

BLACKOUT IS SLATED FOR KNOX COUNTY

Munday Boxers Win Golden Gloves Tourney

Four Boys Winners of Trip to Fort Worth State Events

Taking 5 decisions out of 7 entries, and sporting 5 shiny new trophies, the Mogul boxing team won the AA division of the Olney District Golden Gloves Tournament Monday night by taking 4 out of a possible 8 weight divisions. The four AA winners were Raymond Carden, Tony Denham, Ray Moore, and Judge Stevens. Each of these boys received a nice trophy and their expenses paid to the Golden Gloves Tournament at Fort Worth next week.

Harold Payne, the other Mogul winner, fighting Hotkins of Olney in the finals, in the Class A division, received a nice trophy but his division does not fight in the state tournament at Fort Worth. This is Harold's first year to fight and he has made a very fine showing.

All Munday boys won by decisions, although the final bell kept Raymond Carden from getting a technical knockout over Jarry Nard of Olney. Tony Denham outpointed Leroy Martin of Throckmorton, while Ray Moore and Judge Stevens outpointed Kent and Young of Olney.

Olney won the team trophy by having more entries than any other town. Points toward team winners were counted in both divisions together. Teams entered in the tournament were Munday, Olney, Graham, Throckmorton, Holiday and Seymour.

Funeral For B. H. McCarty Is Held Saturday

Former Resident Dies At Albuquerque

Funeral services for B. H. McCarty, former resident of this county, were held last Saturday morning at 10:30 o'clock from the First Methodist church in Munday. Rev. Luther Kirk, pastor, conducted the services.

Mr. McCarty died on January 28 at Albuquerque, New Mexico, where he was making his home. Death came in the night and was attributed to heart trouble.

Brown Horton McCarty was born at Wills Point on February 28, 1881, and was 60 years and 11 months of age. He was married to Miss May Heffington in 1903 and to this union two children were born, Henry and Allie. Mrs. McCarty passed away in 1914, and the daughter, who at marriage became Mrs. Frank Gage, died in 1932.

In 1918, Mr. McCarty was married to Miss Mayme Bodine, and to this union three children were born, who are: Marvin Perry McCarty, Mrs. Jack Pore and Ella Sue McCarty. He is also survived by three brothers and a sister. One brother, W. W. McCarty is a well known Munday jeweler.

Mr. McCarty, who was a member of the Baptist church, resided in this county a number of years and was well known here. Having been in ill health for a number of years, he moved to various places in an effort to regain his health.

Burial was in the Johnson cemetery by the Mahan Funeral Home. Pallbearers were E. A. Hollar, Bill Spele, W. W. Naylor, S. T. Easley, M. Boggs and Lee Haymes.

LEGION SERVICE MAN WILL BE IN MUNDAY ON FEBRUARY SIXTEENTH

J. T. Gray of Abilene, state service officer of the American Legion for this area, will be in Munday on February 16 to confer with those having disability or compensation claims.

All Legionnaires and ex-service men having disability and compensation claims which are service connected are asked to get in touch with Mr. Gray while he is here. He will make his headquarters at the Legion hall in Munday.

C. E. Blount Asks For Re-Election District Atty.

District Attorney C. E. Blount of Paduach was here last Tuesday, and while here he authorized the Munday Times to announce his candidacy for re-election to the office of District Attorney of the 50th Judicial District of Texas, which is composed of Baylor, Knox, King and Cottle counties.

Mr. Blount's candidacy is subject to the action of the voters in the Democratic Primary on July 25th.

Mr. Blount, who is completing his first term in this office, bases his candidacy upon his record of office and upon his ability as a prosecuting attorney. He has performed his duties well and has made an enviable record during the past year in which he has served as attorney for this district.

Blount's experience as an attorney has been wide and varied. Prior to being elected district attorney, he served as county attorney for Cottle county for five years and also had a wide legal practice before being elected to the county attorney's office. He has been associated in the trial of many prominent cases, both civil and criminal, in many of the courts in Texas and with more than average success.

"I believe that my record as your district attorney will compare favorably with that of any other attorney in this section," Mr. Blount stated Tuesday, "and that it is such as to merit return to the office for another term. I am basing my candidacy solely upon my record and upon my ability and willingness to serve the people of my district to the very best of my ability. I ask the voters to consider this announcement as a personal solicitation of their vote and influence, and if you see fit to return me to this office I will express my appreciation by giving you another term of faithful service."

County Tournament In Basketball Will Begin on Friday

The Munday Moguls took a 50 to 15 licking from the Bomarton basketball players Tuesday night to end these teams participation in the round robin play.

Munday's volleyball girls won their first game of the season by defeating Bomarton.

With the exception of one game, Benjamin vs. Knox City on Tuesday night, the county basketball tournament will open on Friday night. All teams in the county will play at Gilliland on the opening night.

Semi-finals will be at Benjamin on Saturday night, and finals will be played at Munday on Monday night. Admission to these games will be 15 and 25 cents.

Winners of the tournament will play the winners of the round robin. The place of these games will be decided later.

Farmers Urged To Plant Peanuts

Farmers in Knox county are urged to plant peanuts, in cooperation with the government program. The government is permitting peanuts to be planted on general acreage allotments as a means of producing more fats.

The Munday mill of West Texas Cottonoil Co. is securing information on the production and cultivation of the Spanish peanut, which does well in this section. The mill has arranged to have seed available if sufficient acreage is pledged, and will furnish a ready cash market for the product at time of harvest.

VISIT ON PLAINS

Mr. and Mrs. Jim Reeves and family visited in Lubbock, Ropesville and Levelland last week end. While there Mr. Reeves contracted for a farm of 294 acres, located 10 miles east of Levelland.

It's A Sell-Out Federal Car Stamps Purchased Fast By Knox Motorists

Postmaster Lee Haymes has had lots of customers in the past few weeks. The local post office received a thousand federal car stamps, and Mr. Haymes reported Monday morning that he had sold out.

Other towns in the area, Haskell, Knox City, Goree and others reported a sell-out also, and requisitions have gone to the post office department for additional stamps. Federal authorities have urged those who have not yet secured their stamps to get them without delay.

W. A. Thomas, collector of internal revenue for the Dallas district, was quoted as having repeated Monday that anyone driving a motor vehicle now without the new tax stamp is in violation of the law. Any reasonable excuse for delay, Thomas said, will be accepted—but the tax must be paid, and that as soon as possible.

Penalty for non-payment of the tax is a fine of \$25, officials said.

DEFENSE GUARD WANTS MORE MEMBERS

Officers of Company C, 17th Battalion of the Texas Defense Guard announced this week that additional recruits are needed in the Munday unit to bring the organization up to its full enlistment. The enrollment has fallen off lately because of resignations of those who have moved away and can no longer serve in the guard.

At least ten more members are needed to bring the membership up to its full quota. The Defense Guard meets on Thursday night, and those desiring to become members are urged to attend the meeting.

Tire Certificates Issued on Friday To 22 Applicants

The Knox county tire rationing board issued certificates for the purchase of tires and tubes to 22 applicants. They are as follows:

Joe Tomanek, two tires and tubes for tractor.

James Cully Eubank, four tires for tractor.

Weiss & Co., one tire and tube for truck.

William Edward Good, two tires and tubes for tractor.

R. C. Hamilton, three tires and two tubes for truck.

J. A. Caughran, two tires and tubes for tractor.

L. J. Kuhler, two tires and one tube for truck.

Van Wyck Browning, three tires for truck.

Louis Proctor Jones, two obsolete tires and one tube for car.

O. R. Miller, two tires for tractor.

L. W. Coates, one tire for tractor.

C. H. Herring, two tires and tubes for tractor.

J. B. Moorhouse, two tires for tractor.

T. L. Thompson, two tires and tubes for tractor.

Jack Tidwell, two tires and tubes for tractor.

Louis Cartwright, one tire for car.

Ronald Earl Foshee, two tires and one tube for truck.

Charley Marion Guynn, two tires and one tube for tractor.

Marion Lee Hughston, four tires and tubes for truck.

J. F. Lowrance, two tires and tubes for car.

C. R. Elliott, two tires and tubes for tractor.

Barton Carl of Goree and Bruce Burnett of Benjamin went to Lubbock last Tuesday to report to the draft board for their physical examinations.

'Blitz Lunch' Served in Street

The proprietress of a cafe in East End London had her shop bombed out in an air raid, so she promptly moved into the street to serve tea and mid-morning lunch to her customers. This picture is typical, says the British Ministry of Information, of the manner in which the people manage to carry on under adverse conditions.

Calf Show Plans Now Being Made

M. T. Chamberlain Enters Race For County Clerk

M. T. (Marvin) Chamberlain on Wednesday authorized the Munday Times to announce his candidacy for re-election to the office of County Clerk of Knox County, subject to the action of the Democratic primary on July 25th.

Mr. Chamberlain has given the people of Knox county an honest and efficient service since he has held the office of county clerk. His records have been kept in good condition, and all who have come to his office on business matters have been served with the utmost courtesy.

"I am asking for another term as your county clerk, and I will appreciate your vote and influence," Mr. Chamberlain said. "My record is before you, and if you think I have made you a good county clerk I will appreciate your returning me to this office."

"If elected I will continue to do my best, as this has been my aim in the past. Your vote and consideration will be greatly appreciated."

School Head To Visit Schools Of County in March

J. C. Jernigan of Childress, deputy state superintendent, will visit the schools of Knox county in March to check the standings of schools receiving state aid. Merick McGaughy, county superintendent, announced Monday.

Mr. Jernigan will spend four days in the county, March 12 and 13, and March 16 and 17.

Mr. Jernigan will prepare schedules for this visits to the county schools and then notify the teachers as well as the deputy so the schedule can be followed.

HERE FROM GALVESTON

Mrs. James N. Walker and little daughter, Barbara Lee, came in Saturday from Galveston and are visiting Mrs. Walker's parents, Mr. and Mrs. G. R. Eiland, and other relatives here this week.

Sheriff Won't Ask Re-Election

Cartwright Says He Will Retire At End of Term

Sheriff Louis Cartwright, who is completing his third term as sheriff of Knox county, announced this week that he would not be a candidate for re-election. Mr. Cartwright, who everyone agrees has made an efficient officer, was re-elected to a second and third term without opposition.

Many have inquired of the present sheriff as to whether he intended seeking the office again, and Sheriff Cartwright has made the following statement:

To the Voters Of Knox County:

Since many have been kind enough to inquire whether or not I intend to run for Sheriff again, I take this method to announce that I will not be a candidate for this office this year.

I am grateful for the support I have received in the past elections. I realize that whatever success I may have had in my efforts to fill this office has been made possible by your cooperation and moral support. And I sincerely hope that I may continue to enjoy that cooperation and support until the end of my term.

