Freshman News

The Freshmen have gotten their pictures that we had made quite a few days ago. We were all busy exchanging them with others.

We are studying graphs in Algebra, and are they dealing with some misery, about different things and their relationship to each other in size, amount, and price.

We have been weaving designs in Homemaking. This is quite hard but some of the class have made some very attractive designs.

We are reading the biographies of important people in English. They are quite interesting but we think that the biographies of the members of our class would be more interesting to us.

In Science, we are studying heredity and we can't figure out why some people think that we descended from monkeys.

Sophomore News

I think everyone was excited Monday morning because of the fact that our pictures were here.

In literature, we are studying about strange adventures which has proved to be very interesting because some of us have had some very strange adventures ourselves.

Our Biology is about the relation of plants and animals to their environment.

The French revolution is the main topic in history and did anybody even know that there were so many Fredericks in history and the difficulty in telling them apart?

Our class has had a good attendance record.

Junior News

Everyone is in an excited mood this week as the pictures came in but we are still looking for our class rings. They are really important to us.

In Plane Geometry we have taken up a new chapter on proportion and proportional line segments.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Canada and U.S. Cooperate at Home and Abroad

An American, a Canadian and a French poodle named "Dingo" got together recently in England for a picture to demonstrate the intermingling of nationalities, which is today such a feature of the Royal Canadian Air Force. On the left is Flying Officer O. J. Eskil of Iron Mountain, Michigan, and at right is Pilot Officer A. E. "Nobby" Clark of North Bay, Ontario, Canada. They met first in the Aleutians when they were members of an RCAF fighter squadron on Pacific Coast patrol. Now they are squadron-mates in the Tactical Air Force in the United Kingdom. "Dingo," who is the squadron's mascot, is 3 1/2 years old, and is mighty proud to be a pal of these boys of adjoining nations across the sea.

In addition to the fighting Canada and the United States found it advantageous to join forces on the home front in the fields of defense, economics and war production through the following committees:

- Permanent Joint Board on Defense
- Materials Co-ordinating Committee
- Joint Economics Committees
- Joint War Production Committee
- Joint Agricultural Committees
- Joint War Aid Committee

And just recently it was announced that Canada's legation at Washington and the United States legation at Ottawa would be raised to the status of embassies.

Thus the Canadian embassy is the first to be established by any British country other than the United Kingdom.

Goree News Items

Mrs. J. M. Pearson of Abilene visited her parents, Rev. and Mrs. S. E. Stevenson last week. She left Saturday for San Francisco, Calif., to join her husband who is a gunner's mate second class in the navy. Pearson has had two years of action in the Pacific and has been assigned to shore duty at San Francisco.

Mrs. Jack McCluskey left last week for Dallas, where she has accepted a position in defense work. Her husband, Pvt. McCluskey, is stationed at Fort Knox, Ky. Their two small daughters are making their home with Mrs. Cluskey's parents, Mr. and Mrs. J. C. Martin of Goree.

Mrs. Virginia Byford of Los Angeles, Calif., was a visitor here recently with her parents, Mr. and Mrs. W. F. Franklin.

Mrs. Shirla Spann and Miss Lucy Jo Polson of Fort Worth were week end visitors with their parents, Mr. and Mrs. Sid Polson. They are doing their part in helping to win the war by being engaged in defense work and buying bonds every week. Sgt. Spann is serving overseas, having been across almost two years.

Mr. and Mrs. Orb Coffman and daughter left Wednesday for Booneville, Mo., to visit their son and brother, Jack, who is attending Kemper Military College.

Mr. and Mrs. George Webber were business visitors in Wichita Falls last Monday.

Mrs. Pete Cook and children of Anson and Mrs. W. C. Barlay, also of Anson, were visiting relatives here and at other points last week. They came at this time for a family gathering in honor of Oliver Rister, who is home on furlough. The gathering was held at the home of Mr. and Mrs. Warren Rister, south of Goree. A number of friends were present Sunday. Oliver expects to be sent to foreign service soon after his return to his post of duty.

Mr. and Mrs. W. O. Lewis have returned from Abilene where they visited Mr. Lewis' aunts, Mrs. C. H. Martin and Mrs. Mary Hill.

