

Kracker KrumbS

Odd Bits Salvaged at Random

We don't like taxes, we just don't like taxes, as Clem Caddie-hopper would say.

But that's something we have more and more of every year, so we might as well get used to it.

We're somewhat consoled to the federal income tax, realizing this is a burden that will be upon our shoulders from here on out.

Then, too, we're reminded of the income tax every week. Not a chance of forgetting it, when we must take a near little portion out of the weekly earnings of our employees.

Pretty promptly and on the dot every three months comes our regular reminder from the Collector of Internal Revenue, so there's little possibility of us ever forgetting this rather obnoxious obligation to our government.

It gets our ire up, though, to pay into certain worthy and obligatory causes and find there's no legal way of taking this money off as deductions.

Then when we get our facts and figures together as taxing time nears, turn them over to complete the return and he comes up with the proposition that we must pay more than we figured we'd have to pay, it sorta knocks our props out from under us in several directions.

There's hidden taxes, too, taxes that we pay without ever knowing it; therefore, we don't deduct those for income tax purposes.

But the little tax that irks us is the luxury tax, one we don't think of because we don't figure we're living in the lap of luxury.

So many necessities and classed as luxuries, too. Take, for instance, shaving cream.

We made a purchase of that item recently. Selecting the cream of our choice, we noted the price was plainly marked 55 cents.

We handed the little lady a dollar bill, and she promptly secured a pencil and started figuring, while we wonders if she can't subtract 55 cents from a dollar.

But she figures it all out directly, brings us our change of 34 cents. Just before we started to do some questioning, as to accuracy of change making, we happened to think of that blameworthy tax.

Not wanting to get into an embarrassing situation, like in Dallas one time, we pocketed our 34 cents and left with a greater dislike for taxes.

We got caught in Dallas with one remaining cleah shirt, which had French cuffs, and with our only pair of cuff links neatly tucked away in a dresser drawer at home.

Scouting for an exclusive men's store before it closed, we made a purchase of some cuff links, along with a pair of socks.

The cash register chimed a couple of times, and the clerk handed us the register slip giving the total amount of our purchase.

"Whoa, just a minute," we says, "those cuff links were plainly marked \$1.50, and you're trying to stick us with \$1.80 for the things." We were getting mad.

Then we got a lecture about that 20 per cent luxury tax, or something; about how Uncle Sam has to have his cut; about how the management can't help it, he had to pay the tax and he's got to pass it on to the customer or something.

"Why can't you put the tax into the selling price?" we asks. "If anything makes us mad, it's to buy something at a certain price, then find a bunch of taxes and stuff added to it when we go to pay for it."

To which inquiry, we received another lecture as to how some

(Continued on last Page)

West Texas Utilities Co. To Hold Cooking School Here On April 4th

How would you like to cook your family's meals simply by turning a switch? Today, the homemaker can accomplish just that . . . cook a complete meal by just turning a switch. Mrs. Jennie V. Wynne, widely known Home Economist, will demonstrate the most recent and proven developments in modern cooking at the demonstration which will be held Friday, April 4, in the High School Home Economics Department at 2:30 P. M.

Mr. Arthur Mitchell, West Texas Utilities Company local manager has issued an invitation to all the housewives in Munday and the surrounding area to be his guests at the demonstration which is planned as one of the best ever conducted here. The demonstration, sponsored by the West Texas Utilities Company, will be conducted by Mrs. Jennie V. Wynne, a senior Home Economist for Frigidaire Sales Corporation. Mrs. Wynne will be assisted by other members of the district staff.

Mrs. Wynne, who will present the very latest in food preparation and time saving methods, is a graduate Home Economist with several years of practical experience. She has had special training in food preparation, preservation, and quick-freezing techniques at the nationally famous Frigidaire Home Economics Department at Dayton, Ohio.

Recipes and favors will be given to homemakers who attend the demonstration. All the food used in demonstrating the modern electric way of food preparation will be presented to women attending the school.

Lincoln Bolin of Knox City announced this week that he will be a candidate for Public Weigher in Precinct Five of Knox County, subject to the action of the Democratic primaries. In announcing his candidacy, Mr. Bolin said:

"Most of the voters of the precinct know me. I was born here, and have lived here all my life with the exception of the time spent in defense work on the West Coast and at Pearl Harbor, during World War II. A lot of the voters in this precinct live in the Sunset area and take the Munday paper. I believe you know you can depend on me for honest service, and I assure you your vote will be highly appreciated."

Banquet Plans Now Completed

Plans are virtually complete for the annual C. D. A. banquet which will be held at the Munday school auditorium on Thursday evening of next week. All committees are in final stages of their work, and tickets to the banquet went on sale Tuesday.

Invitations have gone out to civic organizations of all nearby towns to have representatives attend the banquet, and indications are that practically all of them will be represented.

Jeff Williams of Chickasha, Okla., humorist, philosopher and entertainer who is noted over the entire nation, will be the principal speaker. This feature of the banquet, alone, is expected to draw many people from over this area, and preparations are being made to fill the auditorium to its entire banquet capacity.

All C. D. A. directors have a supply of tickets, and they are also available at the C. D. A. office. Those desiring to attend are urged to purchase tickets early, as those in charge must have a fair estimate of the number who will attend.

TO C. C. MEETING

Mr. and Mrs. W. E. Braly left Wednesday for Abilene to attend a two-day meeting of directors in the West Texas Chamber of Commerce. An open house for directors was scheduled during this meeting. Mr. Braly has represented Munday in the organization for several years.

MRS. JENNIE V. WYNNE

Oil Activities

Stanolind Oil and Gas Company's No. 1 Denton Unit, two and one-half miles northeast of Knox City, was completed recently for a daily gauge of 233.84 barrels of 39 gravity oil in 24 hours.

The main flow was through 13.64 choke with 200 pounds on the casing and 260 pounds on tubing from four perforations per foot at 4,265-96 feet, 4,300-10 feet, plugged back from 4,320 feet. Casing was set at 4,360 feet, and gas-oil ratio was 282.1.

Stanolind's No. 2 Florence Bowden was drilling at 3,410 feet in shale. Slated depth is 4,500 feet with rotary.

Seaboard Oil Company of Delaware has filed a plugging report for its No. 1 Hamilton, seven miles northwest of Knox City, which was abandoned at 6,355 feet. Top of the Ellenberger was at 6,295 feet.

Location in the Cartwright pool, four miles southeast of Munday, is Texas Pacific Coal and Oil Company's No. 1 R. E. Foshee. Contract depth is 4,600 feet.

Truscott Boys Form Rifle Club

Thirteen boys from the Truscott community, who attend school in Crowell, met in Truscott the afternoon of March 18 for the purpose of organizing a rifle club. The meeting was under the direction of W. C. Pallmeyer, Knox County Agent, and plans were laid for the club to meet at least once a month, and to build a practice rifle range near Truscott for the members.

Officers and adult leaders were selected, with the following results:

President, Charles Todd; Vice President, R. L. Banks; Secretary, Doyle McNeese; Reporter, Buddy Caddell; Adult Leaders, Elmo Todd and Felix Taylor.

In addition to rifle club work some of the younger boys plan to carry 4 H projects.

GRANDPA AND GRANDMA BOWDEN DOING FINE

Grandpa Bowden was in such a dither he could hardly open his post office box Thursday morning. Finally, he gave with the reason.

Mr. and Mrs. Jerry Edwards of Abilene welcomed a little daughter to their home at 8:30 Wednesday night, March 26. She arrived at Hendricks Memorial Hospital weighing six pounds and three ounces. Mother and daughter are doing fine; in fact, better than Papa Edwards and the maternal grandparents, who are Mr. and Mrs. Chester Bowden of Munday.

