Views From Another Point

by Joyce Beecher Greenwood

I sometimes feel like a Model T Ford in a Thunderbird and Cadillac world. With the advanced technology of computers and word processors, I seem to be years behind with my limited knowledge - my typewriter and my one small calculator.

When my Amy was ten years old, I would sit down with her and say, "See, Amy, fifteen will go into twenty one time with five left over. Then, you bring down your eight and . . ." Now, she's eighteen, taking advanced office technology at VRJC, and her vocabulary includes terms like software (Didn't that used to mean cuptowels and pillowcases?), floppy disks, and data processing. She's saving her money to buy her own computer and then maybe she will sit down with me and say, "See, Mom, you flip this little switch right here on the back to turn it on . . ."

If we made a list of the things required to make a truly educated person these days, I suppose the list would include one or more of these:

1. A Masters or a Doctorate degree from a leading university.
2. Skill in specialized areas of medicine.
3. Knowledge of all the facets of the American political system as well as the political system of other super powers of the world.
4. Advanced knowledge in computers and other modern technology.
5. Knowledge of the great works of all the artists and composers of the world.
6. Complete knowledge of all the different areas of the Internal Revenue Service.
7. Understanding of all the agricultural terms of germination and pollination - soil classification and diversified farming.
8. Knowledge of high finance and corporate business and multi-million dollar stock market investments.
9. Knowledge of Biophysics and Osmosis and the principals of diffusion.
10. Understanding the principals of high altitude rocketing in space travel.

The world is in a constant state of change and we either keep up or get behind. Lately, I find myself waving at disappearing backs more and more.

I found a rather interesting article in one of Margie Allen's old papers, though, that made me realize one more time that I was really born fifty years too late. The paper is a 1923 copy of the Gorce Advocate, but was first printed in the Progressive Farmer in 1922. It reads as follows:

- "When is one educated in the best sense of the word? A professor in the University of Chicago is said to have told his students that he should consider them truly educated when they could answer affirmatively these fourteen questions:
1. Are you in sympathy with all good causes and work to espouse them?
 2. Are you public spirited?
 3. Are you a brother to the weak?
 4. Have you learned how to make friends and keep them?
 5. Do you know what it is to be a friend to yourself?
 6. Can you look an honest man or a pure woman straight in the eye?
 7. Do you see something to love in a little child?
 8. Will a lonely dog follow you in the street?
 9. Can you be high-minded and happy in the meaner drudgeries of life?
 10. Do you think washing dishes and hoeing corn just as compatible with high thinking as playing the piano or golf?
 11. Are you good for anything to

Local Students Exceed State And National Average On ACT Tests

The Texas Education Agency and the American College Testing Program have recently released national, state and local ACT scores for seniors taking the ACT during the 1987-88 and 1988-89 school years, and Dr. Bill Kingston, MHS principal, passed the information along to the Courier.

Scores from the ACT and/or Scholastic Aptitude Test (SAT) along with class rank and grade point average are used by colleges and universities as predictors of academic performance in college. Many colleges and universities require a minimum score on the ACT or SAT for admission.

Composite test scores are the principle performance indicator used by most colleges and universities for admission purposes, Kingston said. The average composite test scores of Munday students taking the test were equal to or higher than the state and national

averages. The average ACT composite score for Munday students in 1987-88 was 18.9, compared to the Texas average of 17.8 and the national average of 18.9. In 1988-89, the average ACT score for Munday students was 19.2, compared to the national average of 18.4. State averages for 1988-89 were not available.

Average scores of each sub-test was also higher for Munday students than the state average in 1987-88. State averages were not available for 1988-89.

Average English scores for Munday students were lower than the national average in 1987-88 but higher than the national average in 1988-89. Average math scores were lower than the national average in both years, but increased .3 points in 1988-89.

Social Studies and Natural Science scores of Munday students were higher than the national average for both years.

According to Kingston, a much larger percentage of Munday students took the ACT than the state and national average. Sixty-two percent of Munday students took the ACT in 1987-88 and 67% took the test in 1988-89. The state and national percentages during this time was 25% to 35%. With a larger percentage of students taking the tests, the diversity of academic backgrounds would normally be reflected in a lower average score than if only students with strong academic backgrounds were taking the test. The average scores for Munday students would be expected to be lower than if only 25% to 35% of students had taken the test, Kingston said.

"The high average scores on the nationally recognized ACT reflect favorably on the students, faculty, and curriculum at both the elementary and secondary campuses," Kingston commented. "We are very pleased with the achievement levels of all our students and especially our college-bound students."

School Officials Urge High ADA During October

The week of October is a very important month for the Munday Independent School District. It is the official period for school attendance that determines state funding, according to Doyle Lowrance, superintendent of schools.

Munday ISD receives an average of about \$2,900 per student, and state funds account for about 60% of the total revenue that is necessary to finance the operation of the school, Lowrance said. It is for this reason that good school attendance will be emphasized in the next four weeks.

Attendance is vital to student success, but during October it carries a financial impact, therefore, school officials are asking parents and students to make every effort to be in school and assist in reaching a goal of 98% attendance for the month.

Variety Of Activities Planned For Saturday's Chili Cookoff

Fun, games, and good food are in store for participants and spectators as well Saturday, September 30, as the Munday Volunteer Fire Department Ladies Auxiliary conducts a chili cookoff contest. Some of the best chili cooks in Munday and the surrounding area will compete in the event, the first of its kind for Munday and the auxiliary. Activities begin at 12 noon in the Brazos Valley Young Farmers Show Barn.

According to a spokeswoman from the auxiliary, a good number of entries have already been received. Auxiliary members would like to have all entries in by Friday, however, they will not refuse last minute participants.

Chili cooks will begin preparing their favorite recipes at noon. Judging will begin at 5 p.m., followed by the presentation of awards for best chili and team showmanship. The purchase of a bowl and spoon for 50 cents will allow spectators a sample of the chili.

Other afternoon activities include a crafts bazaar, horseshoe pitching contest, cake walk, dunking booth, and fishing booth for kids.

A concession stand will also be open offering soft drinks, funnel cakes and curly fries.

To enter the cookoff, send \$12 entry fee to the Munday Volunteer Fire Department, Box 476, Munday, 76371.

Proceeds will be used by the fire department to purchase needed equipment.

For further information call 817-422-4386 or 422-4820.

A STRONG WILDCAT DEFENSE kept the Moguls off the scoreboard in the first quarter of play at Friday night's ballgame against Archer City, but the second quarter proved to be more productive for the Purple and Gold. The lights on the scoreboard indicate the problems the Moguls suffered in the first quarter, showing a second down and 20, but don't be fooled - the team soon adjusted to the Wildcat defense and went ahead to win the contest by a score of 35-7. The Moguls will host the Crowell Wildcats for the district opener this Friday. Kickoff is at 7:30.

Munday School To Administer TEAMS Tests October 25, 26

The Texas Educational Assessment of Minimum Skills (TEAMS) exit level will be given at Munday High School on Wednesday and Thursday, October 25 and 26.

The exit level TEAMS is administered each year to all juniors as well as others who have not previously passed the test. During this October administration, the mathematics test will be given on Wednesday, and the English, language arts test will be administered on Thursday.

Texas high school students must pass both the mathematics and the language arts portion of the TEAMS to receive a high school diploma in a Texas public school. Juniors who do not pass the October test will be able to retake the portion not passed in May of this year. They will also have two opportunities to retake the test during their senior year.

During each regular exit level test administration, individuals who are no longer enrolled in school and have not previously passed both sections of the TEAMS test but have met other graduation requirements may retake the section(s) not passed.

Individuals who are no longer enrolled in a Texas public school and wish to register to retake the exit level mathematics and/or English language arts test may pick up a registration packet at the Munday High School office during regular school hours. Registration forms must be completed and received in Iowa City, Iowa, no later than 5 p.m. October 4, 1989.

Moguls Thrash Wildcats 35-7; Host District Opener Friday

The Moguls continued their winning streak Friday night by thrashing the Archer City Wildcats 35-7. The Moguls rushed for 280 yards and passed for 136.

A tough Archer City defense, coupled with penalties, incomplete passes and a non-productive running attack by the Moguls, kept the purple and gold out of the end zone in the first quarter of the contest. Coach Jim Edwards watched as his Mogul offense was penalized 35 yards in the first quarter against the Wildcats.

