

### Kracker Krumb's Odd Bits Salvaged At Random

We're an unfortunate batch of good people here in Munday. Unfortunate in that our town is situated in a hole so that heavy rains send the excess water coursing right through the main part of town.

Unfortunate in that the water comes in much faster than it can get out—at which time we can travel our main street in row boats, and we walk our pavement in rubber boots, being extremely careful that water doesn't go plumb over the top of them.

But we're fortunate, too, in that engineers have figured out a means of bettering the situation. They've found the outlet by means of canals and stuff.

So we're having an election to see if our people want to construct this outlet and get the town in shape where high water won't ruin our pavement, stall our autos, flood our stores and produce an unhappy situation in general.

And with our present pavement, much of which was completed this summer, the situation is even more grave than at any time before.

The pavement will give the water a more rapid flow into town, whereas the slow outlet still exists. A repetition of some heavy rains we've experienced in the past will just about put us up to our waists in water.

It's been the dream of the town's citizens from way back yonder to get the town out of the mud and remedy the flood situation.

Dr. Joe Davis had that dream once, so did some engineers, but they couldn't decide which end of the town to jack up so it would drain.

Now we've gotten pretty muchly out of the mud, much more so than we were at the beginning of this year. But that's made our flood situation even more serious, they tell us.

So the drainage district was created and the bond election in the amount of \$61,000 has been ordered for December 6, at which time the rank and file (excuse us, Pappy) of our town will have their say.

Mr. Nabors, our district highway engineer, says the plan we're now on is the only solution—the only way to prevent flooding the town. The water's got to be able to get out as fast as she can come in.

Others say it's a very practical thing to do. It will cost us whether we do or don't. If we do, it will cost \$41,000. If we don't, no telling how much it will cost.

It will cost in water deterioration to our streets, our present pavement, and in silt being washed in and collected. It will cost us in doctor and medical bills, according to our doctors. 'Cause every time the town's flooded, we must boil our water, take serums of some types, and use other preventive measures to keep down a disease epidemic.

It will cost in other ways, even in business lost. Traveling men have, in the past, received orders to shy away from Munday at eating time.

Not that our situation was as bad as that—but their bosses thought it was.

Then what of the cost if we do vote the bonds. That \$61,000 will have to be paid.

So some of the boys have penciled and paped it to amount to around \$4 on each thousand dollar valuation the first year—about the price of a round of typhoid serum—then graduating downward each year.

Them's the facts as presented to us, and passed on to you.

But you live in the northwest part of town and don't have a drainage problem, huh? So does our friend, Walter Beavers, who (Continued on Last Page)

### Road Projects Are Slated For Knox County

In Knox county the following described roads are hereby designated as farm-to-market roads, subject to the concurrence of the Public Roads Administration and subject to the condition that Knox county will furnish all required right-of-way free of cost to the state:

From end of farm-to-market road 267 at Gilliland, west to road intersection, a distance of approximately 3 miles.

From State highway 222, east of Knox City, north to Sunset school and east to State highway 222, a distance of approximately 2.3 miles.

From U. S. highway 82, 1.5 miles west of Baylor county line, south to road intersection, a distance of approximately 3 miles.

Upon fulfillment of conditions, the state highway engineer is directed to proceed with plans for construction at an estimated cost of \$72,300, and to assume the roads for maintenance upon completion of construction.

### Last Rites For Mrs. Emma F. Hill Held Monday

Last rites for Mrs. Emma Frances Hill, a resident of Munday since 1912, were held last Monday afternoon at three o'clock from the First Baptist church in Munday. Services were conducted by Rev. Hardy Bingham, pastor of the Gillespie Baptist church, and Rev. Huron A. Polnac, pastor of the Munday church.

Mrs. Hill passed away at the Knox county hospital at 5:30 p. m. Sunday, November 28, where she had been taken for treatment earlier.

Born in Ellijay, Georgia, on May 18, 1871, she was 77 years, 6 months and 10 days of age.

Surviving her are a daughter, Mrs. Ralph Weeks of Munday; two sons, Paul O. Hill, Abilene, and D. L. Hill, Knox City; a brother, A. M. Searcey, Munday; ten grandchildren and two great grandchildren.

Burial was in the Johnson cemetery by the Mahan Funeral Home. Pallbearers were Fred Searcey, Pat Hill, J. A. Hill, Jr., J. M. Drymon, Abilene, Raymond Hargrove and Gerald Hill, Abilene.

### Auction Sale Has Heavy Run

The Munday Livestock Commission Company reports a good run of cattle for Tuesday's sale with a good active market. All classes of cattle were higher than a week ago. Cows fully 50c to \$1.00 higher.

Butcher bulls sold from \$16.00 to \$18.00; fat bulls, \$19.00 to \$20.00; canners and cutter cows, \$11.00 to \$15.00; butcher cows, \$16.00 to \$18.00; fat cows, \$18.50 to \$20.00; butcher yearlings, \$17.00 to \$21.00; fat yearlings, \$22.00 to \$25.50; butcher calves, \$16.00 to \$21.50; fat calves, \$22.00 to \$25.50; cows and calves by the pair, \$140.00 to \$220.00.

### Supt. Cox Lists School Holidays

Munday students will have nearly two weeks of holidays at Christmas time, according to Supt. W. C. Cox, who this week lists the holidays for both Christmas and Easter.

School will close on Dec. 22 for Christmas and will open again on Monday, January 3, 1949.

For the Easter holidays, the school will close on Friday and re-open on the following Tuesday, Mr. Cox said.

