and Stella Morton, Kress; Juanita (Roberson) Jofcoat, James Feemster, Elmer and Bea Hughes, Wynelle Raffin, Jack and Barbara Robertson, James (Art) Craker, Pat Caston, Mickie Feemster, Celeste King and Jessie (Pollard) Blackstone, Dallas; Reda Stanley and Thurman and Thetice Allen, Jacksboro; Byron Hughes, Eunice, N.M.; Joye King, Mary Parham Hall, Glenn A. Hall, Amy Lynn Hall and Bryan Bellamy, Houston; Barbara (Horn) Friday, Slaton; Wayne and Hattie Bennett, Floydada; Doris (Crouch) Horn, Yukon, Okla.; Margaret Bland, Dimmitt; Jackye Nance, Aline (Wiggins) Milam, Donal Milan, Vernie (Coulston) Horn, Morris and Karen Crow, Becky Folsom, Gwen Hansford, Jack Peddy, J.C. and Wanda Merle Shipman and Carla Crawford, Lubbock; Lynda Flip-pin, San Angelo;

Also, Dennie and Cathy Murphree, Stephanie and Kevin, Brookshire; Louise Campbell, Letha Young, David Parham and Bea O'Hara, Iowa Park; Flo Bratcher and Shannon, Bowie; Pauline (Hurd) Roth, Sue Parker, Anson and Wanell Ray, Loriane Burton, Tom Valerie and Brian Burton, Sandy Gore, Pete and J'ne Feemster, Amarillo; Janet Norman Bounds and Juanita (Kuykendall) Purdom, Plainview; Clarence and Edith Allen, Doyce and Mary Lee Clouse, Helen Randolph, Lee Wayne and Nancy Feemster and Ruby Dennis, Abilene; Ruby Trainham, Holliday; John Murphree, R.O. (Jack) Feemster, Mr. and Mrs. Hyder Peddy, Doris (Hobbs) Stewart and John and Nelle Murphree, Midland; Norma Scott, Aimee and Stephen Coulston, Barbara Coulston, Elmer Rutledge, Odessa; Virginia Patterson, Palmdale, Cal.; Aubra and Veatris Ritchie, Granbury;

Also, Janet Wadkins, Throckmorton, Phyllis Flowers and Jerry and Ina Timberlake, Brownwood;

Herman Moore, Springdale, Ark.; Mattie Jo (Feemster) Jones, Blondie Richards and Lisa Jones O'Dell, Springtown; Billy and Billie Bradford and Wayne and Janice Richards, Andrews; Bill Patterson, Phoenix, Ariz.; Mr. and Mrs. Buck Blackwell and family, Guthrie; Mr. and Mrs. C.A. Parham, Sam Parham and Wilburn and Dorothy (Parker) West, Lamesa; Gloria (Adkisson) Webb, Dumas; Marlin and Patsy Hawkins and Don Brown, Oklahoma City, Ok.; Floyd and Robye Jo Hill and Violet Reba (Bratcher) Vehon, Stephenville; Beatrice (Collier) Talbott, Ballinger; Lois Robertson, Duncanville; Ron and Geri Hardin, Alton and Colleen Patterson, Ray Parham, Larry Hardin, Jimmy Lynn Stout, Kenneth and Mozelle Hughes, Verna Stone, Stanley Ray and Kerry, Amy McBroom, Edward and Cozette Marek, Gregory, Christopher and Jason, Reta Lewis, Betty Ray, Luke Coffman, Durward and Nora Ada Bearden, Rexine Hardin, Marilyn Marak, Cindy Senkel and Meegan, Guindell and Peggy Ritchie, Mike and Jo Carol Bryan, Carol Gore, Larry Dan Gore, Travis Gore and LaTrece (Gore) Hawkins, Wichita Falls;

Also, Homer and Ruby Martin and L.D. and Loys Welch, Truscott; Robert and Nan Gauthreaux, Hereford; Samantha Mayers, Phillip and Sandra Mayers, Syble Jones, Elba Lawson, Gerald and Debbie Wiles, Teresa Copeland, Cecil and Gladys Dowd, Lois Sullins, Glenn and Mary Anna Beach, Plenna and Leola Hardin, L.D. and Irene Allen, Doris Hardin, Wallace and Ileta Gore, Glen and Clinton Prescott, Bertha Mae Wages, Raymond and Myrtle Brown, Mr. and Mrs. Bill Miller, Gidget and Heidi, Nettie Johnson, Elizabeth Bratcher, Bernadean Fuller, Frank and Annie Marek, Jonna Nelson, Jim Nelson, Jennifer Elliott and Toni, Wade Wiles, Holly Kaye Wiles, Eva Ann and Toby Crooks, Stephanie and Bret, Marty Bufkin, Donnie Gay (Hardin) Nelson, Larry and Patti Bratcher, Heather Bratcher, Morris Christian, Quel and Addie Hughes, Lola Scott, Ron and Jana Reeves, Jennifer and Ronald Bruce Reeves, Bill Nissen, Douglas Crow, Gladys Cooper, Johnny and Juanice Allen, Tammie Coopeland, Suzanne Harrington, Sammye Chapman, Irene Sutton, Fred and Geri Wiles, Janet (Beck) Christian, Sharon Hertel and Damon, Billy Hardin, Wanda Hardin, Mr. and Mrs. L.D. Ritchie, Mr. and Mrs. Harold Stone, Nina Bell Brown, Mr. and Mrs. Ray Lynn Moore, Diane (Christian) Couch, Jeanie Coffman, Floyd and Freida Brown, Letha Petty, Kelly (Richard) Millican, Benny Archer, J.O. and Sibly Archer, David and Maxine Griffin, Madge Boyd, Shanna Coffman, Erma Feemster, Doris Bartlett, Vernon Bartlett, Myrtle McDaniel, Willie Jo Christian, Lynn Dawson, Lolita Nissen and Rea and Karen (Sullins) Carter, all of Seymour.

LOCAL
Mr. and Mrs. Gordon Gaines and Julie of Odessa and Gerald and Nichlos Gaines of Lubbock spent the weekend with Maggie Gaines.

