

Kracker KrumbS Odds Bits Salvaged at Handout

It's wonderful how people come to the aid of others in times of disaster or distress.

And those who've had similar experiences are the ones who realize the need promptly and are quicker to offer their services and money.

We're thinking of how quickly neighboring towns came to the aid of the storm stricken area last week.

Many people who were comfortable and happy in their homes at noon Friday found their families torn asunder, their homes wrecked, all their belongings destroyed by disaster just a little over two hours later.

As soon as word of the havoc wrecked by the tornado got to other towns, volunteers began heading toward Knox City.

From all neighboring towns came ambulances, doctors, volunteer workers—and some just sightseers.

But what stands out most prominently is how quickly towns that had experienced similar disasters came to the aid of the stricken area.

From Olney, which was torn by storm last year, came those who, through experience, knew how to take charge and organize workers into orderly teams for rehabilitation and relief of those stricken.

From Crowell, where the same type of disaster struck a few years ago, came volunteers, their fire trucks and their police and others.

Crowell, which always raises her Red Cross quota the first day of the annual drive, knows the value of prompt relief during such times.

Olney, whose people know the sorrow and the heartaches, the financial strain in the first stages of rehabilitation, was among the first to start raising an emergency relief fund for these areas in Knox and Haskell counties.

Munday sent her volunteers, too. Some were on the scene to help evacuate the patients in the Knox County Hospital soon after the storm. And these are those who expressed their admiration for Crowell and Olney for their numbers of volunteer workers who really knew what the disaster meant to the people.

The relief fund was started in Munday, too. In a meeting of citizens Monday morning, which really gave impetus to the fund's drive, we heard such remarks as this:

"That was getting pretty close to home. Disaster hit people of our own county, and it could have just as well been us. We must give liberally to the relief of our neighbors."

From around 25 people present at the meeting came voluntary contributions amounting to \$1,100. And, as we said, the drive was given impetus right there.

As this is written, we don't know how much was raised locally. It was planned to make the local drive fast—because disaster struck fast last Friday.

It doesn't mean the drive is over after Munday's business and professional people are contacted. Other contributions can be made to the Chamber of Commerce, or most any business place in town.

Contributions need not necessarily be confined to money. Those people who lost everything need clothing, bedding, bed clothes, kitchenware, hundreds of items.

Word came early this week, too, that newspapers in Abilene, Wichita Falls and Fort Worth are serving as collection points for contributions for their areas.

People in Texas do things like Texans! They open their hearts and provide of their means to those hit by disaster.

15 Dead, Scores Injured In Storm Areas

C. A. Reed, Knox City Grocerman Dies On Monday

C. A. Reed, prominent businessman of Knox City, died at 6 p. m. Monday in the Baylor County Hospital in Seymour.

Mr. Reed suffered a heart attack on Wednesday of last week, and was a patient in the Knox County Hospital when the tornado struck last Friday afternoon. He was evacuated to his home after the storm had done severe damage to the hospital.

Mr. Reed suffered another heart attack after reaching home, and was taken to the Baylor County Hospital. His condition continued to grow worse.

In October of last year, Mr. Reed suffered a \$200,000 fire loss when fire destroyed his grocery store and apartment building above the store. After that time, Mr. Reed operated the grocery in a temporary location while the store was being rebuilt. He had been in the grocery business in Knox City for many years.

Mr. Reed was an active member of the Baptist Church and the Masonic Lodge.

Surviving him are his wife; two sons, Charles, 19, and Tommy, 4; three daughters, Jane, 11, Martha, 10, and Sue, 1.

Funeral services were held from the Knox City Baptist Church at 2:30 p. m. Wednesday, with Rev. E. V. Becker, pastor, officiating. He was assisted by Rev. W. D. Malone of O'Brien and Rev. S. E. Stevenson of Goree.

Oil Activities

Site for a 7000-foot Knox County wildcat, the No. 1 Alexander Estate, four miles southwest of Truscott, has been staked by Sid Katz et al.

Several wildcats have recently been abandoned in the county. They are:

Hunt Oil Company No. 1 Bob by B. Burnett, northeast of Benjamin, dry at 6332 feet.

Humble Oil and Refining Co. No. C-1 McFadden Estate, eight miles west of Benjamin, plugged at 6315 feet.

Stanolind Oil and Gas Company has plugged the No. 3 J. V. Denton, 2½ miles northeast of Knox City, at 4345 feet.

Wichitan Speaks To Lions Club

Once again members of the local Lions Club were royally entertained last Tuesday.

Lion Frank Crippliver of Wichita Falls spoke to the club on Americanism. His talk was very appropriate and had an abundance of anecdotes. Mr. Crippliver is past president of the Wichita Falls club, past district governor, and is now a director in the Wichita Falls club.

Another bright spot on the program was the solo by Lion Bruce Edwards. His contribution was greatly appreciated.

Guests included Lions Crippliver and Ira D. Brown of Wichita Falls, Lion DeHart and Mr. Harrod of Abilene.

The local club meets each Tuesday noon at the Igloo.

BILL MACK AND BLUE SAGE BOYS COMING

For your entertainment the Munday Home Demonstration Club announced this week that they are sponsoring Bill Mack and the Blue Sage Boys at the Grade School Auditorium next Tuesday night, March 24th, at 8:00 o'clock. You have enjoyed Bill Mack and the Blue Sage Boys on the radio so here is your opportunity to enjoy them in person.

RECEIVES DISCHARGE

James N. Smith received his discharge from the Army last week at Fort Monmouth, N. J., and arrived here last Sunday night for a visit with his parents, Mr. and Mrs. B. E. Smith.

Munday People Join In Task Of Helping Rehabilitate Storm Area

Citizens of Munday and surrounding area are opening their hearts and loosening their purse strings this week in joining other towns in helping rehabilitate those in the storm stricken area. Those who suffered from the storm are regarded as "our neighbors in distress," and most all of Munday knows how her people are willing to have a part in relieving that distress.

Trucks came into Knox City from all directions last Monday to help Knox City dig out of the storm's destruction. Some 120 trucks hauled 1,000 loads of debris from the hard-hit 35-block area.

Trucks from Munday were from the oil mill, the city's own trucks, and those of willing individuals. They were joined by trucks from Olney, Crowell, Odell, Quanah, Waggoner Ranch, Seymour, Rule, Rochester, O'Brien, Haskell, Stamford, Goree and possibly other places.

The vehicles hauled the rubbish—parts of homes, shade trees, a child's crib and other things—to a northwest disposal area. Bulldozers shoved the debris into piles.

Relief Fund Growing
A drive to secure donations toward the relief fund, which got started Sunday, really went into high gear Monday morning when some 25 of Munday's citizens gathered to begin the drive. Quickly some \$1,100 was subscribed by those present.

A committee composed of W. E. Braly, J. L. Stodghill and Lee Haynes selected teams to work the various sections of town—and the drive was on. Scarcely a person was contacted who did not make a contribution, and by nightfall the fund had grown to \$3,336.

But the drive was not over, and is not over yet. Others are continuing to drop into the Chamber of Commerce office and make contributions.