### HOME FROM HOSPITAL

W. A. Baker returned home last Sunday from the Knox county hospital, after spending a week there for medical treatment. He is somewhat improved, although still confined to his bed.

People of all walks of life—the children, young people, adults, both white and colored—mourn the death of R. B. (Pop) Davy, well known Munday druggist, who passed away at 6:10 p. m. Friday at the Knox county hospital.

Mr. Davy had returned home Friday morning from Celeste, where he spent Thanksgiving with relatives and old friends. He was apparently in good health, but shortly after noon he went home, complaining of a pain around his heart. He continued to grow worse and was taken to the hospital for treatment. He lived only about three hours after becoming ill.

Mr. Davy was loved by everyone, and had a word of cheer or a bit of foolishness for his friends in all stages of life.

Born in Sardis, Tenn., on October 20, 1876, the son of Mr. and Mrs. Danse Davy, he was 72 years, one month and six days of age. He was united in marriage to Miss Anna Duckworth on February 9, 1898, and three children were born to this union. Mrs. Davy and two children, J. W. Davy and Mrs. Lillie Mae Owens, preceded him in death.

Mr. Davy was united with the Methodist church while living in Sardis, Tennessee.

He came to Texas in 1901, settling in the Wolfe City-Leonard area. He entered the drug business in 1906 and continued in this profession the remainder of his life. He had made his home in Munday for the past 25 years, with the exception of a short period of time. For a time he was employed as pharmacist in Munday's drug stores, later entering business of his own.

Surviving him are one daughter, Mrs. E. N. Felty of Celeste, Texas; nine grandchildren, two of whom, Mrs. J. K. Jackson and Dick Owens, live in Munday; eight great grandchildren, and a host of other relatives and friends.

Funeral services were held from the First Methodist church in Munday at two o'clock last Sunday afternoon, being conducted by Rev. Wm. G. Barr, pastor, and Rev. Huron A. Polnac, Baptist pastor. Burial was in the Johnson cemetery by the Mahan Funeral Home.

Pallbearers were Don L. Ratliff, Worth Gafford, M. F. Billingsley, J. B. Scott, E. B. Littlefield, R. L. Ratliff, Ray Holcomb and Howard Collins.

### McMurry Chorus To Give Program In Knox Churches

The McMurry Male Chorus, which has been featured in concerts in many towns of the state, will appear at the First Methodist church in Munday next Sunday morning. Their concert will be a closing feature of the morning service. The 18-voice chorus will give a concert of sacred music, lasting some thirty minutes.

Accompanying the chorus is Mrs. Sue Ratteree, talented soloist who has appeared on several radio programs. She will also sing during the concert.

Following the program here, the McMurry group will go to Vera, and give a concert in the Vera Methodist church beginning at 2:30 p. m.

The public is cordially invited to attend these programs.

### American Legion To Meet Tuesday

Announcement was made Wednesday of this week for an important meeting, scheduled for Tuesday night, December 7th at the American Legion Hall.

The meeting has been set for 7:30 and the purpose is to discuss the Christmas boxes which the American Legion sponsors every year.

All members are asked to attend this meeting.

Mr. and Mrs. L. W. Hobert and granddaughters, Diane and Carolyn Hobert spent the Thanksgiving holidays with relatives in Sterling City.

Mr. and Mrs. J. E. Reeves, Jr., of Lubbock spent the Thanksgiving holidays here with their parents, Mr. and Mrs. Jim Reeves and Mr. and Mrs. R. D. Atkinson.

### CROWN TEXAN A WHEAT CHAMPION

W. P. Axe

For growing the best Texas wheat exhibited at the Tri-State Fair at Amarillo, Texas, W. P. Axe of Hereford has been awarded the Philip W. Pillsbury trophy, and will have his grain judged for the national Pillsbury prize at Minneapolis, Minn., next spring.

Axe's wheat will compete with samples from the other principal wheat-growing states in the 8th annual competition for this award, which consists of \$100 in cash and an all-expense trip to Minneapolis. This is the first year that Texas wheat has been entered in this competition.

Axe grew the prize-winning grain on his thousand-acre Deaf Smith County ranch, where he also grows potatoes and grain sorghums.

It was hard red winter wheat of the West variety, and was grown on 300 acres of irrigated land following a crop of potatoes harvested in July, 1947.

Wheat grown by Leonard F. Wright of Farnsworth, who won second place at the Tri-State Fair, also is eligible to compete for the national prize.

### Local Residence Destroyed By Fire

A 5-room residence located in the north part of town, owned by R. L. Gaines and occupied by Mr. and Mrs. Newkirk, was badly damaged by fire early Tuesday night of last week.

The house was almost enveloped in flames when members of the fire department arrived, and the local fireboys have been highly complimented for their efficient work in extinguishing the flames.

The house was about 50 per cent destroyed, it was reported, and was partially covered by insurance. Mr. and Mrs. Newkirk lost most of their household goods in the fire.

### Fields Home From F.F.A. Meet In Kansas City

M. J. Fields, who won the trip to the National Future Farmers convention in Kansas City by writing the most subscriptions to Southern Agricultural magazine, reports a good time at the convention and says he would like to go again.

He reported that about 700 boys from Texas attended the convention. It was a treat to see all those Future Farmers congregated together with their flags and banners flying, representing each state in the union except Rhode Island, and Puerto Rico and Hawaii.

**BIRTH ANNOUNCEMENT**  
Mr. and Mrs. Ralph Schumacher are the proud parents of a son, who was born on November 17 at Florence Nightingale Hospital in Dallas.