MR. and MRS. LONNIE OFFUTT

Munday Couple To Celebrate Golden Wedding Anniversary

Lonnie and Sara Offutt, residents of Munday for many years, will be honored at a reception set for 2-4 p.m. Sunday, September 27, at the Munday Community Center in observance of their 50th wedding anniversary.

Hosts for the celebration will be their children, Mr. and Mrs. George Offutt of Lubbock, Dr. and Mrs. Frank Eggleston of Houston, Mr. and Mrs. Dan Offutt of Munday and Mr. and Mrs. Joe Offutt of

Arlington.
The former Sara Smith was born January 11, 1913, in Iuka, Mississippi. Offutt was born February 14, 1915, in Walnut Springs in Bosque County. The couple was married September 26, 1937, in Jacksboro. They have spent their entire married life in Knox County, where he has farmed and they have been active in the Munday Church of Christ.

Assisting with the reception will be the couple's eight grandchildren.

1937 1987

THANK YOU

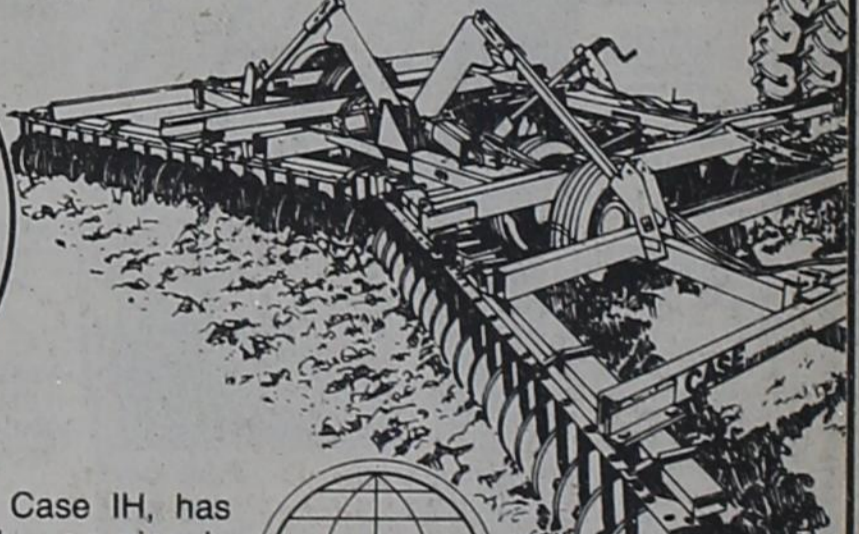

*We would like to give a big hearty "Thank You" to all the Vera people who worked so hard and did such a super job to make the Vera Homecoming such a wonderful success.
Everything was so wonderful - the entertainment, food and facilities. The food was the best catered food we have eaten. The new building was just splendid.
So thanks Vera people, for making it possible to enjoy visiting our many old friends.*

Love,
Cecil and Maxine Welch

Case IH Earth Metal® blades last UP TO 20% longer... are UP TO 60% tougher and NOW ARE ON SALE!

22"
Plain
Now Only
\$15⁵⁰

Earth Metal, a unique steel developed and patented by Case IH, has special additives that keep the sulfide inclusions naturally occurring in steel in globular form. Our disks don't have the sulfide stringers that allow cross-rolled blades to fracture or split edgewise when subjected to stress.

We have full-concavity blades for all competitive harrows
We promise you up to 20% more wear than you'd get with John Deere's cross-rolled blades. We have the most popular diameters, thicknesses, and center-hole sizes in stock. Up to 20% more wear plus substantial cash savings. Check us out now!

We have crimped center blades for IH and Case IH harrows
Crimped center blades require 33% less drawbar pull, providing fuel savings you can add to the savings through up to 20% longer wear. We don't recommend full-concavity blades for IH or Case IH harrows.

Now, all harrow owners can enjoy the benefits of Earth Metal

Munday Students Score High On TEAMS Tests

Results of the Texas Educational Assessment of Minimum Skills (TEAMS test) for the 1986-87 school year indicate several areas of strength for the Munday schools,

Tax Checks Still Reflect Decrease

Munday received a sales tax rebate check for \$2,696.12 this month from State Comptroller Bob Bullock. The 1987 rebate total now stands at \$32,028.95, which is down 10.80 percent from that of 1986. Overall, Knox County has gained \$94,005.90 in rebates so far this year, a decrease of 8.35 percent from last year.

Knox City's check of \$7,107.30 was somewhat larger than the September, 1986 rebate, but their \$55,952.29 total is still down 5.41 percent from last year. Goree, Benjamin and Weinert did not receive checks for this pay period.

Several Teams Tie At Golf Scramble

Area golfers are invited to the Lake Creek Golf Club Sunday afternoon, September 20, for a three-person scramble. Tee-off time is 1:30 p.m.

Two teams tied for first place in last weekend's scramble with identical scores of 69. Bully Ratliff, Dick Moore and Joe Morrow combined for a 33 on the first nine holes, finishing up with a 36 for the second round. Gary Schur, Ronnie Baker and Ed Jetton reversed those figures for the same score.

Third place winners also tied. Two teams - Mary Smith, Marion Waggoner and Charles Baker, and Felton Jackson, Stacia Cook and Terry Bufkin - shot combined scores of 71. Finishing four strokes off the pace with 73's were teams of Don Coffman, Oscar Cypert and Gerald Waggoner, and Jack Nuckols, Bob Bowen and Betty Baker.

according to local officials. All students in grade 11 passed both exit level tests. These students, who will graduate in 1988, must have passed math and language arts tests before graduation.

In grades three, five, seven and nine, Munday's results equaled or exceeded the state-wide average scores, but students in grade one were below the state average. The administration and staff will continue to work for student improvement in all areas, and special attention will be given to those areas that are at or below state averages.

Lifetime Resident Of Goree Is Buried

Billie P. Jameson, 78, a lifetime Goree resident, died Tuesday, September 8, at an Abilene nursing home. Funeral services were at 3:30 p.m. Thursday, September 10, at the First United Methodist Church in Goree with Rev. Russ Byard, pastor, officiating, assisted by Rev. Wayne Varnell, pastor of the First Baptist Church in Goree. Burial was in the Goree Cemetery under direction of McCauley-Smith Funeral Home of Munday.

