NO. 15

## Kracker Krumbs

Odd Bits Salvaged  
At Random

The weather we've been having lately is typical cotton gathering weather—and football weather.

That "nip" in the air is fine on both the boll pullers and football players. They can both go about the job without getting overheated.

Just why we've connected boll pulling with football is beyond our power of comprehending except that we're crazy about football but not a bit that way about pulling cotton.

We have a plumb good cotton crop, if we can get it gathered. One person offered the guess Monday that the gins here in Munday would gin around 25,000 bales this season.

We have a pretty good football crop this season, too, in our estimation, and we'll close out the football season this year before we do the cotton pulling season.

Our football season will close Friday night when the local team meets the Haskell Indians on the local field.

Ralph Duncan was up from Haskell last Monday and offered the information that Haskell has not won a district championship since 1938, and then Crowell beat the Sox off the Indians in bi-district play.

If Haskell can get by the Moguls, then the Indians will have the championship sewed up. Folks down Haskell way think it's the Indians' time to be champs.

Our Moguls were "champs" to us last Friday night. We even like to see a team with fight and good sportsmanship, even if on the losing end of the score.

And to our mind, the Moguls displayed both the fight and good sportsmanship last Friday night. They are a bunch of boys the fans can well be proud of.

They went into the game very much the underdogs last Friday night. Albany's Lions were near the top of the district bracket, while the Moguls had dropped two conference games and were further down the ladder.

But they went into the game with a real winning spirit. A bad break in the opening minutes of play handed them a two-point deficit, then after their kick-off from the 20-yard line, the Lions came on to score.

But the Moguls came back with a T. D., and Scotty Ponder added the extra point. Then the half ended with our boys trailing by just one point—7-8.

It looked like the dope bucket might be upset good and proper, but the Lions soon put the lid on by adding another T. D., and then a third.

But it was quite thrilling to see our boys perform against their odds. We got our money's worth when Joe Bailey Roberts drove through to down a Lion for loss.

We thrilled as Johnson and the Ponder Brothers moved the ball goalward, even though they were stopped short of a score. We liked the Stevens Brothers in action.

We jumped out of our seats when Scotty Ponder tossed a completed pass down around the 10-yard line on the east end of the field even though the thing was called back because of rule infractions.

We love the way all of our boys played. They showed better sportsmanship in losing than lots of teams do while winning. They haven't won all their games, but they've won our admiration.

Then Saturday we listened to some big-time football. We borrowed a radio, while having one repaired, so we could listen while working.

We tuned away from the SMU-A & M game. It'll be easy pickins for the ponies, we think, so we settled down to our chores and listened to Texas bring Baylor down out of the undefeated class.

Then we hear a report on the  
(Continued On Last Page)

## Our Citizens Of Tomorrow

These two photo groups concludes our series of "Our Citizens of Tomorrow" which has been running in the Times for several weeks. We hope you've enjoyed them.

The quartet above are Werva, Dolores, Nona Dale and Gayle, children of Mr. and Mrs. Farris

Mobley of Goree.  
The other photo of three, are children of Mr. and Mrs. Dave Jetton. They are Donna Sue, Belva Ann and Jimmie Joe.

## Moguls Go Down 21-7 To Friday Night Here

It was a gallant, fighting bunch of Moguls who went down before the onslaught of the mighty Albany Lions here Friday night. After a break in the opening quarter, which gave the Lions a 2-0 lead, the Moguls went on to end the half trailing by only one point 7-8.

The Lions showed their superior power in the second half to add two more touchdowns and hold the hard-fighting Moguls scoreless.

The Lions gained the 2-point lead on the second play after kick-off, when a Mogul back received a bad pass from center which went back across the goal line where it was recovered, but giving the visitors a safety.

Fired by the fast Riley brothers the Lions scored a few minutes later when Clovis Riley, quarterback went through center for a touchdown from the Munday 15-yard line. The try for extra point failed.

Trailing 0-8, the Moguls came back in the second quarter to score when Scotty Ponder passed to Johnston for 10 yards and a touchdown. Ponder made the kick for extra point good, and the half ended with Lions leading by the 8-7 score.

Fullback Riley scored another marker for the Lions on a series of line plays, pushing the ball from the 46-yard line across the pay stripe.

The final score of the game came when Edgar, left end for the Albany team, intercepted a Mogul pass on the Albany 32-yard line. Riley took the hand off and climaxed a spectacular 69-yard broken field run with a touchdown, later kicking the extra point.

The Moguls threatened to score several times, making the game an interesting one for local fans.

The Lions made 11 first downs to 7 for the locals. The Moguls attempted 12 passes, having four completed and two intercepted. The Lions attempted five passes, completing three.

The lineups were as follows: Munday: Norman, left end; J. Ford, left tackle; Roberts, left guard; Joe Stevens, center; Howeth, right guard; Lawrence, right tackle; H. Ford, right end; Lawrence, quarter; Johnson left half; D. Ponder, right half; S. Ponder, fullback.

Albany: Edgar, left end; Waller, left tackle; Sturgen, left guard; Carlisle, center; Biertel, right guard; Burton, right tackle; C. Riley, right end; Macon, quarter; Tucker, left half; Witherspoon, right half; Clovis Riley, fullback.

## DR. RENEAU PURCHASES MORE ANGUS CATTLE

Dr. John B. Reneau, Jr., an Aberdeen-Angus enthusiast, purchased two good breeding cows at the Luther McClung distribution sale in Fort Worth on Thursday, November 3, and these have been added to his breeding stock. Dr. Reneau is plugging along toward his goal of 100 head of registered Angus breeding cattle.

## TO DALLAS HOSPITAL

Mrs. J. C. Campbell was taken to a Dallas hospital last Thursday where she is receiving medical treatment. Reports are that she is doing fine and is expected to return home the latter part of this week.

Ralph Duncan, secretary of the Haskell Chamber of Commerce, was a business visitor here last Monday.

## New Wildcat Is Started Here First Of Week

The Bridwell Oil Company of Wichita Falls has made location for the No 1 Effie Hardin, a 2,000 foot rotary test 220 feet from south and east lines of section 97, block 2, D&WRR survey. This is a wildcat three miles northwest of Munday, and the rig was moved in the first of this week.

This makes the third test to be staked in the immediate vicinity, both prior wells being abandoned, so it appears someone believes we have oil in that territory.

**Other Wells Going**  
Stanolind Oil and Gas Co. No. 1 Big Four Ranch, a 6,000-foot wildcat to be drilled in the extreme northwest part of Knox county, was digging well and laying water lines the latter part of last week.

