MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, JANUARY 10, 1952

NO. 24

Kracker Krumb's Odd Bits Salvaged at Random

The political pot has begun to simmer. Chances are she'll reach the boiling point a good while before the July Primary.

This is political year from every standpoint, from precinct to national—and we reckon, international, what with Winston Churchill paying Harry a visit—and this is a good time to remind you that your poll taxes must be paid by the last of January.

And Hattie Ann Borden in the C. D. A. office is prepared to take your money and issue you a poll tax receipt. Buddy Bumpas gave her that authority upon a recent visit to Munday, trying to make it convenient for people of this area to pay up so then can vote.

But back to politics.

Louis Parker was the first to kindle the fire under the political pot in Knox County.

Louis, serving his fourth term as commissioner of Precinct Two, has the ambition to become judge of Knox County, so he handed us his announcement last Monday.

Then on Tuesday, came Ernest Allen, who announced for the place now held by Mr. Parker—that of commissioner of Precinct Two. Mr. Allen believes he is qualified, both by experience in road maintenance and in a business way, to conduct the affairs of this office fairly to everyone.

Next to the docket to announce was W. F. Snody, who is seeking re-election as County Treasurer of Knox County. And from that announcement we learned he had been a resident of Knox County for about 62 years.

First to throw a stick of kindlin wood on the political fire in Texas was John C. White of Wichita Falls, who wants a second term as Commissioner of Agriculture.

We reckon the national political pot never stops boiling, according to reports of tongue lashings and fisticuffs going on in Congress, and always someone up there who would like some party's nomination as president.

Take Senator Robert Taft, for instance. Guess he put the timber on the fire for 1952 just about ahead of everyone else.

But folks didn't know what Ike was going to do. Seems the Republicans would like to nominate Eisenhower—and so would the Democrats—but they could not seem to find out his political affiliations or aspirations.

But last Monday, he "told the world" that if the Republican Convention asks him to run for president he will give up his command in Europe and enter the race.

Now what do you reckon he would do if the Democrats ask him to run on their ticket when their convention meets?

Don't know what Ike was beating around the bush about, anyway. Don't look like it would be a hard matter to decide whether to be president or not.

Shucks, we might decide to run if the Democrats, Republicans, Independents, Anti-New Dealers, or some other party would go all out for us at the conventions.

It would seem like "the berries" to us to be able to take a week-end cruise, or two weeks cruise, on the Potomac River in a private yacht.

Or maybe an airplane trip to Florida, and there loll around in the balmy waters in the dead of winter.

Or on an early morning stroll, about 9 a. m., under the protection of a whole bunch of secret service men.

Or leisurely conference with Mr. Churchill while we extoll the virtues of the Good Old U. S. A. against those of bilney (Continued on last Page)

Walter Snody Asks Re-election As Treasurer

W. F. (Walter) Snody last Tuesday authorized the Munday Times to announce his candidacy for re-election to the office of County Treasurer of Knox County, subject to the action of the voters in the Democratic Primaries.

Mr. Snody, who has been a resident of Knox County since 1889, made the following statement:

"I have tried to make you a good County Treasurer during the time I have served in this capacity, and if re-elected I will continue to do my best a job. I believe my record will stand your investigation, showing that the county's books have been in balance every month since I have been holding this office.

"I earnestly solicit your vote and influence in the coming elections, assuring you that they will be deeply appreciated. If returned to the office, you will find me on the job, always doing my best."

Humphries Now At Reeves Motor Co.

J. E. Reeves, owner of Reeves Motor Company, announced this week that R. E. Humphries, formerly with the Firestone store, is now associated with him in the Goodyear tire department.

Mr. Humphries is in charge of this department, and through his experience he is able to render customers of Reeves Motor Company a thorough tire service. He will be glad to render any type of tire service possible and Mr. Reeves invites the people to call on him when in need of this type of service.

Mr. Humphries is experienced and efficient," he said, "and he will be glad to trade tires with you or give you any type of service along this line."

Be careful. Obey state and local traffic rules.

Local Cagers To Test Albany Lions Friday

Coach David Green's Munday Moguls, winners in eleven games out of the 15 played this season, will give another exhibition of their basketball ability here Friday night when they test the Albany Lions in another home game. Local fans are being thrilled by the splendid performance of local cagers this year.

The Moguls defeated Rochester on Tuesday night by a score of 45 to 38 for their fifth win of the season.

They were paced by Herbert Ford, who showed an outstanding floor game, and Sonny Land, who scored 23 points in the game. Ford scored 9 points, and Don Guffey 7 points to lead the previously undefeated Steers. Fred Lang and Tommy Powell gave their teammates excellent support by controlling the blackboards.

High scorers for Rochester were Eugene Parker, with 17 points, and Clark, with 16.

In the B game, the Little Moguls scored a 34-30 victory. Joe Phillips was high point man for the Moguls.

Seagoing Beauty is Groomed for Debut

The giant liner United States, largest and fastest passenger ship ever built in this country, looms large against the winter sky at her outfitting dock in the Newport News (Va.) Shipbuilding & Dry Dock Company yard. This new superliner will join the America, present flagship of the United States Lines, in transatlantic service. The new vessel is now 85% completed, with interior installations well under way, and is scheduled to make her maiden voyage from New York to Southampton and Havre early next summer. Her peacetime capacity will be 2,000 passengers and a crew of 1,000, although in wartime she could carry a complete division of 14,000 men a distance of 10,000 miles without stopping for fuel, water or food.