Mr. and Mrs. J. T. Offutt and sons and Mrs. G. E. Rodgers of Benjamin spent the Thanksgiving holidays in Fort Worth, visiting Mr. and Mrs. T. R. Smith, Sr., and Mr. and Mrs. Roscoe Smith and son. They also visited Toyland, and Santa Claus assured them he wouldn't miss anyone in Munday on Christmas Eve.

W. Inman.

### Funeral For Mann McCarty Is Held Tuesday

Funeral services for Manford McCarty, who died at 9:15 p. m. Monday, November 29, at the Knox county hospital, were held from the First Methodist church in Munday at four o'clock Tuesday afternoon.

Services were conducted by Rev. Wm. G. Barr, pastor, and Rev. Huron A. Polnac, Baptist pastor. Burial was in the Johnson cemetery by the Mahan Funeral Home.

Born in Knox City on August 18, 1921, he was 27 years, 3 months and 11 days of age. He was reared in Knox county and attended the Munday schools. He served in the army five years during the recent war, three of which were overseas.

Surviving him are his mother, Mrs. W. W. McCarty of Munday; a daughter, Shirley Jean; two brothers, Stanley McCarty of Munday and Culver McCarty of Denver City; three sisters, Miss Imogene McCarty of Munday, Mrs. G. W. Russell of Denver City and Mrs. J. W. Newman of Fort Worth.

Pallbearers were Cecil Fitzgerald, Winston Blacklock, W. C. Nance, George Beatty, Leslie Phillips and D. E. Holder, Jr.

### Brad Walton Buried Friday At Hefner

Funeral services were held Friday afternoon at three o'clock at the Friendship Baptist church at Hefner for Brad Walton, 45, with Rev. R. T. Guthrie, officiating.

Mr. Walton passed away Wednesday, November 24, at a Seminole hospital, where he was taken three days before when he was critically injured in a combine-tractor accident.

He is survived by his wife and two children of Seminole; his father, Zack Walton of Mineral Wells and Munday; a brother, Bryan Walton, Mineral Wells; two sisters, Mrs. Lester Barnett and Mrs. Lee Norwood, O'Donnell, and several nieces and nephews, all of whom were present for the funeral.

Pallbearers were Marion Jones, Terrill Boggs, Larce Huckabee, Lock Atkinson, Mr. Henderson and Mr. Jefferies of Seminole. Flower bearers were Mrs. Delmer Haskin, Mrs. Harold Jones, Mrs. Merle Lambeth, Mrs. Arthur Howard, Mrs. Charlie Railsback, Mrs. Terrell Boggs, Mrs. Henderson and Mrs. Jefferies.

### BIRTH ANNOUNCEMENT

Mr. and Mrs. J. B. Greeson of Bivins, Texas, are the parents of a son born October 29th. The little son has been named Arnold Jackson and weighed six pounds and twelve ounces. Mr. Greeson is the son of Mrs. Carl George of Munday.

Mr. and Mrs. J. E. Reeves and Perry and Mr. and Mrs. J. E. Reeves, Jr., attended the HSU-Texas Tech football game in Abilene last Saturday.

Glen D. Rayburn of Baylor University in Waco, visited Mr. and Mrs. John R. Rayburn and other relatives and friends here and at Seymour during the holidays.

### Yule Lights, Decorations Go Up In Munday

Work of putting up Munday's yuletide decorations and lighting was begun immediately after Thanksgiving and was completed the first of this week.

Vari-colored Christmas lights have been strung to decorate the city hall and lawn, presenting a more Christmas appearance this year than ever before. Three large stars decorate the top of the city hall, one on the east, south and west. In addition streamers of lights encircle the hall, while others run from each corner of the building to the street corner. Two rows of lights encircle the entire lawn.

Work of stringing the lights was begun Monday, and they were turned on Wednesday night.

Merchants of Munday are aiding in giving the town the Christmas atmosphere by decorating their windows with Christmas merchandise and other yuletide decorations.

All in all, the business section presents a scene befitting the Christmas season.

### Last Rites For E. B. Crites Are Held Saturday

Funeral services for Ewell Benjamin Crites were conducted at the First Baptist church in Goree last Saturday afternoon at two o'clock, with the pastor, Rev. S. E. Stevenson, officiating, being assisted by Rev. N. E. Naugle, pastor of the Goree Methodist church.

Pallbearers were Carl Maples, Melvin Cooksey, Joe Weber, George Foster, Hubert Edwards and T. M. Tucker.

Mr. Crites suffered a heart attack and passed away November 23 at the home of his daughter, Mrs. Montie Pollan of Daingerfield, Texas, where he and Mrs. Crites were visiting at the time.

Ewell Benjamin Crites was born at Tolar, Texas, on September 1, 1889. He moved to Goree in 1904, where he resided for a number of years.

He was married in 1908 to Miss Murtie Allen. To their home came four children. They are: Barnett of Phoenix, Ariz.; Allen Don, deceased; Ben M., Caruthers, Calif.; Mrs. Minta Pollan, Daingerfield, all of whom were present.

He is also survived by his wife, six grandchildren; two brothers, Walter of Galveston, and Olin of Glenn Rose; three sisters, Mrs. Donnie Mosley, Wichita Falls; Mrs. Lee Fulfer, Frederick, Okla., and Mrs. Ben Parr, Fort Worth.

Mr. Crites was converted at the age of 12 and united with the Methodist church. Later became affiliated with the Baptist church at Paris, Texas, during the pastorate of Rev. W. M. Wright. For 20 years, he made Paris his home, where he was active in church and the fraternal organization of Knights of Pythias.

