

Riders Ride East - Riders in the Muleshoe area helped Earth mark its annual rodeo this past week, and here are horses riding east down U. S. 70 heading for Earth last Thursday. Riders here are from Muleshoe, Bo vina, Marton and

rural communities. They made the 20-mile trek in plenty of time for the parade and then the riders -- and horses -- stayed over for the first rodeo performance that evening. (Journal Photo.)

Stores Ponder 'Big-Town' Plan

Mable, My Feet Are Killing Me!

in muleshoe
With the Journal Staff

Twenty-five youths from the First Methodist Church here are participating in their annual ramble and retreat at Tres Ritos, N.M. The groups headed by the pastor, the Rev. J. Frank Perry, and youth director Lease Richardson.

Muleshoe Area Baptist men attended a Southern Baptist Caprock Plains Brotherhood camp Friday at the Plains Baptist Assembly near Floydada. Speakers included Kirk Slater, W.H. Berry, Clarence Matthews and Alvin Fleming, all of West Texas Associations, and Judge Zolte Steakley, a member of the Texas supreme court.

Funeral services will be held in the Olton Baptist Church at 2:30 today for Oran Thomas Crosby, 64, long-time Olton resident who died Thursday in a Plainview hospital following lung cancer. He was the father of Garland Crosby, Muleshoe.

The Rev. and Mrs. Cecil Osborne, Linda and Karen Billings, Mont., recently visited with their parents here, the Buck Taylors and the Cecil Osborne Jr.'s. The Buck Taylors also have their niece and nephew visiting here from Pleasant Hill, N.M., Billy and Arlene Servantus.

Mrs. E.T. Ford and daughter Christy left Tuesday to spend a week with her parents in Whitesboro. Mrs. Ford's father, V.W. Bewley, will undergo surgery Thursday in Sherman.

Hilltop School Discontinues

Schools' 1966-67 Staff Virtually Complete, Full Integration Due

Muleshoe schools are 'almost completely staffed' for the new school year, Superintendent Neal Dillman said Saturday as he looked over the 1966-67 line-up and breathed a sigh of relief. "All of the jobs are filled," he said, "except for a physical education teacher for girls in junior high. We should be able to name someone to that post soon now."

He said that the school system will be completely integrated this year for the first time, and that the old Hilltop school which once served Negroes exclusively, has been officially abolished. The building has been sold to Pat Bobe and will be moved away soon.

Meantime, Dillman said, the

Area Girls Asked To Enter Annual Wheatheart Race

Girls living in the Muleshoe area are invited to participate in the 20th annual 'Wheatheart of the Nation' beauty contest to be held Aug. 20, 7:30 p.m. at the Perryton High School Auditorium, sponsored by the Ochiltree County Chamber of Commerce.

The 1966 beauty winner will receive an all expense paid trip to the Canadian National Exhibition in Toronto, Canada, and several other points of interest. She will receive national news coverage through

See WHEATHEART P. 8

three Negro teachers have been assigned to schools that once were exclusively white. He said one of the Negro women teachers has been assigned to special education work in junior high and the other Negro woman to elementary school music.

Littlefield Seeks \$150,000 to Lure New Industries

Littlefield Industrial Corporation is seeking to raise \$150,000 in cash and pledges to promote their needed industrial program.

Leaders in the campaign said \$50,000 in cash and \$100,000 in pledges were needed in order to develop a 33-acre industrial site. Also this is needed to help industries to locate in Littlefield.

Troy Armes is chairman of this fund raising committee, and Mancill Hall is secretary of the corporation. Jack Wicker, who is president of the Littlefield Industrial Corporation, said that the organization now has \$60,000 on hand. He also said that more funds are still needed. He said that officials of a prospective industry had agreed with Littlefield's proposals and was expected to make a public announcement soon about a plant to be constructed there.

Wicker said the firm would employ 25 persons and probably would locate on a 10-acre tract

See LITTLEFIELD P. 8

F.D. Harris, the principal of Hilltop for several years, will be in the physical education department of junior high school. Of course most of the negro pupils already had been attending other schools on a gradual integration program.

School will open Aug. 30 for the first full day of classroom work, but teachers' meetings and pupil enrollment days will come several days in advance of the formal opening, Dillman said. A fall round of pre-opening activities will be announced by the superintendent later this month, including enrollment dates for the various classes. The official schedule was announced in The Journal late in the last school year.

Dillman said the school is planning on a teaching staff of 107, the same number as last year, but he explained that it is possible more staffers will be needed if the school qualifies for the federal program which Dillman said he feels certain will be the case. He explained that "pages and pages" of detail

forms must be filled out before the schools here can qualify for the Title IV under the federal program.

The superintendent said he expects an opening enrollment

FFA Members Here to Get Star Farmer Awards

Five members of the Muleshoe FFA Chapter will receive Long Star Farmer Degrees at the State FFA convention in Austin this week. They are Kenneth Wilhite, James Morgan, Charles Moraw, Larry Seales and Jerry Redwine.

The degree is the highest award given by the state association and is based on the members accomplishments as a vocational agriculture student and FFA member. Only two percent of the state association membership may be elected to receive this making it a

Horses walk. That's their mission in life, in fact.

But around Muleshoe we apparently have a few horses that have forgotten how to walk-- at least they've forgotten about how to walk long distances!

That appeared obvious Thursday when Muleshoe and area riders' clubs set out on a nice little 20-mile jaunt to Earth to participate in that town's rodeo parade Thursday afternoon. Most of the horses stood up fine.

