MUNDAY, KNOX COUNTY, TEXAS, THURSDAY, JANUARY 24, 1952

NO. 26

Kracker Krumb's

Odd Bits Salvaged
at Random

Governor Shivers has issued a proclamation to the effect that "Psoroptes Communis Ovis" is a very serious, contagious infectious disease of sheep.

A man was in to see us Tuesday, leaving us the proclamation and he was very much concerned about the above disease.

But before we go any further, we'll explain that to the sheepmen this disease is nothing but just plan old scabies.

The Livestock Sanitary Commission is taking control measures to protect the sheep industry from the ravages of this disease.

Just how it will affect this area, we don't know, since very few sheep are moved through livestock barns, etc. But here's what the commission says:

"All community sales rings, public auction sales and public stockyards in the State of Texas that are classed as infected with, or exposed to, sheep scabies are hereby quarantined.

"No sheep shall be moved interstate therefrom (except for immediate slaughter purposes) without first having been dipped once in a wettable Benzene Hexachloride solution containing a gamma isomer concentration of not less than 0.06 per cent, under the supervision of a representative of this Commission or of the United States Bureau of Animal Husbandry and accompanied by written permit or certificate, issued by such representative.

"At the time of dipping, all sheep shall be counted and paint branded for the purpose of identification and shall be held separate and apart, in non-infected pens, from sheep that have not been dipped."

The above and other regulations mentioned in the proclamation possibly have the operators of sales barns and stockyards in the sheep country scratching their heads.

But local people are worried over another matter. They are still cussing and discussing the weather.

All listen hopefully to weather reports coming over the radio, wondering why the snowstorm and floods have to be so terrible in California, the sunshine state, while we here in Texas are in an acceptable mood for moisture.

In just ordinary conversation, we have become accustomed to hearing the phrase: "If it don't rain . . ."

"If it don't rain," a friend told us today, "you'll probably be getting out just a 1-sheet newspaper—and it not even folded."

Another offered the prediction that if it don't rain, some business places would go out of business. Others probably would wish they had.

But it's going to rain!

Another friend told us Monday. He said it was just working around to it, and would be letting us have the moisture pretty soon.

So polish up your welcome mat, and be ready for it when it comes.

In fact, it did rain Sunday night. There was moisture on the pavement Monday morning. We heard something hitting our roof that night. Sounded pretty much like sleet.

Another Munday citizen said he rushed outside the house to investigate the rain. Right at that moment it stopped raining, and not another drop fell.

Snow storms and sub-zero weather to the northeast; floods in California; a January heat wave in Texas. When everything gets on an even keel, maybe we will get some rain.

When it does we're going to measure that rain gauge Posey Williams gave us last summer (Continued from Page One)

Homer T. Melton Asks Re-election As Sheriff

Sheriff Homer T. Melton of Benjamin last Monday authorized the Munday Times to announce his candidacy for re-election to the office of Sheriff, subject to the action of Knox County's voters in the Democratic primaries.

Sheriff Melton stated that in seeking another term in this office he believes the voters realize that his experience as county sheriff in the past makes him even better qualified to serve in the future. He made the following statement:

"If returned to this office for another term, I promise the people of Knox County another term of faithful service. I shall continue to try to enforce the law without fear or favor, and will always be ready to cooperate with local, other county and state officers in keeping lawlessness in our county at a minimum.

"My service during the past speaks for itself, and if you think this type of service deserves another term as your sheriff, I shall certainly appreciate your vote and influence.

"I believe the duties of this office are more important to you than making an extensive campaign; therefore, I shall continue to look after the duties of my office and by doing so I shall be unable to campaign among you very much in a personal way. Please accept my announcement as a personal solicitation of your vote and influence in the coming primaries."

W. C. Glenn To Seek Election As Tax Official

W. C. Glenn, well known Knox County resident, has authorized the Munday Times to announce his candidacy for the office of Tax Assessor-Collector of Knox County, subject to the action of the voters in the July primaries.

Mr. Glenn is by no means a stranger to the voters of this county, having served the county as tax assessor a number of years ago and later as one of the county commissioners. He made the following statement:

"Most of the people in the county know me, and they know that I will try to give them very efficient service if they elect me as tax assessor and collector. I want to pledge you just this type of service, should you see fit to elect me.

"I believe that my experience in the office of tax assessor will enable me to serve the county with efficiency. I shall be on the job, looking after the best interests of you and your county, will cooperate with other county officials, and will try to make you a good officer.

"I shall greatly appreciate your vote and influence in the coming primary elections."

See You in Church Sunday

Boxing Bouts Slated Here For Monday Night

A full card of boxing bouts is slated to be unreeled at the Munday school gymnasium next Monday night, beginning at 7:30 o'clock. Bouts will feature boxers from Munday, Rochester and Haskell pitted against fighters from the Abilene Boxing Club and South Taylor High School.

Around 15 bouts are scheduled on the night's program, and two of the main features will be Jim White, welterweight of Haskell, and Simon Chavez, Munday lightweight, who made a good showing in Abilene last Friday night. These two boys may find their matches in the boys from down Abilene way.

The bouts are sponsored by the athletic committee of the C. D. A. A new boxing ring is being completed this week, and the excellent program outlined for Monday night is expected to draw a record crowd.

TOPS IN KNOX—Bobby Miller of Knox City (right) accepts congratulations from fellow Four-H Clubber Dale Jackson after the former was named Gold Star winner for 1951. Dale, a Vera clubber, was awarded the Leadership Award, a rival for the Gold Star as top Four-H award for a year's achievement. Bobby Miller, back left, was awarded Meat Animal medal; Vernon Winchester, center, the Field Crops medal, and Gary Cure, right rear, the Achievement medal.

Bobby Miller Shows Grand Champion Calf At 4-H Club Show Saturday

M. A. Bumpas, Jr. Announces For Re-election

M. A. (Buddy) Bumpas, Jr., last Monday authorized the Munday Times to announce his candidacy for re-election to the office of Tax Assessor and Collector of Knox County, subject to the action of the voters in the Democratic primaries. His statement to the voters follows:

"I am deeply grateful for the privilege of serving as your Tax Assessor-Collector, and my first desire is to express to you my appreciation for the confidence and support given me and for the many pleasant associations with the citizenship of Knox County. Whatever measure of success I may have had I owe much of it to the fine cooperation of the people of this county.

"With the capable assistance of my deputies, I have endeavored to render efficient and courteous service. I have made mistakes, and I will probably make others; but I believe that the experience I have gained has better qualified me for the office. The office belongs to you, and it is only at your hands that I can expect to continue my service.

"If you feel that I am worthy and the record I have made merits my continuance in office, I will greatly appreciate your vote and influence in the coming primaries."

Last Rites For E. Cunningham Held Tuesday

Elijah Cunningham, well known resident of this area for 25 years, passed away at the family home in Munday last Monday afternoon. Although his health had been failing for some time, he had been really ill for only three days.

Born in Monroe County, Tennessee, on December 8, 1864, Mr. Cunningham was 87 years, one month and 13 days of age at the time of his death. During his active years, he was engaged in farming, but retired several years ago. He was a member of the Baptist Church, and had been living in Munday since 1927.

On August 18, 1895, he was married to Miss Addie Arlena Shell, who survives him. Other survivors include a son, E. H. Cunningham of Tishomingo, Okla.; two daughters, Mrs. I. N. Douglas of Munday and Mrs. F. P. Voss of Abilene; two brothers, C. C. Cunningham of Goree and Randy Cunningham of Athens, Tenn.; two sisters, Callie and Mary Cunningham, both of Madisonville, Tenn.; five grandchildren and five great grandchildren.

Funeral services were held from the First Baptist Church in Munday at two o'clock last Tuesday afternoon. Rev. Huron A. Poinac, pastor, officiated, with Minister J. B. Barnett of the Church of Christ assisting. Burial was in the Goree Cemetery under the direction of the Mahan Funeral Home.