It was later in the second quarter when Munday's first scoring drive started on the Archer City 34 yard line. With the Wildcats keying on the Collier boys, quarterback Marc Andrade and fullback Bobby Dockins got the call from Coach Edwards. Andrade hit Terry Collier on a 24-yard touchdown pass with 5:49 left in the second quarter. Dockins kicked the PAT.

The second score came two minutes later after Brian Latham recovered a fumble on the Archer City 34 yard line. Again Andrade passed to Terry Collier for 18 yards. Dockins' kick was good.

Chad Sanford returned the Mogul kickoff to the 37 yard line as the Wildcats drove 63 yards in nine plays for their only TD of the night. Andy Bowen scored for the Wildcats from 9 yards out and Chad Sanford kicked the extra point, making the score Munday 14, Archer City 7.

The Wildcats received the kickoff to

start the second half of play. After making one first down, the Moguls stopped the drive, forcing a punt.

Starting from their 15, it took the Moguls only 8 plays to reach the endzone. With carries by Perry Collier, Dockins, and Terry Collier, Marc Andrade scored the TD from 12 yards out on a quarterback draw. Dockins kicked the extra point.

The Archer City defense stopped the Moguls' fourth scoring drive. With a first down on the three yard line, Munday was unable to score. Terry Collier recovered a Wildcat fumble on the one and Dockins scored on the second try, making the score 28 for Munday and 7 for Archer City.

The final score of the night came on a 22 yard pass from Andrade to Terry Collier with four minutes left in the game. Dockins' kick was good and the final score was Munday 35, Archer City 7.

Second half statistics showed the Munday defensive unit held the Wildcats to only two first downs and 38 yards offensively.

Marc Andrade carried the ball 13 times for 91 yards; Bobby Dockins, 19 times for 84; Terry Collier, 11 times for 63; Perry Collier, eight times for 44 and David Owens, one time for five yards.

The Munday defense forced five Wildcat fumbles for the night, with Brian Latham, Tony Hunter, Perry Collier, Brett Bruce and Chris Scott pouncing on the pigskin.

The Moguls will host the district-opener Friday night against Crowell. Kickoff time is 7:30.

COACH EDWARDS' COMMENTS

We played a very physical ballclub in Archer City last week. We had to be more physical than they were. We had a little adversity in the first part of the game, but overcame it and played real well after the first quarter.

We stopped ourselves with penalties the first half, but I was real proud of the Moguls because we came back and scored four long drives in the second half. We also played much better defense after we made a few adjustments at half time.

Archer City had changed their defense which game us some problems at first, but our linemen were able to figure it out. We needed a good, hard, physical ballgame and we got one. Archer City has the best club they've had in a long time and I expect them to really compete in their district.

We must be more alert in adapting to adverse conditions and changes in the weeks to come, because from now on everyone we play is going to change for us.

Senior Class To Have Hamburger Supper Friday

The senior class of Munday High School will sponsor a hamburger supper Friday, September 29, prior to the Crowell ballgame.

A meal of hamburgers with the trimmings, chips, dessert and a drink will be served from 5 to 7 p.m. in the high school cafeteria.

Tickets are now on sale for \$3.50 each and can be purchased from any senior class member. A limited number of tickets will be available at the door.

All proceeds from the supper will be used for graduation expenses.

Band Booster Meeting To Be Held October 2

All Munday band boosters are encouraged to attend the band booster meeting which will be held at 7:30 p.m. Monday, October 2, in the band hall.

Let's all help support our band, who is doing a great job representing our school.

KATHY WELCH took Best of Show honors in the arts and crafts division of the Haskell County Fair held last weekend. The daughter of Lloyd and Jacquita Welch, Kathy entered more than a dozen items in various divisions of the fair.

Weather Report

Following is the weather report for seven days ending Monday, September 25, 1989, as compiled and recorded by Goodson Sellers, local U. S. weather observer.

	TEMPERATURE	
	HIGH	LOW
September 19	87	59
September 20	87	58
September 21	90	60
September 22	80	65
September 23	80	49
September 24	69	38
September 25	77	42

Moisture year to date 25.43

1990 Crop Year Insurance Includes Several New Options, Additions

Several new options and proposed changes are in the offering for Multiple Peril Crop Insurance for the 1990 crop year.

Beginning with the upcoming fall-planted crops for the 1990 year, a high risk land exclusion option is proposed to be available for most field crops, said Dr. Ashley Lovell, economist-manager with the Texas Agricultural Extension Service.

He said that under the high risk land exclusion option, a grower will be aware of land which comes under this definition, or will become aware at the time of application. An example of such land is that in a flood plain.

Lovell said the high risk land exclusion option may be submitted prior to the sales closing date.

"A farmer applicant has the option of excluding high risk land in the county on a crop basis. The option is continuous and may be cancelled by giving written notice or before the cancellation date for the crop," Lovell said.

Concerning the insurance costs, premium surcharges have been discontinued and a 10 percent premium discount will be given if the basic policy unit is not divided into two or more premium earning/optional guideline units.

Lovell said the total adjusted pre-

mium will be decreased 10 percent, and premium rates have been revised accordingly.

"Once optional/guideline units are elected by the insured and processed on the acreage report, the full premium, without discount, is earned. However, if the acreage report is revised and the revision changes the unit arrangement, the 10 percent discount, if applicable, will be based on the revised acreage report," Lovell said.

He said the discount will apply for the 1990 crop year for 31 crops, including major Texas crops and small grains such as oats, barley, rye and wheat. The discount is implemented for qualifying crops with a filing date of June 30, 1989 (cq) or later.

He said there are not basic changes in the actual production history program for barley, oats, rye and wheat.

Farmers should contact a qualified Multiple Peril Crop Insurance representative of a local firm offering the insurance to obtain more details about the above as well as other program changes and additions.

Producers will want to study all program changes very carefully to make better-informed decisions, Lovell concluded.

PACKAGE YOUR HOME TO SELL - PART 2 INSPECT AND FIX BEFORE YOU SELL

Some people who move frequently start getting each new home ready to sell from the day they move in. How? By staying on top of maintenance and repairs.

The need for even minor repairs around your house can create an impression of neglect which "turns off" potential buyers. If you have let a few things go around the house, a thorough home inspection and fix-up campaign may be needed before you put it on the market.

Buyers will be concerned about electrical, plumbing, heating and cooling systems. Make sure they are all in top condition, calling in professionals for servicing or repairs as necessary. Even if major repairs aren't required, be sure to label circuits or fuses, repair dripping

faucets, clean sink traps, change furnace or air conditioning filters, and clean the area around heating and cooling equipment.

Next, look for anything that's cracked, loose, warped, decayed or mildewed. This could be something as simple as a window that needs to be re-caulked, or as serious as a large crack in the foundation. Either way, you'll want to handle these problems or have them repaired before showing the house.

Over years of living in a home, it's easy to get used to a doorbell that doesn't work, a missing tile in the floor, mildew in the shower or a small crack in a wall. Things that may seem unimportant to you can convince a prospective buyer that your house isn't a good deal when compared to a similar home that needs no minor repairs.

If you have your house up for sale, or plan on selling within the next year, consider a thorough home inspection. Here are a few things you'll want to inspect before putting your home on the market:

- Check underside of roof for leaks, stains or dampness.
- Repair cracks, holes or damage to plaster or wallboard.
- Check condition of weatherstripping and caulking.
- Repair dripping faucets and shower heads.
- Remove accumulation of grease or dust from tiles, walls, and floors.
- Inspect fireplace dampers, firebox and hearth.
- Check pipes for leaks.

ATTENTION ALL AREA YOUTH!

The Gillespie Baptist Church invites you to come and enjoy a day of fun and fellowship starting at 11 a.m. this Saturday, September 30. All area youth grades 7 through 12 are invited.

The day will start off with homemade pizza!

VIEWS

(Continued from page 1)

yourself? Can you be happy alone?

12. Can you look out on the world and see anything except dollars and cents?

13. Can you look into a mud puddle and see anything but mud?

14. Can you look into the sky at night and see beyond the stars? Can your soul claim relationship with the Creator?"

I am not suggesting by sharing this list that nobody in 1923 had knowledge beyond hoeing corn and washing dishes. Nor am I suggesting that working toward a degree to promote social and economic changes is useless. Of course nobody would allow a surgeon to operate whose only qualifications were that he loved kids or was followed by a mangy German Shepherd. It would be just as ridiculous to consider a presidential candidate who spent his time studying stars and mud puddles.

