

PLANS FOR HARVEST FESTIVAL COMPLETED

Munday Scene Of Mogul-Chillicothe District Title Clash

Large Crowd Is Expected Here

Moguls May Not Be At Full Strength

A district championship football team will be decided on Scruggs Field, Munday, next Friday night when the Munday Moguls and the Chillicothe Eagles, both undefeated and untied in conference play, battle it out for 9-A honors. The game is expected to draw the largest crowd ever to attend a game in Munday.

The two finalists have the biggest teams in the district, and both have gained much recognition in this section this year. Munday has been undefeated and untied all season, while the Eagles lost two early non-conference games to Phillips and Wellington, both by a 7-0 count.

The Moguls have four men on the injured list this week and this is causing much worry in the home camp. If these men can be in good condition by Friday night, Coach Perryman is not worried about his charges turning in a splendid performance in this championship game.

Both teams use similar types of play, and both count largely on one heavyweight back, Joe McGraw for the Moguls, and Bell of the Eagles, who are noted for their hard driving power plays. Both teams play a crashing offensive game and both have good defensive players.

Both teams use a varying formation on offense. Chillicothe plays from a double wing, box, modified Notre Dame, and punt formation, while the Moguls run most of their plays from double and single wing formations. Deception and reverse plays are used by both, which tactics should make an interesting game for the fans.

Only two teams have scored against the Moguls and the Eagles this year, showing pretty much an even defensive performance. Seymour and Archer City each scored a touchdown against the Moguls, while the Eagle goal line was crossed by Crowell and Archer City.

Winning of the teams in conference play this season compares as follows:

	Moguls	Eagles
Crowell	27-0	20-7
Seymour	26-6	13-0
Iowa Park	13-0	12-0
Archer City	7-6	19-7
Holliday	24-0	13-0

Chillicothe has gained the edge over the Moguls by the statistics route in recent games since illness and injuries have weakened the Mogul strength. If Munday regains her full strength this week the game will be one of the most evenly matched events ever staged in Scruggs Field.

Anyway, it will be a thriller throughout, and Munday is preparing for a record-breaking crowd.

Conference Standings				
Team	W	L	T	Pct.

BENJAMIN MEN ON HUNTING TRIP

Homer T. Melton, W. T. Ward and Leroy Melton, all of Benjamin, left last Saturday for the Big Bend country on their annual deer hunting trip. They plan to be gone about ten days. These boys are usually successful in bagging the wild game.

Trades Day Events Changed

Seven Events Planned For Future; Next Event Dec. 4th

A change has been announced in awarding the cash prizes at Munday's "trades day" events. Under the old setup, only two more awards would have been made, but the change has been made so seven events will be held between now and Christmas.

The next trades day event will be on Thursday, December 4, at which time \$100 in cash will be awarded.

The new plan was announced last Thursday to the trades day crowd, and it met with almost unanimous approval of those present.

Since the trades day money is being divided into seven events, the Christmas eve cash award will be for \$300, instead of the \$800 as previously announced.

The dates of the events and the money to be awarded are as follows:

December 4, \$100; December 11, \$100; December 18, \$100; Monday, December 22, \$100; Tuesday, December 23, \$100; and Wednesday, December 24, \$300.

This plan is believed to be more satisfactory to all concerned, as it will give more people an opportunity to participate in events which are being sponsored by Munday merchants in appreciation for the patronage of citizens of this trade area.

Training is Held Here for Workers In Lunch Rooms

The workers from the Goree, Sunset and Munday lunchrooms received a days training at the Munday lunchroom last Saturday. There are 9 workers at Munday, 4 at Goree and 6 at Sunset.

The training consisted of the workshop method of training. The workers were divided into groups and prepared the following breads: whole wheat prune bread, Boston brown bread, whole wheat crackers and Home-made granenuts.

The workers were also given special instructions on cleaning and storing equipment.

The Munday lunchroom is serving more than 240 lunches daily, Sunset about 150 and Goree about 110.

NEW MECHANICS NOW AT REEVES MOTOR CO.

Roundal Roberts of Abilene began work last Saturday as head mechanic at the Reeves Motor Co. Mr. Roberts is an experienced mechanic, and he invites the people to bring their motor troubles to him.

Assistant mechanic at Reeves Motor Co., is Frank Garrett of Haskell, whose parents live at Weinert.

John Crim, Jack Seagraves and Lewis M. Beal of Wichita Falls, engineers for the Community Natural Gas Co., were business visitors here Wednesday.

Kirk Returned To Munday For Another Year

Few Pastor Changes Made at Session Of Conference

Rev. Luther Kirk, who has completed his first year as pastor of the First Methodist church of Munday, was returned to the Munday church for another year by the Northwest Texas Conference, in session at Big Spring last week end. Sweetwater was selected for next year's session of the annual conference.

Munday people are pleased to have this good pastor and his family here for another year. In closing out the year's business of the church, the official board endorsed his return for another year in this field.

During the first year of Rev. Kirk's pastorate, the church received 34 additions, while 29 were taken from the church rolls by removal, transfers of letters and otherwise. All finances were paid in full for the conference year, the church budget amounting to \$4,684, and the church is looking forward to a new and greater year of service under the leadership of this pastor.