Twelve Names Filed In Local School Election

Interest in the trustee election for Munday Public Schools is expected to draw a record vote on Saturday, April 5, as a total of twelve names have been filed for places on the board.

Tuesday, March 25, was the deadline for filing, and others who indicated they might run had not filed by the deadline. School authorities decided to elect an entire new board since last year's consolidation between Munday and Sunset school districts. Those whose names will appear on the ballot are as follows:

Wayne Patterson, J. K. Jackson, Boyd Meers, J. B. Scott, Doris Dickerson, Ray Holcomb, H. E. Sharp, Weldon Floyd, Eugene Michels, J. H. Russell, J. H. (Jerry) Kane and Travis Lee.

Knox County Hospital Notes

Patients in the Hospital March 24th:

Mrs. Elmer Dickerson, Munday; W. G. Langley, O'Brien; Mrs. Alfred Latham, Munday; Marie Rogers, Knox City; Guy Bradley, Knox City; Gene Montandon, Munday; Mrs. L. G. O'Gightly, Goree; A. F. Lain, O'Brien; Mrs. Roy Hester, Knox City; Earl Benedict, Knox City; Tom Murphy, Rochester; Mrs. C. W. Russell, Throckmorton; Mrs. D. A. Hayes, Knox City; Mrs. J. L. Ford, Munday; Mrs. J. W. Thomas, Knox City; L. D. Capers, Rochester; K. J. Wright, Rochester; Billy Wilcox, O'Brien; Mrs. T. B. Dobbs, Benjamin; Mrs. John Lane and baby, Munday; Hugh Rogers, Knox City; George Hardburger, Knox City; M. M. Glass, Knox City; Elnora Flanders, Knox City; Martha Ann Reid, Knox City.

Patients dismissed since March 16th:

E. R. Creswell, Knox City; Oscar Miller, Gilliland; Ralph Rios, Knox City; Mrs. Weldon Walker and baby, Weinstet; Alvin Bowman, Munday; Janice Anderson, Knox City; Mrs. W. C. Graham, Aspermont; David Tate, Rochester; John McNitt, Knox City; Ricky Reed, Knox City; Mrs. J. H. Parsons, Rochester; Inez Barboza, Munday; Dawn Burnett, Knox City; Henry Farquhar, Robstown; Earl Hutchinson, Knox City; Mary L. Dickerson and baby, Munday; Ruth Harrell, Munday; Ocie Matthews, Knox City; Mrs. E. B. Littlefield, Munday; Mrs. Richard Mitchell, Throckmorton; Mrs. Marvin Jeissell, Munday; Mrs. J. L. Davis, Knox City; Mrs. R. P. Barnard and baby, O'Brien; Mrs. A. S. Strickland, Rochester; Harry Tucker, Knox City; Mrs. Dan Wadzeck, Rochester; Donald Hall, Benjamin.

Births:

Mr. and Mrs. John Lane, Munday, a daughter.

Mr. and Mrs. R. P. Barnard, O'Brien, a son.

Eula Johnson, Haskell, a son.

Deaths:

Mrs. J. F. Lindsey, Munday.

New And Retiring C. D. A. Heads

Pictured above are the new president and retiring president of the Community Development Association of Munday, Worth Gafford, left, active director in the organization, will take over duties of president following the annual banquet on Thursday night, April 3.

High Priced Steaks Here!

Pictured above is B. R. Proud Mixer 7th, champion bull recently purchased by Sidney Winchester of Munday. The 1,500 pound junior bull won third place at Denver, Colo., and second place at Fort Worth, where Winchester purchased the animal. Other winnings include champion at San Angelo, reserve champion at Odessa, and champion at the 1952 show in San Antonio.

Pictured with the champ are, left to right, the owner, Mr. Winchester; Roy and Henry Arledge of Seymour.

Last Rites For Mrs. Lindsey Are Held Saturday

Mrs. Janie Fay Lindsey, a resident of Knox County for 32 years, passed away on Friday morning, March 21, at the Knox County Hospital, where she had been taken for treatment some time earlier.

Mrs. Lindsey was a native Texan, having been born at Sherman on August 31, 1891. She was 60 years, 7 months and 20 days of age at the time of her death.

She was married to J. L. Lindsey on December 12, 1917, and the couple came to Knox County in 1920, where Mr. Lindsey is engaged in farming.

To this union, two children were born, one of whom died in infancy in 1918.

Mrs. Lindsey is survived by her husband, a daughter, Miss Christine Lindsey of Munday; two sisters, Mrs. Clyde H. Jones of Post and Mrs. J. R. Shipp of Lubbock; four brothers, E. R. Lindsey of Brownfield, C. L. Lindsey of Lubbock and L. L. Lindsey of Anson; two half brothers, W. T. Lindsey of Stamford and H. A. Ricks of Lubbock.

Funeral services were held from the Gillespie Baptist Church at three o'clock last Saturday afternoon with Rev. M. D. Rexrode of Haskell and Rev. Huron A. Poinac of Munday officiating. Burial was in Johnson Memorial Cemetery under the direction of the Mahan Funeral Home.

Were you confused Thursday morning? No, you didn't sleep an hour late. The church clock at the Methodist church just sounded an hour earlier.

Rev. R. L. Butler, pastor, started the fellow to tolling the time of day at 7 a. m., instead of 8 a. m., as formerly.

Two Injured In Car Accident Last Tuesday

A seven-year-old polio victim escaped injury Tuesday afternoon in a traffic accident ten miles west of Benjamin, while the mother and grandmother suffered serious injuries.

Seven-year-old Barbara Blackmon of Littlefield, the polio victim, was being taken to Dallas at the time of the accident. Admitted to Knox County Hospital at Knox City were the mother, Mrs. Madge Blackmon, concussion, shock and probable internal injuries; and the grandmother, Mrs. Mary E. Chaney, fractured right leg, fractured pelvis, and facial bruises. All live at Littlefield.

Highway Patrolman Charles E. Hand of Seymour said the 1951 Ford driven by Mrs. Blackmon dropped off onto the shoulder of the road, swung back and narrowly missed a car traveling west, then veered off the road again and rolled four times, finally landing on its wheels.

Knox County Deputy Frank Hill assisted Hand at the scene of the accident, which occurred about 1:30 p. m.

Firemen Have Busy Week With Four Alarms

Four fires were reported during the last week. On Friday, March 21, at 3:40 a. m., an explosion shook the homes near Edwin L. Fly's house on North 13th Street. The Fly house was completely enveloped in flames when the local firemen arrived. The new rural fire truck and the American-LaFrance truck were used to extinguish the blaze with four hoses throwing water on the house for almost 30 minutes. The house was almost completely demolished, but the nearby M. Boggs residence suffered no damage, except scorching some paint.

The evening of the same day a grass fire was reported on the Hill Allen farm. With the aid of local citizens and with the use of the rural fire truck and a dozer, the fire was finally extinguished. Approximately 400 acres of grassland was burned.

On Saturday afternoon a small grass fire was extinguished in the alley behind the E. R. Ponder residence, with no damage resulting.

Again on Monday afternoon another grass fire was reported and extinguished near the C. R. Griffith home with no damage resulting.

There have been several warnings about following the fire trucks, and until Saturday afternoon, the problem seemed to be almost eliminated. We, the Munday Fire Department, appreciate your cooperation, but would like to ask once more to please help yourselves by pulling to the curb when the fire siren blows and remain there until all the trucks and volunteer firemen have arrived safely at the scene of the fire.

Golf Club Will Elect Officers

A meeting of all members of the Munday Municipal Country Club has been called for tonight (Thursday) at the C. D. A. office in Munday. The meeting will open at 7:30 o'clock.

