

Thirteen Draftees Enter Army Service January 20

Volunteers To Make Up January Call

Five Men are Named on
Replacement List

The Knox County Selective Service Board has announced that the thirteen men who will be inducted into army service during January will be assigned to induction station on January 20. They shall report to the local board at Benjamin at 8:00 a.m. January 20, whereupon they shall be sent to an induction station of the United States Army at Dallas, Texas.

The following named men, all volunteers, have been selected for induction by the board:

Charles Carl Herring, Joseph Cullen Randolph, Houston Edward Covey, Foy Baine Barnett, Malcolm Venson Ford, Everett Emmett Pruitt, Harvey Dee Lankford, William Rexle Haynie, William Cecil Marchbanks, Lonnie Wallace, James Antony Gideon, Prentice Wilson Lindsey, and Edgar Reeves.

Because one or more of the men named above may not be inducted at the induction station by the armed forces, the following named men may be required as replacements:

Philip Louis Herring, Thomas Edward Burns, Carl Maxwell Flowers, Lora Edward Loflin, Leonard R. Lee Moore.

Any man so required to report as a replacement shall be duly notified at least five days before he is required to report, the board announced.

Post Office To Occupy Present Site In Future

The Munday post office will remain as is.

This means that Munday's post office will not be moved. It will remain in its present location for at least ten years longer—if Uncle Sam keeps his contract, which he is likely to do.

It was announced here Monday that the post office department has completed a contract for lease of the building now occupied by the post office for an additional ten years. So local folks, at least, won't have to be hunting the post office for this period of time.

The post office department advertised for bids for suitable location for the post office several months ago, at which time four bids were submitted. The contract for the present location has just recently been completed.

Funeral For Kilgore Child Is Held Monday

Funeral services for Homer Lee Kilgore, 8-year-old son of Mr. and Mrs. Homer Kilgore who reside in the Sunset community, were held last Monday afternoon at two o'clock.

The child died Sunday night in the Knox City hospital, where he had been for some two weeks, under treatment for meningitis. The child responded to treatment at first, and it was thought he had a good chance of recovering from the disease.

He was the only child of Mr. and Mrs. Kilgore.

Funeral services were conducted from the Primitive Baptist church, located at the cemetery, by Rev. W. H. Albertson, pastor of the First Baptist church of Munday. Burial was in the Johnson cemetery.

Williams Attends Funeral of Homer Mulkey, Clarendon

P. V. Williams, owner of the Roxy Theatre, went to Clarendon last Sunday where he attended the funeral of Homer Mulkey.

Mulkey was a widely known theatre owner and for many years an outstanding civic leader in the "handle area. Over an hour was required for the huge crowd to view his body at the service. Theatre owners from many points in Texas were present for the service.

Death Claims T. A. Bolt, 88, On Wednesday

T. A. Bolt, 88, who claimed to be the oldest resident of Munday, passed away at his home in Munday at 1:30 p.m. Wednesday. Mr. Bolt had been in failing health for some time, and was seriously ill for several weeks before his death.

Born in Arkansas on December 27, 1852, Thomas Aaron Bolt was 88 years and 18 days of age when death came. He was one of the county's oldest pioneers, and before his retirement several years ago he was a prominent farmer and ranchman. He was a familiar figure in Munday and was known by many Knox county citizens.

Surviving are a son, Roy Bolt of Longview, and three daughters, Mrs. Florence Gass, Keifer, Okla.; Mrs. Katie Rayburn, Phoenix, Ariz., and Mrs. Dewey Thorp, Maricopa, Calif. He is also survived by 13 grandchildren and 6 great grandchildren.

Funeral services were held from the First Baptist church in Munday at three o'clock Thursday afternoon, conducted by Rev. W. H. Albertson, pastor. Burial was in the Johnson cemetery by the Mahan Funeral Home.

Pallbearers were Charlie Matlock, Claude Hill, Mr. Cude, Arthur Moore, J. Arthur Smith, Raymond Stapp, John Lane, and Alec Branch.

Committeemen Of AAA Program Are Announced

At the recent AAA elections, the following men were elected to serve as committeemen in Knox county:

County committee: August Schumacher, chairman, Munday; Ernest A. Beck, vice chairman, Vera; Barrie Arnold, member, Knox City.

Local committeemen: J. Walter Moore, Knox City; S. P. Woodward, Knox City; J. A. Reid, Munday; W. W. Coffman, Goree; Bill Reeder, Knox City; Frank Cerveny, Rhineland; C. C. Browning, Truscott; Hugh Eubank, Gilliland, and Louis A. Parker, Benjamin.

At a recent meeting it was decided that the county committee would meet the first Monday of each month, and farmers desiring to meet with this committee should do so on the above mentioned date.

Knox County Hospital Notes

Patients in the Knox County hospital at Knox City January 14, included Roy Woodward, Knox City; John Moulder, Knox City; Melvin Bryan, Munday; S. A. Strickland, Rochester; Mrs. Irma Feemster, Vera; Mrs. W. C. Goodrich, Knox City; Mrs. R. C. Tucker, Marble Falls; J. R. Castleberry, Munday; Mrs. Raymond Pack, Munday.

Dismissed since January 7, 1941 were Miss Fannie Isbell, Munday; Mrs. Homer Beard, Benjamin; E. Q. Warren, Knox City; Master Bobby Reddell, Rule; Mrs. H. C. Decker and baby son, Knox City; Mrs. Louise Ingram, Munday; Tommie Woodward, Knox City; Master Dickie Waheed, Munday.

BIRTHS
Mr. and Mrs. H. C. Decker, Knox City, a son.

DEATHS
Master Homer Lee Kilgore, Munday.
Press Clarke, Knox City.

KNOX COUNTY SCHOOLS GET STATE MONEY ON PER CAPITA PAYMENT

The schools of Knox County received an additional \$2 in state per capita money last week, making a total of \$7 which has been paid to date.

Payments are ahead of those of last year, due to early payment of state taxes in the county, County Supt. Merick McGaughey said. Only \$3 had been received up to this time last year.

Choir Director

Dr. Wilford C. Bain, head of the music staff at North Texas State Teachers College, has been named national vice-president and a member of the executive committee of the National Association of Schools of Music.

At the Denton Teachers College he organized and directed the Denton A Cappella Choir of 45 singers which has appeared throughout the Southwest on annual tours.

Postal Receipts Show Gain for '40

Postal receipts for the Munday post office showed a gain of around 8 per cent over last year, 1939, it was reported this week by Lee Haymes, postmaster.

Receipts for 1939 were \$9,494.54, and for 1940 the receipts totalled \$10,280.85. This includes only the monies received from the sale of stamps, post cards, and mailing of newspapers, circulars, etc., Mr. Haymes said, and does not include the amount received in money order fees.

The greatest gain was shown in the last quarter, which includes the Christmas business. In 1939 the last quarter receipts were \$2,803, while they ran \$3,150.62 for the same period in 1940.

Local Bank Names Directors For New Year

At a meeting of stockholders last Tuesday, officers and directors for the First National Bank in Munday were elected for another year.

Officers elected are: W. E. Braly, president; J. A. Wiggins, vice president; M. L. Wiggins, cashier; Travis Lee, assistant cashier.

All of the old directors were re-elected, and M. L. Wiggins, cashier, was also named director, making seven in all. Old directors are: W. H. Atkinson, J. C. Borden, W. E. Braly, Homer Lee, C. L. Mayes, and J. A. Wiggins.

W. E. Braly, president, reported to the stockholders that the bank had a very satisfactory year during 1940, during which time deposits reached the highest peak in the history of the bank. Conditions at the beginning of 1941 indicate that the local bank will enjoy another satisfactory year.

Allotment Reduced

The state AAA committee has cut the general allotment, or feed allotment, 4300 acres for Knox county.

The county and community committees are working at this time on passing on this cut to the individual farms in the county. This represents an 8 per cent cut over the number of acres allotted Knox county for 1940.

MARGARET SHANNON IS NAMED SECRETARY OF SOCIAL SORORITY

Miss Margaret Shannon, daughter of Mr. and Mrs. J. S. Shannon of Munday, has been elected corresponding secretary of the Southern Methodist University chapter of Sigma Kappa, a social sorority. Miss Shannon is a senior at the university and is active in many campus organizations.

Formation Of Defense Guard Now Under Way

Need 76 Men To Form Local Company

Formation in Munday of Company C of the 17th Battalion, Texas Defense Guard, got under way last Tuesday night at the regular meeting of Lowry Post No. 44 of American Legion.

A number of Legionnaires signed as tentative members of the guard, and a drive is expected to be made soon to secure the required membership. The set-up calls for 76 men.

Major C. A. Dawson of Throckmorton, who has been elected battalion commander, was present and explained the organization. He stated the defense guard was primarily an organization to protect the homes and home communities against communism, fifth column movement, sabotage, etc.

The home guard is to be organized and select its officers and start drill practice before it is recognized by the state. Men will be required to drill one hour weekly, and the organization includes men from 18 to 64 years old. Enrollment blanks are sent out after the organization is completed, and necessary equipment is issued when the unit is recognized.

Dawson explained that the unit is subject to call by the governor of Texas only, and activity in the guard is not to interfere with commercial work. He stated the guard would not be called to any type of duty except in extreme emergency within the state.

Captain Gregory, who is in charge of Company A at Throckmorton, also made an interesting talk. The company at Throckmorton and one at Woodson are already active. Following these talks, several men signed up for membership in the local unit.

The regular birthday feed was also held. Those serving were Buell Bowden, Jimmie Harpham, Clay Grove and Henry Decker.

Neighborly Act

Many neighborly acts have been administered Mr. and Mrs. Joe Allison and family during their recent illness, but most appreciated was one performed one day last week.

The Allison family has been ill for some time, and Mr. Allison, the bread winner, has been unable to work and provide a livelihood for his family.

Henry Williams called on the family a few days ago, and carried with him a nice bill of groceries, which he left at their home. Such an act is typical of the pioneer spirit, which we love to think still exists in the western empire.

Four Basketball Games Scheduled For Munday's Moguls

Coach Billy Cooper announced Tuesday that the Munday Moguls will play four basketball games next week, two of them at home and two away from home.

Home games will be with Seymour on January 21, and Throckmorton on January 23. The Moguls will journey to Throckmorton to play Monday night, January 20, and play at Seymour on January 22.

Mr. John Reeves of Weinert was in the city Wednesday, shopping.

Jackets and Sweaters Issued to Munday Moguls

Now at Truscott

J. Lyndal Hughes, above, is the new superintendent of the Truscott schools, taking over his duties there during the latter part of December. Mr. Hughes, who is a former county superintendent of schools, has resided in the county for many years and is well-known to a large number of citizens.

Hawaiian Show To Be Presented To The Schools

A show of foremost educational features is to be presented in the Munday Elementary School auditorium, Thursday, January 16, at 8:00 P.M.

A number that will prove of immense interest to the public will be an all-star cast in "A Night in Hawaii."

Climax of the evening's performance will be musical numbers featuring some of the world's outstanding stage and radio personalities. Among the characters will be Jack Kekaua, Tom Makaena, Hawaiian cowboys of stage fame, five princesses of rhythm, the Lani Sisters, Don Allison, youthful wizard of the steel guitar, Texas' renowned bass violin player known as "Nellie" and Gene Wilson, lone-some cowboy, in request numbers.

The night's entertainment is to be sponsored by the Junior class.

Vera Leads In County Basketball

Vera high school has one of the outstanding basketball teams of the county, and is leading the county teams in the present basketball race.

Vera has played eight games up to the first of this week, losing only one game.

