

HALF MILLION TEXANS TO REGISTER MONDAY

Select Local Site For Annual Livestock Show

Show to be Held Saturday, Feb. 21

Moore Building And Broach Property To House Calves

Members of the Munday Chamber of Commerce selected the site Wednesday for the annual calf show which will be held in Munday on Saturday, February 21.

Plans are under way to use the tractor lot belonging to Broach Implement Co. for the exhibiting of calves. If the weather is pretty this site will be used, otherwise the Moore Chevrolet building will be used, and it is planned to also secure the building adjacent this one and owned by Mrs. Fannie P. Bunts.

Weather conditions will determine where the calves will be exhibited. One of the buildings will also be used for feeding the club boys and F.F.A. members and their parents at the noon hour.

C. R. Elliott is in charge of the feed, and an old-fashioned chuck wagon dinner will be served.

Over \$150.00 in prizes will be awarded the boys who show calves here on February 21, and the best calves of the show will be entered in the Wichita Falls district show.

The combined 4-H Club and F. F. A. show will be the largest and best ever held in Knox county, and it is expected to draw citizens from every nook and corner of the county.

F.F.A. Members Preparing For Livestock Show

Members of the local Future Farmers of America chapter are fitting their animals for the livestock show to be held in Munday on Saturday, February 21.

Fitting the animals for the show includes trimming hoofs, clipping heads and tails, washing, shining horns and oiling hair. The animals must also be trained to lead and to stand properly while being judged.

Judges for the livestock show will be Cecil Ayers, vocational agriculture instructor at Spur, and Frank Scofield, district agent of the Extension Service.

A large crowd is expected in Munday for this annual show, and many fine animals will be exhibited.

Many Attend Farmers Union Meet Saturday

Dividend Checks Are Issued Customers

It was "pay day" for customers of the Farmers Union Cooperative Gin in Munday last Saturday afternoon, and around 200 farmers met at the Farmers Union Hall to receive their checks and participate in the program.

Dividend checks in the amount of \$25,000 are being issued the approximate 350 gin customers.

Wallace Reid, manager of the local gin, reported that customers purchased around \$1000 in defense bonds Saturday from their dividend checks. Others who are calling at the gin office for their checks are also buying bonds.

All those who did not receive their checks Saturday are calling at the gin office for them.

Through an error in the Gin's ad last week it was stated that \$2.50 per bale would be paid where the seed were hauled away. What the gin actually paid was \$2.20 per bale in this case. The Times regrets that this error was made and is glad to make this correction. Where the seed were sold to the gin, the customer received \$3.00 per bale on his dividend check.

In Service

Pictured above is Foreman Nix, son of M. G. Nix of the Sunset community, who has been in training at Sheppard Field, Texas. Mr. Nix received a letter from Foreman last week, stating he had been transferred to Manchester, New Hampshire.

Foreman, a state winner in the National Youth Foundation from Knox county, resigned his position with the Bull-Stewart Equipment Co. to enter service.

Funeral Held For Benjamin Pioneer Rancher Tuesday

T. H. Dolan, long time resident of Benjamin, died in a Wichita Falls hospital at four o'clock on Thursday morning of last week, following a short illness.

Thomas Henry Dolan, who was 85 years of age, was a native of Ireland. He had resided in Knox county for many years and was one of the county's well known pioneer ranchers.

Funeral services were held at Benjamin last Friday afternoon, where a host of friends gathered to pay their respects to this beloved pioneer.

Rhineland to Have Dance on Sunday

The community hall at Rhineland will be the scene of a big dance which will be held on Monday night, February 16. An invitation is extended to everyone to attend this affair.

Music for the dance will be furnished by "The Dixie Playboys," well known orchestra. Admission will be 75 cents for men and 25 cents for ladies.

DRAFT BOARDS ASKED TO CONTINUE SERVICE

The Knox county selective service board is in receipt of a letter from state headquarters urging each member of the board to continue their service, even though he will be in draft age. This letter was written in reply to a letter of resignation by Mr. Jack Idol, chairman of the county board, who will register on February 16.

If and when a registrant in his status is called, his questionnaire will be passed to another board for classification, state headquarters said.

Walter Cousins, First Druggist Of Munday, Dies in Dallas Hospital

Walter Cousins, one of Knox county's earliest pioneers who operated the first drug store in Munday, died last Friday in a Dallas hospital. Cousins was one of the most colorful characters of pioneer days in this area.

Walter Henry Cousins Sr. was 63 years of age. For many years he had been secretary of the State Board of Pharmacy and publisher of the Southern Pharmaceutical Journal. It has been said that Walt Cousins knew at least one man in every drug store in Texas.

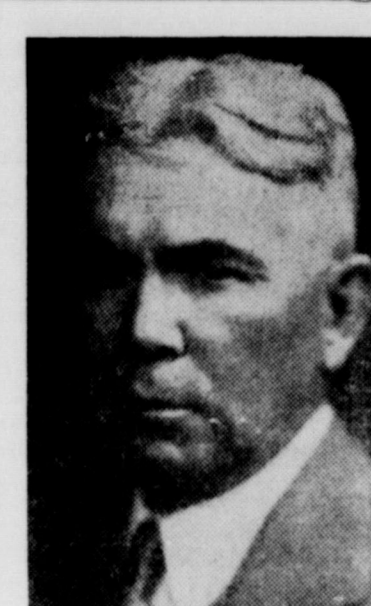

Funeral services were held Saturday at 4 p.m. in Dallas, with Dr. George W. Truett, pastor of the First Baptist church in Dallas officiating. Burial was in Restland Memorial Park.

Cousins' last visit to Munday was in 1939 when he was principal speaker at the Chamber of Commerce annual banquet.

Mr. Cousins, a native of McLennan county, was an oldtime West Texas cowboy and was widely known among cattlemen of the State. He was a prominent member of the Texas Cowboy Reunion Association at Stamford, and was its president in 1937 and 1938. He was active in the association from its organization and served as historian and vice president before being elevated to its presidency.

He studied pharmacy while working as a cowpuncher on Knox and Haskell county ranches. He opened the first drug store in Munday.

He moved to Dallas in 1916 and had made his home at Vickery 22

years. He was an active member of the Dallas Salesmanship Club, which sponsors delegations each year to West Texas rodeos. He was interested in all horse shows and rodeos and spent much of his time riding near his Vickery country home.

Surviving are his widow, Mrs. Sue Reeves Cousins; a son, Walter H. Cousins, Jr., Dallas; a daughter, Miss Margaret Cousins of New York City; two brothers, Al Cousins, Haskell, Texas, and Herman Cousins, Little Rock, Ark.; three sisters, Mrs. J. M. Diggs of Haskell, Mrs. Bob Mitchell of Weiner, and Mrs. Ben Bridges of Hale Center, and one grandson, Walter H. Cousins, III, of Dallas.

