VOLUME 45

MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, FEBRUARY 23, 1950

NO. 30

Kracker KrumbS

The boys are talking about it. The men are talking about it. They are making plans with enthusiasm. It looks like it might go over this time.

And a good live-wire Boy Scout organization here would be a wonderful thing for the boys of Munday.

The boys are interested and if enough leaders and parents remain interested, it will mean a live-wire organization. Bob House, field executive, is giving lots of his time to completing the organization here.

A rejuvenated American Legion post is showing lots of interest and these leaders have taken upon themselves the responsibility of sponsoring the Boy Scouts.

The new set-up has such local leaders as Don L. Ratliff scout master for Boy Scouts, those boys 11 through 13 years of age.

Alonzo Cartwright is master of the troop and senior scouts, known as the explorer scouts. These are boys 14 years of age and over.

Then there are such assistants as E. L. Goolsby, Worth Gafford, who heads the troop committee, and Boyd Meers, who heads the explorer group.

The Boy Scouts are those who are new in Scouting. They will take up Scouting from the beginning and receive valuable training.

The explorer group are in reality senior scouts, and their training will also be along the lines of developing citizenship.

There are other good men getting in line, too. There's Mark Wadzeck as institutional representative, and Clay F. Grove, as council director.

The camping committee is composed of Doris Dickerson, Boyd Meers, Russell Penick, Dwight Key, Elmer Cude, and Alonzo Cartwright.

These men spent Saturday at Lake Kemp at the Seymour Boy Scout cabin, taking a one-day training in their work under the direction of Mr. House.

Gene Harrell is finance chairman; W. R. Moore, Jr., and Bully Ratliff, in charge of advancement; and the krumbler is listed along with Charles Baker and Chan Hughes for public relations and activities, whatever that is.

Scouts are meeting on Monday nights, now, and registration started last Monday night. Soon, it is hoped, the new 1950 charter will be granted, and things will begin moving along.

It's one of the most promising set-ups we've had for Boy Scouts in quite some time, and it looks like something is going to be accomplished.

The boys as Scoutmaster and leaders are ready to go; lots of the boys of Boy Scout age are ready to go. The interest and backing of parents and others will help.

One group meets at the Boy Scout hut, the other meets at the American Legion hall.

Of interest, too, is the plan to send one Scout and maybe two, to the World Scout Jamboree at Valley Forge, Pa., the latter part of June.

Under the plan, the local Boy Scout organization puts up \$100 to send a Scout to this event. The Scout himself must match this amount, making the necessary amount of dough for the week's encampment.

A sort of contest will likely be held to determine the boy, or boys, to make this trip and mix and mingle with Scouts from all over the world for a week. Side trips of one day each are being planned to New York City, Washington, D. C., and Philadelphia.

It will be educational for the boys making the trip, and he will

Knox County Hospital Notes

Patients dismissed from Knox County Hospital since last Tuesday, Feb. 13th:

Betsy West, Benjamin; Burton Elmore, O'Brien; Mrs. C. E. Howeth, Munday; Earl Sams, Benjamin; Mrs. Joe Davis, O'Brien; Davis Baby Boy; M. D. Allcock, Knox City; S. E. Strickland, Rochester; Nancy Boyd (negro) Knox City; Mrs. Frank Salmon, Rochester; Jerry Qualls, Munday; Bernice Stubblefield, Munday; Juanita Garcia, Munday; Baby Boy; Hayard West (negro) Munday; Mrs. Howard Capps, Benjamin; Mrs. Jack Freeman, Munday; Lucius B. Adams (negro), Munday; Joe Lowe, Munday; T. L. Belcher, Munday; Mrs. Frank Karenek, Munday; Karenek Baby Boy; Kenneth Russell, Munday; Mrs. James Swearingen (negro) O'Brien; Swearingen Baby Boy; V. B. Bowman, Weinert; Mamie Huntsman, Rochester; Jim Hackney, Knox City; Mickey Dean Leach, Knox City; Maurice Willis (negro) Munday; Sandra Stubblefield, Munday; Mrs. George Reidenback, Munday; A. P. Nunley, Munday; Jack Wayne Peterson, Weinert; Gay Bartell, O'Brien; Margaret Ann Chafin, Knox City; Mrs. W. C. Graham, Aspermont; Mrs. Fred Graham, Aspermont; Homer Lain, Munday; Mrs. Homer Lain, Munday; Ted Lain, Munday; O. R. Miller, Gilliland; Nina Shipman, Benjamin; Skippy Lane, Munday; Mrs. A. F. Barone, Knox City; Mrs. Albert Russell, O'Brien; Alie Whitlaw, Munday; Manuela Rivas, Knox City; Clarence Peck, Munday.

Patients admitted to Knox County Hospital since last Tuesday, Feb. 13:

Mrs. T. O. Carter; Wade House, Benjamin; W. A. Harris, Goree; Mrs. E. Q. Jamison, Knox City; Mrs. John T. Davis, Jr., Throckmorton; June Hudson, Knox City; J. A. Pinkerton, Rochester; Mrs. Chester Pogue, Truscott; Mrs. K. J. Wright, Rochester; Mrs. Wade House, Benjamin; Mrs. Jack Hardin, Truscott; Mrs. M. Bradberry, Knox City; Mrs. E. J. Corley, Rochester; Mrs. Frankie Tennison, Benjamin; Mrs. Mary E. Parham, Seymour; Daniel Mendez, Munady; Sarah Sumpter, Knox City; Baby Howard, (negro), Rochester.

BIRTHS
Davis Baby Girl, Throckmorton
Reidenback Baby Boy, Munday
Tennison Baby Girl, Benjamin.

Butler Enlists In Marine Corps

Marine Master Sergeant Albert Tidwell, Non-Commissioned Officer in Charge of the Wichita Falls Marine Corps Recruiting station, announced that Roy T. Butler of Route 1, was enlisted in the U. S. Marine Corps at Dallas on the 14th of February. Roy is the son of Mr. and Mrs. E. L. Butler. Mr. and Mrs. Butler lost one son in the Marine Corps during World War II in the Iwo Jima battle.

Young Butler now known as Private Butler was transferred to the Marine Corps Recruit Depot, San Diego, California for his boot camp training.

SUNDAY SERVICES AT PRESBYTERIAN CHURCH

Morning services will be held at the First Presbyterian Church in Munday on Sunday, February 26, it was announced this week. Rev. B. K. Tenney of Fort Worth, superintendent of home missions, will be the speaker. Services are scheduled for the eleven o'clock hour.

Mr. and Mrs. Clifton Vaughn and children visited in the home of Mr. and Mrs. Sam Beavers Seymour last Sunday.

Munday High School Favorites

VIRGINIA THORNE

SUE HALLMARK

PATSY MORROW

SCOTTY PONDER

Pictured above are Munday High School favorites whose pictures will appear in the 1950 high school annual.

Miss Virginia Thorne, niece of Minister and Mrs. D. L. Ashley and a junior, was chosen by the faculty and student body as the most friendly girl. Miss Sue Hallmark was chosen as the most beautiful girl in high school. She is the daughter of Mr. and Mrs. M. C. Hallmark. Most popular girl is Miss Patsy Morrow, a senior, and the daughter of Mrs. Freddie Morrow.

Chosen as most popular boy was Scotty Ponder, son of Mr. and Mrs. E. R. Ponder. He is a senior in high school.

Boyd Baker Enters U. S. Air Forces

Boyd L. Baker, son of Mr. and Mrs. J. L. Baker, of Munday, Texas, recently enlisted in the U. S. Air Force for a period of four years, announced Sgt. Joe V. Harris, Recruiting Sergeant for this area.

