

Kracker Krumb's Odd Bits Salvaged At Random

Dreaming of a white Christmas? ... In about 38 more days, you'll be having a Christmas of some kind—let's hope it will be a happy and joyful one, even if not white.

Munday will have a colored Christmas—but whether snow white will be added to the color will depend largely upon the weather man.

But Munday's colored lights and other Christmas decorations, which have added much to the Yule season in the past, will be the attraction again this season.

Munday's C. D. A. spent quite a little dab of money last year in getting the lights all up in shape.

We had been getting by for several years on the original set of lighting equipment which was purchased several years ago.

The wires had gotten old, breakage had taken its toll of the bulbs, and things were getting in pretty bad shape.

Arthur Mitchell and his boys at West Texas Utilities Company had worked with them for years, patching up, fixing shorts and doing other repairs.

So last year, the C. D. A. just practically added a new set of wires and lights.

Still the town didn't look quite like we wanted it to, although it drew comment from a number of travelers who passed this way.

The discussion came up this week, and the idea was expounded that more lights were needed.

The general idea was that the Christmas lights should extend further to the east of the city hall lawn, further to the west, and further south along the highway running south in the bank.

So Mitch was given the green light to put up the colored lights.

The idea is to get them up as soon as possible after Thanksgiving. And Thanksgiving is November 23 in Munday, and we'll be glad when the entire nation gets settled on one Thanksgiving again, including those who arrange our football games.

We imagine last Saturday was Thanksgiving day for Texas A. & M. But that doesn't have anything to do with Munday's Christmas, except that a good many folks went to the Cotton Bowl and probably spent some of their Christmas money!

So our Christmas lights will go up soon after Thanksgiving and the yule season will be upon us.

The consensus of opinion was that they should come down soon after Christmas. At the dawn of December 26, Christmas is over, and the opinion is that this is the day on which the lights should come down.

Merchants will cooperate, too, in making the town look Christmasy. They always have.

In fact, we've been reminded that Christmas is coming for several weeks, now.

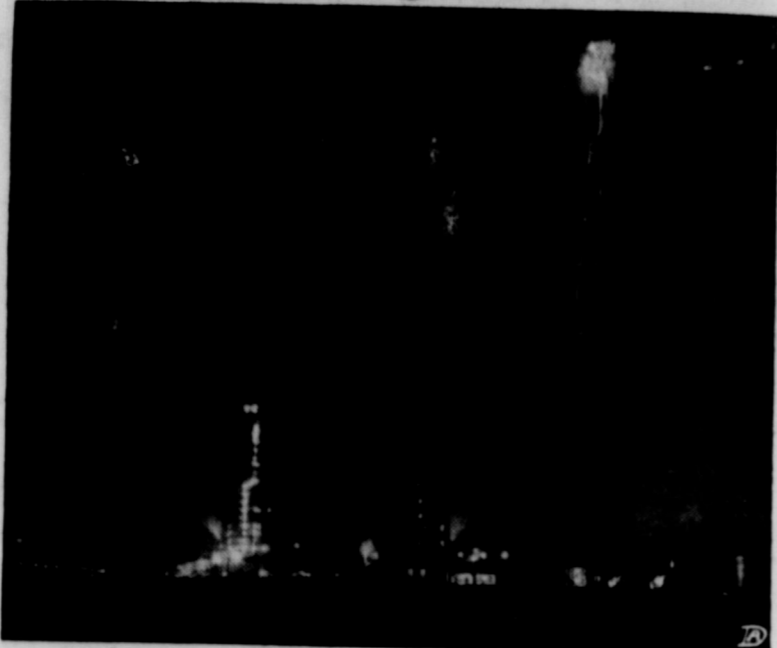

Kiddies and older folks, too, have been playing with toys, admiring life-like dolls and all the Christmas gadgets that have been on display in local stores that cater to kiddies' wants and Santa's needs.

But the decorating of stores and the display of Christmas merchandise and colors is expected to become almost 100 percent in the near future.

A committee of business men has been appointed to work out some sort of program for Christmas week.

We imagine they'll come up (Continued on last Page)

Fire That Fights Fire

PORT ARTHUR, TEX.—A fitting symbol of fire prevention, this 300 ft. refinery flare burns up fire hazards before they start. Far from wasting gas—as often wrongly supposed—it actually is a safety valve. During emergencies it consumes excess gases before they can build up into explosive concentrations; stands 24-hour guard to burn off possibly dangerous fumes. This unusual view of night light at the Gulf Oil refinery here was taken in a 10-second exposure at F.11 with fast panchromatic film.

Knox County Hospital Notes

Patients in the hospital November 13th:

Hugh Rogers, Knox City; Ed Lane, Munday; Lucille Simmons, Munday; Mrs. Willie Easley, Munday; E. E. Barnett, Knox City; Clyde Nelson, Munday; Mrs. R. L. Anderson, Rochester; Mrs. Mary Smith, Knox City; C. F. Albus, Munday; Mrs. T. L. Howeth, O'Brien; John L. Phillips, Munday; Mrs. M. F. Williams, Rochester; Mrs. J. W. Green, Knox City; Mrs. J. T. Dixon, Throckmorton; Mrs. Jack Walker, Weinert; Gloria Banner, O'Brien; John Griffith, Knox City; Wanna Johnson, Munday; Mr. F. M. Harrison, Munday; Mrs. Ed Lane, Munday; Mrs. J. D. Rach, Peacock; Mrs. Virginia Ramirez, Knox City.

Patients dismissed since November 6th:

Buddy Conner, Benjamin; Dorse Wardlaw, Munday; Mrs. W. E. Watkins, Rochester; Mrs. Hershel Bealey, O'Brien; Bob Thompson, O'Brien; Mrs. L. G. Patterson and baby, Munday; Mrs. Billy Benton and baby, O'Brien; Mrs. Max Aleman and baby, Knox City; Jerry Wayne Meers, Munday; Mrs. David Green and baby, Munday; Joan Tackitt, Munday; Janie Valverde, Truscott; David Ellis, O'Brien; Gregoria Villorial and baby, Goree; H. L. Matheny, Rochester; Virginia Rodriguez, Knox City; Mrs. Edward Terry, Goree; Mrs. Anders Flores and baby, O'Brien; Mrs. Rip Collins, Knox City; Mrs. J. O. McMahon and baby, Munday.

Births since November 6th:

Mr. and Mrs. Billy Benton, a daughter. Mr. and Mrs. L. G. Patterson, a son. Mr. and Mrs. Andres Flores, a daughter. Mr. and Mrs. Gregoria Vallorial, a daughter. Mr. and Mrs. Joe McMahon, a daughter. Mr. and Mrs. Max Aleman, a daughter. Mr. and Mrs. David Green, a daughter.

School Holidays Are Announced

Holidays which the Munday Public Schools will observe during the school year were announced Tuesday by W. C. Cox, superintendent. They are as follows:

Thanksgiving, two days, November 23 and 24. Christmas, 10 days. School will dismiss on Thursday, December 21, and reconvene on Monday, January 2. Easter, dismiss on March 23, reconvene on Monday, March 27.

GUILD MEMBERS TO SPONSOR BAKE SALE

A bake sale will be sponsored Saturday, November 18th, by members of the Wesleyan Service Guild of the Methodist Church.

The sale will be held at the Corner Drug, beginning at 10 a. m.

Haskell Wins Over Moguls By Score Of 61-6

The Moguls went into the game very much the underdogs; and came out very much whipped, but they never gave up the fight! This has been pretty much the record of the Moguls this year.

Haskell's Indians ran roughshod over the locals last Thursday night at Haskell to take another conference game 61-6. It was the last game of the season for the Moguls and the last home game for the Indians.

The battling Moguls held the Indians scoreless during the first period, but they broke loose for four touchdowns in the second quarter.