LIEUT. AND MRS. RENEAU PARENTS OF DAUGHTER

Lieut. and Mrs. John B. Reneau of El Paso are the proud parents of a baby daughter, Mary Ann, who was born last Tuesday at an El Paso hospital. Mother and daughter are doing nicely, according to a wire received by the grandparents, Mr. and Mrs. John Reneau of Munday.

Lieut. Reneau is serving in the U.S. Cavalry at Fort Bliss.

Abilene Boxing Team Coming Here On February 20th

Friday night of next week, February 20, the Munday Mogul boxing team will play host to the Abilene High School Eagles in the school auditorium beginning at 8:45 (war time). This match promises to be the best of the season. Last week the Moguls went to Abilene and fought to a draw, winning 5 and losing 5, but all of the Mogul victories were in the heavier brackets. The Abilene match will probably be the final appearance of the Mogul leather-slingers this season. We invite you to attend this final match. Admission 15c for students and 35c for adults.

Diplomas Are Issued Boys In Defense Shop

Last Friday night marked the closing session of the second course in the local national defense shop program. Of the 21 members receiving training in this course, the following students completed the course and received a certificate and diploma issued by the state department of vocational agricultural education:

Donald Gray, Martin Satterwhite, Frank Brown and Woodrow Brown.

The ten weeks shop course in truck, tractor and auto mechanics and machinery repair will be offered again, beginning on Monday night, February 16.

All young men in this territory are urged to enroll in this course next Monday night at Joe Massey's garage.

LAVERNE EILAND TO GET NURSE'S DEGREE

Mrs. Dave Eiland and little grandson, David Chase Eiland, left Wednesday for Galveston where they are visiting with Mrs. Eiland's daughters, Mrs. B. F. Hood and Miss Laverne Eiland.

Laverne, who has been in nurse's training at John Sealey Hospital, has completed her four years of training and will graduate on Friday of this week.

Wm. A. Turpin Dies Thursday At Rhineland

William Alfred Turpin, a resident of Knox county for four years, passed away on Thursday, February 5, at 3:30 a.m. at the home of his son-in-law and daughter, Mr. and Mrs. D. C. Chandler.

Mr. Turpin, who was a retired contractor, had been in poor health for some time and made his home with his daughter during the time he was in Knox county. Born in Shelby county, Texas, on March 1, 1860, he was 81 years, 11 months and 4 days of age.

Surviving are two daughters; Mrs. Chandler of Rhineland, and Mrs. Lina Holland of Brady; 14 grandchildren and 3 great grandchildren.

SID LEE IN KENTUCKY

Word has been received that Sid Lee, recent volunteer into the ground service of the army air corps, is stationed at present at Bowman Field, near Louisville, Kentucky. Entering the service at Sheppard Field he was transferred about a week ago, and he says he at least made an improvement in matter of grub. So far he hasn't had an opportunity to give the famous Blue Grass country the once-over.

J. O. Bowden left last Tuesday for El Centro, California, to visit his only daughter, Mrs. Edgar Beecher, and Mr. Beecher. He plans to be gone about three weeks.

Rooms Opened For Local Work In Red Cross

Governor Sets School Holiday

Mrs. W. R. Moore, local chairman for Red Cross sewing, announced last week that Red Cross rooms have been opened upstairs over the Rexall Drug Store and urges those wishing to do Red Cross sewing to come and get their assignments.

The Red Cross sewing room will be open every Wednesday and Friday afternoon from 2 to 7. The room is located over the Rexall Drug Store.

A few sewing machines are in the room, and workers may come there and use them. Others can be secured if necessary. Those wishing to do work in their homes are asked to come and get their materials.

Mrs. Oates Golden is serving as production chairman for Knox county. Other county chairmen include Mrs. M. H. Reeves, sewing unit; and Mrs. J. C. Harpham, knitting unit.

Towns are Mrs. W. R. Moore, Munday; Mrs. J. M. Melton, Benjamin; Mrs. Ernest Robinson, Goree; Mrs. C. C. Campbell, Knox City; Mrs. F. M. Peemster, Vera; Mrs. Joe English, Truscott; and Mrs. Roe Myers, Sunset.

Knitting chairmen are represented by Mrs. Chan Hughes, Munday; Mrs. Gay Glenn, Knox City; Mrs. H. R. Hicks, Sunset; Mrs. E. P. Heard, Goree; and Mrs. J. E. Stover, Truscott.

Funeral For T. W. Struck Is Held Wednesday

T. W. Struck who resided about 12 miles southeast of Munday died at his home Sunday morning about 8 o'clock. Death was attributed to a heart attack.

He was 58 years of age.

Funeral services were held Wednesday afternoon from the Church of Christ with Minister J. D. Pinkerton of Haskell officiating. He was buried in the Johnson cemetery beside his wife who died in July of 1935.

He is survived by eight sons and one daughter, as follows: Miss Lillie Belle Struck, Herbert and Dewey, twins; Archie, Aubrey, Carlton, Earl, Billy and Walter. All the children were present for the funeral. Archie is in the U.S. Army and was stationed in Fort Jackson, South Carolina. He arrived in Munday early Wednesday morning. Struck is also survived by a number of other relatives and a host of friends.

L. A. Parks Opens Repair Shop

L. A. Parks, well known local mechanic, has just opened a general repair shop in Munday. The shop is located on the highway just west of the Farmers Union Gin.

Mr. Parks is prepared to do all kinds of general repairing, on automobiles, trucks, tractors and farm harvesting machinery. He stands behind his work, and he solicits the patronage of everyone in this trade area.

Local Registration To Be Handled by The Same Boards

Completing an inventory of Texas' potential military manpower, it is estimated that 500,000 males will report at the hundreds of registration booths in Texas next Monday.

In a proclamation last week, Gov. Coke R. Stevenson decreed a public school holiday on registration day so that school buildings and teaching staffs might be utilized to facilitate the vast machinery of registration. However, the registration for Munday will be at the city hall, as it has been in the past, and the same setup as before will be used.

Lee Haymes will have charge of one booth, while Chester Borden will have charge of the other. Other registration places in the county will be open as before, the hours being 7 a.m. to 9 p.m.

With the third R-day plans perfected, state selective service director, J. Watt Page, reminded last week that all men between the ages of 20 and 45 years will be affected by selective service regulations, with only a few exceptions.

This means that unregistered males who were 20 on or before December 31, 1941, and who are not 45 on or before February 16, must register.

Men who are unavoidably away from home on February 16 may register at any convenient place but must specify their home addresses so that registration cards may be sent to the proper draft boards.

Knox county is expected to register several hundred men, and then the draft boards will have the job of classifying all registrants.

Deputy Tax Collector to Be Here March 3rd

For the convenience of those who are required by law to file federal income tax returns, a deputy tax collector of internal revenue will be at the First National Bank in Munday on Tuesday, March 3, to assist taxpayers in preparing their returns.

No charge will be made for this service, and it was pointed out that immediate attention should be given to filing your income tax return in order to avoid penalty and interest.

