THE MUNDAY MUSE—Group 7A New Officers Elected

Wayne Rogers was chosen president, Jean Ratliff was elected secretary, and Ronald Foshee was made reporter in a regular meeting of the class Monday. Bobby Howell and Rose Marie Stodghill were named room keepers for the next six weeks. Mr. Kennamer is our room sponsor.

The class decided and plans were made to purchase Defense Savings Stamps every Friday throughout the coming school year. This project has been selected so that we may learn thrift and at the same time do our bit for the Government. Over a dozen pupils indicated that they intend to begin their savings at the next purchase day. All other groups are urged to follow the example of Group 7A.

They are glad that Carl Franklin, Hazey Jones and Betty Horan have returned to school after an

Seniors on Review
Charles Baker was born on August 14, 1925, in Floydada, Texas. Later he moved to Weintert where he entered the first grade and he entered here in Munday during his third year. Charles has taken an active part in band and F.F.A. This year he serves the F.F.A. chapter as president.

When Charles finishes high school he plans to enter John Tarleton College. The class wishes him the best of luck in his undertakings.

Odds and Ends Around M.H.S.
Munday High's football team looks like it has been through a sausage grinder this Monday morning, but their spirits are still up. And well might their spirits be high for they have just finished a very successful season. We are hoping all the tape and bandages can be removed from the boys soon.

Basketball training will start

5B News
Everyone is happy because of the holidays for Thanksgiving this week.

Our Indian unit and booklets on Indian life have been completed. Now the pupils are planning to build a miniature playground in the sand table.

The enrollment in our room is steadily increasing. R. B. Jennings entered today, bringing the total to twenty-five.

Third Year News
The few days before Thanksgiving are happy ones for those in the third year room. Of course, everyone is excited over the holidays. They are accepted in the true spirit of thankfulness.

The children have been writing original stories and poems about this day and feel that the American Thanksgiving is truly a great day this year.

Holidays Faced by 5A
The teacher and pupils of 5A room are very happy over the fact

that Thursday is Thanksgiving. The class made Thanksgiving posters displaying turkey, pig, and such until they are a little over-anxious for Thursday to come.

This week also is exciting because of six weeks examinations. The answer to 2 x 2 may be said to be gobble-gobble. If so, we may understand why.

Miss Holcomb has just finished reading "Caddie Woodlawn" to the pupils and they enjoyed it very much. This is the story of a little girl who lived in Wisconsin when it was first being settled and how they gave thanks for the blessings which they had received. The pupils decided that we had much more to be thankful for this year, than perhaps ever before.

Fourth Year News
We are looking forward to Thanksgiving. We have been naming and thinking about the many things that we have which we are thankful for.

We have been studying manners in our room. We first name the rule, discuss it, and then act it out. Today we studied table manners. We used our library table and chairs for our dining table and chairs. We have enjoyed this study and we hope you can tell by our actions that we got a great deal of good from it.

Happy Thanksgiving to everyone.

Ward Choral News
The ward choral club is learning some new Christmas carols. They hope to put on an assembly program. Miss Holcomb is the sponsor.

They have a sextet and also an octet. They are planning some trios and a solo.

Reporters for the Munday choral club are Eloise Gray and Rosalee Pippin from the seventh year class.

Eighth Year News
The eighth year class received new work books last week. Some of the illustrations in the work books brought loud wails of laughter from the class. The class has been learning about punctuation from their text as well as from their work books. For two or three years the class has been weak in this particular phase of grammar. They hope to improve a great deal these next few months of school.

8th Year Football News
One outstanding feature about the 8th year class is their yell leader, Patsy Massey. Tuesday at the last game of the season, Patsy will be there yelling loud and long for students who represent the class in such a fine manner the salute of the class is given. Yea, Midgets! The eighth year is for you too!

Senior Report
With the Thanksgiving holidays drawing near, that cause lots of excitement, the Seniors will have a time on their six weeks test they

next week, says Coach Perryman. Munday High School should have a formidable club this year, even though we do lose some very good boys of last year's team.

The room mothers of the Senior class surely did boost the finances of the class last Friday night by operating a first class booth at the football game. Seniors, how would you get along without such room mothers? Thanks a lot, mothers!

Messrs. Colley, Harrell, Allred, and Hardegree would appreciate the band and pep squad carrying their own chair to the building after the ball game. It gets cold and damp out there on that football field about one o'clock Friday night, carrying in the chairs!