But there were one or two that were--well, not up to such a long walk. Apparently they had stood knee deep in clover, figuratively and literally, and were a bit on the hefty side as a result of their light activity.

Accordingly when they started the trip to Earth, they quickly became footsore. At the first water stop, some five miles east of Muleshoe, the softies dropped out of the trek. Fortunately, Judge Glen Williams was driving a pickup with a fireman, all of whom were extended thanks by the chamber. The tenderfoots were put into the trailer and were hauled to

See MABLE P. 8

Stores here for many years have been staying open late on Saturday nights, closing much earlier other nights in the week.

Now there is a possibility that the old Saturday-night-late closing plan will be abandoned; instead stores will remain open late on Thursday nights, a sche-

Chamber Thanks July 4 Helpers, Committeemen

Muleshoe Chamber of Commerce Saturday extended thanks to those who helped make the annual July 4th celebration here 'another outstanding success.'

Kenneth Henry was general chairman of the event which included a basket supper, a talent show and a gigantic fireworks display, the last produced by Earl Ladd, fire chief, and Judge Glen Williams was driving a pickup with a fireman, all of whom were extended thanks by the chamber. Others thanked included Ted Weaver, who was in charge of

See CHAMBER P. 8

dule which many large towns now follow.

So says Harvey Bass, chairman of the Muleshoe Chamber of Commerce's Retail Activities committee, the "Go-Go" committee. He said Saturday that the committee will meet next Tuesday morning at 10 o'clock at Royce's Cafe for a coffee session.

"And one of the top matters on the agenda," he said, "is the matter of Thursday or Saturday night closing. We expected to give that matter a considerable amount of attention, and at the end of the session, should know whether we will continue the customary Saturday night opening or switch the late closing day to Thursday. Since this will be one of the major matters discussed, we are asking that all merchants express their opinions on the matter."

Buddy Parsons is chairman of that sub-committee, and has been doing "quite a lot of study on the matter of closing times," Bass said, adding, "He will make a complete report at our Tuesday morning coffee session at Royce's."

See CLOSING P. 8

Bumper Tomato Crop Due in These Parts!

Tomatoes -- the biggest, finest and healthiest ever seen in these parts-- will yield in the bumper division next month if everything continues to go well.

Field after field of the red 'love apple' is considerably ahead of schedule. Usually the first week in July sees the tomato only fairly well advanced; this year, the crop is as far along as it usually is by the last of July. And that's good!

Acres-wise, the county's tomato crop may not be much bigger than last year--500 to 600 acres, J.K. Adams, county agent, estimates. But that's more than the 1966 potato crop which runs to something like 150 acres.

Some of the major growers include Ernest Locker and his son Roy Locker who have some 175 acres, including a three-acre demonstration plot. Then other growers are Harry Lee, S.L. Jackson, L.V. Kolar, and Kenneth Hanks. One reason why the tomato crop is ahead of schedule, Adams says, is because of a

faster-maturing. The new variety is Heinz's 1370 which shoots off gun-like as soon as it gets planted. And it continues to grow and grow.

At the demonstration on the Locker farms, for instance, they're trying out combine-type tomatoes, early - maturing tomatoes, and nematode-resistant tomatoes. All three tests are doing well, partly because of the splendid season which has been pleasing to tomatoes so far. Except for a small amount of hail damage at one of his plots, Locker says the weather has been 'very nice' to the 1966 tomato crop.

Work also is being done on the Locker tomato farm with nematodes which chisel into the ground and create fumes that kill nematodes. While this county has not been greatly bothered by nematodes, the day will come when the little insect may cause considerable damage not only to tomatoes but to cotton and other crops. Thus the reason for the nematode tests. When -- and if-- the insects appear, well they will never become a problem in Bailey county.

BIG "LOVE APPLE" -- Tomatoes are doing nicely this year with some 500 to 600 acres planted to the crop. In fact, they're ahead of schedule. Here Ernest Locker (right) points out one of the tomatoes to J. K. Adams, county agent. Locker has 175 acres in Tomatoes. (Journal Photo)

Coaching Staff Due For Red Raider Day

Texas Tech's coaching staff headed by J.T. King, will move into Muleshoe next Wednesday under the sponsorship of the Red Raider Club.

And a busy day is planned for the dozen or so men who will be here for the sole purpose of boosting Texas Tech and its entire athletic program-- not just football.

That's the word of Chief Jones who has more or less acted as top dog to the Tech men for a number of years. The trip to Muleshoe is part of an overall territory- visitation program when the coaching staff gets acquainted with men in the area and vice-versa.

The day's visitation program also promoted the Tech scholarship program. Muleshoe, for instance, is a part of that program, which includes a \$1000 grant to some promising athlete.

The program will get under way Wednesday morning with a series of informal coffees around town.

Then at noon, Muleshoe Rotary club and Muleshoe Lions club will be host to the group at a luncheon in Fellowship Hall of First Methodist church. The Muleshoe Lions club will be in charge of the luncheon this year. Robert Hooten is president.

During the afternoon, the

Tech visitors will play golf with local golfers at the Muleshoe country club, and then at dinner

will eat a barbeque supper as guests of The First National Bank, the Muleshoe State Bank and The Muleshoe Journal.

That program also will be informal with the coaches showing a color film of last year's athletic events in the Southwest Conference. In addition to the coaches, a number of sports writers from the school, teachers, and tutors will be in the party. Last year's Red Raider day was highly successful, and local sponsors said Saturday they feel sure this year's event will be equally successful.

