MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, MAY 6, 1943

NUMBER 45

## County Goes Over Quota In War Bond Drive

### Chairman Thanks All Who Helped Put Over Drive

Knox county people answered the call of their government in a splendid manner during the Second War Loan Drive in April. They sent a message to Knox county boys in the service, telling them we are backing them on the home front. This was an encouraging message to the effect that we oversubscribed our quota in war bonds by some \$15,000.00.

W. E. Braly, county chairman, announced his figures reveal that the county purchased a total of \$261,842.00 in the drive, which was from individuals and non-banking firms and corporations. In addition the banks of Knox county absorbed a total of \$190,000 in government securities.

"I want to publicly express my thanks to all the county committeemen for their splendid work during this drive," Mr. Braly said, "as well as every firm and individual who helped to put the drive over with their purchases of bonds. This splendid effort signifies the willingness of our people to help the government finance our efforts toward all-out victory. Knox county has always responded and will continue to respond to requests for aid for our boys on the firing lines."

Mr. Braly said that practically every community in the county went over their quotas, but complete figures were not available at this time due to the fact that purchases interlapped in some communities. This is due to purchases made at banks and post offices by persons who desired the credit be given their respective communities. Figures by communities will likely be available in the near future.

## Drug Stores To Discontinue Curb Service

Beginning with this week, the four drug stores in Munday have discontinued giving curb service to their customers. Reasons for this action are explained in an ad which the stores are running in this week's issue of The Times.

Labor shortage, due to war conditions, is one of the principal reasons given for this action, and it was pointed out that employees of the stores can give greater service by not having to make numerous trips to render curb service. It takes from three to four trips for each type of service rendered.

It was also pointed out that all Munday's drug stores are air conditioned, and customers can enjoy their drinks or ice cream in more comfort on the inside than in hot automobiles.

The cooperation of the public in not asking for curb service is solicited by all the stores.

Mrs. R. T. Morrow and Mrs. Dee Mullican were business visitors in Wichita Falls last Tuesday.

## Keep Up With Rationing

### RATION REMINDER

**GASOLINE**—"A" book coupons No. 5 good for four gallons each until May 21 outside the Eastern gasoline shortage area. Good for three gallons each and must last through July 21 in the East Coast shortage area.

**SUGAR**—Coupon No. 12 good for 5 lb. must last through May 31.

**COFFEE**—Stamp No. 23 (1-lb.) good from April 26 through May 30.

**SHOES**—No. 17 stamp in War Ration Book One good for one pair through June 15.

### Ration Book No. 2

Blue stamps, G, H and J good through May 31, for canned and processed vegetables and fruits.

Red stamp G (meats, fats and cheeses) becomes valid May 9; H, May 16; and J, May 23. All expire midnight May 31.

## Revival Under Way At Goree

The revival meeting in the Goree park started last Friday night, April 30. Rev. C. H. (Moon) Mullins of Fort Worth is doing the preaching.

"Rev. Mullins is a man filled with the spirit, and God being his helper, he has already preached some good sermons," the church leaders said. "A wonderful service was held Sunday morning, in which God richly blessed."

"This is not a revival for just one denomination, but for all, and for no other purpose than to win the lost to Christ and to help God's wayward children to turn back to Him."

Evening services will be held each night during the next two weeks, if not for a longer period, and it is hoped that everyone will come and hear the gospel preached.

Next Sunday will be another all day fellowship meeting, and preachers from far and near are expected to be on hand with some great sermons. Everyone is extended the following invitation:

"If you love the Lord and want to hear His words, come and be with us. If you don't know the Lord, come out and learn of the love He has for you. Sunday school will be held in the park at 10 a. m. Sunday. If you are not attending Sunday school elsewhere, we extend you a hearty invitation to come and worship with us."

## Funeral For Mrs. Ada Jordan Held On Sunday

Mrs. Ada Jordan of Goree, well known resident of this county, passed away at the family home on Friday, April 30, following an illness of about two years.

Mrs. Jordan was born in Erath county, Texas, on July 30, 1904, and was 38 years and 9 months of age. She had resided in the county for about 21 years, and was a faithful member of the Christian church. The family made their home near Knox City and Munday for a number of years before moving to the present residence.

Surviving her are her husband, G. C. Jordan, two daughters and two sons, who are: Cleta, Bonnie Lou, Jimmie Don and Bobby Lee, all of whom lived with their parents; her mother Mrs. L. J. Howell of Knox City, three brothers and two sisters, who are: R. L. Howell, L. L. Howell, C. A. Howell, Mrs. M. V. Ivy and Mrs. M. S. Lowry, all of Knox City.

Funeral services were held from the First Baptist Church in Goree at three o'clock last Sunday afternoon, conducted by Rev. S. E. Stevenson, pastor. Interment was in the Johnson cemetery by the Laningham Funeral Home.

## Most Beautiful Students at TSCW

These four young women have been judged the most beautiful students enrolled in Texas State College for Women, Denton, by a jury of army officers and are featured in this year's Daedalian, college yearbook. Miss Lillian Hutchens (upper left) represents the senior class of TSCW; Miss Mar Gwen Ball (upper right) the sophomore; Miss Jean Wilson (lower left) the freshman, and Miss Margery Brewer, the junior. Miss Brewer's home is at College Station while the others live in Fort Worth.

### War Theme for Cotton Week

"Cotton Fights on Every Front" will be the theme of National Cotton Week observance from May 17 to 22. Showing America's two major weapons of war, steel and cotton, this poster will be displayed in thousands of store windows and business houses all over the nation.

### DOING HER JOB FOR PRODUCTION!

C. L. Ely, who farms about six miles northwest of Munday, has a White Leghorn hen that is doing her job in this battle for production.

Mr. Ely went out to gather the eggs Wednesday at noon, when he found about the largest one ever seen in these parts. The egg measured 9 1-2 inches one way and 7 1-2 the other, and it tipped the scales at one-half pound.

Eggs like that, Ely says, can't be sold at 34 cents per dozen!

### PREACHING AT GOREE

Rev. J. T. McKissick will preach at the First Christian church in Goree next Sunday, it was announced by W. H. H. Griffin Thursday. Services will be held at 3:00 p. m., and everyone is cordially invited to attend the services.

Sgt. Cecil Suggs of Sheppard Field spent last week end here with his parents, Mr. and Mrs. R. F. Suggs. Cecil had as his guest Corp. Woody Burnett of Claude, Texas, who is also in training at Sheppard Field.

## Royce Smith of Weinert Killed In Car Mishap

Royce Smith, 14-year-old son of Mr. and Mrs. H. M. Smith of Weinert, was fatally injured last Tuesday evening when the car in which he was riding with Jack Johnson, also of Weinert, overturned on the highway three miles south of Weinert. The youth died in the Haskell hospital at 2:30 o'clock Wednesday morning.

The two boys were returning to Weinert from Haskell with several cases of eggs when a tire blew out, causing the automobile to overturn. Young Smith suffered head injuries and did not regain consciousness after the accident. Johnson, driver of the car escaped with slight bruises.

Smith, known as "Pee-wee" by his friends, was a very popular young student at Weinert.

Surviving him are his parents, a twin sister, Joyce, of Weinert; another sister, Mrs. Margie Caddell of San Diego, Calif.; and four brothers who are: R. E. Smith and J. P. Smith, both of Galveston; Earl Kenneth Smith, who is serving in the armed forces in the Southwest Pacific, and Glenn Ray Smith of Weinert.

Funeral arrangements were incomplete Thursday morning, pending the arrival of relatives. Services will be held Friday afternoon or Saturday from the Methodist church in Weinert, conducted by Rev. Alby J. Cockerell, with interment in the Haskell cemetery. The Mahan Funeral Home is in charge of arrangements.

## Hefner Students To Present Play

"The Elusive Aunt Laura," a mystery comedy in two acts, will be given on Thursday evening, May 13, at the Hefner school.

A family of children, in the absence of their parents, are visited by a sinister and an inexplicable aunt. The mystery is finally solved, but not until the visitor's strange personality and unusual actions have provided some hectic moments.

Admission to the play will be ten and twenty cents, and the proceeds will be applied on final payment of the piano for the school.

## Joe Henry Ward Gets Promotion

The many friends of Joe Horton Ward, formerly of Benjamin, will be pleased to know that he has recently been promoted to the rank of sergeant in our armed forces.

Sgt. Ward, familiarly known as "Corky" in Knox county and who was inducted into the army in California, has been stationed in the Hawaiian Islands for the past year, where he has served in the 927th Boat Company (aviation).

## George Isbell, County Pioneer, Dies On Monday

### Heart Attack Takes Life of Dealer In Real Estate

A heart attack which he suffered at his place of business last Monday claimed the life of George Isbell, one of the oldest pioneers of this county. Mr. Isbell suffered the attack just before noon and lived only a few minutes after being taken to his home in Munday. He had been active in his real estate business all morning and had not complained of feeling badly.