Six weeks examinations are scheduled for Tuesday and Wednesday and everyone is going around with long faces at the time of this writing. By the time you read this, though, maybe all will be feeling better for Munday High observes November 27 and 28 as Thanksgiving holidays along with the business houses of Munday.

Junior News
This is the end of the six weeks and as usual there are six weeks exams. Most of us will have to study.

We are to have two days off for Thanksgiving and we are all looking forward to having a good time. In English, we are having book reports.

We Wonder . . .
Why Betty S. likes to go to Stamford so well?
Who mistook Maxine for a pep leader? Harry?
Why Margaret and Jane were so fortunate as to acquire engagement rings?
Why Joe thinks the Chillicothe boys couldn't be overshadowed?
Why Harmon and Jimmie are so fortunate in History for the six weeks test? Broken arms?
Why Bonnie Jean is so glad to be back in Munday? Only 24 miles now?
Why Maggie is so worried about

her six weeks exams? Isn't everyone?
Why Delmar is interested in Oklahoma now? Again? What was on that envelope Delmar?

Who from Sunset was looking for Bonnie Jean Monday?
Why the picture in the paper of the band and pep squad leaders led to a few getting letters from Camp Berkeley?
Why Juanice, Retta Jo, and Jerry can't get together in Home Ec class?

The Freshman Report
The Junior Business Thrift club is proud of the deposits made by several of its members. The most any one member has on deposit is \$1.00, deposited by Billy McGraw. Patsy Ruth Mitchell ranks next with 80 cents. Several others have a good start toward a Christmas savings account. We are just completing a unit in Thrift, Savings, Investments and Insurance. We find it interesting to learn things which we did not know about these subjects.

Practically every one of us was at the theatre party Wednesday night. After the show we went to the drug store for refreshments. We'd All Like to Know—
Why Patsy Ruth stood so close

to the fence Friday night? (G.H. from Sunset can tell you.)
Why Berniece and Jerry were so anxious to greet the football boys?

Why Wayne and Dick are such good friends suddenly?
Why Berniece was so scared Friday night? (Mama!!)
Why Joylene and Mildred were so tickled Wednesday night?
What (or who) made Joylene blush so vividly Thursday morning?

What was wrong with Mildred's knee Thursday morning?
Why Patsy Ruth kept looking for a certain bunch of boys from Sunset?
Mrs. Ruby Kethley and son Joe Lynn of Brooks Field, San Antonio, visited friends and relatives in Munday last week-end. Mrs. Kethley had just returned from San Diego, Calif., where she had been visiting her daughter, Mrs. Frank Robinson.

Mr. and Mrs. A. Bartell and son, Jack, of Weintert visited their sons, James and Harold Bartell, in Wichita Falls last Sunday.

Mr. and Mrs. Worth Gafford visited in Spur last Sunday.

Music Club Has Guest Day Meeting Last Thursday

Honoring guests with a study of Franz Schubert's life and interpretations of his famous composition, "Serenade," the Munday Music Club met Thursday afternoon in the home of Mrs. H. A. Pendleton.

Following roll call, introduction of guests, and reading of the club pledge, unison singing of "God Bless America," was led by Miss Maymie Holcomb, accompanied by Miss Jessie Merle DeLoach at the piano with Mr. Cecil Hood playing a trumpet obligato.

"America We All Love You" was sung by the high school sextette under the direction of Miss DeLoach.

Mrs. Don Ferris, president, introduced Mrs. A. A. Smith, Jr., who gave a detailed study of the composer's life and the story of "Serenade."

Miss Virginia Smith played a piano solo interpretation of "Serenade," and Misses DeLoach and Holcomb played a piano duet, "Marche Militaire." In conclusion Mr. Hood played a trumpet arrangement of "Serenade" accompanied by Miss DeLoach.

A short business meeting was held immediately after the program.

Bridge Club Has Annual Dinner At Pendleton Home

The home of Mr. and Mrs. H. A. Pendleton was the scene of one of the most attractive autumn affairs last Monday night when the Monday Night Bridge Club had its annual Thanksgiving dinner.

A turkey dinner with all the trimmings was served buffet style. The party rooms were beautifully decorated with chrysanthemums, and the place cards were miniature turkeys.

In the games of bridge that followed dinner Mr. and Mrs. W. R. Moore held high honors.