At four o'clock Tuesday, the committee went to Knox City to turn the funds over to C. E. Williams, who is heading the disaster relief fund, and they took over \$4,000 with them. Other contributions came in after they left, and these will be accepted at the Chamber of Commerce office through the remainder of the week.

Wednesday morning the committee was \$98.50 short of their goal of \$5,000. Contributions through the remainder of this week will be accepted at the Chamber of Commerce office, and those who want to contribute can help to reach this goal.

Clothing Given, Too
Munday ladies are doing their part, too. A group headed by Mrs. Don Combs began a drive for clothing when it was learned that clothing, bed clothes, kitchen utensils, etc., were needed.

By late Monday, these ladies began bringing in the clothing, and box after box was stacked in the Chamber of Commerce office. Other boxes continued to come in through Tuesday, and Mrs. Combs and others began the task of sorting the clothing into sizes for children, men's garments and women's clothing. As the clothing come in and is sorted, it is sent to Knox City and turned over to the proper agencies to be distributed to the storm victims.

It is impossible to name all the donors, or all the workers. Many people gave of their time as well as their money. It's wonderful to know how liberally a little community comes to the aid of another when disaster strikes.

Funeral Services For Weaver Infant Held On Tuesday

Funeral services for the infant son of Mr. and Mrs. Glenn Weaver were held at 2:30 p. m. Tuesday at the graveside with Clifford Wilson, minister of the Church of Christ officiating. Burial was in Johnson Memorial Cemetery by Mahan Funeral Home.

The child was born at the Baylor County Hospital in Seymour on Monday March 16, and lived only a few hours.

Besides the parents, he is survived by his grandparents, Mr. and Mrs. Bert Weaver of Munday and Mr. and Mrs. H. B. Smith of Kemp, Texas.

THE DEATH TOLL OF TORNADO'S FURY

The fifteen persons killed by the tornado included:

At Jud—Mrs. I. B. Ashley, 49; her daughter, Glenda Sue, 3; her son, Carlton Richard, 10; and her granddaughter, Velma Ruth Taylor, 5. Another daughter, Ruth, 15, died in the Haskell County Hospital at 9:15 a. m. Sunday.

At or near O'Brien—Mr. and Mrs. Fred Qualls; Mrs. Joe Klutts, 31; her son, Jimmy Henry Klutts, 13; her daughter, Mary Bell Klutts, 11; and a friend who lived in a trailer house on her premises, Mrs. Tricia Littlejohn, 21. Mrs. Littlejohn's baby, 18 months old is in the Haskell hospital in a serious condition. A wire report that a Thelma Klutts, 16, was killed was erroneous.

At Knox City—W. W. Hyde, 76, mail carrier for 34 years; J. T. Darr, 76, of Route 2, Knox City; Mrs. Martina Avolas, about 65; of Knox City; and Mrs. Avolas' daughter, Mrs. John Escobar, about 45, of O'Brien. Mrs. Escobar was visiting Mrs. Avolas and the pair were thrown more than a block away when Mrs. Avolas' home was shattered.

Mrs. W. J. Wallace Passes Away At Seymour Hospital

Mrs. W. J. (Jack) Wallace, beloved resident of Munday for almost 60 years, passed away Wednesday at the Baylor County Hospital in Seymour. She had been in ill health for several months and seriously ill for the past few weeks.

Mrs. Wallace was born Mary Leda Owens in Alabama on January 16, 1881, and was 72 years, two months and two days of age. She was married to W. J. Wallace on September 19, 1896, and the couple came to Knox County in 1898, making their home here since that time.

Surviving her are her husband; nine sons, Lawson, Carl and J. C. Wallace of Munday, Ray of Jayton, Albert, Averill and Arthur of Los Gatos, Calif.; Aaron of Wichita Falls, and Frank of Semole; three daughters, Mrs. Lizzie Brown of El Cajon, Calif., Mrs. Anna Mae Waggoner of O'Donnell, and Mrs. Bernice Marie Elliott of Monahan; 52 grandchildren and 31 great grandchildren.

Other survivors include three brothers, Pick Owens of Hugo, Okla., and Bud and Ed Owens of Corsicana; a sister, Mrs. A. D. Wallace of Munday.

Funeral services were held from the Christian Church in Munday at three o'clock Thursday afternoon, being conducted by Rev. T. F. Strother of Fort Worth. Burial was in Johnson Memorial Cemetery by the Mahan Funeral Home.

Plans Going Forward For C-C Banquet April 2

Plans for the annual Chamber of Commerce banquet, to be held at the school gymnasium on Thursday night, April 2, are going forward nicely, according to Worth Gafford, president.

Ticket sales opened last week, but tickets are not selling very briskly at present. In view of the fact a capacity crowd is expected, those planning to attend the banquet are requested to secure tickets as early as possible.

Mr. Gafford is anxious that all Chamber of Commerce members possible attend the banquet, since it is the highlight of activities for the year.

The speaker, Jeff Williams of Chickasha, Okla., is the main drawing card of the event, and many visitors from other towns are expected to be present to hear him.

TO THE PEOPLE OF MUNDAY:

It is with humility in our hearts that we attempt to express our gratitude to you, our neighbors, who have been so generous with us in our disaster.

It would be impossible to name the hundreds of you who have helped us.

To those of you who have given so unselfishly of your money, your time, energy and clothing we say "thank you, thank you from the bottom of our hearts."

—The Citizens of Knox City.

Citizens of Knox City, Jud, Rochester and O'Brien, slowly recovering from the shock and heartbreak of the vicious tornado which left death and destruction in its wake last Friday afternoon, are busy this week burying their dead, caring for their wounded and cleaning up the debris of what a few days ago were comfortable homes of happy citizens.

The twister slammed into Knox City at 2:20 Friday afternoon, after having laid waste several homes in the Jud, O'Brien and Rochester areas and leaving several persons dead. Coming in from the southwest, the tornado struck the Knox County Hospital and Knox City Clinic, wreaking damage that has been estimated at over \$200,000, then raged through an eight-block residential section of the town, leaving practically nothing where comfortable homes had stood a few minutes before.

Soon after it passed, stunned citizens began gathering up their dead and injured, bringing many of them to the only place they knew for medical attention—the ravished hospital.

Ambulances, doctors and nurses, volunteer workers from many neighboring towns began pouring into Knox City as soon as news of the storm reached them. The 27 patients in the hospital were moved to their homes or to hospitals in Haskell, Stamford, Abilene and Seymour.

Ambulances from Munday, Seymour, Haskell, Rule, Rochester, Goree and Wichita Falls helped to move the dead and injured to funeral homes and hospitals.

Power, water, gas and telephone service were all knocked out, but were restored to portions of the town by 9 p. m. Friday.

Insurance adjusters estimated the \$500,000 damage toll in Knox City. Twenty homes here reported to Red Cross headquarters as having been destroyed, 23 suffered major damage and 51 minor damage. In addition one garage firm was destroyed and major damage was suffered by the Knox County Hospital (\$175,000), the doctors' clinic, a cafe and nurses home. Garages and other buildings struck by the tornado in Knox City included 31 destroyed, four major damage and 12 minor damage.

Eight homes in and around O'Brien and two at Jud were destroyed, bringing the total residences and business firms damaged or destroyed by the tornado to 109 in the two counties—99 of them in Knox City.