Officers for the new year will be elected and other matters pertaining to the club will be discussed.

Present officers are: Winston Blacklock, president and Ray Holcomb, secretary.

JACK CLOWDIS NOW EMPLOYED WITH GUINN TIN AND PLUMBING

Wilkie Guinn, who operates the Guinn Tin and Plumbing Shop, announced this week that Jack Clowdis is now regularly employed with the local firm. Jack has had many years of experience in both plumbing and electrical work.

"Jack wants to continue to serve his many friends in this area," Guinn said, "and we invite you to call on him when in need of any type of plumbing or electric work."

New Directors In C. D. A. Are Named Recently

Members of the C. D. A. cast one of the heaviest votes recorded in the history of the organization recently when they elected three new directors in the organization. Following the usual custom, ballots were mailed to all members, and directors were gratified at the large number who marked their ballots and returned them.

An canvass of the votes was taken at the regular meeting last Monday night, resulting in the following elected as directors: J. D. Gillespie, Herbert Partridge and L. B. Patterson, Sr. They take the places of Paul Pendleton, Winston Blacklock, and Wallace Reid, whose terms expired.

Carry-over directors are: Fred Broach, Jr., Mark Wadzeck, Worth Gafford, Dwight C. Key, E. W. Harrell and Lloyd Patterson.

All old directors and the new ones met last Monday night, at which time officers for the coming year were elected from this group. The new officers are:

Worth Gafford, president; Dwight C. Key, vice president; J. D. Gillespie, treasurer; and Mrs. Joseph Borden, re-elected secretary.

Goree Juniors To Present Play Friday Night

Hillbilly romance and music. Boys and girls of the backwoods a feudin', a fightin' and a fussin'. You'll find them all in "Comin' Round the Mountain," which is the interesting title of the three-act farce comedy to be presented on the evening of Friday, March 28, at eight o'clock.

Those taking part in the large cast are the Skitter Family: Maw, Mary Joyce Jones; Paw, Wesley Wright; Curly, Jimmy Lee Decker; Corney Bell, Bertha Blankenship; Dizzy Mae, Pauline Searcey; and Zeke, Jimmy Don Jordan. Others very much involved are: Ellie Lou Fufunny, Mary Tucker; Sammy Fester, Billy Weir; Robert Bruce, Ward Cooksey; Ed Small, J. C. Decker; Carol Hughes, Geraldine Lambeth, and Doris Dean, Norma Railsback.

The play is being staged under the direction of Mrs. Carver, who says it is the funniest play she has "put on" in a long, long time.

Stage settings and electrical effects are being handled by John Moore. Everybody concerned is working overtime in order to make "Comin' Round the Mountain" one of the greatest theatrical treats of recent years. You'll have the laughingest time of your life when you see the hillbillies cavort in this hilarious comedy. Admission is 35 cents and 50 cents.

GRASS ROOTS OPINION

NARROWBURG, N. Y., NEWS-TIMES: "In the present situation small business not only faces the necessity of readjusting to different conditions, but is unable to do so because of the arbitrary and often futile rules and orders issued by the government. The small business man's own judgment is of no avail because the operation of his business had been taken out of his hands by a paternalistic government . . ."

TITUSVILLE, FLA., STAR-ADVOCATE: "Behind the notion that inflation and prosperity go hand-in-hand is the superstition that money is wealth. There was a time, of course, when money was wealth, because things that had value in themselves—gold, silver, cattle, wheat—were used as money. And for more than a century paper money could be exchanged, on demand, for precious metal. Today it is a criminal offense for an American citizen to possess gold money. But this ancient faith in money as wealth has been transferred to our paper currency which is not, today, redeemable in gold."

ALTOONA, PA., MIRROR: "We wonder what George Washington would have to say about some of the actions that take place these days in the city that bears his name? Washington was dedicated to the service of the country he helped to establish and to the welfare of his fellow Americans. He was not concerned with entrenching himself in office."

BISHOPVILLE, S. C., MESSENGER: "On the Brink of Socialism" is an editorial feature which appeared in last week's issue of Collier's Magazine. In the large picture at the top of the page is shown a view of Niagara Falls. Just at the brink of the falls and pulling on the oars of a small rowboat with all his might is a man who evidently represents the general public or 'Private Enterprise'."

YES, THERE'S GOLD IN GRASS

Grass Is Gold! That is the slogan of an extensive grasslands program which is sponsored by the Portland, Oregon Chamber of Commerce. The whole idea, based solidly on practical experience and scientific knowledge, is that one of the greatest opportunities for agricultural improvement lies in growing more grass and better grass.

As part of this undertaking, the Portland Chamber has awarded prizes to "grassmen of the year" in Oregon, Washington and Idaho. The results these men and others have obtained from scientific management of the grasslands are outstanding. One of them doubled his production in eight years, in addition to carrying on a four-year grass improvement that will soon provide feed for 10 to 15 times as many cattle as could be supported before. Another brought 3200 acres of badly overgrazed range land back into full production through proper grass management and other conservation techniques. Still others have done as well. As the Portland Oregonian observ-

ed, "There's gold, indeed, in grass." The fact that an urban chamber of commerce has sponsored the work is significant. Generally speaking, these chambers are primarily concerned with seeking new factories and other industrial development. But the Portland Chamber realizes that the welfare of industry and of the cities depends in the long run upon the welfare of the farmer and of the rural districts.

The Grass Is Gold movement has the active support of many elements. Federal, state, and university agronomists, foresters, and soil conservation experts serve on committees. The Union Pacific Railroad, long an aggressive force for better farming, has played an important role. This railroad operates an Agricultural Improvement Car which tours its region and is the center of broad discussions of agricultural problems, and the grasslands program has been emphasized.

The Grass Is Gold idea can be profitably applied to every agricultural state and area. It presents a great and inviting challenge to the farmer.

THE HIGH PRICE OF SOCIALIZED MEDICINE

Economic Intelligence, a publication of the Chamber of Commerce of the United States, recently carried a significant article on the cost of socialized medicine.

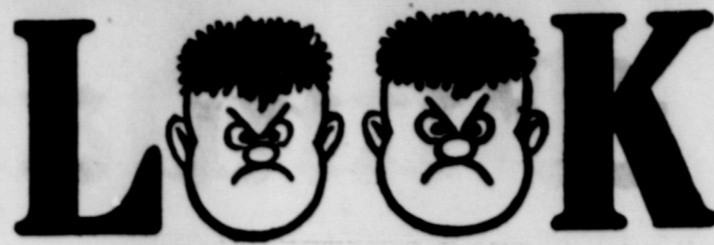

It quoted a British survey indicating that the total cost to the taxpayer there for the socialized national health service is only about 46 cents per person per week.

That seems cheap—on the surface. But, as Economic Intelligence pointed out, the average British factory worker earns 41 cents an hour. Therefore, the average cost of the service for a family of three requires 3.4 hours of work each week.

U. S. factory workers now average \$1.61 an hour. Assuming a proportionate real cost in this country for a compulsory health insurance plan on the model advocated by the Administration, the bill would run to \$5.47 a week for the three person family, or \$284.44 a year.

But that's only the beginning. In Britain, the present social security taxes pay less than one-ninth of the total cost of health service. All the rest of the bill for so-called "free" medical care is met by levying heavy excise taxes on articles ranging from beer to toothbrushes. The British citizen pays and pays and pays, every day of his life.

As Economic Intelligence observed, "The old adage that you can't get something for nothing seems still to be true." What has happened in England would happen here and probably on a far greater scale—the American government has broken all records for waste and prodigality. Compulsory health insurance would dig deep into every pocket, directly or indirectly, and people of average means would be hit the hardest.