Guests for the occasion were Mr. and Mrs. W. E. Braly. Members present were Mr. and Mrs. A. H. Mitchell, Mr. and Mrs. Grady Roberts, Mr. and Mrs. Fred Broach, Mrs. C. P. Baker, Mr. and Mrs. W. R. Moore and the host and hostess.

Miss Ruby McDurmon of Cisco visited in the Presbyterian church Sunday morning in the interest of the organization of young people's work. Miss McDurmon is director of Religious Education in the Fort Worth Presbytery.

The appetizing refreshments consisted of turkey salad in timbales, canape, celery curls, carrot rings, pickles, cake and coffee.

The next faculty party is scheduled for December 8 with Mr. and Mrs. Hardegree and Mr. and Mrs. Kennamer as hosts.

Shelly Lee Circle Meets Tuesday In Harrell Home

With Mrs. J. C. Harpham as chairman of Christian Social Relations committee, a program was presented to members of the Shelly Lee Circle at a luncheon in the home of Mrs. Gene Harrell last Tuesday. Assorted colors of chrysanthemums formed the centerpiece on the dining table.

The theme of the program was Faith, and works expressive of it. Mrs. Dorse Rogers was leader of the program. Mrs. Luther Kirk gave the devotional. A series of related talks was given by Mrs. Jerry Kane, Mrs. Sebern Jones and Mrs. Gene Harrell.

Plans for the Christmas party to be held December 15, were placed in the hands of the group captains. The circle voted to change the weekly meetings from Tuesday to Monday afternoon.

Mrs. E. E. Edwards and Mrs. T. L. Stall of Abilene were guests. James Norwood of Gore was a business visitor in the city last Monday. While here he had The Munday Times sent to his home for another year.

Mr. and Mrs. E. B. Littlefield and daughter Gayle visited in Stamford and Anson Sunday. Little Miss Gayle is spending a few days in Stamford visiting her grandparents.

Mrs. Anton Jungman Honored at Shower In Michels Home

The home of Mrs. John Michels was the scene of a recent shower honoring Mrs. Anton Jungman, the former Miss Rosa Lee Andrae.

Miss Bertha Urbanczyk secured the signatures for the bride's book. The rooms were decorated with white, pink and yellow flowers. A delicious refreshment plate of coffee, cake and jell-o was served the following:

The Knew Klub Meets Tuesday In Pendleton Home

Mr. and Mrs. Paul Pendleton entertained members of the Knew Klub last Tuesday night. Following the games of bridge, a delicious salad plate was served.

Present were Mr. and Mrs. L. M. Palmer, Mr. and Mrs. Carl Jungman, Mr. and Mrs. Rupert Williams, Mr. and Mrs. Fred Broach, Jr., Mr. and Mrs. Gene Harrell and the host and hostess.

Mr. and Mrs. A. H. Mitchell enjoyed a turkey dinner in the home of Mrs. Joe Mitchell in Baird last Sunday.

Misses Anna Lee Thomason and Bobby Killingsworth of Quanah were in Munday Friday night to see the Magul-Eagle football game.

Dr. and Mrs. D. C. Eiland spent two days this week in Albuquerque, New Mexico, attending the bedside of Mrs. D. C. Green.

Mr. and Mrs. Jess Burnison spent last Thursday in Lubbock, visiting their daughter, Wilma June, and attending the Texas Tech-H.S.-U. football game.

Martial Touch

In tune with the times, this all-round coat of red corduroy and water-repellant cotton has just the right military touch with a khaki overseas cap thrown in for good measure. It's the proper Cotton Christmas gift for girls on a one-coat budget. On rainy days the natural colored gabardine side is worn outside. Reversed for sunshine, the corduroy side is dressy.

Surprise Party Monday Honors Mrs. Gene Harrell

Honoring Mrs. Gene Harrell with a surprise shower at the home of Mrs. Travis Lee, Monday night, intimate friends presented her with gifts tied in delicate shades of pink and blue ribbon.

Mrs. Robert Green was co-hostess. A refreshment plate was served to the following guests: Mrs. Harrell, Mrs. Sebern Jones, Mrs. Carl Jungman, Mrs. E. B. Littlefield, Mrs. Bob Davy, Mrs. Fred Broach, Jr., Mrs. Hugh Beatty, Mrs. D. E. Holder, Jr., Mrs. Wade Mahan and Miss Lorene Newsom.

