

Kracker Krumb's Odd Bits Salvaged At Random

Stories of people's ailments get to be sorta worrisome, especially if they're told over and over again.

We've known people who delighted in telling of their "operation" or who start off the conversation by enumerating their ailments until, before they've finished, we begin to wonder how they're still alive and talking.

For that and other reasons, we've sorta regarded our ailments as a personal matter and kept them mostly to ourselves, too much to ourselves, in fact.

We haven't followed the sound advice: Consult your doctor regularly. See your dentist twice a year.

We used to brag that we'd never had a tooth pulled or filled; that the only time we'd seen our dentist was to have the chompers cleaned.

We woke up one morning years ago with a sort of facial paralysis. When we took a mouthful of coffee, started to swallow and it spurted out the right corner of our mouth, we decided something was wrong.

We went to see our doctor, whom we'd seen every day with a cheery "Good morning," but had never seen professionally. He enumerated some things that could be the cause of our ailment, and closed his remarks with "it could be your teeth. Go see your dentist."

So we goes to our dentist friend, whom we'd associated with in Sunday school, at parties, etc., but never in his professional stature.

He examined, X-rayed, etc., and decided the pictures didn't show any real cause. "However," he says, "you've got a wisdom tooth that could cause it, but the picture don't show it. We might just pull it out 'cause it ain't doing you any good."

"We'll let 'er stay," we says, "until we more certain it's causing the trouble." Our friend warned that some day we'd lose all our teeth.

Long about last Christmas, when we were enjoying some of Mom's good cooking, we chomped down on a tender tooth and were reminded of what our friend had said. We decided to go see him again.

He poked around with a hoots, then said we'd do some X-raying. "It don't look good, so far," he says.

He and his little office girl readed the machine, then Doc would poke films in our mouth and say "about two" or "about three, okay," and the little girl would turn on the buzzer.

This went on for some time, then Doc told us to come back at two o'clock for a report.

At two o'clock, he presented us with the gruesome details. "This time is about here," he says, "and I wouldn't wait too long."

He suggested we use a dentist closer to home, so he gave us the pictures to bring home with us.

We got home with them, put them in the dresser drawer, and kinda forgot the 10-buck interview.

In a few months, we had another reminder when one of our principal masticators got to cutting up on us. But we were kinda like the nigger—every time we started up dem steps dat tooth quit hurtin'.

However, and finally, we hunted up our pictures, pocketed them and goes to see our dentist. We handed them to him with a "Here's something I'd like you to look at."

He looked, holding them up to the window. He turned on a bright light, and looked. He looked at the pictures, and he looked at us.

"These your teeth?" he asks. Upon getting an affirmative re-

(Continued on last Page)

Funeral For Mrs. Woodall Is Held Saturday

Funeral services for Mrs. Mozell Woodall were held from the First Baptist church in Munday at ten o'clock last Saturday morning. Services were conducted by Rev. Huron A. Polnac, local pastor.

Mrs. Woodall passed away at the Knox County Hospital last Thursday morning, having been taken to the hospital for medical treatment several hours earlier.

Born in Munday on November 4, 1921, Mrs. Woodall was 27 years and seven days of age. She was a graduate of Munday high school, being valedictorian of her graduating class.

Surviving her are her husband, Major C. F. Woodall, U. S. Army; her parents, Mr. and Mrs. Frank Trammell of Munday, and several brothers and sisters, among whom are DeTroy Trammell of Perryton and Mrs. Wade Lewis.

Burial was in the Johnson cemetery with the Mahan Funeral Home in charge of arrangements.

Pallbearers were J. K. Jackson, Jiggs Edwards, Don L. Ratliff, Cecil Fitzgerald, Melvin Strickland and Ed Johnson.

Moguls Play Roby Team Here On Thursday

As a post-conference special, Coach Billy Cloud has matched his Munday Moguls against the Roby Lions for Thursday night of this week.

The game will be played on the local field, beginning at 7:15 o'clock. It will be a practice game, being scheduled to give both teams more experience this season.

The game promises to be an interesting one, as the Lions down Roby were sporting some heavy material, and the Moguls will be battling to add a victory to their side of the ledger.

A large number of fans are expected to see the two teams in action.

Train Schedules Changed; Mailing Time Messed up!

Maybe it will be better—once we get used to it, but the change in train schedules have gotten us all messed up. For better service on your outgoing mail, here's the schedule:

The mail train (doodlebug) from Wichita Falls to Abilene arrives in Munday at 6:35 a. m. To make this train your mail must be in the post office by 5 p. m. the day before.

On the return trip, Abilene to Wichita Falls, the train arrives in Munday at 1:11 p. m. Mail must be posted not later than noon to make this train.

The Mistletoe arrives now at 9 p. m. Mail must be in the post office by 5 p. m. to "make the Mistletoe."

Youth Steal Ponder Car, But Their Career Of Car Theft Ends Tuesday Night; Wreck Sends Two To Hospital

A short career of car theft ended on Tuesday night of last week for three teenage youths from Hobbs, New Mexico, as two of them landed in the Seymour hospital for treatment for injuries received in a car accident.

The three youths, Billy Hampton, 17; Beverly Joyce Ward, 15; and Helen Annette Ward, 12; hung around Munday all day Monday, November 8. They were seen by local officers who supposed them to be members of a cotton picking crew.

Monday night they located the Earl R. Ponder car, a 1948 Plymouth. At about 9:30, they pushed it into the street and drove away in it. The car was found next day at Haskell, where it had been abandoned.

Tuesday night, the youths were in an accident with a 1941 Buick, they allegedly stole in Haskell. Their car was in a collision with a 1947 Chrysler driven by Robert H. Kimbriel, pharmaceutical

Miss Clark Is Economist For Gas Company

Appointment of Miss Anita June Clark as home economist for Lone Star Gas Company in this territory has been announced by M. L. Bird of Abilene, division superintendent, with headquarters in Seymour, she will serve homemakers in the twenty-six communities in the company's Seymour, Vernon and Electra districts.

Miss Clark recently completed a course of training in the gas company's home economics department headquarters in Dallas under Miss Julia Hunter, home economics director.

The new home economist will be available for consultation on menu planning and how to obtain the most economical use from modern gas appliances, Mr. Bird said. She will also be a source of information on how to produce balanced meals at minimum cost and will counsel with home builders planning modern gas kitchens. She will hold cooking schools and give demonstrations stressing care and use of gas equipment.

Miss Clark was born in Manikins, Texas, attended Hardin College in Wichita Falls and received her home economics degree from North Texas State College in Denton. She is a member of the Baptist Church.

Children Visit In Reagan Home At Vera Sunday

Mr. and Mrs. C. A. Reagan of Vera enjoyed the day last Sunday, as all of their children except one were present for the noonday meal. Those present included the following:

Mr. and Mrs. Leon Reagan and Dean and Ann of Spur; Mr. and Mrs. J. C. Reagan and Jackie and Brenda, also of Spur; Mr. and Mrs. Doss West and Billie and Joyce, Seymour; Mr. and Mrs. Chester Linn and Patsy, Danny and Sharon Kay, Munday; Mr. and Mrs. Ralph Cypert and Clara Sue, Knox City, and Mr. and Mrs. Reagan of Vera.

Their son, Arthur, and his wife of Long Island, N. Y., were unable to be present.

DON'T GET EXCITED IT'S A MAIL BOX!

That box you see in the post office lobby is not a casket crate, after all—it's a mail box!

It all came about with the change in mail schedules. The Mistletoe used to come before closing time; now it comes at 9 p. m. The driver has a key to the post office lobby, but that's as far as he can go.

Local employees, tried tying out the Mistletoe mail, putting it in the lobby and locking the lobby when they quit for the day. This brought a howl from the general public. We couldn't get our mail after 6 p. m.

So the P. M. secured this box for free. Hinges and a lock has been placed on it. The Mistletoe driver has a key to the lock. Now he can get his mail pouch, but the rest of us can't.

But the lobby is left open, and we can get our evening mail—provided we don't mind passing a box that reminds us of the inevitable!

Cotton Ginnings

The cotton ginning report coming from Hoyle A. Sullins, special agent for the Department of Commerce, bureau of the census, on November 13 is as follows:

Census report shows that 15,367 bales of cotton were ginned in Knox county from the crop of 1948 prior to November 1, as compared with 15,829 bales for the crop of 1947.

A check of the local gins at nine o'clock Thursday morning revealed that a total of 8,100 bales have been ginned in Munday.

Husband Of Knox City Woman Being Returned Home

The body of Sgt. Thomas Carl Browning is enroute to his home in Mineola from Ft. Richardson, Anchorage, Alaska, where he died of suffocation on November 14 when a blaze of unknown origin raged through the building where he was sleeping.

His wife, who was working in Anchorage at the time of his death, is in Knox City at the home of her parents, Mr. and Mrs. W. W. Hyde, awaiting the funeral which will be held at Mineola after Thanksgiving.

Born in Mineola November 27, 1910, Sgt. Browning entered the Army in 1939 and was married to Faye Hyde of Knox City in Las Vegas, Nev., in 1941. He served on Guam during the war. His wife is the only survivor.

BODY OF LOCAL MAN RETURNING FROM EUROPE

The body of T/5 Joe T. Waldron, next of kin Armentha B. Waldron of Munday, is being returned home for burial.

His body is one of the 316 Texans who are being returned to the United States aboard the Army transport Carroll Victory.

Mrs. W. M. Taylor, Mrs. Orb Coffman and Mrs. Doris Rogers of Goree and Mrs. T. G. Bengel and Mrs. Roger Williams attended the Hour of Charm program in Abilene last Tuesday night.

Diamond Gusher

An oil gusher made of diamonds represented Texas at the first nationwide diamond exhibition, called Diamonds U.S.A., held in the Ritz-Carlton Hotel in New York. Shown here by SMU co-ed Jo Neal, the four-inch jeweled oil derrick was designed by Arthur A. Everts of Dallas, and contains 254 diamonds, representing all the counties of Texas. It is mounted on a map of the state, made of platinum and adorned with a diamond steer head symbolizing Texas' other great industry, cattle. The sprays of gushing oil are of various colored diamonds.