Louis Cartwright

Revival Closes On Sunday Night

Sermon Subjects For Remaining Days Announced

Evangelist B. E. Crimm and party are rounding up the last week of their community-wide revival services at the Baptist church. Thursday night he will preach his famous "Tom Cat" sermon on "The picture show, mixed swimming, the joyride and the dance." Singer L. C. Messer and his Intermediate Choir will occupy the entire choir platform that evening and will give special numbers. The Friday evening sermon will be on "God's Love" and at the end of the service a Young People's Fellowship Hour led by pianist Clarence H. Johnston will be conducted for all young people 13 years of age and above.

Saturday night's message will be on "Easiest Way to Hell out of Munday." Special music will be given by the Booster Choir who occupy the regular choir platform.

Sunday's services will start off at 11 a.m., in a joint meeting of both the Methodist and Baptist churches at the Baptist church. Rev. Kirk has announced he will give way his regular morning hour for this special service with Rev. Crimm using "Putting God First" as his sermon subject. Sunday afternoon at 2:15 Crimm will speak on "The Wanderer" to women and girls only at the Methodist church, with all preachers invited and urged to attend. At 3:30 he will speak to men and boys over 10 years of age only in a service at the Baptist church. Sermon subject is "The Man Who Stood Hitched." The final message, "Hitting In A Pinch," will come Sunday night.

Rev. Crimm and party will go to Sanger, Texas, for their next meeting starting next Monday night.

American Legion To Meet Tuesday

Lowry Post No. 44 of American Legion will hold its regular meeting and birthday feed on Tuesday night, February 9, it was announced this week by Don Ferris, commander.

Ferris said an effort is being made to have Senator George Mof-fett of Chillicothe speak at this meeting, and it is likely that he will be here. All Legionnaires and ex-service men are urged to be present.

Those who will serve the birthday feed are Norman Frey of Goree, Don Ferris, Omar Reid, Ernest Albright of Vera, and Glenn Higginbotham.

Mr. and Mrs. A. V. Kemetz of Stamford visited in the home of Mrs. Kemetz's mother, Mrs. Louise Ingram, over the week end. Sunday afternoon they visited Preston Ingram, at Sheppard Field.

Wichita Area To Be Blacked Out

Towns, Rural Areas To Cooperate: to Have Total Darkness

All of Knox county is joining with towns and counties of the Wichita Falls area to hold a complete 30-minute blackout on Thursday night, February 12th.

The blackout is scheduled to be held from 10 to 10:30 p.m., central standard daylight saving time. If you observe the old time, be prepared for the blackout at 9 o'clock instead of 10.

The town of Munday will be divided into four zones, and each zone will be supervised by an air raid warden. At a meeting in Benjamin last Friday night plans for the blackout were made, and air raid wardens for Munday and other towns were named.

Munday's wardens are G. B. Hammett, Ardelle Speice, E. W. Harrell and W. W. Naylor.

The wardens request a complete blackout during the 30-minute period. All lights will be turned out, all cars will stop and turn out their lights, fires extinguished, and it is requested that not even a cigarette be burning during this time. Airplanes will patrol the Wichita Falls area to check up on the blackout. It is not known whether they will fly over Munday or not, but wardens pointed out this is possible and that pictures might be made of the town in complete darkness.

In case of sickness in the home which makes it necessary to have lights burning wardens request that windows be darkened so no light can be seen from the street.

Three blasts of the fire siren in Munday will be the signal for the blackout. The all-clear signal will be one long blast which will end the blackout.

The four air-raid wardens will patrol their respective districts on horseback, and members of the Texas Defense Guard will patrol the streets of Munday.

People in the rural districts are indicating that they will cooperate 100 per cent to make the practice blackout a success. With this cooperation, Knox county should be the darkest spot in the nation for this 30-minute period.

Local Gin To Pay Dividends Next Saturday

A total of \$25,000.00, which represents the profits from operations of the Farmers Union Cooperative Gin of Munday, will be paid to customers of the gin next Saturday afternoon at 2:30 o'clock. Dividend checks will be issued at a meeting to be held in the Union Hall at Munday.

Around 350 farmers, most of whom reside in this immediate section, will share in the dividend payments, it was stated.

Dividend checks will run from \$1.00 to \$75.00 per customer, based on the amount of cotton ginned at the local gin during the season. This is one of the best refunds the farmers have received in several years.

The local organization was formed in 1914, and has paid dividends every year since 1929, Wallace Reid, manager, stated Tuesday.

A patriotic move is being made by directors of the gin in giving everyone who participates in the dividends an opportunity to purchase defense bonds and stamps with the dividend money on Saturday afternoon.

Sunset Teacher Resigns Position

Miss Iola Tate, public school music teacher in the Sunset Rural Consolidated schools resigned her position last Friday to accept a position in the Vernon schools.

Mrs. H. B. Weeks of Southland Teachers College in Weatherford, Okla., has been elected to fill the vacancy in the Sunset schools. Mrs. Weeks began her duties on Thursday morning.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

WANTED—AVIATION CADETS

Word comes from the U.S. Army recruiting station at Wichita Falls that a campaign is under way to secure more aviation cadets for the army. In order to swell the numbers in the U.S. Air Corps, a call has been made for volunteers in this branch of service.

The qualifications for Aviation Cadet are as follows:

1. Age—18 to 26.
2. Education—the former requirements that a man have a high school or two years of college education have been lifted; recruits are now being required to take a screening test. However in making one must present a copy of his high school or college transcript.
3. Each individual is required to have his birth certificate.
4. Three letters of recommendation.
5. If under 21 years of age, he must receive the consent of his parents. If he is married he must receive a release from his wife in duplicate.
6. Anyone 20 or more years of age must receive a letter from a local Selective Service Board stating that he is not employed in a key defense industry for the Army or Navy and that he had not received a letter to report for induction.

HOME ECONOMICS IN WAR TIME

"Home economics" used to be a course that a few women took in high school or college. Today, with half of our national income about to be devoted to the needs of war, home economics must play a role in the life of every family in the land.

We are just beginning to feel the war pinch. Prices of many articles have gone up and will undoubtedly go higher. Commodities that used to be cheap and abundant, have grown scarce or have disappeared entirely. New and strict priority orders will make it necessary for the consumer to go without many articles which once were almost as common as air.

Home economics simply means scientific planning for the household. It means making each dollar do its full duty purchasing food, clothing, household effects or anything else. Today, in thousands of homes, it is the housewife's most difficult problem. Fortunately she has one excellent ally to help solve that problem—the retail stores of this country.

The chain stores have been particularly active in work to advise and aid the consumer. Thousands of other stores have also cooperated. The result is that the retail store has become something more than a place where you shop for what you need. It is also the place where trained, informed men will aid you in making necessary readjustments in your living.

The stores are pledged to furnish the public with supplies at the lowest possible cost. They are advising consumers on the use of substitutes. They are fighting hoarding, speculation and scare advertising. They are thus performing services which come straight home to every family in America.

As a consumer, take advantage of what the stores are doing. Help them in the campaign against waste and high prices. That's the way to keep our standard of living as high as possible during the war.

WORK DOES IT

"Bragging won't scare the enemy to death; ballyhoo won't do it; boasting of our great mass production capacity is meaningless unless we really mass-produce for war."

Voicing those opinions in a recent speech, Mr. Walter B. Weisenburger, Executive Vice-President of the National Association of Manufacturers, declared that the successful prosecution of the war will take "all the organization talent and experience that America can muster to integrate and speed production . . . When the President's newest program reaches industry in the form of orders and specifications, it will require at least 60 per cent of all the factory output."

The job is so huge that it will demand complete cooperation from everyone charged with doing it. As Mr. Weisenburger pointed out, "This is no time to fight out old domestic battles, or to renew the traditional issues between capital and labor, or to continue in any guise the effort to master the business system. This is a time for all of us to abandon 'business as usual,' 'politics as usual,' 'strikes as usual,' and 'reforms as usual,' and as a truly united and inspired nation to take up the supreme job of waging war."

Invisible plastic splints are now being used on broken wrists.

PRODUCTION BOSS

For a long time Americans in the know about huge war jobs have been asking for one man control of production in Washington.

In the past the overlapping duties and divided responsibilities that existed between the various agencies charged with directing the war program produced a great deal of inefficiency. Manufacturers often had difficulty getting the go-ahead signal on work they were prepared to do. Last minute changes in contracts caused countless delays. Alterations in the designs of weapons that had already gone into production slowed down the entire program. No man can serve two masters, yet somehow makers of war equipment often had to try to serve—not two—but half a dozen or more, all because no centralized authority existed.

President Roosevelt's decision to create a War Production Board with Donald Nelson at its head should help to eliminate this confusion. With one man in control the entire program should move more swiftly than ever before. It's an enormous job to adapt industry to total war production, but it must—and it can—be done. And Mr. Nelson's past performance in Washington indicates that he is the man to do it.

SCHOOL DAYS

Keep 'em rolling—that's a slogan for the soldier schools that many American industries maintain to teach Uncle Sam's new army how to handle and repair the complicated equipment of modern warfare.

According to a recent survey, more than 1,000 privates and non-commissioned officers have graduated from special four-week training schools at one big rubber company alone, where they learned how to repair tires, wheels, brakes, spark plugs and batteries, and how to recap and retread tires. One large automobile outfit trained 4,500 newly enlisted men as skilled mechanics for the Army and Navy, and 2,000 more were taught the various skills required for the maintenance of airplane engines. In some cases classrooms on wheels have been sent to army camps to instruct men in the field on motor equipment operations.

For many years leading American industries have maintained schools for their own workers to train them and help them get ahead. Now, besides making weapons to win the war, industry is taking extra precautions to make sure that new recruits know how to use those weapons and keep them in fighting shape.

NOT TOO BIG

An airplane every four minutes . . . two ships a day . . . a tank every seven minutes. That's the war work schedule that President Roosevelt has set for American industry. That's what 125,000 planes, 75,000 tanks and 10,000,000 tons of shipping mean in terms of actual production. Some idea of the size of the job ahead may be had from the fact that the airplane goal is six times our 1941 output.

Even though it's a big job, industry's past record indicates that it's not too big to handle. It will take hard work, of course, and long hours. We'll all have to get along with fewer of the comforts and conveniences we accepted so casually in peace time. We'll all have to make sacrifices to do our share. But, with a continuous flow of materials and the cooperation of all groups concerned, the job can be done.

And it shall be done. That is the important fact. The industrial system that in former years gave us the highest standard of living in the world can now give us the most weapons. In peace time that system was the envy of our enemies. Now in war time it will be their final destruction.

OUR RISING SUN

Gems Of Thought

IDEALS

Our ideals are our better selves.
—A Bronson Alcott.

Ideality is only the avant-courier of the mind, and where that, in a healthy and normal state goes, I hold it to be a prophecy that realization can follow.—Horace Mann.

A man will not be the better because he had a well-born father, if he himself is nought. But true high-birth is in the mind, it was never in the flesh.—King Alfred.

What you believe must influence what you are. What you are determines what you do, and what you do determines your value here and hereafter.—Jane Tudor.

There is nothing that makes men rich and strong but that which they carry inside of them. Wealth is of the heart, not of the hand.—John Milton.

An organic sulphur dust which when mixed with seeds before planting protects onion seedlings from smut during the vulnerable first two or three weeks of growth, is announced by the Cornell University Experiment Station.

