Views From Another Point

by Joyce Beecher Greenwood

In 1953, people who have reached the half century mark of their lives were combing duck tail hair styles or wearing poodle skirts. George Nix's Goree Theater was showing Humphrey Bogart and Lauren Bacall movies and Dorsey Rogers' Drug Store was a popular hang-out for teenagers. Television was just coming into its own out here in our little "Boonies" area and everybody was intrigued by Ed Sullivan's Talent Show and *The \$64,000 Question*.

And -- in 1953, our fire truck came rolling off the assembly line all red and shiny and brand new. Thirty-six years ago.

This nostalgic trip down Memory Lane was kind of a sneaky way to get your attention, but Goree is in dire need of a fire truck and all's fair in love, war, and desperation.

Money is scarce for most of us right now and with Christmas just around the corner, every dollar has to count. But, I suppose it's a little like health insurance. We hate to pay premiums but if we find ourselves suddenly sitting in the emergency room of a hospital, we'd sure better have it.

One kid playing with matches, one carelessly thrown cigarette, can cause a fire that could wipe out a big portion of our town. Our firemen have done a great job keeping our old truck running, but you can't hold anything together indefinitely with baling wire and black tape. It's more than a little embarrassing to our firemen to be sitting on the side of the road while firetrucks from neighboring towns pass them by on the way to answer one of Goree's calls.

Munday has responded every time we've needed help and we all appreciate it and hope to be able to return the favors someday, but we need to be independent. Our town may not be the town it was in 1953, but it's still our town. Some of our homes are still here and many others' hearts are still here.

We realize there's no way our little town can afford a brand new fire truck, but a serviceable truck can be purchased for somewhere between \$18,000 and \$25,000. If we can raise from \$10,000 to \$12,000, we can make a down payment and pay off the balance in time payments. There are lots of ways we can finish paying for it. . . . community dinners, bake sales, talent programs, maybe even some later contributions, but right now our most urgent need is the down payment.

We're really off to a pretty good start. The ladies of the community will hold a garage sale on Saturday, October 14, with two upright pianos, a cookstove, and various other items of clothing and household goods on sale. All proceeds from that sale will go toward the purchase of the truck. And, Sam Tyra has started a one man campaign to collect donations. He contributed \$500 to more or less get things rolling, and from 11 a.m. Friday until 5 p.m. Monday, he had collected over \$2500 from Goree residents, and Knox County has donated \$2,000.

If you would like to make a donation in any amount from a dollar to a thousand dollars, make your check payable to the Goree Fire Department and send it to the City of Goree, Goree, TX 76363 or go by and give it to Joe or Jan in the city office. If you see Sam, he'll take it, too.

Each week just below the Goree News in the Courier, there will be a running total of donations of \$20.00 or more along with the name of the person who gave it, unless he or she wishes to remain

(Continued on Page 2)

DALE SELZER

Dale Selzer To Chair United Way Campaign

Dale Selzer, local businessman and civic worker, has been named chairman of the 1989 United Way Fund drive which will kick off Monday, October 23.

Ten local agencies will benefit from this year's budget which has been set at \$6,175.

"The Munday United Fund is an agency that is vital to the Munday area," Selzer said. "Many important youth and community projects receive their funding through the United Way. Each project is carefully evaluated before being included in the campaign," he continued.

"Please total up what you would give to each of these groups if approached individually and give accordingly," the chairman said, "since this one fund pays for all these groups."

More campaign details will be printed next week.

Lions To Serve Pancakes Friday

The Munday Lions Club will serve up fluffy, steaming hot pancakes prior to the Munday-Spur football game Friday, October 13.

Pancakes, sausage, milk and coffee will be served from 5 until 7 p.m. in the MHS cafeteria.

Tickets are \$3 for adults and \$2 for children 12 and under for "all the pancakes you can eat". Tickets can be purchased in advance from any member of the Lions Club or at the door.

Monies will always be used to finance local Lions projects.

Air Force Schedules Meeting On Proposed GWEN Tower

The Air Force will hold a public meeting at 7 p.m. Tuesday, October 17, 1989 at the Knox County courthouse in Benjamin to discuss siting plans of a Ground Wave Emergency Network (GWEN) tower in the north central Texas area.

The Air Force has identified a 250-square-mile site search area for the GWEN tower that is centered in Vera. Towns within an approximate nine-mile radius of Vera are within the site search area and could be considered as a loca-

Redder Brings In First Cotton For 1989 Season

The first cotton of the season was brought in to Munday Gin and Seed last Tuesday, October 3, by Rhiney Redder.

Seventeen of the 27 bales ginned were stripped off a 26 acre tract on the Jones-Blankenship farm north of Goree and the remaining 10 bales came off 22 acres on the Bobby Burnett farm north of Goree.

According to Bobby Hutchinson, Munday Gin manager, the turnout was from 21.75 to 22.22% and the bales averaged 500 pounds each.

Moguls Slaughter Eagles 65-0; Host Spur Bulldogs Friday

The Munday Moguls' awesome stable of talent proved to be too much for the Chillicothe Eagles Friday night, as the Moguls slaughtered their host 65-0 in the second District 9A game of the 1989 season. The Eagles dropped to 0-2 in district action.

The undefeated Moguls are tied with Spur for the district lead. The Bulldogs have district wins over the Knox City Greyhounds and Paducah Dragons, followed by Knox City 1-1, Paducah 1-1, Motley County 0-1, with Chillicothe and Crowell in the cellar at 0-2.

Munday scored ten touchdowns and five extra points in their romp over the Eagles, racking up 368 yards in total offense while holding their opponents to just 47 yards.

Coach Edwards told the team on the sideline before the kickoff (Munday lost the coin toss and had to kick), "Let's go play three downs and score." - it took only two. Marc Andrade recovered an Eagle fumble on the first play and Terry Collier scored on a 28 yard run on the second play with 18 seconds gone on the clock. The 1985 Mogul team took 22 seconds to score on the Eagles.

Two plays netted the Eagles a minus 4 yards and a pass intercepted by Bobby Dockins. Munday drove to the Eagle nine yard line before fumbling to Chillicothe. Andrade then bounced on an Eagle fumble at the 14. Chillicothe stopped another scoring opportunity with a pass interception. Unable to generate any offense the Eagles punted to the 48 yard line. This time Munday generated an offensive scoring machine which scored seven touchdowns in 17 minutes before halftime with Andrade passing to Terry Collier for 28 yards, Bobby Dockins on an 11 yard run, Terry Collier's 3 yard run, a pass to Jason Morgan for 8 yards, Terry Collier for 23 yards, Jimmy Guerrero's 1 yard run and a one yard run by Andrade as the half ended.

The Mogul defense held Chillicothe to a minus 38 yards rushing and 16 yards through the air in the first half.

In the second half, Coach Edwards seemed to be hunting ways not to score but still the Moguls cross the goal line twice with Perry Collier scoring on a 28 yard pass and Jerry Valencia on a 3 yard run.

The strong defense of the Moguls recovered six Eagle fumbles while holding Chillicothe to only five first downs in the game.

Benjamin and Weinert did not receive checks for October. October's checks represent taxes collected by businesses in August and reported to the Comptroller's office in September.

"This is an excellent opportunity for people with questions on GWEN and our siting process to get the answers they need," said Lt. Col. Stephen Martin, GWEN program manager. "We hope everyone will take advantage of this meeting."

Redder Brings In First Cotton For 1989 Season

Hutchinson stated that he expects to gin between 4,000 and 4,500 bales this season compared to 4,200 last year.

Rhineland Gin started ginning Wednesday, October 11, on 11 modules brought in by Mark Stewart from Stewart Farms south of Weinert.

Knox Prairie Co-op and Goree Producers Co-op have yet to start the season, however, Knox Prairie is ginning some of last year's crop on Tuesday.

The Moguls will take on the Spur Bulldogs Friday, October 13, in the last home game of the season. Kickoff time is 7:30 p.m. Spur is coming to town with a 4-1 record, having lost to Rotan.

The junior high and junior varsity teams will travel to Paducah tonight (Thursday) for games beginning at 6 and 7:30.