Allen Announces For Commissioner Of Precinct 2

Ernest Allen, well known Knox County man, has authorized The Times to announce his candidacy for the office of Commissioner of Precinct Two, subject to the action of the voters in the 1952 Democratic primaries. His statement to the voters follows:

This means of communication is being taken to announce my candidacy for the office of Commissioner of Precinct No. 2. I have been a resident of Knox County for the past 28 years, with the exception of a few years' absence from the county during that period, living principally in the Vera community until moving to Benjamin three years ago.

I am now employed by the present commissioner of this precinct and feel that the experience gained in that work will enable me to discharge the duties of the office in a more satisfactory manner.

I shall try to see each voter in the precinct personally during the coming campaign, and by this means want to thank each one for whatever consideration you may see fit to extend to my candidacy.

Funeral For Mrs. Waheed Is Held Tuesday

Mrs. Sied Waheed, 40, former resident of Munday, passed away on Saturday night, January 5, at a Lubbock hospital. She took seriously ill on December 26, and had been hospitalized since that time.

The Waheed family live in Munday for a number of years, and at one time Mr. Waheed was engaged in the dry goods business here, later operating the Piggy Wiggly grocery until about five years ago, when the family moved to Lubbock.

Mrs. Waheed was familiarly known as Veda to many Munday people, who loved her for her charming and friendly disposition.

Funeral services were held from St. John's Methodist Church in Lubbock at two o'clock last Tuesday afternoon with Rev. Luther Kirk of Midland and Rev. Don Davidson of Hereford, former Munday pastors, officiating. Burial was in a Lubbock cemetery.

Surviving Mrs. Waheed are her husband, Sied Waheed of Lubbock; three sons, Donald Waheed, who is in service in the Philippines; Bobby and Dickie Waheed of Lubbock; her parents, Mr. and Mrs. C. S. Ameen of Houston, and several brothers and sisters.

Bank Deposits Over 5 Million

The First National Bank of Munday started the year, 1952, in a sound financial condition, closing out 1951 with over five million dollars on deposit.

The statement of the bank's condition at the close of business, issued in response to a call made by the Comptroller of the Currency in Washington, is published in this week's issue of the Times.

The statement shows a total of \$5,053,899.54 on deposit on December 31. Of this amount, \$4,803,994.79 were deposits of individuals, partnerships and corporations, the remainder being made up of U. S. Government deposits, states and political subdivisions, time deposits, etc.

This, too, reflects the sound condition of people of this area, which speaks well for the section at large, despite the dry weather and short crops in 1951.

Mr. and Mrs. Clyde Yost and Mrs. C. T. Cluck took Shirley Yost and Ann Nelson to Denton last Thursday where they are attending N. T. S. College.

Walter Harris entered the Haskell hospital last Saturday for medical treatment. Reports are to the effect that he is improving.

Mr. and Mrs. E. H. Nelson returned home last Saturday from Houston, where Mrs. Nelson had been undergoing medical treatment for several weeks.

Tom Martin Killed In Gin Accident Here

Large Crowd Attends Rites On Tuesday For Victim

Hundreds of sorrowing friends filled the First Methodist Church to near overflowing last Tuesday afternoon for funeral services for Tom Martin, well known Munday man, who died in a gin accident last Monday morning.

Mr. Martin was working in ginning equipment, according to reports of the accident, when the wrench he was using slipped and he fell backwards striking his head on the steel decking of the gin. He lived only a few minutes after the accident.

A resident of this area for 54 years, Mr. Martin was well known and loved by many local people. He was engaged in farming part of the time, operated a laundry here for several years, and had been employed at the Paymaster Gin during recent years.

He was a native Texan, having been born in Cook County on September 16, 1890, and was 61 years, 3 months and 21 days of age. He was a member of the Methodist Church.

Funeral services were held from the local Methodist Church at four o'clock Tuesday afternoon, being conducted by Rev. R. L. Butler, pastor, and Rev. J. R. Bateman. Burial was in Johnson Memorial Cemetery under the direction of Mahan Funeral Home.

Palbearers were E. H. Nelson, Cliff Good, Layne Womble, Leslie Phillips, Ardell Speice, and Lynn Waldrip of Haskell.

On July 10, 1910, William Thomas Martin and Miss Rachel Tennie Ruff were united in marriage. Mr. Martin is survived by his wife of Munday; two daughters, Mrs. E. D. Earle of Weinert and Mrs. Dorse Collins of Munday; a son, W. T. Martin, Jr., of Fort Worth; four grandchildren; two brothers, John Martin of Wellington and Carl Martin of Odessa.

Knox City Star Athlete Passes

Wallace Winston May, 18, four-letter man in Knox City high school athletics, passed away at Baylor Hospital in Dallas last Friday. He had been admitted to the hospital on December 26, shortly after he became ill. Doctors said he was suffering from a rare ailment, aplastic anemia.

A member of both the 1950 and 1951 regional champion six-man football team in Knox City the youth was also a basketball star. He became seriously ill shortly after playing in a basketball game less than three weeks ago. May, a senior, was recently voted a favorite of his class.

The fatal illness is described by doctors as failure of bone marrow to produce blood cells.

Funeral services were conducted at 2:30 p. m. Saturday from the First Baptist Church in Knox City, with the pastor Rev. E. V. Becker, officiating. He was assisted by Rev. Houston Walker, pastor of Rule Baptist Church. Burial was in Knox City cemetery.