The Vera boys engaged the Munday Moguls one day last week in a hotly contested game. The score was tied, 20 to 20, at the end of the game, and an overtime period was played with Vera winning the game 21 to 20.

TO SHOE CONVENTION

Walter Phillips left Tuesday for Dallas, where he is attending the shoe convention and purchasing shoes for the Baker-McCarthy store.

125 Aliens Are Registered Here

Mexico Is Listed As Native Country Of Most Aliens

Between 125 and 150 aliens were registered in Munday during the last three months of 1940, it was reported here this week by local post office employees.

Around 90 per cent of those registering gave Mexico as the country of their citizenship. Registrations also included those of Germany, Switzerland, Venezuela, Austria, Syria and possibly others.

Postal employees stated an accurate count was not available, as the first to be registered were not counted at the local post office but their blanks were sent direct to Washington. Later it was learned that a count should be kept here. The peak of registration was during October, they stated.

Stamford P.C.A. Directors Meet

Plans Completed For Annual Meeting

The directors of the Stamford Production Credit Association met in regular session January 10th in Stamford with the following directors present: C. G. Burson, Haskell; J. B. Pumphrey, Old Glory; J. F. McCulloch, Stamford; Lassater McCulloch, Stamford; Lassater Hensley, Guthrie, and Clark Forbis, Afton.

C. R. Elliott, Munday, Texas, is the local representative for Knox county with office in Munday.

In addition to the regular report made by the secretary-treasurer, J. L. Hill, Jr., plans were completed for the annual meeting of stockholders to be held in Stamford at the Cowboy Reunion Bunk House on February 5th. A program for the annual meeting will consist of short reports from the officers with opportunities for all members to take part in discussions, also the election of a new director. In addition to these matters of business certain entertainment features will be carried out, and at noon a chuck wagon dinner will be served to all members, their wives and all guests.

At the annual meeting a total of 414 members were present. A much larger attendance is anticipated this year due to the 25 per cent increase in members during the year.

Knox City To Have Calf Show On February 15

The Knox county 4-H Club calf show will be held at Knox City this year, it was announced Wednesday by Walter Rice, county agent.

The Knox City Lions Club is sponsoring the show, which will be held on February 15. The club is busy in making preparations for this annual showing, in which calves fed by some 25 Knox county club boys will be shown. Winning calves will be shown in district and state calf shows.

Plans are already under way to make this one of the best calf shows ever held in Knox county.

AAA Payments Total \$179,535

During the past week 121 of the 1940 soil conservation payments were received in Knox county, County Agent Walter Rice stated. These checks represented a payment of \$14,812.46.

To date, Knox county has received 1,278 conservation checks in the amount of \$179,535.66. The 1940 soil conservation checks are the final payment due the county for 1940.

Mrs. Ulric Lea of Knox City was a business visitor in the city Wednesday. She was a caller at The Times office and had the paper sent to her address for another year.

23 Members of Team Are Given Awards

At a special assembly held at the school auditorium last Tuesday morning, beautiful jackets and sweaters were issued to 23 members of the Munday Moguls football team.

The jackets are a beautiful purple and gold wool flannel. They are of hip length, have patch pockets, zipper fronts and elastic fitted backs and are of the type featured in leading national magazines for the past several months.

Supt. S. Vidal Colley opened the assembly with a short talk, which was followed by the presentation of the jackets and sweaters to the boys by Coach Billy Cooper.

Also receiving jackets were Coach Billy Cooper, Joe Turner Hext, assistant coach, and Dr. R. L. Newsom, who gave the football boys medical attention during the past several seasons.

Members of the first team to receive jackets are: A. B. Kitchens, Red Stevens, Ray Moore, Raymond Carden, Lowell Cure, Joe McGraw, Lee Patterson, Joe Morrow, Judge Stevens, Ralph Tidwell, O. V. Milstead, Jr., Troy Denham and the team managers, John Broach and J. E. Reeves.

Boys on the B team who received sweaters are: Billy F. Armstrong, Edwin Darter, Cude, Tony Denham, Cadwell, Milton Kitchens, Jimmy Silman, Buddy Gafford and Edwin Lowrance.

Assistant Coach Hext closed the assembly with a short talk.

Lunch Room For Colored School

Forty Meals Will Be Served Each Day

Work is now in progress on the construction of an addition to the colored school building, which is to be used as a W.P.A. school lunch room.

Two negro women have been certified to prepare and serve the meals. About 40 meals daily are planned to be served at five cents each.

This project will be under the same supervision as all other W.P.A. school lunch rooms in the county.

The colored P.-T.A. has been very instrumental in getting the plans under way and will be responsible for all the equipment. Funds for the purpose have been raised by a Silver Tea and school programs.

W. C. Kimbrough Now Teaching At Sunset School

W. C. Kimbrough has been elected to succeed N. T. Underwood as high school principal and coach at the Sunset school.

Kimbrough first came to Sunset for the term of 1933-34, and remained there until mid-term of 1938-39. During his tenure the Sunset school had two county championship basketball teams, and each year Kimbrough coached a team that was a strong contender for the championship.

He is regarded as a very successful basketball coach, and the school board and patrons feel fortunate in having him back in the school.

Comfort Program Is Supplement To Mattress Program

A supplement to the Department of Agriculture's 1941 cotton mattress program will enable low income farm people to have one comfort for each mattress under the program.

Every family eligible to receive materials under the present program is also eligible to receive 10 yards of percale and four pounds of cotton for making a cotton comfort.

Under the regulations, comforts must be made in the community centers as in the mattress program. A family must first have received a mattress before obtaining materials for making a comfort.

Request for comfort materials may be sent to agent Neva Van Zandt.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

AGRICULTURE IS PREPARED

According to Secretary of Agriculture Wickard, agriculture is well prepared to play its part in national defense. There are adequate supplies of foodstuffs and plenty of soil fertility to meet any call that may come to the American farmer.

Much of the credit for that must go to the agricultural marketing cooperatives, which have done more than any other agency over the years to put the farmer on a businesslike production and distribution basis. They have done a fine work in promoting better methods of soil utilization, of harvesting, of shipping, etc. They have attempted not only to obtain a better return for the farmer, but to assure the consumer of a dependable supply of farm crops at a reasonable figure.

Agriculture's role in national defense is vital. The nation is fortunate that its farmers are so well able to do their job.

NO MORE POLITICAL LUXURIES

One recent statement of the President says that his next budget will involve drastic paring of government expenditures with the sole exception of those which have a direct bearing on defense. That is sound. It will meet with the approval of the people.

The President and his financial aides certainly have a wide field for slashing expenditures in many overgrown activities of the government. There can be no further excuse for relief spending on a grandiose scale, inasmuch as the rearmament drive is rapidly absorbing the unemployed, according to the government's own figures. And, vastly important, there can be no further excuse for the spending of tax funds for the purposes which can and should be left to private enterprise and private capital.

A FACT BROUGHT TO LIGHT

An interesting bit of information was brought to "light" the other day by one of those amazing people who can tell at a glance how far any object or kind of objects would reach if laid end to end, or any other mathematical fact in which you may be interested.

The fact in question was that the amount of electric light provided by one modern incandescent lamp would cost many millions if it was produced by combinations of the same chemicals and methods used by the firefly.

Now, there is one interesting point raised by all this. For the firefly is generally supposed, in popular fancy at least, to represent one of the things which nature has performed much more marvelously than man will ever be able to.

Only it turns out, with all due respect to the firefly's light, that industrial research has found how to turn out the same amount of that light much more effectively—not to mention how much brighter and larger.

Sometimes we overlook what is being done around us and for us in our eagerness to find the unusual and the really super-dramatic.

SPIRIT OF 77

As the opening session of the Seventy-Seventh Congress of the United States gets under way it is eminently proper that its members and the general public alike have a clear definition in their minds of the problems and responsibilities that the people's representatives face in these troubled world times.

Nor is it hard, by a little thoughtful analysis, to list the most important points upon which the Congress should fix its unwavering attention. They would certainly include the following:

1. National defense is of primary importance. It is industry's job to provide the materials for this defense; government's task, aided by expert military advice, is to define the country's defense needs and to employ them most effectively to safeguard our shores.
2. The rearmament program should be carried through with as little dislocation of our regular peacetime economy as is possible.
3. No group in this country need lose any of the sound social gains that have been won over the course of the years. But the Congress does have a schedule of modification and clarification that it could face well this session in the interest of making our economy function more soundly and for the good of all Americans. It has avoided the decision so far on amendment of the National Labor Relations Act, so badly in need of repair; now the report of the Smith House Committee studying that Act and the Board administering it points once again to the necessity for changes. The principles behind the Walter-Logan Bill, which narrowly failed to become law this last session, are worthy ones; in some form, they are deserving of more Congressional thought. Measures following the pattern of these projected items of legislation virtually demand the consideration of the new Congress.

Essentially the Seventy-Seventh Congress has this touchstone to test all its acts: consider the safety of the United States, and promote internal harmony so that our industries and our whole national life will be strong. If it works in that spirit, it can make "77" a real lucky number for our great nation and all the people who dwell here in peace and freedom.

For every ten men employed in making steel, about five are kept at work supplying the new raw materials.

THE MUNDAY TIMES

Published Every Thursday at Munday

IT'S GOT TO BE DONE

After a year or two of improving our safety in traffic record for Texas, 1940 has climbed back uphill with its lists of dead and maimed on the highways of Texas.

As a result, Texas is facing more than ever the major problem of doing something about the material reduction of this tremendous toll of life being exacted by motor vehicles daily.

The basic need is ostensibly a strong legislative program which will give the officers of the state some better tools with which to control traffic accidents.

Such powerful organizations as the Texas Federation of Women's Clubs and the Texas Congress of Parents and Teachers have made this program a first order of business for the coming year.

Other groups, headed by the Texas Safety Association, which has taken the leadership, are aligning themselves with the campaign to make possible better laws and stronger enforcement of them.

It stands to reason, of course, that if anything is to be done in Texas to stop traffic deaths, the state legislature is going to have to increase the size of the highway patrol, unfortunately reduced during the last legislature. Texas is paying the penalty for that now.

"There is no substitute for adequate policing of the highways. There is no substitute as a deterrent for the uniformed officer on the highways.

Texas has 200 highway patrolmen, patrolling highways the distance of which equals the distance around the world. Enforcement is required night and day. That means two shifts. That means 50 pairs of officers working at one time. But part of them must have days off, vacations, time out for illness. So we have less than 50 patrolling units at work at one time in this tremendously large state. They can't be expected to do the job.

Some of the needs in Texas have been outlined by W. H. Richardson, the able chairman of the Texas department of safety.

He suggests these needs.

1. Two hundred more uniformed officers of the same quality now in the highway patrol. (It will take a year and a half to select and train them.)
2. An improved driver's license law, with a small fee which would finance the enforcement.
3. A drunken drivers law with teeth in it, reducing the first offense from a felony to a misdemeanor or so that there would be convictions where today there are practically none.
4. A change in the speed law, increasing the speed limit, but making it strictly enforceable every mile beyond that limit.
5. A law providing for uniform accident reporting for all enforcement groups, state, city and county.
6. Reinstatement of patrolmen's salaries, cut by the last legislature. These men, who risk their lives daily in the public's interest, ought to be decently paid.
7. Addition of a second "safety lane" to test motor vehicles and determine whether they are safe to drive on the streets and highways of Texas.
8. Amplification of the department of safety's communication system.

