Charles Giddings In New Guinea Battle; Bombs Jap Convoy

A quiet, even-tempered, good-natured Munday boy is making Japanese efforts to reinforce northeastern New Guinea very costly to the enemy. He is Capt. Charles H. Giddings, Jr., who is pilot on one of America's large flying fortresses.

Capt. Giddings made a heroic record for himself last Friday in the Pacific war zone in thwarting the Japs' seventh attempt to land reinforcements in New Guinea. Two large transports, one heavily loaded with troops, were sunk and 18 Zeros were shot down in the 24 hours of action.

The reports from New Guinea said a reconnoitering Liberator first sighted the Jap convoy thirty miles off Gasmata, New Britain, on the morning of January 6. The Liberator fought off eight covering Zeros, probably shooting down one, then levelled off for a bombing run.

A strong flight of Lockheed Lightnings, led by Maj. George Prentice, a Texan, then took up the assault, paced by a Flying Fortress piloted by Capt. Charles H. Giddings. His plane was one of the first Flying Fortresses to the attack.

Capt. Giddings who has seen a year's action on foreign soil, is the son of Mr. and Mrs. C. H. Giddings of Munday. Only a short while before news of his action was published, his parents received a cablegram from their son, stating that he was well.

Giddings' wife, the former Mary Lane Mosby, is residing with her mother, Mrs. C. K. Mosby of Wichita Falls. According to a story in a Wichita paper, word of his activities was the first news she had received from her husband since December 15, and it was welcome news to her.

Upon returning from the bombing mission, Giddings is quoted as saying:

"I don't know what we accomplished in a bombing way, as one engine was shot out, fire broke out in the tail; three of my crew members, including the co-pilot were wounded, so we didn't have much time for looking around."

Pendleton Attends Meeting In Austin

H. A. Pendleton returned from Austin last Sunday, where he had been in the interest of Selective Service Board. Mr. Pendleton says the late releases from Washington are causing quite a lot of misunderstanding to registrants, more particularly among those engaged in farming as a class. He and other members of the board think regulations unfair, and if not amended will cause hard feelings between neighbors, friends and soldiers, as well as causing the board undue criticism.

Mr. Pendleton says the board at their regular meeting Tuesday wired Senator Tom Connally and Rep. Ed Gossart they thought the regulations unfair, and urged them to lend their support and influence to Rep. Mahon of Colorado, who is opposed to regulations pertaining to farmers of West Texas.

County To Meet Quota In Bonds

With the county going over the quota for December sales of War Bonds and Stamps, it is expected to meet the January quota without any trouble although the quota for this month has been increased, according to W. E. Braly, county chairman.

Citizens of Knox county purchased a total of \$54,000 in bonds and stamps last month, while the quota stood at \$28,700.

The January quota has been increased to \$33,000, and it is believed this amount will be purchased with ease.

TRANSFERRED TO SPUR

Miss Patsy Ruth Mitchell, daughter of Mr. and Mrs. A. H. Mitchell, left the first of this week for Spur, Texas, where she has accepted a position with the West Texas Utilities Co. Miss Mitchell has been employed at the Munday office for the past several months.

Medical Group Names Officers

Members of the Tri-County Medical Society met in Munday on Thursday night of last week and elected officers for the new year. The society is composed of doctors from Baylor, Knox and Haskell counties.

New officers are Dr. D. C. Eiland, Munday, president; Dr. James F. Cadenhead, Weinert, vice president; Dr. R. L. Ntwsom, Munday, secretary, and Dr. T. S. Edwards, Knox City, delegate.

Following the business meeting Dr. E. P. Bunkley of Stamford gave a very interesting medical paper.

Doctors present were: T. S. Edwards, Knox City; J. W. Foy, and C. E. Johnson, Seymour; E. F. Heard and W. M. Taylor, Goree; E. P. Bunkley and J. W. Youngblood, Stamford; James F. Cadenhead, Weinert, and D. C. Eiland and R. L. Newsom, Munday.