Rev. T. M. Johnston, district superintendent, went back to active pastorate at the first church in Sweetwater. Appointments for the Stamford district are as follows:

G. H. Young, district superintendent. Aspermont, Raymond Van Zandt; Avoca-Paint Creek, J. L. Henson; Bomarton circuit, J. W. Hawkins; Goree, J. W. Baughman; Haskell, Kenneth Copeland; Jayton, Ollie Apple; Knox City; Wallace Rosenberg; Lueders, V. N. Henderson; Munday, R. L. Kirk; Peacock, Waid Griffin; Roaring Springs, L. A. Reavis; Rochester, N. S. Daniel; Rule, Shan N. Hull; Sagerton-O'Brien, Lloyd Hamilton; Seymour, T. C. Willett; Spur, H. L. Thurston; Spur circuit, to be supplied; Stamford, St. John's, C. C. Wright; Vera-Benjamin, E. P. Swindall; Weinert, Oscar Bruce; Westover, F. M. Simpson; missionary secretary, R. L. Kirk; director of evangelism, district superintendent.

Fire Destroys Local Residence

An old landmark in Munday disappeared last Monday night when fire destroyed the residence just east of the Wichita Valley depot.

The fire, origin of which was undetermined, broke out shortly after three o'clock Tuesday morning.

E. J. Cude, owner of the place, was awakened strangling from the smoke, and the building was a mass of flames when members of the fire department arrived on the scene.

The building and practically all of its contents were destroyed. It was occupied by several families.

VERA COACH RESIGNS FOR JOB AT ARCHER CITY

L. C. Lemons, coach of the 6-man football team at Vera, recently resigned his position to accept the place of assistant coach in the Archer City schools. Lemons' vacancy had not been filled the first of this week.

Mr. Lemons has guided the Vera team through a successful season this year, his team being the top team in the conference. His services will be missed at Vera, but school patrons wish him much success in his new undertaking.

BIRTH ANNOUNCEMENT

Mr. and Mrs. W. E. McAda are the parents of a boy, born on Friday, November 14. Both mother and little one are reported doing nicely.

Mrs. R. C. Burleson of Hobbs, New Mexico, visited relatives and friends here over the week end.

WE'LL CELEBRATE THANKSGIVING

The Munday Times force has elected to celebrate the last Thanksgiving, November 27th. To do this, it will be necessary for us to publish next week's issue a day earlier—on Wednesday. Advertisers and news correspondents are urged to cooperate with us by getting their ads and news items in earlier than usual. For this we'll be thankful to you!

Crimm to Hold Goree Revival

On Friday night, November 28, Rev. B. B. Crimm from Marshall, Texas, will begin a revival meeting for the churches of Goree. Rev. Crimm was in Goree Wednesday afternoon and after a conference with Rev. Stevenson and Rev. Baughman the above date was set and the revival will be held at the Methodist church building.

The evangelist is now in a revival at Throckmorton, this being the second successful revival here there in recent years. In the last few weeks he has held good revivals at Haskell and Stamford.

The meeting will be held for the town and adjacent communities and everyone is asked to attend and have a part in the revival.

Midgets Win From Holliday 14-13

The Midgets scored a close win over the hitherto unbeaten Holliday Juniors Tuesday on Scruggs Field in Munday. Coming from behind the Midgets punched over two touchdowns and plunged for both extra points to stay ahead in the ball game. The Midgets had to hang on for life in the closing minutes of the game to hold their lead. They finally managed to take the ball on the ten yard line. Holliday scored both their touchdowns on wide end runs. A pass for the extra point was batted down by the Midgets. Louis Washburn scored all of the points for the Midgets.

One game remains on the Midget schedule as Olney comes to Munday next Tuesday, November 25. The game will be called at 2:30 p.m.

Lieut Jack Williams and Lieut. Tex Adams, both of Camp Walters, Mineral Wells, spent Thursday in the home of the former's parents, Mr. and Mrs. P. V. Williams. They tried their hand early Thursday morning at duck hunting, along with Rupert Williams and others.

NEON SIGNS INSTALLED AT BAUMAN MOTORS

Installation of two neon signs was completed this week at Bauman Motors, local Ford dealer. In front of the garage is a large Ford oval sign, while a service sign was installed at the entrance to the service department. These add to the appearance of the local dealer's place of business.

Defense Shop Course Will Be Offered Here

Friday night, November 21, marks the end of the first ten weeks pre-employment course in metal work for out-of-school young men here. Some 25 boys have received from 50 to 150 hours each in various shop skills that will be of benefit to them either on the farm, in local repair shops, or in industry.

A new course, beginning December 1, will be the truck, tractor and auto mechanics course. It will be taught by Mr. Vaughn, mechanic at Moore Chevrolet.

Boys who took the metal working course are eligible to take this course. If the full quota is not taken by this group, then other young men between the ages of 17 and 25 and living in the community are eligible for this training course.

Registration for the mechanics course will be held in the local vocational agriculture department on Tuesday night, November 25, at 7:30 o'clock. All eligible boys who are interested in taking the course are urged to be present at that time.

Cotton Ginnings

The cotton ginnings report from the Department of Commerce, bureau of the census, shows that Knox county had ginned 21,682 bales of cotton from the 1941 crop prior to November 1.

