Kracker Krumbs Odd Bits Salvaged At Random

"The Times has a number of heavy obligations to meet during the next few weeks and we are appealing to our good friends for cooperation. We have a number of names on our list that are delinquent. If we can get these subscriptions it will help us materially and will enable us to give time to getting out a good local paper that we might have local paper that we might have matters

No, that's not the Krumbs talking. The above was by the editor back in 1924. Looks like his problems were pretty much akin to ours, though.

Out from under a rug came two copies of the Munday Times published on October 9 and 16, 1924. They were brought in to us, and we got to looking them over. Here are some of the things we found:

"A deal was consummated on Wednesday evening of this week in which W. C. Bevers purchased the plant and business of the Munday Steam Laundry from A. J. Bunts, who installed the plant some few weeks ago."

"On Wednesday morning workmen began wrecking the old C. E. Mayes building on the northwest corner of the square to make room for a modern brick building to be built by Mr. Mayes for the Kinard Bulck Agency. The old building that is being demolished was known in the early days as the Shell Hardware Company here in the early days of Munday. The building was originally erected in West Munday when the business portion of the city was located on the hill west of the school buildings."

"Manager P. V. Williams had just installed a modern pipe organ in The Peoples Theatre at a cost of \$2,200, and those who go to the shows in this popular theatre can enjoy the music as they look at the pictures."

J. C. Campbell, Fred Broach and Ben J. Guinn, directors attested the statement of condition of the First National Bank of Munday, which showed "individual deposits subject to check, \$421,737.65."

C. R. Elliott and Hackberry Slim, managers, were advertising the big Chamber of Commerce rodeo to be held in connection with the Mid-West Poultry Show on November 7-8-9, 1924."

"The local high school football squad journeyed to Stamford Friday afternoon, met the Bulldogs on their own backyard, held them to three touchdowns, and came dangerously near scoring themselves in the last quarter. Though the light team representing Munday was unable to penetrate the heavy line of their opponents, they showed up to advantage in the passing game. The score was 20 to 20."

"On Saturday afternoon of last week at two o'clock, Mr. Jack Cartwright and Miss Vera Stodghill were united in marriage at the home of the bride's parents, Mr. and Mrs. E. H. Stodghill, of this city, the Rev. J. O. Heath, pastor of the Baptist Church, officiating."

"R. D. Atkinson and family will live in a few days for Littlefield, Texas, where they will make their home. Dick will be associated with Messrs. Bell and Gillette, who have secured the agency in Lamb County for the Chevrolet automobiles."

"Mrs. H. A. Pendleton and children left Thursday morning for Dallas, where they attend the Fair. Mr. Pendleton will join them there on Saturday."

"Our good friend, Peter Loran, the Sage of Rhineland, was a pleasant caller at this office Thursday morning and had his figures advanced a year on our subscription list. Mr. Loran is (Continued on last page)

"Hasbeens" Of Knox City And Munday To Play

A game of the "hasbeens"—baseball stars of the past—will be played on the local diamond on Tuesday night, July 10, when the old folks of Munday and Knox City cross bats. Everyone is invited to come out and see the "stars of yesterday" play a benefit game. Proceeds will be used to complete the purchase of uniforms for the boys' team.

The players for Munday will be such as Oates Golden, Jimmy Harpham, Lee Haymes, Ben Blacklock, Kirby Fitzgerald, and others, it was stated. Knox City players will be men of the same age.

Another scheduled feature of the evening will be a foot race between Al Barone of Knox City and George Zeissel of Munday, those in charge said.

The game is called for 8 p. m. Be there and enjoy the fun!

They Chose U. S. Defense Bonds

America's Lincoln-Mercury salesmen chose Defense Bonds in a nationwide poll recently as sales contest awards in preference to a four-cents special thanks and a card of congratulations from Vernon E. Clark, National Director of the Savings Bonds Division to winner Jerry Broome and Ed H. Barber.

Price Clinic For Knox County Set

A "Price Clinic" to assist all Knox County businessmen with OPS price problems will be conducted at Benjamin, Wednesday, July 11, beginning at 9:00 A. M. Announcement of the price clinic came from the Fort Worth District OPS. A price specialist, representing that office, will be in the city for the clinic.

Ellis H. Boyd, district OPS director, pointed out that even on a county to county basis, price regulations constitute a big job. OPS statistics show that over six million dollars in retail sales were recorded for Knox County last year.

Merchants, regardless of their type of business are invited to take their OPS problems to the clinic.

Gospel Meeting Under Way At Goree Church Of Christ

A gospel meeting opened at the Church of Christ in Goree on Friday night, June 29, and will continue through next Sunday evening. The meeting is attracting large crowds at both the morning and evening services.

W. E. Burkman of Seymour, an able speaker and an experienced gospel preacher, is doing the preaching. Song services are under the direction of Elkin B. Warren.

Seymour Pastor To Be Honored At Church Homecoming

SEYMOUR—A homecoming of members, former members, and friends of the First Baptist Church, Seymour, has been set for Sunday, July 8, honoring Rev. J. R. Balch upon his retirement as pastor, after having served the church 30 years.

Rev. S. F. Martin, Wichita Falls, Missionary of District 13, will preach at the morning service, as part of a special program that has been arranged. A basket lunch will be served at the Seymour Park following the morning service. Those attending are requested to bring a basket lunch. An afternoon program will be held Sunday, at which time all the friends of Rev. Balch will have an opportunity to greet him.