May is survived by his parents, Mr. and Mrs. John May of Knox City, and a brother, A. D. May of Rule.

GRASS ROOTS OPINION

ANHEIM, CALIF., BULLETIN: "The Senate preparedness subcommittee has recently puts its finger on one of the big reasons for military expenditures—waste . . . Lack of cost consciousness on the part of officers in charge of expenditures says the committee, is a principal cause of waste. This blindness of indifference to burden being cast on the taxpayer has long been typical of the armed services officials. It's one of the reasons why, with the greatly increased cost for preparedness, a limit may have to be placed on the amount of taxes which can be levied on the people. In some degree, the effect of this would be to force the military and the civilian agencies of government to spend their funds on essentials not extravagances."

SALEM, OHIO, FARM AND DAIRY: "Government determines to what extent you are to be regimented. It determines what you shall receive from your beef animals, or did determine, but a ray of light and hope was cast when Congress failed to put its stamp of approval on all the controls and regulations that could be dreamed up by those wanting a controlled economy."

FORT PAYNE, ALA., TIMES-NEWS ERA: "Commissioner of Internal Revenue Dunlap says that if there is not some let-up in criticism of his bureau people are going to lose confidence in it. Six out of 64 collectors of Internal Revenue have resigned under fire and two of them have been indicted for taking bribes. In addition, numerous lesser officials charged with duties in connection with collecting Federal taxes have been caught rehanding taking bribes and practicing favoritism toward taxpayers . . . If that causes people to lose confidence in the outfit, let them make room for officials who can be trusted and who will not yield to temptations to take bribes and feather their own nests at the expense of the taxpayers."

EDUCATION OR CASTASTROPHE

Many will look back over the year 1951 with a feeling bordering on despair. The cause of free men has had tough sledding. It is impossible to adequately describe the suffering and frustration in Korea just as it is impossible to sum up in a few words the political, economic and social milestones of the past twelve months. It is clear now that corruption in government has become a factor on the American political scene of incalculable importance. It is also clear that debt, taxes, and controls are a threat to military security and a virtual death sentence to the economic security of the average individual.

In spite of these grim items on the debit side of the ledger Americans must face the new year with courage. Then can count among their blessings assets possessed by no other nation. Years ago one of the country's leading economists and columnists who apparently saw the handwriting on the wall write to the effect that the greatest gifts parents could leave their children were good health and a good education. healthiest and most literate of the major nations. These basic tools if properly used are now our best hope.

One of the most significant stories of 1951 has rated no headlines. That story is the tireless manner in which our free press has hammered home day after day, chapter by chapter, shocking facts about the incompetence and corruption of countless public officials to say nothing of the grand schemes of bureaucratic spenders of tax funds to socialize and control industry, workers and consumers. Never in the history of this country has a free press stood more solidly between private citizens and oppression. We all owe it a permanent debt of gratitude for the manner in which it has ferreted out weaknesses, dogma, and white-wash in matters ranging all the way from foreign policy to government administration.

Few people appreciate the scope of the American press. It is as vast as it is unique. It consists of highly efficient wire services, several hundred metropolitan publications, many of whose names are bywords in the home, plus more than eleven thousand country daily and weekly newspapers owned and operated by thousands of editors who fully realize that back of all political, international, labor, tax, industrial and inflation problems stand simple principles we must adhere to in order to make our country tick. They must know that to enjoy the liberties our forefathers fought for, we must save the system which they built to guarantee them. A major item if good news is the fact that such editors in every corner of the land have risen with unprecedented vigor to challenge the threat to personal freedom and national survival that faces the nation.

That this threat is real and imminent should be ominously evident to all. More Federal taxes have been collected from the American people in the last seven years than in all preceding since the founding of the nation—some \$260,000,000,000 as against only \$250 billion from 1789 through June 30, 1945, which includes of course the years of World War I and II. From 1940 to 1950 there was an astronomical rise in "normal" spending by regular departments of federal government, to-wit: Commerce, \$75 million to over \$800 million—an increase of nearly 700 per cent; Labor, \$18 million to more than \$250 million—an increase of 1200 per cent; State, \$20 million to more than \$360 million—a 1600 per cent increase. And so the list goes. The increase in government spending has far outstripped the growth and productive capacity of the country. It has resulted in bureaucracy, corruption, depreciating money and regulation wholly incompatible with a free nation—and a free press.

The situation at the beginning of 1952 has been described as a race between education and catastrophe. Because our country enjoys free speech and a free press the outcome should not be in doubt. The people have the means to know what is going on. Their knowledge can be a source of unbeatable strength, in the future as it has been in the past.

Fix-Together Magazine Rack

A ONE-EVENING workshop project for the man who has a cross-cut saw and a coping saw is an attractive magazine rack requiring no fasteners. It simply is fitted together after the parts are sawed out. Of course, power tools will make the rack even easier to produce. As illustrated, the magazine rack consists of a bottom, two ends, two sides and a divider. Incidentally, the divider should be made in two parts, so that it will fit into the slotted end pieces. All parts are Masonite 3/16" Tempered Presswood. Sides of the rack shown are 12 inches square. The sides taper from 3 3/4 inches at the bottom to 6 inches at the top. Note carefully the slots and tenons in the illustration. The center panels, which have tenons at either end, are slipped

into position horizontally and then turned up into the locked position. There is sufficient playability in the Tempered Presswood to permit the side pieces to be snapped into position last. This fit-together magazine rack may be left in its natural dark brown color, painted or stained.