Edward Ammons scored twice on runs of six and nine yards, and Billy Davis made it twice on 20 and 29 yard runs. In the third quarter, Haskell scored three times. Eldon Ammonett accounted for two tallies, one on a pass interception from the Mogul 30. Davis added a third with a 38 yard run. The Indians added two more in the fourth, when Davis went 45 yards and Jimmy White skirted end for 57 yards.

The Moguls scored their touchdown on the final play of the game. Dannie Ponder went over from the Haskell 7-yard line to climax a determined drive of 72 yards.

Mrs. Ed Helms Passes Tuesday At Knox City

Mrs. Ed Helms, 69, well known resident of Knox County for 48 years, passed away Tuesday morning at the Knox County Hospital. She had been ill for about ten days.

She was born Ora Windham, and was married to Mr. Helms on February 10, 1901. The couple came to Knox County one year later and have lived in Knox City most of the time. Mr. and Mrs. Helms would have celebrated their 50th wedding anniversary next February.

Besides her husband, she is survived by three sons, (Toby) Helms of Brownfield, W. O. and Bailey Helms, both of Knox City; and a daughter, Mrs. Will Wilson of Knox City. Six grandchildren also survive.

Funeral services were held from the First Methodist Church in Knox City at three o'clock Wednesday afternoon. Rev. C. W. Parmenter, pastor, officiated, and was assisted by Stanley Shipp, minister of the Church of Christ in Knox City. Burial was in Knox City cemetery under the direction of Warren Funeral Home.

Pallbearers were Herbert Owens, Jr., Johnny Helms, and Chester L. Sutton, all grandsons; Lee and John Smith and A. T. Holcomb.

Drive carefully. The life you save may be your own!

Uncle Sam Says

It's good to think that on this Thanksgiving, 329 years after the first observance, we Americans can still give thanks in a land where our faith and freedom stand as firm as Plymouth Rock. It is our job to preserve these by assuring our own financial security, by making our present prosperity provide for our future. All it requires is the regular, automatic program of saving provided for you through the Payroll Savings Plan for the purchase of U. S. Savings Bonds. Enroll now where you are employed.

Health Officer

Dr. George W. Cox of Austin, above was recently elected to his eighth consecutive two-year term as state health officer. The nine member Texas State Board of Health was unanimous in naming Dr. Cox to the post he has held since 1936.

New Cheer Leader For Local Schools Arrives Sunday

She arrived a little too late for the 1950 season—but she's here now, and things are looking better for the Munday Moguls pep squad.

She's a new cheer leader for the pep squad, and she's already practicing on her "yells." Present cheer leaders are not very jealous of her, for she won't be taking their places for a few years, yet.

She's the daughter of Coach and Mrs. David Green, who arrived Sunday morning, November 12, at the Knox County Hospital. She weighed seven pounds, and seems to have a winning disposition.

She didn't like hospital surroundings much, so she and her mother came home Monday night, and the atmosphere's a lot more home-like.

Her name—well it's Jacquelin, but Little David wants to call her Susan. Chances are he'll win, and her full name will be Jacquelin Susan. Mother and daughter are doing nicely.

Oil Activities Continue Here

Continued oil activity shows promise of development of fields in Knox County. Still rated for highest production is the Stanolind Oil and Gas Co. No. 1 Icelana Clints, about five miles northwest of Knox City.

Testing was done recently to clean out the well, which is the first Palo Pinto reef lime discovery in the county. The discovery flowed 51 barrels of oil in seven hours through 14-16 inch choks. Oil was cut two percent with basic sediment and water. Production was natural from 4,225 to 4,240 feet.

An outpost for southeastern Knox County is Frank Wood, Wichita Falls, No. 3 Joe Maloney. Location is 600 feet north of the No. 2 Maloney, south of Goree, and was in process of completion with sand pay from 1,673 to 1,674 feet and 1,677 to 1,689 feet. This well is estimated good for 10 barrels daily on pump.

Reports this week are that workmen are getting ready to put the third well in the Louis Cartwright field into production. This is the No. 1 Davis, near the two Cartwright wells. It is said to have possibilities of being the best producer of the three.

Moguls To Enter Seymour Tourney

Fifteen teams have already registered for the annual invitational basketball tournament which will be held in Seymour on December 14 through 16. It was announced Monday by Oren Beall, Seymour coach.

Already entered are teams from Munday, Graham, Stamford, Newcastle, Iowa Park, Olney, Chillicothe, Quanah, Crowell, Holliday, Burkburnett, Electric, Archer City, Throckmorton and Seymour.

F. M. Harrison, Pioneer Of This Area, Passes Away On Wednesday

New Books Are Added To Library

New books have recently been added to the shelves of the Munday Public Library, and these will furnish many hours of pleasure for the reading public. Among new ones added are the following:

The Legacy, by Nevil Shute; Across the River and Into the Trees, by Ernest Hemingway; Pathway to the Stars, by Harnett T. Kane; The Edge of Time, by Louisa Grace Erdman; Look Younger, Live Longer, by Gayle Younger; Live Longer, by Gayle Younger; Belles on Their Toes, by Gilbreth and Carey; Faith Is the Answer, by Norman Vincent Peale.

The following books were recently donated to the library by Mrs. Travis Lee and Mrs. Helen McClure:

The Peaceable Kingdom, by Ardyth Kennelly; The Wall, by John Hershey; The Egyptian, by Mika Waltari; The Boys from Sharon, by Louise Field Cooper; The Horse's Mouth, by Joyce Cary; Six Silver Handies, by Geoffrey Holmes; Come the Comrades, by Alexander Orme; Blandings Way, by Erick Hodgins.

Magnolia Station At Goree To Have Grand Opening

The grand opening of Bill Hudson's Magnolia station in Goree, was announced this week by Mr. Hudson and Don L. Ratliff of Munday, local Magnolia agent.

The grand opening will be held all day Friday, November 17, it was announced, and favors will be given young and old alike. The public is cordially invited to attend.

Mr. Hudson is well known in the Goree area, having resided there for many years. At present he is serving as commander of Hunt Post of American Legion at Goree.

Firemen Called To Grass Fire

A grass fire on the school grounds south of the elementary school brought firemen out last Monday night at about 9:30 o'clock.

High grass and weeds were burning in the area of the tennis courts, and flames had eaten their way until they were endangering the building of the Knox County Vocational School for Veterans.

The fire was quickly extinguished by use of water from the fire truck's booster tank.

Deer Hunters Report Success

A group of 12 deer hunters from over this section of the state returned last week from a successful hunt in the Davis Mountains. The group of 12 reported a total kill of 16 deer.

N. A. Chastain of Munday was one of the group, and this was his 18th year to hunt on the same lease. The group hunts near Fort Davis, about 12 miles from the McDonald Observatory. Some have been camping on the same spot for the past 23 years.

R. E. Bowden and Troy Lindsey have returned from the Gaudalpe mountains near Carlsbad, N. M. The story we got is that Buell got a big 13-point buck, and Troy killed a little 8-pointer.

STORES TO BE CLOSED HERE FOR THANKSGIVING

Indications are that Thursday, November 23, will be observed as the Thanksgiving holiday by merchants of Munday and practically all stores will be closed on that day.

A survey made earlier this year by the C. D. A. revealed that all merchants of Munday favored closing shop for the Thanksgiving observance.

Francis M. Harrison, who was believed to be the oldest person in Knox County, passed away at about three o'clock Wednesday morning. He had been in failing health for some time.

Born in Putnam Co., Tenn., on December 13, 1854, Mr. Harrison was 96 years, 11 months and two days of age. He came to Texas when a young man, and on January 24, 1880, he was married to Miss Nora Evans at Pilot Point, Texas. Mr. and Mrs. Harrison celebrated their 70th wedding anniversary last January.

