Near-Record Grain Crop Speeds To Market; Cotton Harvest Near

Grain harvest rolled into the home stretch this past week with 75-80 percent of the near-record crop already stashed away in elevators throughout the county. However, a large part of the crop overflowed onto vacant lots after a railroad car shortage had caused the golden grain to stack up throughout the county.

Meantime, frost had held off its icy breath except for an occasional whiff which had failed to do any serious damage. The light frosts already recorded, however, have been sufficiently nippy to stop cotton growth.

One farm expert put it this way: "Frost throughout the county has just about touched the cotton leaves to the extent that the function in producing more lint has been nullified." All of which is by way of saying that although killing frosts have not been reported, cotton production has virtually ended.

Many farmers report that more than 75 percent of their cotton is open and they are using desiccant to kill the crop completely so harvest can be speeded up.

J. K. Adams, county agent, pointed out that farmers know they will be hurt in the loan program if the cotton micronaire falls down; therefore they dare not desiccate their cotton until at least 75 percent is open.

He said that the lack of a killing frost has put gins into idle gear and ginnings in the

county are considerably behind their usual Nov. 1 schedule. (Last year's first killing frost also was late — Nov. 20, official records show.)

Adams said the grain sorghum harvest is at least at the 75 percent mark. Ben Yeager a

Phones to 'Howl' If Left Off Hook, Company Warns

Like to take the phone off the hook and lie down for a nice nap in the afternoon?

Well, starting next Sunday, Nov. 7, the phone-off-the-hook routine will become a thing of the past. Because if you do take the phone off, it's going to set up just about the weirdest howl you have ever heard — and I'll do it automatically.

Sounds somewhat like a cross between a wildcat with somebody standing on his tail, and a tornado warning.

The device is not new and has been in use in many towns for some time; however, the "howl" (as General calls it) will be employed here for the first time after new telephone equipment is cut in next Sunday.

District Manager Alan W. Waldrop said Saturday that not everything will be "peaches

Muleshoe Elevator Co., boosted this figure by five percent, saying that an easing of the railroad car shortage late in the week further boosted movement of the crop to market.

Adams pointed out that elevator operators "are pleased over the relatively dry grain coming to market," adding that harvest conditions have been ideal throughout the past few days.

Yield not only has been of high quality this year, but tests show that the quantity also has been great. Adams pointed to results of test grain sorghum on the Leon Lewis and Byron Gunter farms which showed a total of 6000 pounds in 12 variety checks to a high of 7246 in one of the tests. Highest yield in the check plots was made by

Weathermaster 75.

On the Joe Wheeler farm, Texas 600 showed incomplete returns of 8100 pounds, but accurate measurements will be needed on this demonstration before exact yields can be figured, the county agent said.

Grain sorghum results on a number of farms in the county are being compiled and will be released by the county agent in memorandum form later this autumn, Adams said. Six variety tests were run on each farm, he said. Thus results should be conclusive.

One of the county's top crops this year, production-wise, has been the commercial tomato output. Conservatively the county had 300 acres in tomatoes, and farm experts estimate the

300 Expected At Lions' 25th Birthday Party

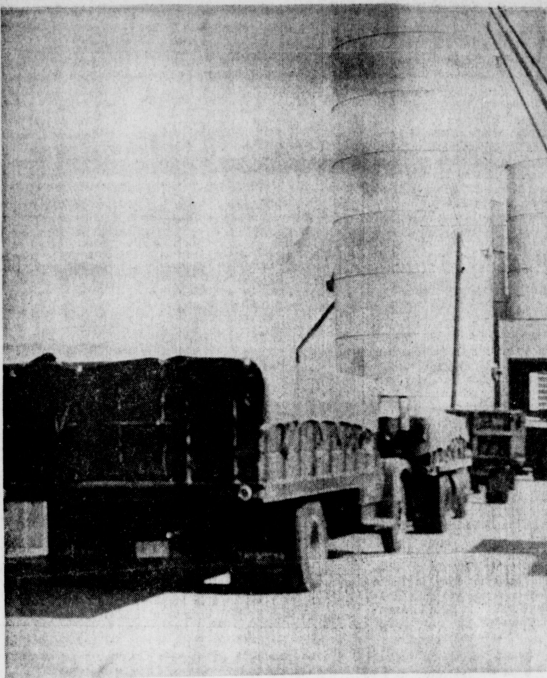

With the chairman of the Texas Highway Commission delivering the principal address, Muleshoe Lions club will mark its 25th anniversary at a dinner in Fellowship Hall of First Methodist Church next Tuesday night. Frank Ellis, president, has announced.

Speaker will be Herbert C. Petty Jr., Carrizo Springs. He also is a former president of Lions International, is chairman of the board of Union State Bank, Carrizo Springs, and has served on the highway commission since 1955.