But, do you ever wonder if sometimes people become so consumed with the pursuit of more and more knowledge and the power that accompanied such knowledge, that they lose sight of the simple accompaniments that knowledge that they lose sight of the simple things in life?

I once knew a man who was intelligent beyond all expectations. He knew everything about all things and held a Masters degree in Psychology from a major university, but he scoffed at the theory of the Virgin Birth and claimed that test tube babies made a fallacy of the story of Creation. He died suddenly of a cerebral hemorrhage, and upon hearing of his death, I thought what a shame it is that intelligence and knowledge cannot be transplanted like a heart or a kidney.

Compare him, if you will, to a beautiful lady who lived with her husband on a farm my dad leased from my grandfather in the late 40's and early 50's. Her name implied her gentle nature and loving spirit for she was called Humblelove. Her hair was almost completely white and held in place by little tortoise shell combs. Her ebony skin was creviced by her years on this earth and her failing health, but her eyes were filled with tenderness and always seemed to light up when Daddy would let Nell and me out at her house while he drove on down into the field to check on farming operations with her husband.

Humblelove always had a chocolate cake with thick, sweet icing sitting temptingly under a plastic cover on a spotless red and white checkered tablecloth. As soon as Nell had her piece of chocolate cake, she would be off and running, climbing the many trees around the house or hanging by her knees from one of the tree limbs, but I preferred just sitting with Humblelove as she rocked on the porch in her old rocking chair. Laughter came easily for her in spite of the pain she must have suffered, and the cover was almost worn off her weathered Bible.

"I can't read all the words in this," she told me once, extending the Bible toward me. "But, I understand enough to know what the Lord expects of me."

On one particularly beautiful day in early fall, some fleecy clouds floated across the eastern sky as we sat watching.

"Look at those clouds," she said, quietly. "Looks like you could just reach up and pick a handful of them. You know, sometimes when the clouds are so low like that, it almost seems as if I can hear the angels sing."

And, as I sat listening quietly, the wind in the paradise trees almost sounded like the songs of angels.

Humblelove died quietly in her bed, and I know that even though she couldn't read all the words in her Bible, she has a special place in the Kingdom of Heaven.

Don't you think the mark of real education is some of the knowledge of the Psychology major, coupled with the warmth and faith that Humblelove possessed? Do you believe that vast knowledge without compassion is as useless as a loving spirit without any knowledge at all?

I suppose Paul said it best in his first letter to the Corinthians when he said, "... If I knew all about what is going to happen in the future... knew everything about everything, but didn't love others, what good would it do?"

Some of us remember when "television" was just a word for things to come, and the very idea seemed impossible. Now, news stories can be flashed around the world instantaneously via satellite. And, who could have ever dreamed that a living heart could be removed from one body and placed into another?

The possibilities for future achievements and inventions are limitless. As people gain more knowledge - anything is possible.

I saw a t-shirt the other day that read: "If you can't run with the big dogs --- Stay on the porch!"

I guess I'll just stay here on the porch.

When buying clothes, look inside the garment to see how it's made. Seams should be at least an inch wide and should be bound with stitching.

Bryan Latham Shows Grand Champion Lamb At Haskell County Fair

Seven members of the Munday FFA chapter participated in the Haskell County Fair Saturday and Bryan Latham came home with top honors in the sheep division of the show.

In addition to showing the Grand Champion market lamb, Bryan also had the Reserve Champion finewool lamb, the Reserve Champion cross and the champion medium wool lamb. He also took first place honors with his lightweight finewool cross, light heavyweight medium wool lamb and heavyweight medium wool lamb.

Bryan's brother, Kent, showed his finewool lamb to championship honors as well as having the first place medium heavyweight medium wool lamb and the third place heavyweight finewool cross.

Also earning first place honors was Kevin Oustad with his Hampshire Ewe lamb.

Other FFA exhibitors and their places included:

Matt Angerer - seventh place medium weight medium wool lamb.

Jay Kingston - seventh place lightweight finewool lamb.

Shane Massey exhibited a medium wool lamb and in the rabbit division, Shannon Saffel took fourth and fifth place ribbons with his Lop entries.

Bryan Latham, reporter

City of Goree In Need Of New Fire Truck

The Goree Volunteer Fire Department is in need of a new fire truck. There will be several fund raisers, the first to be a community-wide garage sale which will be held Saturday, October 14, at the same location as the regular garage sale.

Start doing your fall cleaning now and bring your clothes, trinkets, furniture, linens, appliances, or anything you would like to donate to this worthwhile project. You may bring your donations to the city office or one of the ladies who work the Community sale before October 10.

Your donation and help will be appreciated.

CHEERING FOR THE 1989-90 Goree Wildcats are cheerleaders, Jamie Peek, Kelly Jo Moore, Norma Mateos and Kerri Williams. The Wildcats will be looking for a win this week as they host Moran. Kickoff is at 7:30 p.m.

September 28 - Munday junior high and junior varsity vs. Crowell, there, 6 and 7:30 p.m.

September 29 - Senior class hamburger supper, 5-7 p.m.; Munday vs. Crowell, here; 7:30 p.m.

September 30 - Munday VFD Ladies Auxiliary Chili Cookoff.

October 2 - Band Boosters, Masonic Lodge, Munday Vol. Fire Dept.

October 3 - Garden Club, Young Farmers, Lions Club.

Senior Class Is Collecting Cans

In an effort to raise needed funds for graduation and class trip expenses, the Munday High School senior class has begun collecting aluminum cans.

Class members and sponsors are asking local residents to save their cans and donate them to the seniors. Persons wishing to help the students in this project can do so by contacting any member of the class. Cans will be picked up on Saturdays.

Luncheon Planned For Garden Club

A luncheon will be held Tuesday, October 3, at 12 noon for all Garden Club members and their guests in the home of Mrs. Lonnie Offutt. Everyone is to bring a salad of their choice. Newcomers are welcome.

McLendon Youth To Set New Flight Record

by Joyce Beecher Greenwood
Matthew McLendon of Dallas taxied his six-place Cessna P-210 down a Los Angeles air strip Monday morning and climbed slowly into a blue California sky. His destination is New York City and when he arrives there after a five day, 2,700 mile journey, he will have set a new national record—because Matthew is eight years old and the youngest person in history to attempt a flight across the nation.

He first became interested in flying when his father, Bart McLendon, purchased a computer disk of an instrument panel to "brush up" on his own flying skills. The graphics on the computer screen fascinated Matthew and soon he became quite apt at maneuvering the simulated controls.

He began to request flying lessons in a real plane, but because of his age, his parents, Bart and Beth McLendon, didn't really take him seriously. Finally, at age 7, Matthew became a student pilot and has logged 80 hours flight time in a plane equipped with built-up seat and pedal extenders.

Matthew's father, who is an instrument rated private pilot, and his flight instructor, Rick Barber of Dallas, are accompanying him on his flight, but neither of them will touch the controls except in an emergency.

Landing at the Dimmitt, Texas airport on Tuesday afternoon, Matthew was joined by his grandmother, Kate

Beecher, who flew with her grandson to his touch-down point in Dallas. Other touch-down points include Las Vegas, Phoenix, Santa Fe, St. Louis, Chicago, Detroit, Cleveland, Pittsburgh, Washington, D.C., Philadelphia, and finally New York City.

Matthew's mother, the former Beth Beecher of Dimmitt, and his two brothers, Trenton and Chase, will accompany him on the last leg of his journey from Washington, D.C. to New York City.

Next week, Matthew will be struggling through his math lesson just like any other third grader at Trinity Christian Academy in Dallas, but at this moment in time, he is somewhere in the vast eastern American sky on his way to making history and a whole of a memory to share someday with his grandchildren.

Matthew is also the grandson of the late Edgar Beecher of Dimmitt, and great-grandson of the late Mr. and Mrs. Evert Beecher and the late Mr. and Mrs. J.O. Bowden, all of Munday. He is the great-nephew of Mrs. Frankie Ponder of Munday and Mrs. Pauline Beecher of Goree.