Fortified by a standard driver's license law that would work, by a drunk driver's law that was not so extreme that it wouldn't be applied, and by a much-needed increase in the state's highway patrol, the department of safety and the other officers of Texas could begin to show some real results in the reduction of our highway death and damage toll.—Temple Daily Telegram.

Industry spent \$215,000,000 last year to improve existing products and try to discover new ones. This year, because of defense needs, the figure will probably be much higher.

Plywood, made by an industry only active in the United States for about ten years, today has over 2,000 uses, including radio cabinets, airplanes, luggage and piano cases.

Steve Clements of Hollywood, who does knife-throwing scenes for the movies, charges \$15 to throw an extra, \$25 dollars at a featured player, and from \$50 to \$100 to throw at a star.

Abe Tinker, CCC worker of Susanville, Calif., rents his Sunday suit to his comrades at \$1 a day. The suit has made 18 trips to San Francisco, 12 to Los Angeles, and around 50 to Susanville.

HE'S THE BOY CAN DO IT!

Gems Of Thought

OBEEDIENCE
The reward is "in" keeping the commandments, not "for" keeping them.—Lydia Maria Child.

Perfect conformity to the will of God is the sole sovereign and complete liberty.—D'Aubigne

Obedience is the offspring of Love; and Love is the principle of unity, the basis of all right thinking and acting; it fulfills the law.—Mary Baker Eddy.

No man can always do just as he chooses, unless he chooses to do God's will; and that is heaven. There is no liberty in Hell.—Joseph Cook.

All the good of which humanity is capable is comprised in obedience.—John Stuart Mill.

We need only obey. There is guidance for each of us, and by lowly listening, we shall hear the right word.—Emerson.

THE TEXAS FARM RECORD BOOK

College Station—In 1941, counsels Tyrus R. Timm, Extension Service economist in farm management for Texas A. and M. College, "hitch up farm records with your plans and you will have a winning team."

The Texas farm record book, prepared by specialists at the college, discloses in the beginning the distribution of the farmer's investment. In detail it shows the breakdown of cash incomes on the basis of individual commodity sales, allocation of cash expenses as to new buildings and machinery, tractor, automobile and truck, feed bought, hired labor, livestock purchases, miscellaneous crop expense and a fixed expense, together with farm products furnished the family.

This, represented in a complete financial statement at the year's end, should qualify as a farm tool, Timm says.

Emphasizing that a farmer should have spot answers concerning the details of his business, the economist asks these test questions: What was my butterfat production per cow in 1940? How much cash did I spend on my tractor in the form of fuels, and repair? What did my feed bill run this year? How much did we take in from egg sales? The record book would be a permanent file of this information.

The book, based on recommendations made by representative farmers, has supplementary records for farmers desiring fuller records. These include a sheet for crops raised and land utilization, rainfall record, enterprise feed records by months, daily egg production, and monthly enterprise labor records. County agricultural agents have full particulars, but, Timm reminds, "it is a book just for the farmers. It won't fit any other business."

AT ISBELL MOTORS

THEY SAY!

"It is of absolutely the highest importance at this time that in the interest of the defense program there be harmonious relations in the manufacturing industry between employers and workers, that disputes and strikes can be kept at a minimum, and that jurisdictional strikes be avoided altogether. And as never before, the proper administration of the Wagner Act is of surpassing importance."—W. M. Angle, President of Stromberg Carlson Telephone Manufacturing Company.

"Only with the tightening of our spiritual belts can we face the hard choice of 1941, and play any effective part in the drama of our age—the conflict between individualism and Communism, between Christianity and a militaristic paganism, between democracy and a dictatorship, between suiciding Europe and the resurrected East."—Will Durant, Philosopher.

"I am willing to vote for every dollar that is necessary for adequate national defense, but not for one dollar for aggression or for political purposes or for pump-priming."—Hamilton Fish

"It is a strange fact that the dictators have invented a kind of war in which the individual counts heavily. At that game, the democracies, which have never developed the regimented, mass-mind can beat them."—The New York Times.

Texas is fifth in the manufacture of cheese and eighth in the total income from the sales of milk.

For best results with a winter frame garden, select a protected spot on the south side of some building.

Prices of lower grade beef may not be as low as they seem when allowance is made for greater losses due to bones and to shrinkage in cooking.

The price paid farmers for their milk is geared to its butter fat content. Legal butter fat minimums for milk usually run from 3 to 3.5 per cent.

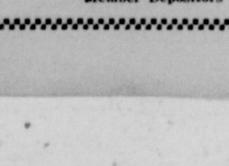

USE A CHECKING ACCOUNT . . .

for **CONVENIENCE**
It's so handy to pay bills by check . . . and you don't have to keep a lot of cash around the house. Checking is easy!

for **SAFETY**
No chance of losing money from your purse when you use a checking account. Checks are handy for shopping use.

for **PROTECTION**
When you pay bills by check you have legal evidence of payment in the cancelled checks. Checking protects!

CANNING PECANS

College Station—Pecans can be canned. Good news for Texas, who has a lot. The main object of canning is to prevent rancidity, which is done by completely exhausting the air from the nuts and the container, says Grace I. Neely, Extension specialist in food preservation for Texas A. and M. College. Jars should always be tightly sealed. December and January are the best months for canning.

One method is to put shelled pecans in dry, hot sterilized jars or cans, place and adjust the lids but do not complete the seal. Place the jars in a pressure cooker and bring the pressure up to four or five pounds; then release the steam immediately. Remove from the canner and seal.

For those not having access to a pressure cooker, prepare pecans as outlined and process in a slow oven or hot water canner for 15 to 25 minutes. Then remove and seal immediately.

Cool quickly and store in a dark, dry, well ventilated room. Do not open a jar or can until wanted for use. Then store any leftover in the refrigerator.

CCC TO TAKE DELIVERY ON UNREDEEMED WHEAT

College Station—Most Texas wheat farmers with wheat under the government loan can take their choice of either paying off their loans, or permitting the Commodity Credit Corporation to take delivery of it during the next four months.

Only farm-storage loans made in 1940 will not be affected, since the corporation, upon request of the producer, will grant an extension of the 10-month loan period on farm-stored wheat areas where the grain can be stored without deterioration.

As loans mature during the next four months, the corporation will take title to all unredeemed wheat and barley, Charlie L. Thomas, state AAA committeeman and a Pampa wheat farmer, announced following receipt of a statement from the CCC to that effect. More than 17,000,000 bushels of wheat in Texas stored in warehouses in 1940 or on the farm in 1939 and resealed in 1940 will be affected.

On December 31, closing date for making wheat and barley loans, the committeeman reported, the corporation had made 18,969 warehouse-storage loans on 17,300,378 bushels of wheat in the state. Held over in farm storage from 1939 were 192,000 bushels, making a total of 17,492,378 bushels which will be subject to delivery to the corporation if not redeemed by the date the loans mature. The first loans in Texas will mature in February. April 30 is the final maturity date. Eligible for resealing are 1,534,227 bushels of wheat under the loan and stored on farms. Only six barley loans were made in the state.

WAYS OF PROVIDENCE

Grandson: "Well, Grandmother, I suppose that soon when you go to the city shopping, you will go by airplane."

Grandmother: "Gracious no. When I want to go to the city, I'll go by automobile, the way the Lord intended."

"Now, if you'll give me a general idea of the type of house you need—"

"Well, I have to have something to go with the door-knocker that my wife bought in New England."

A rich man in his years of toil burnt barrels and barrels of mid-night oil.

His son now keeps his memory green

By burning the midnight gasoline.

—That Reminds Me

Ardelle Spelce was a business visitor in Bowie one day last week.

"So, your son is going to town to look for work?"

"Yep. Don't know's I blame him. Everybody feels like gettin' away and lookin' for work occasionally, 'stid of stayin' where he knows it'll be waitin' for him regular."

First inventor: "I'm going to invent an auto brake that will bring a car going 40 miles an hour to a dead stop in 20 feet."

Second inventor: "That's fine. Then I'll invent a gadget to keep the driver from going through the windshield."

Dickie Waheed, son of Mr. and Mrs. Sied Waheed, was taken to the Knox City hospital for medical treatment last Monday.

John Deere Dealer Brings Hollywood Film to Munday

"Melody Comes To Town" To Be Attraction On Farmer Day Program

Free to farmers in this and neighboring communities is the big John Deere Day movie program to be held at the Farmers Union Hall, over Moore Chevrolet, on Saturday, January 11, at 1:30 p. m.

According to the Munday Hardware and Furniture Co., local John Deere dealer, this year's John Deere movie program will appeal to everyone who has anything to do with farming. E. W. Harrell, Manager, extends a cordial invitation to every farmer, farmer's wife and farm boy to come to this big day of entertainment and education.

The main attraction, "Melody Comes to Town" is a sparkling, all-talking picture, with a popular Hollywood cast. It's an appealing story of a rural community rallying to the support of a worthwhile

cause. Packed with sentiment, laughs, and thrilling music, this heart-warming picture will long be remembered by those who see it. The capable cast includes lovely Jean Parker, who plays the part of Melody, and her troupe of charming musicians . . . Jackie Moran . . . Edward McWade . . . Sarah Padden . . . Joe Brown, Jr. . . Natalie Moorhead . . . Frank Faylen . . . Charles Phipps . . . and stuttering Roscoe Ates.

In addition to "Melody Comes to Town," four other all-talking, new pictures will be shown. They include: "The Road to Happiness," an interesting story of John and Claire Blaine, a typical small-farm couple, who eliminated many long, hard hours of work and found a new happiness in farm life . . . "The Shepherds Take a Vacation," an educational picture, depicting the change in harvesting methods that is taking place on small- and medium-sized farms throughout the country. "The Control of Quality," an enlightening picture that takes you behind the scenes in the building of modern farm tractors . . . and a short news reel of "What's New in Farm Equipment."

According to Mr. Harrell, admission to the John Deere Day Show will be by ticket only. Any farmer who has not received tickets can get them by inquiring at his store before the day of the show.

Hubert Homer was a business visitor in Wichita Falls last Thursday.

Leland Hannah, manager of Eiland's Drug Store, was a business visitor in Fort Worth the first of this week.

Mrs. Aaron Edgar visited in the home of Mr. and Mrs. E. O. Jameson of Knox City last Thursday afternoon.

BIRTH ANNOUNCEMENT
Mr. and Mrs. Henry Decker of Knox City are the parents of a son, born Thursday, January 9, Mrs. Decker is the former Miss Dessie Hammock and is well known in Munday.

Third Grade News
The third grade pupils were sad to hear of the death of their classmate, Homer Lee Kilgore, the past Sunday morning in the Knox City hospital. His death has left a vacant spot in our room and in our hearts.

All of the pupils are working faithfully to make good grades on their mid-term tests next week. Some of the class is reading so well that they will read in the Fourth Grade Readers after mid-term.

Seventh Grade Report
The seventh grade is getting ready for the term exams. They are going to spend until then reviewing. They had two out of the seventh last Monday.

They have three taking county spelling and are taking county music memory out of the seventh grade. They have five boys taking junior basketball and three girls taking junior volleyball. They hope to win some place in both athletic and literary events.

We Wonder Why
Burl wasn't seen in Knox City Saturday night. (Say, Burl, you don't like the twins any more?)

Raymond and Thaxton appeared in the study hall during English period?

Roy went to Swenson Saturday. (Who lives down there?)

Nelda likes 35 model Chevrolet cars, or is it the person? (Nelda, you had better watch out!)

Kay Eggleston likes the name "Austin."

Agnes likes the name "Happy." Victor seemed so sad Friday. (Vic, did you see someone turn in their books?)

Mildred likes to ride in a Model A with a certain freshman boy.