Pallbearers were Randy Jones, Leo Koenig, Franklin Jameson, Travis Jameson, Bill Jameson and Kent Trainham.

She was born September 22, 1908, in Goree, where she married Les Jameson May 5, 1956. She was a homemaker and a member of the First United Methodist Church.

Survivors include her husband; three daughters, Madelyn Honea of San Antonio, Becky Litteral of Bakersfield, Cal., and Cheryl Dickson of Littlefield; five grandchildren, two great-grandchildren and two great-great-grandchildren.

Former Knox Deputy Buried In Benjamin

Van Green, 55, a longtime Benjamin resident, passed away Thursday, September 10, at Hendrick Medical Center in Abilene, where he had been a patient for two weeks.

Funeral services were at 3 p.m. Saturday, September 12, at the First Baptist Church in Benjamin with Rev. F.D. Emerson, former pastor, and Rev. K.E. Woolley, retired pastor, officiating. Burial was in the Benjamin Cemetery under the direction of Smith Funeral Home of Knox City.

He was born September 8, 1932, in Parker County and moved from Coleman to Knox County in 1961. He and Gladene Yeager were married March 5, 1955, in Abilene. Green was a retired regional manager and special investigator for the Red River Water Authority of Texas. A certified peace officer, he was a Knox County deputy sheriff from November, 1975 until June, 1977, and had served in law enforcement in some capacity since returning to Knox County. He was a Baptist.

Survivors include his wife; his mother, Allie Green of Denton; two daughters, Debbie Taylor and Diane Herring, both of Munday; one brother, Dale Green of Denton; one sister, Neva Ridgeway of Colleyville; and six grandchildren, Becky, Cody, Scott and Melissa Taylor and Jeff and Justin Herring.

Serving as pallbearers were Bobby Roberson, James Redwine, Randy Cook, Ken Skelton, Bobby Cerda and Jeff Christopher. Honorary pallbearers were Bobby Trainham, Leroy Davis, Wyman Meinzer, Rick Meinzer, Lewis Lyles, Mike Lyles, W.T. Cartwright and Brian Williams.

Nagel Employed By Mississippi State Extension Service

David H. Nagel, director of the Texas A&M University Vegetable Research Station in Munday for the past six years, has been employed as a horticulturist with the Mississippi Cooperative Extension Service. Nagel will be responsible for the state educational program for commercial vegetables and turfgrass.

His new job will entail working with county Extension agents and specialty producers to provide them information about the management, cultural practices, varieties, irrigation and fertility practices of commercial vegetables and turfgrass.

A native of New Orleans, Nagel received a doctorate in soil fertility from the University of Florida. He holds a master's degree from the University of Arkansas and a bachelor's degree from Northeast Louisiana University.

Nagel, his wife, Judy, and their children, Sarah, Andrew and Ben, moved from Munday to Starkville, Miss., this summer.

Visiting Lala Morgan on Saturday were her son and wife, Dennis and Judy Morgan of Manor. They also visited the Melton Morgan family. Gerald and Gayle Morgan and sons, Jayson and Tony, and Lala's brother, Otis Spann, visited in her home Saturday afternoon. Dennis, Judy and Lala visited Judy's aunt, Ruby Boggs, in Haskell Saturday evening. The Morgans returned to their home in Manor Sunday morning.

★ Weinert News ★

By Mrs. Myrtle Plemister

If you missed this column last week, please accept my apologies for not being near enough to get the news here in time for deadline.

You see, I need a substitute reporter, but so far, no one will accept the responsibility. Help! Surely someone will want a part in this high-salaried position!

We continue having rain showers and electric storms, with some high winds. The moisture keeps the cotton green and lush and helps the early sown wheat to sprout, but it also helps the weevils which have been taking their toll of the cotton and are still with us. In spite of them, the cotton crop looks good.

The school round-up was held at the football field on September 10, having been postponed because of rain the previous week. Fun and games were enjoyed by a good crowd, with home-made ice cream and other goodies served for refreshments.

New teachers introduced to the patrons included Fred Green, an Ag teacher who came to us from Tarleton State in Stephenville with his wife and four month old son, Cody. Mrs. Joe (Janet) Frazier of Haskell will be commuting to teach kindergarten.

Danny Pruett of Wichita Falls, will be PE instructor and teach other subjects. He is single, but "promised" was the report on Danny.

Deena Hacker (our own former Deena Walker) will commute from Knox City to teach the 5th and 6th grades. All other teachers are "old stand-bys".

Superintendent Guess has reported we have 57 enrolled in our school thus far. Coach Forehand regrets to announce there will be no football teams because of injuries and low enrollment, but basketball will be emphasized and encouraged.

The school offers a full curriculum of subjects, and we hope to have newcomers move here or transfer their children, if possible, so as to enlarge our enrollment and keep our school going.

The Church of Christ will host a lectureship beginning Sunday, September 20, with area ministers as guest speakers. Services will be at 8 p.m. each night, and visitors are welcome.

The topics to be discussed pertain to the church, with Ray Plemister speaking on "The Prophetic Nature of the Church" on Sunday morning.

Steve Willis of Rochester will speak Sunday night, with W.E. Burkhart of Knox City on Monday night. John Greeson of Rule will be speaking on Tuesday night, followed by Ray Hunter of Munday on Wednesday night. They request you mark your calendars and come hear these area church men.

The Baptist young people are having a car wash on the church yard Saturday, September 19, with the funds to go toward their mission projects. Prices will be \$10 per car, \$12 per pickup and \$15 per suburban. Cindy Guess is sponsor and you may call her at 673-8256 after 4 p.m. for appointment for your wash job.

The R.A. boys group want a cover built for the church van, so they have initiated a paper drive to start the fund. Each Monday afternoon will be pick-up day and you may sack papers and leave them on your

front porch, if you desire, or call 673-8310 for more information.

Alton and Mildred Sanders were in Crowell the past weekend for a lay-renewal revival, where Alton served as music coordinator.