DPS REPORT

During the month of August, DPS troopers investigated five fatal accidents, 58 personal injury accidents and 64 property damage accidents in the 21 counties which make up the Lubbock District, according to Capt. L.A. Reinhardt, district supervisor of the Lubbock Highway Patrol District.

In Knox County, troopers investigated two personal injury accidents and one property damage accident during August, according to Sgt. Sam Wester of the Haskell DPS office.

The above information is prepared and distributed by the Region 5 Safety Education Service, Texas Department of Public Safety in Lubbock.

Do you know your ABCs? Of the 250 known alphabets in the history of language, 50 are still alive today. Half of these are in India.

THIS WELL-KEPT LAWN and variety of colorful flowers attracted the Munday Garden Club judges this week as they awarded Yard of the Week honors to Lendon and Joyce Walling at 811 West C.

Vera News

By Mrs. Thelma Coulston

Billy Wade Patterson and his mother, Virginia Patterson, of Palmdale, California, were recent visitors with Mrs. Violet Patterson. Sunday Violet spent the day with her mother, Mrs. Tom King, in Munday and the two of them visited Mrs. Dora Patterson in the Munday Nursing Center. Mrs. King accompanied Violet home for a weeks visit.

Mr. and Mrs. Manuel Swift of Moore, Okla. were recent visitors in the home of her sister, Mr. and Mrs. Dalton Gore. Other visitors in the Gore home during the weekend were Mr. and Mrs. Devin Trainham and Stony of Moran and Mr. and Mrs. Larry Gore of Wichita Falls.

Mr. and Mrs. Billy Daniels of Crowell spent Saturday in the home of their daughter, Mr. and Mrs. Keith Beck and children.

Mr. and Mrs. Wayne Herrington of Abilene were weekend visitors with her parents, Mr. and Mrs. George McKinney. George and Bertha Faye were recent visitors with her mother, Mrs.

Willie Jennings, in Rule. Mr. and Mrs. Henry Bland of Clarendon visited Friday with Mr. and Mrs. Hollie Gore.

Mrs. Robbie Feemster visited Sunday with her mother, Mrs. Edna Sullivan in Munday Nursing Center in Munday and enjoyed a visit with Ruby and Bobby Elliston, Mr. and Mrs. Hoyt McBride, Mr. and Mrs. Durwood Condon of Woodson and Paul Smith of Abilene who were also visiting Mrs. Sullivan.

Mr. and Mrs. Billy Kinnibrugh and Mr. and Mrs. Paul Weiss returned home recently from a vacation trip in their travel trailers thru Oklahoma and Missouri. One night was spent at the Weiss ranch near Davis, Okla. and then to Branson, Missouri where they enjoyed the stage shows. Enroute home they stopped in Oklahoma City, Oklahoma where they attended the Oklahoma State Fair and tractor pull.

Mrs. Mary Lou Gore spent Tuesday and Wednesday in Bethania Hospital in Wichita Falls where she underwent medical tests. With her were her three sons, the Jerry Gores of Hobbs, N.M., the Douglas Gores of Trent, and Mr. and Mrs. Wallace Gore of Seymour. Marj returned home Wednesday but will go back into the hospital this Wednesday.

Mr. Alma Jean Boone and Mrs. Francis Kuchan were business visitors in Wichita Falls last Monday.

Look Who's Here!

Todd and Debra Hrcirik of Seymour are proud to announce the arrival of their daughter, Tanna D'Nae, who was born at 1:38 p.m. Tuesday, September 5, 1989 at Wichita General Hospital. She tipped the scales at 7 lbs., 10 ozs. and measured 18 1/2 inches long.

Tanna has a big sister, Krisi, and a brother, Tyler, who are real excited about having a little baby in their home.

Proud grandparents are Wesley and Genevieve Hrcirik of Seymour and Tommy and Glenda Decker of Goree. Great grandparents are Mr. and Mrs. Riley Bell and Mr. and Mrs. Bill Decker of Goree and Mrs. Albert Hrcirik and Mrs. Albert Peters of Seymour.

North America is 9,366,000 square miles in area.

The Lord's Corner

by Dr. Pete Bradford, Pastor
First Baptist Church

Some people are so indecisive, their favorite color is plaid. They resemble the lady who asked, "Do you always have trouble making up your mind?" To which she replied, "Well, yes and no..." But there comes a time when changing your mind is not only desirable, it is imperative - and that is when God tells you to!

Some people need to change their minds about God, themselves, and the wickedness that characterizes their lives. Many people's worship is full of shallow formalism; their outward piety is not matched by inward purity; they ignore the needs of others all around them.

Whenever an improper attitude or action has crept into your life, it's time for a change of mind. Are you pure...undefiled...unspotted? If not, better check your relationship with Christ.

See you next week, and remember: unless there is within you that which is above you, you will soon yield to that which is around you.

I will file your MEDICAL INSURANCE and MEDICARE for you or answer any questions you may have. 6 years experience Call Susan Gulley 422-4615 after 6 p.m.

THESE MUNDAY NURSING CENTER AIDES recently passed the practical skills portion of a competency exam required by the State of Texas for all nurses aides in long-term care facilities. Pictured are (first row, left to right) Elvira Ramos, Margarita Anchondo, Martha Martinez; (second row) Sarah Ann Moore, Gloria Fernandez, Director of Nurses Charollette Welch, Patricia Hemphill and Tina Taylor; (third row) June Blake, Terri Wallace, Christine Toliver, Ruby Allen and Leola Eddington. Not pictured are Carolyn Collier, Norma Lee Collier, Wilma Allen and Ila Kay Gross.

Munday Nursing Center Aides Pass State Required Skills Test

The nurses' aides of Munday Nursing Center were tested on skills and written competency on Wednesday and Thursday, September 20 and 21, as required

by the Omnibus Budget Reconciliation Act of 1989.

All nurses' aides employed in long-term care facilities in the state of Texas are required to take a practical skills and written exam. Upon receiving a passing score, their name will be added to the Texas Nurse's Aide Registry in Austin.

Sixteen nurses' aides were tested at Munday Nursing Center, and all sixteen passed the skills portion of the exam. Results of the written exam will be mailed out in approximately eight weeks.

A luncheon was held at the Center Friday afternoon to honor these ladies. Administrator Joyce Hardin presented each one with a carnation for a job well done.

In 1809, when he was 27, Captain Allardyce Barclay of Ury, Scotland, bet he could walk 1,000 miles in 1,000 hours. He did!

Letter To The Editor

Dear Editor,

They say there's always two percent who don't get the word.

That's certainly been the case on the new drug stamps. Obviously we failed to get the message across, so let us try again:

1. The drug tax stamp was not the Comptroller's idea. It is a new law passed by the Legislature. We are simply administering it just as we do all other laws they hand us.

But, that is not as important as...

2. Of course, nobody expects criminal drug dealers to actually come in and buy the stamps. That's really not the point.

The point is that when a dealer is busted, his failure to have these stamps makes it quicker, easier and legally sound for lawmen to immediately seize every piece of property they can get their hands on.

That's the point: Give lawmen a tool to seize drug dealers' property -- their cars, their homes, their radios, their cash, their bank accounts, their storefront businesses...you name it.

That is not a great deal different than the perjury law. Of course a criminal isn't going to tell the truth. Of course a criminal isn't going to incriminate himself.

So what do you do when he lies? You hit him with the perjury law-- a law against lying.

The drug stamp law has been called the Al Capone law. That's because Big Al was never convicted of running a protection racket. His was never convicted of promoting prostitution. But he was convicted and sent to the pen for evading taxes.

I'm sorry we obviously didn't get this message across in our original announcements about how we would administer this new law. If you have any questions, please don't hesitate to call us at 1-800-531-5441. The call is on our nickel.

Sincerely,
Tony Proffitt
Deputy Comptroller

Benjamin News

By Mrs. Gladene Green

CONCERNING OUR SICK

We continue to have several locals "under the weather". Aliene Groves is in the Seymour Hospital and will be there several more days due to a blood clot in her leg. Louise Hertel returned home Sunday after surgery in the Bethania in Wichita Falls last Wednesday. She's doing well, according to Donnie.

W. T. Cartwright had to make a run to the Haskell Hospital early Saturday morning and spent the day and night, but was released in time for church Sunday morning. He is feeling pretty good today.

