

Mogul Quintet Will Play Weinert And Goree Here

The Munday Mogul basketball team will play the strong Throckmorton quintet here Thursday night at the school gym.

A close game is expected as the Throckmorton basketballers took the Moguls by a four-point margin there last week. The B teams are expected to mix up in a curtain-raiser, also.

The Mogul B team took the measure of the Seymour quintet here Tuesday evening but the first stringers dropped their game to the winners of the Vera tournament, Seymour's first team.

Weinert and Goree will play in the school gym next week and these also will prove interesting games as both have defeated the Moguls by two- and three-point margins lately.

The Moguls, with a green team this year have succeeded in throwing up a strong defensive team as shown by the scores while playing strong teams in this section. An improvement in goal tossing is expected to bring victory to the local team in the next few days.

School Will Present Radio Program in Vernon Wednesday

A program sponsored by the local P. T. A. will be presented over the Vernon radio station Wednesday at two o'clock, featuring talent from the Munday High School directed by Miss Hylan Holloway.

The girls' sextette will sing several numbers, and a short talk by Supt. Colley will be in the program during the fifteen minutes on the air. Patrons in this community are invited to listen to the program.

Charles Baker Heads History Class

Charles Baker was elected chairman at the beginning of a new term in the Democratic American History Three class at a meeting Tuesday.

Juracy Jones and Raymond Carden were elected captains. The new scorekeepers are Maurine Johnson and Dick Harrell.

The contest in the last six weeks

was a victory for Ben Bowden's side, and he had the high score on their side and Jimmie Henslee led the opposition with Ralph Tidwell as captain, according to reporter, Patsy Hannah.

One Act Play to be Chosen Soon

The cast for the one act play will be chosen this week with Miss Catherine Burnett as director. Two plays are now under consideration, "Wild Hobby Horses" and "The Strange Road."

Term Report Cards Given Out Wednesday

Report cards for the Munday Schools were given out Wednesday to all students.

The report cards are to be signed by parents and returned to the school this week. Our school reports show the last six weeks grades and semester average. Days attended and citizenship grades are also included in the report.

School Debate Teams Chosen for League Meet

Polly Silman and Patsy Ruth Mitchell have been chosen to represent Munday High School in the girls' debating, and Charles Baker and Ben Bowden will be on the boys' team.

Several are trying out for declamation in the League. Jimmie Hensley and Willard Reeves will represent the school in extemporaneous speech which will include talks on national current events in the league meet to be held at Benjamin in March.

E. L. Covey of Benjamin was a business visitor here last Monday.

Bob Barrett and E. V. Altman of Anson were business visitors in the city last Monday.

CARD OF THANKS

Words cannot express the deep appreciation in our hearts for the many prayers offered, the deeds of kindness, the sympathy we so keenly realized, the beautiful flowers and the loving thoughts expressed of his christian character, the happiness he spread and the influence he wielded for honesty and right. May God's blessings rest upon each of you, and may you be spared the experience we have suffered in the loss of our beloved son and brother, David Clarence. Mr. and Mrs. G. R. Eiland and Family.

Baylor Coach Is Visitor Here

Munday Boy Likely To Play With Baylor

Morley Jennings, head coach of Baylor University, visited in the home of Coach Billy Cooper last Tuesday.

Coach Jennings seemed to be very much impressed with Forrest Yancy, Munday's brilliant left half-back. Yancy was given an invitation by Jennings to visit on the Baylor campus and attend one of their basketball games and meet members of the Baylor Bears.

Mr. Jennings seemed to be more interested in the character of a boy and the kind of a student he would make than in his football ability. At least he stated he would not invite any football player to Baylor, unless he had character and was a good student.

The rather quiet, mild-mannered Jennings completely sold himself and Baylor to Yancy, and it looks like a certainty that Munday will have a speedy halfback on the Baylor freshman team next year by the name of Forest Yancy.

Mr. Jennings stated that Baylor is taking only six backfield men for next year, so it appears to be a high honor to Munday that one of her Moguls was chosen as one of the six. It was also a high tribute to the Munday coaches that Southwest Conference coaches have shown such an interest in the Mogul players for the past two years.

HEFNER NEWS

Rev. J. Hawkins, the new pastor at the Methodist church, preached here last Sunday.

The McNeill gin is ginning some 'bolls' this week.

Morris McElhannon her returned to his home in California after spending the holidays with friends and relatives here.

Mr. and Mrs. Carl E. Jones and daughter, Mrs. Harry Gilmore of Artesia, New Mexico, spent the week-end here with Mrs. Billy Boggs and Bill Gaither's family.

