Munday Moguls To Play 'Exes' Here Friday Night

Football fans will have an opportunity to see the future Moguls, those boys who will carry Munday's colors on the gridiron this fall, in action Friday night when they play the exes of Munday high school.

This game, which will close the spring training period for the Moguls, will be played on Scruggs Field at eight o'clock Friday night. The Moguls have been having intensive scrimmages during the 30 days of spring training, and although Coach Billy Cooper expects them to play a ragged game Friday night, he has prospects for the best team next fall that Munday has ever produced.

No admission will be charged to Friday's game, and all football fans are invited to see the Moguls and stars of past Mogul teams in action.

Senior Class To Present Play On Next Tuesday

'Henpecked Husband' Annual Play For Munday Class

The senior class of Munday high school will present the three-act comedy, "The Henpecked Husband," on Tuesday evening, April 30, at eight o'clock at the school auditorium.

This is a play that will appeal to people of all ages. You will sympathize with Samuel "Casper" Dixon, the henpecked husband, and you'll laugh at the way he is browbeaten by his uninvited guests. You'll also be interested to know how he finally schemes his way out of all his troubles.

The cast of characters is as follows:

Mr. Samuel Dixon, Lamoine Blacklock; Mrs. Dixon, Mozele Trammell; Ellen Dixon, Gladys Booe; Mrs. Ferguson, Jane Stodghill; Filbert Ferguson, Dan Billingsley; Jerry Barton, Jack Pippin; Mrs. Johnson, Colleen McCarty; "Reform School Harry," D. P. Morgan; Miss Arnold, Doris Howell; Mrs. Rust, Zell Spann; Mrs. Jones, Geraldine Bookout; Marquis, Raymond Phillips.

Admission to the play will be 25 cents for adults and 15 cents for children.

Fireboys Name Delegates For State Meeting

Delegates from the Munday Fire Department to the state convention of firemen and fire marshals, which will be held in Houston during June, were named last Monday night at the regular meeting of the department.

Elected as delegates were Grady Thornton and Haggard Harrison. Alternates are Deaton Green and Ardelle Speice.

Automatic delegates to the convention are Clint Hawes, fire chief, and Marshall M. G. Franklin, making four from the local department who will attend the state convention.

Sunset Student Wins Typewriting Event at Abilene

Miss Virginia Parkhill, a student in the Sunset high school, won second place in the typewriting contest of the regional interscholastic league meet held in Abilene last Saturday.

Other winners in the contest were Edith Ayer, Abilene, first, and Margaret Crawford, Mertzon, third. All three will go to the state meet in Austin.

Miss Parkhill is to be commended upon the efficiency which won her second place in this contest.

FORMER MUNDAY PASTOR IN ABILENE HOSPITAL

Rev. C. B. Meador, former pastor of the Methodist church in Munday, is in the Headrick Memorial hospital in Abilene recovering from a recent operation.

Rev. Meador was pastor here for four years, has since been superannuated, and is now serving as supply pastor of one of the Abilene churches.

Eight Youths From County on CCC Enrollment

Sixty-five youths from this area were taken in a supplementary enrollment for the civilian conservation corps on Wednesday of last week. The enrollees are to replace those qualifying for listing early this month but who failed to enlist.

Rudolf G. Winckler, recruiting officer at Wichita Falls, directed the applications. The youths were assigned to various CCC camps throughout the nation.

Enrollees from Knox county were eight youths, who are: Bernard John Herring, James Charles Hutchens, Charles Jefferson Howeth, J. W. Moore, Tom Perry Porter, Jr., Mike Dean Rogers, Austin Oliver Tomlinson and L. Grover Trainham.

District Three Of H.D. Clubs In Meet Thursday

Local delegates go to meeting held in Wichita Falls

The district three of home demonstration clubs, of which Knox county is a part, met last Thursday at Wichita Falls, with 14 of the 15 counties being represented by the 100 delegates present.

Mrs. R. C. McCurdy, vice chairman of the district, was in charge. Songs, music and readings were enjoyed. The welcome address was by D. J. Boyd, Jr., of the Wichita Chamber of Commerce, and Mrs. W. E. Harrison of Seymour gave the response. Visitors who included members of the Extension Service of A. and M. College, and 11 home demonstration agents were introduced.

Educational talks were given, and the cotton mattress program was discussed. Every phase of home demonstration club and 4-H club girls' work were discussed, and good reports were given from the 15 counties represented.

Six women from Knox County attended the meeting. They were: Miss Myrtle Munday, Munday; Miss Sibyl Spivey, and Mrs. J. O. Cure, Gilliland; Mrs. Herbert Gillespie, Truscott; Mrs. Roy Jones and Mrs. E. J. Jones, Goree, and Mrs. Neva Van Zandt, Benjamin, home demonstration agent.

Aline Smith Wins First Place At Regional Meet

Miss Aline Smith, a student in the Vera High School, represented Knox County at the regional interscholastic league meet in Abilene last Saturday, where she won first place in the ready writing contest.

Miss Smith, who won in the county meet, also recently won first place in the district meet at Breckenridge. Through an error, the Times stated last week that she won second place at Breckenridge.

The winning of first in the regional contest entitles Miss Smith to represent Knox county in the state meet which will be held at Austin on May 3rd.

ATTEND SENIOR DAY AT JOHN TARLETON

Lamoine Blacklock, Mack Haynes, Dan Billingsley and Payne Shannon were among students from this county to attend the high school senior day event at John Tarleton Agricultural College in Stephenville on Wednesday, the 17th. While in Stephenville they visited with students from this county who are attending the college.

HOME FROM ABILENE

Miss Margaret Tiner, who is attending Hardin-Simmons University in Abilene, spent the week end here with her parents, Mr. and Mrs. W. V. Tiner. A guest in the Tiner home was James Dyke, also a student in H.-S. U.

L. V. Bruce of Estelline was a business visitor here last Friday.

Cotton Research Laboratories

While millions of Americans prepare to observe National Cotton Week, May 17-25, through expanded purchases of cotton wearing apparel and household articles, a staff of trained chemists at the laboratories of the Cotton Research Foundation, new uses division of the National Cotton Council, conducts continuous research for new uses for cotton and cottonseed products. The laboratories, located at the Mellon Institute at Pittsburgh, have recently perfected several new cotton products. Among these is a superior sweeping compound of cottonseed hull bran which is being marketed commercially.

Sunset Grounds Are Beautified

The Sunset School has just completed the planting of 2,000 trees and shrubs in an attempt to beautify the school campus. Thirteen different kinds of shrubs and trees were planted. These plants were furnished by the Federal Government, through the office of Mr. W. W. Rice, county agent.