319 Garments Shipped By Red Cross Chapter

The Knox County Chapter of American Red Cross shipped 319 garments in December. This shipment consisted of 148 women's blouses for foreign war relief and 171 knitted articles such as gloves, sweaters, helmets, and scarfs for the armed forces.

One hundred and fifty women worked 4,633 hours in completing this quota. This is only a part of the work done in 1942, and a complete account will be given at a later date.

The chapter has completed a three months quota of surgical dressing and will begin on another as soon as the shipment arrives. This and a new shipment of yarn is expected within the next few days.

Everyone interested in knitting, and those qualified to make surgical dressings please contact your local chairman. The surgical dressing chairmen are: Truscott, Mrs. H. A. Smith; Benjamin, Mrs. Le Coffman; Knox City, Mrs. E. E. Teaff; Goree, Mrs. Orb Coffman; Rhineland, Mrs. John Albus; and Munday, Miss Myrtle Munday.

The knitting chairman are: Chapter chairman, Mrs. J. C. Harpham; Truscott, Mrs. J. E. Stover; Benjamin, Mrs. Ed Moorhouse; Vera, Mrs. Dewey Sullivan; Knox City, Mrs. Guy Glenn; Rhineland, Mrs. Tip Albus; Goree, Mrs. E. F. Heard, and Munday, Mrs. J. C. Campbell.

A letter from headquarters concerning the knitted garments states:

"There is difficulty in meeting current requests from our field directors at army posts and from navy supply depots. It was not anticipated that there would be an urgent need for these knitted garments before the early part of 1943. Conditions have changed, however, and we ask you to speed up this production program. Please make every effort to have the garments completed at the earliest possible moment, and make shipments without delay."

Munday P. T. A. To Meet Wednesday

The Munday P. T. A. will hold its regular meeting on Wednesday, January 20, at which time the following program will be rendered:

Director, Mrs. J. E. Reeves; P. T. A. creed, Mrs. A. L. Smith; health songs, first grade children; health talk, Dr. D. C. Eiland.

All members are urged to be present and bring a friend to this meeting.

Sheriff L. C. Floyd of Benjamin was here Saturday, looking after business in the interest of the sheriff's office.

Annual Mogul Banquet Is Held Friday Night

Pep Squad Honors Mogul Players

The Munday Moguls were honored Friday night by a banquet given to them by the Pep Squad of the Munday High School.

The highlight of the banquet was a talk given by Wade Mahan, which was enjoyed by everyone present.

Toastmaster Jimmie Silman Jr., pulled jokes on everyone left and right. As the leaders of a great bunch of boys, Bobbie Haynes and Dickie Owens were elected as Co-Captains of the Moguls for 1943. And all the boys who are leaving this year hope they have a successful season next year.

As the football season is in swing there has to be a pep squad, so the girls elected Daphne Snelson, Helen Haynes and Joan Chamberlain as the pep leaders for another year.

Members of the returning Moguls are Bobbie Haynes, Dickie Owens, Joe and John Spann, James Cadwell, Baddie Gafford, Truman and Glen D. Lowrance, Billy Wayne McGraw, Wallace Pippin, Herbert Stodghill, Hulen Montgomery and Harold Payne.

The boys who want the Moguls to have a winning team for next year are: Delmar Cadwell, Joe P. McGraw, Edwin Lowrance, Elwen Dartar, Billie Frank Armstrong, Bill Brown, Jimmie Silman, Jr., Harmon Sessions and the two managers, Milton Thompson and Steve Stevens.

One of the captains of last year's team crowned Margaret Jane Womble as football queen for the year.

W. E. Braly left Wednesday morning for St. Louis, Mo., where he is receiving treatment at the Barnes hospital. He expects to be gone about ten days.

J. L. Stodghill was a business visitor in Benjamin last Tuesday.

PAPER RATIONING MAY HIT US, TOO

There's a possibility that rationing of newsprint will have its effects on The Munday Times, too. If rationing does occur, it may make it impossible for us to print the usual amount of papers each week.

Therefore, if your subscription is not paid up, it will be to your advantage to renew as early as possible. It will likely become necessary to cut down our mailing list, and in order to do this we must stop the papers of those whose time has expired.