You are required to file a return if your gross income is \$750 or over and you are single, or married and not living with husband or wife. If you are married and living with husband or wife you must file a return if your gross income is \$1,500 or over.

The returns for the calendar year 1941 must be filed not later than March 15, 1942, with the collector of internal revenue for the district in which you reside or have your principal place of business.

Air Raid Wardens Attend Meeting At Wichita Falls

Munday's air raid wardens attended a meeting in Wichita Falls on Thursday of last week to hear details of the blackout plans for tonight (Thursday).

The Texas Defense Guard of Munday is aiding in the local blackout, with some 15 members patrolling the four zones in Munday. Local wardens expect 100 per cent cooperation in Munday.

Wardens who attended the meeting, and who will serve as air raid wardens for the duration of the war, are G. B. Hammett, Ardelle Spelce, E. H. Bauman, W. W. Naylor and M. G. Franklin.

A CALL TO PRAYER

"World Day of Prayer," with all the churches of Munday cooperating, will be held at the First Methodist church in Munday on Friday, February 20, from 10:30 to 2:30 p.m. Everybody of the town who can are cordially invited to this prayer service.

SUGAR IN WEST TEXAS

The shortage of imported sugar together with the increased demand occasioned by use of sugar in making commercial alcohol for the war effort, makes more interesting the possibilities for raising sugar beets in this area. Sugar beets have been raised commercially in West Texas for several years, especially in Floyd County, with apparently satisfactory results. Sugar beets have been raised experimentally by the plant industry department of Texas Tech, and the net conclusion of the experiments as voiced by Dr. A. W. Young, head of the department, is that sugar beets can be grown profitably in West Texas.

In 1941, 1,036.38 tons of sugar beets were harvested from 120.10 acres in Floyd and Lubbock counties, with 12.62 per cent sugar content. The average per acre yield was 9.9 tons. Average cost of producing the sugar beets was \$4.78 per ton, not including any charge for use of the land.

Farmers of this area might be interested in contacting the farm experiment department at Tech regarding the possibilities for producing sugar beets in this immediate locality. Certainly with the import situation what it is due to war shipping hazards, farmers are going to have an extremely large responsibility of providing an increased amount of this

We are the Third Infantry. We aren't fighting the Japs. We are fighting bad English habits. Right now we're all buck private, but we all have instructions to follow and certain competence tests to pass. If we finish all of these to our General's satisfaction we may be promoted to first class private, corporal, sergeant and to second lieutenant even. Next week we will give you each pupil's rating. Right now some of us are in the guardhouse.

Eleventh Grade News

The Juniors are very sorry that the basketball boys were defeated last night at Knox City, but stay in there, boys, because you have a

chance at first, anyway.

During the game we noticed the following things going on: Edna stayed at home, or did she?

Victor was really tossing the old pill around.

Garland was surely guarding Veronica Lake and opponent from Bomarton.

Bobby was also tossing the old pill.

Verbon was also interested in the game; although he was sitting on the side line—that's alright, Verbon, you can't help it.

Coy actually didn't hit the ball too hard last night to make it land on the outside.

Miss Camp is always receiving little calendars from the Schmidt Engraving Co. What could this indicate? Say!!

The Juniors are going to order their play books soon. They are planning a Valentine party some time this week.

The State Supervisor visited our Home Ec classes yesterday and we enjoyed her visit very much.

Senior News

The Seniors ordered their invitations Tuesday morning. Commencement is only 80 days away and they are all settling down to serious business. The Seniors are still working on their travel fund in the hope that even if they don't get their trip the money can be used to some profitable way for the good of everyone concerned.

The Seniors have bought \$17.50 worth of defense stamps.

Six of the Seniors will receive sweaters this year. They are: Polly McAfee, Wynell Lowrey, Evelyn Offutt, Randall Stogner, Rufus Frost, Jane Burton. They are going to order them some time in the near future.

To Whom It May Concern: One certain staff reporter has decided to turn over a new leaf.

"Smitty" likes to drive for an audience. (Or does she?)

Jane says she can't help it because she doesn't have any brakes. Wynell says she thought she was the only one that liked "brown" eyes.

Ruth Jeanette says it keeps her almost broke buying air mail stamps. (We're sure she doesn't mind, though.)

Evelyn thinks the most practical department in the army is the K.P. (kitchen police).

We've all been wondering why Randall hasn't been drafted.

Hot Water

Don't forget the Sunset faculty play February 27, 1942, at 8:30 p.m., in the Sunset school auditorium. The following are the characters:

Janis Whitney, the heroine... Miss Hatcher.

Aaron Whitney, her father... Mr. McLeRoy.

Bess Whitney, her mother... Miss Camp.

Kate, the Whitney maid... Polly McAfee.

Jeff Redfield, former football star... Herbert Partridge.

Dan Blodgett, a plumber... Mr. Kimbrough.

Leah Neville, Jeff's childhood sweetheart.

Glen Crockett, Leah's new husband... Mr. Daniel.

Mrs. van Snot, a society woman of Mallory... Mrs. Welch.

Briefly the story concerns the Whitney family—Ma and Pa Whitney and their lovely daughter, Janis. They're in their summer camp and expecting the arrival of an important guest, whom they've never seen, whose visit portends a nice business order for Pa Whitney and maybe a lifetime of happiness for Janis. Then the fun begins; first a case of mistaken identity when the guest is taken to be a plumber come to fix the hot water heater. He falls for the idea and also for Janis. When the real plumber comes along and is persuaded to play the part of the guest, the cover of our fun pot blows off and there's a riot of merriment. Every known comedy and farce situation has been written into this scintillating play, with never an idle moment nor a slackening of entertainment value. It's one of those—one in a million—plays that means fun galore during rehearsals, and a whiz bang success.

Mr. and Mrs. Pitzer Baker spent the first of this week with Mr. and Mrs. Houston McCarty at Nara Vista, New Mexico, and also visited other New Mexico points while away.

ENGLISH BULLDOG

Most courageous of all dogs, perhaps most courageous of all animals, the English bulldog has been chosen by the British themselves to typify their national character. No other thoroughbred has so much of the dog-die spirit, has such unbending tenacity of purpose, such unyielding determination.

Why do we use this picture to dramatize our

SURE STARTS?

If ever you could say of any motor fuel that it is full of *unyielding, bulldog determination* to start cold, icy engines... that motor fuel is Phillips 66 Poly Gas!

It is high test, loaded with instant-firing elements, engineered to produce marvelously quick starting. Yet it costs not a penny more.

That's why it's the "hot" gas for cold weather. Try just one tankful and see if you don't feel that difference.

Remember, the Orange and Black 66 Shield is High Test Headquarters for car owners... because Phillips is the WORLD'S LARGEST PRODUCER of natural high test gasoline.

Munday Students Invest \$1,800 In Defense Bonds

Up through last Friday Munday school students had invested \$1786 in defense bonds and stamps, according to reports sent to the office last week.