Edith likes blue hair and blonde eyes.

Coy likes to go to Munday on Saturday afternoon. (Coy, anyone of importance live down there, or am I under the wrong impression?)

Kenneth likes to read magazines.

Jane Mc likes to read murder stories. (Jane, are you going to murder someone?)

Doris likes to write letters. (Doris, can you be writing to so much?)

Polly Mc is always looking toward the front of the study hall. (Or near the front of the study hall.)

Glendolyn is always studying? Just Curiosity

Fourth Grade

The fourth grade is doing well in spite of the flu. There are only three students out at the present time because of sickness.

Two new students have joined the fourth grade class in the past week. They are Bobby Joe Fitzgerald from Munday, and Jackie Dale Cleveland from Wilbarger

county. The fourth grade welcomes these students and hope they will enjoy being in the class.

Sixth Grade News

Sunset is going to play Benjamin here tonight. Sunset Grammar school girls are going to play Munday Friday, also.

The most polite boy and girl elected this week were: Margie Lowrey and John Voss.

Fifth Grade News

The fifth grade roll call has been more complete this week than any preceding one. Glen Tankersley is back with us again.

Flu patients this week number three; Ileta Thompson, Randall Walling, and Riley Gene Hoover.

Dorman Followill was elected the most important pupil last week by the English Club.

Sophomores

In literature, the Sophs have been studying Shakespeare's "Merchant of Venice." They report that they find it about as clear as mud, and almost as interesting.

The Sophs are busily studying the algebra problems which Mr. Leroy gave them, from them he will pick their term exam problems. The Sophs still wonder why . . . Juanita doesn't mind moving to O'Brien (she'll still see him as much as ever) . . . Burl likes to go to Knox City . . . Nobody wants to be a reporter.

Juniors

The Juniors are preparing for mid-term exams with a little hope of passing.

The Home Ec III girls have been making costume jewelry out of corn and have them almost completed. They are also studying medical care and several other articles of interest.

The Juniors and Seniors decided that they would start studying

Civics after taking the Pop Quiz test last Thursday.

Freshmen
The Freshmen are rather nervous these days, could it be the mid-term exams? Yes, I'm sure that is what it is. They all intend to pass them but just the same they will be glad when they are over. They have really been studying hard lately and they hope to have several on the honor roll this six-weeks.

CARD OF THANKS

We take this method of expressing our thanks to the people of the Sunset community for their contribution during the illness and death of our son and grandson, Homer Lee; and to the doctors and nurses of the Knox City hospital who were so faithful, and all who helped in any way. May God's richest blessings forever abide with you, is our prayer.

Mr. and Mrs. Homer Kilgore
Mr. and Mrs. J. B. Clark and Family
Mrs. Jim Kilgore and Family.

LOCALS

Mr. and Mrs. J. A. Martin of Abilene visited friends here last Sunday. They are former residents of this county and are well known to many Knox county people.

Howard Hendrix of Houston came in last Saturday to attend the bedside of his father, J. A. Hendrix, who is seriously ill.

Lott Keffer of Seymour was a business visitor in the city Tuesday.

Mr. and Mrs. Sebern Jones and Mrs. D. C. Eiland spent last Sunday in Mineral Wells with Mr. Jones' parents, Mr. and Mrs. C. B. Jones.

B. M. Haymes and children of O'Donnell spent the week end with relatives here. Mrs. Haymes has been here for some time, attending the bedside of her father, J. A. Hendrix.

TO SHOE CONVENTION
George Salem, owner of the Fair Store, and Frank Silman of Rochester attended the shoe convention in Dallas the first of this week.

DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employees, students, or executives. They were paid \$185,105,639.12. On this basis, the average annual wage was \$1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was \$841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employees, they would have had additional wages of more than \$35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

Unskilled . . .
Minimum hiring wage . 75c per hour

Semi-skilled . . .
Minimum hiring wage . 80c per hour

Skilled . . .
Minimum hiring wage . 90c per hour

Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employees. Proof of this is found in the following com-

parison of compensation insurance costs:

The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of \$1.50 premium on each \$100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

25,819 between 40 and 50
14,731 between 50 and 60
3,377 between 60 and 70
417 between 70 and 80
12 between 80 and 90

In addition to the so-called regular employees, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job . . . buy a car . . . or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

Stella Broughton Honored at Shower On Monday Night

A lovely shower was given last Monday evening in the home of Mrs. A. A. Smith honoring Miss Stella Broughton of Abilene, who was married Tuesday night to Doyle Williamson of Haskell. Hostesses were Mrs. Smith and Mrs. Effie Alexander.

The Smith home was decorated with a variety of pot plants. Eighty-four was enjoyed, and open-faced sandwiches, cake and hot punch was served.

Gifts in two large baskets were brought in, and the honoree opened them and passed them among the guests. A variety of lovely and practical gifts were received. Tiny cellophane bags of rice were given each guest, and on these was a scroll announcing the wedding date.

Miss Edna Earl Stevenson presided at the guest register. Those registering included Meses T. G. Bengue, S. E. McStay, C. H. Giddings, D. E. Holder, E. W. Harrell, Beas C. Neff, Riley B. Harrell, Ike Huskinson, Chester Bowden, M. H. Reeves, B. B. Bowden, Robert Purifoy, B. L. Blacklock, A. U. Hathaway, C. R. Parker, J. R. Smith, W. E. Reynolds, A. A. Smith, Jr., Nell Hardin, Jim Reeves, Leland Hannah, W. V. Tiner, George Conwell, Oates Golden, R. D. Atkinson and Misses Louise Atkinson, Christine Burton and Leona Keel.

Party Honors Mrs. S. A. Bowden On Her Birthday

Mrs. S. A. Bowden was honored with a surprise party on her birthday, Friday, January 10. Hostesses were her daughters, Mrs. Erin McGraw, Mrs. Oscar Spann Mrs. Ina Reese and Mrs. Chester Bowden.

The party was held in the home of Mrs. S. A. Bowden, where games of 84 were played.

Refreshments were served to Meses E. W. Harrell, S. E. McStay, M. F. Billingsley, M. B. Bounds, Belle Henry, G. W. Dingus, A. Rutledge, Frank Russell, P. B. Rutledge, Frank Russell, P. B. Baker, W. A. Baker, John Lane, J. O. Bowden, J. B. Bowden, J. E. Bowden, C. H. Giddings, J. J. Keel and D. E. Holder.

Merle Dingus Is Hostess to Wesleyan Service Guild

Members of the Wesleyan Service Guild met in the home of Miss Merle Dingus last Monday night in the guild's regular weekly meeting.

The president, Mrs. Joe B. King, opened the meeting with a short business session. Mrs. Aaron Edgar was leader for the World Outlook program. Ruth Baker read the scripture, and Miss Dingus gave the third part on "God Bless America."

Other members present were Mrs. O. H. Spann, Mrs. Rupert Williams, Mrs. M. B. Bounds, and Mrs. Layne Womble.

HERE FROM DALLAS

Mr. and Mrs. R. W. Hightower and daughter, Charla Ruth, of Dallas, spent the week end here with Mrs. Hightower's mother, Mrs. A. E. Womble, and with other relatives and friends. Mrs. Womble returned to Dallas with them for a visit.

Mary Dell Guinn Thurman Newkirk Wed January 3

Miss Mary Dell Guinn and Mr. Thurman Newkirk were wed in a quiet ceremony at Weinert, Texas, on January 3.

Mrs. Newkirk is the daughter of Mr. and Mrs. L. C. Guinn of Munday. Mr. Newkirk is the son of Mr. and Mrs. J. W. Newkirk of Springtown.

The couple are at home near Springtown, where Mr. Newkirk is employed.

Sunset Home Demonstration Club Meets Recently

The Sunset home demonstration club met in the home of Mrs. T. J. Partridge recently for the first meeting of the year. New officers are Mrs. W. E. Lowrance, chairman, and Mrs. Weldon Floyd, secretary.

A very interesting demonstration on indoor gardens was given by the agent, Neva Van Zandt. She also helped in planning of the family food budget.

All members are enthusiastic about the new year's work and were pleased to have several new members and visitors. The next meeting will be on the fourth Tuesday for a knitting demonstration. The meeting will be with Mrs. R. M. Almanode.

Mrs. Mahan Is Hostess to New Deal Bridge Club

Mrs. Wade T. Mahan entertained members of the New Deal Bridge Club and several guests at a luncheon in her home on Wednesday. Following the luncheon bridge was played, with high score going to Mrs. Dorsey Rogers.

Members present were Meses Sebern Jones, Lawrence Kimsey, J. C. Harpham, Carl Jungman and the hostess. Guests were Meses Gene Harrell, Dorsey Rogers and Aaron Edgar.

Mrs. H. F. Barnes Hostess At Party For Bridge Club

Mrs. H. F. Barnes was hostess to members of her bridge club one day last week. High score prize was presented to Mrs. Fred Broach.

A dainty refreshment plate was served to the following: Mrs. Fred Broach, Jr., a guest; members, Mrs. W. E. Braly, Mrs. John Lane, Mrs. C. L. Mayes, Mrs. W. M. Taylor and Mrs. Fred Broach, Sr.

COLORED P.-T.A. THANKS CITIZENS FOR FUNDS FOR HOT LUNCH ROOM

The P.-T.A. of the colored school wishes to express their sincere appreciation to the many friends who contributed in the drive for funds to secure a lunch room at the colored school. With their support, the sum of \$58.95 was secured, which is almost the goal these leaders were striving to reach.

Those who deserve special mention are Mrs. Lea, Supt. Colley, Mrs. Paul Pendleton and H. A. Pendleton.

Signed: Mrs. M. E. Wellington, teacher Gus Johnson, collector of funds

They're On The Job At Austin

Pictured above are representative Grady Roberts of Munday and Senator George Moffett of Chillicothe, who left last week for Austin, to be there for the opening of the Texas Legislature on Tuesday, January 14. The above picture was made at the Munday Chamber of Commerce annual banquet on February 7, 1938.

S. D. Williamson, Stella Broughton Marry Tuesday

S. Doyle Williamson of Haskell and Miss Stella Broughton of Abilene were united in marriage at four o'clock at the Baptist parsonage in Munday. Rev. W. H. Albertson Baptist pastor, read the marriage vows that united the couple.

Only attendant at the wedding was the bride's sister, Mrs. B. L. Blacklock.

Mrs. Williamson is well known in Munday. She operated the beauty shop at the Hat Shop for some time before going to Abilene to care for her mother several months ago.

Mr. Williamson is a well known Haskell county farmer, and the couple will make their home on the Williamson farm near Haskell.

Cecil Bookout, who operates a bakery in Haskell, was a business visitor here Wednesday.

Haskell Youth Is Seriously Burned

E. D. Kemp, 15-year-old Haskell youth, was seriously burned at noon Saturday as he attempted to make his way through the blazing kitchen in the home of "Aunt Angie" Tohmson to warn her and assist her from the place.

The aged woman, a near-invalid, had already escaped from the four-room structure. The boy suffered burns on his chest, face and arms, and on both legs from his hips down.

E. D. lives with his parents, Mr. and Mrs. W. A. Kemp, in the house with Mrs. Thompson.

Mrs. Collier and daughter of Abilene visited in the home of Mr. and Mrs. B. L. Blacklock the first of this week.

Mrs. B. F. Farmer of Knox City was a business visitor in this city one day last week.

State Aid, Teacher Retirement Theme Of Recent Meeting

Discussions of legislation on teacher retirement and state aid to schools was the principal theme of the school administrators conference held in Austin last week. Ideas and thoughts on this legislation, to be brought up during the present session, were discussed.