Mr. Isbell possibly knew Knox county as well as any man. Coming here in 1887, he had made his home here ever since. He served as a cowboy in the early days, and was later engaged in various business enterprises in the county, being one of the first automobile dealers in Munday. In connection with other business enterprises, he had been engaged in the real estate business for many years.

George Isbell has been over almost every foot of the Knox Prairie, either by automobile, on horseback or on foot. He was an active member of the county's pioneer association.

Born in Fort Worth on February 1, 1881, Mr. Isbell was 62 years, 3 months and two days of age. He married Miss Florence Cowan in 1904, and she survives, with four daughters and a son, who are: Mrs. Trudie Tidwell and Mrs. Irene McKinney of Abilene; Mrs. Ethel McDoer of Corpus Christi, Mrs. Mattie Marie Edwards of Munday and Hubert Isbell of San Antonio. He is also survived by five brothers and two sisters, who are: Lee Isbell, Munday; J. F. Isbell, Haskell; Will Isbell, Roswell, New Mexico; Charlie Isbell, Rule; Sank Isbell, Denison; Mrs. Adelia Johnson and Mrs. Rebecca Layne, both of Munday.

Funeral services were held from the family residence in Munday at 2:30 last Tuesday afternoon, conducted by Lee Padgett of Abilene. Interment was in the Johnson cemetery by the Mahan Funeral Home. Pall bearers were Chester Borden, M. F. Billingsley, L. L. Burton of Haskell, D. E. Holder, W. C. Barber, Joel Massey, George White and Lloyd Patterson.

## Former Teacher Gets Commission; Now In Nebraska

The Munday Times is in receipt of a letter from L. M. Palmer, former principal of the Munday elementary school, requesting that the paper be sent to him at Grand Island, Nebraska. And for the first time since entering the service, L. M. had the prefix "Lieutenant" attached to his name.

Palmer had been in officer training at Miami Beach, Fla., and received his commission upon completing his training and just prior to his transfer. He is with the 9th Processing Hq., AAB, at Grand Island.

Lieut. Palmer stated his wife will join him there about the middle of this month. "It will be a happy meeting," he said, "since I have not seen her since January 17." Mrs. Palmer, also a former Munday teacher, is teaching at Van, Texas.

## Hackney Infant Is Buried Wednesday

Billy Arthur Hackney, infant son of Mr. and Mrs. L. A. Hackney, died at Fort Worth at five o'clock last Tuesday morning. The child lived only two days after birth.

The child is survived by his parents, Mr. and Mrs. L. A. Hackney of Fort Worth; his grandfather, R. F. Horan of Munday, and his grandmother, Mrs. Callie Hackney of Goree.

Funeral services were held at the graveside at Weinert at eleven o'clock Wednesday morning, conducted by Minister Carl A. Collins of Munday. Interment was in the Weinert cemetery by the Mahan Funeral Home.

Mrs. M. F. Billingsley and Mrs. M. B. Bounds left last Tuesday for Dallas, where they are visiting with relatives. Mrs. Billingsley will return home in a few days, while Mrs. Bounds will remain for a longer visit.

## Crews Of Bombers Given Decorations

### Bomber Pilot

CAPT. CHAS. H. GIDDINGS

## Judges Named For Calf Show

G. S. Dowell, who is superintendent of the Dairy Project Show, which will be held here next Saturday, Thursday announced the judges for the show. They are Jack Idol, manager of the League Ranch, and County Agent R. O. Dunkle.

The show, the first of its kind held here, is expected to attract attention of all citizens in this area, and Mr. Dowell stated some fine dairy cattle will be exhibited. The show is staged jointly by the local F. F. A. Chapter and the 4-H Clubs of the county.

The Munday Chamber of Commerce, sponsors of the show, will award prizes for first, second and third places in the show. First place prize is \$5; second \$3, and third \$2. In addition, each one exhibiting an animal in the show that does not win a prize will be given an award of \$1.

Prizes will be awarded in three divisions: 1. Heifers under one year of age; 2. Heifers one year old or older, and 3. Dairy cows. A number of citizens having registered dairy cattle will exhibit their animals at the show, although they will not be in competition with each other or with the boys' exhibits.

A large crowd is expected to attend this first Dairy Project Show to be held in the county.

## News From County Rationing Board

OPA announces information of interest to the public:

**NOTE**—Post offices now have official point values for May on both processed foods and meats. Retailers should be instructed to pick up their copies there.

**TIRE INSPECTION RECORDS**—Purchasers of used automobiles must secure original tire inspection records along with the car. Requests for gasoline rationing books for used automobiles must be accompanied by the original tire inspection record, and local War Price and Rationing Boards will turn down applications where not accompanied by the record.

When the ownership of an automobile is transferred, the gasoline ration book should be turned in immediately to the local board, but the tire inspection record must remain with the car.

**MORE ABOUT WAR RATION BOOK THREE:** War Ration Book No. 3 will be distributed through the mails in June and ending July 21. Mailmen will leave postcard application forms at every home between May 20 and June 5. The postcard, properly filled out by the head of the house and mailed to OPA, will bring Ration Book No. 3.

All applications for book three must be in the mails by midnight, June 10. Those postmarked later will not be processed until after August 1. Local boards will not accept applications for Book Three between June 1 and August 1.

## Capt. Chas. Giddings Again Decorated For Gallantry

Recent dispatches from Allied Headquarters in Australia reveal that two Texas boys were among those who received decorations for gallantry in bombing missions against a Japanese convoy in early January. Among them were Capt. Charles H. Giddings of Munday and Sgt. Joe G. Maupin of Belton.

Heroic crews of a Billy Mitchell bomber and a Flying Fortress which carried out their attacks despite severe damage to their aircraft by fighters and anti-aircraft fire were awarded Silver Stars and Oak Leaf Clusters by Lt. Gen. George C. Kenney, commander of allied air forces in the Southwest Pacific.

Maupin was a member of the Billy Mitchell crew, who successfully fought off Japanese Zeros and brought their craft to an emergency landing in the water off the New Guinea Coast.

Capt. Giddings, Munday hero, commander of a Flying Fortress, had already won a Silver Star, so he was given an Oak Leaf Cluster in lieu of a second similar award. Members of his crew received the cluster were the bombardier, Master Sgt. Pete M. Vasalia, St. Paul, Minn.; Staff Sgt. Everett F. Perkins, Wadsworth, Ohio, and Engineer and Turret Gunner Staff Sgt. Virgil Divoss of Danville, Ill.

Other Fortress crewmen receiving the Silver Star were: The navigator, Second Lt. Rush V. Greenslade, Tulsa, Okla.; radio man, Staff Sgt. John G. Breen, Torrington, Conn.; side gunner, Sgt. Edward W. Driscoll, Galesburg, Ill.; and tail gunner, Staff Sgt. Harold J. Loanmaster, Meridian, Idaho.

Capt. Giddings and his men were in the plane which led a Fortress formation which attacked a 10-ship Japanese convoy near Lae on January 6. In a low altitude bombing run through thick ack-ack fire from six warships, the Fortress managed to register near misses through the accurate bombing by Bombardier Vasalia.

The plane was then attacked by about 16 Zeros, according to the dispatch, whose fire shot up the windshield, blinding Giddings momentarily, started a fire in the waist gunner's ammunition boxes, wrecked the hydraulic system, wounded three crewmen and put one engine out of commission.

In spite of this damage, the Munday pilot stayed in the fight. The Fortress in circling managed to shoot down two Zeros and damaged others, and the crew extinguished the fire, which by that time was sending ammunition bursting in all directions and threatened to envelop the rear section of the fuselage. Though all his bombs and most of his ammunition were expended, Giddings kept the Fortress at the scene of action in order to draw Japanese fighters away from other bombers and enable them to complete their mission.

All of the Fortress' crew was cited for "conspicuous gallantry" in this action.

## Knox City Student Presented Sweater

AUSTIN—College letter-sweaters are customary awards for athletes, but this week 34 such sweaters were awarded to members of the University of Texas Longhorn's most loyal followers—the Longhorn Band.

Band members not only are called upon to perform at all athletic events, but are also official musicians for such all-University affairs as commencement and convocations.

The 34 selected from the 150 members of the band for the University sweaters include Billy Dean Davis, arts and sciences student from Knox City.

## MRS. SESSIONS BREAKS HER WRIST IN FALL

Mrs. Hattie Sessions, well known Munday pioneer, received a painful injury last Saturday night when she tripped and fell on the sidewalk, breaking her right wrist. She was taken to a local physician's office, where the broken member was set, and is reported to be doing nicely.

"What a Man Does For Himself Dies With Him—  
What He Does For His Community Lives On and On"

## WHY A NEW AGENCY?

In introducing the bill S. 885 to get up an independent agency for civilian supply, Senator Maloney has rendered a definite service by calling to the attention of both Congress and the public the question of civilian needs at this time.

There is no doubt that the time has come when specific attention should be given to the civilian production setup. America's war production effort has reached such staggering proportions that cut-backs in that production are now being made. And it is of the utmost importance of big business, but also of little business upon which big business is largely dependent both now and in peacetime.