In addition to the planting of shrubs, the school has put down 1000 square feet of concrete walks. All of this work was done through the cooperation of the National Youth Administration.

Wheat Subsidy Payments Made

Two hundred and fifty-five wheat subsidy checks for 1940 arrived in the county agents' office during the past week, bringing a total of \$12,490.47 to wheat farmers of the county.

This represents the first 1940 wheat payments made in Knox county, and several hundred more checks are expected in the near future.

Work on City Park Progresses

Work on the Munday Park is progressing with the near completion of the golf course. Only a few items remain to be done, and the course has already attracted a large number of par hunters. The large raised greens are proving very popular to those accustomed to small fairway-level ones.

The caliche base has been completed on the park drives and needs but a few good showers to be in first class shape for driving.

The croquet and tennis courts will be completed and ready for use by the latter part of May, in time for some ideal tennis weather.

Foundations for the club house and keeper's residence will be completed this week and the rock work on the club house begun in the early part of next week. Practically all material is on order or in transit for the houses and work is expected to move on to an early completion of these units.

WEINERT BOY SELECTED FOR BEST FARM YOUTH

Phillip Cadenhead, son of Dr. and Mrs. J. F. Cadenhead of Weinert, sophomore of Weinert High School has been unanimously selected as Haskell's most outstanding Future Farmer, by advisors of the seven FFA chapters composing the federation of Haskell county.

Cadenhead's selection for the high ranking award was made on the basis of his excellent record. He has an outstanding supervised farming program, six registered Jersey heifers, a registered Jersey cow and a registered bull in his FFA project herd.

He also has some registered Hampshire hogs, has fed out three calves, and now has three calves on feed.

Firemen Plan For West Texas Meeting Here

Over 300 Firemen Are Expected Here For Meet in May

Plans are well under way by the Munday Volunteer Fire Department for entertaining delegates from several West Texas counties at the semi-annual meeting of the West Texas Firemen's association, which will be held in Munday on May 7th.

Various committees have been appointed and are making final plans for the convention. The program will include interesting talks, a barbecue dinner for the firemen, and a dance for visiting delegates on Tuesday night.

Over 300 delegates are expected from over this area, and local firemen are carefully making plans for taking care of these firemen for this day. Detailed plans for the convention were discussed last Monday night at the department's regular meeting. Programs will be out soon, and local firemen have very little to do except carry out their program on the convention date.

Singers To Meet

The Knox county singing convention will be held at the First Methodist church in Knox City next Sunday, it has been announced by J. C. McGee, president.

Singers will convene at two o'clock, and a good program of songs is being planned for this occasion. The entire public is cordially invited to attend.

Reunion Is Held In Burton Home

Mrs. R. V. Burton of Benjamin had as her guests last week end, her four sisters: Mrs. Walter Burton, Cleburne; Mrs. Ada Morris and Mrs. L. D. Dennis, Austin; Mrs. Ollie Arnold, Lava Hot Springs, Wyoming; her niece, Mrs. Max Cameron and son, Jack, of Little Rock, Arkansas, and her daughter, Mrs. J. L. McGregor of Lamesa.

Cecil Burton and family came from Knox City to help celebrate the reunion. Mrs. Arnold remained for an extended visit in the Burton home.

DR. ROBERSON HAS X-RAY INSTALLED IN HIS OFFICE HERE

Dr. Jno. A. Roberson, local dentist, announced Tuesday that his X-ray equipment has been installed in his office, located over the First National Bank.

The X-Ray is a portion of Dr. Roberson's equipment which he is moving here from Abilene. Additional equipment will be moved here at a later date.

Mrs. T. E. Lansford of Tulsa, Okla., was visiting friends here the latter part of last week.

16 Club Boys Select Calves For 1940 Feeding Projects

Sunset Installs Sewerage System

One of the most needed improvements has just been completed at Sunset School through the cooperation of the National Youth Administration and the school. This vitally needed improvement was installation of a sewerage disposal system which makes the Sunset school modern in every respect.

According to the NYA engineers, this plant has enough capacity to handle twice the enrollment that the school now has. The school has spent about \$270,000 on this project.

All labor was furnished by the NYA, under the direction of Mr. Orman L. Kimbrough, regional director. Henry Russell, school plant engineer, supervised the installation and construction for the sponsor.

Marvin McCarty Is Injured When Thrown From Car

Marvin McCarty, a well known member of the Munday Moguls, was injured last Sunday night when he was thrown from the fender of a car on which he was riding. McCarty with a group of others was returning from the city park. When the driver suddenly applied the brakes, McCarty was thrown in front of the car and two of the wheels passed over his body.

He received a badly broken collar bone and various cuts and bruises. After receiving medical treatment, he was taken to his home in Munday, where he is reported to be doing nicely.

Lions Club Has District Meet In Olney Tuesday

Haskell Selected For Next Zone Meet

Lions from Haskell, Munday, Knox City and Olney gathered at Olney last Tuesday night for the last zone meeting of the club year. Seymour was the only club in the zone that failed to be represented at this meeting.

In a meeting of the advisory committee, Haskell was selected for the next zone meeting, which will be some time after the close of the club year in June.

The Olney club presented a splendid program of songs, dances and instrumental music. The Boys Club, which is one of the major projects of the Olney Lions for underprivileged boys, was presented in several religious songs. Sixty-nine of the 87 boys in the club were present.

Five visiting Lions were present from the Wichita Falls club. Representing the other clubs were 37 from Olney, 7 from Munday, 8 from Knox City, and 7 from Haskell.

Attending from Munday were W. E. Braly, J. A. Caughran, Cecil Cooper, Wade Mahan, Aaron Edgar, Lee Haymes and E. W. Harrell.

Homer Lee of Wichita Falls was a business visitor to the city Wednesday.

Mrs. Tom Cowser of Goree was here Friday, on business.

Cotton Mattress Program Slated In Knox County Progressing Nicely

Indications that rural people in Knox county who are within the lower income bracket are eager to take advantage of the government's plan for providing them with mattress making materials have been shown, as many applications for surplus cotton were filed in the county extension office during the past two weeks.

Approval of 120 applications by the AAA committeemen and the placing of Knox county's first or-

Plans for an active year in the feeding of 4-H club calves got under way last week when club boys of Knox county made trips to various ranches of this section to select the calves to be fed this year. County agent W. W. Rice reports prospects for a successful year for the boys in their feeding program.

Sixteen Knox county boys selected their calves last Saturday. The boys and the number of calves selected are as follows:

Calvin Bates, 2; Finis Bratcher, Hope Bratcher, Stanley Dee Glover, Charlie Gynn Hickman, Billie and Lloyd Hendrix, Jr., 1 each; Clyde Hendrix, Jr., 2; Pat Hill and George Jones, 1 each; Wade McGuire, Bobbie Roberson, Elton Scott and Gaylon Scott, 2 each; Bill Roberson and J. L. Trainham, one each.