GLORIETA ENCAMPMENT—Members of the First Baptist Church attended a week of assembly at Glorieta Baptist Grounds at Glorieta, N.M. Shown in top left picture are Walter Baice, sponsor, Sonnie Glaze, Lee Ann Harlan, Alec Schuster, Linda Fowler, Mrs. Ed Little, sponsor, Gary Little and lower row, Ricky Hamilton, Greg Little, Harriet Glaze and Connie Harlan. **Progress Club
Buys Flag**

Members of the Progress 4-H Club voted to buy an American Flag and also a 4-H Club Flag to be used at monthly meetings. This was the topic of the discussion during their meeting Tuesday night. The club met in the Bailey County Electric Community room at 8 p.m.

Steve Black led the pledge to the flag. Tommie Taylor led the club motto and pledge and the minutes were read by Gary Murrah.

County Home Demonstration

Agent, Jean Martin, talked to the boys and girls about completing their records.

A family-night cook-out was discussed and set for July 26 in the Ernest Rann backyard.

Gus Taylor and Gary Murrah told about their recent trip to A&M where they attended the state roundup. Barbara Wilhite and Steve Black gave talks on their trip to Leveland, where they attended Jr. leadership lab earlier in June.

Members present were Gus and Tommie Taylor, Gary and Tami Murrah, Steve and Marilyn Black, Terry and Tim Wheeler, David Seymore, Barbara Wilhite, Kathy Pena and Bobby

Henderson. Visitors present were Dani Cockrell, Lisa Mason and Tommie Wheeler, and parents, Mrs. Eugene Black, Mrs. George Wheeler, Mrs. Gordon Murrah, Mrs. J.E. Wilhite, Mrs. Jean Martin, Mr. and Mrs. Clarence Mason, and Mr. and Mrs. A.G. Taylor.

**Ada Murrah
THDA Chairman**

Jean Martin gave the program at the Progress Home Demonstration meeting about fads and gimmicks in fashion.

The club met in the home of Veta Self with Delores Gaddy presiding over the meeting.

Ada Murrah was nominated for THDA chairman for the club and delegates for the state meeting are Delores Gaddy and Ada Murrah.

A letter from John Gilbreath was read thanking the club for boxes sent to Viet Nam.

During the program given by the County Agent, displays were viewed consisting of paper mache pins, smoke ring scarves, bangle bracelets, snoods, handmade beads and several styles of dresses that are popular now.

Refreshments were served by Veta Self to Myrtle Wells, Delores Gaddy, Cottie Myers, Fern Davis, Lela Mardis, Ada Murrah and Judy Roming.

**Clara Langford
Weekly and
Monthly Queen**

Clara Langford was named queen for the month at Thursday night's Jenny TOPS meeting and her courtesses were Selma Redwine and Cecile Cunningham.

The club met in the community room of the Bailey County Electric. Lauranett Mason, group leader, was in charge of the business meeting. Following the pledge and fellowship song, the queen for the past week was announced. Clara Langford was given a gift from the gift box for losing the most weight and Ruth Clements and

Eddie Faust Gives Program

Eddie Faust, president of the Muleshoe Stamp Club gave the program Tuesday night at the Muleshoe Stamp Club's meeting.

Four visitors, Hal Tibbets,

Dean Myers were her courtesses.

Eighteen members answered the roll call and Cecile Cunningham, treasurer, gave a treasurers report. A report was also made on the ones owing fines for gaining weight.

Measurements and dues night were observed.

Jewell Peeler reported on her recent trip to California and presented the club with a little speaker Thursday and will speak on foundation garments.

It was reported that side two is ahead in the salad contest. Mrs. Alma Monk will be the speaker Thursday and will speak on foundation garments.

Suggestions were read from the suggestion box and the meeting adjourned.

Zela Connell, Mrs. W.E. Johns from Dallas and Mike Pugh from Hereford were in attendance.

The program under the direction of Eddie Faust, referred to two 1930 catalogues to compare

See FAUST P. 8

**Trinity Baptist Church
Has Dedication Services
In New Building**

Next Sunday will be a big day for members of the Trinity Baptist Church here when they will dedicate their new church building recently completed.

The Day's activities will begin with the regular Sunday School hour and preaching services under the direction of the pastor of the church, the Rev. Troy Walker. Dinner will be served at the church and the dedication services will begin at 1:30 p.m. when Charles Bratcher, charter member and Sunday School superintendent will read the history of the church. This will be followed by special music by the choir, under the leadership of Marvin Lewis. The Rev. J.E. Moore, first pastor of the church, will preach the dedication sermon and the prayer will be given by the Rev. Don Murray, pastor of the First Baptist Church here.

The pastor of the church will preach during the services also. Regular training union services and preaching will follow to sum up the day's activities. Evening services will be conducted by the pastor of the church.