What then, are the objections to the bill? Walter D. Fuller, chairman of the executive committee of the National Association of Manufacturers, testifying before the Senate Banking Committee, has presented the Association's well-considered and logical views, which, though in sympathy with the Senator's desire for some action on the problem, present several valid objections to this proposal for a separate agency.

According to Mr. Fuller, it is difficult to view with favor the creation of any new government agency at this time. This is particularly true since, as he points out, the War Production Board in recent months "has been gradually adopting... a realistic attitude... not only of preventing further reduction in the manufacture of civilian goods but also in instances of providing for increases in civilian production."

In addition, Mr. Fuller argued, the bill would set up a Civilian Supply Administrator to control distribution of manpower and manufacturing facilities for civilian and war production, thereby removing the Army, Navy, and WPB from having a final determination of the volume of goods and supplies needed to win the war.

A Civilian Supply Administrator as provided for in the bill would, in effect, mean additional power for the Economic Stabilization Director and less for the Director of the WPB.

In short, the bill flings broad, vague powers to an agency as yet unborn; imposes more, rather than less control over the life of civilians; and cuts across the powers of all other government war agencies in a manner which might create uncertainty and further bureaucratic bungling.

For, although it is true that production for both civilian and military needs is a common problem which should be decided by a single agency, that agency should be the War Production Board. It seems far more expedient to correct any weaknesses within the WPB than to jump into unknown and possibly dangerous waters.

## STILL IN THE RING

The question of how to collect the Federal income tax is not settled by any means. The pay-as-you-go idea gets on its feet as rapidly as it is knocked down. Polls over the nation show conclusively that the people favor such a plan.

In regard to the Treasury's objection that the Ruml plan would favor the rich, Congressman Celler, Democrat, of New York says: "That is untrue. It is a demagogic slug below the belt. The Ruml plan, with all the bugs taken out, would favor no one class. All can be treated alike. All would benefit and the government would be enriched with less tax delinquencies, defaults, and refusals to pay."

As taxes get heavier, and as millions of people, for the second time, pay an installment of their Federal income tax, demands will grow louder for a pay-as-you-go tax plan.

## FOR THIRTY PIECES OF SILVER

A letter from members of the 750th Tank Battalion, Company A, at Fort Knox, Kentucky, to workers who recently struck in a war industry, said in part:

"We feel deeply hurt to think you would let the boys overseas down. Just what do you think would happen to this country if the boys overseas would sit down, and quit fighting, because they just make \$50 a month? We need more fighting equipment. What do you Americans want? More money now and slavery later, or less money and freedom? Just think how some of your sons and brothers over there would feel if they knew how you were selling them out, and that's what you are doing when you stop production."

There is a bible story of a sell-out for 30 pieces of silver. Read it.

## THE MUNDAY TIMES

Published Every Thursday at Munday

J. W. Roberts, Editor, Owner and Publisher  
Aaron Edger, News Editor

Entered at the Postoffice in Munday, Texas, as second class mail matter, under the Act of Congress, March 2, 1879.

### SUBSCRIPTION RATES

In first zone, per year \$1.50  
In second zone, per year \$2.00

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party policies, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

### FOUNDATIONS FOR TWO FREEDOMS

Under-Secretary of State Sumner Welles, in arguing that agreements based on the principles of the Atlantic Charter be reached by the United Nations before an armistice is signed, so that among other things rehabilitation measures can be undertaken without delay, opens up a subject on the successful solution of which the future well-being and prosperity of our country and the world, depends.

"Freedom from fear—the assurance of peace," says Mr. Welles, "and freedom from want—the assurance of individual personal security, require all the implementations which the mind of man can devise through effective forms of international co-operation."

Peace—freedom from fear—cannot be assured while war threatens anywhere throughout the globe—and until nations jointly exercise police powers to prevent armed hostilities. Freedom from want, Mr. Welles points out, depends upon people being able to find useful work continuously and to exchange the things they produce for things other people can make. The problem of removing obstacles to fair exchange is more difficult than the problem of production. "It will take much wisdom, much cooperative effort, and much surrender of private, short-sighted and sectional self interest, to make these things all come true. But the goal is freedom from want, individual security and national prosperity."

As one of the first steps in carrying out such a program, the world will be watching to see whether Congress takes favorable action on renewal of the Reciprocal Trade Agreements Act, next June. Efficient and continuous production and fair exchange, which the Act encourages, are both necessary to the abundance which we seek, and the responsibility for maintaining a pattern of procedure rests more heavily on the United States today than ever before.

### A NEEDED INVESTIGATION

A searching Congressional investigation to learn what plans various government agencies and officials have in mind to change manufacturing, marketing, and other business practices is scheduled to get underway within the next two weeks.

The inquiry, which will be conducted by the House Committee on Interstate Commerce, was authorized when the House, last week, adopted House Resolution 98, sponsored by Representative Charles Halleck of Indiana.

The committee is specifically instructed, under this measure, to investigate what government officials and agencies are doing and are proposing to do with particular reference to the elimination of trade marks, standard brands, brand names, advertising, and marketing practices.

It is too early to predict with any degree of certainty what this Congressional search will divulge, but it is an excellent idea to smoke out, in advance of their appearance in some formal dress, any radical measures or reforms that might have an adverse effect upon our economy, if such reforms are found to exist.

### THE CONTINUING THREAT

In spite of the fact that the War Labor Board has rejected AFL-CIO demands to permit increases above the "Little Steel" formula level, organized labor leaders continue to campaign to break this inflation barrier.

At the same time the AFL and CIO will push with renewed vigor their requests for industry-wide adoption of the 48-hour week with overtime for all work in excess of 40 hours.

It is difficult to reconcile these constant demands for higher and higher wages with impending inflation and with the importance of keeping the cost of this war—for which we all have to pay—to an absolute minimum.

## IN SPIKE OF THE STORM

## Gems Of Thought

### CHILDREN

The interests of childhood and youth are the interests of mankind.—James.

What the best and wisest parent wants for his own child that must the community want for all its children.—John Dewey.

The training of children is a profession, where we must know how to lose time in order to gain it.—Rousseau.

A deceit or falsehood is never wise. Too much cannot be done towards guarding and guiding well the germinating and inclining

thought of childhood.—Mary Baker Eddy.

Who feels injustice; who shrinks before a slight; who has a sense of wrong so acute, and so glowing a gratitude for kindness, as a generous boy?—Thackeray.

It is better to bind your children to you by respect and gentleness, than by fear.—Terence.

Designed to replace the regulation 14-pound pup tent a new feather-weight tent weighing only 7 pounds, which is strong, waterproof, and ample protection against rain, blizzards, and wind.

An airplane propeller is so delicately balanced that a puff of a man's breath will send the blades turning in a fifteen-foot arc although the propeller weighs 400 pounds.

### SENIOR NEWS

Friday night the Senior Home Room Mothers entertained twenty members of the Senior Class with a formal dinner party at the home of Mrs. Oates Golden. The Senior colors of pink and blue were used in the table and room decorations. After the delicious meal, progressive table games were played and were thoroughly enjoyed by the group.

The Seniors wish to express their deep appreciation to the Home Room Mothers for this party.

### Senior On Review

Helen Williams was born at Tahoka, Texas, April 22, 1925. She moved to Munday when she was five years old. When she was six she entered the Munday schools and has been a student here for eleven years. Helen is very dependable and she will make something of her life when she finishes school. Helen ranks third in the scholarship of the Senior class. When she finishes school she is going to Surham's Business College at Fort Worth. Good luck Helen, and may success be with you.

(The Senior reporter did not write this.)

### JUNIOR NEWS

Are the Juniors proud? The new rings have just arrived and everyone is very happy.

Also everyone is waiting for Friday night. This is the date of the Junior-Senior banquet.

Everyone has his fingers crossed now a days because of the tests next week. We hope everyone passes the exams.

### SOPHOMORE NEWS

Paragraphs! stretching their imaginations to the utmost the Sophs have

once more given out with paragraphs. It seems as though all one can do is think up a good topic sentence or a "quick-stop" concluding sentence.

Friday afternoon most of the class met at Mrs. Dowell's house and at 7:30 left for the park—and a picnic! It didn't take long after they reached the park, so lunch was spread and most of the evening was taken care of by eating. The girls did folk-dance and jitterbug a little while the boys went on a man-hunt. When the boys returned everyone was so completely worn out they tumbled gladly into the cars and came back home. Mrs. Mann Broach, Jean Chamberlain, Jumerose Salee, Raymond Mitchell, Keith Cartwright, Pete Dowell, and Mr. Dowell were the guests, and the class hopes they had a good time.

## LOCALS

Miss Jane Burton, a student at Texas Tech, Lubbock, visited her parents, Mr. and Mrs. Cecil Burton, during the Easter holidays.

Miss Katie Bell Sweatt spent the Easter holidays with her parents, Mr. and Mrs. L. C. Sweatt, returning to Lubbock last week. She is employed at the South Plains Army Flying School in Lubbock.

