KEEP ON... Backing the Attack! WITH WAR BONDS

VOLUME 40

MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, JANUARY 4, 1945.

NUMBER 27

W. H. Atkeison, Pioneer Passes Here Wednesday

Funeral Slated For 2:30 On Friday

A life of usefulness, and one that has blessed many people of Knox county, was ended at two o'clock Wednesday morning, when death came to W. H. Atkeison, pioneer grocer of Munday.

Mr. Atkeison had been in failing health for some time. He was brought home Tuesday from the Knox county hospital, where he underwent treatment for pneumonia, and at 7:45 that night he suffered a cerebral hemorrhage which resulted in his death.

Mr. Atkeison was born February 24, 1872, at Somerville, Tenn., and was 71 years, 10 months and 9 days of age. He first came to Knox county in 1894, and had made his home here continuously since 1906.

Until a few years ago, Mr. Atkeison was active in Atkeison's Food Store, which he and a son, R. D. Atkeison, have operated for the past thirty-two years. He also had been a director of the First National Bank in Munday since 1932.

Holland Rites Held On Thursday

Sam W. Holland of Haskell, well known in this area, passed away on Tuesday, January 2, at the Knox county hospital, where he had been taken for treatment.

Born on August 1, 1879, Mr. Holland was 64 years, 5 months and one day of age. He had resided in this area for many years, and for the past several years was employed by the Ideal Security Life Insurance Co. of Anson.

Immediate survivors include two daughters, Mrs. Frank Tate of Haskell and Mrs. Ben Maples of San Bernardino, Calif.; a grandson, Sonny Tate of Haskell.

Funeral services were held at the First Baptist church in Haskell at 10:30 o'clock Thursday morning, with burial in the Willow Cemetery at Haskell.

Former Goree Boy Missing In Action

"The Secretary of War desires me to express his deep regret that your son, Pvt. Cletis W. Donoho, has been reported missing in action since 29 November in Germany. If further details or other information are received you will be promptly notified."

This is the message received by Mr. and Mrs. D. R. Donoho of El Cajon, Calif., former residents of Goree. Cletis was reared near Goree. He enlisted in the infantry eleven months ago and landed in France about two months ago. This was the first word they had heard from him since November 21.

Mr. and Mrs. Donoho recently returned to Goree to make their home.

Munday Lieutenant Fights Nazi Patrol

Roer River Front, Germany, Jan. 3.—Lt. Everett E. Pruitt of Munday, Texas, got his 24-hour pass and a hot bath but he earned it the hard way.

The pass was not long enough to get out of Germany but it was long enough for the bath.

Briefly here is what the former University of Texas student did to earn the pass.

He led a patrol across the Roer river in bright moonlight through 400-yard deep mine fields into enemy positions.

Brought three wounded men back over the same route under mortar rifle, machine gun, and artillery fire.

Single-handed and armed only with a carbine and a few hand grenades fought a delaying rear action engagement with an entire German patrol unit until his men could get back safely across the river.

Brought himself back, missed one of his men and started back to find him but discovered the man had swum across.

When he had time to draw his breath he found a German grenade had exploded so close that it had torn five holes in his uniform.

Funeral For Omer Reid Held Here On Sunday

Omer Reid, well known farmer of this area, passed away last Saturday morning at the Knox county hospital. Mr. Reid had been very ill for about two weeks and had been under treatment at the hospital during this time.

Born on February 21, 1889, Mr. Reid was 55 years, 10 months and 9 days of age. He moved to Munday with his parents when he was four months of age. He was one of the area's successful farmers.

A veteran of World War I, Mr. Reid left Munday with the county's first contingent to enter the service. He served some time overseas and received his discharge after that conflict was over.

He was a member of Lowry Post No. 44 of American Legion and was very active in this organization, being always a leader in all patriotic moves. Legion members were in charge of the military funeral service.

Surviving him are four brothers: L. P. Reid of Quemada, Texas; Walter Reid, San Angelo; James A. Reid and Gary Reid, Munday; also seven nieces and nine nephews, five of the nephews being in the service and four of them serving overseas.

Funeral services were held from the First Baptist church in Munday at three o'clock last Sunday afternoon, conducted by Rev. Don R. Davidson, and Rev. W. H. Albertson. Burial was in Johnson cemetery, with the Mahan Funeral Home in charge.

Barney D. Clowdis Gets Purple Heart

Word has been received here that S/Sgt. Barney D. Clowdis, who is stationed in France, has received the Purple Heart for wounds received in France. The award was received recently by his mother, Mrs. Ella S. Clowdis of Abilene.

Sgt. Clowdis was reared at Munday. He entered the service in March 1942, received his training at Camp Barkeley. He went overseas last March.

Clowdis recently returned to combat service and is serving with Gen. Patton's Third Army.

Chas. W. Browning Wins Decoration For Fighting In Italy

With the Fifth Army, Italy.—Private Charles W. Browning, son of Mr. and Mrs. Kate Unice Browning of Munday, Texas, has been cited by the War Department and awarded the Combat Infantryman Badge for actual participation in combat against the enemy with Lieut. Gen. Mark W. Clark's Fifth Army in Italy.

Standards for the badge are high. The decoration is awarded to the infantry soldier who has proved his fighting ability in combat.

The handsome badge consists of a silver rifle set against a background of infantry blue, enclosed in a silver wreath.

Winners In 4-H Dairy Production Contest

Five of ten winners of a national dairy production contest for 4-H Club members are shown above at the 4-H Congress in Chicago, being congratulated by J. L. Kraft, chairman of the board of Kraft Cheese Company, which sponsored the contest. They are (left to right), Dorothy Carr, Creston, Mont., Eugene Stevenson, Harvest, Ala., Hedwig Heinemann, Clearspring, Md., Wendol Christian, Farwell, Tex., and Ralph Cope, Jr., Langlois, Ore. Miss Carr has 16 purebred Jerseys, figures her profits at \$1,232 in 10 years of club work. Stevenson was state dairy winner in 1943 and 1944. His herd is 14 Jerseys. Dairy products and animals sold have brought him \$1,838. Miss Heinemann has had six years of dairy projects in clubwork and has acted as a herd taster in her county. Dairy exhibits have brought her \$284.44 in prize money. Christian also has a herd of Jerseys. He won a silver trophy at the Panhandle Plains dairy show this year. Cope manages 26 Jerseys and in 10 years of operations his herd has earned \$20,187, including \$285.00 in prizes.

Community Shop Opened By Vocational 'Ag' Dept.

The vocational agriculture department in the high school has opened the Community Shop. It is located in the basement of the old school building on the north side next to the highway. A concrete driveway and slide door provide an entrance and the space between the building and street is being filled and graded. Later a gravel driveway will be provided from the building to the street.

The shop is well equipped with such things as a chain hoist, forge, electric welder, acetylene welder, anvils, vices, work benches, electric hand and post drills, electric grinder and buffer brush, a power cutoff saw and a good set of hand tools for wood work, automobile mechanics, and metal work. Utilities and consumable supplies such as welding rod, sand paper, emery cloth, tape, shellac, etc. are furnished free. De Allred will be the mechanic in charge and Mr. Dowell will be supervisor and general boss. Everything will be free to the public and everybody, especially the farmers are invited to use the shop at will. It will be open from 10 a. m. to 4 p. m. each day and if there is sufficient demand arrangements will be made to keep it open three or four hours after supper evenings and night.

The vocational department will have open house on Thursday afternoon and night from 2 to 10 p. m. and everybody both men and women, are invited to come and see the shop.

Those who have work to do between now and spring should be present Thursday and register their probable needs.

A community shop can only be worth while if people of the community use it, and the more people use it and the more work we get done in it the more equipment we can get and the longer hours we can operate, Mr. Dowell said, in discussing the matter with the editor.

While cars and trucks may be repaired in the shop other farm machinery such as tractors, combines, stalk cutters, go-devils, trailers, etc. are most desired. Go to the Community Shop for absolutely any kind of work you have to do. Try it out. You are welcome.

Cotton Ginnings

The cotton ginning report as of December 26, 1944, shows that 17,346 bales of cotton were ginned in Knox county prior to December 13, 1944.

This is almost 2,000 bales short of last year's ginnings, the report showing that 19,198 bales were ginned over the same period in 1943.

Hoyle A. Sullins, special agent for the Department of Commerce, bureau of the census, submitted the Knox county report.

Dist. Governor Harris M. Cook Of Canyon To Visit Rotary Club Friday

The Rotary Club of Munday will welcome on January 5 Dr. Harris M. Cook, Governor of the 127th District of Rotary International which includes 59 Rotary Clubs in north-west Texas. Dr. Cook is professor of education and Dean of Men, West Texas State College. He is a member of the Rotary Club of Canyon and served as president in 1938-39. He was nominated as Governor at the Conference of the 127th District held at Lubbock and was formally elected at the 1944 Convention of Rotary International in Chicago, Ill., in May.

Dr. Cook is active in civic, school and church affairs of Canyon. In addition to his duties at West Texas State College, he is president of the Canyon Independent School Board, member of the Canyon Chamber of Commerce, and active official in the Baptist Church. His wife, Ruby, is an active Rotary Ann. They have one son, Joe.

Dr. Cook will visit the Rotary Club to advise and assist President Barton Carl, Secretary Hubert Owens and other officers of the club on matters pertaining to Club administration and Rotary service activities. He is one of the 140 Governors of Rotary International who are supervising the activities of 5,200 Rotary Clubs with a quarter of a million members in more than 60 countries throughout the world.

Dr. Cook will have charge of the program when the club meets at 7:30 Friday evening at the Terry Coffee Shop.

Despite the war, this world-wide service organization continues to grow in numbers and in strength. Since July 1, 1943, 150 new Rotary Clubs have been organized in 13 countries of the Americas, and in Australia, Ceylon, China, England, Finland, India, Kenya, New Zealand, Northern Ireland, Sweden, Switzerland, and Union of South Africa.

Munday Area Assured of Frozen Food Locker Plant

New Personnel On Duty At Farm Machinery Co.

An old, well established Munday firm is now operating under the name of Farm Machinery Co. Citizens of this area have known the firm as Broach Implement Co. and Broach Machinery Co. for many years.

As of November 1, 1944, the partnership of Leroy Jennings of Abilene, Carl Jungman and J. L. Brasher, operating as Broach Machinery Co., was sold to a corporation consisting of the following stockholders:

Leroy Jennings of Abilene, H. B. Stubblefield of Munday, V. W. Dalton of Abilene and Woody Burney, formerly of Conway, Ark.