COACH EDWARDS' COMMENTS

Last Friday was kind of boring. Chillicothe was very weak, in fact, they may have been the weakest high school football team I have ever seen. We had to think up ways not to score.

But this Friday will be a much different story. Spur has got an outstanding football team and this game will go a long way in determining the district champion. The Moguls need to be ready to play the hardest game they've played this year. I feel like our young men will be ready for the test. It will be a great football game.

Sales Tax Rebates Indicate Steadily Growing Economy

October's sales tax rebates to cities and counties continue to tell the story of an economy that's steadily growing, according to State Comptroller Bob Bullock.

October's city rebates statewide are up almost 11 percent from October 1988, and year-to-date payments to cities are up an average of 9.5 percent, the comptroller said.

"Consumers have more money to spend and they're doing just that," Bullock said. "That means another month of increased sales tax rebates for local areas."

Munday's October check for \$5,316.56 reflects an 85.41% increase over the same time last year and the year-to-date total of \$46,866.67 is a 10.93% increase over 1988 payments.

Goree's check for \$647.96 is a 26.38% increase over the same time last year; however the year-to-date rebates of \$5,858.16 indicate a 15.07% decrease from 1988.

Knox City received a check in the amount of \$6,682.28, an 11.13% decrease from the 1988 October check and their year-to-date rebate total reflects a 10.95% decrease from 1988.

Benjamin and Weinert did not receive checks for October.

October's checks represent taxes collected by businesses in August and reported to the Comptroller's office in September.

MUNDAY LIONS CLUB sold mops, brooms, and other items made by the blind Tuesday in an annual project. Bill Williams, left, made an early purchase from Club members Bob Brown, center, and Philip Homer.

Healthy Donors Needed For Upcoming Blood Drive

There are lots of different ways to raise money for good causes - from walkathons to "jail-n-bails" to car washes to golf tournaments. But when it's not people's money you want, but their blood, there's not much else to do but ask.

The Red Cross Bloodmobile will be in Munday on Monday, October 23 at the Perry Patton Community Center, and the American Red Cross and local coordinator Latrece Lane are asking area residents to help once again.

It may seem that the request for blood donations loses its punch after a while, but the need for blood remains the same and as everyone can give only a pint at a time, hundreds of people are needed, and they're needed over and over.

"We're inviting all area residents to take time to donate," Mrs. Lane said. "Our goal is to collect 60 units of blood. During our last drive, only 26 units were collected, which was far short of our obligation."

This year 24,990 units of blood must be collected to meet patient blood needs in the Red River Region. This number includes a percentage built in to account for units lost through the testing process and is an average of 100 units every working day. Red Region covers 42 hospitals in a 35 county area of North Central Texas and Southern Oklahoma.

The Red Cross doesn't have much to offer in return for blood donations -- giving blood isn't particularly painful and the Bloodmobile pins and bumper stickers are nice, but they don't have quite the allure of a shiny clean car or an afternoon on the links.

Mostly, blood donors have the satisfaction of knowing that they've helped.

They've given away something they won't miss, and contributed to the life and health of others -- perhaps even a friend or loved one.

"If you are between the ages of 17 and 70, weigh at least 110 pounds and are in good health, you are probably eligible to donate blood," Mrs. Lane added. The upper age limit was extended some time ago and allows individuals who have been regular donors to continue the donation tradition. Donors can donate every 56 days.

Potential donors are reminded that it is safe to donate blood. Sterile, disposable needles are used only once and immediately discarded. An individual cannot contract AIDS by donating blood!