Pvt. Baker was processed at the Abilene Main Station and will be sent to Lackland Air Force Base for indoctrination. His brother, Sgt. Doyle R. Baker, USAF, is currently stationed at Fort Worth, Texas.

SWEETHEART CLIFF AT BRIAR CLIFF BALL TO TEXAS STUDENT

Miss LaVern Albus of Munday was revealed as the Queen of Hearts of Briar Cliff college, Sioux City, Iowa, at the annual sweetheart ball held in the college dining hall recently.

Miss Albus, who was elected by a secret vote of the students, was attended by the Misses Barbara Cosgrove, Betty Solmon and Kay Weisser, all of Sioux City; Theodora Todoroff of Omaha; Ellen Marie McCourt of Bloomfield, Neb., and Ellen Chase of Sheldon, Ia.

Boys Warned About Entering City Hall

Members of the Munday Volunteer Fire Department have complained about boys entering the fire hall and damaging the property there.

Warning is given that anyone caught in the act of entering the fire hall without authority or permission will be prosecuted.

County-Wide Legion Meet Set March 3rd

It was announced this week that a county-wide Legion meet will be held in the Legion hall in Knox City on Friday, March 3rd. The meeting is scheduled to begin at 7:30 p. m.

Tom Wheeler of Vernon, who is commander for the Thirteenth district, will be speaker for the evening. All World War I and II veterans are invited to attend even if they aren't a member of the Legion.

A feed will also be served on this occasion.

Mrs. J. C. Newsom Is Buried Here Last Sunday

Mrs. J. C. Newsom, beloved Knox County pioneer who came to Northwest Texas in a covered wagon before the turn of the century, passed away at 4 a. m. Saturday, February 18, at the home of a foster daughter, Mrs. O. W. Cybert of Wichita Falls.

Mrs. Newsom resided in Munday for many years, going to Wichita Falls about a year ago.

Amanda Jane Newsom was born November 13, 1868, in Little Rock, Arkansas, and was 81 years, 3 months and 5 days of age. She had been a member of the Methodist Church for many years.

Surviving her are two daughters, Mrs. W. A. Bolling of Wichita Falls, Mrs. Clyde Warren of Goree; a son, Carl Newsom of Fort Worth; two foster daughters, Mrs. Edwin Mitchell of Fort Worth and Mrs. Cybert of Wichita Falls; a nephew, Dr. R. L. Newsom of Munday; six grandchildren and seven great grandchildren.

Funeral services were held from the First Methodist Church in Goree at 2:30 o'clock last Sunday afternoon, being conducted by Rev. J. R. Bateman of Munday who was assisted by Rev. S. Y. Allgood, Methodist pastor at Goree, and Rev. S. E. Stevenson, pastor of the Goree Baptist Church.

The body was laid to rest in Johnson Memorial Cemetery at Munday, with the Mahan Funeral Home in charge of arrangements.

Pallbearers were Coleman Tomlinson of Wichita Falls, J. C. Borden, Melvin Strickland, A. B. Warren, Ira Staleup, and Elkin Warren, both of Goree.

Mrs. Isbell Anderson of Gilmer is here visiting in the home of her son and family, Dr. and Mrs. J. M. Croley and son, John, this week.

Be careful. Observe state and local traffic laws.

County's Red Cross Workers Are Announced

Knox County's workers for the annual Red Cross membership drive in each community were announced Tuesday by County Judge J. B. Eubank, Jr., of Benjamin, who is the county fund chairman for the 1950 drive.

The annual drive will begin on Wednesday, March 1, it was stated, and Knox county's quota this year is \$1,568.00. The county is expected to meet this quota in the same splendid manner in which it has "gone over the top" in the past.

Community chairmen are as follows:

Munday, Mrs. H. A. Pendleton; Knox City, Mrs. Joe Averett; Goree, Mrs. V. M. Reeves; Benjamin, Mrs. Doyle Pyatt; Vera, J. J. Collier; Truscott, Mrs. V. M. Browning; Gilliland, Mrs. Arthur Horne; Rhineland, August Schumacher, and Hefner, Mrs. Hamp Jones.

Cobb's Holding Close-Out Sale

Closing out all of the Baker-McCart stock in order to replace it with brand new merchandise, Cobb's Department Store this week announces a big close-out sale which opened at the local store on Thursday morning.

"Lots of this merchandise is going at cost and below cost," said E. E. King, manager of the store. "Although we found a clean stock of merchandise in purchasing the Baker-McCart Store, much of it was what we termed 'labeled' goods—that bearing the Baker-McCart label—and we want to replace it with goods bearing our own name."

"We think you will find the greatest savings here you've seen in years," he continued, "and we invite you to visit our store during this sale."

Benjamin Courtroom Jammed By Group To Discuss Youth Problems

Around 300 interested persons packed the district court room at Benjamin Wednesday night to talk over problems facing the parents of today. It was called the School and Home Behavior Clinic, the first of its kind in this area, and was sponsored by the Benjamin Parent-Teacher Association.

For the session an impressive group of speakers were imported, men who are experts in various phases of work dealing with juveniles.

Judge Lewis Williams presided and J. R. Steedman, Benjamin schools superintendent, and Ed Bateman, Sr., local ranchman, were general supervisors for the affair.

Dr. D. C. Elland, Munday, Knox County health officer, spoke on "Psychology and Health as Related to School Life." He urged compulsory vaccination.

"All calves are vaccinated in this county, so why not our kids?" he suggested.

Another suggestion he made was care of rheumatic fever to prevent heart trouble in later years.

C. G. Conner, inspector of the State Highway Patrol, spoke on "Prevention of Traffic Accidents." He said that one person out of every family of six would be in the hospital inside of ten

(Continued on Last Page)

Observe 50th Wedding Anniversary

Pictured above are Mr. and Mrs. S. J. Warren as they observed their Golden Wedding Anniversary on Sunday, February 5, at their home near Munday.

This pioneer couple had many friends call during the open house hours of observance, and all of their children were present to help them celebrate the occasion.

Knox Pioneer Dies On Monday At Benjamin

I. T. Wright, 84, pioneer resident of Knox County, passed away at about 11 a. m. Monday at his home in Benjamin. He had been ill for the past four years.

Mr. Wright came to Knox County in 1885 and he founded the Knox County Abstract Co. in Knox City early in the 1890s. When he first moved to the county he worked as a cowboy on the old J. F. Ranch.

He served the county as tax assessor and collector for two terms.

Surviving him are his widow; two daughters, Mrs. W. C. Sharp of Dallas, and Mrs. Tom Caulfield of Waco; one grandson, Thomas H. Caulfield, a student in Boston, Mass.; one brother, Olen Wright of Mineral Wells, and one sister, Mrs. Lillie Knight of Jal, N. M.

A son, Parks Wright, died in 1936.

Funeral services were held at 2 p. m. Tuesday in the county assembly room in the Knox County courthouse at Benjamin. Rev. J. W. Price, pastor of the Knox City Methodist Church, officiated being assisted by Rev. Digby, pastor of the Knox City Christian Church. Burial was in the Benjamin cemetery under the direction of the Warren Funeral Home.

Local Boys Do Photography Of Free Lance Type

It's a hobby that may come around to paying dividends in a pretty big way. And one thing in their favor is the fact that there's no commercial business here to compete with their hobby.

Anyway, three local boys have gone in for photography as a hobby, and they've already advanced to the stage of doing photography on a free lance basis.

For more than a year, Chan Hughes has been flashing the bulbs on his camera, taking pictures of local interest, and he's had several reproduced in daily papers.

Then, Charles Baker secured a camera and started into this hobby in a pretty big way. He talked his uncle, Roy Baker, out of some equipment including dark room equipment, and carried on experiments for some time.