In the ward school, which contains more students than the high school, \$650.00 in defense bonds had been bought; and \$396.20 in defense stamps had been reported bought by students.

Almost eight hundred dollars in bonds and stamps have been bought by students and teachers in high school. The Juniors in high school appear to have taken the lead a shade over the Seniors, with the Freshman having bought more bonds and stamps than any other class, there being 38 of the class.

6B class in ward school has purchased \$225 in defense bonds while the eighth grade tops all grades in the ward school with defense stamp purchases of \$123.85 to date.

Some grades of course are larger than others and have made a better purchasing record per student. Also, emphasis is not to be laid on the buying of stamps where the child or grade is unable to do so. But it may be said with emphasis that teachers and students alike have put a fine premium on saving and now the purchase of a defense stamp is more important to the child than a dime's worth of candy, and they are, in many instances, prouder of it.

Dr. White of Hardin-Simmons To Deliver Commencement Address at M.H.S. Exercises

Dr. W. R. White, president of Hardin-Simmons University, Abilene, will be the featured speaker at the 1942 commencement exercises of the Munday High School, Friday night, May 29.

Dr. White stated he would change the date from May 25 to May 29 when Supt. Colley requested this change due to a change in

the Christmas holiday extension held due to illness recently.

About 25 Seniors are expected to be presented diplomas and outstanding students will be recognized.

Dr. White has been in the Abilene institution about two years and in that time has been called to many functions of this type. He has proved a vital force in the building and progress work of Hardin-Simmons University since taking over the reins as president.

Teachers, Students, Citizens On Open Forum Friday

At the suggestion of J. W. Studebaker, U. S. Commissioner of Education, the speech class directed by Mr. Colley will present one of a short series of "What the War Means to Us," in panel discussion and forum in the Munday school auditorium, Friday, February 13 at two o'clock when the school has an assembly.

The panels contain vital discussions on National Defense and the part we are taking in the war as suggested by the Federal Government and the President.

Mr. Jack Perryman will lead the first panel discussion, with Bonnie Milstead and Gene Beth Griffith on "What Blessings of Liberty do You Enjoy that Would be Denied you in Germany? In Japan. In Italy? In enslaved France?"

The second panel will be headed by Mr. Ayers and will be centered around "What We are Doing Now to Win the War." Willard Reeves will discuss "Mobilizing and Mechanizing the Armed Forces and the Results to Civilians"; Mr. Ayers will discuss "We Gear Our Agriculture to War"; Joe Morrow will discuss "Schools Part in Rationing Sugar."

"We Organize for Defense" panel will be led by Miss O'Donnell

with Miss Stephens discussing "What to do in event of a Black-out"; Miss O'Donnell discussing "First Aid, Nutrition, Recreation, Foods"; and Travis Lee, prominent banker, discussing "Saving for Defense Now and After the War." Lieut. Williams of the Texas Defense Guard will discuss the Guard.

The last panel will be on "Model Airplanes, and What the Government is Requesting of Boys that can Build Model Airplanes." An exhibit of model airplanes also will be brought along by the leader McCelvey Jones, Charles Reese, Lyndal Smith, Wallace Pippin, and Robert Parfory, and any others who will exhibit their models.

It is hoped many citizens can attend the forum.

The Knox County Junior Basketball Tournament will be held in the Munday gym on Saturday, February 14th, beginning at 10:00 a.m. Teams entered and the first round of play follows:

Goree, bye.
Munday vs. Gilliland.
Sunset vs. Truscott.
Benjamin, bye.

Before the final game four teams will play for the grammar grade championship. These teams will be made up of boys who are still in the grammar school. The following school are planning to enter the grammar school division: Gilliland, Sunset, Benjamin and Munday.

There will be no charge for admission, according to Clyde Kenamer, director of the tournament.

Senior Report
The Senior class profited by having a "Buy Your Annual" week. However, many annuals have not been bought, so let's hurry and buy them before they are all gone.

I want to correct a mistake that was made in the paper last week. Raymond Carden was elected most valuable player on the football team, while Ralph Tidwell was elected most conscientious player.

Seniors on Review
Juanice Jones was born on August 30, 1923 in Munday. She lived out at Sunset during her pre-school days. She has gone to school in Munday all her life.

She takes active part in volleyball and other athletics. She plans to attend college next fall and major in Home Economics. The class wishes her great success and happiness during her life.

Freshman News
We sincerely hope everyone enjoyed chapel Friday, because the Freshmen sponsored it. Patsy Ruth Mitchell is our can-

didate for F.F.A. Queen. The race ends next Friday so get in your votes before then. One cent per vote. We're doing all we can to win this race.

Our Literature is rapidly and pleasantly progressing. After we cut it down into a few simple words of our own. Some of the pupils can't get it until we "boil it down."

The Freshmen are eagerly looking forward to the Valentine party that is to happen some time next week.

First Grade News

We enjoyed making our Eskimo booklet so much we have decided to make a booklet for February, Abraham Lincoln, and George Washington. We will have this book completed the last week in February.

It is so much fun to decorate our room for Valentine Day. We have completed a Valentine frieze, and material for our February booklet. We are enjoying many interesting contests in reading comprehension, word recognition, and reading for speed.

Spelling is becoming a very fascinating part of our school work, too.

Fourth Year News

We had such a good time playing in our post office last week. We had two postmen collect mail in our building and carry it to the city post office each day. We sold \$11.00 worth of defense stamps out of our post office Friday. We are expecting to have a good time Friday for we will have a Valentine party.

5A News

The pupils of 5A and their teacher, Miss Holcomb, unanimously voted to do away with the old custom of giving Valentines this year due to the present world conditions. Instead, the pupils are to draw names and each give the person whose name he drew a stamp. The teacher will also give each child a stamp, hence each student will receive two defense stamps.

We have a new pupil in our room, Donald Wayne Allgood. We are glad to have him in our class.

Eighth Year News

Last Friday, the Eighth year class had a real treat. Three girls in the class sang some Civil War songs. The class has been studying about the Civil War for several weeks. They think this unit is very interesting and will have completed notebooks on the Civil War soon. Several books have been read in connection with the Civil War.

The Eighth Grade is very proud of their trumpet players, Joseph and Lyndol. They played a duet in assembly Friday.

Some people would think March

13 would be unlucky, but as far as this class it will be lucky, they hope, because on that day they will have charge of the assembly program. They will have a good program in store for everyone that comes, so you parents be sure and be here!

We haven't mentioned defense stamps for some time, but the class has been buying defense stamps along. They plan to buy more stamps next week.

Seniors Have Class Party

The room mothers, Mrs. Bowden, Mrs. Harrell, Mrs. Atkeison and Mrs. Martin honored the Seniors with a party in the home of Mrs. E. W. Harrell on Monday evening. They chose for their entertainment such games as "Class Prophecy," "Advertising Slogans," "Gossip," and "Confession." You should have seen Dick give a demonstration of a shoe salesman, using Charles as a customer, and Clyde showing how girls put on lipstick.