Mr. and Mrs. Chet Forehand and Kenny were in Robert Lee to visit her mother there.

Margie and Pete Jordan of Hamilton were here to see about her mother, Francis Mahan, and to do some home repairs that mothers sometimes need to have done.

Wayne and Linda Plemister, Lee, Lincoln and Laura, of Avoca, were in town to visit Wayne's parents and other relatives. They continue their enjoyment of their new environment and jobs.

Several from Weinert attended Charlie Stenholm's Funday activities at Ericksdahl on Saturday. They were a part of 1,265 who enjoyed the meal, entertainment and fellowship.

It was good to meet with out-of-state congressmen that the Stenholms bring each year, and to meet first-hand with Speaker of the U.S. House, Jim Wright.

Cindy and Charlie are outstanding people, and we certainly appreciate his actions in public affairs, and the representation that the 17th District receives in Washington. Attending from Weinert were Mr. and Mrs. Tiffen Mayfield, Mr. and Mrs. Marvin Plemister, Mr. and Mrs. Ted Jetton and their guests, Mr. and Mrs. Brett Frantz and Amanda of Brownwood.

This week's birthday people include Bob Wood, Ronnie Alexander, Douglas Boling, David Crump, Melvin Vojkufka and Eric Hager. Congratulations to Mr. and Mrs. Toby Yates who are celebrating a wedding anniversary.

Bernadine Epley and LaQuita Whitley, daughters of the late Ralph McGuire, with their stepmother, Eron Jenkins McGuire of Rochester, were recent guests in the home of their uncle, Ernest and Louise

McGuire. The girls were reared at Rochester, but now Bernadine lives in Crane and LaQuita lives in Tampa, and only occasionally get to come back for a visit.

Mrs. Ricky Wade was honoree at a "come and stay" baby shower on Sunday in the home of Mrs. Jerry Hester and Laurie.

Receiving guests with the honoree was her mother, Mrs. Toby Yates. Games were played after which refreshments were served and gifts were opened and displayed.

Other hostesses included Mrs. Johnnie Earp and her daughters, Kelly Earp and Mrs. Ricky Harlan.

Do something special on September 17, the 200th birthday of our Constitution! Fly the flag, say some prayers, sing some patriotic songs, and thank God for America.

LOCAL

Earl and Alice McNeill spent the last two weeks visiting relatives in Plano, New Braunfels, Sachse and Dallas.

We are glad you are reading the Munday Courier, and we hope you enjoy each issue.

You're getting older now, it's true, Double 4's are here for you. It won't do you any good to fuss - Remember how you laughed at us? Happy Birthday Your loving husband, adoring sister and a friend?

CARD OF THANKS

At times like this, we realize how much our friends and loved ones mean to us. For each and every act of kindness shown us during our time of sorrow we are most grateful.

Thank you so very much and may God bless each of you.

PARKER IMPLEMENT COMPANY

MAGNUM

Introducing the first all-new tractors from Case IH

Case IH put more into the new MAGNUM tractor line than any farm tractors developed in over twenty years. Here's why you'll get more out of it:

MAGNUM means more. Outstanding field performance from a new 505 cubic inch turbocharged engine with reserve power. MAGNUM power.

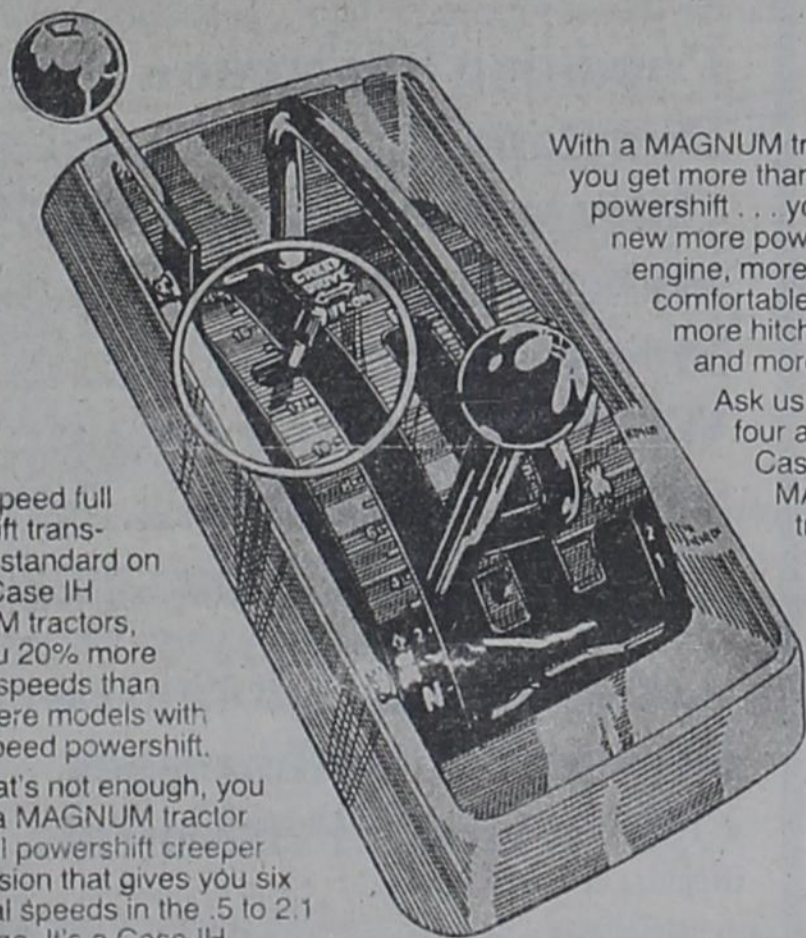

The MAGNUM tractor's powershift puts 18-speeds of shift-on-the-go workpower at your fingertips—standard. And only MAGNUM tractors offer a full powershift creeper transmission with six additional speeds from .5 to 2.1 mph...for more control and performance. MAGNUM performance.

The MAGNUM tractor's new larger cab has 48 square feet of window area...virtually unobstructed visibility...more room...and more seating comfort. MAGNUM comfort.