Someone got Paul Pendleton interested, too, and Paul is piddling around the dark room when he has some spare time. Chan also has some dark room equipment, and these boys are prepared to turn out some right creditable pictures on short notice.

They're listing themselves as Chan Hughes, Charles Baker, and Paul Pendleton, free lance photographers, and chances are they're going to go a long way in meeting a need in Munday—the need of photography—pictures of individual group meetings, interesting scenes, etc.

H. L. Butlers Home From Enjoyable Trip

Mr. and Mrs. Hervey L. Butler recently returned from a very enjoyable trip made possible by their son, Randall Butler, who is associated with the American Air Lines.

It seems that each year complimentary trips are given certain employees to take their families with them and since Randall is unmarried, he chose to take his father and mother. They met him in Dallas where they boarded the plane for the two weeks of sight-seeing. They went to Chicago and New York, making a number of side trips and also visited a brother of Mrs. Butler's in Hazetown, Pa.

Mrs. Butler jokingly stated that if she could manage to keep her son single, they might look forward to another wonderful trip next year.

Mr. and Mrs. J. D. McStay and son of Vernon spent one day last week visiting here in the home of Mrs. S. E. McStay.

OUR NEEDS FOR 1950

1. Completion of our portion of the Throckmorton road, giving the farmers of that area an all-weather outlet.
2. A farm-to-market road to the north and east of Munday, possibly connecting with the Hefner road.
3. A U. S. Federal building. Munday needs a new post office home.
4. More homes in Munday. We did a good job in 1949, but there's still a housing shortage.
5. A new telephone system, giving the town adequate telephone service and tapping the rural area surrounding the town.
6. Greater cooperation of business man, farmer, and citizen toward long-range development for our community.

THE FBI DOESN'T MAKE POLICY

As a result of evidence in the dramatic communist trials, a great to-do has been made over alleged illegal activities by the FBI, including wire-tapping. This issue, as is to be expected, is being built up by left-wing groups.

However, many honest and sincere people are worried about the possibility of police state methods being adopted here. So the position of the FBI should be clearly understood.

First of all, as J. Edgar Hoover has pointed out wire tapping is not carried on a wholesale scale, as the left-wing comrades would have us believe. It is authorized only in cases of the gravest kind, involving espionage, sabotage and kidnapping. In such cases, it is often the only possible means of developing evidence.

Moreover, as Mr. Hoover also said, the FBI does not make policy in this or anything else. It follows policies laid down by its superiors in the government. The policy on wire tapping was set by the late President Roosevelt in 1940. In each case when the use of a wire tap was under consideration, the authorization of the Attorney General must be obtained before the tap can be utilized by the FBI.

This policy was followed by Attorney Generals Biddle, Jackson and Clark. The latter two are now justices of the Supreme Court. And the policy has been reiterated by the present Attorney General, Mr. McGrath.

According to Mr. Hoover, "The FBI has less than 170 telephone taps in existence, confined to internal security cases, throughout the entire United States and its possessions." The tap, in other words, is employed only in extremely serious cases, which definitely affect the national security, and then only on the authorization of the highest legal officer of the Executive branch of the government.

THE IRON HORSE WORKS HARD

America could not continue to enjoy its fine system of public highways without the service of the railroads on their special highways of steel. That interesting idea was developed recently by Robert S. Henry of the Association of American Railroads.

"Without this basic transportation by rail," he said, "it would not be possible to build and maintain the public highways. Neither would it be possible to build and operate the millions of trucks and motor cars which use them. In a very real sense, therefore, rail transportation is an essential part of transportation by highway."

Mr. Henry went on to point out the contrast between passenger traffic and freight traffic on highways and rail. Intercity passenger movement by private automobiles far exceeds the movement of all the commercial carriers combined—train, plane and bus. However, just the reverse is true of intercity freight traffic. In 1948, for instance, motor trucks, including private as well as for-hire vehicles, hauled intercity freight traffic equivalent to moving 88,000,000 tons for a distance of one mile. That is a lot of freight—but in the same year the railroads moved more than seven times as much. To quote Mr. Henry again, "If America were to undertake to do the railroad freight hauling job on the public highways, there would not be room for the trucks. Neither would there be money in the public treasury to add the roads which would be required, nor resources enough in industry to meet the additional transportation costs involved."

The railroads are the oldest form of transportation, save for ships, now in general use—and they are still the most important by a tremendous margin. Nothing has yet appeared that can wear the iron horse's shoes.

... to most spokesmen for the administration, 'economy' is merely a word to be found in the dictionary.—The New York Sun.

Table manners: When in doubt whether to use the fork or spoon, use the knife and remove all doubt.

It doesn't pay to be so busy doing so many things that you forget what you are supposed to be doing.

Many a person's mind has been closed for years, but not for repairs or alterations.

It is better to be misjudged for a deed of action than for a deed of neglect.

Truth is a good thing, but you should be careful how you handle it.

Uncle Sam Says

The life of Abraham Lincoln, whose birthday anniversary we observe this month, provided an example of hope, courage and thrift which is just as important to you today as ever before. And this applies to all of my nephews and nieces. Together with all of that hope and courage each of you possesses, there must be the respect for thrift. And one of the safe, sure ways of saving is by investing in U. S. Savings Bonds. Each \$3 invested today will bring you \$4 in ten short years. **START SAVING IN 1950 FOR 1960.**

Washington News Letter

By Congressman Ed Gossett

WASHINGTON, D. C., Feb. 18 —Those of us who have been fighting FEPC seem about at our row's end, insofar as House action goes. The FEPC bill, of which Negro Congressman, Adam Clayton Powell, of New York, is the author, is scheduled to come up in the House on Wednesday of next week. The first FEPC bill was authored by Mr. Vito Marcantino of New York City. Mr. Marcantino registers in the Congress as belonging to the American Labor Party, and he has often been accused of following the Communist Party line although he biterly denies that he is a Communist. The tragedy of this situation seems to be that a majority of the members of the House will vote for FEPC purely on political considerations. They claim they must get the votes of the Negroes and other left wing groups in their congressional districts. If a secret vote were taken in the House, FEPC would not get more than 25 votes. However, on a roll call it will pass.

We have heretofore remarked on how well Negroes are treated in the City of Washington. Announcement was made this week that in the Washington public schools, more than 1000 white children now attend school on a part-time basis because of crowded conditions. All negro children go full-time. In other words, the Negro children of Washington have more adequate facilities than do the whites.

Many prominent Texas Democrats have been in Washington this week to attend the Jefferson-Jackson Day Dinner. Fifty-three hundred tickets at \$100 each were sold to this affair. This means \$530,000 for one dinner. The net proceeds, of course, went to the Democratic National Committee. Presidential politics really gets into big business in terms of money collected and spent. Speaking of big business, one of Washington's leading department stores, The Hecht Company, announced gross receipts for last year of more than 80 million dollars.

On Wednesday of this week,

RADIO REPAIRING

We are equipped to service any make radio. Bring them to us for prompt service.

Strickland Radio Service

the House passed a bill to issue a National Charter to the Girls Scouts of America. On the same day, a big Washington theater had the premiere showing of the Italian film, Stromboli, starring the now notorious actress, Ingrid Bergman. Washington newspapers carried big, black, half-page ads, publicizing this film, and appealing to the base emotions of the human family. I could not resist making a 3 minute speech on the House floor, deploring the showing of this picture. It seems to me the Hollywood influence in American life has been bad, rather than good. The ministers and the Christian people of this country who have sought to boycott this film are to be commended. The Vatican judge who condemned the activities of Miss Bergman and her paramour, Rossellini, is also to be highly commended. Incidentally, as a Baptist, I am compelled to admit that the Catholic church has done more to clean up the movies of this country than has any other denomination. Many years ago, their Legion of Decency started a campaign against indecency and immorality in moving pictures. I was most happy to learn that Mr. Karl Hohlitzelle has banned the showing of Stromboli in the Interstate Theatres of Texas. Prostitution, adultery, and social vices generally, should be condemned, never glorified; certainly never paraded in respectable garb before the youth of our land.