Baptists Reach Quota Sunday On Building Fund

From the response made last Sunday, members of the First Baptist church of Munday are in the notion of building a new place of worship.

Sunday was set aside by the pastor and church leaders as the day for public contributions toward the new church. It was their hope and prayer that the goal of \$8,850.00 would be reached.

The church membership responded nobly, with a total of \$11,687.00 being raised. In addition, Otis Simpson contributed a registered shorthorn calf which was sold in Tuesday's livestock auction sale and the proceeds added to the building fund.

This special campaign for reaching \$8,850.00 to make a total of \$40,000 in the building fund has been set to close January 1, 1948. With the quota already passed, it is expected the total will be near the \$50,000 mark by the closing date.

Rev. Huron A. Polnac, pastor, is exceedingly happy over the interest shown by local people, and it is believed actual work on the new building will be started by early spring.

Pendleton Injured In Auto Accident

H. A. Pendleton, local gin operator, was painfully injured in a car accident at Springtown last Tuesday evening. Mr. Pendleton was enroute home from Fort Worth when the accident occurred.

Mr. Pendleton was taken to a Fort Worth hospital for treatment. He received some fractured ribs and painful cuts and bruises about the face and body, according to reports.

Wet pavement was said to have been one of the principal causes of the accident, in which the Pendleton car and that driven by a woman were involved. The car driven by Mr. Pendleton was badly damaged.

Tax Collector Gives Schedule Of Collections

Following the usual custom, M. A. Bumpas, Jr., tax assessor and collector of Knox county, this week announced the dates for appearing at various community centers for the purpose of receiving 1948 tax payments.

These visits are being made for the convenience of those who do not desire to take the time necessary to go to Benjamin to pay their taxes. The schedule is as follows:

- Truscott, Monday morning, November 22.
- Gilliland, Monday afternoon, November 22.
- Vera, Tuesday morning, November 23.
- Rhineland, Tuesday afternoon, November 23.
- Goree, Wednesday, November 24.
- Knox City, Friday, November 26.
- Munday, Saturday, November 27.

Esperanza Garcia Buried Saturday

Esperanza Garcia, daughter of Mr. and Mrs. Antonio Garcia, Mexicans, passed away on Thursday, November 11. She was born May 4, 1945, at Yorktown.

Funeral services were held at the graveside at Goree cemetery last Saturday afternoon, with Rev. Fabian Diersing, O.S.B., pastor at Rhineland, conducting the services. The Mahan Funeral Home was in charge of arrangements.

BIRTH ANNOUNCEMENT

Mr. and Mrs. D. E. Holder, Jr. are happy to announce the arrival of a daughter born on Thursday morning, November 11th at the Wichita Falls Clinic hospital. The little girl weighed five pounds and fifteen ounces and has been named Diana Dee. Both mother and little daughter are doing nicely.

Munday Stores to Close Thursday

Local Library Observes Book Week Of 1948

Present indications are that Munday will close up tight on Thursday, November 25—Thanksgiving.

This has been the usual custom for local merchants to take this regular holiday, giving their employees one day of needed rest before entering the Christmas shopping rush.

So far as was known Wednesday, practically every store in Munday will observe the holiday. One of the principal cafes has announced that it will also be closed for Thanksgiving.

The Munday Times will make an effort to come out a day earlier next week, so our employees can also observe the holiday.

Hub Store In Munday Closing On January 1st

Ed A. Noret of Lamesa, owner of The Hub Store in Munday, came in Wednesday and announced that the local store is having a close-out sale. It is the plan of Mr. Noret to sell out the present stock of merchandise and close the store by January 1, 1948.

The Hub, which opened in Munday last January, has been managed by Casey Nebhut, and is located on the north side of the square.

Mr. and Mrs. Noret have been in the merchandising business since 1916, most of this time being in Lamesa. Mr. Noret stated the principal reason for closing the local store is that he and his wife desire to quit business and retire.

Many values will be found in the store during the close-out sale, an announcement of which appears elsewhere in this issue.

Moguls Lose To Haskell In Final Game

Getting vengeance for defeats in years past, the Haskell Indians smothered the Munday Moguls 33 to 14 last Thursday night at Haskell. This was the final conference game of the season for both teams.

Halfback Kenneth Stewart started the score for the Indians in the first three minutes of play. On a delayed line buck, he scampered the last 21 yards to climax a 60-yard drive. Bobby Chick Price kicked the extra point.

A few plays later, Stewart passed to Price for 55 yards and the second tally. The try for extra point failed.

In the second stanza, Billy Ray Lusk passed to Price from the 18-yard line for the third score, and the try for extra point again failed.

The final tally for the first half was made when Kenneth Davis crashed over from the one-yard marker. A pass from Lusk to Price for 35 yards set up this score.

Midway of the third period, Edward Ammons went 14 yards on an end-around play to reach pay dirt. Price converted to make the score 33-0.

Rosie McGraw plunged through the line for one yard and Munday's first touchdown. He again went through the line for the extra point.

In the fourth quarter Durwood Scott accounted for Munday's second score when he plunged over from the one-yard line. McGraw bucked the line for the extra point.

Junior Howeth and Scottie Ponder were outstanding on the line for the Moguls, while McGraw and Scott sparked in the backfield.

Haskell led in first downs, 11 to 9, and held a decided advantage in yards gained rushing.

91st District Masons Meet In Rule Tuesday

Rule and Rochester lodges were hosts to the 91st District Masonic Association on Tuesday evening, when the group met at Rule.

Upon arrival the visitors were served a delicious dinner at the school lunch room, after which they met in the tiled lodge room for the business meeting and program.

G. B. Hammett, president, was in charge of the meeting. It was voted to increase the lodge assessments to 50 cents per member per year for the purpose of taking care of the district feeds.

Members were recognized from all lodges of the district, and it was announced that Throckmorton and Woodson would be host lodges for the January meeting.

Following the business session, a Master Mason's degree was conferred. Dr. W. M. Taylor of Goree served as Worshipful Master, with other lodges of the district being represented on the degree team.

Approximately 100 members attended the meeting.

John Deere Day Slated For Next Monday

An event which is looked forward to by many farmers of this area is the annual John Deere Day, sponsored by Harrell's Hardware and Furniture of Munday.

E. W. Harrell, manager of the firm, announces this week that the annual John Deere Day will be observed next Monday, November 22, in the rear of the Harrell building.

A program of interest to everyone is being arranged, which includes the showing of "The Sugar Plum Tree," starring Billie Burke and Don Wilson. Several interesting and educational pictures on John Deere equipment and modern farming practices will be shown.

The program opens at ten o'clock Monday morning. Lunch will be served at the noon hour.

Admission will be by ticket only, but tickets are available to all farmers and families at Harrell's free of charge. Just ask for them.

W. E. Braly and W. R. Moore attended the soil conservation meeting held in Seymour last Tuesday.

Miss Louise Spiegelmier of Arlington was a guest in the home of Mr. and Mrs. Lee Haymes over the week end.

MUNDAY'S NEEDS FOR 1948

1. A modern and up-to-date high school building, to care for the present and future educational needs of our children.
2. A waterworks system that meets all requirements of health, sanitation and supply.
3. A street sweeper that will keep our pavement clean enough to be recognized as pavement.
4. Completion of our drainage and paving program, which will probably be accomplished this year.

WHEN CONGRESS MEETS AGAIN

The next Congress will undoubtedly be called upon to consider and begin revision of this country's outmoded laws governing transportation. A sweeping survey was started several years ago, and is now approaching completion.

One very important phase of the problem lies in the direct and indirect subsidization of certain kinds of common carriers at the expense of others. It is not a simple matter and much is to be said on both sides. However, of the major agencies of transportation, the railroads alone pay their own way in every particular. The others are subsidized either directly or indirectly. There can be no such thing as fair competition so long as that situation continues.

There is growing sentiment for changes in the railway labor act. That is the result of the arrogant and non-cooperative attitude of some labor leaders in efforts to adjust differences between the railroads and their employees.

Both the railroads and the airlines are asking repeal of the excise tax on transportation, and it is reported that members of Congress are looking favorably on it. The tax was an emergency revenue-producing measure in the first place, and it can no longer be justified. It is an example of discrimination against a particular industry and the people who patronize it.

The ultimate goal of Congress must be the creation of a policy which will permit fair competition between carriers—and which will enable each carrier to make its greatest contribution to the welfare of the nation. The policy now in effect has become as obsolete as the trains and planes of forty years ago.

"A phenomenon of postwar operations, common to every industry, is that without having had any serious voice in the matter, industry's energies have been progressively diverted from its control purpose of making things people want to buy. Industry has been used to produce the financing of the 'free' services rendered by governmental agencies. The impact of taxes has grown great enough to force its way directly into virtually every business decision."—W. T. Keller, President, Chrysler Corporation.

WHO MAKES THE GAINS?

The radicals' classic complaint against capitalism is that it tends to concentrate the wealth and income of the nation in the hands of a relative few, at the expense of the many.

That ancient cliché is still in use. Yet the truth is that just the opposite has occurred. The greatest gains in late years have been made by people in the lower and the middle-income groups. As an example, in 1941 there were 4,139,000 families in the \$3,000-\$5,000 bracket—last year there were more than 13,000,000. And, in 1941, only about 1,500,000 families had incomes over \$5,000, while last year the total reached almost 7,000,000.

Last summer a survey was made to find out what classifications of people were better or worse off than in 1930, after making allowance for changes in taxes and living costs. Such representative labor groups as coal miners, railway workers, etc., were all better off, and by a wide margin. But typical groups of executives, and stock and bondholders were worse off.

No economic system in history has done as much as our free enterprise capitalism for the so-called common man. The radicals are trying to hide that fact.