Darlene Benson came home last Monday, but she is to take it very easy for several weeks. Lil Moorhouse was able to leave the Seymour Hospital Wednesday. She has been taken to a convalescent center in Dallas where she will receive therapy for several weeks and hopefully she can return home before too long.

Juanita Burnett was in Wichita Falls Friday to see an eye specialist and is doing better since her visit to him.

FIREMEN PLAN DINNER

The Benjamin Volunteer Fire Department will hold another benefit dinner Sunday, October 1. Look for their ad elsewhere in the paper and yall come and eat with us!!

HERE 'N THERE

Mr. and Mrs. Bufford Hayes of Whitharrel was a Friday afternoon guest of Omitene Barnett. On Saturday, Omitene attended the funeral of her cousin's husband, Wesley Lively, in Wichita Falls, and Sunday afternoon she and Earlene Meinzer visited Aliene Groves in the Seymour Hospital.

Brenda Gallaher of Wichita Falls visited her parents, Dutch and Imegean Young, during the weekend.

Trenna, Ken and Jason Patterson had Jason's grandparents, Jim and Edith Cash of Crowell and Lamoyne and Christine Patterson, for dinner Sunday to celebrate Jason's birthday a few days early.

Trenna and Jason were in Haskell Saturday for Jason to show calves at the fair. He showed three and brought in three ribbons, which I think is a pretty good percentage.

David Kyle and his daughter, Barbara, were here a few days last week preparing for David and Mary's move back to Colorado. Mary was not able to come back last week. They have been visiting in Pueblo several weeks. Health reasons will not permit them to stay in Benjamin, so they left on Thursday to reestablish residence in Pueblo.

We hated to see them have to make the move back but hope they will be satisfied there again. Shannon and Jake Propps and family have moved into the Kyle home.

Betty, Roger and Sabra Parker of Aspermont were Sunday guests of Leroy

and Gloria West.

Dolly Vincent was in Flagler, Colorado, recently for the funeral of her nephew. We extend sympathy to Dolly and her family during this time of bereavement.

Joe and Julia Trepanier and family spent Saturday with the Randy Engbrocks in Wichita Falls.

Annie and J. D. Brown were in Wichita Falls last Wednesday for Annie to see her doctor. She's feeling better and does not go back for a month.

The local fire department is again getting their spook house ready for Halloween. They have worked hard on it and I understand it's really going to be a good one, but quite different than years past. Watch for time and dates of when it will open.

Oh, I nearly forgot, it was Monday 35, Archer City 7. Good going, Moguls!!

Paint Creek Pirates Beat Goree Wildcats In 6-Man Action

The Goree Wildcats traveled to Paint Creek Friday night, where the Pirates came out on top by a score of 13-12.

Paint Creek drew first blood when Roman Morgan hit Mac Green for an eleven yard touchdown pass in the first quarter. The conversion try failed, leaving the score 6-0.

Wildcat Gary Dixon broke loose for a 46 yard touchdown run midway through the second quarter, tying the score at 6-6.

With 6:01 left in the third quarter, Dane Morgan plunged two yards for a Pirate score. Tanner Childress ran successfully on the point after attempt, putting the Pirates back in front, 13-6. Goree came right back as Dixon scored from eight yards out with 4:05 remaining in the third quarter. The extra point attempt failed, leaving the score 13-12, in favor of the Pirates.

Both teams moved the ball during the fourth quarter, but neither team was able to cross the end zone.

Turnovers proved costly for both teams, especially for Goree. The Wildcats fumbled the ball six times, losing four of them, two coming inside the Paint Creek twenty yard line. Paint Creek lost two fumbles, both inside Wildcat territory.

Gary Dixon was the leading rusher for Goree, gaining 198 yards on 21 carries. Jay Hutchens and Kenneth Mitchell led the team in receptions with two catches each. Sergio Nunez was a defensive standout for the Wildcats.

With this win, the Pirates raise their record to 2-1, while Goree falls to 1-2.

Goree will host Moran Friday night at 7:30 p.m. in their final non-district game of the season.

Senior Citizens Schedule Singing

Munday Senior Citizens will hold their monthly singing Thursday, September 28, from 7 to 9 p.m. in the Perry Paton Community Center.

All singers or just listeners are invited to attend. Light refreshments will be served after the singing.

High-quality buttons are perhaps the quickest tip-off about the quality of clothes. Good buttons are bone, leather, pearl or metal.

Visiting Mr. and Mrs. Ray Haddon during the weekend was her daughter, Gina Harris, who is attending school at San Angelo.

Greg Melton, Johnny Moore and Mr. and Mrs. Elkin Warren were dinner guests in the Ruby Hammons home on Sunday.

Josh and Sara Dormier of Throckmorton spent the weekend visiting their grandparents, Mr. and Mrs. Carl Dormier.

Mr. and Mrs. Felton Jackson and Mr. and Mrs. Andy Jackson spent the weekend visiting Mr. and Mrs. Ronnie Hardin in Lockney. They also visited Rev. and Mrs. Danny Jackson and family in Lubbock and attended church services at the McKenzie-Penace Baptist Church in Lubbock Sunday morning.

Toni Wiggenton and Holly, and Tonya Tolleson, Amber and Cody, of Wichita Falls spent the weekend visiting their grandparents, Mr. and Mrs. Roy Mayo.

Mr. and Mrs. Archie Struck attended the singing at the Seymour courthouse Saturday and Sunday.

Mr. and Mrs. Tommy Greenwood and Amy and Mr. and Mrs. Joel Greenwood visited Mr. and Mrs. Butch Greenwood, Tanya and Heather in Seymour on Sunday.

Stacia Pearce of Olney and Marguerite Gray and Angie visited Mr. and Mrs. Andy Jackson and other relatives Sunday evening.

JENNIFER LEE MARTINEZ Miss Martinez Completes Fashion Modeling Course

Jennifer Lee Martinez, a 1989 graduate of Bryan Adams High School in Dallas, graduated June 17 from the K-D (Kim Dawson) Studio's Fashion Dimensions Modeling school and is now employed by the Chancell Agency.

While in high school she was a member of the Spanish and French clubs, national honor society and was photograph editor of the yearbook. She placed fifth in shorthand in the District UIL competition.

Miss Martinez is currently on an extensive trip in Mexico City. The 18-year-old daughter of Jose de Jesus and Eva Lee Martinez of Dallas, she is the granddaughter of Rue Del Roberts and great-granddaughter of Genevieve Tyler, both of Goree.

What Jesus Taught by Dr. Larry Fitzgerald Minister, Church of Christ

SHALL WE EXPOSE ERROR?

Perhaps one of the greatest tools that Satan uses today is our attitude toward confrontation. Not too many years ago, spiritually minded people would meet and debate issues of concern. In some instances, there was not the most Christian attitude displayed. However, most of the time, the discussions were honest seeking after truth.

Did Jesus believe that we should only preach "positively" or that truth "was not absolute"? By no means. He only engaged Jewish denominational numbers such as Pharisees, Sadducees and Herodians. He even debated lawyers.

(Matthew 22; Mark 12). Solomon wrote: "Debate your cause with your neighbor" (Proverbs 25:9). Paul was always ready to debate and defend the gospel (Philippians 1:17). Jude commanded Christians to earnestly debate (contend) for the faith (Jude 3).

If we care anything for the truth of the gospel then we should be willing to examine our beliefs on a daily basis to see if they conform to the Bible. Nothing short of truth can save us and make us free (John 8:32). True believers can only speak out with the truth because we cannot tolerate the twisting of the gospel (Galatians 1:6-9).

"Since we have the same spirit of faith as he had who wrote, 'I believed, and so I spoke,' we too believe, and so we speak" (2 Corinthians 4:13).

MUNDAY FHA MEMBERS CAME HOME with lots of ribbons for their efforts in the food, clothing and arts and crafts divisions of the Haskell County Fair held last weekend. Showing some of their creations are Cissy Zaeske, Heather King, Michele Berryhill, Kammi Haynie, Caroline Anchondo, Brandi Crawford, Amy Morgan, Cynthia Fernandez and seated is Mandi Moore.