There remains quite a few on our list who have not yet renewed their subscriptions. Do this at once, and be sure of getting your Munday Times regularly. Otherwise you may miss a copy pretty soon.

Keep Up With Rationing

Listed below are some of the important dates on the Office of Price Administration's rationing calendar which every citizen should keep in mind:

Jan. 15—Last day for inspection of tires on commercial vehicles.

Jan. 15—Deadline for applying for war ration book No. 1, possession of which is required to obtain war ration book No. 2, soon to be issued.

Jan. 21—No 3 coupons in basic (A) mileage books expire at midnight.

Jan. 22—No 4 coupons in the books become valid.

Jan. 31—Last day for obtaining inspections of tires on all vehicles (A, B, C, D, and T books.)

Jan. 31—Sugar stamp No. 10 expires at midnight.

Jan. 31—Final date on which temporary gasoline rations can be issued for commercial vehicles; also for obtaining war necessity certificates on commercial vehicles from the ODT.

Feb. 7—Stamp No. 28 in war ration book No. 1 for purchase of one pound of coffee becomes void at midnight.

Shop Courses To Begin On Monday

Two war production training shop courses will begin Monday, January 18, in the Massey garage in Munday, and one in the school shop at the Sunset school. The course at Sunset will be for white people only, while at Munday one course will be for whites only and one for colored persons only.

Any person who has any kind of machinery to repair, especially tractors, trucks and automobiles, should see Joe Massey in Munday, the school authorities at Sunset, or G. S. Dowell, vocational agriculture teacher, at the Munday high school, who is supervisor of the war production training for the county.

People taking the course will have preference in getting repair work done. Everything from the simplest jobs such as cleaning spark plugs, to complete overhaul jobs will be done. Those having work done will have to furnish parts, while the labor will be free. Enrollment for these courses is nearly completed, so if you are interested in the course see one of these men right away, as only about 20 people can be accommodated.

Similar courses will probably begin at Knox City on Monday, January 25, according to Mr. Dowell who says that he has tentative approval of such courses.

GUY EAKIN TO GET MECHANICS TRAINING

Guy D. Eakin, 21 has been assigned to Aero Tech, Los Angeles, by the Army Air Force Technical Training Command for an intensive course in ground crew mechanics. He was formerly stationed at Sheppard Field.

Eakin, who resided on route two, Munday, is the son of Mr. and Mrs. E. E. Eakin, 2246 S. Pine, Wilmar, Calif.

Mr. and Mrs. Jimmie Silman left Tuesday for Lubbock, where they are visiting their daughters, Lorene and Polly, who are students in Texas Tech, and with other relatives. Jimmie is also looking after business matters pertaining to his farm near Lubbock.

Bank's Officers Are Re-Elected

Officers and directors of the First National Bank in Munday held their annual stockholders' meeting in the director's room at the bank Tuesday morning. All of the directors were re-elected for another year.

Officers are: W. E. Braly, president; J. A. Wiggins, vice president; Travis Lee, cashier, and Harvey Lee, assistant cashier.

Directors are: W. E. Braly, J. A. Wiggins, Travis Lee, C. L. Mayes, J. C. Borden, W. H. Atkinson and Homer Lee.

JAMES B. RUTLEDGE GETS HIGHER RATING

Lubbock—Pfc. James B. Rutledge of Benjamin, Tex., has been promoted from the grade of Private, it was announced today by Col. Norman B. Olsen, commanding officer of South Plains Army Flying School, "Home of the Winged Commandos."

Pfc. Rutledge is the son of Mr. and Mrs. R. E. Rutledge of Benjamin.

In The Army

Ed O. Ferguson, Linotype operator and chief helper at The Munday Times, was inducted into the army last Monday, and his wife went to her people in Louisiana. This cut our help down one-third, and we find it hard to get adjusted without Ed. Therefore, dear readers, you have another 4-page issue this week.

4-H Club Calf Show Set For February 6

Poultry School Opens Thursday

A poultry school for adult men and women will begin on Thursday evening of this week in the vocational department in the basement of the old school building. It is important that all people interested in poultry be present at the first meeting since the course will be set up at that time.