Recent visitors in the Lewis home are: Mr. and Mrs. Elmer Moody and little daughter and Mrs. Mary Imes and daughter, all of Grand Prairie; Pvt. and Mrs. Jess W. Imes of St. Petersburg, Fla.; Mr. and Mrs. G. C. Brocket of Munday and Miss Oletta Collins of

Three Companies Are Named In Tax Suit By State

Grover Sellers, Attorney General for the State of Texas, announced in Austin last Friday that he had filed an anti-trust suit in the 119th District Court at Ballinger, Texas, against Fairbanks-Morse and Company of Illinois, with offices in Dallas; and the Universal Electric Construction Company of Alabama, with offices in Houston; and the H. B. Gieb Company, a Texas Corporation, headquartered in Dallas.

The Attorney General asks for penalties in the maximum amount of \$5,700,000, and for a permanent injunction cancelling the permit of the defendants to do business in Texas. The penalties asked by the state are based on the statutory penalties of from \$50.00 to \$1,500 a day from September 1, 1940, to the present.

The Attorney General, in his petition, alleges that these three companies conspired "to furnish equipment and sell Fairbanks-Morse diesel engines and equipment to various municipalities in the State of Texas, to the exclusion of all other brands and makes of engines and equipment; and further, to control the municipal elections and to determine the plans and specifications and the bidding of such construction in the cities of Jasper, Angleton, Sonora, and the city of Winters. Each of the above municipalities and cities being located and situated in the State of Texas. Thereby eliminating all competition in the sale of equipment and in the construction of municipal power plants in the cities herein named."

The Attorney General's petition further points out that the defendant, Fairbanks-Morse Company, has engaged in the business of selling diesel engines and the construction of municipal power plants in the State of Texas for a period of ten years or more; the defendant, the Universal Electric Construction Company, has been engaged in the construction of municipal electric and other utility construction for municipalities in Texas for the past four years; and that the H. B. Gieb and Company is an engineering corporation which holds itself out as an independent consulting engineer, and has, for the last four years, been engaged in the preparation of plans and specifications for the construction of municipal utility plants. These defendants have occupied a dominant position in the business of constructing municipal utility plants in Texas since about the first of January, 1940.

Mr. and Mrs. David Josseloff of Sierra Blanca visited in the home of Mr. and Mrs. Joel Massey and with other relatives in this section over the week end.

Joseph Jungman Now In Amphibious Forces Of Navy

Joseph Wallis Jungman S-2-C, whose family resides at Knox City, Texas, is now an integral member of the Amphibious Forces of the United States Navy.

At the completion of his preliminary LST training at the Amphibious Training Base, Camp Bradford, N. O. B., Norfolk, Virginia, Joseph W. Jungman has been assigned to the crew of an LST for active duty.

The LST is especially constructed for the transporting of troops and heavy equipment. It has a bow that can be opened when it comes into the beach which enables men and equipment to land ready for action. This type of amphibious craft is as large as a destroyer, and it is the largest of the amphibious ships capable of making landings directly on the ocean.

Like the Naval Air Force and the Submarine Service, the physical requirements of the Amphibious Force are greater than for the other branches of the Naval Service. To qualify for assignment to any of the amphibious craft, a candidate must successfully complete a thorough and varied curriculum.

The Amphibious Force is one of the branches of the Navy that is now playing an important role in carrying the attack to the enemy. In every landing that has been made to date, the Amphibious Force has carried the men and materials into the beaches, such is the quality of the training given to both officers and enlisted men, and the sturdiness of the craft which they operate.

Mrs. Leon Partridge and little daughter, Margaret Ann, left last week for Houston to join their husband and father, who is stationed at a training camp near Houston.

Billy Lytle of Plainview, formerly of Goree, left February 26 for the U. S. Navy and is now stationed in California. His complete address is: William Franklin Lytle, 44-107, U. S. Naval Training Station, San Diego, 33, Calif. His wife and two little daughters, Jarvis and Nelda, will continue to make their home in Plainview.

G. S. Dowell, vocational agriculture teacher, was among local people who attended the district calf show in Wichita Falls last Thursday.

Mrs. Travis Martin and two daughters, Alice Ann and Gloria, of Seymour visited with Mrs. Martin's parents, Mr. and Mrs. Marvin Reeves, the first of this week.

Mrs. J. C. Harpham, Mrs. Doris Rogers and son, Bill, and Mrs. Wade Mahan were business visitors in Abilene last Saturday.