Being of the pioneer spirit, Mr. and Mrs. Harrison came westward a few years after their marriage. In 1901, they moved to Knox County, and they resided on the same farm in the Gillespie community since that time. Mr. Harrison was a progressive farmer for many years, having retired several years ago because of his advanced age.

Surviving him are his wife and three children, who are: Mrs. W. E. Lowrance of Lubbock, E. S. Harrison of Pomona, California, and E. W. Harrison of Knox City. A sister, Mrs. Della Foose of Hale Center, also survives.

Funeral services were held from the family residence, one mile south of Gillespie Baptist Church, at three o'clock Thursday afternoon, November 16. Services were conducted by Rev. Ed Stewart of Abilene, who was assisted by Rev. Claude Stovall of Lamesa. Burial was in the Gillespie cemetery under the direction of Warren Funeral Home of Knox City.

County Gins 9,468 Bales Up To November 1

Cotton ginnings for Knox County are less than half of last year's ginnings, according to a report received this week from Hoyle A. Sullins of Vera, special agent for the U. S. Department of Commerce, bureau of the census, Washington.

Two big factors contribute to this falling off of the ginnings. One, of course, is the cotton acreage quotas in effect this year, and the other is that crops in the main are lighter. Although some cotton is producing better than a bale to the acre, this is not the average for the county.

Although ginning started much later this year, the continued dry weather has enabled farmers to get much of the crop out, and this is expected to be a rather short gathering season.

The census report showed that 9,468 bales of cotton were ginned in the county from the crop of 1950 prior to November 1. During the same period last year, total of 22,500 bales had been ginned, Mr. Sullins said.

Goree Brotherhood To Meet On Friday

The men of the Goree Baptist Church will hold their brotherhood meeting on Friday night at the church. S. N. Reed of O'Brien, president of the Baptist Brotherhood of Haskell Association, will be the speaker.

"We are planning to have forty men present," Rev. S. E. Stevenson, pastor, said. "An interesting program will be presented, and refreshments will be served. The time is 7:30 o'clock."

Winners In Photo Contest Announced

Cheryl Jean Barton, daughter of Mr. and Mrs. Bobby Barton of Munday, was first place winner in the photo contest sponsored several weeks ago by the Fair Store and Rembrandt Studio of Texas City. She was awarded the first prize of a 11x14 colored photo.

Dorothy Marie Edrington, daughter of Mr. and Mrs. H. L. Edrington, placed second in the contest, while third place went to Johnny Blankinship, son of Mr. and Mrs. Louis Blankinship of Goree.

## The Munday Times

Published Every Thursday at Munday  
Aaron Edgar and Grady Roberts, Owners  
Aaron Edgar, Editor and Publisher  
Entered as second class matter January 4,  
1919, at the postoffice in Munday, Texas, under  
Act of Congress, March 2, 1879.

### OUR NEEDS FOR 1950

1. Completion of our portion of the Throckmorton road, giving the farmers of that area an all-weather outlet.
2. A farm-to-market road to the north and east of Munday, possibly connecting with the Hefner road.
3. A U. S. Federal building. Munday needs a new post office home.
4. More homes in Munday. We did a good job in 1949, but there's still a housing shortage.
5. A new telephone system, giving the town adequate telephone service and tapping the rural area surrounding the town.
6. Greater cooperation of business man, farmer, and citizen toward long-range development for our community.

### THE COUNTRY PRESS SAYS

PORT ST. JOE, FLA., STAR: "This country is now committed to a policy of active resistance to Communist aggression. It is a policy whose cost no one can as yet estimate. In the light of this, how can further waste and unnecessary spending be countenanced? In a world struggle for survival, there is no room for the welfare state . . ."

CLEAR LAKE, CALIF., OBSERVER: "Can you afford to take a pay cut that the people in the Tennessee Valley can buy power from the government at a fraction of its actual cost?"

CANYON, TEXAS, NEWS: "If the government succeeds in taking over the medical business, it will not be long before it will take over the newspapers, the lumber yards, the grocery stores, and all other lines. The bureaucrats are after power, more power, and more power."

GREENE, IOWA, RECORDER: "That the fault of the present day squeeze lies at the door of the Federal government is a foregone conclusion. The government has never operated like a business. It has spent monies for projects which are not for the general good of the country, and the matters which have benefitted all have been accomplished in a wasteful and extravagant manner."

DENVER, COLO., MINING RECORD: "Government, unlike private enterprise, is not faced with the necessity to make its projects pay off. Government can soak up losses forever, because it can make them up by reaching into taxpayers' pockets."

KALKASKA, MCH., LEADER: "Of course we realize we must pay for national defense, but it does seem that there are economies that could be affected in government so that additional taxes would not be required at this time . . ."

"The people who made us big will whittle us down to size if we do not give them good products."—M. E. Coyle, Executive vice-president, General Motors Corporation.

### DEFEATIST IDEA

Representatives of American retailing have told officials of the National Production Authority that they are opposed to rationing and wage-price controls at the present time.

The retailers of this country, both large and small, can vividly remember their experiences under OPA after the last war when, with the real emergency over, controls were continued for a long time. Production was discouraged, and stocks were sparse. The black market flourished, serving the few who would pay outrageous prices for goods.

Rowland Jones, president of the American Retail Federation put the case against controls in these words: "Americans need not blindly submit to the prospect of the economic straitjacket of control regimentation based on the assumption that we are already at our maximum in terms of available manpower. We do have a choice if we have the will and wisdom to work together to push our production to ever higher levels unshackled by the defeatist idea that there are no more production frontiers to cross."

American labor, American business and American agriculture can produce all the goods and services we need for both military and civilian use. American retailing can, as it has always done, take care of the complex job of distribution. All this can be done without dangerous controls which would regiment the economy and weaken our strength as a nation. We cannot successfully oppose the dictators by going in for dictatorship at home. If we do, we admit that freedom and representative government are failures.

"It is the duty of every one of us to do the utmost to acquaint the ordinary man and woman with the serious consequences which flow from excessive taxation. People are prone to demand almost unlimited services from their government without giving the slightest attention to the fact that ultimately they themselves pay the cost of government."—Clifford F. Hood, President, Carnegie Illinois Steel Corporation.

"Industry has no desire for war profits and on sympathy with war profiteering. Businessmen fully realize that war destroys lives, erodes capital, consumes wastefully our diminishing reserves of unlimited natural resources, and expends man power on products which did not contribute directly to the welfare of the people."—Horley L. Lutz, Professor emeritus of public finance, Princeton University.

"Every member of Congress needs to be ever on guard against those sly, scheming collectivists who hope to use the war emergency as a cloak under which to fasten Socialism or Fascism on our nation."—Wilford I. King, Chairman, Committee for Constitutional Government.

### Uncle Sam Says

#### PROTECT

**YOUR COUNTRY  
and YOURSELF  
U. S.  
SAVINGS BONDS**

It is time for every American to ask himself what he can do to help keep his country strong and free. There is much to be done for here's what we must do to support our defense forces and to end aggression in the world: Produce the materials and equipment needed for defense; raise the money to pay the cost of increased defense efforts; do all we can to prevent inflation. Buying U. S. Savings Bonds helps do all of these. Enrolling for the Payroll Savings Plan where you work means you are providing for your own financial security and at the same time helping your country. **THAT IS SOMETHING EVERYONE CAN DO.**  
U. S. Treasury Department

### BOYCE HOUSE

Norman Hapgood, the famous magazine editor, once declared, "Certain personalities create a drama for themselves."