Such things as parasites and diseases of poultry, feeding, equipment, care and management, blood testing, culling, inheritance, sexing, etc., will be discussed. If you have a special problem, be there prepared to give all the information you can and see what help you can get. Some of the best poultry experts in the state will be here during the course, and in particularly difficult cases birds will be sent to A. and M. College and Salisbury laboratories for analysis and diagnosis.

The meeting will begin promptly at 7:30, and a sack of laying mash will be given away during the first part of the program. Also doughnuts and coffee will be served. Remember the school is for both men and women.

The annual Knox County 4-H Club Calf Show will be held at Knox City, February 6th. R. O. Dunkle, County Agent, says that the quality of calves will equal to that of last year. Many will remember that the Knox County boys made a wonderful record in 1942.

The Lion's Club of Knox City are sponsoring the show and have appointed Roy Baker, Lee Smith, Henry Arledge, O. L. Jamison, and Jack Idol to make arrangements for the show. The committee are at work and report that attractive ribbons and cash prizes will be offered to the boys.

The members of the Club who will have calves on exhibit are: Hardy and Billy Richards, Hope and Finis Bratcher of Vera, Harold Jones and Clyde Hendrix, Goree; Pat Hill of Munday, Charles Hickman, Vernon Jones, Jerry Westbrook, and Charles Moody, Truscott; Stanley and Carroll Fred Glover, Benjamin; and Marshall Woolley of Knox City.

The ten best calves at Knox City will be selected by the Judge J. A. Seefeldt to represent Knox County in the District show at Wichita Falls in March.

Soil District Is Set For Work

Fifteen farmers and agency representatives attended the Knox-Haskell organization meeting of the Wichita-Brasos Soil Conservation District at Knox City, January 8, 1943.

The purpose of the meeting was to elect officers and to make plans for the program of work within the district.

Mr. Jack Idol of Benjamin was elected chairman; C. C. Browning of Truscott was elected Vice-chairman and Mr. D. B. Brown of Rochester, Secretary. Mr. W. H. Smith of Weinert, member; and Mr. Clay Groves of Munday, member.

Mr. H. H. Goss, of the State Conservation Board, had previously met with the supervisors at Benjamin and explained many of the duties and responsibilities of District Supervisors.

Supervisor members fully realize the tremendous task that is before them and ask that landowners within the district confer with them about their Soil Conservation problems. The suggestions made by landowners will be given full consideration in making the plans and outlining the program of work.

Mr. Idol mentioned in-as-much as the land-owners are the ones who decide through their five supervisors what kind of a program will be prepared, we hope that each land owner will make the greatest contribution by suggesting to their Supervisor some of the Soil Conservation problems that should be included in the program.

The Supervisors voted to make Knox City their regular meeting place since it is near the center of the District. Mr. O. L. Jamison representing the Lions Club of Knox City agreed to furnish a comfortable meeting place and to render any other assistance necessary.

LIET. JACK WILLIAMS VISITS PARENTS HERE

Lieut. Jack Williams and Lieut. Ralph Hoewing, both of Wright Field, Dayton, Ohio, visited Jack's parents, Mr. and Mrs. P. V. Williams, last Tuesday night.

They had been to San Diego, Calif., where they secured a B-24 bomber to return to Wright Field. They flew over Munday enroute to Sheppard Field and were met there by P. V. Williams, Lieut. Joe Kethley and Carl Maples.

The trip from San Diego was made in 5 hours and 25 minutes, and Jack said it only took 17 minutes to get from Munday to Sheppard Field.

ATTEND CONVENTION

Supt. W. C. Cunningham of Munday and County Supt. Merick McLaughlin of Benjamin spent Thursday, Friday and Saturday in Austin where they attended a state convention of school superintendents. They reported a very interesting meeting in which problems of the schools were discussed at length. Interesting speakers told of the schools' physical training in connection with preparing youths for possible military service.