Rev. Balch will preach his last sermon as pastor of the church Sunday night. Rev. John E. Lewis, pastor of the First Baptist Church, Henrietta, has been called as pastor, and will assume his duties July 15.

All members, former members, and friends of the Seymour First Baptist Church are invited to these services.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Keith Burnison are announcing the birth of their twin daughters, born last Wednesday night, June 27, at the Knox County Hospital. They are named Karen June and Cynthia June and weighed six pounds and two ounces and five pounds and eight ounces. Both mother and daughters are doing nicely.

Former Residents Are Back For Visit

Mr. and Mrs. James L. Power of Stephenville, former residents of this county, came in Sunday for a visit with Mrs. Powers' sister, Mrs. W. F. McMahon, and with old friends. Mr. and Mrs. Power were married in Munday some 42 years ago, and along about that time Mr. Power was operating the Benjamin Post. He plans a trip to Benjamin before returning to Stephenville. Due to his health Mr. Power has retired from newspaper work.

This is the first time the two have been back to Knox County together since 1936, and Mr. Power commented on the many changes that have been made since they resided here.

Lueders Baptist Encampment Opens Monday, July 9

Baptists from 12 counties will gather at Lueders in July 9 for a five-day session of inspiration and fellowship. An estimated 500 to 600 Baptists of all ages are expected to attend the annual Lueders Baptist Encampment of District 17, according to Rev. Henry Littleton, district missionary.

Inspirational speakers slated during the week include Price Daniel, attorney general of Texas; Dr. Andrew H. Allen, state Sunday School and Training Union superintendent; H. L. Wrenn, Snyder business man and member of the Baptist Church there; Dr. J. Howard Williams, executive secretary of the Texas Baptist Convention; L. H. Tapscott, state Brotherhood president; and Miss Eula Mae Henderson, state W. M. U. secretary.

Lyndol Smith Makes Straight "A" Record

WACO—Aubrey Lyndol Smith, Jr., Baylor University graduate student from Munday, is one of 131 Baylor students who accomplished the near impossible by gaining a straight "A" record during the Spring quarter of school, Dean Monroe S. Carroll announced today.

Mr. Smith is the son of Mr. and Mrs. A. L. Smith of 331 9th Avenue in Munday.

Dean Carroll said that 169 men and 62 women were included on the honor list. Seniors led the list with 42 and Freshmen came second with 33.

Kenneth Baker Takes Training In Virginia

FORT EUSTIS, Va.—Cadet Kenneth H. Baker, son of Mr. and Mrs. C. P. Baker, of Munday, a student at Texas A. & M., is one of more than fifteen hundred and fifty cadets from thirty-seven colleges and universities attending the 1951 Reserve Officers Training Corps Summer Training Camp at Fort Eustis, Virginia during the period of June 18-July 27.

While at camp, the cadets will accomplish practical application of theoretical training received during the past year in activities such as convoy, stevedore, amphibious, and rail operations. Also the cadets will participate in physical training, organized athletics, radiological defense, weapons and rifle marksmanship.

Fort Eustis is located in historic tidewater Virginia, which was the site of a great number of incidents important during the infancy of this nation. While at camp, the cadets will be able to tour Williamsburg, Yorktown, The Marines' Museum, all of which have exceedingly interesting historical backgrounds.

In addition to technical training, great stress will be put on the development of leadership qualities. An active athletic, recreational and religious program has been planned for the cadets. He will be eligible for a commission in the United States Army Reserve upon completion of camp and ROTC training. An opportunity to compete for a Regular Army commission is also available.

Fireboys Open Drive To Secure New Fire Truck

Members of the Munday Volunteer Fire Department have opened their drive for securing a 700-gallon capacity fire truck for combatting rural fires in this area.

Several voluntary contributions have already been received, and the fireboys are laying the groundwork for a concerted drive for funds to purchase this truck. Contributions may be made to any member of the fire department.

The truck will be equipped with pumping apparatus that can be placed into action immediately upon reaching the fire. It is estimated this new equipment would take care of over 75 percent of local fires without hooking up to fire plugs. Its additional value would be in reaching fires in outlying districts of the town and in rural areas where water is not available for our present fire fighting equipment.

Knox County Boys Attending School At Tulsa University

Albert J. Brown, son of Mr. and Mrs. Anton Brown, Rt. 2, Munday, and Mrs. Margaret Brown, daughter of Mr. and Mrs. Parks Norris, Benjamin, are attending the University of Tulsa's summer session according to a registration report just completed.

More than 1,800 students are studying at TU during the eight-week session. This includes the enrollment at the downtown college as well as on the campus.

Students with less than 30 college hours must take TU's entrance examinations before enrolling for the full term. Application for admission to the examinations can be made directly to the director of personnel on the Tulsa campus.

DR. MRS. HEARD HAVE A NEW GRANDDAUGHTER

Mr. and Mrs. Charles Heard of Abilene are announcing the birth of a little daughter, Jo Angeline, who made her appearance in an Abilene hospital on Sunday, July 1. She will be called Joan for short. Sidney Gay is Joan's sister, being seven years older. Paternal grandparents are Dr. and Mrs. E. F. Heard of Goree.

For Congress

Doug Crouch of Denton, a fighting soldier turned fighting legislator, has hit the campaign trail in the 15 counties of the 13th Congressional District.

Crouch is asking the district's voters to send him to Congress to succeed Congressman Ed Gossett who has announced he is resigning.