Several other club boys of the county have made plans to select calves in the near future, stated Mr. Rice.

Sorghums May Be Soil Conserving

Certain Varieties Are Classified by AAA

The state AAA office has recently announced that the following sweet sorghums may be classified as soil conserving crops when harvested in bundles for forage, or when grazed off.

Honey (seeded ribbon cane), sumac (red top cane), dwarf ash-hum, orange cane, coleman cane, gosensack cane, sourless cane and amber cane.

There are a number of crosses between grain sorghum and sweet sorghum, and the state AAA office has ruled that these mixtures and crosses will be classified as soil depleting crops.

Farmers are urged to observe above ruling in order to avoid penalties in complying with the farm program, Walter Rice, county agent, stated.

MOBILIZING FOR AMERICAN PROGRESS

There have been ten years of economic stagnation in this country. For the first time in our national history, a decade has passed without producing a higher standard of living for the average American family! In fact, President Green of the American Federation of Labor remarks sadly that the standard of living has actually declined 7 1/2 per cent since 1929.

Meanwhile, the same ten year period saw savage and bitter attacks on business and industry. Everyone who had a pet new insult for the business man was assured an attentive audience. Again and again, demagogues of all shades of opinion and belief told Americans that if business was whipped and scourged and told how to run its affairs, economic planning would bring us all back to prosperity.

All that time, the experienced voice of industry was unheeded, and often lost in the babel of conflicting tongues. But in spite of the assurances of the easy promisers, the full tide of prosperity did not come—and it STILL hasn't come!

Today industry, tired of malicious remarks, unfair criticisms, and meddlesome interference, has announced its intention of standing up in its place and bringing its practical experience to bear on the problem of restoring American progress. In a militant yet reasonable voice, it proclaims a great program of "Mobilization for Understanding of Private Enterprise" to set the public straight concerning industry and to aid in regaining the road to progress.

Announcing the program over a coast to coast network of the National Broadcasting Company recently, H. W. Prentiss, Jr., president of the National Association of Manufacturers called upon "every patriotic industrialist" to "pledge himself to become an outspoken advocate of the free institutions and traditional ideals of America" and "to take enough time from his business to buttress the foundation of private enterprise upon which this nation is built."

It is high time that such a program was inaugurated. It is essentially a determined effort on the part of industry to confound the falsehoods of its critics. It is high time that all who are interested in the welfare of this country united and mobilized for the furtherance of progress. And high time, finally, that industry avail itself of every opportunity to defend freedom of initiative and private enterprise as vigorously as other groups in our society consider it their responsibility to defend freedom of religion, academic freedom and the other traditional American liberties.

THE UNWELCOME GUEST

A former official of the United States Treasury was recently quoted to the gloomy effect that government is about twenty per cent partner in all business. In other words, government through its power to tax has made itself the fifth member of every company's board of directors, the silent partner, the unwelcome guest who eats off the extra plate that is set for each meal by every family in the land.

It's a disconcerting thought that one out of every five dollars earned by the sweat and toil of average Americans everywhere goes automatically to government. And the more the evidence in the case continues to pile up, the more it looks as though any revision of the Treasury official's estimate will have to be in an upward direction.

Now a careful study of the tax situation conducted by the state of Wisconsin puts more of the real and painful facts on the table.

The Wisconsin study shows that in 1938 the 7,800 corporations in that state paid \$112,158,743 in taxes to various units of government, and that those taxes represented \$20,606,915 more than those same corporations earned as a result of their business operations. In other words, when John Smith establishes his own business these days, in the interests of accuracy, the sign on the door ought to read as follows: Government, Government, Government, and Smith, Incorporated.

The same type of survey could probably be repeated, yielding the same of even more disquieting results, in almost every state in the Union. It points once more to the flood-like ravages of wasteful government spending. And again it shows forcefully how the productive abilities of this country are being turned away from the job of providing goods at low prices in order to pour taxes, taxes, and still more taxes into the insatiable maw of government.

Industry decreases prices. The price of rayon has been decreased from \$4.60 a pound in 1929 to 57c today. As a result more Americans have been able to use products made of rayon. Close to 300,000,000 pounds of it are now consumed annually.

The first pair of silk stockings was knit by one of Queen Elizabeth's ladies in waiting for her mistress.

Mrs. Abe Kaskoff, wife of a Memphis deputy, to keep milk from being stolen places one link of her husband's handcuffs around the porch grill, and the milkman snaps the other end around the milk bottle.

FIRST BATTLE FLAG

The question of when and where the American flag with stars and stripes was first carried battle has been the subject of much controversy among historians ever since the Revolution. In fact, in spite of the Betsy Ross tradition, the origin of the flag is uncertain.

It is a matter of history that the flag of 13 stars and 13 stripes was adopted by Congress on June 14, 1777, but the exact date on which the first flag was made is unknown.

As to the flag's first display in battle, there have been conflicting claims. Until recently it was generally supposed that this occurred at Port Schuyler, N.Y., on August 3, 1777, when that post was besieged by the British. The flag used on that occasion was said to have been made from a blue jacket and a soldier's wife's red petticoat, with stars cut from a white shirt.

All of which is interesting, though not of great importance. The important thing is that the Stars and Stripes still floats as the symbol of freedom and equality of opportunity. The fact that the principles for which it stands are sometimes violated does not detract from its sublime symbolism.—Wellington Leader.

THEY FIGHT AND KILL

Daily comes news dispatches from Europe telling of the Allied-German war, where men are fighting and being killed . . . for what?

In this day and age—when people are supposed to be civilized—come these stories. We fail to comprehend how civilized people can take the life of another and gloat over what they have done. We, in this country, wonder why war should rage and why the people of France, England and Germany fight. And then we remind ourselves only a few years ago this country was in the conflict "to make the world safe for democracy."

You know what has transpired since the signing of the Armistice. Terms to the defeated were not made strong enough—we see that clearly now—and this is the main cause of the present war; it answers our question; war for what? Well, Germany, the defeated nation swore vengeance for what had been dealt her, and the loss of her colonies. She bided her time until she could rebuild an army, when she believed she would be strong enough to regain her possessions. She is successful in part. Time will tell what the outcome will be, although in this country we cannot see how she can win in the face of the allied blockade. She will be starved into defeat as she was starved once before.

But, getting back to the point of civilization of both warring factions, we fail to be convinced people have outgrown in mind and acts the people of the early age. They fight and kill to gain selfish interests, today as yesterday.—Chillicothe Valley News.