ATTEND GRADUATION AT BOMBARDIER SCHOOL

Mr. and Mrs. Sam Salem and daughter, June Rose George Salem and Jimmie Silman visited in Midland the latter part of last week where they attended graduation exercises at the Midland Bombardier School.

Lieut. Edward Lake, son-in-law of Mr. and Mrs. Sam Salem, received his bombardier's wings in the exercises, and Lieut. and Mrs. Lake have gone to Las Vegas, Nevada, where Lieut. Lake is now stationed.

Taken To Hospital

Mrs. J. I. Hughes, who has been very ill for some time, was taken to the Knox County hospital last Friday by ambulance from the Mahan Funeral Home. Latest reports from the hospital are that Mrs. Hughes is somewhat improved.

Cpl. James O. Norvill, son of Mr. and Mrs. B. O. Norvill, is spending a 15-day furlough here with his parents. James is stationed at Orlando, Florida, and states that the weather is much warmer there than in Texas.

Third Grade News

We were all glad Monday morning when George Sumner Spann returned to our room after being ill for the past week. Lee Arnold Caddell and Marjorie Hill were absent the first of the week due to illness. It seems awful to us for them to be out, since we are having such nice weather to play. We are studying this week so our report cards will have an "A" like the windshield on the car.

Fourth Year News

Mid-term is here again. We have done lots of work, but have much more to do before school is out. Some of us realize that we need to work harder in some of our subjects to be able to go to the fifth grade next year, so we are going to do our best to do better the last half of school.

Several of our students have moved away, and we have some new ones in their places. Laverne Conwell, Charles Brazell, Kenneth Kilcrease, D. C. Rowell, June Hudson, Leroy Morris and Lester Rutledge have withdrawn during the last six weeks. Melburn Johnston, Ida Acosta, Leo Moore and Carl Martin have entered recently. We are sorry to lose the children who have withdrawn, and are glad to have the new ones.

Fifth Grade News

The fifth grade is working very hard now, as it is almost time for report cards again. This week will finish the first half of the school year. It is hard for us to realize we have been in school that long.

We have had several new pupils in the last week or two. Bobbie and Darle Johnston from Knox City, Sarah Reed from Bomarton, and Joe Bailey Rodgers from Wink. We are glad to have all of them join our group and hope they will enjoy being with us.

We elected new officers in our citizenship club last Friday. They are: President, Ewena Dean Suggs; vice president, Billie Eugene West; secretary, Joan Williams.

Sixth Grade News

The sixth grade has three new pupils which make a total of 47. The new ones are Kenneth Followill, Henry Grimes and Edd McDowell. We are very glad to have them.

We are going to miss Genell Conwell. She is moving to Fort Worth.

We are missing Joyce Hudson. She moved to Knox City.

We are studying hard for mid-term exams and hope to raise our grades.

We are glad to have Mrs. Turner back after her illness, and we hope she will be with us the remainder of the year.

Seventh Grade News

The seventh grade has been having some very interesting science classes. We enjoyed looking thru some microscopes made by Delbert Montgomery, Billie Bouldin, Howard Gray R. L. Kirk and Donald Waheed. These water-drop microscopes magnify the specimens almost 75 times. We have brought the larvae of some insects and some whole insects, and we are going to look at microscopic animals which were brought by Maurice Patterson.

8-A News

This room won again this week in stamps with \$153.35 worth. We have been leading ever since the first of the year.

We had rather not talk about exams at present.

This room lost one of its well-liked pupils that first of the year. He is Grayford Campbell, who has entered Masonic Home in Fort Worth. We hope he will be very happy in his new school.

Most of the boys and girls in this room are on the volleyball or basket ball team.

8-B News

Well, pretty soon it will be time to "read 'em and weep". This is mid-term week. The students are already having long and sour looks on their faces.

The class is glad to welcome a new pupil from Sunset, Juanita Followill.

The pupils received their new "World News of the Week" map which they receive every week. This map is very useful in history.

Senior News

Everyone has been very busy this week preparing for our exams. In English everyone has their fingers crossed and hoping they will cross that passing goal.

Bookkeeping is a little difficult this time because we have to remember what we were supposed to learn at the beginning of school and some of our memories can't reach that far.