YOUR CHANCE OF FIRE LOSS

This year, according to the president of the National Board of Fire Underwriters, fire will enter one out of every 100 American homes. In those homes, it will kill thousands of people, at least 2,400 of them children. And it will leave a ghastly toll of ruin and waste behind it.

If you happen to be one of the lucky ones whose home escapes fire, you may think it's no problem of yours. You'll be dead wrong. The burden of paying for fire falls on all of us. A fire which destroys a great forest or a producing factory makes every American poorer, in loss of taxes, jobs, purchasing power, and national resources. Fire is the enemy of employment, production, and a high standard of living for the people.

Every American, as a result, has a direct and personal interest in fire prevention. His life and his home and his business are at stake. And so, going beyond purely personal considerations, is the economic health and prosperity of the community and the country. The billions that go up in smoke and flame are lost to us forever—and so are the lives of those who are burned to death.

Soon we will be in a new year. It can be a year in which loss of life and property by fire is cut to a fraction of past totals. Or it can be a year in which, because of our carelessness and indifference, destruction rages on. It is up to us to make the choice.

The real proof of courtesy is to have the same ailment the other person is describing and not mention it.—The Gas Flame.

From where I sit ... by Joe Marsh

It's Your Fight, Too!

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—against the forces of intolerance—it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is

preserved in every aspect, big or little—whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy—just as the minute one small country loses freedom, all its neighbors are in danger!

Joe Marsh

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

Austin—Rheumatic heart disease, a crippler and killer of children, is one of the leading causes of death and disability among children and young adults in the age group 10 to 25 years.

No vaccine such as those that prevent typhoid, diphtheria, smallpox and whooping cough has as yet been developed for its prevention and control, but we do know some of the danger signals and with a physician's early diagnosis, some of the damaging results of this disease may be prevented.

Quoting Dr. Geo. W. Cox, State Health Officer, "in general, the early symptoms of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows or wrists. The pain is felt usually in one of these joints and spreads to the others. Often a child gets irritable and cross without any apparent cause; he may cry easily and develop habits indicating nervousness. These symptoms should be consulted immediately."

Predisposing causes to his disease, which include frequent chilling, damp or overcrowded living, quarters, poor diet, colds, an attack of scarlet fever or other infections caused by certain streptococcus germs, should be carefully avoided.

Mr. and Mrs. I. V. Cook attended the HSU-WTSTC football game in Abilene last Thursday.

CITATION BY PUBLICATION
The State Of Texas

To: Mrs. Floy Compare, a widow defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Knox County at the Court House thereof, in Benjamin, Texas at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20 day of December A. D. 1948, then and there to answer Plaintiff's Petition filed in said Court, on the 2nd day of November A. D. 1948, in this cause, numbered 4682 on the docket of said court and styled Mrs. Effie Alexander, a widow Plaintiff, vs. Mrs. Floy Compare, a widow Defendant.

A brief statement of the nature of this suit is as follows, to wit: Being an action in trespass to try title to Lot Number Two (2) in Block Number Two (2), of the Original town of Munday, in Knox County, Texas, plaintiff alleging that she is the owner in fee of said lot, and that the defendant is asserting some claim thereto, and has ejected plaintiff from the possession thereof, praying for recovery of title and possession and for general relief, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Benjamin, Texas this the 2nd day of November A. D. 1948.

Attest: Opal Harrison, Clerk, District Court, Knox County, Texas.

Plan Renewed On
Thanksgiving**

On Thanksgiving Day the American Silent Guest Plan for relief to distressed Europe will be inaugurated over the nation for a second consecutive year, Governor Beauford H. Jester has announced.

The Governor has proclaimed the month November 25 to December 25 as Silent Guest Plan month in Texas.

Last year's drive netted more than \$1,400 for Texas' share of the aid to Europe's poverty-stricken people—war orphans, widows and old folks. The Governor expressed confidence that donations in 1948 will exceed those

WEDNESDAY

7:30 P. M.—Bible Study.
COME AND WORSHIP WITH US.

CHURCH OF GOD

Everyone is cordially invited to attend services at the Church of God. Young people's endeavor, Thursday at 8 p. m.; regular services Saturday evening, 8 p. m.; Sunday school at 10 p. m.; sermon at 11. Evangelistic service Sunday evening at 8 o'clock.

Our district fellowship meeting will convene at the Church of God on Tuesday evening, November 16. The service will begin at 7:30. Everyone is invited to come and enjoy the blessings of God with us.

H. E. Weatherby, pastor.

**GOREE AND BOMARTON
METHODIST CHURCHES**

E. L. Naugle, pastor

GOREE—Sunday school, 10 a. m.; evening service, 7:30 p. m.

BOMARTON—Preaching, 9:30 a. m.; Sunday school, 10:30 p. m.

You are invited to all these services.

FIRST BAPTIST CHURCH

Huron A. Polnac, Pastor

Sunday School, 10:00 A. M.

Morning Worship, 11:00 A. M.

Training Union, 6:30 P. M.

Evening Worship, 7:30 P. M.

The Sunday School and Training Union services are moving forward each week. The Sunday School set a new record attendance with 227 present. Make your plans to attend every service.

Mrs. M. H. Reeves and Mrs. Chan Hughes gave a sketch of "The Life Of Lottie Moon" in circle meetings of the W.M.U. to a record crowd Monday afternoon.

The Lena Lair Circle met with Mrs. B. L. Blacklock with 21 present. The Edith Chaney circle met with Mrs. J. O. Bowden with 20 present.

Both circles will meet at the Church next Monday at 11 A. M. for Business and Royal Service. A covered dish luncheon will be served at noon.

"A Church Using Its Sunday School" is the topic for our Mid-Week service. Be sure and attend this service, the time is 7:30 P. M.

The Intermediate G.A.'s met with Sue Hallmark. There were four present. The program consisted of each girl studying on her forward steps. Mrs. E. L. Goolsby is the Counselor.

The Sunbeams meet at the Church Monday afternoon at 3:00 P. M. Mrs. Wallace Reid and Mrs. G. W. Hawkins direct this group.

The building drive has gone over the top and is still going. The Sunday's offering was \$11,678.00 and several contributions have been made since then. We trust every member will be privileged to have a part in the drive before the First of the year...

The Committee wishes to express its sincere thanks for the splendid cooperation thus far.

FIRST METHODIST CHURCH

Wm. G. Barr, pastor

The services of the week are as follows:

Sunday School At 10:00 A. M.

Morning Church At 10:55 A. M.

There will be a special worship service in observance of Thanksgiving. The pastor will bring the special message.

Vesper Service At 6:30 P. M.

The youth choir will sing and the pastor will preach.

Youth Fellowship At 7:30 P. M.

The three groups will meet for their programs.

An Opportunity

FOR YOU TO HEAR THE FIVE GOSPEL SINGERS OF DENISON, TEXAS

They are coming back to our town, Munday, Texas, November 21, 1948, Sunday afternoon at 3 p. m. Spiritual singing at the high school auditorium (white).

It is our firm and honest belief this is your opportunity to assist in remodeling our church edifice—West Beulah Baptist church (colored).

Purchase your tickets, \$1.00 for adults, 50 cents for children, from W. C. Chandler, Dennis Williams, Fannie Mae Johnson, Thelma Od-

collected last year.

As projected through the nation, this plan calls for each American family to invite a "Silent Guest" to eat at his table for one month, sharing in a Thanksgiving and a Christmas dinner.

Mindful of the fact that it would cost a family approximately \$30 to feed a guest for one month, the Governor has suggested that those families with limited incomes may "share" a Thanksgiving meal, or that and a Christmas dinner.

After calculating the cost for feeding this extra person, the family may mail a check or money order, covering that sum, to the Governor's Office in Austin. The collections will be forwarded then to Committee headquarters for purchase of food packages from the non-profit, government-approved organization, CARE, for delivery to needy families in Europe, Governor Jester said.

CARE, the Cooperative for American Remittances to Europe, Inc., was chosen by the American Silent Guest Committee last year to handle the funds because it represents all of the major religious and nationality groups, and is the only organization of its kind so comprehensive in scope.

Mr. and Mrs. A. B. Warren were visitors in Wichita Falls last Sunday.

CITATION BY PUBLICATION

The State Of Texas

TO: M. F. Nokes, and the unknown heirs of M. F. Nokes, E. A. Bedichek, and the unknown heirs of E. A. Bedichek, W. S. Stamps, and the unknown heirs of W. S. Stamps, R. R. Ruff and the unknown heirs of R. R. Ruff, and all persons whose names are unknown that claim or assert any title to, right or interest in the lands hereinafter described, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 3rd day of January, A. D., 1949, at or before 10 o'clock A. M., before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas.

Said plaintiff's petition was filed on the 13 day of November, 1948.

The file number of said suit being No. 4685.

The names of the parties in said suit are: Don L. Ratliff as Plaintiff, and M. F. Nokes, and the unknown heirs of M. F. Nokes, E. A. Bedichek, and the unknown heirs of E. A. Bedichek, W. S. Stamps, and the unknown heirs of W. S. Stamps, R. R. Ruff, and the unknown heirs of R. R. Ruff, and all persons whose names are unknown, claiming or asserting any title claim or interest in the property hereinafter described, as Defendants.

The nature of said suit being substantially as follows, to wit:

Being an action in trespass to try title, and for the recovery of the title and possession of the following described land and premises, situated in Knox County, Texas, described as follows, to wit:

Being all of Lot Number One (1), and the East One-Fourth (¼) of Lot Number Two (2), both in Block Number Two (2), of the town of West Munday, sometimes called West Munday Addition to the town of Munday, Texas.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 15th day of November A. D., 1948.
Opal Harrison, Clerk.
District Court Knox County, Texas.

Jurez Guadalupe Rites Held Friday

Jurez Guadalupe, one-year old son of Mr. and Mrs. Acencion Guadalupe, Mexicans, passed away at 6:30 p. m. Thursday, November 11.

Funeral services were held at the graveside at Goree cemetery

at 4 p. m. Friday, with the Mahan Funeral Home in charge of arrangements.