About 40 per cent of the farmer's annual cotton crop is consumed by industry for use other than textiles.

THE MOTHS AND THE FLAME

THEY SAY!

Our charge is one of duty. Our object is to get America back to work. Our reward, if we will it so, is the accomplishment of peace and harmony in industry and our free enterprise system, this restoring to our nation for the first time in many years—social, economic and political peace, through fair regard for the rights of others and in the interest of all.—A. W. Hawkes, pres., Congoleum-Nairn, Inc.

Tax collections mean just that much less that the average individual has today to spend for the goods he wants and needs—goods which mean jobs and payrolls in their production.—Walter D. Fuller, pres., Curtis Publishing Co.

It is our duty to make every effort to develop job opportunities for the unemployed through the exercise of American ingenuity and salesmanship and then to sell the fact consistently and continually to our fellow citizens. Our hope for the future rests upon the success of our system of private business.—Walter D. Fuller, pres., Curtis Publishing Co.

LETTERS FROM THE PEOPLE

WE OUGHT TO OBEY GOD RATHER THAN MAN

Ex. 20-1: And God spake all these words saying. Ex. 20-8: Remember the Sabbath day to keep it holy. Surely God's word is true. Sam. 15-24.

To obey is better than sacrifice. When we fail to obey God we know by God's word we are bringing destruction upon ourselves as a nation, state, town, church or individual. God's word declares it. Be not deceived, God is not mocked. Unless we turn to God and hearken to His voice and harden not our hearts, surely we must fall. How we do need to obey. When we look around us on the Lord's Day and see people disobeying God's holy word, it grieves our hearts.

1 Tim. 3-4 says, lovers of pleasure more than lovers of God, men going about their work plowing, sowing, reaping, running filling stations, drug stores, selling liquor every day and all day Sunday, and these people claiming to be Christians—what a shame!

God's word forbids ball games, picture shows, skating rinks, pool halls, dance halls, picnics, fishing and joy riding all on Sunday. More sin and shame committed on Sunday than any other day. Homes broken, mothers' daughters lured away to some roadside and her virtue stolen, many times by some man with a family claiming to be a Christian. How we do need to obey God! Twenty years ago, most sinners stood out against unbecoming, sinful conduct more than a lot of preachers do today.

Gems Of Thought

Defeat: Opportunity
What is defeat? Nothing but education. Nothing but the first step to something better.—Wendell Phillips.

The highest reward for man's toil is not what he gets for it, but what he becomes by it.—Ruskin.

Experience is victor, never the vanquished; and out of defeat comes the secret of victory.—Mary Baker Eddy.

The things which hurt, instruct.—Whittier.

There's no defeat, in truth, save from within;
Unless you're beaten there, you are bound to win!
—Henry Austin

Christians, let us pray for those in authority in our own town and everywhere to stand for God's word and stop such ungodliness, at least on Sunday.

Ezek. 22-25, 26: There is a conspiracy of her prophets in the midst thereof, like a roaring lion raving the prey. They have devoured souls; they have taken the treasures and the precious things; they have made her many widows in the midst thereof. Her priests have violated my laws, and have profaned mine holy things; they have put no difference between the clean and unclean and have hid their eyes from my Sabbath, and I am profaned among them. Let's pray as we never pray.

Junior Report

Friday night the Juniors and Seniors enjoyed another banquet which was held in the assembly room of the courthouse. Wanda Nunley, the Junior class president, was toastmistress, and Billy Joe Sams, the Senior class president, gave the response to the welcome of the toastmistress. E. L. Covy, county judge, rendered the main address, which was very inspiring to the graduating Seniors of this year. Buddy Sams read the document of the Senior class will, to which "Butch" McCannles gave the acceptance. Others who participated in the program were Mrs. Rice, Mr. Cunningham, Mr. Greer, and a group of young ladies from both classes. Nadine Parker accompanied the girls on the piano while they sang "Lullaby Moon." The banquet was completed by a dance in which many of the Benjamin "jitterbugs" participated. (Buddy Sams, for instance.) Everybody reported a "swell time" and we, the Junior class, hope that we successfully satisfied those "hard-to-satisfy" Seniors.

As the year is rapidly drawing to a close, we find there is little time for study. Plans were made Monday for "Junior Day" which will be observed next Friday. Several suggestions were made as to where we would go—among them were: Medicine Park, Leuders, and Lake Kemp. By a very small majority it was decided to go to Lake Kemp... so you Juniors had better be getting in a few extra hours of sleep... (you've heard that you certainly won't get any Thursday night.)

Senior Report

After a long absence here we are again bringing you the latest news of that well-known, soon-to-be-forgotten Senior class of 1940. Too well we realize that only 13 days remain to be spent in this, our dear old alma mater.

In fact, so much is now pressing on the Seniors' minds that they have no time for regrets. If, when you are rounding some corner, a woe-begone creature comes up and implores you to "ave a heart and lend me ten bucks, buddy," for invitations you know, don't be too surprised. After all, the shocking sum of \$51.00 meets their angu-

ed eyes every morning when no money is brought in.

In addition, annual production, trips, etc., challenge their every effort.

The Seniors are also sponsoring an amateur program May 3. Everyone is cordially invited to attend, and we promise you an enjoyable evening.

Mathematics and English are proving to be very difficult in these fun-loving days for the Seniors, and an attempt is being made to do the best of the last. The seniors plan to make a trip to Hardin-Simmons University Saturday for Senior Day there.

Last Friday night, the Seniors were entertained by the Juniors with a very nice banquet and we wish to take this opportunity to thank them for the honor. All Seniors were present and enjoyed the three-course dinner and the dance afterward.

Amateur Program

On Friday night, May 3rd, at 8 p.m., in the District Court room, the Senior Class is sponsoring an amateur program and a cake walk. Entries from any school in the county, or individual entries will be accepted with gratitude. A prize of three dollars for first place will be given, followed by prizes of two and one dollar for second and third places, respectively.

The admission fee is 10 cents for everyone, except the contestants. Please send your entries right away to Clodell Jackson, class secretary. Singing, dancing, reciting... anything goes, so join in the fun!

Freshman Report

Saturday, April 20, 1940, we "Fish" left Benjamin at 10:30 a. m., and arrived at the Seymour park at 11:00.

When we arrived at the park, we all scrambled out of the cars, and then the fun began.

We played "keep-away" with Glenda Payne and Mary Ellis' shoes for some time. After the game was over we were quite tired, and we sat down on the grass under the large trees until noon.

At twelve o'clock we were all very hungry; and so we ate lunch. We enjoyed it very much (Miss Baird especially enjoyed a pickled onion.) After lunch we rested a little while and then once more the fun began.

We enjoyed a water fight on one of the small rock bridges which admits people across a creek.