Accident Prevention Award

A woman's protective instinct is the theme of the Carol Lane Award which will be presented each year, along with a \$1,000 defense bond, to the American woman who contributes most to traffic accident prevention. Nominations are now being invited by the National Safety Council, which administers the award through grant of the Shell Oil Company. Carol Lane, women's travel director of Shell and whose name the award bears, is shown with the model for the bronze statue.

No doubt I let out a scream and my father came running. My finger was bleeding but only the skin had been clipped. I did not experiment further; my curiosity had been satisfied.

There was another bit of excitement in the restaurant one day. A customer used to romp with me and give me little presents and I thought highly of him. One day, I saw him in the cafe and started to run to him. Then a thing happened which was most amazing to a little boy.

My father picked up a baseball bat and drove the customer from the place. I could not understand. The man was a friend, yet my father had forced him to leave—and my father could do no wrong. I used to wonder and wonder about it. It must have been two years later before I was old enough to understand the reason; the man had been drinking and he had an open knife in his hand and my father was afraid that he might injure me.

A man who was crossing the ocean owned a valuable diamond which he planned to have set in a ring when he reached London. The ship was approaching the harbor and he was standing at the rail playfully tossing the diamond into the air. The vessel gave a lurch and the jewel fell

into the ocean.

Three weeks later he was about to leave London to return to the United States. He ordered fish for lunch and was eating it with great gusto when he bit down on something hard. He removed the object from his mouth and—what do you think he found? A fish bone—that's what he found!

CHANTERS SCHEDULE 1,500 MILE TOUR

Members of the McMurry College Chanters, a mixed choral group, have a 1,500 mile tour facing them, beginning March 29 and continuing through April 4.

About 50 members of the choir will make the seven-day trip, giving 14 different concerts in 12 cities in the Texas Panhandle and New Mexico.

They are slated to stop in the following cities for concert: Hale Center, Amarillo, Borger, Panhandle, Dumas, Stratford, Dalhart, Texline, Clayton, N. Mex., Tucumcari, N. Mex., San Jon, N. Mex., Clovis, N. Mex.

Charles S. Perry of Dodge City, Kans., spent last Friday night here with his brother-in-law and sister, Mr. and Mrs. J. E. Reeves.

Mrs. Cole Murphy of Brownfield visited her parents, Mr. and Mrs. J. F. Draper, in Goree, and with relatives in Munday a few days last week.

A good farm and home safety program combines the use of common sense and thoughtfulness in conducting the farm and home activities. A job performed when the two essentials are absent may result in serious injury or even death.

By JOHN C. WHITE, Commissioner

THE PINK BOLLWORM—
Two problems of Texas Agriculture come to us across the Rio Grande—the "wetback" and the cotton Pink Bollworm. The insect, or *Pectinophora gossypiella*, has this in common with the "wetback"; things look better to it on this side of the border, and it comes across to work in our cotton crops. It will "hitch" a ride across the international bridge on trucks and cars or clothing, or anything else that has been in contact with cotton or cotton products in Mexico. Or, in the moth stage,

it will fly across. The first Pink Bollworm was discovered in Texas near an oil mill in Robinson County in 1917. Since then, it has become the greatest single threat our cotton industry has ever faced, with 193 counties now under quarantine. The worm comes from an egg laid by the moth on the cotton plant. The larva burrows into the fruit, square or boll, and reaches maturity in 10 or 15 days. It pupates, and in about 30 days from the time the egg is laid it has developed into a

PRICE DANIEL LETTERS POURING IN

Price Daniel, Texas' fighting attorney general, is shown with some of the 45,039 letters and pledges of active support received thus far in his race for the United States Senate. "With written pledges still pouring in at the rate of several hundred each day, Price Daniel will have the biggest group of active campaigners Texas has ever seen in a political race," Campaign Manager Everett Hutchinson said in Austin.

moth. After mating, the female moth deposits eggs for another generation. The worm grows to about one-half inch in length. It's made up of segments, like the tail of a crayfish. Each segment is ringed by a pink line. The moth is less than an inch long, brown in color, and shy—hiding from the light of day under stone or brush and flying in the late evening. It can make long distance flights of hundreds of miles, at an altitude of 2,000 or 3,000 feet—for example, from the Laguna district of Mexico to as far away as Arizona, New Mexico, and the Plains of Texas, which is rather a respectable performance.

There little moths live only two or three weeks. But as many as five or six generations appear in one season. That means if every egg laid by one adult female moth should develop into an adult moth, in five generations one moth would have produced more than 10 billion hungry Pink Bollworms.

Multiply that by millions of moths on thousands of acres of cotton, and we get a rough idea of what we're up against. (To be continued)

Mrs. W. H. White of Coleman and Mrs. E. W. White of Seymour spent Monday and Tuesday with their daughter and granddaughter, Mr. and Mrs. John F. Nixon.

Dick Morris of Seymour was a business visitor here Monday of this week.

Mr. and Mrs. C. N. Smith were in Wichita Falls one day last week visiting with relatives.

Mr. and Mrs. Lee Haymes visited relatives in Big Spring over the week end.

Mrs. M. E. Rodgers Celebrates 80th Birthday Recently

Mrs. M. E. Rodgers, who had lived in Knox County since 1912, celebrated her 80th birthday on February 24 at the home of her daughter, Mrs. Alvin Floyd of Abilene. The celebration came as a surprise to her, as children gathered to honor her with a dinner and many nice presents.

All of her children and several grandchildren were present, including the following:

Mr. and Mrs. Alvin Floyd; Mr. and Mrs. J. M. Burns and Edward, Munday; Mr. and Mrs. D. F. Rodgers and son, Glen, Abilene; Mr. and Mrs. Fred Brown and children, Elizabeth and Floyd Milton, Vera; Don Brown, Abilene; Mr. and Mrs. J. B. Williams and sons, Bobby Derel and Jerel, Portales, N. M.; Mr. and Mrs. Willie Floyd and children, Sharon and Larry, Denver City; Mr. and Mrs. James Floyd and sons, Kenny and Robert, Abilene; Mr. and Mrs. Austin Floyd and children, Tommy and Linda Kay, Fort Worth; Mr. and Mrs. J. F. Blanton, Grandbury; Mr. and Mrs. Marion Blanton, Grandbury; Elmer Blanton, Fort Worth, and Mr. and Mrs. M. S. Williams, Abilene.

Perry Reeves, freshman student in N. T. S. C. in Denton, spent the week end with his parents, Mr. and Mrs. J. E. Reeves.

Cecil Fitzgerald of Spur spent the week end with friends and relatives here.

April Draft Call Made For 1,184 Texans

AUSTIN—The April draft call for Texas is 1,184 men, Brigadier General Paul L. Wakefield, state Selective Service director, announced today.

Local board quotas will be figured and mailed to the boards, "sometime during the present week," the state director said. The national quota for April is 19,000.

The call will be filled with men 21 years of age or older. Current manpower inventories at state Selective Service headquarters show more than 2,000 men available for induction in this age group.

Delinquents and volunteers of a younger age can be inducted, the state Selective Service director pointed out. Texas is authorized to induct 20 years olds if necessary.

The April call of 1,184 compares with a call of 1,858 in March. The April quota in 1951 was 2,075.

In addition to the regular April call for service in the Army and Marine, Texas has also been called upon to furnish three dentists for service under provisions of the doctors' draft law. Induction date for three dentists has been set for April 25th.

This is the second call ever received in Texas under the doctors' draft law. Six doctors were ordered for induction in July, 1951. Medical personnel may vol-

The newest wonder drug, terramycin, cures or affects favorably 13 of the 18 major diseases faced by G.I.'s in Korea and similar Asiatic areas, according to experts in tropic medicine. Terramycin is an earth-mold antibiotic, recently discovered by a team of research scientists.