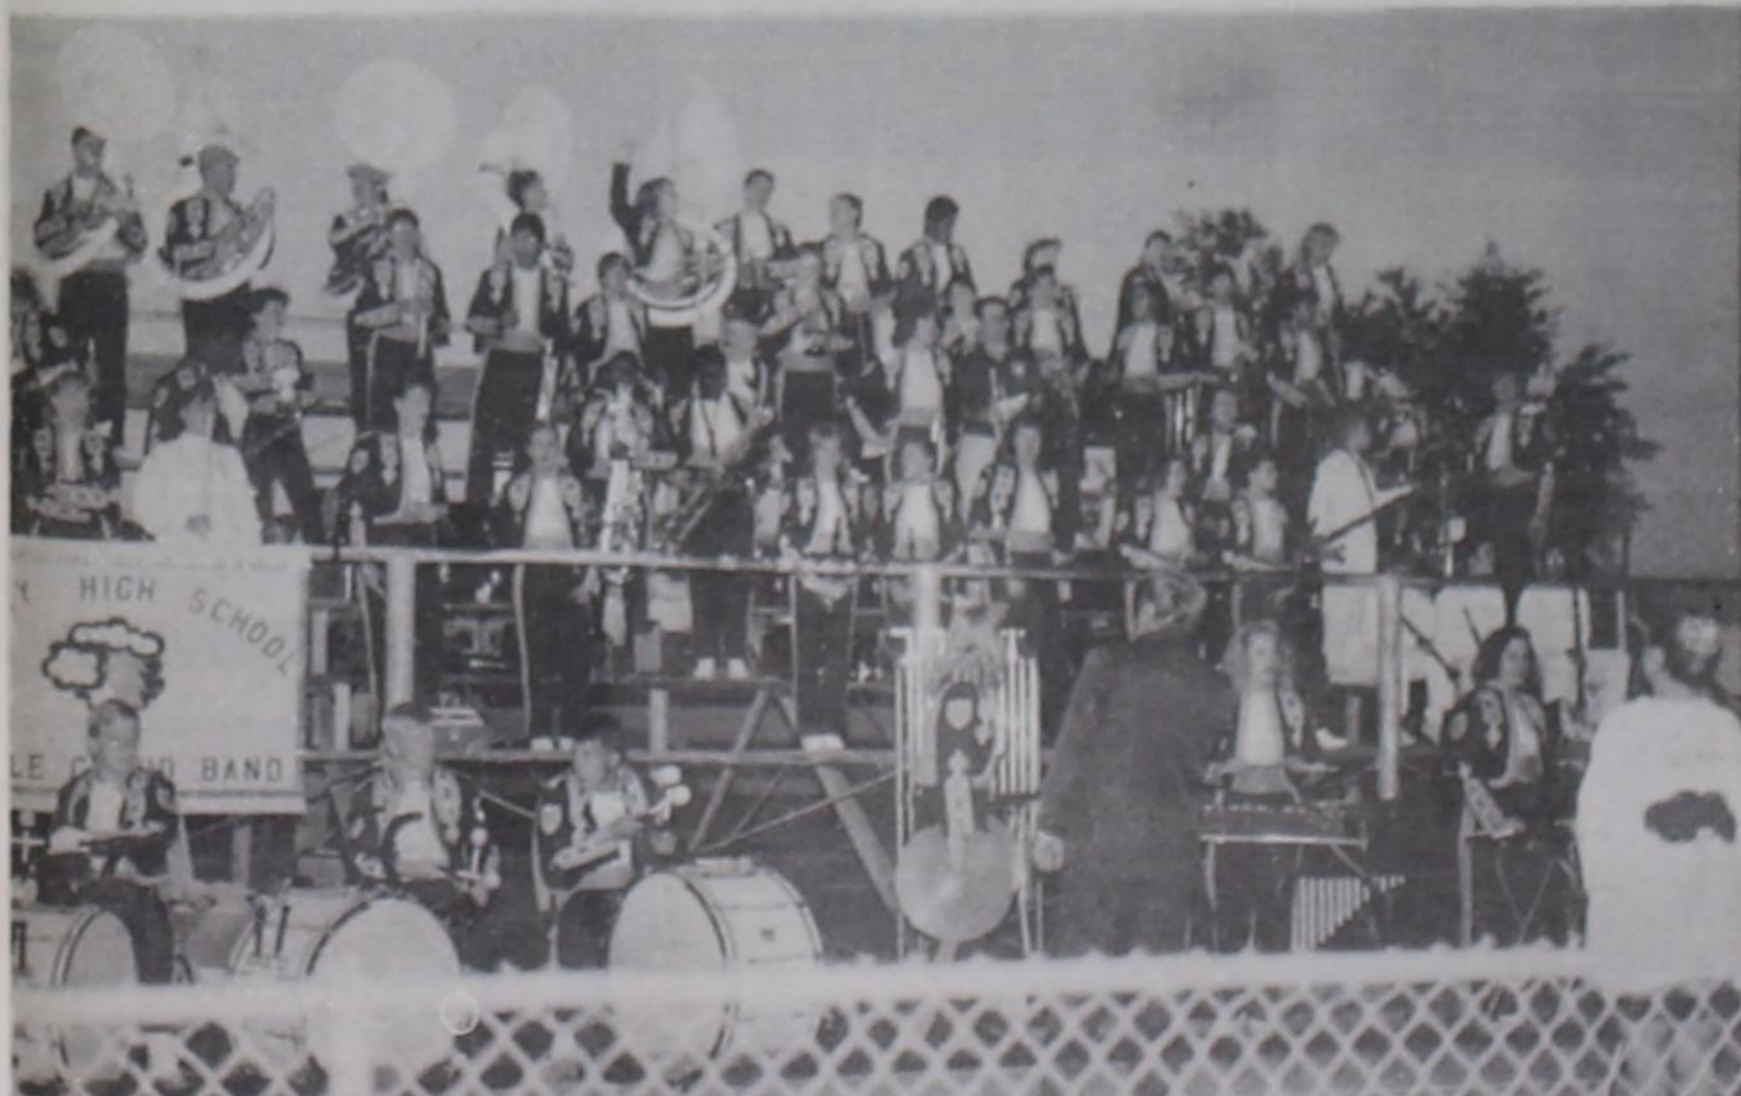

"Help the Red Cross maintain our public blood supply. It won't be there for any of us unless people like you put it there!" Mrs. Lane concluded.

Weather Report

Following is the weather report for seven days ending Monday, October 9, 1989, as compiled and recorded by Goodson Sellers, local U. S. weather observer.

	TEMPERATURE	
	HIGH	LOW
October 3	90	55
October 4	90	60
October 5	87	64
October 6	88	62
October 7	80	49

October 9	90	52

Moisture year to date 25.43

THE MUNDAY HIGH SCHOOL PURPLE CLOUD BAND, under the direction of Rodney Bennett, entertains spectators each week with an impressive halftime show and also serves as a cheering section for the Moguls. The band, which numbers 94 this year, recently previewed their 1989 contest program and will travel to Wichita Falls on Saturday, October 28, for the District UIL marching contest. The band will also be in Wichita Monday evening, October 16 for a pre-contest marching festival at Memorial Stadium.

Commodity Distribution Announced

The Aspermont Small Business Development Center will distribute USDA surplus commodities in Munday from 1:30 - 2:20 p.m. at the Perry Patton Community Center, Tuesday, October 17.

Other times and locations in the area include:
Knox City - 8:30-9:30 a.m. at the White's building.
Benjamin - 9:30-10:30 a.m. at the Knox County Courthouse.
Truscott - 9:00-9:30 a.m. at the Community Center.
Gilliland - 9:45-10:15 at the Community Center.
Vera - 10:45-11:15 a.m. at the Community Center.
Goree - 3 - 3:45 p.m. at the Community Center.

Commodities this month should include butter, peanut butter, canned pork, flour and honey, and recipients are asked to bring a large grocery sack to carry the items.

Each person must present identification (including Social Security card) before receiving commodities. For more information call the ASBDC at 817-989-2239.

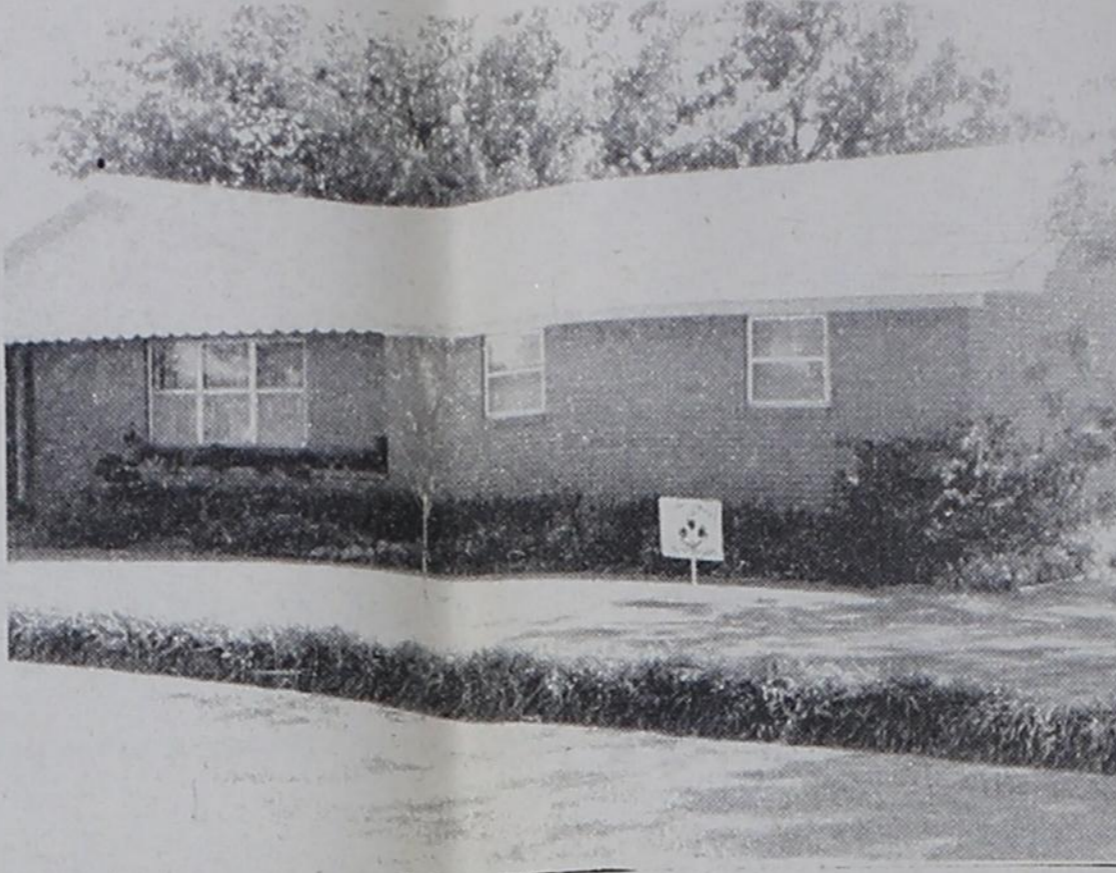

Don't Pay For Social Security Information

A New Jersey organization is attempting to sell a book on social security by distributing press releases to newspapers throughout the country, according to Frances Braden, resident representative of the Vernon Social Security office.

The Consumer Education Research Center of Orange, New Jersey, sells a book titled Consumers Guide to Social Security Benefits. It charges \$9 plus \$2 handling for mail orders. The Consumer Education Research Center is a private organization not connected in any way with the Social Security Administration or the Federal government.

Consumers should know that the book contains no secrets about social security benefits. Any information you need to know about social security can be obtained free from your local social security office. Simply visit, phone, or write the office for information about benefits, about filing a claim, or any other social security question. Up-to-date pamphlets and brochures are freely available in all offices, despite what the Consumer Education Research Center says.

Many businesses and organizations make a living selling information or services about social security to uninformed consumers. Contact any social security office before buying information or services provided by social security at no cost.

A NEATLY MANICURED lawn accented with a border of monkey grass and beds of copper plants and periwinkles won the Yard of the Week plaque given by the Munday Garden Club. This lovely yard is that of Wes and Margie Kirschner at 250 West L.

Rochester Homecoming Activities Planned Friday And Saturday

Rochester students, teachers and alumni will have plenty to keep them busy as 1989 Homecoming activities unfold this weekend in downtown Rochester.