RED AND BLUE RIBBONS were in abundance for Munday FHA'ers who exhibited items at the Haskell County Fair last weekend. Twenty-one girls took part in the food, clothing, and arts and crafts division of the fair. Picture above (back row) are Susan Whittemore, Dixie Reid, Robin Reneau, Misti Zeissel, Jae-Jae Reneau, Missy Reneau, Kristi Dutton; and (front row) Melissa Nuckols, Shanna Murphy, Felicia Fernandez, and Denise Carroll.

Munday FHA'ers Exhibit Handiwork At Haskell Fair

Twenty-one members of the Munday FHA Chapter entered items in the Haskell Fair held last weekend and two young ladies brought home Best of Show ribbons and another earned Reserve Best of Show.

Kathy Welch won Best of Show in the Arts and Crafts division with her beaded wire collection and Mandi Moore earned Best of Show in her age group in the textile division with her straight skirt entry. Missy Reneau took Reserve Best of Show honors with her bread entry in the baked foods division.

Results of other home economics students' entries follow:

Caroline Anchondo - knitted bells, second; crocheted hat, second; petitpoint, first.

Michele Berryhill - wreath, third; rag basket, second; magnetic bear, third.

Denise Carroll - baby blanket, first; tie-dyed T-shirt, third.

Brandi Crawford - pickles, first; basket, second;

Kristi Dutton - Christmas wreath, first; Halloween wreath, first; Three Pigs & Wolf, first.

Cynthia Fernandez - decorated cake, second place and second Adams award.

Felicia Fernandez, decorated cake, first and first Adams award; flower arrangement, second place.

Kammi Haynie - tie-dye shirt, second; novelties, first; small woodwork, first; ceramics, first; hairbows, second; concho boot belt, second; decorated shirt, second; apron, second.

Heather King - decorated jacket, second.

Mandi Moore - shorts, second; straight skirt, Best of Show for age group in youth textiles.

Amy Morgan - Christmas wreath, first; small woodwork, first; lace pic-

tures, second; ceramic bears, first; and wreath, first.

Shanna Murphy - sportswear outfit, second; embroidered picture, first.

Melissa Nuckols - jumper, second; jewelry box, second.

Dixie Reid - Tye-Dye jacket, first; shadow box, first.

Jae-Jae Reneau - bread, second.

Missy Reneau - bread, reserve best of show in youth baked foods division.

Robin Reneau - nutritious snacks, first place.

Kathy Welch - nuts, first; peanut

brittle, first and first Adams award; chocolate chip bars, second; chocolate chip drop, third; rag basket, second; wreath, third; tie-died T-shirt, third; Christmas decoration, second; barbed wire collection, best of show in arts and crafts division; jumper, second; pillow, first; petitpoint, first; jelly, first; canned tomatoes, first.

Susan Whittemore - layer cake, second; painted sweat suit, second.

Cissy Zaeske, ceramics, first place.

Misti Zeissel - rag basket, second place, chocolate chip cookies, second.

Munday 4-H'er Shows Reserve Champion Steer At Haskell

Several Knox County 4-H'ers were on hand to exhibit 4-H livestock projects at the Haskell County Fair held Saturday, September 23.

Munday 4-H'er Aaron Kiser, son of Danny and Ann Kiser, exhibited the Reserve Champion Brahman cross steer in the beef division and also earned a fourth place ribbon with his Angus steer.

Jason Patterson of Benjamin exhibited the second place senior Hereford heifer, fifth place junior Hereford heifer and sixth place Hereford steer.

Jason Simmons of Gilliland finished sixth place with his lightweight Hereford and sixth place with his Class 13 European cross.

Stefani Stephens of O'Brien showed her Class 11 European cross to a fifth place finish while Scott Stephens took fifth place with his Class 14 European cross steer.

In the rabbit division, Lane Boyd of Knox City exhibited his junior colored buck to first place honors. His junior colored doe took third place and his colored doe earned fourth place.

Tressie Boyd of Knox City showed her junior colored doe to a second place finish; senior colored doe, second place and junior colored buck, third place.

Katie Boyd of Knox City showed the first place junior colored doe and Jeremy Simmons of Gilliland exhibited the fourth place senior colored buck.

Farm and Ranch Report

By Donnie Peters

HONEY SWEET NAMED TOP FORAGE IN TEST

Many cattlemen and stocker feeder producers grow much forage sorghum during summer months to provide hay during winter.

In an effort to determine top producing varieties, a variety demonstration was conducted at the O.L. Patterson Jr. Ranch in Benjamin. Patterson, son Kynn and Knox County Agent Donnie Peters planted the test on May 9, 1989 at a rate of 28 pounds per acre. The soil had 100

pounds of actual nitrogen applied pre-plant. Harvests were conducted on July 1 and August 24 by hand harvesting 16 square feet per variety.

Samples of each cutting were sent to the Texas A&M University Soil & Forage Testing Lab to run nutrient analysis for each variety. The chart below shows variety planted and the outcome of the analysis. Additional information may be obtained from the Knox County Extension Office.

KNOX COUNTY FORAGE VARIETY DEMONSTRATION

VARIETY	TOTAL YIELD (lbs/ac)	JULY1 YIELD	% CRUDE PROTEIN	AUG. 24 % YIELD	% TDN	% CRUDE PROTEIN
McCormick Honey Sweet	9730	4865	8.8	4865	53	14.5
Garrison Sweet T	9406	4865	7.3	4541	51	10.9

Nursing Center News

By Virginia Williams

We would like to congratulate all the nurses aides at the Nursing Center on passing their skills testis last Wednesday and Thursday.

The nurses aides who work in nursing homes in Texas are currently being tested for competency and those who pass will be added to a Texas Registry as implemented by the Federal Government under the Omnibus Budget Reconciliation Act.

We had a 100% passing rate with our aides. Once again, congratulations!

The resident council met September 20. Attending were Linnie West, Myrtle Tomlinson, Edith Rannels, Virginia Williams, Mary Johnson, Helen Hutchinson, Coila Prater, Susie Trammell, Beatrice Campsey, Ruth Hammons and Beulah Hosa.

Residents discussed ways to raise money to buy three long folding tables for the nursing home. It was suggested to have a bake sale in October. This was voted on and passed.

Members planned a game night to be held the second Friday afternoon in October. The public is invited and will be charged one dollar for the night.

The folding tables are needed for special events held at the home. Donations would be greatly appreciated.

Samantha and Levia Searcey of Megargel visited their great-grandmother, Mrs. Searcey. There were four generations.

Annie Smajstria and Alice Reneau of St. Joseph's Catholic Church called Bingo for the residents on Thursday, September 21.

A large group of residents enjoyed the singing and a very good surmon given by Larry Thompson. Jean Kiser played the piano, and six of the congregation sang several beautiful songs.

Harold and Maggie Funk of Hemet, California, visited her mother, Mrs. Scarey, over the weekend.

Jon and Kate Ellis of Graham visited her mother, Nina Pendleton, on Saturday.

On Saturday afternoon, a sing-along was given with Virginia Carey as director, Ruby Myers on the organ, Eunice Raynes on the piano, and Archie and Irene Struck, Tom Hamilton, Floyd Bradley of Goree and Bonnie Fincannon singing several songs for our group. We had a very enjoyable devotional and listened to several solos by Ruby Myers.

Merle Dingus's brother, Bill, and wife Pat, of Pampa, and sister, Rita Longbotham of Denver, Colorado, visited her and Ina Cowan over the weekend.

Rev. Pete Bradfield of the First Baptist Church in Munday held Bible study

Monday afternoon. Everyone enjoyed the lesson.

Ruby Lee Elliston of Woodson visited Edna Sullivan Sunday afternoon. Also visiting Edna was Mr. and Mrs. Hoyt McBride, Mr. and Mrs. Durwood Condron of Woodson, Paul Smith of Abilene, and Bobby Elliston of Missouli, Montana.

Leo May of Rule came to see her mother, Opal Brewer, and gave her a permanent. Also visiting her were Earlene Kuehler and Ramia Frazier of Haskell.

Mrs. Lona King, Violet Patterson and Deaji of Vera visited Mrs. Dora Patterson.

Cathy Tamplen, Bonnie and Lindsay Correia of Abilene visited their mother and grandmother, Mavis Wren, on Saturday.

Dorothy Brown and Olga Jim Reid of the First Baptist Church held the Bingo on Tuesday.