BRIEF ITEMS . . .

Found

. . . IN OUR EXCHANGES

Now that we have entered the war every individual may as well become resigned to the fact that he is going to be called upon to carry it to a successful conclusion. It will mean more work and harder work. It will mean doing without a good many things that many of us have come to regard as necessities. It will mean cheerful, and willing, and complete compliance to the rulings of those in authority. Some of the orders are going to seem drastic and harsh, but it is a drastic and harsh situation that we are facing, and victory is going to be worth an inconvenience and any sacrifice on the part of those permitted to remain at home in sheltered security.—Foard County News.

Again, the ban on the sale of tires may result in people driving cars equipped with unsafe tires. This hazard can only be reduced by drivers reducing the speed at which they travel.—Nolan County News.

Heartening news—the kind all good true Americans like to read—tells of the work our soldiers and the Dutch are doing against the Japs. The dirty, sneaking yellow Nippons may have gotten the jump on us, but we are gradually catching up with them and they are finding out that we still remember what they did to Pearl Harbor. Such an attack will go down in history, it will always be remembered by Americans, and it will be a long time before that wound will be healed between the Americans and Japs.—The Chillicothe Valley News.

More examples of patriotism (?) heard in and around here include the man who said long and loud that he would do anything for his country—anything that he could do to help, and wanted to join the Defense Guard until he found out that there was no salary attached.

comfort and happiness.

W. T. Townsend, who lives 8 miles southeast of Vera, has signed up for 1-2 mile of shelterbelt to be planted on his sandy land river bottom farm. Mr. Townsend has several areas on his farm that are subject to considerable damage by wind.

WHAT'LL THEY THINK UP NEXT?

Success in shipping "self-refrigerated" meat from the United States to England in ordinary ship space puts the finger on the adage that need is the mother of invention.

The meat, boxed and frozen to a very low temperature, goes to sea flanked bottom, sides and top with lard which also is frozen and boxed. As lard is also urgently needed in Britain it thus goes into service as soon as put aboard ship, paying its way as the preservative of the meat during the voyage then taking its place along side the meat as a food item across the sea.

DRASTIC RATIONING

In the home itself, the price of Victory will include increasingly drastic rationing. Sugar and tires were just starters. We can look forward to a time when a new radio may be just as hard to acquire as a new car.

The scarcity of materials needed for the Army and Navy and Lend-Lease is going to combine with a scarcity of industrial facilities, as more and more factories are drafted.

Legal Notice

CITATION BY PUBLICATION

The State of Texas:
TO: Jack Carpenter, defendant, Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of March, A.D., 1942, at or before 10 o'clock A.M., before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas.

Said plaintiff's petition was filed on the 12th day of January, 1942. The file number of said suit being No. 4245. The names of the parties in said suit are: Daisy Murrel Carpenter as Plaintiff, and Jack Carpenter, as Defendant.

The nature of said suit being substantially as follows to wit: A suit for divorce, dissolving the bonds of matrimony between the plaintiff and defendant and for the restoration of her name to her maiden name, Daisy Murrel Bartlett. As grounds abandonment of the plaintiff by the defendant for more than 3 years.

Issued this 12th day of January A.D. 1942.

Given under my hand and seal of said Court, at office in Benjamin, Texas, this 12th day of January, A.D., 1942.

LEE COFFMAN, Clerk of District Court, Knox County, Texas. 29-4tc

Seventeen Pupils In Select Honor Roll of Local School

Four students in high school made the select honor group that made four A's for the third six weeks period, they were: Ben Bowden, Bette Morris and Willard Reeves.

Seven other students garnered three A's from the teachers in high school were: McCelvey Jones, Latreace Johnson, Patsy Ruth Kirk, Benton Snelson, Helen Williams, Dick Harrell and Jimmie Silman. According to Principal Hardgerge 45 students made at least one A, and there 80 A's made altogether.

Grammar school honor roll announced by Principal Palmer were: 6B: Mozelle Booe, and Donald Waheed; 7B: Curtis Gollehon, Kelton Tidwell and Lloyd Haynie; 7A: Roland Foshee, Carolyn Hannah, Frances Hallmark and Arledge Suggs; 8th Year: Oleta Norman, Betty Jane Spann, Mary Alice Beck, Patsy Massie and Bobbie Marie Boggs.

Journal Over U.S. By Third Year Group Brings Songs

If at any time you hear the familiar strains of "Oh Susanna" or "Dixie" coming from the third year room, think nothing of it. As the journey over the United States is made, songs known to that section are learned by the children.

This week the journey takes them into the deep South, so the beloved songs of Stephen Foster will be heard. The children enjoy these old plantation melodies, cowboy songs, and old folk songs which are genuine American. They express the feelings of our people, and help our children to become conscious of the American spirit as it is expressed in the songs, which are theirs.

Ward Choral Orders Easter Cantata

The elementary choral group, directed by Miss Holcomb has begun work on some new music, and has ordered an Easter Cantata which they hope to give.

The choral group was represented at the Knox County teachers meeting January 26 by a group of eight girls. They were: Charlotte Ann Williams, Mary Tom Kirk, and Carolyn Hannah as sopranos; Rosalee Pippin, Eloise Gray and Janie Spann as second sopranos; Bobbie Boggs and Oleta Norman as altos. The following numbers were rendered: The Bells of St. Mary's and Gently Falls the Shadows.

Sophomores Study Believe it or not but it seems

Meat Curing...

Pretty, warm days make no difference if you want to kill that hog or beef... just bring it to Banner Ice Company's meat-curing vault.

We have ample facilities for curing all of your meat, either in small or large quantities... and we can give you a complete cure. Be safe! Be sure! Get a correct cure.

Banner Ice Co.
G. B. HAMMETT, Local Mgr.

YOUR ICE BUSINESS IS ALWAYS APPRECIATED

as though there is much more studying in the Soph section since the report cards were received. To many, the cards were quite an inspiration to do better or "bust" trying.

At buying those Defense Stamps we did get ahead of those Seniors and that was good work, but it seems as if the Juniors are beating us. Come on, class, let's save those nickels instead of getting candy and get some Defense Stamps. By the way, are we forgetting to bring our waste paper on Fridays?

In Algebra we are studying Algebraic Fractions. So far, to the class this seems much easier than what he had before. The Algebraic Fractions are more interesting than anything and our grades are even improving.

Home Ec Classes Plan Family Study

The Home Making IIA class has outlined a plan of work for this semester. They have decided to include in their work a unit on Kitchen Arrangement, Feeding the Family, and Planning Social Life for the Family.

The first four weeks of this semester will be devoted to the study of how to arrange a kitchen so it will not only be attractive but also convenient. As a part of this unit they plan to do some checking on small kitchen equipment needed in the Homemaking Kitchen, studying the best available materials, and to buy some necessary equipment. An intensive study will be made of new substitute materials as some materials such as aluminum and copper are not available due to the national emergency.

Buy An Annual Week Pushed By Seniors

The Seniors are very happy that they have several boys from their class wearing football jackets. These boys are Raymond Carden and Ralph Tidwell that played on the team. Then Joe Morrow and Bobbie Reese were awarded jackets for their faithfulness as managers of the team. We are also happy because Raymond was elected most conscientious player. This makes the Senior Class feel very happy after the banquet Tuesday evening, January 27.

This week is "Buy an Annual" week in Munday High, so here's hoping that you will buy your annual this week as the Seniors are in need of the money or in other words we must have the money by February 10. The staff has been working again at it and they will have in eight more pages the 10th of this month. Let's all help the Seniors get something started that has never been done before. Buy an Annual this week.

High Chorus Sings Popular Songs Monday the chorus copied the words to the songs "Looking for the Lost Chord," "Standing in the Need of Prayer," "I Am An American" and "Goin' to Shout All Over God's Heaven."

Tuesday they worked on the song "Shut Your Eyes, My Honey." One day last week the period was used in studying some of the fundamentals of music.

Freshmen Active Buying Bonds

The first Defense Day we had the Freshmen took in only 75c. This last week we came up to \$5.60 in stamps with McCelvey Jones owning two \$25 bonds. We are doing our best to lead all high school classes in buying stamps and bonds.

In the second semester the General Math class is taking up Algebra. Part of us can get it but Mr. Perryman is decidedly growing gray over the other part.

Now that the Banquet and Exams are over the Home Ec I girls

are taking up their sewing again. A few of the dresses are nearing completion and really taking on the general appearance of a dress.

Second Year Students Form Good Worker Club

The second year children organized a "Good Worker Club" last week, and elected Myra Sue Iseng as president, Bobby John Jones vice-president, and Doyle Purifoy secretary.

George Spann won the defense stamp for the month of January, as he bought more stamps than any other child.

Tidwell Tops 7B to Make Honor Roll

Now that those mid-term exams are over, the 7B students have settled down for a long term of work. Many of them realize that they must work this term or else—well, to put it in plain language, they might be in the seventh grade again. Of course they do not want that to happen.

They are still buying Defense Stamps, but no one is very close to the desired goal—a bond.

They are very proud of Kelton Tidwell, the only one to make the term honor roll. Curtis Gollehon and Lloyd Haynie joined him on the six weeks honor roll.

Four 7B Students Make Perfect Records

One of our well known students, Bobby Howell, received a baby bond on his birthday. Starting last year, his mother saved up enough dimes to buy him a bond. Bobby is very proud of his bond. We are proud of the ones who are on the honor roll this six weeks. They are Frances Hallmark, Carolyn Hannah, Wayne Rodgers, and Ronald Foshee.

The following students had a perfect attendance record the last six weeks: Eloise Gray, Frances Hallmark, Rose Marie Stodghill, and Elizabeth Smith. 7A room was decorated this week by Rose Marie Stodghill, Elizabeth Smith and Jenell Daugherty.

Reading, Writing Stressed In First Year Studies

The first grade people is studying hard to learn to be fast readers, also be able to remember what read.

Writing is another job we like. Most every day we write a short story about something we have studied in our reading lesson. It is fun to write since we have learned to do it just right.

We plan to decorate the room soon for Valentine. They will enjoy making Valentines, booklets and posters.

A Valentine party would be very nice. Don't you think so, room mothers?

Fourth Year Students Visit the Post Office

We wish to express our thanks to Mr. Haymes and Mr. Speece for showing us through the post office. We learned so many things about our postal system that we had not known before.

We are having a good time playing in our post office at school. We are looking forward to St. Valentine's Day. We are sure that our postal clerks will be quite busy at that season.

Goldie, our goldfish, died last week, but Kenan brought us three small catfish Monday morning. We named them Simon, Rastus, and Cindy. We hope we have better luck with them.

Three Girls Honor Studies In Eighth Year Class

One of the nicest pupils of the eighth year class has moved away; Charles Ray Cude. We miss him very much and hope that the next time he is in Munday he will stop by and visit us.

The ones in our room on the honor roll for the first semester are: Mary Beck, Bobbie Boggs and Janie Spann. Come on, boys, it looks like the girls are beating you!