Festivities begin Friday, October 13 at 6 p.m. with a Firemen's chili supper to be held in downtown Rochester. A pep rally and bonfire will follow the supper at the football field behind the fieldhouse. After the bonfire, a musical downtown will top off the night's activities.

Junior class members will sell garters, mums, and pom poms during the Friday night activities.

Registration will begin at 8 a.m. on Saturday, October 14, at the school cafeteria followed by a booster club meeting at 9. A coffee for ex-cheerleaders, twirlers and drum majors will begin at 10 a.m. in the home of Olga Alvis.

The Hobby Club will hold open house downtown all day and the Rochester senior class will sell sandwiches, drinks, and desserts in the cafeteria at lunch.

The homecoming football game, pitting the Steers and the Goree Wildcats, will begin at 1 p.m. on Saturday. Special halftime activities will include the recognition of former Steers football players. The Rochester senior class will man a concession stand during the game, with all proceeds going to the class.

Former Rochester school coach and superintendent Phil R. Simmons will be honored at the homecoming program to be held in the newly remodeled school auditorium following the game. Following the program and business meeting, a catered meal will be served in the newly remodeled "old gym".

Ex-students will meet for class reunions after the meal and wind down the weekend with a dance at the Haskell Civic Center scheduled to begin at 9

Rep. Counts Receives Special Appointment

Texas House Speaker Gib Lewis has appointed State Representative David Counts to the Special Joint Committee on Insurance Regulation.

The committee will conduct a comprehensive study of the State Board of Insurance and propose solutions to correct the agency's regulatory deficiencies. The panel will have the authority to make recommendations for the statutory reorganization of insurance regulation in Texas inclusive of the recodification of the Texas Insurance Code. Fraudulent practices of insurance companies and the insurance agents will also be examined by the joint committee.

In making the appointment, Speaker Lewis said "Representative Counts' interest in protecting Texas policyholders will make him an effective voice in this very important study."

Counts, a two term lawmaker, is a member of the Elections and Insurance committees of the House.

Mammography Emphasized During National Breast Care Awareness Month

During October, National Breast Cancer Awareness Month, the Cancer Information Service (CIS) of The University of Texas M.D. Anderson Center urges all women age 40 and older to have regular mammograms to detect breast cancer early, when it is most treatable.

Emily T. Parnell, manager of the CIS, says information specialists staffing the 1-800-4-CANCER number are prepared to answer questions about early detection of breast cancer and send callers a free brochure on mammography. Mammography, an x-ray of the breast, can detect breast cancer in its earliest stages.

"One in 10 American women will develop breast cancer," Parnell says. "Mammograms can improve their chances of survival by finding the cancer before it can be felt."

Dr. Eva Singletary, assistant professor of general surgery at the UT M.D. Anderson Cancer Center, says 11 major medical organizations, including the National Cancer Institute, agree that women should have a mammogram every one to two years and an annual clinical breast exam beginning at age 40. At age 50, both exams should be

done annually.

"A woman's risk for breast cancer increases dramatically with age," Dr. Singletary says. "In 1989 alone, this disease will claim the lives of an estimated 2,200 women in Texas. However, the death rate from breast cancer could drop more than 30 percent if all women had mammograms as recommended."

Ninety percent of women whose breast cancer is found at its earliest stage can be treated successfully, she adds. "In addition to improving treatment outcomes, early detection often enables women to opt for less extensive surgery, such as lumpectomy, followed by radiation therapy, leaving much of the breast intact."

In spite of the life-saving value of mammography, most women do not have regular mammograms as recommended. According to 1987 data from the National Health Interview Survey, only about 17 percent of women 40 and older reported they had had a mammogram within the previous year. The survey also showed that older women, who are at greatest risk for breast cancer, are increasingly less likely to have mammograms at that age.

SOME CALORIES COUNT MORE THAN OTHERS

If the number of calories consumed by Americans has dropped substantially since the early 1900s, why has the average weight in the United States continued to creep upward throughout the better part of this century? For many years scientists thought that weight loss was a matter of mathematics. If fewer calories were eaten than burned for energy, weight would be lost.

Today, science is finding interesting things about calories. Not only do they all count, but calories from fat seem to count more than others. Researchers at the Stanford Center for Research in Disease Prevention demonstrated that point recently when they analyzed the eating patterns of a group of overweight, middle-aged men. What they found was that it was not the number of calories that accounted for the amount of body fat amassed but the proportion of fat in the total calorie consumption. In other words, the more fat the men ate, the greater the amount of fat on their bodies regardless of calorie intake.

The "fat from fat" phenomenon has several explanations. At 9 calories per gram, fat packs more than twice the calorie punch of carbohydrates and proteins (each 4 calories per gram). Researchers have also learned that the body converts dietary fat to stored fat relatively easily. Dietary fat has the potential to turn into body fat with just 3 percent of its energy, leaving a full 97 percent of the original contribution to be stored in fat deposits. On the other hand, it takes 23 percent of the calories contributed by carbohydrates to turn into fat stored, leaving just 77 percent of the total to remain as body fat. It also appears more calories are used to digest

carbohydrate than fat.

Moreover, a high fat diet does not provide the same "thermogenic" response that a high carbohydrate diet does. This means the body tends to burn calories at a higher rate overall on a high carbohydrate diet.

The bottom line: fat calories that come from butter, sour cream, cream sauces, oils, fatty meats, and whole milk dairy products are much more likely to end up as body fat than the carbohydrate calories from foods like bread, potatoes and pasta - all the more reason to heed the call to limit fat in the diet and increase consumption of complex carbohydrates for better health.

BUSINESS TAKES TIMES

New technology has given us all more leisure time, right? Wrong! According to recent studies, business people have tight schedules and less time for personal enrichment. These studies found the following:

- * 85% of professionals work 45 hours per week.
- * 82% of professionals have at least 36 hours of work on their desk at any one time.
- * 63% of professionals pick up the same piece of paper as many as 21 times.
- * 58% almost never have time on their hands they don't know what to do with.
- * 42% hardly waste any free time.
- * 41% sometimes feel rushed to finish the day's activities, 30% always feel rushed.
- * 79% believe spending time with family is a very important leisure goal.
- * 42% of professionals don't read to their children at all.
- * 52% spend less than two hours a week looking after their children.
- * 59% do not participate in any volunteer work.
- * 48% of professionals experience negative stress every day.

City Parkway Reminder

Parkways are dedicated for City use.

What is a parkway? This is the area behind curbs where sidewalks, pole lines, city services, such as water, sewer, gas and telephone services are installed. Trees, shrubs, fences, sprinklers, etc. should never be put in the parkway. (They are subject to removal at owners' expense.)

Parkway widths vary - please call City Hall for your parkway width.

Walter Hertel, City Administrator

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

MRS. RICHARD MURRAY CLOYD
formerly Melissa Bowden

Miss Bowden, Richard Cloyd Exchange Vows In Canyon

Melissa Lane Bowden and Richard Murray Cloyd were united in marriage recently in an afternoon ceremony at First Baptist Church in Canyon with the Rev. Jim Hancock of Canyon officiating.

The bride is the daughter of Mr. and Mrs. Robert Bowden of Alpine and the granddaughter of Elizabeth Bowden and the late Robert Buell Bowden of Andrews, former residents of Munday. Maternal grandparents are Mr. and Mrs. Robert Smith of Hurst.

The groom is the son of Mr. and Mrs. Jim Cloyd of Stratford and the grandson of Mr. and Mrs. E.R. Cloyd of Canadian.

Traditional wedding music was presented by Janice Bowen, organist and Robin Stout, pianist. Bobby and Bea Boyd, cousins of the bride, sang *There Is Love*, *The Lord's Prayer* and *We've Only Just Begun*.

Given in marriage by her father, the bride wore a candlelight gown of satin featuring a sweetheart neckline. The fitted bodice was enhanced with re-embroidered lace and pearls. Satin pleats formed a fan shape on the bodice at the base of the neckline. Large gibson-girl sleeves were sprinkled with pearls and lace appliques over the opaque netting. The back neckline was enhanced by three-tiered strands of pearls that draped across a deep v-shaped back. The large satin rosette bow adorned the back of the gown and complemented the embroidered lace edged bristle skirt. A lace-trimmed border accented the gown and cathedral gown.