The report, sent the Times by Hoyle H. Sullins, special agent for the department, shows the county has ginned 1,758 bales more than during the same period of 1940. The 1940 ginnings up to November 1 were 19,924 bales.

Cotton Farmers Vote on Dec. 13 On Referendum

College Station.—For the fifth consecutive year, Texas cotton farmers will vote in a cotton marketing quota referendum, Fred Rannels, assistant administrative officer of the AAA in Texas, has announced.

The voting date has been set for Saturday, December 13, and quotas will not be in effect on the 1942 crop unless approved by two-thirds of the eligible producers who vote in the referendum, he said.

If quotas are in effect, farmers planting within acreage allotments may market all cotton grown on their allotments. Regardless of whether quotas are approved, conservation phases of the AAA program will remain the same, he explained.

"Cotton is one of the surplus crops for which no increase is asked in the Food-For-Freedom campaign," Rannels said in explaining that with restricted world markets the United States has on hand a supply of about twice the size of recent crops.

Approval of marketing quotas to help adjust the surplus will make possible continued use of loans, the AAA official said. Under provisions of the AAA Act of 1938, as amended, loans are prohibited when quotas are rejected by producers.

Collapsing of all foreign markets and the consequent drop in American exports from 6.2 million bales to 1.1 million bales, together with the fact that there is already enough cotton on hand to fill an extra year's needs, highlight the cotton situation. Since the slump is due primarily to war and naval blockades, cotton exports probably will not increase any great extent during the present season, he pointed out.

Bill Dingus, who is stationed at Camp Bowie, Brownwood, came in Wednesday to spend a few days with his parents, Mr. and Mrs. G. W. Dingus.

Red Cross Roll Call Under Way In This County

County Goal Set For 500 Members

With 88 members already secured in the annual Red Cross membership drive, Mrs. W. E. Braly, chairman, stated Wednesday that splendid response was being given by Munday people to the annual roll call.

Mrs. Braly stated that the county's quota this year is 500 members, or \$500 secured during the roll call; however, the county has set its objective at \$800. Mrs. B. C. Anderson of Knox City is county roll call chairman.

"The American Red Cross is the only organization in the land equipped and ready, first, to assist, advise and otherwise serve the men of the armed forces and their families; second, to carry on in this and every other community such indispensable welfare programs as Red Cross public health nursing, instruction in home nursing, first aid, water safety and all kinds of accident prevention, and through the Junior Red Cross in the schools, to act as the medium of service for young people; third, render protection and relief in case of disaster; and fourth, to undertake the administration of American aid to stricken non-combatants and refugees abroad."

The greatly expanded year-round services of the Red Cross are financed solely through volunteer memberships obtained during the annual Roll Call, it was said. Those of the county who have not yet secured membership in the Red Cross are urged to do so before the Roll Call period ends, November 30.

Munday Girl Is Made Member Of College "W" Club

Abilene, Tex.—Laverne Darter, daughter of Mrs. I. N. Douglas has been selected a member of the "W" Club, women's honor organization of Abilene Christian College.

Selection of members being made on basis of high scholarship and character, this is one of the highest honors available to young ladies of the institution. An average of B plus on all college work is required.

Although honorary in nature, the group is active in service to the college, acting as hostess for visitors and sponsoring a loan fund for needy girls. Several social affairs are also given during the year.

INGRAM ACCEPTS JOB IN WELFARE OFFICE

Ernest Ingram, teacher in the Hefner school for a number of years, has resigned his position to accept a position in the Knox county welfare office. A. W. Akin of Benjamin has accepted the place vacated by Ingram.

Ingram recently passed the examination held in Wichita Falls for this position. He and Mrs. Ingram moved to Benjamin this week, and Mr. Ingram will work with Glenn Burnett, county welfare worker.

DR. WIGGINS OPENS OFFICE IN FORT WORTH

Dr. J. A. Wiggins, Jr., son of J. A. Wiggins of Munday, recently announced the opening of his office in the Medical Arts Building in Fort Worth, where he is practicing medicine.

Prior to moving to Fort Worth, Dr. Wiggins was one of the physicians at the Texas tuberculosis hospital at Sanatorium, Texas.

Event to Be At Rhineland On Thursday

Proceeds to be Used For Completion Of Church Building

With the date for Rhineland's harvest festival but a week away, plans are virtually complete for the staging of this all-day celebration. The event will be held on Thursday, November 27.

Amusements for young and old will be held throughout the day, consisting of bingo, country store, doll racks, fish pond, cake walks, cartoon racks, and plenty of good music by the Rhineland Lone Star band.

Dinner will be served at noon, and supper will be served at 5:30 p.m. These feasts will feature turkey, beef, pork, fried chicken, good country pork sausage and all the trimmings it takes to make the meal complete.

Interest has been shown in the race for harvest queen, in which nine girls of the county are entered. The harvest queen will be crowned Thursday evening, and "Her Majesty" will give away a bale of cotton at eight o'clock that evening. A \$25 defense bond will also be given away.

Plans are being made for entertaining one of the largest crowds ever to attend a celebration at Rhineland. The harvest festival is sponsored by St. Joseph's Catholic church, and proceeds derived from the event will go toward completion of the church building.

The festivities will end on Thursday night with a dance, the music being furnished by Hugh Comisky's orchestra.