Wesleyan Service Guild Has Meeting In King Home

The Wesleyan Service Guild met last Monday night in the home of Mrs. Joe B. King.

**Cry of Shortage
In Electric Power
Slap at Enterprise**

The alleged "oil shortage" on the eastern seaboard provided a perfect example of a politically created crisis which had almost no foundation in fact, states a nationwide industrial news review, recalling that the unnecessary rationing of gasoline has been abandoned and that reserve stocks of oil, instead of dwindling, are reported on the increase.

To West Texans, conscious of shutdowns in oil fields and knowing that refineries were operating far below capacity, the so-called shortage appeared incredible.

They also may be skeptical of the so-called "electric power shortages" which are periodically forecast with scare headlines, for they fall in the same category as the non-existent oil shortage.

Promoters of socialized power, for the past decade, have used various

subterfuges to promote political control of the electric industry including flood and irrigation projects inasmuch as they had popular support and could be used to "cover up" the real objective.

Now it looks as if they're adopting a new angle. Under the claims of "power shortages," none of which has ever put in its scheduled appearance, they are trying to divert defense funds for the purpose of duplicating an electric system already serving the country adequately and prepared to expand as the need arises.

What is the truth of the matter? Not one really serious power shortage has occurred except, perhaps, in the TVA area where drought played havoc with the water-power theories of the socialist-politicians and after they had taken over the private companies. Even in the defense "boom towns" where industrial development for military purposes has taken place at an incredible speed, power is being

quietly and efficiently provided. More than 90 per cent of that power came from private utilities. In short, while a few politicians cry "shortage" to promote government ownership of the industry, the private utilities are subjected to every known form of political vilification, they are spending the money to build for tomorrow without expense to taxpayers—probably the only defense industry to do so.

The purpose behind these periodic denunciations of private industry is obvious—to destroy the faith of the people in the private enterprise system, and to mislead the people to the point where they will accept widespread socialization of industry, according to the review.

"The politicians who denounce industry loudest and oftenest," it is stated, "are the politicians who are most lustful for more power, more authority, more pork barrels. They are attempting to use this emergency to destroy from within the American system which the arms program is destined to defend, to protect, and to perpetuate."

**P.-T.A. Unit Has
Good Program**

At the regular meeting of the P.-T.A. Wednesday, November 19, a very worthwhile program was rendered.

The devotional was led by Supt. S. V. Colley. Miss Irene Stewart gave a discussion, "Does Money Make the Man?" This topic was approached through an economical viewpoint to carry on the theme Defense in the Home. A Man's use of money is of great value in our great defense move. Money is certainly an attribute to one's success, but too, many have succeeded without it. Today, however, money wisely spent will build and strengthen our nation.

A short playlet presented by the third and fourth year followed the speaker. This playlet was an Autumn Festival. Autumn was hailed as Queen of all. But as her fruits and vegetables were placed at her feet she called in the other seasons, who work with her for the good of man. A Thanksgiving program was given in honor of these seasons.

Cecil Hood then gave a trumpet solo, "In the Garden of Tomorrow." Mrs. Levi Bowden was elected president to fill the vacancy left by Mrs. W. L. Barber. Mrs. Bowden presided over the business meeting.

The next meeting will be December 19.

Sophomores Make \$3.96

The Sophomore class cleared \$3.96 Friday night from the sale of popcorn and peanuts at the game. They appreciate the help from Sue Barton, Daphne Snelson, Frankie Mae Trammell, Aubrey Roden, Billie Lou Speice, Glenn Dobbs, Harold Payne, Jo Nell Hill, and Billie Hill.

First Grade News

The first grade is collecting pot plants for our room. We want to thank Mrs. Speice and Mrs. Moylette for plants sent.

The room is decorated for Thanksgiving with Indians, turkeys, pumpkins, pictures of Pilgrims, animals, and autumn scenes. We hope that all the birds and animals are ready for winter, for autumn is nearly gone.

They have finished the unit on the Pilgrims and their Life Among the Indians, which has proved to be very interesting and enjoyable. We almost wish we lived in the early days, but we are afraid that school was not so interesting for the Pilgrim boys and girls as it is for us, with our pretty little readers, scrap books, crayolas, pencils, tablets, grassy playgrounds, etc. They plan a very enjoyable Thanksgiving with friends and loved ones and hope that all the little children everywhere are happy and thankful for the good things we all have and enjoy.