Crouch has just completed a long session in the Texas House of Representatives where he was a leader in the successful fight for a bigger rural roads program and a tax on natural gas going out of Texas to out-of-state consumers.

Formal Opening Of Church Bldg. Is Postponed

A called meeting of the Board of Stewards, Munday Methodist Church, was held last Monday night, at which time it was decided to postpone the formal opening of the new church building.

The date was originally set for Sunday, July 15, but former pastors who were placed on the program could not be present on that date. The formal opening has been set for Sunday, August 26, by the board and plans are going forward for a full day's program on that date.

Pastors who have served the local church who were unable to be here for the July 15th opening are: Rev. Don Davidson of Hereford, Rev. Luther Kirk of Midland and Rev. H. A. Long of O'Donnell. It is expected that all three will be able to attend the opening on August 26.

Harold Fox Wins Scholarship In Texas A. & M.

COLLEGE STATION—Sixty-five letters which will make drastic changes in the lives of sixty-five boys were dropped into the mails here recently. Each informed in a recent high school graduate that he had won the financial assistance he had to have in order to get a college education. In all, the letters carried cash awards totalling \$61,200.

Fifty-three 4-year old scholarships and twelve 1-year awards were announced by the Texas A. & M. College Development Fund in its 1951 Opportunity Awards notification mailing. All but one of the winners were 1951 Texas high school graduates. A special one-year award, made possible by gifts from the A. & M. student body, went to a student from Norway.

The awards were given to outstanding boys who could not attend college without financial assistance. Winners were selected on the basis of scholarship, leadership, character and need after an open competitive examination in which more than 400 Texas high school boys participated.

Among the 4-year award winners was Harold Gene Fox, son of Mr. and Mrs. C. E. Fox of Munday, a 1951 graduate of Munday High School. He was president and valedictorian of his senior class and business manager of the school's year book. He plans to study physics.

Stamford PCA Annual Meeting Set July 13th

A large attendance from among the 1600 members of the Stamford Production Credit Association is expected at the annual stockholders' meeting to be held in Stamford, Texas, on Friday, July 13, according to J. D. Gillespie, manager of the Munday office.

Registration is to start at 9:00 A. M. at the Texas Cowboy Reunion Roundup Hall. A business session will be held beginning at 10:00 A. M. This will include reports of the past year's business, as well as the election of two directors. Nominees for directors are J. C. Moorhouse of Benjamin; Lasater Hensley of Guthrie; Roy Moritz of Stamford; and J. F. McCullough of Stamford.

Some outstanding entertainment features are scheduled, and following this there will be an award of attendance prizes. The meeting will adjourn at 12:15 and will be followed by a Chuck Wagon dinner for all PCA members and their families.

GRASS ROOTS OPINION

SANTA PAULA, CALIF., NEWS: "The public may relish price wars, as the people in New York have shown, but unless we miss our guess the reciprocal throat slashing among dealers isn't likely to go on for long. The free enterprise system is based on profit and you can't make a profit on large scale selling at, or below, the cost price. The price war, however, has proved that the dollar isn't dead, but it isn't likely to live so high again for a long time to come."

BEREA, OHIO, ENTERPRISE: "The paper work required of small manufacturers and store keepers is just about impossible. With labor being given constant pay raises in defiance of controls, the little men are told they can roll up their prices back . . . and pay the increased help out of profits. Small wonder that these small purveyors have in great numbers flatly refused to comply with these onerous and voluminous directives. Yet all government needs do to spawn more government is to say that refusal or inability to comply with bureau decrees is unpatriotic, against the defense effort, and its position is unassailable."

SALMANACA, N. Y., INQUIRER: "It has been the experience of the taxpayer that the more money a governing body has to spend the more they will spend and come back and ask for."
TELL CITY, INDIANA, NEWS: "This business of interfering with the cattle industry is pure monkeyshine business."

TURN DEAF EARS

As usual, spokesmen for the Administration are protesting vehemently every time Congressional committees make cuts in the proposed budget. Some top officials squeal like stuck pigs at the most modest reductions in appropriation requests which were watered to the saturation point to begin with.

This is to be expected—nothing hurts a bureaucrat so much as to have his share of the take from the taxpayers shaved. But Congress will do the country the greatest possible service if it turned deaf ears to the "politics as usual" crowd and cut this budget and all future budgets to the irreducible medium.

It is frequently said, particularly in high Administration circles, that the country should get as nearly as possible on a pay-as-we-go basis, and that the proper way to do this is to sharply raise our taxes. The first step must be to get rid of every nickel of avoidable expense. Then, and only then, will it be the proper time to once more revise the tax laws.

The best authorities think the budget could be cut by as much as \$10,000,000,000. Regardless of the figure, it should be evident to all by this time that the effort to pile war spending on top of unlimited political spending, with no economy anywhere, can only result in more inflation, a still cheaper dollar, and more destruction of the savings of the people.

SUPPOSE THIS HAPPENED

It is commonly believed that the hole responsibility for getting rid of unnecessary government expenditures fall upon Congress and the Administration. But a third power must bear its full share of the responsibility, too—and that power is the American people who, incidentally, pay all the bills.

Suppose, for instance, that chambers of commerce, civic groups, business associations, labor unions and other such institutions in every part of the country came out for real economy—and said, frankly and flatly, that they wanted their states and their communities to willingly accept their part of the cuts that would follow. And suppose, finally, that when the cuts are made, these organizations would praise Congress for making them instead of crying to high heaven for more Federal tax money to be spent locally. The results would be to enormously encourage those men in government who honestly want to pinch the people's pennies and, at the same time it would bring many converts into the fold.