Mrs. L. D. Abbott of Knox City visited Beatrice Campsey.

Ila Kay Gross was here from Lubbock to visit and take the nurses aid test. She is currently attending Texas Tech University and studying nursing. Everyone in the nursing center was so glad to see her as she was such a lovely and helpful aide when she worked here last summer.

MHS Seniors Elect Officers

The 1989-90 senior class at Munday High School met in the home of Bob and Ann Therwhanger recently to elect class officers and plan fund-raising activities.

Jeff Herring was chosen as president of the group and Marc Andrade will serve as vice-president. David Owens was named class reporter and Jon Smith was elected secretary-treasurer.

Lisa Steedly and Jon Smith were chosen as class favorites.

Two fund-raising projects were planned the seniors. A hamburger supper will be held prior to the Crowell football game on Friday, September 29, and seniors will begin collecting aluminum cans.

All moneys from both fund-raisers will go for senior graduation and trip expenses.

Mark Dobson and Ann Therwhanger are senior class sponsors.

If your child is learning a new concept or procedure, have him or her demonstrate it to you.

Weinert News

By Mrs. Myrtle Pheister

The cool front made us feel like the proverbial grasshopper as the temperature dropped into the thirties on the weekend in our area.

The farmers are busy getting grain sewed, and we realize this is Autumn! Almost time for cotton harvest. The cotton crop looks fair, but only time, and the stripping machine, will give the true story.

Weinert was afforded the privilege of hosting two Japanese farmers last week who were given a royal tour of Haskell County.

The program is sponsored by the Farm Bureau Federation, with the "Eat More Beef" emphasis behind the idea.

The men could speak no English, and no one here can speak Japanese, but handshakes and smiles are the same in every language and the Japanese left with much warm communication being done.

The tour covered several farms and herds of cattle; a tour of Pogue's Meat Market and Rilling pen; the Weinert Gin; and Weinert Elevator, in which "Scooney" Vojkufka, with hand signs and actual demonstrations, gave the men a good idea of how the process of unloading and storing goes. The elevator's new dryer was a point of interest to them.

The tour ended at the Woody Turnbow's home where they were treated to a barbeque dinner with Georgia's special "trimmings".

Hosting the tourists were Bob Aycock, president of Haskell County Farm Bureau, and Woody Turnbow, Farm Bureau county board director.

Erma Liles and Helen Boykin returned home safely on Sunday, following their three week tour of the northwest and parts of Canada.

They were a part of the Nocona Fun Tours, with Weldon Cowan, tour director, and they reported a marvelous vacation. They stayed well, rode over 6,000 miles, saw plenty of snow and ice, and loved "almost" every minute of the trip.

Welcome home, ladies. We missed you.

Several from Weinert made a special trip to Wichita Falls on Saturday to attend the wedding of Tammy Offutt and Brent Proffitt, III, as they exchanged nuptial vows at the Evangel Temple Assembly of God Church.

Attending were Tammy's grandparents, Eddie and Myrtle Sanders, and her paternal grandmother, Mildred Offutt; her uncles and aunts, Faye Brian, Myrtle and Marvin Pheister, Kenneth and Brenda Sanders, Judy and R. W. Anderson of Wylie; and cousins, Kent Sanders of A & M, Melissa and Malori Anderson of Wylie, Kole Sanders and Greg Pheister of Weinert.

Also attending were very good friends, Rene and Wanda Vojkufka, Jerry and Wanda Hester and Stacy, all of Weinert, and Laurie Hester of Tarleton State University.

Judy and R. W. Anderson, Melissa and Malori, spent the weekend with her mother, Mildred Offutt, and attended worship services at the First Baptist Church on Sunday.

Cindy Parrott, Rance and Justin of Wichita Falls spent the weekend in Weinert with her parents, Doris and Jerry Walker.

We welcome Jerry and Elmer Adams home from the harvest fields in south Texas.

Mildred Sanders spent a few days in Hamlin last week with her grandchildren, David and Kerri Sanders, while their parents, Mr. and Mrs. Terry Sanders, were in attendance at the Sunday School Convention in Fort Worth.

The children returned with her for a weekend in Weinert.

Toby and Alice Yates spent the weekend in Kermit in the home of their daughter, Linda and Ricky Wade, and helped to celebrate the second birthday of their grandson, Taylor Wade.

Janice and Randal Boatright of Brady were in Weinert last week for a visit in the home of her parents, R. S. and Betty Sanders.

Mildred Guess hosted her granddaughters, Cindy Murrell of Irving and Dana Sue Alderman of Dallas, to a "country weekend" which ended with worship services at the Baptist Church before they returned home on Sunday.

Weinert had many workers, many entries, and many ribbons awarded at the Haskell County Fair. Congratulations to you all!

One of particular interest was the Grand Champion ribbon that Andrew Sikes, son of Mr. and Mrs. David Sikes, was awarded for his poster featuring the

Haskell County Fair.

"Pad" Brockett attended his family reunion held in Aubrey (between Decatur and Denton) a few days ago, and this was his first one in 62 years. He is one of only 3 survivors of his generation.

He was accompanied by his son, Pat, and Imo Brockett of Munday, and they were a part of the 200 in attendance from several states.

The Brockett family was raised in the small town of Aubrey, and many of the relatives still reside there. Pad visited the cemetery where his grandparents are buried, as well as many other relatives.

On the way home, the group stopped in Bridgeport for a Sunday night supper with grandson, Mark and Darla Coffman.

Guests in the home of Dora Bruggeman and Francis Moeller were their sister, Mrs. Erma Bruggeman, and their niece, Mary Stevens, James, J. B., and Shirley, all of Ft. Worth, and Beth Bacon of Mesquite.

They all attended the wedding of John and Cindy on Saturday night.

Willie Moeller remains in Hermana Hospital with circulatory problems and faces possible surgery. Our prayers are for a quick and complete recovery.

Ted and Faye Jetton hosted her brother, Dan and Nora McMillan, over the weekend.

On Saturday they drove to Newcastle for the day to visit in the home of another brother, Stanley and Helen McMillan. Both Dan and Helen have been quite ill, but are doing well at this time.

David and Sandra Pena, David, Anthony, Andrew and Lucas, made the trip to Beeville recently for a visit with Sandra's father and family, and her grandmother.

They were accompanied by David's sister, Adelphia and Pete Perez, and their two sons.

Recent guests in the Freddy Horan home were their daughter, Shadella Foster and children. Also their son, Douglas and Christy Boling, were visiting there.

We appreciate so much having Cindy Guess as a resident in Weinert, and a neighbor we can call on in emergencies.

Cindy is a RN and works at the Haskell Hospital.

Another neighbor we appreciate is Joe Yates, R. N., who works at the Stamford Hospital.

We are fortunate. Thank you, Cindy and Joe.

We extend congratulations to John Bruggeman, son of Dora Bruggeman, and Cindy Ballard, daughter of Mr. and Mrs. Tommy Ballard, who were married on Saturday night, September 23, in the Presbyterian Church in Haskell. They will make their home in Weinert, where John is employed by Elmer Adams and sons.

Cindy has two sons, Sam and Justin. We welcome them all to Weinert.

Congratulations are due Shanna Murphy, daughter of Ed and Mary Murphy, who was in the top ten contestants of the County Fair queen contest held at the Civic Center in Haskell on Tuesday night, where 32 beautiful girls vied for the title of Haskell County Fair Queen.

(This writer was especially proud of the second runner-up, her granddaughter, Missy Pheister.)

Our birthday people this week are: Wanda Hester, Peggy Adams, Caleb Hudgens, Alice Yates, Vicki Adams and

Mitch Mayfield. Happy Birthday!

Congratulations to Johnny and Marilyn Earp who will celebrate a wedding anniversary on October 3.

The Home Extension Club will host an arts and crafts show on Monday night, October 2, from 6:30 to 9:30 p.m., as part of their membership drive, and everyone is invited to bring their crafts for a "Show and Tell, Take Orders or Sell" extravaganza! It is free.

The Club will meet on Tuesday, October 3, in the home of Myrtle Pheister for a program called *Technology in the Market Place* by agent Lou Gilley. Visitors are always welcome.

Have a nice day!

Munday School Lunchroom Menu

October 2-6, 1989

BREAKFAST

Monday - Cereal, juice, milk.