Misses Doris Howell and Bessie Sue Munday who are students in N.T.S.T.C. in Denton, spent the Thanksgiving holidays in Munday with home folks.

H. D. Warren is reported on the sick list this week.

Miss Patsy Ruth Mitchell, who is attending school in Denton, spent the latter part of last week here with her parents, Mr. and Mrs. A. H. Mitchell.

**Mrs. J. C. Newsom
Is Honored on Her
73rd Birthday**

Mrs. J. C. Newsom, who celebrated her 73rd birthday November 13, was honored Sunday, November 9 with a birthday dinner by her family and friends.

Chrysanthemums in the shades of pink and white provided a colorful and artistic centerpiece for the lovely dinner given in her honor.

For the serving of a delicious meal, the honoree was seated at a beautifully appointed table with a huge cake containing 73 candles at her place. A pink and white color scheme was carried out also in the decoration of the cake.

The honoree was presented with a lovely assortment of gifts. Those present for the occasion were Mr. T. C. Newsom, Munday; Mrs. W. A. Bolling, Wichita Falls; Mr. and Mrs. C. B. Warren, Goree; Miss Clydeen Warren, Goree; Mr. and Mrs. Truman Cypert, Munday; Mr. and Mrs. Dave Jetton and children, Dona Sue and Belva Ann, Munday; Mr. and Mrs. Edwin Mitchell and son, Glenn, Fort Worth; and Mr. and Mrs. O. W. Cypert, Munday.

Several friends, unable to attend the dinner, sent gifts to the honoree.

**Repair of Farm
Machinery Should
Be Made at Once**

Get your farm machinery in A-1 condition now and be ready for next year's food production pledge, August Schumacher, chairman of the Knox County USDA Defense Board, said this week.

"Getting farm machinery in good condition now will be a safeguard against unnecessary delays and breakdown of machinery during the busy farming season," Mr. Schumacher said in pointing out that defense production will probably overload railroads, truck lines, express companies and parcel post system next spring.

OPM has asked for a drastic reduction for steel for civilian needs because of the unprecedented quantities needed in the manufacture of guns, planes, tanks and bombers. Sufficient steel has been set aside for repair parts of farm machinery, the chairman explained.

All farmers of Knox county are asked to check their machinery and order all necessary parts by January 1st. By this method manu-

Know About
Vitamins**

With the exception of Vitamin G & K, very little is known of Vitamins F, G, H, J, K, L, M, P & T.

Vitamin G is very much like Vitamin B2, in fact it resembles Vitamin B2 so nearly that there is no need for repetition.

Vitamin K exists in nature in two forms. Vitamin K1 derived from Alfalfa, and Vitamin K2 derived from sardine meal. It is stable to light and heat, destroyed by alcoholic alkali oxidizing agents, and strong acids, soluble in fats, but insoluble in water. The dose is from .2 gm. to 2 mg. daily.

Symptoms—Hemorrhage in the new-born and during surgical operations.

I GIVE YOU TEXAS

By Boyce House

I never visit Laredo but what I remember it as it was when I first saw it, in November of 1920. Upon alighting from the L. & G.N. train, the traveler found what had happened to a goodly portion of the hacks over the United States that had been displaced by taxis, for a line of 25 frayed carriages drawn by sad nags was in waiting, each with a shouting Mexican driver.

The principal streets were not paved but there were stepping stones at the intersections and the drivers of carriages and of flivvers would stop and let the pedestrian escape being spattered with mud and water.

There were orange trees and exotic blooms and you heard Spanish on all sides—even from the motormen and the policemen. There were more signs in Spanish than in English; and a soda dispenser, after filling your order (which you'd given in English) would resume his conversation with friends in Spanish.

It was all very picturesque—but it made one who was young and far from home feel very lonesome. For three days the weather did its best to add to the feeling of depression for a slow, cold drizzle fell. One who was seeking sunshine in which to build up his strength was bound to think longingly, under such circumstances, of the little town of Cotulla—half-way between San Antonio and Laredo—where the train had stopped and all the passengers hurried over to a long table in the hotel and sat down to a meal of bountiful portions.

And so it is hardly to be wondered at that I retraced my journey as far as Cotulla and spent a winter there.