For good or evil, the men who run the government keep their ears to the ground. They listen to "the folks back home." Once they become convinced that their constituents want the government to banish luxuries and the waste, they'll do just that. They'll never do it as long as they believe that everyone wants economy to be confined to the other fellow's pasture.

NUMBER ONE

The Committee for Economic Development recently observed that the Number One need in the fight against inflation is "economy in governmental expenditures, Federal, state and local, military as well as non-military." It then made this significant statement: "Wasteful expenditures that impose unnecessary tax burdens weaken the ability of the economy to support an enlarged military program. And waste and inefficiency reduce the willingness of the public to support the program."

Sometime ago Secretary of Defense Marshall testified that inflation was a grave problem to military planners. It has greatly increased the cost of everything the military uses—from uniforms to tanks and planes. More and more money buys less and less armed forces.

These are unanswerable arguments against those who seek to use the world emergency as an excuse for spending endless billions on all kinds of wasteful schemes in the name of defense and security. A prodigal nation cannot long be a strong nation. Indeed, governmental waste could so diminish our economic resources as to make an adequate military defense impossible. We could, in other words, destroy ourselves from within—which is just what the Soviet has long hoped for.

One of the best signs of the time is that these truisms are finally finding more and more believers in Congress.

Uncle Sam Says

The opportunity to save is yours—and in a big way. Our country is now in its second ten years with U. S. Defense Bonds. Looking ahead, here is how your Series I Bonds will add up—

\$75.00 PLUS 10 YEARS
 EQUALS \$100.00
 \$75.00 PLUS 20 YEARS
 EQUALS \$133.33
 In 20 years you will receive 77 per cent more than cost price. Your U. S. Defense Bonds are Better Than Ever. There is nothing to do. Just hold your Bonds and let them go on making money. That spells a better future for you and your country.

Legal Notice

Benjamin, Texas
 June 19, 1951

To the Citizens of Knox County: In 1948 the citizens of the State of Texas voted in favor of a Constitutional Amendment that would permit the counties after a local election to levy a 30 cent ad valorem tax instead of the state levying this tax.

The Commissioners Court of Knox County has called a special election for Saturday, July 14 for this purpose.

If approved by the voters, the tax will provide a 30 cent levy on each \$100 valuation over \$3,000. Regular homestead exemptions of \$3,000 will continue as it has under the present state law.

This will not increase your taxes. If you vote for this levy it will simply mean you will pay the tax to Knox County instead of the State of Texas, as you have been doing heretofore.

All the money received from this tax will be spent in Knox County for the construction and maintenance of lateral farm roads.

This will help get the farmer out of the mud, provide better roads for the school buses and mail carriers, and improve business generally throughout the entire county.

Uncle Sam Says

Representative cities in the United States have taken the initiative in demonstrating to the nation what they can do to help in the national emergency. In consequence these cities are now the proud possessors of a brand new U. S. Defense Bond Flag. They found that selling U. S. Defense Bonds is the one thing everyone can do. They induced more than 80 per cent of the community's employers to install the Payroll Savings Plan. Here's a job everyone can undertake.

During 1950 Texas 4-H boys made history with their exhibits of fat steers at the major stock shows of the nation. Grand championships were won at the State Fair of Texas; International at Chicago; American Royal Kansas City and Houston and San Antonio fat stock shows.

Be careful. Observe state and local traffic laws.

Chas. Atkinson And Alpha Ann Coffman Marry On June 25

Announcement was made this week of the marriage of Charles Wyndel Atkinson and Miss Alpha Ann Coffman, well known Goree couple, who were united in marriage in Cooke town, Okla., on June 25, at 11 p. m.

In her attire the bride carried out the tradition of something old, something new, something borrowed, something blue and a penny in her shoe. Mr. and Mrs. Leroy Williams served as best man and maid of honor.

After a short honeymoon to Wichita Falls and other points

Gilliland Club Meets Recently In Club Rooms

The Gilliland home demonstration club women held their regular meeting recently in the club rooms, with 14 members and one 4-H Club girl present. Mrs. Arnold Navratil was in charge.

The couple will leave for the planes where the bridegroom will be employed.

The bride is the daughter of Mr. and Mrs. Walter Coffman of Goree, and the groom is the son of Mrs. L. L. Atkinson of Goree.

The program opened with group singing, led by Mrs. Richard Winstead. Mrs. O. R. Miller called the roll and read minutes of the previous meeting.

Mrs. Winstead was nominated to attend the state meeting at College Station in August.

The club women are taking care of cold drink sales each Saturday night at the skating rink, located in the school gym. Proceeds are being turned in for club funds.

Mrs. Omer Cure, Mrs. J. T. Cook and Mrs. Richard Winstead are to prepare the club skit which will be presented at the July encampment.

Delicious refreshments were served by the hostess, Mrs. Dwight Burgess.

CARD OF THANKS

Words might fail us when we try to thank those who were so kind and thoughtful of us in the loss of our father. To the ministers and those who sent food and flowers, to the ladies who prepared the dinner for us at the church, those who came to the house and ministered to our many needs in many expressions of sympathy, we will always be grateful.

May God's richest blessings be with each of you always. Thanking you from the depths of our hearts.

The children, grandchildren and great grandchildren of J. C. Mounce, Sr. 11c

Good Quality K. R. Bluestem Forage Likely

Renovating established stands of King Ranch bluestem grass and fertilizing with a combination of nitrogen and phosphate will greatly improve the yield and quality of forage grown on low fertility soils. This fact was determined in a recent study made by the Texas Agricultural Experiment Station.