Johnson Reunion Is Held Here On New Year's Day

New Year's Day, 1952, was a very, very enjoyable day for Aunt Willie (Mrs. A. J. V.) Johnson. It was the first time since 1916 that all six of her children had been together, and the first time being 1923 that Sue and Jim had seen each other.

Aunt Willie and Uncle Andrew Johnson's six living children are: Mrs. Sue Scheadick, Jim Johnson, Wylie Johnson, Mrs. Hattie Davis, Edd Johnson, and Mrs. Iola Hudson. One little girl preceded Uncle Andrew to that better world.

A bountiful lunch was served at the old home place to the following: Mrs. A. J. V. Johnson, Munday; Mrs. Sue Scheadick, Wabeno, Wis.; Mr. and Mrs. Jim Johnson, Auburn, Wash.; Mr. and Mrs. Wylie Johnson, Munday; Mrs. Hattie Davis and Faye and M. F. Davis, Jr.; near Ranger; Mr. and Mrs. Edd Johnson, LaRue and Penney, Munday; Mr. and Mrs. W. B. Hudson, June and Auderia, Knox City; Mr. and Mrs. Alton Rogers, Doyle, Eddie and Curtis, Big Spring; Mr. and Mrs. Ellis Johnson, Wayne, Quita and Cynthia, Knox City; Mrs. Alton Hunter and Mrs. Alice Campbell, Munday.

Relatives calling in the afternoon were Mr. and Mrs. J. K. Johnson, Munday; Mr. and Mrs. Doyle Jean Johnson and Dennis, Haskell; Mr. and Mrs. Joe Layne, Joe Edd and Mike, Munday; Mr. and Mrs. Moody Johnson, Patricia, Nell Marybeth and Kelley, Seymour; Mrs. Clyde Nelson, Munday; Mrs. H. D. Matthews, Johnnie, Nancy, Darr and Cheryl, Munday.

Friends who called were Mr. and Mrs. John Burns, Mr. and Mrs. Emory Mullican and Chan Hughes, all of Munday.

Mrs. W. H. White of Coleman, Mr. and Mrs. E. W. White and Mr. and Mrs. Fred Mika and Donny of Seymour visited with Mr. and Mrs. John F. Nixon last Sunday.

Garron Tidwell, student of Hardin-Simmons University in Abilene, spent the week end here with his parents, Mr. and Mrs. Jack Tidwell.

**PLEASURE - PACKED PROGRAM
PLANNED FOR FARM FAMILIES**

No less than six brand-new movies are on the program for the annual John Deere Day show to be held for farmers and their families on Tuesday, January 15th at Harrell's Hardware, according to E. W. Harrell, local John Deere dealer and sponsor of the affair.
The feature picture, "Galahd Jones," features Richard Crane, Marjorie Lord, Elizabeth Patterson, Jonathan Hale, Ed Brophy, and four other Hollywood personalities. The story centers around a farmers' son, recently graduated from law school, who thwarts the efforts of big-time crooks to profit from his political connections. It is a present day problem picture with a moral and plenty of laughs.
Leading the pack of five more applause-winning films is "The Big Pay-off," featuring Tom Gordon who, along with his typical American family, has won so many friends in previous John Deere pictures. The four films that complete the parade entertainment offer something new and different in dealing with subjects close to the hearts of today's farmers.
"Those who attend this year's 'John Deere Day,'" says Mr. Harrell, "have a real treat in store for them, a day so packed with entertainment for the entire family that they will remember it with pleasure for months to come. Don't miss it."

this the 5th day of December, A. D. 1951.

**LIVEWEIGHT
TRACTION**

gives farming a real boost!

When your field work calls for more real pull, liveweight traction will see you through.

The hydraulic TRACTION BOOSTER in the CA and WD Tractors changes deadweight to liveweight. Weight of both tractor and implement is automatically shifted to bear down on drive wheels when soil is stubborn and tillage is tough.

The hydraulic TRACTION BOOSTER reduces wheel slippage — enables the CA and WD to do drawbar jobs that normally would require heavier tractors. Stop in and let us show you how it works.

PATTERSON WRITES OF IMPROVEMENTS MADE IN THIS AREA

I moved into this community 22 years ago on December 26, 1931. When I moved here, there wasn't a paved road leading into Munday. Now we have paved roads from the north, south, east and west leading into Munday.

There have been a great many brick business houses built, and some of the most modern homes you will find anywhere have been built in the town and community. We have gone from chug-hole streets to paved streets.

We have the best gins, equipped with the very latest improvements in machinery that you will find anywhere. It was a conservative estimate that the installing of the lint cleaners in our gins the last few years has raised the value of each bale of cotton from \$5 to \$15 per bale. On a 20,000 bale cotton crop as we have had, that would amount to a nice sum if money.

We farmers have gone from horse-drawn implements to tractor farming, mostly the 4-

row type. We have, through one variety of cotton started several years back, gone from a very poor quality of cotton that was being penalized because of its inferior spinning value to a superior quality cotton that carries a premium.

You will find great improvements in water, as well as soil conservation. We are terracing, contouring and planting legumes to conserve water, soil and enrich our soil. We are just beginning to wake up to the possibilities along this line, and within a few years you will see a great improvement in the conservation of soil and water and in the fertility of the soil.

A variety test of the ten leading varieties was started this year Anderson-Clayton Co., and is being conducted by the farmers themselves under the supervision of Mr. Saunders. This, in my opinion, will in the very near future, add some more value to our cotton in the form of more cotton per acre and better spinning value per bale.

