

Let's Talk LIVESTOCK

(By Ted Gouldy)

FORT WORTH, April 13— A clear demonstration of the manner in which prices are affected by governmental intervention in the business can be seen from the way livestock prices behaved during the past week at Fort Worth.

The extremely stable market ready movement of all classes because of good demand and firm prices, remained unchanged on cattle and calves with all classes selling in line with recent price levels.

Swine again fluctuated in a relatively narrow range, the ups and downs in the market being accurately reflected by the sup-

plies offered and the movement of the pork in wholesale meat channels. Hogs were up the first of the week and lost the advances in the closing days of the week.

Sheep and lambs, however were highly erratic. The reason was the revision of wool price ceilings. In this case, the ruling was more liberal than had been expected and prices were higher, especially on Spring lambs on which pelt credits were raised sharply by the new wool schedule. The Spring lambs rose for three straight days and gained \$1 to \$2.50 per hundred.

The effects of government rulings on commodity and livestock prices and the unsettling factor they can be clearly demonstrated.

In this case, the producer benefited. This is not always the case.

Demand for good fat cattle and calves indicates a healthy consumer market. This week some good fed yearlings from G. A. McClung of Johnson County weighed 647 pounds and sold for \$37, the same price as some of his creeped yearlings brought on several occasions

At Roxy, Tues., Wed., and Thurs.

Farley Granger and Adele Jergens confront Dana Andrews in this scene from "Edge Of Doom," which also stars Joan Davis.

over the past two or three months. Indication of a stable market.

Parker Jameson, cattle feeder near Haslet, had about ten loads of steers on the market during the week at from \$34 to \$36 per hundred prices the same as for several weeks past.

A bright spot in the trade was stocker calves and yearlings as well as stocker cows, which continue in good demand despite disappointing range conditions in many sections and the uncertainty as to what Washington may do about prices.

Latest rumor going the rounds is that price ceilings are announced on meat, the top grade of beef will be little affected from current levels, but the plain and medium grade beeves and vealers will be rolled back sharply. This could widen the spread between the good, choice and prime livestock and the lower grades greatly. Some guesstimators think that prices on bulls, cows and plain and medium calves, yearlings and steers may be considerably lower.

While we are on the subject of price stabilization, here's a story that is going the rounds—no doubt inspired by some of the folks who differ with some of Price Stabilizer DiSalle. Goes like this:

"Price Stabilizer Michale DiSalle had this story for reporters anent the general wage-price freeze on U. S. economy: 'If you're cutting off a bobcat's

tail, cut it off close to the body. If you take it off an inch at a time you'll have a sore tail and a mad cat.' Apparently, Mr. DiSalle does not know anything about bobcats, either."

Among prices for stockers at Fort Worth this week, we find that Pitchfork Land and Cattle Company had 25 calves at 335 pounds at \$41; G. C. Carothers, Stamford, had 72 yearlings at \$45; Dick-Moyer, Clay County had 20 cows at \$28, with calves at side at \$45; I. W. Fish, Mata-dor, had 20 calves at 334 pounds at \$45; Della Hutson, Throck-morton, had 29 mixed steers and heifers calves at 349 pounds at \$43; Will Loveless of Concho County, had 15 yearlings at 401 pounds at \$37.

J. M. Graham of Graham sold 20 calves at 372 pounds at \$45 and 11 head at 619 pounds at \$38. Clyde Patton of Goree had seven steers at 738 pounds at \$37 and 18 yearlings at 505 pounds brought \$40.

Carl Anderson castrated a big bull weighing 1985 pounds at \$33. Over \$655 for the one brute.

Milk lambs which had a hard time topping at \$33 a week ago topped at \$35.50 this week, a solid \$2.50 per hundred gain. Among sheep growers getting the top price were George Bayer of Munster and A. L. Zott of Windthorst.

Mrs. Maribelle LaFrance and son, Ernest D., of Goree, were in Chicago, Ill., recently to attend the funeral of their aunt Mrs. Martha Stewart. Mrs. LaFrance's parents, Mr. and Mrs. H. Blackburn of Vera, accompanied them. Mrs. Blackburn being a sister of Mrs. Stewart.

Farmers To Get Continued Supply Of New Equipment

DALLAS—A government order, M-55, assuring farmers continuing supplies of equipment for essential production of farm products has been issued, according to Ernest L. Tutt, regional, Director U. S. Department of Commerce-National Production Authority for Texas, Louisiana, Oklahoma and Arkansas.

NPA Order M-55 provides that manufacturers of farm equipment of most every type may apply ratings on their own certification to obtain materials or component parts at a level equal to the average monthly consumption in the first half of 1950. The new order applies only to requirements for the month of June 1951, Mr. Tutt explains.

Manufacturers are permitted to extend ratings, to obtain materials and components, only to their regular suppliers during the past two years. Suppliers also are authorized to extend the orders where necessary.

Persons applying or extending

ratings will attach the following certification:

"Certified under NPA Order M-55 and Regulation 2."

NPA regulations requiring that inventories be limited to a practicable minimum working supply will continue in effect.

No ratings may be applied by manufacturers, under this limitation, if the amount of materials involved would increase inventories beyond a practicable working minimum.

Mr. Tutt said that a person affected by any provision of Order M-55 may request adjustment or exception on the ground that his business operation was commenced during or after the base period, or because it works an undue hardship.

Those participating in any transaction covered by this order shall retain all records for at least two years in sufficient detail to permit an audit.

"Additional information or NPA Order M-55, or any other NPA matter, may be obtained from any USDC-NPA Office, Mr. Tutt states.