Stanolind's No. 1 Marjorie Baker, a 6,000-foot test, wildcat one-half mile northwest of Knox City, was drilling at 3,800 feet the latter part of last week.

## Local Boys Buy Registered Jerseys

COLUMBUS, O.—Bobby Lawrence, Gerald Myers, James Simpson and Lawrence C. Searey, all of Munday, Tex., bought registered Jerseys, from C. A. Thomas & Son of Weinert, Tex.

The purchase adds to the steadily growing number in this area. Dairymen buy Jerseys because of the high quality of the milk they produce.

Purebred Jerseys are registered by The American Jersey Cattle Club which has its national headquarters in Columbus, O. Several programs are available through The American Jersey Cattle Club to help breeders get the most profits from their Jerseys.

## Children's Photos To Be Snapped Here Friday, Saturday

A photographer from the Woltz Studios of Des Moines, Iowa, will be at the Munday Hotel next Friday and Saturday on a renewed visit here to take photos of children of this area. As was arranged last spring, the photos will be published at regular intervals in the Munday Times.

The photo shop at the hotel will be open from 1 p. m. to 8 p. m. on the above dates.

Prizes will also be awarded to each of the four cutest children's photos. Judges will make their selections upon the child's personality and charm as portrayed in the picture.

The studio will furnish cuts to the newspaper, and these will be run in the paper regardless of whether orders are given for additional pictures, it was stated by the studio representative.

Those who want additional prints may be obtained by arrangements with the studio representative when they select the pose they want printed in the paper.

Friday and Saturday are the dates!

## BIRTH ANNOUNCEMENT

Mr. and Mrs. Bill Brown of Ozona are the proud parents of a baby girl born on Friday, October 28th. Deborah June, as she will be known, weighed seven pounds and twelve and one-half ounces. Her maternal grandmother is Mrs. Jo Mae Davis of Munday. Mrs. Brown is the former Jean Davis of Munday.

## Mrs. W. H. Walling, County Pioneer, Passes Friday

Mrs. W. H. Walling, beloved pioneer mother of Knox County, passed away last Friday afternoon at the Baylor Hospital in Dallas, thus ending a long period of suffering.

Mrs. Walling received treatment at the Knox County hospital for several weeks before being transferred to the Dallas hospital some three weeks ago.

The daughter of Mr. and Mrs. James Partridge, pioneer Knox County couple, Mrs. Walling had resided in Knox County since 1889. She was a beloved christian mother whose christian influence reached into many Knox County homes. She was the mother of fourteen children, ten of whom survived.

She was born on August 26, 1885, in Johnson County, Texas, and was 64 years, 8 month and 9 days of age.

Surviving are her husband W. H. Walling of Munday, and the following ten children:

Robert Walling, Wichita Falls; R. J. Walling, Munday; S. W. Walling, Stillwater, Okla.; J. C. Walling, Wichita Falls; J. B. Walling, Wichita Falls; Mrs. B. L. Lawson, Burkburnett; Mrs. C. T. Russell, Hale Center; Miss Frances Walling, El Paso; Mrs. T. M. Spruelli, Munday; and Mrs. A. L. Rexell, Knox City.

Other survivors include 19 grandchildren and four great grandchildren; a sister, Mrs. W. W. McCarty, Munday; two brothers, Emmett Partridge and Roscoe Partridge, both of Munday.

Funeral services were held at 2:30 last Sunday afternoon from the First Methodist Church in Munday, being conducted by Rev. R. L. Butler, pastor, assisted by Rev. Minga of Burkburnett.

The body was laid to rest in Johnson Memorial Cemetery with the Mahan Funeral Home in charge of arrangements.

Glowing tributes were paid this pioneer mother at the services, and many lovely floral tributes told of the love the community held for her. Her favorite Bible passages and poems were recited.

Pallbearers were Lendon, Weldon, Randall, and Dennis Wayne Walling, Harold and Herbert Partridge.

Named as honorary pallbearers were J. S. Shannon, Roe Myers, Kelly Johnson, Bob Jarvis, M. G. Nix, R. L. Myers, C. L. Mayes, C. R. Elliott, W. E. Braly and Willard Reeves.

## Local Negro In Fight Here Dies Of Wound

Jimmy Walker, about 55, local negro, died at the Knox County Hospital of head injuries received in an altercation "in the flats" of Munday.

According to local officers, the negro was injured on Monday night, Oct. 24, when he was hit on the head with a hammer during the fight. Officers were not notified of the fight until the next day when Walker was taken to a local physician for treatment.

A local negro known as "Jessie James" was arrested, and is in the Knox County jail awaiting action of the 50th District Court grand jury.

Funeral services for Walker were held at 10:30 a. m. Saturday, with the Mahan Funeral Home in charge of arrangements.

Officers had been unable to locate any relatives the first of this week.

## Mexican Infant Is Buried Monday

Antonio Silvaz, infant daughter of Mr. and Mrs. Carlos Silvaz, passed away at 1:30 Sunday at the Knox County hospital. She was one month and seven days of age.

Graveside services were held at 10:30 Monday at the Mexican cemetery at Rhineland. Burial was under the direction of the Mahan Funeral Home.

Mr. and Mrs. Dwaine Russell of Wichita Falls visited relatives and friends here last week end. They also attended the funeral of Mrs. W. H. Walling.

## Range Management Team

Cook county range management team, from left, B. T. Haws, county agricultural agent, Gainesville; Douglas Robison, and Billy Whitt, who will appear on programs of soil conservation meetings to be held November 14th to 18th inclusive at Shamrock,

Childress, Quanah, Spur, and Stamford, sponsored by Burlington Lines in cooperation with Second National Bank of Houston, the U. S. Soil Conservation Service, and Texas A&M Extension Service.

## School Carnival Nets Around \$1,300

The P. T. A. sponsored Halloween carnival netted a total of approximately \$1,300, it was announced this week by those in charge. The following amounts were realized from classes in the queen's race:

Seniors, \$152; freshmen, 124; juniors, \$52.30; sophomores, \$50.72.

The high school faculty, with Miss Greenwood of the music department as director, planned and supervised the coronation. Stage decorations were planned by Mrs. Pat Lightfoot, an art major, and music for the carnival was under the direction of Mr. Shipman, band instructor.

## Rule's Armistice Celebration To Be Friday, Saturday

All roads will lead to Rule Friday, November 11th when the 12th Annual Armistice Celebration opens in full-swing.

Those in charge are expecting a large crowd, as the celebration draws hundreds to Rule each year.