The shorthand class was very glad to welcome Anna Mae Jones back after several weeks absence. She has been learning a little shorthand the Oklahoma way.

Senior on Review

Jean Guess was born—yes she was born a baby. Her parents, including her father and mother, were very proud of this little red headed girl and made plans for her. All of this happened on July 28, 1926, at Haskell. Jean started to school at Haskell and went there until last summer when she enrolled in M. H. S.

Jean was a member of the Haskell band for three years, won first place in declamation when she was a freshman and sophomore. She was president of her class for three years before coming to Monday. (Another Roosevelt)

Jean plans to enter college when she finishes high school, either at Arlington or Baylor. She will major in either music or speech. She is now a member of the Munday high school octet.

Although we here in M. H. S. have known Jean a short time we already feel as though she is a life-long member of our '43 class. All her classmates want to wish her luck, success and happiness.

Junior News

The junior are getting settled to hard work for mid-term exams. Although the going may be tough for some, they will probably make the grade.

Those of the class who went to the football banquet reported a grand time. We juniors are proud to claim the future pep leader Daphne Snelson. Congratulations, Daphne.

One of our class members, Harold Payne, is leaving for Goree. Our members regret to have him leave and wish him luck. To replace Harold as vice president, the class elected Bonner Barton. For the defense committee we chose Martha Hanning.

For a new member to the class we are glad to have Dane Tidwell.

Another of our class members also took honors. Bobby Haynes was elected co-captain in football. We are proud of you, Bobby.

Athletic Committee News

The football banquet was held last Friday night, and the play night could not be held. But it will go on this week as scheduled, if nothing else interrupts.

Sophomore News

The Sophomore's must have heeded Miss De Loach's warning and learned their poetry. They must have studied pretty hard because there were quite a few good pieces of poetry given.

Everyone is fishing for an extra book report. They'll have a period for making points and many students will have to dig

hard and fast for them.

The Sophomore's all had a grand time at the banquet Friday night. They'd like to compliment Miss King, Miss Traylor, and the pep squad girls for carrying it on so splendidly.

The Sophomore class is truly proud of our new football co-captain, Dick Owens. We consider it a very great honor to have such a character in our class. We're all sure that Dick will be one of the co-captains for Munday team. Good luck Dick.

Freshman News

The Freshmen are very pleased with the outcome of the banquet. They wish to thank each and everyone of you who helped in making the banquet a success.

The Freshmen are very sorry to have to lose Miss Traylor. They appreciate the many things she has done for them and hope very much that she will be with us again next year.

Why Junerose was absent Thursday and a half day Friday? What is that I hear about winks?

Why Martha was so excited Friday?

Mrs. Hal Fairman of Knicker-

bocker, near San Angelo, spent several days here last week, visiting her son-in-law and daughter, Mr. and Mrs. Arthur Smith Jr., and with other relatives and friends.

Ky Hunter of Iowa Park visited with relatives and friends here the first of this week.

Miss Anna Lee Thompson of Quannah spent the first of this week here, helping the employees at the West Texas Utilities Co. Miss Thompson is a former employee of the local office and is now working in the office at Quannah.

Mrs. P. B. Baker of Seymour, superintendent of the Baylor County Hospital, spent the week end here, visiting in the home of Mr. and Mrs. C. L. Mayes, and with other relatives and friends.

Mrs. Will Ratliff of Goree was a business visitor in town last Saturday.

Mr. and Mrs. Jesse Kennedy of Throckmorton were visiting friends here last Saturday.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Do Your Duty . . . Buy War Bonds!

Here's a patriotic duty everyone of us can participate in — buy U. S. War Bonds and Stamps. War costs run into millions — \$220,000 for a big bomber; \$70,000 for a fast fighter; \$20,000 for a light tank. And it takes millions of dollars more to keep on producing these tanks and ships and guns for Victory. But we can and we will, if you lend your support.

Remember! In ten years, Uncle Sam repays you \$25.00 for the \$18.75 you lend him today.