After a very enjoyable evening of fun, a delicious refreshment plate was served the class sponsor, Miss DeLoach, and the following members: Ralph Tidwell, Clyde Hendrix, Joe Morrow, Doyle and Juanice Jones, Flora Haymes, Maurine Johnson, Jimmie Henslee, Meary Lois Beaty, Dick Harrell, Charles Baker, Dixie Atkeison, Jean Martin, Ben Bowden, and Juracy Jones. The guests were Miss Holcomb, Ted Longino, Milton Thompson, Bobbie Floyd and Ray Moore.

Junior News

I am sorry to say that not all the Juniors were on time Monday morning. Well, as far as that goes, neither were any of the other classes. (What's the matter, did the rooster oversleep?)

In English the Juniors have taken up American Literature, and have been outlining the historical background of it.

In History we have been having current events and have been studying about the industrial and machine age in America.

We Wonder

Why Lowell likes Civics?
Who the soldier boy is that writes Betty and Maxine? (What about it, girls?)

Why a certain Junoir is interested in the Freshman class? (What about it, Bonnie?)

Why a certain little Junoir (a male) said the sun should have to come up an hour earlier? (Explain yourself, Sesh.)

Why the Juniors say that speech is their favorite class? It couldn't be their teacher, could it?)

Why Helen looked so happy last of their trumpet players, Joseph and Lyndol. They played a duet in assembly Friday.

Why Benton likes to go to the show so much? (Maybe it's the

one she goes with.)
Why Miss O'Donnell blushed so in assembly Friday? (Now, what did you say, Mr. Perryman?)
Why did Jerry leave History class Monday morning? (Oh, yes, Jerry, tell us about that new boy-friend.)
Why Retta Jo likes to go to church? Who goes with you, Retta?)

Sophomore News

The Soph class is planning to have a grand time Friday, for they have a wiener roast at the park.

The second year homemaking girls are planning to save all the old postage stamps they can find. This will be a great help to the government because they can reuse the dye in the stamps. The girls would appreciate help from everyone.

The Soph class is really doing good work in buying defense stamps, but they forgot about the old papers and magazines that can be reused. Maybe they forgot that Friday is the day to bring them. Many of the class were late Monday morning, but they felt that they won't be mixed up by the time changing anymore.

Mrs. A. B. Warren spent Sunday in Haskell visiting with her uncle Bob Edwards, who is in the hospital there.

Mr. and Mrs. Frank Allen were in from the Allen ranch last Saturday, visiting their son-in-law and daughter, Mr. and Mrs. Rupert Williams.

Mrs. Don Ferris visited friends in Stamford the latter part of last week. Mr. Ferris went to Stamford Sunday, and they returned home Sunday afternoon.

County Supt. and Mrs. Merick McGaughey of Benjamin were business visitors here last Monday morning.

Miss L. Johnson, son of W. L. Johnson of Munday, is a cadet at Goodfellow Field, San Angelo. He writes that he likes that training center fine.

Mr. and Mrs. Pete Barnes of New Boston are visiting in the home of Mrs. Barnes' mother, Mrs. W. F. McMahon.

Welcome To The Calf Show!

Our organization has always stood behind all movements which tend to make this a better place in which to live, whether it is agriculture, livestock raising, or whatnot.

Ginning cotton is our business, but we are also behind the work of the 4-H Clubs and the local F.F.A. Chapter in this important work.

We sincerely hope you enjoy the Calf Show and that you will feel that the day spent in Munday is a profitable one.

Better Breeding and Better Feeding

Better breeding increases the need for efficient feeding. Natural ability to make milk, or beef, from feed becomes maximum production only if well-balanced rations are fed. To do justice to their breeding, your cows and beef cattle need adequate amounts of proteins, carbohydrates, and minerals in the right proportion.

You'll find these in cottonseed meal, cake and hulls and other products produced by our mill.

We extend a cordial welcome to everyone. Come and enjoy the Calf Show and visit with your friends while in Munday.

Mr. and Mrs. Mahlon Boggs entertained the young peoples' class of the Church of Christ with a party on Thursday night of last week.

Games were played, including a treasure hunt, the prize for which was a box of candy. Later in the evening pop corn and soda pop were served to those present.

The class plans to have a party each month. Those present other than class members were Mr. and Mrs. Clyde Kennamer, Mr. and Mrs. Nolan Phillips and Coy Phillips.

New Deal Club Meets Friday With Mrs. Dorse Rogers

Mrs. Dorse Rogers entertained members of the New Deal Club in her home last Friday afternoon, with Mrs. Earl McPherson of Quanah as guest.

Yellow jonquils were used to decorate the party rooms.

Mrs. Carl Jungman held high score honors in the games of bridge.

A delicious refreshment plate was served to Mrs. Earl McPherson, Grady Roberts, Agnes Mayes, J. C. Harpham, Lawrence Kinsey, Carl Jungman, Sebern Jones, W. M. Huskinson and the hostesses.

Birthday Party Honors Jack And Gene Colley

Gene and Jack Colley were given a joint birthday party last Wednesday, as their birthdays were only seven days apart.

Birthday cakes were placed at either end of the table; one having four candles and one seven candles. A candy Valentine tree was placed in the center of the table.

Guests were: Jo Ann Harrell, Ida Jo Jungman, Anna Ruth and Betty Lyle Stodghill, Sue Hallmark, Julie Massey, Barbara Poshee, Gloria Ayers, Ellen Franklin, Carolyn Hardegree, Wayne Bradford, Lee Ancel Bowden, Tommie Spele, Perry Reeves, Bobby John Jones, Dickie and Bobbie Waheed, Howard Lynn Hardegree, Robert Lynn Bowden and Michael Scott.

Mrs. Manuel W. Ayers and Audrey Nell Phillips assisted in the entertaining and serving the guests.

Mr. F. J. Loran made a business trip to Dallas last week.

Mrs. Ferd Fetsch and daughter, Marie, and Mr. and Mrs. Leo Fetsch and son, Jimmie Lee, made a business trip to Pep, Texas, recently. Marie Fetsch remained there for a longer visit.

Regular Meeting Of Munday P.-T.A. To Be Wednesday

Next Wednesday, February 18, will be the regular meeting of the Munday P.-T.A. The program will be under the direction of Mrs. Jennings Barton. Mrs. Oscar Spann will have the devotional, and Miss Kathleen Burnett will discuss "The Tightened Belt." Music for the afternoon will be furnished by the elementary choral club, directed by Miss Maymie Holcomb.

Every member should be present at four o'clock next Wednesday afternoon. Parents, it's for you. Will you be there?

Wesleyan Service Guild Meets For Bible Study

The Wesleyan Service Guild met last Monday night, February 9th, in the home of Mrs. Aaron Edgar, in a Bible study with Mrs. Bounds as leader.