Bank Deposits Now at Million Dollar Mark

There's more money on deposit at the First National Bank in Munday than at any other time in the history of the bank!

A cool million dollars are now on deposit to the credit of customers of the bank—and this year is the first time it's ever happened to a bank in Munday. Deposits in the local bank reached the million dollar mark on November 8, W. E. Braly, president, said.

"We do not mean to imply that this represents more money than has ever been on deposit in the county," Mr. Braly said, "but that at no other time in this bank's history have deposits run so high. This is a pretty good criterion of the financial condition of this area."

On one Saturday recently, the loan bank paid out \$45,000.00 in cash through the tellers' windows, most of which was for cotton picking. This also represents a record for the amount of money paid out by the bank in any one day.

Employees at the bank have been swamped for a period of several weeks, and quite a lot of night work has been required to keep up with the increased business.

Knox County Gets First Payment Of Per Capita Money

The common school districts of Knox county received \$4.00 per student in state school money last week, it was announced by County Supt. Merick McGaughey. This is the first payment on the \$22.50 apportionment from the state, and another payment is due some time in December, it was stated.

The total payment to the common school districts was \$6,036.00, Mr. McGaughey said.

According to word received by County Supt. Merick McGaughey, the highway patrol will check the school buses of Knox county next Friday morning at ten o'clock in Benjamin. This will be the last chance for the buses to pass the highway regulations.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

"ALL OUT"

Much has been written about strengthening the morale of our soldiers. But the morale of the men in our factories—the men behind the men behind the guns—is important, too. They produce the defense equipment we need so badly. The faster they produce it, the better for all of us.

Industry knows that, and today, in addition to good wages, reasonable hours, constantly improved working conditions—things that American employees have long enjoyed—it's employing effective salesmanship to sell industrial workers on the importance of the production job they're doing. Bonuses, slogans, posters, badges, company newspapers, competition between departments—it is using all of these ways to make the average employee feel his importance in the defense of America. Industry is leaving no stone unturned in its effort to preserve our freedom, and the result is the increased production our country demands.

Prepare for Large Crowd At Game On Friday Night

Fans who would like to buy their general admission tickets before game time may do so at any drug store in Munday until mid-afternoon Friday. No reserve tickets are on sale.

Buying of general admission tickets early will save time of fans in buying them at the gate. Ticket windows will be open at the park at 6:30 and the gate will open a little later.

Firemen will patrol the fences, the playing field and the parking of cars with the aid of local officers. One of the largest crowds in the history of football here is expected Friday night for the game.

Those who wish to drive cars into the enclosure are requested to park away from the guard fences due to the large crowd. Bands and pep squads will be seated inside the fences with Munday on the north and Chillicothe on the south.

At the game, tickets may be bought from the bus garage window, or at the rear of the ward school under the light. Admission may be gained at the east gate or at a gate east of the old lunch room. General admission is 55 cents for all adults and 25 cents for students; time will be saved if the correct change is handy.

Colored School Opens

The colored school, with Mrs. Mabel Wellington as teacher, began another year here November 18.

When a large group of students attended the first opening.

The school building is being moved across the street from where it was so that the house will be more convenient.

The school will likely run seven months this year due to increased help from the state, stated Supt. Colley. Application is also being made for transportation money for colored students being transported into Munday from other districts.

Speech Students Open

Short Speeches

Speech students in high school are now preparing extempore speeches.

Five outlines for speeches are prepared by each student and next Thursday each will be expected to speak on one of the subjects chosen from the five outlines.

General outlines for speech making that can be used in any speech at any time throughout life the students may be called on to make a short talk. These are especially valuable to the students due to the many institutions and organizations in business requiring their employees to partake of democratic discussion of policies.

Third and Fourth Students To Give Festival in Assembly

There will be a fall festival in the auditorium Friday, November 21, at one o'clock. This festival

will be given by the third and fourth year boys and girls. With Thanksgiving coming in the late fall, and it being such a joyful holiday season, the children are sure everyone will enjoy the gay festival. They want all of their friends to be present for the occasion.

Third Year News

New things are being done in the third year room. In decorating the room for the Thanksgiving season the children are using real leaves and stamping different colored patterns. These autumn leaves will be the main theme for our room decorations. Too, Thanksgiving will be even a more joyful time this year because each boy and girl has a better understanding of the privilege of the American Thanksgiving is for every citizen.

Odds and Ends Around M.H.S.

Munday High School students had their pictures made Tuesday morning of this week for the high school annual. The Dixon Studio of Seymour is doing the work for the students.

And had you noticed Frances Smith and Juanita Rogers going around with their fingers in their mouth the past week? Yes, their class rings arrived last week.

The Munday High School faculty held a long huddle on Monday morning. Look out, children!

Ray Moore has earned the right to be named president of the detention club. Ray just needs one more study hall in order to prepare his assignments, I suppose.

A few members of the senior class are picking "greens" in the school garden to boost the financials.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

for Coughs, Chest Colds, Bronchitis

ces of the senior class. Although high school students are required to type only 30 words per minute by the close of the school year, many in this year's class have already passed that mark. Bob Barton seems to be tops with 47 words at this time, followed closely by Ben Bowden with 45. Making 30 words or more at this time are Willard Reeves, Doyle Jones, Clyde Hendrix, and Jean Martin.