We are all watching with great interest, the British election which comes off next week. If the Labor government wins the election in England, it will be a sad day for all of us who oppose National Socialism. If the British Labor Government wins, I, for one, will feel most reluctant to vote for any further aid or assistance to the British.

This week our children have

started wearing their sweaters in the schoolrooms because that has been reduced to save coal. If the strike is not immediately settled, we anticipate a three day school week. In today's mail, I received the following wire from the National Coal Association:

"We sincerely believe that coal supply should be plentiful if Union monopoly had been legislated against six months ago. It is because a Union can practice monopoly against public welfare without restraint that there is a coal crisis. The Taft Hartley law is only a temporary expedient. Seizure of coal mines by the Government has always resulted in appeasement and furthered labor monopoly. Congress should act now to place labor unions under the anti-trust laws."

Make every day in 1950 a safe day on your farm.

This Week Is Being Observed As FFA Week

The week of February 19 to 25 is being observed as Future Farmer Week in Texas, with many F. F. A. chapters having special activities in observance of the week. In the following memorandum, Governor Allan Shivers pays tribute to young people and designates this as Future Farmer Week.

The young people of this state who are studying agricultural education in public and secondary schools in Texas and who constitute the membership of the Future Farmers of Texas, which organization is affiliated with the Future Farmers of America, are striving to prepare themselves more efficiently for careers in farming.

The future progress and prosperity of Texas is dependent to a great degree upon the skills and efforts of those citizens who operate the many farms and ranches of this state.

The major purposes of the Future Farmers of America organization are to develop leadership, encourage cooperation, promote good citizenship, teach sound methods of farming and inspire patriotism among the members.

Texas now has 716 active chapters of the organization, with more than 28,000 presently active members and more than 37,900 former members.

The members of the Future Farmers of America perform valuable community services and provide important leadership in developing our agricultural economy and in building a better state.

Therefore, I, as Governor of the State of Texas, do hereby designate the week of February 19 to February 25, 1950 as Future Farmers Week in the state of Texas and ask that it be fittingly observed by our young people and by all citizens.

CARD OF THANKS

We wish to express our thanks and appreciation for the many kind deeds extended to us during the illness and death of our beloved mother, Mrs. J. C. Newsom. The flowers and food were greatly appreciated.

Mr. and Mrs. C. B. Warren and family

Mr. and Mrs. Billy Bolling

Mr. and Mrs. Carl Newsom

Mr. and Mrs. Edwin Mitchell and family

Mr. and Mrs. O. N. Cyfert and son.

OUTSTANDING GENERAL PRACTITIONER OF TEXAS—Dr. J. R. McGee, New Boston (center), is congratulated by Governor Allan Shivers, on receiving a plaque as the outstanding general practitioner of the year 1949 from Dr. G. V. Brindley of Temple (left), President of the State Medical Association of Texas. The presentation was made in Austin.

Mona Hudson And Perry L. Cook Marry February 9th

Mr. and Mrs. W. B. Hudson of Knox City announce the marriage of their daughter, Mona Joyce to Cpl. Perry Lavelle Cook of Vinson, Oklahoma, but is stationed at Sheppard Field, Wichita Falls.

The couple was married on February 9th at Henrietta by the County Judge, A. S. Hodges.

Miss Irma Graham and Cpl. Gerald F. Garden were their only attendants.

Mrs. Cook is a graduate of Knox City high school in 1949. Cpl. Cook is an instructor at Sheppard Field. They will make their home in Wichita Falls where Mrs. Cook will continue her studies at Draughn's Business College.

Mrs. M. E. Rodgers Is Honored On Her 78th Birthday

Mrs. M. E. Rodgers who makes her home with her daughter, Mr. and Mrs. J. M. Burns, was honored on her 78th birthday Sunday, February 19.

Relatives gathered at the home and spent the day visiting and making pictures of the honoree and of the other relatives. At noon a nice dinner was served—the big cake with "Happy Birthday, Mother" was the table decoration.

Relatives attending were Mr. and Mrs. J. A. Floyd, Abilene; Mr. and Mrs. D. F. Rodgers, Abilene; and son, Glenn, who came home on leave from the Navy; Mr. and Mrs. James Floyd and son, Kenny, Abilene; Mr. and Mrs. Fred Brown and Don, Elizabeth, and Floyd Milton from Vera; Mrs. H. G. Albright, who is a cousin of Mrs. Rodgers, Vera; Mr. and Mrs. A. R. Floyd, Tommy, and Linda Kay, Munday; Mr. and Mrs. O. J. Floyd, Munday; Mr. and Mrs. J. M. Burns and Edward Burns, Mr. and Mrs. M. M. Henderson and Mrs. Ida Watson visited in the afternoon.

Everyone had a very enjoyable day, and wish the honoree many more happy birthdays.

Detroit Housewife Wins \$50,000 Award

New York.—In the biggest bake-off ever held, Mrs. Ralph E. Smafield of Detroit won and was awarded the \$50,000 top prize in the Pillsbury Grand National held at the Waldorf hotel, with her recipe for making "water-rising nut twists." Shown above are, left to right—Mr. Philip W. Pillsbury, President of Pillsbury Mills, holding a tray of the winning baked product; Mrs. Eleanor Roosevelt, who made the check presentation; and Mrs. Ralph E. Smafield, the winner.

News From The Boy Scouts

W. R. Moore, Jr., advancement chairman; Gene Harrell, finance chairman; and Charles Baker, public relations, met with Boy Scout last Monday night. Gene Harrell registered the following boys for the year 1950: O. D. Wallace, Leborn Field and Jerry Fuggle.

W. R. Moore Jr., discussed the Tenderfoot requirements and what would be expected of the boys who pass the Tenderfoot tests.

The Boy Scouts are looking for jobs to earn money for trips, etc. If you have a job for some boy, please notify one of the following: Gene Harrell, W. R. Moore, Jr., Aaron Edgar, Don L. Ratliff, or Charles Baker.

Explorer Scouts
The explorer group is for boys

14 years of age or over. The first committee meeting was held on Thursday night, and the following were elected:

Boyd Meers, committee chairman; Alonzo Cartwright leader; Elmer Cude, assistant leader; Dwight Key, camping; Aaron Edgar and Chan Hughes, publicity; Bully Ratliff, advancement.

Be careful. Observe state and local traffic laws.

Postal Employees Meet Held Recently At Knox City

The Brazos Valley Postal Employees Association met with Knox City postmaster, Jeff Graham as host for the February meeting.

The business session was called to order by the new president, C. R. Chamberlain, postmaster at Goree. The program was conducted by Jeff Graham. A very interesting discussion of questions and answers of the postal department.

Inspector Noel D. Patterson of Waco gave a short talk about employees of the postal service.

Mrs. Jeff Graham and Mrs. Bud Thompson served refreshments to Irene New, Trucott; C. B. Britton, G. W. Boldwin, B. W. Feris and A. N. Newell, Stamford; Mr. and Mrs. C. R. Chamberlain, Mr. and Mrs. S. G. Hampton, Goree; Mr. and Mrs. M. E. Trice, Mr. and Mrs. Claude Norman and Mrs. Doug Baugh, Rule; Mr. and Mrs. Buck Everitt, Mr. and Mrs. Hayden McDonald, Mr. and Mrs. Harold Spain and Mamie Jones, Haskell; Merle Dingus, Munday; Tom West, Benjamin; Kenneth Myers, Benton Anderson, Bud Thompson and Jeff Graham of Knox City; and Inspector Noel D. Patterson of Waco.