Mr. and Mrs. F. E. Jetton had as their guests on Easter Sunday, the following: Mr. and Mrs. Vernis Lambeth and children of Goree, Mr. and Mrs. Dave Jetton and children and Mrs. Clarence Jetton of Munday, and Mr. and Mrs. Edwin Lee Jetton and son, Jerry Edwin, of Fort Worth.

Mrs. A. V. Branch, accompanied by her brothers, S. L. and J. C. Chamberlain, went to Pampa last week for a visit with their nephew Louis C. Chamberlain, who is in training at the Pampa Air Base.

Mrs. Daniels of Paris, Texas, visited her daughter, Mrs. Jack Freeman of Goree, several days last week.

## Announcement Of Lee-Davis Wedding Made This Week

Mr. and Mrs. T. E. Davis of Tolare, Calif., this week announce the marriage of their daughter, Miss Iva Oleta Davis, to Cpl. Robert Sidney Lee, who is stationed at Savannah, Ga. The couple were married at Rule, Tex., on Saturday, April 19, 1942, by the Rev. C. E. Waincott.

Mrs. Lee has resided in this section for some time, and for the past several years she has been taking a nursing course in the Plainview, Texas, hospital. She will complete her training sometime next month. Mrs. Lee has visited in Munday on several occasions and is known to a number of local residents.

Cpl. Lee is a member of one of Munday's pioneer families. Son of Mr. and Mrs. O. W. Lee of Munday, he was reared in this city and made his home here until enlisting in the armed forces some two years ago. He was employed by several firms here in recent years. Cpl. Lee has served in a number of training camps, first being located at Sheppard Field. He is with the ground crew of the U. S. Air Forces.

Mrs. Lee will join her husband at Savannah, Ga., soon after completing her nurse's training.

## Myers-Loran Wedding Held At Rhineland Church

St. Joseph Church of Rhineland was the scene of a beautiful wedding ceremony performed Thursday, April 29th at 9:00 A. M. to unite Miss Monica C. Loran of Wichita Falls to Sgt. Troy Harold Myers of Sheppard Field, Texas.

Rev. Father Laux O. S. B. officiated at the ceremony. The altar was decorated with beautiful flowers and greens.

Liberatus Loran gave his daughter in marriage. She wore a gown of white chantilly lace with delicate floral motif on net background. A sweetheart neck and low waist line of softly shirred bodice; the long fuffed sleeves terminated in points at hand. The veil of sheer net was held in place with a wreath of orange blossoms. She carried a bouquet of white and pink carnations.

The bride was attended by her sister, Mary Alice Loran of Fort Worth, Texas, who wore an aqua marquisette dress and carried a bouquet of pink carnations.

The best man for the groom was Cpl. Salem Demengus of Sheppard Field.

Following the ceremony a country style breakfast was served at the home of the bride's parents, at which a number of relatives and friends were present. Center of interest on the bride's table was the wedding cake. A white two tiers which was decorated with a miniature bride and groom on top and other decorations of white icing.

Mrs. Harold Myers was formally of Rhineland and has been employed at Sheppard Field for several months.

The groom is the son of Mr. and Mrs. Donald Myers of Littlefield, Texas. Sgt. Harold Myers is stationed at Sheppard Field.

Sgt. and Mrs. Harold Myers left for a short wedding trip to visit his parents and Carlsbad Caverns. They will make their home in Wichita Falls, Texas.

## People's Spots In The News

**ALL OUT!**—Margaret Tynan, 22, blind worker on marine equipment built by Bendix Aviation Corporation in Brooklyn, meets Elco worker F. F. Bulkeley, father of Lieut. Comdr. John Bulkeley, Navy hero, as guest of honor at Bayonne, N. J., P-T boat christening.

**TREADMILLING** doesn't get you anywhere, but it keeps you looking fit, thinks Ruth Maxheimer, aircraft worker. Any dis-senters?

**LAUGH, CLOWN, LAUGH**—Joe E. Brown, film comedian, perches atop bomb to entertain American soldier boys "somewhere in New Guinea." Joe has dedicated his 3-month tour to memory of his son, the late Captain Don Brown of the Army Air Corps.

## Buttons Do Double Duty

A ZIPPERLESS era inspires the clever use of buttons for a decorative aid fastening on this pastel blue spun rayon frock. Delicate pastel spun rayons are lovely to look at—and will retain their loveliness, if they have passed dry cleaning and colorfastness tests. Labels on garments or fabrics are your best guide to satisfactory serviceability.

## Brock Women Organize Home Demonstration Club

Eight women of the Brock community met Wednesday, April 28, at 3:30 o'clock in the home of Mrs. Elwood Hackney for the purpose of organizing a Women's Home Demonstration Club.

Lucille King, home demonstration agent, presided at the meeting. The following officers were elected:

President: Mrs. Elwood Hackney; Vice President, Mrs. S. A. Lusk; Secretary and Treasurer, Mrs. F. E. Walker; Council Representative, Mrs. G. W. Montandon; Reporter, Mrs. M. R. Moon.

The foods demonstrator is Mrs. G. W. Montandon and the clothing demonstrator is Mrs. Calvin Stone.

Other members present were: Mrs. Luther Wooley and Mrs. Geo. W. Stone.

The next meeting will be held in the home of Mrs. Luther Wooley and re-caining of chairs was chosen for the demonstration during the month of May.

A lovely refreshment plate was served to the eight members, five children and the agent.

Miss Lucille Petrus left last Tuesday night for Stuttgart, Ark., where she is visiting friends and relatives for several days.

Miss Ida Mae Spann of Abilene visited with relatives and friends here over the week end.

## Goree Girl In Recent College Cotton Frock Show

DENTON — To create a colorful look in the classroom equal to the arrival of spring on the campus, co-eds of North Texas State Teachers College, including Miss Chloe Stalcup of Goree, participated in the annual NTSTC Cotton Frock Style Show this week.

Forty-three co-ed models showed the latest street, school and formal cotton frocks at the colorful style show, always a highlight of spring activities on the Denton Campus. Local merchants cooperated in presenting the show which annually emphasizes the use of cotton materials.

Miss Stalcup, a sophomore elementary education major at NTSTC, is a member of the Phoreff sorority and the Junior Current Literary Club.

Mr. and Mrs. John Hart of Claude and Mr. and Mrs. Sam Hart and family of Jacksboro visited with their parents, Mr. and Mrs. W. H. Hart, over the week end.

## Wesleyan Service Guild Meets In Dingus Home

The regular monthly business and social meeting of the Wesleyan Service Guild was held last Monday night, when members met in the home of Miss Merle Dingus.

The theme of the program was "Concerning Children." Devotional was given by Miss Dingus, and Misses Ruth Baker and Jeanette Campbell gave interesting parts on the program.

A social hour followed, at the close of which the hostess served cookies and sherbert to the following members:

Mrs. R. L. Kirk, Mrs. Layne Womble, Mrs. O. H. Spann, Mrs. Aaron Edgar, Mrs. Joe Bailey, and Misses Jeanette Campbell, Ruth Baker and Merle Dingus.

## Methodist W. S. C. S. Meets On Monday With Mrs. Eiland

The Women's Society of Christian Service met last Monday afternoon in the home of Mrs. G. R. Eiland. This was the regular monthly social meeting, and it was enjoyed by members of both circles.

Mrs. Eiland was in charge of the business meeting, after which Mrs. Lowe had charge of the program proper. This was a continuation of the study course on "World Peace." It was prepared and given by Mrs. W. M. Huskinson of the Shelly Lee Circle.

At the close of the program, a delicious refreshment plate was served to Meses. J. W. Roberts, Lee Haymes, J. C. Borden, Luther Kirk, Dorae Rogers, J. D. Crockett, E. E. Lowe, W. A. Baker, W. M. Huskinson, G. W. Dingus, A. G. Rummel, and the hostess.

## IS TRANSFERRED

Cpl. Clyde Hendrix, Jr., notified his parents, Mr. and Mrs. C. R. Hendrix, that he left Maryland on Tuesday night of last week and is now stationed at Tyndall Field, Fla., about 13 miles from Panama City. He will have six weeks of summer schooling there.

## CARD OF THANKS

It is with sincere hearts that we thank each and every one who were so kind and thoughtful to us during the illness and in the death of our loved one, Mrs. Ada Jordan. We pray God's richest blessings on you all, and we hope you will have such loyal friends when sorrow comes your way.

G. C. Jordan and Children.

## SPRING SEWING

**FOR** her new spring dress, this clever young seamstress chooses a red and white zinnia print in rayon lambskin. When you select fabrics for sewing — do take the time to hold a length of the fabric up to your face, to see if it's really becoming. Do look for labels on fabrics that tell you that they have passed tests for shrinkage, stretching, colorfastness and strength... so that you will know that your dress will fit perfectly and look as well after months of wear, as it does when you proudly wear it for the first time!