Dr. R. C. Potts, agronomist in charge of forage investigations for the station, pointed out that forage containing less than 6.0 per cent protein and 0.33 per cent phosphoric acid is considered deficient for livestock production.

"Steers made very poor gains while grazing on three and four-year-old stands of unfertilized K. R. bluestem during the summer of 1949 at the Beeville Experiment Station," said Potts. "Forage collected from these stands in the late summer had a protein content of only 2.25 per cent and a phosphoric acid content of 0.13 per cent.

On the renovated area, the phosphoric acid content of the forage was increased from 0.19 to 0.35 per cent by fertilizing with 65 pounds of nitrogen and

80 pounds of phosphoric acid. And the protein content was increased from 6.63 to 8.31 per cent.

On the undisturbed area, the nitrogen-phosphate combination increased the protein content from 5.87 to 7.62 per cent. The phosphoric acid content was increased from 0.18 to 0.30 per cent which was still below the requirement for good livestock production.

Dry forage yields were increased from 350 to 1,330 pounds per acre on the renovated area by applying the nitrogen-phosphate combination. An increase from 720 pounds to 1,440 pounds was obtained on the undisturbed area. Neither nitrogen alone nor phosphate alone gave much increase in forage yields.

Potts said, "Nitrogen alone increased the protein and potash contents of the forage. And phosphate in combination with nitrogen almost doubled the phosphoric acid content of the forage. Phosphate alone significantly increased the phosphoric acid content of the plants on both the renovated and undisturbed areas."

Most of the grass turned brown in September, but that on the phosphated areas remained

Let's Talk LIVESTOCK

(By Ted Gouley)

Fort Worth, June 30—Seasonal expansion of cattle movement continued in the Southwest during the past week and seasonal declines were noted on stockers and gressy killing cattle and calves.

Despite the somewhat weaker trends on all livestock and the fusion resulting from the congressional efforts to rewrite the economic stabilization act, there was an optimistic tone to the trade.

Price Maddox of Colorado City in Fort Worth this week had two loads of old cows. "Prices are sure good, these old cows brought \$2,000 more than I would have expected," he told this writer.

Mr. Maddox is a veteran cattletman and sheep raiser and recalls the days when sometimes in dry years, the rancher wondered whether his canner cows would pay freight and expense to market.

Typical of some of the sales this week that reflect the healthy condition of the beef market were a short load of cows from the Scharbauer Cattle Company at Midland that topped the market at \$27.50. It was considered unlikely that these cows would, even at the highest time, ever have sold more than 50 or 75 cents above this level. R. A. Brown of Throckmorton had some \$26.50 cows.

Slocum Brothers of Cresson marketed some good supplementally fed steers. Jeff Slocum had three loads of 1,112 pound pasture fed steers at \$35. A. W. Slocum had a load of 950-pound plainer steers at \$32. G. A. McClung of Cleburne marketed two loads of fed grasser steers at \$35.35 that scaled over 1,200 pounds.

Joe Reistino of Herne marketed two loads of plain steers at above 800 pounds at \$27, which went to feeders and indicated that feeder buyers were getting back in and competing with packers for fleshy cattle for the first time in several weeks. John Butterly of near Davis, Okla., had two loads of plain steers the first of the week at \$30.50 which were fairly weighty.

There are still sizable numbers of aged cows coming to market with small calves. Stockmen in nearly all cases are making room in their pastures for younger cattle. Typical of such shipments was one from the J. A. Mathews Ranch Co. in Shackelford County, in which there were some 1,034 pound cows at \$25 and some 794 pound cows at 20.75 and 29 of their calves averaged 222 pounds at \$40. Two odd cows in this three load shipment sold at \$27.50.

F. H. Pierson of Lone Oak in Hunt County was surprised and said his neighbors would be with his June sale. He had 19 good calves weighing 302 pounds at \$41 per hundred, proving again that a good set of cows, good care and good East Texas pastures can produce really profitable calf crops.

Another development of recent years and one which to many livestock observers has been surprising, is the success of East Texas stockmen with sheep. More and more farm flocks are appearing in East Texas and they are making money.

An example of what can be accomplished with growing good lambs, was the shipment to Fort Worth this week of 95 Spring lambs averaging 83 lbs. from Troy E. Kern of Cooper in Delta County. These lambs topped at \$33.50 and the practical top for the week was \$33, and only one lot of lambs beat them in price.

For the past several years a good ewe has been the best buy in the stocker animal line. The wool off the ewe and the price her lamb brings is and has been one of the biggest money makers a stock man could wish for.

Mrs. Alan Seale and children, Carole Jane and Charlie Alan, of Dallas, were recent visitors with Mrs. Seale's parents, Mr. and Mrs. C. R. Parker. Mr. Seale came over for the week end to take them home.

A TRIBUTE TO MRS. CAMILLE OWLSLEY BROACH

In the passing of this beloved woman, we come to the end of a generation that gave to our country many of its best qualities, among them the courage to make any sacrifice so that their children might have the best in a changing world.

Left a widow for many years, she lived for her children and kept her doors open for all who would come within.

"Some doors have hearts, it seems to me. They open so invitingly. You feel they are quite kind-akin

To all the warmth you find within.

Oh, hers was a friendly door, and all who crossed that threshold, ever, within found great content and rest.

And knew they were a welcome guest."