It all adds up: Case IH MAGNUM tractors are setting new standards for the 130-195 PTO hp power range and for you. See us for details.

MAGNUM means more.

MORE THAN JUST A POWERSHIFT

The 18-speed full powershift transmission, standard on all new Case IH MAGNUM tractors, gives you 20% more working speeds than John Deere models with the 15-speed powershift.

And if that's not enough, you can get a MAGNUM tractor with a full powershift creeper transmission that gives you six additional speeds in the .5 to 2.1 mph range. It's a Case IH exclusive, for MAGNUM tractors.

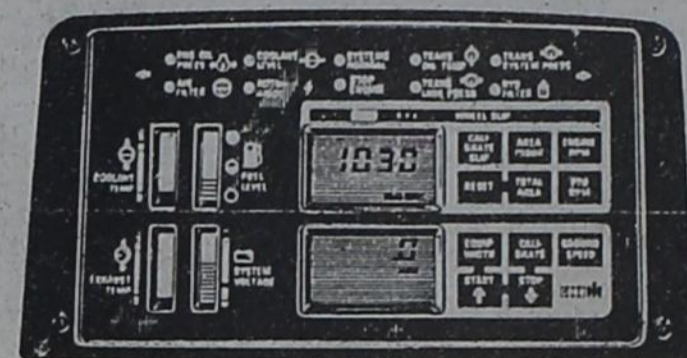

With a MAGNUM tractor, you get more than just a powershift...you get a new more powerful engine, more comfortable cab, more hitch capacity and more.

Ask us about the four all-new Case IH MAGNUM tractors from 130 to 195 PTO hp.

MAGNUM means more.

GET MORE INFORMATION WITHOUT ADD-ON COST.

With a new integral design "Intelligence Center II" that displays three readouts simultaneously, new Case IH MAGNUM tractors carry the most advanced electronic instrumentation in the industry.

The John Deere system offers only one readout at a time. And there's additional cost for add-on modules that still don't equal Case IH MAGNUM tractor standard equipment.

Just press the dash-mounted touchpad on the Case IH "Intelligence Center II" and get digital

readouts for engine rpm, total area worked, or work rate per hour. A second readout gives you ground speed, and a third displays wheel-slip as a bar graph.

In fact, the MAGNUM tractor's full instrumentation package monitors all vital tractor functions and even includes a green "systems normal" light.

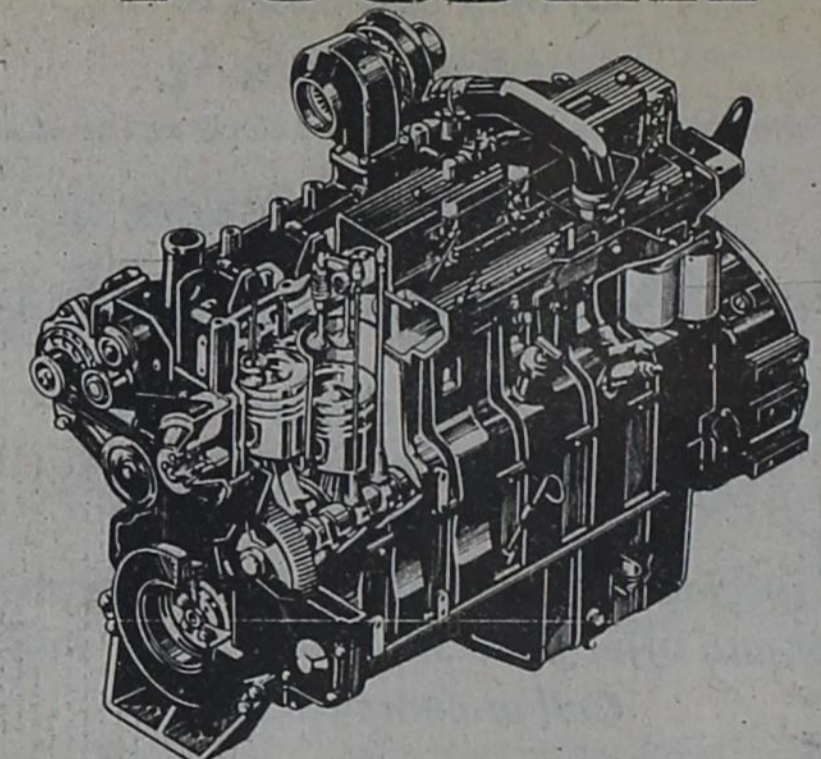

The exclusive "Intelligence Center II" is just one more example of how you get more with a new Case IH MAGNUM tractor.

Stop by for more information about these four all-new Case IH tractors... 130 to 195 PTO hp.

MAGNUM means more.

MAGNUM POWER

Four all-new tractors with four all-new engines.

In the field, power means productivity. And that's where MAGNUM tractor engines deliver.

These new engines are the product of the latest computerized design and manufacturing techniques.

With 505 cubic inch displacement, there's plenty of reserve power. What's more, MAGNUM tractor engines meet or exceed all SAE J1349 performance standards. Same for government and industry mandated emission standards worldwide.

High torque performance increases your productivity... torque rises fast and hangs on to keep you going when the going gets heavy.