The program has been mapped out in full and will get underway with the Pet Parade, which will start at 9:30 a. m. Friday. This event will include all the kiddies from the neighboring communities and towns who will show their pets. This is always cute and interesting feature of the program. The next feature will be an Amateur Fiddler's Contest, which will start at 10 o'clock. Several fiddlers have entered and more are expected this week. This contest is open to all amateur fiddlers with no entrance fee.

The main parade, which will be held at 11:00 is always a colorful affair, with clubs and Businessmen's floats, high school bands and pep squads participating. There will be a barbecue lunch at noon served at the American Legion Hall.

The Saddle Horse Contest will begin at 1:00 p. m., which will be handled by Jim Cross.

The highlight of the day will be Woodson, which will begin at 2 P. M. This is a grudge battle, and each team will be playing their best, to determine the probable winner of District 9-B.

The day's activities will be closed with two big dances, one at the Rule American Legion Hall and one at the Rule School Gymnasium.

There will be a total of \$175.00 in prizes given for the best participants in each contest and parades.

## Elementary School Gets Nice Piano

The Munday elementary school is proud of the nice piano which was recently presented to the school.

The piano was paid for with proceeds received at the amateur hour given last spring by Mrs. A. C. Williams and Mr. Miller. The Munday P. T. A. also contributed \$30 toward the piano, it was stated.

The piano is used part of the time by Mrs. Williams as a studio instrument.

## Moguls To Play Haskell Here On Friday Night

One of the most interesting games of District 6-A East will be played on the local field next Friday night, when the Munday Moguls will be hosts to the Haskell Indians for their annual conference battle.

It will be an interesting one in that the Indians will be gunning for their first district championship since 1938, while the Moguls will be battling to hold their losses down to a minimum.

The Moguls are the only grid-ers in the district who have not gone down before the power of the Indians, and with the championship within their grasp, the visitors will be primed to give real battle.

The Moguls have won one conference game, defeating the Anson Tigers, while they have dropped games to Throckmorton, Albany and Stamford. They are expected to put up a real battle against the Indians Friday night in a game that is expected to draw many fans of this area.

The opening kick-off will be at 7:30 o'clock.

## Voters Reject 8 Amendments; Anderson Leads

Seven and possibly eight of the state constitutional amendments were rejected by the voters of Texas in the election last Tuesday. Among those to go down under a barrage of "no" votes was the one raising legislative pay and the one permitting women to serve on the jury.

Returns from the Texas Election Bureau at 3 p. m. Wednesday from 237 counties gave the following totals:

1. County civil service: For 113,455; against, 127,677.
2. Legislative sessions and pay: For 63,346; against 180,520.
3. Hospital districts: For 109,015; against 321,629.
4. Poll tax repeal: For 112,062; against 136,061.
5. City-council health units: For 100,848; against 142,887.
6. County pensions: For 81,483; against 162,276.
7. District court proceedings: For 136,097; against 103,648.
8. Rural fire prevention: For 130,007; against 112,690.
9. Lunacy trials: For 120,716; against 123,976.
10. Women jurors: For 115,933; against 132,641.

**Anderson Leads State**  
Upon the basis of late returns, R. E. (Doc) Anderson of Vernon will probably be named to the 21-member State Board of Education.

Returns at 7 p. m. Tuesday from District 13 (15 counties) showed Anderson to be leading W. J. Stoe of Nocona. The vote from the 15 counties including 4 complete was: Stone 3,807; Anderson 7,990.

The vote was comparatively light in Knox county.

## BIRTH ANNOUNCEMENT

Mr. and Mrs. Newton R. Riley of Borger announced the arrival of a son, weighing five pounds and ten ounces, on October 28th at a Borger hospital. The grandparents are Mr. and Mrs. S. O. Riley of Munday and Mr. and Mrs. Jess Brown of Borger.

Mrs. T. G. Bengel left Wednesday for Honey Grove where she is visiting Mr. and Mrs. Gustav Fladger and family for several days.

## The Munday Times

Published Every Thursday at Munday  
Aaron Edgar and Grady Roberts . . . Owners  
Aaron Edgar . . . Editor and Publisher  
Entered as second class matter January 4, 1919, at the postoffice in Munday, Texas, under Act of Congress, March 2, 1879.

### LOCAL NEEDS FOR 1949

- We're pulling for these needs in 1949. What will the year bring?
4. An adequate waterworks system. This is a must for the continued growth of Munday.
  5. Building of more housing projects. There continues to be a housing shortage.
  6. Recreational facilities for our youth of today—our citizens of tomorrow.

### MORE PORK GOES TO MARKET

There are times when just sending goods to market and letting them sell or not sell as the case may be isn't enough. Such a time arises when the supply of some commodity is far greater than usual.

Pork is approaching that position now. Government reports anticipate at least a 15 percent increase in hog marketings during the next 12 months as compared with a year earlier. The supply of pork during the last quarter of this year will be about 45 percent greater than in the third quarter, and 12 percent greater than during the last quarter of 1948. On top of that, it is indicated that total demand for meat this year will not be as strong as last.

To help meet this situation an organization which represents many of the packers of the nation has completed plans for an aggressive program to promote the sale of pork products during the fall and winter months. Details of the program were developed with the assistance of hog producers, leaders of farm organizations, college livestock extension specialists, and other interested people, all of whom have pledged their support. Millions of consumers will see posters and advertisements emphasizing the value of pork. The whole purpose is to move promptly onto America's dining tables the largest pork supply of recent years.

The value of this to farmers and other pork producers is obvious. And the consumer's interest is also paramount—much of the promotional material will stress ways and means of getting top return for the family's meat dollar. Everyone will benefit.

### GET DOWN TO CASES

In the view of W. Ross McCain, president of the National Board of Fire Underwriters, fire prevention campaigns have helped to bring about a reduction in American fire losses. During seven out of the first eight months of this year, fire, waste was lower than for the same months of 1948. The decline worked out to just under eight per cent.

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong, regardless of party politics, publishing news fairly, impartially.

**NOTICE TO THE PUBLIC:** Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher, at the Munday Times office.

This was a real accomplishment. However, in spite of that our fire loss is disgracefully high. As Mr. McCain said, "With all the progress that has been made, there is still much to be done. Every single day of the year, at least 30 Americans die in fires, and nearly two million dollars in property is destroyed by flames every 24 hours."

It cannot be emphasized too often that this waste is unnecessary and avoidable. As an example, nearly a third of all fires result from careless handling of cigarettes and matches. Many of the remaining are caused by overloaded electric circuits, frayed extension cords, the use of gasoline for cleaning, starting fires with kerosene, and improperly cared for stoves, furnaces and chimneys. These hazards have cost the nation tens of thousands of lives and billions of dollars in property damage—and there isn't a single one that can't be easily and inexpensively remedied.