Clinic Set Up
A clinic was set up in the American Legion building to replace temporarily the loss of the hospital and doctors' clinic. Dr. Ben Bowden of Knox City said it was hoped a portion of the hospital building could be reopened some time this week.

The Salvation Army unit, directed from Abilene headquarters, served free meals to many of the homeless—including 500 sandwiches, 10 dozen doughnuts, 60 gallons of coffee. The homeless moved in with other families whose homes were not in the path of the storm. Thirty-five blocks were hit in Knox City by the violent winds.

Ham radio operators from Knox City (C. E. Williams and Perry K. Jones) and Goree (Dud Coffman) worked through the night Friday to handle emergency calls.

Church Dedication At Gillespie Set For March 29th

Members of the Gillespie Baptist Church are going forward with plans for dedicating their new church building on Sunday, March 29.

Many members are working with the pastor, Rev. Roger Butler, in completing the dedication plans, and many former pastors are expected to be present for the occasion.

The dedication service will begin at 2 p. m. Sunday, March 29, it was stated.

Mr. and Mrs. Hollis West of Meadows are visiting his parents, Mr. and Mrs. I. L. West.

HOSPITAL HIT—When the tornado swept through Knox City Friday afternoon, there was no place for emergency aid. The Knox County Hospital was one of the first buildings hit by the high winds. Twenty-seven patients and personnel of the hospital escaped injury. All patients were sent home except one man who was transferred to Seymour Hospital. Heavy damage resulted to the hospital building, constructed in 1926.

Plans Going Forward For C-C Banquet April 2

Plans for the annual Chamber of Commerce banquet, to be held at the school gymnasium on Thursday night, April 2, are going forward nicely, according to Worth Gafford, president.

Ticket sales opened last week, but tickets are not selling very briskly at present. In view of the fact a capacity crowd is expected, those planning to attend the banquet are requested to secure tickets as early as possible.

Mr. Gafford is anxious that all Chamber of Commerce members possible attend the banquet, since it is the highlight of activities for the year.

The speaker, Jeff Williams of Chickasha, Okla., is the main drawing card of the event, and many visitors from other towns are expected to be present to hear him.

Mr. and Mrs. Jack Benton and sons of Fort Worth spent the week end with her parents, Mr. and Mrs. J. D. Crockett.

Band Boosters To Present Famous Cowboy Band Here On April 9th

On Thursday evening, April 9, at 8 o'clock in the Grade School Auditorium, the world famous Hardin-Simmons University Cowboy Band will present the stage show which took Europe by storm in December, 1933.

This is your chance to see the show which played for thousands of soldiers in Europe; from Rome to Paris, in Berlin and London.

This is your chance to see the band acclaimed by all who heard

it as the finest group of entertainers ever to tour the USO circuit in Europe.

The Cowboy Band is presented as the feature of the 2nd Annual Carnival of Music sponsored by the Mogul Band and the Munday Band Booster organization. Admission is \$1.00 for adults and 50 cents for students, and tickets will be on sale beginning Monday and can be purchased from any Band Booster or Band member.

GRASS ROOTS OPINION

LONG PRAIRIE, MINN., LEADER: "Federal aid for schools is bad for two reasons in particular: 1. Federal aid to schools would mean eventual federal control of education. 2. Federal aid is not necessary. There is not a state in the union that is not better able to support its schools than is the federal government to take on the new burden. The total debt of all the 48 states is less than \$24 billion. The debt of the federal government is now in excess of \$265 billion."

KNOXVILLE, IOWA, EXPRESS: "When the unions become political parties instead of organizations for the worker's welfare then the benefits that could be gained turn into loss of work for the laborer and loss of production for the nation as a whole."

WALTERBORO, S. C., PRESS AND STANDARD: "Too many of the elected representatives of the people have forgotten one true fact—the power to tax is the power to destroy."

VIRGINIA, MINN., MESABI DAILY NEWS: "The mills of the gods grind slowly, but the output of government press agents flows as a torrent."

YOU CAN'T EAT TAXES, BUT—

You can't eat taxes.
 You can't wear taxes.
 But you must pay more for taxes than you do for food and clothing combined!

In 1951, total federal, state and local taxes, direct and hidden, came to \$84,600,000,000. In the same year total food and clothing purchases added up to \$81 billion.

We have reached the point where the tax burden is the largest single item of expense to millions of American families. Many of us haven't yet realized this for the reason that a substantial part of all taxes are paid indirectly—that is they are part of the price we pay for an automobile or a loaf of bread or a pair of shoes or a ticket to a show. But we pay the full bill just the same—whether the money is handed over directly to some tax-collecting agency, or whether it is concealed in the cost of goods and services.

It is generally believed that the danger point to a nation's strength and vigor is reached when taxes account for 25 per cent of the national income. Our taxes have left that figure far behind. About 33 per cent of the national income goes for taxes. And no one should be foolish enough to still believe that we can pay the tax bill by soaking the rich. If we took 100 per cent of the incomes of the rich it would pay the cost of government only a few weeks out of the year.

You—the average man or woman—pay the tax bill. You will be the gainers if and when the cost of government is cut.

WILD AND WOOLY

Not long ago many of us wistfully envied the cattlemen. Prices were high, demand seemed limitless in spite of that, and tale after tale of fabulous profits came from the beef-producing regions.

Now the picture has undergone an almost incredible change. Steers that sold for as much as 40 cents per pound are going to market for as little as 20 cents. In case after case, heavy losses have replaced the big profits.

In its February 20 issue, U. S. News & World Report deals vividly with what has happened. It explains the causes—the tremendous increase in our cattle population, the potent influence of weather, the speculative spree and the dream of vast profits which caused people who knew little or nothing about the cattle business to enter it as a sideline, the booming cattle auctions where producers sold to each other at ever-rising prices.

U. S. News emphasizes that this hasn't been a fatal blow—there is still money to be made in cattle, and over a period of time the losses will be paid off and recovery attained. There has been no big rush of cattlemen to Washington for government aid. At the end the magazine says, "Most cattlemen are willing to concede that the big prices of the postwar years are probably gone for good. Many don't want to see such prices again. . . . But almost all of them agree with the Texas livestock man who said that the spree, while it lasted, was one of the wildest, wooliest, crap-shootingest booms that ever was seen."

So much for the facts. The moral seems to be that in a free, competitive economy, that which goes up must eventually come down.

INDUSTRY HELPS FILL NEED FOR PLAYGROUNDS

America's record postwar baby crop is booming the demand for safe places to play.

Through taxation and special contributions, industry is paying a large share of the nation's bill for recreation. Many companies are doing more. They are financing industrial recreation programs to keep their employees happy in leisure hours. And they are not forgetting the children. They have established playgrounds on their plant park sites, equipped with swings, slides, castle towers, merry-go-rounds and other devices.

This builds good will for the employers, of course, but most important of all it builds good American citizens.

"To be successful, a company must be staffed with men who not only do a good job but who enjoy doing it."—I. W. Wilson, Aluminum Company of America.

