

Kracker Krumbs Odd Bits Salvaged At Random

We're indebted to Uncle Happy Hathaway for the touching little article that follows:

LET US PRAY

A preacher, at the close of one of his sermons, said: "Let all in the house who are paying their debts stand up." Presently every man, woman and child, with one exception, rose to their feet.

The preacher seated them and said: "Now let every man not paying his debts stand up." The exception, a coreworn, hungry-looking individual in last summer's suit, slowly assumed the perpendicular position.

"How is it, my friend," asked the minister, "that you are the only one not able to meet his obligations?"

"I run a newspaper," he answered meekly, "and the brethren here who stood up are my subscribers and..."

"Let us pray," exclaimed the minister.

Uncle Happy, despite his 93 years, is pretty active; he's got a good memory, and he's got a sense of humor.

That's not the only contribution he's made to the editor. Last year, we enjoyed a pretty large helping of the wonderful peaches he grows just back of his house.

They came from trees which, many said, Uncle Happy would never live to see bear fruit when he set them out.

This year his fruit crop was pretty short, as it was with all in this area who have orchards.

But Uncle Happy had a few peaches, and the editor came in for his share of them, too. Not that we are so hungry looking, like the fellow in the article Uncle Happy sent us and which you've just read—if you read that far—but because he knew we liked and enjoyed fresh peaches.

We sent us that clipping, not because we were so hungry looking, but because it contains a moral.

The moral is: Pay your subscription!

We have a few—not many, mind you—but a few who are getting a little behind with that detail.

We mailed out some cards some two months ago, and the response to them wasn't quite as great as we'd hoped it would be.

We don't want to get like the fellow in the above story. We want to keep paying our bills and keep that well-fed look we now have.

Truth of the matter is, we're wearing last year's suit—when we wear a suit!

As we said, we have a few who have sort of neglected paying their subscriptions. Some of them are church-going, debt-paying citizens.

And it's no reflection if you have let your subscription get in worse shape than your religion or debts. It's a matter that's easy to forget and hard to remember.

But you can take a squint up at the top of this sheet and tell how you stand. 3-15-50 means that you should have come to see us last March 15th!

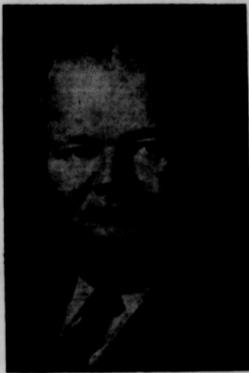

And we might as well face some more facts. The newsprint situation is not much better than during the war. World War II, we man, and not the Korean mess.

We ask our salesman: "How's the newsprint situation?" Their reply is that paper houses are on quotas from the mills, and they must, therefore, inflict quotas on the newspapers.

Most of them are trying to take care of their present customers, and they're very careful about taking on new customers.

(Continued on last Page)

Chairman

NEW YORK—Ed S. Stewart, prominent Abilene, Texas, business man, has been appointed Texas State Chairman for the 1951 March of Dimes. It was disclosed today by Basil O'Connor, president for the National Foundation for Infantile Paralysis. This marks Mr. Stewart's third year as head of the National Foundation's fund-raising appeal in Texas.

As Texas State March of Dimes Chairman, Mr. Stewart will coordinate the work of campaign directors in cities and counties throughout the Lone Star State.

A native of Waco, he has long been active in civic, fraternal and humanitarian work. For 17 years, he was a west Texas food broker and now owns the Abilene Candy Manufacturing Company.

During World War I he served with the Army Engineer Corps. Mr. Stewart is past president of the Abilene Chamber of Commerce and the Rotary Club, and is a member of the Board of Directors and Treasurer of the West Texas Chamber of Commerce. He was Taylor County director of the American Red Cross War Fund in 1943-44.

Local Students Go To Colleges

Many students of this area have been leaving during the past few days to enter institutions of higher learning in Texas. Some of them, graduates of 1950, are entering college for the first time, while others are returning for their second or third year of study.

While it is impossible to secure names of all from this area who have entered colleges, a Munday Times representative has secured a partial list. They are as follows:

HSU., Abilene: Jo Lynn Yost, Bobbie Nell Whitworth, Marguerite Hammett, Maurice Patterson and Bobby Winchester.

WTSC, Canyon: Joe Spann, Johnny Spann, and Billy Cammack.

Baylor University, Waco: Lyndol Smith and Gwynna Lee Smith, and Jessie George Smith.

Nursing School in Wichita Falls: Betty Irene McClaran. Texas A&M: Durwood Scott, Ronald Foshee and Kenneth Baker.

Texas University, Austin: Wayne Rogers, Joe Stevens and Jimmy Boyles.

St. Edwards, Austin: William Hertel and Gene Kuhler.

NTSTC, Denton: D. G. Chamblain.

Two Business Firms Exchange Locations

Two of Munday's business firms recently made a "swap" in business locations, and both are busy getting all set up in their new places of business.

The moves were made during the week end, and they expect to have all stock and equipment arranged within the next few days.

The exchange was made between Sharp Motor and Equipment Co., local Massey-Harris dealer who had been doing business in the Mayes building on the north side of the square, and John Porter Chevrolet Co., which moved from its old location on the Seymour highway, just north of town.

Moguls Take 14-0 Whipping Friday Night

What was wrong with the Munday Moguls Friday night? In our opinion it was just too much Wildcat in the person of 143-pound John Sanders of Crowell. Sanders was fast, shifty, and he had blocking in opening his scoring plays.

The Moguls battled the Wildcat to a standstill during the first quarter, but Sanders tallied in the second and fourth periods to bring his teammates to a 14-0 victory over the locals. The game, played on Scruggs Field, was the first of the season for both teams.

The Wildcats took the lead in the second quarter when Sanders swept around his right end to cross the goal stripe. He then clinched the game in the fourth quarter in an identical play. The first touchdown was for 40 yards, while the second saunter was for 35 yards and pay dirt. The two extra points were made with passes, Gobin to Sanders each time.

The Moguls showed up good in many phases of the game, but they were dominated by the Wildcats in practically every period. The visitors chalked up seven first downs and 179 yards rushing to three first downs and 74 yards rushing for the Moguls. The Moguls completed two passes in 11 attempts, and the Wildcat one in eight attempts.

The starting lineups: Munday: Ford, left end; Lowrance, left tackle; Howeth, left guard; Powell, center; Yarbrough, right guard; D. Johnson, right tackle; L. Norman, right end; Raynes, quarter; Guffey, left half; S. Ponder, right half; D. Ponder, fullback.

Crowell: J. P. Norman, left end; J. Pittillo, left guard; Ribble, center; G. Johnson, right guard; Bell, right tackle; Raspberry, right end; Gobin, quarter; Sanders, left half; Laquey, right half; Norman, fullback.

35 Present For C. D. A. Luncheon

Thirty-five persons were on hand for the regular C. D. A. luncheon at noon Wednesday, and directors of the association hope that this number can be increased to at least 50 within the near future.

Delicious feeds are being served, and the luncheons serve another purpose of acquainting members with some of the C. D. A. activities, as well as giving them an opportunity to express their views of needs for the town.

W. C. Cox, superintendent of the local schools, gave a report on school activities, and invited members to visit the school and lunch room at any time.

Some difficulty is being experienced in finding housing facilities for some of the teachers, he said. The school had employed a band director, and there is an urgent need for a furnished apartment for this man and his wife.

Mr. Cox also complimented the work of the C. D. A. athletic committee and all persons who assisted in any way in securing the new bleachers for the athletic field. "This is one of the outstanding improvements which the people of the town have made," he said.

Miss Sue Hallmark of Fort Worth visited in the home of Mrs. Lucille Stodghill over the week end.

Weather Report

For the period of September 7th through 13th, 1950, as reported by H. P. Hill, U. S. Weather Observer.

LINDA DARNELL, a native of Texas, now starring in 20th Century-Fox's colorful adventure drama, "Two Flags West," says, "I'm justly proud of the South, its distinguished citizens and its plain, everyday people." Southern manufacturers are sponsoring \$15,000 "What Dixie Means to Me" contest to call attention to the South's many advantages as a place to live.

Granddaughter Of Local Couple Dies Of Shock Friday

Evelyn Jenice Ford, 11 year old, daughter of Mr. and Mrs. Paul Ford of Fort Worth and granddaughter of Mr. and Mrs. J. L. Ford of Munday, died last Friday morning as a result of shock.

The child became ill and was taken to a Fort Worth hospital when the car was involved in a minor accident. She received no injuries in the accident and doctors attributed her death to shock.