Texas USDC-NPA Offices are located in Dallas, El Paso, Houston, and San Antonio; Oklahoma City and Tulsa; Louisiana

offices in New Orleans and Shreveport. Little Rock is Arkansas USDC-NPA headquarters

Miss Buran Dean Suggs, who is attending Hardin-Simmons University in Abilene, spent the week end in the home of her parents, Mr. and Mrs. Port Suggs.

Senior Class Play To Be Held Friday Night

"The Great Ben Allah", the annual Senior Class play of Munday High School, will be presented in the Grade School Auditorium on Friday evening, April 20th, at 8 o'clock. The play is a three act farce by William D. Fisher and released by the Art Craft Play Company of Marion, Iowa.

According to Jas. H. Bardwell and Leonard Dowlearn, codirectors of the play, the cast will include several experienced high school actors as well as a few who are new to the stage here. Jessica Aldrich, a flighty rather rattle-brained woman of middle age who is intensely interested in spiritualism, will be played by Betty Carolyn Morrow. Betty played a minor role in last year's junior class play "The Marlenburg Necklace" will take the part of Ruth Aldrich, the twenty-three year old serious-minded daughter of Jessica Aldrich. Ben Allen, a wealthy, good-looking, well dressed quite unassuming and not at all conceited young man, who will do anything for the hand of Ruth, is to be portrayed by Leonard Norman. This is Leonard's first appearance on the stage but he will be good. Billy Brown will take the part of Ed Weston who is much like Ben Allen but is not quite so full of life and is a bit of a pessimist.

He is inclined to let Ben take the initiative. Billy played the part of a butler in last year's junior play.

Harold Fox has been cast as Professor Randolph Rawlins, a psychologist-spiritualist. The professor is a pleasing person and is not at all stilted in his actions. Harold carried one of the leading roles in last year's play. Peggy Harrison, another first year actor will play the part of Roberta Houston, sister of Jessica Aldrich. She is forty five, attractive and likable because of her interest in and understanding of the younger set. Patsy Morrow will take the part of Helen Johnson, a friend of Ruth's. Patsy will be remembered as one of the leading actors in last year's production of "The Marlenburg Necklace."

Joyce Melton will be cast as Mrs. Schuyler Van Schuler, Mrs. Aldrich's friend, but not quite so giddy although she is likewise wrapped up in the supernatural. This is to be the first appearance of Joyce in a three act play. Hawkins, the butler will be portrayed by Scotty Ponder, a newcomer to the high school stage. Madge Hardin will make her first appearance in the role of Dorothy, the maid in the Aldrich home.

The play has been coached by Jas. H. Bardwell assisted by co-sponsor of the Senior Class Leonard Dowlearn. Perry Reevy will do all the announcing and W. E. Stovall will assist on the stage.

Fletcher Wrenn of Dallas is here for an extended visit with relatives and friends. Mr. Wrenn is a pioneer resident of Knox County.

WANTED BY THE FBI

JAY PAUL SHELTON, with many aliases
INTERSTATE TRANSPORTATION OF STOLEN MOTOR VEHICLE

DESCRIPTION
Age 33; born July 13, 1917, Owenton, Ky.; height, 6 feet; weight, 152 pounds; build, slender; posture, stooped; eyes, brown, may wear either rimless or horn-rimmed glasses; hair, dark brown, straight; complexion, medium light; nose, long, prominent in profile; race, white; nationality, American; occupations, automobile salesman, used-car dealer, waiter; remarks, may wear mustache, reportedly carries stolen identification papers of numerous persons, said to be one of the most cunning and active car thieves presently at large, may be traveling with female companion.

Draft Call For May Cancelled

AUSTIN—May draft call for 3,112 men and May pre-induction physical examination call for 6,807 men were cancelled today by Brigadier General Paul L. Wakefield, state director of Selective Service.

General Wakefield took his action following receipt of the following telegram from Major General Lewis B. Hershey, national Selective Service director:

"Delay issuance of calls on local boards for May inductions pending further instructions. Instruct local boards to issue no further orders to report for induction under any calls already made on them for May. April instructions under Call No. 12 will continue as presently ordered."

Texas State headquarters issued May call to its 137 local boards in late March for induction as well as for pre-induction physical examinations.

State quotas for induction are issued by Selective Service national headquarters. State quotas for pre-induction physical examinations are issued by state headquarters.

The state director said that

the April induction call for 2,075 men will be filed as previously called for. The April call originally was for 4,150 men but this was cut in half in late March, after authority was received from national Selective Service headquarters.

General Wakefield said he could not say whether a call for June induction would be received or not. He said that monthly calls for induction normally are received about 60 days in advance.

Mr. and Mrs. J. E. Reeves were business visitors in Fort Worth and Dallas the first of this week.

Mr. and Mrs. Tom Cloud and Tommy have returned home from a visit in Fort Worth.

CARD OF THANKS

I would like to express my deepest and sincere thanks to all the doctors, nurses and many friends who have been so nice and thoughtful during my stay in the hospital.

I know I can never repay all of you for the many things you have done for me but I would like to say just, "Thanks a million for everything."

Jerrel Barnett
Benjamin, Texas.

So this is HOUSEKEEPING

I don't want to sound too smug about the whole thing, but when a bride can give her own mother some tips on housekeeping—that's news!

The Big Moment came when Mother dropped in unexpectedly just as I was putting away the last week's ironing.

"Do my eyes deceive me," says she, "or have you spunged already after all the talk I've heard about a big economy drive?"