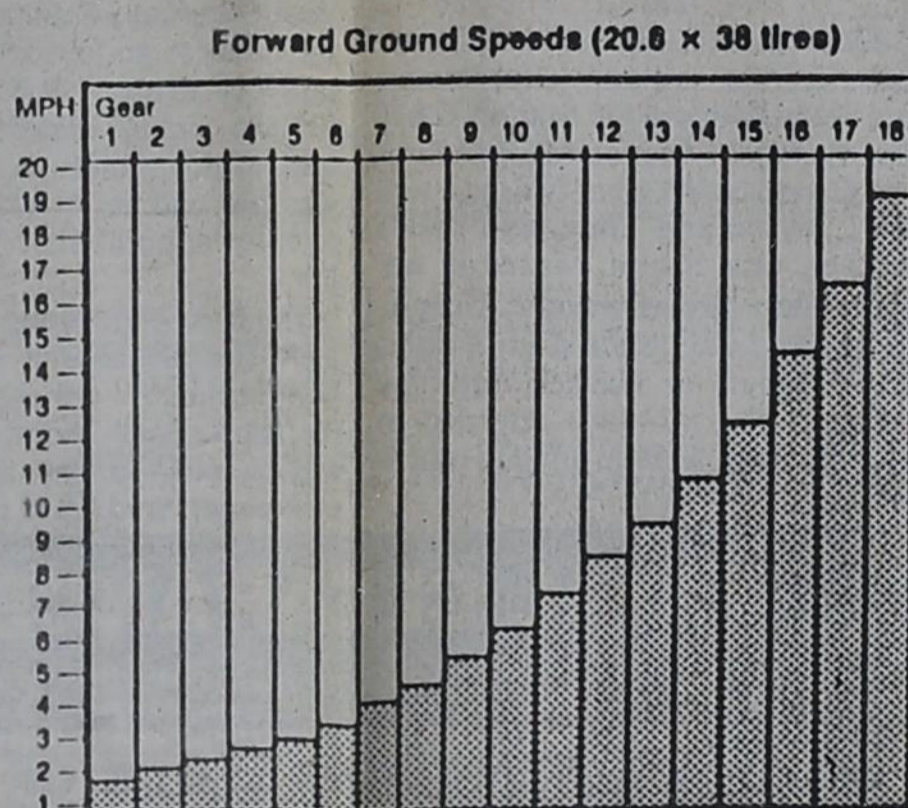

These engines are compact yet stronger. Turbo-chargers and

aftercoolers are design-matched to the engines to deliver maximum workpower with less engine stress and extra durability. And 25% fewer parts means outstanding simplicity and economy of servicing.

Case IH put more into these engines than any farm tractor engine developed in the last twenty years. You'll get more out of it. More performance in the field. 130 to 195 PTO hp. See us for details.

MAGNUM means more.

★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

Delayed

Some light showers fell Sunday but most of Labor Day weekend was pleasant. Lots of dove hunters have been around. Many are visiting relatives and getting in a hunt, but Patty Alexander reports they have had some non-relative hunters. If you see a car full of men in camouflage clothing and carrying guns, don't worry about an attack unless you are a dove.

Mr. and Mrs. Bazel Glasscock visited Vivian Brown and Clara Owens Saturday at the community center. Bazel is a former Truscott resident. They were on vacation and on their way to Jacksboro to meet some of their children for a weekend at the park there. The Glasscocks are from Rockwall.

Dwight Burgess is recovering from his surgery and doing well. Weekend visitors in the Burgess home included Kay and Randy White and children of Benbrook and Barbara and Wayne Zeissel of Munday. They were enjoying the hunting.

Sometimes note taking gets hectic while making the Sunday calls. You have to make sure that you get the name of "my sister" and where she is from, and then sometimes you scribble so fast that when you start typing you have to call back to re-check the notes. This week the notes say that Tab and Sarah of Grapevine are here, apparently their father is Rickie, but their mother's name is a mystery, though it seems to start with an M. I can remember taking the note, because Tad was scratched out and replaced with Tab, but can't recall who gave the

information. It was under the Dwight Burgess notes, but the Burgess family won't claim it.

Fourteen children are going to Crowell to school from Truscott. They are Crystal Dishman, David Lowrance, Tracy Jones, Michael Carroll, Angie and Consuela Palacio, and the Junior Moya children who are Nora, Joe, Ramona, Renjamin and Rosemary.

Children from Gilliland and Truscott who are attending school at Benjamin include Kim and Tim Cash, Jason, Kristin and Jeremy Simmons, Julie Welch, Dan and Kelli Westmoreland, Russell and Tyler Carroll, Jodie and Trey Stone and the two Stelty children.

Benjamin won their first game 50-6 against Vernon's Northside.

Kim Cash is a cheerleader and Tim will be playing junior high football. The Benjamin junior high season will not start until October.

The A.L. Cooks were in Wichita Falls Saturday for a soccer tournament where they saw their grandson, Clint Sannon, play three games. Over 400 players were entered in the soccer tournament, including teams from Amarillo to Dallas.

The R.C. Daniel family had several weekend visitors, including Brenda, Toni and Nicole Dennis of Garland; Johnnie, Janet and Lindsay of Grapevine; and Bernadette and Barry White and family of Quanah.

Harvey Jones of Crowell and Ruby Lee Wisdom of Lubbock visited in the Richard Jones home Sunday.

Visiting the John Kinnibrugh's Sunday were Beverly Kinnibrugh of

Abilene and John Mark Kinnibrugh of Graham.

Jim Kinnibrugh of Vera had surgery Thursday at Seymour and Mrs. Orville Kinnibrugh is also in the Seymour Hospital.

Visiting the L.G. McGuire's over the weekend were Lori Cypert of Arlington and her son, Jason, of Munday.

Irene New was in Dallas last week. While there she visited former Truscott residents, Jim and Kay Cumley, James Hinds and Joan Cumley, and Jim's brother, Russell Cumley, who was visiting his brother.

Clara Owens was in Abilene one day recently to attend a meeting on nutritional standards for directors of congregational meals.

Mrs. Pete Palacio and her daughter, Elvera, spent some time in California visiting relatives in Fresno, Roscoe and Riverside. Mrs. Palacio visited two daughters and a sister. One grandson, Arthur, the son of Odelia, arrived in Truscott last week to visit his grandparents.

The new gymnastics season has started and students from Truscott will be Crystal Dishman, Angie Palacio, Julie Welch and John and David Lowrance. Kathy Lowrance has been elected to serve as president of Mothers for Gymnastics and Gail Whitley will serve as vice-president.

Crystal and Angie appeared with the Crowell Wildcat Band Friday night for the first time with the mini-twirler group. Gail Whitley is serving as vice-president of the Crowell Band Boosters.

Tracy and Kent Smith and daughter, Becky Jo, of Graham visited the Elmo Shaws over the weekend.

Spending the Labor Day weekend at their Truscott home were the Mike Shaws of Mansfield and their family. They enjoyed some dove hunting.