E. B. Sams of Benjamin was here Monday on business pertaining to the office of tax assessor and collector.

## Picnic Is Held Last Sunday At The City Park

A number of friends and relatives in the Goree area enjoyed a picnic lunch in the city park last Sunday. The following were present:

Mrs. Dee Jones and children and Mrs. Jones' niece and her family, all of Utica, Okla.; Rev. C. H. Mullins of Fort Worth, Miss Emma Cooksey, Mr. and Mrs. Harper Cooksey, Taylor and Albert Cooksey, Mr. and Mrs. G. W. Jones and children, Mr. and Mrs. C. W. Edwards and children and Mr. and Mrs. H. H. Edwards and children.

Mrs. W. B. Hayley and children of Seymour spent the week end here with Mrs. Hayley's parents, Mr. and Mrs. Jim Henslee, and with other relatives.

Buddy Gafford and Joe Spann spent the week end in Coleman, visiting with Buddy's grandparents.

Children of Mrs. Paul Ford and children of Fort Worth are here on vacation for a visit with Mr. Ford's parents, Mr. and Mrs. J. L. Ford.

Mrs. Bill Billingsley returned home last Monday from Independence, Kans., where she had been for some two weeks, visiting with Sgt. and Mrs. Dan Billingsley and little son.

## HAS OPERATION

Mrs. B. L. Blacklock was taken to the Knox county hospital last Monday, where she submitted to a major operation. Reports coming from the hospital are that she is doing nicely, and she will likely be able to be returned home in the near future.

## Kill Your Big Red Ants

Kill your ants with either of the following poisons:

CYANIDE CHLORIDE mixed in liquid or granulated. SODIUM CYANIDE EGGS which are lumps about the size of a large marble. AND CYANOGAS which is a very fine dust and after placing in ant nest it turns to a gas.

## For Mother

... On Her Day!

... Next Sunday is Mother's Day. Remember her on her day with an appropriate gift that she will enjoy for many days. We have a variety of gifts that will be just what she will enjoy.

## Something To Wear . . .

Mother always enjoys something to wear. . . something she didn't expect. . . something for dress-up occasions. Give her a new dress from our large selection, or a new purse, gloves, lovely handkerchiefs, or several pairs of sheer hosiery.

Despite the fact that Dry Goods are becoming harder and harder to get, we have a large selection of ready-to-wear or dress materials that will be suitable for Mother's gifts.

## Something For Her Home . . .

Mother likes for her home to be dressy, too. Give her a gift to brighten up her home—the place where Mother reigns. We suggest lovely Bed Spreads, and Pillow Cases or beautiful Lunch Sets. Come and look over our stock.

Here you'll find many other items too numerous to mention. A gift in dry goods is always an acceptable one for Mother.

UNITED STATES DEPARTMENT OF AGRICULTURE

# AAA NEWS

By MARVIN ALLEN, Administrative Officer  
Knox County Agricultural Conservation Association

## Record of Cotton Production In Knox County for 1942

In 1941 Knox county farmers produced 35,185 bales, which equals 18,179,388 net pounds on 64,238.1 acres of cotton. Using the above figures the county average yield per acre was 283 pounds, which will admit was a record breaking yield per acre for Knox county. Favorable weather and nine years of conservation farming with the proper management made this possible.

However, in 1942, the farmers of Knox county again broke all previous records including the year 1941. The records maintained by the personnel of the AAA office shows Knox county planted and harvested 64,551.1 acres of cotton in 1942 with a total production of 18,829,619 net pounds or 37,281 bales. The above figures proved Knox county produced an average yield of 292 pounds per acre, which exceeds our 1941 average yield by 9 pounds per acre and exceeds the bales produced in 1941 by 2,096 bales.

According to figures used in a recent advertisement by a well known company each 500 pound bale of cotton will produce 900 pounds of seed. Using these figures Knox county produced in 1942, 33,533,100 pounds of cotton seed. This amount of cotton seed will yield about 13,413,240 pounds of meal or cake, which will supply the needed protein for Knox county beef and dairy herds and plenty to ship to territories that do not produce the amount necessary to take care of their needs. The 37,281 bales will produce 2,887,567 pounds of cotton lint for gun powder to blast the axis and 4,029,915 pounds of cotton seed oil. Should this oil be made into lard it would take all the red food stamps issued by the OPA to the entire population of Knox county for the next two and one-half years to buy it all. Since it is evident that most of our red stamps

will go for meat and some for butter, we have cotton seed oil to ship to areas that do not produce in quantities as Knox county does.

The 1,146 cotton producers of Knox county produced 2,096 bales more in 1942 than they produced in 1941—on this basis they not only added a bale per farm for victory, they added about 1 3/4 bales per farm for victory.

Knox county farmers realize that cotton is an essential war crop—as the AAA records indicate that they intend to increase their acreage by the 10 per cent allowed in accordance with the recent announcement by the Department of Agriculture. Knox county farmers also realize that there are other crops just as essential to our war effort and must be produced on an ever increasing scale, just as industry realized that it is necessary to produce planes, tanks, ships, and ammunition, rather than to produce all guns and no ammunition.

This office has recently sent to each producer a record of his cotton production as maintained and tabulated from gin reports submitted to every fifteen days during ginning season. Our records indicate that the 15 gins located in this county ginned 40,789 bales of cotton—of this amount 409 bales were ginned for Baylor county producers, 182 bales ginned for Foard county producers, 4,946 bales ginned for Haskell county producers, 250 bales ginned for King county producers, 15 bales ginned for Stonewall county producers, 134 bales ginned for Throckmorton county producers, and one bale ginned for Fisher county producers. On the other hand Baylor county ginned 1,545 bales, Foard county ginned 21 bales, and Haskell county ginned 2,163 bales for Knox county.

The above figures indicate that Knox county ginned 6,237 bales for adjoining counties while all adjoining counties ginned only 3,729 bales for Knox county.

## GRAIN INSURED

By J. C. Borden Insurance

## CANADA'S GIRLS IN BLUE

KEEPING track of the positions and courses of every aircraft, surface ship or submarine—friendly or enemy—which approaches the rugged North Atlantic Coast is a vital war job. This job is being entrusted to carefully selected members of the Women's Division of the Royal Canadian Air Force, working in cooperation with patrols of the United States.

So secret is the work done by these Air Force women in blue that the exact nature of their duties cannot at this time be disclosed. But on Canada's Eastern coast these clerks-operational, as they are called, are today standing 24 hour watch in shifts—their intensified training having made them efficient, conscientious and reliable, ready to deal with any emergency.

They work in specially equipped R.C.A.F. operation rooms, the secrets of which are so carefully guarded that not even other Air Force personnel can gain entry unless they have specific business there and have not only been identified to the R.C.A.F. police guarding the entrances but their visits officially authorized in writing by the Air Staff.

The operations rooms in the Eastern Air Command are divided into different sections. In one large room, for example, a visitor can find R.C.A.F. women at their posts around a large circular table, on the top of which is a detailed map of the entire North Atlantic coastline. Wearing earphones every minute she is on duty, each girl is directly connected by a secret telephone line to look-out stations scattered all along the East Canadian coast. At a table nearby sit other R.C.A.F. women picking up by telephone the reports of the thousands of civilian members of the Aircraft Detection Corps, an organization originally started by the Air Force solely to provide advance warning of the approach of enemy aircraft. But the functions of the Corps have since been expanded to include the provision of information for the Navy and Army.

Keen-eyed fishermen, lumbermen, fire-spectators, lawyers, doctors, citysmen, businessmen, and even housewives located in populated and isolated spots all along these Atlantic shores, on day and night

watch, report immediately by telephone the presence in their respective areas of hostile and unidentified aircraft, submarines and strange vessels and persons. These Aircraft Detection Corps

observers today form "a line of eyes" extending from the northernmost tip of Labrador, in every cove and on every headland around Newfoundland, Quebec, and the Maritimes.

## Goree News Items

Mrs. Dee Jones had children and one of Mrs. Jones' nieces and her husband and son of Utica, Okla., visited in the home of Mrs. Jones' parents, Mr. and Mrs. Harper Cooksey, over the week end.

Mr. and Mrs. Dibbrell Jones spent the week end in Fort Worth with their son and wife, Mr. and Mrs. Everett Jones.

Mr. and Mrs. Frank Hill spent the week end in Bellevue, visiting their daughter and family, Mr. and Mrs. Jack Coy.

Miss Mozelle Vandiver was a visitor in the home of Mr. and Mrs. Melvin Strickland of Munday the first of this week.

Mr. and Mrs. Dennis Ford of Fort Worth spent the week end here, visiting their parents and other relatives.

Mrs. Joe Lee Stratton left Sunday morning for Selma, Kans., where she joined her husband who is with the air forces there. Joe Lee is the son of Mr. and Mrs. A. J. Stratton of Goree.

Randell Butler is here for a 10-day furlough with his parents and other relatives. Randell is serving in the navy.

Mr. and Mrs. J. W. Moore of Houston were visitors here last Saturday.

P. J. Camp visited his son and family, Mr. and Mrs. Ranson Camp of Wichita Falls, over the week end.

Mr. and Mrs. Calvin Bates have returned from a week's visit with friends at Romney.