During the war, he served his nation in defense work for four years, at Dallas and Texarkana. At the close of the war he returned to Goree to make his home.

He was genial in disposition; he was a good neighbor. He had many friends. He will be missed from the community.

### Basketball Tourney To Open Thursday

Coach Billy B. Cloud has announced that a basketball tournament will be held in Munday, beginning on Thursday night of this week.

Admission will be 50 cents per session for adults, of tourney tickets for \$1.00; 25 cents per session for students, or 50 cents for the entire tourney.

Teams entered in the tourney are: Sunset, Haskell, Seymour, Weinert, A.C.C., Abilene; Roby, Munday and Crowell.

Mrs. Norman Koenig and two sons, David and Robert, of Oklahoma City spent the week end here with Mrs. Koenig's parents, Mr. and Mrs. W. C. Bevers.

A drive to raise \$18,000 by January 30, 1949 will begin next Sunday, December 5, at the First Methodist church during the morning worship hour.

According to Rev. W. G. Barr, pastor, this new financial campaign will culminate the raising of funds to erect a \$70,000 structure on the site of the present church building.

The campaign is under the direction of twelve persons composed of men, women, and youths chosen by the pastor and other leaders. Working in three special committees this group is headed by and executive committee made up of Rev. Barr and the following committee chairmen: Dwight Key, publicity; Mrs. J. C. Harpham, speakers; and Robert Green, mailing.

Others from the group of twelve working by the pastor's appointment with the executive committee are Moulton Wiggins, Mrs. Paul Pendleton, Mrs. Travis Lee, Mrs. Herbert Partridge, and Scotty Ponder. The remaining personnel of the three special committees include J. K. Jackson, Barbara Barr, Joy Morton, and Harold Fox.

Primary in the work of the executive committee which met November 22, was the approval of a basis of procedure in the approaching campaign. This group set the goal and the time of the drive. They charged the special committees to encompass the use of informative literature and outstanding speakers of local and state-wide reputation.

Each week new publicity will accentuate some phase of the campaign. Every Sunday morning service will include a five-minute "pep-talk" by an especially selected speaker.

Of particular interest to the church members is the executive committee's resolution to urge the Building Committee to submit a late estimate or bid on the proposed church building not later than the closing day of the campaign.

Highlighting the "kick-off" as the opening day of the campaign is called, will be the presentation of four plans for giving and music by the celebrated McMurry College Male Chorus.

According to Mr. Key, who will submit them on behalf of the executive committee, the plans are designed to give every man, woman, and child an opportunity to contribute in the manner most convenient to each. These plans are called the "25 cent-a-week club," the "Dollar-a-Week club," the "Lord's Acre club," and the "Moore Club." Each will have a colored insignia to be worn by the pledges throughout the campaign.

Personal expressions from four members of the congregation will emphasize the predominant features of the plans, and the service will be climaxed with music by the McMurry Male Chorus.

### Knox City Boy Is Being Returned

Word has been received here that the body of Sam Ed Carpenter, son of Mr. and Mrs. E. R. Carpenter of Knox City, is being returned home for reburial.

The Knox City youth was killed in action on Iwo Jima on March 15, 1945.

Students from various colleges that were home for the Thanksgiving holidays were: D. G. Chamberlain and Miss Frances Hallmark of N.T.S.T.C., Denton; Raymond Mitchell and Wayne Rogers, Texas University; Miss Carolyn Hannah, Miss Marilyn Jeanne Bowden, Miss Patsy Campsey, Clifton Swain, Lloyd Haynie, Miss Bobbye Whitworth, and Miss Mauriece Patterson of Hardin Simmons University, Abilene; Ronald Foshee, Alonzo Cartwright, Jackie Moore and Kenneth Baker of A&M College, College Station; Miss Jean Ratliff, Gordon Gaines, Bobby Broach and Mr. and Mrs. J. E. Reeves, Jr. of Texas Tech, Lubbock; O. H. Spann, Jr. of McMurry, Abilene; Joe and John Spann, West Texas State Teachers College, Canyon; Miss Maxine Hill and Miss Charlotte Williams, T.S.C.W., Denton; Joseph Borden, John Voss, Charlie Massey, Glenn Lowrance, and Dwayne Russell, Hardin College, Wichita Falls; and Miss Frances Smith of Howard Payne College, Brownwood.

### MUNDAY'S NEEDS FOR 1948

1. A modern and up-to-date high school building, to care for the present and future educational needs of our children.
2. A waterworks system that meets all requirements of health, sanitation and supply.
3. A street sweeper that will keep our pavement clean enough to be recognized as pavement.
4. Completion of our drainage and paving program, which will probably be accomplished this year.

### REAL CHRISTMAS JOY

As Christmas approaches each of us would like to feel that we have done something to add to another's happiness at this season.

The joy that Christmas normally brings is not complete unless we have that inner satisfaction that comes with knowing we have made a contribution to the welfare of others, that we have overlooked no little thing that might make this Christmas a better Christmas.

Each person may know of some special thing he can do to make Christmas happier for another. For one person, it may be buying a doll for a neglected child. For another, it may be sending a basket of fruit to an invalid. But, regardless of what we may do for individuals, there is one thing all of us can do for everyone in the community, including ourselves.

We can all buy and use Christmas Seals. Christmas Seals have become an American tradition. They have become a tradition in Texas because they are a symbol of an important piece of work that has been carried on in this State for forty-odd years.