The reduction in fire loss is encouraging. Now let's really get down to cases and make a big cut in this needless waste.

### ADVERTISING AND PRICES

An expert on retail trade has said, "This year stores are planning as much and in many cases actually more advertising in both dollars and in percentage of business than last year. We will see the largest retail advertising dollar expenditure in history . . . Newspapers, radio, direct mail, and other tools will share in this selling drive."

Here is additional evidence that competition really is intense today. Store advertising has several related purposes. First of all, it is designed to interest people in goods and to keep buying at a high level. It is also designed to create new customers, and to keep the old customers coming back. It is the visual link between those who have something to sell and those who want to buy.

Every now and then someone argues that advertising and other types of promotion are wasteful, and amount to an unnecessary charge against the consumer who buys the wares. This is about as shortsighted as any viewpoint can be. The fact is that advertising has been a potent force in holding prices down. It helps make possible mass production and mass distribution—and without them prices would really be out of sight. Furthermore, it keeps the competitive spirit at a high pitch. No merchant will last long charging out-of-line prices. His customers will read the ads of competitive stores and take their trade to them. Advertising is one of the great constructive forces within the economy.

Texas is called the Lone Star State because of the one star in its flag during the time it was a republic.

### Uncle Sam Says

Volunteers are mighty important to the U. S. Savings Bonds Program. During the fall when farmers are bringing in their harvests, an outstanding group of U. S. Savings Bonds volunteers will be traveling the country telling people about Bonds.

These volunteers are the cartoonists who draw your favorite comic strips and they will put on a show in connection with a Treasury Department sponsored art exhibit, "20,000 Years of Comics," in several American cities. They are freely giving of their time and effort to continue telling their readers that U. S. Savings Bonds are the safest and best investment in the world.

U. S. Treasury Department

### Boyce House

One of the most picturesque men who came to Texas in early days was Martin Parmer for whom Parmer County up in the Panhandle is named. He is said to have fired the first shot in the Fredonian War, which you will recall was led by the empresario, Hyden Edwards. In command of a very small force, Parmer routed a considerable number of Mexican soldiers in a fight at the famous stone house in Nacogdoches. The uprising failed however as conditions were not ripe for freeing Texas from Mexico.

Parmer was what you would certainly call a character. He was a member of the Missouri Legislature when two other members got into a fight and he joined in, with the announcement that he was a ring-tailed panther by which nickname he was afterward known.

He had emigrated to Missouri in 1818, settling away out in the wilds, surrounded by Sioux, Iowa and Osage Indians. He had numerous fights with the Indians but won their respect and was appointed an Indian agent.

But before that, when first located there, he paid \$50 for a bear-dog—that was a big price for a dog in those days. This dog was so good at hunting bear that he kept Parmer supplied with meat, not only sufficient for the pioneer's own needs but he had some left for supplying the Indians.

One day, a bad Indian known as Two-Heart demanded meat of the settler. Parmer did not like his attitude and he placed a large amount before the savage and the Indian started eating. When he was about to stop, Parmer drew a knife and commanded him to continue eating—and he did. In fact the Indian ate so much that he died. It was acts like this that gained the healthy respect of the red men for the fearless white man.

But back to the bear-dog—the

Munday, Texas

faithful animal died (unfortunate history does not seem to have preserved his name) and the owner was so grief-stricken he felt that the dog should have a funeral. So he sent a messenger to the nearest preacher, 50 miles away to come and preach the funeral sermon. The minister, thinking that a member of the family had died, came, and since he was there (and probably had a wholesome respect for Parmer too) went ahead and preached a funeral service for the hunting dog.

Martin Parmer, a remarkable individual, was one of the men who helped make Texas.

Mr. and Mrs. V. E. Moore and daughter, Marsha, of Abilene, spent last week Wednesday and Thursday here visiting in the J. C. Campbell home.

**Knox Prairie Philosopher Has Own Method For Settling The Army-Navy Squabble; Says Put Officers On K. P.**

J. A.

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek enters the army-navy squabble this week, his letter reveals

Dear editor:  
I aint exactly a war veteran, makes no difference if I am battle-scarred after years of marriage and goin up one row and down another out here on Miller Creek or trying to make 1910 bob-wire hold together in 1949, but I was talking to a group of World War II veterans the other day and from what I can tell about what they said, I think I know the solution to the big Army and Navy squabble among the generals and Admirals.

going to suit the private taste of the Generals or Admirals either, and they're developing a squabble worse than a trustee fight in a one-teacher school district. Naturally, I don't know whether a B-36 airplane is any good or not, never used one outhere, and likewise there ain't been no air-craft carrier foolin around out here either, but the argument over which one is best reminds me of the argument some school trustees had in a district I heard about once over whether they ought to burn wood or coal to heat the school building, one trustee bein in the wood business and another in the coal business.

As I understand it, things ain't

They nearly wrecked the school system before they compromised on burnin wood the first half of the term, coal the second, although by the time they got things ironed out and smoothed down they installed gas and later on they consolidated a bunch of schools and the building ain't even there anymore.

However, I don't believe a compromise is what's needed in the Army-Navy squabble. My idea is that since both the Army and Navy is strong for military discipline and believe in 100 percent obedience to your superior officers, and since the President is the Comander-In-Chief, I think President Truman ought to call in the squabblin officers from both sides and tell em dissention in the ranks is bad for the country and assign the leaders to K. P. every day in the week. If that doesn't clear up matters, which it general does, I understand, give

em close-order drill for awhile or send them over the obstacle course a few times. I ain't familiar with the meaning of all these terms, but the veterans I was talkin to claim they'll get the job done if applied often enough.

Yours faithfully,  
J. A.

Mr. and Mrs. R. E. Foshee and Miss Bobbie Price visited relatives and friends in College Station last week end. They also attended the A & M - S.M.U. football game on Saturday.

Mrs. Lynn Hay spent several days this week in Lubbock visiting Mr. and Mrs. Lloyd Lucky and children.

**Weekly Health LETTER**

Issued by Dr. Geo. W. Cox  
M. D., State Health Officer  
of Texas

AUSTIN—The schools of Texas have been in session for several weeks. The routine screening tests by teachers and nurses, or the physical examinations of the children by physicians have been completed. They are complete so far as the nurse, teacher, or examiner is concerned, but the "follow-up" to correct any abnormal conditions disclosed is yet to be done. To make these screening tests and the follow-up examinations of the greatest value, the needed care for correction of defects should be available. This is the responsibility of the parents of each child in order that a maximum of health may be his lot, declared Dr. Geo. W. Cox, State Health Officer.