Sewing Machine SALE

NOTICE IS HEREBY GIVEN, that the Commissioner's Court will sell all sewing machines owned by the city, which are not being used by the RED CROSS sewing rooms, at public auction, on the 10th day of April A. D. 1944, the same being the regular meeting of the Commissioner's Court in April. Said sale to be held at 2 o'clock P. M. at the Court House and all parties interested in buying a sewing machine may bid at said sale.

THE EXPIRATION DATE ON YOUR PAPER!

Due to restrictions on production of newspaper, we are forced to cut down on the numbers of papers being printed whenever possible.

It is not our desire to stop the Munday Times now going to our regular subscribers, so you are urged to renew your paper ahead of the expiration date in order to keep it coming to you. Should your name be removed from our mailing list, it might not be possible to place it back on in the future.

If the date 2-15-44 appears opposite your name, your paper expired on February 15, 1944. Your cooperation in renewing before that date will be appreciated.

THE OLD JUDGE SAYS...

"Sorry Judge, my shipment of suspenders still hasn't come in. Some articles are mighty scarce these days. I don't get anywhere near as much as I could sell."

"With the war going on, Frank, we've got to expect those things. It's true of luxuries just as it is of necessities. Take whiskey, for example. There's a real shortage in that. It's to be expected when you realize there hasn't been a drop of it distilled in this country since way back in October, 1942.

"The only thing distillers have been making during that time is war-alcohol for the Government. So, I wasn't surprised a bit to read how bootlegging and black markets have sprung up around the country as a result of the dwindling supply. Our 13 years of prohibition proved that if folks can't get legal whiskey, they'll get illicit whiskey. Sure hope the shortage doesn't last too long. I'd hate to see this country turned over to the bootleggers again."

At The Churches

PRESBYTERIAN CHURCH

Dr. William N. Sholl of Haskell preaches here each Sunday morning at 9:30 a. m.

Our church is located on the Main street of Munday and has an attractive auditorium with added Sunday school facilities. The Auxiliary meets on Mondays and is accomplishing a good work. All Presbyterians living in Munday and surrounding country are urged to attend our services. A very hearty invitation is extended to all visitors, especially those who have no regular church home.

BENJAMIN METHODIST CHURCH

J. P. Patterson, Pastor

CALENDAR

Preaching Second and Fourth Sundays at 11:30 a. m.
Church School, 10:30 a. m. each Sunday.

FIRST BAPTIST CHURCH

Are you hearing Bro. Crimm's preaching this week? He is ringing true. If you are missing these services it is distinctly your loss. We urge you to come to every service. Be sure to come Sunday morning.

Our Sunday school attendance should push up considerably. Come to the services. You will enjoy the preaching, singing, and the fellowship, and will receive a spiritual blessing.

W. H. Albertson.

AT THE METHODIST CHURCH

Luther Kirk

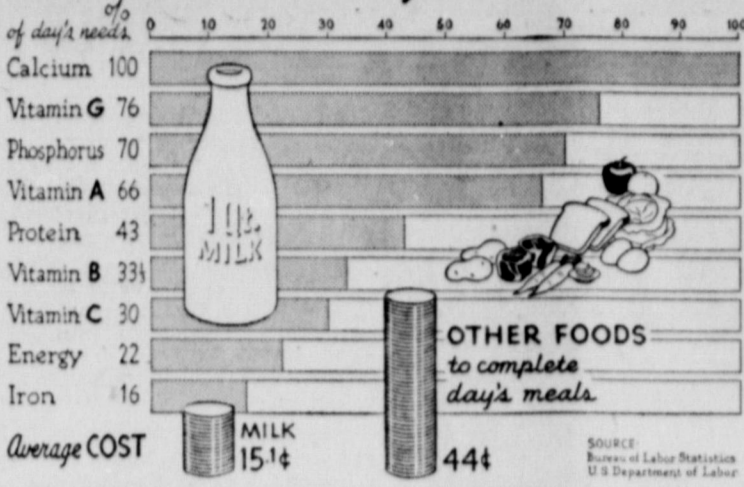

I have been missing a lot of folk as I attend the revival services being conducted at the Baptist church each evening. Some folk that I sincerely think would profit by attending. I trust that if you can't see your way clear to come and participate in the services with us that you will pray sincerely for the success of the efforts being put forth. Is your husband, wife, son, daughter, father, and mother christian? If not they are lost. It doesn't matter how good they are, for how long they are, without Christ they are lost. "Jesus came to save—I save the lost." If yours are lost do you care? How much do you care? What are you doing about it?