A very interesting lesson was enjoyed by the following members: Mrs. Bounds, Mrs. Levi Bowden, Mrs. Layne Womble, Mrs. R. L. Kirk, Miss Irene Stewart, Miss Edna Lou Brock, Miss Merle Dings, Miss Ruth Baker and Miss Jeanette Campbell.

The Guild will meet next Monday night with Jeanette Campbell at 8 o'clock. The program will be on Spiritual Life, with Mrs. Joe B. King as leader.

Barton Carl Is Honored Friday At Bachelor Party

Barton Carl was honored with a bachelor dinner and shower at the home of Arthur Smith, Jr., last Friday night.

The bride-groom received many attractive and useful gifts, including a chore girl and a broom.

Carl was married last Sunday to Miss Catherine James of Baird. Supper was served to Messrs. Travis Jones, Fred Broach, Jr., Bruce Burnett, Dorse Rogers, J. C. Harpham, Barton Carl, Sebern Jones and the host.

Mr. and Mrs. Weldon Warren of Plainview are the parents of a 6½-pound baby girl, born January 31. She has been named Lynda Ann, and is the only granddaughter of Mr. and Mrs. Sam Warren.

Preston Ingram, who has been stationed at Sheppard Field, Texas, has been transferred to Orlando, Florida.

Lieut.-Gov. Candidate SEN. VERNON LEMENS

Lieut.-Gov. Candidate

SEN. VERNON LEMENS

The first lieutenant-governor candidate to forward his filing fee, Sen. Vernon Lemens of Ellis County is entering actively upon his campaign for election. Senator Lemens is one of the two Senators with the longest continuous legislative tenure, with eight years service in the House and now in the sixth year in the senate. He is a native of Red River County and subsequently resided in Hood and Somervell Counties, prior to moving to Waxahachie. Senator Lemens is a graduate of North Texas Teachers College, Denton, and attended University of Texas Law School. He taught three years in Lubbock County prior to practicing law. He is a Baptist, a member of the American Legion and a Rotarian. His wife is the former Lydia Engberg of Anketon. They have two young sons.

Girl Scout News

The Girl Scouts went on a hike last Saturday, hiking to the city park and back. Everything went well except Martha Ann sprained her ankle.

The girls plan to start knitting soon. Most of them already know how to knit and the others expect to learn in a short time.

We have started studying first aid. Fifteen minutes of each meeting is devoted to this work and reports are given concerning the work. In about two weeks we are going to bring the bandages and really get down to business.

At the last meeting Betty Jane Spann, captain of the Iris patrol, read "The Biography of Abraham Lincoln." It was very interesting. Names were also drawn for the Valentine Book.

Two new members, Mary Jo Steele and Jane Hill, have enrolled. Rosalee Pippin also joined recently.

The girl scouts are collecting scrap paper for national defense. Save your paper and let us know when you have some and we will come around and get it.

Lieut. Jack Williams, who is in aviation training at Hicks Field, Fort Worth, Texas, spent the week end here with his parents, Mr. and Mrs. P. V. Williams.

Mr. and Mrs. W. P. Kirk of Littlefield and Mr. and Mrs. R. G. Fuqua and son of Stamford visited in the home of Rev. and Mrs. Luther Kirk last Sunday.

Mr. and Mrs. Lawrence Kinsey and son Larry Rex were visitors in Crowl last Sunday.

DOC BARNARD CATCHES ONE ON THE FLY

Quail hunting wouldn't be such a tiresome sport if "Doc" Barnard could just make a habit of an out-of-the-ordinary shot he made during the quail season which closed a short time ago.

Doc and a companion were hunting when their dog came to a point and everybody cleared the decks for action. Up they came and Doc laid his trusty Polychoke on a plump bob white and touched her off. The quail slanted up sharply and started a tight rising spiral that looks as if he had the stratosphere in mind.

Old quail hunter that he is, Doc just sat tight in the boat, figuratively, and waited for him to come down.

And come down he did, making a wide circle with his wings set, he passed Doc's partner and volplaned squarely into the hands of the man who drew the bead on him, as dead as a—quoting Mr. Shakespeare—door nail.

Doc believe "hip English" is what does the trick.

measure to prevent removal or theft of the stamp when once affixed.

Collectors of Internal Revenue are not authorized to replace free of charge stamps stolen, mutilated or lost. However, in cases where stamps are stolen, lost, or mutilated, motor vehicle owners should submit to the collector an affidavit stating the date or approximate date on which the stamp was purchased, the location of the post office or collectors' office at which purchased, the amount paid for the stamp, make, model, and serial number of vehicle from which stamp was lost or stolen, together with a concise statement of facts and circumstances surrounding the theft or loss of the stamp. If the satisfaction of the collector a certificate will be issued in lieu of the stamp.

When a stamp is once affixed to a motor vehicle it should not be removed until the close of the fiscal year. If the motor vehicle is transferred the stamp must remain affixed thereto.

Post Federal Car Stamps On Your Vehicle

Below are some of the rules which should be observed regarding the new federal use tax stamps for motor vehicles.

Responsibility will rest upon the registrant to post the stamp in his car, bus, truck, motorcycle or similar type vehicle subject to tax. The stamp shall be posted on the vehicle for which it was issued in such a manner as to be readily visible for inspection.

Motor vehicle owners may enter the engine numbers of their vehicles in their stamps as a means of identifying the stamp as applying to such vehicle. They should also adopt any other reasonable

Senior Report
 During the first week of February the Seniors purchased six dollars worth of defense stamps. Each of the Seniors have begun saving for a defense saving bond.

Seniors on Parade
 Rose Fetsch, a true brunette, was born in Rhineland on August 1, 1924. She began her school career in Rhineland and has been going there ever since. Rose is undecided about her future. However, the other Seniors believe she would make a good housewife. Some of her favorites are:

Song—Be Honest With Me.
 Colors—Peach and Green.
 Hobby—Collecting pictures.
 Flower—Rose.
 Rose's chief characteristics are: she is quiet, homelike, likes to have her own way, and despises sitting around doing nothing.

Junior Report
 The Juniors are all talking about our Valentine Party which is to take place Wednesday night. We all hope to enjoy ourselves.

We have received sheets of paper concerning the blackout next Thursday night.

We have new ribbons in our typewriters now and boy, we don't have to look long for the mistakes which we make. We have been typing letters lately and find them a little hard.

Leads Democratic Drive in Texas

Raymond E. Buck, Fort Worth attorney and Democratic leader, has been appointed Chairman of the Texas Washington's Birthday Campaign which will close with a State Democratic banquet at the Texas Hotel, Fort Worth, Monday, Feb. 23. The campaign is to raise funds to assure the election of a Democratic Congress next November in harmony with President Roosevelt's war leadership and to help pay off the Democratic party deficit. Democratic National Committeeman Myron G. Blalock and Committeewoman Mrs. Clara Driscoll made the appointment. Chairman Buck asks Democrats to send their contributions to him at the Texas Hotel, Fort Worth, as soon as possible and he will mail them banquet invitations.