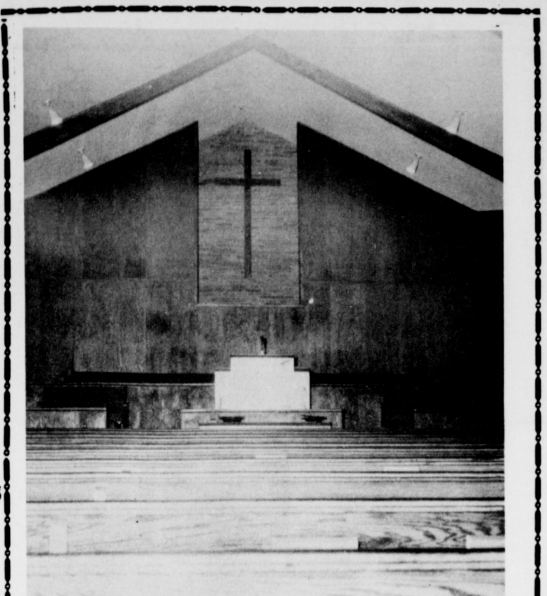

On Mothers Day, May 12, 1954, the First Baptist Church, under the direction of their pastor, the Rev. A.W. Blain, opened a mission in a three bedroom house at the corner of Ave. B

and East 4th Street. Families coming from the First Baptist Church to work in the mission were Mr. and Mrs. M.T. Wilson, Mr. and Mrs. Charles Bratcher, Mr. and Mrs. W.R. Bowers, Louise and Virginia, Mr. and Mrs. J.W. Roberts, Ginger and Larry, Mr. and Mrs. Troy Perkins, Robert, Lynn and Troy Ann, Mr. and Mrs. Albin Ratliff, Gary and Tommy, Mrs. J.R. Harris, Gary and Sharon and Rose Mary Pool.

There were 26 present for the Sunday School hour and several others arrived for the worship service.

The Rev. J.E. Moore had charge of the first worship service and later accepted the call as the missions first pastor.

Before many weeks had passed it was realized that the attendance was hindered because of the lack of room, so a partition was knocked out enlarging the auditorium. Soon that too was too small and plans were made for a new building on the back of the lot. By the time the Mission was a year old the new auditorium was completed, with a seating capacity of 200. The mission ask to be recognized in our association as Trinity Baptist Church. A letter was sent to the West Plains Association, to the effect that the members

of the church desired membership in the West Plains Baptist Association.

Charter members of the church are Marie Allen, Danny Allen, Mr. and Mrs. F.A. Allison, Mrs. W.R. Bowers, Mr. and Mrs. Charles Bratcher, Jimmy Bynum, Mr. and Mrs. Robert Bynum, Mrs. C.L. Campbell, Mr. and Mrs. Calvin Coley, Mr. and Mrs. Denver Daley, Ruth Dunn, Mr. and Mrs. C.W. Freeman, Mr. and Mrs. E.A. Glenn, Mr. and Mrs. R.P. Glenn, Mr. and Mrs. Elbert Hamilton, Mrs. Claudia Hinkle, Mrs. T.G. Howard, J.W. Johnson, Mr. and Mrs. N.L. King, Mr. and Mrs. Glendon Kenney, Mr. and Mrs. Everett Lookadoo, Everitta Lookadoo, Leona Lookadoo, Rev. and Mrs. J.E. Moore, Wanda Fae Moore, Mr. and Mrs. Cecil Penny, Mr. and Mrs. Troy Perkins, Joel Perkins, Robert Perkins, Glenn and Mrs. Glenn Phipps, Glenn and Kenneth Phipps, Mr. and Mrs. R.D. Pillow, Mr. and Mrs. J.W. Roberts, Ginger and Larry Roberts, Mrs. Ruth

Rush, James Rush, Mr. and Mrs. Robert Rundell, Mr. and Mrs. Roy Simmons, Mrs. Helen Stroud, Mrs. Reta Stroud, Charles Ann Talley, Carol Walters, Mr. and Mrs. M.T. Wilson, Patsy Wolf and Mrs. M.V. Robinson.

As the church continued to grow more classrooms were needed, so the small house and lot joining the property was purchased in October of 1956. In November of 1960, the church voted to construct a cabin on the lot at Floydada Baptist encampment. At the close of 1956, the first church year for the church, additions by baptism were added along with the 49 by letter.

Dedication services were held in the auditorium in 1958 for the building the First Church built for the Trinity Church. A corner stone was purchased. First deacons of the church were Wiley Bowers and Elbert Hamilton, selected in 1958. In the same year the Rev. George Wilton accepted the pastorate of the church. The Rev. Troy

Walker became the church's pastor in August of 1960 and the church bought a parsonage. A new piano was added to the church in 1960 and an organ in 1965.

The church added on again in 1961 when they built a 30 foot by 60 foot unit on the back of the auditorium.

During the years of the church Leon Perry, Gene Connell, Kenneth Johnson and Larry Baker have surrendered to preach and were licensed as ministers.

December of 1965 brought the church around again to the problem of being too crowded. Old buildings were moved off the property and construction was begun on the building which is to be dedicated Sunday.

The new building will seat 400 people and also added classrooms.

During the history of the church some 151 additions by baptism have been added and 443 added by joining by letter.

Mrs. James Lynn Brown
...the former Dianne Wilson

Dianne Wilson, James Brown Pledge Vows In Church Ceremony

Karen Dianne Wilson, daughter of Mrs. Bay Wilson and the late Mr. Wilson, became the bride of James Lynn Brown, son of Mr. and Mrs. Dee Brown, all of Muleshoe in a double ring ceremony performed in the Northside Church of Christ at 8 p.m. Friday, Frank Duck-

worth, pastor of the church officiated at the ceremony. Given in marriage by her brother, Gordon, the bride wore a formal length gown of candlelight silk organza featuring a portrait neckline edged in tiny seed pearls. The bodice and long petal point sleeves were

of re-embroidered alecon lace. Seed pearls also edged the lower bodice and midriff. The controlled bell skirt of silk organza extended into a full chapel sweep. Re-embroidered lace motifs accented the front of the skirt and the train. The bride's

finger-tip tiered veil of imported silk illusion attached to a tiara of seed pearls completed her attire. The bride also carried a white Bible adorned with Stephanotis cascading among yellow roses.