After a water fight we enjoyed a baseball game with some of the small girls of Seymour.

After the baseball game we started back home and reached there just before the sun bid the world adieu.

We are happy to say that we were accompanied by our two room mothers: Mrs. Snailum and Mrs. Parker.

We title this memorable event "Freshman Day."

They're All Cotton

Selected by the National Cotton Council as "cotton hosiery queen," this eastern fashion model poses in one of the first pairs of the new type mercerized lisle stockings. The new hose, first of 56 types devised by the Department of Agriculture to be manufactured commercially, are said to be the "most attractive cotton stockings ever made." It is a full-fashioned, sheer mesh made of fine count mercerized cotton lisle yarn, and will make its formal debut in many American department stores during National Cotton Week.

Is Candidate

Pierce Brooks, for several years prominent in Texas politics, has announced his candidacy for the Democratic nomination for Railroad Commissioner.

Brooks' announcement for the place now held by the veteran Lon A. Smith ends speculation which has been rife for months as to whether or not he would be a candidate for this office.

Two years ago Brooks polled more than 400,000 votes in a runoff campaign against one of the most popular men in Texas, Coke Stevenson, who only defeated him by a narrow margin. Brooks was in bed as the result of an automobile accident for most of the runoff campaign.

Mrs. Eula Strickland and Verna Faye of Knox City were here Friday, on business.

Mrs. Jack Fowler of Goree was a business visitor here last Friday.

ATTEND FORD DEALERS MEETING IN DALLAS

E. H. Bauman and Aaron Edgar went to Dallas last Friday where they attended a meeting of Ford dealers of this area. Mr. Bauman and his salesman, Frank Trammell, were to be guests of the Ford Motor Company at this meeting, an award for having made the quota of car sales set by the company during February and March.

Trammell was unable to attend the meeting, due to illness in the family.

CARD OF THANKS

We wish to take this way to express our sincere thanks to our many kind, thoughtful friends and neighbors, during the illness and death of our beloved wife and mother.

May God bless each and every one of you.
 J. B. Scott and Children

Pauline McCarty And G. W. Russell Wed at Floydada

In a quiet ceremony at Floydada on Thursday evening, April 11, at 7:30 o'clock, Miss Pauline McCarty became the bride of Gaylord William Russell. The ceremony was read by Rev. Vernon Shaw, pastor of the First Baptist church of Floydada, at the parsonage. Miss Emma Louise Smith and Mrs. W. M. Houghton were in attendance.

Mrs. Russell is the daughter of Mr. and Mrs. W. W. McCarty, well known Munday citizens. She finished her school work at Texas Tech and was elected to the faculty of the Floydada high school, where she is completing her first year as a teacher in the home economics department.

Mr. Russell, son of Mr. and Mrs. W. S. Russell of Nucla, Colorado, is employed as teacher in the commercial department, serving his second year in the Floydada high school.

The young couple will continue to make their home in Floydada.

Sylvia Barnes To Attend College Senior Affair

Denton.—Miss Sylvia Barnes of Munday will attend the occasion of occasions at Texas State College for Women, the annual Senior Formal May 4 when Russ Morgan and his band will play.

Only seniors and their guests take part in the affair, considered the outstanding social function of the entire four years of college. The dance will be held in the college library, and the identity of the 1939-40 class beauties will be revealed when the girls are presented for the first time.

Miss Barnes is the daughter of Mr. and Mrs. H. F. Barnes of Munday and is majoring in business administration.

Mrs. R. D. Turpen of Haskell was a visitor here the latter part of last week.

Mrs. Cliff Moorman of Govee was visiting in town Friday.

The marriage of Miss Ethel Viola Bain to S. Rex Howell was solemnized at high noon Sunday, April 21, in the home of the bride's sister, Mrs. C. S. Boston of Pampa, with Rev. W. M. Pearce, pastor of the First Methodist church, officiating at the ring ceremony.

The vows were read before a background of woodwardia fern which were reflected in a large gold-framed mirror. Candelabras flanked the arrangement, and palms and baskets of lavender and white stock completed the decoration. Bouquets of roses were used throughout the house.

The bride was dressed in a red-tinge of powder blue and navy with blue accessories. Her colonial bouquet was of gardenias.

Proceeding the ceremony, James Boston played "Indian Love Call" and Mrs. F. L. Stallings and Mrs. Woodrow Bain played "Oh Promise Me" and "I Love You Truly" on the piano and violin respectively. Mrs. Stallings played Lohengrin's Bridal Chorus as the processional and the wedding march by Mendelssohn as the recessional.

Following the ceremony, a reception was held in the Boston home. The bride's cake, which was in the center of the lace-covered table, was served by Mrs. Gardon Bain, and Mrs. Boston poured the coffee. Mrs. William Sasser presided at the guest book.

Mrs. Howell, who is the daughter of Mr. and Mrs. J. L. Bain of Pampa, has attended Texas Technological College at Lubbock for three years. Mr. Howell, son of Mr. and Mrs. R. H. Howell of Munday, is a senior at Texas Tech, where he majored in horticulture. He is connected with a retail and wholesale florist company in Grand Junction, Colo.

About forty guests attended the wedding and reception.

Members of the Thursday Luncheon Club and several guests met on Thursday of last week, with Mrs. Fred Broach as hostess. Everyone brought a covered dish for the noon luncheon.

The Broach home was beautifully decorated with spring flowers for this occasion.

Present were Mesdames T. G. Bengt, John Ed Jones, W. E. Braly, S. E. McStay, W. R. Moore and Miss Shelley Lee, members. Guests were Mesdames J. R. Smith, H. A. Pendleton, H. F. Barnes, J. A. Wiggins, H. B. Douglas and Louise Ingram.

Members of the Monday Night Bridge Club held their regular meeting last Monday night, with Mr. and Mrs. Pitzer Baker as hosts. High honors at the games went to Mr. and Mrs. Pendleton.

Refreshments of punch and cake were served to Mr. and Mrs. H. A. Pendleton, Mr. and Mrs. Fred Broach, Dr. and Mrs. J. H. Bass, Mr. and Mrs. W. R. Moore, Mr. and Mrs. Grady Roberts, and the host and hostess, Mrs. A. P. Barker of Lockney, a sister of Mrs. Baker, was a guest.

Mrs. Stallings played Lohengrin's Bridal Chorus as the processional and the wedding march by Mendelssohn as the recessional.

Following the ceremony, a reception was held in the Boston home. The bride's cake, which was in the center of the lace-covered table, was served by Mrs. Gardon Bain, and Mrs. Boston poured the coffee. Mrs. William Sasser presided at the guest book.