That work is the campaign against tuberculosis inaugurated in 1908 by the Texas Tuberculosis Association and continued without interruption by the Association and its increasing number of affiliates.

In its campaign against tuberculosis, which kills more than 2,500 Texans a year, our Association is engaged in a program of health education, case-finding and research.

The Texas Tuberculosis Association depends entirely upon the annual sale of Christmas Seals to finance its projects. Those of us who buy and use Christmas Seals will have the satisfaction of knowing, when Christmas Day dawns, that we have made a contribution to the welfare of the community in which we live.

The day is never too long to the man who has work to do and enjoys doing it.

Our faith in straw polls will not be renewed until we are convinced that public opinion can stand still long enough to be counted accurately.

### YOUR PRIVILEGE TO VOTE

On Monday, December 6, the people of Munday will decide an all-important question—Shall Munday's flood waters be adequately taken care of through a drainage system.

This is a problem that has confronted the people of Munday almost from the town's existence. Through recent years, the problem has become more acute, as flash floods to the southeast cause water to flow through the town, with very little outlet.

It is the privilege of every taxpayer in Munday to cast his vote in the coming election. It would be a shame if the bond election should carry, or be defeated, by just a handful of voters.

Engineers have planned a system which, they believe, will adequately take care of Munday's flood problem. Whether the city officials go ahead with this plan will be decided by the voters of the town.

Regardless of how you stand on the question of a drainage district, it is your privilege, and duty, to vote your sentiments in the election December 6. Let's all exercise this privilege.

### BACK DOOR TO SOCIALIZED MEDICINE

In a strongly worded resolution, unanimously passed at its recent convention in Akron, the Association of American Physicians and Surgeons urged medical schools to refuse Federal aid, on the grounds that it would open the back door to socialized medicine.

The Association fully recognizes the need of more money for medical schools in these days of high costs. But it believes funds should be raised by campaigns among private sources.

There is certainly plenty of justification for the fear that Federal financial support of medical schools could be the prelude to socialized medicine. Once the government gets a financial stake in any enterprise, it tends to dominate it more and more. The bureaucrats in charge are always exceedingly zealous in advancing their own prerogatives and powers. And he who holds the purse strings is usually able to call the tune.

The Association of Physicians and Surgeons is combating socialized medicine for two specific reasons. First, it believes it would result in inferior medical care. Secondly, it would have an exceedingly damaging effect on the national economy. New Zealand, for instance, is now spending 40 per cent of all government revenue on its socialized medicine scheme—and it still has deficits and it hasn't been able to deliver all the promised Federal benefits. The resolution pointing to the dangers inherent in Federal financial domination of medical schools is exceedingly timely.

Some people are just like taxi drivers. They go through life just missing everything.

### Why Dutch is Growing a Beard

That beard on Dutch Miller's chin doesn't mean that he's getting ready to play Santa Claus. He's simply paying off the election bet he lost to Cappy Swanson.

And while some folks allow it's all a lot of nonsense—like the wheelbarrow ride that Cappy had to give Dutch after last election day—from where I sit, it's a mighty wholesome aftermath to a difference of opinion.

Because good Americans all take their politics and voting mighty seriously. But when the issue's

settled, and the die is cast, they accept the verdict in a spirit of good humor.

And that's as it should be when it comes to any difference of opinion. Some folks vote for beer as their favorite beverage—others vote for cider. In fact, we all have differences of taste in almost everything! But that doesn't mean that we can't live together in a spirit of good fellowship.

At the annual meeting in Abilene Monday, the WTCC directors authorized the creation of two strong groups. One is a Municipal Water Rights Committee, which will be made up of city officials in West Texas towns needing additional domestic water and to work for protection of existing water rights.

The other activity will be the formation of the Soil Conservation Enactment Committee which will be "composed of representative agriculturists, county judges and mayors of West Texas which committee shall be charged with the responsibility of assisting in the passage of the enabling act of the 51st Legislature, and in

assisting the respective counties of West Texas in securing the maximum local benefits from the act."

This will be in support of the William-Holt bill, which is an enabling act for HJR 24 (Amendment No. 7) which was voted at the Nov. 2 election. This bill is being sponsored by the WTCC.

District directors of the organization elected were: Roy S. Bourland, Pampa; Henry Teubel, Tulla; A. B. Taff, Childress; J. R. Fleming, Weatherford; Frank S. Roberts, Breckenridge; Charnell Jobe, Lamesa; J. L. Pinkerton, Monahans; R. M. Hawkins, Alpine; E. L. Buelow, San Angelo, and John C. Grammer, Coleman.

Mr. and Mrs. Carl Jungman and children of Vernon spent Thanksgiving with relatives here.

Mrs. Paul Pendleton and daughter, Jan, visited with relatives in Wichita Falls the latter part of last week.

H. H. Bledsoe, Billy Ratliff and Charles and Tommy Ratliff attended the SMU-TCU football game in Dallas last Saturday.

## Knox Prairie Philosopher Offers His Services To The Economists In Reducing The Surplus Of Dollars

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is confused again, his letter this week reveals again.

Dear editor:

While I ain't no economist, I'm up with the experts when it comes to inflation, that is, like them, while I can't see it leavin' I blamed sure know when it's gone, and so I was amazed to pick up a copy of a newspaper out here Monday and read where the National Chamber of Commerce has announced that the cause of inflation is too much money.

"The Chamber's committee on economic policy said prices would drop if the supply of money were reduced," the news article said.

Now as I say I ain't no economist and I want to do whatever is right, but will you get them chamber of commerce fellows in Washington or where ever they're located to explain to me how'd I'd be any better off under their plan?