Hapgood tells this humorous story in his autobiography: "A prohibition speaker invaded the mountains of Tennessee, where many of the inhabitants were reputed to operate stills to provide their own personal supply of 'drinking whiskey,' otherwise known as 'mountain dew.' A good sized crowd turned out and, at the conclusion of the speech, an old mountaineer held up a copy of the Bible and said, 'I have read this book from kiver to kiver and nowhere do I find where a man asked for water to drink—except one, and he was in hell, where he deserved to be.'"  
(Of course, if you're a prohibitionist, that's just a joke!)

And Hapgood tells this one: Theodore Roosevelt didn't like William Jennings Bryan. At a dinner in London, someone asked T. R. what he thought of Bryan and he replied, "Bryan has a brain of three guinea-pig power." Teddy paused, then added, "And when I say three, I exaggerate!"

## Attention, Farmers

See the new Ranger fifth-wheel industrial and farm wagons before you buy. Located on corner of Munday Ave. across from Farmers gin plants.

Wherever there is a hauling job large in bulk or heavy in weight, the Ranger fifth-wheel farm wagon is the answer. Users are finding these wagons to be extremely economical because of four outstanding features:

- (1) They combine at less cost the hauling service of two or three ordinary wagons.
- (2) Durable construction assures long life.
- (3) Fifth wheel reduces turning radius to a minimum.
- (4) Bearings, wheel alignment, tracking and fifth wheel combines into a maximum maneuverability that permits a minimum of pulling power. The wagons will bring to their owners a pride in their dependable performance. Electric welded, nice finish and good appearance. Standard Temkin bearings, standard Alemite fittings. Telescoping reach, cold rolled steel spindles. Wheels are standard 6,000 lb. cap., wagon has 16x4.50 or 15x5.00 tires and wheels.

10,000 lb. capacity, with or without tires.

"With the Ranger heavy load, just keep rolling along."

### O. V. Milstead Welding and Blacksmith Shop

famous agnostic, gave a lecture many times to great audiences on "The Mistakes of Moses". He spoke in a Southern city and a Negro preacher announced that he would answer the eloquent unbeliever's criticism of Moses' account of Old Testament times. The colored minister, on the next Sunday morning, declared:

"Brethren and sisters, there is just one thing to keep in mind—Moses was there and Colonel Ingersoll wasn't."

In Washington they have what they call "protocol." It sets forth where an official shall sit at a dinner. Cabinet officers outrank Senators; Senators outrank Con-

gressmen; members of the Supreme Court outrank everybody except the President and Vice-President, and one Senator has rank above another because of being a committee chairman or because of length of time he has been in the Senate. To place an official in Chair No. 46 when he should have been in Chair No. 43 is a tremendous blunder.

Yet we Americans think the Chinese are a peculiar people.

Charley Haney, Jr., and Paul Pruitt attended the S. M. U. A. & M. football game in Dallas last Saturday.

Mr. and Mrs. E. E. King and Mr. and Mrs. Kenneth Osburn were visitors in Seymour last Sunday.

## Analyst Boosts Boy Scout Work

In these crucial times of international unrest, it is most important that they instill in the young men of America the flame of truth and honesty, and no character building organization that I know of can do the job as well as the Boy Scouts," Cedric Foster, noted radio news analyst and commentator, told Boy Scout finance drive leaders of Northwest Texas Wednesday morning.

Foster's encouraging comments to the scout leaders were made in a complicated telephone hookup from Radio Station KTRN. His listeners were scattered throughout the 13 counties of the Northwest Texas Council, Boy Scouts of America.

"This is Cedric Foster calling from Wichita Falls. In the beginning I would like to say that it is a pleasure to be able to talk to you a minute or two about

the Northwest Texas Council of Boy Scouts," were the commentator's opening remarks.

### Council Budget

"Our mutual friend, Bob Anderson, of Vernon, tells me that the Scout council needs \$50,160 to make up this year's budget, but that the community chests of three towns in the district have already contributed more than \$30,000.

"Each of you in your respective communities and counties, I am sure, will more than exceed any quota that could be set. Jim Barnett tells me that while there are 4,500 boys now in the Scouts in your district, a survey shows that 12,980 boys reside in the district and want to become Boy Scouts."

The news analyst concluded with: "This is Cedric Foster wishing you the best of luck, and as an American, thanking you for contributing so generously of your time and energy toward this fine movement."

The three community chest cities referred to by Foster as contributing \$30,000 or three-fifths of the council's goal are Wichita Falls, Childress and Vernon. Other Boy Scout cities and towns in the 13 counties are holding individual, brief campaigns in an effort to raise the remaining \$20,000.

"Workers using 'Open the door for many more boys to become Scouts,' as a rallying cry, will seek to contact 10 percent of the population. No goals have been set for the individual communities.

### Campaign Opens

Petrolia opened a one-day campaign Wednesday with Otis Sercy as chairman. The three-day Burk Burnett campaign will be started with a breakfast at 6:45 p. m. Thursday, with J. C. Boyd as chairman. Henrietta's three-day drive will open Tuesday with a 7 a. m. breakfast, with Bill Middlebrook as chairman.

Arrangements for the broadcast by Foster were made by James B. Barnett, secretary of the Times Publishing Company, and president of KTRN, who has accepted the job of council public relations director in the campaign to raise \$50,160 for the 1951 council Boy Scout budget.

Leaders in the following communities heard Foster's words of encouragement Wednesday morning: Electra, Kamay, Burk Burnett, Henrietta, Petrolia, Bowie, Nocona, Saint Jo, Ringgold, Vernon, Childress, Paducah, Quanah, Throckmorton, Seymour, Red Springs, Munday, Benjamin, and Wichita Falls.

Counties in the drive are Montague, Clay, Archer, Wichita, Wilbarger, Baylor, Throckmorton, Hardeman, Foard, Knox, Childress, Cottle and King.—Wichita Daily Times.

Mr. and Mrs. C. P. Hines visited in the home of his brother, Mr. and Mrs. Franklin Hines, who have a new baby girl, in Snyder over the week end.

# RUGGED Right down the line!

All-welded cabs! Powerful Valve-in-Head engines! Strong rear axles and heavy-steel channel-type frames! Right down the line, Chevrolet trucks are built for the rough-tough jobs and the big payloads. All parts, all units—like Chevrolet's positive Synchro-Mesh transmissions—are engineered to withstand the shocks and strains of real work. Engineered to serve you better—and longer! That's why there are more Chevrolet trucks on the road than any other make ... why you should come in and see these great trucks today!

### Rugged engines

Chevrolet's valve-in-head engine design has been proved and improved for 38 years. It's world famous for rugged reliability, for its ability to take hard use year after year.

### Rugged frames

Chevrolet's channel-type frames are built for the load ... built with reserves of strength in their wide flanges, deep section and heavy metal ... Advance-Designed to withstand the road shocks and distortions of hauling big payloads.

### Rugged cabs

Chevrolet cabs with Advance-Design construction are all-steel, all-welded for greater safety and longer service. Rigid, solidly built cabs are flexi-mounted on rubber for greater durability. Doors open easily, even in off-the-road use.

**Plus CHEVROLET ADVANCE-DESIGN TRUCK FEATURES** Two Great Valve-in-Head Engines • Power-Jet Carburetor • Diaphragm Spring Clutch • Synchro-Mesh Transmissions • Hypoid Rear Axles • Double-Articulated Brakes • Wide-Base Wheels • Ball-Type Steering • Unit-Design Bodies • Advance-Design Styling.

## Eighty-Four Club Has Thanksgiving Dinner Thursday

Mrs. W. E. Braley and Mrs. C. P. Baker entertained the 84 Club and guest with the annual Thanksgiving dinner on Thursday, November 9, at 6 P. M., at Lake Kemp.

After the dinner they played 84. The high score prize went to Mr. and Mrs. J. C. Campbell, which was a very large fish, while Mr. and Mrs. Leland Hannah, with the low score, won the booby prize which was a very small fish. The men were given fishing poles and had to fish for their partners.