We farmers are not only keeping pace with the times, but our churches and schools, too. I went out to our Christmas tree put on by our Sunday school superintendent, Chanery, on December 19, 1951, and after seeing those 5-year-olds and up play their part to perfection, it made me realize more forceable than ever that we have Christian leadership

On the 20th, I went out to a Christmas play put on by our school. Believe it or not, you could see the same type of leadership manifest in the performance of those school children. Our band has made wonderful improvement this year, so much that even a dummy like myself noticed the difference.

I am proud of our town and community, our churches and schools. I am proud to have a small part in making our town community, churches and school what they are. If you live in our community and will cooperate with the churches and school your child will get the foundation training that goes to make the highest type of citizenship. Each and every child is entitled to the best of training, and the people of Munday and community have made that available in our churches and schools. We have as good as they are, and I am proud of it.

Say "When" for a Ford Tractor Demonstration that can mean a Lot to You

★ Behind the Ford Tractor's great popularity in TEXAS are reasons vital to every TEXAN who farms for profit!

Yes, it could easily mean a lot to find out, first hand, how much more you could get done and how much hard work you could save if you owned a Ford Tractor.

It's something you need to see in order to believe—the way the Ford Tractor does field work—the ease and speed with which Dearborn Implements go on and off (most can be attached or detached in 60 seconds).

the great number of hand-labor jobs that can be handled practically and economically with this tractor.

You can see this for yourself, just by taking a little time out for a Ford Tractor demonstration on your land.

And, remember, you save money when you buy a Ford Tractor as well as when you use it.

**Virginia Arnold,
James H. McCrary
Marry In Austin**

Miss Virginia Anne Arnold, daughter of Mrs. H. D. Arnold of Goree, and James Harvey McCrary, son of the Rev. and Mrs. George B. McCrary of Austin, were united in marriage on Saturday, December 22, at Harris Memorial Chapel in Austin.

The Rev. McCrary, father of the bridegroom, officiated for the double ring ceremony.

The bride wore a navy blue suit with white accessories. She carried a small white Bible and a bouquet of baby orchids. She was given in marriage by her brother, Harvey D. Arnold, Jr.

Her roommate, Miss Venice Mulcahy, was maid of honor, and C. S. Lynn acted as Mr. Mc-

Crary as best man. Miss Janice Roy, soloist, was accompanied at the organ by Mrs. Euel Box, sister of the groom. Ushers were Roy McCrary and Lov Hemphill.

Mrs. McCrary is a graduate of Goree High School, where her father, the late H. D. Arnold, Sr., was superintendent for many years. Mr. McCrary served in the Air Force after his graduation from high school.

After a short wedding trip to San Antonio and other points, Mr. and Mrs. McCrary returned to Austin to establish their home. They will continue their studies in the University of Texas where both are enrolled.

Miss Charlotte Williams returned to T. S. C. W. in Denton last Sunday after visiting with her parents, Mr. and Mrs. P. V. Williams, over the holidays.

"The Good Samaritan" Comes to Television

A dramatic portrayal of the story of "The Good Samaritan" will be given to television viewers on Sunday, January 20, as the second telecast of "The Greatest Story Ever Told," radio's most honored program which is now on television once a month. It will be seen from 7:30 to 7:59 p. m. (EST), over the ABC-TV network, taking the spot usually scheduled for the Paul Whiteman show. The telecast, like the radio program, will be a public service presentation which, though sponsored by The Good Year Tire and Rubber Company, carries no commercial or institutional messages of any kind, and actors, writers, musicians, and all others connected with the program will remain anonymous, so as to maintain the dignity and sincerity of the program. The radio "Greatest Story" heard every Sunday from 5:30 to 6:00 p. m. (EST) over the ABC network, will continue as usual in addition to this telecast.

"The Good Samaritan" was the opening program on the radio version of "The Greatest Story Ever Told" six years ago, and has been repeated each year since to emphasize brotherhood. It has received special citation and commendation from the Brotherhood of Christians and Jews for its influence in bettering human relations.

**W. J. Tidwells
Observe 57th
Date Of Wedding**

Mr. and Mrs. W. J. Tidwell observed their 57th wedding anniversary on Sunday, January 6th. Four of their six children and their families, also a few friends visited them during the day and wished them many more happy years together.

Mr. Tidwell was born near Athens, Texas, Henderson County, and at the age of 10 years, he came with his parents to Parker County and settled near Poolville. There he met Rosa Webb, who was born and reared there, and they married in 1895.

Before coming to Knox County, Mr. Tidwell farmed near Poolville. In December, 1907, they moved to their present home near Goree, where Mr. Tidwell operated his farm until his retirement in 1948.

Although Mr. Tidwell is 79 years of age, and she is 73, they live alone on their farm and are able to take care of their household duties. Mrs. Tidwell does crochet work; he enjoys fishing, and they look forward to visits from their children and grandchildren.

The couple's two daughters and four sons are: Mrs. D. Hoyt Davis of Olney; Mrs. Cliff Moorman of Goree, John of Seminole, Dutch of Silverton, Buck and Jack of Munday. There are nine grandchildren.

Mr. and Mrs. Tidwell are members of the Friendship Church, north of Goree.

CARD OF THANKS

We want to thank our many friends from Munday and Goree for their comforting words, the beautiful flowers and everything that was done or said to make our burden lighter in the loss of our father and grandfather, Sammie Norwood. We shall always remember you, and may God's richest blessings be with you all.