Mrs. Raymond Hutchins has returned from a visit in Lubbock, where she spent the week end with her parents.

Mrs. Leverett Robbinett of Houston has returned to her home after a visit with her mother and other relatives at Knox City and her aunt, Mrs. Elizabeth Cowser of this city.

Mrs. Con Burns and Mrs. Bob Carroll, both of O'Donnell, were recent visitors here with relatives. Mrs. Burns' family were pioneers of this section, living at Goree over a long period of time. Mrs. Carroll visited her brother and family, Supt. and Mrs. H. D. Arnold.

Mrs. Rado Hutchins has returned from Alton, Ill., where she visited her daughter, Mrs. Lemmel Clarke, who is employed in defense work in that city. Corp. Lemmel Clark is serving with the armed forces on foreign soil.

Mrs. Wayne Crawford of Silverton is here for a visit with her parents, Mr. and Mrs. J. C. Morton.

Mrs. John Coffman left Tuesday for Abilene, where she is visiting in the home of her son and family, Lieut. and Mrs. A. W. Coffman.

## SENIOR NEWS

This week we come to the last of our Seniors, Kenneth Blaschke. Kenneth is the son of Mr. and Mrs. Joseph Blaschke. He has blonde hair, blue eyes, is 5 feet and 10 1/2 inches tall, and weighs 145 pounds. He is very good in bookkeeping, and doesn't like prose and poetry. His favorite color is blue and his favorite radio program is Tommy Dorsey. Kenneth has the unique distinction of being the first graduate

of R. H. S. whose father was also a student of Supt. John J. Hoffman.

We hope you have learned a few facts and characteristics of the Seniors of 1943.

We have been trying to study for exams. We haven't yet received our invitations, and are waiting anxiously for them.

## JUNIOR REPORT

Here are a few poems we found: Early to bed, and early to rise; And you never get gypped by those roadhouse guys.

A man worthwhile, is one who grins When the Doc steps out, and shouts, "It's twins."

Mary had a little bird She basted it while humming. The turkey's size was quite absurd, But then, poor Mary hadn't heard That her husband's folks were coming.

Ruth, aged four, lives in the country. Seeing a speeding motorist leaving a trail of dust She ran to her mother saying: Oh, mother, that man scared all the dirt out of the road.

SOPHOMORE REPORT

By the time the readers of the Times see this in print most of our worries for this school year will be over; that is, state tests will be over.

It seems as if the Sophomores are beginning to write a few more extra assignments here lately. Are we any meaner, or are they catching up on us?

Pay Goes Up

The colored preacher called all of his flock together and before he started preaching he said: "Brothers and sisters, you know ah's been preaching to this congregation for about 60 years now, and every year at hog-killing time, all ah gets is pigs feet and mo' pigs feet. Now ah'm going to tell you folks some tin; if ah preaches to this congregation any longer, ah simply has got to eat higher up on dat hog!"

FRESHMAN NEWS

By the time this news appears in print we will have finished taking our State Exams. Here's hoping we'll all do well.

Margaret, who was that soldire boy who came to see you yesterday? Still mad at him?

"Alvin, what notice were you supposed to copy ten times? Better be careful."

Here are a few jokes we thought you would enjoy reading:

"What became of the hired hand you got from the city?"

"He used to be a chauffeur, and he crawled under a mule to see why he didn't run."

"This gas rationing has hit my uncle hard. Before it started he owned 10 gas stations and not one of them had a roof."

"No roof? What was the idea?"

"No overhead!"

REPORT OF ROOM III

The end of school is drawing nearer every day. We can hardly wait for the day to arrive. We hope each one will pass and enter into High School with a determination to do their best.

The Victory Club had a meet-

## Royal Canadian Air Force Hail Hitler—With Bombs

Guns must be right when Canadian bombers raid Germany. Sgt. Les Horn, of Virden, Man., a rear gunner with an RCAF Halifax squadron in Britain watches Sgt. A. T. Tschanter, of Washington, D. C., a U. S. member of the RCAF, clean them.

In passive pamphlet missions over Germany and in crushing four-ton "block buster" raids Canadians have winged their way to the most remote targets of Axis Europe.

In the vanguard of the men who carry war to the Axis deep into Europe were the men who went from Canada direct to Britain to enlist in the Royal Air Force.

Following them closely were airmen of the Royal Canadian Air Force, who, gradually after the start of the war began to augment the growing might of the R. A. F.

By June, 1940, the flow of airmen going overseas was increased to substantial proportions and the R. C. A. F. set up its first bomber squadron. This single squadron two and a half years later became the first Canadian bomber group.

For the first time after midnight of January 1, 1943, the first Bomber Group in R. C. A. F. history was created. Bomber stations, which had been operating previously under Royal Air Force Command, were instructed that henceforth they would come under the command of the new Group Headquarters.

Consolidating Experience There was more to placing the group in operation than the issuing of an order and the consolidating of R. C. A. F. bomber squadrons operating in Britain. For two months prior to January 1 the groundwork was being laid. Senior R. C. A. F. officers were being trained to assume their new duties and the administrative network of a highly intricate organization was being erected.

Airmen of the group will now operate giant four-motored and twin-motored bombers as a completely integrated unit, subject to the strategic direction of the Royal Air Force Bomber Command.

In the new Bomber Group, under Air Vice Marshal G. E. Brookes, Air Officer Commanding, are R. C. A. F. officers and men of wide experience in aerial warfare. Five members of the first Canadian bomber squadron are members of headquarters staff. Many of the senior officers of the Group have long hours of operation flying to their credit.

**GROW THEM YOURSELF.** Every day a vegetable or fruit takes to travel to your kitchen robs it of some of its goodness. Your surest way to get your full measure of flavor and the vitamins and minerals that come in these foods is to grow your own. Give your neighbor a hand with his garden, too, if you have a moment.

## Fresh Fruits, Vegetables in the Menu

Every day we must have some kind of fruit and a green or yellow vegetable in our diet to be sure that we are getting the right amount of vitamins and minerals that are required to keep our bodies well and looking their best.

When fruits and vegetables are gathered and shipped to other places they lose some of their food value. We get much more food value when eaten soon after they have been gathered from the garden. Now, we must help Uncle Sam in every way possible to help win the war. We can play a great part by protecting our own health thus leaving the doctors and nurses to help with the armed forces. We can do this by raising our own fruits and vegetables. The surest way to get your full measure of flavor and the vitamins and min-

erals that comes in these foods is to grow your own. Do not be satisfied with raising enough for yourself but try to include some for your brothers, fathers, and friends in the service. These can be canned and will aid Uncle Sam a great deal. Give your neighbor a hand with his garden, too, if you have a moment.

Mrs. J. R. Burnison and daughter, Mrs. Ariste Thompson, were business visitors in Wichita Falls last Saturday.

Mr. and Mrs. C. W. McCarty and daughter of Carlsbad, New Mexico, came in last Sunday for a week's visit with Mr. McCarty's parents, Mr. and Mrs. W. W. McCarty.

Miss Patsy Ruth Kirk visited with friends in Abilene over the week end.

Mrs. R. L. Ratliff and children, Jean and Charles, visited with relatives and friends in Bowie over the week end.

Carolyn Jones, daughter of Mr. and Mrs. Sebern Jones, left one day last week for San Antonio for a visit with their grandmother, Mrs. T. A. McCarty. Her mother took her to Throckmorton and visited with relatives there for a while.

Sermon text Sunday morning: "Behold the Man," Jno. 19:5.

Sermon text Sunday night: "The Foolishness of God is Wiser than Men," I Cor. 1:25.

You will receive a very hearty welcome if you come.

Minister Collins has returned home from a very successful revival at the North Oak Ave. Church of Christ in Mineral Wells and will preach at both the morning and the evening services next Sunday.

Sermon text for next Sunday morning will be: "Christ is All," Col. 3:11. Sermon text for Sunday night at 8:30 will be: "Make all things according to the pattern," Heb. 8:5. The public is cordially invited to attend all services of the church.

### AT THE METHODIST CHURCH Luther Kirk

Yes, Sunday is Mother's Day. What will it mean to your mother? Perhaps you will help to determine that, if she is living. Let's remember her first of all by attending the worship services in our churches. I think it will make her happy to know that we are participating

in the services of the Lord. And then make her happy with a little note expressing your love and appreciation for her through the years and now. Remember you have but one mother.

And another thing to remember is that you have only one Savior, and that every Sunday is the Lord's day. "Remember the Sabbath to keep it holy."

Wont you be found in your place in attendance at all religious services held in your church Sunday?

If you are not attending church elsewhere come and worship with us.

Sunday School at 10:00 A. M. Morning Worship 11:00 A. M. Youth Fellowship 6:30 A. M. Evening Service 7:15 P. M. The High School Octet will sing at the evening service.

### FIRST BAPTIST CHURCH

Next Sunday is Mother's Day. All the music will be furnished by Miss De Loach's high school chorus girls. We will greatly enjoy having these girls with us, and their singing will be highly appreciated.