Besides her parents, she is survived by three brothers. Funeral services were held from the Trinity Baptist Church in Fort Worth at three o'clock last Monday afternoon. Attending the funeral from Munday were Mr. and Mrs. J. L. Ford, Mr. and Mrs. Robert Ford and family, Mr. and Mrs. Billy Jack Steward, Miss Opal Booe, and Mr. and Mrs. Alvin Hollar.

Moguls Journey To Seymour For Game Friday

Coach David Green and his Munday Moguls "take to the road" for their second football game of the season on Friday night of this week. The journey will be to Seymour for the Moguls' annual engagement with the Seymour Panthers.

Both teams suffered defeat last Friday night. While the Moguls were getting trounced by the Crowell Wildcats, the Panthers took a 0-7 defeat at the hands of Ballinger.

Coaches Green and Stewart have been putting the Moguls through regular workouts this week and hope to have them in good shape for the Seymour tilt. Although this is a non-conference game, rivalry between the two teams have made the Mogul-Panther engagement one of the outstanding games of the season. This year is expected to be no exception. Many Munday fans are expected to be on hand for the opening kickoff.

Munday P.-T. A. To Hold Reception Tuesday Night

The Munday Parent-Teacher Association is holding its annual reception for teachers and new members at the school auditorium on Tuesday, September 19, at 4:15 p. m., it was announced this week by leaders in the organization.

All parents and all others interested in the welfare of the Munday Public Schools are urged to be present.

BIRTH ANNOUNCEMENT
Mr. and Mrs. J. B. Boone, Jr., announced the birth of a girl, Phyllis Marie, who was born Friday, September 8, at 3:30 p. m. in the Knox County Hospital. The little girl weighed 6 pounds and 14 ounces. Mother and daughter are reported to be doing nicely.

Youths Charged With Burglary Of Service Station

Two local youths were apprehended here Tuesday and charged with the burglary of the R. B. Bowden Gulf Service Station early Sunday morning. They were placed under bonds of \$1,000 each to await action of the grand jury.

The burglars allegedly gained entrance to the station through the wash house, forced open another door and secured another \$60 in money.

The burglary is believed to have occurred soon after five o'clock Sunday morning, and was discovered when the station was opened for business.

After the youths were arrested and confronted with evidence which local and county officers had obtained, it is reported they confessed to the burglary.

Knox County Hospital Notes

Patients dismissed September 14th:

Rev. Cecil Fox, Rochester; Earl Pruitt, Munday; Mrs. Dwaive Dodson and baby, Knox City; Doyle Pyatt, Benjamin; Mrs. Bob Jones, Knox City; Clara Beth Alsbrook, Rochester; Jo Denton, Knox City; Mrs. J. O. Brenton, O'Brien; Donald Decker, Munday; Mrs. H. C. Adams and baby, Rochester; A. J. Waldron, Munday; C. E. Robertson, Truscott; Mrs. Ramona Refugiatejerine and baby, Knox City; J. E. Gower, Knox City; Mrs. Walker Watson, Rochester; James Earl Myers, Seymour; C. L. Fields, San Angelo; Mrs. Toby Lane, Munday; A. R. Booe, Munday; Francis Burkenfeld, Munday; Mrs. L. C. Vance, Goree; Mrs. J. B. Booe and baby, Munday.

Patients in the hospital Monday, September 11th:

J. W. Faulkner, Spur; Andy Eiland, Munday; Jim Woodall, Weinert; Mrs. Paul Grimstead, O'Brien; Freddie Ray Smith, Munday; L. N. Burleson, Rochester; Jimmy Reed Jones, Knox City; Elvis Blake, Munday; Mrs. Paul Poe, Rochester; Mrs. Douglas Brack and baby, Wichita Falls; J. M. Williams, Rochester; Lillian Gibbins, Benjamin; O. C. Thomas, Throckmorton; Gerald Morrow, Munday; Laura Beth Branton, Knox City; Mrs. Minnie Olson, Gilliland; Buddy Conner; Mrs. W. N. Crafford, Rule; Pedro Sarabia, Knox City.

BIRTHS
Mr. and Mrs. Douglas Brack, Wichita Falls, a daughter.
Mr. and Mrs. Dwaive Dotson, Knox City, a daughter.
Mr. and Mrs. J. E. Booe, Munday, a daughter.
Mr. and Mrs. Ramona Refugiatejerine, Knox City, a daughter.

DEATHS
Baby Boy Casilis, Knox City.
B. B. Benton, Knox City.

Mr. and Mrs. E. V. Moore and daughter, and Miss Dolores Campbell of Abilene visited in the home of Mrs. T. C. Lowry and Mr. and Mrs. J. C. Campbell this week.

Goree Soldier's Body Is Returned Home; Funeral Services Held Monday

Spelce Is First To Retire From Local Fire Dept.

The first member of the Munday Volunteer Fire Department to retire under the Firemen's Relief and Retirement System of Texas is Ardiel Spelce, employee of the local post office.

Spelce rounded out 27 years of service with the local fire department last February. He is a charter member, having joined the department when it was organized. His service record dates from February 15, 1923.

Under the retirement plan, a volunteer fireman is eligible to retire at the age of 55 years and upon completion of 20 years or more of service. Another benefit of the retirement plan is that of becoming disabled as a result of injuries in line of duty while combatting a fire.

Spelce will receive a monthly retirement check of \$25.00 under benefits of the plan. This money is derived from a percentage of fire insurance written to Munday people and from a \$3.00 per year assessment on each individual fireman.

One or two other members of the department will be eligible for retirement within the next few years, according to Harvey Lee, city secretary. Better than \$3,000 is now credited to the local retirement fund, Lee stated.

2,500 Texans To Enter Service In October Call

State Selective Service headquarters has mailed calls to 137 local boards to deliver more than 2,500 men for induction into the army during the first two weeks in October.

This is the second call for induction sent out to the boards since the beginning of the Korean conflict. The first call, for 2,500 men, scheduled for delivery the last two weeks in September, was sent out two weeks ago.

Brigadier General Paul L. Wakefield, state director of Selective Service, said that state headquarters has received no call for November as yet. He added, however, that one for around 3,500 is expected to arrive any time.

The October inductions will take place at Abilene, Amarillo, Corpus Christi, Dallas, El Paso, San Antonio, Houston, Texarkana, and Shreveport on October 2 through 6 and October 9 through 14.

The quota for Local Board No. 82, headquarters at Benjamin, which is composed of Baylor, King and Knox Counties, is three men for October 6, 1950. These men will be inducted at the Amarillo station.

Gilliland Boys Enter Air Forces

Two Gilliland boys recently volunteered for service in the U. S. Air Forces, it was announced last week.

They were inducted at the Dallas induction station on Wednesday, September 6.

They are: Charles Robert Wilson, son of Mr. and Mrs. O. L. Wilson, and Bill Kinnebrough, son of Mr. and Mrs. Amos Kinnebrough.

Mr. and Mrs. G. R. Eiland Jr. and children of Lamesa visited in the home of Mrs. G. R. Eiland Sr. over the week end.

ORB COFFMAN ARE GRANDPARENTS, NOW

Mr. and Mrs. Jack Coffman of Floydada are announcing the arrival of a daughter, who was born on Monday, September 4, at the Lubbock Memorial Hospital. A suitable name for the little girl had not been selected the first of this week.

Grandparents are Mr. and Mrs. Orb Coffman of Goree and Mr. and Mrs. W. F. Krause of Graham. Orb's doing fine, so are the mother and baby girl!

The body of Corp. William Frank Reeves, 20, who was accidentally killed in Germany on August 9, arrived in his native home of Goree last Sunday. Sorrowing relatives and a large crowd of life-long friends gathered to receive the body upon its arrival.

Funeral services were held from the high school auditorium in Goree at three o'clock last Monday afternoon. Services were conducted by Rev. S. Y. Allgood, pastor, and Rev. S. E. Stevenson, pastor of the Goree Baptist Church. Again a large crowd of friends and relatives gathered to pay their last respects to a native son who lost his life while serving with the occupation forces in a foreign land.

Corp. Reeves, son of Mrs. Alman Reeves of Goree, was fatally injured when a military motorcycle he was riding collided with a bicycle. He was attached with the 114 Signal Service in the American Occupation Zone of Germany.

He was born in Goree and resided there until his enlistment. He entered the service in 1947 and was assigned to overseas duty a year later.

Survivors include his mother; two brothers, Heard and Jim Reeves, both of Wichita Falls, and a sister, Mrs. Mark Allen of Clarendon.

Burial was in the Goree Memorial Cemetery with full military honors. Graveside rites were conducted by Ben B. Hunt Post No. 549 of American Legion.