Pallbearers were Wallace Reid, M. H. Reeves, Raymond Suggs, Joe Patterson, Harvey Medwood, and Lee Haymes.

RETURN FROM CORPUS

Mr. and Mrs. J. T. Murdock have returned from a visit with their son, Mackey D. Murdock, at the U. S. Naval Hospital at Corpus Christi, and with Mr. Murdock's sister and family, Mr. and Mrs. J. D. Harpole of Laredo, Mackey, a naval reservist, received a broken leg the day he was reporting for active duty early in September, and has been in the hospital since. He is improving steadily, but time for departure for active duty is still indefinite.

Mrs. Lucille Stodghill left Wednesday of this week for Ralls, Texas, when she received word that her brother, J. T. Shaw, had passed away. Funeral arrangements were incomplete Wednesday morning.

Bobby Miller, 13-year-old 4-H Club member of Gilliland, son of Mr. and Mrs. O. R. Miller, exhibited the grand champion steer at the annual Knox County 4-H Calf show here last Saturday. This is the second year in a row that young Miller has shown the grand champion. This year's winner was a 990-pound Hereford bred by the League Ranch of Benjamin.

The reserve champion was a 835-pound Hereford exhibited by Gary Cure, 4-H Club member, and son of Mr. and Mrs. Omar Cure. The calf was bred by the John Jones Ranch of Jayton.

Places in the senior division, 849 pounds and below: Gary Cure, first and second with a John Jones calf and a League Ranch calf; Donnie Ryder, Benjamin 4-H Club, third, with a calf bred by Beacers Ranch of Benjamin.

Prizes were: First, \$15; second, \$10; third, \$5 in the two divisions, with a \$10 prize for grand champion and \$5 for reserve champion.

The show was sponsored jointly by the Munday Community Development Association and the Knox City Lions Club.

Judge of the show was O. K. Hoyle, former county agent of Baylor County, and now field director of the Texas Farm Bureau. The show was under the direction of W. C. Pallymer, Knox County agent, and its conclusion the second place animals in both senior and junior classes were bought by the C. D. A. and Knox City Lions Club at 45 cents per pound.

Grand champion and reserve champion animals will be exhibited at the Wichita Falls show on February 27-29. There Hereford calf exhibited by Donnie Ryder will also be shown at Wichita Falls, and the one exhibited by Tommy Watson of the Knox City F. F. A. chapter will be entered in the scramble show of the Houston Fat Stock Show.

A greater part of the Knox County junior livestock show will be in Munday on Saturday, April 26, when all county 4-H and F. F. A. members will show their dry lot calves, dairy animals, swine, sheep and chickens in one large combined show.

Trainham Out For Commissioner Of Prec. Two

Walter Trainham, a resident of Knox County's Precinct Two for the past forty-five years and a county employee in the precinct for eleven years, this week announced that he will be a candidate for County Commissioner in that precinct, subject to action of the Democratic primaries.

Mr. Trainham was employed by the State Highway Department before accepting his present job with the county.

"With all my experience working roads and operating road machinery I feel like I am qualified for the office of commissioner," Trainham said in announcing his candidacy.

"This is my first time to seek public office, and I was solicited by several friends over the precinct before deciding to be a candidate. I am personally acquainted with practically every voter in the precinct, and I will appreciate everyone giving my candidacy and my qualifications, their consideration. I will try to see each of you before time for the first primary, but in the meantime please consider this announcement a solicitation of your support.

"If elected, I pledge myself to conduct the affairs of the office in an honest, efficient and economical manner, letting the best interests of the county guide my actions."

Mr. and Mrs. Joe Edd Sweatt are announcing the arrival of a daughter, Laticia Ann, who was born at the Knox County Hospital Monday, January 14, at 3:15 a. m. She weighed six pounds and six ounces. Both mother and daughter are doing nicely.

Nix Announces For Re-election As Commissioner

George Nix, who is serving Knox County as Commissioner of Precinct Four, has authorized the Munday Times to announce his candidacy for re-election to this office, subject to the action of the voters in the Democratic primaries.

"I believe that my past experience in this office gives me an insight to the needs of my precinct and county," Mr. Nix said in making his announcement, "and my chief aim in the future, as it has been in the past, will be to meet these needs with economy and efficiency.

"Investigation of my record will show that I have been willing to cooperate with the Commissioners Court in all moves which mean advancement for the county and better roads to serve the needs of our people. I expect to continue such type of cooperation, not only with the court but with our people, in promoting progress for our county.

"Your vote and influence in the coming elections will be deeply appreciated; and, if re-elected, you will find me willing and ready to serve you faithfully."

Bank Increases Capital Stock

W. E. Braly, president of the First National Bank of Munday, last Tuesday announced another increase in the capital stock of the local bank. This action was taken on January 17 at the annual stockholders' meeting, at which time all the officers and directors in the local bank were re-elected.

Capital stock in the local bank was increased from \$75,004 to \$100,000, and the surplus is now \$90,000, making the Munday bank one of the strongest in this immediate area. This is the third time in the history of the local bank that an increase has been voted in the capital stock. It was organized in 1932 with capital stock of \$25,000, and these three increases have come through the earnings of the bank.

Mr. Braly credited growth of the community and the sound financial condition of the bank as contributing to the growth of the local institution.

Deposits in the bank on January 17 remained well over five million dollars, while the financial statement showed undivided profits of \$21,592.63.

MAC HAYMES ARE PARENTS OF A SON

Lee Haymes received word this week of a new grandson in the family. He is the son of Mr. and Mrs. Mac Haymes of Odessa, who arrived at an Odessa hospital on Tuesday, January 22, weighing eight and one-fourth pounds. Mother and little son are reported doing nicely.

Russell Penick Purchases Local Equipment Co.

Announcement was made Tuesday that Russell Penick has purchased the interest of H. E. Sharp in the Sharp Motor and Equipment Co., and the business is now being operated under the firm name of Russell Penick Equipment.

Having served as co-ordinator for the Knox County Vocational School for Veterans, Mr. Penick is well known to many people of the county. He stated he will continue to carry a representative line of Massey-Harris implements and equipment, a complete stock of parts and will endeavor to give courteous and efficient service.

Mr. Penick invites the patronage of farmers of this area, assuring them of his earnestness to serve their needs.

Mr. Sharp established the business here in January, 1949. He has not announced his plans for the future, although he still owns his home in Munday.

W. D. Hamilton Announces For Prec. 2 Place

W. D. (Bill) Hamilton of Benjamin has authorized the Times to announce his candidacy for the office of Commissioner of Precinct No. 2, Knox County, subject to the action of the Democratic primaries.

Mr. Hamilton has been a resident of Knox County for the past forty years, and has had 21 years experience with road work in Precinct 2. In announcing his candidacy, he stated:

"I believe my experience well qualifies me for the office of commissioner, and I feel that the voters in the precinct—most of whom know me personally, will give my candidacy their fair consideration.

"This is my first time to seek public office, and if elected, my promise is to serve everyone in the precinct, fairly and impartially to the best of my ability."

Mr. Hamilton says he will make an active campaign, and will try to discuss his candidacy with all voters in the precinct before time for the Democratic primary. In the meantime he asks that this announcement be considered as a solicitation of your support.

Dance To Benefit March Of Dimes

Mrs. C. J. Albus, Rhineland chairman of the March of Dimes drive, has announced a dance at Rhineland Community Hall to benefit this fund. The dance will be held on Sunday evening, January 27. Music will be furnished by Miller Brothers Orchestra of Wichita Falls.

Refreshments will be served in the kitchen during the dance. All proceeds will go to benefit the March of Dimes, and the public is invited to attend.