Health is a cardinal attribute of living. With the best health a child may have, he will do his best work, will have joy in play, and will grow to be the most efficient citizen he is capable of being. The future of our country is in the hands of these children who are now in school.

All adults as well as the parents of the school age children should feel the responsibility and privilege of sharing in a sound and safe future for our country by helping to build good health for the children of today.

Through the check made each year in the schools the gross defects may be learned, and a more detailed examination may be made by the family physician, with treatment for correction of these defects as he finds necessary.

Immunization against the disease, for which known protection is available, should be given all children unless their physician finds contraindication.

Your physician is your best friend and guardian of your health.

**CAMPUS HIT!**

The college set this season has nominated the plaid cotton blouse as number one on the hit parade of adaptable fashions for campus wear. The bright plaid cotton makes an excellent summertime for solid skirts or slippers. This smartly tailored cotton plaid blouse was designed by Clifford of del Mar, the National Cotton Council reports.

Be careful. Obey state and local traffic rules.

From where I sit... by Joe Marsh

**Clam Chowder Can Be Dynamitel**

If Smiley Roberts is a friend of yours, like he is mine, and if you want to keep his friendship, like I do, don't ever let him hear you say that good clam chowder can be made without cream.

In New England, where Smiley comes from, friendships have been broken over tomatoes versus cream in clam chowder. Experts say that south of Boston the tomato reigns supreme, but north of Boston it's cream—or else!

From where I sit, whether it should have cream or tomatoes is simply a matter of taste. This is

plain to anyone who doesn't come from clam chowder country.

What a great world this would be if we could all see that most prejudices are matters of taste only. Some like hot coffee. Some like it iced. Some people like a temperate glass of beer. Others prefer ice-cold lemonade. My grandmother used to say, "Prejudice that sees only what it pleases, cannot see very plain."

Joe Marsh

**Methodist W. S. C. S. Meets On Monday With Mrs. Eiland**

The Women's Society of Christian Service of the first Methodist Church met Monday at 3 p. m. with Mrs. G. R. Eiland, Mrs. Walter Rodgers was co-hostess. Mrs. Fred Broach, Jr. gave a very interesting talk on Pakistan and Mrs. Oates Golden told of the work the Methodist Church is doing there.

A short business session was held with Mrs. E. E. Lowe, president, presiding.

Next Monday is the first study of the new mission book, "Missions at the Grass Roots", by William P. Shriver. Mrs. Dick Atkelson will direct the study.

The hostesses served refreshments to the following ladies: Miss Shelly Lee, Mrs. D. E. Holder, Mrs. W. A. Baker, Mrs. H. A. Pendleton, Mrs. Bruce Burnett, Mrs. J. C. Borden, Mrs. S. E. McStay, Mrs. E. E. Lowe, Mrs. R. L. Butler, Mrs. Dick Atkelson, Mrs. Oates Golden, Mrs. J. D. Crockett, Mrs. S. A. Bowden, Mrs. P. V. Williams, Mrs. Gill Wyatt, Mrs. Fred Broach, Mrs. T. G. Bengel, Mrs. W. F. Phillips, and Mrs. Jim Grammer and June and Jane of Lamesa.

**Leona Havran And Wendell Partridge To Wed Nov. 19th**

Mr. and Mrs. Adolph Havran of Knox City are announcing the engagement and approaching marriage of their daughter, Miss Leona Havran, to Mr. Wendell D. Partridge of Munday.

The wedding ceremony will take place on Saturday, November 19, at 6 p. m. in the First Methodist Church in Munday.

**Cindy Wardlaw Is Honored Sunday At Birthday Party**

Little Cindy Wardlaw, daughter of Mr. and Mrs. Dick Wardlaw, was honored with a birthday party on her second birthday last Sunday evening in the backyard of the Wardlaw home.

Several different games were played by all the guests present after which Cindy opened her birthday gifts.

The Thanksgiving motif was carried out with turkey ice cream being served. The cake was decorated in white and pink with two pink candles. Yellow chrysanthemums were also used for table decorations.

Those present were Sherril Jetton, Ronald Reynolds, Larry Jo Reynolds, Terry Patterson, Art Smith, Sandra and Ginger Montgomery, Gail and Mickey Joe King, Rita Ann Blacklock, Myra Jo Gafford, Jo Ann and Sue Gunn and Francie Warren.

Mr. and Mrs. Jeff Bowden of Wichita Falls spent the week end here with Jeff's parents, Mr. and Mrs. J. O. Bowden, and with other relatives and friends.

**CARD OF THANKS**

We are indeed grateful to our many friends and neighbors for everything which was done for us during the long period of illness and at the death of our loved one, Mrs. W. H. Walling.

Especially do we thank the blood donors who prolonged her life and the good women who brought food in the hour of our sorrow. Every word of comfort, deed of kindness, and every floral offering were deeply appreciated, and we pray God's richest blessings on you all.

W. W. Walling and children.

**Clarence Searcey, Etta Jean Oman Marry Saturday**

Miss Etta Jean Oman of Weinert became the bride of Mr. Clarence E. Searcey of Munday last Saturday evening, November 5th, at 6 o'clock in the Weinert Baptist Church. The Rev. Max Copeland, pastor, officiated in the double ring ceremony.

The couple exchanged marriage vows before an arrangement of white chrysanthemums and greenery and cathedral tapers in floor candleabras.

Mrs. Connor Horton, pianist, played the bridal chorus from "Lohengrin" and Mendelssohn's "Wedding March".

The bride was lovely in a street length dress of blue beige wool jersey with fitted bodice and high neckline, studded with rhinestones. She wore navy accessories and an arrangement of split orchid carnations in her hair and carried a white Bible, topped with a yellow rose buds.

Mrs. W. E. Dutton, sister of the bride, of Vernon, served as matron of honor. She wore a plum crepe dress with a draped neckline with self covered buttons to the waist line in front with a fitted bodice. Her corsage was of yellow rose buds.

Mr. Fred Searcey of Munday, brother of the bridegroom, served as best man.

Immediately following the ceremony, a reception was held in the home of the bride's parents. Decorations in baskets of white mums, snapdragons and carnations were used throughout the home. The bride's table was covered with a handmade linen cloth from Belgium and an arrangement of small white carnations encircled the crystal punch bowl. The bride's cake was decorated with a miniature bride and groom and was served by Mrs. Betty Oats of Haskell and Mrs. Gene Brown of Munday presided in the room where the many lovely gifts were on display.