A delicious meal of: ham, baked beans, gumbo, deviled eggs, potato salad, pineapple slices, relish dish, fried pies, coffee and rye and French bread, were served to the following: Mr. and Mrs. R. D. Atkinson, Mr. and Mrs. J. C. Borden, Mr. and Mrs. Chester Bowden, Mr. and Mrs. Leland Hannah, Mr. and Mrs. H. F. Jungman, Mr. and Mrs. D. E. Holder, Mr. and Mrs. W. R. Moore, Mr. and Mrs. J. C. Campbell, Mr. and Mrs. A. H. Mitchell, Mr. and Mrs. H. A. Pendleton, Mr. and Mrs. R. L. Ratliff, and Mr. and Mrs. Oates Golden.

## Mrs. Dickerson Is Hostess For Munday Study Club

Members of the Munday Study Club met on Friday, November 10, in the Study Club house. Mrs. Doris Dickerson served as hostess to the group.

Mrs. Rex Howell gave "Origin and Progress of Texas Symphony Orchestras." Mrs. J. R. Burnison gave a musical travelogue, with music for the travelogue being furnished by Miss Carolyn Hannah and two of her pupils, Kay Sharp and Linda Gayle King.

Mr. and Mrs. Donald Jolly and son, David, of Hillsboro, are spending the week visiting in the home of Mr. and Mrs. Lee Haymes.

## Engagement Of Mary Jean Stevenson Is Announced

Rev. and Mrs. Shadrack Earl Stevenson of Goree announce the engagement of their daughter, Mary Jean, Ensign Nurses' Corps, U. S. Navy, to Lieut. (jg.) Henry Brownell Rathbone, U. S. Navy, son of Mrs. Clifford K. Rathbone, and the late Mr. Rathbone of Providence, Rhode Island.

Ensign Stevenson is a graduate of Goree High School and the Baylor University School of Nursing in Dallas. A member of the Navy Nurse Corps for 2 years, she is presently stationed at the U. S. Naval Hospital in Corpus Christi, Texas.

Lieut. Rathbone is a graduate of Moses Brown School in Providence, R. I., and the United States Naval Academy. A naval aviator, he is now stationed at the Naval Air Station, Alameda, Calif.

A December wedding is planned at the home of Mrs. Robert Alexander of Munday.

## Munday H. D. Club Meets Wednesday In Club Rooms

The Munday Home Demonstration Club met in the Study Club rooms Wednesday, November 8, with the Benjamin club ladies as guests. A short business meeting was held in which Mrs. Buel Claburn resigned as the elected president and Mrs. I. C. Gollehon was elected to serve during 1951. This was the "Achievement Day" for the Munday Club and quite a few articles which the women had made were on display and were viewed by guests and club members and Mrs. Louis Cartwright, a visitor.

Eight members from the Benjamin club were present as follows: Mmes. Royce Echols, Louis Parker, Lee Snallum, Carl Patterson, Howard Barnett, Oran Driver, Earl Sams, and J. W. Melton.

Refreshments consisted of pecan pie and coffee. The next meeting will be held in the home of Mrs. Otis Simpson on November 29. On that date members will take gifts to the inmates of the State Hospital in Wichita Falls, and the Aged People Home in Vernon, which will be sent to them near Christmas.

**BIRTH ANNOUNCEMENT**  
Mr. and Mrs. J. O. McMahan are announcing the birth of a baby girl, named Elvis Dianne, who was born at the Knorr County Hospital, Friday, November 10 at 1:30 a. m. She weighed 6 pounds and 7 ounces. Both mother and daughter are reported to be doing fine.

Mr. and Mrs. Curtis Spivey and sons, of Muleshoe, visited in the home of her sister, Mr. and Mrs. W. C. Cox, over the week end.

**SAFE DRIVING CAN BE TAUGHT**—And Texas has proved it. Gov. Allan Shivers receives from R. B. Cousins, Jr., center, of Austin, a plaque awarded Texas for "meritorious accomplishment in teaching safe driving to 40,000 high school students during the 1949-50 school year." Casualty Insurance Commissioner J. P. Gibbs looks on at right. The award was the second in as many years to be given Texas by the Association of Casualty and Surety Companies. Texas began teaching safe driving four years ago and now offers the course in 432 of the state's 1,450 high schools.

## Mrs. Bobby Broach Honored At Tea Last Tuesday

Honoring her daughter-in-law, Mrs. Bobby Broach, a recent bride, Mrs. Fred Broach, Sr., was hostess for an informal tea from 3 to 5 p. m. Tuesday, November 14, in her home.

Mrs. Fred Broach, Jr., greeted the guests at the door, and in the receiving line were Mrs. Fred Broach, Sr., the honoree, and her mother, Mrs. E. L. Butler.

Mrs. Vernon Lloyd Teaff, sister of the honoree, secured names for the register. Pink Picardy gladioli were used as decorations for the reception room, and guests were served from a lace covered table centered with an arrangement of blush pink roses in a crystal bowl on a reflector.

Mrs. S. E. McStay directed guests to the refreshment table, where Mrs. T. G. Bengel presided at the tea service, and Mrs. A. V. Kemletz served cake squares, salted nuts and minis. The cake and minis carried out the color scheme of pastel pink and green.

**ENLISTS IN NAVY**  
M. J. Fields, son of Mrs. Desie Fields of Munday, recently enlisted in the U. S. Navy. He is stationed at San Diego, Calif., for his boot training.

Drive carefully—the life you save may be your own!

## Activities Of The Colored People

A cake, which was donated to the P. T. A. by Mrs. Allene Johnson, will be given away Thursday night. We appreciate the support we are receiving.

The primary children gave a party last Thursday. They are planning to buy a chart for their room, while the upper elementary grades are working toward the purchase of a \$17.25 health chart.

The regular meeting of the P. T. A. will be on Thursday night, November 16.

Mr. and Mrs. Bryan Cammack and Shirley were visitors in Dallas over the week end. They attended the SMU-A&M football game on Saturday.

### CARD OF THANKS

It is with hearts full of gratitude that we attempt to express our sincere thanks for the many kindnesses shown us during the illness and in the death of our loved one.

Especially do we thank the doctors and nurses who ministered to him, those who served as pallbearers, and everyone for the lovely food and flowers. Every deed of kindness and word of love and sympathy were deeply appreciated, and we pray God's richest blessings on you all.

The J. W. King Family. 1tc

## Boy Scouts' Fund Drive To Begin Soon

Three cities in the 13 county Northwest Texas Council, Boy Scouts of America, are contributing \$30,000 through their Community Chests to the \$50,160 total needed to carry on Scout work in this Council next year. All other Boy Scout communities in the Council will endeavor to raise the remaining \$20,000 in brief drives of from one to three days each, with workers seeking to contact 10 percent of the population.

These campaigns got under way this week and will continue in various cities and towns for the next month.

"Open the door for many more boys to become Scouts" is the challenge issued by Northwest Texas Council leaders.

Surveys reveal that three out of four boys want to be Scouts officials of the organization declare, pointing out that "this means that 12,980 boys in our Council want Scouting. These boys can be served if you invest your share . . . it pays dividends."

As proof that past investments in this work have paid dividends, the record shows that membership has grown steadily during the last three years with 3,797 boys enrolled in 1948; 4,174 in 1949; and 4,500 this year.

But they remind that 4,500 is little more than a third of the more than 12,000 who want to be Scouts.

The three Community Chest campaigns already have been held. Individual Boy Scout campaigns in other cities of the Council's 13 counties got under way with a one-day push Wednesday at Petrolia in the Clay District with Otis Sercy as chairman.

Burkburnett's three-day drive kicked off at a breakfast Thursday. J. C. Boyd is chairman of this campaign. Burkburnett is in the Comanche District.