The next meeting will be with Postmaster Tom West of Benjamin the second Tuesday in March.

LOCALS

W. M. Rowan of Knox City was a business visitor here on Wednesday morning.

County Judge J. B. Eubank, Jr. of Benjamin was a business visitor here Tuesday.

Mr. and Mrs. Carl A. Jungman and children Ida Jo and Mike of Vernon visited with relatives here last Sunday.

Mrs. Eula Lilly and Rev. and Mrs. Lloyd Thompson of Big Spring spent the past week end here visiting in the home of Mr. and Mrs. J. O. Bowden. Rev. Thompson also attended a pastors' convention in Fort Worth during the week end.

Mr. and Mrs. Lloyd Lucky and children of Lubbock spent

Farmers Urged To Get Tractors Ready To Go

Texas weather during the past few weeks may have been the best for outside work, but right now is a mighty good time to get the farm tractor ready for the busy days ahead. According to W. L. Ulich, extension agricultural engineer of Texas A. & M. College, a good place to start is on the air cleaner of your tractor.

He says most farmers do a good job of taking care of the pre-cleaner and oil cup, but the air cleaner itself is often neglected. About 9,000 gallons of air goes through the cleaner for each gallon of fuel burned, and he says you can expect a lot of dirt to lodge in the screen and element of the cleaner. The air cleaner should be removed at least twice a year and thoroughly washed in kerosene or a cleaning solvent. When it is replaced, be sure that all air hose connections are tight, for a leaky hose makes the cleaner useless.

This is a good time to do a valve grinding job, but Ulich says the valves should be removed and

Basketball Fabric Scores High

NEW YORK—A new 1950 spring fabric by Fruit of the Loom has made its debut here at Madison Square Garden. Here are New York teen-agers Sandy Madigan and Mary Templeton wearing blouses home-sewn from a pattern featuring basketball action scenes. Appropriately enough the first admirer of the new fabric is George Mikan, 6-foot, 10-inch professional star of stars. Fashion stylists say that the new basketball pattern also lends itself to home-sewing of play-suits, draperies, bedspreads, and table decorations for the rumpus room.

Save A Heart

(This is sixth and last of a series of articles by the American Heart Association for the "Save A Heart" campaign.)
The program of the American

that the Federal Public Roads Administration considers that Texas has the best system of public highways of any state in the union and counts the Texas Highway Department as being one of the best in the United States.

A good highway system is a mark of progress and mist members of the Legislature including

myself, intend to favor a continuation of our highway program with special emphasis on Farm-to-Market roads.

Heart Association provides the essentials for a national public health campaign for the "Heart of America."

Medical science cannot do the job alone. The success of the program depends on financial support by the public.

It is only recently that the appropriate organization and facilities have been obtained to conduct the heart disease fight on a major national scale. However, if the efforts against heart disease are to be comparable with those made against other serious diseases, citizens throughout the

quate to meet the continuous challenge of this menace to our national health.

Greater financial resources are needed.

Give your share to "Save A Heart!" Place your donations in one of the "Plastic Hearts" a full magnitude of the problem and the necessity for generous support of such efforts. The financial means of the American Heart Association are not adequate must be aroused to the

From where I sit ... by Joe Marsh

How to Get That Homework Done

Miss Gilbert, our grammar school principal, spoke the other night at the regular Parent-Teachers' meeting, on getting children to do their homework when they want to listen to the radio.

"We musn't give them a flat no," Miss Gilbert said. "If we adults really believe in tolerance and moderation, we should instill these qualities in our children. Listening to the radio is fine—in moderation—as long as homework gets done, too."

From where I sit, the lady was dead-right. This radio vs. home-

work problem is a wonderful way to see to it that our youngsters acquire the sensible moderate habits they'll need later on.

I've never believed in hard and fast rules—except where absolutely necessary. Let the other fellow do as he likes, as long as he's temperate and tolerant. Guess that's why I've never felt we should quarrel with the fellow who is partial to a glass of beer—the "Beverage of Moderation."

Joe Marsh

Munday Sanitary Hatchery
Carl George, Mgr.

the grinding job should be done by a trained mechanic who has the proper equipment for doing this work. The actual job of seating the valves can be done on the farm.

He says you'll want to remove the spark plugs for a thorough cleaning and point adjusting job. A steel brush will do a fair job but sand blasting is better. Ulich says to check your operators manual for the correct gap setting on the plugs. A gauge should be used in making the adjustments and a round thickness gauge is recommended for worn plugs.

While you are checking points, he says you had better check the ignition breaking points. If they are rough, file them and then set the gap in accordance with the operators manual.

The next item that should be checked is the fuel system. The fuel screen located on most tractors near the sediment bowl and carburetor should be removed and cleaned. The carburetor should be cleaned and adjusted. Ulich says you'll want to remember that the carburetor is not a gas plant but is a metering device, and it cannot measure the proper mixture of air and fuel unless properly adjusted. He says the motor should be warmed to operating temperature before any attempts are made to adjust the carburetor. There are three major adjustments on most tractor carburetors. The idle top screw which merely stops the throttle lever at idling speed; the idle mixture adjustment; and the third is the load adjustment. Consult your operators on how to make the adjustments and the final check will come when the tractor is pulling field equipment.

Ulich says every tractor operator should be familiar with the operators manual that goes with the model tractor you are operating and he adds, if you don't have one, better ask your local dealer about it the next time you

Highlights from Austin

(By Senator George Moffett)

By Senator George Moffett

AUSTIN, TEXAS, Feb. 20—As this is being written, the prospects are that the Legislature will finish the job for which it was called within the thirty-day limit established in the Constitution for special sessions. The Governor's suggested program for providing the money for the needs of the state's twenty-two eleemosynary institutions will probably be adopted with only some minor changes. The Governor's program did not call for new sources of taxation. It suggested that increases be made upon many items already taxed, including cigarettes, crude oil, natural gas, sulphur, carbon black transfers, and gross receipts of utility companies. Texas is still one of the few states which has neither a state income tax nor a general sales tax upon everything sold through a store, including bacon, beans and bread. Every state around us has these taxes.

Several attempts have been made to trim down the thirty million dollar Farm-to-Market Road Appropriation passed by the regular session of the Legislature last year. All of these attempts have failed largely because we country boys stuck together and refused to even permit the introduction of these bills to reduce road appropriations. The support for these bills came almost entirely from the four largest cities of Texas led by the Fort Worth delegation.

Perhaps it should be noted here

see him. Ulich concludes that the life of your farm tractor depends largely upon the care you give it and the manual is the manufacturer's recommendations for doing this maintenance job.

HARRELL'S

Hardware — Furniture

Our Reason:

We have an extra special reason for this special \$75,000 close out sale. It is our established custom when buying out a firm to close out the entire stock of merchandise so far as possible and replace it with brand new, crisp merchandise.

We found an exceptionally clean stock when we purchased Baker-McCarty's, but much of this consisted of "labeled goods"—that is, goods bearing the Baker-McCarty label. It is our desire to close out all of this stock and and replace it with goods bearing our own label, even though in the same nationally known brands.

We expect to continue all of the well known brands that you have become familiar with during the years past, such as Curlee Suits, Munsingwear, Swansdown Suits, Carole King Dresses, June Patton Dresses, Paul Sachs Dresses, Friedman - Shelby Shoes and others, and in addition add other lines that are also nationally advertised and famous for their values.