Since a newlywed's budget is a source of pride I might have sounded a bit touchy in replying but Mother wasn't to be put off.

"You know very well what I'm talking about. Those lovely blue sheets and pillow cases weren't in your hope chest, young lady."

And that's where Mother got the surprise of her homemaker career because the sheets and cases had done just that—come snowy white straight out of my hope chest, detoured through the washing machine, and wound up in perfect harmony with our blue and gray bedroom!

With an air of "these minor miracles come to me naturally," I explained that the secret of my linen wardrobe success was as simple as the two words "dye it."

It all started when I came across a leaflet outlining the simple process of dyeing bulky articles in electric washers (You can get a free copy of the leaflet by writing: Tintex Home Economics Bureau, 485 Fifth Ave., New York 17, N.Y.) 'Til then I had always thought of dyeing in terms of the huge vessels Grandmother used to have which certainly couldn't be squeezed into today's apartments.

After the leaflet I stopped pinning for bed linens in the new pastel shades and got busy. With a few inexpensive tintex packages and the plugging in of our washing machine the young Mrs. Sturta were in the height of fashion.

Mother got in a few washing machine ideas of her own about dyeing tablecloths to the new, colorful shades; about heavy drapes, shag rugs, bath mats and the like. I don't know what all. Me, I'm temporarily satisfied to have shown a veteran a few new tricks.

Goree News Items

Mr. and Mrs. Earl Coffman of Lubbock visited relatives and friends in Goree this week.

Mr. and Mrs. Jack Duncan and Mrs. Patsy Whitlow of Plain view visited Miss Burniece Goode, Mr. and Mrs. John Goode and Mr. and Mrs. Jim Goode Sunday. Mrs. Whitlow remained for a longer visit with her sister, Miss Goode.

Mr. and Mrs. Ross Madole and children of Roswell, New Mexico, visited his mother, Mrs. Maggie Madole and other relatives during the week end.

Mr. and Mrs. Leo Jones of Sweetwater visited Mr. and Mrs. Sam Hamton and Mrs. E. J. Jones Sunday.

Mr. and Mrs. Rado Hutchens of Wilson visited Mr. and Mrs. Marshall Gass Saturday and Sunday.

Douglas Moore of Abilene spent the week end with his parents, Mr. and Mrs. Johnnie Moore.

Mr. and Mrs. Frank Davis of Seymour were Goree visitors Sunday.

Mrs. Bill Orsak is recuperating in the Bethania Hospital in Wichita Falls, after undergoing surgery there last week.

Cannon Roberts visited his son, Billie Joe Roberts, in Fort Worth Sunday.

Mr. and Mrs. Lewis Hutchens and children of Bellvue spent Sunday and Monday here visiting relatives.

Visiting Mr. and Mrs. George Crouch this week is his father Lige Crouch, of Megargle.

Mr. and Mrs. R. C. Spinks, Jr., of San Antonio and Mr. and Mrs. Lee Feemster visited Mr. and Mrs. R. C. Spinks the past week.

Mrs. Lessie Jackson, who had been visiting in Oregon and California for several months, returned home Friday with her

son, Lloyd Jackson and family who are moving from California to Azle, to a farm which they recently purchased.

Mr. and Mrs. Ira Stalcup visited Mr. and Mrs. B. W. King Jr., and son in Graham last Sunday.

Mrs. Irene Jorday, who makes her home with Mrs. R. D. Stalcup, visited relatives in New castle last Sunday.

Uncle Harry Williamson and son, Cornelius, of Petersburg visited his sister, Mrs. W. F. McCauley and other relatives here this week.

Mr. and Mrs. Jim Earl Hammons and baby of Wichita Falls visited his parents, Mr. and Mrs. Ruby Hammons Saturday and Sunday.

Mrs. O. E. Moore, Mrs. Bob Moore and Mrs. C. T. West, were Haskell visitors Tuesday.

Mr. and Mrs. Jack Freeman and have been in Paris, Texas, the past ten days at the bedside of his mother, who is gravely ill.

Mr. and Mrs. C. T. West and Tommie visited Mr. and Mrs. Otis Waddill and daughter in Abilene Sunday.

Mrs. Henry Shatik of Austin Minn., is visiting her niece, Mrs. Walter Mooney and husband.

Mrs. Ira Stalcup and Mrs. Cliff Shorman attended a flower show in Graham last Tuesday.

Mr. and Mrs. S. Y. Easley of Anson are visiting in the home of their daughter, Mrs. W. O. Barnett, this week.

Mr. and Mrs. George White of Wichita Falls, are visiting relatives here this week.

Kay Waheed of Killen was here the latter part of last week visiting relatives and friends and attending to business matters.

ACC To Sponsor Citizenship Day

ABILENE—Abilene Christian College, host for the first annual Abilene Citizenship Day Friday, is preparing a program of entertainment for the 1,000 1,200 West Texas high school seniors it expects as visitors.

This entertainment, along with citizenship instruction and vocational guidance, will make up a full day for the students.

Featured entertainment attraction is the ACC a capella chorus, nationally known for its personal appearances and radio concerts. The 60-voice chorus will sing in the morning session following an address by John Ben Shepperd, Texas secretary of state.

Other entertainment will feature the ACC Wildcat band and the college quartet.

The band will open the afternoon session with a concert after the seniors have lunched in the ACC cafeteria as guests of the college. The quartet will sing at 2:30 at the close of the day's activities.

During the afternoon, 25 outstanding West Texas business and professional leaders will discuss their vocations with the seniors.