We would like very much to have your co-operation in building for a better tomorrow. Help us to make this non-denominational revival meeting count for the most by doing your best.

Did you back your pastor last Sunday? Did you represent your church and your Christ in such way as to make your neighbor think that the Religion of Jesus Christ means very much to you? I know a lot of folk who didn't. Isn't it easy to let the Devil do the suggesting, and then after a slight debate with self, follow his suggestions? Too often his suggestion is made through the individual you think to be your best friend.

If every other person were as zealous for the Lord as you, were

MILK Cuts Food Costs

"Milk does more for the body than any other food and does it more cheaply." That statement by the Bureau of Home Economics of the U. S. Department of Agriculture is forcefully illustrated in this National Dairy Council chart showing the high percentage of each of the daily food elements which are provided by a quart of milk and the other foods necessary to complete daily dietary requirements.

The average cost of a quart of milk delivered to the home in the United States is 15.1 cents. The average cost of other foods needed to complete an economical diet and provide the balance of the nutrients needed daily is

about 44 cents. Rising food costs together with the necessity of maintaining the best possible wartime diets are now giving added emphasis to the economy of milk.

The foods making up the meals used as a basis for this chart are as follows: Breakfast: fruit, whole-grain cereal with milk and sugar, whole-wheat toast with butter, milk, and coffee with cream and sugar. Lunch: macaroni with tomato sauce, whole-wheat bread with butter, fresh apple, oatmeal cookies and milk. Dinner: meat stew with vegetables, cole slaw, whole-wheat bread with butter and jam, coffee with cream and sugar, junket and milk.

as punctual in attendance of the religious services as you, really cared just as much as you care, how long could we maintain our churches and enjoy the society that the church has given us?

Worship somewhere Sunday. If you are not worshipping elsewhere we invite you to worship with us. Sunday school 10 a. m. Morning worship 11 a. m. Youth Fellowship 6:30 p. m. Evening services 8:15 p. m. at the Baptist church.

ED LANE, Manager

Price Control Check Of Food Stores Slated

Beginning Monday, March 20, and continuing throughout the week, a price control survey of every food store in Knox county is to be conducted by volunteer workers of the Knox County War Price and Rationing Board, M. F. Billingsley, board chairman announced today. The check is part of a nation-wide survey and calls for more than 10 Price Panel representatives to check the grocery stores in this county.

Although the basic purpose of the store survey is to obtain better compliance with price control regulations by helping retailers to understand these regulations, Mr. Billingsley emphasized that the drive also will serve to protect both store keepers and their customers from unfair competition by black market operators.

"OPA Washington and Regional Officials can help us by providing rules and regulations but they cannot actually make price control effective in Knox county," the chairman declared. "That job can only be done by a thorough understanding of and compliance with the regulations by the merchants and consumers of Knox county," said Mr. Billingsley.

The initial move in the store survey will send volunteer price panel representatives into more than 30 food stores here during the week of March 20. Their duties will include: (1) Assisting merchants to understand the regulation which requires that they have posted in a prominent place the dollar and cent ceiling prices of most of the items in their stores including groceries, meats and soaps. (2) Comparing the retailers' selling prices for a selected list of foods with the official OPA ceiling prices.

"The shortage of help and the increased volume of business for most retail food dealers in Knox county has made it difficult for many grocers to keep up with OPA's requirements," Chairman Billingsley stated. "Many of my grocer friends have indicated to me that they will be glad to have this help from these volunteer representatives of the local board," he continued. The honest merchants are anxious to see 100 per cent compliance with all price regulations because they understand that it will protect them from sky rocketing prices and the inevitable depression to follow. "None of us want to go through another 1929," Chairman Billingsley said. "And we can be assured of not doing so by making price control actually effective."

The nation-wide store survey provides for a schedule divided into 4 specific periods as follows: (1) First survey from March 20-25. (2) A follow-up check of stores found in violation on the first store survey, during the week of April 3. (3) Compliance conferences during the week of April 10 between Knox County Price Panel and store keep-

ers that brings to mind boyhood days when an orange in a stocking on Christmas morning was a real event. Nothing could more graphically show what improved marketing, improved transportation—in short, private enterprise has accomplished than this marvelous change in the span of forty years.