Pete Knight Asks Return To Prec. 1 Post

O. L. (Pete) Knight, who is serving this county as Commissioner of Precinct No. 1, has authorized the Times to announce his candidacy for re-election, subject to the action of the Democratic primaries.

Mr. Knight has made a good record during the time he has served as commissioner, and he believes investigation of this record will assure people of his precinct that he is qualified for this office in every respect.

"I have tried to cooperate with my people, with the Commissioners Court, and with other county officials in all moves which I believed to be for the betterment of our county," Mr. Knight said. "I returned to the office, I assure you my purposes and aims shall be toward this end. I will not be afraid to oppose those moves which I am convinced are not to the best interests of the county, and to favor those that promote progress."

"I take this means of soliciting your vote and influence in the coming elections; and, if re-elected, you will find me trying to serve you another term to the very best of my ability."

Cage Show To Be Staged Here On Thursday Night

An unusual basketball show, battle between the Sheppard Air Force "Jets" of Wichita Falls and the Hardin-Simmons "B" team of Abilene, is on tap here tonight (Thursday) for sports lovers.

These two teams are all even in previous engagements, each having won one game from the other, and the game here will show plenty of action.

The nights' opener at 7 p. m. will feature the Knox City and Munday high school teams. The main feature will begin at 8 o'clock. Both teams are scheduled at the high school gym.

Drive carefully—the life you save may be your own!

 of Congress, March 2, 1879.

GRASS ROOTS OPINION

BABYLON, N. Y., EAGLE: "It may be that the administration looks upon the war in Korea with its 100,000 casualties, and 8,000 Americans murdered, as a triumph in foreign policy, but it will be hard to convince the American people that this is true."

LEWISTON, PA., SENTINEL: "The American public is vitally concerned over the low ethical standard indicated by the scandals in the RFC, the Bureau of Internal Revenue and the Department of Justice. We do not feel that it takes an ethics professor or a student of the Bible to know that acceptance by an official of gifts for special favors is wrong, that using a government position to further his own private financial interest or his business interest or his friends' or campaign contributors' interest is wrong."

OCONTO FALLS, WISC., HERALD: "A talk given over the radio recently contained the statement that graft and greed are not to be found in only political party only. This is true, but when one party is in power for a longer than usual period, naturally, they also accumulate more of this type of person."

CLARISSA, MINN., INDEPENDENT: "No matter what the age of a man, woman or child the drama of Christmas thrills the being; the words "Merry Christmas" always carry hope for the days to come, and because of this godliness of communism can never win."

MORRISON, ILL., NEWS: "Horrible to contemplate, isn't it, that America is running, not walking, toward a totalitarian dictatorship? So what are we who cherish our freedom going to do about it? For one thing, we can lend encouragement to those Congressmen who valiantly are fighting this centralization of power in the hands of the bureaucrats in Washington."

HISTORIC DOCUMENT

One of the most prized documents of American statecraft, Abraham Lincoln's first draft of the Emancipation Proclamation, has been presented to the New York Avenue Presbyterian Church of Washington, D.C.

Gift of Barney Eshelman, president of Paramount Pictures Corporation, the church was chosen as the most suitable recipient of these historical papers since it was the place of worship of the Civil War president, and would offer the public the opportunity of viewing the famous work which reflected Mr. Lincoln's deep concern for human freedom. The document will be housed in the church's Lincoln chapel.

After long preparation, this original draft of the Emancipation Proclamation was read by Mr. Lincoln to his cabinet of July 14, 1862, when it was decided to hold the measure until it could be supported by military successes. Autumn brought the victory of Antietam and subsequent issuance of a preliminary "warning" proclamation on September 22, followed on January 1, 1863, by the issuance of a revised and final pro-

lamation of Emancipation in which all slaves were declared "forever free."

The original proclamation in Mr. Lincoln's characteristic handwriting was a key exhibit of the Freedom Train. Privately owned until now, the document becomes for the first time continuously accessible to the public.

TIME WE LEARNED

James A. Shelton, president of the Security-First National Bank of Los Angeles, recently said, "The most wholesome thing for the welfare of our country would be for the citizens of modest means to learn through taxation what the costs of their government really are."

A great many people still cling to the delusion that we can pay for anything and everything by the simple expedient of soaking the rich. The fact that the rich have been soaked to the point of diminishing return already with terrific income, inheritance, gift, and other taxes. Something like about two-thirds of all the money left after taxation now goes to people in the under-\$5,000 income bracket. It is obvious that they are going to pay most of all future tax increases—for the reason that nobody else can.

Then new income tax law, which went into effect November 1, will add 11 per cent to the income taxes of everyone. In other words, the pay envelope has shrunk once again. At the same time, the new tax bill also has substantially increased the price of a long list of items, ranging from automobiles to cigarettes, by raising the excise taxes.

Certainly, Mr. Shelton's hope that the American people learn through taxation what government really costs should be realized today. The "little man" is taking the beating.

FARMERS LOOK AT THE CANDIDATES

Only 21 per cent of the farmers and farm women said they would vote for President Truman if he were running for re-election today, according to a spot check made by Country Gentleman magazine. The national farm magazine reports that 71.4 per cent said they would not vote for Truman and 7.3 per cent were undecided.

The magazine's check was made by field correspondents in 23 states. The question asked was, "Would you vote for President Truman if he were up for re-election today?"

In the 1948 presidential election the farm vote was generally regarded as playing a decisive role in President Truman's victory.

"General Eisenhower was most frequently mentioned as the man farmers would like to see on the Republican ticket, followed closely by Taft, both being suggested several times as often as MacArthur, Dewey, Warren and Stassen," the magazine says.

None of those questioned, it added, expressed doubt that Truman would run in 1952, and there was a widespread feeling that he would be hard to beat.

New Type Bulletin Board
EDUCATORS say that a bulletin board in a child's room is a tool for learning. For that matter, a bulletin board is a great convenience in the kitchen, the office and the entry hall. There are numerous places on the farm for using one effectively, such as in the hen house and dairy barn to tally egg and milk production. The newest form of bulletin board is a piece of Masonite Presswood, simply cut to the desired size. This is different

from most bulletin boards because you don't use thumbtacks to attach clippings, pictures and the like. You use scotch tape. Keep a roll of scotch tape handy. The tabs used to attach items to the Presswood can be used time and again. Your new-type bulletin board can be suspended like a picture, with the wire attached through holes drilled in the top corners, or it can be attached directly to the wall with screws directed into the studs. Another convenient location is the back of a door.

Mr. James Gaither is in Fort Worth this week visiting her father, W. J. Gillespie, who is undergoing an operation.

Mr. and Mrs. Tom Price were visiting in Haskell on Monday of this week.

Mrs. Mary Ellis of Paris, Texas, was a business visitor here last week.

Stop Taking Harsh Drugs for Constipation
 End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and riping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

BOYCE HOUSE Gives You Texas
 Memories from the days when "I took Hollywood by storm", the winter of 1939-40, as technical advisor and writing consultant on "Boom Town". There were odd signs like "Whoopie Drug Store" and "Wing Sing Laundry." Pronunciation was queer. The way Los Angeles people said, "Look at it" sounded like "Look ut ut" and "Look at him" was "Look ut um". There was one shop which sold nothing but fishing supplies and it received daily reports as to where the fish were biting. And if you didn't catch anything, they had the fish you could buy. And there were all kinds of studios—acting studios, singing studios, dance studios, piano studios, and slenderizing studios. An incident which gives an insight into the character of Teddy Roosevelt: When he was running for Vice President on the ticket with William McKinley, the hero of San Juan Hill was to speak at Denver. Now, free silver was an

important issue in that mining city; William Jennings Bryan, the Democratic nominee for President was for it; the Republican candidates were against it. Party leaders in Denver advised Roosevelt to "soft-pedal" the matter or, better yet, keep still on it. There was a big crowd and when Roosevelt had been introduced, T. R.'s first words were: "Ladies and gentlemen, I am opposed to the free and unlimited coinage of silver at the ratio of 16 to 1." He paused. There was a moment of silence—and then came a roar of cheering in tribute to man who had the courage of his convictions.