Mrs. Wyman Prater, Canadian, and sister of the bride, served as matron of honor. She wore a formal length gown of yellow peau de soie featuring scoop neckline and short sleeves. Her headpiece was of silk, yellow cabare wires attached to a short circular veil of yellow net. She carried a colonial bouquet of miniature flowers surrounded with seed pearls and centered with a single yellow rose.

Best man was the groom's brother, Gary Mac Brown, and ushers were Wyman Prater, brother-in-law of the bride, from Canadian, and Billy Wallace, Tahoka, fraternity brother of the groom.

Candlelighters were Roger Wilson, brother of the bride and Lewis Gray, cousin of the groom from Houston.

Miss Patsy Angeley, cousin of the bride, was soloist.

The setting for the wedding was an inverted v-type arch outlined with lemon candles with fern trees at the base. Candelabras and greenery added to the ceremony.

The bride's mother chose a royal blue silk shantung with black accessories for her daughter's wedding and complimented her attire with a corsage of yellow roses accented with pearls.

For her son's wedding, Mrs. Brown wore a beige lace suit with beige accessories and added a yellow rose corsage sprinkled with pearls.

Following the wedding, a reception was held in the home of the Gordon Wilsons at 1722 W. Ave. F. The serving table was laid with a white lace cloth over yellow. A milk glass punch bowl and a cake with a miniature bride and groom atop stood on the table with a centerpiece completing the decor. Napkins bearing the names 'Dianne and James' were used.

For traveling to Colorado Springs and other points of interest in Colorado, the bride chose a two piece linen suit with beige accessories and used a corsage of yellow roses from her bridal bouquet. The bride is a 1966 graduate of Muleshoe High School and will attend West Texas State

University in the fall. The groom is a 1962 graduate of Lubbock High School and is a senior student at West Texas State University and a member

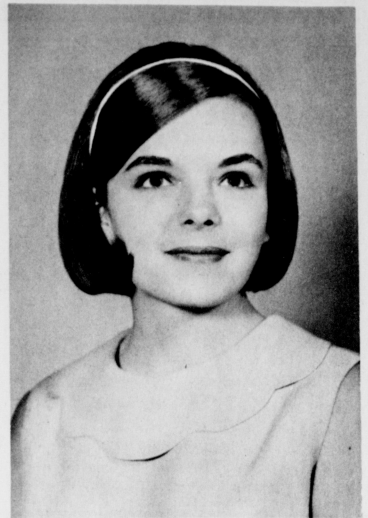

of Alpha Tau Omega National Social Fraternity. The couple will be at home at 211 Ave. B.

August Wedding Date Set By Nancy Hutcherson, Steven Young

Major and Mrs. Bishop A. Hutcherson Jr. of San Antonio announce the engagement and approaching marriage of their daughter, Nancy Lucia, to Steven Dillard Young, son of

Mr. and Mrs. J.B. Young Jr., Muleshoe.

Vows for the couple will be repeated at Kelly Air Force Base Chapel No. 1 Aug. 20 at 2:30 p.m. A reception will follow in the Kelly A.F.B. Of-

Nancy Lucia Hutcherson
...bride-elect of Steven Young

ficer's Club.

Miss Hutcherson was graduated from Kutasaki High School in Okinawa. The prospective groom is a graduate of

Muleshoe High School.

The couple plan to make their home in Lubbock where they will continue their studies at Texas Tech.

Dress Revue

The Sew and So girls of the Progress 4-H club met in the home of their leader, Mrs. Gordon Murrain for the purpose of putting in hems, facings, and also worked on their dresses. The girls then tried them on for fittings and modeling.

The county agent, Jean Martin presented a program to the girls on 'What's underneath counts, revue to be held July 28 at too' and 'Buying a ready made dress' also using accessories

was enjoyed by the girls.

Tani Murrain served refreshments to Andrea Hicks, Linda Mason, Kathy Pena, Barbara Wilhite, Junior leader, Jean Martin, agent and Mrs. Murrain, adult leader.

The girls will meet Tuesday to work on the covers for district dress review. Each girl will also work on postures to advertise the county dress on 'What's underneath counts, revue to be held July 28 at 8 p.m. in the high school auditorium.

Deanna Lynn Latimer
...bride-elect of Robert Schroeder

Deanna Latimer, Robert Schroeder Plan September Church Wedding

Mr. and Mrs. Clyde Latimer, Needmore, announce the engagement and approaching marriage of their daughter, Deanna Lynn to Robert Alton Schroeder, son of Mr. and Mrs. Walter Schroeder, Slaton.

Vows for the couple will be repeated in the Trinity Baptist Church here at 7:30 p.m. September 10. A reception will

follow at the church.