The "X" disease of cattle is found in more than 30 states, including Texas. This disease strikes hardest during the late winter and early spring months, and seems to hit the younger animals harder than the older ones.

Uncle Happy Gives Up His Boys Class Because He's Ill

Editor's Note: Because of the love the community holds for the object of this story and because of its general interest, the following article which appeared recently in the Wichita Falls Times is being reproduced.

For the first time in 75 years A. U. (Uncle Happy) Hathaway is not a regular teacher at Sunday school. He misses it, but so does the class of little boys at the Munday Baptist Church.

Uncle Happy Hathaway, who celebrated his 92nd birthday last Sept. 4, at his home in Munday, has been teaching little boys in Sunday school since, as a boy of 17, he organized a class of 16 Louisiana youngsters and became teacher and superintendent of the Sunday school.

After spending the last Summer working in his garden, fishing at the numerous lakes throughout North Texas, and with "his boys," Deacon Hathaway suffered a slight stroke at his home and has been unable to be with his Sunday School class for six weeks.

They Miss His Stories
His wife, with whom he celebrated his 24th wedding anniversary Oct. 10, has been maintaining close liason between the home and the class of boys, who report they "miss the entertaining Bible stories." Individually, the boys visit Uncle Happy at his home daily to share in the gum drops and bubble gum with which he always is supplied.

Uncle Happy tells his boys that he has lived a long and useful life and credits strong faith in God and Christian living, and abstinence from tobacco, alcohol and

UNCLE HAPPY

harsh foods. During the 75 years of his teaching, thousands of children have listened eagerly to Bible stories of his own arrangement, but the entertainment of his stories is only an incidental part of his comradeship with young people. He loves little boys and at Munday, where he has lived since 1918, Uncle Happy's home is a regular visiting place for youngsters.

In Texas Since 1886
Although he has taught Sunday School since he was 17, he did not join a Baptist church until he was 19 when he moved into another community in Louisiana. When he was 30 he moved to Texas and settled in Robertson County, where he expanded his church activities to assist the Da-

dies Aid Society and the Sunbeam Band, and was ordained a deacon in the Baptist church.

His attendance is not absolutely perfect, but it has been a rare occasion for Deacon Hathaway to miss a Sunday with his class. Such occasions as the annual Leaders Baptist Encampments, where a day is set aside each year as "Uncle Happy's Day," and his recent illness are considered exceptions.

Not only his classes have enjoyed his Bible stories, but his own children, grandchildren and great grandchildren are enthusiastic listeners.

Daughter Lives Here
Two daughters include Mrs. Ivy McNeese, a nursing supervisor at Bethania Hospital, and Mrs. Adie Layne of Munday. For another daughter, who died in 1901, there has been established the Christina Hathaway Memorial Student Loan Fund at Mary Hardin-Baylor College at Belton. Four grandchildren and seven great grandchildren are included in his immediate family.

Uncle Happy Hathaway advocates staying young with young people because it's fun.

Knox Prairie Philosopher Glad To See His Ignorance Is Matched By That Of Big Political Experts

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek, like everybody else, has his say about the election, his letter this week reveals.

Dear editor:
Me and a couple of my neighbors was sittin out here discussin the election agagin yesterday and tryin to explain it, although my opinion is that the election don't need explainin near as much as the big newspapers, which had everybody believin Truman couldn't get elected dog catcher and wouldn't have made a good one if he could, and one of my neighbors said Dewey reminded him of a county official years ago who was campaignin for reelection to his second term, which should have been a sure thing.

He said this fellow came out here as the campaign got underway and started askin for votes. "Why, you don't need to be campaignin out here," the political leader of this area at the time

told him. "Just a waste of time. Everybody here's gonna vote for you. Go back and take it easy."

Instead of sayin that don't make no difference. I wanta come out and shake hands with folks and ask em for their votes anyway and let em know where I stand, the county official swelled up with pride and said "Well, that's the way I felt all along about it. Glad to hear you say so," and he left and never did campaign out here.

Well, when the election returns came in, that candidate got swamped out here. Beat four to one. And the political leader who advised him not to campaign was against him to start with.

The trouble with Dewey, we concluded, was he had everything systematically arranged, even to namn his Secretary of State and hirin the movin van to haul his things to the White House, except he forgot about the votes. But unlike the experts, I ain't tryin to blame it on anything, outside of ignorance, which I'm glad to see ain't confined to the Miller Creek area.

You reckon Dr. Gallop can drive a tractor?
Yours faithfully,
J. A.

J. A.

FARM NEWS PROGRAM

from the County Agricultural Conservation Committee

FIRST THINGS FIRST
Deciding which conservation problems need first attention is the farmer's initial step in planning how best to use the Agricultural Conservation Program in 1948, says Mr. Partridge, Chairman of the Knox County Agricultural Conservation Committee.

For the most effective use of the Program he urges that each farmer consider the most urgent conservation needs of his farm and to select approved practices accordingly. The "share-the-cost" provisions of the Program place an obligation on the farmer to get the most conservation possible for each dollar of conservation funds used.

Mr. Partridge gave an example the experience of a farmer who had purchased a farm and moved his family there to make a permanent home. The fields were level to mildly rolling with more than average fertility. But there were several places where uncontrolled water had cut deep gullies that stretched out like the arms of an octopus. In one field the gullies had to be filled and a stockwater pond provided to permit better pasture management and to check erosion.

With these needs in mind the farmer talked over his problem with his Agricultural Conservation Committeeman and together they planned the program for the farm. The farm is now well on its way to restoration.

Planning for participation in the 1948 Agricultural Conservation Program should follow somewhat these steps, the chairman advises. "The Program has been established to assist farmers on a share-the-cost basis to carry out needed soil and water conservation practices, thereby saving the Nation's most valuable natural resources, its topsoil."

FARM ELECTIONS AND DEMOCRACY
About the easiest way for us farmers to lose the voice we have in the administration of the farm program is for us to neglect to use that voice, says B. F. Vance, Chairman of the Texas Production and Marketing Administration Committee.

"Under present legislation we can elect the committeemen who administer the farm program locally. We can elect the delegates to the county convention where the county committee is elected. From these community committees comes the leadership for the county committees. The county committees in turn are furnishing the leadership for the State Committee. Again from the State committees of the country comes the leadership for National administration of the farm program.

Ahead are vital decisions having to do with price support and soil and water conservation, the chairman points out. "That is why it is so important for the committeemen elected in the communities and counties to be the choice of the majority of the farmers in the communities and counties of the country."

All Texas farmers, who are eligible to vote, should participate in the elections, he urges. Failure to vote may mean that the committee elected will represent but a small portion of the farmers in the community. "You are helping

to elect a committee whether you vote or not and you may be helping to elect the committeemen you don't want, if you fail to vote," Mr. Vance said.

"Unless the going is real tough there is a tendency to let such things as elections and similar responsibilities slide. It is when we neglect our rights that we lose them."

All farmers who are participating in the 1948 Agricultural Conservation Program, Sugar Program, or who had a contract with the Federal Crop Insurance Corporation for this year, are eligible to vote in these farmer-committee elections. Notices of elections will be posted before elections are held in each community.

1949 ACP BUILT ON 12 YEARS OF CONSERVATION
Farmers who participate in the 1949 Agricultural Conservation Program will be building on what has been done in 12 years of con-

servation work under the Program. Chairman Partridge of the Knox County Agricultural Conservation Committee points out that in the 12 years there has been real progress. The conservation needs of millions of individual farms are being met and the Nation is assured of continued production as a result of this work.

The chairman explains that this program will again be open to every farmer in the county in 1949. It is entirely voluntary and the assistance given to farmers to help them carry out conservation practices is on a "share-the-cost" basis. In most cases the program's share is about 50 per cent. Assistance to farmers must come within the limits of funds allocated to the county and the limitations placed on individual practices.

Share-the-cost assistance under the Program will be used to encourage and help farmers meet the most urgent conservation needs of their farms and in the area in which their farms are located. Mr. Partridge said. This assistance is not for routine practices which farmers normally would carry out.

Farmers can begin signing up for the 1949 program about January 1. Since conservation practices have to be carried out in accordance with definite specifications before they are eligible for assistance, farmers are urged to talk over their conservation problems with a community or county Agricultural Conservation Program committeeman, or someone at the county ACP office.

CARD OF THANKS

We take this means of expressing our deepest thanks and appreciation to everyone who were so kind and thoughtful to us in the death of our loved one, Mrs. Mozelle Woodall.

Everything you did in our behalf is deeply appreciated, and we pray that God will richly bless you all.
Major C. F. Woodall,
Frank Trammell and family,
Mr. and Mrs. DeTroy Trammell,
Mr. and Mrs. Wade Lewis, etc.

It's not too early to start thinking about your 1948 income tax return.

Mr. and Mrs. Troy Lindsey and Jerry were visitors in Lubbock last week end.

Miss Martha Hannig of Abilene was a guest in the home of her parents, Mr. and Mrs. Frank Knapp, over the week end.

Two Kinds of Cold In One Kitchen Area—Frostair!

For Those Who Want The Best! 7 Cu. Ft. Refrigerator

No waste space; Frostair's cold comes from the walls. Room for everything at reach-in-level from tall bottles to plump melons. Air is always motionless, always moist. Foods stay garden fresh in uncovered dishes. Ice maker freezes 90 cubes three times an evening, or frozen delicacies. Removable shelves and acid-resisting porcelain interior make Frostair easy to clean.

America's Only Duplex Refrigerator 3.5 Cu. Ft. Zero Locker

Quantity purchases reduce food bills as much as 20%. Constant zero cold keeps food frozen-fresh for months. Twin bins store 130 lbs. of meat, 80 qts. of fruits and vegetables. Frostair's Zero Locker is a deluxe frozen food pantry—and it's right in your kitchen. It saves you time, steps and money.

See It On Display Here!

J. L. Stodghill

"Your Ford Tractor Dealer"

What goes on here?