I'll admit things is too high, steak ain't worth a dollar a pound, but bringin' prices down by reducin' the amount of money I got would leave me in the same hole I'm in. I can't see any difference in not havin' quite enough money to buy a 90-cent T-bone steak and not havin' quite enough to buy a 40-cent one.

But this Washington outfit contends the supply of money has jumped from 35 million dollars to 110 billion, and the way to bring prices down is to eliminate some of the money.

I've walked up and down both sides of Miller Creek all mornin' tryin' to figure this out, and I'm blamed if I can see where I'd be any better off with less money and low prices than I am under more money and high prices. The way I see it, if your suspenders won't quite reach your pants, cuttin' both of em off a little ain't

J. A.

gonna accomplish nothin'.

However, they may know more about such things than I do and if they insist on it, I'm willin'. I ain't had too much experience in eliminatin' too much money, but if the economic health of the country depends on it I sure as thunder would like to give the job a trial.

Yours faithfully,  
J. A.

## More Grain For Dairy Cattle

This fall and winter it may pay Texas dairymen to feed their cows more grain. Of course, it's a good idea for dairymen to always feed their cows well, says G. G. Gibson, extension dairy husbandman of Texas A&M College. Give them all the good roughage they will eat and feed them more grain, especially the higher producing cows.

This year there is a rather special situation. Texas has had a long drouth, but in some places light sprinkles are trying to put an end to it. With labor still a problem, the high prices for meat have caused a cut in the size of dairy herds. Gibson says that farmers now have about four percent fewer milk cows than a year ago. And if the total milk production is going to meet the big demand that customers are calling for, then dairymen will have to get more milk from the cows they have.

Gibson says that up to a certain point, each pound of grain added to the ration will boost the milk production a little higher. He points out that how much ex-

## 23 States Plan CROP Christmas Trains

Mary Trick is one of thousands of America's rural folks contributing to the 23 CROP Christmas trains for overseas relief.

Pledges for farm produce, including grain, beans, meat, and cotton, are being accepted during the Thanksgiving season. School children in many areas are contributing a quart of milk each.

All contributions will be assembled in 23 state trains between Dec. 18 and Dec. 25. These trains will roll to 10 different ports, where simultaneous dedications will be held on Christmas day.

CROP Christmas trains are sponsored by Catholic and Protestant church groups.

tra grain they get depends on how much they are getting now, and on the local price of grain compared to the price of milk.

In line with this idea of more grain for the cows, Gibson says the present butter-fat-feed ratio for 1948 of 25.7 pounds of feed to one pound of butterfat compared to 20.5 pounds of feed to

one pound of butterfat in 1947 further bears out the possibility of feeding more grain under the present conditions.

This butterfat-feed ratio means just this—at present prices, one pound of butterfat will buy 25.7 pounds of grain. And last year 1 pound of butterfat would buy only 20.5 pounds of feed. So that's an increase in the butterfat-feed ratio of 5.2 in a year.

There are large supplies of feed grains, and prices are more favorable now to heavy feeding during the early summer. Research shows that when cows are fed 10 percent above the standard level, the average cows produces just four-fifths of a pound of milk to reach pound of grain fed. And when you get to feeding up to 30 percent above the normal

level, the average cow produces only half a pound of milk for each extra pound of grain, says Gibson.

That gives some guide in feeding for more milk. It's just the old law of diminishing returns working again.

Billy Glenn Womble of Shepard Field, Wichita Falls, spent last week end here with his parents, Mr. and Mrs. L. L. Womble, and with friends.

Mr. and Mrs. Leiland Hannah and Charlotte attended the Hardin-Simmons University and Texas Tech football game in Abilene last Saturday.

Mr. and Mrs. Worth Gafford visited relatives in Coleman last Thursday.

### Teresia Birkenfeld, Thomas B. Koetter Wed At Rhineland

On November 22nd at 10 o'clock a. m., in the St. Joseph's Catholic Church in Rhineland, Miss Teresia M. Birkenfeld became the bride of Mr. Thomas B. Koetter of Windthorst.

Father Fabian Diersing, O.S.B., read the double ring ceremony while the bride and groom stood before the altar decorated with chrysanthemums and greenery. The isles were decorated with streamers of various flowers.

Mrs. Francis Albus, organist, played the traditional wedding music. She was also accompanied by the choir.

Given in marriage by Mr. Leonard Birkenfeld, the bride was lovely in a white satin gown with a sweetheart neckline trimmed in lace, fitted bodice and long sleeves with a lace edge. Her finger-tip veil fell from a satin tiara. She carried a bouquet of talisman roses. Her only jewelry was a necklace and earrings, a gift of the groom.

Matron of honor was Mrs. Margaret Vita of Seymour, sister of the bride. She wore an aqua gown with matching headdress and wore a corsage of gardenias.

Miss Bertha Koetter of Windthorst, sister of the groom, served as brides maid. She wore a pink gown with matching headdress and wore a corsage of gardenias.

Mr. Julius Vita of Seymour was best man. Groomsman was Francis Birkenfeld of Rhineland, brother of the bride. Ushers were Luke Birkenfeld of Rhineland and Joseph Koetter of Windthorst.

A reception was held in the home of the bride's mother at two p. m. and a dance was held in the evening at Windthorst.

The bride is the daughter of Mrs. A. F. Homer of Rhineland and the groom is the son of Mr. and Mrs. Ben Koetter of Windthorst.

The couple plan to make their home in Dallas.