In her spacious home, hospitality was ever extended and life-long friends came often to visit this gracious woman who braved the hardships of the West with her husband, the late P. B. Broach, to make a home in which the world of strife was shut out and a world of love shut in.

The funeral services were held from the family residence by the Rev. W. H. Albertson, of Brownwood, her former pastor, and assisted by the Rev. R. L. Butler, and the Rev. Huron A. Polnac, who gave scriptural testimonies of this beloved Christian woman.

Surrounded by her family, loving friends, and beautiful floral offerings, a great lady passed on. She gave in the spirit of love to those who needed the warmth and strength of her hand, and left a heritage of which her children may well be proud.

ELECTION NOTICE
THE STATE OF TEXAS
COUNTY OF KNOX:

Be it remembered, that on this the 3rd day of July, A. D., 1951, a meeting of the Board of Trustees of Munday Independent School District was had, and there came on to be heard among other matters the petition of Harvey Lee and twenty-nine other property tax paying voters of Munday Independent School District praying for an election to determine whether or not the Board of Trustees of Munday Independent School District be authorized to levy and collect \$1.50 tax on each of taxable property in said district, for the purpose of maintaining public schools therein, and

WHEREAS, it appearing to the Board of Trustees of Munday Independent School District that the requisite number of qualified property tax paying voters of said district have signed such petition, and that the same was in due form, and that such election should be ordered in conformity with the provisions of law:

THEREFORE BE and it is hereby ordered that an election be held in Munday Independent School District on the 28th day of July, A. D., 1951, at the City Hall, in the City of Munday, to determine whether or not the Board of Trustees shall be authorized and empowered to levy and collect a \$1.50 tax upon each \$100.00 valuation of all property located within the territorial limits of said school district for maintenance of public schools in said district. It is further ordered that notice of said election shall be given by the Secretary of the Board of Trustees, for at least ten days prior to the date of said election by posting notices in three public places within said district and will make due return thereon showing the time and place of posting such notice. A copy of this order shall be deemed sufficient notice when so posted, by having typed at the top thereof "ELECTION NOTICE," and duly signed by the President of the Board of Trustees and attested by the Secretary.

H. P. Hill is hereby named as election judge to hold said election, and he is empowered to appoint such clerk or clerks as may be necessary for that purpose, and when said election is held he shall make due return thereon to the Board of Trustees of Munday Independent School District.

The ballots in said election shall have printed thereon, in addition to the other legal requirements, the following: "For Maintenance Tax," and "Against Maintenance Tax". Upon such election returns being received, the Board of Trustees will canvass results, and enter such orders as may be necessary in conformity with the results of such election.

Passed by said Board of Trustees,

etes, this the 3rd day of July, A. D., 1951.

ELECTION NOTICE

THE STATE OF TEXAS
COUNTY OF KNOX:

Be it remembered, that at a meeting of the Board of Trustees of Munday Independent School District held on this the 3rd day of July, A. D., 1951, among other matters there came on to be considered the question of the assumption of bonds of the Sunset Consolidated Common School District heretofore consolidated with Munday Independent School District under the provisions of Article 2806 Revised Civil Statutes of the State of Texas, being Title 29, Chapter 13, of the Revised Civil Statutes and all amendments thereto, and it appearing to the Board of Trustees that pursuant to a petition duly made to the County Judge of Knox County, Texas, an election was held consolidating said districts, and results canvassed by the Commissioners' Court of Knox County, Texas, and said Sunset Consolidated Common School District No. 27 was thereby consolidated with Munday Independent School District, and it would be to the advantage of said school district that the outstanding bonded indebtedness of said Sunset Consolidated Common School District No. 27 be assumed by said Munday Independent School District:

NOW THEREFORE be and it is hereby ordered by the Board of Trustees of Munday Independent School District that an election be held on the 28th day of July, A. D., 1951, at the City Hall in the City of Munday, to determine whether or not said bonded indebtedness shall be assumed by Munday Independent School District, at which election only the duly qualified property tax paying voters shall be permitted to vote. It is further ordered that H. P. Hill be and he is hereby appointed as election judge to hold said election, and shall have the power to employ such clerk or clerks as may be necessary in said election, and when said election is held he will make due return thereof to the Board of Trustees of Munday Independent School District.

The Secretary of this Board will give due notice of said election by publishing this notice at least twenty days before the day of said election, in the Munday Times, a newspaper published in said district, and by posting three copies of this order in public notice by the Secretary of this Board. A copy of this order, with the notation "ELECTION NOTICE" typed at the top thereof, and duly signed by the President of the Board of Trustees and attested by the Secretary,

Miss Bigham And Curtis H. Crump Marry In Carlsbad

In a candlelight ceremony before a background of palms with baskets of white gladioli and lemon leaves, Miss Frankie Bigham became the bride Sunday, June 24, of Curtis Harlan Crump. Rev. H. W. Barnett, pastor of Shallowater Methodist Church performed the double ring ceremony in Trinity Baptist Church in Carlsbad, N. M.

The bride is the daughter of Mrs. C. V. Sullins of Carlsbad, and a granddaughter of Mrs. J. T. Lawson of Goree. The bridegroom is the son of Mr. and Mrs. C. H. Crump of Lubbock.

Given in marriage by her stepfather, Mr. Sullins, the bride wore a gown of imported Swiss organdy fashioned with a drop yoke outlined with an embroidered ruffle accenting the small waistline. From this stemmed an immense ballerina length skirt with hoops worn underneath to emphasize the fullness.