Boss B. Benton Dies on Tuesday At Knox City

Bos B. Benton, 62, well known Knox County farmer since 1905, passed away Tuesday morning at the Knox County hospital. He was born November 18, 1887, at Teller, Texas, and was married to the former Bess Lowry of this area, who survives him.

Funeral services were held from the First Methodist Church in Knox City at three o'clock last Wednesday afternoon, with burial in the Knox City cemetery under the direction of Warren Funeral Home. Survivors include his wife, a daughter, Mrs. Jack Wetzel, of Lamesa; a son, Jack Benton of Wichita Falls, Vester Benton of Amarillo, Will Benton of O'Brien, and Yager Benton, of Sargent; four sisters, Mrs. O. W. Holmes of Wichita Falls; Mrs. O. M. Nix of Houston, Mrs. Gene McClelland of Fort Worth and Mrs. Porter C. Lowrey of Knox City.

Texaco Station Now Open For Business

Alton (Tab) Garrett, operator of the Texaco Service Station, announces this week that the newly remodeled station is now open for business. Remodeling work has been under way for about a month.

Mr. Garrett invites the public to come in and see the new station. He reports that he has installed new equipment and is in position to render every service offered by the most modern service stations.

Attorneys Move Into New Quarters

M. F. Billingsley and Tom Bullington, local attorneys, and Mrs. Jessie Wood, secretary, are now comfortably situated in their new building which had just been completed by Mr. Billingsley just north of the square.

Work of moving into the new quarters was completed last week. The building affords them plenty of room and is modern in every respect.

NEAR CONTRACT DEPTH

Continental Oil Company's No. 1 Hamilton, Knox County wildcat six miles northwest of Knox City, was reported drilling below 5,424 feet several days ago in shale and sand.

 aron Edgar . . . Editor and Publisher
 Entered as second class matter January 4,
 19, at the postoffice in Munday, Texas, under
 act of Congress, March 2, 1879.

OUR NEEDS FOR 1950

1. Completion of our portion of the Throckmorton road, giving the farmers of that area an all-weather outlet.
2. A farm-to-market road to the north and east of Munday, possibly connecting with the Hefner road.
3. A U. S. Federal building. Munday needs new post office home.
4. More homes in Munday. We did a good job in 1949, but there's still a housing shortage.
5. A new telephone system, giving the town adequate telephone service and tapping the rural area surrounding the town.
6. Greater cooperation of business man, farmer, and citizen toward long-range development for our community.

THE COUNTRY PRESS SAYS

PARIS, TENN., PARISIAN: "Latest Civil Service figures show that the U. S. Bureau of Indian Affairs employs 12,741 people to care for 3,969 Indians in this country. This is an average of one bureaucrat for every 27 Indians."

WHITESBURG, KENTUCKY, MOUNTAIN AGL: "Holmes Alexander, recently wrote studies now being made show that Federal propaganda forces—about 45,000 government-ired publicity writers—are engaged in a cold ar against voluntary health insurance, for ex- mple. Pay-it-yourself plans have been entirely u successful for the socialistic state planners. Is rubbing it in when we, through taxes, are reed to pay the wages for work that is often gainst our best interests?"

CUEO, TEXAS, RECORD: "Since the begin- ing of the Korean incident there has been ounting demand from many sources for cur- lishment of government activities in line with the rtailments which will be demanded of private asiness and individuals. Industry is expected o submit to materials allocation and to govern- ment instructions as to priority of orders; re- ill business is expected to cooperate in meas- res to hold down prices and reduce consumer ying, thus reducing their income. Many in- dividuals will have to leave their civilian pursuits nd enter military service; those who stay at one are expected to adjust their lives to the eed of national emergency. Why should not e government, also, make sacrifices?"

MIDDLEBOURNE, WEST VIRGINIA, TY- ER CO. JOURNAL: "Well, inflation can be ough upon ourselves if we heard, buy greedily and try to purchase our future needs from to- ay's stock and bid and vie against each other or possession of commodities of life."

EMPORIA, KANSAS, GAZETTE: "The right f revolution by Jefferson, and reiterated by incoln, was conceived to be the right of the ople to overthrow a tyranny, not the right of en advocates of tyranny to overthrow the overnment of the people."

ONE-ARMED MEDICINE

A determined effort is being made by the Administration to establish a compulsory Federal medical service. The fact that countries already "blessed" with such monopolies lack the medical advantages of the United States, from the standpoint of progress, has not deterred those who favor compulsory socialization of the medical profession.

A sidelight on this issue has just been published by the Association of the American Physicians and Surgeons. The organization's "News Letter" contains a note written by Dr. William C. Black, San Diego, California, formerly president of AAPS, on his arrival in New York from a several months' European tour and study of socialism. He says he "stayed in Kenilworth, England, for a couple of days. . . . Found out the proprietor of the hotel was an anesthetist—specialist—and had quit a year ago, not because of pay, but because under the regulations of the National Service Act he was not permitted the freedom of judgment and action essential to the best interest of the patient. . . . Rather than do sub-standard work he just quit and now makes a living from the hotel. . . . He cares for the chickens, goats, sows and garden and his wife keeps the hotel, cooks and irons."

Dr. Black wrote that the physician-hotel proprietor told him: "This Act had the same effect on me, as a physician, as though I had lost an arm or gone blind or developed some other physical disability which would make it impossible for me to do my work properly."

MEN OF LITTLE FAITH

The new president of the American Medical Association, Dr. Elmer L. Henderson, touched on the true significance of the drive to socialize medicine when said: "American medicine has become the blazing focal point in a fundamental struggle which may determine whether America remains free, or whether we are to become a Socialist State, under the yoke of a government bureaucracy dominated by selfish, cynical men who believe the American people are no longer competent to care for themselves."

"These men of little faith in the American people propose to place all our people, doctors and patients alike, under a shabby, Government-dictated medical system which they call compulsory Health Insurance. But it is not just socialized medicine which they seek. Their real objective is to gain control over all fields of human endeavor—and to strip the American people of self-determination and self-government."

In other words, socialized medicine is just a spoke in a wheel—part of the master plan for subjecting all our resources, energies and liberties to the government, the bureaucrat, and the politician. One by one, if this plan succeeds, other professions and enterprises will come in for the same treatment. That is the way dictatorsships are insidiously established.

Everybody's back from vacation so exhausted they have to get away and take a rest.

I sure love to get out in the country—see the grass, the trees, watch the animals—the chickens—the cows. Incidentally, speaking of cows—I passed one on a farm yesterday and there she was—watching the rain maker trying to get rain out of them. She watched this process for a little while and then she turned to another cow and said: "You know, I know just how that cloud feels. She just ain't got it to give!"

Boy, oh boy! Don't talk to me about insurance. I've certainly got a bunch of it—all kinds too. Some day I'll have to get sick and see if it works!

That Archie Bleyer certainly has a fine orchestra and the men are so alert. For three years now they have been playing the same theme song—and tonight for the first time not one man had to look at the music.

There was quite a to-do the other day in London. The King got together several of his worthy subjects and bestowed upon them the Order of the Garter. Snappy affair, eh what?

HEARD ON CBS TALENT SCOUTS

Don Coffman, who is attending Cisco Junior College, visited relatives and friends here and at Goree over the week end.

James A. Stephens, Attorney-at-Law

OFFICE IN STEPHENS BLDG. BENJAMIN, TEXAS

Have prosecuted and defended many criminal and civil cases in the trial and appellate courts. The records of the courts in many counties tell the story. Fees reasonable.

In 1903, George C. Murrell joined the Sulphur Springs fire department. On January 1, 1950, he retired as chief but is still a member of the department and is fire marshal of the city.

Murrell saw the equipment change from the old hand-drawn hose cart to three large American LaFrance fire trucks. The News-Telegram (Eric Bagwell, editor) several years ago related some of the veteran firefighter's experiences.

He recalls a fire that broke out at night and lasted for hours. The flames started in the old Elks Hall on Connally street. Four buildings on the south side of the street were destroyed and wind swept the flames across to destroy two buildings on the north side of the street. Surrounding buildings were kept soaked in water to prevent spread of the fire and Chief Murrell was standing near a partial wall with hose trained on one of the nearby structures when the wall caved in.

The closes call that he ever had, however, was when the oil mill burned. He and another fireman, Kirk Kellogg, were on the ground holding the line through a doorway on the second story. Suddenly the high

brick wall tottered and fell. In that fleeting instant when he saw the wall leaning toward him, Murrell yelled, "Step forward." Spectators screamed as the wall fell, for they believed the two firemen killed, but when the dust and smoke cleared away, there they stood, unharmed.

When Murrell saw that they did not have time to clear a pathway of the wall, he gave the signal to move forward so that, as the wall fell, they were in line with the doorway and so the wall passed over them and they didn't receive even a scratch.