Mr. Burney and his wife and three sons arrived in Munday last Saturday, and on January 1, 1945, Mr. Woody became associated with the present personnel in the store. He will devote his entire time to duties of the firm.

Mr. Burney knows the farm implement business well, having had some 15 years' experience in management of a similar business. He was reared at Evant, Texas, but for the past several years he served as manager of a farm machinery firm in Conway, Ark.

Other additions to the firm are Misses Margaret and Ann Nagel, who also come from Conway, Ark. They have assumed their duties in the parts department and have had around two years of experience in disbursing farm machinery parts.

Mrs. Louise B. Ingram will continue her connection with the new firm as bookkeeper, and Mr. Stubblefield will also continue to be active in the business.

It is the plan of the new owners to render every service possible to farmers of this area and to continue to maintain the largest stock of parts in this section. They invite the continued patronage of everyone, expressing a desire to help everyone possible with their farm machinery problems.

Wright Field, O.—Promotion of Jack W. Williams, of Munday, Texas, to the rank of major was announced at Air Technical Service Command headquarters here today. Maj. Williams is a test pilot in the Flight section.

After completing the course of training at the Flying School in Houston, Texas, at Ellington Field, Maj. Williams was assigned here. He entered the service in August, 1941, and is a graduate of the Texas Agricultural and Mechanical college at College Station, Texas, where he obtained a degree in electrical engineering.

Maj. Williams' parents, Mr. and Mrs. P. V. Williams, live in Munday. His wife is the former Elizabeth Crow of Arlington, Texas and they have two daughters, Jackie Lou and Jane Ann.

Government Man To Cull Poultry

M. L. Sharp, a government man who demonstrates the Eanesway poultry culling method, will be in the county for two weeks, beginning next Monday, culling poultry for local farmers. He is government employed, and culls flocks at reasonable cost.

Mr. Sharp will work out of both Munday and Knox City, his Munday headquarters being at the Banner Produce.

Any farmer wishing to have his flock culled by this government expert is requested to register his name at the Banner Produce.

James Paul Nelson, A. S., V-12 student at Dickinson, N. D., spent the holidays with his parents, Mr. and Mrs. Clyde Nelson.

Mr. and Mrs. A. J. Kovar and family are new citizens of this area. They moved this week from Bomarton to the Havran farm, two miles south of town.

Wins Air Medal

Lt. Col. Paul A. Jones was awarded the Air Medal for extraordinary achievement during the invasion of Sicily and the Oak Leaf Cluster to the Air Medal for participating in vitally important and extremely hazardous aerial fights in the Mediterranean theater of operations in an unarmed and unarmored C-47 type aircraft from February 12, 1944 to March 29, 1944.

At the present time, in addition to his duties as air inspector and pilot, Col. Jones is group executive officer of a Troop Carrier group.

Colonel Jones attended Goree high school and Texas Technological college, and was a member of the Kemas club.

Clyde Feemster Wins Air Medal

15th AAF in Italy—S/Sgt. Clyde E. Feemster, 20, son of Mr. and Mrs. Bill Feemster, of Box 2, Vera, Texas, is an aerial gunner on board a B-17 Flying Fortress operating in the Mediterranean theatre and has been awarded the Air Medal with an Oak Leaf Cluster for "meritorious achievement in aerial flight." He is a veteran of more than 32 combat missions over enemy-held territory.

Sgt. Feemster was graduated from Vera high school, 1942, and enlisted in the Army Air Forces May 18, 1943. He attended the Amarillo Army Air Field airplane mechanic's school and was graduated from Las Vegas, Nevada, gunnery school where he won his wings and completed his phases of training.

The above plant is subject to the approval of the War Production Board and it will be necessary that we rent 60 per cent of lockers before the plant will be approved. However, from the many requests for lockers, all the available lockers will be sold in short order. Any one desiring lockers should contact one of the business men in Munday immediately in order that he may be sure of a locker of the type desired.

Jack Williams Is Made Major

Wright Field, O.—Promotion of Jack W. Williams, of Munday, Texas, to the rank of major was announced at Air Technical Service Command headquarters here today. Maj. Williams is a test pilot in the Flight section.

After completing the course of training at the Flying School in Houston, Texas, at Ellington Field, Maj. Williams was assigned here. He entered the service in August, 1941, and is a graduate of the Texas Agricultural and Mechanical college at College Station, Texas, where he obtained a degree in electrical engineering.

Maj. Williams' parents, Mr. and Mrs. P. V. Williams, live in Munday. His wife is the former Elizabeth Crow of Arlington, Texas and they have two daughters, Jackie Lou and Jane Ann.

One of the largest and most complete Frozen Food Plants in the southwest has been assured for Munday and vicinity. This modern plant will assure all the latest methods in processing foods, offering a complete service in sugar curing and smoke curing pork.

A special machine for grinding and sucking sausage will be installed. The plant will specialize in manufacturing various kinds of head cheese, bologna sausage and liver sausage. A large steam kettle will be installed for manufacturing chili, also special equipment for rendering lard will be installed.

One of the novel features of this plant will be a chicken picker where as many as 100 chickens can be picked and dressed in one hour.

The plant will have a sharp freeze room where foods will be frozen at temperature as low as 30 degrees below, making possible the quick freezing of all types of fruits and vegetables as well as meats.

In conjunction with the locker plant, a modern slaughter house

To Hold Interesting Meeting Monday Night

A meeting of all persons interested in the locker plant will be held at the school auditorium next Monday night at eight o'clock. An authority on frozen food lockers will explain the features and advantages of such a plant, and a program of interest is being planned.

The local committee urges everyone interested in securing a locker to be at this meeting, as lockers are expected to be contracted for at a rapid rate. All ladies are especially invited.

will be built affording its customers the opportunity of bringing their cattle and hogs to the plant alive and have them slaughtered, processed, sharp frozen and put into locker without any trouble to the customer.

The above plant is subject to the approval of the War Production Board and it will be necessary that we rent 60 per cent of lockers before the plant will be approved. However, from the many requests for lockers, all the available lockers will be sold in short order. Any one desiring lockers should contact one of the business men in Munday immediately in order that he may be sure of a locker of the type desired.

P. C. A. Directors Plan 11th Annual Stockholders Meet

Friday, January 26, has been set by the board of directors for the eleventh annual meeting of Stamford Production Credit Association stockholders, J. L. Hill, Jr., secretary-treasurer, announced today. The meeting will be held in the Bunkhouse, Texas Cowboy Reunion Grounds in Stamford at 10:30 a. m.

Members now have a stock and reserve investment of \$263,000.00 in the Stamford Association which, during the past eleven years, has loaned more than \$14,000,000.00 to farmers and stockmen in its eight counties, according to Mr. Hill.

A majority of the membership is expected to attend this eleventh annual meeting, said President J. B. Pumphrey, to learn what has been accomplished in 1944, and to discuss how their association can be of real help in post war agricultural financing, which will include assisting in solving the credit problems of the returning veterans of World War II. They will elect two directors.

Cpl. Bobbie Reese Is Now In England

An Air Service Command Station in England.—Cpl. Bobbie B. Reese, the son of Mr. and Mrs. G. J. Reese of Munday, Texas, recently completed an orientation course designed to bridge the gap between training in the States and combat soldiering against the enemy in Germany.

At this Air Service Command Station Cpl. Reese attended a series of lectures given by veterans of this command which included instructions on chemical warfare, defense and pertinent tips on staying healthy in a combat zone.

His next station will be one from which America's fighting planes cover our advance into Germany.

LEWIS WASHBURN IS WOUNDED IN PHILIPPINES

Mr. and Mrs. C. E. Washburn received a letter Tuesday from their son, Pvt. Lewis Washburn, stating that he was slightly wounded in the battles for Leyte. His wound in the right arm was received sometime between December 17 and 23.

EDITORIAL PAGE

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On."

IT WORKS

The magazine Medical Economics says editorially: "Advocates of Federal medicine contend that health insurance, to be successful, must be compulsory. Many people, they say, simply won't buy such insurance unless compelled to do so."

"What about life insurance? One of the outstanding successes of American enterprise, the whole vast business has been built entirely on the principle of voluntary participation. High among the reasons for its success is the fact that it has been promoted and sold to the public just as a packaged product is sold."

"Health insurance can be sold the same way. In fact, it should enjoy even greater acceptance than life insurance—for sickness is a far more immediate problem to the average family than death."

"Only a few years ago, many people doubted the salability of hospital insurance—on any basis. Yet in a comparatively short time the Blue Cross plans—by utilizing modern salesmanship—have signed up some 15,000,000 voluntary subscribers."

"Voluntary health insurance is more than a sound idea; it is a service that has proved its merit in scores of localities. Moreover, it is medicine's greatest single weapon against Federal control."

"The comparatively few who cannot or will not protect themselves under voluntary health insurance can surely be cared for without forcing all the people into the strait-jacket of a compulsory health system."

LOOK AHEAD, LABOR!

The cause of organized labor continues to suffer because of wartime strikes. A short time ago, General Eisenhower sent home word that this country was not producing sufficient military supplies to keep up with the demands of the advancing American armies in Europe. Then, if ever, was the time for labor to see that not a day or an hour be lost in the production of the needed equipment. Instead, immediately after Eisenhower's plea, more strikes occurred. Never has the comparison between failure at home and the cry for help from the front been more direct or more bitterly apparent.

Everyone sincerely concerned with the future of American labor cannot help but shudder at the public wrath which its shortsighted officers and members threaten to bring down on its head. Day after day the newspapers in great metropolitan centers contain page after page of war casualty lists. And each casualty represents a man with a family in America, a family who reads in those same papers of disgraceful strikes in vital war plants. There is little these men and their families can do just now. They are not organized. No one can speak authoritatively for them. They are as helpless as the millions of other men overseas, and their families—men who are not casualties and who fight on with no thought of desertion or mutiny which would be comparable to wartime strikes.

Some day when the war is over and the service men and their families are reunited, they will be heard from. Why don't more union spokesmen look ahead to that day?

NOT TOO CHILLY

Another wartime winter is here. As usual the air is filled with talk of civilian fuel shortages. Because more than 75 per cent of the nation's population is dependent upon coal for warmth, figures on coal are in order.

Since the start of the war, the bituminous coal industry has been mining three times the coal for war manufacturing, the railroads, the making of electricity and gas, steel and civilian industries, that it has for domestic users. At the same time, it has also increased the output of coal for home consumption by 25 per cent a year since Pearl Harbor, a pace currently being maintained.