To silhouette the bride, she chose a pearl-sprinkled halo of three strands of graduated pearls across the forehead, accented with puffs of illusion which held the two-tiered layers of illusion.

Finishing touches included a matching strand of pearls and dangling cardrop shaped pearl earrings. Her bouquet of cascading candle-light roses was accented by peach and teal streamers.

McLinda Lynn Bowden of Alpine attended her sister as maid of honor. Bridesmaids were Tamara Franklin of Belen, N.M., Christi Rowland of Hart

and Susan Cloyd of Stratford, sister of the groom.

The attendants wore tea length dresses of teal taffeta and carried a single long-stemmed peach colored rose. Nicki Cagle, cousin of the groom, served as flower girl and wore a tea-length dress of peach taffeta.

Kevin Powers of Panhandle served as the groom's best man. Groomsmen were Tuffy Wood of Canyon, Colin McKinney of Amarillo and Jay Cloyd of Stratford. Ushers were Bill Seulle and Paul Smith, both of Canyon.

The bride's parents hosted a reception in the fellowship hall of the church immediately following the ceremony. The three-tiered wedding cake of three different flavors was decorated with peach roses. A German chocolate cake was placed on the groom's table.

Servers were Shelly Sanford, Tanya Tucker and Tanya Jones, all of Canyon. Kathy Lavelle of Alpine presided over the bride's book.

A rehearsal dinner was held earlier at the Hudspeth House Bed and Breakfast, a historical landmark in Canyon.

The bride is a graduate of Alpine High School and West Texas State University with a degree in elementary education. She also attended Sul Ross State University.

The groom is a graduate of Stratford High School and West Texas State University with a degree in animal science.

Following a honeymoon cruise to the Caribbean, the couple now reside in Arlington.

According to the last census, there were 110 million men and 116 million women in the United States.

The two 1,350 foot towers of the World Trade Center in New York City occupy only two acres, but can accommodate 130,000 people.

Goree News Items

By Mrs. Grace Smith

CHURCH NEWS

The Rev. Mike Smith of Stamford preached at the First Baptist Church at Goree both services on Sunday.

ATTENDS FUNERAL

Mrs. Gladys Lambeth attended the funeral of Al Wilson in Abilene last Monday. Also attending the funeral were Grace Hutchinson and Louise Stodghill of Munday and Gerry Hardin of Wichita Falls. Mr. Wilson was the husband of the former Ruth Hutchens.

ATTENDS CELEBRATION

Mrs. Ethel Birkenfeld and her daughter, Janet Evanson and Kane of Seymour, attended the 80th birthday celebration of Mrs. Rose Birkenfeld in Nazareth during the weekend.

Delton Smith of Panhandle spent the weekend visiting his parents, Mr. and Mrs. Chester Smith. They all attended a family get-together at the Ricky Harlan

home Saturday night.

Visiting Mr. and Mrs. Marshall Gass last Wednesday were Syble Jones of Seymour, Balma Thompson of Winnie, and their sister, the former Marie Swain of Ft. Worth. Also visiting in their home was Lois Howard and Mr. and Mrs. Ewen Beaty.

B.J. Roberts of Hurst visited several days last week with his mother, Mrs. Ina Roberts and with the Wallace Roberts.

Blanch Crouch and son of Dallas visited last week with Elizabeth Watson and attended the funeral of Melburn Morse Saturday morning.

Guests in the Riley Bell home last Tuesday were Vicki Barker and boys, Mr. and Mrs. Eldon McKinny and Mrs. Berniece Blankenship, all of Seymour.

Visiting Grace Smith on Sunday was her son and family, Gordon and Shirley Smith and Jonathan of Munday, and her grandson and wife, Billy and Gina Simaichl, of Seymour.

Mr. and Mrs. Elkin Warren visited Bill Hudson in General Hospital in Wichita Falls on Friday. They also visited Mrs. Lorene Smith while in Wichita Falls.

Visiting Lois Howard and Mr. and Mrs. Merle Lambeth on Friday was Mrs. Corrie Walton and son Billy Walton of Wichita Falls. They also visited Fred Jones at the Munday Nursing Center.

Jerry Decker of Carrollton will be visiting for some time with his parents, Mr. and Mrs. Bill Decker and other relatives here.

Gina Harris of San Angelo spent the weekend visiting her mother, Gayle and Ray Hudson.

Dewitt Green visited his father, W.T. Green and the George Greens in Olney on Sunday.

Mr. and Mrs. Greg Melton, Taylor and Brady, of Haskell, Mr. and Mrs. Taylor Allen and Mr. and Mrs. Johnny Moore were dinner guests Sunday in the Elkin Warren home.

Rev. Wayne Varnell of Kingsville visited Friday night with Charles and Margaret Atkinson. Rev. Varnell was here to officiate at the Melburn Morse funeral.

Mrs. JoNell Patterson attended a fashion show in Wichita Falls last Tuesday evening. Her granddaughter, Whitney Patterson of Wichita Falls, participated in the event.

Doug Lambeth of Seymour visited his mother, Mrs. Winnie Lambeth, last Tuesday afternoon.

Amber and Andrea Hosea of Wichita Falls spent the weekend visiting their father, Brad Hosea, and their grandparents, Mr. and Mrs. E.B. Hosea.

Cordas Ray Lambeth of Wichita Falls visited his parents, Mr. and Mrs. Felton Lambeth last Tuesday and Wednesday.

Tommy Howry and Tommy II of Levelland and Jackie Howry of Wichita Falls spent the weekend visiting their mother, Mrs. Winnie Howry.

Calbert and Nell Haskin of Lipan visited Friday night with her mother, Pauline Beecher. They were here to attend the funeral of Melburn Morse.

Billy Lee and Mary Lambeth and Joe David of Lubbock visited last Thursday with his mother, Gladys Lambeth. Mary remained for a few days visit with Mrs. Lambeth.

Mr. and Mrs. Archie Struck and Mrs. Mable Jacobs and Jeanette visited Mrs. Dorothy Yates and family at Dimmitt on Friday and Mrs. Becky Hood at a Lubbock Nursing Home on Saturday.

Mr. and Mrs. Ruby Hammons visited Sunday with Mrs. Amy Edwards of Seymour.

Attending the funeral of Melburn Morse on Saturday morning were Mr. and Mrs. Elwynn Morse and Laura Morse of Waxahachie, Calbert and Nell Haskin of Lipan, Glenda Adelle Fort of Orange, Mrs. Berniece Hutchison, Baker Fort, Mrs. Grace Oxley, Mrs. Jean Nobles, Mrs. Agnes Anderson, Mrs. Blanche Crouch, Alexandria Reyna and

Bill Crouch, all of Dallas, Mr. and Mrs. O.C. Haley of Medada, Mr. and Mrs. Tim Barnett of Azle, Mr. and Mrs. Kelly Fort and Mrs. Tammie Malcolm of Houston, Mr. and Mrs. Curtis Fort of Georgetown, Mr. and Mrs. Pat King, Mr. and Mrs. Kwayne Crook, and Robbie King of Wichita Falls, Wayne Bernaugh of Walters, Oklahoma, Mr. and Mrs. Derrall Lutpringer of Burkburnett, Mr. and Mrs. William Lane of Megargel, Mr. and Mrs. J.T. Murdock, Mrs. Roberta Thurman, Mr. and Mrs. Chuck Myers, Mrs. Willa Hall, Frank Hall, Mrs. Mattie Vickers, Mr. and Mrs. Johnny Vickers, Stacy Vickers, Scotty Vickers, Mrs. Leah Mae Graves, and Mr. and Mrs. Orville Crouch, all of Seymour, Mr. and Mrs. J.D. Hicks, Mr. and Mrs. Sandy Lambeth, Mrs. Lonnie Offutt, Gay Yost and Mr. and Mrs. Bob McWhorter, of Munday, and Donnie and Candy Estes and Mark and Michelle Haskin of Goree.