Second Grade

The second grade children have shown much interest in a reading contest the past two weeks. There are 24 children in our room, and there were only nine mistakes made during the second week of the contest. After seeing a picture show Friday they felt as if they had been well paid for the effort put forth in trying to read well.

Junior News

The Juniors are hoping we won't have to stop playing football Friday night. It has been interesting to us this year because the Moguls are winning. In the way of studies, it seems we are all buried and we hope we get out alive, at least by Thanksgiving. In History we have the workbook to complete and reading to do in our textbook. In English we are studying everything connected with parts of speech and sentence construction.

We're still selling candy and appreciate the support that all students are giving us. This will help us have a grand banquet this year.

The other day we heard a voice that sounded like Wayne Blacklock's saying—(he didn't know we were listening):

I hold you tenderly in my arms, Beholding your shining loveliness,

The saxophones moan, The pulsating beat of the drums Throb in the night.

The lights are low You are a symphony of graceful curves,

Your voice is like a far-off silver bell.

The music swells, grows louder . . . louder,

The time has come I press you gently to my lips . . . Gould Old Trumpet.

Freshman Report

In the Junior Business Thrift Club we have made a little progress in learning parliamentary procedure. At every meeting we usually have an argument about it, but soon settle it. Our parliamentary, Dick Owens, always has the last word in the argument.

The entire club is expecting a grand time at our theatre party Wednesday night. Since it is impossible for our sponsor, Miss Brock, to go, Latrace Johnson and Patsy Ruth Mitchell were appointed as a committee to see if two of our room mothers would act as chaperones.

We'd All Like to Know—

Why Elma was so angry Friday?

Why Elman and Latrace are so interested in Weinert High?

Why Berniece's favorite vegetable is an onion? (Of all the vegetables, why that one?)

Whom Jean and Mildred were so eager to see Saturday night?

Why Berniece was so angry at a certain boy Tuesday at Rule? (She says it's O.K. now, but . . . has reason to doubt it.)

One of our bright little Freshmen thought up the following qualities to be found most desirable in some of our girls:

Latrace: personality.

Nell: hair and nails.

Milford Twins: hands.

Mildred: voice.

Elma: complexion.

Jo Nell: nose.

Jeanne: eyes.

Helene and Joyce: teeth.

Bernice: eyelashes.

Janie Sue: lips.

We Would Like to Know—

Where Jimmie was Sunday night?

Where Juanice and Juanita went Sunday night?

Who Frances was with Sunday night?

Why Charles leaves his ring at home? (Or is it at home?)

Who marched with Florene and Frances last Friday night at Iowa Park? (Boys aren't allowed in the pep squad—or are they?)

What interest Mary has at Seymour?

Which Core Jean likes best, Weinert or Goree? (Jean, make up your mind!)

Whose ring Frances is wearing? (Couldn't be from Seymour, could it?)

Why Juanita can't make up her mind as to Haskell or Seymour?

Why some girls got addresses from Iowa Park? (Or did Iowa Park get theirs?)

Why several Seniors were so sleepy Monday morning? Let's get some sleep next time!

Senior Report

The Senior class had a party at the home economics cottage last Wednesday evening. The purpose of this party was to get our rummage mended. While the boys polished the shoes the girls and room mothers pressed and mended dresses. After they had finished the boys and girls popped corn and the room mothers served hot cocoa and cookies. Everyone enjoyed the party.

The Seniors have selected their play to be presented December 9th. The name of it is "Finger Prints," a comedy in three acts.

The Seniors have cleared \$52 dollars off both rummage sales.

Seniors on Review

Dixie Atkinson was born in Munday on March 19, 1925. She has gone to the Munday school all of her 11 years.

Dixie takes active part in all school work. She is a charter member of the band, editor-in-chief of the annual.

Dixie has not decided what she will do when she finishes high school, but whatever she does the class wishes her all the success and happiness possible.

Sophomore Report

Most of the Sophomore class will have their pictures taken Tuesday.

There will be plenty of sprucing up and don't be surprised at the boys wearing ties. These pictures will go into the annual, so everyone will want to look his best.

The class thought it might be a good idea to buy a radio. In History we could use the radio for news and it could be used to listen to important speeches. The class president and a committee of three were appointed to do the selecting. If we do get a radio it will be a great help in our classes.

In second year English class we are on Book III of the Tales of Two Cities. Some of the big words in the story have us stumped, but everyone likes the story.

We Wonder Why—

Syble is so anxious for the Sophomores to have another party?

Why Daphne thinks she can skate on gravel? (Kinda skinned your knee, didn't you?)

Why Hulien has been so quiet in History class lately?

Why Sunset isn't mentioned so much this week? (Come on Maisie, and let him explain!)

Why Tony wasn't so spry this past week?

Homemakers Club Officers

Attend Lubcock Meeting

Margaret Womble, president of the Homemaking Club, Jane Campbell, secretary of the club, and Miss O'Donnell, sponsor of the club, went to Lubcock Saturday morning to the Area II Homemaking Club meeting, held at the Lubcock High School building.

Starting at nine o'clock we attended the program until two o'clock. Clubs from various parts of the area had parts in the program. The program was based on nutrition. We thought this was especially interesting, because we have been studying nutrition in our homemaking classes. Between each talk on nutrition some special numbers were given; a reading, solo, dancing, and acrobatic stunts, which were also put in a form of the nutrition program.