**Munday Study Club
Elects Officers
For Club Year**

The Munday Study Club met Friday, January 3, at the club house. Mrs. J. Weldon Smith, president, presided. Then Mrs. M. H. Reeves gave a very interesting speech on "Common Ailments of Women's Clubs." A business meeting was then held and the following officers were elected for the year 1952 and 1953:

President: Mrs. J. Weldon Smith; First Vice-President: Mrs. Tom Bullington; Second Vice-President: Mrs. H. R. Hicks; Recording Secretary: Mrs. C. C. Harpham; Corresponding Secretary: Mrs. Fred Broach Jr.; Treasurer: Mrs. C. P. Baker; Assistant Treasurer: Mrs. A. A. Smith, Jr.; Executive member: Mrs. Russell Penick.

See You in Church Sunday

**Jackson Brewer,
Miss Colleen Wilson
Marry In Pampa**

In a ceremony read in the home of Mr. and Mrs. Boyd Moore of Pampa on December 27, Miss Colleen Wilson became the bride of Jackson A. Brewer son of Mr. and Mrs. Earl Brewer of Munday. Miss Wilson is the daughter of Mr. and Mrs. Harold Wilson of Pampa.

J. P. Crenshaw read the ceremony before an altar of tapered candelabra flanked by baskets of orchid and white gladioli. Attending the couple were Jack Moore of Austin and Miss Janice Devore, Pampa. The bridegroom's sister, Annett, lighted the candles.

The bride chose for her wedding a mauve suit with navy accessories. She carried a white Bible topped with an orchid, and carried out traditions of something old, new, borrowed and blue and a penny in her shoe.

The bride's mother wore a gray suit with black accessories and both wore pink corsages.

At the reception that followed, Mrs. Moore served coffee and Mrs. Everett Kuehler served cake which was decorated in orchid and white, the bride's chosen colors. The table was laid with a lace cloth.

Mrs. Brewer graduated from Pampa High School and has

Personal cooking habits are good guides to what type automatic gas range you intend to buy. For example, if you bake a lot, then a gas range with two ovens is a logical choice. However, if your preference is for broiled foods then by all means choose a range with a waist-high broiler and a second broiler section underneath the one oven.

When French Toast is broiled it doesn't get soggy. Use your favorite recipe, arrange slices on broiler pan 2" from low flame, broil golden brown on one side, flip over to broil on the other side.

Full length mirrors cover the front of some gas heaters to add extra usefulness, and light to a room. They are available in either single or dual room units.

For Nut Brown Rice: Butter, monosodium glutamate and finely chopped peanuts or peanut butter forked into hot cooked rice. Delicious addition under creamed meat or vegetables.

A rubber scraper is an excellent stirrer because it's soft enough not to break up fruits and vegetables.

County Agent W. C. Palmeyer announced last week that he has a limited number of "Farmers Income Tax Guide" pamphlets on hand, and these are available to farmers of the county.

He will not be able to obtain any more of these useful guides, and they will be issued on a "first come, first served" basis.

Top corn in the corn hybrid production contest for 1951 in Texas was made by Harold Watkins, a Red River County 4-H club boy. His per acre yield was 165.4 bushels. This compares with the state average of 19.5 bushels per acre.

Mr. and Mrs. Clyde Yost and Mrs. C. T. Cluck spent last week end in Dallas and Fort Worth. Mr. and Mrs. Yost attended the T. C. U. and S. M. U. basket ball game.

Helps Dimes Drive

Miss Texas — Glenda Jane Holcomb of Odessa—a Miss America contestant in the annual Atlantic City Pageant, makes one of the first contributions to the 1952 March of Dimes. The March of Dimes period has been doubled to include all January because of the record polio toll of the last four years.

Mrs. John Brown and daughter, Nellie, of Odessa, spent the week end here with Mrs. Brown's parents, Mr. and Mrs. G. H. Beatty, and with other relatives.

College Students Get Deferments

AUSTIN—A total of 7,817 college and university students in Texas have been deferred by the state draft boards during the fall semester, Brig. Gen. Paul L. Wakefield, state selective service director revealed today in a letter to college and university president. The state draft director in his communication to the educational administrators, said the "college student deferment program is now functioning smoothly on the whole." He expressed appreciation for the cooperation of college and universities.

"The continued success of the program will depend very materially on the care with which the colleges and universities police it," General Wakefield wrote the college and university presidents.

"If a deferred student should leave school for any reason, or fail to pursue his courses satisfactorily, it is the obligation of the college to report that fact at once to the local board.

"No student must be allowed to drop out of school without the local board's knowledge and return to his community while

continuing to enjoy a deferred status. This would seriously embarrass the local board.

"It would create ill will in the community toward the whole student program and might conceivably cause the local board to refuse to grant any further student deferments.

"The boards have cooperated very effectively in the plan so far, but they cannot be expected to keep on doing so if the deferment privilege is in any way abused.

"I am sure we can count on your continued help in controlling the program and making it the success it deserves to be," General Wakefield's letter concluded.

CARD OF THANKS

The flowers sent to the funeral of our loved one, Tom Martin, the cards and words of sympathy, food, and condolence extended are gratefully acknowledged and very, very deeply appreciated.

Friends like you have been a great comfort in our bereavement, and our prayer is that God will bless you with such loyal friends when sorrow comes your way.