All water in Korea is considered unsafe for drinking, and fruits and vegetables cannot be eaten raw without danger of infection. Diseases such as amoebic and bacillary dysentery lurk in waters of the rice paddies, contaminated for centuries by human excrement used as fertilizer. Other diseases, such as infectious jaundice and plague, are borne by rats and the rat flea; typhus and relapsing fever are borne by lice parasitic on human beings.

In addition to the diseases listed above, terramycin has proved to be effective in treating beriberi and yaws, and in preventing typhoid fever.

unteers for commissions and immediate active duty under draft regulations.

No pre-induction physical examinations will be given in April, under present plans of state Selective Service headquarters, except possible re-examination of 4-F's.

A total of 606 4-F's are being re-examined in March, along with pre-induction examination of 3,828 men. All 4-F's being re-examined in March come from local boards at the following places only:

San Antonio, San Benito, Dallas, San Diego, Pearsall, Galveston, Houston, Edinburg, Beaumont, Corpus Christi and Austin.

Mr. and Mrs. A. L. Garner of San Antonio visited with Mr. and Mrs. Press Phillips over the week end.

Mr. and Mrs. T. V. Yost and C. G. Yost visited with relatives in Dallas several days this week.

Munday, Texas

Roy J. Russell Has Part In Fleet Training Exercise

Along with other crewmen serving aboard the heavy cruiser Helena, Roy J. Russell, ship's serviceman, second class, USN, son of Mrs. Lillie Russell of Munday, Texas, recently participated in the largest Pacific Fleet training exercises held since the Korean outbreak.

The exercises, called "Lex Baker One", took place off the coast of Southern California. Over 70 ships and 15,000 men of the Navy and the newly activated 3rd Marines participated.

Reality was added to the mock war games by assuming that lower California and several islands off the shore had been captured by an "aggressor" enemy. The Navy's problem was the retaking of the enemy-held islands through amphibious assaults.

Ships of all types were used in the exercises including submarines and aircraft carriers.

"Aggressor" submarines and plants made repeated "attacks" in harassing the task force, adding even more reality to the operation.

Reports from county agricultural agents show that an estimated 1,513,398 acres of legumes were turned under in Texas in 1951. Seed were harvested from another 187,910 acres with a total production of 44,452,000 pounds.

Kubena Rites Set At Seymour

Mrs. Johanna Kubena, 73, passed away at 7:05 p. m. Tuesday in a Vernon hospital. Funeral services will be held at 9 a. m. Friday in the Sacred Heart Catholic Church in Seymour with Rev. Paul Mosler officiating. Burial will be in Seymour Cemetery.

Mrs. Kubena was born January 5, 1879, in Czechoslovakia. A resident of Vernon for the past 16 years, she had lived at Seymour prior to that time. Her husband, John Kubena, died in 1942. He had been a farmer.

Survivors are one son, Steve Kubena of Munday; six daughters, Mrs. Rudolph Kohut, Mrs. Raymond Motl, and Mrs. A. J. Hosten, all of Seymour; Mrs. Emil Jacobee of Wichita Falls, and Mrs. Alfred Donaldson of Waco; 11 grandchildren; four brothers, N. W., Frank, Joe and John Janek and one sister, Mrs. James Cervenka, all of Hallettsville, Texas.

Leroy F. Decker Is Now Serving In Korean Waters

Jack of all trades and master of all is Destroyer Division 122 and the Navy man aboard the destroyer USS Hyman, like Leroy F. Decker, fireman, USN, son of Mr. and Mrs. John Decker of Route 2, Munday, Texas.

Destroyer Division 122, which is composed of four destroyers, has taken part in every type of Naval surface action while on duty in Korean waters. This includes the razing of Communist communication and supply lines, plus serving for the aircraft carriers of Task Force 77.

Now on its way home, Destroyer Division 122 will complete a circumnavigation of the globe by returning via the Panama and Suez canals. Their first port will be Hong Kong. Then they will go to Singapore and continue westward to the East Coast of the United States.

Club Boys Receive Instruction In Use Of Surveyor Instrument

Subject of the March 4 H meetings for the boys clubs of Knox County was the use of the surveyors' instrument. Instructions were given on how to set the instrument up, and adjust it properly. Signals were then explained and all boys given an opportunity to sight through the instrument, and take rod readings. Where time permitted, the boys ran a practice terrace line.

Over 300 boys took part in the exercise, and now know the basic fundamentals of terrace layout. A windy week was encountered for the outside meetings, and followup work will be carried out at later meetings.

Twenty-three names were added to the rolls, and subject of the April meetings will be Pig Projects for Profit, plus discussion of projects being carried out by the boys.

Mrs. J. K. Jackson and son, Kenny, spent several days last week in Celeste with Mrs. Jackson's parents, Mr. and Mrs. E. N. Feily.

WINNER . . .

NEW YORK — A unique pie-eating and clean-up contest was held at Kips Bay Boys Club, when 10 small boys competed to win a two-week vacation at Kips Bay Boys Club Summer Camp in Westchester, N. Y.

Each boy raced to finish his portion of pie, then dove into wash basins to clean their hands and brush their teeth. The first boy to finish the course and win the vacation was Robert Noble, 10. The contest was sponsored by Chlorodont, the new chlorophyll toothpaste, in conjunction with Kips Bay Boys Club.

Dorothy Proffitt And J. C. Smith Wed At Knox City

Announcement was made last Tuesday of the wedding of Miss Dorothy Proffitt of Munday and J. C. Smith of Knox City, who were united in marriage on Saturday evening, March 22, at Knox City, Rev. Baker, Baptist minister, officiated.

The bride is the daughter of Mr. and Mrs. Jim Proffitt of Munday, and the bridegroom is the son of Mr. and Mrs. J. L. Smith of Knox City.

The bride wore an orchid-embossed rayon dress with white accessories and also wore the traditional something old, something new, something borrowed and something blue.

The newlyweds will make their home in Knox City.

RELATIVES VISIT IN HOME OF MRS. JACKSON

Jimmy Jackson and family left recently on return to their home in Sutherlin, Oregon, after a month's visit with his mother, Mrs. Lessie Jackson of Goree.

Jimmy was born and reared at Goree, entering the Navy in 1942. His wife was reared in Nebraska, and they planned to visit there on their return home. Their little son, three and one half years of age, enjoyed all of his visits to Texas, even the sand storms.

Roy D. Fox of Crowell was here Tuesday visiting with friends attending to business matters.

Becky And Cheryl Jamerson Honored At Recent Party

On Monday afternoon, Misses Linda Latham and Nanette Roberts were hostesses for a party honoring Misses Becky and Cheryl Jamerson in the Roberts home.

Those who gathered for the happy occasion were: Jimmy Paul Goode, Gerald and Charles Kinnman, Jackie Hampton, Bobby Howerly, Wesley Shirley, Charley Latham, Glenda Thornton, Pat Knight, Felona Edwards, Judy Hunt, Jan and Chuck Roberts.

Many games were enjoyed, after which refreshments of cake and soda pop were served.

CARD OF THANKS

With hearts full of gratitude, we attempt to express our thanks for the many kindnesses shown us during the illness and in the death of our loved one, Mrs. J. F. L. Lindsey.

Your words of condolence, deeds of kindness, the many flowers and cards, your wonderful love offering and other expressions of sympathy will always be remembered. Our prayer is that God will richly bless you all.

The Lindsey Family. Itc

Mrs. Odie Mitchell received word recently that her aunt, Mrs. Ellen Bell of DeLeon, passed away on Monday, March 17.

Mrs. J. C. Shockey and children visited with relatives and friends in Mineral Wells the first of this week.