The eighth year class has been thinking how many national holidays there are in February. This year I don't imagine George Washington and Lincoln will have such happy birthdays.

The eighth year class has just been hoping that the little groundhog won't see his shadow. But we guess he did. Do you know who the groundhog of the eighth year class is? Martha Ann Reynolds, since her birthday is Feb. 2.

We wonder what song Martha always sings that has a lot to do with our history and also trains? Our class has been presented with a nice calendar. They must have known how badly we needed it. It came from the Gulf Refining Co.

Our reporter for the eighth year is now Janie Spann.

Mr. and Mrs. Earl Albus of Rochester visited with friends here last Sunday.

BOY SCOUTS' RANKS GROWING

The above poster in colors, now being displayed all over the country, announces Boy Scout Week with the slogan "Strong For America." Boy Scouts everywhere in the nation have taken on and are assuming extra assignments from Uncle Sam to do their part in the defense of America. Boys 12 years of age and over who are not Scouts and who wish to share in winning the war by doing these "Good Turns" should get in touch with the nearest office of the Boy Scouts of America.

LOCALS

Mr. and Mrs. Carl Mahan and daughters of Abilene visited with Mrs. Mahan's mother, Mrs. E. M. Wilson, and with friends here over the week end.

Mr. and Mrs. Aaron Edgar visited Joe Bailey King at the Knox City hospital last Sunday afternoon.

Marvin G. Angle of Munday, who is with the U.S. Forest Service, spent the week end in Oklahoma

City in the interest of his work with the shelterbelts of this area.

County Agent R. O. Dunkle of Benjamin was here in the interest of work pertaining to the county agent's office.

Miss Oma Norvill came in Sunday from Nocona where she had been with Mrs. G. H. Foshee, who is convalescing from a major operation.

Rev. B. B. Crimm, who is conducting the revival here, visited with friends in Throckmorton last Monday.

About Our Schools

By Supt. S. V. Colley

After having been voted into the district north of us in football recently, official notification comes that the tentative assignments in District 12 (our new District) Region 111. This places us in the same company, Class A, with Archer City, Chillicothe, Crowell, Holiday, Iowa Park, Munday and Seymour.

The reason Munday has to be voted into a class A district is because we have only 150 in high school while the other schools in class A company have over 200. Archer City is the other school in District 12 that has fewer than 200, and was voted into the district for class A competition.

The ward school program with Mr. Clyde Kennamer as coach in football should net some results in a few years, if not next year. They were equipped with suits and played full eight game schedule, winning a majority of the games.

Some might like to know a few points concerning the rules in football and Interscholastic League competition under which athletes must play in order to be eligible; from time to time it is my purpose to acquaint you with these in keeping with space:

Age Rule: No one shall take part in any contest in this League, who on the first day in September preceding the contest has reached or passed his 18th birthday.

Recruiting: The term "recruiting" as used in rule 6 of the Football Plan and Basketball Plan means offering any inducement, directly or indirectly to a football or basketball player to enroll in a given school. An inducement may be actual cash, remission of tuition, board or lodging, free transportation, a job for which remuneration is above that normally paid for such service, or other valuable consideration.

It has been my firm belief as administrator that playground supervision on the part of teachers is a vital part of the school program. This year groups in the word school have been assigned definite playground space to prevent larger students from usurping playground space over smaller groups. Games

of the program and should be stressed during noon and recess periods.

Perhaps no greater dread can come to a parent than to know that her children will be turned loose on a playground without teacher supervision; where, even though in unsupervised play it often gets rough and pupils learn only to push and shove, and sometimes scrap. The program in progress, which we have tried to put in for several months, although it calls for more teacher time and planning for games and supervision, has given splendid results to those who have cooperated in the plan.

One teacher says: "I find that through the teaching of games on the playground with my group in a certain space assigned, that they have a far better attitude even in the classroom and they really enjoy the play, and I enjoy it with them."

In her book "Games for the Playground, Home and School," Jessie H. Bancroft has this to say: "The typical school recess is a sad apology for complete refreshment of body and mind. A few pupils take the center of the field of play, while the large majority most of whom are in greater need of the exercise, stand or walk slowly around the edges, talking over the teacher and the lesson. An Organized Recess, by which is meant a program whereby only enough classes go to the playground at one time to give opportunity for all the pupils to run and play at once, does away with these objections, if some little guidance or leadership be given the children for lively games. The Best Discipline the writer has even seen, in either class room or playground, has been where games are used, the privilege to play being the strongest possible incentive to instant obedience before and after. In the past much moral contamination has occurred at play periods but the author has had repeated any convincing testimony of the good of the games to do away with this moral contamination. The games become the one absorbing interest of recess, and everything else gives way before it."

Mr. and Mrs. Curtis Coates and daughter, Belinda, visited relatives in Knox City last Sunday.

Mr. and Mrs. W. A. Strickland visited in the home of Mr. and Mrs. Vaughn in Goree last Sunday.

Notice To Our Gin Customers:

On Saturday, February 7th, at 2:30 p.m., at the local Union Hall, the Farmers Union Cooperative Gin will pay a dividend to the customers who patronized this gin during the past season.

\$3.00 Per Bale

The dividend will be \$3.00 PER BALE where the seed were sold to the gin, and \$2.50 per bale where the seed were hauled away.

In accordance with an earlier announcement, all actual charges on cotton put in the Loan will be deducted from the Dividend, the charges being divided between the tenant and the landlord according to their proportioned interest in the cotton.

Buy Govt. Defense Bonds!

Plans are being made to give everyone who receives a Dividend Check an opportunity to purchase a Government Defense Bond with your check in the Union Hall. We would be very glad to have you buy all you will.

Edna Earl Russell Married Sunday To Verlyn A. Miller

Mr. and Mrs. A. N. Russell of Benjamin announce the marriage of their daughter, Edna Earl, to Mr. Verlyn A. Miller of Carlsbad, New Mexico. The rites were read Sunday morning in Knox City by Justice of the Peace Sam Favor. Accompanying the couple to Knox City from Carlsbad was the bride's sister, Mrs. John Smith. The young couple will make their home in Carlsbad, where Mr. Miller is employed by the Union Potash and Chemical Co. The bride will finish her senior year in the Carlsbad high school.

Miss Ethel Floyd Becomes Bride Of Buck Primrose

Miss Ethel Floyd of View, Texas, daughter of Mr. and Mrs. Alvin Floyd of View, and Buck Primrose, son of Mrs. Eva Primrose of Elmore, Okla., were united in marriage on Saturday evening, January 17, in Abilene. Rev. Roy A. Kemp of the Corinth Baptist church read the marriage vows. Accompanying the couple were the bride's sister and her husband, Mr. and Mrs. Calvin Hendricks. The bride wore a dress of blue with white accessories. She is a former resident of Munday and is well known in this section of the county. At present Mr. Primrose is stationed at Camp Berkeley, where he is serving with the 180th infantry.

Rally of Young People Held At Local Church

A large number of young people from this district of the Ft. Worth Presbytery gathered at the Presbyterian church in Munday last Monday night for a young people's rally. Nine towns of the area were represented. Miss Marguerite Bizzell was the principal speaker at this meeting. Miss Bizzell, recently returned missionary from China, appeared in the native costume of the Chinese and gave an interesting account of Chinese customs and conditions which prevail in that country today. Her inspirational talk was enjoyed by both young and old and many other than the young people gathered at the church to hear her story of war-torn China. Churches represented at the meeting are: Throckmorton, Ellasville, Haskell, Rule, Rochester, Spur, Abilene, Sweetwater and Munday.

MRS. BOWDEN VISITS DAUGHTER IN SWEETWATER

Mrs. J. B. Bowden and little granddaughter, Bobbie Carroll, visited in Sweetwater over the week end, visiting in the home of Mrs. Bowden's daughter, Mrs. G. W. Hawkins. They were met there by another daughter and her husband, Capt. and Mrs. M. L. Joyce. Capt. Joyce is being transferred from Columbus, Georgia, to Daggett, Calif., and they were enroute to California when in Sweetwater.

MOVE TO McCAMEY
W. L. Barber of McCamey spent the first of this week here, visiting Mrs. Barber and children and with friends here. Mr. Barber moved his family to McCamey on Tuesday of this week, and they will make their home there. Barber, who was with the West Texas Utilities Co. here, holds a similar position with the company at McCamey.

Everett Pruitt of Camp Bowie spent last week end in Munday with relatives.

Bernice Bowden was in Olney last Monday night to attend the Golden Gloves Tournament.

H. A. Pendleton and P. V. Williams were business visitors in Dallas the first of the week. They were accompanied by Dallas by Miss Jean Williams, who was returning to school in Denton after spending the week end in Munday with Mr. and Mrs. Williams.

Mrs. Robert Huckabee has returned to her home in Little Rock, Ark., after spending several days visiting in the homes of Mrs. W. M. Mayo and Mr. and Mrs. Wade Mahan. She also visited relatives in Goree and Seymour.

Young People Of Goree Church Are Entertained Friday

Young people of the Fundamental Baptist church of Goree were entertained last Friday night in the home of Rev. and Mrs. J. P. Rice. Several games were played, and sandwiches and soda pop were served to the following: Annie Mae Jones, Faith Cribbs, Dean Wilson, Barbara Gean Barger, Billie Joe Crouch, Taylor Cooksey, William Trimble, Hazel Allison, Calvin Bates, Joy Wilson; two visitors from Bomarton, Martha and Nanza Warren; the leaders, Mr. and Mrs. Jack Suggs, and the host and hostess.

Hefner Club Has Meeting Tuesday With Mrs. Holder

The Hefner home demonstration club met Tuesday afternoon with Mrs. Ben R. Holder, the vice chairman, Mrs. T. Standlee, presiding. After roll call the secretary, Mrs. Marion Jones, read the minutes of the previous meeting and committees were appointed for expansion, finance, refreshments and programs throughout the year. Mrs. H. Lambeth, clothing demonstrator; Mrs. Lessie Jackson, poultry demonstrator and the agent, Mrs. Neva Van Zandt, gave talks on poultry houses and equipment, and defense. A delicious plate was served to Mrs. E. J. Jones, J. E. Cure, Ed Jones, L. Jackson, Hamp Jones, A. W. Aiken, Roy Jones, Homer Lambeth, Dibriel Jones, F. M. Lambeth, Marion Jones, Turner Standlee, Neva Van Zandt, and the hostess, Mrs. Holder. The next meeting will be February 17 with Mrs. L. Jackson.

Sheriff Louis Cartwright of Benjamin was in the city Monday attending to official business.

Mac Haymes, who is attending N.T.A.C., at Arlington, came in the latter part of last week for a visit with his parents, Mr. and Mrs. Lee Haymes.