So you'll find real bargains at Cobb's during this gigantic close out sale. Shop early, while you can have your pick of this good merchandise.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

AUSTIN—There is hardly anyone who hasn't caught cold at one time or another and besides making you feel miserable they steal your time and money, declares Dr. Geo. W. Cox, State Health Officer. They fool you too, because the early signs are often the same as those of more serious illnesses.

Long continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears or sinuses. Do your best to keep from catching cold. If you do catch one, take care of it promptly by going to bed, keep warm and dry, drink plenty of citrus juices and water. If the cold is severe, consult your physician.

Another enemy is pneumonia, an acute infection of the lungs. Virus pneumonia is the most common of all pneumonias today. It may occur at any age, and usually appears in local outbreaks instead of far reaching epidemics. In any case pneumonia, good medical care and nursing play a great role in recovery.

Labor pneumonia is caused by a bacteria, and not a virus, and is very contagious. A generation ago one out of every four who had this disease died. Today thanks to the "miracle drugs" many are saved. It is most common in late winter and early spring.

The most frequent victims of broncho-pneumonia are the aged.

FOR SALE—Bed room suite. Call 311-J, Munday, Texas. 30-1tp

FARM PROGRAM NEWS

From the County PMA Committee

MEANING OF ACT SIGN-UP
When a farmer signs up in the Agricultural Conservation Program he indicates he is going to help build a better farm for himself and a better land for all the people, says J. C. McGee, chairman of the Knox County PMA Committee.

"It is a recognition of his responsibility to help protect the Nation's soil and water resources. It also signifies that he is cooperating with the other farmers in the program and that all of them are working with all the people of the country to keep soil from blowing and washing away and to keep it productive. And farmers who use the ACP to help build a stronger agriculture through conservation are the farmers who are helping to provide a better living for all the people of the country."

Since the beginning of the program in 1936, says the chairman, agricultural production has been steadily climbing. Today total agricultural production is between 30 to 40 percent more than it was before the program. In 1949 the per-capita consumption of food was up 10 percent over the average for the 1935-39 period. "The farmers who have

been carrying out conservation practices under the Agricultural Conservation Program have been helping to make that possible." So much depends on agriculture that the Nation cannot afford to allow farmers to waste the soil and water resources of the country. Many nations require certain conservation practices by land owners, but in the United States, the chairman explains, the Nation cooperates with its farmers by sharing the cost of needed soil and water saving practices.

Farmers of Knox County are now signing up to carry out certain approved conservation practices in 1950.

Rural Youths Of South To Be 4-H Gardeners

Now that they have received the signal—brightly colored seed catalogues—boys and girls in the Southern states are anxious to get started in becoming expert 4-H gardeners.

It is estimated that more than 125,000 of these rural youth in Texas and thirteen other Southern states will take part in the 1950 National 4-H Garden program. In it they will learn how to manage a well-planned garden, carry out a program of vegetable and insect control, and market produce in an economical and approved manner.

Through their garden project, they will increase individual and family incomes by reducing the amount of food purchased. They will also contribute to better family health by producing sufficient amounts of essential and nutritious vegetables and fruits for use throughout the year.

Incentives for outstanding achievements in gardening include gold-filled medals of honor for four county winners, and an all-expense trip to the Chicago 4-H Club Congress next November for the state champion provided by Allis-Chalmers. Eight national winners selected from the state champions will each receive a \$300 college scholarship.

The 4-H Garden program is conducted under the direction of the Cooperative Extension Service. County Extension Agents will furnish complete information.

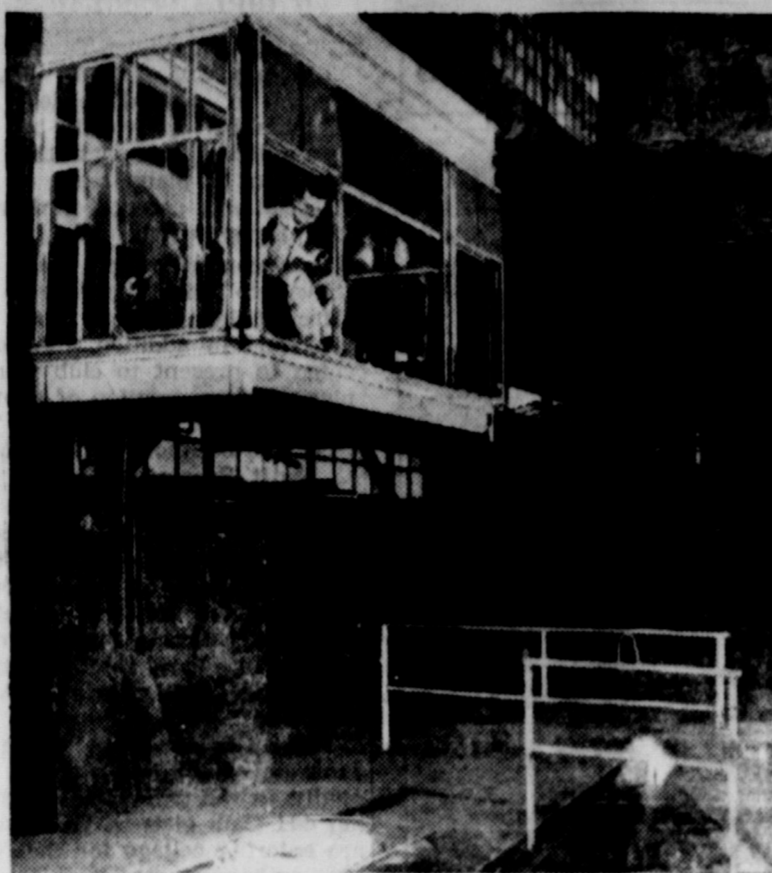

Winners were named in 99 counties in this State last year.

Mr. and Mrs. Henry Estes spent last Sunday in Rule visiting with Mrs. Estes' mother, Mrs. Emmitt Norman, and other relatives.

Johnny Spann of W. T. S. T. C. Canyon, spent the past week end in the John Spann home. He also visited other relatives and friends while here.

Mr. and Mrs. O. C. Murry of Brownfield spent last week end visiting Mr. and Mrs. J. F. Draper in Goree and with other relatives in Munday.

GLASS PULPIT FOR STEEL MILL

A safety-glass cage, or pulpit, as it is called, now shields rolling mill operators, at the Canton, O., plant of The Timken Roller Bearing Company, from the heat of passing white-hot billets and protects them against flying chips.

This safety measure allows an operator to concentrate on his work without the physical punishment that formerly was a necessary part of this job.

Electrical control switches on either side are arranged so the operator can move the enclosure up or down. Sliding panels permit an adjustment for ventilation. Controls were placed at the sides to permit full front vision.

mother who is critically ill in a Lubbock hospital.

Mr. and Mrs. E. W. Harrell spent the first of this week in Dallas, where they attended the gift show and furniture markets.

Mr. and Mrs. J. O. Bowden spent last Saturday in Wichita Falls visiting their son and family.

Sam Selem spent the first of this week in Dallas, visiting with Mrs. Salem and Junerose, and attending the markets to purchase merchandise for The Fair Store.

Kenneth Harrison returned home last Saturday from Chanute Air Force Base in Rantoul, Ill., where he had been stationed with the U. S. Air Corps.

High Yields Are Reported By Texas Farmers

You don't have to leave Texas to see corn and grain sorghum that will produce well over 100 bushels per acre or wheat that will run from 50 to more than 90 bushels per acre. Such yields were produced by a number of Texas farmers in 1949.