During the present heating season, the coal mining industry is prepared to furnish upwards of 180,000,000 tons of coal solely for American homes, at an average price of less than \$10.00 a ton. In other words, the entire coal-using population of the United States will be kept warm through the coming 200 days of cold and chilly weather, for an average cost of 10 cents a day per person.

This does not look like the nation is going to suffer too greatly from lack of coal.

Jonah's experience with the whale proves you can't keep a good man down.

A person who is well-to-do is usually hard to do.

THE MUNDAY TIMES

Aaron Edgar News Editor
Entered at the Postoffice in Munday, Texas, as second class mail matter, under the act of Congress, March 2, 1879.

SUBSCRIPTION RATES
In first class, per year \$1.50
In second class, per year \$2.00

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party policies, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

Paper manufacturing from wood pulp, in Maine, dates back to 1880. Ten years after the establishment of the paper mill industry there was a rapid development of the lumber, granite, ice and fishery trades.

RETAILERS CARRY ON

The Hon. Alexander Wiley of Wisconsin, in discussing problems that the retail stores of the nation face in supplying the consumer under a multitude of restrictions, said:

"I believe there is no other group of Americans more concerned with the future of America than the retail merchants. These retailers believe in the equality of opportunity, in justice administered impartially. They want to live and let live in an atmosphere of freedom. . . . The retailers of America will spare no effort to win the war and to restore and reassert the principles and the philosophy of life and government that have made America great."

Congressman Wiley pointed out that difficult as has been the experience of retailers under the OPA, they have upheld continuation of the Price Control Act as a war necessity. "However, it could have been better administered. . . . As soon as the war ceases, and probably before, government restrictions and interference must be reduced to a minimum."

AND SOME WOULD CHANGE OUR SYSTEM

In reviewing the record of production reported by the War Production Board up to May 25, last, the world has evidence of an industrial miracle wrought in the United States. B. M. Baruch puts the heart of the story in thirty-three words: "The war has been a crucible for all the economic systems of the world, for our own, for Communism, Fascism, Nazism—all the others. And the American system has outproduced the world."

PORK CHOPS ON TINIAN!

"Battle News," newspaper of the United States Marine Corps, relates the story of the young Marine stationed at Tinian in the Marianas, who approached his superior officer and said: "Sir, I was attacked by a pig." Aware of the order forbidding Marines to kill any livestock found at large on the island, the officer deliberated the case in all seriousness, and after due consideration nodded his head and said: "Save me a piece."

Many of the changes proposed in the Price Control Act before it was renewed for another year, undoubtedly had a salutary effect on the administrators of the law.

Changes in the Act as passed reduced mandatory fines or damages for inadvertent errors in price ceilings. That colossal failure of two years' standing, the Highest Price Line Limitations order, which prevented many established stores from selling certain of the lowest-priced women's and children's wearing apparel, was definitely eliminated. But Federal District Courts or Circuit Courts of Appeal were not opened to litigants to challenge the validity of price regulations.

As the smoke clears away, there is the definite impression that OPA officials realize that, while the public is behind them on the basic principles of rationing and price control, it is definitely insistent on OPA showing a spirit of tolerance and cooperation, rather than bureaucratic dictation.

It is to be hoped that those in charge of administering the Price Control Act now be more disposed to cooperate with industry, and that high government officials who determine OPA's policies, may be more willing to make needed adjustments without endless delays that are detrimental to the consuming public as well as producers and retailers.

In The WEEK'S NEWS

NAZI DESTRUCTION—Retreating Germans blow up their bridges behind them, slowing up Allied advance into Nasland. American engineers speed up repairs on wrecks such as this as our armies march ahead.

SHELLS FOR GENERAL EISENHOWER'S ARMIES—A workman at Fisher Body's Grand Rapids, Mich., Stamping Division is shown loading a freight-car of 155 mm. artillery shells destined for Yank armies blasting Germany. This General Motors plant began producing the big shells in quantity within four months after receiving letter of intent.

I GIVE YOU TEXAS
by BOYCE HOUSE

ing that a Texas citizen who puts on the uniform to fight for his country in time of war is still a Texas citizen with all the rights pertaining thereto, including the right to vote in a primary or election—and without the payment of a poll tax.

The last session passed the first legislation enacted on the subject in all the years that the State Constitution has said it shall be illegal to levy usurious and extortionate interest. It is rumored that the loan sharks, eager to bleed their victims for 400 and 500 per cent, will try to get the Moore-Morse injunction bill repealed, but this law should remain on the books.

Another meritorious piece of legislation passed by the last session was the law providing that a man holding a four-year term of office cannot run for another office in the middle of his term unless he first resigns. That "heads I win, tails you lose" kind of situation has made it possible for a public official, with two years to serve in one office if he loses in the race for another, to hold a club over the heads of many concerns and individuals and compel campaign contributions. Such tactics are repugnant to the Texas sense of fair play. The people are overwhelmingly against any effort to tamper with this law.

Thoughts on the eve of a new session of the Legislature: A constitutional amendment should be submitted to the people, providing that a Texas citizen who puts on the uniform to fight for his country in time of war is still a Texas citizen with all the rights pertaining thereto, including the right to vote in a primary or election—and without the payment of a poll tax.

A newcomer in a Texas town asked, "Do people around here die often?" A native said, "No—only

once."

A while back, this column contained a "brain teaser." Here's another: If you tell something that is untrue and then say, "I lie," you do not lie but tell the truth!

Mrs. Jimmie Yancey of Pecos and Mrs. Sabeto and daughter of San Angelo visited in the home of Mr. and Mrs. W. E. Reynolds last Sunday.

Generals Prefer Steak

NEW YORK.—What G. I. Joe would like to have for his first meal on his return home has received wide attention, but nobody has given the poor general a thought. That is, until today.

For the first time, an article in the current (December) issue of the Journal of Living, tells what five famous American generals would like to see on the dining room table when they get back. They are: Joseph Stilwell, Mark Clark, Courtney Hodges, Omar Bradley and James Doolittle.

Since his recent recall, General Stilwell, of course, has already had

his special dish—thick pork chops with barbecue sauce, apple sauce candied sweet potatoes, cauliflower, fresh peas. And for dessert, fresh peaches with red wine and nut sauce with white icing.

The other four generals all go for steak, with salad. Desserts are in the American tradition and range from rice pudding to chocolate cake with much frosting.

Milk is a favorite drink with the generals, which ought to be an inspiration to Junior. Generals Clark, Bradley, and Doolittle will have plenty of milk with their homecoming dinners, but General Hodges will take black coffee.

Gems Of Thought

TIME

There are no fragments so precious as those of time, and none are less easily lost by people who make a moment, and yet can waste years.—Montgomery.

Regret for time wasted can become a power for good in the time that remains. And the time that remains is time enough, if we will only stop the waste and the idle, useless regretting.—Arthur Brisbane.

Time past and time present, both may pain us, but time improved is eloquent in God's praise.—Mary Baker Eddy.

In time there is no present, in eternity no future, in eternity no past.—Tennyson.

Dear Land to which Desire for ever flees; Time doth no present to our grasp allow; Say in the fix'd Eternal shall we seize

At last the fleeting Now?
—Bulwer-Lytton.

Beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.—II Peter 3:8.

Mr. and Mrs. Redden Parramore of Dallas visited with Mr. and Mrs. Clayton Wren and family last Sunday.

Mrs. Edward Lake of Dallas visited her parents, Mr. and Mrs. Sam Salem, during the holidays. The group also visited with relatives in Lubbock and Levelland for several days.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Goree News Items

Birth Announcement

Seaman and Mrs. Monte Pollen of Goree announce the arrival of a son, who was born Saturday, December 30, at the Knox county hospital. Mother and baby are doing well. Seaman Pollen is serving with the naval forces at Honolulu.

Dr. and Mrs. W. M. Taylor, with a party of friends, attended the opera "Carmen" at Wichita Falls on Friday, December 22.

Jack Orb Coffman, who is attending Kemper Military School at Booneville, Mo., was here to spend the holiday season with his parents, Mr. and Mrs. Orb Coffman.

Mr. and Mrs. Rado Hutchins and daughter, Radeen, of Lamesa were visitors here during the Christmas season.

Mr. and Mrs. Douglass Smith and children, John Polson and Mr. and Mrs. Lloyd Patterson were visitors in the home of relatives at Weatherford last week.

Mr. and Mrs. Charles Lane and children of Lubbock were visitors in the home of Mrs. Lane's parents, Mr. and Mrs. C. L. Patton, and with Mr. Lane's parents at Munday during the holidays.

Rev. and Mrs. S. E. Stevenson and daughters, Doris Ruth and Mary Jean, attended a holiday dinner Sunday in the home of their daughter, Mrs. Everett Pruitt of Munday. A number of relatives were present for this occasion.

Dr. and Mrs. W. M. Taylor have returned from Belton, where they attended a family dinner in the home of Mrs. Taylor's brother and family, Mr. and Mrs. Lucean Madole. Lieut. Ross Frank Madole, who is serving with the naval forces, was also present, as well as other relatives from different points.

Mrs. Raymond Steward spent the Christmas holidays with her husband's parents, Mr. and Mrs. Henry Steward.

Mr. and Mrs. E. W. Norris were very glad to have some of their children home for Christmas dinner, together with some friends. The Norris family are pioneers of

this city. Attending the dinner were: Mr. and Mrs. Floyd Coffman and children and Mr. and Mrs. Kelly Woodall, all of Littlefield; Mr. and Mrs. W. A. Lyles, Mr. and Mrs. Parks Norris and family, and Mr. and Mrs. W. C. Wood of Clovis, New Mexico.

Mr. and Mrs. E. E. Tibbetts were here for a visit with Mrs. Tibbetts' parents, Mr. and Mrs. E. N. Miller during Christmas. Others present were Mrs. Opal Johnson and Mr. and Mrs. Billy Hutchins.

Lieut. and Mrs. W. E. Robinson Jr., of Eagle Pass were here to spend the holidays with Lieut. Robinson's parents, Mr. and Mrs. W. E. Robinson Sr.

Mr. and Mrs. Norman Roberts and children of Littlefield were visiting relatives here during the holiday season.

Rhoades Allen, who is attending school at Texas Tech, Lubbock, spent the holidays with home folks.

Mr. and Mrs. Roy Perdue and children of Dallas are here for a visit with relatives.