Another highlight of the conference will be a talk by Robert Stripling, former chief investigator for the House un-American activities committee and prosecutor of Alger Hiss. His address will follow the a capella concert at 10:40.

Mrs. P. B. Baker Is Hostess For Eighty-Four Club

Mrs. P. B. Baker was hostess for the 84 Club April 11, from 2 to 5 P. M.

After games were played, angel food cake and ice cream were served and then her friends presented a lovely gift of a pair of embroidered Madiera pillow cases to Mrs. C. A. Barton, who will soon move to Pecos.

Mrs. Barton is one of Monday's best loved ladies and will be missed by the club and entire town.

Those honoring her on this special occasion were both members and friends including: Mmes. R. D. Atkinson, J. C. Borden, T. G. Benge, Fred Broach Sr., W. R. Moore, W. E. Braly, G. R. Eiland, J. D. Crockett, H. F. Jungman, P. V. Williams, H. A. Pendleton, D. E. Holder, C. L. Maves, S. E. McStay, C. P. Baker, W. C. Cox, R. L. Butler Aaron Edgar, W. A. Baker; Misses Eugenia Robertson, Maude Isbell, Jessie Vick, Juanita Smiley and the hostess.

Your Home

There's been so much talk, so many newspaper articles lately about tularemia—which we often call "rabbit fever"—that I asked our family doctor to give me some information. Because we're all trying to protect our families from these dreaded diseases, I thought you'd be interested in what he told me.

Tularemia is an infectious disease which is transmitted to man through the bite of a fly and other insects. It may also be contracted by dressing the carcass of a rabbit or squirrel—or by eating meat of infected animals before it has been properly treated and cooked. The symptoms are similar to those of undulant fever or the plague, consisting of prolonged fever, and often swelling and suppuration of the lymph nodes near the site of the infection.

If a human does get tularemia, he's apt to be mighty sick—but today, antibiotic drugs have taken away much of the fear of this disease. Up until 1946 the rule was "31 days of fever, 31 days in bed and a total duration of disability for about 3.5 months." But, with the discovery that streptomycin helped to cure the disease, this was cut down. In 1949, doctors began using the wonderful aureomycin from the Lederle Laboratories, and this was discovered really effective as a cure. It's being used today to cure patients in a few days.

We are certainly fortunate to have such an effective antibiotic drug available... for it takes away most of the worry regarding such dangerous diseases as tularemia—and gives us the confidence that we can protect our families and keep them safe and well!

Monday Boy Joins Forces In Korea

WITH 25TH INFANTRY DIVISION, US ARMY—What is the first impression a replacement in Korea gets when he joins his company in the field?

Pvt. Raymond Harman, Monday, a newcomer to the 35th Infantry "Cacti" Regiment was quick to answer that question. He voiced "pleasant surprise" over the friendly reception given him.

Harman joined the famous 25th "Tropic Lightning" Division unit immediately after arriving in the Far East from the United States, except for a few days in Japan where he was equipped.

At regimental headquarters he was briefly oriented on why he was in Korea and what to expect when he joined his company. A haircut, a hot shower and other personal needs came next.

Then he was taken to his company where he was greeted by the commander, Capt. Luther Weaver of Jackson, Ga. After receiving his platoon assignment, he mingled with his new friends for the remainder of the day, and the following day met his battalion commander. "It was great," said Grimsley. "They made me feel at home right away."

Legal Notice

NOTICE OF HEARING

Whereas, by Acts of 51st Legislature, the use, sale and regulation of Herbicides was forbidden in certain portions of Texas, and by the provisions of such regulations, each County in Texas may by proper notice and order, make such sale, use and regulation effective in such County.

NOTICE IS HEREBY GIVEN as provided in said regulation, that all persons affected by such regulations, are hereby notified to appear before the Commissioners Court of Knox County Texas, at its next regular session, on the 14th day of May, A. D., 1951, at Benjamin, Texas, at or before 10 o'clock A. M. then and there to protest, if they so desire, the future compliance with the provisions of such regulation of the sale, use and regulation of Herbicides in Knox County, Texas.

Witness my hand and seal of office, the 13th day of April, A. D., 1951.

J. B. EUBANK, JR.,
County Judge, Knox County
Texas.

LOCALS

J. M. Terry left Wednesday morning for Mineral Wells and DeLeon, where he is visiting relatives for some ten days.

Mr. and Mrs. J. A. Hill and Margie spent the week end with Mr. and Mrs. C. D. Swope and Dick and Clotie in Leuders.

Mrs. Gene Shackelford and Sonny have returned home after a visit with her parents, Mr. and Mrs. J. A. Hill.

Mrs. J. M. Croley and son John, spent several days last week with relatives and friends in Pittsburg, Texas.

Mr. and Mrs. Lee Ward and daughter of Lubbock visited with Cecil Fitzgerald over the week end.

Dr. and Mrs. Eiland and sons and Mrs. Dave Eiland were visitors in Kerrville over the week end.

Mr. and Mrs. Sied Waheed of Lubbock visited friends and relatives here a few days last week.

Mr. and Mrs. Don Boyles visited in the home of Mr. and Mrs. Clark Boyles in Abilene over the week end.

Mr. and Mrs. J. D. Crockett visited with relatives in Stamford over the week end.

Ed Thompson entered a Wichita Falls hospital Monday of this week for medical treatment.

During a six-year period, 1941-1947, an average calf crop of 98 percent was obtained from 62 cows that were grazed on a 640 acre phosphatized pasture on the King Ranch, while 42 cows on a similar sized unfertilized pasture produced only 69 percent calf crop.