The opinion was that this session would take some action on the retirement question, and it was the general idea that teachers would become disheartened unless something was done. The legislators, it was said seemed in favor of more liberal rural aid than before, making it easier for schools to qualify for rural aid. The tentative bill has more appropriations and more liberal terms, which County Supt. McLaughlin said would benefit a number of Knox county schools.

Mr. McLaughlin, Supt. S. Vidal Colley, Mr. Perkins, supt. of the Shamrock schools, and Mr. Cavanaugh, county supt. of Wheeler county, made the trip to Austin by automobile.

VARIETIES OF CANE ON SOIL CONSERVATION ACRES ANNOUNCED

The state AAA committee has ruled that red top cane, amber, orange, African millet and seeded ribbon cane are the only varieties of sweet sorghum that may be planted on soil conserving acreage, and can be harvested only for bundle feed.

Knox county farmers should bear this in mind in selecting their crops to be grown on government land.

D. E. Holder was a business visitor in Abilene one day last week.

Mrs. Arthur Lawson is visiting her sister in Spur, Texas, this week.

M. G. Catter of Wichita Falls was a business visitor in the city Wednesday.

M. T. Chamberlain of Benjamin, county clerk of Knox county, was a business visitor in the city last Saturday.

Increased Sales Derived From Ads In Munday Times

Makers of Creomulsion Praise Results Of Ad Campaign

The Creomulsion Company says, "Consistent advertising in The Munday Times has greatly increased the sale of our product, Creomulsion in your trading area."

Creomulsion, a superior prescription for stubborn coughs, chest colds, and bronchitis, is especially beneficial in the relief of coughs that follow influenza.

Recommended by thousands of doctors and druggists from coast to coast, Creomulsion is sold and guaranteed by all drug stores.

WASHBURN NEWS

Mrs. C. N. SMITH, Correspondent

We have several cases of flu in our community this week.

C. N. Smith and L. A. Searcey were in Fort Worth on business last Friday.

Cecil Gulley of Sunset visited relatives here last week.

Mr. and Mrs. Lamar Searcey, Mr. and Mrs. Thurman Gulley and Miss Frances Smith were Haskell visitors last Sunday.

Mr. and Mrs. Brice Dobbs of Munday visited A. M. Searcey and family recently.

Home Rowell and family of Knox City visited Mr. and Mrs. A. D. Wallace last Sunday.

Mrs. Otis Simpson is attending the bedside of her father, Mr. Hendrix of the Hood community, who is ill.

Miss Ada Gulley of Munday visited relatives here last Sunday.

Mr. and Mrs. S. J. Wallace have recently moved to Seymour to make their home.

Dean Wilson of Goree visited Angeline Yates last week end.

Mrs. Emma Hill and niece of Munday visited relatives in this community last week.

Mr. Lamar Searcey and Mr. and Mrs. A. M. Searcey were Mineral

Wells visitors last Monday. They were accompanied by Brice Dobbs and Miss Lucy Lee Dobs of Munday.

Dan Donoho and family of Goree have recently moved into this community.

Miss Vera Mae Conwell visited Miss Mildred Davis recently.

Mr. and Mrs. Mann Broach were business visitors in Wichita Falls last Wednesday.

Mr. and Mrs. Chas. McAfee of Sunset spent last Tuesday with Mr. and Mrs. J. R. King.

Walter Patton, who resides east of Weinert, was a business visitor in the city last Monday. While here Mr. Patton had The Times sent to his address for another year.

Mrs. H. F. Monke, postmistress at Weinert, was a business visitor here Saturday.

Jack Idol, who operates the League Ranch near Benjamin, was a business visitor here Wednesday.

Coach Billy Cooper was a business visitor in Austin the latter part of last week.

Fred Broach, Jr., spent last Tuesday in Vernon, attending to business matters.

AR-CO

For a good tonic to build up and overcome that run-down condition after influenza or cold, take AR-CO, a palatable compound rich in vitamins A, B, D & G.

• Let Us Fill Your Prescriptions

TINER DRUG COMPANY

THERE'S REJOICING AT THE JOYCES!

In spite of the big reduction in electric rates in recent years, many folks say their bills have not been reduced. In many homes that is true because today people are using bigger lamp bulbs, they have radios, refrigerators, washing machines, and in many cases ranges and water heaters they didn't used to have. Their bills are about what they've always been, but today they get from twice to three or four times as much Electric Service for their money. For example, in 1928, \$5 bought about 20 kilowatt-hours but today it buys 100 kilowatt-hours, or five times as much for your money.

A DOLLAR BUYS Five TIMES AS MUCH Electric Service TODAY AS IN 1928

NOTICE—I now have a complete stock of magazines; also daily papers, both daily and Sunday. Runt's News Stand. 29-2tp

Munday Students Plan For League Activities

Interscholastic League activities are getting started this week and soon school will be humming with all kinds of contests being stressed as the children prepare for their various events. Literary events such as Declamations are being coached by Mrs. Cobb, Miss Burnett, Miss Crouch and Mrs. Palmer. Music memory and choral singing is coached by Miss Gentry, while arithmetic, picture memory, story telling, essay writing, 6th and 7th spelling, and 4th and 5th spelling are being coached by Mrs. Cooper, Miss Crawford, Mrs. Palmer, Miss Sims, and Mrs. Wright, respectively.

The tennis courts are being put in condition and on pretty days you'll see tennis balls being bounced all over the courts while the boys and girls are preparing for competition.

TWO SAFETY PLAYS TO BE PRESENTED

Room 5B is working hard on two safety plays to be presented in Assembly on January 24. The title of one is "A Day in Traffic Court," and the other is "Children, Be Careful." Practically all boys and girls in 5B are in the two plays. The first play takes us to court where several cases are brought up for traffic violations. The second play is a scene in a hospital, where many patients are brought in as a result of accidents. Safety is the theme and will be emphasized throughout the program.

First Grade News

We are busy studying on safety. We have already learned that it is safer to cross streets at intersections, and that it is important to know the signals of our patrolman in crossing the highway at school. We made a toy street light and every member of the class knows that the green light means "go" and the red light means "stop." Here is a poem we are reading about street lights:

Stop! Wait! Go!
Red, yellow, green!
Stop, wait, go!
Red, yellow, green!
Stop, wait, go!

Green said, "Yes!"
And red said "No!"
Yellow said, "Everyone wait in a row."

Mr. & Mrs. Munday

is the Mortgage on Your Home

COVERED

by Your Life Insurance?

... or Can Death

Cause the Loss of That Home?

Mrs. Bess C. Neff

Representative

SOUTHWESTERN LIFE INSURANCE CO.

We are going to make stand-up dolls of the men who protect us from dangers. They are namely: the policeman, the boy scout, the fireman, the doctor and the dentist. We plan to make safety posters, signs, and booklets in connection with our study of safety.

Second Grade News

The Second Grade has been making us original stories for Language. There were some good stories in the class. Junior Howeth made up this story:

A Snowman

I went down to the pond to skate. I was afraid the ice was too thin so I made a snowman instead. I put a stick gun in his hand and a hat on his head. He looked like a soldier. It was fun to throw snowballs at him.

An Old-Fashioned Book

Jean Green brought an old Blue Back Speller that was used by her grandfather when he was a boy. It was very interesting to look at the pictures and words. But we are glad that we do not have to study it.

Kenneth Stubblefield went to Mineral Wells and Fort Worth this past week-end.

Richard Manire went to Wichita Falls.

Betty Conwell went to Mineral Wells to see her daddy.

Burna Dean Suggs was in Wichita Falls Sunday.

Joyce Yarbrough went to the country to visit her sister. She tried to ride a horse but fell off. Then she tried to learn to milk a cow and the cow kicked the milk out of the pail. But she said she had a good time just the same.

15 boys and girls went to church and Sunday School Sunday.

Omer Yarbrough and J. L. Ford both learned to ride a bicycle this week-end.

The second grade boys have been making feeding stations for the birds. The girls have brought seeds and suet for the birds. Now they are ready for a snow.

Richard Manire brought some peach branches to school. We looked at the winter buds. We put them in water. Soon there will be green leaves and maybe blossoms on the branches.

Speech Students Prepare

Patriotic Speeches

Speech students in Munday high school have completed a debate within the class with Charles Baker and Ben Bowden as winners over the remainder of the class on the question Resolved, That Texas should increase the tax on natural resources.

Five minute speeches on "We, the People," a contest sponsored by the local American Legion are now being prepared by several of the speech students. These speeches will be given this week as part of the final examination.

War History Written In History III Class

History of the war from September to the present date is part of the examination of the History III class. They are using large weekly maps displayed in the room, several magazines, and daily newspapers to summarize news that has taken place thus far in the war.

After mid-term the students will conduct a survey of business for the outstanding problems of the time so they may be studied in class.

Citizenship Club To Stress Safety
A Citizenship club that meets on Monday evenings has been organized by the students or room 4A

whose teacher is Mrs. N. M. Wright.

President of the club is Ruth Browning. Chairman of various committees are: Roy Ford, good manners group; Joe Yarbrough, program; Betty Graham, fire prevention.

Vice-president of the club is Jo Nell Mullican. Secretary is Carolyn Bowden.

Birds Prepared For

School Gymnasium

Taxidermy work on two species of birds has been completed by science students of Munday High School. One of the birds, a starling, is an immigrant to the United States from England. It has become a wide-spread pest in the mid-west and is spreading to the southwest. This bird has been known to kill cattle that have been weakened by insect attack. Grubs picked from the back of cows creates a taste for blood in the birds and they often peck cows to death.

A Cooper's hawk, a bird valuable to farmers, has also been preserved as a study skin.

Some of the students who prepared the birds as museum specimens were: Buddy Gafford, Bobbie Haynes, Edwin Lowrance, Joe McGraw and Floyd Yates. Teacher of the group is N. M. Wright.

Rhineland News

Mrs. Leona Schumacher visited over the week end in the home of her sister, Mrs. H. D. Affleck at San Angelo.

Messrs. Joe Blaschke, Jr., and Bernard Herring accompanied by Miss Lucille Petrus visited in Pep, Texas, last Thursday and Friday.

Mr. and Mrs. Anton Wilde and son Elmer, and daughters Mary and Rosalie, spent Thursday in Wichita Falls.

Messrs. G. J. Petrus, Johnnie Petrus and Ed Mackenney spent part of last week in Vernon, Texas.

Messrs. J. N. Albus, G. J. Petrus, and Edwin Albus made a business trip to Mineral Wells, recently.

The following are employed in Mineral Wells, Texas: Messrs. Leo Kuehler, Robert Albus, Bernard Herring, Mick Birkenfeld and Mr. and Mrs. Vincent Albus.

Mr. Albert Wilde, Miss Clara Wilde, and Miss Jean Wilde spent the week end in Wichita Falls. Mrs. Wilde returned home with them.

Messrs. Jerome Decker and Tony Kuehler left recently on a business trip to Pep, Texas.

Crowell Downs Munday Moguls In Basketball

Munday's Moguls Tuesday night held Crowell's Wildcats to a 10 to 14 score. The Crowell team, state finalist last year and recent winner of the Seymour invitation tournament, was held to a meager four points by the field goal route by Munday's tight shifting zone defense. However the Crowell entry cashed in on a bunch of free throws to make ten points by that method.

The lead alternated back and forth, never more than one or two points difference between the two teams until the last minute of play, when the Moguls, in an effort to erase Crowell's one-point lead, started a pressing defense.

Joe McGraw appeared to be the leading player of the Moguls. Joe dropped two difficult overhead shots into the bucket. Judge Stevens looked good on recovering rebounds.