Some every-day expressions go back a long time. "Count one's chickens before they're hatched" appeared in print in 1579; "dead as a doornail", 1593; "feather one's nest", 1590; "to have one's fling"; "elbow grease", 1785, and "a bone to pick", 1565.

Miss Lou Campsey, student at Hardin-Simmons University in Abilene, spent the week end with her parents, Mr. and Mrs. Brooks Campsey.

Be careful. Obey state and local traffic rules.

Large Gift Is Made to Graphic Arts Program

Midwestern University officials announced today that a \$10,000 gift of two Intertypes by the Times Publishing Company of Wichita Falls brings into actual reality long-time plans for more emphasis in the field of Graphic Arts. With this additional equipment it is now possible to open classes not only to the tradesman who devotes his full time pursuing craftsmanship in this field, but, also, to the academic student who desires to qualify as a teacher in this field in addition to mastering the trade.

Rhea Howard, President of the Times Publishing Company, in presenting the gift to Midwestern University said, "It has always been a part of our program to help in every way possible in the development of Midwestern University, we feel because of employment opportunities and need, that the Graphic Arts program at the University should be accentuated. We are happy to make this investment in a worthwhile and valuable vice for the many schools whose scope and nature."

Teacher Training Emphasized
University officials pointed out that in addition to the proficiency diploma as a craftsman, the students who qualify for a Bachelor of Science degree in Education may choose as one of their majors, Graphic Arts. This provision discharges an obligation to the teaching field in the training of teachers for this service for the many schools which are clamoring for qualified people on secondary school faculties. Such teachers can qualify to teach not only in wholly technical schools on the secondary level but in any high school equipped to train printers. This program complements the university program whereby its trainees enter the printing industry as Linotype operators, pressmen, floormen, and shop foreman.

Planned Course of Study
Mr. Louis H. Dobbs, chairman of the Department of Graphic Arts stated, "In the development of our program into a major academic course of study, we have endeavored to select courses that would properly equip our graduates in order that they might be fully competent either as graphic arts teachers in our school systems, or as competent

Dolores Eustace, And Quincy Adams Marry In Seymour

On December 17, 1951, at 3 p. m., a double ring ceremony was performed at the Church of Christ parsonage in Seymour in the marriage of Miss Dolores Eustace and Elton (Quincy) Adams. Minister W. E. Berkham officiated.

The bride was very attractive in a navy blue suit with a blouse with deep yoke of nylon and white collar. Her hair was styled in waves of black and white. She wore a beautiful corsage of a single white mum feather with white carnations. The groom was attired in a Royal blue suit.

Immediately following the ceremony the couple left for a two-weeks wedding trip to Monticello, Idaho.

Dolores has lived in Seymour all her life and attended both of the public schools graduating with the class of '49. She is the daughter of Mr. and Mrs. W. H. Eustace, also of Seymour.

Quincy is the son of Mr. and Mrs. Frank Adams of Munday. He grew up in Munday and attended both the public schools and graduated in 1943. Immediately after graduating he accepted a position with the Texas Highway Department of Munday. He worked there until he joined the Army, and spent most of his time overseas, serving with the combat engineers, in Japan. After coming home in 1946 he again resumed his work with the highway department, working there until a year and a half ago, when he accepted an engineering position with the city of Wichita Falls.

The couple are now at home at 1901 Buchanan, Wichita Falls.

THANK YOU, MR. HOWARD

Dr. James E. Doren, President of Midwestern University, accepts the \$10,000 gift of two Intertypes from Mr. Rhea Howard, President of the Times Publishing Company. Shown in the above picture from left to right: Virginia Bowers, secretary to the Dean of Administration; Dr. James E. Doren; Rhea Howard, Ann Harris, secretary to the Registrar; and Weldon Lyons, Graphic Arts student setting type on one of the Intertypes given by the Times Publishing Company.

Three academic courses were offered in the fall semester, 1951, and the Department of Graphic Arts will offer 103 Graphic Arts, 113 Elementary Printing, and 223 Printing in the spring semester, beginning January 22, 1952. These courses may be applied on a major or minor degree program.

New Low Tuition
Tuition for all Graphic Arts courses are the same as any Midwestern University course. A new rate of \$75 per fall and spring semester has been arranged for the Technical School of Graphic Arts. It is suggested that anyone interested in these courses, contact Mrs. J. H. Jameson, Registrar, or Louis H. Dobbs, Chairman of the Department of Graphic Arts, Midwestern University.

Mrs. Aaron Edgar spent the week end in Quanah, visiting her father, W. J. Bridge, and with Mr. and Mrs. Roy Rogers and family.

Mrs. W. F. Phillips spent Sunday with relatives in Abilene.

THE FAMOUS Firestone CHAMPION CURVED BAR TRACTOR TIRE in Either OPEN CENTER or TRACTION CENTER Design

SOME farmers prefer Open Center tires, while others demand Traction Center. Regardless of the type you prefer, Firestone has it. No one else offers you a choice, because Firestone alone provides both tread designs.

If it's Open Center design you want, see the sensational new Firestone Champion Open Center, Curved Bar Tractor Tire. Try it—for traction, for cleaning, for smoothness on the highway, for all around performance. You'll find it's way ahead of any open center tire ever made.

If it's the Traction Center Tire you want, there's only one—the patented Firestone Champion. This tire has long been recognized by thousands of farmers the country over as the top performer for year-around work. A test on your own farm will show you.

So again we say, regardless of your preference in tractor tire tread design, see us.

Bourdon Smith who is still attending school three days a week at Abilene.

"He is a young fellow, but he is full of energy and is doing a wonderful job here," Mr. Moore said of their pastor. Rev. Smith succeeded Rev. S. Y. Allgood who left after a two-year pastorate last fall. It was Rev. Allgood who last March launched the recently completed building project.

The white frame building has been repainted outside and redecorated inside. New pews have been added and a new altar constructed. A large stained-glass cross is behind the altar in the form of a window.

The remodeled auditorium has a sound board ceiling and is attractively decorated.

Formal opening of the church is scheduled for April 20. Prior to that time the congregation is looking forward to a visit from the Bishop of the Northwest Texas Conference.

Mr. and Mrs. O. H. Spann visited in Lubbock Sunday with Mr. and Mrs. Conrad Link and Mrs. Oscar Spann returned home with them after a short visit there.

Methodists Of Goree Are Proud Of Remodeling Program Of Church

Goree Methodists have recently completed a \$15,000 remodeling project on their church here and they're particularly proud of the achievement.

Barton R. Carl and Homer L.

Moore, members of the board of stewards, are quick to point out that all the money was subscribed locally and from the 160 members of the church.

Pastor of the church is Rev.

W. W. Coffman, 74-year-old charter member of the Goree Methodist Church when it was founded in 1907, said he "never thought the congregation would do so much toward improving the church building"

He recalled that the building was blown off its foundation by a windstorm in 1914 and had to be remodeled then.

Coffman is a pioneer resident of Goree, coming to Goree 54 years ago and is the only living member of the Goree townsite committee.

Carl is president of the Goree Chamber of Commerce and Sunday school superintendent at the church in addition to serving as a steward. Moore is chairman of board of stewards. — Wichita Falls Record-News.

Mr. and Mrs. Jerald Doyle of Abilene visited with her parents, Mr. and Mrs. Joe Patterson, over the week end.

NOTICE To Tax Payers

YOUR 1951 TAXES MUST BE PAID ON OR BEFORE JANUARY 31 TO AVOID PENALTY

JANUARY 31st Is Also the Last Day to PAY YOUR POLL TAX

Every person who will reach the age of twenty-one years after the first day of January, 1951, and before the day of a following election, shall be entitled to vote at the said election and it shall not be necessary that said person shall have paid his poll tax but should obtain an exemption certificate. But if they became 21 before January 1, 1951, they must pay poll tax before they can vote.