Rev. and Mrs. S. M. Claburn were among the fortunate to have a number of their children for Christmas dinner. Present were Mr. and Mrs. Earl Claburn, Mr. and Mrs. Buel Claburn and Mr. and Mrs. Andrew Gilbert of Munday.

Mr. and Mrs. Orb Coffman were visitors with relatives in Haskell during the holidays.

T/Sgt. Foy Bain Barnett is here for a few days visit with his parents. He will report for duty at Fort Sam Houston on January 5.

Mrs. E. L. Britton of Denison was a visitor with her brother and wife, Mr. and Mrs. W. O. Barnett, during the holidays.

Pfc. and Mrs. Ben Crites of Fort Benning, Ga., were here for a short visit with his mother, Mrs. E. B. Crites, who has been ill.

Mr. and Mrs. J. W. Wilson were very fortunate to have all of their children home for Christmas except one daughter, Mrs. Marshall Lillard of Mart. Present were Mr. and Mrs. Ham Wilson and daughter of Wichita Falls, Mr. and Mrs. Debbs Wilson and children of Dallas, Mrs. Nettie Wilson and children of Randlette, Okla., and Mr. and Mrs. Herbert Snyder and children of Brownfield.

Mr. and Mrs. Les Jameson and daughters and Mrs. Jim Goode are visiting relatives at Casa Grande, Ariz.

James Clifford Parks, who has

People, Spots In The News

"LITTLE ONES OUT OF BIG ONES"—The huge Curtiss Commando transport carries two tiny Navy hospital planes, one of which is being unloaded at Peleliu Airfield.

FIGHTING FIRE BY BULLDOZER—Aviation engineers push dirt from a bulldozer into a burning B-29 Superfortress. Flames started when Nips pitched a low level attack against Superforts at Saipan. The bulldozer kept other planes from danger despite threat of exploding ammunition and gas tanks in the burning giant.

3,000° HEAT!—Checking a new electronic instrument that records and controls manufacturing temperatures of more than 3,000 degrees above or far below zero. Made by Brown Instrument Company, Philadelphia, this electronic potentiometer promises higher quality, lower cost postwar products.

(U. S. Army Air Forces)

been serving in the European theatre of war for 13 months, is here for a visit with his parents, Mr. and Mrs. W. L. Parks. Mr. and Mrs. Parks have six sons serving with the different branches of the service.

Pvt. and Mrs. Elmo Loynd of Laguna Beach, Fla., spent a few days here with Mrs. Loynd's parents, Mr. and Mrs. J. M. Morton.

The home of Mr. and Mrs. R. D. Stalcup was the scene of a family gathering recently. Relatives present were as follows: Mr. and Mrs. George McMeen and son of Dalhart, Mr. and Mrs. S. M. True and family of Plainview, Mr. and Mrs. Talmadge Falls of Throckmorton, Mrs. C. E. West and children and Mrs. Raymond Watson of Whitesboro, Mr. and Mrs. Ira Stalcup, Goree and Mr. and Mrs. J. H. Bardwell, Munday.

Chloe Dell Stalcup has returned to Graham, where she is teaching school, after spending the holidays with her parents, Mr. and Mrs. Ira Stalcup.

Mr. and Mrs. W. E. Penson of Sweetwater were visitors in the home of Mrs. Loyd Stewart and Mrs. E. B. Crites recently.

Mr. and Mrs. J. Harlan of Littlefield spent Christmas with Mrs. Harlan's mother, Mrs. Sarah Coffman, and with other relatives.

Taylor Couch, who is serving in the navy, was here to visit relatives during the holidays.

Seaman Arvill A. Parkey is here on leave after spending 30 months of duty on foreign shores.

Mrs. Esther McGraw of Dallas spent the holidays with her parents, Mr. and Mrs. Frank Hill.

Mr. and Mrs. Reuben Bates are the proud parents of a baby girl, born December 11. The baby's name is Patricia Ann.

Mr. and Mrs. A. L. Parks have three sons here for a visit, all of whom are in the service.

Guests in the home of Mr. and Mrs. E. J. Jones and Mr. and Mrs. Sam Hampton during the holidays were Mr. and Mrs. F. T. Jones and Sandra Ruth, San Angelo; Mr. and Mrs. L. L. Hendrix and family of Lubbock, and Dr. and Mrs. Henry A. Spivey of Dallas.

Mr. and Mrs. R. I. McLeRoy and daughter, Margaret, visited relatives and friends in Abilene and Coleman during the holidays.

Lieut. Ann Atkeison, who has been stationed at Perrin Field, Texas, as a member of the WASPs, spent some time during the holidays with her parents, Mr. and Mrs. R. D. Atkeison.

Mrs. Elmo Anderson, who is attending school in Denton, and Mrs. Frank Anderson of Corpus Christi visited in the home of Mr. and Mrs. Jess Burnison several days last week.

Mrs. Rex Holder and little son, Jimmie, of Clarksville, came in Monday for several days visit with Mr. and Mrs. D. E. Holder.

Miss Betty Golden, a student in T. S. C. W., Denton, and Miss Juanita Golden of Dallas spent the holidays here with their parents, Mr. and Mrs. Ootes Golden.

Richard Albus Shells Germany

With the Seventh Army, France.—Credit of firing the first 60MM mortar shells across the Rhine into Germany, from this sector, goes to a mortar section of the Third Division.

Lieutenant Richard Cross, Oxford, Indiana, platoon leader and Staff Sergeant Shirley Stage, Fulton, Illinois, were in the observation post observing an enemy flak wagon on the other side of the Rhine that was firing on American troops. They called back to Sgt. Vernon Milburn, Rolls, Kansas who was in charge at the time. Sgt. Milburn ran out to the mortars and said, "Fire two rounds to zero in, make 'em good, this is the first to drop on the Krauts own land."

Private First Class Robert B. Larson, 5 Heirdsleigh Street, Worcester, Mass., fired the first round followed by fire from No. 2 gunner Private First Class Reinhold E. Heine, Craig, Missouri. The third mortar shell to fall was fired by Private William Catterall, Scott Road, Ashton, Rhode Island.

Observing the fire, Lieutenant Cross remarked, "We didn't have to order 'fire for effect,' those first three rounds knocked that flak wagon for a loop."

The ammunition bearers who wheeled by bicycle, German push carts, baby buggies and by shoulder, 700 rounds of ammunition to the gun positions are: Private First Class George Pavuk, 47 Lincoln street, Webster, Massachusetts, Pfc. William Catts, Wilmington, Delaware, Pfc. Richard Albus, Munday, Texas and Private E. S. Furr, Aberdeen, Mississippi.

Miss Elizabeth Medley, sister of Mrs. A. B. Warren of Munday, was recently transferred from Washington, D. C. to the Air Forces Training Command in Fort Worth. She spent the holidays with relatives in this area, and her mother, Mrs. J. W. Medley of Haskell, accompanied her to Fort Worth.

Best Wishes For 1945

Again we have "taken inventory" and have found that the friendship and good will of our friends throughout this area have contributed much to our success during the year just past. These have enabled us to have 21 years of continuous business among you.

We are sincerely grateful for your patronage, and we trust that our relations have been such as to merit your continued patronage, friendship, and good will.

As our friends have prospered, we likewise have proportionately prospered during these 21 years. Without our host of friends there could not have been any portion of prosperity for us.

As we start out on the new year, 1945, we want to wish you all the prosperity and happiness possible in this world of turmoil and strife. And may 1945 bring to you, and all of us, universal peace, prosperity, contentment and joy.

We sincerely hope that the New Year will hold many blessings for you, and before its close we can enter into a new era of peace and happiness.

Yates-Bartlett Wedding Announced As Of August 2nd

An event of August 2, 1944, that had just recently been announced here, was the marriage of Miss Daisy Bartlett and Pfc. William (Bill) Yates, which took place at Seymour while Pfc. Yates was home on a furlough.

Mrs. Yates is the daughter of B. L. Bartlett of Lorenzo. She has made her home with her uncle and aunt, Mr. and Mrs. W. A. Parmley of Goree, since she was two years old.

Pfc. Yates is the son of Charlie Yates of Munday. He has been in the army for three years, and was returned to the states last July after spending 26 months in the Alentian Islands.

Mrs. Yates is making her home in Munday while her husband is in the service. She is employed at the Terry Coffee Shop.

Suggs Family Has Annual Gathering At Christmas

The annual gathering of the Suggs family, on December 25, was enjoyed at the home of Mr. and Mrs. C. F. Suggs of Goree.

A delicious covered dish table was served to the following:

Mr. and Mrs. C. H. Suggs, Wichita Falls; Mr. and Mrs. R. F. Suggs and son, Arledge, Munday; Mrs. O. P. Cannon and Gloria Kay, Wichita Falls; Mrs. Jack Suggs and daughters, Linda and Dianna, Goree; Mr. and Mrs. R. B. White and sons, Buntis, Kerby and Jimmie, Haskell; Mr. and Mrs. C. N. Howard and sons, Bobby, Gene, Leroy and Billy, Bomarton; Sgt. and Mrs. Cecil Suggs and daughter, Yvonne, West Palm Beach, Fla.; Mrs. Beth Edwards and daughters, LaFroda Gayle and Estalynn, Weinert; Mrs. R. E. White and daughter, Carolyn, Goree; Mrs. A. L. Perry, Old Glory; Mr. and Mrs. W. A. Hopper, Bameville, Okla.; Homer Good, Waurika, Okla.; Mrs. Joyce Blevins and daughters, Nina Mae, Martha and Melba, and a son, L. H., and the host and hostess, Mr. and Mrs. C. F. Suggs and Berna Dean.

Munday H. D. Club To Have Program

The program of the Munday Home Demonstration Club for its first meeting of the year is the study procedure by which an amendment is made to the Texas Constitution, study of Terrell Law, and study of the butter and margarine controversy.

A parliamentary drill will also be held, with Mrs. R. E. Foshee in charge. All members are urged to be present at this meeting and take part in the program.

Members are looking forward to the work that has been planned for the year and are hoping to make 1945 the most interesting and profitable year in the history of extension work in Knox county and the entire state of Texas.

A HAPPY HOMECOMING

Mr. and Mrs. A. M. Moore enjoyed the happy home coming of their children during the holidays, as follows:

Pvt. A. M. (Slick) Moore Jr. of the U. S. Hospital at Longview, his wife and children of Rhineland; Mr. and Mrs. Barney Frazier and son, Haskell; Mrs. Hazel Orrel, Galveston; Mr. and Mrs. Paul Tankersley and sons, Seymour; Elizabeth Frances Moore, Fort Worth; Mrs. Boyd Moore and baby and Mr. and Mrs. Earl Brewer, all of Munday.