A judge said to a jury, "You have been out for 36 hours. Have you reached a verdict?" "We haven't even elected a foreman yet! There are six Democrats and six Republicans on this jury."

Bill Doolin, notorious old-time outlaw, escaped from jail by telling a joke and then, while the guard was doubled up with laughter, grabbing his pistol. History does not tell what the joke was.

Mr. and Mrs. C. C. Harpham returned home last Monday from Harlingen, where Mr. Harpham had been buying cotton for about two months.

Barry Barker of Lockney visited in the home of Mr. and Mrs. C. P. Baker over the week end.

Legal Notice

AUGUST 14, 1950

BE IT REMEMBERED That the Honorable Commissioners Court convened in regular session on this, the 14th day of August, A. D., 1950, with the Honorable J. B. Eubank, Jr., County Judge, presiding with all members of said County present.

Among other orders the following order was passed.

Upon motion by George Nix, seconded by O. L. Knight, it is ordered by the Court that Hefner voting box No. 10 be abolished and consolidated with the Goree voting box No. 5, and that said voting box shall hereafter be described by metes and bounds as follows:

BEGINNING at the S. E. Corner of Knox County, same being the N. E. Corner of Haskell County; Thence North with the East line of Knox County to a point on the Brazos River; Thence up said river with its meanders to the N. E. corner of Survey No. 21, D. G. Burnett lands; THENCE South with the East line of said Survey No. 21 to its S. E. Corner; Thence South to S. W. Corner of Survey No. 24, Block 2, D&W Ry. Co. Survey, continuing South with the East lines of Surveys Nos. 26, 76, 29, 32 and 33 to the S. E. Corner of said Section 33 and the N. W. Corner of Samuel Washburn Survey; Thence South with West line of Samuel Washburn Survey to the S. B. L. of Knox County; Thence East with said S. B. L. to the place of beginning. ALL VOTING AYE. 5-3c

Knox Prairie Philosopher Wants Self-Employment Benefits, Provided He Can Define Word Self-Employment

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek, has gotten wind of Social Security for farmers, and you can depend on him to try to qualify.

I heard Social Security benefits was gonna be extended to practically everybody, farmers and other self-employed people included, such as barbers, merchants, etc., and I was in such a hurry to find out all the details I violated one of my basic principles and rushed into town and bought a newspaper, paid cash for it out of my own pocket, and took it home and read all I could find out about it.

The self-employed is gonna be included, and a man who runs his own business fifteen or twenty years and then goes busted can get retirement pay the same as the man who worked for him during them years, and this seems fair to me, an employer probably ought to eat in his old age the same as an employee. Also, a farmer can even get it, although it sometimes don't take fifteen or twenty years for a farmer to find out he's busted, don't make no difference if some of em keep right on farmin anyway, busted or not.

Now I aim to apply for social security as soon as they get the forms printed, but first I would appreciate you findin out just how technical the government's gonna be on this "self-employed" business.

As a farmer, I'm naturally self-employed, but what I want to know is how strict is the government gonna be on defining self-employment? Say a man has a modern outlook, ain't no slave-driver, believes in fine labor-management relations, and has a tendency to be sort of easy with himself . . . is the government gonna be bureaucrat about this and go checking up

Governor To Open Rodeo For Prison System

HUNTSVILLE — Mr. French Robertson, Chairman of the Rodeo Committee, Texas Prison Board, stated today that Governor Allan Shivers has accepted the Prison Board's invitation to attend the opening ceremonies of the nineteenth annual Prison Rodeo, to be held here Sunday, October 1st. The Governor and his party will be the

guests of Prison Manager O. B. Ellis during their stay at the Rodeo.

In further display of honor to Governor Shivers, Mr. A. C. Turner, rodeo publicity director, stated that the White Oaks School Band is appearing on opening day. This band has gained nationwide recognition as the largest trurla school band in the country and has brought well deserved credit to the state of Texas.

Mr. Robertson promised many special features for Governor's day ceremonies and says that it will be the fastest, wildest show in the history of the rodeo. Activities will start promptly at 2:00 P. M., on October 1, 1950, and continue each Sunday throughout October.

A full complement of newsmen are expected to cover this nationally known show for press, radio, newsreel and magazine publications. Mr. Roy Dillon will again be at the microphone as Rodeo Announcer.

Plenty of seats will be available with the new modern bleachers replacing the old wooden stands. Reserved seats are now on sale at the Prison Ticket office in Huntsville. Prices are two dollars (\$2.00) plus tax, totaling \$2.40 for reserved seats.

on how much work he's been doing for himself?

If any such undertakin is likely, the whole program will blow up as far as I'm concerned. It's perfectly all right for the government to offer me retirement pay after I've spent a lifetime workin, but if it comes snoopin around inquirin into how much work that included, down to hours and profit, the thing ain't not better than what we got now. A self-employed man ain't no clock-puncher. A man workin for himself may apparently be dozin in the shade, but his brain may be racin. You don't have to be hunched over on a tractor seat necessarily to be workin, under my system.

Let's get a ruin on this before we go any further. Yours faithfully, J. A.

Mr. and Mrs. Bill Dingus of Orange came in a few days ago for a visit with Bill's father, G. W. Dingus, and other relatives and friends.

Mr. and Mrs. R. T. Parramore have returned to their home in Dallas after a visit with relatives and friends here.

Miss Ruby Morris visited with friends and relatives in Knox City over the week end.

Jim Strain of Haskell was a business visitor here last Monday.

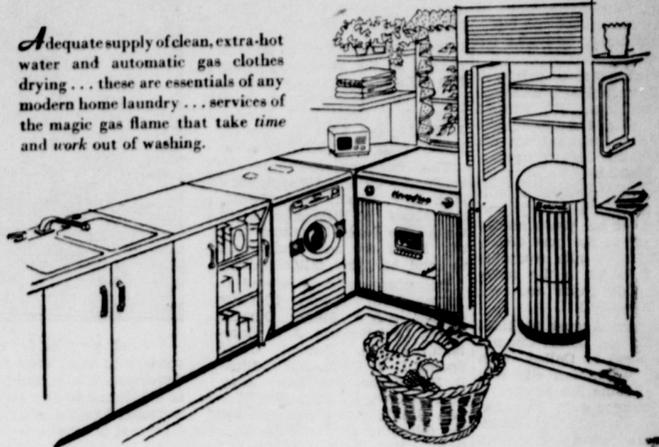

Be careful. Obey state and local traffic rules.

I. V. Cook was a business visitor in Abilene last Monday.

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives on and On."

The Munday Times

Published Every Thursday at Munday
Arnon Edgar and Grady Roberts . . . Owners
Arnon Edgar . . . Editor and Publisher
Entered as second class matter January 4,
1919, at the postoffice in Munday, Texas, under
act of Congress, March 2, 1879.

OUR NEEDS FOR 1960

1. Completion of our portion of the Throckmorton road, giving the farmers of that area an all-weather outlet.
2. A farm-to-market road to the north and east of Munday, possibly connecting with the Herter road.
3. A U. S. Federal building. Munday needs new post office home.
4. More homes in Munday. We did a good job in 1949, but there's still a housing shortage.
5. A new telephone system, giving the town adequate telephone service and tapping the rural area surrounding the town.
6. Greater cooperation of business man, farmer, and citizen toward long-range development for our community.

THE COUNTRY PRESS SAYS

PARIS, TENN., PARISIAN: "Latest Civil Service figures show that the U. S. Bureau of Indian Affairs employs 12,741 people to care for 33,969 Indians in this country. This is an average of one bureaucrat for every 27 Indians."
WHITESBURG, KENTUCKY, MOUNTAIN AGLE: "Holmes Alexander, recently wrote at studies now being made show that Federal propaganda forces—about 45,000 government hired publicity writers—are engaged in a cold war against voluntary health insurance, for example. Pay-it-yourself plans have been entirely so successful for the socialistic state planners. . . . It is rubbing it in when we, through taxes, are forced to pay the wages for work that is often against our best interests."
CUEO, TEXAS, RECORD: "Since the beginning of the Korean incident there has been mounting demand from many sources for curbing of government activities in line with the ailments which will be demanded of private business and individuals. Industry is expected to submit to materials allocation and to government instructions as to priority of orders; retail business is expected to cooperate in measures to hold down prices and reduce consumer buying, thus reducing their income. Many individuals will have to leave their civilian pursuits and enter military service; those who stay at home are expected to adjust their lives to the needs of national emergency. Why should not the government, also, make sacrifices?"
MIDDLEBOURNE, WEST VIRGINIA, TYLER CO., JOURNAL: "Well, inflation can be fought upon ourselves if we heard, buy greedily and try to purchase our future needs from today's stock and bid and vie against each other or possession of commodities of life."
EMPORIA, KANSAS, GAZETTE: "The right of revolution by Jefferson, and reiterated by Lincoln, was conceived to be the right of the people to overthrow a tyranny, not the right of pen advocates of tyranny to overthrow the government of the people."