Garden Club Opens New Season With Luncheon

The Munday Garden Club began a new season with a salad luncheon October 3 in the home of Mrs. Lonnie Offutt. Assisting with hostess duties were Mrs. Dan Offutt, Mrs. Weldon Floyd and Mrs. J. T. Offutt.

Mrs. Weldon Offutt and Mrs. J. T. Offutt made a beautiful fall flower arrangement which was used as a centerpiece.

Mrs. Lonnie Offutt, president, presided over the meeting and discussed the year book.

Goree Wildcats Suffer 42-21 Loss To Harrold

The Harrold Hornets defeated the Goree Wildcats 42-21 in six-man action Friday night at Harrold.

Goree jumped to a quick 8-0 lead as Gary Dixon scored from 5 yards out, and Jay Hutchens added the PAT kick. Harrold came right back to score and tie the game at 8-8. Although Goree threatened twice more during the first half, they could not manage to reach paydirt. Thus, the score at half remained 8-8.

After Harrold scored to take a 16-8 lead, Scott Castillo hit Sergio Nunez on a 38-yard scoring strike to bring the Wildcats back within two. Missed opportunities and turnovers continued to plague Goree in the second half. The Wildcats lost four fumbles and had a punt blocked, which set up two touchdowns for Harrold. Domingo Aguilar threw a 3-yard pass to Hutchens for a touchdown late in the game to close out the scoring for Goree.

Gary Dixon was the leading rusher for Goree. He gained 52 yards on 6 carries. Otis Dixon added 24 yards on 8 tries. Scott Castillo completed 9 out of 19 passes for 124 yards, while Gary Dixon was good on all 4 of his attempts for 37 yards. Sergio Nunez led the defensive effort for Goree with 9 1/2 tackles followed by Castillo with 8 1/2.

Goree is now 2-3 for the season and 0-1 in district. The Wildcats travel to Rochester Saturday for a game with the Steers beginning at 1 p.m.

What Jesus Taught by Dr. Larry Fitzgerald Minister, Church of Christ

Do you ever feel that your life is one set of problems followed by another? If it isn't an illness to get over, then it's bills to pay or someone's hurt feelings to smooth. If business is doing well then it seems your personal life is in a mess. Once your personal life gets straightened out then your business goes to pieces.

Each person has his or her own special set of problems. It seems that pressures begin when we are in school and do not let up until a heart attack or an ulcer forces us to take things easy. I remember my high school days vividly. It was constantly one struggle after another. First, homework and special reports had to be done well and on time. Tests had to be mastered. Then making the football and baseball teams seemed important. After making the teams it was important to make the starting lineup. Debate and speech tournaments took their own special toll especially since we were attending tournaments every two weeks.

After high school there was college. More tests, reports and projects. Adding to that were the pressures of making a living. Once I graduated, making a living seemed to be more difficult, not easier.

In all of these trials, Jesus has an answer through the prophet James.

"Count it all joy, my brothers, when you meet various trials, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be mature and complete, lacking in nothing." "Happy is the man who endures trial, for when he has stood the test he will receive the crown of life which God has promised to those who love him." (James 1:2-4; 12).

These various trials are not evil of themselves. How people handle such problems can produce evil results such as oversteering their bodies or mind. Many people fall under the weight of such trials because their foundation is not built upon Jesus Christ and the peace He gives (Matthew 7:24-27).

Cross-Country Teams Compete In Lubbock Invitational Saturday

Munday High School's cross-country teams participated in the Lubbock Invitational meet held Saturday, October 7. The Mogulettes, who have been ranked as the number one team in the state in Class A by *Texas Track and Field News*, pulled in a second place finish behind Canyon, the state's number two ranked team in Class 3A.

Other top finishers were Ruidoso, N.M., third; Dimmitt, fourth; and Nazareth, fifth.

Running against a field of 35 teams and 202 girls, five Mogulettes turned in their best times of the season, and two girls, Kacy Longan and Robin Reneau, ran the best times of their careers.

The girls' times and places of finish were: Mindy Myers, 12:34, third; Kacy Longan, 13:07, 11th; Robin Reneau, 13:09, 12th; Bridgette Beaty, 13:56, 38th; Alicia Cook, 13:59; 41st; Kathy Wilde, 15:08, 102nd; and Brandy Branam, 16:11, 128th.

The Moguls, ranked as the number nine team in the state, came in 14th in the boys division. First place finisher was Boys Ranch, the number one ranked team in the state in Class 2A, followed by Sundown, who has been ranked first in the state in Class A. Canyon was third, Ruidoso, fourth, and Muleshoe, fifth.

The boys ran in a field of 209 runners from 32 teams. Their times and places of finish include Mike Yzaguirre, 18:29, 53rd; Isais Campos, 18:59, 63rd; Marc Andrade, 19:06, 75th; Noel Campos, 20:38, 76th; Kevin Myers, 22:02, 93rd; Bryan Latham, 21:10, 95th, and Jerry

Valencia, 21:23, 96th. Andy Dancer ran in the Junior Varsity Division as an individual for Munday.

A complete list of state rankings by *Texas Track and Field News* are: Sundown, Riesel, Springlake-Earth, Texline, High Island, Graford, Campbell, Snook, Munday and Austwell-Tivoli in the boys division and Munday, Nazareth, Meridian, Irion County, Muenster, Zavalla, Graford, Springlake-Earth, Saltillo, and Asherton in the girls division.

T. Bufkin Wins Golfing Contest

Terry Bufkin's first shot on the number 9 hole earned him "closest to the pin" honors at Sunday's Lake Creek Golf Club scramble.

Wayne Zeissel, Bully Ratliff, and Raymond Carden teamed up to take first place in the scramble, shooting a 61 in 18 holes of play.

Two teams tied for second place, shooting a 64 for the afternoon. They were Terry Bufkin, Alvin Michalik and Danny Owens and Jerry King, Nancy Whittemore, Gary Schur, and Stacia Cook.

Shooting a 67, and placing third in the event were team members Marion Waggoner, Bob Bowen and Ronnie Baker.

Visiting Mr. and Mrs. Douglas Myers over the weekend were Mr. and Mrs. Howard Scheffler and Hunter of Hurst and Mrs. Jerry Phillips, Rebecca, Jonathan and Tyler of Abilene.

WINNERS OF SUNDAY'S golf scramble at Lake Creek Course were, left to right, James Carden, Wayne Zeissel, and Bully Ratliff. The threesome shot a 9-under-par 61 in 18 holes of play.

ARE YOU PULLING OR PUSHING?

On March 2, 1944, the worst rail disaster in history took place. Train 8017 was winding its way through Salerno, Italy one rainy evening. Shortly after 1 in the morning, the heavy train with over 600 passengers entered a long tunnel through a mountain. About mid-way, the train began climbing up an inclined section of the track, but because of its massive weight, the train began to slow down. Sand was sprayed on the track to cause traction, but to no avail. The wheels continued to slip and skid until the train ground to a halt. In the next hour over 500 people, including the train's two engineers, died, poisoned from the train's carbon monoxide fumes emitted in the confines of the tunnel. No collision, no derailment, not the slightest mechanical failure. The killer was low quality coal used to fire the locomotive.

The big question in the days following was, why did the tragedy have to happen? Why couldn't the engines simply have been reversed and the train backed out of the tunnel a quarter mile to fresh air? No one knew the answers until the investigation. Officials in charge of determining the cause, upon examining the two locomotives, found

the lead engine's controls set in reverse, while the second engine's were set full throttle in forward! Apparently, when the train stopped, the two engineers had different ideas about how to solve the problem. So they set the massive motors pulling and pushing against each other. As a result, they lost everything.

The church moves much like a train. If everyone's energies are pulling in the same direction, the church can move mountains. But when many members constantly strain against the things for which they don't care, usually the end result is a church which is so preoccupied with internal struggles it cannot move. We are moving in the right direction at the First United Methodist Church. Please come join us! All are welcome.

Officer Trainee Exam Scheduled In Wichita

A test for the position of Police Officer Trainee will be given Saturday, November 11, at 9:30 a.m. in the S.H. Rider High School Cafeteria in Wichita Falls for the purpose of establishing eligibility for acceptance in the Wichita Falls Police Academy.