TERRITORY SERVED BY
LONE STAR GAS COMPANY

[About the area of New York State and New England]

THE operating companies now reorganized into one Lone Star Gas Company form a highly integrated public utility system. While part of the area served is sparsely populated, having a population of approximately 1,300,000, the system is unusually compact. Two hundred and ninety-five Texas and Oklahoma cities and towns are served by a 4,800-mile interconnected pipeline which transports natural gas from over 75 fields inside the area. The natural gas service which these cities and towns enjoy today was made possible by the development of this integrated public utility system.

All natural gas transportation and distribution operations of the several affiliated companies of Lone Star Gas System are now grouped into one operating company, organized under Texas corporation laws, and which hereafter will be known as the

Lone Star Gas Company

The Lone Star Gas Corporation was among the first to register under provisions of the "Public Utility Holding Company Act of 1935." Now, under a plan submitted to and approved by the Securities and Exchange Commission, the System is among the first to be reorganized into a more simplified corporate structure. The plan became effective January 1, 1943.

Working out details with the Securities and Exchange Commission and securing approval of our stockholders has been a big job requiring many months. We believe the reorganization will benefit our nearly 300,000 customers and our 4,500 employees.

Ever since 1909 when Lone Star struck out from Petrolia with a pipeline to Fort Worth, the System's ideal has been to build and maintain a natural gas service that would be so sensitive and responsive to public purposes and public needs that it would be a stimulant to the Southwest's development.

And the Southwest has grown. We've developed for and with it until Lone Star System up to the time of reorganization comprised:

- THE DALLAS GAS COMPANY
- COMMUNITY NATURAL GAS COMPANY
- TEXAS CITIES GAS COMPANY
(distributing companies operating inside 295 Texas and Oklahoma Cities and Towns)
- LONE STAR GAS COMPANY
(the company developing the gas supply and transporting it to the distributing companies)
- LONE STAR GASOLINE COMPANY
(the company developing gas reserves and by-products of natural gas)

Now all of the transmission and distribution properties of these companies will be owned and operated as one integrated public utility system by a new Texas company named

Lone Star Gas Company

The gas field producing operations of the system, such as drilling wells and developing gas, are taken over by Lone Star Producing Company. So now, there are just two

companies whereas before there were five operating companies and one holding company. Both are new Texas corporations. The reorganization will not in any way change the basic policies or personnel of Lone Star Gas System. However, it simplifies operations, makes for considerable coordination of effort, and creates a tightly-knit organization which will be even more sensitive and responsive to your fuel service needs and wartime demands.

In it all there is just one sad note—the passing of such names as The Dallas Gas Company, Community Natural Gas Company, and Texas Cities Gas Company. We know thousands have a friendly, cordial feeling for these names through years of business transactions. But only the names pass on. The men and women who made these companies' good names remain to serve our customers.

A substantial rate reduction made last May and this simplification consummated in December were of material benefit to the Southwest and marked 1942 as a notable year in the history of Lone Star Gas System.

The Community Natural Gas Company is now the

Last Saturday, Coach Rex Howell and his Sunset Eagles entered the Bomarton invitation basketball tournament. Eight teams entered and all games were played Saturday. The Eagles' first opponents were Seymour. Those husky lads went down in defeat before the fast, versatile attack of the Eagles 27 to 14. The Eagles were hitting their shots and played a nice game.

In the second game for Sunset, they met the Old Glory five. Old Glory held the favorites role to win the tourney. Sunset, however, had probably forgotten this, for they proceeded to build up a fat lead over the well-trained boys in blue. It was Matthews who found the basket with uncanny accuracy in this game. Shooting numerous shots from coffin corner and in

front of the goal he looped 13 points through the lace. Sweatt and Don of Old Glory tied for runner-up honors with 7 points each. The entire Sunset team played a great game, both offensively and defensively. Glenn Myers sparked Sunset with his hustle and fight.

This victory over the so-called best team in the tourney put the Eagles in the finals with the host team, Bomarton. Here they met their Waterloo.

Junior News
 Thank goodness, we juniors have ordered our class rings and are expecting to get them back in March. We have also received our play books and selected our characters. We are expecting to have our play "Lindy Lou" about two weeks after mid-term.