We certainly enjoyed the day and we hope we can take more of the members of the club to the next meeting which will be next spring.

Mr. and Mrs. Aubrey Crouch of Los Angeles, California, spent the week-end in the home of Mrs. Crouch's parents, Mr. and Mrs. L. E. Hunter.

Mustangs Defeat Knox City Grayhounds, 28-26

The hard fighting Benjamin Mustangs turned back the favored Knox City Grayhounds, here Friday afternoon, by the score of 28 to 26. The Mustangs scored on long runs by Stark and power drives through the center of the line by Alonso Cartwright. Snailum covered a loose ball in the end zone for another score. The Mustangs led 21 to 8 at the half, but were trailing 21 to 26 with only a few minutes to play, when A. Cartwright hit Stark with a short pass

on the 30 yard line. Stark dodged and outran the K.C. secondary for the score. A. Cartwright went over center for the extra point.

Teamwork was displayed during the game by the Mustangs, with hard blocking and tackling by Snailum in the backfield and good defense by K. Cartwright, Moorhouse and Duke on the line. Stark and A. Cartwright shone on offense. Outstanding for K.C. were Hill and Carpenter.

Benjamin ends the season by playing Vera here Friday afternoon. Starting lineups—

Benjamin	Pos.	Knox City
Duke	L.E.	Hackfield
K. Cartwright	C.	Stephens
Moorhouse	R.E.	Carpenter
A. Cartwright	Q.B.	Hardwick
Snailum	H.B.	Simmons
Stark	F.B.	Hill

Senior Report

The Senior class has a very beautiful quilt to be given away the night of the Senior play. The chances on the quilt will be 25c each. Tickets may be obtained from any Senior, Miss Cole, or the room mothers, Mrs. Cartwright or Mrs. Heterl.

Senior Personality

Perry J. Stark was born near Seymour, February 27, 1924. He moved here in 1927 and started to school in 1930. He is now secretary and treasurer of the Senior class.

Some of his favorites are:
 Color: Green.
 Subject: English.
 Teacher: All of them.
 Song: "I Don't Want to Set the World on Fire."
 Sport: Basketball and football.

Junior Report

The Juniors aren't having any activities this week. We are planning to make good grades on our examinations.

The Junior class sponsor is Pat Wyatt, who was born March 23, 1920, in Rule, Texas. Besides being junior class sponsor he is football coach. He is 6 feet tall, has blue eyes, brown hair, and is very nice looking. Mr. Wyatt attended A.C.C. before coming to Benjamin.

Sophomore Report

The Sophomore class is studying hard and looking forward to the second six weeks exams, Thursday and Friday of this week. We have not planned for any entertainment, because of the six weeks exams. Maybe next week when the heavy memories of the exams are cleared away, we can plan for some en-

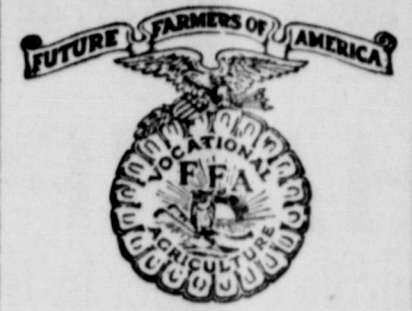

entertainment.

Sophomore Personality: Calvin Brown was born in Benjamin, February 18, 1927. He has been with the class since his first year of school. Some of his favorites are:
 Sport: Basketball.
 Teacher: Mr. Wyatt.
 Subject: World History.

Freshman Report

Freshman Personality: Claudia Meinzer was born in Benjamin, Texas, July 1, 1928. She has been with the class since her first year of school. She has brown hair and hazel eyes.

Some of her favorites are:
 Color: Blue.
 Song: "I Don't Want to Set the World on Fire."
 Teacher: Miss Ewalt.
 Subject: General Math.

F.F.A. CHAPTER HAS REGULAR MEETING

The fifth regular meeting of the Munday chapter of Future Farmers was held November 18, 1941, at 7:30 p.m. in the vocational agriculture room. President Charles Baker presiding.

After the roll was called and the Munday chapter voted to buy a scrapbook to keep a record of chapter activities in, they also voted to buy a clock for the room.

After this the meeting was turned over to the Crowell chapter. The Crowell officers initiated the Munday boys into the Green Hand degree. The members initiated were as follows: Charles Baker, Ralph Tidwell, Ben Bowden, Hulen Montgomery, Joe Morrow, Clyde Hendrix, Wayne Blacklock, Lowell Cure, Aubrey Roden, Elton Adams, Billie Frank Armstrong, Bobbie Barton, Bobbie Broach, Bill Brown, William Browning, Bobbie Haymes, Glenn Dobbs, Joe Gafford, Stephen Harrison, Clyde Hendrix, Jr., McCelvy Jones, Edwin Lowrance, Glenn Lowrance, Truman Lowrance, Cal Dodson Lowry, Charles Massey, Billie McGraw, David Lee Morgan, W. C. Nance, Carl Reed, Bobbie Reese, Charles Reese, O. H. Spann, Jr., Kenneth Spelee, Herbert Stodghill, Marvin Stovall, Jack Strickland, Milton Thompson, and Joe Waldron.