The veil of silk illusion was dotted with lace appliques and was joined to a Juliet cap of lace appliques and was joined to a Juliet cap of lace outlined with a net ruche and seed pearl embroidery. She carried a white prayer book and a bouquet of white carnations tied with white satin ribbon and centered with a blue carnation corsage.

Matron of honor was Mrs. R. D. Garrett of Littlefield. She wore a ballerina length gown of imported white organdy worn with navy blue embroidery. She carried a bouquet of pink carnations tied with pink satin ribbon.

Donald W. Martin of Fort Sill, Okla., was best man.

For traveling the bride wore a rose shantung suit worn with navy accessories and a blue car-

nation corsage. She attended Carlsbad, N. M., high school, and the groom is a graduate of Friendship High School. They will be at home near Fort Bragg, N. C., where he is stationed with the army.

Miss Peggy Joe Dixon of Stephenville is visiting in the home of her brother, Mr. and Mrs. Bill Dixon.

WARM WEATHER DRIVING TIPS

REMOVE ALL WINTER COVERINGS FROM THE RADIATOR. IN SUMMER YOUR ENGINE'S COOLING SYSTEM NEEDS PLENTY OF AIR THRU THE RADIATOR, OR IT WILL OVERHEAT.

THE COOLING SYSTEM WORKS BEST IN SUMMER TO KEEP THE ENGINE TEMPERATURE AT A NORMAL LEVEL. CHECK THE COOLANT LEVEL IN ADVANCE TO BE SURE YOU HAVE ENOUGH.

WHEN DRIVING, WATCH THE TEMPERATURE GAUGE. A SUDDEN RISE - LIKE A FEVER IN A HUMAN - MEANS SOMETHING'S WRONG. DRIVE SLOWLY TO THE NEAREST SERVICE STATION.

LEAVING IT IN DURING SUMMER CAN DO SERIOUS HARM TO YOUR ENGINE.

IF YOUR ENGINE IS HOT, DON'T ADD WATER UNTIL IT HAS COOLED OFF.

KEEP YOUR RADIATOR FREE OF PAPER, BUSHES, ETC. A CLOGGED RADIATOR WILL CAUSE THE ENGINE TO OVERHEAT - AND THAT CAN BRING ON TROUBLE.

ted depression in 1929 was over-saving. "In 1929 we over-saved, and that brought on the depression," he said.

I'm glad to hear the wisdom of my way of life endorsed, and whatever you can say about me, you can't say I helped bring on the 1929 depression, and furthermore I'm doin' all I can to avoid bringin' one on now. You don't catch me over-savin'. In fact, the only reason I don't spend more'n I am is because too many storekeepers are short-sighted, depression-minded, and won't let me. Throw up a credit screen that's puttin' this country on the verge of a depression, if that expert knows what he's talkin' about.

However, I have been reflectin' on this problem of over-savin' and while I don't want to knock nobody out of a job, I believe that expert has succeeded in talkin' himself about out of one, as most folks I know have come around to his way of thinkin' and if there was ever a nation bent or avoidin' a depression by refusin' to over-save, this one is it. If that Washington bird is right, this country has got smooth sailin' from now on.

Yours faithfully,

BOYCE HOUSE

J. E. T. Peters is living in retirement in Cisco. He was justice of the peace in Ranger during the boom and also manager of the Chamber of Commerce there. Recently when Ranger proclaimed a "day" in honor of my new book, "Roaring Ranger, the World's Biggest Boom," Peters was present.

When I first met Temple Peters, quit a few years ago, he was manager of the Ranger Chamber of Commerce. He was approaching middle age, slender, with a rather prominent Adam's apple. We were standing in front of his office one day when a man stopped and said, "Hello, Professor." He was a fairly young man, weighing around 200 pounds, his shoulders broad and his face tanned.

He continued, "You don't remember me, do you?" Peters went through the motions that a man does when he is trying to remember but knows he isn't going to be successful and then admitted that he couldn't "place" him.

The other said, "I went to school to you at Sabanno. I was in the fourth grade. I never will forget the last day of school; you gave me a real whipping and I said that when I grew up, if I ever met you, I was going to knock h--- out of you."

Peters turned red, then pale, and that Adam's apple shot up and down.

Then the man smiled and said, "Them wuz great days, wasn't they, Professor?"

Peters exclaimed, "Them sure wuz"—and he grabbed the huge man's right hand with both of his and pumped it vigorously!

When I was a boy, hotels were "American plan" or "European plan." I didn't know what the difference was but felt it was almost unpatriotic to patronize a "European plan" hotel if there was an "American plan" hotel available. An "American plan" hotel was one where the rate included three meals a day as well as room; "European plan" was room only.

Knox Prairie Philosopher Joins Up With A Washington Expert Who Warns U. S. Against Over-Saving

Editor's note: The Knox Prairie philosopher on his Johnson grass farm on Miller Creek has another odd idea this week, which is keeping his battling average pretty high.

Dear editor:

People are always poking fun at what comes out of Washington, we included, but this mornin' I was sittin' out in the pasture under a shade tree readin' a newspaper I'd picked up in

town yesterday at the barber shop, was in there for restin' purposes only, and noticed where an expert from Washington made a speech in Austin before a group of economics students and said "too much saving by people will put us on the verge of a depression."

I read it twice and that's what he said.

"Our big problem today," he added "is to keep a balance between income classes to avoid over-saving."