Political Announcements

The Munday Times is authorized to announce the following candidates for office in Knox County subject to the action of the Democratic Primaries:

For County Treasurer:

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

Who Must File Declarations

The following persons must file a declaration of estimated income and victory tax for 1944 on or before April 15—single persons (or married persons who have separated) who expect to receive more than \$2,700 of wages subject to withholding or more than \$100 from all other sources, provided total income is expected to be \$500 or more; married persons if they expect to receive more than \$3,500 of wages subject to withholding or more than \$100 income from all other sources, provided that their combined total income is expected to be \$1,200 or more or his total separate income is expected to be more than \$624. Blank forms are to be distributed by the Bureau of Internal Revenue late in March.

New Farm Gasoline Rules

To aid the drive against the Black Market in gasoline the Office of Price Administration announced that after April 1 the five-gallon "R" coupon will be invalid at filling stations and may be used only by those who buy gasoline at bulk plants or who have it delivered into storage tanks on their premises. Farmers buying most of their gasoline at filling stations have until April 1 to exchange at local boards their "R" coupons for "E" coupons, which will be accepted at filling stations. After March 15, "R" and "E" coupons in all cases must be endorsed whether for gasoline delivered into storage tanks or picked up at filling stations. However, to ease the task of endorsing these coupons, the consumer buying a large quantity of gasoline may endorse a whole strip or block of coupons with a single signature and address written across the required number of coupons given as a unit for his single purchase. For one gallon he continues to endorse one "E" coupon.

Reduces Ceiling On Flour

The OPA has reduced the ceiling price on all enriched flour by five cents a hundred pounds. About 75 per cent of all family flour is enriched.

Prices On Used Photo Equipment

Reconditioned used photographic equipment, (still and movie cameras, projectors, lenses, range finders, etc.) must sell for no more than 75 per cent of the March, 1942, ceiling price of the new articles, the OPA rules. A 30-day guarantee of free repairs and replacements of defective parts must accompany this equipment. Other used equipment sold "as is" must sell for no more than 33 1-3 per cent of the ceiling price of the new

article, and need not be guaranteed.

Ammunition Saved For Farmers

While it is possible that by fall there will be sufficient rifle and shotgun ammunition for game shooting, the WPB said that for the time being none can be spared from supplies needed by farmers to protect crops and livestock. No ammunition will be made available for amusement purposes.

Addressing Letters to Seamen

Many letters to seamen are being improperly addressed, often in violation of national security rules, the War Shipping Administration reports. The address of the steamship company, a specific street address, or a place name of a foreign country should not be given. The proper form to be used is—Seaman's Name, name of ship, care of Postmaster San Francisco, New York, or New Orleans, (depending on coast from which addressee sailed.) The return address of the writer should appear in the upper left corner with the name of the Steamship Company in the lower left corner.

150,000 Planes Since March, 1941

Of the 150,000 planes produced by the United States since March, 1941, the U. S. has retained 122,000 for its own use and has shipped 28,000 to its Allies, the Foreign Economic Administration has announced. The Allies paid cash for almost 7,000 planes and received more than 21,000 under lend-lease. The British and Russians produce most of the planes they are using, but American lend-lease planes with British, Norwegian, Polish, Czech, and other allied pilots are playing a vital role against Germany.

Promote Unrationed Foods

To increase the consumption of unrationed foods, the Retail and Wholesale Food Distributing trade and the restaurant and hotel industry are conducting a campaign that will reach its peak during March and April. Foods to be specially emphasized are oranges, potatoes, eggs, breakfast cereals, enriched bread, soy flour and grits, macaroni, spaghetti, egg noodles, crackers, orange and grapefruit marmalade, peanut butter, and coffee.

Round-Up

Total U. S. war casualties as announced March 9 by OWI were 162,282—including 37,853 dead, 57,228 wounded, 35,565 missing and 31,636 prisoners of war.

WPB announces that—the ban on two-trouser suits, trousers with pleats, vests with double-breasted

People, Spots In The News

POLITICIAN—Virginia Bruce, Hollywood screen star, is on the ballot for a seat in the California State Legislature, representing her district of Santa Monica.

OLD AND NEW—Pvt. Kenneth Tracy (left), dressed in ancient armor shakes hands with Pvt. Lee Morris, who models body armor worn by Army Air Force fliers as protection against flak. The helmet and apron-like outfit are made of steel, covered with cloth to prevent fliers' hands freezing to the steel in sub-zero temperatures. Weighs nearly 25 pounds.

ICY CHRISTENING—During the season's worst blizzard, the glamorous singing star, Hildegard, christens a replica of a PCE (patrol craft escort) boat presented by Pullman-Standard Car Manufacturing Company to the Great Lakes, Ill., Naval Training Station for training purposes.