They regret the absence of a daughter, Mrs. Dorothy Rowell and children of Oregon, and a son-in-law, Pvt. Boyd Moore, who is in the services in India.

Hot Biscuits Good Around the Clock

THE Continental custom of serving tea in mid-afternoon has something to be said for it. Who wouldn't like hot golden biscuits and honey with a steaming cup of tea? One interesting English, or Canadian tea-time custom is to serve the foods on plates of different patterns—including cups and saucers!

Pluffy tender biscuits can be whipped up in short order whenever unexpected guests arrive. Make them with thrifty blended shortening for good results. Serve with homemade jelly, jam or marmalade.

Biscuit dough can also be used as a shortcake base—with creamed meat for a main dish, or with a fruit topping for dessert. If you're in a hurry, make crunchy drop biscuits instead of uniform rolled ones; use a little extra milk in the recipe for drop biscuits.

Cinnamon biscuits or orange biscuits are good breakfast hot breads, while bacon biscuits are a treat for lunch. So biscuits are around-the-clock favorites.

Tea Biscuits
Yield: 12 medium biscuits
1/2 cup blended shortening
2 cups sifted flour
1/2 cup milk
2 teaspoons baking powder
1/4 cup milk

Sift together flour, salt, and baking powder. Blend in shortening until mixture is the consistency of coarse cornmeal. Stir in milk to form a stiff dough. Turn onto a lightly floured board or pastry cloth and knead gently 3 or 4 times. Pat out to 3/4 inch thickness. Cut with floured biscuit cutter. Place on an ungreased baking sheet. Bake in a hot oven (425° F.) 10 to 12 minutes.

For variations of the above recipe try: **Orange Biscuits**—Sift 1/4 cup sugar in with other dry ingredients. Add 2 tablespoons grated orange rind to dough.

Cinnamon Biscuits—Roll biscuit dough out into a rectangle 1/2 inch thick. Spread with butter or margarine. Sprinkle with a mixture of 1/4 cup sugar and 1 teaspoon cinnamon. Add 1/2 cup raisins if desired. Roll up as for jelly roll and cut in 1-inch slices. Place in greased pan and bake.

Bacon Biscuits—Roll biscuit dough out and cut into squares. Dice 6 slices of bacon. Sprinkle bacon pieces on top of dough. Place squares on baking pan. Bacon will brown as biscuits bake.

Reunion And Celebration Held By Good Family

A reunion of the Goode family was enjoyed on Sunday, December 24, at the home of Mr. and Mrs. R. F. Suggs of Munday.

A delicious turkey dinner was served buffet style on a beautifully decorated table, which served the following:

The mother, Mrs. A. L. Perry, Old Glory; Homer Good, Waurika, Okla.; Mr. and Mrs. Clifton Good and children, Jean and Kenneth, Anson; Mr. and Mrs. W. A. Hopper, Barneyville, Okla.; Mr. and Mrs. R. F. Suggs and son, Buddy, Munday; Sgt. and Mrs. Cecil Suggs and daughter, Yvonne, Palm Beach, Fla.; Mr. and Mrs. J. C. Reagan and children, Brenda Joy and Jackie, Munday; Mr. and Mrs. Herbert Nash and sons, John, Donnie, H. L. and Jerry, Tahoka; Mr. and Mrs. C. H. Suggs, Wichita Falls; Mr. and Mrs. C. N. Howard and sons, Gene, Bobby, Leroy and Billy, Bomarton, and Burtis White of Haskell.

In the evening a beautifully decorated tree was enjoyed with the singing of Christmas carols led by Yvonne Suggs, who also sang "Silent Night" accompanied by Mrs. E. B. Bowden at the piano.

Then came the thrill and excitement of Santa Claus' coming to deliver the lovely gifts to both young and old. For this occasion the following were added:

Mrs. O. P. Cannon and Gloria Kay, Wichita Falls; Mr. and Mrs. C. F. Suggs and Berna Dean, Mrs. Jack Suggs and children, Linda Lee and Dianna Gayle, all of Goree; Mrs. Joyce Blevins and Nina Mae, Martha, Melba and L. H. Goree, and Mrs. E. B. Bowden of Munday.

After Santa had delivered all the nice gifts and toys and said "good-bye" until next year, the remainder of the evening was spent by a fire-side, talking and eating Christmas candies, oranges, apples and nuts.

Claudia Meinzer, Eugene E. Howse Wed In Seymour

Mr. and Mrs. M. Meinzer of Benjamin recently announced the marriage of their daughter, Claudia, to Eugene E. Howse, seaman 1/c in the U. S. Navy. The wedding took place in Seymour on Thursday, November 30, 1944, with C. C. Fancher, justice of the peace, reading the marriage vows at his home.

Mrs. Meinzer is one of the popular young ladies of Benjamin, having been reared there and is a senior in the Benjamin high school this year.

Seaman Howse was reared at Whiteville, Tenn., where he received his education. He has been in the service for the past two years.

Howse is now serving in the South Pacific area, and Mrs. Howse is making her home with her parents during his absence.

Senior News

Hurray! we are beginning another New Year and a little birdie has been telling us the resolutions the seniors have made. Since we know them, we think it would be unfair to let them be unknown to anyone, so here they are:

Walter resolves to be more true to Estelle.

Rosemarie's resolution is to keep letters flying daily to that sailor out California way.

Ruth resolves to take a good look at a boy before she dances with him.

Alvin resolves to correspond with a former classmate who is attending college in Kansas.

Harold resolves to be more considerate of the girls in Room I.

Cleo's resolution is to make up her mind about the sailor on the civilian who lives in a small town east of here.

Madeline resolves to be just a little more friendly to a certain Munday boy.

Charles resolves to those definitely between a certain sophomore girl of Rhineland, or the certain Junior girl of the Sunset high school.

We all enjoyed the grand New Year's Eve party last Sunday night and are now looking forward to more of those "wonderful get-togethers," which we call parties.

Junior News
1945 came in with a party, a yell,

Sunset H. D. Club Has Party In Shannon Home

The Sunset Home Demonstration Club held its annual Christmas party on December 20 in the home of Mrs. J. S. Shannon.

Forty-two was played in the earlier part of the evening, being followed by a lovely treat from which all received gifts.

The members had their husbands as guests; also the agent, Miss King, and Miss Margaret Shannon. Refreshments were served to the following:

Mr. and Mrs. R. C. Partridge, Mr. and Mrs. Jerry Nix, Mr. and Mrs. H. R. Hicks, Mr. and Mrs. R. M. Almarode, Mr. and Mrs. T. J. Partridge, Mr. and Mrs. Gil Wyatt, Mr. and Mrs. Ellis Nix, Miss King, Miss Shannon, and the host and hostess.

WANT ADS

LET US—Recap your spare. We will loan you a tire while we recap yours. Firestone Store, 17-tfc.

RECORDS ARE KEPT easy and up to the minute, with "Farm Records Kept Up To The Minute." Due to the experience I have had assisting farmers prepare their Income Tax Reports, and the dire need that they should keep records of their endeavors, I have prepared this new Record Book, and simplified the Record Keeping of Farmers. It is constructed so that the totals from it can be transferred into the Income Tax Form for farmers and ranchers 1040F, thus simplifying the preparation of your final Income Report each year. My price is reasonable. Just send your name, address and \$1.25, by currency, money order or check, to Charles Carter, Box 891, Comanche, Texas. 27-tfc.

SEWING MACHINES repaired. I do all kinds of repair work, and also buy a few and sell a few. Carl Rutledge, Norton House, Haskell, Texas. 31-5tp.

FOR SALE—I have several thousand bundles of good feed for sale at 4 cents per bundle. See Gary Reid, 2 1-2 miles south of Munday. 26-4tp.

FOR SALE—160 acres, well improved on Knox Prairie. Making bale of cotton to the acre. \$100 per acre.

Surface rights, 1,000 acres of good mesquite grassland, \$20 per acre.

350 acre stock farm. Modern 5-room home less than 3 years old, \$60 per acre.

326 acres. Old improvements. \$30 per acre.

Need listings on Knox county land. What do you have to offer? Chas. Moorhouse Commission Co. Offices: Benjamin and Brazos Hotel, Seymour, Texas. 24-tfc.

FOR SALE—About 2,000 bundles of late cutting kaffir. Well matured heads. Chester Bowden. 27-tfc.

WE ARE getting good service on order's for repair parts for Avery machinery, Oliver machinery and Coleman stoves. Let us order them for you. Reid's Hardware.

FOR SALE—Farmall tractor, regular. Good tires, good tractor. See at F. H. Russell's, Munday, Texas. 1tp.

FOR SALE—Seed oats, free of Johnson grass. See Eugene Michels, Munday, Texas. 24-6tp.

VINCENT BENDIX'S HELICOPTER

Vincent Bendix, President of Bendix Helicopter, Inc., has completed engineering on the above model of his new helicopter limousine. The company, which is not affiliated with Bendix Aviation Corporation, will go into production within a short time on the new machine which has a top speed of 140 miles an hour and a cruising speed of 120 m.p.h. using 75% of the power of a 300 horsepower radial air-cooled engine.

The four passenger model shown above will have a minimum rate of climb of 600 feet per minute and with the normal low pitch possible in the Bendix exclusive design and construction, the safety feature of automatic autorotation is present at all times. The cost of the machine is expected to be about 25% higher than the finer motor cars based on quantity production.

ROBNA CLAIRE MOORE WINS SECOND PLACE IN XMAS SEAL CONTEST

A cash prize was awarded to Robna Claire Moore of Abilene for second place award in the Christmas Seal theme contest sponsored in the South Junior high school in Abilene. Prizes were awarded last week.

All pupils of the junior high school were required to write a theme on the subject, What Christmas Seals Mean to Health of Abilene Community.

Robna Claire is the granddaughter of Mr. and Mrs. J. Walter Moore of Munday.

Mrs. John Ed Jones and Miss Toby Baird were guests of Mrs. D. J. Brookerson of Seymour at the showing of "Carmen" in Wichita Falls recently.

Miss Dixie Atkinson, who is attending school in Dallas, was a recent visitor here with her parents, Mr. and Mrs. R. D. Atkinson.

John Milton's Areopagitica, a speech written for freedom of the English press, 300 years old this month, is now on display in the University of Texas Rare Books Collection. Milton wrote the book when an ordinance was issued by the English Parliament for suppressing certain books.