Churches of Christ Salute You

WHAT IS THE CHURCH OF CHRIST? No. 2

Learning that "He that believeth and is baptised shall be saved (Mk. 16:16), we rejoice in salvation immediately on having been baptised into Christ (Acts 16:33-34).

Being added by the Lord to the New Testament church (Acts 2:47), and having no desire to be a member of any other, we have been as a separate body of people from the denominations, but not being denominational in any sense, since we take the New Testament as our only rule, Christ as our only head and leader, and the church that Jesus built as our only institution of religion.

As Christians only, we meet on the first day of each week, the Lord's Day, for the purpose of breaking bread, and remembering Him in this memorial feast (Acts 20:7), (1 Cor. 11:17-30).

At this service we also sing without distraction of a mechanical instrument since the Lord said to make melody with the heart. (Eph. 5:19), (Col. 3:16).

We strive to uphold the pure Gospel of Christ publicly and privately, since "it is the power of God unto salvation" (Rom. 1:16), and men must obey it or be punished (2 Thess. 1:7-9).

Realizing that it is the doer of the word (Matt. 7:21) who is blessed when he obeys and not before (Heb. 5:9), we exhort all men to become obedient to the Gospel in order to enter heaven. (Rev. 22:14).

Knowing, too the frailty of humanity, the power of temptation, we beseech those who are members of the church to take heed lest they fall (1 Cor. 10:12), bearing in mind that there are those who have fallen from grace. (Gal. 5:4).

Thus, standing for the truth of God like the rock of Gibraltar, we "beseech you on behalf of Christ, be ye reconciled to God." (2 Cor. 5:20)

Knox Prairie Philosopher Wants A Law Guaranteeing Him \$5,000 If He Doesn't Move Off In Five Years

Editor's note: It's sometimes hard to figure out what the Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is talking about, and this week is no exception. Dear editor:

You know in these days some people figure you can solve any problem from naggin' women to bad credit at the grocery store by passin' a law, and I wasn't surprised the other day when I picked up a newspaper which got caught against my hog wire fence out here which I keep in good repair because it stops more papers than a bobwire one where some legislator is proposing a constitutional amendment to put more doctors in small towns.

Under his plan, a state board would set up to loan deserving medical students \$5,000 for four years of study. When they graduated, if they practiced medicine in a small town, the loan would be considered repaid. If they went right to a city, they'd have to pay the money back plus four per cent interest.

Now a lot of people contend this is an unnecessary law, if a young doctor can make it for five years in a small town, nobody has any business bribin' him to go there in the first place, and if he can't make it or won't

J. A.

stay there even if he can, why go to the expense and trouble of givin' him a free medical education to start with?

But I don't look at it that way. My only complaint is that the proposed law doesn't take in enough territory. For example, we not only need doctors in small towns, we also need drug-

ALWAYS, You Need It . . .

You pay your grocer—with money.
 You pay your insurance premium—with money.

You pay your doctor, your dentist, your lawyer—all with money.

Sometimes you need more, sometimes less, but always you need it. The best way to accumulate money is through a bank account. Why not start now?

This bank can care for your every legitimate banking need.

The First National Bank

IN MUNDAY

Member Federal Deposit Insurance Corporation

gists, blacksmiths, soda skeets, lumbermen, bankers, preachers, teachers, drygoods merchants, etc. That young fellow ought to broaden his law to take in all these, give each young man interested in any of these fields \$5,000 to go to school on, and thus guarantee at state expense that the small town will endure forever.

Moreover, take me. It's a little late for me to get in on that \$5,000 gift in an educational sort of way, but practically every small town needs farmers livin' around it, it seems sort of customary, at least nearly every town I ever heard of has a bunch of farmers livin' around it, don't know whether it just happened that way or was planned by the legislature, and what if me and a lot of other farmers decided we could make a lot more in the city? It's one thing for a small town to be without medical service, but have you ever seen one that tried to get along without food? What I'd like to see is a law passed givin' me and all the rest of the farmers around here \$5,000 if we'll agree to stay on our farms for five years. If any-

body moves off before then, he has to pay the money back plus four per cent interest, which is a reasonable rate, even if you move.

This seems like an imminently fair bill and I'd like to see it included with that other bill. No use in a man being penalized just because he was born too soon before a new idea in legislation was thought up.

Your faithfully,
 J. A.

Lloyd Haynie, who has been stationed at Fort Monmouth, N. J., received his discharge there last week and arrived here Sunday night for a visit with his parents, Mr. and Mrs. Charlie Haynie, Sr.

Mr. and Mrs. J. W. Henderson and Mr. and Mrs. H. H. Huckabee of Olton were week end guests in the home of Mrs. Freddie Morrow.

WHERE THE STORM FIRST STRUCK—As a death-dealing tornado roared out of the southwest Friday afternoon, the first building to be struck was the Knox County Hospital, shown

above. The windows on this side of the building were blown inward. On the front of the structure, suction created by the twister popped out plate glass and glass brick windows with ex-

plosive reports. A brick veneer wall was pulled completely off, from corner to corner and from foundation to roof. Twenty-six patients escaped injury and were evacuated within minutes after

the storm passed. Damage to the building was estimated at \$200,000.

AUSTIN HIGHLIGHTS

By Senator "Cotton" George Moffett

Members of the Legislature receive many requests to spend money for various purposes. Some requests have reasonable justification; some only a little justification. Irrespective of what the Legislature may deem to be wise about spending money, there is a limitation in the State Constitution upon how much the Legislature can spend. This Constitutional limitation provides that the Legislature cannot authorize the spending of more money than the tax laws will bring in within the following two-year period.

The Legislature meets in regular session each two years, and appropriates money to operate

the State government for the next two years only. If the sum total of the various appropriation bills is greater than the tax revenues, the Legislature must either cut down the spending or increase the taxes. We are up against that proposition right now. Some of our tax laws are not yielding as much as they did before the war boom began to ebb. Consequently, the revenues for the next two years (unless new taxes are levied) will probably be barely sufficient to operate the State government on the same salary scale that has prevailed for the past two years. An increase in salaries, or other expenses, must come from new or increased taxes. I mention this point because, judging by the letters which reach us here in Austin, there seems to be much lack of information about it.

I am often asked how much

revenue the State received from natural gas in Texas. There is, and has been for a number of years, a tax on natural gas at the mouth of the well. This tax has been upheld by the Courts. In 1932 the tax on natural gas at the mouth of the well yielded \$17,598,207.03 to the State treasury. Twenty years ago this same tax on natural gas at the mouth of the well yielded only \$205,201.00.

Two years ago the Legislature passed a law providing for a tax on natural gas pipelines. This new tax on gas pipelines is now tied up in the courts. It will probably be 12 months longer before the Supreme Court of the United States passes on this new tax. If the Supreme Court upholds this tax on gas pipelines it will really help out the financial condition of the state of Texas. But the question before us is: What should be done now? Should new taxes be levied or should we wait until the next session two years hence? We need helpful suggestions on this point.

Mr. and Mrs. Albert Minton of Woodson were Sunday guests in the home of his sister, Mrs. F. L. Bowley, and husband.

Mr. and Mrs. Don Wardlaw and Lynn Reynolds visited relatives in Fort Worth and Denton over the week end. Lynn also visited with his friends who are attending college in Denton.