According to reports from county agricultural agents, E. A. Miller, extension agronomist of Texas A. & M. College, says 16 counties reported that corn yields of 100 bushels or more per acre were made on one or more farms. These counties were Upshur, Franklin, Wood, Bailey, Hopkins, Houston, Henderson, Wise, Red River, Brazos, Shelby, Panola, Castro, Deaf Smith, Swisher, and Hale. Individual cases of yields in excess of 90 bushels were reported from 20 counties and 41 other counties reported yields of 75 bushels or more per acre. Miller says these outstanding corn yields show what can be done when good seed and cultural practices are used and with favorable weather conditions.

He says most of the high yields were made on land that had been enriched with fertilized and inoculated legumes. County-wide corn production contests played a big part by stimulating more interest in higher yields. In Upshur county, four 4-H boys and three adults produced more than 100 bushels per acre. Leo Roy Bartlett, a 4-H boy, made 149 bushels to lead the list and the high adult demonstration was conducted by Roy Williford, 133 bushels per acre. These yields were made with corn hybrids on land that had been in lespedeza meadows for several years.

Six 4-H boys and one adult in Franklin county produced 100 bushels or more per acre. H. L. Bridges in Wood county reported a yield of 142 bushels per acre. The highest yield in the state comes from Bailey county in West Texas a small test plot under irrigation, was figured at 162 bushels per acre. Miller says all of these outstanding yields were made with corn hybrids.

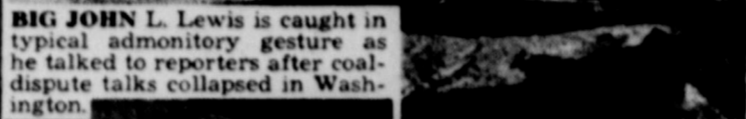

Grain sorghum yields were good, too. In Swisher county, Weldon McClung, a 4-H boy, reported a yield of 130 bushels per acre. Schlab Brothers in Parnell county came up with 125 bushels; Bill Cluttie in Deaf Smith county checked in with 107 bushels; Harold Shearheart, Castro county 102 bushels and Deb Turner of Hale county made an even 100 bushels per acre. All of these yields were made under irrigation. Four of these counties also reported corn yields of 100 bushels or more per acre and it was, too, produced under irrigation.

The highest reported yield ever made in Texas, says Miller, came from Deaf Smith county. John Paetzold checked in with 92.5 bushels per acre on a two-

REAL HOUSE, no whipped-cream goodie, is this. Ski lodge on Mount Spicars, Wash., got this three-foot layer of wind-blown snow despite roaring fireplace fire inside!

BIG JOHN L. Lewis is caught in typical admonitory gesture as he talked to reporters after coal-dispute talks collapsed in Washington.

NO POGO stick needed as Dick Means, U. of Minnesota, soars trying to stop basket try of Bill Erickson of Illinois. The Illini won, 67-57.

CHIC CHICK—Joy Brule of Belmont, Mass., wears a fetching Silver Sebright bantam in her coiffure at 102nd Boston Poultry Show where owners of winning specimens shared \$500 in prizes awarded by A & P food stores.

Cut Production Costs To Increase Cotton Profits

Cutting the costs of producing cotton in 1950 is the one way that farmers can increase their income from growing cotton and that is a mighty important consideration continued high fixed production. Lower selling prices and costs have started farmers searching for ways to cut costs and Fred C. Elliott, extension cotton work specialist of Texas A. & M. College, says planting delinted cottonseed is a money saver.

He says many gin communities have installed the necessary equipment and are performing this service on a community basis and he cites the work done in Childress county as an outstanding example. Farmers in Childress county estimate their savings at more than \$2.28 per acre and here is how they figure it.

One bushel of delinted seed will plant 3 1/2 acres while a bushel of fuzzy seed will plant up to

4-H GIRLS SCHOLARSHIPS

Two outstanding Texas 4-H club girls will annually have a chance to attend college on scholarships provided by the Texas Home Demonstration Association, if plans made at the Association's recent board meeting are approved.

A recommendation was approved to raise the Maggie W. Barry Scholarship to \$500 per year and in addition, the board voted to present to club women plans for the creation of another scholarship of equal value. The second to be known as the Helen H. Swift Scholarship.

The recommendation was introduced by Mrs. B. M. Harris, Plainview, chairman of the State 4-H Committee of the Association. Final action will be taken on the scholarship proposal during the 1950 state meeting which is to be held in Big Spring in August.

The awards will be of equal rank and would be presented annually to the two most outstanding 4-H Club girls in Texas who are entering college for the first time or have started their second year.

The Home Demonstration Association also assists each of the 14 extension districts by furnishing a \$100 grant that may be used in promoting 4-H work. This financial aid comes from a small contribution that each member of the Association makes annual-

two acres. The delinted seed can be planted with a 5 hole corn plate rather than the regular cotton plate and this gives an even spacing of the seed and saves many hours of hand hoeing or chopping. On a 100 acres, Elliott says, 50 bushels or more of fuzzy seed are required for the planting operation against 27 bushels of delinted seed.

At \$3.50 per bushel, the 27 bushels cost \$94.50. Delinting costs and seed treatment bring the total to \$106.16. The fuzzy seed will cost \$175. Then add a conservative \$10 for loss of time for stopping to refill the old type planter box and another \$150 for a necessary extra chopping and thinning and the total is \$335. Subtract and you have a difference of \$228.24 in favor of the delinted seed on the 100 acres. Elliott says that is what the farmers in Childress county figure they saved last year on a 100 acres of cotton by planting mechanically delinted and treated cottonseed.

LOCALS

Lee Haymes returned home the first of this week from Amarillo, where he had been visiting relatives. He was also under the care of a doctor while there.

Mrs. L. D. Daniels of Seagraves spent a few days here this week visiting her sister, Mrs. Lynn Hay.

Mr. and Mrs. Glenn Bibrey and daughter, Kathy, of Brownfield, visited Mr. and Mrs. M. L. Barnard, and relatives in Goree last Sunday.

Mr. and Mrs. Don L. Ratliff, accompanied by Mr. and Mrs. Weldon Brashear of Bowle, spent several days over the week end in New Orleans, La., attending the Mardi Gras. They also visited at other points in Louisiana, Mississippi and Arkansas.

Mrs. H. F. Jungman and Mr. and Mrs. H. M. Michels and Henry Michels returned home Sunday from Temple, where Mr. and Mrs. Michels had been undergoing treatment in a Temple hospital.

Knox Prairie Philosopher Willing To Pit His Own Character Against The Proposed 24-Hour Work Week

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek has another odd proposition this week, the following letter from him will reveal.

Dear editor:
I picked up a copy of the Abilene Reporter-News which my wife had put on the back porch for me to wipe my shoes on when I come in during wet weather, and took it inside and after supper read where a scientist in New York has predicted that by the end of this century the average work-week will be 24 hours. Work 4 hours a day for 6 days and call it a week, or maybe run it together in three 8-hour days and take the other four days off.

I mentioned this the next day to some of my neighbors and they got into an argument over whether a man could stand to work that little and stay out of

trouble.

"What would a person do with all that spare time?" one of my harder-working neighbors wanted to know. "Ruin most people not to have enough work."

Now I was never one to go stumblin into a new situation, I don't feel right about this nation bein on the verge of a unknown experience, and while it hadn't occurred to me before as some thin to get alarmed about, if

At Roxy Sunday and Monday

Dumb but beautiful Irma (Maria Wilson) gets help from Richard (Don De Fore) and Jane (Diana Lynn) as Al (John Lund) looks on in this scene from "My Friend Irma."

people are afraid of the prospect of workin only 24 hours a week, I will blaze the trail myself and submit to the experiment and find out if it is safe.