After the initiation refreshments, consisting of hot chocolate and cookies were served. For recreation table tennis was played.

FIRST BAPTIST CHURCH

We are very sorry to have to miss the services last Sunday. We are coming back to normal and will be on the job next Sunday, providing nothing else happens between here and there.

We greatly appreciate the many kind expressions, the flowers, the cards, and the telephone calls, the pies, etc.

When we become helpless and cannot minister to ourselves with our own hands, we realize how dependent upon others we are, and most of all how dependent upon God we are, for in the last analysis it is "In Him we live, and move, and have our being."

All services at the regular hours next Sunday.

Sunday afternoon at 2:30 there is to be held at Haskell an association-wide Sunday School meeting. You will get information and inspiration by being present.

W. H. Albertson

METHODIST CHURCH

To all Methodists and friends, we wish to say that we are happy to be given the privilege of living and working with you for another season. We enjoyed our work last year and we look forward with great hope for a better and happier year in His service. We hope that you can be with us for the services Sunday. Let's give God a chance to use us in a greater way by being present at all services.

Luther Kirk

CARD OF APPRECIATION

We wish to express our sincere appreciation to members of the Munday American Legion and the Texas Defense Guard for their participation in the firing squad which performed at the funeral of our loved one, Oscar Lewis Krogar, at Weinert. To those who brought flowers or who helped in any way, we sincerely thank you and pray God's blessings on you all.

Mr. and Mrs. F. J. Josselett
 Mr. and Mrs. Joe W. Massey

Mrs. R. C. Partridge accompanied Mrs. John Ingram to Dallas, where Mrs. Ingram will visit with her husband, while Mrs. Partridge will go to Port Neches to visit with relatives.

Christmas Slip

Cotton slips will be in vogue as Christmas gifts this year, the National Cotton Council and Cotton-Textile Institute report. Especially designed for college girls, this perfect fitting cotton percale slip with well designed bra can be sent to the laundry along with nightshirts, blouses and other cottons. Zipper closing and elastic in the back insure good fit, and Val lace around top and bottom add the feminine touch.

Mr. and Mrs. Don Ferris were in Seymour Tuesday night. Don attended a Layman's banquet at the Presbyterian church, while Mrs. Ferris visited friends.

EDMOND BROWN BOWDEN

In the record book kept by the Savior,
 There is a name written on a beautiful scroll,
 Of one who obeyed his commandments
 And worthy of that heavenly fold.

He smiled and nodded with approval
 As He watched from His throne above,
 Penning the deeds he had sanctioned
 Of a life we had learned to love.

The book has been closed by the Savior.
 And gently held gently held to His breast.
 A life that will be missed by many
 Now sleeps in Heaven at rest.

Munday has lost one of its best-loved citizens in the death of Edmond B. Bowden. It was a pleasure to know him and to know him was to love him. Few men have walked the pathway of life as he did and beyond doubt God nodded with approval upon his deeds done on this earth. He lived a full unselfish life and meant more than words can express to his family and friends. He loved his home and place of worship. Again we say the Savior gently closed the book of Mr. Bowden's life and we feel sure he held it close to his breast and softly whispered, "Well done, thou good and faithful servant."

D. P. Morgan, Jr., who is attending Austin College at Sherman spent the week end here with his parents, Mr. and Mrs. D. P. Morgan. He states he is doing fine and has been keeping up with the Moguls in their games.

Another bull pulling feat was accomplished by Dee Mullean recently, according to reports. During six hours in the field, he pulled 1,130 pounds.

News From Goree

Tom Cowser made a trip to Denton to bring several of the students home for the Thanksgiving holidays.

Mrs. Houston Covey and daughter have returned to Fort Worth after visiting friends and relatives here for several days.

Quince Hall of Camp Barkeley visited relatives here last week end.

J. J. Roberts spent last week end in Rule visiting in the home of his daughter, Mrs. Bryan Lawson and Mr. Lawson.

Mr. and Mrs. W. M. Frey of Lockhart were visitors in the home of Mr. and Mrs. Frank Frey last week. This was the first time Frey had seen his nephew in 27 years.

Mrs. Norman Frey is reported improved after a serious illness of several days.

Mr. and Mrs. Sebern Jones were in Stamford Tuesday night to attend the regular monthly meeting of the Clover Farm Store managers and their wives. The meetings are held weekly, and once each month the wives are entertained.

Rhythm Band to Play In Chapel Friday

The rhythm band of the Munday elementary school, under the direction of Mrs. Clyde H. Kennamer will make its first appearance in chapel Friday at one o'clock. The band is made up of first grade pupils. Miss Mamie Holcomb will accompany the band on the piano. The band will play one number entitled "The Americans First Dance," a very pleasing Indian song.

Midgets Beat Haskell 28 to 7

The Midgets of Munday elementary school scored their second victory over the Haskell team Friday afternoon on Scruggs Field by a score of 28 to 7. Louis Washburn scored three touchdowns for individual honors for the game. One touchdown was made by Willis Pippin. The Midgets counted after the touchdowns by a pass from Joe Spann to Rex Voyles and one plunging by Joe Spann. The quarterbacking of John Spann was a great deal better than in any game this season.