Guests were present from Seymour, Dallas and Goree.

Mrs. Searcey is the daughter of Mr. and Mrs. Frank Oman of Weinert. She is a graduate of the Weinert high school. Mr. Searcey is the son of Mr. and Mrs. A. M. Searcey of Munday and attended the Munday schools.

For her traveling frock, the bride chose a menswear suit with navy accessories and wore her orchid as a shoulder corsage.

After a wedding trip to San Antonio and points in Old Mexico, the couple will make their home in Munday where Mr. Searcey is engaged in farming.

**Sunset H. D. Club Has Achievement Day Program On Thursday**

The Sunset Home Demonstration Club had their achievement day party Thursday, November 3rd, in the home of Mrs. Joe Voss with the Knox City club as guests.

The recreational hour was led by Mrs. Roe Myers and Mrs. Jerry Nix. After the entertainment the guests saw the club's year work that was on display.

Refreshments of cheese and pimiento roll sandwiches, pumpkin pie with whipped cream, coffee and cheetos were served to the following guests: Mrs. Lena McGee, Mrs. Lula Harvorous, Mrs. Oleta Fitzgerald, Mrs. P. C. Lowrey, Mrs. Bobby Simpson, Mrs. Troy Lindsey, Mrs. W. T. Ford, Miss Eugenia Butler, Miss Neida Jo Hindman, Miss Betty Yost, and the Sunset club ladies: Mrs. Roe Myers, Mrs. R. C. Partridge, Mrs. Weldon Floyd, Mrs. Jerry Nix, Mrs. Jessie Yost, Mrs. Gill Wyatt, Mrs. Virgil Yost, Mrs. J. S. Shannon, and Mrs. Joe Voss.

The next meeting will be Thursday, November 17th, at the Sunset School house.

**Goree Bible Study Meets In Home Of Mrs. Clyde Taylor**

Paul's writings of First and Second Thessalonians was the portion of the bible studied by the Goree Bible Study Class on Monday evening, November 7, when the class met in the home of Mrs. Clyde Taylor. Mrs. Orb Coffman led the study in a most interesting way.

Mrs. Reuben Bates, president, presided during the business session. The group sang "Lord I Want To Be A Christian", after which Mrs. Allgood led in prayer.

A delicious refreshment plate was served to Mmes. Les Jamison, Clarence Powell, Buster Coffman, Walter Coffman, Billie Hutchens, Reuben Bates, Estill Tibbets, S. Y. Allgood and the hostess, Mrs. Taylor.

The next meeting will be in the home of Mrs. Walter Coffman on November 21. First and Second Timothy and Titus will be studied. Visitors and new members are welcomed.

**Hefner H. D. Club Host To Munday Club On Tuesday**

The Hefner Home Demonstration Club was hostess to the Munday club with an achievement day party on Tuesday, November 1, in the home of Mrs. Billie Hutchens. Mrs. J. T. Murdock led in the playing of several games.

Mrs. Hutchens reported on work done as living room demonstrator, including painting of woodwork, refinishing floor around rug, removing old finish and varnishing piano and coffee table, recovering one chair and re-tieing and recovering one chair.

The group reviewed various crochet and handwork, quilt tops and novelty gifts, after which Mrs. Hutchens gave a demonstration on making a carnation corsage out of cleaning tissues.

Refreshments were served to Mmes. J. B. Graham, Buel Claiburn, J. C. Gollehon, Nora Broach, G. L. Pruitt, Joe Patterson, Bill, Morris, J. R. King, Louis Cartwright, Walter Mooney, Ben

Holder, E. J. Jones, Clyde Warren, J. T. Murdock, George Weber, Billie Hutchens, Miss Eugenia Butler, H. D. agent, and Miss Neida Jo Hindman, assistant agent.

**Benjamin Club Meets Friday For Achievement Day**

The Benjamin Home Demonstration Club women were hostesses to the members of the Sunset Home Demonstration Club for their "Achievement Day Party", which was held on Friday, November 4, at the club room.

The program for the afternoon was a book review given by Mrs. Doyle Pyatt. The book "Dr. Saracol", was given beautifully, and everyone enjoyed it very much.

The purpose of the Achievement Party was to show the work done by the club ladies during the past year. The club had very attractive displays of the different phases of work, which has been done in the county during the past year. One of the displays, which was especially attractive, was the different kinds of vegetables grown and canned

by Mrs. J. W. Melton. An attractive salad plate with coffee was served to the twenty-four guests and club members which follow: Guest of the Sunset Club: Mrs. Roscoe Partridge, Mrs. Jerry Nix, Mrs. Gill Wyatt and Mrs. Myers.

Members of the Club: Mrs. J. W. Melton, Mrs. Lee Snallum, Mrs. Louis Parker, Mrs. Henry Duke, Mrs. J. R. Steedman, Mrs. Grady Hudson, Mrs. Earl Sams,

Mrs. Doyle Pyatt, Mrs. J. C. Patterson, Mrs. R. B. Benson and Mrs. Myrtle Meinzer; and Miss Eugenia Butler, Home Demonstration Agent, and Miss Neida Jo Hindman, Assistant Agent-in-training.

Mrs. H. R. Hicks is visiting in Dallas and Paris this week. Mr. Hicks will return mfgwyp mfw Hicks will go to Paris next Saturday, and Mrs. Hicks will return home with him Sunday.

Mr. and Mrs. J. E. Reeves, Jr., of Lubbock spent the week end here with their parents, Mr. and Mrs. J. E. Reeves and Mr. and Mrs. R. D. Atkelson.

**CHILDREN...**

*We Want Your PICTURES!*

Don't forget our invitation to have your pictures taken and published in this newspaper. Remind your parents it costs them nothing!

The Wolts Studios, nationally known children's photographers for newspapers, will take your pictures expressly for publication in a new feature titled "CHILDREN OF TOMORROW."

Remind your parents, too, that nothing need be submitted to; they do not even have to be a reader of this paper. There is no obligation of any kind! Every youngster in this trading area is eligible. There is no age limit. Extra prints may be obtained by arranging with the studio representative when the pose for publication is selected; but this, too, is entirely up to your parents.

Clippings of these pictures will become treasured memories of childhood, so be sure to call on our photographer during the time mentioned below. We do not want a single local youngster to be disappointed. Appointments are NOT necessary, but one of your parents or another adult must accompany you.

Below is the time and place to have your pictures taken without cost!