In honor of our mothers and what mothers mean to the world let's find our way to the house of the Lord Sunday.

There will be no preaching service Sunday evening on account of the pastor being in the Commencement service at Sunset.

You are always welcome to any or all of our services.

W. H. Albertson.

Capt. Chas. L. Farrington, who has been stationed at Biloxi, Miss., came through here last Monday for a brief visit with relatives and friends. He was enroute to Salt Lake City, Utah, where he will be stationed in the future.

**BULOVA**  
 The Gift They Would Choose for Themselves

The graduate needs a fine watch! Give a Bulova—for style, dependability and value a Bulova watch is beyond compare.

W. W. McCarty Jewelry

**RUBBER**

HERE'S WHY YOU MUST CONSERVE IT . . .

We believe the war will be won largely through the uses of rubber! Stop and consider the vast amount of rubber that goes into a large bomber, excluding tires, and you will see the basis of this belief.

Conserve rubber by having your tires repaired and recapped the instant they need it. This will insure you continued operation with your old rubber, and conserving the new rubber for war uses.

We have superior equipment and expert workmen that can turn out 35 recaps every 24 hours. Money Back Guarantee on all our work. Our customer must be satisfied.

Bring us your Tractor Tires for repairing. We can handle them in any size.

Our new recapper, still superior to anything on the market enables us to handle this larger variety of sizes at less cost.

## Need Increases In Feed, Grain

COLLEGE STATION — Texas' 418,000 ranchmen and farmers have been sent an urgent plea to plant to the limit of critical war-crops and feed crops for livestock this year.

With spring planting well underway throughout the state, B. F. Vance, chairman, Texas USDA War Board declared here this week that "this is the most important planting season in American history and the number of acres to be planted still can be increased."

Asking farmers "to take an extra degree of chance and plant in full the acreage that would be handled under the most favorable circumstances," he said the War Food Administration, Washington, already was working on plans to organize latent labor resources to harvest this year's crops, that plans for more harvesting machinery were being drafted and that continued price supports at fair levels to minimize risks in the market place were being planned.

He explained that the recent Food for Freedom sign-up campaign in which increases in oil crops were stressed in no way minimized the importance of other essential crops, such as feed grains and hay.

"Texas ranchmen and farmers are not being asked to change their plans this year at the expense of oil crops for which need is even greater than feed crops, but at the rate corn, wheat, oats, barley and other feed grains are being consumed, we will need all the acreage to these crops that can be planted," he said.

He referred to a recent report from the Bureau of Agricultural Economics as basis for feed grain increases.

According to this report, producers who now are heavily stocked with cattle, sheep, hogs, and chickens will use as much grain during the current feeding season as was produced by the record crop last year when yields were approximately 10 percent above the average. He added that hog weights now are running 10 percent above normal while egg production per hen is about 12 percent and milk production per cow about eight percent above the 1932-41 average.

"Altogether it is estimated that the number of grain consuming

## THE POCKETBOOK of KNOWLEDGE

livestock for the calendar year 1943 will be 10 to 12 percent above the number for the calendar year of 1942," he said.

The report further indicates that unless additional sources of feed are developed or unusually favorable yields of feed grains are realized during 1943, livestock numbers will have to be leveled off and the products perhaps reduced, Vance declared.

The BAE report points out that the number of milk cows and heifers two years old and older kept for milk by the nation's farmers on January 1, 1943, was 26,946,000 head as compared with 26,398,000 head on January 1, 1942, while the total number of all cattle was 78,170,000 head on January 1, 1943, as compared with 75,162,000 head on January 1, 1942. During the drought of 1934, the total number of cattle was 74,369,000 head.

Total number of sheep and lambs on January 1, 1943, was 55,089,000 head, or slightly less than the 55,735,000 head on January 1, 1942, and the number of all chickens on hand January 1, 1943 was 540,107,000 or about 14 percent above January 1, 1942.

Production of hogs has jumped from 60,377,000 head on hand January 1, 1942, to 73,660,000 head on January 1, 1943.

Texas livestock producers now are carrying a total of 7,518,000 head of cattle compared to 7,444,000 head on hand January 1, 1942, while the total number of sheep on hand January 1, 1943 was 10,677,000 head compared to 10,552,000 head on January 1, 1942.

Indicating the increase in hogs in Texas, Vance said this year's total was approximately 2,655,000 head compared to 2,042,000 head last year and that the number of chickens now was 36,975,000 compared to 31,681,000 on January 1, 1942.

"Farmers still can increase the number of acres they plant to feed grains this year but in a few days it will be too late," he said and added that to off-set probable feed grain shortages the most efficient use must be made of every bushel of grain, every pound of hay and every acre of pasture.

## Club Members Of Union Grove Give Program

Twenty-one 4-H members of the Union Grove school presented a program to the Knox City Lions Club last Thursday.

The club members, who are sponsored by Mrs. Branton, gave one of their regular club meetings, with each member telling of his or her activities in the club to help win the war. All members are taking an active part in the Victory garden program and in the production of poultry. Some of the more special activities were the feeding of hogs by the self-feeder method and the feeding of protein supplement. Pigs that are being fed by this method are making splendid gains, according to reports of Herman Varnell, Leroy Russell and Jimmie Jones.

Seven of the boys are planting the new kind of grain sorghum (Bonita.) Each member will plant about two acres in an isolated place in the field and will make a special effort to produce enough of this new variety to furnish all the seed farmers might want in the Union Grove community for planting purposes next year. Boys planting this seed are Tommie Montandon, Jimmie Amos, Burton Denton, Hantus Peck, Leroy Russell, Kenneth Griffith and Fremman Varnell.

Tommie Montandon is president of the club; Leroy Russell, vice president, and Victor Contreras, secretary. These officers have the full cooperation of all other members, and they conduct a meeting in a manner that is equal to that of an adult club. The next meeting will be conducted by the girls, who are equally as efficient as the boys.

Miss Lucille King, home demonstration agent, gave the club members a demonstration on the proper method of setting out tomato plants in order to prevent damage from cut worms. She also gave a demonstration on the use of nicotine sulphate spray to control plant lice.

Juanita Allocks is poultry demonstrator, and Ruth Dane Denton is clothing demonstrator for the club.

Some of the special activities of the girls are: weaving bottoms for chairs, weaving hot dish mats, making pictures, sewing, gardening and poultry raising.

The boys and girls clubs are sponsoring a school Victory Garden to enable them to carry on their hot lunch project for the ensuing year. They are doing everything they can to help win the war effort by remodeling their chairs, thus making their homes more livable, and by producing more food and feed.

Pfc. Weldon Higginbotham, who is stationed at Camp McCoy, Wis., came in the latter part of last week for a visit with his parents, Mr. and Mrs. Glenn Higginbotham, and with other relatives and friends.

in-law. And a former employee of the Senate was killed in air activity over the British Isles. So, the current world-wide struggle colors most of the things we do, and the members genuinely hope that we reach the right solution to the multitude problems which come before us.

## ROAD CLOSED

Mrs. Mary Milford and Mrs. Bob Jarvis were business visitors in Seymour last Monday.

R. D. Gray spent the week end in Amarillo, visiting his son, Derrell, who is in training at the Amarillo Army Air Field.

Lee Haymes, George Hammett and W. C. Cunningham attended a Masonic meeting in Knox City last Monday night.

Mrs. M. L. Barnard visited with relatives in Gore last Sunday.

### TO SPONSOR DANCE

The Rhineland community is sponsoring a dance on Thursday night, May 6. Music will be furnished by the Miller Brothers of Wichita Falls. Everyone is cordially invited to attend.

Miss Zell Spann of Fort Worth visited her father, John C. Spann, and other relatives here over the week end.

Mr. and Mrs. J. C. Reagan and children of Fort Worth came in

last week for several days visit here with Mrs. Reagan's parents, Mr. and Mrs. R. F. Suggs.

Mr. and Mrs. Emmett Branch spent the week end in Amarillo, visiting with their son and daughter-in-law, Mr. and Mrs. Jimmie Branch. Jimmie is in training at the Amarillo Army Air Field.

Mr. and Mrs. Bob Jarvis visited with Mrs. Jarvis' children, Howard and Harline Thompson of Fort Belknap, over the week end.

## ASSOCIATIONS BUY GOVERNMENT BONDS

HOUSTON — Taking their part in the 13-billion dollar war financing drive, the 36 Texas production credit associations are investing approximately \$700,000 in War Bonds this month out of capital paid in by farmers and ranchers and earnings of the associations, according to President Virgil P. Lee of the Production Credit Corporation of Houston.

"In addition to this institutional investment, all of the associations," he said, "are participating in the War Bond financing in one way or another. Their 23,513 members, busy with essential war production, are buying bonds individually as well as through the investment of their associations' capital and surplus in bonds.

"The associations are sponsoring Victory Clubs to promote the sale of War Bonds. When a member purchases a bond through the associations or pledges to buy bonds with money received from sale of certain pledged products his name is placed on the association Honor Roll.