Those who were 60 years of age before Jan. 1, 1951, are entitled to vote without an exemption certificate.

Knox Prairie Philosopher Says Unindustrialized Ain't The Same Thing As Backwardness To Him

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is taking his usual backward attitude this week, his letter reveals.

Dear editor:

Lately I've been readin about the South and Southwes t, how we're gettin industrialized and how theres' some hope for us improvin our standards, raisin our mental status, broadenin our vision, splittin our votes, multipln our traffic problems, maybe even decreasin our illiteracy, although ther's something to say for bein illiterate, you ain't heard of any illiterat bein investigated in Washington for his wife's mink coat, every man I've heard of who's resign-ed under a scandalous atmos-phere from a government job recently has been able to read and write, and while I never have been opposed to progress,

J. A.

I want you to know we had our good points before progress set in.

As I understand it, the classic description of the unindustrial-ized South gave it as a pretty awful place, where, when they buried a man, they buried him in a suit made in New York, shoes made in Boston, socks made in Philadelphia, a shirt made in Cincinnati, and a cof-fin made in Chicago, with even

Boy Scouts Observe 42nd Birthday

Official Boy Scout Week Poster

President Truman will greet 12 outstanding Boy Scouts in the White House during Boy Scout Week, Feb. 6 to 12, marking the 42nd anniversary of the Boy Scouts of America. Boy Scout Week will be observed throughout the nation by more than 2,900,000 boys and adult leaders. Since 1910, more than 19,000,000 boys and men have been members of the organization. "Forward... on Liberty's Team" is the birthday theme.

the marble tombstone being im-ported from Vermont and the grave being dug with a shovel from Pittsburg. All the South furnished, accordin to that cele-brated editor, Henry Grady of the Atlanta Constitution, was the corpse and the hole in the ground.

This was supposed to be an unanswerable indictment of the South's backwardness, but it never has affected me that way. What I want to know is what's

wrong with it?

If some man in Boston has the energy to make my shoes for me, I say let him do it. If I'm backward because some bird in Cincinnati sews a shirt for me, just keep his needle thread-ed and keep him thinkin I'm backward. I don't care where they make shovels, already too many produced as it is.

In fact, it has never struck me that you measure a town or an area by its ability to produce

its own goods. That is, not in these days. Maybe in Carthage in 112 B. C., but you try to make every area industrialize and self-supportin these days and you'll tranporation, not to mention the billboard people and drive-in cafes.

It may be the height of back-wardness, bu there ain't a hand bein turned out here at my place to make our own atom bombs, ain't nobody opening up a new car factory, very few heavy bombers bein planned here, the last home-spun suit wore out durin Cleveland's administration we'd starve to death if we de-pended on our own lightbread.

The way we figure it is, when few go to the trouble of raisin something, it's somebody else's job to take it from there and manufacture something out of it. If I get my cotton or wheat hauled to town, that's as far as I can go.

Yours faithfully, J. A.

Highway Maps Are Available To Car Owners

AUSTIN—Need an official Texas map? You will have an opportunity to get one when you register your car this year. The Texas Highway Department in cooperation with the County Tax Assessor-Collector is once again offering a free Official Highway map to each regis-trar through a post card plan inaugurated last year.

This service on the part of the Highway Department and County Tax Assessor-Collector is extended to provide a means by which the Texas car owner can get something extra for his registration fee. These cooperat-ing state and county agencels

feel that every motorist who de-sires one of the colorful offi-cial maps is certainly entitled to it.

The Official Highway Travel Map not only shows the 40,000 miles of state highways but many of the Texas scenic high-lights for the next vacation or week-end trip. Chock-full of in-formation, the map encourages everyone to "See Texas First."

Here is the way you may take advantage of this opportunity. Every Texas resident who regis-teres his vehicle in the state will be offered a return addressed post card at the same time he purchases the 1952 license plates. If the owner so desires, he may affix a two cent stamp to the card along with his name and address and mail it to the High-way Department. In return, a free copy of the colorful Official Highway Travel Map will be dis-patched to addressee.

Notice To Munday People

MRS. HATTIE ANN BORDEN, secretary of the Commu-nity Development Association, has been authorized to issue poll tax receipts to the people of the Munday area. You must pay your poll taxes on or before . . .

JANUARY 31, 1952

. . . in order to be eligible to vote in the 1952 elections. Next year is election year, and you'll want to vote in the primaries. You may pay them at the C. D. A. office and save a trip to Benjamin.

Goree News Items

Sgt. Johnnie Leo Hammons came in Monday from Korea for a 30-day furlough to visit his parents, Mr. and Mrs. J. R. Hammons. Leo has been over there for two years and two months. He will report to a camp in Mississippi after his 30 days here.

Mr. and Mrs. Everett Jones and son of Fort Worth spent the week end with his mother, Mrs. G. D. Jones.

Mr. and Mrs. W. O. Lewis and Mrs. A. L. Hord were Wichita Falls visitors Thursday.

Mrs. Lessie Jackson returned home Friday after visiting her son, Lloyd Jackson, and family in Fort Worth for a week.

Visiting in the home of Mr. and Mrs. Dorse Rogers during the week end were Mr. and Mrs. E. L. Jones, Jr., and daughter, Ellen Lee, Mr. and Mrs. J. W. Kennedy and daughter, Melissa, and Mrs. E. L. Jones, Sr., of Sun Angelo. Mrs. Rogers' mother, Mrs. Jones, Sr., remained for a longer visit.

Mr. and Mrs. H. F. Perkins and son of Dallas were recent visitors in the W. O. Barnett home.

Mr. and Mrs. Homer Lambeth and daughter, Geraldine, and Mr. and Mrs. Billie Hutchens and son, Larry, were Wichita Falls visitors Monday.

Mr. and Mrs. Terral Boggs left Tuesday for a few days visit in East Texas.

Mrs. J. W. Jones returned home Tuesday after spending a few days in the Haskell hospital for medical treatment.

Mr. and Mrs. Homer Howard and Jennie went to Lubbock

Sunday to be at the bedside of a niece of Mr. Howard, who is gravely ill in a Lubbock hospital.

Mrs. J. C. Parks of Rotan spent several days visiting with her sister, Mrs. F. H. Jones and Mrs. G. D. Jones. From here Rev. and Mrs. Parks went to Arkansas to visit Rev. Parks' sister.

Visiting in the Sam Hampton home Saturday were his sister, Mrs. J. H. Lowder, and daughters, Sue Anne and Bettye, and son, Jimmy Lowder, and wife of Wichita Falls.

Mrs. L. L. Atkinson returned home from the Knox City hospital a few days ago where she spent several days.

Miss Jo Williams of Wichita Falls spent the week end with her parents, Mr. and Mrs. J. J. Williams.

M. and Mrs. Burl Temple, who has been in Dallas for some time where he has been undergoing medical treatment, are visiting in the home of Joe and Tom Weber and Mrs. Glasgow. Mr. and Mrs. Cecil Temple and children of Amarillo joined them here last week end.

Mr. and Mrs. Dale Williams, Terry and Dianna Dale, of Plainview visited friends and relatives here over the week end.

Mr. and Mrs. Don Boyles spent the week end with relatives in Abilene.

Mrs. A. B. Warren was a business visitor in Wichita Falls on Tuesday of this week.

J. C. Campbell is a business visitor in Dallas the first of this week.

Mrs. H. C. Giddings of Dalhart visited friends here several days last week.

A fire extinguisher in each building about the farmstead is good insurance. The use of an extinguisher on a small fire may save a building.