In some circles of so-called higher learning, it is considered a mark of inferior ability and attainment to read the Bible. Yet among the readers of the Bible, in all ages, have been some of the ablest leaders and most brilliant minds. Note the following: Theodore Roosevelt: To every man who faces life with real desire to do his part in everything, I appeal for a study of the Bible. Martin Luther: Holy Scripture is a sweetscented herb, and the more you rub it, the more it emits its fragrance. John Wesley: O give me that Book! At any price, give me that Book of God. Here is knowledge enough for me. Let me be a man of one Book. Come and study the Bible with us each Sunday, 10:00 a. m.-6:15 p. m., Wednesday 7:15 p. m. "No man hath come to me except the Father which hath sent me draw him: and I will raise him up at the last day. It is written in the prophets, And they shall be all taught of God. Every man therefore that hath heard, and learned of the Father, cometh unto me." (John 6:44, 45.) D. L. ASHLEY, Minister

**Activities Of The Colored People**

Last Sunday will long be remembered by the members of West Beulah Church of which Rev. J. A. Washington is pastor. The pastor worked untiringly and his efforts were well rewarded in the success of the program.

The P.-T. A. took advantage of the occasion and sold dinners. Those who assisted in the preparation and serving were: Mrs. Bessie Warren, Mrs. Elnora Hendricks and Mrs. Dolly Jones. To those who baked the pies and contributed in any way, we express our appreciation.

We paid \$17 in dues last Thursday night in our regular P.T.A. meeting. This amount made the last payment on our range. \$23.88 was made on the sale of dinners of which \$21.00 was paid on our new kitchen linoleum, leaving the small balance of \$3.00.

Mr. and Mrs. Houston McCarty of Nara Vista, New Mexico, came in the first of the week for a visit of this week gkqjbgkqjgkqj visit with relatives and friends here.

Lee Haymes returned home last Sunday after a few days visit in Dallas and Irving.

**Westinghouse Electric Comforter**  
with the Automatic Watchman Control  
*The last word in Sleep Luxury*

BECAUSE they are snugly covered with a lush, soft, lightweight Westinghouse Electric Comforter... the bedcovering for warmth without weight. This one Comforter is all that's ever needed even on the coldest night. Once the Automatic Watchman Control has been set it maintains the selected warmth the whole night through regardless of changes in room temperature.

Comforter top is of quilted rayon satin, in Rose, Blue, or Green with matching underside of nonslip spun rayon faille that anchors the Comforter to the bed. Outer cover dry-cleans beautifully... Inner warming sheet of preshrunk muslin is easily removable for washing.

Approved by Underwriters' Laboratories, Inc. 72" x 86" allows for ample tuck-in. Mothproof, too.

**West Texas Utilities Company**

Don't slip off the bed. Electrically spun rayon faille clings to the sheet.

Makes bed-making easy... feel only one bedcovering! No spread needed!

Rayon satin shall rise off for dry cleaning! Inner warming sheet can be washed.

For additional information concerning the Electric Comforter see your local dealer or any West Texas Utilities Co. employee.

**DAIRY COWS NEED SIX WEEKS REST, GOOD RATION BETWEEN DRY PERIODS**

**DAIRY COW NEED A REST**—A dairy cow needs a six to eight weeks rest and a good ration during the dry period to produce well during the next lactation and to produce a strong healthy calf.

The dry cow has three important jobs to do, says A. M. Meekma, assistant extension dairy husbandman of Texas A. & M. College. She must recover from a heavy milk producing period, build a calf and store up reserves for the next milking period. How well she does these jobs depends upon how well she is fed during the dry period.

During heavy peak production, a good cow will deplete her body reserves, lower production during the next lactation period will

result. The health and condition of the calf will also be affected.

The problem of feeding the dry cow is practically solved if she has access to good pasture. If good pasture isn't available, hay and silage should be fed liberally, says Meekma. The amount of grain to feed will depend upon the condition of the cow, but generally it is practical to feed the same grain mix to the dry cows as is fed to the milking

herd. Every dollar that is put into a good, dry cow ration is a wise investment, says Meekma. A cow that is well fed and cared for during the dry period will often produce as much as 25 per cent more milk during the next lactation.  
The juice from pickled fruits, such as crabapples, peaches and pears can be used to baste smoked ham.

## LOOPHOLES in the Law

By WILL WILSON

Past President, Texas District  
and County Attorneys Association

(Editor's Note: This is one of a series of short case histories, all taken from court records, showing how legal loopholes often enable criminals to escape punishment in Texas. Will Wilson, of Dallas, is chairman of a special steering committee of the State Bar, which is working for revision of the antiquated Criminal Code and Code of Criminal Procedure in order to eliminate these loopholes.)

John Smith saw Joe Brown steal his watch. He had Brown arrested and the watch was found in his pocket. Smith told the officers that he had paid \$49.50 for the watch, and misde-

meanor charges of theft were filed against Brown.

When the case was tried in the county criminal court, Smith said he had made one slight mistake. He actually paid \$50 for the watch instead of \$49.50. Since it was new when stolen, it was considered worth the purchase price of \$50. Smith was a convincing witness and, after all he had actually witnessed the theft, so Brown was promptly convicted.

Upon appeal the case was reversed. The higher court held that the theft of a watch valued at \$50 constituted a felonious, rather than a misdemeanor theft.

Thus the county criminal court lacked jurisdiction over the case. There was no question about Brown's guilt, but he was given a new trial simply because the watch was valued at fifty cents more than it was originally said to be worth.

Such delays in punishing criminals, made possible by legal technicalities, hamper justice and encourage crime. Proper revision of Texas' criminal statutes, as advocated by the State Bar, would eliminate such technicalities.

Be careful. Observe state and local traffic laws.

## RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. ## Range Management Team

### Range Management Pays Dividends In Menard County

Range management means something to Mr. Irb McWilliams, Menard county ranchman and his interest came as a result of his son's 4-H club work. The son, M. D., for several years has made an outstanding record with his 4-H livestock and lately he has developed into a top judge of grass. Together, according to Menard county agent R. E. Nolan, they have put into practice what they learned.

"Until my son got me to thinking about the different grasses, I thought grass was grass," says McWilliams. "He convinced me that the rating of grasses into good, fair and poor classifications really means something. Together we looked over our range and concluded that there were not very many of the good grasses present. Then we asked ourselves the question: 'Why don't we have more of the good grasses on the range?' and we figured I had been overstocking and some of the range needed a rest."

McWilliams recently gave county agent Nolan the figures covering the results of the deferred grazing demonstration and it paid off. One 640-acre pasture was grazed continuously from June to October in 1947, and was then stocked with 30 head of cattle and 225 head yearling sheep. The sheep were sold in June, 1948, and their average weight was 74 pounds per head.