Mr. and Mrs. G. R. Eiland spent the week end in Dallas, visiting their daughter and family, Dr. and Mrs. James N. Walker and two children.

Mr. and Mrs. Don L. Ratliff and little son, Tommie, attended the fat stock show in Fort Worth over the week end.

Mrs. O. A. McBrayer of Abilene visited her parents, Mr. and Mrs. Walter Sherrod, over the week end.

Deaton Green of Seymour was here Monday, visiting with friends and attending to business matters.

LOCALS

Davie Lee Morgan and Fred Searcy attended the fat stock show in Fort Worth last week end. They also visited with Brice Dobbs, Jr., while there.

Miss Patsy Ruth Kirk, a student in McMurry College, Abilene, visited her parents, Rev. and Mrs. Luther Kirk, Saturday night.

R. L. Ratliff and W. E. Moore attended the district calf show in Wichita Falls last Thursday.

Mr. and Mrs. C. P. Baker and son, Kenneth, Mrs. E. C. Henry of Floydada, and Mr. and Mrs. W. R. Moore attended the Southwestern Exposition and Fat Stock Show in Fort Worth over the week end.

Mr. and Mrs. Arthur Mitchell and Mr. and Mrs. H. A. Pendleton attended the fat stock show in Fort Worth over the week end.

NOTICE

The Hood school teacherage, a 4-room building in good condition, will be sold at public auction at the City Hall in Munday at 3 p. m. Saturday, March 18.

LETTERS FROM THE PEOPLE

AARON WALLACE WRITES FROM ITALY

Somewhere in Italy, Feb. 29, 1944.

Dear Editor:

Knowing that the people at home are always anxious to hear from their boys at the front and to have them relate some of their experiences, I thought you might be glad to get this letter.

But first, let me say that we are proud and pleased with you people back home for the excellent job you are doing. Only true patriots with their hearts with their country and their fighting men could maintain such a splendid record as you have set. Our job here is made easier by knowing you are backing us with the best you have.

Of course, war in no form is easy. And we do have the mud and fleas and itch and pain and death that you hear about.

My job is driving a front-line ambulance, and I live close to the suffering of my fellow soldiers. I would like to tell the people of my neighborhood, though, that regardless of how badly our men are hurt I've yet to hear an outcry from one of them. And, mister, that takes guts!

Recently, while driving close to the front, I had my ambulance knocked out by a German shell. Fortunately, I wasn't hit. I doubt, though, if any man has been more scared than I was. I don't believe any man has ever gone into combat without being scared.

In closing I wish to say, keep up the good work, and we will do the same.

Sincerely,
Pfc. Aaron A. Wallace.

Mrs. J. D. Brookreson of Seymour spent Saturday here, visiting with friends and attending to business matters.

E. Q. Warren of Knox City and Wade Mahan were business visitors in Abilene last Monday.

Mr. and Mrs. C. P. Baker and son, Kenneth, spent Wednesday of last week attending the district calf show in Wichita Falls.

Mrs. Sam Salem and Mrs. Edward Lake and little daughter returned home last week from several days visit with relatives in Lubbock, O'Donnell and Levelland.

P. V. Williams spent the latter part of last week in Dallas, booking coming attractions for the Roxy Theatre.

Mr. and Mrs. J. Arthur Smith and daughter of Lorenzo spent the week end here, visiting relatives and friends and attending to business matters.

Mr. Hal Fairman of Knickerbocker visited her son-in-law and daughter, Mr. and Mrs. Arthur Smith Jr., and other relatives and friends here the first of this week.

CARD OF THANKS

We wish to thank each and every person who had a part in this, our deepest hour of sorrow.

We thank you for your flowers, your beautiful thoughts, your heartfelt telegrams and your kind expressions of sympathy expressed in words or in action. We deeply appreciate you.

Mrs. I. L. Hudson and Children, C. G. Hudson and Children.

Attention, Farmers!

We have just received a very nice shipment of stalk cutter materials and have a few cutters ready for use. Come in and see them should you be in the market.

We also have a good stock of go-devil blades, opening and covering plows.

For your further information we have been very fortunate in securing the services of Mr. Lee Colvin who has been in the blacksmith business at Durant, Okla.

We will appreciate your business and we guarantee to render you good prompt service and high quality workmanship at right prices.