A pass backfired for the Midgets and was intercepted for a touchdown by Haskell. The extra point was dropped through the bars. During a large part of the second half the Midgets' second team took over the offensive duties and came within a foot of pay dirt. The second team was led by Lloyd Haynie.

The following is the lineup for the Midgets:

Team One	Team Two
Roden	L.E. Montgomery
Franklin	L.T. Washood
Weaver	L.G. Brown
Hogan	C. Tidwell
Cude	R.G. Trammell
Cadwell	R.T. Yates
Voyles	R.E. Campbell
Joe Spann	Q. Haynie
John Spann	R.H. Searcey
Pippin	L.H. Baker
Washburn	F. Brown
Substitutes: Don Reynolds, Arledge Suggs, L. E. McDonald, Clarence Searcey.

What You Should Know About Vitamins Vitamin E

The principal source of Vitamin E is wheat. It is a colorless or slightly yellow, odorless oil. It is highly anti-oxidant. It is insoluble in water, soluble in oils, stable to heat, alkalies and acids. Destroyed by iron chloride.

The exact dosage cannot be made. The following dose has been advised: from 6 to 50 mg. daily, even 100 mg. in severe cases.

Most humans secure enough Vitamin E in their normal diet. The American Medical Association holds that it has no value in the treatment of sterility but is claimed by some to be of value in treatment of habitual abortion.

Moguls' Record Remains Clear

Iowa Park Hawks Go Down in Mighty Battle Friday

The charges of Coach Jack Perryman, minus several of the first-stringers, overpowered the Iowa Park Hawks last Friday night at Iowa Park to keep their record clear. A 13-0 victory was chalked up for the Moguls, as they remain undefeated and untied this year as contenders with Chillicothe for the district 9-A championship.

The Moguls lost little time in taking command of the ball game, as Raymond Carden furnished the thriller in the opening play of the game. Carden received the opening kickoff on the 15-yard line, and with his teammates furnishing splendid blocking, Carden raced the 85 yards untouched for the first counter. The try for extra point failed.

Carden did a good job of stiff-

arming to keep threatening Hawks from downing him short of the goal. Later in the game, Carden almost got away for another long run, but as he checked to give his blocker a chance to take a player out of the way, he was overtaken from behind.

Soon after Carden's touchdown jaunt, the Moguls blocked an Iowa Park punt and recovered on the Hawk 32-yard marker. The Hawks held for downs on the 23-yard line and took charge. An intercepted pass stopped this drive.

The Moguls were stopped again by the scrapping Hawks on the 7-yard line, and again the Hawks carried out of danger.

Early in the fourth quarter, Munday again tallied after an Iowa Park back kicked short of the Hawk 44-yard line. Cude picked up three yards through the line, then Joe McGraw came into his own. He crashed over his right tackle, bounced off a number of Hawk tacklers and scampered 41 yards for the second touchdown. Moore kicked the extra point.

A few minutes later, the Hawks threatened to score after recovering a Mogul fumble on the 14-yard line. Four downs failed to net a first down and the threat ended.

McGraw was the chief ground gainer for Munday, accounting for 75 of the Moguls 118 yards gained. In addition to his thrilling run, Carden did a great job on kick returns and pass interceptions. Montgomery, Kitchens and Stevens were outstanding in the Mogul line.

The Moguls found that their former line coach, Pete Wood, was developing a scrapping ball club at Iowa Park, and this was believed the best game of the season for the Hawks. Before the game was far advanced, the Moguls realized they were up against more fight than they had expected.

FEED MILL

The Triplet Cylinder Feed Mill will grind anything in the way of feed. It operates on little power and is especially designed for the Ford Tractor.

It is equipped with self-sharpening knives for grinding green feed and hammers that will crack 90 per cent of the grain in the grinding process.

The Triplet is the best grinder value on the market, and a feed opening 9 inches high and 18 inches wide makes faster feeding and more capacity.

Juanell Walker and Gena Beth like skating rinks so well—spec-

Polly Mac was disgusted Sunday night. (Or was she? Ask somebody who knows!)
 Two Junior girls will be glad when Wednesday night comes. (Come on Vera, let's go—and I do mean Vera, Texas!)
 Sue Partridge got so tickled Friday night in the play.

Sophomore News

The Sophs are ready to fall back on their old routine of study again now that the carnival and all the excitement and preparation of the carnival has passed.

In Literature they are progressing rapidly in Silas Marner and find it to be one of the most interesting novels they have ever studied.

In Home Ec the girls are cooking different courses of a breakfast and will soon be able to prepare a complete breakfast.

Fourth Grade News

Tommy Frances Yost, the fourth grade queen, ran a close race with Patsy Matthews, who was crowned queen of grade school.

The fourth grade has been working on Thanksgiving decorations for the classroom. Wednesday, November 19 they will contribute their part to the Thanksgiving program which will take place in the auditorium just before school turns out for the holidays.

See you next week.

Eighth Grade News

We are glad to have more of the pupils in our room back in school again with us. We still have quite a few out gathering cotton.

After we worked very hard for our queen (Earleen Brewer) we were defeated by the Seniors, however, that didn't keep us from enjoying the carnival.

In math we are studying decimals and percentage. Some of us had a little difficulty but are catching on. Mr. Mac (our sponsor) has promised us a little writeup for Wednesday.

Now that the carnival is over we must get back to our lessons. For six weeks exams are not far away.