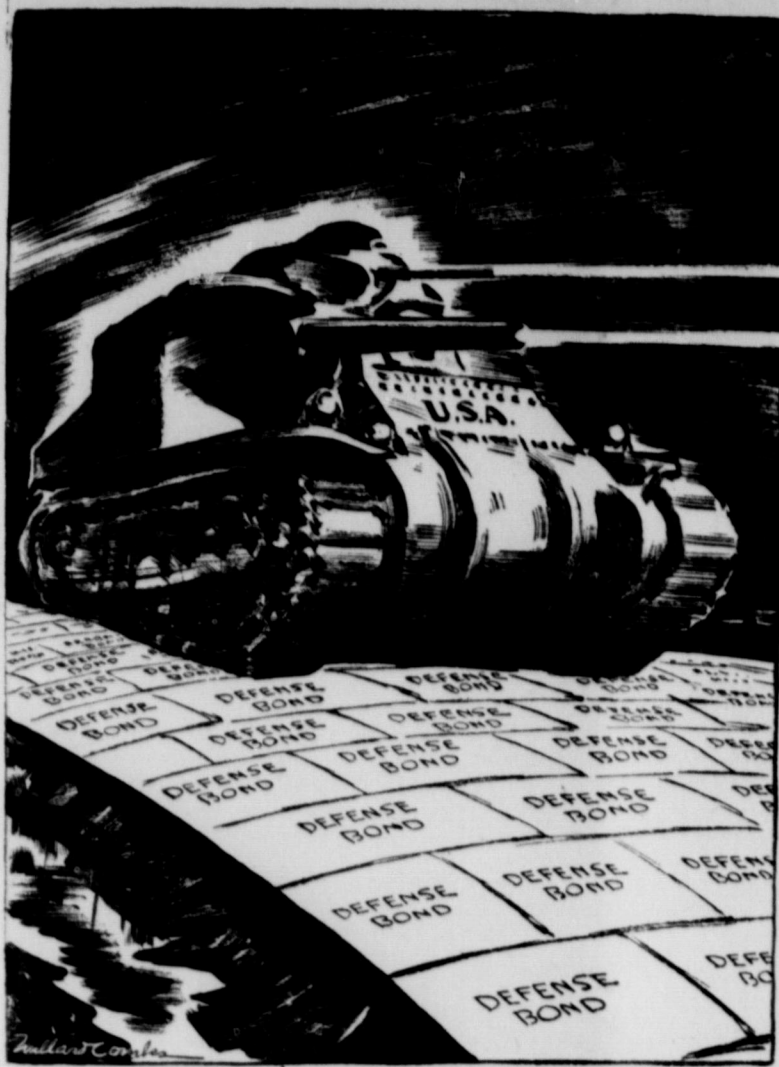

Mr. and Mrs. Ernest Ingram of Benjamin were business visitors here last Saturday.

County Supt. Merick McGaughey of Benjamin was here Monday on business pertaining to the schools of Knox county.

Harvey Lee spent last Sunday in Wichita Falls, visiting his brother, Sidney, who is in training at Shepherd Field.

Miss Jean Williams, a student in T.S.C.W., Denton, spent the week end here with her parents, Mr. and Mrs. P. V. Williams.

PAVE THE WAY

Beauty Shop Moves Into New Location

Mrs. B. A. Yarbrough, owner and operator of the Florence Beauty Shop, announced this week that she is ready to serve her customers and friends in her new shop, located in the building formerly occupied by the Beavers Shoe Shop, next door to the Terry Coffee Shop. The shop has been completely remodeled and some new equipment has been added.

Mrs. Yarbrough has been in business in Munday for a number of years and thoroughly understands hair and scalp problems, as well as other needs in beauty culture and is prepared to give her customers professional help in their beauty problems.

Mrs. Yarbrough believes that good grooming is a delightful habit, and she invites her friends to make a habit of visiting her shop regularly.

TO COMPANY MEETING

Don Ferris and Arthur Lawson are in Wichita Falls today (Thursday) to attend a meeting of employees of the Community Natural Gas Co. An official of the company is to instruct employees on the tire situation and on care of tires used on the company's service cars and trucks.

Mr. and Mrs. R. H. Howell were called to Walnut Springs last Sunday because of the death of a sister-in-law, Mrs. J. W. Howell.

J. W. Howell of Walnut Springs is spending a few days with his brother, R. H. Howell, and family here this week.

D. P. Morgan, who is in Austin College in Sherman, will start taking flying lessons at the air school there February 8th.

District Attorney C. E. Blount of Paducah, was a business visitor in town last Tuesday.

Mr. and Mrs. Howard Collins visited relatives and friends in Amarillo and Pampa over the week end.

IT PAYS TO ADVERTISE

Library Notes

The Munday Public Library has received the following current books which are available at the library this week: Fiction, A Leaf in the Storm, Lin Yutang, Saratoga Trunk, Edna Ferber; Wild is the River, Louis Bromfield; One Red Rose Forever, Mildred Jordan; Windswept, Mary Ellen Chase. Non-fiction, Berlin Diary, William Shirer.

Children's books: 6 volumes of Mother West Wind stories, Thornton Burgess, and Smokey, by Will James.

M. Boggs has donated a number of good books to the library.

Miss Evelyn Reeves, librarian, will be glad to serve those who wish to benefit from this new selection of books.

Wiggins Writes From Old Post At Camp Bowie

The Munday Times received a letter from M. L. Wiggins, who recently reported back for army duty at Camp Bowie, last Tuesday. Mose is back at his old post at Camp Bowie. Because of the interest which his letter contains for his friends in Knox county, we are publishing it in detail below:

Dear Grady: I am here in Camp Bowie now and wish you would forward my paper to me down here so I might be able to keep up with the news around my home town.

After I took my physical examination at Camp Wolters I was sent back to my company where I was released from active duty. At the present time there are only about half of the number here in my company which were here about a year ago. Some have transferred out and some have been given Medical Discharges and a few have been sent to other places for certain training which will enable

them to be better soldiers. It seems that the morale of the soldier is much higher now than at the outbreak of the war for we all feel like we are fighting for something and are doing what we are told to do and putting everything we have into it. We have a job to do and we are going to do that job regardless of how much we as individuals have to sacrifice and at the same time know that there will be a lot who will sacrifice their lives. We also know that the people in civilian life are behind us one hundred per cent and are willing to do anything that they can to win this war in as short time as possible.

If you are ever down this way please come by and see me and you can see how well we are fed by eating with us. My best regards to you and Mrs. Roberts, I am,

Your friend,
Moulton L. Wiggins,
Company I, 111th Med-Regt., Camp Bowie, Texas.

E. L. Covey of Benjamin was a business visitor in the city Tuesday morning.

Bruce Campbell of Knox City was a business visitor here last Tuesday afternoon.

HEFNER NEWS

Plowing land has begun. Rain is needed in grain. Marshall Steward and E. Dub Chandler left Monday for training at Camp Wolters, at Mineral Wells. L. L. Atkinson recently visited his mother and family at Decatur, Miss.

Mr. and Mrs. Lloyd Burgess of Gilliland dined at the home of Mr. and Mrs. John Cure Sunday.

Bedford Hudson of Camp Bowie spent the week end with home folks here.

Miss Beatrice Boggs and Terrell Boggs were shopping in Wichita Falls last week.

Ed Jones has been doing some improvement on his dwelling in this community, as have Mason Harlan and J. T. Murdock.

Jim Barnett and George Weber have recently completed modern homes in this community.

Randall and Raymond Butler have gone to training camps.

Mr. and Mrs. John Hawkins are on the sick list.

Mr. and Mrs. J. Weatherly are announcing the birth of a daughter, born January 30 at their home in this community.

Forester Speaks To F.F.A. Chapter

Marvin G. Angle, local representative of the U. S. Forest Service, gave an illustrated lecture on Shelter Belt Planting at the Munday F.F.A. chapter meeting last Monday night.

Slide pictures in colors were shown, giving a history of shelter belt plantings now in operation with their effects on the soil and moisture conservation, and with other values explained by Angle.

Students of the Munday chapter of Future Farmers of America are announcing the box supper which will be held February 13 at 7:30 p.m. This will end the sweetheart contest. At the box supper a prize of one dollar will be given for the prettiest box. Various games are also planned by the local chapter C. R. Elliott will auction the boxes. Some of the games are ping-pong, badminton, shuffleboard, and others.

Candidates for the F.F.A. sweetheart are Jerry Chamberlain, Patsy Ruth Mitchell, Elnor Beth Hendrix and Margaret Jean Womble. Everyone is invited to attend the box supper and games.

At a regular meeting Monday night the Future Farmers discussed plans for the first annual F.F.A. father and son banquet. This will be held on Thursday night, February 26.

Committees were appointed as follows: General banquet, Ralph Tidwell; invitation, Ben Bowden, Buddy Gafford and Kenneth Spele; program, Lowell Cure, Cal Lowry and Bill Brown; menu, Stephen Harrison, Bobby Haymes, and G. C. Conwell; decorations, Aubrey Roden and Helen Montgomery.

The annual banquet is one of the highlights of the year's activities, and the members are looking forward to this occasion with great expectation. Part of the program will consist of a state-wide hookup with several important vocational agriculture and F.F.A. members appearing on the program.

Hulen Montgomery, Reporter

Defense Shop Course Will Be Offered Here

In keeping with the National Emergency, and possible shortage in agricultural equipment, the necessity of repairing all usable old farm machinery and equipment, the Federal Government through the local school is offering another 10 weeks course in truck, tractor and auto mechanics and farm machinery repair.

The new course will begin next Monday, February 9th, and will be open to all out-of-school boys and young men in the Munday trade territory. There will be no charges to those taking this course and it will furnish pre-employment training that will be useful in assisting the students to find the position either in private employment or in the military service for which he is best fitted.

All young men in this territory are urged to meet at Isbell's Garage next Friday night, February 6th, at 7 o'clock for registration and organization of this course.

Mr. and Mrs. Grady Roberts visited with relatives in Haskell last Sunday.

Re-Election

For State Representative, 114th District:
CLAUDE CALLAWAY

For District Attorney, 50th Judicial District:
C. E. BLOUNT
(Re-Election)

For County Clerk:
M. T. CHAMBERLAIN
(Re-Election)

Groundhog To Continue Sleep; Not Spring Yet

If the oldest prognosticator of winter weather—Mr. Groundhog—is to be believed, people of Knox county should keep their red flannels handy, their overcoats within reach, anti-freeze in their radiators, and let their mothballs remain in storage.

Monday was Groundhog Day, but the little animal didn't enjoy scampering around with no shadow following on his trail. The sun didn't shine all day but it came out enough to make the groundhog go back into hibernation for another six weeks.

Whether you believe in the accuracy of his forecast or not, the groundhog believes it unwise to herald the approach of spring just yet.

As one of the nation's best groundhog lodges, Quarryville, Pa., one of the forecasters peeped out long enough to see his shadow, blinked at the sunlight and went back into his den for more sleep . . . and the navy and war departments were informed the world is in for six more weeks of had weather.

Ho-hum—getting sleepy! Oh, for the life of a groundhog!

Area Ginnings Show Gain For 1941 Season

Knox county was rated with other counties of this area as showing a gain in cotton ginnings for the 1941 season. The county's gain over the 1940 season was 10,546 bales.

Wichita county showed a decrease of 2,735 bales which most of the counties in the area showed an increase over 1940, according to figures released by the department of commerce.