The Moguls have made the most improvement of any team in this section. They had lost three games by a total of seven points. 20-21 to Vera; 20-22 to Weinert and 10-11 to Crowell. These scores indicate the Moguls are playing some excellent basketball and the fans who are staying away from the games are missing a real treat.

The affair Tuesday night was a double header and the first game ended 20-20. The Moguls led up to the last 3 seconds of play when a long field goal from the sidelines tied the game up. Punk Cude and Hulaa Montgomery showed the fans some real basketball and made about 13 the Moguls' 20 points between them.

GO TO AUSTIN

Mr. and Mrs. Grady Roberts left last Thursday for Austin, where they will make their home during the present session of the Texas legislature.

County Judge J. C. Patterson of Benjamin was here Tuesday on official business.

Mr. and Mrs. Willard Mitchell of Rochester were business visitors in the city last Monday.

We've Moved

JIM STEELE

RIGHT OUT OF THE AIR

By EARLE FERRIS

IN POPULARITY polls of outstanding new performers to emerge on the air waves in 1940, Dinah Shore, pictured here, was the choice of

most voters. She is heard on the Eddie Cantor program Wednesday nights.

Bandleader Don Voorhees says that background music in radio productions is in for a new treatment. The brassy chords and the ascending violins are out this season. Mood music and bridges between scenes will tell the lines in the script which the author has left out. Voorhees has arranged his backgrounds accordingly, which accounts for the popularity of his program, "Cavalcade of America."

Bing Crosby was absent from the Music Hall for one night on Jan. 9. Robin Burns, shown here, fresh

from his vacation in New York City, took over for Bing with the able aid of Connie Boswell, the Music Mails and John Scott Trotter's orchestra. Bing took the week off for winter sports at Yosemite.

A revealing item is that the "Adelaide Marstone" who writes Bess Johnson's "Hilltop House" series isn't Adelaide Marstone at all. The name stands for two girls who combine their names when writing the radio script in which

Miss Johnson has done so well that the sponsor has just renewed her.

Gabriel Heatter presented handmade, ornamental pins to all feminine members of the "We, the People" staff. They were made by Gabe's daughter, Maida, a costume jewelry designer.

Feature in the "Short, Short Stories," heard over a number of stations twice weekly, are a number of radio's leading actresses.

Bette Harmon, pictured here, is one of the outstanding performers. She broke into radio in Chicago and was brought east for featured parts.

Horace Heidt whose "Pot O' Gold" program is heard Thursday over the NBC-Blue network, may forsake radio for motion pictures. Early reels are being made of his movie work in the James Roosevelt picture named for Heidt's program in the case he has plus screen personality.

Xavier Cugat, pictured here, is director of the orchestra which leads all others in this country in providing Latin-American

rhythms. He is now being heard on Thursday nights over the NBC-Red network in a program featuring the rumba, conga and tango. Yvette is heard as his vocalist.

At The Churches

METHODIST CHURCH

I still maintain that some Methodists are funny things. The have such a peculiar sense of loyalty. After all life is a funny thing because we sometimes live it so one-sided. One side we allow to grow and develop while the other is dwarfed because of our method of cultivating it. And yet the director of the lop-sided life seems to expect the impossible. Sowing lop-sidedness he expects to reap a well-rounded life in the end. So often we do not profit by the lessons taught in nature. Who ever saw cotton grow on corn stalks? Onions do not grow on bean vines. The farmer does not plant a crop and leave it until the harvest season without cultivation and expect a harvest. Regardless of the natural process of things some seem to be inclined to think that even the laws of nature will be thrown in reverse in their case. But let us remember the teachings of the scriptures, that a man will reap as he sows. Let's be careful in our sowing, be sure to cultivate properly and in the end the harvest will be sweet.

Are you loyal to God and your Church? Give that Christian experience proper cultivation by attending the worship service each week in your church. Your church needs you and you need your church.

Sunday School, 10:00 a.m.
Morning worship, 11:00 a.m.
Epworth League, 6:15 p.m.
Evening worship, 7:00 p.m.
Bible Study Wednesday, 7:15 p.m.

FIRST BAPTIST CHURCH

The Golden Text for next Sunday's Sunday School lesson is, "Come; for all things are now ready." This call rings out from the Lord today. All things are ready. There is nothing else to

which we can turn with any assurance at all that it is secure. The world order is changing. All things material must change. It is only the truths of the Eternal God that never change. God's call to come to Him is a challenge that is more meaningful than anything the world can produce. He has made every provision for our security and safety. Any little two-by-four sissie can make an excuse for not doing. Like the men represented in next Sunday's lesson. A half-wit could offer the excuses that they offered. Turn and read Luke 14:15-24 and think how silly their excuses are. The most challenging thing in the world is the program of Jesus. He took a handful of uneducated men and transformed them by His power and started a movement that kings, empires, and armies have not been able to overcome. The stone that was hewn out of the mountain without hands really is the head of the corner, it matters not what you want to build. Let's quit playing with the devil's fireworks, and put our lives

into the service for God and His Kingdom. "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

"He that believeth on Him is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."

W. H. Albertson

FIRST PRESBYTERIAN CHURCH

Dr. J. Stuart Pearce, Home Mission secretary of the Fort Worth presbytery, will be with us next Sunday at the eleven o'clock service. At this service Fred Branch, Sr., newly elected ruling elder, will be ordained and installed. Regular communion will be observed and those who desire it should be baptised.

We are asking all our congregation to keep this service in mind and be present next Sunday morning, the 19th of January.

Winston K. Bryant

Mr. and Mrs. Howard Cobb moved into the J. E. Edwards home last Saturday.

New Grocery Stock

We have added a new stock of standard brand staple groceries and fruits at our Gulf Station. Money-saving prices will prevail on all items in our stock.

We will appreciate a portion of your business, large or small.

I GIVE YOU TEXAS

By Boyce House

One for the "old joke" competition:

A negro accused of theft was placed on the witness stand by his lawyer. The judge, being doubtful if the defendant understood the nature of the oath, asked him:

"Sam, do you know what will happen if you tell a lie?"

"Yes, judge, I'll die and go to h--- and burn a long time."

The judge continued, "And if you tell the truth, do you know what will happen?"

"Yas, suh; we'll lose de case."

Could it be possible that "Bits o' Nothing" in the St. Jo Tribune was twitting somebody—maybe Amarillo? Here's what that columnist wrote recently:

This little city was isolated, cut off, from the rest of the outside world for more than fifteen minutes Sunday when Mother Nature played one of her Panhandle jokes on this section . . . but did you hear us crying or bragging about it? We took it in our stride, just as every other loyal citizen of this city of 1000 did.

Electric lines went down under the added weight of ice which formed on the wires during the several-hour drizzle and Saint Jo was without power and lights for at least fifteen minutes. It was an experience many of us will never forget, but the pioneering blood of the populace made it possible to prevent total hysteria.

In cases where water pipes were frozen, entire families had to go without bathing for more than three hours.

All of this happened in Saint Jo but did we call out the Texas Rangers? Did we ask for Red Cross assistance? Did we call in special AP writers? Did we broadcast appeals for sympathy? We did not. Instead we stayed up half the night Sunday to behold the lovely sight under a full moon.

The entire city and countryside were turned into a crystal fairy land. Thousands of trees became giant crystal chandeliers, tinkling and sparkling in the gentle breeze.

Advocates of a reasonable increase in the Texas truck load limit of 7,000 pounds (which is the lowest of any State in the Union) point out that the proposal will not increase the size of the trucks but only the amount of the load. The present law, they assert, is unfair because it even prevents the United States Government from hauling in its own trucks a load that would be legal in all other 47 states. The recent opinion of the Attorney General holding that U.S. Department of Agriculture trucks can not haul more than 7,000 pounds in Texas over highways that Federal funds helped to build shows that the present Texas load limit law is arbitrary, unjust and unreasonable and should be changed to permit an increase on a scientific basis, it is contended, allowing 16,000 to 18,000 pounds to the axle and 600 to the inch width of tire, and even then, the States allowing a bigger load than Texas.

"Lindbergh Flies Alone" Alone? Is he alone at whose right side rides courage, with skill within the cockpit and faith upon the left? Does solitude surround the brave when adventure leads the way and ambition reads the dials? Is there no company for him for whom the air is cleft by daring and the darkness is made light by emprise?

True, the fragile bodies of his fellows do not weigh down his plane; true, the fretful minds of weaker men are lacking from his crowded cabin; but as his airship keeps her course he holds communion with those rare spirits that inspire to intrepidity and by their sustaining potency give strength to man, resource to mind, content to soul.

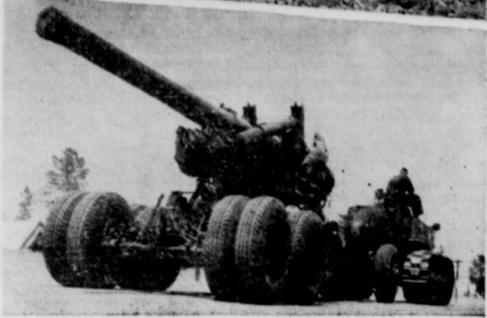

Alone? With what other companions would that man fly to whom the choice were given? (Written by Harold Anderson, editorial writer for the New York Sun, May 21, 1927, who died recently.)

In Texas proserdom: Three widely known and highly respected editors recently were claimed by death—John F. Hart of the Commerce Journal and East Texas Teachers College journalism instructor; H. S. Hunter of the El Paso Times, conductor of a popular column, "Around Here"; and Ray Cooper of the Lindale Reporter. All were friends of this writer.

Luther Watson, Nolan County News publisher, was chosen as Sweetwater's No. 1 citizen of the year.

F. D. Hicks, foreman of the Ranger Times while this commentator was editor, has become publisher of the Glen Rose Reporter. Matt Moore (a friend of Brady days) not long ago acquired the DeLeon Free Press and D. K. Doyle, an associate of Eastland days, is the new editor of the Heart o' Texas News in Brady.

Machines Protect America

Machines play the leading role in modern defense. Shown above are machines for soil defense and national defense. The cannon is one of a number of U. S. guns capable of long-range destruction. The earth-moving equipment at top is of a type used by many farmers in building dams and reservoirs. In 1939 farmers moved more than 11 million cubic yards of earth in performing this conservation practice, equivalent to the volume of material going into Columbia river's huge Grand Coulee dam.

Freshman Report

The Freshman class was very sorry to lose one of their best students this week, Orvetta Gray. We are also glad to have Ruth Littlepage back with us, who has been absent nearly two weeks with the flu.

Sophomore Report

The Sophomores wonder why Frances found an empty desk in front of her so quickly Monday morning?

Bonnie has quit chasing after Soupy?
 Elda Purl has begun to study?
 Jimmie Salter keeps wondering why E. C. couldn't have been a Soph?

Glenda Faye hates to be so nosey?

The Juniors have been rehearsing their play. We are planning to present it February 13.

The characters are:
 Silas Long—Alonso Cartwright.
 Sarah Long—Alice Salter.
 Hazel Long—Edna Earl Russell.
 Richard Biltmore—Lester Duke.
 Hank Blink—Perry Stark.
 Lizzie Blank—Nadene Parker.
 Dave Hinkle—Pete Rutledge.
 Minnie Hall—Louise Spikes.
 The name of the play is "Look Out, Lizzie!"

We are glad to have E. C. Brown as a new member of the Junior class.

