## Moguls win third straight 85 to 50, Mogulettes win 69 to 43

teams have proven that once again the philosophy is to get the ball into the hands of the shooters. That's easy when every person on the team is shooting well. This year's Moguls and Mogulettes, Varsity and JV are putting up good numbers week in and week out. Defensively, they're putting the clamps on the opponents and holding down even prolific scoring

Both Jeff Guice and Ralph Klinkerman agree that last Friday's games with Petrolia showcased the Munday defenses as both teams played, according to Klinkerman, "about as well as I've seen them play all year."

The Mogulettes played hard against a scrapping Petrolia team that kept it close for much of the first period. The game was a 2 point battle until 1:48 in the first when Laci Myers hit one inside to put the Mogulettes up by 4.

Munday ran the lead up as high as 17 points in the second before taking a 37 to 21 lead into the locker room at the half. Coach Guise admits he suspects the running, gunning pace the Mogulettes were playing wore on the Lady Pirates and tired them out well before the half time break

Amanda Myers started the third with a "nothin' but net" crowd pleaser in the third as the Mogulettes came out and proved that they intended to dominate this one tonight. Munday's girls did just that, they dominated every aspect of the game. Defensively, Petrolia tried to go over the top with some long court passes to break the full court press of the Mogulettes, but Keisha Collier was there to tip the ball away every time. Even the bounce of the ball favored the Mogulettes on this night as no matter where they were, the Mogulettes managed to be in position to out rebound, out hustle and out play the Lady Pirates from one end of the court to the other.

Munday's Mogulettes just out matched Petrolia in every way imaginable. From the opening tip to the outside shooting of Nicole Urbanczyk, to rebounding and hustle of Laci Myers and Keisha Collier, to the ball handling and cool shooting of Miranda Zeissel and Amanda Myers, the Mogulettes just couldn't be beat. Those coming off the bench were quick to make contributions as well. Keramie Brown did a great job again platooning with Joann Thomas at post. Erica Gray, Megan Myers and Amber Reed along with Jessy Carlson got ample playing time as coach Guise did a great job subbing his starters without losing any momentum.

All in all it was a good night for Munday basketball as the Mogulettes cranked up their level of play for the hometown fans, and showed everyone why they belong in the hunt for the district 22A title.

The Mogulettes had four shooters in double figures, Keisha Collier with 20, Nicole Urbanczyk with 14, Amanda Myers with 13, and Laci Myers with 12. Keramie Brown and Joann Thomas both had 4 points, and Erica Gray had

smaller less talented Petrolia Pirate basketball team by the overwhelming score of 85 to 50. Munday's offense was on fire and ran the Pirates out of the race very early on, leading by 12 at the end of the first quarter. The Moguls led by 20 at the half on the strength of Eric Beaty's two pointer at the buzzer, and came out and dominated the third and fourth. The only question in the game was how much would the they allow the Pirates.

Munday had four shooters in Munday's Moguls smothered a double figures again tonight, Robert Dockins with 33, Eric Beaty with 21, B. J. Brown with 14, and Lane Murphy with 10, including 2 form three point range. Brian Urbanczyk had 6, and Chance Myers had 2 as the Moguls put up another good night on both sides of the ball. Brian Urbanczyk led the Moguls off the boards with 9 rebounds, and Alan Albus had 6.

The JV Moguls and Mogulettes both were victorious over the 14 points, picking up 3 off the Petrolia teams to start the Friday night sweep with the JV Mogu-

lettes winning by the score of 46 to 29 and the JV Moguls winning by the score of 45 to 35.

Laurie Welch was the leading scorer for the JV Mogulettes with 14 points followed by Kylie Myers with 8. Krissi Harlan and Jennifer Ramirez both had 6 points each, Brittanny Alexander had 4, Cassie Gulley had 3, and Jennifer Hernandez and Dawn Urbanczyk both had 2, and Toni Tidwell had

The jury retired to deliberate late Tuesday afternoon, and after deliberating for approximately 45 minutes, returned with a 10-year prison sentence, thus refusing the defendant's request for probation. Judge Hajek then pronounced the 10-year sentence to Rodriguez.

Just as the nation is planning a World War II Veterans' Memorial, Knox County Historical Commission has a vision to honor the dedicated men and women of Knox County who served in our country's armed forces beginning with the Civil War. Approximately 2000 dedicated individuals from Knox County devoted their lives to our freedom during times of war, conflicts and peace.

Knox County Commissioners Court has set aside a location for this monument just east of the county court house bordered by the Lubbock highway and highway 6. Willis Granite Monument of Granite, Oklahoma has submitted the bid and design the memorial committee hopes to implement.

Following is a tentative list of veterans obtained from the County Clerk's office. The Commission will be grateful for other eligible names to be submitted to the Knox County Historical Commission, PO Box 77, Benjamin, Texas 79505.

The Commission hopes to obtain any war related biographical data for each name on the list such as war, rank, branch of service, to be sent to the above address. It is hoped this data will become a computer reference bank to be located in the Knox County

and the armies of the world were
gathering momentum. On
December 7, 1941, the Japanese
troops invaded Pearl Harbor and
World War II was in full swing.
Specialist White was now a
"fighting man." Guns, weapons,
bloodshed followed in the
Philippines and despite the valiant
efforts of General Douglas
MacArthur he was soon forced into
verbalizing his now famous "I will

Philippines. The U.S. Army troops
stationed on the islands were now
in the darkest of situations and
White was one of many who
became prisoners of the relentless
Japanese.

Knox County Historical Commission has a vision to honor the dedicated men and women of ~ox County who served in our country's armed forces throughout the Knox City centuries. Approximately 2000 dedicated individuals from Knox County devoted their lives to our freedom during times of war, conflicts, and peace. It is our responsibility as Americans to honor these loyal men and women.

"Honoring Those Who Have Served..."

Knox County Historical Commission has developed a plan to honor the service men and women of Knox County. The outlined monument in the enclosure is scheduled for completion with dedication ceremonies planned for Veterans Day, November 11, 2000. However, the estimated cost of the monument and its groundwork is \$50,000. Please help our organization pay a lasting tribute to these individuals who served our country. Your financial assistance is needed to achieve our goal.