Wednesday, Choir practice at 7:30 p. m. Bible study at eight o'clock.

BENJAMIN METHODIST CHURCH

J. P. Patterson, Pastor
CALENDAR
Preaching Second and Fourth Sundays at 11:00 a. m.
Church school 10:00 a. m. each Sunday.

FIRST BAPTIST CHURCH

Our New Year wish for you is that there shall be that peace which comes from the indwelling presence of the Father, and the fulfillment of Spiritual responsibilities definitely thought and well wrought. The past year is behind us. We can't change what is past. We can profit by whatever mistakes we have made, and use them for stabilizing a better service in the days that are ahead.

Let me issue the challenge to all of us to give our best this year to the Master's service. Don't let your part of the line sag. The victory comes to those who fight on.

"Give of your best to the Master; Give of the strength of your youth; Throw your soul's fresh glowing ardor Into the battle for truth.

Jesus set the example; Dauntless was He, young and brave; Give Him your loyal devotion, Give Him the best that you have."
W. H. Albertson.

Jack Warren of Amarillo spent the holidays with his father, J. A. Warren. Mr. Warren had the pleasure of having all of his children home Christmas day.

John B. Massey, who is in the navy and has served in the South Pacific area, spent a few days here during the holidays visiting in the home of Mr. and Mrs. Joel W. Massey.

Miss Martha Jean Ferguson, who is attending Texas University in Austin, spent the holidays here with her grandmother, Mrs. R. A. Clements.

MOVE TO GOREE
Mr. and Mrs. L. E. Hunter, who resided on their farm west of Munday for many years, have purchased the G. W. Moore home in Goree and moved there last Saturday.

Bobbie Gene Burns returned home last week after an 18-day stay in a Fort Worth hospital. He is the son of Cpl. and Mrs. Edward Burns.

Mr. and Mrs. Andy Eiland of Austin spent the holidays here with Andy's mother, Mrs. Dave Eiland, and with other relatives. They took their little son back to Austin with them.

LOCALS

Mr. and Mrs. Pierce Voss and daughter, Revis Ann, of Abilene, and Miss LaVerne Darter of Gorman visited with Mr. and Mrs. Elijah Cunningham during the holidays.

Miss LaVerne Darter, teacher in the Gorman school, spent the holidays here with her mother, Mrs. I. N. Douglas.

Miss Doris Howell left last Tuesday for Denton to resume her studies in N. T. S. T. C. after spending the holidays here with her parents, Mr. and Mrs. R. H. Howell.

Visiting in the home of Mr. and Mrs. E. J. Brazell on New Year's day were their son, Bert Brazell, and their grandsons, Robert and Tracy, all of Haskell; their grandson, Leabert Brazell of the Merchant Marines, who has just returned from Leyte and is spending a 15-day furlough before reporting for duty at Houston.

Lieut. Louise Atkinson of Camp Callan, Calif., received a leave from her W. A. C. duties in the Public Relations Office to visit her father, W. H. Atkinson, and other relatives here during the holidays.

Mr. and Mrs. Tom Haney of Wichita Falls and Lee Haney of Fort Worth visited their parents, Mr. and Mrs. G. W. Haney, during the holidays.

Mr. and Mrs. Chalmer Hobert had as guests Christmas day, Mrs. Hobert's mother, Mrs. Carrie Jeffords, and her grandparents, Mr. and Mrs. C. S. Whiteside, also other relatives, Mrs. Elizabeth Shupree, Seymour; Mr. and Mrs. Jim Hollis and daughter, Olney, and Lieut. and Mrs. Byron Shupree and daughter of Houston.

Mr. and Mrs. Allen Chambers of Paducah visited in the home of Mr. and Mrs. Barton Carl over the week end.

WAR BONDS In Action

Fighting goes on a few miles inland, but the Marines bring ashore supplies and equipment to this Jap pier on Saipan. The bulldozer will soon be at work clearing landing strips for our planes. War Bonds bought this equipment. Are you buying more than before—and buying regularly? U. S. Treasury Department.

AAA Delegates Of County Named

Seven delegates that were elected by the farmers of Knox county in a series of meetings held in the different communities met at the AAA office in Benjamin, Friday, December 22, 1944 for the purpose of electing a county AAA committee to serve in 1945.

At this meeting, Mr. Emmett Partridge was reelected as chairman, Mr. Thomas H. Jones, reelected as vice-chairman, and Mr. C. C. Browning was reelected as regular member. The alternates elected were Ernest Beck and Clay F. Grove.

This committee will administer the AAA program in Knox county during 1945 and will issue lumber certificates for agricultural purposes, issue copper wire certificates, approve Dairy Production Payments, approve Soil Conservation practice payments, and will attend to other phases of the 1945 program such as loans and support prices. It is also probable that the county committee will be called on sometime in the future to distribute surplus war property.

Delegates participating in the election were: C. C. Browning, Truscott; W. M. Ford, Vera; T. D. Harlan, Goree; Frank J. Cerveney, Rhineland; Clay F. Grove, Munday; John J. Jones, Sunset; and Guy E. Steen, Knox City.

Frozen Food Locker Plant For Munday

A Frozen Food Locker Plant for Munday is practically assured... a complete food handling business where rural and city folks can bring their meats, fruits and vegetables to be prepared, fast frozen and stored in lockers for future and out-of-season use. Each patron may rent an individual locker for his family's food storage.

Service To Community

The valuable services rendered will appeal to a large proportion of the families in this community, as they will realize valuable savings in time and food bills.

Before this can be presented for approval of the War Production Board, it is necessary that 60 per cent of lockers in this proposed plant be sold. Drawer type lockers will rent for \$15.00 per year each and door type locker will rent for \$12.00 per year each.

Anyone desirous of a locker, contact any business man in Munday, or fill out the convenient coupon below and mail to Oates Golden, Secretary of local committee, Munday, Texas.

I, the undersigned, do hereby request that you reserve for me in your proposed Frozen Food Locker Plant..... door type lockers at \$12.00 per year each and/or..... drawer type lockers at \$15.00 per year each.

Town..... State.....

Pvt. Harold L. Stone, Jr., Gulfport, Miss., 20, smiles because War Bonds healed his arm, fractured by a bullet in France. He had been searching houses for Nazi and was crawling out to escape enemy shelling when the blow struck.

Sergt. Norris Pendergrass, Roseburg, Ore., 21, suffered a broken leg, broken jaw and flesh wounds when Nazi threw a grenade into tank in which he was riding. All his wounds are mending satisfactorily because War Bonds provided him with the best medical care overseas and in America.

Permanently washed out of the war when a rifle grenade blew up close to his left foot in France, P.F.C. Martin Grubanowich, 20, Milwaukee, Wis., of the Rangers says War Bonds are the best investment people can make. They are restoring him to civilian usefulness. He says buy War Bonds.

Hit in the head and leg by mortar shell fragments while taking a hill, Pvt. Robert B. Graham, Pontiac, Mich., 26, says he is glad people buy War Bonds. They supplied treatment for those wounds and his fractured humerus.

The high cost of living

The low price of electricity

Look at the cost of living—up 25.4% since 1939*. Or would you rather not? Then look at the cost of electricity—down 3.2% during the same period*. Feel better?

Of course, the reduction is a nation-wide average, and partly due to increased usage, which earns lower rates. But it continues a long-time trend. In fact, the average American family gets about twice as much electricity for its money today as it did 15 years ago!

(So why isn't your bill cut in half? Because you have more electric servants now. Kilowatt-hours are much cheaper—but you're using a lot more of 'em!)

Will you pardon us a moment while we point with pride to our wartime record? Production up—price down—no rationing—no shortages.

Thanks to far-sighted business management, every war plant making weapons has had plenty of electric power. And so will every peacetime factory making jobs!

*Both figures from U. S. Bureau of Economic Statistics.

Hear Nelson Eddy every Sunday afternoon in the brilliant new musical show, "The Electric Hour," with Robert Armstrong's Orchestra, 7:30 CWT, CBS.

Editorial

Did you ever watch a steamroller—an old-fashioned one with clanging gears, escaping steam and great clouds of black smoke belching from the stack? Wasn't it a thrill to see that great machine level out obstacles in its path, leaving a perfectly smooth roadway? The word "determination" always brings to my mind that picture of a steamroller—a machine which goes places once the "full steam ahead" lever is thrown.

It is now nearly mid-term and all of the pupils of Munday high must throw the "full steam ahead" lever. Those of you who have lost interest in school and have missed several days before Christmas must get back in there and level those obstacles; chemistry, English, and algebra. You must have the driving determination to win, the determination to surmount these difficulties. Unless you do, you will find yourself totally unprepared for the struggle that youths of the U. S. A. will have to become helpful citizens.

Senior News

The Seniors started the new year off right by coming back to school like nice boys and girls should. They had quite a wonderful surprise awaiting them—their Senior Rings were here! A super new year's gift, they think. They were then in a frame of mind to wish everyone a very happy New Year!

Miss Silman started her Lit. class off in the right direction by giving them a theme to compose and a test that the holidays had prevented before.

The bookkeeping class is gradually sliding along on the practice sets they started before Christmas. They have two of the sets to finish before mid-term, but they'll get it done, you can bet (if they start to hurry now.)

Senior Life

Bobbie LaVerne Henson was born March 23, 1927 at Munday, Texas. She has lived here all her life and has been with the present Seniors all through her school life.

Bobbie started her school life off right with two years in the rhythm band. She entered the County Meet Spelling and Musical contests while she was in the fifth grade, but didn't make the medal mark in either event. Bobbie has been in the chorus a number of years, both in grade school and in high school. Her Junior and Senior years were given to the pep-squad and Bobbie did a very good job of cheering our players.

Farm life has agreed with our little friend. She has a nice ruddy complexion complimented by her wavy brown hair and big brown eyes. She likes all the outdoor activities a young girl could enjoy and makes the most of being young. Life is fun for Bobbie and we are sure that many people would benefit just by being an acquaintance of our Bobbie.

Some of her favorites are:
Song—"Don't Fence Me In."
Color—Blue.
Sport—Horse-back riding.
Teacher—Mr. Owens.
Subject—Bookkeeping.
Remark—"My goodness."
Hobby—Collecting stamps.

Past-time—Acting goofy.
After her high school graduation Bobbie plans to take a business course in some of the business schools in Wichita Falls. The class joins together to wish her the best of everything.