REFEREE makes first down—or did he really just miss it? Field judge blocks out the nearest tackler—or was it clipping? If the officials call 'em—and play, too—what kind of a game is that?

You wouldn't stand for that sort of thing on a football field—but it is happening every day in the electric light and power business. Government not only regulates the electric companies—but is in competition with them at the same time!

The catch is that government sets up two different sets of rules. The government's electric agencies pay little or no interest on the money they borrow, and pay no Federal taxes—but electric companies do, and expect to. When government-in-the-power-business can't make ends meet—it gets a handout of tax money from the U. S. Treasury. Who

foots the bill? American taxpayers—of which you are one.

If government can get into the light and power business this way—it can get into every other business the same way.

In sixty-odd years, the self-supporting electric companies have built for America the most and the best electric service in the world. While costs of everything else are way up (including the costs of making and delivering electricity) electric service is still the best bargain in the American family's budget... it does so much, and yet it costs so little.

This is a good record for the thousands of people who work in power companies, and for the millions of people who invest savings in them.

Don't you think these men and women deserve a fair break?

The answer is yours to make, for government money is your money.

West Texas Utilities Company

Bridal Shower Given To Honor Mrs. Elbert Parham

A bridal shower was given Friday, October 29th from 3 to 5 p. m. in the home of Mrs. W. E. Blankinship of Goree, honoring Mrs. Albert Parham nee Alyne Ward.

Miss Melba Blankinship greeted the guests and showed them to the room where many lovely gifts were on display.

Mrs. Joe Brown, sister of the honoree, secured signatures for the brides book.

Refreshment of punch and cake were served by Mrs. Blankinship and Mrs. Louis Blankinship. The lace covered dining table featured a center piece of chrysanthemums. White napkins with the inscription of "Alyne and Albert", in gold letters, served as plate favors.

Approximately eighty guests called during the afternoon.

BIRTH ANNOUNCEMENT

A son was born to Mr. and Mrs. Harold Funk of Hemet, Calif., on Saturday, November 6th. Maternal grandparents are Mr. and Mrs. A. M. Searcey of Munday.

The Vera Home Demonstration Club met Tuesday, November 10th, in the home of Mrs. Lloyd Clark with the Union Grove Home Demonstration Club as guests.

Mrs. Wesley Trainham directed games and contests during the social hour, after which the members and guests looked at a display of achievements of the Vera women for 1948.

A lovely refreshment plate was served by the hostess to the following: Mrs. J. C. McGee, Mrs. Bessie Montandon, Mrs. Oliver, Mrs. Weaver from Union Grove and Mrs. J. W. McMahon, Mrs. B. Nimmo, Mrs. Addie Hughes, Mrs. Carl Coulston, Mrs. Wesley Trainham, Mrs. Helen Randolph, Mrs. Conner, Mrs. Fancher, Mrs. Oliver Albright, and the home demonstration agent, Miss Eugenia Butler.

Wedding Shower Given On Friday To Local Couple

A beautiful wedding shower was given to Mr. and Mrs. Allen Hines, Friday night, November 12th at the home of Mr. and Mrs. Irely Belcher. They were all entertained by a lot of good "Gospel Singing" by the group and some very good special singing.

Cakes, decorated for the occasion, were served with ice cream. After the refreshments were served, the gifts were opened by the bride and groom and the brides little daughter, Judy. The gifts were shown and the names read by the groom's younger sister, Mrs. Velma Rae Belcher. A beautiful bouquet of mixed flowers were presented to the bride and groom to extend best wishes.

There were forty five present and the out-of-town guests were: Mr. and Mrs. J. B. Goggans of Goree, Mr. and Mrs. Carol Belcher and Mr. and Mrs. Lester Belcher of Benjamin, Mr. and Mrs. Robert Hines of Wichita Falls and Mr. and Mrs. T. L. Hogan of Fort Worth.

Bernard Kuehler Irene Eidson Are Wed At Rhineland

Before a beautifully decorated altar of yellow and bronze chrysanthemums and pot fern lining the rail, Miss Hazel Irene Eidson of Bomarton became the bride of Mr. Bernard Kuehler of Munday, last Wednesday morning, November 17th at 8:30, in the St. Joseph's Catholic Church in Rhineland.

Rev. Father Fabian Diersing, O.S.B., read the marriage vows for the double ring ceremony.

Music was furnished by Mrs. Francis Albus, organist, who played the traditional wedding march.

The bride was attractively dressed in a white slipper satin gown with fitted bodice and long sleeves that came to points at the wrists. Her gown featured a high neckline and lace yolk with lace frills and covered buttons to the waist line. The front of the waist line came to a point which was attached to the gathered skirt. At the bottom of her full skirt, ruffled lace was drawn together by orange blossoms. Her finger-tip veil of illusion was attached to a halo head piece with orange blossoms. The bride wore the traditional "something old, something new, something borrowed and something blue". As something old, she carried a lace handkerchief belonging to the groom's mother; something new was her gown; as something borrowed, the bride wore a ring belonging to Miss Rose Marie Kuehler and for something blue, she wore a blue garter. She also wore a penny in her shoe for the good luck charm and carried a bouquet of white carnations with fern and silver satin streamers with fever few.

Miss Frances Eidson of Wichita Falls, sister of the bride, served as maid of honor. She was attired in a blonde satin gown with a gathered hooped skirt and a sweetheart neckline with pleated yolk. Her bouquet was of pink carnations with a matching head dress of the same flowers. Bridesmaids were Miss Marie Kuehler and Miss Adelaide Kuehler of Munday. Miss Rose Marie Kuehler wore an aqua satin gown with hooped skirt and sweetheart neckline with a pleated yolk. Her bouquet and head dress was of matching aqua carnations. Miss Adelaide Kuehler wore a blonde satin gown with the same features of the one worn by Miss Rose Marie Kuehler.

Best man was Al Kuehler of Munday, brother of the groom.

Following the ceremony, a reception was held in the home of the bride's parents. The couple was assisted in the receiving line by Miss Frances Eidson and Miss Jennie Pearl Eidson, sisters of the bride.

The lace covered table was decorated with yellow chrysanthemums. Atop the three-tiered wedding cake, was miniature bride and groom, from which the newly weds cut the first piece and

OFF TO LAND OF NOD

Off for a visit to the Land of Nod, this little miss wears cotton flannel pajamas and matching nightgown, in fabric by Ameritex designed especially for juvenile fashions. The design on the soft flannel shows Chessie, the famous trade-mark kitten, in her traditional sleepy-eyed pose.

was served by Miss Frances Eidson. After the reception, a wedding supper was held in the home of the bride's parents which was followed by a dance in the Community Hall in Rhineland.

The bride is the daughter of Mr. and Mrs. Arthur Eidson of Bomarton and was a graduate from that school in 1945. Until recently, she had been employed by the Rexall Drug Store in Munday.

The groom is the son of Mr. and Mrs. Tony Kuehler of Route two, Munday and attended the Rhineland schools. He entered the U. S. Army in 1944 and served in the European Theatre of Operation, receiving his discharge in 1946. Since his discharge from service, the groom has been engaged in farming in Munday.

For her traveling outfit, the bride chose a blue wool suit with brown accessories. She wore a corsage of white carnations.

Following a short wedding trip to Corpus Christi, the newly weds will establish residence in Munday where Mr. Kuehler will continue farming.

Munday Entertains Vera H. D. Club On November 10th

The Munday Home Demonstration Club entertained Vera Club members with an achievement party in the home of Mrs. C. C. Jones on November 10th. Each room was beautifully decorated with autumn flowers.

The purpose of this party was to get better acquainted with other members in the county and to exchange ideas.

After registration, corsages of yellow mums were pinned on visitors and white mums were pinned on the members of the local club. Several games were enjoyed after which the guests were shown into a room with a beautiful display of the members years' work; such as crochet bags and tams, table cloths, bed spreads, afghan, pot holders and chair sets. Children and adult dresses, dress scarfs, leather gloves, bags, house shoes, hand-made rugs and quilts, furniture refinishing, and canned fruits and vegetables.

A refreshment plate was served to the following members of the Vera club and members of the Munday club:

Mrs. B. Nimmo, Mrs. Norman Clark, Mrs. J. W. McMahon, Mrs. Quel Hughes, Mrs. Wesley Trainham, Mrs. J. T. Randolph, Mrs. Carl Coulston and Miss Eugenia Butler, home demonstration agent for Knox county, Mrs. J. T. Offutt, Mrs. J. R. King, Mrs. Buel Claburn, Mrs. Louis Cartwright, Mrs. E. R. Betterton, Mrs. Frank Bowley, Mrs. George Conwell, Mrs. G. L. Pruitt, Mrs. Bill Gaither, Mrs. James Gaither, Mrs. H. C. Haws, Mrs. A. L. Roden, Mrs. R. E. Foshee, Mrs. Fred Linn, Mrs. Verbon Voss, Mrs. J. C. Galen, Mrs. Joe Patterson, Mrs. Leland Floyd, and Mrs. Nora Broach.

Visitors from Munday were: Mrs. J. O. Bowden, Mrs. Huron Polnac, Mrs. W. T. Sharp and Mrs. G. L. Beck and Mrs. Kieth Cartwright of Knox City.

Mr. and Mrs. Al C. Williams were in Wichita Falls last Friday night, where they attended a banquet for veterans of the Burlington railroad. The principal speaker was W. O. Frame, who stated he was proud of the section served by the Wichita Valley road and that plans are going forward to give faster and better service on this line.

CARRY-ALL

Cotton canvas has found a place in the world of fashion. In a smart new carry-all bag, the Vendome. The National Cotton Council reports that the bag has a dual—or even triple—personality. It serves as a versatile town handbag, an overnight case, or a roomy brief case.

Lee Haymes spent last Thursday and Friday in Dallas, attending a Methodist church meeting for the area, and visiting with Mr. and Mrs. Bobby Haymes.

Mrs. P. B. Baker visited with relatives in Dallas on Thursday and Friday of last week.