Laredo has changed greatly in 21 years. Can it really be that 21 full years have passed since then? Streets are paved, hacks have disappeared; coffee shops and hotel rooms are air-conditioned; stores are modern; but there is still the atmosphere of romance—dark-eyed señoritas, musical Spanish vendors with trays of queer candy, lovely parks, and just below the city (now twice the population of 1920) rolls the Rio Grande and on the other side is a foreign land.

Coming events cast their shadows a long way before: The first political announcement your columnist has noted has already appeared in the Fort Ben reporter and it is that of C. D. (Clem) Myers for county clerk, "subject to the action of the Democratic primaries in July, 1942, and the endorsement of the Jay-Bird Association."

The clamor for a special session of the Legislature has died down to a whisper before the press and public throughout the State, united in opposing needless turmoil and expense.

The Postoffice Department in Washington was looking up titles in Baton Rouge, La., with the idea of securing a site for a new postoffice. The favored site looked good but the title was guaranteed only as far back as 1803. That would satisfy most of us; but the Department demanded that the title be traced back to the source, regardless. In due time the explanation arrived, signed by the attorney for the owners of the land: "Please be advised that the Government of France in the year 1803 acquired title from the Government of Spain, which government acquired title by discovery of one Christopher Columbus, traveler and explorer, a resident of Genoa, Italy, who (by agreement concerning the acquisition of title to any lands discovered) traveled and explored under the sponsorship and patronage of her Majesty, the Queen of Spain. The Queen of Spain had verified the arrangement and received the sanction of her title by consent of the Pope, a resident of Rome, Italy, an ex-officio representative and vice regent of Jesus Christ. \$25,116,779 PAID
TEXAS FARMERS BY
COTTON OIL MILLS

Dallas—\$25,116,779 has been received by Texas cotton growers during the first three months of the current season, it was stated here today by Bennette Wallin, secretary of Texas Cottonseed Crushers' Association. The estimate is based upon reports of two Federal agencies, the Bureau of the Census and the Agricultural Marketing Service.

Texas farm income from cottonseed so far this season is about 65 per cent higher than during the same period last year. October income of \$13,500,000 showed an increase of \$4,000,000 over the same month of 1940.

Seed receipts by Texas mills so far this season are about 22 per

cent less than last year, reflecting the poor crop in certain parts of the state. Prices have improved considerably, however. During October, cottonseed sold at 164 per cent of parity, substantially above any other important farm commodity.

Mr. and Mrs. Earl Pruitt went to Abilene last Thursday to spend Thanksgiving with Mrs. Pruitt's parents.

Mr. and Mrs. Tom Wood of Austin and Karl Harbin of Dalhart were visitors in the home of Dr. and Mrs. D. C. Eiland last week end.

J. C. Harpham attended a staff meeting of the Texas Defense Guard in Woodson last Monday afternoon.

George Salem is a business visitor in Dallas this week. He is expected home Thursday.

WE in West Texas have much to be thankful for . . . bountiful crops, great herds of cattle, sheep and goats, the world's greatest reserve of gas and oil, a plentiful supply of cheap electric light and power, good schools and good highways. Our homes are modern and we enjoy an exceptionally high standard of living.

Yes, no part of the nation has benefited more fully from the FREEDOM and DEMOCRACY that we now are waging a war to retain.

But West Texas' future prosperity, growth and development depend on what we do today.

Let us look ahead, then, and encourage tax-producing industries with which to pay the tremendous burden of debt now accumulating in astronomical figures and as a means of providing jobs for the many thousands of men and women left jobless when defense projects are at an end. Let's not forget that somebody must "pay the piper" for the years of boondoggling when this country should have been preparing for a war that long ago appeared inevitable.

On this Thanksgiving Day let's be thankful for the taxpayer too!

Three "Musts" In AAA Payments Are Outlined

To earn his full AAA payments in 1942, a Knox county farmer must do three things.

First, he must devote at least 20 per cent of his land to soil conserving crops or land uses exclusively throughout the program year. Second, he must plant with in his acreage allotments. Third, he must earn his soil-building allowance.

These three points were emphasized by Marvin Allen, secretary of the Knox county AAA committee, this week.

A farmer falling below the 20 per cent minimum requirements will earn only a proportionate part of his cotton and wheat payments.

The soil-building allowance may be earned, as in previous years, by carrying out approved soil-building practices, the AAA official explained.

Payments for planting within allotments include cotton at 1.25 cents per pound; wheat, 10.5 cents per bushel.