Junior News

Well the Juniors are back on the go again after a very enjoyable Christmas. It seems Santa was good to everyone. Jozelle got that big baby doll she had been wanting for months. Charles and Joseph were quite embarrassed when they received their nipples. Wonder who sent them? J. S. and L. B.? could be.

The room mothers gave us a swell Christmas party and it was enjoyed by everyone. Boy! were the refreshments good!

We have a new boy in our class, Dan Martinez, we are glad to have you Dan and we hope you will like it here.

We are certainly glad to have our swell sponsor back. Don't know what we would have done without you Mrs. Baker.

Sophomore News

That blessed event long hoped for has happened. Due to a sudden turn in plans we had our Christmas party the 16th of December. (Very interesting affairs, these parties.) We had games both new and old which took most of our time. We had the party in the Agricultural department which was decorated by Mr. Dowell and some of the girls. We wish to thank Mr. and Mrs. Dowell and the room mothers for the swell time and the delicious refreshments.

We promised you a comparison of grades and here is what we have. There were thirty-six students in the class during the past six weeks. Six students were on the "A" roll and fifty per cent on the "B" roll. If there is a class in Munday high who can beat that, we will consider that class very smart. The honor roll is as follows: On the "A" roll we have Carolyn Hannah, Ronald Foshee, D. G. Chamberlain, Wayne Rodgers, Jean Rummel, and Arledge Suggs. On the "B" roll we have Kenneth Baker, Clara Bell Byrd, Patsy Campey, Juanita Followill, Mozelle Ford, Harold Green, Curtis Gollehon, Lloyd Haynie, Wanda Henson, Jane Hill, Jean Ratliff, Edward Smith, James Smith, Billie Fern Thompson, Kelvin Tidwell, R. L. Trammel, Don Weaver and Billie Green.

Everyone has had time to break the New Year's Resolutions they have made. This is 1945, but it doesn't seem that one whole year has passed. This year will hold more than any other year has had in store for us. May it bring you more joy than regret.

Part of this news is a little late because of the lack of space in the Christmas edition of the Munday Times.

Society News

It was so hard to return to school after a whole week of "freedom." But for some sort of reason the Seniors didn't mind coming back at all. Couldn't be those shiny rings have changed them completely. They've been going around all week shaking hands with people. Could it be they're really that friendly?

Everyone seems to be thinking about mid-term exams that are slowly, but most surely "creeping" upon us. Already we're having tests just to find out if there's any hopes.

The Juniors are proud to have a new member in their class, Dan Martinez, from Knox City.

Weekly Jest

Why are high school girls like newspapers?

They have form
They are bold-face type
They have a great deal of influence

Back numbers are not in demand
They are well worth looking over
They carry the news everywhere they go
They are much thinner than they used to be.

IT PAYS TO ADVERTISE

On Baptist Hour

Southern Baptists will inaugurate the 1945 Baptist Hour together with their Centennial Crusade Program next Sunday morning, January 7, 8:30 a. m., EWT—7:30 CWT, with Dr. Wallace Bassett of Dallas, Texas speaking on the Baptist Hour network, which covers all the territory from Maryland to Florida and westward to include Texas, Oklahoma and Missouri, according to Dr. S. F. Lowe, director of the Southern Baptist Radio Committee, of Atlanta, Georgia. The subject for this general series is "The Call of a New Era."

With Southern Baptists seeking to win 1,000,000 souls to Christ in 1945, and with millions of young men from the homes of the nation in military service, it is appropriate that Dr. Bassett's subject should be, as announced by the Radio Committee, "Prayer for a Stricken World." This broadcast is a part of the program of Southern Baptists to help lead the nation to prayer in the opening of the crucial year

1945.
Dr. Bassett, the speaker for that broadcast, has been pastor of the Cliff Temple Baptist Church of Dallas, Texas for more than 25 years, and is recognized as one of the great spiritual preachers and leaders of our day, according to Dr. Lowe.

The music this year will again be by the Baptist Hour Choir under the direction of Mr. John D. Hoffman. The program will originate from the studios of WSB, Atlanta, Georgia.

LOCALS

Mrs. Donald Davis and son of Waverly, Ill., visited with Mrs. Doris Dickerson and son several days last week.

Sgt. and Mrs. Roscoe Cranfill and daughter spent several days last week, visiting Sgt. Cranfill's parents, Mr. and Mrs. Will Cranfill of Cisco, and with Mr. and Mrs. W. B. Lewis of Olney. Sgt. Cranfill, home on leave from Bakersfield, Calif., returned to his post of duty on Wednesday of last week.

Mr. and Mrs. Fore and daughter, Joan, of Happy spent several days here last week, visiting in the home of Mr. and Mrs. W. E. Braly.

Mrs. Otis Burnett and children of Fort Worth visited relatives and friends here over the week end.

Mrs. Tom Bush of Waco, a sister of John Ed Jones, and Charles Reid of Dallas, a cousin of Mrs. Jones, were guests in the John Ed Jones home during the Christmas holidays.

Mrs. W. M. Huskinson of Wichita Falls visited relatives and friends here several days last week.

C. C. Draper of Dallas visited with relatives and friends here during the holidays.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

Lend-Lease Food Deliveries

War Food Administration reports that deliveries of food and other farm products for shipment to the Allies under lend-lease during November totaled 467,500,000 pounds, or 251,800,000 less than in October. In November 1944 shipments were 1,015,000,000 pounds. Of these totals the United Kingdom and British possessions received 62 per cent, Russia 41 per cent, and Greece, West Africa, North Africa, the Netherlands, Poland, Yugoslavia and the French Committee of National Liberation, 7 per cent.

Ration Action For Fairer Distribution

The mounting exactions of a lengthened war and the failure of past partial rationing to fairly distribute available foods to all Americans are causes reported by the Office of Price Administration for tightening and increasing the ration system on foods. Cancellation of unexpired ration stamps validated prior to December 1 was done, OPA said, because supplies are just not large enough to permit spending both 1945 ration stamps and all those unexpired in 1944. Stamps issued for this past December and for January are to provide for current needs. Major facts on the supply situation are:

Sugar—The home canning ration this year is severely tightened and coupons for no more than 700,000 tons can be issued in the 1945 season, compared with 1,150,000 tons last season. This reflects an excessive use of 1944 supplies and the fact that 1945 will see no more than 5,400,000 tons available for civilians as against 6,100,000 in 1944, 5,700,000 in 1943 and 7,350,000 in 1941.

Butter—Civilian creamery stocks are at such a low level that supplies in the hands of wholesalers and retailers must be increased if a fairer distribution is to be obtained. The total available for 1945 is expected to be smaller than last year.

Processed Foods—Needs of the armed forces for canned fruits are expected to remain heavy and military procurement needs and set aside requirements for canned vegetables from the 1944 pack were bigger than in 1943. The supply now on hand must be made to last until the next canning season. The present stocks of commercially canned vegetables on December 1, 1944, was about 56 per cent of the quantity on hand for civilians 12 months previous.

Meat—Prospects at present are for supplies during the first three months of this year are about 15 per cent below the last 3 months of 1944 and also the first quarter of last year. This applies to both rationed and unrationed kinds. Hog production available for slaughtering is about 25 per cent below a year ago.

Says OPA: "Food rationing, in effect, must be placed on a pay-as-you-go basis. During the next few months, and perhaps throughout 1945, ration stamps will be only good on the basis of the supplies that can be made available to civilians without upsetting the fairest distribution obtainable. Shortages in some items, such as butter, may continue. The choice and variety of meats and canned fruits and vegetables may continue to be spotty in some cities. But as closely as possible point values will be maintained to assure the shopper

a reasonable choice of rationed foods."

How Farmers Can Get Lumber
Farmers who need lumber for emergency maintenance and repair of farm dwellings may now apply to the War Food Administration for preference ratings instead of the War Production Board field offices. WPA's Office of Civilian Requirements has transferred to WFA 15,000,500 board feet of lumber from its allotment for the first quarter of 1945 to provide lumber for emergency maintenance and repair of farm dwellings.

Fewer Trucks To Be Made
Less than one fourth of the motor trucks estimated as needed to meet essential war and civilian transportation requirements during 1945 will be produced and distributed to commercial operators, the Office of Defense Transportation announced today. The estimate is based on the 1945 civilian truck program approved by the War Production Board. Increased demands by the armed services for all types of motor transport was given as the chief reason for the severe reduction. The total authorized program amounts to 186,792 light, medium, light heavy and heavy-heavy trucks, or 24.1 per cent of the ODT stated requirement of 773,935 vehicles.

Parents Hear From Sons In Jap Prison Camps

Mr. and Mrs. C. A. Barton of Munday received a card from their son, Bob, on Christmas day. It was from Zentsuji Prison Camp, Japan, and dated September 28, 1944. He stated he was in good health, had received some letters. He asked his parents not to worry about him and expressed the hope he would soon be home.

Mr. and Mrs. Barton had been notified by the War Department of his change from the Philippine Islands to Japan.

Christmas Day also brought news to Mr. and Mrs. Roy Jones of Goree of their nephew, Harding Cartwright, who is in Osaka Prison Camp, Japan. It was dated September 17, 1944. He said he was well, had received mail and asked all of the folks to write. He also requested parcels and pictures.

This was the first news they had heard from him in more than a year.

HERE FROM NEW MEXICO
Mr. and Mrs. Houston McCarty and two sons, Jack and Sam, of Nara Visa, New Mexico, spent several days here last week, visiting with Mrs. McCarty's parents, Mr. and Mrs. J. R. Counts, and with other relatives and friends. Mr. McCarty was also looking after business interests here.

S. T. Reid, who had been in the Knox county hospital for medical treatment for some time, was brought home last Sunday. He is reported slightly improved.

Mr. and Mrs. Johnny Palmore and daughter, Helen Merle, of Lamesa visited with relatives and friends here during the holidays.

Mr. and Mrs. H. D. Warren and daughter of Fort Worth visited with relatives and friends here several days last week.

Swiss Cheese Bombing

"Swiss Cheese" effect shows some of the 800 bomb craters left at an enemy occupied airfield in Holland after an all-Canadian attack on September 3rd this year. The target was Volkel airfield, twelve miles north of Helmond, Holland, and many Halifax aircraft of the Canadian Bomber Group took part in the raid. The reconnaissance photographs secured by an RAF unit under the direction of Coastal Command prove that the runways and buildings at the airfield have been devastated. The attack was conducted in daylight but with only "fair" visibility.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox, M. D., State Health Officer of Texas

Austin — Inasmuch as the incidence of whooping cough in Texas has shown an increase during the past two months, Dr. Geo. W. Cox, State Health Officer, released a statement today urging that strenuous efforts be made to control the spread of this debilitating childhood disease.