Area clubs will send delegations to Muleshoe for the celebration which also will honor charter members. Five are still members of the club — Pat Bode, Sam E. Fox, Charles L. Lenoar, Cecil H. Tate and Tye Young. Jack Wood, chairman of the invitations committee, says some clubs in this area are sending "20 to 30" members to the celebration dinner, which will have District Governor Alton Griffin, Lubbock, as master of ceremonies.

Entertainment will be presented by the "Slumtown Symphony", an eight-member variety group from Lamesa, and dinner music will be provided by Ray Martin at the organ.

The charter for the Muleshoe Lions club was issued July 31, 1940, and was made up of 22 members. Others, in addition to the five who are still members, included B. L. Brooks, A. J. See PARTY, Page Four

GRAIN TRUCKS ROLLING — Grain Sorghum trucks were rolling to market this past week and the three above, running bumper-to-bumper, were typical. Elevator lots had stacked up with

trucks after a railroad-car shortage had slowed shipment earlier in the week. An excellent crop is three-fourths in the bin. (JP)

Sandhills crane season opened — Saturday — after rains through the month of November. Also starting today is the Muleshoe Jaycees' annual sandhills crane contest, prizes being offered for the biggest cranes killed each day by persons who enroll in the contest. A shotgun will go to the person who kills the biggest crane during the season.

Bailey County Farmers Union has named delegates and alternates to the Texas Farmers Union convention to be held Thursday, Friday and Saturday in Abilene. Representing this county will be John Hubbard and Woody Goforth with Bill Sowder and Ivan Clawson as alternates. The delegates were named at a meeting in Bula last week when Jim Claunch was picked as membership chairman and Bill Sowder as legislative director.

Muleshoe Cub Scout leaders will attend the South Plains Council's annual Cub Scout leaders powwow Saturday, at Evans Junior high, 58 and Poria, Lubbock, starting at 1 p.m. Each pack is to bring an exhibit.

Library Observes Children's Week

Muleshoe Area Public Library will observe National Children's Book Week this week. Annie Camp, librarian in charge, said when theme will be "Sing Out for Books."

The library will be decorated with streamers, posters, mobiles and parents' book lists will be used to promote the week. Mrs. Camp said the library will have a story hour Monday from 10 until 11 a.m. for Mrs. Johanna Green's kindergarten group. They also will pay a visit to the Bookmobile and a picture quiz.

Wednesday, the library in cooperation with the elementary schools will have an assembly program at each of the schools. A team from the library and the AAUW club will be at Richard Hills school from 9:15 un-

Tuesday Election Interest Lagging

Unless more interest is seen on election day than has been evidenced in the days before the election, turnout for next Tuesday's special election probably will not be heavy, political observers said.

This is indicated by the fact that only two persons registered their votes during the absentee-voting period which ended Friday afternoon. Two Muleshoe men who expect to be out of town next Tuesday, cast the only absentee ballots polled here.

Trick or Treat Night is Slated For CROP Funds

Muleshoe youth will gather funds for CROP Monday night between 7 and 9 p.m., the Rev. J. Frank Peery, Bailey county CROP chairman, has announced.

Young people from many Muleshoe churches will take part in the two-hour door-to-door drive, being staged a day late since Halloween this year falls on Sunday.

"We believe Monday night is the best time we could select for our campaign," Mr. Peery said.

The young people will meet in the recreation room of the

Speedy Tulia Hornets Sting Mules in Conference Setto

Douglas Stadium. The fast-running Hornets came out on top 28-0.

The Mules received the kickoff on their 25 yard line and moved to the Tulia 48-yard line, then lost back to the 30. Muleshoe then tried a pass which was incomplete and had to punt to the Tulia 6.

Tulia advanced to their own 34-yard line where they fumbled and the ball was recovered by Steve Oliver. The Mules advanced to the 32, and after two incomplete pass tries, handed the ball over on downs.

The Hornets moved out to their 42 before having to punt to the Mules 29-yard line. Muleshoe then lost to the 24 and advanced to the 26 yard line, before punting to the Tulia 34-yard line.

Tulia moved to the 37-yard line and then lost back to the 31-yard line before punting to the Mule 40-yard line.

The Mules took over and were pushed back to the 38-yard line. A 5-yard penalty put them back to the 33 then they advanced to the 37-yard line. An incomplete pass, forced them to punt to the 33-yard line of Tulia.

The Hornets took over and started a 66-yard drive which ended with Darrell Smith going

over for the first touchdown of the game. Danny Cook's try for extra point was good and the scoreboard read 7-0 in Tulia's favor with 6 minutes 55 seconds left in the first half.

Muleshoe received the ball on the 10 yard line and advanced to the 34-yard line. An incomplete pass again forced the Mules to punt to the Tulia 45-yard line.