ONE-ARMED MEDICINE

A determined effort is being made by the Administration to establish a compulsory Federal medical service. The fact that countries already "blessed" with such monopolies lack the medical advantages of the United States, from the standpoint of progress, has not deterred those who favor compulsory socialization of the medical profession.
A sidelight on this issue has just been published by the Association of the American Physicians and Surgeons. The organization's "News Letter" contains a note written by Dr. William C. Black, San Diego, California, formerly president of AAPS, on his arrival in New York from a several months' European tour and study of socialism. He says he "stayed in Kenilworth, England, for a couple of days. . . . Found out the proprietor of the hotel was an anesthetist—specialist—and had quit a year ago, not because of pay, but because under the regulations of the National Service Act he was not permitted the freedom of judgment and action essential to the best interest of the patient. . . . Rather than do sub-standard work he just quit and now makes a living from the hotel. . . . He cares for the chickens, goats, sows and garden and his wife keeps the hotel, cooks and irons."
Dr. Black wrote that the physician-hotel proprietor told him: "This Act had the same effect on me, as a physician, as though I had lost an arm or gone blind or developed some other physical disability which would make it impossible for me to do my work properly."

MEN OF LITTLE FAITH

The new president of the American Medical Association, Dr. Elmer L. Henderson, touched on the true significance of the drive to socialize medicine when said: "American medicine has become the blazing focal point in a fundamental struggle which may determine whether America remains free, or whether we are to become a Socialist State, under the yoke of a government bureaucracy dominated by selfish, cynical men who believe the American people are no longer competent to care for themselves."
"These men of little faith in the American people propose to place all our people, doctors and patients alike, under a shabby, Government-dictated medical system which they call compulsory Health Insurance. But it is not just socialized medicine which they seek. Their real objective is to gain control over all fields of human endeavor—and to strip the American people of self-determination and self-government."
In other words, socialized medicine is just a spoke in a wheel—part of the master plan for subjecting all our resources, energies and liberties to the government, the bureaucrat, and the politician. One by one, if this plan succeeds, other professions and enterprises will come in for the same treatment. That is the way dictatorships are insidiously established.

OUT OF GODFREY'S TEABAG

Everybody's back from vacation so exhausted they have to get away and take a rest.

I sure love to get out in the country—see the grass, the trees, watch the animals—the chickens—the cows. Incidentally, speaking of cows—I passed one on a farm yesterday and there she was standing looking up at the clouds—watching the rain maker trying to get rain out of them. She watched this process for a little while and then she turned to another cow and said: "You know, I know just how that cloud feels. She just ain't got it to give!"

Boy, oh boy! Don't talk to me about insurance. I've certainly got a bunch of it—all kinds too. Some day I'll have to get sick and see if it works!

That Archie Bleyer certainly has a fine orchestra and the men are so alert. For three years now they have been playing the same theme song—and tonight for the first time not one man had to look at the music.

There was quite a to-do the other day in London. The King got together several of his worthy subjects and bestowed upon them the Order of the Garter, Snappy affair, eh what?

HEARD ON CBS TALENT SCOUTS

Don Coffman, who is attending Cisco Junior College, visited relatives and friends here and at Goree over the week end.

Legal Notice

AUGUST 14, 1950

BE IT REMEMBERED That the Honorable Commissioners Court convened in regular session on this, the 14th day of August, A. D., 1950, with the Honorable J. B. Eubank, Jr., County Judge, presiding with all members of said County present.

Among other orders the following order was passed.

Upon motion by George Nix, seconded by O. L. Knight, it is ordered by the Court that Hefner voting box No. 10 be abolished and consolidated with the Goree voting box No. 5, and that said voting box shall hereafter be described by metes and bounds as follows:

BEGINNING at the S. E. Corner of Knox County, same being the N. E. Corner of Haskell County; Thence North with the East line of Knox County to a point on the Brazos River; Thence up said river with its meanders to the N. E. corner of Survey No. 21, D. G. Burnett lands; THENCE South with the East line of said Survey No. 21 to its S. E. Corner; Thence South to S. W. Corner of Survey No. 24, Block 2, D&W Ry. Co. Survey, continuing South with the East lines of Surveys Nos. 26, 76, 29, 32 and 33 to the S. E. Corner of said Section 33 and the N. W. Corner of Samuel Washburn Survey; Thence South with West line of Samuel Washburn Survey to the S. B. L. of Knox County; Thence East with said S. B. L. to the place of beginning. ALL VOTING AYE. 53tc

James A. Stephens, Attorney-at-Law

OFFICE IN STEPHENS BLDG. BENJAMIN, TEXAS

Have prosecuted and defended many criminal and civil cases in the trial and appellate courts. The records of the courts in many counties tell the story. Fees reasonable.

In 1903, George C. Murrell joined the Sulphur Springs fire department. On January 1, 1950, he retired as chief but is still a member of the department and is fire marshal of the city.

Murrell saw the equipment change from the old hand-drawn hose cart to three large American LaFrance fire trucks. The News-Telegram (Eric Bagwell, editor) several years ago related some of the veteran firefighter's experiences.

He recalls a fire that broke out at night and lasted for hours. The flames started in the old Elks Hall on Connally street. Four buildings on the south side of the street were destroyed and wind swept the flames across to destroy two buildings on the north side of the street. Surrounding buildings were kept soaked in water to prevent spread of the fire and Chief Murrell was standing near a partial wall with hose trained on one of the nearby structures when the wall caved in.

The closes call that he ever had, however, was when the oil mill burned. He and another fireman, Kirk Kellogg, were on the ground holding the line through a doorway on the second story. Suddenly the high

brick wall tottered and fell. In that fleeting instant when he saw the wall leaning toward him, Murrell yelled, "Step forward." Spectators screamed as the wall fell, for they believed the two firemen killed, but when the dust and smoke cleared away, there they stood, unharmed.

When Murrell saw that they did not have time to clear a pathway of the wall, he gave the signal to move forward so that, as the wall fell, they were in line with the doorway and so the wall passed over them and they didn't receive even a scratch.

A judge said to a jury, "You have been out for 36 hours. Have you reached a verdict?" "We haven't even elected a foreman yet! There are six Democrats and six Republicans on this jury."

Bill Doolin, notorious old-time outlaw, escaped from jail by telling a joke and then, while the guard was doubled up with laughter, grabbing his pistol. History does not tell what the joke was.

Mr. and Mrs. C. C. Harpham returned home last Monday from Harlingen, where Mr. Harpham had been buying cotton for about two months.

Barry Barker of Lockney visited in the home of Mr. and Mrs. C. P. Baker over the week end.

Truscott Pioneer Host For Family Reunion Sunday

Host for a family reunion held Sunday at his Truscott home was 95-year-old W. C. Chowning, pioneer resident of this area. Some 80 to 90 members of his family gathered for a reunion.

Mr. Chowning is a patriarch of a family including 9 children, 41 grandchildren, 49 great-grandchildren and 9 great-great-grandchildren. Deceased are his wife, one child and a great-great-grandchild.

The Truscott pioneer is still alert and active for his age, and he has not let his years hinder him. He walks to the post office, about one-fourth mile from his home. He listens to the radio, reads the daily paper and enjoys life in general.

He was born August 10, 1855, at Little Elm in Dallas County. He often went to Dallas with his parents when that city was a village of some 300 people.

In his younger days, he worked with crews of buffalo hunters in West Texas. He remem-

Wesleyan Service Guild Meets With Mrs. Robert Green

The Wesleyan Service Guild met on Monday evening, September 11, in the home of Mrs. Robert Green with Miss Merle Dingus as co-hostess.

Mrs. Weldon Smith was in charge of the study on "The Near East Panorama." Taking parts on the program were Mrs. I. V. Cook, E. R. Ponder, J. W. Massey, Levi Bowden, Joe Bailey King and Miss Dingus.

The business meeting was conducted by the vice-president, Mrs. I. V. Cook. Mrs. Gaither told about the little orphan girl whom the Guild is taking care of. Plans are now under way to send her new fall clothing.

Refreshments were served to Misses Ruth Baker, Florence Gaines and Merle Dingus; Mrs. Levi Bowden, J. C. Harpham, E. R. Ponder, Oscar Spann, I. V. Cook, Bill Gaitther, B. H. Bowden, Joe Bailey King, C. P. Baker, R. L. Butler, Weldon Smith, the hostesses and the following guests: Rev. R. L. Butler, Mrs. John F. Nixon and Mrs. G. R. Eiland. Mrs. Lee Haymes was enrolled as a new member.