Cotton ginned prior to January 16, 1942, is shown below by counties. The first figure is for 1941, the second for 1940, given in bales: Baylor, 13,302 and 9,365; Childress, 31,455 and 13,807; Clay, 9,687 and 13,328; Collingsworth, 20,002 and 14,953; Cooke, 6,753 and 14,893; Cottle, 27,665 and 13,635; Denton, 13,912 and 24,283; Dickens, 32,329 and 12,097; Donley, 10,606 and 8,747; Floyd, 7,475 and 13,950; Foard, 14,141 and 7,803; Hall, 42,677 and 22,205; Haskell, 47,286 and 35,917; Jack, 686 and 1,065.

Jones, 60,916 and 50,300; King, 5,363 and 2,467; Knox, 37,296 and 25,760; Montague, 2,751 and 4,375; Motley, 14,593 and 10,955; Throckmorton, 4,580 and 3,630; Wichita, 9,319 and 12,054; Wilbarger, 33,972 and 25,656; Wise, 2,292 and 5,098; and Young, 6,306 and 8,202.

FOREMAN NIX MOVED

Mr. and Mrs. Jerry Nix were in Wichita Falls Sunday for a visit with the former's brother, Foreman Nix, who had been stationed at Sheppard field. After spending the major portion of the day there without seeing him they returned home to find a telegram from him stating he was enroute to an unknown destination in the northeastern part of the United States.

Mrs. Earl McPherson of Quanah is a guest in the home of Mr. and Mrs. Grady Roberts.

What To Do In An Air Raid

Should an air raid come to your community, you can do your part while protecting yourself. Remember these six simple rules:

1. Keep calm and cool.
2. Stay home.
3. Put out lights.
4. Lie down.
5. Stay away from windows.
6. Don't telephone.

Don't run—walk. Don't scream—be quiet. Don't crowd into public places. If the raid starts when you are away from home, lie down under shelter. Keep your mouth open by rolling your handkerchief and putting it between your teeth. Put your hands over your ears. Protect the back of your head. Don't look up.

In the house, go into your refuge room and close the door. Make yourself comfortable. Relax. If bombs fall near you, lie down. A

Medicines and drugs can be of great benefit, but they can also cause untold damage if not properly handled. Have your prescriptions filled by a pharmacist who is reliable and respected by your doctor.

Two registered pharmacists are on duty here to give you the best and most efficient prescription service.

Years of study and experience go into every prescription filled here. We follow your doctor's order in detail.

WE FILL PRESCRIPTIONS ACCURATELY AT . . .

Eiland's Drug Store

good place is under a table with sturdy legs, or a strong couch turned upside down.

Keep away from windows. Don't look out. Shut off gas furnaces, ranges, or water heaters, and their pilot lights. Shut off electric connections. Put out all lights you cannot closely screen, so no light reaches the street—the light that's out or covered tight will never guide a Jap!

If an incendiary hits your house, go put it out with a spray (never a stream, jet or splash) of water. It will burn out rapidly under a fine water spray—a splash or stream makes it scatter molten metal. When it is out, go back to shelter.

The chance your home will be hit is very small. Keep cool. Stay off the streets. Again we say—keep cool!

Appoint one member of the family for your home warden to remember all rules. Mother makes the best!

Stay quiet indoors or under shelter until the "all clear" sounds.

Don't believe wild rumors. Don't crowd. Don't scream. Don't telephone. Don't start disorder or panic. Do what the Air Raid Warden tells you to do. Be strong, be calm, be orderly. Lick the aggressors—everyone can help. Do your share!

About 3,000,000 farms in the United States are now included in the boundaries of soil conservation districts.

Liver contains a good supply of vitamin A, is rich in riboflavin, iron and phosphorus, and contains thiamin and nicotinic acid.

Folic acid, a vitamin discovered recently by a Texas scientist, is a member of the family of B vitamins. It was so named because of its abundance in leaves.

NATIONAL DEFENSE WORKERS NEEDED . . . MEN AND WOMEN . . . Ages 18 to 45 in the AIRCRAFT INDUSTRY

A few weeks of superior shop training under actual factory conditions must qualify you for a job in this industry or YOU PAY NOTHING. We give you results, not promises! Check up on all the schools of this area and you will find out for yourself that the SOUTHWEST AERONAUTICAL INSTITUTE in Dallas has the Largest Enrollment Latest Equipment Most Placements Lowest Tuition Charges of any aeronautical school in the entire Southwest.

I have enrolled over a hundred men and women in the last 16 weeks out of Wichita and Wilbarger Counties. Over half of these have completed their course and have good jobs in aircraft factories in Texas and California. For further information see or write

Peanuts Now IN NATIONAL DEFENSE PROGRAM

The Government is interested in the production of fats, and is permitting the producer to plant peanuts on his "general acreage" allotment, without restrictions, for fats. There is a minimum price set for the production of peanuts which makes it attractive for the producer.

We are securing information about the production and cultivation of the Spanish Peanut, which does well here, and if a sufficient acreage is pledged, we will arrange to have the seed available.

The Triple-A is interested to the extent that advances will be made for the purchase of seed if necessary. We will furnish a ready cash market for the peanuts at the time of harvest.

I GIVE YOU TEXAS

By Boyce House

An optimist laughs to forget; a pessimist forgets to laugh.

A boy came home from school one day and asked: "Pop, how much is a billion dollars?"

And his dad replied: "It's a helluva lot of money."

And the next day the boy came home from school crying, and the father asked, "What is the matter, son?"

"That wasn't the right answer," the boy replied.

"Texans, almost a thousand of them, many in big white Stetsons and Justin cowboy boots, provided 'color' on 'Texas Day' recently at the New Orleans races. The Texas horses (there were three events exclusively for them) and the Texas folks were the magnets that drew the biggest crowd of the Crescent City racing season and one of the largest throngs in the history of the track.

So anxious were the Lone Star thoroughbred breeders to race their 2-year olds, that the entries were so numerous the Lone Star Stakes was run in two divisions—the second time in the annals of the American turf that a race for "babies" has been divided. Sylvester Labrot, chairman of the Fair Grounds, had originally offered a purse of \$1,500 and, when the event was made a double-header, he generously doubled the prize.

Part of the afternoon's program was carried on a Coast-to-Coast hookup and two famed Texans made their radio debut to millions of listeners tuned in on almost 200 stations—Robert J. Kleberg, Jr., manager of the huge King ranch, and W. C. Stroube, Corsicana oil man, whose Liberty Pan captured the first half of the Lone Star race with great speed after a difficult start. R. B. George of Dallas saw his Greenock Flame win the second half by an impressive margin.

There was a cowboy band in big hats and bright bandanas and, as the horses were parading to the post for the Sam Houston Handicap, the tune was "Beautiful, Beautiful Texas." After Potranco had borne the colors of the Bluebird Stock Farm of Dallas to victory, Jockey Madden carried the beautiful wreath over and placed it on the grave of Pan Zareta, Sweetwater mare, worlds record-holder of five-eighths of a mile, the band playing "The Eyes of Texas" meanwhile.

Joe Wolkin had all his concession force wearing Texas regalia at the

Texas Farmers' Two-Way Attack

Texas farmers are launching a two-way attack on U. S. enemies by delivering their scrap iron for use in munitions manufacture and buying defense stamps and bonds to help finance the war. In the top picture, W. A. Gann, right in wagon, Travis County farmer, unloads his wagon with the help of B. W. Giles, left, who owns the farm Gann works, Arthur Swenson, chairman of Travis County USDA Defense Board, and Guy C. Hartgraves, county AAA administrative officer. Then he takes part of the money he got for the scrap and buys defense stamps from J. H. Johnson, Del Valley postmaster.

Freshman Report

Mr. Curry our sponsor and math and science teacher is sick with scarlet fever. Mrs. Anderson is teaching us while he is out of school. Our assignments have not been as hard lately because Mr. Curry is not here.

Sports Report

The Mustangs had another successful week of basketball. All of the boys are back and appear to be getting in shape for the tournament for this half of the district, which begins February 5.

On Tuesday night, January 27,

hot dog stands and "One-Eyed" Connally, the world's greatest gate-crasher, wore a Texas badge. Ward Holman of San Saba, was there, having left his ranch at noon the day before, driving to San Antonio, boarding a train and arriving at 7 a.m. Watt Reynolds of Fort Worth, who—with his brothers—owns one of the few herd of buffalo left, attended. So did John L. Sullivan and Ralph Fair of San Antonio; George McCamey, Fort Worth oil man; and E. F. Woodward, master of Valdivia Farms, who saw a victory for his great-appearing imported Hollywood, a hope for the Kentucky Derby.

Then that night the Lone Star racing fans willed the Blue Room at the Roosevelt for a dinner, with handsome trophies, (donated by the Thoroughbred Horse Association of Texas and by others) being awarded the winning owners. And the occasion ended with the invitation of Ed Brennan, Fair Grounds director, Labrot and others, "Come back next year for another Texas day" and a unanimous chorus of "We will."

Historian W. T. Carley nominates for our "Remarkable Remarks" department:

Former Gov. Joseph D. Sayers—A Texas governor has only two happy days: the day he's inaugurated and the day he retires.

Thomas Carlye—By Hercules, James Bowie was greater than Caesar or Cromwell; yea, nearly the equal of Odin or Thor. The Texans should build him an altar.

Ezra P. Waters—What this country needs most is less permanent waves—and more permanent wives!

This poetic gem was sent in by youthful Bill Bradford, Jr., of Garland:

Sam's girl is tall and slender,
My girl is fat and low;
Sam's girl wears silks and satins,
My girl wears calico.
Sam's girl is downright witty,
My girl's demure and good.
Do you think I'd swap for Sam's girl?
You know darn well I would.

the Mustangs turned back the Knox City Grayhounds 27 to 10. Cartwright paced the Mustangs with 17 points to be high man. On Friday night, January 30, the Mustangs beat Vera 40 to 17. Rutledge was high scorer with 19 points.

The junior boys won both their games by forfeits and the volleyball girls lost both games after some fine playing.

Senior Report

The Seniors have just about recovered from the mumps. They seem to be more interested in this semester than last. Could it be because it is their last one?

We are very sorry that two of the Senior boys were in a car accident last week. Lee Bivins and Lester Duke, were not seriously injured, however, Lee is still in bed.

The Seniors are sorry to announce that their play, "Hullabaloo," is going to be postponed until February 19. This is because of the blackout which is to come on the date set for the play, February 12.

Don't forget that the Senior quilt is to be given away that night. Besides the quilt, you will see one of the best plays that you have seen in a long time; we should like to see you all out.

Instructions To Those in Draft For February 16

A Selective Service registrant, at the forthcoming February 16 registration of men in the military service age bracket of 20 to 45 years old, who has more than one place of residence may choose which one he wants recorded as his place of residence to designate the Local Board that always will have jurisdiction over him, General J. Watt Page, State Selective Service Director, said today.

General Page emphasized, however, that no transient address may be recorded and that Selective Service Regulations prohibit any interference or dictation by a registrant when a registrant who has more than one place of residence is making his choice as to which he desires recorded as his home address.