The youngsters enjoyed a social party recently at the Hefner teachers. Games and contests were enjoyed by all present. Hostesses were Mesdames E. Ingram and Jay Marlow.

Roy Jones made a business trip to Fort Worth first of this week. Born to Mr. and Mrs. Vernie Lambeth a son, on January 3. He has been named Donald Lynn.

Mr. and Mrs. C. E. Haskin made a trip to Gary, Oklahoma, last week.

Quite a few from this community attended trades day at Munday the 21st.

REV. JOE BURTON ON VISIT HERE SUNDAY

Rev. Joe Burton of Atlanta, Georgia, spent the week-end here visiting his parents, Mr. and Mrs. W. T. Burton and other relatives.

Rev. Burton, who is an official in the Southern Baptist Association was enroute to Fort Worth on business pertaining to the association. He filled the pulpit at the First Baptist church here Sunday morning.

H. A. Pendleton and E. H. Bauman were business visitors in Dallas Wednesday.

Miss Gail Preston left last Thursday for Abilene, where she has accepted a position.

GOES TO MINERAL WELLS

Dorse Rogers left Tuesday morning for Mineral Wells, where he will be employed in a drug store.

Mrs. Sunset Boone and daughters Jimmie and Bettalou, and son, Frankie, of Lubbock, visited in Munday last Monday.

Dr. A. B. Conner, director of the Texas Agricultural Experiment Station, will be honored by the Southern Agricultural Workers' Association at a banquet in Atlanta Georgia, early in February.

University of Texas engineers announce invention of a new fruit and vegetable freezer to help the farmers preserve products for an all-year market. The machine uses ice crystals which heretofore clogged freezing apparatus of the immersion type of refrigeration.

The purpose of ranching is not to produce beef for the ultimate consumer, but to make a living for the rancher and his family a speaker said at the recent regional grass land conference in Amarillo.

At The Churches

FIRST PRESBYTERIAN CHURCH

Regular services will be held Sunday at the church. Sunday school, 10 o'clock. Church service, 11 o'clock. Evening service, 7 p.m.

Our congregation has been coming out Sunday in goodly numbers in spite of bad weather and much sickness. Let us hope that our attendance will continue to grow.

FIRST BAPTIST CHURCH

Mr. Roosevelt's inaugural address was characterized by the commentators as a sermon on Democracy. He challenged the 130 million people of America to give ourselves to a more thorough consideration of the principles of government and living made possible by the struggles and sacrifices and faith of our forefathers. His closing words were: "For this we must muster the spirit of America and the faith of America. We do not retreat, we are not content to stand still. As Americans we go forward in the service of our country, by the will of God." There is not a red-blooded American anywhere but that pulls off his hat and says AMEN. Our blood is stirred with the challenge. It makes the goosebumps come out on our backs. It appeals to our pride and patriot-

ism. We look upon Old Glory with a deeper feeling of respect and honor. May we carry that same feeling to the King of the Universe. He calls with an unmistakable voice. He said, "Come unto me." He said, "Come ye after me." He said, "Go ye into all the world." He said, "Lo, I am with you alway."

We will be happy to have you in any or all of our services. Sunday school lesson for Sunday is Christ's Concern for the Lost. Scripture, Luke 15:1-10. Sermon Subject, A Forgotten Law.

A.C.C. Announces Bible School For February 23-27

Abilene, Texas—President Don H. Norris has announced that Christian Citizenship will be the general subject for Abilene Christian College's 24th annual Bible lectureship to be held in Abilene February 23 through 27.

Last year over 700 people from 15 different states were present for this event. Each year lectures are delivered by 3 to 40 of the Church of Christ's more prominent ministers.

Seven of the ten speakers which will deliver the main addresses, two daily, have been chosen. Complete

program should be released for publication within ten days.

In addition to the several lectures daily, there will be programs, exhibits and social affairs sponsored by the various student groups for the entertainment of out-of-town guests.

LLOYD BOWDEN WANTS THE MUNDAY TIMES

The Times is in receipt of a letter from Lloyd Bowden of McCamey, well known former Munday resident, who also sent a check for his renewal to The Munday Times.

"I enjoy receiving The Munday Times," he said, "It is just like another letter from home."

Rid Campbell visited Mr. and Mrs. Cecil Cooper in Lubbock last Sunday. He was accompanied home by his son, Graford Campbell, who will make his home here with his father. Graford entered school here Monday morning.

Mr. and Mrs. Clay Kimbrough, Jr., who reside north of Haskell, were business visitors in the city Tuesday.