Asbestos Attire Sets New Style in Homes

Long popular for modernization and remodeling, asbestos-cement siding shingles have come into their own as an exterior finish for new homes. How well this type of siding, developed within the past two decades, harmonizes with traditional American architecture is evidenced in the home pictured above. Asbestos siding, in addition to its unique attractiveness, has the advantage of being fire-safe and practically free from maintenance expense. The roof is covered with a companion material, asbestos roofing shingles.

Sunset Club To Sponsor Forty-Two, Canasta Games

The Sunset home demonstration club is sponsoring forty-two and canasta games at the sunset school auditorium on Tuesday night, September 19, beginning at eight o'clock. A small admission fee of 25 cents per person will be charged. Proceeds will go to the club.

Cake, coffee and ice cream will also be on sale. If you want to have lots of fun, we invite you to come and play forty-two and canasta with us.

bers the hardships of the war between the states and the reconstruction period that followed. Money then was practically non-existent, and he recalls, people bartered for necessities.

After his marriage to Nancy Elizabeth Lloyd, he moved to Jack County where he still owns two farms.

During World War II, ten of Mr. Chowning's grandsons and a granddaughter served in the armed forces. Nine of them saw service overseas, and all returned.

Mary Lou Poe And Leo P. Reddell Are Married Sept. 2

Miss Mary Lou Poe and Leo Prentice Reddell were married at 8 o'clock Saturday evening, September 2, at the home of the bridegroom's parents, Mr. and Mrs. Fred Reddell.

Parents of the bride are Mr. and Mrs. Lenzo Poe of O'Brien. She is a graduate of the O'Brien High School and is employed at the Rexall Drug Company here.

The bridegroom is employed at the Paymaster Gin. He graduated from Sunset High School. Officiating at the double ring ceremony was the Rev. Edwin Stewart, pastor of the Gillespie Baptist Church. Attendants were Edith Poe of O'Brien, sister of the bride, and Royce Reddell, brother of the bridegroom.

The room was decorated with fern and pink gladioli.

The bride wore a blue-green dress with brown accessories. She carried a white Bible topped with white carnations and white streamers. Dress for the maid of honor was light brown with dark brown accessories. Her flowers were pink gladioli.

Guests for the wedding included the parents of the couple, Jo Ann Whittemore and Billy Joe Henslee of Munday, and Edd Brooch of Dallas.

The couple left for a wedding trip to Oklahoma.

Sunset H. D. Club Meets Thursday With Mrs. Nix

The Sunset Home Demonstration Club met on Thursday, September 7, in the home of Mrs. Jerry Nix. Seven members answered the roll call, and "Follow the Gleam" was sung for the opening exercise.

Each member was asked to have yearly reports ready for the next club meeting. The council report was given by Mrs. H. R. Hicks and Mrs. R. M. Almanrode. The encampment report was given by Mrs. Gill Wyatt, and a report on the state meeting at Big Spring was given by Mrs. Hicks.

Various samples of floor coverings were displayed for the demonstration on floor coverings, and everyone showed interest in this display. The club voted to sponsor forty-two and canasta games at the Sunset school on Tuesday night, September 19, as a means of raising money for the club.

Refreshments were served to Mrs. Weldon Floyd, H. R. Hicks, R. M. Almanrode, Gill Wyatt, R. C. Patridge, J. S. Shannon and Jerry Nix. The next meeting will be on Thursday, September 21, in the home of Mrs. Gill Wyatt.

Shower Honors Mrs. Snailum On Last Thursday

Mrs. Billy Joe Snailum, the former Miss Vera Hahn, was honored with a wedding shower, Thursday afternoon, September 7th, from 5:00 to 7:00 p. m. on the picturesque lawn of Mrs. H. B. Sams, Sr. Beautiful gifts were on display for the bride.

Mrs. O. W. Driver presided at the guest book. Thirty-five registered during the afternoon.

A delicious refreshment plate of individual frosted cakes, mints and punch were served to the guests.

Hostesses for the occasion were Mrs. E. B. Sams, Mrs. Howard Barnett, Mrs. Leon Bivins, Mrs. H. B. Sams, Sr., Mrs. J. C. Patterson and Mrs. Oren W. Driver.

GO TO TENNESSEE

Mrs. Joe W. Stevens and sons left Saturday for Nashville, Tenn., to join their husband and father, who is serving in the U. S. Air Forces there. They went by plane from Wichita Falls.

Billy Cammack left the first of this week for Canyon to enter West Texas State College for the fall term.

LOCALS

Mr. and Mrs. Jeff Bowden and daughter of Wichita Falls are visiting in the homes of Mr. and Mrs. J. O. Bowden and Dr. and Mrs. Ben Bowden.

Mrs. E. W. White of Seymour visited in the home of Mr. and Mrs. John F. Nixon Tuesday and Wednesday of this week.

Mr. and Mrs. Riley Brooks of Odessa were guests in the home of Mr. and Mrs. J. O. Bowden last Saturday.

Mrs. Roy Bullington and Mrs. Dee Mullican visited friends and relatives in Knox City last Sunday.

Mr. and Mrs. A. B. Warren visited in the home of Mr. and Mrs. Porter Bryan in San Angelo over the week end.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Baker announced the birth of a boy born Tuesday, September 12, at the Knox County Hospital. Mother and son are doing nicely.

Miss Dorothy Perry of Washington, D. C., came in last week for several days visit with her sister, Mrs. J. E. Reeves. She and Mrs. Reeves left Tuesday for points on the plains to visit relatives.

Mrs. George Duval of Oklahoma City is here for a visit with her sister, Mrs. J. O. Bowden.

Irene McClaran left last Tuesday to enroll in Wichita and General Hospital School of Nursing.

Drive carefully—the life you save may be your own!

CARD OF THANKS

We wish to express our gratitude and deep appreciation to our many friends, whom we may not contact personally, for the kindnesses and expressions of sympathy extended us in our recent bereavement. May God bless you every one.

Mrs. Alma Reeves and family.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Frank Clements of Andrews announce the arrival of a daughter, Margaret Rose, on September 8, 1950, at Western Clinic Hospital in Midland. Paternal grandmother is Mrs. J. C. Clements of Lubbock, and maternal grandmother is Mrs. Rose Jones of Munday, who is in Andrews at this time.

New Idea in Dishwashing

Operating on a "revolutionary" principle of automatic dishwashing, this new Youngstown Kitchens dishwasher will do the family's dishes in less than 10 minutes. The young lady holds the partially filled upper basket to show how cups, glasses and silverware are positioned. A lower basket holds plates, larger dishes and pans. The machine will hold table services for six people. The tube in the middle of the tub is a jet tower which spins and throws powerful streams of water which shear food particles off dishes. Water at 180 degrees is delivered from a booster heater tank in the machine.

The above Electric sink, as well as all Youngstown Kitchens are carried in our stock, in colors to harmonize.

NEXT BEST THING TO A RAISE IN PAY!

Pay raises are getting few and far between, but you can save up to \$5 a week from your present income*, by renting a locker and living out of it.

You can either buy your meats wholesale from us, or we'll be glad to process your own hogs, steers, or heifers. Either way you'll save an average of 9¢ a pound or more on every pound of meat you serve your family.

You can make further savings by quick freezing fruits and vegetables, and enjoy better tasting, more flavorful and more healthful foods, the year round.

Come in and let us show you how you can live better—for less, by renting a locker and using it regularly.

(* Savings based on average family of 5.

Let's Talk Livestock

(By Ted Goudly)

FORT WORTH — The big question right now in the minds of nearly everyone concerned with livestock is whether rationing, price controls or something of that nature may be in the making in Washington.

We are still in a period of light receipts for most classes of livestock. Meat prices at retail levels have shown small inclination to weaken. However, prices of slaughter livestock have developed a few soft spots this week and last and at the moment, the situation does not appear critical enough to justify government intervention in the trade.

About the only class that shows any inclination to run away in prices is stockers. We are hearing some talk that 40 percent stocker calves will be seen in October. We have been hearing some talk that 50 cents a pound cattle may be in the making for the year ahead or in the next two or three years.

We dunno. We remember some talk about 50 cent cotton during the last war and in World War I and some folks suffered losses by holding for such prices. We do know that it is the history of the livestock business that more folks have lost money by waiting to sell at the "high" time and before they knew it the high time was behind them, and usually the person who sells when he has a profit in his stock will be in business a long, long time.