Michalik, chairman, Clarence Stengel, Louis Urbanczyk and Marvin Zeissel. On the refreshment committee are Jewel Marie Hoffman, chairman, Arlene Blaschke, Margarita Jakubec and LaVerne Albus.

Freshman Report
 The defense stamps seem to be uppermost in the minds of the Freshmen now. They were leading all other classes in having purchased most stamps. About 92 per cent of our class own stamps.

The literary club seems to be a success. Next week we will begin our meeting at three o'clock instead of three fifteen. Madeline and Ruth will tell the jokes.

Mr. and Mrs. Wade Mahan and little daughter, Susan Cloe, and Miss Elizabeth Turner spent the week end in Wellington with Mr. Mahan's parents, Mr. and Mrs. J. A. Mahan, and with other relatives and friends. They also visited with Mr. and Mrs. Jim McDonald in Wichita Falls while away.

Mrs. James L. Power of Evans, Texas, is a guest in the home of her sister, Mrs. W. F. McMahon. Mrs. Power will spend several days visiting with Mrs. McMahon and other relatives. Mr. Power is publisher of the Four County Press at Evans.

Local Boxing Team Fights to A Draw at Abilene on Friday Night

The Moguls and Eagles of Abilene fought to a draw last Friday night in the Abilene High School gymnasium, in what proved to be the most exciting match the Moguls have yet faced. Out of ten bouts the Eagles won five and the Moguls five, with all the Mogul wins being in the 130 pound weights and over, while all the Eagle victories were in the lighter weights. Six knockouts were registered, 4 by the Eagles, and 2 by the Moguls. The feature bout of the night was the meeting of Delmar Cadwell of the Moguls and Watson of the Eagles. Watson was the champion light-heavyweight fighter in the Class A or novice division of the recent Abilene Golden Gloves tournament. Cadwell demonstrated convincingly that he can dish it out as well as take it, by knocking Watson out in the first round, with a strong right to the jaw.

Ray Moore was just as much a champion as Cadwell, while knocking Cadwell out in the second round, with a strong right to the jaw. Cadwell proved to be a man that could take it, for Ray certainly gave him plenty before he finally went down for the count. As one man put it: "Those licks that Moore and Cadwell gave their opponents were enough to shake the Japs completely off Luzon Island."

In the first bout of the match, Denham of the Moguls outpointed Lee of Abilene, and at one time sensed a knockout but lacked the necessary punch to put it over.

Montgomery of the Moguls, in his second bout of the season, defeated Lewellen in what proved to be one of the well-matched bouts of the night, with neither fighter having too much the advantage.

Harold Payne continued his championship fighting ability with

a decision over Garrison of Abilene. Harold is not of the knockout or killer calibre but usually manages to get his share of the punches in. When he has fully recovered from a cold that has been lingering, Harold is going to be one of the best punchers, or point getters, on the Mogul squad.

McGraw, Browning and Morgan were knockout victims of Barber, Jordan, and Fitzgerald of Abilene, while Stephen Harrison lost a close decision to Farmer of Abilene.

LOCALS

Lieut. Nell Swilling of Fort Sam Houston visited with Miss Elizabeth Mounce and with her parents in Seymour several days last week. Miss Swilling is a nurse at Fort Sam Houston.

Miss Gladys Booc, who has been attending a beauty school in Wichita Falls, arrived in Munday last week and is now employed in Elizabeth's Beauty Shop.

Mrs. J. D. Jelfoot of Vera was a business visitor in town last Monday.

Miss Elsie Bromley spent the week end in Bridgeport visiting relatives.

Mrs. Jerry Kane, Mrs. Bob Davy and little daughter and Mrs. Joe Duke and little daughter were visitors in Wichita Falls last Friday.

A. H. Mitchell, local manager of the West Texas Utilities Co., returned last Thursday from the Wichita Falls Clinic hospital where he had been a patient for medical treatment. Mrs. Mitchell went to Wichita Falls after him.

Miss Patsy Ruth Mitchell spent the week end in the home of her parents, Mr. and Mrs. A. H. Mitchell. Patsy Ruth is a student in N.T.S.T.C., Denton.

Mr. and Mrs. A. H. Mitchell were business visitors in Wichita Falls last Tuesday.

Mrs. Charles Giddings and her mother, Mrs. C. K. Mosby of Wichita Falls, spent several days here last week, visiting in the home of Mr. and Mrs. C. H. Giddings, and with Mr. and Mrs. Robert Green and little daughter.

Mr. and Mrs. A. A. Smith Jr., Mr. and Mrs. Dorse Rogers and Mr. and Mrs. J. C. Harpham went to Baird last Sunday to attend the wedding of Miss Catherine James and Barton Carl.

At The Churches

AT THE METHODIST CHURCH

Luther Kirk
 If I were the devil I would do everything I could to destroy the Sabbath. Come to think of it, he is trying and he has plenty of allies in this country. The tragedy is that many of them are in the church, and the devil had rather work through the church than out of the church. We hear a great deal today about Fifth Columnists working in the defense industries. We have had Fifth Columnists working in our religious industry for some time. We can't say "Remember Pearl Harbor" without remembering the religious decline in the home land the past few years. We can't even say "Remember Pearl Harbor" without remembering the repeal of the 18th amendment. We as Christians today should declare war on all Fifth Columnists activities that have to do with destroying the fundamental principles of the Christian religion and righteousness. Let's make Sunday a holy day instead of just a holiday.

Attend the religious services at your church Sunday. If you are not worshipping elsewhere come and worship with us. You are always welcome.
 Sunday School at 10 a.m. Morning worship at 11:00. Evening worship 7:15—all daylight saving time.

FIRST BAPTIST CHURCH

We are beginning our Sunday School Sunday morning at 10:30. NEW TIME. That means 30 minutes earlier, by the sun, than we have been beginning. We will work out the time for the evening service Sunday morning. If we all work together we will have no trouble. Cooperation will make any kind of a deal go. I have talked to a number of our people and

they think that 10:30 is as early as we can make it.

We are urging all those who have given their names for membership to be present Sunday morning. We want to welcome you into our church fellowship. Sunday night we will have the baptizing service. Sunday should be a good day. Let's not let down. May our resolutions burn deeper and stronger as the days go by.

We are grateful for our young people. What a fine group! A Young People's Choir is being organized under the direction of Miss DeLoach and Miss Holcomb. You will hear more about it Sunday morning. We are expecting great things from this excellent group.

MOORE CHEVROLET

Home Service Chairman Speaks

As we see the youth of our land being inexorably drawn into the maelstrom of this better world conflict, we realize how terribly near it is to our own doors. We cannot take time out now to agonize and pray, for literally, faith without works is dead. Are we, as individuals, doing our part in bolstering the morale of our men in service? The National and American Red Cross is going all the day in binding up their wounds both spiritual and material. Do you know the office and purpose of the American Red Cross? Our county chapter, through its personnel, is anxious to render any service the situation demands. We need the full cooperation of every individual in the county to enable us to go forward in making our objective. Home have given nobly. There are many who have not even paid their one dollar membership dues. Many have not contributed to the President's appeal in the \$50,000,000 drive. The need in dollars and cents cannot even be estimated. You may give till it hurts, and it will not get be enough.