Mrs. Ann McClaren visited in Wichita Falls one day last week with her daughter, Miss Irene McClaren.

Activities Of The Colored People

The West Beulah Church is entertaining the District Board this week. Tuesday night, a pre-opening program was held with all city churches participating.

The Dunbar P. T. A. was postponed until next week because of the district meeting being held here.

Mrs. Mittie Mae Troy left last Thursday for Los Angeles, Calif., to attend the funeral of her mother.

A social will be held next Thursday for basketball girls and boys. Music and games will be provided as entertainment.

In areas of the state where moisture and other conditions are favorable, the vegetable varieties that are cold-hardy can be planted. Broccoli, cabbage, lettuce, onions, peas, Irish potatoes, spinach and turnips can be planted from four to six weeks before the last spring frost. Beets, carrots, chard, mustard, parsnips and radishes can be planted from two to four weeks before the last spring frost date.

Sooty mold on gardenias is caused by the white fly, small moth-like insect. The young, found on the underside of the leaves, resemble scales and can be controlled by spraying with three tablespoons of white oil emulsion diluted with one gallon of water. A five per cent DDT dust will control the adult insects.

The Texas Home Economics and Texas Nutrition Council will meet in Austin on March 7 and 8 at the Stephen F. Austin Hotel.

BIRTH ANNOUNCEMENT

Mr. and Mrs. John Nobles of Big Spring are announcing the arrival of a daughter, who was born on Thursday, March 13, weighing seven pounds and four ounces. Mother and daughter are reported doing nicely.

Mr. and Mrs. W. R. Moore and Mr. and Mrs. W. R. Moore, Jr., and children visited relatives in Lubbock over the week end.

Joe Stevens, who is attending Texas Tech in Lubbock, spent the week end with his mother, Mrs. Vera Stevens.

Mr. and Mrs. Charles Windel Atkinson of Borger visited

Supercharged

Ruth Peppel, who was recently named Chicago's Miss Photoflash, displays another supercharged item—a new photoflash battery which is said to have enough power for 900 flash pictures.

friends and relatives here and at Goree over the week end.

Mr. and Mrs. Lee Burnison visited with Mr. and Mrs. B. F. Walker in Plainview over the week end.

Feather In Bonnet

Hats off to a Blue Bonnet Sue for 1952 (glamorous Val Lewis). She's properly pleased after being selected for the title by salesmen for a famous margarine.

A Times Want Ad Pays

ALMANRODES RETURN FROM TRIP TO VALLEY

Mr. and Mrs. R. M. Almanrode came in March 18 from Brownsville where they had been visiting since last Thursday. While there, they spent a half day at Matamoros, Mexico.

On the way down they were guests on Tuesday at Gonzales Warm Springs Hospital, and after lunch made a tour of the Hospital. One hundred patients, from 8 months of age to adult age are cared for. In the shops, all the braces, crutches, etc., are made, and fitted to the patient. While not connected with the National Foundation, Warm Springs cares for polio patients, and the Home Demonstration Clubs, and the Federated Clubs give much help to our own Warm Springs of Texas.

In Sinton, on March 12, Mrs. Almanrode represented the Board of the Texas Home Demonstration Association on the program of the District meeting. From there they went to Kingsville, where on Thursday Mrs. Almanrode met her committee, the President of A. & I. College, and the Chamber of Commerce representatives, to complete arrangements for the State meeting which is to be

held at the College in August. Arrangements were made for the women to make a tour of the King Ranch, and Mansion, with a barbecue in the evening. Following the close of the meeting, chartered buses will take the women who want to go, to Reynosa, Mexico, for a visit to the Markets, and to dinner at "Joe's Place."

ilene spent the week end with her parents, Mr. and Mrs. J. C. Campbell.

Mrs. Gene Thompson and children are in Houston this week visiting with her mother, Mrs. E. H. Nelson.

BOY SCOUTS SUCCESSFUL COTTON FARMERS, TOO

There are 4,517 Boy Scouts in America who were successful cotton farmers before they were 18 years old.

This was learned last month as Scouts all over the country celebrated the 42nd anniversary of the Boy Scouts of America.

An average of 200 boys earn the Merit Badge for Cotton Farming each year.

The Merit Badge for Textiles has been earned by 25,818 Scouts. It was announced. In order to qualify for this badge Scouts must be thoroughly familiar with the production and properties of raw and finished cotton, wool, worsted, silk and synthetic

NO. CAROLINA FARMERS INVEST IN RESEARCH

North Carolina farmers have voted to invest their own money in more research for cotton and other agricultural products, according to a United States Department of Agriculture Report.

They have approved a plan called "Nickels for Know-How" which provides that they donate 5 cents for each ton of fertilizer

fibers. Between 500 and 600 Scouts earn the textile Merit Badge each year.

About 580,000 of the total enrollment of 2,900,000 Scouts live in the 16 major cotton producing states.

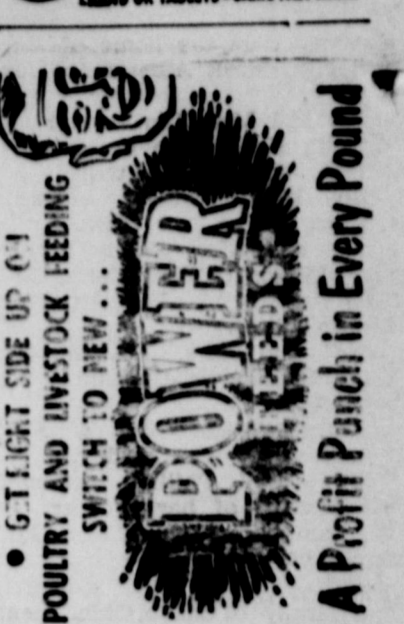

RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or money refunded. Creomulsion has stood the test of millions of users.

CREOMULSION

relieves Coughs, Chest Colds, Acute Bronchitis

and feed they purchase. It is estimated that through this plan they will be able to donate \$100,000 annually to the agriculture foundation for research, the USDA reported.

Phone 2081 Munday, Texas

OVER THE ROAD or OVER THE ROUGH -you can't beat a GMC!

KNOW why, more and more, GMC's are becoming first choice of so many cost-watching truck operators in every type of hauling?

One of the big reasons, they will tell you, is they can always get a GMC that's exactly "engineered" for their particular kind of work.

There is no need for a GMC owner to strain away with an underpowered truck—or lose profit to a gas eater unsuited to its job.

That's because GMC builds the widest range of truck engines in the industry—GMC famed valve-in-head gasoline engines from 100 to 200 H.P.—GMC exclusive 2-cycle Diesels from 110 to 225 H.P.

And it's the kind of power you don't have to pamper!

Each GMC engine is specially lubricated against wear, specially ventilated against acid-forming fumes even when idling—specially designed for truck duty!

Why not let us recommend the GMC truck, tractor or six-wheeler perfectly powered for your job? It will be a real truck all the way—exactly the right combination of engine, axle, transmission and frame blended by the world's largest exclusive manufacturer of commercial vehicles!

BROACH EQUIPMENT
You'll do better on a used truck with your GMC dealer

BENJAMIN NEWS

Mrs. Von R. Terry, reporter

Mr. and Mrs. Lovell Brown were in Fort Worth Monday of last week on business.

SOUTHWEST'S TALLEST BUILDING INCREASED IN SIZE

Two additional floors have been added to the Republic National Bank Building, now being erected in Dallas. The floors have increased the section facing Pacific and Ervay Streets to seven stories and have resulted in the floor space of the building being increased to 822,000 square feet. Certain other changes have been made in the exterior of the building base, all of which adds materially to the appearance of the building and further enhances its place in the already impressive Dallas skyline. This 40-floor building—tallest in the Southwest—will rise 598 feet above the ground and will incorporate every modern convenience.