Today at Fort Worth the Tom Burnett Estate marketed some yearling steers and heifers, the steers at \$30 and the heifers at \$26. This sale was unevenly higher again. Some milker cows pretty good kinds, weighing

around 800 pounds, drew \$25.25, a strong price. A short truck lot of 411-pound calves from P. R. Bonds, Hicks, Texas, sold at \$31.50.

Two leads of steers from the Aspermont, Texas, Aspermont Farms sold today at \$24.75 for a 911-pound load and 940 pounds for a load at \$26.50. Strong prices for grassers, most of them pretty plain. Elmer Richey, Hamilton, had in 44 head of well finished yearlings that averaged 763 pounds and brought \$30.

There have been large numbers of range bulls marketed recently and the market on them was weak to 50 cents lower with a practical top of \$24.50. This would indicate a somewhat liberal supply of sausage meat in the hands of packers and probably canner and cutter cows will ease off somewhat in the near future as pork trimmings and other kinds of sausage meat become more plentiful.

Contrary to the way most of the Cornbelt markets worked out, the Southwestern hog market opened the week with gains. Some Cornbelt markets were 25 to 50 cents and a few of them 50 cents to \$1 lower Monday, but prices were around 25 cents higher at Fort Worth and some sows were 50 cents up. The hog top at \$23.50 and \$23.75 Monday represented the highest levels since early last year.

Very few good fat lambs are seen these days and stocker and feeder demand remains very broad. Probably fat lambs will be scarce until the feedlot lambs and wintered pasture grazed lambs begin to move to market. You will recall that last week we reminded you that some feeder lambs selling at \$26 at Fort Worth would not be unexpected. Today some feeder lambs from Mrs. A. D. Jones

Here's How To Make Beef Profits

Here's how Judge F. W. Fischer (center) bought these two-year-old steers weighing 830 pounds a few months back. Running them on improved pastures with supplemental feed, and after a stay in the drylot of about 60 days, these steers weighed 1,122 pounds at Fort Worth recently and brought \$30 per hundred. Texans can handle cattle this way, get prices within a dollar or two of prime yearling fat steers and find a ready market in the vast Southwest consumer market. It adds up to quick, sure and pleasing profits at a saving of feed expense. Pictured with Judge Fischer is W. L. Pier, manager of the Fort Worth Stockyards, and Carl Repeto (horseback), head cattle buyer for Armour & Co., who bought them. Fischer has his feeding troughs set up in such a labor-saving way that one man can feed hundreds of cattle in a very little time. His ranch near Gainesville is one of the show places of the Southwest.

Big Gain Shown In National 4-H Leader Awards

Rapid increase in participation in the National 4-H Leadership program since 1948 was announced by G. L. Noble, director, National Committee on Boys and Girls Club Work, in a Chicago interview.

Noble pointed out that 97,119 members were enrolled in the program last year, as compared with 73,176 in 1948, an increase of more than 32 percent. Forty-five states accepted the program in 1948, while 47—including Texas—did so this year.

Awards comprise a gold medal honor to the outstanding boy county, and a gold-filled wrist watch to the boy and girl State champions. Educational trips to the Chicago National 4-H Club Congress next November, will be awarded to eight sectional winners—four boys and four girls—selected from the State champions. On the national level \$300 college scholarships will be given to the high ranking boy and girl, and \$150 college scholarships to the second boy and girl. All these awards are provided by Edward Foss Wilson, Chicago meat packing president.

Estate, Roswell, New Mexico, and L. T. Lewis, Roswell, had loads at \$26 that weighed about 70 pounds.

LOCALS

Mr. and Mrs. Lee Haymes visited in Irving last Friday night and Saturday. Mrs. Donald Jolly and son, accompanied them as far as Irving on return to their home in Hillsboro.

Mrs. C. P. Baker is in Dallas this week, visiting with her son, W. D. Baker, and other relatives.

Mr. and Mrs. John C. Spann and son, Sam, visited with relatives in Dallas over the week end.

Mr. and Mrs. F. O. Gurley were business visitors in Abilene and Coleman over the week end.

John Porter attended a Chevrolet dealers' meeting in Wichita Falls last Tuesday.

In addition, the two top national winners—boy and girl—will each receive a silver plated serving tray for permanent possession, donated by the Horace A. Moses Foundation of West Springfield, Massachusetts. Last year's state winners were Harry Schneider, of Seguin, and Betty Blackerby, of White-rig. One hundred and fifty blue award winners received county medals.

The program was directed by the Cooperative Extension Service. County Extension agents will furnish full information.

FARM NEWS

From the County FFA Committee

BRANNON DISCUSSES FARM SITUATION

Farmers are ready to assure the Nation that whatever the demands may be for food and fiber, they will come through with the required production, Secretary of Agriculture Charles F. Brannon recently told an Indiana farm group.

"Right now we are in fine shape," the Secretary said. "Our food production resources are far and away the greatest in the world. American farmers have the know-how it takes. And they have been plowing back into

their business the gains of relative prosperity, making farming more highly efficient than ever before. Another year of very large farm output is in prospect. Even allowing for increases in military food requirements, we expect to have enough food so that civilians can continue consuming as much as in the past 2 years.

"Much of the progress already achieved, and much that will be achieved, owes a great deal to the valuable farm programs developed over the past 2 decades. These programs did not come into being automatically. Farm people with determination and ideas made known the needs of agriculture in this changing world. They have led in developing the measures that are needed, and they have been public-spirited enough to handle the jobs of local administration. In many cases, they have developed in their ranks a leadership that has reached beyond local to State, national, and international levels.

"Although I want to emphasize that our future require-

ments are not yet fully known, we should be able given adequate labor, equipment, and supplies to turn out all the food and fiber we'll need for the foreseeable future."

Secretary Brannon recognized that circumstances could again arise in which such devices as allocations, price controls, rationing, and other regulations would be necessary to protect the national economy.

However, he said that "American farmers have the opportunity to help postpone or avoid such regulations by simply following their natural desires to produce efficiently and abundantly. Right now the big task for farmers is to maintain production by keeping tooled up for abundance.

"The Department will do all

that it can to keep farmers supplied with up-to-date information related to the farm production job and to keep our programs geared to actual conditions.

"Wheat producers already have the guidance of wheat acreage allotments. Other acreage allotments, will, of course, be announced as far in advance of planting seasons as possible, and, if production goals seem likely to be useful for commodities on which we do not have acreage allotments, goals will be announced. Price support announcements will serve as further guides.

"We will also keep in close touch with the farm equipment and supplies situation. . . . Present plans call for continuing the ACP and aid through the

Soil Conservation Service in 1951 at the same level as in 1950.

"Agriculture is strong. But we must be very certain that we can keep our production geared to actual requirements. We need the kind of agriculture—that is able to shift its production gears quickly and efficiently. To do that, farmers need reasonable and fair price support protection. And the whole nation needs a program that will give the people the full benefit of abundant production.

"Let us strive to make our agriculture as strong and secure as it needs to be. For whatever we do to render farmers better able to play their role in this changing world will help the entire nation on to final victory in its struggle for peace and security."

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

AUSTIN—While the specific cause of rheumatic fever has not been discovered, several factors associated with it and its onset and recurrence are now generally recognized, said Dr. George C. Cox, State Health Officer.

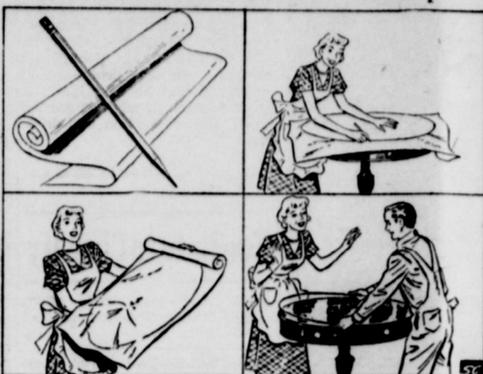

Rheumatic fever is serious because it may affect the heart. Age is important. Rheumatic fever usually begins in childhood at about 5 or 6. Although adults may have it, there is a susceptibility to the disease which causes rheumatic fever to be more common in some families than in others. The other factors which may favor its onset, combined with an individual's susceptibility, are frequent chilling, damp or overcrowded living quarters and a poor diet.

The early signs and symptoms may be slight. Some of them, which occur singly or in combination are: failure to gain weight, poor appetite, pallor, repeated nosebleeds, low persistent fever, and frequent complaint of pain in the arms, legs or abdomen. These symptoms do not necessarily mean that a child has rheumatic fever, but they do indicate that he is below par and should be examined by a physician and his advice followed.