Applicants must be at least 21 and not over 35 years of age; age 44 with 5 years prior experience as a police officer or 5 years active military experience, must be a high school graduate or have a GED certificate. Other requirements are set forth in the Wichita Falls Civil Service Commission Rules.

Prior to exam date, applicants are required to submit copies of birth certificate, high school diploma or GED cer-

tificate, any college credit hours, DD214 form, if applicable, and marriage license, if applicable.

Applications must be on file in the City of Wichita Falls personnel department, Room 100 of the Memorial Auditorium, 7th and Broad Street, no later than 5 p.m. Tuesday, November 7, 1989.

Remember safety first when installing antennas.

- Stay clear of all electric lines, assume all wires are uninsulated.
- Be sure there's enough distance in every direction so that if your antenna should fall, it won't hit a power line.
- If an antenna does start to fall, let it go and stay clear. Never touch it until you're sure it's not in contact with any wires.
- Work only in dry weather and never on a windy day. Most antennas are top-heavy and difficult to control in the wind.
- Guy wires should be secured so they won't whip around and come in contact with power lines.
- Make sure antennas are grounded properly.

Farm and Ranch Report

By Donnie Peters

WATCH FOR PNEUMONIA IN CALVES

Pneumonia in calves can be greatly accelerated during the fall season, particularly with viruses, bacteria and other germs present.

Stress factors contributing to pneumonia including weaning, hunger, thirst, castration, dehorning, adverse weather, or extreme temperature changes, abusive handling, shipping, fatigue and mixing with other cattle.

Viruses involved with IBR, PPV, BVD, coronaviruses, rhinoviruses, adenoviruses, herpes viruses and syncytial viruses. Bacteria types include pasteurella and hemophilus and other dangerous germs are chlamydia, microplasma and rickettsia.

Normally healthy calves harbor germs that can cause respiratory infection. Bringing calves together from different sources results in an exchange of these germs.

Stress causes mild infections to develop into clinical disease. Calves with pneumonia generally are extremely depressed, with head down and ears drooped. The abdomen is tucked up, never reaches 107 degree F., breathing is difficult, and the nose is dry or has aropy discharge. Deaths are usually sudden and unexpected, not to mention costly.

To minimize the severity and numbers of respiratory infections in calves,

the following practices are recommended:

- * Maintain vaccination in the breeding herd.

- * Vaccinate calves at 2 to 4 months of age.

- * Vaccinate calves again 3 weeks before weaning.

- * Castrate, dehorn, brand and implant calves up to 3 weeks before weaning or 3 weeks after weaning.

- * Wait to co-mingle and ship calves 3 weeks after weaning.

Producers are urged to keep stress and exposure in calves to a minimum at all times because vaccines are not available for all respiratory germs. Reduce the number of stresses at weaning time because the weaning practice is an extremely traumatic experience to a calf.

George Wofford Dies October 3

George Dewey Wofford, age 91, died Tuesday, October 3, 1989 at the Munday Nursing Center.

Born July 2, 1898, Wofford had been a resident at the home since 1975, transferring from the Abilene State School.

Services are pending with McCauley-Smith Funeral Home.

Survivors include one sister, Dollie Hesterly of Henrietta.

Well-Known Publication To Feature Local Model

Imo Brockett will be in the limelight again in 1990, when a nationally-known farm magazine will feature the local professional model in an article and photo layout in its January publication.

The Progressive Farmer, a magazine not new to anyone in the farming community, will devote a section of its layout entitled Country Place, to Imo and her success story.

"I read in another publication about Imo, and her story was so inspirational that I wanted to get to know her," said Nancy Dorman-Hickson, an assistant editor for *Progressive Farmer*. "Also the fact that Imo has a farm background also caught my attention, since our interests at the magazine center around the farming community."

Mrs. Dorman-Hickson was in Munday on Friday, October 6, to conduct an interview with Imo, and according to the editor, found Imo to be a "real down-to-earth country person".

"Imo and her husband Pete are warm and caring people and I truly enjoyed my visit in their home and the Munday community," she commented.

Nancy Dorman-Hickson has been assistant editor for the *Progressive Farmer* since November of 1988.

Permit Needed For Tax-Free Diesel Fuel Purchase

State Comptroller Bob Bullock has reminded Texans buying diesel fuel tax-free that state fuels tax permits are needed to comply with the law.

Bullock said that some customers can buy diesel fuel tax-free in Texas by signing a statement saying that they don't own or operate any diesel-powered vehicles driven on Texas roads. The Comptroller's office provides the printed statements.

Purchases made in this way are restricted to 2,000 gallons or less at any one time with a monthly limit of 10,000 gallons or less.

The statement becomes invalid if the customer buys or uses any vehicles powered by diesel fuel on Texas highways but taxpayers have a couple of options if that happens, Bullock said.

First, they could pay the fuels tax of 15 cents a gallon and file for a refund with the Comptroller's office. Refunds are given for tax paid on any diesel fuel that wasn't used on Texas roads.

Or they could prepay the tax to the Comptroller's office for vehicles weighing 10,000 pounds or less. The cost is based on the vehicle's weight.

To buy diesel tax-free for vehicles that weigh more than 10,000 pounds, owners need a bonded user's permit. For this they must maintain records and file quarterly reports with the Comptroller's office. They may also need to post a bond with the Comptroller's office.

Bullock cautioned fuel suppliers to keep a copy of an up-to-date permit or a signed statement from each customer before selling any diesel fuel tax-free.

To order forms or for more information, call the Comptroller's office at 1-800-252-5555.

LLOYD D. WELCH, left, president of the Brazos Valley Young Farmers, was presented the Area IV Outstanding Associate Member award Saturday, September 30, at the Area IV Young Farmer Banquet held in Abilene. A brief report, detailing Welch's work with the Young Farmers organization and various awards, will advance to state. The state award will be presented at the Young Farmers State Convention held in San Angelo in January. Also attending the Area IV banquet were Lloyd's wife, Jacquita and Ricky Moeller, Brazos Valley Young Farmer advisor, and his wife, Kristi.

Franklin-Sisneros Vows Repeated September 16

Leslie Franklin and Jeffrey Sisneros were united in marriage at 4 p.m. Saturday, September 16, at the home of Mr. and Mrs. Raymond Tarango. Manuel Valles of Odessa officiated.

Local VFW Members To Meet In Knox City

Members of the local VFW Post 1035 are urged to attend a meeting in Knox City at 7 p.m. Tuesday, October 19, at the American Legion hall.

Knox City American Legion members will also be present to make plans for the annual Veterans Day parade and activities.

Adolescence: That period when a boy refuses to believe that someday he'll be as dumb as his father.

Very Important Persons

Who are they? They are your elected officials who handle Munday's business. Lately City Hall seems to require a lot from our Councilmen and Mayor Pro-Tem.

Folks, you may not always agree with council decisions, but believe me, they carefully weigh each decision and do those things which they believe best for Munday. They love this city and serve only for the betterment of our city. I know, for it is evident as I watch them struggle with our many problems.

Walter Hertel
City Administrator

Please, encourage these men.
They work for you.

Morse Services Held Saturday

Melburn Henry Morse, age 77, of Goree, died Wednesday, October 4, 1989, in the Seymour Hospital Authority.

Funeral services were held at 10 a.m. Saturday, October 7, at First Baptist Church in Goree. The Rev. Wayne Vamell of Kingsville officiated. Burial was in Friendship Cemetery in Goree under the direction of McCauley-Smith Funeral Home of Munday.

Born August 20, 1912 in Dallas, he had lived in Goree since 1935. He was a retired farmer and electrician and a member of Goree First Baptist Church. He and Blanche Haskin were married February 26, 1933 in Hefner.

Survivors include his wife; a son, Elwynn of Waxahachie; a daughter, Glenda Adelle Fort of Orange; a sister, Berniece Hutchinson of Dallas; six grandchildren; and two great-grandchildren. ***

Munday Nursing Center News

Grace Offutt visited her mother, Myrtle Tomlinson, on Tuesday.