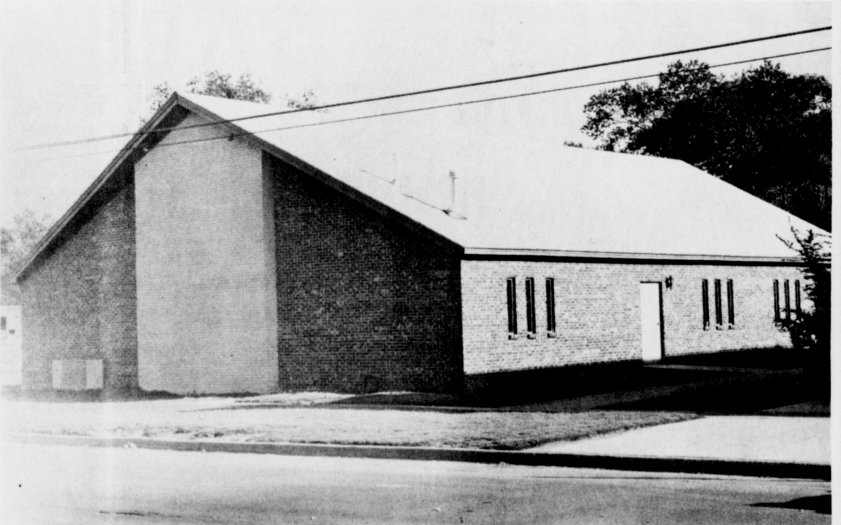

The bride-elect is a graduate of Muleshoe High School and is presently attending Draughins Business College in Lubbock, the prospective groom is a 1964 graduate of Roosevelt High School and is presently employed by Kersh Turf Supply Lubbock.

Visiting Sunday in the home of Mr. and Mrs. Martin Maxwell were Mr. and Mrs. Walter Bostick of Lubbock, Marilyn Landrum, Lubbock; Freddie Maxwell, Billy Drum.

Muleshoe Pupils Enroll For Tests

Approximately 15 Muleshoe area high school students went to Lubbock Saturday morning. These high school students have been enrolled by the Muleshoe consultant, Elma Pruitt, in the (ETARC) Educational Testing and Research Corporation's career guidance program for high school students. They arrived at the Lubbock Christian College in time to begin a series of tests at 9:00 a.m.

Each student is scheduled to take six tests consisting of tests in ability, college aptitude, reading comprehension, speed and vocabulary, area of interest, personality traits and study habits. The tests will be completed about 4:30 p.m.

Five other Muleshoe area high school students were tested June 4 by ETARC in their last test session. This session was also held at LCC and the students were enrolled in ETARC by their Muleshoe consultant.

By working with a student through various tests and counseling sessions, the professional ETARC career guidance program is set up to eliminate any of the problems faced by today's

students. Beginning with students of high school age, trained counselors will work with them until they have been placed in a suitable career position. Students will receive aid in such areas as career preference and possibilities, college and course selection, part-time job possibilities and job placement. These services are available to all high school students in Bailey, Parmer, Lamb and Castro Counties through ETARC's consultant, Elma Pruitt, 1725 W. Ave. D., Muleshoe, Texas.

Enough people are injured by this disease each year to put one victim in every U.S. hospital bed. Some 200,000 annually are permanently disabled. At present rates, the terrifying prognosis is that one out of every two living Americans will some day be injured by a car.

Biggest Killer The Motorcar

Auto-itis - a disease brought on by the sum of all the problems of the automobile - is a national killer that is striking hard.

It is a disease which has festered because of the change of the role of the automobile in our society. The car is no longer a luxury, but a necessity. Americans now have more cars than homes, more cars than children, more cars than pets. They take away this machine on wheels and our whole economy would collapse.

Auto-itis is killing one person every 11 minutes, 1,000 persons a week. It has killed more than twice as many people as all of our past wars to date.

Only cancer, heart disease, pneumonia and diseases of early infancy - of all the illnesses facing us - kill more of our fellow citizens.

The public is the victim of this disease. Only the public can cure it. Right now many people in many areas of influence are aroused - and here lies the hope of cure. Auto-itis should be and is being attacked by people - by legislators, insurance people, engineers, statisticians, highway designers and psychologists - in government offices, in business laboratories and on campuses. But unless each and every person keeps his interest at a fever pitch to wipe out Auto-itis, progress will be slow.

FOR EXAMPLE---This desk and chair set is just an example of the many items available at Williams Bros. Office Supply. See Wayne Williams before you buy anything for your office whether it is a pencil you need or complete furnishings.

**Modernize Your Office With Supplies
From Williams Bros.**

The busy businessmen of the Muleshoe area no longer have to spend valuable time going out of town searching for the right furnishing for their office or for supplies of any kind. Williams Brothers Office Supply, conveniently located at 319 Main, makes it their business to see that these necessities are available locally.

Wayne Williams, manager, has years of experience in the office supply business and is ready to help you with office furniture selections or bookkeeping systems. He is assisted by his wife, Louise, in the business.

At Williams Bros. Office Supply you will find typewriters, adding machines, filing cabinets, brief cases, desks, chairs, desk lamps, bookkeeping supplies including a wide variety of ledger sheets, pens, pencils, Eaton's Fine Line stationery and all types and qualities of typing paper. Artsupplies are also for sale.

These are only a few of the items to be found in stock at Williams Bros. Office Supply.

Call 272-3113 and the store personnel will have your order ready when you go by. They also assure you of fast delivery on special catalogue order through their store.

In parts of three seasons with the Los Angeles Dodgers, Pete Richert won a total of 12 games. Last season, his first with the Washington Senators, he took 15 decisions.

**Son Born To
R.H Cox's**

Mr. and Mrs. R.H. Cox Jr., Dallas are the parents of a baby son born in St. Paul's Hospital in Dallas Wednesday. The baby weighed 8 pounds. The father attends medical school in Dallas.

Grandparents are Mrs. Marie Cox, Lazbuddie and Mr. and Mrs. Alvin Allison, Muleshoe. Mrs. Cox is the former Sandra Allison.

**Teal Hunting
Again Planned**

A veritable blizzard of requests for information followed announcement by the Texas Parks and Wildlife Department that another special teal season will be held this fall.

A Department spokesman said the first mail after the word was released brought 317 inquiries.