The more characteristic signs include painful, inflamed joints. The child may be irritable without good reason, cry easily, or develop other nervous habits. It is vitally important to spare the heart unnecessary work for as long as the disease is active and for a period of convalescence afterward. A child with rheumatic fever should remain in bed until, in the physician's opinion, it is safe for him to get up.

Some children recover from rheumatic fever without developing heart trouble, or the damage to the heart may be so slight that the child can live a normal life. In other cases, the child recovers from the acute attack but is left with an impaired heart.

Glass Protects, Beautifies Tabletops

Do you find yourself cringing every time a guest drops a cigarette on one of your tables? Do you have to play part-time traffic cop to keep the children's toy autos on the floor instead of leaving tire marks on your freshly waxed table surfaces? If so, the solution to the problem is glass for your tabletops. They not only protect, but add to the lustre and bring out the grain of the wood, and in addition, are far easier to clean.

Following steps offered by the Pittsburgh Plate Glass company it's as simple as ABC to order a glass that will fit your table like a glove, regardless of its size or shape. When measuring your table, the first step is to throw the ruler away. Then as shown above, start with a pencil and a sheet of lightweight wrapping paper larger than the table. If the table is large, simply paste several sheets of paper together. Hold the paper flat and trace around the outside edge with a pencil, making sure a continuous legible line indicates the edge. Take time to make the pattern right, because upon its accuracy rests the fit of the glass.

Without cutting the pattern with scissors along the pencil line, roll it up and take it to your local dealer. Then all you have to do is sit back and wait until he delivers a glass that will fit your table perfectly, and add to its usefulness.

Texas Erasing One-Man Schools

AUSTIN—Texas' Little Red Schoolhouses, although not yet extinct, are dwindling steadily. A recent study of the state's public school system revealed.

Although educators regard this as a significant index of statewide advancement, Jacobs pointed out that there were some 1,200 one-teacher schools remaining in the state that continue to be an important means

of providing the rudiments of education. Texas educators, however, apparently are keenly aware of the physical advantages of larger schools, Jacobs said. In a recent survey, a majority stated the "ideal elementary school" should contain classrooms, and 74 percent of those replying said they would specify individual room thermostats for control of heating and ventilating equipment.

LOCALS

Mr. and Mrs. Don Boyles and son, Jimmy, returned home last week from points in Oklahoma, where they had been visiting relatives and friends for about a week.

Mr. and Mrs. Chester Bowden and Mrs. Erin McGraw were in Wichita Falls last Monday visiting Mr. and Mrs. Orman Moore and daughter, and attending to business matters.

Mr. and Mrs. H. F. Jungman and Mrs. H. M. Michels left Sunday for Temple, where Mr. Michels is undergoing medical examination and treatment.

Mr. and Mrs. Clayton Wren visited in the home of Mrs. M. D. Sherrill in Seymour over the week end.

Dr. and Mrs. J. M. Crowley and son, John, were visitors in Texhoma last Thursday and Friday.

Farmers Urged To Store Sound Cotton Seed

Farmers and seed breeders are cautioned to check their freshly-ginned cotton seed closely for damaged seed before storing. Only sound seed with a moisture content of less than 12 percent are suitable for storing, unless sufficient facilities are available for drying and cooling the seed.

This warning comes as the result of an experiment conducted at the Texas Planting Seed Association plant in Bryan by H. F. Miller, assistant professor of agricultural engineering, Texas A. & M. College, and L. E. Ellwood, manager of the Texas Planting Seed Association.

The results of the experiment show that no heating or decrease in germination percentage occurred during the five months of storage in one bin which was filled with cotton seed containing eight to ten per-

cent of moisture and two bins which contained seed with an average of 11 percent moisture content.

Definite signs of heating occurred in another bin which was filled with cotton seed containing 10 to 12 percent moisture, but the seeds were kept from deteriorating and the germination percentage was preserved by drawing air through the seed at weekly intervals.

The other bins were filled with somewhat unsorted seed which contained 14 percent moisture. The seed had an average germination test of 40 percent when stored, but this dropped to zero after four and one-half months of storage.

Miller and Ellwood warn farmers and seed breeders against storing cotton seed which has received field damage even when sufficient facilities for drying and cooling the seed are available.

Paul Jones Takes Flight To Europe

Lt. Col. Paul A. Jones, son of Mrs. Ed Jones of Goree, recently completed a flight to various countries in Europe, according to a letter received from his wife. A portion of the letter follows:

"Paul left on the 23rd and will return Sept. 5. He was to be in Newfoundland, Labrador, Paris, Rome, England, Greece, Tripoli, the Azores and Bermuda. He was really quite happy to go, as it will give him lots of flying time.

"Another nice thing. He was nominated for promotion to colonel before he left. He may not get it, but we know he should. Of course, it may be two or three months yet."

And most newspapers are using more newsprint than they did back a few years ago.

It may eventually mean the dropping of all subscribers who are not paid up and the unpleasant deal of saying again: "Sorry, we can't take any new subscribers right now." That's what breaks and editor's heart!

The best idea is to keep your subscription in good shape. Hope we'll be seeing you soon!

Haskell Fair Opens October 9; Plans Complete

HASKELL—Preliminary plans for the 22nd renewal of the Central West Texas Fair to be held in Haskell on October 9-14 are being rapidly completed, and all will be in readiness on the opening day, according to E. R. Lowe, farmer-rancher, who is heading the organization for the fourth year.

Formerly a three-day event, the Fair this year is being expanded to cover five full days of activities and will be officially opened with a colorful downtown parade at noon on Tuesday, Oct. 10. Opening day is also School Day and all school children of the area will be guests of the Association on that day.

"West Texas Resources" is the theme of this annual agricultural and livestock exposition that has grown into a seven county district Fair, and advance interest indicates that every department will be filled to capacity to make this the largest showing in history.

Designed to depict the growth and development of agriculture and livestock in this area, departments have been added to cover exhibits describing every phase of farm and ranch life that has made this one of the most stable sections of the entire state.

Special emphasis is being placed on every department and premiums of more than \$3,000 are being offered.

Included in the departments are 4-H and FFA educational exhibits, field crops, open classes in beef and dairy cattle, sheep

Belle From La France

Cecile Aubry, who is the latest find from La France, sets a new style in jewelry for the style-conscious American woman. Cecile herself inspired the original of the pin named the "black rose." It is now being made available through a special offer made through grocery stores. This unusual pin is fast becoming a collector's item in costume jewelry. It gets its name from Cecile's latest motion picture.

swine, horses and poultry.

The women's division will include Home Demonstration and 4-H girls educational exhibits. Future Homemakers exhibits household arts, adult and junior canning departments, baked products and candy, hobby, curios and art.

Entertainment again will be a highlight of the five-day event, and on the Haskell Midway will be the largest carnival that will show in the Southwest this year.

Catalogs and premium lists are being mailed at this time and exhibitors are urged to write the Central West Texas Fair office and a premium list

will be mailed them.

A special attraction this year will be the Junior Cowboy and Cowgirl events that are scheduled for Wednesday, Oct. 11. Otis Matthew of Haskell is chairman for this program and entries should be sent him. A large number of advance entries have been received in this division.

Be careful. Observe state and local traffic laws.

NOW IS THE TIME TO BUY THE BEST!

GOODYEAR TIRES are the best!

In times like these, far-sighted people naturally buy the best. And when it comes to tires, they buy the best tires. That's why more car owners today are turning to Goodyear tires. That's why we're having a hard time keeping Goodyear tires in stock—despite the fact that Goodyear makes more tires than any other manufacturer in the world. Even if we are temporarily out of your tire size, it will pay you to place your order now for earliest possible delivery.

It's Value that counts

The final answer to tire value is how many trouble-free miles a tire delivers compared to its cost. Get Goodyear quality and find out for yourself why Goodyears are best.

Remember, if we don't have your tire size today, it will pay you to wait for new Goodyears—the best!

Terms to suit you . . .

You can still get longer-wearing Goodyear tires at prices you like to pay on terms that suit you. We'll give you a generous allowance for your old tires, too.

Trade new miles for old

90% of all tire trouble occurs in the last 10% of tire life. Why take chances with worn, smooth tires? We'll trade you new Goodyear miles for the remaining unsafe mileage in your present tires. Get out of the "danger zone"—go Goodyear for safety.

And for safer driving, get LifeGuard Safety Tubes.

Come in . . . let's talk tires, tubes, terms

FOR WORK

FOR PLAY

Husband and wife enjoy work and hobbies at corner-to-corner Samson tables. Handy, inexpensive chests of drawers tuck neatly under these higher, wider Samson table tops. "Pulman-berth hammock" holds tools, plywood, fabrics, yarn. When guests arrive, Samson tables easily convert for cards and snacks. The small chests form a lamp table beside the sofa.