Senior Personality

Douglas Meizer was born at Benjamin, February 22, 1922. He

NOTICE FARMERS Stalk Cutters

MORE POWERFUL CUTTING
 LIGHTER DRAFT
 SMOOTHER RUNNING
 EASIER HANDLED

For greatest possible cutting efficiency, each cylinder on our Tractor Stalk Mulcher runs independent of the other. This eliminates vibration and means that all the stalks can be cut with less draft, smoother running and easier turning at the ends or rows.

Built in 2-row size and 4-row size. The 4-row stalk mulcher can be increased to the 5-row size at any time by attaching center coupling beam and adding another 1-row section. The 1-row sections are hinged to the others to follow uneven land and to insure a thorough cutting of stalks all over the field.

All kinds of tractor work, Farm Machinery, blacksmithing, electric and acetylene welding, plowshares—in fact you'll find anything you need on the farm here.

Guinn Hardware Co.

"YOUR NEEDS CHEERFULLY SUPPLIED"

started school at the age of 6. He hopes to finish this year plans to attend Texas Tech next year.

Some of his favorites are:
 Favorite sport—Football.
 Favorite teacher—All of them.
 Favorite Subject—History.
 Favorite Song—Seven Years With the Wrong Woman.
 Favorite Flower—Rose.
 Favorite Color—Red.
 Favorite Saying—Let 'em Bump.

Sports

The Mustangs participated in the Seymour tournament which was held at Seymour last week end, but they were not successful. The first team which the Mustangs played was the Seymour team. The scores were 15-9 in favor of Benjamin. Saturday morning the Mustangs met the Holliday team and gave them some stiff competition, but lost by a score of 20-16.

Friday night at the Benjamin gymnasium, the Margaret all-stars defeated the Benjamin all-stars, and due to the fact that the team which was to play the senior basketball team did not come, the Margaret all-stars played and defeated the Mustangs. The volleyball girls were defeated by the Benjamin all-stars.

The Mustangs play Sunset Tues-

day night at Sunset. This promises to be a good game and we would like to have a lot of Mustang supporters out to see the game.

We also expect to participate in the Vera tournament this coming week end. Here's hoping you bring back a trophy, boys!

We Wonder—

What Pete's favorite subject is? How Bill and Cidy like their new sweaters.

Why Doug laughed so much in the show Saturday night.
 What teachers do in their spare time.

Can You Imagine

Bill, Butch and Douglas being satisfied with the temperature of the room?

Miss Baird being harsh with speech students?

Miss Cole not knowing about Shakespeare?

Miss Covey not knowing how to bake biscuits?

Miss Cunningham not knowing who discovered America?

Mr. Barton playing basketball?

Willie being red-headed?

Tooter being an orator?

Mr. Curry delivering a sermon? Ed making a field goal in a bas-

ketball game?

Then new basketball and volleyball suits getting soiled?

Mrs. Jackson, the librarian, not being able to locate a certain book that is overdue?

Elda Purl giggling?
 Cidy blowing those horns?

Sadie the Snoop

Say, Perry, how far is it from the North Hill to town. (If you don't know ask Beulah, Bud or Cidy.)

Why the sudden interest in putting on fresh makeup, Soph girls?

I guess you all know the story that kids tell about running out of gas, but just in case you don't ask Perry.

Elda Purl, what caused the giggling in Biology class Monday morning?

What could have happened to Adrian's lip?

Cidy ran into a door and caused the bump on his eye—or did he?

Say, Beulah, can't you play volleyball without having stiff muscles?

How long will Cidy wear his school sweater?

Mrs. S. S. Turner of Truscott was a business visitor here last Monday.

STOP ME IF YOU'VE HEARD THIS ONE

Salesman: "Madam, I represent the Mountain Wool Company. Do you think you would be interested in some coarse yarns?"
 "She: "Gosh, yes, tell me a couple."

Citizen: "My car was insured with your company, and it's smashed to pieces. How much money are you going to pay me?"

"Insurance Adjuster: "We won't pay you any money, but we will replace your car."

Citizen: "Well, that's all right in this case. But if that's the way you do things, I want to cancel the policy I have on my wife."

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritic or neuralgia pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound today. Mix it with a quart of water, add the juice of 4 lemons. It's easy. Pleasant and no trouble at all. You need only 2 table-spoonfuls two times a day. Often within 48 hours — sometimes overnight — splendid results are obtained. If the pains do not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by

WEINERT SCHOOL NEWS

Football Banquet
The 1940 Football squad will be honored with a banquet Thursday evening January 16 in the high school gym. Tickets will sell at 50¢ each plate. Rev. I. J. Duff will act as master of ceremonies and Dean R. G. Boger of McMurry College will be the speaker of the evening. A full evening of entertainment will be offered. Awards to the players will be made at the banquet.

Volleyball
The volleyball girls of Weinert school played Monday, Friday night at Weinert. The games started at 7:00 o'clock. The girls were defeated by two games. They put up a good fight but just couldn't make the grade.

The girls are planning on playing Rochester Tuesday night, January 14, at Rochester. We are hoping the girls will win, and we know they will put up a fight. We are very proud of our girls.

Bulldogs Defeat Moguls
In the basketball game which was held in the Weinert gymnasium Friday night, January 10, 1941, the Munday Moguls were defeated by a score of 20-18.

The Moguls were leading until the last quarter. Sanders scored 2 field goals, and Jenkins made one free shot to put the Bulldogs in the lead the fading minutes of the game.

The Bulldogs will play Rochester at Rochester Tuesday night of this week, and they will meet the Haskell Indians in Haskell next Friday night.

There's Always Something
What with skating two nights a week and ball games the other nights would one want for more entertainment, but there is next week. One just can't enjoy life when there are constant reminders of such serious approaching events.

Home Economics
Wednesday, January 8th, the Homemaking girls had their dress parade in the Home Economics cottage.

There were 17 models to parade the various "general wear dresses."
Pauline McBeth, Margaret Duff, Bernice Pickering, and Irene Havran won the first four honors, respectively.

We thank the judges, Mrs. Floyd Hefner and Mrs. J. V. Perrin, very much, and we were well pleased with their judging.

F.F.A. Meeting
The Weinert Chapter of Future Farmers met last week to elect a Chapter Sweetheart and a Federation President.

Those elected for the offices were Irene Havran, Sweetheart, and Bernard Cooley, Federation President.

The Senior class of Weinert High are giving a guest of honor party for our two new seniors, Gloria Welch and Eva Grey. We are very grateful for these two new ones and are looking forward to a nice evening in the Band House this Wednesday. Delphia, Vera, and David are in charge of the entertainment, so you can bet your bottom dollar that we will have a grand time.

These new students have just entered Weinert High. We are very glad to have them.

Annie Lou Raines, Seagraves, a Junior.

Victor Snapka, Rhineland, Freshman.

Ladelle Welsh, Haskell, Junior. Gloria Welch, Haskell, Senior. Orvetta Gray, Benjamin, Freshman.

Tommy Jean Hargrove, Throckmorton, Sophomore.

There are also several new grade school students.

Mother decided to take her little girl shopping with her in the car. They were ambling along to town when the girl said: "Mother, where are all the dirty dogs and swine this morning?"

Mother smiled, knowingly. "They only come out when your father is driving," she said.

Want Ads Will Pay In The Time

More People To Pay Income Tax Returns Must Be In By March 15th

If you are single and have a gross income amounting to \$800 you'll pay income taxes this year. This is but one of the new regulations which go into effect under the Revenue Act for 1940, the collector of internal revenue has reported, with respect to the liability of individuals for the filing of income tax returns.

Amount of gross income—not net income—now determines liability.

Single individuals or married individuals not living with husband or wife, having a gross income of \$800 dollars or more are required

to file returns covering the calendar year 1940.

Also required to file such returns are married individuals living together, having a combined income of \$2,000 or more.

The net income is no longer to be used in determining the liability for the filing of a federal income tax return, it has been pointed out. The liability of a citizen or resident of the United States to file a return is dependent upon his status as a married or single person, and the amount of his gross income. Therefore every citizen or resident of the United States will be required to file a return for the taxable year 1940 if his gross income in 1940, regardless of the amount of his net income, comes within the amount specified for his particular status.

A return must be filed, even though, by reason of allowable reduction from gross income and of allowable credits against net income, it develops that no tax is due.

In filing returns, Form 1040A should be used for gross income of not more than \$5,000 derived from salaries, wages, interest, dividends and annuities. Form 1040 should be used for gross income from salaries, wages, interest and annuities of more than \$5,000; or if any part of one's income is derived from other than salaries, wages, interest, dividends or annuities.

March 15, 1941 is the deadline for filing 1940 income tax returns with the collector of internal revenue. Failure of individuals subject to make returns to file returns will subject them to penalties prescribed by law.

COMFORTS NEXT
College Station—A supplement to the Department of Agriculture's 1941 cotton mattress demonstration will enable low-income rural families in Texas to have cotton comforts—one for each mattress made under the program.

Every Texas family eligible to receive mattress materials under the current program will also be eligible to receive 10 yards of percale and four pounds of cotton for making a cotton comfort, according to regulations announced last week by R. T. Price, field man at large for the State AAA office.

Bess Edwards, assistant state home demonstration agent for the Extension Service of Texas A. and M. College, added this would probably mean the making of 400,000 new cotton comforts within the next few months.

Materials for the program will be furnished by the Surplus Marketing Administration.

Under the regulations, comforts must be made in community centers set up in the mattress program. A family must first have received a mattress before it can obtain materials for making a comfort.

Quoting Assistant Secretary of Agriculture Grover B. Hill, Miss Edwards said that the comfort provision of the mattress program is another means of "turning the cotton surplus into a national blessing."

Mrs. W. E. McNeill, who has been ill for some time, has returned home from the Wichita Falls Clinic Hospital and is reported on the road to recovery.

Mr. and Mrs. Tom Phillips, Mrs. C. H. Gully and Mrs. Nell Hardin were business visitors in Seymour last Saturday.

Hal Dyer of Seymour was a business visitor in the city Friday.

List of Articles Needed And Those Prohibited is Furnished To Trainees Called For U. S. Training

The following information is furnished Selectees relative to articles prohibited or desired brought when called for service. The following information was furnished the Times by the Knox County Selective Service Board.

Baggage: Only minimum hand baggage should be brought. There is no provision for transporting or storage of trunks. Barrack bags will be issued at reception centers. Foot lockers will be issued when selectee arrives at his organization.

Shoes: One pair of serviceable and comfortable shoes in good state of repair is essential.

Autos: Private autos prohibited.

Athletic equipment: Selectees should be encouraged to bring any athletic equipment they have.

Musical instruments: It is suggested that such musical instruments as guitars, banjos, etc. be brought.

Pictures: Small photographs permitted, but there will be no place for large pictures in barracks.

Fire arms and weapons: Not permitted and will have to be returned to home of selectee at his own expense.

Liquor: Not permitted. Any brought to induction centers or reception centers will be confiscated.

Visitors: Facilities for housing and entertaining visitors in the vicinity of reception centers will be very limited.

Money and valuables: Their safekeeping will be a responsibility of the individual men.

Books and periodicals: There will be well-stocked libraries and reading rooms available at reception centers and posts. It is suggested that periodicals received by mail be not forwarded until the

NATIONAL 4-H ENCAMPMENT PLANNED
College Station—"Rural Youth's Responsibilities" has been chosen as the theme for the 1941 National 4-H Club encampment, which is held annually on the banks of the Potomac at Washington, D. C. Two boys and two girls from each state and territory will be chosen to attend the encampment. L. L. Johnson, state boys' club agent, and Onah Jacks, state girls' club agent, both of the Texas Extension Service, will announce the Texas winners of the trip early in March.