Take Sag Out of Door

DOORS on the farm sometimes develop a sag from excessive use. This sag can be cured very easily and the door put back into good working order for years to come.

For permanently repairing a sagging door, here is what you do:

Remove the door and place it on a bench or sawhorse.

Square up the sides, using a carpenter's square. Now place a panel of Masonite 3/16" Tempered Preadwood

on the door and trim it to fit. They bevel the edges slightly.

The panel should be fastened securely with nails, screws or bolts. It may be applied either to the inside or outside of the door.

Rehang the door and paint it. If the door is exposed to the weather, give it a prime coat and two exterior coats of paint made by the same manufacturer.

If the door is so "saggy" that it won't stay square while the Tempered Preadwood is attached, keep it in shape temporarily by nailing a triangular piece of the masonite to the opposite side.

GRANDPA'S HELPER

Wearing a crown of distinction in her first published photograph, Evelyn "Lyn" Horton is doing her bit to sell Defense Bonds for her grandfather, Secretary of the Treasury John W. Snyder. "Lyn," ten months old, is the daughter of Mr. and Mrs. John E. Horton of Washington. Mrs. Horton is the Secretary's daughter, prominent in Washington as Dr. Bruce Snyder Horton.

Principal purposes of the campaign, in which little "Lyn" is taking such an active part, are to encourage thrift and savings, to discourage inflationary spending, and to maintain and increase the wide distribution of the public debt.

See You in Church Sunday

PARIS SUN FASHION

Famous Parisian designer Jacques Heim uses an American cotton fabric for this striking sun ensemble. Red and white striped cotton sateen by Galey & Lord gets a French accent in this tailored sun suit, accented with subtly placed buttons. A matching skirt and jacket are added for cover-up occasions.

Shepperd To Head Drive For Heart Funds

John Ben Shepperd, Texas Secretary of State, has agreed to serve as co-chairman of the 1952 Heart Fund Campaign, according to information just released by Ben H. Wooten, Dallas, general chairman of the Texas Heart Fund.

Mr. Shepperd, prominent attorney of Gladewater and a former president of the United States Junior Chamber of Commerce prior to his becoming Sec-

retary of State, was general chairman of the 1951 appeal. "We feel fortunate in having Mr. Shepperd again in a top position of leadership in this tremendously vital appeal for funds," Mr. Wooten said. "His experienced counsel and active generalship will be invaluable in our statewide organizational efforts."

The 1952 campaign will be inaugurated February 1st in most Texas communities. Texas' goal is \$347,000.00, to be used for research, education and community service.

In addition to Wooten and Shepperd, other state leadership announced to date includes Gov. Allan Shivers, honorary state chairman; Texas American Leg-

ion Commander Charles C. Gibson, co-chairman; Mrs. A. Schlafli, president, Texas American Legion Auxiliary, co-chairman; Fred Massengill, Jr., publicity chairman; and DeWitt T. Ray, treasurer.

Dr. Paul V. Ledbetter, Houston, president of the Texas Heart Association.

From where I sit . . . by Joe Marsh

Ed Got Red In His Own "Hot Water"

Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.

So, he finally decided to do something drastic about it. Last week he sent notices that if the sludgers didn't pay up by Friday, he'd shut off their water.

Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

Joe Marsh

GMC
GASOLINE & DIESEL TRUCKS
½ TO 20 TONS

HERE'S WHY - you see more every day!

EVER stop to ask yourself why you see more and more husky GMC's on every highway every day? Why so many cost-wise buyers are singling out GMC's as their first choice?

The answer is, "GMC" spells profit to the man whose business depends on the performance of his trucks.

To light-truck users, "GMC" means the highest horsepower in its class—for GMC ½- to 2-tonners are second to none in pulling power.

And to commercial haulers, "GMC" means America's most popular Diesel

—for efficiency, for long-lasting, fleet-footed power and lowest operating cost.

And in between, throughout the GMC line—from the smallest gasoline-powered pickup truck to the largest Diesel—the story's the same:

Power, brakes, comfort, safety and stamina—the right combination of everything essential to low-cost hauling—in the right vehicle for your loads.

Before you buy another truck—come in. See for yourself why GMC is the best truck buy you can make today.

BROACH EQUIPMENT
You'll do better on a used truck with your GMC dealer

Activities Of The Colored People

The Dunbar P. T. A. met last Thursday night, Mrs. Dolly Jones presiding. Plans were made for a program Sunday afternoon. Dues paid were \$8.40.

We wish to acknowledge the donation of magazines by Mrs. Bobby Broach and the buns from the Methodist Church. They were most certainly appreciated.

Our community is saddened

over the death of Elder Joe Williams, who succumbed to injuries received in an accident on last Saturday evening. He was pastor of the Church of God in Christ of Munday and Knox City.

All of the children were happy over the fruit distributed to them by Mrs. Moorhouse and members of the Sunshine Class, on Monday evening.

NOW IN PEARL HARBOR
 Mr. and Mrs. Francis Albus have received word that their son, Cpl. Daniel Albus, is now stationed in Pearl Harbor, where he is serving with a motor pool.

AN EXPRESSION of

Sincere Thanks

We have sold the Sharp Motor and Equipment Company to Russell J. Penick, who is now in charge of the business.

We want to take this opportunity of thanking our many friends and customers for the patronage and courtesies extended us during the time we operated the Massey-Harris agency here.

Establishing the business in Munday in January, 1949, we have enjoyed a nice patronage and made many lasting friendships which we shall always cherish.

We trust you will give Mr. Penick the same type of patronage and cooperation you have given us, and we know he will try to serve you courteously and efficiently.

Very sincerely,
H. E. Sharp

Rex Ray, Former Munday Man, Tells Of Trip From Texas To Korean Mission

Pusan, Korea, Jan. 1, 1952. Dear Friends and Loved Ones, Wherever You Are: Many of you knew that I had been trying for three months to get off to Korea. I'm here. And now just a word about the trip from Texas to here. I drove our Southern Baptist Jeep and trailer out of Bonham, Texas into the West where in 1908 I heard the call of the Lord at Munday to give my life for missionary work in the Orient. From Munday we ambled across the prairies through Carlsbad, Tucson, Phoenix into Southern California and headed north for San Francisco. We survived the terrors of the California highways dodging those monster diesel trucks with black smoke rolling over their backs as they rushed in every direction dragging huge trailers that looked like wild freight trains that had jumped their rails and had taken to our automobile roads seeking whom they might devour.

I have just heard that my cousin, Dr. John Ray, of White-wright, Texas, who made this exciting trip with me in the Jeep to San Francisco got back safely to Texas and then fell down a stairway, broke several bones and is now rebuilding in a hospital.

In Frisco Jeep and I swished through traffic where at times it seemed everybody was going in the opposite direction. I never before got into so many one-way streets running in the wrong direction. However, one of them landed me in the cooler. After about a week of rush-

ing here and there I succeeded in getting my brand on several pieces of hospital equipment, Dr. Bryan's baggage, mine, barrels of clothing sent by Dr. and Mrs. R. E. Beddoe from the Shawnee Baptists of Oklahoma for Korea's cold and needy refugees.

Also in my freight was a wonderful gift, a fine "White" folding organ, from the Baxter Bible Class, Shawnee First Baptist Church. This organ will make music for the Lord in this land of Korea where the engines of death have left only sorrow and ashes in their wake.