Several towns plan to make their solicitations next week. Henrietta, in the Clay District has a kick-off breakfast Tuesday, November 14, for a three-day workout, with Bill Middlebrook as chairman, and Paducah's Chairman Carroll Robertson will start his three-day campaign with a breakfast Thursday, November 6. Paducah is in the Western District.

Electra and Kamay in the Comanche District plan a joint three-day push, with start tentatively for a breakfast Tuesday, November 14. Chairmen are Ray B. Dickey at Electra and W. M. Sparkman in Kamay. Other dates announced for community campaigns and their chairmen include the following: Bowie in the Montague Dis-

## Year-Round Wear

**Fashion Frocks of Cincinnati** molds a suit of rayon covert cloth, good for year-round wear. The dramatic jacket tops a slender skirt, bias-cut for easy walking. Available directly in homes from housewife representatives.

# HOLDER'S Grocery and Market

**YOUR FIRST FIELD TEST WILL CONVINCe YOU... THERE'S MORE POWER IN A MASSEY-HARRIS**

It's out in the field, on your own farm, that you discover the real power in a Massey-Harris. Out in the field doing your regular work... watching it lick the tough spots only you know... feeling the quick response of a lively engine that's ready to dig in from the word "go."

That's the big test. The test a Massey-Harris likes. The test that will convince you there's more power in Massey-Harris high compression engines... more power-saving economy in Massey-Harris straight-line transmission design. It's out in the field where you learn about economy too. The real dollars and cents kind that lets you do more work on less fuel. Economy is built right into a Massey-Harris. Better design in the engine, the transmission and distribution of weight let you cover more acres at less cost.

But try it for yourself. Get on a Massey-Harris. Drive it. Discover a new thrill in better tractor performance.

1-Flow Farm—67-cubic-inch, 4-cylinder engine, 3 speeds forward.  
2-Flow "22"—140-cubic-inch, 4-cylinder engine, 4 speeds forward.  
3-Flow "30"—162-cubic-inch, 4-cylinder engine, 5 speeds forward.

## Let's Talk LIVESTOCK

(By Ted Goulby)

FORT WORTH, Nov. 13.—Pressure on hog prices, which started late last week at markets over the nation, was continued at the opening of trade Monday. Top hogs at Fort Worth at \$19 and 19.25 again reflected the advantages of hog growers in the Southwest since most cornbelt markets report

hog prices around \$18.50 and under for top butchers. Advantages of feeding more hogs in this section of the country this year is enhanced by the liberal feed crops from maize and a large corn crop. Rising population in the Southwest has further emphasized the shortage of pork produced near our home markets.

Industrial growth in this area continues to boom and still our production of the needed pork lags. Hogs are a profitable sideline for most farm operations whether you are a cattle

FROM KOREA?—Nope, these water buffaloes not refugees from the rice paddies of Korea. They are a couple of water buffalo cows sent to the Fort Worth market by the Barnes Livestock Co., of Waco, from their San Saba County ranch. Packers scratched their heads and wondered if the government inspectors would call such brutes "beef". Salesmen and buyers had no yardstick for asking for bidding prices. What's a water buffalo worth, anyway? Zoo

Manager Hittson of Fort Worth bid. So did lots of other folks. Finally Sam D. Rogers bought them for the ranch he owns near Cheyenne, Oklahoma. When they drink they bury their heads clear up to the eyes in the trough. Cowboys used to dodging Brahma bulls gave them plenty of room but they were gently and we hope the winters in Cheyenne, Okla., don't get them. They are the first of their species ever marketed at Fort Worth.

feeder, dairy farmer or engaged in general farming.

Look into it. The hogs can make a lot of money if handled right.

Packers have apparently taken a bearish point of view on meat for the near future, especially the weightier cattle and the continuing weakness in the cow market reflects some slow up in the canned meats.

Naturally the pre-Thanksgiving season means that turkey and other fowl will occupy a large part of the meat buying dollars of the housewife for the next couple of weeks or so. Also the nimrods are bringing in some game that cuts the needs for meat purchases.

The more liberal supplies of meat are reflected in the current low ebb for broilers and fryer chickens, which for a week or so have been selling at the lowest point in a long time. When red meat gets more expensive, the fryer markets always climb.

The long-term thinking on cattle and calves is for higher prices. It is freely predicted that stocker calves would again hit the \$35 level if general rains came to the Southwest.

Barring a radical change in the over-all picture the Spring market for stockers will be high and many cattle are being wintered in that expectation.

Rain is needed nearly everywhere in Texas and would not hurt any particular section so far as livestock are concerned.

To give an idea of current values, here are some sales made at Fort Worth Monday. Birmingham and Patton of Gail, Texas, county seat of Borden County, had a load of 923-pound stocker cows at \$24.50. Mrs. M. N. Campbell of Morgan, Texas, sold a load of 24 calves at 411 pounds at \$29. John Herring of Henrietta in Clay County, sold stocker calves for \$31 and averaged over 500 pounds, some of them would go 600 pounds.

R. B. Mansfield of Bowie had a load of 1,030 pound steers at \$26.25. G. W. Spinning of Post sold some fat cows at \$21.50. Miller and Scharbauer Eldson of Midland sold a mixed shipment that carried some fat calves at \$27; some Brahma steers at \$25.50; a few feeder steers at \$27.50 and some plain stocker steers at \$25.

P. W. Watson of Italy had a top Brahma bull that sold for the day's extreme top of \$25 per hundred, equal to the best price here in many weeks. He's

## Legal Notice

THE STATE OF TEXAS

To the Sheriff or Any Constable Within the State of Texas, Greeting:

H. C. Hughes, Administrator of the Estate of Louis Cole, Deceased, having filed in our County Court his Final Account of the condition of the Estate of said Louis Cole, numbered 734 on the Probate Docket of Knox County, together with an application to be discharged from said Administration.

YOU ARE HEREBY COMMANDED, that by publication of this Writ one time and said publication shall be not less than ten days before the return day hereof, in a Newspaper printed in the County of Knox you give due notice to all persons interested in the Account for Final Settlement of said Estate, to appear and contest the same if they see proper to do so, on Monday, the 27th day of November, A. D. 1950, at the Court House of said County, in Benjamin, Texas, when said Account and Application will be acted upon by said Court.

Given under my hand and seal of said Court, at my office in the City of Benjamin, Texas, this 14th day of November, A. D. 1950.

M. T. CHAMBERLAIN, Clerk, County Court, Knox County.

I Hereby Certify that the above and foregoing is a true and correct copy of the Original Writ now in my hands.

H. T. MELTON, Sheriff, Knox County.

Miss Wanda Johnson entered the Knox County Hospital Saturday, November 11, for treatment. She is reported to be recovering nicely.

Lily Reed of Plainview visited friends here over the week end.

Mr. and Mrs. Leo Reddell, Miss Edith Poe, and Mr. and Mrs. Fred Reddell visited Royce Reddell, who is attending Texas Technological College, in Lubbock over the week end.

Mr. and Mrs. Alton Tuggle and sons of Fort Worth, spent the week end in the home of their parents, Mr. and Mrs. B. C. Tuggle, and Mr. and Mrs. F. G. Offutt, Sr.

## Let us CLEAN and TREAT your wheat

YOU LOSE WHEN smut hits your wheat. To get a harvest of clean grain, let us treat your seed with "CERESAN" when we clean it.

"CERESAN" generally controls stinking smut of wheat, as well as smuts of oats and barley. Usually improves germination and seedling vigor. See us to get your seed grain treated right, at low cost.

Have your seed treated when you have it cleaned.