Activities Of The Colored People

The pupils of Dunbar School were the happy recipients of a softball bat from Mrs. Paul Pruitt, glasses for the lunch room, donated by Mrs. W. E. Braly, and magazines donated by Russell Penick. May the ex-

pression, "Thank you very much" contain all that we were unable to say in words.

We are looking forward to the final meeting of our P.T. A. next Thursday night. Reports will be made on our accomplishments this year, and an interesting program will conclude the meeting. All patrons are urged to be present.

Constant supervision by health officials keep food, milk, and water supplies pure and wholesome," the health officer asserted, "and communicable diseases are controlled better to day than ever before through the efforts of an intelligent citizenry, the medical profession and public health workers."
Children born into today's world are protected by immunizations that were unheard of two generations ago, and the common sense measures that parents take to protect their children, the doctor indicated.
A complete physical examination, including a blood test, before marriage is "part and parcel of better family living," in the mind of Dr. Cox.
"Blood tests are sensible precautions against possible spread of syphilis. More and more people are displaying their natural intelligence by taking blood tests."

Also part of planned living, he believes, is for every expectant mother to have her blood tested as required by law. This could entirely eliminate congenital syphilis, because the diagnosis would be made early.
"Competent care is all that is

necessary to prevent the birth of a syphilitic child. If the mother is found to be infected, and treatment is started at once, it is very likely the child will never be touched by the disease," the health official advised.
Mr. and Mrs. P. V. Williams were business visitors in Dallas over the week end.

POWER YOU CAN DEPEND UPON

MASSEY-HARRIS

3-4 plow 44

Here's 260 cubic inches of tough, versatile power . . . stamina and endurance that takes heavy plowing and discing in stride—plants, cultivates and handles belt work with little effort. The 44 develops 41.36 maximum drawbar horsepower . . . 47.04 on the belt.

It's power you can depend upon for all your work . . . economy that adds up to more profit from every operation. The 44 has 5 forward speeds to take you through field work at a speed matched to the job. Big 12-38 or 11-38 rear tires make full use of the 44's power and speed. Depth-o-matic System provides 2-way hydraulic control of mounted and pull-behind tools. Velvet Ride Seat, full-width platform, shock resistant steering, self-starter and self-energizing brakes make field operation easier, faster, with the 44.

See us now for complete details on the 3-4 plow 44 . . . it's the power and economy leader of them all.

Make it a Massey-Harris

H. H. Williamson, Former Director Of Extension Service, Has Retired

H. H. Williamson, assistant director of the Extension Service, U. S. Department of Agriculture retired March 31. He will live in Bryan and manage his farm in Grimes County.

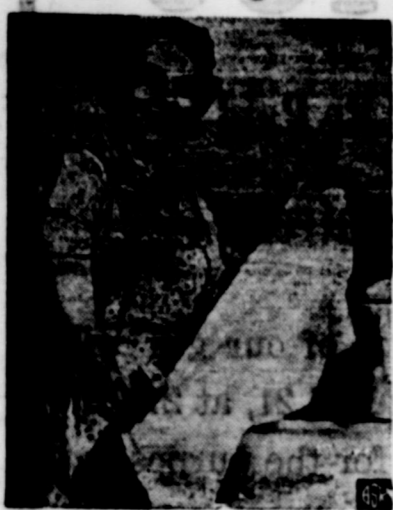

Williamson's career of public service spans more than 39 years, most of it with the Agricultural Extension Service. He was graduated from the Texas A. & M. College in 1911 and in 1912 was named State Boys' 4-H Club Agent for Texas. He later served as state agent, assistant director, and from 1935 to 1943 as director of extension in Texas. From November 1943 un-

til January 1945, he was agricultural relations adviser to the Office of Price Administration and since January 1945 has served in the position he held at the time of his retirement.

In commenting on Williamson's work since he has been in the Federal Extension office Director M. L. Wilson said, "in his quiet, modest, and friendly way he has made a model, so to speak, of the integration of subject matter, policy and administration". Wilson was referring here to the work that Williamson has done in developing the present cotton program. Wilson adds, "the program that has been developed is one of the best examples of coordinated program between the Federal government and the State that exists today and is being so recognized."

Williamson was honored at a farewell party by his fellow employees at a farewell party by his fellow employees in the Federal office and was presented a hat, skirt and tie, all Texas models.

Make Clothes Last Longer!

As our preparedness program swings into high gear, cutting into peacetime production, it becomes more and more important for us to conserve the things we now have. This is in line with President Truman's economic message to Congress that Americans will have to make their household goods last longer, their linens and their clothes. With the aid of a no-rinse detergent in tub or washing machine—eliminating much abrasive handling and wringing—we can give our clothes that new lease on life. No wonder the housewife is so pleased to see her linens looking lovelier than ever, after repeated washings in the no-rinse detergent, which saves wear and tear on fabrics, and conserves hot water and fuel, as well. This modern No-rinse Surf method is no overnight development. It is the result of over five years' laboratory research by one of the country's leading manufacturers of soaps and detergents. The soil is extracted from the clothes, held in suspension in the wash water and, since the no-rinse detergent does not permit soil to be re-deposited on the fabric, no rinsing is required. All the dirt flows out with the water in wringing, leaving the garments soft and sweet-smelling, with not a bit of scum on clothes or tub.