COBB'S DEPT. STORE

"The Store With the Goods" Munday, Texas

Facts prove: Dodge offers more features, more value, more truck for your money!

Yes—listed at right are features you need for profitable hauling . . . features that save hundreds of dollars over the life of a truck! Yet of the 3 leading makes of trucks, only Dodge gives you these . . . and many more . . . extra values! It's no wonder that truck owners the country over are saying, "Dodge

puts more value in its trucks . . . I get more profits out!"

That's why it's just good business to see the new Dodge trucks before you buy. Thirty minutes now may pay you big dividends in the years, and miles, ahead! Stop by today for a deal you'll be glad to accept!

See... Drive... Compare... Come in today!

OF THE 3 LEADING MAKES OF TRUCKS, ONLY DODGE "Job-Rated" TRUCKS GIVE YOU . . .

7 POWERFUL ENGINES, with 100 to 171 h.p.—3 engines brand-new. Of the 3 leading truck manufacturers, no one offers as many engines as Dodge. Assures the right engine for the job.

TRUCK-O-MATIC TRANSMISSION with glycol fluid Drive, for the best in shift-free driving. Available in 1/2- and 3/4-ton models.

SUPERSAFE BRAKES of the advanced dual-primary type in 1- through 4-ton trucks. Of the "Big 3," only Dodge offers these up-to-date brakes.

More power in the 1 1/2- and 2-ton ranges than the other 2 leading makes.

More pick-up bodies than the other 2 leaders, including new 116"-wheelbase 1/2-ton pick-up.

Greatest 1/2-ton-panel payload and cubic capacity of the 3 leaders.

Fluid coupling, for smoother traction in 1/2-, 3/4- and 1-ton models, offered only by Dodge.

2 fuel filters on all models to assure cleaner fuel and a cleaner engine.

Floating oil intake selects clean oil just below the top; avoids sediment at bottom of crankcase.

Water-distributing tube on all models directly cools valve seats . . . means longer valve life.

Exhaust valve seat inserts on all models for better valve seating, longer engine life.

4-ring pistons on all engines save oil, upkeep.

Independent parking brake on all models is simple, efficient, powerful.

Rivetless Cyclebond brake linings last longer . . . no rivets to score brake drums . . . linings are tapered and molded on many models for quiet stops.

Oriflow shock absorbers on 1/2-, 3/4- and 1-ton models give smoother riding, greater driver control on roughest roads.

High-strength rear axle shafts on all models are shot-peened for extra durability.

Better balanced weight distribution for extra payload.

Dodge pioneers . . . others follow! Many features—just adopted by other leading makes—have been standard on Dodge trucks for years! For example: chrome-plated top piston rings in complete line, spark-plug covers, 45-ampere generators, short wheelbase design.

NEWS FROM VERA

(Mrs. J. T. Randolph)

Mr. and Mrs. J. O. Doss and their granddaughter came from Quanah last week end to visit Mr. and Mrs. S. S. Doss.

Mr. and Mrs. Bill Doss visited Bill's sister in Wichita Falls last week.

Mr. and Mrs. Virgil Wigley of Eunice, N. M., were recent visitors in the Ted Russell home.

Mrs. George Parrish and Mrs. Billy Kelly of Houston came the latter part of last week to bring Bobby Feemster. Bobby will soon be beginning his military service.

James Oden of Blackwell spent last week in the home of his cousin, Mrs. A. E. Boyd.

Mr. and Mrs. Fred Hollabaugh and their daughters, Mr. and Mrs. Charles Hollabaugh and their baby of Arlington visited their Hollabaugh and Wiggins kin last week end.

Carol Murphree was here from Arlington for the week end. He brought his mother the news that Dixie had called that he had landed in the States.

Mr. and Mrs. Orville Kinnibrugh and Betty Joe of Floydada were week end visitors here.

Rev. and Mrs. S. S. Silveria and their three children were here from Fort Worth Sunday. Rev. Silveria preached at the Baptist church.

Stanley Coxwell is spending this week with the L. D. Allens. His mother, Mrs. Jim Coxwell, of Olton and his grandmother, Mrs. John Welch, of Dickens came to bring him and to visit the Allens.

Mr. and Mrs. E. S. Allen had as week end visitors the Louis Clark family from Olton, Louis.

Prenuptial Party Is Held Honoring Young Bride-Elect

Miss Burnadean Suggs, bride-elect of A-1C David A. Clark, was complimented with a lovely miscellaneous wedding shower Saturday evening, March 7th.

The affair was held in the home of Mrs. Carl Gage of Munday and she was assisted with hostess duties by Mesdames James Carden, Clifford Cluck, J. D. McClaran, S. G. Smith, D. E. Whitworth, Lloyd Patterson, Clyde Yost, E. L. Goolsby, Jack Tidwell, Tom Bullington, Walter Rodgers and J. O. Bowden.

The party rooms were attractively decorated with a pink and silver color scheme emphasizing the shades that have been chosen by the bride-elect for her wedding. The refreshment table was covered with a lace cloth and centered with a miniature bride and bridesmaid. On the buffet was a miniature airplane made of white carnations from which extended pink ribbons encribed with "Happy Landing, 1953, Dave-Dean." Beautiful bouquets of pink daisies were used throughout the party rooms.

Mrs. Gage greeted the guests and presented them to members of the receiving line including the honoree, her mother, Mrs. C. F. Suggs; and her grandmother, Mrs. W. D. Dryden. Mrs. Bullington presided at the bride's book.

The couple will marry in services to be conducted at 6 o'clock March 21 at the First Baptist Church in Munday.

Rev. H. A. Polnac is to officiate and many musical selections will be provided by Kerman Sage, soloist, and Miss Charlotte Hannah, organist. Miss Ne-wanna Goolsby is to attend Miss Suggs as maid of honor and Lonnie Galloway has been asked to serve as best man.

parents, who live at O'Brien, lost their home in Friday's tornado. Joe Jackson was home from Tech at Lubbock for the week end.

The Ervin Nichols family and Mr. A. C. Nichols went to Abilene Sunday to visit the Rex Holt family and to see their new baby daughter, Mrs. Holt is the former Audrey Nichols.

Mr. and Mrs. Grady Norman and their children and Mrs. E. A. Ritchie of Spur visited the K. B. Ritchie family last week end.

Mmes. Tom Bowdoin and Ailyn Laws visited Mr. Bowdoin, who is a patient in the Veterans Hospital at McKinney, last week end. They also visited with Laurence Thorp and Mary Frances Laws in Denton. Billy Clyde Laws also came to Denton from Fort Worth to join in the week end visit.

The Junior class of Vera High School will present a play in the school auditorium Monday night, March 23rd.

Mrs. Wesley Trainham, Mrs. Jess Trainham and Mrs. J. P. Hughes visited relatives in Waco and West last week end.

Virginia Hargrove Celebrates Tenth Birthday Friday

Virginia Hargrove celebrated her 10th birthday with a party in her home in Aiken on Friday, March 13.