Famed Stars To Sing With Metropolitan In Dallas

Rise Stevens Patrice Munsel Zinka Milanov Licia Albanese

Four world-famous prima donnas who will sing with the Metropolitan Opera Company in Dallas, May 9 through 11, are pictured above. The illustrious musical company is being brought to Dallas, under civic sponsorship, for its eleventh visit. The three-day season, in State Fair Auditorium, will present four operas, as follows: Friday, May 9, evening, "Aida," with Zinka Milanov, Blanche Thebom, Mario Del Monaco and Robert Merrill; Saturday, May 10, matinee, "La Boheme," with Licia Albanese, Giuseppe Di Stefano and Hilde Gudden; evening, "Cosi Fan Tutte," sung in English, with Patrice Munsel, Eleanor Steber, Richard Tucker and Frank Guarrera; Sunday, May 11, matinee, "Carmen," with Rise Stevens, Kurt Baum, Frank Guarrera and Nadine Conner. The Dallas opera season each year draws attendance from 285 Texas towns, 25 other states and Mexico.

other defense needs. As the chairman sees it, before ships, planes and tanks can be built there must be materials to build them with and people to build them. These people must have the food they need for health and strength. There must be food and fiber for the men and women added to the armed services. There must be stockpiles of food and fiber to fill supply pipelines and as reserves against emergencies.

One of the most urgent needs this year, according to the chairman, is for an increase in the production of feed for livestock as a means of meeting increasing demands for meat and other livestock products. Since grass and roughage make up more than half the feed total and since they are key crops in conservation efforts, practices to stimulate grass and legume production are being especially stressed in the 1952 Agricultural Conservation Program.

It is also very essential that we produce a big cotton crop. Knox County's goals are as follows:

Cotton ----- 120,000 acres
 Grain Sorghum, 15,000 acres
 Lets' make every acre produce what it is capable of producing so as to meet our County's defense needs.

Field Economic Courses Offered At Fort Worth

AUSTIN—A two-week field economic course will be conducted by the Industrial College of the Armed Forces May 12-23 at Fort Worth. Attendance will be open to 150 civilian leaders in industry, education, economics and labor and 150 senior reserve officers from the three major branches of the Armed Forces.

Col. Samson Z. Abelow of the Texas Military District headquarters staff has been named coordinator for the course which is being sponsored by the Fort Worth Chamber of Commerce.

Civilians will be selected to attend by a civilian committee of the Chamber of Commerce. Reserve officers who desire to attend will submit requests for active duty training to their respective area commanders. Those selected will be placed on active duty for the two-week period. In addition to those reserve officers ordered to active duty for this purpose, other reserve officers may attend in a civilian status and receive duty

Gossett To Speak At Meeting Of High School Seniors

ABILENE—Ed Gossett of Dallas, who served 13 years as congressman of the 13th Texas district, will deliver one of the two main addresses at the annual Abilene Citizenship and Career Conference of high school seniors for which Hardin-Simmons University will be host Friday, April 4. Seniors of 85 West Central Texas high schools have been invited.

The other speaker will be D. Hodson Lewis, Dallas, southwestern division manager of the U. S. Chamber of Commerce. The two will talk with high school seniors about the responsibilities of citizenship and the

point credits. The field economic mobilization course is a condensed version of the regular 10 month resident course given at the Industrial College at Washington, D. C. and covers the broad principles of economic mobilization, from an educational aspect. It is organized to present the problems which will confront the country in case of mobilization for war. In addition to showing our own resources, studies will be presented of the economic strengths and weaknesses of potential enemies, allies and neutrals.

No other low-priced car offers these fine features!

Every single feature shown here is offered only by Chevrolet in its field. And every single one means extra pleasure, extra safety, or extra economy for you. Yet again in 1952 Chevrolet is the lowest-priced line in its field! Come in and see for yourself!

The Only Fine Cars **CHEVROLET** PRICED SO LOW!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CARS!

John Porter Chevrolet Company

MUNDAY, TEXAS

- CENTERPOISE POWER**
Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.
- LARGEST BRAKES**
Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.
- WIDEST COLOR CHOICE**
26 rich new colors and two-tone combinations . . . widest choice in Chevrolet's field. New De Luxe interiors are color-matched.
- Lowest priced in its field!**
This beautiful new Chevrolet Bel Air—like many Chevrolet models—fits for less than any comparable model in its field. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)
- BODY BY FISHER**
Fisher Body sets the standard—for styling, for craftsmanship, for comfort! Fisher Uni-steel construction is extra strong and sturdy.
- UNITIZED KNEE-ACTION RIDE**
Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorbers give even finer ride control.
- WIDEST TREAD**
Chevrolet measures 58 3/4 inches between centers of rear wheels—a broader base to give you more stability, less sway!
- 4-WAY ENGINE LUBRICATION**
Chevrolet's exclusive engine lubricating system supplies exactly the right kind and amount of lubrication to each moving part.
- CAST IRON ALLOY PISTONS**
Pistons are of same material as the cylinder block—expand and contract at the same rate. Reduces wear, saves oil!
- SAFETY PLATE GLASS ALL AROUND**
Chevrolet alone in its field gives you safety plate glass in windshield and all windows for a clearer, truer all-round view.
- POWERGLIDE AUTOMATIC TRANSMISSION**
Powerglide is simpler with fewer parts to wear. It's smoother—no complicated intermediate gears. (Optional on De Luxe models at extra cost.)
- MOST POWERFUL VALVE-IN-HEAD ENGINE**
Teamed with Powerglide is the most powerful valve-in-head engine in Chevrolet's field and an outstandingly fine performer in any field!
- E-Z-EYE SAFETY PLATE GLASS**
This superior tinted glass cuts down glare and heat from sun, glare from sky, snow and oncoming headlights. (Optional at extra cost.)

Knox Prairie Philosopher Says That No Preferential Primary Will Be Held Out There In His Territory

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek takes a slightly different view of the preferential primary, his letter this week reveals.

Dear editor:
In case anybody in Washington is wonderin, we do not intend to hold a preferential primary out here at the creek.

As far as I can tell, there ain't nothin wrong with a preferential primary, the one they had in New Hampshire made mighty good readin, beats Korean war news and peace treaty arguments all to pieces, had lot rather read it than news of Europe's latest financial distaster or the latest scandal in Washington, the drought, etc., but the thing can be carried too far.

Just the other day in a sort of unguarded moment Senator Taft's campaign manager, fight in a dust storm at Amarillo, said if Taft doesn't make a good showin in the preferential primary in Wisconsin or at least a whole lot better than he did in New Hampshire, he might as well drop out of the race.

That's the reason we do not intend to hold such a vote out

J. A.

here. We don't want any candidates droppin out in the spring when the real election isn't until November and the nominatin conventions are still four months off. Spoil a show fastern anything to have some of the leadin actors droppin out of the cast.

The way I see it is we just have a presidential campaign once every four years and every American citizen is entitled to a full run of the show, and you aint gonna catch us folks out here doin anything that'll get in the way of it. A good local murder trial is worth something, the same as a first-class investigation in Washington, a gang murder in New York, the theft of a million dollars somebody carless-

New Cyclo-matic Frigidaire food freezer and refrigerator combination, just introduced, features shelves that glide out on nylon rollers for easy access, handy storage space on door, and a new kind of safe, constant cold called Level-cold. Upper compartment is zero-zone food freezer, completely insulated and sealed from rest of cabinet. Cyclo-matic defrosting in refrigerator section automatically controls humidity and banishes frost before it collects.

ered skirt of sheets, topped by an eye-catching off-the-shoulder blouse made of two blue and white bandanas. On her it looked good!