Out-of-town guests present were Mr. and Mrs. Ben Koetter and family, Mr. and Mrs. Herman Koetter, Mr. and Mrs. V. F. Veitenheimer, Mr. and Mrs. Frank Koetter, Mrs. Joe Veitenheimer, Mr. Joseph Koetter, Bill Berend, H. H. Koetter, Norbert Homer and Mr. and Mrs. Joe Birkenfeld.

# FARM NEWS

from the County Agricultural Conservation Committee

## PRICE STABILIZATION AND CONSERVATION

Plenty of food for everyone is the objective of both the price support and conservation programs administered by elected farmer-committees, says Emmett Partridge, chairman of the Knox County Agricultural Conservation Committee.

"And as far as production is concerned the programs are paying off," the chairman said. "Farmers are producing the greatest crops in history and progress is being made in protecting the soil for future abundant production."

Price support—or price stabilization—programs aid the work being done to protect the land from erosion and depletion. The first step in conservation, Mr. Partridge explains, is protecting the farmer and his family against ruinously low prices. "Price supports put a floor under commodity prices and keep them from go-

ing down as low as to put the farmer out of business. With that abundant production.

"It gives meaning to the conservation work he carries out on his farm. Stability in the farming business encourages better care of the land through conservation practices which control erosion and build the land for greater production."

"Price supports and conservation, being thus closely related, are administered by the same elected farmer-committees. Loans and other price stabilizing programs with soil and water conservation fit into the pattern of greater security for the Nation."

**YOUR COUNTY ACP COMMITTEE**

Every farmer serving as chairman, vice chairman, or as member of a county agricultural conservation committee was elected to that position by his fellow farmers. Elections are held every year and all farmers participat-

ing in programs administered by the county committee are eligible to vote.

Explaining the election procedure, B. F. Vance, Chairman of the Texas Production and Marketing Administration Committee, points out that at community elections farmers of the community elect a local committee consisting of a chairman, vice chairman and active member and two alternates. These elections are to be held in Texas between December 6 and December 18. The newly elected or re-elected committeemen will take office January 1, 1949.

The county committee is responsible for the administration in the county of the Agricultural Conservation Program, the Sugar Program, and various price support and related programs. The chief clerk at the county office serves as office manager under the direction of the committee.

The Agricultural Conservation Program and other services are available to all farmers. There is a county ACP office in every agricultural county in the United States.

Be sure to vote in the election for your community.

## Ford Dealer At Haskell To Hold Open House

Forty to fifty Ford dealers throughout West Texas are expected to attend the Open House courtesy Dec. 4 and 5 of the newly erected Bill Wilson Motor Co. located at 309 South Ave. E. facing west on highway 277 in Haskell. Owner of the company is William H. Wilson, Jr.

Being the largest automobile facility between Fort Worth and Lubbock and Wichita Falls and Abilene, it is estimated by Ford Motor Company officials that the present value of the establishment is approximately \$150,000. Considered by automotive men to have the latest equipment, the

building is completely modern in every detail.

All models of automobiles and trucks which are made by the Ford and Mercury Division of the Ford Motor Co. will be on display at the Open House. Six officials of the two concerns will be present from Dallas, and the following members of the Bill Wilson Motor Company Staff will be hosts for the formal opening: J. B. Gipson, General Manager; Miss Edna Minick, Office Manager; Roy Ratliff, Manager, Used Car Division; H. A. Lane, Service Manager; W. D. Larned, Parts Manager; Noble Land, assistant; Cliff Nicholson, Manager, Upholstery Department; J. H. Roberts, Manager, Paint and Body Department; Wayne Lewis, assistant; Buford Cathy, Hill Shaw, Olen Bartley, and Cecil Bowers, General Mechanics; O. Shaw, Building Supt.; Edwin Kingsbury, in charge of Lubrication; and Leslie Johnson, Manager, Personnel Appearance Department.

## ARTHRITIS

In a 48 page booklet, a committee of 12 of the nation's leading doctors have issued a complete report of years of research on rheumatism and arthritis.

From their findings a formula called Ru-Tel was then tested by physicians and clinics and has achieved remarkable results in relieving the pains of rheumatism, arthritis, backache and neuritis. Ru-Tel Tablets are pleasant to take, do not upset the stomach—give quick soothing relief, sometimes overnight. Now Ru-Tel Tablets are available through all druggists. First bottle must help or your money refunded.

# Veterans' News

Veterans studying under the GI Bill who want to transfer to another school at the end of the

fall semester should notify the Veterans Administration at least 30 days before they intend to make the change.

To enroll at a new school, VA explained, the student-veteran needs a supplemental certificate of eligibility. He also needs a statement from his present school showing that his progress there is satisfactory.

A student-veteran may obtain a supplemental certificate of eligibility by applying to the VA re-

gional office which has his file.

Veterans who have appointments for services authorized by the Veterans Administration are urged to appear at the appointed time.

VA said veterans should make every effort to keep their medical or dental examinations at the time specified. These examinations are set on a regular schedule. When a veteran fails to appear, he wastes not only the time of VA personnel preparing to give the examination or treatment, but prevents them from rescheduling some other veteran for that period.

Broken appointments also result in unnecessary delays in medical and dental care to all veterans of the surrounding area and reduces the number of veterans who can be served by VA.

If an appointment cannot be kept, VA should be notified in advance.

### Questions And Answers

Q. While living in Canada, I converted my National Service Life Insurance to a permanent plan. Now I learn that because of Canadian currency controls, I cannot send enough money out of the country to cover my premiums. What can I do about this?