The huge birthday cake was the center of attraction, being white with large red roses and green leaves for decorations. Cake and ice cream were served to the following:

Ruth Ann Rivers, Wanda Savage, Bonnie Allen, Carolyn Harris, Raye Watson, Nancy Jo Schacht, Billie Jean Scott, Betty Jean Allen, Dianne Crawford, Jackie Massey and the honoree.

Gifts were sent by Edwin Hill of Dallas and Kim Mickey of Aiken, Elaine and Beth Hargrove of Goree, who were unable to attend.

Benjamin Sorosis Clubs Hears Miss Hawkins March 5

The Benjamin Sorosis Club met March 5.

Miss Eudora Hawkins, of West Texas Utilities in Abilene, gave a lecture on "Free Enterprise System and Encroaching Socialism."

She said: "Basically, our free enterprise system succeeds because of our freedom provided for in the Constitution—right to own property and receive just compensation therefrom."

"Business succeeds only if there is: (1) not too high taxation, (2) private management, (3) freedom from government competition."

"The only alternative to free enterprise (freedom for individuals to own property and receive compensation from the fruits of their labors) is Socialism (let government own everything and distribute, or share, the wealth."

"Three planks of the 1936 platform of the Socialist Party were incorporated in our government: (1) high income taxes,

(2) increasing inheritance taxes, (3) amendment to let the federal government own and operate industries. Our government now owns 100 industries."

Miss Hawkins showed a film, courtesy of the West Texas Utilities Company, depicting the improvement of our standard of living since 1800. At that time few machines were in use. Man hours were long and hard with the animal, horsepower; production was low. As more machines came into use, man and animal hours lowered and production increased—raising our standard of living until today it is 5 times what it was in 1800.

Refreshments were served by Mrs. J. C. Patterson and Mrs. O. W. Driver.

Activities of The Colored People

On Sunday, services were held at the Church of God in Christ, with Elder Brooks, pastor, in charge. At Friendship C. M. E. Church Rev. Starks, District Superintendent, brought the evening message. Rev. Stansbury is the pastor.

Billy D. Lewis, former instructor in our school, was a pleasant visitor here last Wednesday. He was accompanied by Miss A. J. Lewis of Gilmer and Hollis Green of Wichita Falls. They were supper guests of Mr. and Mrs. Gus Johnson. The following week end Lewis left for an extended duty with the Army in Germany.

Rev. Q. H. Beaver is rapidly improving at the home of relatives in Wichita Falls. He was released from the hospital last Friday.

Mr. and Mrs. J. B. Graham and son, Randy, visited relatives in Dallas and Fort Worth over the week end.

Knox 4-H Member Sweeps Prizes In San Angelo's Annual Sheep Show

Charles Todd, 11-year-old 4-H member of Truscott, was a very happy young man recently, when Judge James Gray of the Texas Extension Service placed winners in the Hampshire sheep division of the San Angelo Stock Show. Charlie's entries carried off eight prizes, including two grand and reserve championships.

Placing of Todd's sheep in the show, which was held on March 27, are as follows:

Grand and reserve champion Hampshire ewe lambs; grand and reserve champion Hampshire ram lambs; first and second place in both Hampshire ewe and ram lambs; first place, pen of three Hampshire ewe lambs; first place, pen of three

Hampshire ram lambs; first place, get of sire; first place, lamb flock.

Todd is the son of Mr. and Mrs. Elmo Todd of Truscott.

Mr. and Mrs. Thurman Gulley and son were business visitors in Wichita Falls last Friday.

Mrs. J. B. King and children visited in Wichita Falls last Friday.

TO BAYLOR HOSPITAL

Mr. and Mrs. Gene Michels took their son, Collis, to Baylor Hospital in Dallas last Friday for medical treatment. Gene returned home Sunday night and reported Collis somewhat improved.

A. L. Smith was a business visitor in Dallas the first of this week.

Kelsie Nelson was a business visitor in Wichita Falls last Monday.

Funeral Services For J. C. Blankinship Held On March 9th

Funeral services for J. C. Blankinship, who passed away at his home in Goree on Sunday, March 8, were held from the First Methodist Church in Goree at 3 p. m. Monday, March 9. Officiating were Rev. S. E. Stevenson and Rev. Fred Cox.

John Carol Blankinship was born at Wolf City, Texas, on June 6, 1869, and was married to Miss Lula Taylor on November 13, 1890. He came to Goree in 1912.

"Uncle Jack," as he was lovingly called by many, was a good, upright citizen. His friends were numbered by those who knew him. He was associated with the Blankinship Leather Goods and Shoe Shop until his retirement some 15 years ago. In pioneer days, his shop was a harness and shoe shop.

He is survived by his wife; three children, J. H. Blankinship, Mrs. Mamie Naron and W. E. Blankinship, all of Goree; two brothers, O. M. Blankinship of Greenville and E. C. Blankinship

of Ferris; two sisters, Mrs. Evy Morris of Ferris and Mrs. Dora Morris of Denton; eleven grandchildren and seven great grandchildren.

He was converted at Wolf City on August 18, 1891, and united with the Methodist church.

All the grandchildren were present for the funeral except two who are in the armed forces, Sgt. Joe Blankinship of Presque Isle, Maine, and Sgt. Louis E. Blankinship of Japan.

Mr. and Mrs. Randall Walling and children of Sweetwater were week end guests in the home of her parents, Mr. and Mrs. M. Boggs.

Mr. and Mrs. Jimmy Peek of Borger visited relatives here and Goree over the week end.

FOUR SQUARE GOSPEL MEETING SLATED

The Four Square Gospel will meet at the Primitive Baptist Church in the southwest part of town, at 7:30 Thursday night for prayer meeting, with E. Marion in charge. Everyone is invited to attend.

ENTERS AIR FORCE

Kenneth Stubblefield reported for duty in the Air Force last Friday. He will be stationed in San Antonio for basic training.

Last year 1122 spindle-type cotton pickers and 14,270 stripper type cotton harvesters were used in Texas. Rotary hoe equipment was used on 26,000 farm tractors and pre-emergence chemicals and post-emergence spray were used to control grass and weeds in cotton fields.

Grow a big garden in 1953. It's time now in most sections of the state to prepare the soil for planting and in the southern areas to plant the hardier type vegetables.

Legal Notice

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 14,409 miles of Asphaltic Conc. Pvt. from 1.44 mi. south of Guthrie to Stonewall C. L. on Highway US 83, covered by C 32-6-6, in King County, will be received at the Highway Department, Austin, until 9:00 A. M., March 17, 1953, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall not pay less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on the project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of H. T. Cunningham, Resident Engineer, Munday, Texas, and Texas Highway Department, Austin. Usual rights reserved. 32-2tc

THEY WONDER WHAT HAPPENED—Two small victims of the Knox City tornado seem a bit bewildered about what happened. Nevertheless, Bobbie Cassillas, and his cousin, Lupe Cassillas, both two and a half, went about picking up a few scattered toys. Lupe clutches a doll which escaped the tornado.

Mr. and Mrs. Carl Bullington of Wellington visited with Mrs. Jimmy Bullington and other relatives here over the week end.

Mr. and Mrs. Paul Farris and daughter of Fort Worth were week end guests of Mr. and Mrs. W. G. Welborn and Gaston.

Mr. and Mrs. Bill Dingus and Jane of Pampa were week end guests in the G. W. Dingus home.