Mmes. Jungman And Edgar Hostesses At Bridge Thursday

Mrs. H. F. Jungman and Mrs. Aaron Edgar were hostesses at a bridge party held last Thursday evening in the club rooms of the Munday Study Club. Fall flowers were used to decorate the entertaining rooms.

Tables were arranged for four sets of bridge, and in the games high score went to Mr. and Mrs. Paul Pendleton, with low going to Mr. and Mrs. Fred Broach, Jr.

At the close of the games, pumpkin pie and coffee were served to the following:

Mr. and Mrs. Ray Holcomb, Mr. and Mrs. Paul Pendleton, Mr. and Mrs. J. C. Harpham, Mr. and Mrs. J. L. Odell, Mr. and Mrs. Fred Broach, Jr., Mr. and Mrs. Dorse Rogers, Mrs. J. B. Stevens, Mr. and Mrs. Jungman and Mr. and Mrs. Aaron Edgar.

Miss Pat Hodges And Merle Weaver Wed November 11th

Miss Pat Hodges of Goree became the bride of Merle Weaver of Munday last Wednesday evening, November 11th, at 6 o'clock.

The bride is the daughter of Mr. and Mrs. Clifford Webb of the Goree vicinity and the bridegroom is the son of Bert Weaver and Mrs. Willie Weaver of Munday.

At the present time, Mr. Weaver is employed with the Humble service station here. The couple plan to make their home in Munday.

CURLEE CLOTHES

Make Mine Curlee The Quality Overcoat

When winter comes along—cold, blustery mornings and nights with snow flakes falling—it's business as usual, as far as you're concerned. You just slip into your new Curlee Overcoat and go your usual way, secure in the knowledge that you'll be warm and comfortable—and looking your best.

There is nothing so very surprising about this, when you come to think about it. The Curlee folks started a long time ago, making clothes for men who wanted the best. Over the years they have discovered or developed the ingredients which spell success. First of all, they search the market for fine materials, not only overcoat fabrics of good quality in the season's smart patterns, but linings and inner materials, as well. These they turn over to their skilled designers—men who know what you want in the way of suits and overcoats. When they have created the patterns, expert workmen build lasting good looks and comfortable wear into every garment that carries the Curlee label.

One thing which is surprising, though, is that so much downright quality can be packed into these Curlee Overcoats at such moderate prices. It is no wonder that when it comes right down to style—fit—and comfortable wear—so many discriminating men say "MAKE MINE CURLEE."

BENJAMIN NEWS

(Elda Purl Laird, Reporter)

Mr. and Mrs. Dee McStay and small son, of Vernon visited in the home of Mrs. McStay's parents, Mr. and Mrs. A. H. Sams, Sr., during the past week.

W. T. Ward of Colorado, spent part of last week visiting with

relatives and friends here. Mrs. Earnest Yarbrough and children, Johnny Southerland and Miss Elda Purl Laird were shoppers in Crowell Wednesday of last week.

Mrs. T. P. Porter, Sr., of Seymour, visited in the home of Mrs. W. A. Barnett and family Thursday of last week.

Mrs. J. B. Moorhouse and Mr. and Mrs. L. C. Melton, Sr., were in Wichita Falls Thursday of last

week shopping and on business.

The Benjamin Pep-Squad and their sponsor, Miss Anora Steedman, attended the Armistice Day Program, which was held at Rule on Thursday, November 11th.

Mr. and Mrs. L. A. Parker spent Friday of last week visiting with relatives and friends.

Mr. and Mrs. Thomas R. West, and son LeRoy, visited in the home of Mr. and Mrs. Adrain West and family of Fort Worth. Adrain West is the hon. of Mr. and Mrs. West. Thomas R. West also attended the 30th annual reunion of the 90th Division, which was held at Dallas.

Mr. and Mrs. Tom Campbell and small son, Gary, of Knox City, visited in the home of Mr. and Mrs. M. A. Bumpas and Billy Sunday of this week.

Bobby Jim Pyatt, son of Mr. and Mrs. Doyle Pyatt was home for the week end.

Leroy (Bozo) Melton, son of Mr. and Mrs. L. C. Melton, Sr., was also home for the week end.

Mr. and Mrs. Weldon Newsom and Mr. and Mrs. Tommy Howard and daughter, all of Whitherral, were visitors in the home of Mrs. W. A. Barnett and family Sunday.

Mrs. Don Cowley of Post, visited in the home of her aunt, Mrs. Lillian Gibbins, Sunday of this week. Monday of this week Mrs. Cowley and Mrs. Gibbins visited in the home of Mrs. Lloyd Mayes, of Albany, Mrs. Gibbins sister and Mrs. Cowley's mother.

Mrs. J. L. Galloway and daughter, Jean, spent Sunday visiting in the home of Mr. and Mrs. Kenneth B. Watkins of Muleshoe. Mrs. Watkins is the daughter of Mr. and Mrs. J. L. Galloway.

Mrs. Wallace Harbert of Houston, is now visiting in the home of Mr. and Mrs. Malcomb Shipman and other relatives and friends.

Mrs. E. A. Darwin has recently returned from a visit with her husband at Bowie, where he is working on a highway construction job.

Mr. and Mrs. J. C. Patterson, and Mrs. Jewell Starks visited in the home of Mr. and Mrs. Doyle Kenner of Crowell, Sunday of this week.

Mrs. J. I. Hughes spent several days last week in Lubbock, caring for Mrs. Doyle Hughes, who is recuperating from a major operation. She also visited Mr. and Mrs. M. B. Caughran and Wayne Hughes in Lubbock, and with a sister, Mrs. Roy Holly and the G. W. Byrd family in Post, Texas, while away.

Turkeys Bring Better Prices

Things look better this year for turkey growers. The turkey situation at present is putting turkey raisers in Texas in a slightly better place than they were last year at this time.

This is the year turkey producers get a fair price for the birds. And this year the feed costs were a little less than last, says the extension poultry husbandman, Ted Martin, of Texas A&M College.

There were fewer turkeys produced this year than were last, and this year's turkey crop is better quality stock because of better breeding, feeding and general management.

Turkey producers should make their plans now for next season because the turkey hatcheries can do a better job of planning if they can check on the number of advance bookings. Chicken hatcheries like very much to have early bookings, and the turkey hatcheries are no different, says Martin.

Quite a number of high quality turkey eggs are shipped out of Texas, and the turkey growers have to compete against them at marketing time. So it's a good idea to book the turkey poulters early in order to get the best quality birds.

Martin says to make your deal with the hatcheryman early, even though you don't plan on getting your poulters until later in the season. It will pay to check now to be sure of your poulters when you want them. And, while you're getting poulters, get the best. Buy them from producers that have high quality birds free from disease.

Poulters from flocks that haven't been tested for pullorum disease are more apt to die than the ones tested. Here are several points to look for in parent stock when selecting poulters: be sure the parent stock has been selected for quick maturity, fast feathering, and good fleshing.

In other words, says Martin, a bird with lots of meat will make for a better turkey industry in Texas.

So start planning now for next seasons turkey production.

BLOW, WINTER WINDS!

All buttoned up in a smart cotton velveteen overcoat, this fashionable young lady is ready for cold winter winds to howl. Her topcoat by Jane Derby in Juilliard's Juliette velveteen is warm as toast and high-style, too. The National Cotton Council reports that velveteen coats are among the most popular of the new winter fashions.

Benjamin Club Meets Thursday In Patterson Home

The Benjamin Home Demonstration Club met in the home of Mrs. Carl Patterson, November 11, 1948, with seven present.

Roll call was answered by all with—"Meeting most enjoyed."

Mrs. Patterson gave council report. Plans were made for Achievement Party to be held November 19, at club room. Hefner Club is to be guest of Benjamin on that day.

Plans were also made for the clubs Christmas party, December

10th. After club adjourned the hostess served refreshments to the following: Mrs. Lee Snailum, Mrs. Earl Sams, Mrs. Ada Rogers, Mrs. J. W. Melton, Mrs. J. R. Steedman, Mrs. E. A. Darwin and children, James Redwine and hostess.

Weather stripping and insulation will make the house warmer and help maintain more even temperature through the winter.

Save your energy when hanging out clothes by placing the basket on a laundry cart or in a child's wagon.

Here's what 80,000 4-H clubs over the nation did this past year: they raised 80,000 acres of garden crops, 8 million chickens, canned 19 million quarts of food, and made 2 million garments. That's a year's work well done.

Sodium fluoride has been found to be the simplest and safest drug to use in worming hogs for the large intestinal round worms.

Light around the house may often seem dim at this time of the year when the evenings are longer. The light from lamps can be increased simply by arranging for more and better reflection.

In The Commissioner's Court Of Knox County, Texas.

To the Resident Property Tax-paying voters of Knox County Drainage District No. 1.

TAKE NOTICE that an election will be held on the 6th day of December, 1948, in such District, in obedience to an order duly entered by the Commissioner's Court of Knox County, Texas, on the 8th day of November, A. D. 1948, which is as follows:

On this the 8th day of November, 1948, the Commissioner's Court of Knox County, Texas, convened in regular session at the Commissioner's Court Room in the City of Benjamin, Knox County, Texas, with the following members present:

W. M. Griffith, County Judge.
O. L. Night, Commissioner of Precinct No. 1.

L. A. Parker, Commissioner of Precinct No. 2.
C. A. Bullion, Commissioner of Precinct No. 3.

George Nix, Commissioner of Precinct No. 4.
M. T. Chamberlain, Clerk.