Tulia took over and pushed to the 45 before punting to the Muleshoe 7-yard line. The Mules then advanced to the 22 yard line before punting to the Tulia 40. The Hornets moved out to the Muleshoe 29 and on the next play Joe Adams intercepted a Tulia pass on the

yield ran to around 30 tons per acre. This would be a conservative total output of 12 million pounds' production for Muleshoe's 1965 tomato crop.

Adams figures that the county's growing vegetable production each year ran to just under \$1 million this year. The county marketed Irish potatoes, tomatoes, cantaloupes, watermelon, cucumbers, bell peppers, okra and squash.

Many experts foresee an even greater swing toward vegetable production next year. Tomatoes produced here are going to processing plants in Colorado, Oklahoma, Missouri and east Texas.

New Hair Styles At Main St. Beauty Shop

For women who want to look their best the Main Street Beauty Salon, located at 115 Main St., is the place to go. This salon specializes in hair styling and all types of permanents. They do four - way hair shaping and hair tinting also. Revlon cosmetics can be bought here and the newest shades in lipstick, nail polish, and rouge are carried in stock. Face creams and hand lotions of all types are part of the supply on hand.

Mrs. Bernice Holdeman is the owner of Main Street Beauty Salon and she is assisted by 3 graduate beauticians, Darla Radcliff, Geraldine Morgan, Betty Melton and Sue Moore. Mrs. Holdeman is also a graduate beautician and takes refresher courses occasionally to keep abreast of the latest styles in hair fashions. Her motto is "First in Fashions."

The salon is air conditioned and is equipped with the latest style of comfortable chairs so that customers can relax in a pleasant and friendly atmosphere.

Some hair requires the new type hair style wave in order to make the hair styles more lasting. However with the new methods in permanent waving no one need suffer the pains of the first month of the usual too-tight or frizzle or simply the look of a permanent wave.

Now, the wave is completely concealed after the hair style yet it is strong enough to hold the design each week say the hair dressers at this shop.

This salon invites you to give them the opportunity to "roll out the red carpet" for you. They point out that their prices are in different groups so that you may select the price that suits your budget and still receive the best in all services.

"We try to give you your money's worth and more," says Mrs. Holdeman. "We want you to look pretty and feel pretty after a visit to this shop," she continued.

This defect, he said, is due to an engineering fault "by the manufacturer in some of the equipment used." Since all numbers will change, "not all the work can be completed immediately," he explained. "Some of the improvements can be made only after the change-over is completed." The new system will convert Muleshoe from a four and five-digit system to a seven-digit system with a 272 prefix.

"As soon as we have made the conversion (change-over) we will make a traffic survey, and then will re-balance our lines. But we know that the customers are going to see a vast improvement in our services once the new equipment has been utilized to the fullest," the district manager explained. One delay which the failure

Apparently the greatest interest here is centered in the amendments dealing with schools and the amendments which would extend state officials' terms to four years.

More publicity has been given to Amendment No. 1, and most school officials and political leaders have come out in support of that proposal.

Among those who joined the move to support the amendment was State Sen. Andy Rogers, officials and political leaders have come out in support of that proposal. Among those who joined

the move to support the amendment was State Sen. Andy Rogers.

The measure "provides a constitutionally-based source of funds for 17 state-supported colleges and universities and has the unanimous endorsement of the council of college presidents, the committee of governing boards of state colleges and universities, and the co-ordinating board, Texas college and university system.

Bailey county's state Representative, Jesse George has endorsed all 10 of the proposals, but has been especially eager to see passage of Amendment No. 1. He has made 43 speeches in his district in support of the amendments.

Only persons who paid their 1965 poll taxes are eligible to vote, it was pointed out.

(Continued From Page One) Muleshoe 2-yard line. Ronnie Swint moved the ball to the 3-yard line before the half ended 7-0 in Tulia's favor.

Tulia received the kick-off on their 10-yard line and moved to the Muleshoe 43 before punting to the Mule 11-yard line where a Mule receiver fumbled and Tulia gained possession. In three plays they moved it up to the one where Dennis Hardee moved in for the T.D. Cook's kick was good for one more point.

Muleshoe received the kick-off on the 19-yard line and moved to the 35 where they had to punt to the Tulia 36-yard line. On the second play from scrimmage, Hardee threw a pass to Fred Howell who ran over for a T.D. Cook's kick was good.

The Mules received the kick-off on their 10-yard line and moved to the 19 before punting to the Hornet 40-yard line.

Using a combination of aerials and running plays the Hornets moved to the 7-yard line where Hardee threw Howell another touchdown pass. Cook's kick again was good.

Muleshoe received the kick-off on their 5-yard line and moved to the 26-yard line and punted to their 40-yard line. A 15-yard clipping penalty moved it back to the 25-yard line. Tulia, after three tries punted from their 27 to Muleshoe 42-yard line.

The Mules moved to the 35 before handing the ball over on downs. Tulia moved to the 23-yard line and with less than 5 seconds on the clock tried a field goal which was no good and the final score was 28-0 in favor of Tulia.