PROGRAM  
From the County PMA Committee

## GRAIN STORAGE NEEDS AT RECORD HIGH

The Nation's grain storage needs are indicated in recent reports of the U. S. Department of Agriculture. Stocks of feed grains, wheat and rye on October 1 were at near-record levels while those of soybeans and flax, important oil-bearing crops, were at low and average levels.

On October 1 there were 859,000,000 bushels of old corn on

hand; 1,258,000,000 bushels of oats; 59,500,000 bushels of grain sorghums; and 297,000,000 bushels of barley. This was the largest amount of corn in the 8 years of record, the second largest of oats, the largest amount of barley, and by far the largest amount of grain sorghums.

1,192,000,000 bushels of wheat in storage was the second largest on record and the 25,141,000 bushels of rye are the largest stocks on hand on October 1

## Roxy Theatre, Sunday and Monday

Burt Lancaster, Dorothy McGuire and Edmund Gwenn in a climactic scene from "Mr. 880."

since 1944.

In contrast there were only 2822,000 bushels of old soybeans on October 1, next to the smallest supply in the 9 years for which there are records. Flax stocks totaled 36,744,000 bushels.

### PROTECT LAND WITH GREEN MANURE

One of the best ways to build protection against erosion into the soil is to grow and plow under a growth of green manure from time to time, advises J. C. McGee, chairman of the Knox County PMA Committee.

He points out that in areas where soil erodes badly, a growing crop on the land during the season of heavy rainfall will prevent much washing. When the crop is turned under it still serves to protect the land since soil containing of high percentage of organic matter washes less than soil that is low in organic matter. Thus a green manure crop will check erosion both during the period of its growth and after it is turned under.

As the chairman explains it, the addition of organic matter improves the physical condition or the structure of the soil. This in turn increases the capacity of the soil to absorb moisture, which reduces run-off and erosion.

A green manure crop also prevents leaching of plant food during the season when the land is not being used for a cash

crop. When there is no growing crop on the land, much of the plant food that becomes available through decomposition is lost. A growing green manure crop takes up these elements, and they are again made available when it is turned into the soil. A legume crop also adds nitrogen, which it takes directly from the air through the work of bacteria at its roots.

Mr. and Mrs. B. B. Reese and family of Fort Worth spent the week end in the home of Mrs. S. A. Bowden.

Mr. and Mrs. D. C. Elland are in St. Louis, Mo., this week where Dr. Elland is attending a medical meeting.

## LOCALS

Mr. and Mrs. L. M. Melton of Weatherford visited in the home of her parents, Mr. and Mrs. J. B. Booe, over the week end. They were enroute home from Muskogee, Okla., where they had been visiting Dr. and Mrs. Steve Fletcher.

Mr. and Mrs. Melvin Bridgewater and children of Wichita Falls visited in the home of her parents, Mr. and Mrs. C. N. Smith, and other relatives over the week end.

Mr. and Mrs. A. D. Allred spent the week end in Lubbock visiting with Mr. Allred's sister, Mrs. W. J. Simpkins, who is in a Lubbock hospital.

Mrs. J. J. Denton and daughters of Spur visited in the home of her parents, Mr. and Mrs. Marvin Chamberlain, over the week end.

Mrs. Flo Richmond of Seymour visited in the home of her son and daughter-in-law, Mr. and Mrs. A. E. Richmond, last Friday.

C. J. Albus of Rhineland entered the Knox County Hospital one day last week for treatment. He is reported to be recovering nicely.

Mr. and Mrs. Bud Hackney and son of Fort Worth visited friends and relatives here over the week end.

Mr. and Mrs. B. C. Barley, in Fort Worth this week.

Amarillo visited in the home of his parents, Mr. and Mrs. C. C. Jones, over the week end.

Jr., attended the S. M. U.-A. M. football game in Dallas over the week end.

## Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adale, 413 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adale was suffering a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron which HADACOL contains.

Here is Mrs. Adale's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come in Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adale's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin?

What HADACOL did for Mrs. Adale, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close as hand as your nearest drugstore if you suffer a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

## Knox Prairie Philosopher Glad To Learn That The Country Can't Keep Up With Its Money, Either

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is drawing an unwarranted comparison this week, but that's probably the least of his worries, if he has any at all.

Dear editor:

I took a copy of the Star-Telegram away from one of my Jersey steers the other day, ain't never got around to gettin

With all the scale and sediment removed from my tubes—with those annoying leaks permanently stopped—you can rest assured I'm ready to cool the engine properly and safely. Genuine Radiator Specialist made me anew!

### Wilson Radiator Service

U. W. WILSON, Owner  
Just North of Ford Tractor Agency

any salt for em and don't know how long they can go on newspapers as a substitute, looks like it would get pretty monotonous and unsavory after a while, and took it home and after supper read an article by an expert who said the United States has spent 50 billion dollars in the past five years on defense and "no one has yet given us the answer to where the \$50,000,000,000 went."

His solution was to get rid of the present Congress and President and get a set that could give the answer.

I ain't no expert, I work for a livin whenever I have one, but I'm afraid he's barkin up the wrong tree, as a new set would not have no better answer than the old one.

From my experience, after the money is spent, there ain't much way of figurin out where it went and probably wouldn't be no satisfaction in it if you could, at least that's the way I find it with mine. When I look back over the last five years and figure up the amount of money I've taken in, and then try to figure out where it went, I throw up my hands and turn on the radio and get some music. It would take more than a new President and a new Congress

## People, Spots In The News

**FIVE FAMOUS LADIES** visit another. Dionne quintes (left to right) Emilie, Yvonne, Cecile, Marie and Annette view Statue of Liberty and sights of New York Harbor. Girls' father, Olivia Dionne, is at left.

"DON'T BE A HOG" wails little Erik Madsen as Pancho, actor in St. Louis Zoo's chimpanzee show, sips Erik's soda.

**CONCRETE EVIDENCE**—Scientific study of how highways crumble under truck loads of varied weight is the six-month test of a 1.1-mile strip of road in Maryland under 11-state sponsorship. U.S. engineer shows how one section sagged three inches under constant use by 11-ton truck in 17 days. Tests will continue through December.

to figure out where my money went, although it wouldn't be no trouble at all to establish the fact it was gone, the same as in the case of the United States.

I never realized Congress was in the same boat I was, but if it has spent 50 billion dollars and can't remember where it all went I feel a lot better. Don't know that the country is gonna be a lot better off with the knowledge that me and Congress both can't keep track of our money, but personally it's a great satisfaction to me to know I'm right up with the top level, financially speakin.

Yours faithfully,  
J. A.

Among those attending the S. M. U.-A. & M. football game in Dallas last Saturday are Mr. and Mrs. Jerry Kane, Mr. and Mrs. J. C. Shockey, Mr. and Mrs. J. K. Jackson, Mr. and Mrs. Dwight Key, Mr. and Mrs. Paul Pendleton and Jan, Mr. and Mrs. A. E. Bowley and Mr. and Mrs. W. R. Mitchell.

Miss Marguerite Hammett, who is attending Hardin-Simmons University in Abilene, visited in the home of her parents, Mr. and Mrs. George Hammett, over the week end.

Mr. and Mrs. H. F. Jungman visited relatives in Muenster last Saturday, where they attended a wedding anniversary her that evening.

## Weekly Health LETTER

Issued by Dr. Geo. W. Cox  
M. D., State Health Officer  
of Texas

AUSTIN—The Texas State Board of Health has elected Dr. George W. Cox of Austin to his eighth consecutive two-year term as state health officer.

The vote of the nine member board was unanimous in favor of keeping Dr. Cox in the post he has held since 1936, the longest tenure in the 70-odd year history of the State Department of Health.

Dr. O. B. Kiel of Wichita Falls chairman of the board, called Dr. Cox, "outstanding among the health officers in the nation. The job he has done in his capacity is remarkable," Dr. Kiel said. "I speak for the whole board when I say Texas is fortunate to have such a man as Dr. Cox heading its public health activities."