There came on among other proceedings to be had and acted upon by said Court the following:

There came on to be considered the matters of calling an election for the creation of Knox County Drainage District No. 1, and the issuance of bonds in the amount of \$61,500.00, for the purpose of financing the construction of canals, laterals, ditches and other drainage structure in said drainage district; and,

It appearing to the Court that a petition for the creation of said district was filed in this Court on the 1st day of June 1948, which petition was duly set down for a hearing by said Court by an order entered upon the minutes of said Court and that notice of such hearing was duly given in the manner and form and for the length of time required by law and said order; and,

Whereas on the 9th day of August, A. D. 1948, there came on to be heard and considered said Petition of W. R. Moore and 56 other qualified tax paying voters of said Knox County Drainage District No. 1, and it appearing to the Court that due notice of said hearing had been given by the Clerk of said Court, in the manner and form and for the length of time required by law, and that at such time the Court proceeded to hear all persons whose lands would be affected by the creation of said District, that appeared before said Court, and heard all testimony for and against the creation of said proposed District, and after hearing all of the persons and evidence, and being fully advised in the premises finds and determines that the creation of such District and the drainage of the area therein contained is feasible and practicable and would be conducive to the public health and that the same would be a public utility and granted such petition as prayed for and ordered the creation of such District with the following field notes:

BEGINNING at a point on the East line of Survey No. 35, in the name of D.&W.Ry.CO. 4113.8 feet South from its N.E. Cor. which is also on the West Line of Survey No. 34, in the name of the

D.&W.Ry.Co. and same distance from its N. W. Corner: This point a piece of old pipe driven in the ground the original Survey Cor. from which the beginning point of the corporate limit survey was established is marked by the intersection of the Center lines of Munday Street and Earnest Street at the South-West Corner of the square as shown on the town plat of Munday. From said beginning point: Thence West 1065 feet to a piece of old pipe driven in the ground 2.5 feet of a fence: Thence North 1030 feet to a piece of old pipe driven in the ground 3 feet North and 1 foot west from Cor. of fence: Thence West 644 feet to a piece of old pipe driven in the ground, 4 feet West from corner of fence: Thence North 955 feet to a piece of old pipe driven in the ground 4 feet West and 4 feet South from corner of fence: Thence West 1100 feet to a piece of old pipe driven in the ground, near the middle of the Haskell and Munday Road: Thence North with the Haskell and Munday Road 830 ft. to a piece of old pipe driven in the ground: Thence West 1695 ft. to a piece of old pipe driven in the ground in a field: Thence North 1298.8 feet to a piece of old pipe driven on center line of Earnest Street produced West from S. W. Corner of square, continue North 2477.7 feet in all 3776.5 feet North to a piece of old pipe driven in the ground in a pasture: Thence East 4504 feet to a piece of old pipe driven on center line of Munday Street at the N. W. Corner of the Reeves and Musser Addition, in all 7304 feet East to a piece of old pipe driven in the ground at the N. E. Corner of said addition: Thence South with the East line of the Reeves, Musser Addition 2477.7 feet to a piece of casting driven on the Center line of Earnest Street the S. E. Corner of Reeves, Musser Addition on the North line of the Munday Development Co's Addition: Thence East with the North line of said addition 456.2 feet to the N. E. Corner of same, a mesquite block 5 inches in diameter set in ground with top 6 inches below the surface: Thence South 1551.8 feet with the East line of Munday Development Co's Addition to S. E. Corner of same, a mesquite Block 5 inches in diameter set in the ground with top 6 inches below the surface: Continue South 2562 feet in all 4113.8 feet to a piece of old pipe driven in the ground in a pasture for S. E. Corner: Thence West 3256.2 feet to the place of beginning.

And in said order the Court appointed Joe E. Ward, a competent Civil Engineer, as engineer for said District as required by law, and thereafter the said Joe E. Ward duly qualified as such and filed his report, showing the location of the canals and drainage structure necessary to the drainage of said district, together with a map or plan thereof showing the beginning point as well as the outlets of all canals, drains, ditches and laterals, together with the width, length, depth and slopes of the banks of the cut or excavation, and the estimated number of cubic yards of earth to be removed from each and the size of all levees, with other details as required by such order and by law; and,

The Commissioner's Court did on November 8, 1948, that being the time that such report was set down for a hearing, and after the County Clerk had issued a Notice of such hearing attached to such report, and a copy of the Engineer's report, giving the date of such hearing and the place there-

of as required by such order and by law. Said Court proceeded to hear said Engineer's Report and the same was in all things and respects duly approved.

And it further appearing to the Court that all matters and things have been done, that is prerequisite and necessary and as required by law and that an election should be ordered for the purpose of determining whether or not such Drainage District should be created and bonds issued and a tax levied in payment thereof and submitted to the qualified tax paying voters of said district.

Therefore be it ordered by the Commissioner's Court of Knox County, Texas:

That an election be held in said Knox County Drainage District No. 1, on the 6th day of December 1948, which is within thirty days from the date of this order, at which election, in accordance with said petition, and previous orders of this Court, and in conformity of the Provisions of law, the following proposition shall be submitted to the resident qualified property tax paying voters of said Knox County, Drainage District No. 1, for their action thereupon.

PROPOSITION

Shall the Commissioner's Court of Knox County, Texas, create said District and be authorized to issue the Bonds of said Knox County Drainage District No. 1, to the amount of \$61,500.00 to become due and payable serially, \$2000.00 one year from their date of issuance, and \$2000.00 each year thereafter during the years of 1950 to 1979 both inclusive, and \$1500.00 in the year of 1980, bearing interest at the rate of not exceeding 5 per cent per annum, payable semi-annually, for the purpose of financing the

construction of drainage canals, laterals and levees for said Knox County Drainage District No. 1; and if there shall be annually levied and collected on all the taxable property in said Knox County Drainage District No. 1, for the current year and annually thereafter while said Bonds or any of them are outstanding, a tax sufficient to pay the current interest on said bonds and to pay the principal thereof as the same becomes due.

FOR PRECINCT NO. 6-A

The said election shall be held at the following polling places within said Knox County Drainage District No. 1, and the Judge and Clerks for such polling places are hereby designated as follows: PLACE: City Hall In The City of Munday, Texas.

JUDGE: C. L. Mayes.
CLERK: H. P. Hill.
CLERK: Gene W. Harrell.

FOR PRECINCT NO. 6

PLACE: Masonic Hall In The City of Munday, Texas.

JUDGE: J. C. Borden.
CLERK: J. C. Harpham.
CLERK: Weldon Smith.

The ballots for said election shall have written or printed thereon the following:

"FOR THE DRAINAGE DISTRICT AND ISSUANCE OF BONDS AND THE LEVYING OF TAX IN PAYMENT THEREOF."
"AGAINST THE DRAINAGE DISTRICT AND THE ISSUANCE OF BONDS AND THE LEVYING OF TAX IN PAYMENT THEREOF."

Each voter shall mark out one of the above expressions with black ink or pencil, thus leaving the other as indicating his vote.

None but resident qualified property tax paying voters of said Knox County Drainage District No. 1, shall be allowed to vote at

said election.

Every person who offers to vote at such election shall first take the following oath before the presiding Judge of the polling place wherein he offers to vote, said Judge is authorized to administer the same:

"I do solemnly swear that I am a qualified voter of Knox County Drainage District No. 1, and that I am a resident property taxpayer of the proposed district voted on at this election, and that I have not voted before at this election."

Said election shall be held in all things and respects as provided by the general election laws except as is herein otherwise provided.

The County Clerk shall forthwith issue a notice of said election stating in substance the contents of this election order and the time and place of said election, and the County Clerk of this County shall post a copy of such Notice by posting a copy of said Petition and a copy of the order

of the Court thereon for not less than fifteen days before the date of said election in five public places in said County, one at the Court House Door and four within the limits of said Knox County Drainage District No. 1, and such Notice shall also be published on the same day in each of two (2) successive weeks in a newspaper of general circulation published within said County of Knox, and within said Knox County Drainage District No. 1, the date of the first publication to be not less than fourteen days prior to the date set for said election.

Immediately after said bond election has been held the officers holding the same shall make return of the results thereof to the Commissioner's Court of Knox County, Texas, and return the ballot boxes to the County Clerk of said County, who shall safely keep the same and deliver them together with the returns of the said election to the Commissioner's Court of Knox County, Texas, at its regular or special meeting.

It is further ordered that the County Clerk shall furnish all ballots and necessary election supplies and shall furnish twice as many ballots as there is voters in said proposed district as well as all other necessary tally sheets, ballot boxes and election supplies.

Said election shall be held and conducted as provided by law for general elections, except as modified by Chapter 13, of Title 66, and Title 128, of Chapter 7, of the 1925 Revised Civil Statutes of Texas.

M. T. CHAMBERLAIN,
County Clerk Knox County, Texas.
(SEAL) 16-2c.

Mr. and Mrs. Harrison Hollar and little son, Terry, of Ft. Worth were guests in the home of Mrs. Hollar's parents, Mr. and Mrs. Erera Pryor, over the week end.

of the Court thereon for not less than fifteen days before the date of said election in five public places in said County, one at the Court House Door and four within the limits of said Knox County Drainage District No. 1, and such Notice shall also be published on the same day in each of two (2) successive weeks in a newspaper of general circulation published within said County of Knox, and within said Knox County Drainage District No. 1, the date of the first publication to be not less than fourteen days prior to the date set for said election.

Immediately after said bond election has been held the officers holding the same shall make return of the results thereof to the Commissioner's Court of Knox County, Texas, and return the ballot boxes to the County Clerk of said County, who shall safely keep the same and deliver them together with the returns of the said election to the Commissioner's Court of Knox County, Texas, at its regular or special meeting.

It is further ordered that the County Clerk shall furnish all ballots and necessary election supplies and shall furnish twice as many ballots as there is voters in said proposed district as well as all other necessary tally sheets, ballot boxes and election supplies.

Said election shall be held and conducted as provided by law for general elections, except as modified by Chapter 13, of Title 66, and Title 128, of Chapter 7, of the 1925 Revised Civil Statutes of Texas.

WANTED: MEN AND MONEY!
By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

Looking Ahead

THERE ARE two chief ingredients in the American recipe for prosperity and economic well-being. The first is men, honest-to-goodness men. These must be men who are not afraid of work, who will not be stopped from getting a job done. They are men who believe in honest work, who give value for value received. They have pride and satisfaction in doing a good job well. Indeed, our American workmen (there are today few Americans who do not work) have no equal anywhere.