Crops meeting soil-conserving classification include biennial and perennial legumes and perennial grasses; sudan, millet, and annual crops for pasture; seeded cover crops of which a good growth is left on the land; summer-fallowed acreage protected from wind and water erosion; planting forest trees, and Austrian winter peas or vetch grown for seed.

Land uses include approved terraces constructed on idle cropland, and sweet sorghums, oats, rye, sudan of millet cut green for hay, provided a strip one rod wide is left standing between each five-rod strips harvested, the official explained.

Cotton Allotments Credited for High Price This Year

Cotton acreage allotments, strengthened by marketing quotas, which made 85 per cent of parity loans possible, is the triple reason for increase in the price of cotton this year, according to E. A. Beck, vice chairman of the Knox County AAA committee.

Collapse of foreign markets, a drastic drop of from 6.2 million to 1.1 million bales in exports, and

enough cotton on hand at the present time to fill an extra year's needs, highlight the cotton situation, he said.

The loss of foreign markets is partially offset by the fact that the domestic consumption of cotton for the 1940-41 season is the highest on record. Consumption was approximately 9.6 million bales, or about 2 million bales above the preceding year, the AAA official said.

Since the export slump is due primarily to naval and war blockades, there is little reason to believe that the export market will increase to any great extent, he declared.

For the fifth consecutive year, cotton farmer of Knox county will vote in a national cotton marketing quota referendum Saturday, December 13. Voting places, located at strategic places in the county, and names of referendum officials will be announced in a short time, he said.

Last year Knox county cotton growers voted 92 per cent favorable on quotas. Texas farmers approved quotas by 88 per cent.

Defense Bond And Stamp Sales Reach High in October

Washington, D.C.—Sales of Defense Savings Stamps for October reached a total of \$5,935,934.50, establishing the highest monthly total since the Stamps were placed on sale last May 1, the Treasury Department announced today, (Friday, November 14).

This figure, compared with the \$4,978,000.00 worth of Defense Stamps sold in September shows an increase of 19.2 per cent. It marks the fourth straight month that the sale of Stamps has risen.

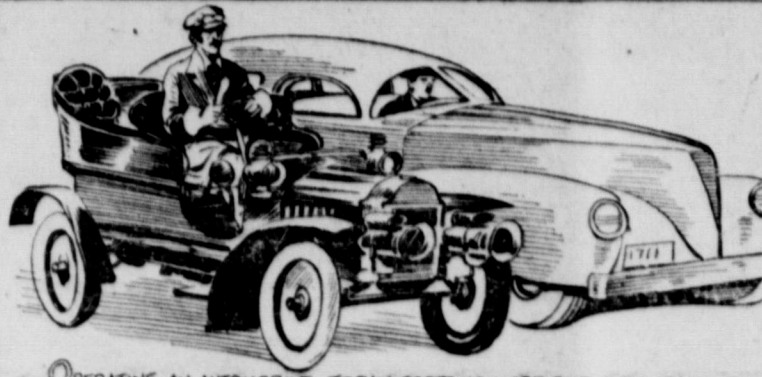

Figures for Defense Bond sales for October, which were announced by the Treasury last week, also jumped sharply over September figures with an increase of 16.5 per cent.

Defense Savings Stamp sales by months (figures rounded to the nearest thousands)

May	\$3,475,000
June	2,802,000
July	3,288,000
August	4,454,000

State School Land to be Sold April 7, 1942

Austin—Bascom Giles, commissioner of the General Land Office, today announced a statewide sale of approximately 200,000 acres of surveyed school lands for April 7, 1942, by the School Land Board of which he is chairman.

Coke R. Stevenson and Attorney General Gerald C. Mann, members of the board, had concurred with Commissioner Giles in the advisability of a sale at this time.

The land is located in more than half of the counties of the state, and will be purchased for one-fifth down payment and 40 years to pay the remaining four-fifths.

"We have requests every day to advertise certain tracts for sale," Commissioner Giles pointed out, "and the School Land Board believes that demand and prices for land will make the spring of 1942 an opportune time to hold this statewide sale."

This will be the second sale of surveyed school lands since Commissioner Giles took office. The first one, on January 3, 1940, resulted in an unprecedented 8,000 bids being received for the sale of approximately 200,000 acres. When all the offers had been tabulated, 266 high bids were accepted for the purchase of 94,000 acres bringing \$393,917 into the permanent school fund.