This same pasture was rested from June 1948 to October 1948 and beginning in October the same number of cattle and yearling sheep were grazed as in the previous year. In June 1949, the sheep were sold and their average weight was 87 pounds per head. Here are the payoff figures. McWilliams reported to county agent Nolan that he actually produced 2,925 more pounds of

mutton from this 640-acre pasture by deferring it for a 5 month period during the growing season than he did when it was grazed continuously. He also noticed that the yearlings sheared about one more pound of wool per head in June 1949 than in 1948.

According to Nolan, rancher McWilliams is thoroughly convinced that the total pounds of mutton and wool produced is more important than the number of head grazed on a given area. He is planning to build cross fences so that he can practice deferred grazing on more of his pastures.

H. E. Williams of Stamford was a visitor in Munday last Monday.

# FARM PROGRAM NEWS

From the County PMA Committee

## PMA COMMITTEEMEN ELECTIONS

Ballots listing the names of nominees for community Production and Marketing Administration Committeemen and delegates to the county convention which selects the county PMA committee were mailed Nov. 9, to all known eligible voters in Knox County.

Mr. Partridge, present county PMA committee chairman, urges that voters mark their ballots and return them to the county office Thursday, November 17th, 1949. On Friday, November 18th polling places in each community will be open from 8:00 A. M. to 5 P. M. for those who do not vote by mail. Nominees were selected earlier by nominating committees composed of three eligible voters from each community. Mr. Partridge explains. Voters may "write-in" names of other eligible persons on the ballot, however Election to each position will be by plurality vote. The duties of farmer-committee-

men include recommending programs, action, determining acreage allotments, and otherwise administering Federal farm programs, choosing conservation practices for which Federal assistance is offered in Knox county; allocating among farmers the funds available for meeting agricultural conservation needs; and handling price-support operations including commodity loans and purchases.

### ARE WE USING UP OUR FARMS?

How long before we are down to our last half inch of topsoil? asks Mr. Partridge, chairman of the Knox County Production and Marketing Administration Committee. He points out that too much of our farmland already has been used up, the top soil gone and only the hard sterile subsoil left—and to much is becoming less and less productive. The question is important to the farmer but even more important to the Nation, says the chairman. It is because of the national in-

terest in keeping the land productive that Congress has provided the Agricultural Conservation Program, he explains. The purpose is to help farmers financially to build up their farms so that the people of the county can continue to have the needed food and fiber.

"The financial assistance," he explains, "is an incentive to encourage farmers to carry out needed conservation practices. It is the needed spark to get the job done. Not infrequently the immediate returns from conservation practices and the farming system that go with them are not as great as when the land is exploited, and the conservation payments help to make up the difference. The consequences of exploiting, of course, are inevitable as soil structure breaks down, erosion takes its toll, and fertility declines. In the end the acres may be there but the farm is gone."

To illustrate how the program operates the chairman points out that the conservation practices in the program are adapted to local needs. Here in Knox County two of the main conservation needs is terraces and legumes. Farmers who have carried out this practice have demonstrated conclusively its value in checking erosion and building up productivity.

Rev. ad Mrs. L. V. Howard of Denair, Calif. are visiting Rev. Howard's sister, Mrs. Frank Nance and family this week.

## Uncle Sam Says

Thousands of farmers and ranchers all over America are making certain today that their future will be bright and promising by continuing to invest all they can in U. S. Savings Bonds. They realize that this is the safest, surest way to build that financial reserve so necessary to the successful management of a ranch or farm—to provide new buildings, to finance repairs and improvements, to purchase additional livestock and equipment, and to insure a future income on which to retire. Every \$75 planted in U. S. Savings Bonds today will grow, in just ten years, into \$100. U. S. Treasury Department

## Kracker Krums

(Continued from Page One)

pony-aggie game. We had miscalculated the ability of the boys from Aggie land, but so had lots of people, including the Mustangs.

That 27 to 27 tie was an upset of the entire conference.

But that won't effect this year's cotton crop, or alter the fact that lots of bolls are being pulled and lots yet to be pulled, and the gins running full blast day and night, Sunday and all, and not being able to catch up.

And if you want us to make a touchdown in that note-paying department, come on in and renew up your subscription. Turn back over there to the front page, right now, and look at the date just to the right of your name. Isn't it time you was helping out on that note? We hope so.

Be careful. Observe state and local traffic laws.

## Obituary Of Mrs. W. H. Walling

Ida Partridge Walling was born August 26, 1885, to James and Rachel Partridge in Johnson County, Texas. She moved to Knox County, Texas, with her parents in 1889.

She was married to Wade H. Walling in September, 1900. To this union were born 14 children, four of whom died in infancy.

Mrs. Walling is survived by her husband, of the home address, ten children, five sons and five daughters:

Robert Walling, Wichita Falls; Reginald Walling, Munday; Mrs. Elois Russell, Hale Center; Ishmael Walling, Stillwater, Okla.; Mrs. Beatrice Russell, Knox City, J. C. Walling, Wichita Falls; Mrs. Ida Lou Lawson, Burkburnett; Mrs. Rachel Sprull, Munday; Miss Frances Walling, El Paso; and J. B. Walling, Wichita Falls. There were also 21 grandchildren, 19 of whom survive Mrs. Walling, and four great grandchildren.

Mrs. Walling is also survived by two brothers Emmett and Roscoe Partridge, and one sister, Mrs. Ola McCarty, all of Munday.

Mrs. Walling started out in the Methodist Church at the age of 14, but joined the Presbyterian Church in order to be affiliated with the same church as her husband.

Mrs. Walling passed away at 1:25 p. m., Friday, November 1, in the Baylor University Hospital in Dallas, Texas, after more than four months of extended illness.

Mrs. Victor Zagarola and little son returned to their home in Jersey City, N. J., last Thursday after spending several weeks here visiting in the home of her parents, Mr. and Mrs. C. C. Jones.

Mr and Mrs. Billy Arthur Lee and Linda and Mrs. Erna Mae Lee of Wichita Falls visited in the home of Mr. and Mrs. John Spann awhile last Sunday.

Mr. and Mrs. M. L. Barnard left Monday for points in Oklahoma where Mr. Barnard is deer hunting and Mrs. Barnard is visiting relatives.

Using both hands will work wonders in cutting down the actual time required for doing household and farm chores. Practice makes for perfection.

S. A. Mitchell and Mr. Guinn N. A. Chastian left last week of the Seymour office of Lone Star Gas Co. were business visitors here on Tuesday. Memphis for their annual deer hunt in the Davis Mountains.