Then there is money. Money is the most popular exchange for work. We "make" money. Therefore, we can say that money is stored-up work. Another name for this stored-up work is capital. We Americans have found that if we take money and men, then let them both work together for full production, the result is a prosperous and progressive community. In the main, the recipe needs good workmen and plenty of capital.

Use the **THE FORMULA** has worked wonders for us. Our nation has benefitted by having so many good and honest people. By using the tools that capital has bought, we produce the things that all of us need. Will this formula continue to work us wonders and bring us the kind of prosperity that is the envy of the world? Can we keep these good living standards that seem so commonplace to us? Yes, if we can depend on the ingredients of our recipe: men and money! In a nation of free people, men and money can continue to do the job.

We have the men. Employment is good. Yet, there is danger that we may lose the other half of the team that has made America great. Money (capital) to buy the tools of production is getting hard to find. Since 1930, America's stock of tools has gradually slipped back to where it was in 1920. This is the first period in

children of Plainview spent the week end with Mr. and Mrs. L. L. Atkeison and family and with Mrs. Emma Jones.

Miss Vida Holder, daughter of Bob Holder of Wichita Falls, visited with relatives here and at Goree this week.

D. B. Jones was a patient in the Knox county hospital the first of this week.

Mr. and Mrs. Jeff Peck attended services at the Goree Baptist church last Sunday. Their sons were visiting them.

Mr. and Mrs. Walter Mooney are living in Goree while their house is being built on their farm, just a few miles north of Goree.

Mr. and Mrs. Casey Nebhut and daughter, "Stinky", visited with relatives and friends in Haskell last Sunday.

Miss Jennie Jones of Abilene spent last week end with her parents, Mr. and Mrs. C. C. Jones and with other relatives and friends.

our history that we didn't gain in the tools of production. Our tools are of less total value, and they also provide fewer horses (horsepower) to workmen.

Now, if we had no men of vision and promise, we certainly could not expect the money to do its part. But we do have men. America has intelligent young men, willing to build their dreams into realities.

Boost the Team! WHAT NEED have they with money? You see "hare-brained" ideas, like Alexander Graham Bell's telephone, require money for development. New products, new manufacturing processes, new inventions, new businesses—all must have capital. In a free economy that permits competition, capital works hand in hand with men to give the nation the jobs and the goods that it needs and wants. Men and money!

In losing the money, there is also danger of losing the men. Inventiveness and ambitions may be killed, when rewards are not available. If we do not have capital to invest, to explore new developments and new businesses, with hope of larger profits ahead, then what happens to your men? They don't invent, and they don't develop anything! No new jobs, no new products, no progress. No getting ahead. It's national suicide.

Why is there so little money today for investment and risk? Our tax system puts heavy burdens on incentive. Taxes take away the money. Twenty-five cents out of every national income dollar in America now goes into taxes. Half the total income of Americans making \$5,000 or more annually is turned over to tax collectors. With strict economy in government, this would not be necessary. We must give risk-money a real chance to team with men. Only that way may we keep America prosperous and jobs plentiful.

As advertised in LIFE and LOOK

One view is that Opportunity knocks only once at each man's door but Walter Malone, the poet, quotes Opportunity as saying: "Each morn, I bid you wake to rise and fight and win."

I. D. McEachern of Hale county agrees with this view—and the career of the wiry, little farmer is convincing.

After several successes in life, followed by reverses, McEachern, a few years ago, found himself, at the age of 55, with just \$350 in cash.

But his blue eyes only sparkled with greater determination as he decided to make a comeback. He proposed to become a grower of certified seed—not cotton or corn but grain sorghum.

He went to one grower but was turned down because of shortage of supply. Undiscouraged, he went to another and, from him, obtained 12½ pounds on the promise to pay it back, four for one.

McEachern planted the seed on the farm of a friend in South Texas and harvested 1,700 pounds. He then had seed enough to plant on his own farm near Petersburg.

But rain wouldn't fall to get the seed started. One day, he and a friend visited the field and dug up a few of the seed. The visitor slowly shook his head and remarked, "You've got to have rain by Saturday night." What made his statement especially tragic was that it was then Saturday morning.

It didn't rain Saturday night but it did rain Sunday—and the seed did so well that McEachern sold his crop for \$20,000—besides paying back 50 pounds of seed for the 12½ pounds he had borrowed.

The old saying is that "it never rains but what it pours." And McEachern found that to be true.

Four years before, he had decided to build a two-row ensilage harvester. As an inventor, he had one slight drawback—he had never invented anything before, but that didn't deter him. All he had to work with was a cold chisel, a hammer and a punch and he pro-

ceeded to build a machine. Then he applied for a patent. The application dragged along for four years and at last was granted.

Then one of the biggest farm implement manufacturing concerns offered him \$500 for his rights. He refused, so the company sent a representative down and the visitor asked, "What will you take?"

"Oh," replied McEachern in an unconcerned tone, "ten thousand dollars."

The company took him up on the proposition. So, along about the time that he sold \$20,000 worth of certified grain sorghum seed, here came a check for the invention and he used it to buy his present farm—a half section; and there, in a modern home with a yard that looks like a park—so bright are the flowers and so trim the trees and so green the lawn—he and his wife live.

They have nine children—all grown—eight sons and a daughter.

Last year, McEachern sold 12,000 sacks of Plainsman grain sorghum. County Agent Manual W. Ayers says the market price was around \$4.75 to \$5.00, which would figure out something like \$57,000.

McEachern keeps adding to his holdings. "My wife won't let me buy a quarter section a year," he says, with a grin. He has added 816 acres to the original half-section, 10 miles west of Plainview, and has seven irrigation wells.

Not bad, not bad at all for a farmer who, four years before, at the age of 55, was "down" but refused to quit.

Job openings for qualified clerk-stenographers with the Veterans Administration in Washington, D. C. still exist, VA said.

Entrance salary for these positions is \$2,498 per year with good chances for quick promotion. Travel to Washington for those accepted will be paid by the Government.

Employment may be obtained through any regional office, hospital or Center of the Veterans Administration in Texas, Louisiana and Mississippi.

Leading chest specialists of Texas, Louisiana and Mississippi met this week in Bandera, Texas for a three-day exchange of experiences in the treatment of tuberculosis and other chest diseases.

The conference was sponsored by the Dallas Branch Office of the Veterans Administration.

Dr. Lee D. Cady, VA's Southwestern Medical Director, predicted that the Bandera conference and others next year will result in more uniform and improved treatment of tuberculosis throughout the tri-state area.

A series of cases from VA, state and county tuberculosis hospitals were discussed by the doctors.

A talk on the atom bomb and the use of radioisotopes in medical research and treatment was made by Dr. George Lyon of VA's Central Office, Washington, D. C.

Some veterans in schools and colleges are not receiving their subsistence allowances regularly because of their failure to identify themselves properly when corresponding with VA.

To avoid delays, they should use their full name, address and claim number on all forms and correspondence.

Questions And Answers
Q. I am a World War II veteran and would like to know how to get a concession to operate a stand at one of the VA hospitals?

A. Under Public Law 636, Veterans Administration operates canteens with fountain service and a stock of cigarettes, shaving cream, razors and similar items. Therefore, VA no longer lets out concessions.

Q. Can my National Service Life Insurance include coverage for total disability?

A. Yes. For a small additional premium, there may be added to any NSLI policy a total disability rider which provides monthly payments to the insured while he is totally disabled longer than six consecutive months. Such payments begin with the seventh month of such total disability.

Q. May I assign my National Service Life Insurance to a lender who will lend me money to go into business?

A. No. National Service Life Insurance may not be assigned as payment of an obligation.

Q. I converted my NSLI about a year ago but have since let it lapse. Can my permanent plan insurance be reinstated by the payment of two monthly premiums?

A. No. Only term insurance

HOLLANDAISE SAUCE

Always looking for a way to dress up ordinary vegetables and make them more colorful and flavor-rich? Then top your vegetables off with a sauce that's tops in taste-appeal. (It's fine for eggs and fish, too.)

Hollandaise Sauce

3 egg yolks
4 tablespoons boiling water
2 tablespoons lemon juice, gently warmed
¼ cup fortified margarine, melted
dash cayenne
salt to taste

Place small bowl over, not into, a pan of gently boiling water. Drop the egg yolks in bowl and beat with rotary beater until they begin to thicken. Continue to beat, adding the boiling water, a tablespoon at a time, until well beaten in. Beat in the warm lemon juice. Remove bowl from over the boiling water; continue to beat and gradually add the melted margarine. Add cayenne and salt to taste. Keep in warm, not hot, place until ready to serve. Makes a cup of sauce.

For other taste-tempting recipes write today for your free copy of the two-color, 32-page recipe booklet, "Mealtime Magic," to National Cotton Council, Box 18, Memphis 1, Tenn.

may be reinstated by the payment of two monthly premiums. In reinstating converted insurance on a permanent plan, all premiums in arrears must be paid with interest.

Miss Frances Smith of Howard Payne College in Brownwood, spent last week end here visiting with her parents, Mr. and Mrs. S. G. Smith, and with friends.

ply, he asks "How you keep them
in your head?"

We already had two strikes
against us. Our dentist friend of
long-standing and an aching
tooth, and here comes our new-
found friend with strike three!

He tells us we can extract a
few at a time, all at once, or
otherwise. You can keep some of
them a long time, he allows, by
waiting until each one flares up.
"We'll let you pull the one that's
hurting," we says, and he did.
We then and there lost our first
tooth!

Now the "flares" have started
on two more of them. Guess we'll
quit and go see our dentist—
which will make three times in
the past year.

We're awfully afraid it won't
be long until we can wear our
teeth in our pocket, if we want
to!

NEW GOODYEAR SUPER-SURE-GRIP TRACTOR TIRE

Come in and inspect this new tire
that Goodyear has specially de-
signed for tough traction jobs. Take
a look at its massive structure and
estimate the length of the tight-
twisted cord that makes it super-
strong in body.