A. There have been a number of similar cases. You should contact the currency control office of the country in which you now reside, and if you cannot make a satisfactory arrangement, you should go to the nearest U. S. consulate and explain your problem.

Q. I am a World War II veteran and would like to know if my wife is entitled to VA hospitalization?

A. If she is an ex-service woman she will be entitled to hospitalization in her own right, but being the wife of a veteran will not of itself make her eligible for VA hospitalization.

Q. After my discharge from World War II, I surrendered my \$10,000 National Service Life Insurance converted policy for the cash value. I have re-enlisted and want insurance again. Am I eligible?

A. Yes. Application for a new NSLI policy may be made while you are in active service.

Q. I have a service-connected disability rated at 20 percent. Am I entitled to an increase because of dependents?

A. No. Your disability must be rated 60 percent or more before additional compensation for dependents is payable.

Mr. and Mrs. Joe Luke of Muenster spent Thanksgiving with Mr. and Mrs. H. F. Jungman and with other relatives here.

Mr. and Mrs. P. V. Williams attended the SMU-TCU football game in Dallas last Saturday and visited relatives in Denton over the week end.

Mr. and Mrs. Lamorne Blacklock and little daughter of Grand Prairie visited their parents, Mr. and Mrs. B. L. Blacklock and Mr. and Mrs. Clyde Hendrix, over the week end.

When I was a boy in Memphis, Tenn., I met Capt. Dabney M. Scales, a hero of the Confederate navy. Not long ago, interesting details of his service were encountered in an old book. Captain Scales was attending the United States Naval Academy when the Civil War broke out. He resigned and became the youngest officer in the navy of the Confederacy. He served on the famous raider, the Shenandoah, which cruised the seven seas, seeking Union vessels. One day, south of Australia, they overtook a ship which was flying the British flag but they thought this was a ruse. The vessel was hailed and proved indeed to be British—and then the Confederates learned an amazing thing. The war was over and had been for eight months. Because a federal court held that the activities of the Shenandoah were in violation of the law—through actually its officers and crew were merely waging war, though of a daring nature—Captain Scales lived in Mexico for two years. Then he returned to Tennessee and practiced law. In the War with Spain, he volunteered and was navigating officer on a ship. He was an old man with snow-white hair and mustache when this columnist, then a schoolboy, knew him. He never mentioned anything about his service in two wars. Just an old book, out of print, tells a little about his career.

Mr. and Mrs. Bill Brown of Woodson spent the latter part of last week here with Mrs. Brown's mother, Mrs. Jo Mae Davis, and with other relatives.

Once again we salute our Newspaper boys, honoring their thrift and enterprise. Nearly 500,000 of these boys are carrying on that sense of duty and responsibility which brings the papers to our door every day in the year. These nephews of mine are training for success, and a part of that training is in thrift. Last year, newboys enrolled in Newspaper Thrift Clubs invested \$2,000,000 in U. S. Savings Bonds. These bonds will pay them \$4 for every \$3 invested ten years hence. Every bond is guaranteed as the safe-secure investment for everyone.

Joe Stalin can tell the Russians what to think. But if anybody tried that in Texas they'd ship the body back home.

These Texans get their facts from their newspapers. They do their own deciding. And, they'll pull a shootin' iron to protect the other fellow's right to disagree.

### News From Monday F. F. A. Chapter

The V. A. Class II is collecting grasses and studying them for the grass contest which is to be held in Knox City on January 8. Ag I class is now busy studying soil conservation.

The boys have selected their calves for feeding out for the local Future Farmers show in April. They have 13 calves on

feed. A number of barrows are also on feed for the show. The boys have eight registered sows, seven or eight registered sows, and about 50 Duroc Jersey pigs that can be registered.

We believe this community is badly in need of dairy cattle, and we hope a dairy heifer project similar to those sponsored by other towns, can be started here.

### Kraker Krumbs—

(Continued from Page One)

told us the other day:

"They wanted paved streets. I lived close to the paved highway and didn't need paved streets, but I voted for the bonds."

"They wanted a better school. All of my children have grown up, graduated, married, or moved away. The school wouldn't benefit me, personally, but I voted for the bonds."

"Now they want to drain the town. I live up there on the hill and don't have a drainage problem, but guess I'll just tag along with them and vote for the drainage bonds, too."

If you want the town drained—vote. If you don't want the town drained—vote. It's your good old American privilege which no one can take away from you. Exercise it!

Philip Homer and Mrs. John Michalik spent the week end in Dallas. They were accompanied home by Mrs. Philip Homer, who spent the week there with Mr. and Mrs. Ralph Schumacher and son.

James Dyke attended the Hardin-Simmons University and Texas Tech football game at Abilene last Saturday.

Mr. and Mrs. Sidney Lee of Ft. Worth spent the week end here with Mrs. O. W. Lee and Harvey Lee.

Mr. and Mrs. Wayne Mitchell attended the Texas University and Texas A&M football game in Austin last Thursday.

### with a JOHN DEERE TWO-ROW COTTON HARVESTER

The easiest way to boost your cotton-growing profits is to use a John Deere No. 15 Two-Row Cotton Harvester. Based on 1947 labor cost, it saves \$30 or more per bale over hand pulling . . . does an excellent job in any crop that's suitable for mechanical stripping.

Handling two forty-inch rows at a time, the No. 15 does a clean, efficient once-over job of saving bolls. Its work is considered by many gin operators superior to cotton stripped by the average hand puller.

With the John Deere, you, too, can make short work of your harvest . . . get all your cotton to the gin before bad weather causes crop losses. For details, see us the next time you're in town.