Mr. and Mrs. D. P. Morgan visited relatives in East Texas last Sunday. They also visited a while with their son, D. P. Morgan, Jr., who is attending Austin College in Sherman.

I GIVE YOU TEXAS

By Boyce House

There is magic in the name of the King Ranch. It is known wherever Texas is known.

Imagine, then, the thrill of visiting the biggest ranch in the United States—970,000 acres in three Southwest Texas counties. Over that almost limitless expanse roam 75,000 head of cattle and 4,000 sheep. To operate that vast enterprise a force of 450 men is necessary, including 250 vaqueros. Why, it requires 2,500 cowponies for those riders!

At the head of the King ranch is Robert J. Kleberg, Jr. To a thorough knowledge of ranching and great executive ability, there has been added sheer genius for the breeding of livestock. All the world knows, of course, about the Santa Gertrudis cattle, evolved on the King Ranch. Legends already are clustering around Old Monkey, the head of the line. The bull derived his name from the Mexicans who noticed that he was always getting into mischief—in other words, "monkeying around."

That is not so widely known is that the King Ranch has produced its own type of cowpony through the crossing of the thoroughbred with the quarter horse—the latter deriving its name from its speed in the quarter-mile races which once were so popular in the Southwest. The head of this line is still living—a pampered pensioner. Though nameless, "the old sorrel horse" has earned a place in ballads that are yet to be written. His wonderful disposition has been passed on to his descendants, along with a gain in size and endurance.

By selection, Kleberg fixed the desired type, color and other characteristics. Along with all these qualities is bred such an instinct that the young King Ranch cowponies naturally go right to work with cattle.

Just a few days ago, two colts were shipped to Venezuela and others have been sent to Chile, Montana and elsewhere, so that—in time—the King Ranch cowponies will do duty on many ranges in distant lands.

Of course, the regular readers of this column know that I didn't know all these things to begin with. I figured them all out, however, by myself—well, that is, with maybe a little assistance from Dr. J. K. Northway, who, as veterinarian—has charge of all the fine horses and cattle on the King Ranch. He looks after such valuable creatures as Bold Venture, winner of the Kentucky Derby and the Preakness, two of the greatest classics of racing.

Bold Venture, purchased a year and a half ago for \$40,000 as a stallion, has a fine brick stable all his own and 10 or 12 acres to roam over. Then there are Ciencia, a King Ranch product, winner of the Santa Anita Derby in '38 and a purse of \$54,630; Dawn Play, who won \$51,650, and Split Second, winner of \$27,280.

Thus you can see that, besides cattle and sheep and cowponies, the King Ranch is outstanding for thoroughbreds and that, too, in spite of the fact that the horses must be sent to faraway tracks for proving, as Texas does not permit racing. W. F. Egan, a turf veteran whose speech has a tang of the "Old Sod" though he was born in the United States (of Irish parentage), is the trainer.

Inconsistency of the Texas truck law (according to those urging liberalization) is that the load limit is 7,000 pounds but twice that load is permitted to the nearest railroad point. That provision shows in whose interest the law was written and harks back to the days when highways were relatively unimportant, they assert; but in spite of repression and restriction, motor transportation has developed into a big and vital part of the Texas transportation picture and there are boys and girls who are almost grown who have never ridden on a train, yet have traveled thousands of miles—by highway, of course. The legislature is being urged to re-write the law in the light of this great development, with a load limit increase based on scientific principles that have been worked out by experts and that other States have tested and found to operate satisfactorily.

The deftness with which the fingers of bank tellers send bills fluttering down like autumn leaves as they count is marvelous to behold. Only thing is, when they are counting out the money for a check for me they get through so soon.

The withered, blind woman playing love songs on an old accordion as the laughing theatre crowds hurried by always seemed the depth of pathos—until a few nights ago when an icy wind was whistling, yet she was there, playing the tunes with fingers that fumbled and stumbled over the keys because blue with cold—and then the scene seemed the height of courage.

Cotton Jewels For Cotton Maids

Answering the demand for new costume jewelry to wear with smart cotton costumes this spring, a Memphis woman has started production of cotton basket jewelry. Left above, are shown a cotton basket lavallier and matching earrings. At the right the model wears a cotton basket bracelet and cotton basket hair ornament. Best color, the originator says, will be white, though the tiny baskets may be had containing lint in the patriotic red, white and blue.

WEINERT SCHOOL NEWS

Mid-Term Exams

The zero hour is fast approaching—the hour in which all is forgotten (and we do mean forgotten) in that grim silence that causes unlovely gray hair. In other words, mid-term examinations are here. So let us collect our nerves (and notes) and prepare for the inevitable.