Mrs. E. C. Anderson, Knox City, is our county chairman. You will find a representative in every town and community who will take pleasure in informing you of our work. Do not wait for someone to come to you and ask you to help. Call on your nearest representative and volunteer your services that we may be able to know where to place you when the need arises. Call in the Home Service chairman for any information you may desire as it applies to our men in service.

Yours for a better organization of our Red Cross work,
MRS. LEE COFFMAN,
Chairman Knox County
Chapter, American Red
Cross, Benjamin, Texas

Cemetery Work Is Begun at Benjamin

Through the efforts of the Benjamin Home Demonstration Club, our local cemetery is being cleared of unsightly grass and weeds and otherwise restored as a fitting resting place for our beloved dead. Our citizens are meeting the challenge with whole-hearted cooperation.

To perpetuate this service, a Cemetery Association has been formed. Its officers and personnel

pledge their best efforts in carrying out this program. It is our purpose to get in touch with all persons interested and give you the opportunity to contribute to this urgent need. If we fail to contact you, kindly, bring or send your contributions to either Mrs. Earl Sams, president, or Mrs. Lee Coffman, sec.-treasurer.

Davenport Gets Recent Promotion

R. R. (Rip) Davenport, a former Mundayite, has been appointed assistant agency director of the Southwestern Life Insurance Company, according to word received by H. L. Skinner, Abilene district manager for the company.

Davenport has been associated with the company since 1933, and has been assistant director of sales since 1939. He is a graduate of S.M.U. and last fall received a degree in Insurance from that school, and as a courtesy the company gave Mr. and Mrs. Davenport a trip to Cincinnati, Ohio.

Mr. and Mrs. Davenport moved from Munday to Houston, and later to Dallas where they are now making their home. They have a little daughter, Francha, born April 6, 1940.

Mr. and Mrs. H. M. Michels and Mrs. Herman Jungman have returned from a trip to San Antonio and Robstown, where they visited Mr. Michels' mother, who is ill.

Mr. and Mrs. R. H. Lain and family, Mr. and Mrs. D. B. Bowen and Doris, Mrs. Lois Reagan and Bobbie Gene and Mr. and Mrs. Doyle Bowen were guests last Sunday in the home of Mr. and Mrs. D. W. Pointer in Rochester.

Care of Tires Is Of Vital Importance

Knox county farmers believe that prevention of tire trouble is as important as its cure, according to Mr. Schumacher, chairman, county U.S. DA War Board.

Farmers throughout the county already are exerting caution to see that foreign matter is free from treads, that tires are kept of grease and oil, rims straightened, stored equipment is jacked up to relieve pressure, tires are shadowed from excess sunlight, and that cracked tires are painted and plugged, the board chairman said.

"Certificates for new tires may be issued for tractors, farm implements, and trucks used to haul farm products directly to market," Mr. Schumacher said, but explained they could not be obtained for transporting farm products to ultimate consumers. He also added that tires could not be purchased if the rationing board had already issued certificates comprising the monthly total.

"It simply means that farmers will have to wait their turn along with everybody else," Mr. Schumacher said.

Recapping, retreading and vulcanizing tires on automobiles and farm implements are other precautionary measures farmers may follow in preventing tire trouble. As correct air pressure adds of life-span of tires for tractors and farm implements, periodic checks for proper pressure should be made, the chairman said.

Farmers Urged To Repair Machinery

Every piece of old farm machinery repaired and used this year will mean more guns in the hands of the armed forces, August Schumacher, chairman, Knox county U.S. DA War Board, said this week.

"If we deliver our Food-Freedom pledges by using the equipment we have on hand instead of buying new machinery, we will be releasing just that much more material for guns, tanks, planes and ships with which to lick the Japs," Mr. Schumacher said.

Realizing the tremendous responsibility of food in total war, O.P.M. allocated as much materials as possible for repair parts and new machinery several months ago.

"We might be able to buy extra parts and new machinery later and again we might not. Any way we look at it, this year is the wrong time to take chances," the chairman said.

Every farmer who repairs an old machine, instead of buying a new one as he might in normal times, is giving two-fold aid to the fighting forces by releasing essential materials for war use, and insuring production of food for the war effort, Mr. Schumacher said.

"We can't sit around two-thirds of the winter and expect to get all farm machinery in top-notch shape overnight," the chairman said in pointing out all equipment should be checked and repair parts ordered immediately.

DR. WALKER AND FAMILY MOVE TO WICHITA FALLS

Dr. and Mrs. James N. Walker and daughter Barbara A. Walker have moved from Galveston to Wichita Falls, where he will be associated with the Wichita Falls State Hospital.

Dr. Walker, who is the son of Mr. and Mrs. G. N. Walker of 706 Warford, Wichita Falls, is a graduate of the Wichita Falls high school. He recently completed his medical work at the University of Texas in Galveston and will receive his degree at the time of the formal exercises in March.

Mrs. Walker is the former Miss Barbara Eiland of Munday. She is the daughter of Mr. and Mrs. G. R. Eiland.

Going Places Without Your Auto May Prove War Problem on Farm

The old gray mare may come back, and American farmers may sing, "The old family bus, she ain't what she used to be," in the topsy-turvy world at war. Horses, bicycles, bus lines, and plain walking are among the possible substitutes for a vanishing automobile in open spaces.

Farm families will do more adjusting than most population groups, if war outlasts the automobile supply, it appears from results of a Consumers Purchase Study, "Family Expenditures for Automobiles and Other Transportation," by Dr. Day Monroe and associates of the Bureau of Home Economics, U. S. Department of Agriculture.

Nine-tenths of transportation money spent by families of farm operators in almost every section of the country has been going into automobile travel, the survey reveals. Many farm, and also many village families, at present have little choice as to means of local travel. If they lack an automobile or horse or carriage, they go on foot. Bus and streetcar service are not generally available in these areas for trips to the shopping center, to church, school, or homes of friends. New England villages are found to be an exception. Many of these are on public transportation systems linking them with nearby town centers.

It's a long-distance come-back that the gray mare must stage should she become the leading lady of the transportation world again, the survey indicates. Only 6 per cent of the farm families in the Pennsylvania-Ohio farm country included in the survey were found to be using horse-drawn conveyances for family travel. In other farm sections this manner of getting around was even rarer.

RUSTY ON BIOLOGY, TOO

"Now, Willie," said the teacher to a rather stupid pupil, "listen to me very carefully. If I had five eggs in this basket and laid three eggs on the table, how many eggs would I have?"

"Eight," was the cheerful reply.

Texas now has 305 Federal credit unions supervised by the Farm Credit Administration. One was chartered in November.