Visiting the LD. Welches on Sunday were Wanda and Bob Partridge and son Robert and grandson Jordan of Arlington and Lloyd and Jacquita Welch and Kathy of Munday. The Welches also attended the Vera homecoming Saturday and Sunday and said the new community center building there is really nice.

Mrs. Bertie Welch celebrated her 90th birthday at her home Sunday afternoon, August 30, with a party hosted by her children, Margaret and Lloyd Jones of Abilene, E.D. and Mary Welch of Gilliland, Weldon and JoAnn Welch of Garden City, Kansas, Wilfred and Betty Welch of Wichita Falls and Charles and Josephine Welch of Lubbock.

At the Sunday party Jennifer Welch of Lubbock played George Gershwin's "Rhapsody in Blue", which was one of a selection of piano pieces she used in competing for and winning a \$5,000 scholarship at Texas Tech University.

Many grandchildren and great-grandchildren attended, including Brad Jones of Abilene; Linda and George Oustad, Leann and Kevin of Munday; and Dennis, Charlotte, Julie and Adam Welch of Truscott. Charlotte, Adam and Julie visited Mrs. Welch Saturday since they could not attend the Sunday party.

Others of this group who came Sunday were Susan and Tracy Cartwright, Ashley and Matthew, of Benjamin; Muryl Hart Welch of Abilene; Hope and Thom Donlan of Dallas; Cade Welch, Linda Jo and Beau, of Holcomb, Kansas; Rose and Glenn Seaton, Becky and Mark and Jan Tucker and son Matthew, and David Welch of Wichita Falls; Carrie and Bobby Beasley of Sherman; Chelle and Ron Cook and Jennifer Welch of Lubbock.

Grandchildren and great-grandchildren who could not be there were Charles Jones of Portland,

Oregon; Cindy Eubanks, Jennifer and Charlie, of Denver, Colo.; Sarah Stennett, Rusty and Cary, of Germantown, Maryland; Becky Baty of Howe; Wade Welch of Grapevine; and Erica and Julie Welch of Raton, New Mexico.

Out-of-town visitors were Mrs. Ottis Cook of Wichita Falls, sister of Mrs. Welch; Doyle and Loretta Davis of Wichita Falls; Mr. and Mrs. Quincy Adams of Wichita Falls; Grace Welch of Knox City; Weldon and Winnie May Bailey of Sweeney; Morris and Faye Robertson and Gaylon and Joyce Scott of Vera; and Joe and Totsy Cade of Paducah.

Another sister, Pleasie McGaughy of Riverside, California, and a brother, Homer Jamison of Amarillo, could not attend.

Those attending from Gilliland were Mrs. Venta Horne, Cookie and Francis Cook, Paul and Erna Lee Horne, Jodie Miller, Mildred Cook, Glenn and Valoise McGuire, Sybil Simmons, Mary Tomanek, L.D. and Lois Welch, Thelma Jamison, Florence Miller and James Martin Welch.

Mrs. Welch received many birthday cards, including a greeting from President and Mrs. Reagan. Her comment after the celebration was, "If I lived through this one I'll plan on having a 100th one."

She wants to thank all for making her 90th birthday a very special and happy occasion. Seventy-one attended Mrs. Welch's party.

Parents of Bertie Welch were Homer Milton Jamison, born in Collin County, and Lillie Propps, daughter of John and Caroline Tackitt Propps. Her father worked on ranches in Baylor County and farmed in Knox County before moving to Indian Territory, Oklahoma. In 1909 the family moved to Foard County and in 1916 to the east end of the Wichita Divide in northwestern Knox County, in the Gilliland community.

Bertie Jamison and Elmer Welch were married January 1, 1921, at Benjamin, Texas. After that, except for the years 1924 and 1925 spent at Sudan in Lamb County, they lived in the Gilliland community.

In 1940 they bought the east half of the old Bud Jones place one and one-half miles east of Gilliland, where Mrs. Welch still lives. Mr. Welch passed away in 1971.

Current

Showers the last several days have been spotty, ranging from .2 of an inch to 1.7 northeast of Gilliland. Some people don't have enough moisture to think about sowing wheat, and others will have to wait for fields to dry out before they can sow. Sunday night there was lots of thunder and lightning in the west, but it seemed to go around the Wichita Divide.

The Wichita Falls paper has been asking readers for compliments and complaints on their new paper, the combination of morning and evening editions. A brief survey has revealed that in Truscott and Gilliland the complaints are that there is no longer an index to contents on the front page and, even worse, they have replaced the cartoon drawing of Joe Brown, the one that illustrated his daily front page commen-

tary, with a photograph of Joe Brown. The consensus seems to be that truth is stranger than fiction, and the truth of Joe Brown's photograph is just too much to face in the morning.

Grandma's Sunday dinner served almost 80 people Sunday. Grandma will be having company again on Sunday, October 11.

After dinner Sunday the community center vacuum cleaner broke down, and Derrell Hord made a donation to start a vacuum cleaner fund. Additional donations can be made at the senior citizen meals on Tuesdays and Thursdays, to the quilters at the center almost any afternoon, or by simply sending a check to the Truscott Community Center. How many projects for the center have been started by someone's saying "We ought to" and then following through like Derrell did? The hot water heater, the storage building, the kitchen sink are all examples of good citizens who followed through on a good suggestion.

Nathan and Nell Sullivan of Ft. Smith, Arkansas, visited Margaret Todd Wednesday through Sunday. They enjoyed dinner with Grandma before leaving Sunday afternoon.

Arturo Jo Hiracheta departed last week for his home in Wascoe, Calif. after spending several days with his grandparents, Mr. and Mrs. Pete Palacio.

Edmund and Geraldine Tomanek were recently in Burbank, Illinois for the wedding of her niece.

Jack Brown and James Welch attended the Clovis, N.M. horse sale over the weekend. Over 1600 horses were sold during the sale.

Ila Mae Bullion returned from her first trip to the Hawaiian Islands Sunday afternoon. She loved it and wants to go back.

Jan, Orville and Scotty Burgess's

daughter from Lubbock, visited them over the weekend.

Frances Cook and Thelma Jamison attended the arts and crafts show at Quanah on Saturday and especially enjoyed the quilt division.