Football Banquet

Thursday evening, January 16, the football boys were honored with a football banquet. Twelve boys received awards. David Sanders and Granger Jenkins, co-captains; Ray Lowe, Drey Lowe, B. L. (Red) Melton, E. W. Kreger, J. D. Zahn, Ralph Ammons, Clarence Sparkman, and Jay Marsh; Pete Young, student manager, and Coach Davidson.

We were indeed fortunate in having Dean R. B. Boger of McMurry College with us; also former Coach and Mrs. Elmo Cure.

Seniors

The Seniors class regrets that they have just lost a good sponsor, but they met Monday afternoon and elected a new one which they are all proud to have.

Coach Davidson was elected and he made an interesting talk to the class. They have planned to take pictures next week so as to get the annual out by the last of February.

A word to all students: "Come

prepared for the camera man next week . . ."

The Senior play is also being decided on, which we feel sure will be something to bring out all for a glorious evening of fun."

A party has been mentioned for Valentine. One of the room mothers, Mrs. Kelso, has planned a delightful evening, so all Seniors be present, and "don't forget to bring your hearts."

Teacher Resigns

Why do we see so many gloomy faces this week? The mere mention of his name brings faltering tears to many.

Mr. Perrin, science teacher, has resigned his post at W.H.S. to accept a position at Tulia, Texas.

Since Mr. Perrin's presence at Weinert, he has won the heart and admiration of those with whom he came in contact. We mourn the loss of such a beloved one, but to you, Mr. Perrin, we wish you the best of success.

Junior Report

The Junior class met at noon January 21, to select their Senior rings.

There was a roar in the room for a while as to what ring we would select. It was the only thing that we have all agreed on. If we pay our dollar down now we will receive our Junior class pin.

For our premiums the girls got to select between a wristlet and

compact. The boys all selected a belt buckle.

Luck?

The usual thing is for a student to be very busy in these crucial moments; but not with some students. Some students are calmly sitting in the study hall, and planning all the meanness they can. These are the more fortunate students who have been doing their studying the past eighteen weeks. But the studyhall keepers are not so disturbed. The number is so small that they are not even noticed.

Freshman News

The Freshman class is preparing for mid-term examinations. Several freshmen are hoping for a skating party pretty soon. Probably not until after mid-term, we hope.

We are all very sorry that Mr. Perrin is gone.

Sports Review

The Weinert Bulldogs have greatly improved since the beginning of the basketball season. At first it looked as if they were not going to win a game. They entered the tournament at Knox City and won their first game against a

strong Vera team. They were not only fighting a good ball club, but also a jinx.

The Bulldogs have fought another jinx (not making points after the last half) but they have overcome that and are developing into a real team.

In the basketball game with Rochester the Bulldogs were victorious over the Steers.

The Bulldogs went to Haskell Friday night, January 17, and played the Haskell Indians, which was the first conference game. The Seniors boys were victorious with a good margin of 29-15. All of the boys played a swell game with Jay Marsh, J. L. Tolliver, Granger Jenkins and Clay Griffith on the scoring end. Drey Lowe and David Sanders were doing a swell job of keeping the Haskell boys from scoring.

The junior boys had tough luck at Haskell Friday night. At the end of the game the score was 15-15. They had to play three extra minutes. Haskell had a little luck and sank four field goals while the Weinert boys only made one field goal. So they lost by a small margin. Warren Johnson and Dewane Vaughn were the outstanding players on the junior team.

Thinking Out Loud

Elton (going to school): "Dear God, don't let me be late . . . please don't let me be late . . ." as he walked hurriedly along, he stumbled and fell. As he hit the ground he cried—"You don't have to shove!"

We wonder what labor union the volleyball girls belong to?

CARD OF THANKS

In sincere appreciation of your love and friendship, we express our thanks for every word of sympathy and deed of kindness extended to us during the illness and in the death of our father, T. A. Bolt.

Especially do we thank Rev. W. H. Albertson for his kindness, and we pray God's blessings upon each and every one who made our burden easier to bear.

Roy Bolt
Mrs. Florence Gass
Mrs. Kate Rayburn
Mrs. Dewey Thorp

Mr. and Mrs. W. W. Bailiff and family of Brenham spent the week end here with Mr. and Mrs. M. C. Hallmark. Frances and Sue Hallmark, who had been visiting in Brenham for a week, returned home.

Mrs. Bernard Stodghill and Mrs. Troy Warren of Lovington, New Mexico, spent several days here last week attending the bedside of their mother, Mrs. U. S. Rogers.