In addition to Dr. Kiel, present board members are Dr. S. D. Coleman, Navasota; Pat J. Cavanaugh, a San Antonio Pharmacist; Dr. John H. Mitchell, Tyler; Dr. A. W. Rogers, Corsicana; J. P. Burden, San Angelo; Dr. L. S. Oates, Center.

Dr. Cox has aligned himself with the public health movement in Texas throughout his professional career. He is a former member of the State Board of Health. His medical degree was conferred at Tulane University. Some of the highlights

of his tenure as the leader of State public health activities are:

A reduction of typhoid fever death rates of 97 per cent; a 96 per cent cut in malaria mortality; 43 per cent reduction in syphilis death tolls.

The common diseases of childhood—scarlet fever, whooping cough, diphtheria and measles—have been so sharply curtailed that last year the combined death rate from these four causes was less than one-third that of diphtheria alone 15 years ago. Influenza and pneumonia deaths have also fallen off sharply.

A 500 per cent increase in the number of local health units has occurred under the administration of the veteran health chief who strongly advocates decentralization of the states health facilities "so people can get to them."

He is a past president of the United States-Mexico Border Public Health Conference, a diplomat of the American Board of Preventive Medicine and Public Health, and a member of the American Public Health Association, American Medical Association, and the Texas State Medical Association. He is also director of the Division of Emergency Medical Services and Public Health within the framework of the state's civil defense or gazation.

### We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the Judge and he spoke to the driver about it.

To his surprise the cabman answered right back. "Don't blame me," he said "Fast as I clear this taxi out, the fares just mess it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!"

Judge figures the fellow was in the right, and maybe we ought to

do a little campaigning with the public. I agree with you—that's why I'm writing this.

From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride—just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

## Time to buy trucks on something besides hearsay!

You can't afford to buy trucks by guesswork today. What you carry—how far and fast you carry it—under what road and traffic conditions—all must be considered in specifying the right truck for you in times like these.

That's our specialty as a GMC truck dealer — we are first and foremost transportation engineers. Our one aim is to recommend the exact combination of engine, frame, axles, transmission, cab and optional equipment that is best suited for your year-round needs.

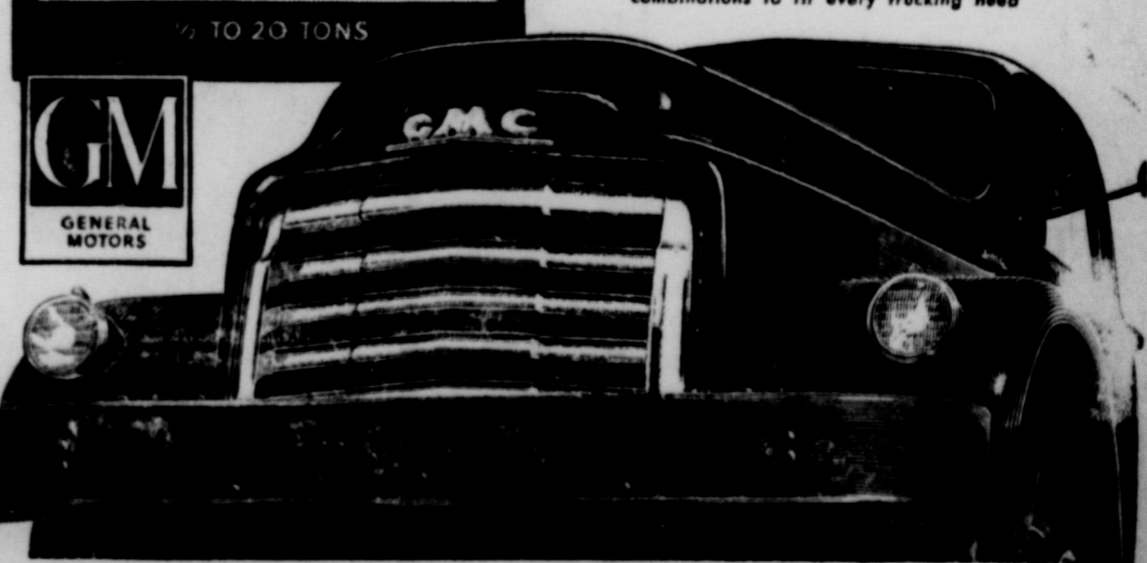

Come in and see us—whether you want a ½-ton pickup or a giant Diesel 90,000 lb. GCW six-wheeler. We can give you exactly the right truck — designed for longer mileage with less maintenance expense — and it will be a real truck, engineered for your type of work.

That's why GMC sales are greater today than ever before. Truckers find they are best in the long haul. Let us show you why.

### NEW faster service anywhere in U. S.

Exclusive rapid road service for GMC owners—call Western Union Operator 25 for name of nearest GMC approved service

**TACKLE AT McMURRY**

**ABILENE**—Richard Buckley, tackle from Knox City, will probably see a lot of action for the McMurry College Indians in their final game of the season against the Southwestern University Pirates here Friday night.

An early-season injury slowed Buckley, but he has regained top condition and should deal the Pirates some misery.

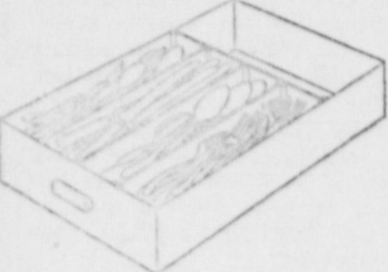

Mrs. Joe Cannady and children are visiting relatives in Seagraves and Brownfield this week.

Mr. and Mrs. Gill Wyatt and Mr. and Mrs. Sidney Winchester were visitors in Houston and Velasco several days last week.

Mr. and Mrs. J. B. Merrill and family of Lubbock were guests of Mr. and Mrs. J. D. Gillespie and Pamela over the week end.

**Dividers for Drawer**  
DIVIDERS in the silverware drawer can be made in a jiffy by the handyman—or woman. They are a great help in keeping the silver nicely separated and in apple-pie order. They have similar useful purposes in other household drawers, too. For example, they will quickly bring order out of chaos in the sock and handkerchief drawers of the men and boys of the family. There probably are drawers in the

kitchen, bathroom, utility room or linen closet in which dividers would be most welcome by the homemaker. The "makin's" are pieces of Masonite one-eighth-inch tempered hardboard, which serve as the partitions; pieces of quarter-inch quarter-round which form the slots into which the hardboard panels slide; and some brads to nail the latter to the drawer frame. Advantages of the hardboard dividers are that they won't splinter or chip, they can be removed and washed, and they will wear indefinitely. Cross-dividers can be made of the same material by cutting one-eighth-inch notches and fitting the pieces together as in an egg crate.

Miss Ilene McClaran, who is attending Wichita General School of Nurses in Wichita Falls, visited in the home of her mother, Mrs. Ann McClaran, over the week end.

**Kracker Krumbs—**

**TWO REASONS WHY MORE FARMERS WANT**

**GOODYEAR SUPER-SURE-GRIP TRACTOR TIRES**

1. Deeper Soil Penetration — Greater Pull
2. Balanced Straight Lug Tread Design — Longer Wear!

Goodyear's open center tread has straight deep-biting lugs. No curves to cut traction — no hooks, knobs or elbows to blunt their bite. They cut cleanly into the soil, penetrate full depth, full length. Straight bars closer together at the shoulders wedge the soil for firmer grip—don't "plow out" soil at the sides.

Goodyear open center lugs are all straight, all equal in size and spacing. That's why every lug works equally, pulls fully, wears more evenly. This means a smoother, steadier pull, less vibration and wobble — more riding stability — plus longer life. Get Goodyears for your tractor — they don't cost a penny more.