"Farmers and ranchers are ready to do their full part but their income is received at irregular intervals, which makes it difficult for them to participate in regular month-to-month buying," he said. "As they work out financing plans for the year, the associations are encouraging them to include regular bond purchases in their 1943 operating plans."

## Auction Sale Has Biggest Day In Many Weeks

The biggest auction sale in many weeks was experienced last Tuesday by the Munday Livestock Commission Co. in their new location, approximately one-half mile south of the old location. The move was completed last week, and everything was in readiness for Tuesday's sale.

A big run of cattle and hogs were sold during the day, with all classes of cattle selling about evenly with last week.

Day hogs sold from \$13.65 to \$23.85; sows, \$13 to \$13.50; canner and cuffer cows, \$5.50 to \$9.95; butcher cows, \$9.25 to \$10.50; beef cows, \$11 to \$13.80; beef bulls, \$11.50 to \$12.50; butcher yearlings, \$10.50 to \$12.50; fat yearlings, \$12.75 to \$15.50; ramble calves, \$9.25 to \$10; butcher calves, \$10.50 to \$12.50, and fat calves \$12.75 to \$15.

Several bunches of plain calves sold by the head from \$42.50 to \$47.50.

## Fishing Again At Ft. McKavett

A group from this section left last week, just prior to opening of the fishing season for Ft. McKavett, in Schleicher county, on their annual fishing trip on the San Saba river.

The group was somewhat smaller this year than in years past, when they would pitch camp on the San Saba the night before and wait for the fishing season to open. Yes, the group had dwindled some in past years, due, perhaps, to some moving away from this section.

But this year found that labor shortages due to the war compelled them to remain on the job, with point rationing, etc., taking up much of the time that had been devoted to fishing for many seasons. Among those locally whose business would not permit their absence at the opening of the 1943 fishing season were Dick Atkinson and Leland Hannah.

And this would have been their twentieth annual trip, they recalled somewhat regretfully. Not only would they fish at the quiet mouth of the San Saba, but the territory also furnished good squirrel hunting, and friends they'd gained over 20 years had property along the San Saba where many squirrels made their habitats!

But some did go, despite pressing business and other matters. They are Lyle Stodghill and W. H. Atkinson of Munday and Henry Atkinson of Haskell. And when they get back home they'll likely tell those who had to stay on the job some fishing stories that will top any of the past 20 years!

Pfc. Guy Hardin came in the latter part of last week from Salt Lake City, Utah, for a visit with his mother, Mrs. Nell Hardin. He was being transferred to Sioux City, Utah, for further training.

I GIVE YOU TEXAS by BOYCE HOUSE

Texas has many large and medium-size cities—but there was a time when the third best "one-night show town" in the State was a place with only 6,000 inhabitants—Eastland.

C. U. Connelley, founder of the town, used some of his oil wealth along in 1919 to build what was perhaps the biggest and finest theater between Fort Worth and El Paso. After the boom, the show-house came under the management of A. C. Stalcup, an alert showman, who capitalized on the seating capacity and the network of good roads that linked Eastland to many nearby towns: Cisco and Ranger were only 10 miles and Breckenridge, Brownwood and Abilene were not more than 80 minutes away.

The first big road show to play at the Connelley was "Up in the Clouds"—and your columnist saw the attraction from the very top row in the gallery—that was almost being "up in the clouds!"

Stars whose names were famous a generation ago trod the boards of the Eastland playhouse. Margaret Anglin appeared in "The Woman of Bronze." Willie and Eugene Howard—they're still Broadway favorites—headed a big musical revue. Raymond Hitchcock, one of the great comedians of all time, brought "Hitchey-Koo."

He had attended the Rotary luncheon at noon, and then that night he stood in front of the stage as the audience was filling in and greeted the mayor and other leading citizens by name. They were flattered, of course, and the crowd applauded. Afterward, it was learned that the secretary of the club was seated only a foot from Hitchy and murmured the names as the celebrities entered!

The biggest rival of Ziegfeld's Follies came to town—the New York Winter Garden's Passing Show, and that afternoon the bankers and oil men loaded the 50 lovely chorus girls in automobiles and took them for a tour of the oil field.

Capacity audiences thrilled to the melodies of "Blossom Time," laughed at Laases White's minstrel and chilled at such mysteries as "The Bat" and "The Cat and the Canary."

Scenery, costumes and companies of these road shows were the same as were seen in such metropolises as St. Louis, New Orleans and San Francisco. The size of the stage and its equipment were such that elaborate lighting effects were possible. Broadway was brought into the land of derricks and mesquite.

All of this was many years ago. Memories cling about the old stage and perhaps it has ghosts of light-footed dancers, glorious-

Shine Phillips of Big Spring, druggist-author of the humorous and successful book, "Big Spring," sends one of the letterheads of George Melstine of Sterling City. It reads:

"U Ranch—established in 1876 by D. H. Earnest and W. J. Holland.

"Weather Forecast by Uncle Bill Kellis:

"Today, Fair, dry and windy.

"Tomorrow, Fair, windy and drier.

"Sunday will be a clear, dry day.

"All the rest of the week will be like Sunday, only a little drier,

dastier, sandier, windier. There won't be any rain to speak of during the entire week."

And the ranch motto is: "Thankful for rain or a calf any time."

Guy P'Pool of Orange, Texas, and Casey P'Pool of Longview spent the first of this week visiting with their mother, Mrs. Ethie P'Pool, and with other relatives and friends.

A new type of respirator for soldiers operating in either dusty or smoke-filled areas has been developed and has already been issued in quantity to our forces fighting on desert fronts.

IT PAYS TO ADVERTISE

## W. C. Kimbrough Now With State Welfare Dept.

AUSTIN — W. C. Kimbrough of Munday has accepted a position with the State Department of Public Welfare as Senior Field Worker and assumed his duties in Pampa on May 3. Mr. Kimbrough was born and reared in Buffalo Springs. He is a graduate of Bellevue high school and North Texas State Teachers College. He also took an M. A. degree at Hardin-Simmons College. Prior to his selection by the welfare department through a Merit System examination he was public school superintendent at Sunset, where he served as school principal for nine years before becoming superintendent in July, 1942. In preparation for his new duties he has just completed four weeks of training in Austin and Ft. Worth.

The new worker will help administer the Old Age Assistance, Aid to the Needy Blind, and Aid to dependent children programs. These programs, being financed jointly by federal and state money, grant assistance to aged persons who have reached their 65th birthday, to blind persons who are at least 21 years of age, and to children under 14 who have lost the care or support of one or both parents through death, continued absence from the home, or physical or mental incapacity of the parent. In order to secure federal funds the state is required to grant aid only to those persons found to be in necessitous circumstances and who qualify under other provisions of the law.

## Women May Enroll For Signal Corps

Announcement is made by the Recruiting and Induction Section of the Eighth Service Command that a limited number of women will be accepted into the WAAC for special service with the Signal Corps of the Army.

The women will be enrolled in

the WAAC but placed, on inactive duty status while in attendance at one of the Signal Corps Training Schools. While attending school the trainee will be on the Signal Corps payroll as a Civil Service employee at \$1020 per year for the first three months and \$1440 per year for succeeding months.

Upon completion of this course, approximately six months, the trainee will be sent to one of the WAAC Training Centers for basic training and then assigned to duty by the Chief Signal Officer.

It is planned to use this personnel as radio operators, radio repairs, radio telephone operators and teletypewriter operators.

Th successful applicants for this course will be known as WAAC Signal Corps Trainees.

Only 1080 women in the country will be enrolled under this plan, and of this quota only 120 will be accepted in the Eighth Service Command which comprises the states of Texas, Oklahoma, Louisiana, Arkansas and New Mexico.

Age and physical requirements are the same as for the WAAC, 21 to 45, but the educational requirements are that applicant must have at least a high school education. Full details of the plan can be obtained from any U. S. Army Recruiting Office or WAAC Enrolling Station.

Mr. and Mrs. Sied Waheed and family visited with relatives in Hamlin last Sunday.

## Benjamin Boy Is Graduated From Glider School

SHEPPARD FIELD, Texas—Pfc. C. W. Harbert, Jr., son of Mr. and Mrs. Wallace Harbert, of Benjamin, Texas, has graduated from an intensive course in Glider Mechanics and now is prepared to blast the Axis as one of America's "commandos in coveralls."

Sheppard Field, near Wichita Falls, Texas, is one of the many schools of the Army Air Forces Technical Training Command which trains the specialist technicians to maintain our mighty air armada. He is now eligible to win a rating as a corporal or sergeant and to play a vital role in a new, pioneering branch of service—gliders.

Before entering the school, he was trained at one of the basic training centers of the Army Air Forces Technical Training Command and learned to fight the Axis with other things besides the tools of his trade.

Mr. and Mrs. O. L. Jamison of Knox City were here Wednesday, visiting with friends and attending to business matters.

V. C. Wiggins and Kenneth Fox of Odessa spent the first of this week here, visiting in the home of Mr. and Mrs. M. F. Billingsley.