"Whooping cough can only be contracted by direct exposure to the disease, and isolation of cases must be universally practiced if the incidence is to be controlled," Dr. Cox stated.

"The infectious agent or germ of whooping cough is transmitted by droplets expelled in coughing, sneezing, or speaking," Dr. Cox said. "The discharges from the nose and throat are dangerous to susceptible persons; the need for early recognition and careful isolation of whooping cough is obvious."

The first sign of this disease is usually a dry cough, which persists day and night and tends to become increasingly severe. The disease is fully developed when vomiting of food and whooping accompany the paroxysm of cough. Dr. Cox stressed the fact that children who have whooping cough should not attend

school or come in contact with other children until three weeks after the appearance of typical signs of the disease.

"Prevention and control of whooping cough, especially among infants and small children, may be accomplished through use of approved vaccine and convalescent serum," Dr. Cox said, "and it is important that such measures be taken to protect them. Neglecting to do so, and allowing the young child to suffer an attack of this disease, may seriously impair his future health."

RELATIVES VISIT IN HATHAWAY HOME XMAS

Ralph Blanton, who is with the medical department of the U. S. Navy and stationed at St. Mary's College, Calif., spent the holidays with Mr. and Mrs. A. U. Hathaway. His wife and son of Seymour were with him. They went to Seymour and Wichita Falls for a short visit with Mrs. Blanton's family before Ralph returned to his base.

Other relatives in the Hathaway home during Christmas included Mr. and Mrs. Cecil Blanton of Corpus Christi, Mr. and Mrs. Aaron Blanton and daughter, Patsy of Lamesa, and Mr. and Mrs. Elton Busby and daughter, Gail, of Brownfield. This is the first time the group had been together in 14 years.

Mr. and Mrs. Tom Wood of Fort Worth are here for a visit in the home of Dr. and Mrs. D. C. Elland.

Keep Up With Rationing

RATION REMINDERS

Housewives are urged to destroy all food ration stamps that have been declared invalid, the Office of Price Administration said today. Use of these stamps by consumers, as well as acceptance of them by retailers, is a violation of rationing regulations, OPA said.

At the same time, OPA explained that red ration tokens continue good and housewives may use them for buying meats-fats. Grocers will continue to give them to housewives as change for the red 10-point stamps.

Blue ration tokens, however, have not been good since October 1 and, therefore, cannot be used for canned fruits and vegetables. They are no longer needed as change for the 10-point blue ration stamps used for processed foods because point values for these items are set in multiples of ten.

Ration stamps which were invalidated as of 10:01 a. m., Tuesday, December 26, 1944, and which are not good for consumer use are:

RED STAMPS—A8 through Z8 and A5 through P5.

BLUE STAMPS—A8 through Z8 and A5 through W5.

SUGAR STAMPS—30, 31, 32, 33 and 40, along with all home canning coupons outstanding.

Stamps continuing to be good—and those soon to be made good—are:

RED STAMPS Q5, R5 and S5, which became good December 3. In addition, five more red stamps T5, U5, V5, W5 and X5—will become good on Sunday, December 31.

BLUE STAMPS X5, Y5, Z5, A2 and B-2. In addition, five more blue stamps—C2, D2, E2, F2 and G2—became good on Monday, January 1.

SUGAR STAMP No. 34, which became good on November 16. Another sugar stamp will become good on February 1, 1945.

Expiration dates have not been set for the stamps that still remain good.

GASOLINE—A-14 coupons good for four gallons.

FUEL OIL—East and Far West 1 and 2 coupons good for ten gallons per unit. Mid-west and South 2 and 3 coupons good for ten gallons per unit.

SHOES—Airplane stamps 1, 2,

and 3 in book three, good indefinitely.

BIRTH ANNOUNCEMENT

Mr. and Mrs. G. C. Irvin, Jr., are announcing the arrival of a baby boy, Jerry Ray, who was born at a Dallas hospital on December 12. Mother and baby are both doing fine. The child's grandparents are Mr. and Mrs. E. C. Elliott of Sager-

ton and Mr. and Mrs. Gaines C. Irvin of Dallas. His great grandfather is J. I. Williams of Munday.

Dick Harrell returned to his studies at Texas University, Austin, last Friday after spending several days here with his parents, Mr. and Mrs. E. W. Harrell.

A Want Ad in The Times Pays

Attention POULTRY RAISERS

I take this opportunity to thank each one who helped to make my Hatchery and Feed Business a success during the past year. Have had customers who are as good and loyal as any person ever had, and I'm thankful for them.

Have sold an interest in my hatchery here to a man who has had seven years experience operating a hatchery and feed store who will be happy to serve you in the very best way he can. Go around and meet Mr. Carl George, he will be glad you did.

First Setting Date is Saturday Jan. 6.

Are your hens laying? Often it takes only a good feed to start them producing a lot of eggs. Red Chain Egg Mash or Universal Laying Mash is of such high quality it pays to feed it.

More Power To You In 1945

Full steam ahead! The past is behind us—opportunity lies ahead. Let's go America!

In the first days of the New Year, we pause to consider your part in the success we have enjoyed during 1944. Your support has meant everything to us.

In this spirit of appreciation it is a genuine joy for us to wish for you a very happy New Year.

You know how a snowball gets bigger and bigger as you roll it along. As 1945 rolls along, we hope that with each day your opportunities become bigger and better—and that each day will add measurably to your store of blessings.

Committeemen Named For 1945 AAA Program

In a series of meetings held over the county during the week of December 11 to December 16, twenty-one local committeemen and fourteen alternates were elected by the farmers of Knox county to represent them in the 1945 AAA program, according to a statement issued by Doyle G. Thomas, secretary Knox county A. C. A. Also elected at these meetings were seven delegates to appear at the county convention, Friday, December 22, 1944 to elect three members and two alternates to the county committee.

In commenting on the meetings, Mr. Thomas said that every one present showed a lot of interest in the election of the leaders in their community. He said that they all seemed to realize the tremendous jobs that each committeeman would have during 1945.

One of the most important jobs of the community committeemen is to learn the AAA program and then discuss it with the farmers of his community bringing to their attention the help that they can receive from AAA in carrying out conservation practices, securing loans for their commodities, and many other phases of the program.

The community committeemen elected for a community which is comprised of the Benjamin, Gilliland and Truscott community are: Joseph G. Adcock, chairman; Clyde A. Bullion, vice-chairman, Olie A. Ilse, regular member. The alternates elected to serve in case one of the regular members cannot serve are Abe Watson and Elmo Todd. For the Vera community the committee is comprised of: Robert B. Trainham, chairman, Ted W. Russell, vice-chairman, and Alton R. Robinson, regular member. The alternates are Ralph B. Bedell and S. E. Albright.

For the Goree community the committee is comprised of: Joseph C. Koenig, chairman, Pete Beecher, vice-chairman, and Ben R. Holder, regular member. The alternates are T. D. Harlan, Frank J. Cerveny was elected chairman of the Rhineland committee, Louis Homer, vice-chairman, and August Schumacher, regular member. The alternates are Albert Wilde and Fred L. Stengel.

The Munday community is comprised of Calvin N. Smith, chairman of the community committee, Otis D. Simpson, vice-chairman and Joe I. Pearce regular member. The alternates are Clayton Wren and

NOTICE

As in prior years, interest on consumer's deposit at the rate required by law has been accrued and set aside for payment. Customers, who so desire, may secure payment of such interest upon presenting their deposit receipt at the Company's nearest district office at Seymour, or if this is not convenient, by mailing their receipt to the Company. Receipt will be returned with remittance for the interest.

AMERICAN HEROES

by JULIAN OLLENDORFF

Pvt. Henry B. Lowther, Flint Stone, Md., has been awarded a bronze medal for courageous action in driving a small car loaded with ammunition through constant enemy fire in support of buddies engaged in fierce battle at the base of a hill on a South Pacific island. Snipers' shots rained on his vehicle as he drove at 5 miles an hour over a narrow, hilly extension of a perimeter road, 10 trips in black night. War Bonds buy trucks for heroes. U. S. Treasury Department

Ralph H. Layne Wins Air Medal

15th AAF In Italy.—1st. Lieut. Ralph H. Layne, 28, 301 South Hackberry Street, Pecos, Texas, navigator on a B-24 Liberator bomber in the 15th AAF, has been awarded the Air Medal "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy."

His group, commanded by Col. Philip R. Hawes, Pearl River, N. Y., has flown more than 140 combat missions and has been cited twice by the War Department for outstanding performance against the enemy.

Layne entered the AAF January 13, 1941, and received his second lieutenant's commission and his navigator's wings at Ft. Belvoir, Va., August 5, 1942. Prior to entering the army, he was a cafe manager for Joe Weingarten, Inc., in Houston, Texas.

His wife, Mrs. Mildred Janet Layne, and his daughters, Shelia and Linda, are living at 61 South 35th St. in Paris, Texas. His mother Mrs. Addie L. Layne, lives at the Pecos address.

Employees in non-agricultural business and government establishments totaled 1,438,000 in September 1944, the University of Texas Bureau of Business Research reports. For the same period in 1943 it was 1,448,000.

Juvenile delinquency was discussed by Judge Camille Kelley of Memphis, Tenn., in a recent address at the University of Texas. She theorized that any child who is normal physically and mentally can be "corrected." She estimated that out of the 36,000 cases which have come to her court, between 75 and 90 per cent of the juveniles have made good in later life. There is now more juvenile progress than delinquency, she said.

Auction Sale Has Busy Day

The Munday Livestock Commission Co. reports a big run of cattle and hogs for last Tuesday's sale. Common cattle sold fully steady, while butcher cattle sold from 50 to 75 cents higher than a week ago.

Canner and cutter cows sold from \$4 to \$7; butcher cows, \$7.50 to \$8.50; fat cows, \$9 to \$11; butcher bulls, \$6.50 to \$8; beef bulls, \$8.50 to \$9.50; butcher yearlings, \$9 to \$11.50; fat yearlings, \$12 to \$13.50; rannic calves, \$6.50 to \$8; butcher calves, \$8.50 to \$11, and fat calves, \$11.50 to \$13.60.

Mr. and Mrs. Fore and daughter, Joan, of Happy spent several days here last week, visiting in the home of Mr. and Mrs. W. E. Braly.