Mrs. Tom Martin and children.
Mr. and Mrs. Bresse Reasnar and Mack and Joy of Slaton visited in the home of Mr. and Mrs. E. F. Yeager and family last Tuesday.

Mr. and Mrs. James Gaither and Mrs. Kirby Fitzgerald were among those who attended the funeral of Mrs. Sied Waheed in Lubbock last Tuesday.

Rev. Q. H. Beaver is spending two months with his sister in Dallas.

From where I sit . . . by Joe Marsh

It's Slim's For An "Honest" Meal

Most people thought Slim Benson would probably go broke when he first started his system of letting customers figure out their own checks over at his big diner on the highway.

Slim trusts them to pay for as much as they eat—you simply tell Sally, his cashier, the amount of your bill. It works, too. Take the other day when Buck Harris told Sally his bill was 35¢.

Now I was right there with Buck and I knew all he had was coffee and pie which comes to a quarter. "How come thirty-five

cents?" I asked Buck. "Had an extra cup of java the other day, Joe, and forgot all about it—'til now," he says.

From where I sit, most people are basically honest—and that goes for their opinions, too, even though they may be different than our own. I like a glass of beer with my dinner; you may prefer something else . . . but we all ought to be allowed to "figure it out" ourselves.

Obituary Of G. D. Jones, Goree

George Dibrel Jones was born in Lamar County, Texas, on July 29, 1892, the son of Mr. and Mrs. George M. Jones, being the youngest of nine children.

At the time of his passing, December 17, 1951, he was 59 years, 4 months and 18 days of age. The family moved to Goree in 1907.

He was married to Miss Jessie Gulick, daughter of the late W. M. Gulick, Goree pioneer, on December 22, 1912. To this union six children were born, all of whom survive: M. Everett Jones, Mrs. Leola Smith and David B. Jones, all of Fort Worth; Mrs. Christine Ray of Post, George D. Jones, Jr., of Seymour, Harold T. Jones of Goree. Other survivors besides the companion are three brothers: Hamp Jones and D. B. Jones, of Goree; and Will Jones of Crowell; two sisters, Mrs. H. E. David of Crowell and Mrs. Malcolm Caltharp of Lubbock; eleven grandchildren also surviving.

A grandson, Rodney Allen Jones, preceded his grandfather in death September 11, 1951.

Mr. Jones joined the Friendship Baptist Church in 1910, being an active christian, and having taught a young people's Sunday school class. He was a true follower of Christ through all of his afflictions, and had a part in leading his children to Jesus as their personal Savior.

Mr. Jones enjoyed farm life.

Mrs. Hattie Davis and Faye and M. F., Jr., returned to their home in Ranger on Wednesday of last week after visiting their mother and grandmother, Mrs. A. J. V. Johnson, and other relatives here for several days.

Mr. and Mrs. George Hammack and children of Anson visited relatives and friends here over the week end.

Troyce Raynes, student at Hardin-Simmons University in Abilene, spent the week end here with friends and relatives.

Gene Starkey of Seymour was a business visitor here Monday of this week.

and had the unique experience of living all his married life on the same farm. He was vitally interested in community activities and readily answered leadership responsibilities. His sincerity and willingness to aid others won for him a large number of friends who will greatly miss him.

Funeral services were held at 2 p. m. December 19 at Goree Baptist Church, with Rev. J. B. Rice of Amarillo and Rev. S. E. Stevenson of Goree conducting the service, and he was laid to rest in Goree Cemetery.

CHRYSLER BEST U. S. CAR IN MEXICAN RACE

Bill Sterling (right), of El Paso, Texas, and co-pilot Bob Sandidge are shown with the Chrysler Saratoga which they drove to victory over all other American cars in the 1,933-mile Pan American Race. Sterling drove his unmodified Chrysler, powered by the 180-horsepower FirePower V-8 engine, the length of Mexico in an elapsed time of 22 hours and 6 minutes

in what is conceded to be the longest and roughest road race in the world. So tough was the grind that of 91 cars starting only 35 completed the race. Tony Bettenhausen, driving a Chrysler V-8, lost time in the early stretches, but set a new world's record for stock cars, averaging better than 114 miles per hour in the final 230-mile stretch.

Cpl. Glenn Matson, Miss Thelma Booe Marry December 21

Mr. and Mrs. Dan Booe announce the marriage of their daughter, Thelma, to Cpl. Glenn Matson, son of the late Mr. and Mrs. Richard Matson, whose home was in Harlingen.

Miss Booe and Cpl. Matson were united in marriage by Rev. R. L. Butler, December 31, in the Methodist parsonage. The bride wore a white bridal dress with all white accessories. Mr. M. M. Booe, brother of the bride, acted as best man. Mrs. M. M. Booe was matron of honor and Miss Sue Clark was bridesmaid.

The Matsons left shortly after the double ring ceremony for a week end wedding trip.

They plan to make their home

in Wichita Falls where Cpl. Matson is stationed. He is a senior instructor of the B-29 school at Sheppard Air Force Base.

Mrs. Maston, graduated from Mineral Wells High School in 1951, is now employed as cashier at Atkelson's Food Store.

Mr. and Mrs. C. N. Smith were in Wichita Falls over the week end visiting with their daughter, Mrs. Ernest Spotski, who is in the General Hospital there, after undergoing a major operation on Monday.

Mrs. H. D. Warren and Mrs. J. C. Warren were business visitors in Wichita Falls on Monday of this week.

Mr. and Mrs. George Spann of Dallas visited relatives and friends here a few days last week.