"It is the intent of the law and the purpose of Selective Service Regulations," General Page pointed out, "that each man be registered at his home address and be subject to call to fill quotas from that Local Board. That is a basic principle of democratic procedure and I expect every Selective Service registrant in the State of Texas to adhere strictly to it."

Registration cards to be used February 16th will contain a space for the registrant to list his place of residence. In the event that he has more than one place, he is required to list his own choice as his place of residence.

In addition, the registration card will have space for recording a mail address. This may be the same as the place of residence or it may be another address where the registrant will receive his mail more readily.

Selective Service Regulations also require each registrant to describe the place of his residence so that its location may be determined from its description. A registrant who lives on an R.F.D. route will be required to supplement his mailing address by a description of the location of his residence. For this reason, and because some registrants may be able to receive their mail more readily at an address other than their place of residence, the registration card has spaces for both addresses.

A description of the place of residence of the registrant, General Page stressed, will once and for all time determine the local board that will have jurisdiction over the reg-

Fire Prevention Lessens Threat To National Defense

Austin.—Reports of fires during January to Texas Fire Insurance Department, described as revealing a serious increase in the number of fires, prompted Marvin Hall, State Fire Insurance Commissioner to issue an appeal for greater individual effort in fire prevention.

"Fires constitute one of our most serious threats to national defense and our nation's all-out war production," he asserted. "As an individual contribution to our own welfare, as well as the welfare of our country, it behooves each of us to assume more personal responsibility in fire prevention now."

"At a time when all material resources are so vital to our nation's industrial production, we can all afford to allow any of it to be destroyed by fire because of carelessness. Any destruction of our resources, whether it be food, clothing, raw or manufactured materials, homes or other property, places an additional handicap on wartime effort. We must curb the economic toll exacted by fire."

Hall, who is also Fire Defense Coordinator of the National Defense Committee of Texas, added, "there is no better fire defense at home than the constant practice of fire prevention."

Citing indiscriminate storage of waste paper as creating an extreme fire menace to almost every

home and place of business in Texas, the Commissioner recommended immediate removal of accumulated paper to places where the hazard will be lessened.

It is suggested that individuals or local groups sponsoring the collection of waste paper remove it to buildings isolated from the business section and residential areas of the city to avoid fire spreading to adjacent property should it break out in the stored paper.

"Above all," Hall cautioned, "avoid accumulation of waste paper in the house. The application of a few simple rules of fire prevention will add to our safety and safety of our property at a time when it is most needed."

Mrs. J. I. Hughes, who has been in the Knox City hospital for treatment for pneumonia, was brought home last Sunday. She is reported to be improving rapidly.

Seniors

"Bernie" Henderson of Olton, Texas, visited the Seniors two days last week. She is an ex-member of the senior class, having left Sunset at mid-term to attend Olton High School.

Gladys Voss, one of our Seniors, graduate at mid-term. That leaves only ten in our Senior class. The Seniors are going to start work on a play soon. It is a one-act play entitled "Boss for a Day."

A student council has been organized and the Seniors have three representatives on it. Randall Stogner, Rufus Frost and Jane Barton have been elected as Senior representatives. The council has its first meeting Tuesday at noon.

Watch for Further Information on the Faculty Play, "Hot Water."

Tenth Grade News

Sophs on Parade
 Wanda Sue Partridge
 Wanda Sue was born on September 13, 1927, about one mile north of the Sunset school house. She is five feet four inches tall, and weighs 110 pounds. She has blonde hair and hazel eyes. She started in the first grade and has been going here ever since.

Some of her favorites are:
 Teacher: None.
 Subject: Home Making.
 Sport: Volleyball.
 Flower: Rose.
 Song: The White Cliffs of Dover.
 Color: Blue.

Madolyn Henderson, an ex-classmate, of Olton, was visiting with us last week.

Watch for Further Information on the Faculty Play, "Hot Water."

Ninth Grade News

This semester we are studying literature. We have a new science teacher, Mr. Harber. Our science is plenty cheerful. We have adopted some new nicknames. Here are some of them:

Christine—Sunshine.
 Billie O.—Glammer Girl.
 Eldric—Elk.
 Lendon—Mussy.
 Evan Dean—Deana.
 Mart—Mutt.
 Shirley—Tootie.
 Billy Clay—Bill.
 Mildred—Olie May.
 Wendell—Wink.
 Leitha Lane—Fatso.
 Joan—Swaggy.
 Grace—Blacie.
 Evelyn—no.
 Leta—Clothopp.
 We have elected our class representative Lendor Walling.

Watch for Further Information on the Faculty Play, "Hot Water."

Eighth Grade News

We elected class officers today. They are as follows:
 President: Margie Lowrey.
 Vice-president: J. B. Walling.
 Secretary: Betty John Beauchamp.
 Reporter: Barbara Jane Almanrode.

We also elected our member for the student council. He is Denizil Davis.

Last Friday our junior volleyball team beat Goree. We are very proud of them.

Richard Henderson, an ex-classmate, was with us last week.

Watch for Further Information on the Faculty Play, "Hot Water."

Seventh Grade News

Joan Whittemore is glad she was born in an English-speaking country where she learned to speak it through practice. The reason is that we have just started the conjugation of verbs.

Tense, participles, predicates, person, plurals, and many other terms cause us quite a bit of head-scratching and calculating. Mrs. Partridge says these things will grow on us. If so, we'll be immense when we get grown.

Watch for Further Information on the Faculty Play, "Hot Water"

Sixth Grade News

Heart and flower borders dominate our interests this first of February.

Teresa, Doris Wayne and several of the girls are making valentine dolls of brilliant scraps of material and bits of lace. Tommy, Gerald, Charles, Bobby Joe and other boys are making the boy valentines from bits of blue cloth.

We have some bright new library books by some capable authors. Book reporting day proved unusually interesting. Good reports were given by Royce, Standlie, Teresa, Charles Gerald, Billy Jr., and Dorris Wayne.

Watch for Further Information on the Faculty Play, "Hot Water"

Fifth Grade News

Isn't it strange that there are so many 'to's' in the English language?

Weldon, Samuel, Dennis, Marjorie, June and all of us know the difference between each of them for a while. If you had to write as many sentences as we do you would know them by now.

Mrs. Burton is our temporary teacher. We are enjoying her. Charles, Margie, June, Billie and Don are ill this week.

Watch for Further Information on the Faculty Play, "Hot Water"

Fourth Grade News

We are very happy to have Marjorie Lou Campsey back in our room after a long period of absence. Verdene Poyner is also back in school, after having had the measles.

This semester we are taking up the study of health instead of geography. We are progressing very rapidly in all of our other studies.

In arithmetic we are doing a lot of stated problems. The pupils think that they have really accomplished something when they figure a stated problem out all by themselves.

In art some of the students are doing soap carving while others draw and paint.

Watch for Further Information on the Faculty Play, "Hot Water"

First and Second Grade News

We have several vacant seats again this morning because of colds. This variable weather seems to be doing tricks with the throats of most of those who had the measles. Elaine Nix, Barbara Jo Johnson, Jack Hardin, Mildred Gideon, Wayne Hutchinson, and Louise Baies are absent because of illness.

Emogene Hill is back in school this week after being out a few days because of cold. Lynwood Frost had a cold over the week and was absent Monday.

Roy Dykes of the second grade made a hundred in oral reading every day the past week and a hundred every day thus far this week.

We made two window boxes the past week and planted snapdragons, poppies and marigolds. We are eager for them to come up.

Little Doris June Walling of the third year came in this morning and announced that we could get another window box made because she will bring us some pansy plants soon. We will be happy to get them.

We have made some silhouettes of both Washington and Lincoln. We plan to make a "table" scene of Lincoln's house.

We have made some Valentines and shall have a Valentine party. Donnell Phillips likes her new home at Munday.

We are enjoying the library books Mrs. Grady Daniels loaned us. We also like our new library books very much.

Watch for Further Information on the Faculty Play, "Hot Water"

Third Grade News

We have learned that this is a month of birthdays for three great men: Edison, Lincoln, and Washington. We have made some posters from patterns and have drawn some flags freehand.

We are having our most fun with valentines for our blackboard. Our border will be cut paper. Part of it will be cut from a pattern and part of it will be cut and torn without patterns.

Our new pupil this week is Janie Sue Beason from Rochester.

Patsy Wallace visited her grandmother and brought a sore throat back with her.

Watch for Further Information on the Faculty Play, "Hot Water"

J. O. Cure of Gilliland was a business visitor here Tuesday afternoon.

Earl Sams of Benjamin was here Tuesday, attending to business matters pertaining to the office of tax assessor and collector.

Dr. Emory C. Cushing, formerly of the Texas Agricultural Experiment Station, has been appointed chief of the Bureau of Entomology and Plant Quarantine's division of insects affecting man and animals.

There's A Great Day Coming

Passed by Censor

THE little nations that Hitler has ravaged may be down but they're not out. In Canada, men of Poland, Norway, the Netherlands and Belgium have their separate camps. There they are gathering by the thousands and training for the day of their revenge. Already each group has sent many hundreds of men overseas to swell the growing ranks of their nations in Great Britain and when they leave, new contingents of these camps is at Joliette, not far from Montreal. Over it the tricolor of Belgium flies and in it are training Belgians from the four corners of the earth. The photograph shows five of these Belgians, one of them wearing a string of ribbons and sleeve chevrons denoting four years of service in the last war.

Goree News Items

Mr. and Mrs. E. N. Miller, Naomi Jean Miller, Mrs. E. O. Johnson and Royce Dell, accompanied by Mrs. Billie Hutchens, Johnnie Rea and Brenda of Rochester, went to San Angelo last week end to visit Mr. and Mrs. C. S. Baker and family and Mr. and Mrs. G. S. Cathey and Lois Miller. Mr. and Mrs. Cathey left February 1st to make their home in California.

Mr. and Mrs. E. N. Miller visited Mrs. Anna Belle Hutchens in the Knox county hospital one day last week.

Mr. and Mrs. Cherry Moore and daughter Brenda Kay and Miss Esta Lee Covey spent last week end in Fort Worth visiting with relatives.

Foy Bainie Barnett was home last week end visting with relatives. Johnnie Farmer and Esther McGraw were reported to be on the sick list last week.

Barton Carl was in Lubbock Tuesday.

Mrs. Billy Moore, who underwent surgery at the Knox City hospital January 20, is reported improving rapidly.

Mr. L. W. Mattern and little son, James Thomas, of Columbus, Texas, are spending the week in Esta Lee Covey spent last week in the home of Mrs. Mattern's par-

ents, Mr. and Mrs. J. W. Fowler. Doris Ruth Stevenson is on the sick list. She had a severe case of the measles and is slow about regaining her strength.

Mrs. Kate Glasgow has been on the sick list.

Mr. and Mrs. Marion Shaw and son Arthur of New Mexico, visited with Mr. and Mrs. J. W. Fowler last Tuesday. They also visited with Mr. and Mrs. Jess Bruton. This was a surprise visit to the Fowlers, as it had been 40 years since they had seen them.