Walter Schmacher, Miss Linderman Are Married April 9th

St. Mary's Church in Windthorst was the scene of an impressive nuptial mass conducted to unite in marriage Miss Ida Mae Linderman of that city and Walter Joseph Schmacher of Munday. The double ring ceremony was read April 9 by Rev. Father Abbott Edward, pastor.

The bride's gown of white slipper satin was designed with a fitted bodice whose droop-shouldered neckline was accented by a shimmered satin band outlined with imported lace. Her sleeves were long and fitted. Lace trimmed panniers added interest to the soft folds of the Grecian styled skirt the latter extending into a demi-train. She wore a seed pearl tiara to which was attached a fingertip-length veil of illusion. Her white satin prayer book was topped with carnations and gardenias.

Feminine members of the bridal party included two sisters of the bride and a sister of the groom. They were Misses Rosella Linderman, maid of honor Gertrude Linderman and Mary Schmacher, bridesmaids. Their gowns of blush, blue and pink respectively, were fashioned of net and satin. Each carried a shower bouquet of pink and white carnations.

Brother of the groom, Herman

Schmacher, Munday, was best man. Groomsman included Albert Schmacher, Munday, and Benedict Linderman, Windthorst; while the duties of ushers were assumed by Mark Linderman and Andrew Roehew both of Windthorst.

The church was decorated with arrangements of white lilies.

The bride, daughter of Charles Frank Linderman of Windthorst, graduated from St. Mary's High School and was president of Blessed Virgin Sodality and has been employed at St. Mary's Hospital in McAlester and Bethania Hospital in Wichita Falls.

The groom is the son of Mrs. Emma Schmacher of Munday. He graduated from St. Joseph's School in Rhineland and was in the Army for two years.

A reception was held at the Knights of Columbus Hall in Windthorst.

Mr. and Mrs. Schmacher will establish residence in Munday.

Mr. and Mrs. George Eiland of Lamesa visited in the home of Mrs. G. R. Eiland over the week end.

Mr. and Mrs. Doyle Jones of Amarillo spent the week end with his parents, Mr. and Mrs. C. C. Jones.

Mrs. T. C. Lowry spent several days last week with relatives in Abilene.

Darlene Earp And Charles Dunnam Marry At Weinert

Miss Darlene Earp, daughter of Mr. and Mrs. J. W. Earp of Weinert, and Charles Alfons Dunnam, son of Mr. and Mrs. C. A. Dunnam were married at the Baptist parsonage in Weinert at two o'clock Sunday afternoon April 8. Rev. Temple Lewis read the double ring ceremony.

Marilyn Smith was the bride's only attendant, while Johnnie Earp served as best man.

The bride wore an aqua silk shantung suit with white accessories. Her flowers were white carnations.

Miss Smith wore a navy taffeta suit with pink carnation corsage.

After a wedding trip to Ruidosa, Carlsbad, and other points in New Mexico, the couple will reside on a farm southeast of Weinert.

Both are graduates of Weinert High School. Mrs. Dunnam at-

tended Hardin-Simmons University for two years, during which time she served as a class secretary. She was a member of the Cowgirls and Hunter Hall Council.

The bridegroom served in the army for four years, and was stationed in the Philippines.

Miss Bobbye Price left Tuesday of this week for Waco to visit with friends and relatives.

Dr. and Mrs. James Walker of Fort Worth spent the week end here with her mother, Mrs. G. R. Eiland.

Susan and Tanner Mahan of Seymour visited with their grandmother, Mrs. W. M. Mayo over the week end.

Mr. and Mrs. Floyd Searcey were visitors in Dallas over the week end.

Washington News Letter

By Congressman Ed Gossett

WASHINGTON, D. C., April 13—As this is written two days have elapsed since our most decorated, most distinguished five-star General Douglas MacArthur was fired. To date I have received fifty-nine telegrams signed by two-hundred-and-two persons, and eighteen letters on this subject. All letters, wires and telephone calls have been deeply critical of President Truman. Most of them demand the impeachment of Truman and the firing of Acheson.

No one has been more critical of the bungling of our foreign affairs than I. The Morgenthau Plan, the Teheran, Yalta and Potsdam conferences, our Peking policy, and they Secretary Marshall's trip to China, were all major diplomatic tragedies, and sowed seeds of strife, confusion and conflict. Some or all of these were directly responsible for the Korean debacle in which we now find ourselves. It has been my contention that the pinks and reds within this country, supported and sustained by organized, minority pressure groups of the same hue

have been principally responsible for both our major domestic and foreign difficulties. The tragedy has been that most of these groups have been aided and abetted by many well-meaning, high-minded American citizens; by intellectuals and humanitarians and others frantically seeking for a peace formula and for a way to avoid another world conflict—a strange coalition, some seeking to save and some to destroy our great country.

The President had the authority to fire General MacArthur. The proud, strong-willed general did much to force his hand. Those who grieve because of this crisis must remember and must uphold the sound American principle of civilian superiority over the military. To impeach the President is an impossible remedy. Article II, Section 4, of the Constitution states: "The President, Vice-President and all civil officers of the United States shall be removed from office on impeachment for a conviction of treason, bribery or other high crimes and misdemeanors."

Many of us strongly agree with MacArthur that Formosa must never be surrendered to the Reds and that UN membership must never be accorded to Red China. However, grave doubt exists even among many MacArthur supporters as to the wisdom of his policy of "an all

MECHANICAL HARVESTER DOES WORK OF 50

This giant cotton harvesting machine can gather a bale of cotton in from one to two hours. With its huge snout, the machine can do the work of 40 to 50 human pickers, the National Cotton Council says. This spindle-type cotton harvester is used principally in the rain belt of the Mississippi Valley and the Southeast, as well as the irrigated regions of California and Arizona.

out war on China." It is thought by many that an invasion of Manchuria or a transpiring of Chiang's forces by sea to the mainland of China would set off an all-out war against China, if not all out world war. We are told that many war lords within China are now fighting Mac who would fight with him against Chiang.