Requests for applications have been arriving at the rate of more than 150 per duty day since.

Sportsmen interested in the experimental shoot, September 10-18, are requested to send complete names and addresses and the county of residence.

There is no fee for the permits and no limit on the number issued. But persons hunting teal during the assigned period must have the special teal permit, as well as a valid state hunting license and a Federal duck stamp.

At the present rate of inquiry, the spokesman estimated that the 1966 participants will exceed the 12,943 issued permits for the first teal hunt last fall.

The U. S. Fish and Wildlife Service, cooperating with the states in staging the experimental harvest, is eager to have a number of hunters participating in this hunt.

This they said, will aid in the studies to determine if a special season is feasible to enable sportsmen to harvest some of the teal as they speed southward well ahead of the regular fall waterfowl migration.

The three year experimental program also is expected to establish whether hunter cooperation will make a regular early season practicable.

Hunt managers point out that participants' ability to distinguish between the teal and other wild duck series, then present in smaller numbers, will weigh heavily in the final decision.

They stress the need for permit applicants to stress identification studies.

Almost 13,000 Texas hunters shared in the 1965 shoot with a minimum of violations, according to authorities.

Tracy Stallard won 11 games for the 1965 St. Louis Cardinals, one more than he won for the 1964 New York Mets. However, with the Red Birds he lost only 8 times, 12 less than he dropped with the Mets.

Guest Editorial - County-Wide News, Littlefield

Need For Paving

It was good to hear that the City of Littlefield is planning a comprehensive paving program. With more and more industrial prospects popping up all the time, we need to be able to show off our residential areas as well as our downtown area.

Unfortunately, when an industrial prospect comes in to a community, he does not ask to see the "ritzzy" area of town. He wants to go out into the working man's residential area and see if the prospects for employment take pride in their homes and yards. A member of the Texas Industrial Commission told some Littlefield representatives recently that an industrial prospect went into a community recently and immediately asked to be taken into the lower income residential area. When he saw it, he asked to be driven back to the airport. The industrial prospect stated that if the people in this area took no pride in their homes, they wouldn't work out as his employees. He further stated that he was not looking for high class homes in these low-income neighborhoods but, at least, the people could keep what they had in a much better shape than they were doing just by performing a little manual labor themselves.

Let us preface our further remarks by saying that we believe in open city council meetings with open invitations for anyone in the community to come before the council to discuss city business. In fact, we think more people ought to do so. The people who appeared at the recent hearing to protest portions of the paving program had every right to do so. We wouldn't have it any other way. However, we trust that the city council will keep the overall public interest in mind when they make their final decision on the paving program.

We would call to the attention of the protestors that a lot of thought and expense went into the planning of this program. It has been proven time and time again that piece-meal type programs cost more in the long run. We would further state that many people who protest the paving programs are the very ones who yell the loudest when maintenance is needed after a rain or inclement weather. In fact, we are told by engineers that it actually costs more to maintain certain streets than it would cost to pave them. Yet, the city cannot foot the entire bill for paving a street for one group of individuals, regardless of the cause, without paying for everybody's paving. This, incidentally, would be out of the question.

Littlefield has, perhaps, received more nation wide, favorable publicity for its downtown beautification and redevelopment project than did any of the actual winners of the "All-America City" award because we did it ourselves. The recent Associated Press story concerning our spurning of federal aid and urban renewal in order to "chop our own wood" received nationwide attention. This is almost a year after the final dedication of our project. People throughout the country are still interested in learning that a community or a group of individuals can still prosper and fulfill their obligations under the good old free enterprise and individual initiative systems. Even though many cities have joined the parade of those who are grasping for federal dollars, they still wince a little bit when they have to sign their lives away to Uncle Sam in order to get them. Thank goodness, Texas is still leading the parade in refusing all these so called benevolent programs even though there have been some serious surrenders in recent weeks.

Therefore, let us urge all our citizens to continue "chopping our own wood." If we are to expect complete services from our city, let us be willing to bear our share of the cost to make our city more attractive to new business and new residents. After all, this will mean more dollars in everybody's pockets in the form of new jobs and new payrolls spilling into the city's economy.

Finally, let every citizen yell to high heaven when he has a legitimate objection to anything the city is doing. However, when we have had our say and the final decision is made, let us close ranks and march toward a bigger and better Littlefield.

The "Go-Go" committee is taking a long-range look at merchandise promotion, going into the Christmas session, for example, with its present planning, Bass explained.

He said John Shelton is in charge of the Christmas planning, and Shelton will make a report on the Christmas plans by his sub-committee.
A report also will be given by Jerry Wagon on the recent sidewalk sale, first of its kind ever held in Muleshoe. Mrs. Wagon was chairman of the project, along with Lyndal Murray.

She is expected to report to the entire committee that the program was highly successful and probably will amount to similar such events held in the future.

A big back-to-school program also is in the making, Bass said, and elaborate plans are being made to line up a big school promotion program for sometime in August. Douglas Haynes is chairman, along with Kenneth Henry and Buddy Lane.

Bass said the sub-committee has in mind a special "Kids Day" for August when children from the entire Muleshoe area will be invited to Muleshoe for their special day. "We expect to invite the children from nearby towns as well as those from our immediate trade territory," Bass said. "We will ask them to come to Muleshoe to do their back-to-school shopping, and for the day, all stores in Muleshoe will offer special bargains."

A final part on the program will be a discussion of the farm labor housing situation, with Jimmy Dale Black as the speaker. Bass said Black, who heads the Chamber's labor housing committee, will be asked "to tell how the merchants can aid in fostering a labor housing program if one is decided upon."