Mrs. Howell, who is the daughter of Mr. and Mrs. J. L. Bain of Pampa, has attended Texas Technological College at Lubbock for three years. Mr. Howell, son of Mr. and Mrs. R. H. Howell of Munday, is a senior at Texas Tech, where he majored in horticulture. He is connected with a retail and wholesale florist company in Grand Junction, Colo.

About forty guests attended the wedding and reception.

New Seersucker

Newest among cotton sports frocks making their appearance during National Cotton Week is this two-piece checked seersucker with form-fitting overblouse and very full skirt. Patch pockets on the bodice and collar with full revers are fashion features of this budget frock. National Cotton Council predictions are that seersuckers and other cotton sports frocks will find greater favor this summer than ever before.

ing their equipment serviced while fully loaded.

"Drivers should remember that they are responsible for the safety of the children riding in their buses," the commissioner declared, "and never let themselves throw caution to the wind in an effort to save a few minutes."

He also suggested that officials in rural districts check rear door bus exits to make certain that they are in proper working order. Some cases have been found where handles were removed to prevent children from entering and leaving the buses without permission. Such thoughtlessness merely increases the danger.

Other recommendations include approved types of fire extinguishers, fire drills, and a rule against smoking in or near the buses. No attempt should be made to load the buses beyond their normal capacity, he said.

I GIVE YOU TEXAS

By Boyce House

When Hercules fought the hydra he found that when he had chopped off one head, two others sprouted in its place—and trying to set all the old jokes down on paper is pretty much the same sort of task.

There is the one about the man who ran a hole-in-the-wall clothing store and he told a customer that he was offering a suit for \$16 that cost him \$19 wholesale. "How can you do it?" the customer asked. The merchant explained in a confidential tone, "You see, it's the volume . . . we sell so many of them."

And a cynic once said, "If you want to find gratitude, the only place you can find it is in the dictionary."

Do you remember the old lady who was reading Shakespeare for the first time and she complained, "His writings are just full of quotations."

If you can stand a few more. A backwoodsman, taking his first train-ride, bought a banana from the news batch. It was the first banana he had ever seen. Afterwards he said, "It was all right, but it had too much cork."

Do you recall the one about the man who caught himself cheating solitaire and committed suicide?

A man was all excited about being a father. A friend asked, "Is it a boy?" He said, "No, guess again." The friend then inquired, "Is it a girl?" and the father answered, "Ah, somebody must have told you."

Speaking of newspapers: E. K. Phillips, editor of the Weatherford Democrat, knew Brann the Iconoclast. . . . N. H. Alex Marshree, who used to be with Charles Devall's Kilgore Herald and spent a summer with this columnist in the press department of the Fort Worth Casa Manana, is secretary to the best-known mayor in Texas—Maury Maverick of San Antonio, of course. . . . GAME PRESERVE DEMONSTRATION EXTENSION SERVICE TEXAS A&M COLLEGE

There are 79,280 of these signs designating the 27,362,395 acres of Texas land included in the game management demonstration plan. Altogether 22,692 farmers and ranchmen, plus 588 4-H club boys, are taking part in the movement which has as its aim the restoration of wildlife on Texas farms and ranches.

TEXAS OUT-O-DOORS

Austin, Texas.—Ten Armadillos, 182 rabbits, 15 house cats, 6 ewes, 15 lambs, 4 cows, 8 dogs, 5 skunks, 2 hogs. No that isn't the inventory of a strange butcher shop, but a list of the number of animals killed on the state highways in Brown county, Texas, during one month and observed by a state highway foreman at the request of a State Game Department warden. In addition, there were so many dead chickens that no count of them were kept due to the fact that many of them probably were thrown out of trucks while being taken to market.

Occasional checks like the one above show the motor car takes a terrific toll of wildlife. No check was made in this instance of the game, song or insectivorous birds. The animals listed above totaled 232. Multiply that by 254, the number of counties in Texas, and you can see how many animals perish on Texas highways monthly. Mexican laborers on the Santa

writer whereby his address was given as a neighboring town. . . . You can't get all your possums up one tree, as my grandpa used to say.

This being political war, there comes to mind the old story of the politician who was running for office 50 years ago when Republicans, Democrats, Populists and Greenbackers had sentiment all mixed up on gold, silver and greenbacks. That candidate announced: "I am in favor of gold; also free silver; also I'm for greenbacks—and just a little more counterfeiting." Of course, with a platform like that, he was bound to win.

No far, no candidate has boldly and fearlessly come out in favor of a late fall and an early spring nor has any office-seeker denounced the pink boll-worm and the Mediterranean fruit-fly.

Personally, I am against "isms" such as Communism and rheumatism.

Justice (of the poetic and not courtroom kind): Lawyers for years have been running the country and have imposed every form of tax on everybody else. Now down here in Texas, they have to pay \$4 a year for a bar association, and are some of them squawking!

This being census year, it's time to bring out that story about the old maid who didn't want to give her age so she said her age was the same as her neighbors, Mr. and Mrs. Hill, and the census-taker wrote down, "As old as the hills."

Rosa ranch recently had the opportunity to get an insight into the workings of Nature. Hearing the frantic cries of a quail, they left their corral building to investigate. They found a large wood rat devouring the quail, but before the bird could be entirely eaten, a three-and-a-half-foot rattler appeared on the scene, gobbled the rat and was in turn immediately killed by the Mexicans.

Spottamen who know of the Buck bill (H.R. 6321) introduced into Congress are strongly in favor of its passage. If, it passed, would provide considerable more revenue for Texas and other states desiring to participate in a fish propagation and restoration program similar to that being carried on so effectively by the Texas Game Department with the use of federal Pittman-Robertson funds. Pittman-Robertson funds are provided through an excise tax on sporting arms and ammunition.

Briefly, the Buck bill provides that there shall be tax of 10 per cent of the manufacturer's sales price imposed upon fishing tackle commonly used for recreation or sport fishing. The revenue so obtained is authorized to be apportioned among the states as follows: One-half in the ratio which the area of each state, including coastal waters, bears to the total area of all the states; and one half in the ratio to the number of persons holding paid licenses to fish in the population of the state, provided that no one state's apportionment exceed \$45,000 per year.

Texas, with only an artificial lure license, could especially use additional funds which could be derived from the enactment of the Buck bill. Additional fish could be raised with which to stock the streams, but more important would be the improvement which could be made on lakes and streams so that they would be suitable habitats for fish.

Bragging Costly to Oklahoman For talking out of turn to a friend of a state game warden an Oklahoman recently found himself paying a fine of \$100 for hunting in Texas on a \$2 resident license. It is possible he would not have been apprehended and would have saved the difference between a \$25 non-resident license and a resident license, but he bragged once too often; a state game warden investigated, obtained the aid of federal officers and just about had his case completed when the Oklahoman heard about it, drove more than 100 miles to Wichita Falls, entered a plea of guilty and paid the \$100 fine.