I want you to know this kind of advice is right up my alley. For years I been listenin' to people tell me over-spendin' was the surest way to go busted, that on nation could spend itself into prosperity; but this is the first time I've read any warnin' against over-savin' and believe me I'm in favor of hearing more.

Accordin' to this expert, whose title is Chief of the Consumer Price Index System of the Bureau of Labor Statistics in Washington, what caused the celebra-

How many "Independence Days" have we left?

"We hold these truths to be self-evident; that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed . . ."

Immortal words from the Declaration of Independence, adopted on the first 4th of July, just 175 years ago.

THese words are the stones upon which man built history's greatest work — the United States of America. Remember them well!

" . . . all men are created equal . . ." That means you are as important in the eyes of God as any man ever brought into this world. You are made in His image and likeness. There is no "superior" man anywhere.

" . . . they are endowed by their Creator with certain unalienable rights . . ." Here is your birthright — the freedom to live, work, worship and vote as you choose. These are rights no government on earth may take from you.

" . . . That to secure these rights, governments are instituted among men . . ." Here is the reason for and the purpose of government. Government is but a servant — not a master — not a giver of anything.

" . . . deriving their just powers from the consent of the governed . . ." In America, the government may assume only the powers you allow it to have. It may assume no others.

From Concord to Korea, your kinsmen have fought and died for the principles of America's Declaration of Independence: belief in God . . . belief in the God-given rights of man . . . belief that man is more important than government . . . belief in the vital need for morality in all man does.

But on this Independence Day, as never before, these beliefs are in deadly peril. There are people in America who would deny your God-given rights, who prefer expediency to morality, and who would make government the master — not the servant — of man. These people are the advocates of an all-powerful, all-providing socialistic government to control your destiny from cradle to grave.

The time has come to answer them with your own "Declaration of Independence" . . .

Declare that government is responsible TO you—rather than FOR you.

Declare that freedom is more important to you than "security" or "survival."

Declare again that the rights God gave you may not be taken away by any government on any pretext.

Our founding fathers accepted the truths of America's Declaration on faith alone. Today, our nation is proof — absolute and irrevocable — that these truths work. They are the last great hope for the protection of human civilization.

FREEDOM NEEDS YOU

On this 175th anniversary of the Declaration of Independence, help give the day the spiritual, religious meaning it had to the founding fathers.

Renew your faith and allegiance to the immortal truths stated in the Declaration. Make them an active part of your thinking, your acting, your voting.

Pray for help in maintaining man's closeness to God, in preserving man's God-given rights and responsibilities against those who would make you dependent upon a socialistic, all-powerful government.

" . . . we need only to recall that the substance of (America's) formula is continuous, strict and closely guarded limitations upon the power of government. Neither the peril of war nor the promise of welfare must ever serve to relax any item of this formula . . ."

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

AUSTIN—"Now that summer has come to Texas it is time for people who expect to enjoy camping and swimming during the warm weather to be sure that they are adequately protected against typhoid fever," according to Dr. Geo. W. Cox, State Health Officer. "Although the public health strides or recent decades have practically eliminated typhoid fever as a threat to persons living in communities with approved water supplies and good sanitation, the disease remains a real danger to those who swim, camp or picnic in remote rural areas."

"Typhoid fever is transmitted from one person to another by means of water, food or milk that has been contaminated by discharge from a patient suffering with the disease or from an apparently well typhoid carrier. Spectacular reductions in typhoid fever cases and deaths as compared with those of a generation ago should not give the public a false sense of security. There has been 95 cases of typhoid and paratyphoid fever in Texas in 1951 in spite of the community efforts to improve sanitation, isolate patients and supervise know carriers. It indicates that it is still highly desirable for individuals who may be exposed to unfavorable conditions to safeguard themselves

by seeking protection at the beginning of the vacation season. Immunization is a simple and safe procedure. Since this immunity lasts for only three years, anyone who has not been inoculated since 1948 should receive new protection this year. In addition, persons who have never in the past availed themselves of this preventive measure should by all means do so now if they plan to participate in outdoor pleasures. All persons who are due for immunization against typhoid fever in 1951 should go to their physicians without delay if they have not already received the recommended inoculations."

The annual Cotton Congress will be held at College Station, July 26-28.

report has been temporarily rescinded for the period June 15, 1951 through July 15, 1951. The regulations now allow recruiting services to enlist any man up to the time he is ordered for induction.

Due to pressure of work Local Boards will not be required to furnish the Services with lists of examined registrants. Services may inspect posted lists in the Local Board offices.

This new regulation includes all registrants; not just college and high school students.

TWO REASONS WHY MORE FARMERS WANT

GOODYEAR

SUPER-SURE-GRIP TRACTOR TIRES

1. Deeper Soil Penetration — Greater Pull
2. Balanced Straight Lug Tread Design — Longer Wear!

Goodyear's open center tread has straight deep-biting lugs. No curves to cut traction — no hooks, knobs or elbows to blunt their bite. They cut cleanly into the soil, penetrate full depth, full length. Straight bars closer together at the shoulders wedge the soil for firmer grip—don't "plow out" soil at the sides.

Goodyear open center lugs are all straight, all equal in size and spacing. That's why every lug works equally, pulls fully, wears more evenly. This means a smoother, steadier pull, less vibration and wobble — more riding stability — plus longer life. Get Goodyears for your tractor — they don't cost a penny more.

We Have The Tires!

If you're interested in tractor tires, we have them in stock for both front and rear wheels. Our prices are right—made to fit your purse. Come down our way, and let's trade!