NOTICE OF ELECTION

Notice is hereby given that the school board of the Munday Independent School District has called an election to be held on Saturday, April 4, 1953, for the purpose of electing two trustees for the school district.

Voting boxes will be at the City Hall in Munday and the Sunset school building. H. P. Hill has been appointed election judge, he to select his helpers. Polls will be open at 7 a. m. and close at 7 p. m.

TWO DIED HERE—All that remains of 10 houses in this square block is the shambles shown at the rear. Two women trapped in a dwelling that formerly stood

at the extreme left were killed. The house was blown the entire length of the block, and bodies of the victims were found smashed against trees across the

street, 600 feet from the house. They were Mrs. John Escobar, 45, and her mother, Mrs. Martina Avalos, 65.

CAR SLIGHTLY DAMAGED—Miss Mary Parsons, who worked at the clinic in Knox City, saw the tornado coming and rushed her automobile to the garage.

Though the winds made shambles of the garage, the car received only slight damage. Her home nearby also suffered heavy damage.

BENJAMIN NEWS

Mrs. H. C. Stone, Cor.

Miss Ruth Johnson and Zane Grey of Wichita Falls spent last Tuesday with Miss Johnson's parents, Mr. and Mrs. L. J. Johnson.

Billy Ray Golden and Jimmie Pierce were business visitors in

Buying? Improving? Refinancing?

YOU can do the job better if you have an Equitable Society loan with the famous Farm Income Privilege

See us for further details

Wallace Moorhouse or Chas. Moorhouse
MUNDAY, TEXAS

Our Challenge Was Accepted!

On March 5, we ran an advertisement in this newspaper in which we offered to match the Ferguson "30" with Ferguson System Implements against any other tractor doing a group of basic farm jobs. This challenge has been accepted.

The dealers who will compete are: Farmers Supply Company and Munday Implement Company.

The "match" will be held on the east side of the Lowrance farm, just west of the new disposal plant. The date is SATURDAY, MARCH 21. The time is 2 p. m.

The idea behind all this is simple. We feel that any farmer buying a tractor and implements should have the opportunity to make an honest-to-goodness comparison right in the field.

We further feel that a great many important points about a tractor and about implements---both good and bad---can be revealed through a demonstration, doing the jobs the farmer will want to do if he buys that equipment.

On some jobs, some equipment is better than others. The important thing is that a tractor and implements should do a better than average job all of the time.

In our opinion, the Ferguson "30" with Ferguson System Implements meets more of the needs of more farmers---more of the time---than any other equipment you can buy! Come out and judge for yourself how well we prove it.

Farmers Supply Co.
Phone 3081 Munday, Texas

TORNADO'S PATH — Part of the wreck and ruin which a tornado brought to Knox City is shown from the top of the

Knox County Hospital, which itself was badly wrecked by the tornado. The hospital was one of the first buildings hit by the

twister which then plowed a large strip through the eastern edge of Knox City for about eight city blocks. A tractor is

shown removing a large tree which fell across the walk to the hospital. The building in the center of the picture just across the street, is the Knox City Clinic, also destroyed by the high winds.

Gerald Myers of Texas Tech, Lubbock; Mr. and Mrs. Glen Myers and son, of Hobbs, N. M.; were week end guests in the home of their parents, Mr. and Mrs. Roe Myers.

Rev. and Mrs. O. A. McBrayer and daughters, Linday Kay and Cynthia Ann, of Lubbock spent several days last week with her parents, Mr. and Mrs. W. A. Sherrod.

New John Deere Tractors Are Now In Production

Announcement has just been made of the new John Deere "40" Series General-Purpose Tractors which replace the "M" Series.

Headlining an impressive list of advances in the new models are: new heavy-duty three-point hitch for a new and completely modern line of Quick-Tatch working equipment, a new and advanced system of load and depth control through the time-proved John Deere Touch-o-matic system, and a more powerful two-cylinder engine that delivers approximately 15 per cent more power. One of the new models is on display at Harrell's in Munday.

The new Model "40" Standard replaces the Model "M" in the John Deere line; the Model "40" Tricycle-Type replaces the Model "MT". They are rated as full two-pow tractors in most soils; furnish complete power for farms up to 100 acres, helper power for larger farms.

Outstanding in styling and performance, the new John Deere Tractors meet in every respect the exacting standards that have won the company its respected position in the farm industry.

Other advancements in the new models include: provision for use of both Touch-o-matic cylinders on the "40" Tricycle Type for greatly increased lift-

ing power on all implements using the three-point hitch; a similar increase in reverse speed from present 1.6 mph to 2.6 mph; increased fuel tank capacity; and adoption of new-type radiator grill, using a special convoluted screen material that provides better non-clog protection for the radiator. Servicing of the battery has been made easier on the new tractors by new design of battery compartment. Important improvements make it easier to get on and off the tractors.

The Touch-o-matic hydraulic system provides "live" power for effortless raising, lowering, and precision setting of the working equipment, and on the Model "40" Tricycle-Type individual control of cultivator sections right and left or front and rear. There is a new load control system for improved speed and performance in uneven ground conditions; and fixed position control for the man who wants his equipment to work at a constant working position over the entire field.

Among the features of the "M" and "MT" models that have been retained are: four forward speeds; adjustable cushion seat; adjustable wheel treads to match the work to be done, built-in power take-off; and the independent self-energizing rear wheel brakes for sure stops, short turns. Performance tests indicate that the new tractors will maintain the outstanding reputation of John Deere two-cylinder tractors for all around

economy. Two new larger John Deere General-Purpose models, the "50" and "60" were introduced last summer.

Sunday guests in the Lee Haynes home were Mr. and Mrs. Nonnie Phy, Mr. and Mrs. Lane and daughter of Stamford and Misses Jane Holloway and Thelma Wirges of Haskell.

Don Haynie, student in Texas Tech of Lubbock, spent the week end here with his parents, Mr. and Mrs. Charlie Haynie, Sr.

Mr. and Mrs. Bob Brown and children visited relatives in Vernon last Sunday.

LOCALS

Mr. and Mrs. Bruce Burnett and children visited relatives in Midland the latter part of last week.

Mrs. Mike Willoughby and sons visited Mr. Willoughby in Wichita Falls over the week end.

Mr. and Mrs. M. L. Wiggins and Mrs. Etta Webb visited relatives in Spur over the week end.

Mr. and Mrs. Doug Moore of Borger visited relatives here and at Goree over the week end.

Mrs. A. A. Smith, Jr., left Saturday for Florida for a two weeks visit with relatives.

E. W. Harrell and Gene Harrell were business visitors in Dallas the first of the week.

Mr. and Mrs. E. E. King were Sunday guests in the home of his uncle in Archer City.

Mrs. J. O. Tynes spent this week in Wichita Falls with her sister, Mrs. Nell Anderson.

Mr. and Mrs. Judge Stevens and Mr. and Mrs. Frog Stevens and children of Abilene were visitors in the home of their parents, Mr. and Mrs. Cal Stevens last Saturday night.