Concluded Bass: "We think our meeting next Tuesday will be an especially important session, and we hope every member of the committee will be on hand to express his opinion on the important steps which we are considering for summer, autumn and winter promotion projects."

Former major league manager Buckey Harris scouts for the Washington Senators.

Today is to be 'Jim and Minnie Moore' day at the First Methodist Church here, the pastor, the Rev. J. Frank Perry has announced. He said Mr. and Mrs. Moore have been with the church for more than seven years as custodians and will retire today. A table in the narthex of the church will be set up for gifts for the retiring Moores, he explained.

Muleshoe Motor Co. has been selected as one of the country's outstanding Ford Dealerships and received Ford's 'distinguished achievement award' at a special program in Dallas Friday. The award is presented 'in recognition of progressive management, modern sales and service facilities, sound merchandising practices, high quality standards and continuing interest in rendering a superior service to Ford owners.'

Earth instead. Said one of the riders: "Come to think of it, I guess 20 miles is a pretty long walk for most horses. They just walk around the home grounds these days, and when they are required to travel a considerable distance, they ride in trailers."

"And boy are they (the horses) smart! They've learned a long time ago that if you're going someplace it's a lot more fun to ride in a horse trailer than to clomp along the road on their own four feet!"

FFA...

television and news media. The Muleshoe Chamber of Commerce has been informed. The first runner-up will receive a \$100 gift certificate, and the second runner-up will receive a \$50 gift certificate. This is one of the outstanding beauty contests in the Southwest. The selection of the Wheatheart of the Nation has been a highlight of the area since 1947.

Any single girl 16 years of age or older, with a good reputation and character, properly endorsed by a civic club or business firm is eligible for this contest. Only one contestant will be permitted from each town.

She will appear in the Perryton celebration parade, will attend a luncheon, attend a practice and interview session in the afternoon and will be judged in formal and bathing suits in the contest. Judging by out-of-town judges, will be on the basis of beauty, personality, poise and figure.

A recent photograph of each contestant is desired if at all possible, in order that proper publicity may be given. A short synopsis of the life of the contestant will be appreciated.

The deadline for entering this contest is August 10. An entry blank may be obtained at the Muleshoe Chamber of Commerce office.

Chamber...

of 2100, which would be slightly less than last year's starting figure. However, he explained that the new farm program, which has eliminated the need for many farm workers formerly used here, has reduced the school population somewhat. He said also that the weather and crops are a factor in the opening week's enrollment. "We have found that the weather always plays an important part in our enrollment figures at the start of the school year, and of course, crops are always a major consideration. This year, I'm sure, will be no exception."

Littlefield...

of the industrial site. The \$50,000 cash outlay will be used for installation of utilities, sewer and paving at the site. Other utilities will be installed at no cost to the corporation, the officials pledged. The industrial corporation has the support of the Littlefield Chamber of Commerce's Industrial Development Committee. There are nine Littlefield men who make up the committee charged with the responsibility of raising the needed money. Sale of stock in the corporation will be one method used.

W. C. Culbert Receives Training

Wynard C. Culbert, Jr., son of Mrs. W.C. Culbert of 509 W. Ave. B, Muleshoe recently enlisted in the United States Navy and is presently undergoing recruit training at the U.S. naval recruit training center, San Diego, California.

According to Petty Officer, Don Guy, navy recruiter in Clovis, Culbert will under go nine weeks of training that includes indoctrination in naval history, customs, and leadership, along with naval ordnance, seamanship, firefighting, and NBC warfare. Upon completion of the training he will be granted a 14 day leave to visit with relatives and friends before reporting to his new duty station.

some stamp prices with today's prices. Some pre-world covers were also on display. An auction was held and the district stamp meet is scheduled to meet in Muleshoe July 23 at 4 p.m. in the Methodist Church Fellowship Hall. Anyone interested in collecting is invited to attend.

ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY

FREEDOM

Inscription for the Statue of Liberty

BY EMMA LAZARUS

Give me your tired, your poor,

Your huddled masses yearning to breathe free,

The wretched refuse of your teeming shore.

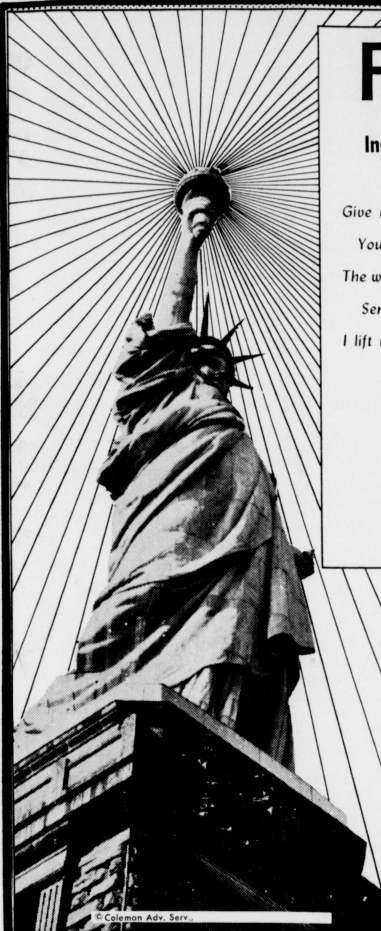

Send these, the homeless, tempest-tossed, to me:

I lift my lamp beside the golden door.

This truly reflects the attitude of a nation living close to God. The concern and love for others grows through Christian fellowship. Attend Church Regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