If the government will go ahead and start the \$12,000 a year income which the experts predict everybody will be makin by the year 2000, I will embark on the experiment of workin only 24 hours a week. There are some folks who might shudder at the prospect, seein their characters facin ruin and their minds demoralized by so much loafin time, but I come from pioneerin stock, the kind that made this country, and if I can be of service to humanity by plungin into the unknown life of the year 2000 right now, I'm willin.

All I ask is that the first installment on my \$12,000 a year salary be sent out here, and I'll launch the experiment. There may be some characters that ain't got the moral fibre to stand up to this 24-hour week, but I got confidence in myself.

Yours faithfully,
J. A.

Mr. and Mrs. Jerry Edwards who are attending Hardin-Simmons University in Abilene, visited Mr. and Mrs. Chester Bowden and other relatives and friends here over the week end.

Mrs. H. A. Polnac, Mrs. Marvin Reeves, Mrs. M. C. Hallmark and Mrs. Andy Hutchens and a number of other ladies attended a Baptist Mission Association in Stamford one day last week.

Mrs. O. E. Moore and daughters of Wichita Falls spent the first of their week here visiting Mrs. Erin McGraw and other relatives and friends.

IT PAYS TO ADVERTISE

day's work is done, provide me with shelter, a clean, dry bed and a stall wide enough for me to lie down in comfort.

Talk to me. Your voice often means as much to me as the reins.

Pet me sometimes that I may serve you the more gladly and learn to love you.

Do not jerk the reins and do not whip me going uphill. Never strike, beat or kick me when I do not understand what you want, but give me a chance to understand you.

Watch me and if I fail to do your bidding, see if something is not wrong with my harness or my feet. Examine my teeth when I do not eat. I may have had a bad tooth and that, you know, is very painful.

Do not tie my head in an unnatural position or take away my best defense against flies and mosquitoes by cutting off my tail.

And finally, oh master, when my useful strength is gone, do not turn me out to starve or freeze, or sell me to some cruel owner to be slowly tortured and starved to death; but do thou, my master, take my life in the kindest way, and your God will reward you, here and hereafter.

You will not consider me irreverent if I ask this in the name of Him Who was born in a stable. Amen.

Mrs. G. R. Elland went to Lamesa last Friday to spend several days visiting with relatives. Mrs. Jim Grammer and daughters returned to their home in Lamesa last Friday after visiting here for a few days.

Charles Hardin and Bobby Gray, who are students at N. T. S. T. C. in Denton, visited home-folks over the week end.

Youth Problems—

(Continued from Page One)

years. In order to prevent traffic accidents, he suggested, we must educate through the schools and have strict enforcement of traffic laws.

In Texas last year, 1,957 persons were killed; 100,000 were sent to the hospital, and \$85 million were lost in property, Conner said. Seventy-five percent of the loss was due to carelessness, he estimated.

The third speaker, S. L. Bellamy, Austin community director of the new Youth Development Council, stressed training to prevent juvenile delinquency. He said under the new law juvenile offenders will first be diagnosed, then will be treated and re-established in life.

Judge Dave McGee, Tarrant County criminal district court judge of Fort Worth, spoke on the responsibilities of freedom and citizenship. He has had 25 years' experience in Fort Worth courts.

Speakers on the program and other invited guests, about 25 in all, were guests of Ed Bateman, Sr., for a supper on his ranch 22 miles west of Benjamin in King County before the program.

To bleach cotton tea towels, drop a piece of lemon in the water. It gives a wonderfully fresh appearance to the towels.

HEFNER NEWS

(Mrs. E. J. Jones, correspondent)

The weather is fine, no sand storms as yet. Wheat is needing more rain.

Oil wells are attracting more attention as many drive around to see them every day.

All the community sympathies with one neighbor, Mrs. Clyde B. Warren and family, in the death of her mother, Mrs. J. C. Newsom. Funeral services were held Sunday, when a large crowd of friends and relatives attended to pay their last respects. Mrs. Newsom and her late husband were early settlers in the Hefner community.

Elder J. L. Gray filled his appointment at the Friendship Baptist Church at both services last Sunday. Good attendance was reported at both services.

Mr. and Mrs. John Lambeth were visitors in the Jerry Hudson home in Goree last Sunday. Mr. Hudson has been ill, but is recovering nicely. All of the Hudson children were home Sunday.

Mrs. Bessie Peak and Grandmother Blankenship visited Mrs. Alice Peek here one day last week.

Mrs. John E. Cure is home, recuperating from a spell of illness. She spent several days in an Abilene hospital and with her son, Elmo Cure, and wife in Abilene.

Mrs. Walter Harris has been on the sick list for several days, spending a few days in the hospital.

Mrs. Arnold Haskins visited her mother, Mrs. W. C. McElhannon, in Goree last Saturday.

Mr. and Mrs. Jodie Hampton and Mr. and Mrs. Minnie Davenport of Naples, Texas, visited Mrs. P. B. Baker Monday and Tuesday.

Ronald Foshee of A. & M. College in College Station, visited his parents, Mr. and Mrs. R. E. Foshee, and friends here over the week end.

Mr. and Mrs. L. P. Bennett and family visited with Dr. and Mrs. A. A. Smith awhile last Tuesday. They were enroute home to Lubbock from Abilene.

Mrs. Fowler Dies At Home In Borger

Friends of Mrs. Bess Maloney Fowler were shocked and saddened to learn of her death Monday February 13, at 2:30 a. m., just an hour after she suffered a heart attack in her home at Borger. Mrs. Fowler had visited in Goree about three weeks previously and seemed in perfect health.

She is survived by a son and two daughters, also five brothers. Ross Maloney, who has been making his home with her since the death of her husband a few years ago, Carl Maloney, Roscoe, Joe, Houston, Mert and Sam Maloney of Arizona.

Farm records are a mighty important part of farm business operations and a close study of these records may reveal leaks in the farmers profit barrel.

BENJAMIN NEWS

(Elda Purl Laird, Reporter)

Miss Eugenia Butler of Big Spring, and Miss Neida Jo Hindman of Paducah, spent the week end visiting in the homes of Miss Louise Brown, Miss Elda Purl Laird and other friends.

Mr. and Mrs. Howard Barnett and son, Dickie spent Friday of last week visiting with Betty Joe their daughter, and other relatives. Miss Barnett returned home for the week end.

Mrs. J. L. Galloway and Mrs. J. W. Melton spent Wednesday of last week visiting with Mr. and Mrs. Arthur Lacy, in Lawton, Oklahoma. Mr. Lacy, a reserve officer, will be stationed at Fort Sill for two and a half months.

Mr. and Mrs. Bill Steedman and son, of Fort Worth, were week end visitors in the homes of their parents, Mr. and Mrs. J. D. Redwine and Mr. and Mrs. J. R. Steedman. Keith Steedman, of Pecos also visited in the Steedman home during the week end.

Miss Julia Propps of Wichita Falls, was home for the week end.

Miss Ida Belle Allen spent the week end visiting in the home of relatives and friends in Fort

Worth.

Mrs. Wynelle Porter, her daughters, Connie and Annette, Mrs. W. A. Barnett and Miss Omilene Barnett visited in the home of Mr. and Mrs. T. P. Porter, Sr. of Seymour Sunday.

Bozo Melton, son of Mr. and Mrs. L. C. Melton, was home for the week end, and had as his guest, Miss Jan Slocum; both are now attending A. S. C.

Charlie Hamilton of Wichita Falls, was in Benjamin Tuesday of this week visiting with friends.

Mrs. Malcomb Shipman and Mrs. P. W. Lamb were in Knox City Tuesday shopping and on business.

GOREE BAPTIST CHURCH