City Park Is Being Used By Local People

Many Munday people are taking advantage of opportunities offered for recreation at the city park, which is under construction south-east of town. Evening picnics and outings have been planned at the park for the past several weeks. The new golf course which has just been completed was opened to local golfers for the first time

last Sunday, and young, old and middle-aged played the nine holes of the new course. All are enthusiastic about the new course, and with a little additional shaping up, it will be much better than the old golf course.

The barbecue pits and picnic grounds are being used frequently. Tennis courts will be completed soon, and the foundation has been laid for the clubhouse, upon which construction is expected to begin within the near future.

The park, when completed, will be one of the most popular spots in this area and will be frequented by many people of the county.

Changed Date
 The Seniors of Sunset have changed the date of the Senior play, "A Ready-Made Family," to May 1, 1940. This change was made because one of the girls, Pat Parkhill, goes to State in typing on May 1.
 "A Ready-Made Family" has a cast of four men and six women;

the story takes place in the living room of the home of Agnes Martyn, a widow. While Agnes Martyn is on her vacation she meets Henry Turner, a widower, and they become engaged. Neither tell the other of the children at home—three in one household and two in the other. When the children hear the surprise, they plan to upset the matrimonial alliance by acting their worst before their prospective step-parents. Come and see what takes place, for this play is two hours of side-splitting laughter. For swift moving action, clean and clever lines, it ranks 100 per cent. It is one of the best of Baker's Plays, written by Jay Tobias.

 Everyone is cordially invited to come, see and laugh at Sunset Seniors present their play, "A Ready-Made Family," at 8 o'clock in Sunset auditorium, on May 1, 1940. The admission is 10c, 15c and 50c. Be sure not to miss this grand play.

Honor Roll Students
 The campaign of the honor roll was not very crowded this six weeks. In fact, the Seniors are leading... as usual! They are as follows:
 Seniors: Virginia Parkhill, 97;

Joe Tom Nelson, 94; Glendon Matthews, 94; Margaret Hardin, 94; Juanita Hunter, 91.
 Juniors: Jane McLeRoy, 91½.
 Sophomores: Wynell Lowrey, 91.
 Freshmen: None!
 This next six weeks everyone should be on the honor roll. After all, this is the last "weeks" of school, so come on scholars, let's show these teachers what we can really do.

10,000 Oil Company Employees Honored for Long Service Terms

Veterans of Ten Years Or More Reflect Gulf Policy of Security

TEN thousand men and women who have completed ten years or more of service with the Gulf companies were congratulated here tonight by Colonel J. Frank Drake, President, who on behalf of W. L. Mellon, Chairman, and the board of directors of the Gulf Oil Corporation, extended greetings to all Gulf employees and particularly the workers employed from 10 to 25 years.
 These veteran employees will receive service awards from the corporation at district gatherings currently being held in various sections of the country.
 Praising the progressive companies in American business and industry who have recognized the need not only to give jobs, but steady and more permanent jobs, Colonel Drake declared: "They know that this kind of employment security is of priceless value to the worker—to his family and to the company of which he is a part."
 "Forty per cent of the entire Gulf organization have been continuously employed for ten years or more—through one of the most difficult and uncertain decades in business history. Of the 10,000 approximately 2,250 have been with the company for more than 20 years and more than 600 have been steadily employed with us for more than 25 years. Think of that—in connection with a company and an

COLONEL J. FRANK DRAKE President, Gulf Oil Corporation

industry that twenty-five years ago were comparatively small.
 "So in presenting service awards to 10,000 men and women at this time, we want to do more than recognize the part they have played in the development of our company. We want also to express our sincere conviction that it is through employment records like these that American business and industry have made possible such a high degree of personal security for millions of individuals in these United States."

6-Man Football Is Still Growing

Twenty-Two Schools Begin This Year

Austin.—Six-man football is still sprouting. R. J. Kidd, athletic director of the University of Texas Intercollegiate League, has announced, pointing to a tentative assignment sheet for 1940 showing three new districts and a total of 22 new teams above last year's total of 16 districts and 110 teams.
 Started three years ago, the abbreviated version of football is for schools with enrollment too small for the orthodox, eleven-man team. It is played under much the same rules but has a smaller playing field and requires fewer men.
 New districts for 1940 and the schools included are the following:
 District 8—El Jardin (Brownsville), Los Fresnos, San Perlita, Santa Rosa, Sharyland (Mission), and Stuart Place (Harglingen).
 District 18—La Vernia, Nordheim, Poth, and Sutherland Springs.
 District 19—Benjamin, Mattson (Haskell), Sunset (Munday), Trascott, and Vera. Knox City has also been voted in the district.
 Individual additions to districts placed East Bernard and Missouri City in district 1. Katy, in district 10 last year, has shifted to district 1.
 In district 6, Damon and League City have been added while Waelder has been included in district 10.

HARVEST FREEDOM AT A NEW LOW PRICE!

NEW 1940 ALLIS-CHALMERS MODEL 60 ALL-CROP HARVESTER

\$545

F. O. B. FACTORY FOR FULL 7-PLOW TRACTOR WITH POWER TAKE-OFF

ALLIS-CHALMERS ACTS AGAIN TO BRING BENEFITS OF DIVERSIFIED FARMING WITHIN REACH OF ALL

"Biggest harvesting news since the reaper!" That's what they said when the All-Crop Harvester—"Successor to the Binder"—was announced 5 years ago. Now—it's big news again when Allis-Chalmers reduces the price on the new, improved 1940 model. Think of it... all the benefits of 5 years' experience are built into this famous machine... experience of harvesting more than 100 diversified crops—yet the price is lower than ever before. Power take-off operated—you save the price of an extra motor. Why pay threshing or combine bills? Why wait on somebody else? Why ask Mother to cook for extra men? Why go through all those Harvest Headaches when you can be MASTER of your harvest with an All-Crop Harvester... at an average saving of 10 cents a bushel. Let us show you.

- #### WHY ALL-CROP HARVESTING DOESN'T COST... IT PAYS!
- FULL-WIDTH CYLINDER—No slugging, bunching or bottle-necking of wide swath thru narrow cylinder.
 - RUBBER SHELING CONTACTS—Thrashes all your small grains, beans and seeds. Lowers moisture content of grain.
 - VARIABLE SPEED DRIVES—Quick, easy adjustments for all crops. Quiet, easier running.
 - OVERSIZE THRESHING REAR—As much separating area as other machines with twice the width of cut.
 - AIR-BLAST SEPARATION—Gets grain from heads quicker. Straw turns completely over.