Tuesday - Cheese toast, juice, milk.

Wednesday - Cinnamon toast, juice, milk.

Thursday - Toast, jelly, juice, milk.

Friday - Cereal, juice, milk.

Monday - Corn dogs, beans, cole slaw, cobbler, milk.

Tuesday - Spaghetti and meat, green beans, carrot sticks, batter bread, cookies, milk.

Wednesday - Stew, cheese wedge, lettuce, cornbread, milk.

Thursday - Hamburger patty, gravy, mashed potatoes, half bun, honey bars, milk.

Friday - Cheeseburger with trimmings, potatoes, fruit, milk.

Haskell-Knox WMU To Meet October 4

The Haskell-Knox Baptist Association Women's Missionary Union will meet in its 80th annual session on Wednesday, October 4, with the Weinert First Baptist Church serving as host.

The meeting is scheduled to begin at 9:45 a.m. with the theme, *In His Name... Reach, Teach, Touch*. Dr. Mike Smith, area Director of Missions, will speak on Reaching, followed by State Action Consultant, Cindy Gaskins, speaking on Teaching.

Furloughing missionaries, Dr. and Mrs. Bill Dean of Burkina Faso, West Africa, will share thoughts on Touching.

Special music, Director's report, and miscellaneous business will be a part of the morning's program. The session will conclude with lunch provided, by the host church.

All Baptist women are urged to attend, and there will be a nursery for preschoolers.

CARD OF THANKS

Dear Friends,
My sincere thanks to all of you who have remembered me in many very special ways since my accident.

Bea Mitchell

Don Maynard To Attend After Game Fellowship

Retired professional football player Don Maynard will be the special guest at a high school fellowship hosted at the Munday Church of Christ following the Munday-Crowell football game Friday night, September 29.

Maynard, now of El Paso, began his 16-year professional football career playing with the New York Giants. Later he played in the Canadian Football League and finished with the New York Jets. When he retired in 1973 he left with the most receptions of anyone who had ever played the game. His other records include: most games with 100 or more yards receiving, most reception yardage in a career, most touchdown receptions in a career. Throughout his entire professional career, Maynard fumbled only once.

In Superbowl III, Maynard was the starting flanker playing with quarterback great Joe Namath.

While at Rice University, Maynard was an all conference member of the football and track teams.

All Munday teenagers, their guests and parents are invited to attend the after game fellowship. Supper will be served free of charge and there will be no formal program, according to minister Larry Fitzgerald.

LOCAL

Mrs. Utah Groves of Daggit, California and Mrs. Ray Hailey of Amarillo spent the weekend visiting Mrs. Ladean Feemster and Mr. and Mrs. Hank Matthews. They all visited in Anson with Mr. and Mrs. Dowell Matthews and family.

Lala Morgan visited her son and family, Norris and Sandy Morgan, Kym and Kenneth, in Fort Worth over the weekend.

On Saturday Lala and her daughter visited her sister, Velda and Melvin Wainwright, in Dallas. She spent Saturday night and Sunday with her daughter and husband, LaQuita and Roger Johnson, near Alvarado.

On Sunday night, the three of them ate supper with the Morgans and helped Kenneth celebrate his birthday. They all had a good time visiting, eating, taking and looking at pictures.

Lala returned home on Monday.

Hunter Education Class Planned October 2-4

A course in hunter education will be held from 6:30-10 p.m. October 2-4 in the Munday High School ag building. Ricky Moeller, certified hunter and MHS vocational ag teacher, will be instructor for the three-day course.

According to the Texas Parks and Wildlife Department's mandatory requirements, starting September 1, 1989, those persons whose date of birth is during the period September 2, 1971 through August 31, 1973, must have successfully completed the course in order to hunt in Texas. Effective September 1, 1990, the age group affected will be those whose date of birth is during the period September 2, 1971 through August 31, 1974 -- and so on. By September 1, 1993, all hunters born on or after September 2, 1971, must have successfully completed the course to hunt in Texas.

"Any individual may take the course on a voluntary basis and is encouraged to attend regardless of requirements," Moeller said.

The course is open to adults and youngsters and will include instructions in rifle, shotgun and bowhunting handling and safety; outdoor responsibility and ethics; laws and regulations; conservation; hunting traditions; wildlife identification; field care of game; wilderness first aid and survival.

Students 12 years of age or older successfully completing the course will be issued a hunter education certificate from the Texas Parks and Wildlife Department. Those less than 12 years of age will receive a certificate of attendance, but must take the course again for proper certification.

For more information, contact Ricky Moeller at 817-422-4229 or the Texas Parks and Wildlife Department's Hunter Education section in Austin at 1-800-792-1112 or 512-389-4999.

"Taste Of Knox City" Scheduled Saturday

The Knox City Chamber of Commerce will host its second annual "Taste of Knox City" from 11:30 a.m. to 1:30 p.m., Saturday, September 30 in the Knox City firehall.

Entries will be accepted in main dish, fruits and vegetables, breads, salads, appetizer and dessert categories. Participants may enter as many categories as they wish.

Chefs and children age three and under eat free. Adults can dine for \$5 and children over three pay only \$3 for their meal.

For further information contact the Knox City Chamber of Commerce at 817-658-3442.

ONE LORD - ONE TABLE

The observance of World Communion Sunday provides us with an opportunity to be a part of a thrilling experience, sharing with millions of Christians around the globe in a united witness to our Lord, Jesus Christ. Each local congregation will conduct its own Communion Service in its own way. In spite of differences in interpretation, language or geography, this coming together at the Lord's Table will give Christians all over the world a sense of oneness in Christ.

As we affirm our oneness in Christ, we should also affirm our commitment to carry on His ministry. To be able to understand communion, we need to look back into history through the scriptures.

On Thursday of His last week, Jesus sent Peter and John into the city to prepare the passover for Him and the twelve (Luke 22:8). Of all the Jewish holidays the celebration of the ancient passover ritual, commemorating the deliverance of Israel from Egyptian bondage, was the most solemn. It involved a common meal at which the leader recalled to the participants the mighty acts of God in their earlier national history. It was in such a context that Jesus deliberately introduced a new element into the Christian Eucharist or Lord's Supper. After lifting the platter of unleavened bread and speaking the Aramaic formula prescribed in the ritual of the time ("This is the bread of affliction which our fathers ate in the land of Egypt. Let everyone who hungers come and eat; let everyone who is in need come and eat the passover meal"), Jesus took up the passover loaf, blessed it and broke it, and giving the pieces to his Disciples, spoke words that went far beyond the prescribed rit-

ual for the passover; "Take, eat; this is my body which is given for you. Do this in remembrance of me." At the close of the meal, after pouring the so-called "Cup of Blessing", Jesus again introduced some sentences into the ritual; "Drink of it, all of you; this is my blood of the covenant, which is poured out for many. Do this as often as you drink it, in remembrance of me." Then Jesus and His Disciples sang antiphonally the concluding Psalms prescribed for the passover celebration (namely, Psalms 113-118).

Among serious-minded Jews it was customary to remain together at the table for several hours after the conclusion of the passover meal and to talk about the passover miracles of the past and future. Jesus, too, no doubt remained for some time with His Disciples, talking with them of things past and future, and explaining more in detail the significance of the new features which He had just introduced into the passover ceremonial. Let us remember that communion is the act of communing. To be communing we must be with people of like understanding; let's do this together in the Churches of our community this Sunday: World Communion Sunday.

I want to thank everyone for the love and support you extended to my family and me during my surgery and recovery. Your cards, flowers, visits, food, and prayers meant so much to us.

God bless you all.

Linda Bunton and Family

Your calls, cards, visits, and especially your prayers, during my two months of being away for treatments show what thoughtful friends you are. Thank you for caring.

Lloyd King

The Vera Community enjoyed a very successful Homecoming that would not have been possible without the generous time and effort of many individual volunteers.

Thank you to: the businesses for their donated items, to those who made ice cream and other items for the Country Store, the coffee and doughnuts on Sunday, the women who made and donated items for the auction, the generous money donations for our Community Center, the loan of tables and chairs, and PA system.

We are grateful to the people who worked long hours decorating, cleaning, both before and after, setting up and taking down tables and chairs, and those who contributed in any way to prepare for such an event.

The Vera Community