Don and Margaret Daniel attended the team penning at Shaw's arena north of Crowell Sunday. Among those participating in the team penning were Duane, Jerry, Eugenia, Michael, R.C. and Johnnie Daniel and Charles, Michael and Duane Carroll.

Erna Lee and Paul Horne are in the process of moving to Seymour. We will all miss them.

Jim Kinnibrugh is out of the Seymour hospital and back at his home at Vera.

Kathy Lowrance was in Lubbock Saturday for a workshop and test for gymnastics.

Six-year-old Jason Cypert of Munday spent the weekend fishing with his great-grandfather, Glen McGuire.

Kay Gray and children, Andrew and Emily, visited the Newell Looneys Sunday afternoon.

The Owen News attended funeral services for Ralph Feemster at Vera last Monday. He was the grandfather of Kim Feemster, their granddaughter.

Rocky Glasscock and his six-year-old daughter, Reba, of Denton, visited Mrs. Clara Owens one day last week.

Sybil Simmons and Jason and Kristin Simmons attended the Spivey reunion at Lake Brownwood Saturday.

Larry Hord of Crowell died Sunday night. Larry was the son of Chester Traweek Hord and Georgie Borchardt.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Mr. and Mrs. James McGaughy are now at home after his dismissal from Bethania Hospital in Wichita Falls following recent surgery. Their three children, Mr. and Mrs. Herman Dentler of San Antonio, Dr. and Mrs. William McGaughy of Manhattan, Kan. and Jimmy of Seymour, were with them during his confinement until their return home Friday.

Weekend visitors in the Harold Beck home were Mr. and Mrs. Kent Beck and children of Duncan, Okla. and David Roberson and Debrah Beck of Denton.

Mr. and Mrs. Clifford Boone visited in the homes of two of their daughters, Mr. and Mrs. John Sims and Erin and Mr. and Mrs. Gary Kennedy and Lauren, in Fort Stockton Sunday through Tuesday.

Jim Berrier of Lubbock visited Mr. and Mrs. Carl Coulston Friday evening.

Mr. and Mrs. Clyde Beck spent a few days of vacation at Arrowhead Lodge at Lake Eufaa, Okla. They then went on to Enid, Okla. to assist the Russell Beck family in their move to Wichita, Kan., where Russell is manager trainee in the jewelry department of Service Merchandise in Wichita.

Mrs. June Trainham visited in the home of an aunt, Mrs. Syble Ferrell, in Justin Saturday. She was accompanied by her mother, Mrs. Sabra Rice, who had spent two weeks with

her sister.
Jim Kinnibrugh is recuperating at home following recent surgery in the Seymour hospital. His visitors include a daughter, Mr. and Mrs. Lloyd Crownover of Hamilton, and a brother-in-law, Mr. and Mrs. Bo McCuiston of Lubbock.

Mrs. Kenneth Hodges and three daughters, Sissy, Shanna and Celia, of Hackett, Ark. have been visitors with her mother, Mrs. Frances Kuchan. While here, Barbara received word that her father-in-law had passed away in a San Angelo hospital. Frances accompanied the Hodges family to the memorial services which were held in Ozona Friday afternoon. Burial was in Menard cemetery.

Mr. and Mrs. Russell Beck, Charity and Daniel, of Wichita, Kan. spent this weekend with Mr. and Mrs. Clyde Beck. They all attended Christopher Marek's first birthday party in Wichita Falls Saturday afternoon.

Mrs. Bruce Sutton and boys, Michael and Matthew, of Loving were visitors with Mrs. Ola Mae Nichols and family and Mr. and Mrs. Wayne Sutton.

Jerry Gore of Hobbs, N.M. spent the weekend with his mother, Mrs. Mary Lou Gore. Mary Lou, Jerry and Wallace and Ileta Gore of Seymour attended the Trent-Rule football game in Rule Friday evening.

★ FARM AND RANCH REPORT ★

David Tunnire, County Agent

OPERATION RANCH MANAGEMENT TOUR PLANNED

Modern, profit-oriented business and production practices will be showcased October 7 at a field day and tour on the 10,500 acre Link Ranch.

The Link Ranch is a major demonstration site for Operation: Ranch Management, an ongoing project being conducted in Central Texas by the Texas Agricultural Extension Service.

The project integrates water, wildlife, livestock and rangeland management to improve economic efficiency and profitability in ranching operations. He also noted that a five step planning process has been developed for landowners and ranchers to use in decision-making about their own resource management.

Registration for the field day opens at 8 a.m. A brief program follows at 9 a.m. before the ranch tour departs. The morning trip features chemical and mechanical brush control areas, prescribed burning sites, beef cattle and wildlife operations and sunflower production plots.

A barbecue lunch will be provided, and followed with an optional tour that concludes at 3:30 p.m. The afternoon stops include a tasajillo control plot and more of the commercial cattle operation.

Discussion topics for the day include rangeland seeding, wildlife as an economic enterprise, control of resistant hornflies on cattle, heifer replacement and breeding, range forage evaluation and plant identification.

PRESIDENT REAGAN PROCLAIMS NATIONAL FARM SAFETY WEEK
President Ronald Reagan has proclaimed the week of September

20-26, 1987, as National Farm Safety Week. The 44th observance of the week is sponsored by the National Safety Council, U.S. Department of Agriculture and the American Farm Bureau Federation.

"The President's action points out the need for everyone connected with agriculture to continue efforts to reduce the number and severity of accidental injuries and work-related illnesses so very costly to farming families and to our nation," said T.C. Gilchrest, president of the Chicago-based National Safety Council.

Agricultural work accidents resulted in about 1,700 deaths and 170,000 disabling injuries in 1986, according to preliminary council statistics. Jack Burke, program manager for agricultural safety at the council, says many farm and ranch residents also were seriously injured or killed in home, recreation and roadway accidents. In addition, an undetermined number of farmers and farm workers were victims of agricultural work-related illnesses known to cause disability and sometimes premature death, he said.

Agriculture remains among the nation's most hazardous major industry divisions with an accidental death rate of 52 per 100,000 workers in 1986, a slight increase from 1985.