Little Miss Billie Jean Tuggle, who is a victim of scarlet fever, is reported much better.

GOES TO HOSPITAL
Miss Ilah Moody, instructor of home economics in the Haskell school, was taken to the Haskell hospital for medical treatment on Thursday of last week.

BIRTH ANNOUNCEMENT
Mr. and Mrs. Wilburn Loflin are the parents of a daughter, Lynda Beth, born on Tuesday, January 7. Both mother and daughter are reported to be doing nicely.

BE WISE INVEST IN A MODERN HOME

Wisdom is the art of doing the right thing at the right time. The facts of the case show that no time could be righter—hence wiser—than NOW for building a home.

THE FACTS WHY A NEW HOME IS A WISE INVESTMENT TODAY

Government figures show building costs to be below normal and the outlook for general prosperity excellent. Modern financing methods make monthly home-buying costs less than the average rent.

Improvements in building construction methods, materials and equipment have more than doubled the values, conveniences and household work-saving you get in the modern, low-priced home. If inflation comes, your home investment will increase in value while cash savings will not.

Cameron's Complete Building Service

No longer is building a lot of work, worry and bother for you—if you build the Cameron way, Cameron's offering you a "Complete Building Service." This includes advising with you on the type, size and style of home you want and need. From this survey Cameron's will develop and prepare exact plans and specifications. Next they will quote you a completed price for your home and arrange the financing for you on easy monthly terms. Finally, they will secure for you the necessary labor; furnish quality materials; supervising the entire construction; delivering to you your completed home ready to be moved into. Behind each home stands the warranty of Wm. Cameron & Company's 73 years of sound construction methods. You will have a home tailor-made to your tastes and needs—but all the work, worry and details handled for you by Cameron's. It's easy to have just the home you've dreamed of—on monthly terms as low as rent, if you use Cameron's "Complete Building Service."

Every fact points to the wisdom and ease of building your own home—the one you have always wanted—NOW!

Get the Cameron-Plus Services and Values in Your Home

Cameron's offer you eight plus services at no extra cost to assist you in solving your home building problems. Cameron designed homes contain 20 extra-values. Ask your Cameron man about these. He will be glad to discuss any building problem with you—and without obligation on your part.

Auction Sale Has Big Run of Cattle, Hogs

The Munday livestock auction sale reports a big run of cattle and hogs for last Tuesday's sale, with cattle prices fully 25 to 50 cents higher than a week ago. Hogs sold fully in line with major markets.

Some of the prices paid for cattle were: Beef bulls, \$6.50 to \$6.90; butcher bulls, \$5.50 to \$6.25; beef cows, \$5 to \$6.75; butcher cows, \$5.25 to \$6; canners and cutters, \$3.80 to \$5; good fat yearlings, \$6.50 to \$10; butcher yearlings, \$6.50 to \$8; good fat calves, \$8.50 to \$10.10; butcher calves, \$6.75 to \$8.25; rannie calves, \$5.25 to \$6.25.

"We have a good demand for butcher cattle," Ratliff Bros. said, "with plenty of good buyers for each sale."

Some of the buyers for Tuesday's sale were: Wichita Meat Co. and John Ruddy, Wichita Falls; Vernon Packing Co. and R. J. Jordan, Vernon; Blue Bonnet Packing Co., Fort Worth; Freddy McDaniels, Ancher City; Jim Cook, Crowell; Mr. Mooney, Knox City; J. M. Bradberry, Knox City; C. R. Elliott, C. L. Mayes, C. N. Smith, Roy Tankersley, A. Hill and J. A. Tankersley, Munday; O. R. Miller, Benjamin; John Morris, Mack Center; Jess Elliott, Orb Coffman, Edgar Bowman, Floyd Bowman, Vester Bowman and Buster Coffman, Goree; Morgan Williams, Stamford, and W. M. Trimmer, Rochester.

Cemetery Work

Have you noticed how nice the cemetery looks? It doesn't take very much from each person interested to keep it clean. Let's do all we can to do this.

The committee—George Isbell, Bud Nelson, G. R. Eiland, W. W. McCarty, Leland Hannah, Roy Maples and Ardelle Spelec—has been appointed to find ways and make arrangements for a fence and gate entrances. Pay your dues to W. V. Tiner for the upkeep and talk to this committee concerning plans.

Each person interested feels a responsibility in this work. The community has a civic interest, at least, and we trust it will be something to be proud of when the work is finished.

HEFNER NEWS

There are some cotton bolls being pulled when the weather permits.

The school here hasn't had to close as yet on account of the influenza.

Next Sunday is church day for the Methodist congregation. The new pastor, Rev. Hawkins, will preach and all are invited out to here him.

Mrs. L. McKenzie of Bomarton attended the Baptist church here Sunday.

J. C. Lambeth and family of California have returned to their homes after visiting in the homes of Ben Holder and John Lambeth.

Alfred Manly of Artesia, New Mexico and Mrs. Dina Wood of Brownfield are the guests of Grandma Manly and Ross Bates.

Mrs. C. E. Jones of Artesia, New Mexico, is spending a week with her mother, Mrs. Lee Boggs.

Mr. and Mrs. Ed Jones spent the week end in Dallas with their daughter, Mrs. Elkin Warren.

All of the children of Grandfather J. A. Hendrix are here at his bedside since he has been ill with influenza.

Next Tuesday afternoon the home demonstration club ladies will make quilt blocks at the home of Mrs. W. H. Barnett.

Approximately 335,000 pounds of Texas mohair were graded last spring, compared to 200,000 pounds in the fall of 1939, when the grading program began.

Texas History Writing Contest To Be Sponsored by Historical Association

Austin, Texas.—The Texas State Historical Association has announced a first prize of \$25 to be offered the winner of a Texas History writing contest for 1941. Five other prizes are also offered. Announcement of the contest was made through the Association's new magazine for Texas young people, The Junior Historian.

It is specified that the content of all competing articles must deal with some aspect of a trip in Texas. "This may be the account of a trip to a historic point or place in Texas—an old home, a building, a battlefield, an old trail, a ghost town, a cemetery, a monument, etc.—or it may consist of the story of a trip to interview an elderly person who had a part in the moving Texas scene," says the official announcement.

Papers are to be ranked for clarity, unity, accuracy, interest, and the picturesqueness of detail. It will not be necessary for papers to deal with a well-known place or historical incident. Any locale in Texas is as valuable as any other for the purposes of this contest.

The young people of Texas and the school authorities are invited to write the Editor, The Junior Historian, University Station, Austin, Texas, concerning the contest. Any boy or girl in Texas may become eligible for competition, it was stated.

April 15, 1941, is announced as the closing date for all entries.

Leo Snailum of Benjamin was a business visitor in the city last Sunday.

County Supt. Merick McLaughlin of Benjamin was a business visitor in the city last Friday.

OLD ARMY BLANKETS SERVE IN NEW WAR

Middletown, N. Y.—Two blankets that served with the B.E.F. through the last World War with Dr. William J. Hicks of this city are returning to England, to warm six bomb-out children of the Battle of Britain.

Mrs. Hicks and her associates in the Middletown branch of Bundles for Britain have specialized in making sleeping bags from blankets in response to appeals for equipment desperately needed by babies in cold air-raid shelters. Each warm blanket makes three of the snug bags.

News From Weinert

W.S.C.S. Has Regular Monthly Meeting in The Griffith Home

The Woman's Society of Christian Service of the Methodist church met for the regular monthly meeting in the home of Mrs. Ernest Griffith Monday, January 13, with 14 members present. Mrs. Griffith was director of the worship program. Mrs. Jack Bettis gave the introductory; the topic "Investing our Heritage for Health in the United States" was given by Mrs. Arlos Weaver. Mrs. D. A. Ross had charge of the business session. Quiet music was played by Mrs. T. C. Walker. Mrs. H. A. Marsh read the scripture lesson, which was taken from Matt. 9:35-38, and a song, "The Great Physician," was sung. Prayer was led by Mrs. Frank Ford and an interesting reading was given by Mrs. H. A. Marsh.

The following members were present: Meses. Paul Josslet, H. A. Marsh, J. W. Medley, Frank Ford, D. W. Baird, Harry Bettis, Jack Bettis, G. L. Walker, T. C. Walker, Fred Trice, D. A. Ross, P. F. Weinert, Arlos Weaver and Ernest Griffith.

The first quarterly conference of the Weinert-Union Chapel church was held here Sunday, January 12 with the District Superintendent, Rev. T. M. Johnston of Stamford, presiding.

Union League to Meet at Weinert

The Young People's League will meet here on January 20. All young people of the district are urged to be present. Remember the date, January 20, at the Methodist church.

Miss Pauline Duff, teacher in the Paint Creek schools, spent last week with her parents, Supt. and Mrs. I. J. Duff. The school was temporarily closed on account of the flu.

Mr. E. Griffith was in Abilene Sunday.

Mrs. H. C. Winters and son Bob, Mr. and Mrs. D. M. Baird visited in Santa Anna Sunday.

Dr. Herman Weinert of Galveston spent the week end with his parents, Mr. and Mrs. H. Weinert, Mrs. C. J. Jones of Houston, Mrs.

Leo Snailum of Benjamin was a business visitor in the city last Sunday.

County Supt. Merick McLaughlin of Benjamin was a business visitor in the city last Friday.

OLD ARMY BLANKETS SERVE IN NEW WAR

Middletown, N. Y.—Two blankets that served with the B.E.F. through the last World War with Dr. William J. Hicks of this city are returning to England, to warm six bombed-out children of the Battle of Britain.

Mrs. Hicks and her associates in the Middletown branch of Bundles for Britain have specialized in making sleeping bags from blankets in response to appeals for equipment desperately needed by babies in cold air-raid shelters. Each warm blanket makes three of the snug bags.

News From Weinert

W.S.C.S. Has Regular Monthly Meeting in The Griffith Home

The Woman's Society of Christian Service of the Methodist church met for the regular monthly meeting in the home of Mrs. Ernest Griffith Munday, January 13, with 14 members present. Mrs. Griffith was director of the worship program. Mrs. Jack Bettis gave the introductory; the topic "Investing our Heritage for Health in the United States" was given by Mrs. Arlos Weaver. Mrs. D. A. Ross had charge of the business session. Quiet music was played by Mrs. T. C. Walker. Mrs. H. A. Marsh read the scripture lesson, which was taken from Matt. 9:35-38, and a song, "The Great Physician," was sung. Prayer was led by Mrs. Frank Ford and an interesting reading was given by Mrs. H. A. Marsh.

The following members were present: Meses. Paul Josselot, H. A. Marsh, J. W. Medley, Frank Ford, D. W. Baird, Harry Bettis, Jack Bettis, G. L. Walker, T. C. Walker, Fred Trice, D. A. Ross, P. F. Weinert, Arlos Weaver and Ernest Griffith.

Claud Farr of Baylor county and Mrs. W. M. Garbe of Scotch Plains, N.J., are also at the bedside of their father, who is seriously ill.

Mr. and Mrs. H. F. Monke visited relatives and friends in Seymour Sunday.

Mr. and Mrs. M. B. Watson of Haskell visited friends in Weinert Saturday night.

Rev. D. A. Ross visited in Haskell Saturday.

Mr. Oscar Oates of Haskell was a visitor in Weinert Saturday.

Mr. Herbert Branch of Galveston spent the week end with friends in Weinert.

Mr. Manuel Medley of Santa Rosa, New Mexico, is visiting his mother, Mrs. J. W. Medley. While here he and his sister, Miss Elizabeth Medley, transacted business in Abilene.