In all American top brackets, leadership, civilian and military MacArthur has stood out as a strong and positive character. Most Americans are grieved when a strong, positive character is liquidated by smaller, less positive ones. They feel that the negative has eliminated the positive. However, many of those who now acclaim MacArthur strongly condemn many of the things for which MacArthur stands. There are many inconsistent, incongruous elements in the present furore. The great

American tragedy is not the firing of MacArthur, but the absence of strong, positive American leadership in the State department and in the Executive branch of the government. The President has the authority to fire MacArthur and he cannot be impeached for it. His greatest mistake, however, was in venting his spleen so devastatingly against our Number One soldier. At least, MacArthur should have been left in full control of Japan. His administration of the Japanese Islands has been one of the bright spots in a dismal post-war world.

A lot of MacArthur scuttlebutt is heard around the Capitol these days. Congressman Rankin still reminds us that MacArthur served on the courtmartial that cashiered General Billy Mitchell. Some still cuss him for leading an attack against bonus marchers in 1932. Some claim that MacArthur was successful in the Hawaiian Con

Letters From The People

The following is a portion of a letter which relatives recently received from Elmer W. Melton who is stationed with the U. S. forces in Korea:

Dear Mom, Dad and Betty,
Joyce and Glenn:
How is everyone? Me, I am still as mean as ever. Well, this is Sunday and I am looking over the hills, watching for Reds, hoping they don't come. There are lots of boys going back to the States. It's hard to see them go, but if they go it means I will get to go, too. Well, tomorrow I will be in Korea two months. I guess Glenn is a big boy now. How much does he weigh? Well, there is not much to say. Be good until I see you. Hope it won't be long.
Your son,
Wayne.

Mr. and Mrs. W. W. Walsh and daughters, visited in the home of his brother, Mr. and Mrs. W. T. Walsh and family and his mother, Mrs. W. B. Walsh, in Lubbock over the week end.

Mr. and Mrs. Dick Price and daughter of Waco visited in the home of his parents, Mr. and Mrs. Tom Price, over the week end.

ference with President Roosevelt and Admiral King in the early days of the war in having his way. Mr. Roosevelt and Admiral King are said to have insisted on by-passing the Philippines, but the General said no. He has not been as successful in dealing with Acheson and Truman.

I shall support a resolution to invite General MacArthur to address the Congress. All of us should know what he can tell us. We must all work and pray for an honest and honorable solution to the Korean debacle as well as some formula for peace

TO THE PEOPLE OF MUNDAY

Without your encouraging words and our prayers, we would never have made it. All of you have been precious to us and to little Jerry. He has never given up, like his mother did. Not one tear has he shed, only when he had to leave his darling friends. They mean so much to him, especially now.

I can't thank each one personally, but what you said and did for us just thanks wouldn't be enough. I especially want to thank our very own Dr. Elland. He has been so very kind and good. Also Jerry's den mother Lois Jackson; his school teacher Mrs. Bill White; Mrs. Pruitt Mrs. Cunningham, and all my thanks go to Opal and Jerry

Guffey. Little Jerry sends his love to all the kiddies in his class and to all the other Cub Scouts. What wonderful leaders we do have in the Cub Scouts to train a little boy so faithful and brave. God bless every one of you.

Sincerely,
Jerry and Mrs. Peddy.

Miss Bobbie Nell Whitworth student in Hardin-Simmons University, Abilene, spent the week end with her parents, Mr. and Mrs. Tuck Whitworth.

Mrs. Orman Moore and daughter of Wichita Falls visited in the home of her mother, Mrs. Erin McGraw, over the week end.

come see new Servel Gas Refrigerators

LOWER PRICES, in times like these, deserve an explanation. And here it is: New Servels are redesigned, creating production savings which are being passed on to you.

Materials and workmanship are as good as ever. They have to be good because Servels are Guaranteed 10 Years—twice as long as any motor-driven refrigerator.

Yet new Servels are priced as much as \$32.55 lower than last year's models! If you can afford any refrigerator, you can buy Servel.

By any comparison, new Servels are the better buy—one to take advantage of immediately. Come in, today.

LONE STAR GAS COMPANY

Get behind the wheel of the easiest handling truck you ever drove!

New DODGE "Job-Rated" TRUCKS

The trucks that do the most for you!

Now Dodge brings you important new ease-of-handling advantages—along with all the ease-of-handling features that have made Dodge "Job-Rated" trucks the choice of champion truck drivers from coast to coast!

These new trucks are amazingly easy to maneuver. They bring you all the proved advantages of cross-steering, wide front tread and short wheel-base. And you get the extra handling ease of Synchro-shift transmission—plus steering column gearshift on low-tonnage models.

EXCLUSIVE! Gyrol Field Drive!

Available on ½, ¾- and 1-ton models. Makes driving easier with marvellously smooth performance. Cushions against shock and strain, saves on upkeep, and lengthens truck life.

NEW! Shorter turning diameters!

A new Dodge "Job-Rated" truck will make a sharper turn—maneuver into tight places easier—park with less trouble—save you time and driving effort on every trip.

NEW! Worm-and-roller steering gears!

Now you get safer, easier steering. New steering gears on most models give you positive control. Driving is more comfortable, too, thanks to the new, improved steering wheel position.