Virginia reports a very nice time visiting relatives and friends at Rochester and O'Brien over the week end.

Sophomore News
 Here we are back again, with everything running fine except for that algebra test we had Friday. We are all dreading mid-term exams which are coming up soon.

The class is thinking about putting on a play after mid-term. We haven't selected one yet, however.

Freshman News
 Barbara Jane got three fingers burned Sunday. She says she knew exams were close, so she just deliberately burned her fingers so she couldn't write.

We enjoy Spanish more every day. However, we have to translate several pages a day, and that is not so good.

Algebra tests come pretty regular too. Just know how to add, subtract and divide, and you have it fairly well.

Eighth Grade News
 With mid-term exams around the corner, we all need to be studying hard.

Mr. McLeRoy has arranged us according to our grade in his classes. We have A, B and C students in our class.

Seventh Grade News
 The two best citizens of the week are Dorris Wayne Phillips and Joe Edd Sweatt.

Our class has increased because we have another new pupil, Royce Dean Wallace. We are glad to have him and hope he will enjoy going to school here. We have more in our class now than we have ever had before this year.

Eugene Russell, one of our new pupils who was hurt during the holidays, is reported doing fine.

We have an old pupil back with us, Charles Hardin.

Sixth Grade News
 This week we are writing plays in English. We shall select the best one for an assembly program.

We have three new pupils: Gerald and James Guinn, who come to us from Weatherford, and Evert Jennings from Benjamin.

We are having to study hard in spelling so we may play volleyball. There were too many low grades last week, so this morning we had to use boys for substitutes, while some of the girls made up their work.

Fifth Grade News
 The fifth grade has been cramming for mid-term exams. We hope we all made good grades.

Helen Sue Parker visited her grandmother in Goree Sunday. Patricia Johnson went to Oklahoma Saturday to see her grandmother.

NOTICE
 It is with some hesitation and regret that we have closed the "Munday Laundry," but getting repairs was becoming more difficult daily, and our expenses were becoming heavier.

It is with the highest regard and the best of wishes, and a full appreciation of every kindness shown us that we shall leave our friends and customers of the Munday territory.

Morgan Brags On Army Air Corps

Pvt. D. P. Morgan, who is stationed at Jefferson Barracks, Mo., visited his family and friends here on furlough this week. D. P. reports St. Louis as being a good hospital town for soldiers, and there is always plenty to do.

He is now taking training for overseas replacement in technical forces.

"The soldier's life is really fine," Morgan said, "and there is no doubt the army air forces is far superior to the other branches of the army. The food is good, and the treatment is fine. The training is interesting and educational. I can say I have enjoyed every day of it. The army is just what you make of it so let's all make it our duty to keep 'em flying."

Miss Helen Phillips of Abilene and Mr. and Mrs. A. L. Young of Holliday were visitors in the home of Mr. and Mrs. Press Phillips and family over the week end.

Roy Fox, prosperous farmer of the Gilliland community was in the city Tuesday trying to buy some more cattle.

FIRST BAPTIST CHURCH

We are living in a day when our government has rationed to us many things that we use, but a long time ago God rationed our time to us. Prov. 27:1, "Boast not thyself of tomorrow." Deut. 33:25, "As thy days so shall thy strength be." Heb. 3:13, "But exhort one another daily, while it is called today; lest any of you be hardened through deceitfulness of sin." When a day is gone it cannot be called back. Let us use each day as they come, to the betterment of our own lives and to the honor and glory of God. We cannot escape the consequences of today or the responsibilities of tomorrow.

There was good attendance last Sunday, both morning and evening. We give you a cordial invitation to come next Sunday. We are hoping that all of our teachers can be in their places Sunday. It means much for a teacher to meet his or her class every Sunday. It doesn't take many "misses" to lose the class. All the S. S. rooms are being tidied up with paint and paper. The appearance is much better. Use some of your gasoline to come to church.

W. H. Albertson.

Louis Boznik of Sheppard Field spent the week end here with Mrs. A. B. Warren and son, Sgt. Lewis Warren.