On the night of November 30 our ship "Contest" slipped out from under the Golden Gate bridge into the wild Pacific where a storm rolled us in the ocean waves nearly all the way to Seattle. The radio said the great bridge itself swayed 15 feet in the wind. I have been on many rough seas, never did they roll my ship as they did this time. When the huge waves hit us sideways I climbed thru my cabin baggage to my bunk where I tried to anchor myself in bed. I had my knees against one side of the bed and by back against the other and held on with both hands to keep from being thrown out into my cabin of scrambled baggage, chairs, GI gasoline cans, suitcases, typewriter, Dr. Bryan's radio. While all of these things were rolling over and over, back and forth across my cabin, the drawers of the dresser and desk came rushing out of their sockets to dump their contents into the

rolling furniture and baggage. While all of this was going on I could hear the dishes and glassware in the dining salon below as they were crashing into millions of pieces. During these days of ocean-hash I lost all interest in food. And, oh what a relief it was when our ship slide into Seattle to take on more cargo for Korea. I spent the next 2 days in my brother's home, and when the hour came to launch out into the deep again my tummy warned, "Beware."

After we got out into the Pacific facing some 3,000 miles of restless seas, the stormy winds arose and the waves got up on their hind feet and fought us madly for days and nights. At last my tummy demanded that I really pray. I had just read again the words of the Master of the sea where he said, "Whatever you ask for in prayer, if you believe it, you will get it." (Williams translation). Then I prayed, "Oh Lord, if you will only speak again those words you spoke long ago to a stormy sea." "PEACE BE STILL." I'm sure He heard my cry that night. Because within a few hours the wild seas calmed down, and for nearly 2 weeks there was PEACE on the ocean and it was STILL. I'm sure Jesus had spoken again, "Peace, be still." Yes, the wind and the waves still obey His commands.

One morning a beautiful sun arose behind a finger of land pointing northward. A lighthouse was on the very tip of it. This was Japan and we were passing on the westward side toward Korea. Two days later about sunrise our ship crept slowly thru the smog into the harbor of Pusan. Many ships were anchored all about us. Most of them were American and one from Hong Kong made me feel at home.

As we steamed alongside our pier there were hands of friends. Bro. Abernathy, Dr. N. A. Bryan, our Korean Baptist pastor and his wife, waving at me. Happy was I, yes, very! A little like that it will be some day when my little bark shall pull into the final port over there! Glory to God!

For the next three days we waited while our army men unloaded 12,000 bags of mail that our ship had brought to our soldiers in Korea. My freight was down under all that mail. There was another item of only 10,000 case of eggs. Also there were thousands of cases of apples and fresh vegetables for the GIs. I saw fresh celery better than I ever saw in American markets. I'm glad we are giving our boys the best we have. They are worthy.

The Korean people remind me of the Chinese but many are different. In China the burden carriers carry their loads of freight on a pole on their shoulders. Both men and women carry that way. But here in Korea men carry their burdens on a rack or frame strapped to their shoulders. I have just been told that one man can carry a piano on his back that way. The Korean women carry their burdens balanced on the top of their heads.

WANTED BY THE FBI FOR BANK ROBBERY

HENRY RANDOLPH MITCHELL, with aliases: Michael S. Angle, Maria Hogan, Henry Ralph Mitchell, William Lawrence Wilson, J. C. Womack, "Little Mitch", and others

DESCRIPTION
Age 56, born September 27, 1895, Lexington, Ky; height 5 feet, 5 1/2 inches; weight, about 155 pounds; eyes, brown; hair, grayish brown; complexion, ruddy; build, short, stocky; race, white; nationality, American; occupations, auditor, clerk, machinist, porter; scars and marks, one inch scar left inside wrist, small out scar inside edge of left eyebrow, right little finger crooked and stiff, mole on right cheek.

CAUTION
Mitchell is considered dangerous and is believed to be armed.

Fingerprint Classification
15 S 1 U 7
L 1 7i

An indictment was returned by a Federal Grand Jury at Gainesville, Fla., June 16, 1948, charging Henry Randolph Mitchell, with the robbery of the Perkins State Bank, Williston, Fla., on January 21, 1948, said bank being a member of the Federal Deposit Insurance Corporation.

Any person having information which may assist in locating this individual is requested to immediately notify the Director of the Federal Bureau of Investigation, United States Department of Justice, Washington, D. C., or the Special Agent in Charge of the Division of the Federal Bureau of Investigation listed on the first page of your telephone directory.

They must have strong necks. On Sunday morning of December 23rd Brother John Abernathy preached the dedication sermon of our new First Baptist Church in this large city of Pusan. This beautiful auditorium was full of happy faces. And sing! I have never heard any people on earth sing like these Koreans. They are full of music and are happy to open their mouths and let it roll out. I was asked to preach the Christmas morning sermon. That night the children spoke and sang so wonderfully that my soul rejoiced. One little orator I named W. J. Bryan and a singer Caruso. The house was packed with eager faces, many of them refugees.

Sunday the 30th it was my joy to preach again. That afternoon we took a group of Christians in our Jeep. Bro. Abernathy's car and an army truck out to an army base camp where Baptist Chaplain Prewitt baptized 4 women and 2 men of our Korean Christians and one negro GI. Happy day! One of the men was Dr. Kim who is to work with Dr. Bryan in our new Baptist Hospital. The 31st was another happy day for us. Bro. Abernathy and I went to work among the Chinese POWs. Since it was cold and raining we visited and talked the Gospel to the wounded in their cozy and warm half-moon army barracks. Several of them had no feet or hands.

Others were hopping around on one foot. Bro. A. talked with the Mandarins and I with the Cantonese. Many of their faces lit up as we talked with them. One who is well again, a fine Christian who is helping in the work, almost hugged me when he recognized me. He has known me all his life. His father was Eu Woh Fuk, one of our Wuchow field preachers, in Kwong Sai, China. We rejoiced together, yes, here in this strange land so far away from home. Christian fellowship is glorious and heart-warming.

Next week my new helper, Kim Kwong Whinnie, and I plan to go on a missionary journey over the mountains where it snows. We travel in our S. B. C. Jeep distributing clothes and preaching the GOOD NEWS of the Prince of Peace to these who

suffer because of war around and on them. I have great faith in you in America and know you will keep on praying for us here in Korea. GOD BLESS AND KEEP YOU SAFELY.

A letter, long or short, with your name attached will always be a smiling visitor at my following address. And read it. Surely I will and that many times over.

Lovingly,
Your friend and missionary,
REX RAY
Baptist Mission, P. O. Box,
Special No. 1,
Pusan, Korea.

Mrs. Vern I. Coslor of Redondo Beach, Calif., came in Friday for an extended visit with her daughter and son-in-law, Mr. and Mrs. Dwaine Russell, and her mother, Mrs. J. B. Bowden, and other friends and relatives.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

AUSTIN—State Health Officer Geo. W. Cox today spelled out in one-two-three order the requirements for a city-wide sanitation drive that will "show results in fewer flies, fewer rats, and less disease."

His plan in brief: Apply the idea of a good spring cleaning outside as well as inside the house.

The long time exponent of clean environment said the State Department of Health would, on request, send a team of sanitation experts to survey

any Texas town for health hazards.

"An untrained person might fail to see the significance of horse lots, surface toilets, or stagnant water holes where flies and mosquitoes can breed. Our people, by training and experience, know how to locate and correct hazards to community health," the health officer said.

The survey would include a check on the manner of garbage storage, collection, and disposal, and a look into foodhandling establishments to see if their foods are coming from safe sources.

The team, according to the doctor's plan, would make a study of the local water supply. Contaminated? If so, what's the reason and how can it be corrected most efficiently?

They would investigate the sewerage system. Do lines extend into all areas of the city? Are all residences connected? Is the plant itself adequate to accommodate the city? How is the sewage processed?

Residential and business districts would be inspected for sanitary violations and each property owner would be strictly accountable for cleaning up his premises, with the city hauling away accumulations of trash.

People, Spots In The News

MODERN IDEA in Dutch ovens is this built-in gas oven and broiler, linked to "peninsula" with its no-stoop surface cooking units handy to dining room. The ensemble is "kitcheneered."

FLORIDA beach fashion note, by Sally Brockwell of St. Petersburg, accents taweling.

LOOKING more than ever the very symbol of British determination, Winston Churchill arrives for talks with President Truman.