Rogers & Mann, Inc.
"The FARMALL House" Munday, Texas

News From The U. S. Congress

Congressman Frank Ikard

WASHINGTON, D. C., March 13—R. B. Anderson of Vernon, the Secretary of the Navy, has already appeared before several Congressional Committees. It will come as no surprise to North Texans to know that he has made a very fine impression on Capitol Hill. Already his forthright attitude, his great intelligence, and energy have made him one of the most popular and respected members of the new administration.

About this time each year, the agencies of the government come to Congress with their appropriation bills. The members of Congress get reams of information about the work that each agency is doing and how important it is to the welfare of the country. It is strange that this information always comes about the time that the appropriation bill for that agency is being considered. The way that we arrive at the amount of the departmental

appropriations is, it seems to me, entirely too cumbersome and antiquated. For instance, the Bureau of the Budget and those in the departments interested in preparing the Federal budget have the assistance of approximately 15,000 "experts" in arriving at the amounts that go into the National Budget. The Appropriations Committee of the House which must consider, investigate, and carefully screen all of these requests has only 67 employees. This number includes stenographers, clerks, and some part-time workers. It seems ridiculous to me that the people that spend the money would have thousands of "experts" to think up reasons why and how the money should be spent when the people that are trying to hold expenses down have only 67 very efficient but completely over-worked employees. In other words, "the tail is wagging the dog." Unquestionably, the most important domestic issue facing us is the reduction of Federal expenditures and the cutting of taxes. In order to do this intelligently and effectively, there must be a free flow of information between the different agen-

PATH OF THE TWISTER—The scene of devastation above is typical of the havoc and destruction left in the wake of a vicious tornado that roared through Knox City between 2:10 and 2:30 p. m. Friday. The death toll was still mounting Saturday morning, as estimates of damage neared the million dollar mark.

cies of government and the Congress, and frankly, it is difficult for me to see how this could be possible under the organizational set-up I have outlined above. We must, above everything else, balance our economy. This can be done only by reducing our expenditures and recognizing the fact that our taxes are entirely too high—that they have reached a point where they do destroy the incentive to produce. The keeping of our economy, here at home, sound through a minimum of Federal spending and reduced taxes should be our prime objective for if our economy at home fails, then the number of planes we could put in the air or ships we have at sea, or guns that we can produce become relatively unimportant. As the appropriations bills come along, I intend to support every sound measure that is offered for economy and also to do what I can to see that reasonable tax reductions are effected during this session of Congress.

The tension continues to grow over the barbarous acts of the Russians in shooting down the American jet and English bomber in Germany. It is possible that the new Russian despot, Malenkov, is merely flexing his muscles and showing his strength to the West. If this is the case, these incidents no doubt will continue. Further occurrence of warlike acts such as

these by the Russians could snap the already strained relations between the East and the West. Naturally, we all hope and pray that the leaders in the Kremlin will show some restraint of their apparent warlike attitude.

During this week, W. H. Wright and R. H. Nichols of Vernon, Linton Estes and Russell Willis of Wichita Falls, and John D. Faught of Roanoke were in the office.

Mrs. U. S. Rogers, who had been with her daughter, Mrs. Marguerite Sweatt in Plainview the past six weeks, returned home last Friday. Mrs. Sweatt has been seriously ill in the Plainview hospital for several months but Mrs. Rogers stated she is much improved. Mrs. Rogers returned home with her daughter, Mrs. R. L. Burton of Haskell, who had been visiting there the past week.

Mrs. Erin McGraw spent the week end in Wichita Falls with her daughter, Mrs. Orman Moore, and family.

John McClaran of Dallas spent the week end with his mother, Mrs. Ann McClaran.

Legion Chaplain Urges Churches to Honor Korean Veterans

The Rev. Henry F. Selzer, above, Episcopal minister of Marshall and state chaplain of the American Legion, urges pastors of all faiths to join the Legion in honoring returned Texas veterans of the Korean conflict in "Korean Veterans' Appreciation Week," March 18 to 22. The Rev. Mr. Selzer asks churches to honor the veterans on March 19.

During the month of MARCH

Guests in the home of Mr. and Mrs. Dee Clough during the week end were Mr. and Mrs. S. D. Holmes and son of Dallas, Mr. and Mrs. J. W. Holmes and daughter and Mr. and Mrs. Delbert Montgomery of Fort Worth.

Mrs. J. P. Burroughs of Coleman visited her daughter, Mrs. Worth Gafford, and husband last Sunday and Monday.

Miss Nell Albus and Miss Glenda Coffman were Wichita Falls visitors last Saturday.

Mr. and Mrs. Ralph Weeks have been visiting their daughter and family, Mr. and Mrs. Raymond Hargrove of Aiken, being there Friday to help their granddaughter, Virginia, celebrate her tenth birthday.

Mrs. Tom Clarke of Fort Worth was a Sunday visitor with Mr. and Mrs. Grady Phillips and family and Mr. and Mrs. Earl Senter and son.

Miss Tennie Montandon attended the funeral of Walter Hyde in Knox City last Monday.

Future Farmers To Hold Parent And Son Banquet On Tuesday, March 24th

The Munday Chapter, Future Farmers of America, will sponsor a parent and son banquet on Tuesday evening, March 24, at 7:30 o'clock. The banquet will be held in the school cafeteria. Each member of the F. F. A. is expected to be present with his parents. This is an annual affair in which the Future Farmers honor their parents. Mr. J. C. Porter of the First National Bank in Wichita Falls, will be the principal speaker. W. E. Braly, president of the First National Bank in Munday, will introduce the speaker. The program will consist of the opening and closing ceremony, introduction of guests, special music, and the address.

Knox 4-H Members Receive Instruction On Fitting Sheep

Members of the boys 4-H Clubs of Knox County received instructions on selection of good sheep, fitting the animals and handling them at the regular March meetings. Slides were shown to assist the members in selecting good feeder lambs, and how to fit the lambs for show. Members were also given tips on how to show sheep, and how to check sheep for degree of finish to determine the progress of the animals. Approximately 12 4-H boys have selected sheep for their demonstration and these animals will be entered in the county shows, and then carried to district and state shows when qualifications. It was pointed out by the County Agent that sheep are a project that do not require a large capital, can be kept in a small place, are easy to handle, and do not require the feed of a larger animal.

Weather Report

For seven days ending 7 P. M. March 18, 1953, as compiled by H. P. Hill, U. S. Weather Observer.

	LOW	HIGH
	1953-1952	1953-1952

4-H Club Girls Meet On March 12

Mrs. Georgia Fae Perkins, the new Knox County Home Demonstration Agent, met with the Munday 4-H Club girls March 12 at three o'clock. The meeting was called to order by the president, Jimmie Del Peysen. The secretary, Diana Gaither, called the roll with 36 present and the minutes were read. Mrs. Perkins called for names of those who are entering the dress review. The judging will be held Saturday, April 25th at 9:00 in the Benjamin school auditorium. The review for the public and prize giving will be announced at a later date. Sylvia Broach was elected song leader, and after a song the girls were dismissed. The next meeting will be April 9th.

CARD OF THANKS

The recent bereavement which has visited our home has brought to us a greater appreciation of our friends. Such kindnesses and neighborly thoughtfulness can never be forgotten. The family of J. C. Blankinship. Itc