Did you know more people drink tea than any other beverage except water? As a confirmed tea drinker and as a confirmed tea collector, I was delighted to learn that so many others share my preference—from two-twisted lumberjacks and explorers to the world's great philosophers!

Both my husband and I enjoy tea for breakfast, lunch and dinner, not to mention the snacks in between. It's so refreshing, and the most economical drink in the world today, too—actually just a little over a penny a cup. Because the preparation of tea is so important to good flavor, I'd like to tell how I make it:

Rinse cup or pot with boiling water. Add tea or tea bag. Pour boiling, bubbling water over tea. Let steep for 3 to 5 minutes according to strength desired. That's all there is to it. It's the easiest drink of all to make!

Of course, I always use just one brand of tea—Tetley Tea, which is an expert blend that always assures quality and flavor. The tea bags have a special filter paper, permitting water to pass through pores and contact the tea immediately.

My husband chuckles about my tea "converts." Visitors are always fascinated by my teapot collection (47 so far). Naturally, serving tea always follows. More and more of our friends are finding, as we have, that tea relaxes one physically and mentally and is the perfect refreshment for any time of day. I know you'll enjoy it, too!

Knox Prairie Philosopher Is Off Again On His Own Pet Topic Of The International Banking System

Editor's note: The Knox Prairie Philosopher on his Johnson farm on Miller Creek discusses banking again this week on a subject as foreign to him as hard work.

Dear editor:
For a long time now I've been admiring the international system of banking and have repeatedly wondered why we can't have some like it here in this county.

This mornin I picked up a copy of a newspaper which my dog brought in from my neighbors' house. I been trainin my dog for four yearss to retrieve papers and while he's brought in every thing from tin cans to low points, this was the first time he turned up with a newspaper, and I took it out to the shady side of the barn and read the latest thing on the international bankin system.

Accordin to this article Russia was the United States two and half billion dollars and was since the last war we was allies.

Four years ago the U. S. started negotiations, suggestin that Russia pay up. Well, the thing now has dragged along them four years and we aint' no nearer a settlement now than we was when we started. Wantin to do the right thing, we cut the price from two and one-half billion to one a third billion, no use being hard-hearted. Russia didn't budge. So then we went into a diplomatic huddle and cut it to 800 million. But Russia just sits tight sayin 240 million is all she'll pay, sayin the stuff she bought with that money is now depreciated almost down to nothin anyway, and the two countries is still arguin about it.

Now what I want to known is why some bank around here don't rise up to the international level? Say I borrow \$100, on account of me and the bank is allies in the fight against weeds

THE AMERICAN WAY

Jack Spratt could eat no fat, His wife could eat no lean, And so, bewixt them both, you see They licked the platter clean!

Jeffries had lost to Jack Johnson in Reno.

While driving across West Texas, I stopped at the Midland Chamber of Commerce office and someone said, "Will Rogers was killed in a plane crash."

No doubt you remember graphically where you were and what you were doing when someone told you of these and other happenings of a similar impact.

Mr. and Mrs. Jim Johnson left Thursday morning of last week on return to their home in Auburn, Wash., after an enjoyable visit with Jim's mother, Mrs. A. J. V. Johnson, and other relatives and friends.

Mrs. Juanita Rippetoe and son, Mike, returned home last week from an extended visit with relatives in Fort Worth.

Pfc. Bobby J. Fitzgerald visited with friends and relatives here during the holidays. He has returned to Camp Gordon, Ga., where he is serving as an assistant instructor.

and I need the money desperately to hire hands. Then this fall when the note comes due, the bank would start international negotiations with me, and after four years of this would cut the loan down to \$50, then down to \$30, and make a final offer of \$15, while all the time I was holdin out for payin only \$2.50, jointin out the weeds the original \$100 was used to get rid of has long since come back and is now ranker than ever and no right-thinkin man would expect me to pay up in full. Come out and look at the weeds, if you don't believe it.

I tell you, the international system would be the salvation a lot of people. It may be hard on the lender, but it sure is fine for the borrower.

Yours faithfully,
J. A.

Mrs. Sue Scheadick of Wabeno, Wis., is spending a month with her mother, Mrs. A. J. V. Johnson, and with other relatives and friends here.

Memory sometimes preserves vividly small details of some far-away day because it was when we learned of some outstanding, perhaps tragic event, event of national interest and importance.

Where were you when you heard that President Harding had died?

Handsomely genial and personally popular, Harding had become ill while on a tour of the nation but the news was that he was recovering--therefore the tidings of his death came as a tremendous shock to the public. I remember almost as though it were only a few weeks ago. I had been in Memphis, Tenn., visiting my mother and was at the railroad station about to walk through the gate to board a train back to Texas--(I was editor at Eastland). I saw a friend with whom I had attended Memphis Central High--Clifford Davis, now a member of Congress. He had just heard the news and he asked, "Did you know that President Harding had died?"

And I was on a train going through Arkansas when we stopped at a town--I think it was Newport--and a newsboy was shouting, "Floyd Collins' body found."

When I heard of the sinking of the Titanic, I was just starting in on a protracted case of typhoid fever which came close to being fatal.

I had just come out of a picture show in St. Paul--(the film one of the "Thin Man" series, starred William Powell and Myrna Loy)--and when I learned of Pearl Harbor.

And I was a schoolboy visiting on my grandmother's farm when I walked down to the mail box and took out the two-day-old newspaper which told that Jim