Mrs. W. L. Davis and son William Louis of Abilene are spending this week in the home of Mrs. Davis' parents, Mr. and Mrs. C. C. Brown.

Mrs. Robert Huckabee of Little Rock, Ark., and Miss Pearl Camp of Seymour visited in the home of their father, P. J. Camp, and with Mr. and Mrs. Ranson Camp last week.

Mr. and Mrs. Everett Pruitt were visitors last Sunday in the home of Mrs. Pruitt's parents, Rev. and Mrs. S. E. Stevenson.

Mr. and Mrs. J. L. Brown were visitors in the home of Mr. and Mrs. W. R. Cadwell of Bomarton. Bobby Cadwell is improving after a case of pneumonia.

Mrs. Jim Decker has been a patient in the Knox county hospital, where she underwent surgery.

Mr. and Mrs. Jack Bilderback and son of Holliday are visiting in the home of Mrs. Bilderback's parents, Mr. and Mrs. Will Farmley.

Bill Duncan stopped in Goree

for a brief visit with relatives the past week. Bill was on his way to Dallas.

Mr. and Mrs. J. H. Bardwell were recent visitors in South Texas.

TIN CANS TO BATTLE

We're going to see a lot less of the tin can, which is going through this war primarily as a container of meat and vegetables. Already, WPB has halved the amount of tin which may be used in cans for baking powder, beer, biscuits, candy, cereals, flour, chocolate and cocoa, dog food, spices, condiments, petroleum products and tobacco.

There has been a lot of beer poured into tins. In 1941, for instance, beer cans consumed 1,600 tons of scarce tin—more than was used to can any vegetable except tomatoes.

Now, along with the tin cans, WPB is drafting a part of their contents. It plans an order withholding a percentage of the 1942 fruit and vegetable pack, as a reserve for the armed forces and lend-lease. Sales of sugar may be limited to three-quarters of a pound per person per week—which is enough.

Mrs. J. W. Medley of Wichita Falls visited her daughter, Mrs. A. B. Warren, and Mr. Warren over the week end. She returned to Wichita Falls Monday.

Mr. and Mrs. J. E. Reeves and family visited in Lubbock and Ropesville over the week end.

Guy Glenn, West Texas Utilities manager at Knox City, was a business visitor in the city Monday.

Jim eats breakfast at the SUPPER table now!

 INVEST IN AMERICA!
BUY
 Defense Bonds and Stamps!

to light one-fourth of all the homes in the U. S. A.!

America's electric companies have been able to accomplish this by good business management—by producing over 90 per cent of the nation's electric power and making it available almost anywhere, over carefully interconnected systems.

We're glad we can make this report—and glad to pledge our unending effort to supply millions of workmen with all the electric power they need to make America POWERFUL!

West Texas Utilities Company

IT'S a screwy schedule. Jim downs a man-sized dinner while Mom's doing the breakfast dishes, sleeps the day away, and gets breakfast at the family supper table! He's on the night shift at the power plant.

The night is bright with light when Jim goes to work. Turbines that have been humming 24 hours a day never pause as fresh men take over the all-out job of generating power for Democracy.

CONTINUOUS production makes

tremendous demands on men, machines, and on the electric service that powers practically every operation.

But the power is always there—day and night—Sundays and holidays—365 days a year.

The electric industry was ready when the crisis came—ready to serve every military need in addition to your home and business—ready to meet new needs with new construction. 1941 saw more than 2½ million extra horsepower installed—enough

Texas Farmers Asked to Sell All Scrap Iron

College Station.—Sell that lot-corner heap of scrap iron. B. F. Vance, chairman, Texas USDA War Board, is asking Texas farmers.

"Repairing farm machinery instead of buying new equipment and selling worthless scrap iron are two methods of agricultural 'steel economy' through which Texas farmers can help keep military production lines rolling," the chairman said.

America's six-million farms are huge reservoirs of scrap iron from which an estimated 1-1.4 million tons can be collected.

Scrap steel, which is used in charging furnaces, is necessary to steel production under the open-

hearth process. From 50 to 60 per cent pig iron in this fast, modern method. Good steel can be made under another method, but is more costly and takes about twice as long. In today's speed-up war program, the open-hearth process is vital, Vance said.

"According to estimates, if any farmer has 18 tons of scrap steel available, that's the amount needed for a medium tank weighing 27 tons," Vance declared. Other estimates include 3 tons of scrap steel necessary in turning out a 3-inch anti-aircraft gun, 50 pounds for a .50 calibre machine gun, 25 pounds for a 100-pound aerial bomb, and 500 pounds for a huge 2000-pound bomb.

"Don't sell scrap iron for which you will have future use, but cull heaps carefully so steel mills can keep going at full blast," he said.

Mrs. Chester Borden visited relatives in Austin several days last week.

Soil District Hearing Held At Knox City

Eighty-four farmers and farm women attended the hearing with the Soil Conservation Board at Knox City on Wednesday, January 28th. The purpose of the hearing was to get testimony from landowners to determine whether or not there is apparent need for Soil Conservation within this proposed district, which includes the north half of Haskell and all of Knox county. If it is determined by the Soil Conservation Board that proper interest is indicated, an election will be ordered and due notice of same will be posted throughout the proposed district.

Mr. August Schumacher presided at the meeting. Mr. V. G. Goss of the Soil Conservation Board explained purpose of a district. Twenty-one farmers gave testimony and all testified that a district was needed and would support the formation of a district at election time which will perhaps be some time during the month of March.

Mr. O. L. Jamison of Knox City; C. C. Browning of Truscott; W. M. Ford of Vera; and J. A. Caughran of Munday are members of the County Soil Conservation Board.

Old Age Benefits Are Not Subject To Fed. Income Tax

In response to many inquiries from individuals seeking information as to whether or not payments received from the United States Government under the old-age and survivors insurance system of the Social Security Act are subject to income tax, Roscoe L. Surles, manager of the Wichita Falls office of the Social Security Board stated "such funds are not subject to Federal income tax." This statement was based on information which his office has received from the Bureau of Internal Revenue.

According to Mr. Surles, exemptions include cash benefits paid, and in the hands of the recipient, such as primary insurance benefits as set forth in the law; wife's insurance payments, and payments made to children, widows, and parents. These exemptions not only include monthly benefits, but lump-sum death benefits as well.

Defense Guard Unit is Formed At Knox City

Vance Jones Chosen Unit Captain

At a meeting presided over by Mayor C. C. Hoge, Knox City citizens voted to form a unit of the Texas Defense Guard Thursday night of last week. Prospective members signed data cards and following this selected officers for their unit. On the assumption that those having previous military experience, either in college R.O.T.C. units or in actual military service, offered the logical field for selection of officers, those present having had experience of this kind were asked to make themselves known. Of these candidates, Vance Jones was chosen captain, O. L. Jamison first lieutenant, and Jack Idol of Benjamin second lieutenant.

At the invitation of Knox City Legionnaires and others, Postmaster Lee Haymes, one of the organizers of the Munday unit, was present at the meeting and was asked to give in detail particulars concerning the organization of a Defense Guard unit. He told of the Guard setup, the number of officers, equipment available, and obligation Guard members assumed upon joining. Mayor Hoge spoke of the probable need of such a unit, and various other members of the assembly spoke in favor of such an organization. It is thought the Knox City troop will likely be a member of the 17th Battalion, of which the Munday unit is designated as Company C. Other companies in this Battalion include Throckmorton, Woodson and Bryson, with Major Elmer Hughes, Bryson, in command of the battalion. Major Hughes was to have been present at the Knox City meeting, but was unable to attend. Harvey Lee, also a member of the Munday unit, was present at the meeting with Mr. Haymes.

MRS. BERTIE WILSON BUYS MUNDAY HOTEL

A business deal was completed this week whereby Mrs. Bertie Wilson purchased the Munday Hotel, which has been operated by Mrs. W. L. Barber for the past year. Mrs. Wilson plans to remodel the building and make it into a first-class hotel, it is reported.

The former owner of the hotel is Mrs. Barber's aunt, Mrs. Neal of Fort Worth.

Cattle Prices Are Steady At Auction Sale

The Munday Livestock Commission Co. reports a big run of hogs and cattle for Tuesday's sale, with all classes of cattle selling fully steady with last week. Top hogs sold from \$11.40 to \$11.50; lights and heavies, \$10.50 to \$11; sows, \$9.75 to \$10.25; beef bulls, \$8.50 to \$9.05; butcher bulls, \$7.75 to \$8.50; beef cows, \$7.50 to \$8.50; butchers cows, \$4.75 to \$6.75.

Buyers for Tuesday's sale were: Eber Packing Co. and Adams Frozen Meats, Wichita Falls; Vernon

Packing Co., Abner Waller, Vernon; J. H. Bell, Fort Worth; Pratt Packing Co., Sulphur Springs; Bob Dickey, Rule; Ott Parrott, Woodson; Keck Grocery and Market, E. H. Tankersley, Knox City; Sam Bird, Throckmorton; N. N. Underwood, Rochester; L. H. Highnote, Haskell; G. C. Woods, G. L. Forrester, W. E. Malone, Seymour; C. R. Elliott, John Albus, Frank Kuehler, A. L. Chandler and G. C. Conwell, Munday.

RETURNS TO TRAINING

Kamal Waheed left on Wednesday of last week to report for duty at Camp Croft, South Carolina. Kamal spent a ten-day furlough here on a visit with his brother, Sied Waheed, and with other relatives and friends in Munday.

Rev. Luther Kirk went to Benjamin last Monday and was on hand when Knox county's group of selectees left for the induction station.

Stamford P.C.A. Holds Membership Meeting Friday

The Stamford Production Credit Association held its annual membership meeting at the Cowboy Reunion grounds in Stamford on January 30, 1942. Approximately 750 people were in attendance including members and visitors. About 70 people registered from Knox county. Total membership registration was 333. The Association has 955 members, including owners of Class "A" Stock.

J. F. McCulloch and Clark Forbis of Afton were re-elected directors of the Association. A report of the year's business was given by J. L. Hill, Jr., secretary-treasurer, and L. Roy Prescott of Houston, representing the Production Credit Corporation, also took part in the program.

At noon a chuck wagon dinner was served and after this the mem-

bers were entertained by a motion picture entitled "The Sign of Dependable Credit" and "Food for Defense."

CADET FINISHES BASIC

Cadet F. A. Fetsch, son of Mr. and Mrs. Ferd Fetsch of Rhine-land, who is stationed at Sheppard Field, finished his Basic Training last Tuesday with a high average.

Mr. and Mrs. J. C. Harpham spent the week end in Brownwood visiting with relatives.

Mrs. W. M. Mayo, Mrs. Agnes Mayes and son, Jackie, were visitors in Seymour and Throckmorton last Sunday.

Cadet F. A. Fetsch of Sheppard Field visited with his parents, Mr. and Mrs. Ferd Fetsch Sunday.

Mrs. John T. Hodges of Seymour was a business visitor here last Tuesday.