NEW! 4-speed Synchro-shift transmission!

Four-speed now available on ½, ¾-, 1-ton models, as well as 1½- and 2-ton. 3-speed Synchro-shift transmission standard on ½-, ¾-, 1-ton... 6-speed standard on 2¼-ton, available on 1½- and 2-ton.

What "Job-Rated" means to you...

A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job, save you money, last longer.

Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load

—frame, axles, springs, wheels, tires, and others—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered right to meet a particular operating condition.

See for yourself! Come in and drive an easier handling Dodge "Job-Rated" Truck.

Knox Prairie Philosopher Says Passing Out Suggestion Instead Of New Laws In Washington Suits Him

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek has another wild notion this week his letter reveals.

Dear editor:
I read in a paper this mornin' which turned up out here while I was debatin' over whether to plow or rest, some people refer to the U. S. Senate as the great deliberative body on earth but year in and year out I put in about as much time deliberatin' on my farm out here as anybody they've got in Washington, that the United States Senate after three months of debate has finally voted on whether or not the President can send troops to As I understand the verdict, the President can, provided he doesn't send over four divisions. On the other hand, if he wants to send more than four, he can also, as the Senate decision does

not have the force of law, it's just a suggestion.

Now that's the kind of legislation I've personally been waitin' for, and I'd like to see you use your Washington influence if you haven't misplaced it to get more Congressional action of that type.

For instance, this would be a lot happier country if the tax laws were in that category. Say Congress or the State Legisla-

People, Spots In The News

AUTO SNOW TRACK is invention of Leonard LePage of Roseville, Mich., who says it enables cars to mosh through snowbound areas. It can be installed or removed in an hour.

VIDEO VALENTINE—Connie Russell, NBC songstress, puckers prettily for object of her Valentine's Day affections.

VAULTING PARSON Bob Richards from LaVerne, Calif., grins after clearing 15 feet 1 inch in Millrose Games pole vault at Madison Square Garden. He's second man in history to top 15 feet.

CLEAN SWEEP—These University of Illinois students captured all four prizes in national design contest sponsored by the Council of America and Beaux-Arts Institute of Design. They are: left to right, Jack H. Swing, first; Ezra Gardner, second; Frederick T. Kubitz, third; and Siroslav Varnok, fourth. Contest required garden apartment design in which easily cleaned clay tile was used for entrances, hall and stair walls.

ture which aint no slouch at deliberation either passes a new tax bill, and Tax Collector Bumpas in turn sends me in a dun. Under this system I could consider it only a suggestion, to be paid if I wanted to or ignored. Now this ain't to say I haven't already treated a few tax notices in that fashion, but under the new system I would be a lot more comfortable about it and the tax collector could save a lot

Of course three months seems like a long time for the Senate to take to pass a suggestion, but I'm here to tell you passing sug-

gestions can be a lot easier on the country passing laws, and as far as I'm concerned Washington can revise the whole law book and put a lot of bills on the optional basis. I can think of dozens of taxes I'd just as soon have the choice of passing up as payin.

Yours faithfully,
J. A.

Club Boys Win Trip To Canada

Three Crockett County 4-H club boys, Bill Schneemann, Graham Childress and Jimmy McMullan, all of Ozona, Texas, are looking forward to a summer vacation that they'll not soon forget. According to Crockett County agricultural agent W. A. Bergfeld, Jr., they have been selected as winners of a trip to Minnesota and Ontario, Canada. They will spend a week in the northern wilds fishing, camping canoeing and just having a good time. Their host for the outing will be Tommy Bartlett, well known radio and television personality.

The invitation to make the trip came as a result of a guest appearance that seven Crockett County 4-H boys and their sponsors made on Bartlett's television show while they were attending the International Livestock Exposition in Chicago last year. The group were guests at a private party given by Bartlett the night they left Chicago

to return to Ozona. Later, in a letter to County Agent Bergfeld, Bartlett invited three members of the Ozona 4-H Club to be his guests for one week this summer. He left the selection of the boys to the 4-H officials. The parents of all eligible boys in the county made the rules for the awards as well as the final selection, says Bergfeld.

All the boys' expenses will be paid by Bartlett. They will go

by train to Chicago, by plane to Minnesota and Canada and back by train.

Don Reynolds, who is stationed in San Diego, Calif., is now home on a 14 day furlough to visit his parents, Mr. and Mrs. Bud Reynolds, and other friends and relatives.

Mr. and Mrs. Tom Morton were visitors in Wichita Falls last Sunday.

Have Your Planting Cottonseed Completely Delinted

(Kemgas Process)

- SAVE---Approximately half of your planting seed.
- SAVE---Time, fuel, wear and tear by planting 25 percent more per day.
- SAVE---On chopping expense.
- PROFIT---By faster germination with less moisture.
- PROFIT---By being able to plow cotton earlier as Kemgas delinted and treated cottonseed grows off quicker.
- PROFIT---By more lint yield per acre.

These are just a few reasons for planting delinted cottonseed. For further information, contact . . .

UNSURPASSED in the 1/2- to 2-ton truck field!

TALK about power! These great new GMC's are unsurpassed in horsepower in the 1/2- to 2-ton field—power to keep hauling years longer! But new engines are only part of the story.

From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models—things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weathersealed "Six-Footer" Cab—Turbo-Top pistons that develop higher power without "knock" even when using standard-grade gasolines!

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know it will take you farther, cost less to run—because it's built to last like the big ones!

Get a real truck!