FESTOONS of telephone and electric power lines, weighted with two-inch coating of ice, marked landscape between Sikeston and Dexter after sleet storm struck southeastern Missouri.

"If we all begin work right now, using tried and true methods, we can cut down the incidence of disease caused by insanitary environments, contaminated water, and improper handling of foods. We can stage a fight against flies and stop them from spreading disease. "We're here to help," the doctor said.

Youth Week To Be Observed

AUSTIN — Governor Allan Shivers has proclaimed January 27th to February 3 as Youth Week. "In these crucial times we need young people who are willing to act upon their religious convictions," said the governor. "We need them in Texas, in our nation and in our world."

Youth Week is sponsored by the United Christian Youth Movement, youth agency of the National Council of Churches of Christ in America. It represents 10 million Christian youth of 38 cooperating denominations.

Highlighting the week is The Call to Action in an endeavor to enlist a million youth for Christ. "The Call is made to order for the work of the Texas Youth Development Council," said its chairman, Rev. Walter K. Kerr of Tyler. "Our young people must be motivated by adequate religious convictions," he stated, "and they must be unified by

Your Home

By Frances Ainsworth

I've discovered that the easiest way to be sure of pleasing friends at Christmas is to give them the gifts you'd like most to receive yourself. This rule has worked beautifully for me for many years — and even worked in reverse this year.

You see, my birthday is just a few weeks before Christmas—and when my husband, Jim, found that I had bought several large mantle mirrors to give to my friends for Christmas, he decided that a mirror was just about the best birthday gift he could give me.

And how right he was! I'm simply delighted with my new plate glass mirror — it makes my entire living room seem larger — and is going to be such a decorative background for my Christmas decorations that I'm really thrilled to have it before Christmas.

I'm certainly glad, too, that I showed my gift mirrors to Jim, and explained that I chose Pittsburgh Plate Glass mirrors because I knew they were the finest made. Good quality is so important, you know — and they will be just as clear and attractive ten years from now! I'm sure my friends will be as delighted as I was with this gift — it makes giving so much more fun when you know that the gift will be welcome, doesn't it?

This may be the idea you've been looking for—and there are so many attractive new designs — oval shapes, oblongs, square designs — not only for mantels but for every room in the home. And when you consider how much light and decorative beauty a mirror can add to any room, it does seem like the ideal Christmas gift, doesn't it?

Mr. and Mrs. Gene W. Harrell and children spent the week end in Tulsa, Okla., visiting with relatives.

Billy Joe Brown, student at Texas Tech in Lubbock, spent the week end here with his parents, Mr. and Mrs. Elmer Brown.

objectives that will produce significant action." The principles of The Call are not only a call, but an answer, he pointed out. "The core of the program of United Christian Youth action is in the local community," Mr. Kerr said.

For Outperforming all other American Cars...

In the Grinding Tests that Won it the Motor Trend Magazine Award, Chrysler proved itself the Best Engineered Car in America

CHRYSLER SURPASSED ALL OTHERS WHEN MOTOR TREND TESTED FOR:

- ★ Average Braking Distance in Feet
- ★ Ton Miles per Gallon
- ★ Average Acceleration in Seconds
- ★ Acceleration Over Standing 1/4 Mile in Seconds
- ★ Average Top Speed in M.P.H.
- ★ Maximum Road Horsepower
- ★ Pounds per Road Horsepower
- ★ Maximum Torque in Lbs.-Ft.
- ★ Maximum Brake Mean Effective Pressure
- ★ First in Total Points

15 different American stock automobiles—equipped as you buy them—were driven by Motor Trend Magazine as hard as steel and rubber can be driven. In these actual road tests of efficiency and performance, measured by the most accurate instruments obtainable, Chrysler proved itself superior to all others. In 13 tests Chrysler was first in 7—tied in 2, making a total of 9 out of 13 . . . and first in total points!

Only by taking an engine to the limit of its potential, only by turning the corners at high speeds, applying brakes for emergency stops, torturing body, springs and shock absorbers, can you learn just what performance you can expect from the make of car you drive. The results of the Motor Trend tests were conclusive . . . as Chrysler, again, proved itself the best car in America.

The Motor Trend Award, like numerous other honors today's Chrysler has won, is both a proof of and a tribute to Chrysler's magnificent Fire-Power engine and master engineering. Such demonstrates why, among men and women who know automobiles . . . Chrysler is always the first choice.

START SODA CARE YOUNG

NATIONAL CHILDREN'S DENTAL HEALTH DAY is February 4th. Regular and frequent visits to the dentist help forestall serious tooth troubles—disclose cavities while they're small and less apt to hurt. Intelligent home-care calls for frequent brushing—preferably after every meal—and the choice of a good dentifrice. Ordinary baking soda, acceptable to the Council on Dental Therapeutics as a dentifrice, cleans teeth without any abrasive action, never scratches tooth enamel. As economical as it is effective, soda is a particularly wise choice for the youngster who is apt to spill as much as he uses when he's first learning to brush his own teeth.

Local Eastern Star Chapter Is Constituted

On Friday evening Jan. 11th, members of the Eastern Star gathered for the constitution of the local chapter.

Judge John A. Rawlins, associate grand patron, and Mildred Garlitz, associate grand matron, of Dallas, presided over the constitution ceremony. This is an event that takes place once only in the life of a chapter.

At the conclusion of the ceremony, the charter bearing the names of all charter members was presented to the worthy matron, Mrs. Annie Rhea Allen.

A lovely reception for the grand officers was held in the home of Mrs. Don L. Ratliff. Pink snapdragons made a lovely centerpiece for the lace-laid table, from which delicious punch, decorated cake squares and salted nuts were served.

A total of 107 guests and members enjoyed the wonderful evening. Among guests from out of town were the following grand officers: Judge Rawlins, Mildred Garlitz, Rebecca Miles, grand secretary, and Della Mae Moore, member of the jurisprudence committee.

CARD OF THANKS

We would like to take this means to express our thanks and appreciation to each and every one who helped in any way during the illness and death of our loved one, Elijah Cunningham. The flowers, food and kind words are deeply appreciated. Friends such as each of you have made our sorrow a little easier to bear.

May God bless each of you. The family of Elijah Cunningham. 1tp

Safety Week Being Observed Jan. 27-Feb. 2

AUSTIN—Observance of Highway Week in Texas, January 27-February 2, will get a head start in Austin at 3 p. m., Sunday, January 27, when Gov. Allan Shivers will officially usher it in. A special program will be held in the senate chamber of the State Capitol, at which he will be the principal speaker. The program will be broadcast during the afternoon by most of the stations of the Texas Liberty network.

Honor guests invited to attend the program are the living former governors of Texas and all members of the Highway Commission, both present and former commissions. In addition all members of the House and Senate have been invited to attend. After the program coffee will be served by Hon. Ben Ramsey, Lieut. Governor, in his quarters adjoining the senate chamber. Hon. Reuben Senterfitt, speaker, will participate in this hospitality.

J. H. Kultgen of Waco, president of the Texas Good Roads Association, will be master of ceremonies. Others on the program will include Judge George Prowse of Corpus Christi, president of the Texas County Judges and Commissioners Association, and Mayor Armistead of San Angelo, president of the Texas

League of Municipalities. E. H. Thornton, present chairman of the Highway Commission, will also speak briefly. During the week there will be speaking programs before most of the service clubs of Texas, telling of the need of more and better highways and commending former highway commissioners and those who have contributed to promulgation of good roads in Texas.

A Times Want Ad Pays

Kracker Krumbs—

(Continued from Page One) and we haven't gotten to use it enough to learn how to read it. . . . We hope it does rain. Bet you do, too! Mr. and Mrs. A. D. Allred and family spent the week end in Plainview with Mr. and Mrs. W. J. Simpkins.