Ida Oustad and Almada Blair of Munday, and Leona Coldwell of Rochester held Bingo for the residents and furnished fruit, cookies and crackers for each member who played. The black out prize went to Beatrice Campsey.

Alisa Arnold visited Loma Hall on Wednesday. Leona Jones accompanied Mrs. Arnold on her visit.

Gladys Carsnell of Burkburnett, Gladys Stephens and Loyd Stephens of Knox City visited their cousin, Thelma Hilbers, in the rest home.

On Thursday, St. Joseph's Catholic Church hosted bingo. Freida Brown and Valera Hertel did the calling and all received a prize.

Also on Thursday, Ruth Hammon's grandson and great-grandson of Lubbock visited her. They were traveling through on their way to Dallas.

Jimmie Ray and James Albus visited their grandmother and mother, Theresa Albus, who has just entered the nursing center.

Visiting Aunt Thelma Hilbers were Lucille Langham of Springtown, Pat Cuba of Megargel and Mary McKnight of Ft. Worth.

Mutt and Doris Chamberlain visited Ruth Hammons, Fred Jones and Tommie Polson.

Corrie Walton and Bill Walton of Wichita Falls visited Fred Jones October 6.

Charles Gresham and Nell Gresham of Jacksboro and Cheryl Amando and Wes Crawford of Munday visited Theresa Albus here.

Geneva Childress and Ronnie Wade of Urbana, Missouri, visited Florence McDaniel on Saturday. Also visiting Florence were her two nieces, Lucille Simpson and Dorothy Brown of Oklahoma.

Robert Hosea and granddaughter, Sarah Hosea of Seymour, visited Mrs. N. E. Hosea on Saturday.

Brenda Brown and Andrea visited her grandmother, Theresa Albus, on Sunday.

Lori and Irene Shipman of Seymour visited Mrs. Patterson and Mrs. Sullivan.

Ozella Kilgore of Benjamin visited Glen Draper, Ruby West and Mrs. Wren. Sunday afternoon church service was held by Dr. Larry Fitzgerald of the Munday Church of Christ. Dan Offutt led the singing. There were 16 members of the church attending. The all visited the residents at the nursing home.

Alton Rodgers of Big Spring, Mr. and Mrs. Alvin Rodgers of Kin, Wisconsin, Mrs. Wanna Hunter of Iowa Park and Mary Johnson of the center visited Lola Hudson in Knox City and attended a Johnson family reunion. ***

SOROSIS CLUB NEWS

The Sorosis Club had their first meeting of the year in the home of Lucille Moorhouse on September 7. An international lunch was served by hostesses, Jessie Roberts and Lucille, with each club member bringing a foreign dish. The speaker for the program was Marie Ward of Aspermont, who gave a very interesting report on her travels to Russia. Nine members and three guests were present.

The October meeting was held in the home of Jo Cartwright. After a short business meeting, Jo showed the group her fabulous collection of over 300 dolls. She gave a very interesting presentation, giving a brief history of each doll displayed. Refreshments were then served to ten members, Jessie Roberts, Pearl Ryder, Leola Isbell, Eunice Friday, Bea Parks, LuElla Tolson, Ruth Ressel, Lucille Moorhouse, Jo Cartwright and Louise Hertel, and two guests, Nell Hudson and Reyes Barrientez.

Aliene Groves returned home Thursday after several days stay in the Seymour Hospital. She says she feels pretty good but has to go back in a couple of weeks for further tests.

Louise Hertel and Jan Rolston were each back in Wichita Falls last week to see their doctors since their recent surgeries. They each got a good report and are feeling fine.

HERE AND THERE

Recent guests of Bobby and Philomae Robertson were Corrine Parrish of Franklin, Tres Pierce and Amy Crawford of Megargel and Jeff Conner, student at Vernon Regional Junior College. They all also visited Judy Conner and the Jack Waldrons.

Sunday guests of Leroy and Gloria West were Roger, Betty and Sabra Parker of Aspermont.

Faye Dickey of Dumas spent the weekend with J.D. and Annie Brown.

Virginia Griffith and I attended the Fall Fest and bazaar at the Methodist Church in Munday on Saturday. Saw

Signs Of Satanism To Be Addressed At VRJC Program

The Texas Department of Public Safety and the Continuing Education Division of Vernon Regional Junior College will co-sponsor a class entitled "Satanic Cults", to be held at 6:30 p.m. Monday, October 23.

This special one-evening class will be limited to persons over 21 years of age and will be geared to parents and teachers emphasizing signs to recognize youth involvement in Satanism. The occult is becoming an increasing problem in North Texas and Southern Oklahoma area, consequently, Texas Department of Public Safety officer Joe Clement has prepared an evening of information containing photos, music, and lecture to acquaint interested persons with the warning signs of Satanism.

Interested persons should pre-register with the VRJC Continuing Education office by calling 552-6291. There is no registration fee. The class is being held as a part of the VRJC pledge to community service. The class will meet in the VRJC auditorium. ***

Forty is the old age of youth, fifty is the youth of old age. -Victor Hugo ****

Nobody grows old by merely living a number of years. People grow old by deserting their ideals. ***

lots of pretty handmade items and lots of good looking baked goods, plus enjoyed a delicious brisket lunch at the church.

Visiting Christine and LaMoyn Patterson during the weekend was her sister, Juanita Oliver of Littlefield. They all attended the Westover Community reunion held Saturday in the Portwood Pavilion. Christine said she was a 1937 graduate of the Westover School and her sister graduated there in 1935. She said they all had a very good time.

Visiting James and Jimmie Klutts during the weekend were Jimmy and Vicki Belknap and children of Frisco. Weekend guests of Collins Moorhouse were Mr. and Mrs. Roy Finis McGuire Sr. of Levelland and Mr. and Mrs. Roy Finis McGuire Jr. of Quitman.

Pat Benson recently returned home from an extended visit with relatives in Arlington. Pat, her sister Billie Faye Cummings, Nela Swanner of Tyler and Claudia Rentrop of Nacadoches enjoyed a tour of East Texas and points of interest in Louisiana.

Rex and Maretha Patterson attended the funeral of Lewis Richards in Dickens on Thursday. On Sunday they visited Jimmy and Helen Green in Guthrie.

Leon and Jerry Groves of Mineral Wells were here Monday visiting his mom, Aliene Groves.

The Young brothers and sisters met at the home of Butch and Letha Young in Iowa Park over the weekend for a get-together. All were present. They included Durward and Dorothy Nell West of Arlington, Bill and Billie Faye Cummings of Henderson, Mary and Jack Young of Lubbock, Pat Benson and Dutch and Imogean Young of Benjamin and Butch and Letha. Reports are that they had a super time!

NOTICE! Jimmie Klutts asked me to put a note in this column that someone has left a lid to their ice cream freezer at the Memorial Building. Says it's been there quite some time and if anyone is missing one, it probably is yours. Go by there and I bet she'll let you have it. After all, an ice cream freezer is not worth much without a lid!

NEW ARRIVAL

Debra Kay and Hassen Ebrahaim are proud to announce the arrival of a baby daughter, Nathiesca Katrine arrived Monday morning, October 1, right after midnight in a Killeen Hospital. She weighed 7 pounds 2 ounces and from all reports is the prettiest thing there ever was! Her maternal grandparents are Tom Brooke Hudson and Katrine Hudson. The paternal grandparents live in Egypt. Reports are that the entire family is doing fine!

We had three very generous donations made to the cemetery association last week. They came from Mr. and Mrs. Jim Harris, Mrs. W.T. Labit and Mrs. John McStay. As always, very appreciated.

And last but not least, the Moguls had another easy victory Friday night. Here on it may not be all fun and games, and although I'm an optimist and think they will finish the season in good standing, I do feel the rest of the year they will have to work for their victories. But boys, I have faith in you and I think you can continue your winning ways!

CARD OF THANKS

Thanks to everyone for your words of encouragement before and after my knee surgery, to my senior class, football team and cheerleaders for the nice flowers, candy and shells, and all the faculty for helping me catch up on my work.

The fruit basket, food, cards, visits and phone calls were truly appreciated.