TRACTORS BEGIN AT \$518 F. O. B. FACTORY HARVESTERS BEGIN AT \$345 F. O. B. FACTORY

Walt Whitman

In 1855 Walt Whitman wrote "Leaves of Grass," which contained the oddest and strongest verse that had ever been published in America. It was frankly egotistical and self-revelatory to an unprecedented degree, the author declaring, "I sing of myself." It glorified the average, common man the freedom of the individual, the right of every man to be himself freely, and it extolled the democratic brotherhood and equality of all races and conditions of men.

Walt Whitman, who called himself the "poet of democracy," is now generally recognized as the most powerful and original of 19th century American poets, though for many years after his death his work was ignored.

He was born on a farm near Huntington, Long Island. He left the public school when he was 12, and practically educated himself by reading and attending lectures and the theatre.

In 1863 Whitman went to Washington to nurse his wounded brother back to health, and once there he gave all his spare time to ministering to the disabled, caring for Northern and Southern soldiers alike. About 1865 he was given a clerkship in the Department of the Interior, but was dismissed a few months later because the secretary of the department con-

sidered "Leaves of Grass" improper, and was reemployed by the Treasury Department. In 1873 he was stricken with paralysis, partly caused by his self-sacrifice on behalf of the wounded, and spent the rest of his life an invalid in his brother's home at Camden, New Jersey.

Among his best-known poems are "O Captain, My Captain," "When Lilacs Last in the Dooryard Bloomed," both written in commemoration of Abraham Lincoln, and "Pioneers! O Pioneers!" His prose works, which lack finish, form, and style, include the essays "Democratic Vistas" and "A Backward Glance O'er Travelled Roads."

Tour of Texas Slated for Students Who Win in Know Your Texas Contest

Dallas—A streamlined tour of Texas from the oil fields of East Texas to the Great Plains, across the Rio Grande River into Mexico, and on to the Gulf Coast will start from Dallas on Monday, June 10, for the forty-eight school children of the state who win awards in the Know Your Texas Contest sponsored by the Texas Almanac and the Dallas Morning News.

The winners of the all-expense tour, the first of its kind to be conducted by the Texas Almanac and State Industrial Guide, will gather in Dallas on Saturday, June 8, for a dinner complimentary to the prize winners and their parents who might desire to make the trip with them to Dallas.

The pupils will make a tour of Dallas on Sunday, June 9. Early on Monday, June 10, they will leave in two air-conditioned Bowen Motor Coaches for their circle around the state.

Accompanying them will be Arthur L. Maberry, deputy state superintendent at Tyler, Mrs. Maberry, and other attendants, including a nurse. The WFAA sound truck will make the tour with the buses for broadcasting.

The tentative itinerary includes Fort Worth, Wichita Falls, Vernon, Lubbock, Odessa, Pecos, the Davis Mountains, Fort Davis, the McDonald Observatory, and Alpine. The young travelers will follow highway 90 into Sanderson and the Roy Bean country dipping into Mexico either at Del Rio or Eagle Pass. San Antonio will be reached either through Uvalde or the Winter Garden section depending upon where the tour crosses the Rio Grande.

Present plans route the boys and girls through New Braunfels to Austin, where the Capitol, the University of Texas and other institutions will be visited. A stop will be made at the Lost Pine Park at Bastrop, and the tour will continue to LaGrange, the old Baylor University ruins, and Washington on the Brazos, where the Texas Declaration of Independence was signed.

A visit to Houston, including San Jacinto battleground and museum, and Galveston will be followed by a swing through the Piney Woods

Stock Prices Showing Gain At Auction Sales

Cattle and hogs showed a sharp gain Tuesday over last week's market. About 450 head of cattle and 200 head of hogs were sold at Tuesday's livestock auction sale to bring a total of \$10,500.

"Bring in your stock," Ratliff Bros., urge stockmen of this section, "we have plenty of good buyers to buy all classes of cattle each week."

Some of the prices paid during the auction were as follows: Good beef bulls, \$77.50 to \$100; good light bulas, \$40 to \$65; good beef cows, \$45 to \$67.50; good fat butcher cows, \$35 to \$45; good fat yearlings, \$47.50 to \$67; plain butcher yearlings, \$30 to \$40; common calves, \$22 to \$26. One load of good stocker heifers sold for \$38, and a load of stocker steers sold for \$43.75.

Rhineland Boys Down Goree Team In Game Sunday

Gaily attired in their new uniforms of red and gray, the Rhineland Red Raiders defeated Goree last Sunday, 7-5, in a hotly contested game on the Rhineland diamond.

Lefty Decker, who aided his own cause with two hits, one of which was a home run, yielded only 8 hits to the Goree batters. Pitching much better than the score indicates, his inner defense was faltering at costly moments. However, the fielding of Montgomery in right field was sensational.

Len Kuehler, R. Kuehler, Montgomery, Decker, Moore and Lambeth, with two hits each, led the attack for their respective teams.

The Red Raiders will meet Benjamin at Rhineland next Sunday.

Cardinals Lose To Vera Sunday

The Munday Cardinals journeyed to Vera last Sunday to "attend the races." Vera and Munday ran some fast horses with Vera winning by a nose. Wait! This was supposed to be baseball.

Both teams played a rather poor game of ball; however, managers are not worried a great deal about the Cardinals, as they took Benjamin in the first game with no trouble. Munday expects a different report in weeks to come.

The King brothers, Strickland and C. Taylor, have a home run each so far this season, and some grand hitting is expected from these boys in the games to come.

The Cardinals are sponsored by the Rexall Store, Munday.

Sunday's results:

The Cardinals will play Knox City next Sunday, and quite a few hometown rooters are expected to attend the game.

SAVE THAT THIAMIN!

Careful cooking will save more of the vitamin B, or thiamin, in foods than has heretofore been believed possible, according to a study recently completed by the U. S. Department of Agriculture bureau of home economics.

Mrs. Neva VanZandt, home demonstration agent, has been demonstrating "How to make tough cuts of meats tender" to club women this month. With the roasts she also served carrots and potatoes. Carrots cooked in very little water lose none of their thiamin, either when boiled or cooked in a pressure cooker. Potatoes, as pared and cooked in a pressure cooker, lose about 20 per cent of their thiamin, whereas 35 per cent is lost in ordinary boiling.

The cook who adds 'a pinch of soda' to hold the green color in vegetables reduces thiamin values considerably.

Remember that the less water added, the less vitamin loss, and save the juices!

Charlie Mullican and son, Dee, Lois Ursher and Mrs. Hazel Hill returned Monday from a trip to Harlingen, where they visited the former's daughter, Mrs. Mozelle Blackard.