Miss Patsy Morrow, who is attending Hardin-Simmons University in Abilene, spent the week end with her mother, Mrs. Freddie Morrow, and brother, Gerald.

Mr. and Mrs. D. B. Crockett and daughter of Sweetwater spent the week end with his parents, Mr. and Mrs. J. D. Crockett.

Miss Marguerite Crockett of Stamford spent last week here with her brother and family, Mr. and Mrs. J. D. Crockett.

Miss Lynn McGaughey of Spur spent last week with Mr. and Mrs. L. J. Hill.

ly left on his dresser, a city hall scandal, etc., but those things are just fill-ins between presidential elections, and if candidates are gonna take these preferential primaries too seriously, we better call em off.

We had a steady diet of world crisis, international blow-ups, Russian duplicity, Korean State-mates, etc., for so long we shouldn't let anything stand in the way of a good, old-fashioned American presidential campaign.

If any of the major candidates want to know how they stand out here at these digrins, they'll have to wait until fall. We're just now settlin down to arguin.

Yours faithfully,
J. A.

Mr. and Mrs. Royce Hardy and family visited with her parents, Mr. and Mrs. Haskell Dill, in Amarillo over the week end.

Mrs. Dee Mullican and Mrs. L. J. Hill were business visitors in Wichita Falls last Tuesday.

HEN-PECKED HUSBANDS, HERE'S YOUR ANSWER!

Attention, husbands! Does your wife complain that she has nothin to wear? Don't let her get away with it. If she has any old checkered tablecloths, bandanas, lace curtains, bedspreads or sheets, it's a cinch for her to whip up a few doo-dads. That's what Walter Plunkett, M-G-M fashion designer, had to work with when he created the "wedding dresses" for the pioneer women of "Westward the Women," current attraction at the Rox Theatre, Tuesday, Wednesday and Thursday.

The designer had a field day using unusual fabrics with which to dress the girls for their pioneer wedding events. There were dresses made of tablecloths and sheets, with bur-lap for trim. One, worn by Hope Emerson, featured an Indian blanket skirt.

For Denise Darcel, playing the feminine lead opposite Robert Taylor, Plunkett devised a gath-

Tribute to a neighbor

We'd like you to meet a neighbor on whom both of us depend.

He's the man who operates the service station in your neighborhood.

You depend on him to take care of your car, to supply you with products of high quality at reasonable prices. You expect, and get, from him more free service than from any other merchant with whom you do business: whatever you spend, he cheerfully cleans your windshield, checks your oil and tires, furnishes you with free battery water, and renders special services as you need them.

The oil companies depend on him as the independent merchant who distributes their products. He demands, and receives, continuously improved products with which to compete with his business rivals. He insists on reasonable prices that will move his merchandise in volume. His progressive attitude is one of the chief reasons why the oil industry has supplied you with better products at about the same prices over a long period of years.

It's a pleasure to pay this tribute to a neighbor, to thank him publicly for being such a friendly, dependable contact between the oil industry and its millions of customers. He is not on our payroll, but we couldn't do business without him.

Funeral For C. R. Ussery To Be Held Friday

Funeral services for Clarence Richard Ussery will be held Friday afternoon, March 28, at two o'clock from the Church of Christ in Munday, with Minister J. B. Barnett officiating. Mr. Ussery died on March 21 at a veterans' hospital in Los Angeles, Calif., after being ill since December 12, 1951. A native of Knox County, Mr. Ussery was born September 27, 1909, at Goree and was 43 years

six months and six days of age. On May 3, 1947, he was married to Miss Gladcy Wallis, and the family made their home in Phoenix, Ariz., where Mr. Ussery had lived since 1938. Three children were born to this union. Mr. Ussery was engaged as a landscape gardener, and was a veteran of World War II. Surviving him are his wife and three children, Brenda Joyce, Johnnie and Barbara, all of Phoenix, Ariz., his mother, Mrs. J. L. Smith of Munday; a sister, Mrs. Robert Ford of Munday; four brothers, Lois Ussery of Buffalo, N. Y.; Arthur Ussery of Seymour, and J. C. and E. D. Ussery, both of Munday. Serving as pallbearers will be

Texas 1952 Easter Seal Girl

Earl Pruitt, Alvin Reid, Kirby Fitzgerald, Alton Bowley, Carl Wallace and Ed Johnson. Burial will be in the Goree cemetery with the Mahan Funeral Home in charge of arrangements.

Donna Kaye Williams, Texas 1952 Easter Seal girl, surveys the more than a million envelopes containing sheets of 1952 Easter Seals which are being sent to homes throughout Texas this week as the annual Easter Seal Campaign to help crippled children gets underway.

Kracker Krumbs—

(Continued from Page One)

merchants do and some don't, that this particular store preferred to do it this way, and we had to pay the tax, anyway. We were the purchaser, and consequently, the consumer.

We made our exit with a greater dislike for that kind of taxes. Come to our house some time, and we'll show you the cuff links and go a little deeper into the tax burden with you!

ADDING MACHINE Paper now in stock. . . cents per roll. The Munday Times. 43-tfc.

Donna Kaye was chosen as typical of the state's crippled children who are benefiting from treatment received at the cerebral palsy centers financed through Easter Seal funds.

A victim of cerebral palsy due to a birth injury, Donna Kaye, two and a half year old daughter of Mr. and Mrs. J. H. Williams, Dallas, is learning to stand alone without the help of braces and physical therapy. Donna Kaye is only one of the thousands of children helped by the Easter Seal Societies.

The nationwide Easter Seal Campaign will continue through Easter Sunday, April 13. Contributions can be made to "Crippled Children" care of your local postoffice.

Be careful. Observe state and local traffic laws.

Easter Pageant Slated At Haskell

HASKELL—Casting for The Little Theatre of Haskell's production of the Easter Story was completed this week with Rex Felker, president of the young organization and secretary of the Chamber of Commerce, being selected to play the leading role of Jesus.

Forty-one major roles plus a supporting cast of 73 was released this week by Director Wanda Dulaney, making a total of 11 Haskell people who will take part in producing the Easter Pageant.

The Easter Story is the initial production of The Little Theatre of Haskell. It will be a sunrise Easter service dedicated to the local ministers and will be presented at 5:30 a. m. Sunday, April 13, in the Haskell High School Auditorium.

Parts of the pageant will be narrated by Mrs. Will Gilmore in order that connections might be made between the various scenes.

Cotton producers should use the "1952 Guide for Controlling Cotton Insects in Texas" when plans are made for fighting cotton insects this year. Copies of the circular are available at all county Extension offices.

STATED MEETING OF KNOX LODGE NO. 851, A.F.&A.M.

first Monday night in each month at 7:30 o'clock. Visitors welcome.

Joe B. Roberts, W. M. Geo. B. Hammett, Secy.

Pontiac Mechanic Studies Hydra-Matic

Jess Cumba of Broach equipment, local Pontiac dealer, recently attended a school at Wichita Falls on features of Pontiac's new dual-range hydra-matic transmission.

Instruction covered the assembly and repair of Pontiac's latest advance in automatic transmission. The two-day school was held for those who had previous training, and the five-day course was offered those with less experience on this unit.

Nearly 3,000 Pontiac craftsmen are receiving identical instruction in some 700 schools across the country. These meetings are being held by 33 factory-trained specialists from Pontiac's 25 zone offices.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Toby Lane are the proud parents of a little daughter. She arrived at the Knox County Hospital on Sunday, March 23, at 5 a. m., weighing seven pounds and fifteen ounces. She has been named Nancy Susan. Both mother and daughter are doing nicely.
